

Chapter 434: Nothing is as good as you (end of main body) _1

Huo qingsi neither admitted nor denied it. She simply said, " she's just an ordinary little girl. She'll grow up healthy and happy. She'll be the happiest girl in Mo City and won't experience what Xu Youyou has experienced.

Wen Sinian was silent for a few seconds and touched her head. she is lucky to have met you.

I'm lucky to have met you," Huo qingsi said as she cast a sidelong glance at him.

The two of them looked at each other and smiled. Their hands were clasped together so tightly that there was no gap between them. No force in the world could separate them.

The Four Seasons passed by, and in the blink of an eye, Jia Yue and Suisui were already in primary school. The two of them were not only in the same class but also in the same seat.

Only the follower signed up for extracurricular classes and went to attend LEGO classes after school. Gayue, who was not interested in LEGO, signed up for dance classes at school.

Xu Youyou went to pick up her follower and then Jia Yue.

The car stopped at the school gate and Xu Youyou asked her chaperon to wait for her in the car. As soon as she got out of the car, she saw mo shenbai standing at the school gate and taking Jia Yue from a young woman.

The woman's face was both strange and familiar.

Xu Youyou was stunned for a moment, but she could not help laughing when she reacted.

So, it was like this ...

She had been worried that something would happen to her and that she would leave them. She didn't expect that it was all a misunderstanding.

Mo shenbai walked over with Jia Yue in his arms. When he saw her smiling, he asked, " "What are you laughing at?"

Xu Youyou didn't answer, but looked at the little girl in his arms. Jiayue, you're already so big. Why are you still letting people carry you? "

"I sprained my foot, it hurts ..." Jia Yue pouted and said in an aggrieved tone.

Only then did Xu Youyou notice that she was not wearing a shoe on her right foot. Her sock was hanging down, revealing a small section of her red ankle.

"Is it serious?" Xu Youyou was asking about mo shenbai.

Mo shenbai said in a warm voice, " the teacher said that he had seen the school doctor. It's not serious. He'll be fine after two days of rest.

Xu Youyou's heart was finally at ease. She looked at the teacher at the school gate. are you new? "

Mo shenbai placed Jia Yue in the car and sat with her. yes, the previous dance teacher resigned.

Xu Youyou smiled and did not say anything. She let him hold her hand and walk to another car.

Cang Yun left with Jia Yue and her followers.

Jia Yue was in a bad mood. mom and dad are so bad. My legs are crooked. They didn't accompany me and secretly went to date.

Xie Yumu was the one who told her that they were in a relationship because everyone said that her parents were still in a relationship even after being married for so many years.

Sui sui was focused on playing with the Rubik's Cube and didn't pay attention to what she was saying.

Jia Yue immediately felt even more aggrieved and said pitifully, " "Brother, my foot hurts ..."

Suisui came back to her senses and put the Rubik's Cube aside. Her gaze fell on her ankle and she touched her head. it doesn't hurt, it doesn't hurt ...

After saying that, he took out the cheese stick from his pocket, which was awarded to her by the teacher for her excellent performance in class today, and handed it to her. He even thoughtfully tore it open.

Jia Yue took the cheese stick and ate it happily, and the grievance she had just now was instantly swept away.

Suisui could focus on assembling the Rubik's Cube again.

Mo shenbai held Xu Youyou's hand and got into the car, then asked the driver to raise the partition.

"You're very interested in the new dance teacher?"

Xu Youyou still wanted to fool him, but when she met his deep and penetrating eyes, she sighed helplessly. I really can't hide anything from you.

"There was a sense of relief in our eyes just now." Mo shenbai played with her fingertips. what did you dream of before? "

Xu Youyou didn't hide it from him. before I went abroad, I dreamed that you had held Jiayue in the arms of the teacher. I thought ...

He wanted to say something but stopped, not saying the rest of his words.

Even if she didn't say it, mo shenbai knew what it was. do you think that I've shifted my love to someone else after you died? "

Xu Youyou pursed her lips and revealed an innocent and coquettish smile.

Who asked him to smile at her in her dream? it was hard not to overthink.

Mo shenbai reached out and pinched her face. His low and hoarse voice was angry as he said, " it seems that my love for you is not deep enough. That's why you have no confidence in me.

"No, uh ..."

Before Xu Youyou could finish her words, mo shenbai had already lowered his head and grabbed her lips.

All the quibbling words were stuffed back into his stomach.

Their lips touched, their breaths blended, and their hearts were in a mess.

As the isolation panel had been raised a long time ago, Xu Youyou did not have to worry about anything and coaxed da Bai first.

She got up and sat on him, holding his face and pressing her lips against his, her voice unclear.
