

PAMPERING 438

Chapter 438: Disgusting (1)

Xu Jialu shifted his gaze without a trace. Not only did he drink with Fang Yi, but he also asked his subordinates to drink with him.

This group of IT straight men were usually stubborn, but at this time, they were particularly sharp. They noticed that their boss wanted to make this person drunk, so without Xu Jialu saying anything, they called him " brother " one after another, as enthusiastic as brothers who had been drinking with Fang Yi for more than ten years.

No matter how good Fang Yi's alcohol tolerance was, he couldn't withstand their drinking. In the end, he was drunk and su lanxu had to carry him out.

Someone wanted to help but was stopped by Xu Jialu's gaze.

Su lanxu supported the drunk Fang Yi with great difficulty, stuffed him into the back seat, and closed the door.

When she turned around, she saw Xu Jialu walking out of the rotisserie, surrounded by a crowd. Under the light, he was no longer as unruly as before, but had the calm of a mature man.

Xu Jialu happened to look up at her, and their eyes met at a certain point in the air.

The night breeze was cool, and the atmosphere was strange.

In the end, su lanxu lowered her eyes, got into the driver's seat, and drove away.

Someone beside Xu Jialu asked, " boss, do you not like that man? Don't tell me you've taken a fancy to that girl?"

"How is that possible?" Another person said, " isn't she the eldest's younger sister's best friend? If the boss has his eyes on her, there's no one else!"

"Shut up!" Xu Jialu glanced at them indifferently. I just don't like people who are stupid. Can't I? "

The few of them faced each other and could not understand what he was saying.

Xu Jialu thought of what he heard in the toilet and squinted his eyes. The light in his eyes became colder and he sneered in his heart. This stupid girl!

At the hotel.

Fang Yi was sleeping soundly in the car. Su lanxu could not hold him up by herself, so she had to ask the hotel staff for help. She finally got him into the bedroom and put him on the bed.

Su lanxu gave him a tip and thanked him. Then, she turned around and helped him take off his shoes and unbutton his shirt so that he could sleep more comfortably.

The man who was sleeping soundly suddenly hugged her and called out, " lan lan ... Lan lan ...

Su lanxu wanted to sit up straight, but he was hugging her too tightly and she couldn't break free.

Fang Yi was still mumbling in his sleep. lan lan, don't leave me ... Don't ever leave me.

Initially, she was still resentful that he had drunk so much wine, but at this moment, her heart had already melted into a pool of water. Her fingertips gently brushed his eyebrows.

"Silly girl, why would I leave?"

...

The next morning, su lanxu rang Fang Yi's doorbell.

When Fang Yi came to open the door, he was still wearing the clothes from yesterday. He was barefooted and looked Haggard, a typical case of a hangover.

Su lanxu had gone to buy breakfast and some medicine to sober up early in the morning. She walked in and asked with concern, "Are you alright?"

Fang Yi hugged her from behind and said in a sleepy voice, "My head hurts."

Su lanxu placed the breakfast on the table and turned to look at him. why did you have to drink with Xu Jialu yesterday? and you drank so much.

Hearing this, Fang Yi let go of her arm and turned to sit on the chair. He rubbed his face and seemed to have recovered some energy.

"Isn't he your best friend's brother? He just got promoted, so I have to drink with him. Otherwise, your best friend will say that your boyfriend didn't give her brother face."

"Aiyou wouldn't think that way." Su lanxu placed the breakfast in front of him and said seriously,"Don't drink so much in the future. It's not good for your health."

Seeing her sullen face, Fang Yi immediately gave in. okay, I won't drink so much unless it's necessary. I'll listen to you.

Su lanxu then smiled. then, hurry up and eat your breakfast. After that, take The Hangover medicine.

"Yes, sir."

.....

Fang Yi rested for a day at the hotel before he started to submit his resume to look for a job. His family did not live in Mo City, so he would look for a house after he confirmed his job.

Su lanxu's house had started its renovation. She had to check on the progress of the Masters. Although she stayed in the same hotel as Fang Yi, they were in different rooms and on different floors, so they did not meet each other every day.

A week later, Fang Yi invited su lanxu out for dinner to celebrate his new job.

Su lanxu was happy for him and went to the mall to buy a suit as a gift for his new job.

Fang Yi had made a reservation at a Western restaurant. The music was soft and soothing.

Su lanxu gave him the gift and asked which company he was working for.

Fang Yi replied, " it's a venture capital company under the mo Corporation!

Su lanxu's smile froze. you ... You went to the mo Corporation? "
