

## **Pampering**

### **81 Chapter 81 Are You In Love?**

She was talking about her own strength, and Shen Qinglan's eyes showed a touch of satisfaction.

This noon Yan Xi's appetite is very good, not only because Shen Qinglan brought her to the shop itself with good ingredients, the most important thing is that these foods are baked by Shen Qinglan personally.

After eating, Shen Qinglan looked at her, still not behind her, and had no plans to find his brother's Yan Xi.

"You should go to your brother now." Shen Qinglan reminded.

Yan Xi pretended not to understand, "Sister, I lost my mobile phone. Will you accompany me to buy a mobile phone?"

With a sincere look on her face, Shen Qinglan glanced at her without refusing.

Yan Xi followed cheerfully.

"Big sister, you said this phone is good or not, red is new this year." In the mobile phone shop, Yan Xi pointed to a famous brand mobile phone.

Shen Qinglan glanced at the price card, 6188.

Seeing this scene, the salesperson on the side squinted with a smile, "Little girl has a really good eyesight. This one is the latest. Red is the color of this brand for the first time. As soon as it is launched, it is sold out. This A batch is the goods we just arrived. If you are two days late, it is estimated that you will have to wait for some time."

Yan Xi was a little moved. She really liked the phone. As for the price, she didn't even see it.

Shen Qinglan's mobile phone is just a domestic mobile phone bought in the mall. It is not powerful, but only more than 1,000 yuan. As long as she can make a phone call on her phone.

"Then this." Yan Xi said she was about to pay for the bill, and Yan Xi stopped her quickly.

"Sister, I brought the money." Then he took out the card in the bag and handed it to the clerk.

Shen Qinglan knew her family background and did not rush to pay.

Yan Xi got the phone and looked at Shen Qinglan expectantly, "Sister, how much is your phone?"

Shen Qinglan reported a string of numbers, Yan Xi quickly wrote down.

Later, he accompanied Yan Xi to get a calling card. Yan Xi watched Shen Qinglan store his number in his mobile phone and finally smiled contentedly.

This time she didn't have to worry about finding Shen Qinglan anymore.

"Sister, I never asked you, what's your name?"

"Shen Qinglan, clear water, clear water."

"Sister, your name is really nice. Just like yours." Yan Xizan.

Everything in Shen Qinglan's body is beautiful in Yan Xi's eyes. Looking at Yan Xi's expression of a fan, Shen Qinglan is actually a little helpless.

"Sister, where are we going next?" Yan Xi looked expectantly.

"Back to school, find your brother."

Yan Xi paused and did not leave. Shen Qinglan took a few steps to find that she had not followed up, turned around and looked at her, Yan Xi's sad expression.

"Sister, do you not like me, so I always think of sending me to my brother."

There is a look on your face if you dare to say that I will cry to you.

Shen Qinglan couldn't help crying, but patiently explained: "I really have something to do in the afternoon, it's inconvenient to take you. You already have my contact information, are you afraid you won't find me?"

Yan Xi is a sensible girl. When she heard that Shen Qinglan said that she could not take her, she was a

little sad, but she also understood that when she heard the words later, she became beautiful again.

Shen Qinglan sent Yan Xi to the entrance of the school, "I'm going first, you should have your brother's other contact information, I won't send you in."

Yan Xi grabbed Shen Qinglan's clothes corner, "Sister, do you really not want to know my brother? My brother is really handsome and has a good temper. You will like it when you meet."

Shen Qinglan thought of Yan Shengyu's trouble-making body, her beautiful eyes flickered, "No, I'm too late, next time."

"Okay." Yan Xi had no choice but to watch Shen Qinglan go away, and she could no longer see it. Yan Xi took out her mobile phone and called her brother.

Her brother's number was so familiar on her back that she didn't remember that she lied to Shen Qinglan just to stay with Shen Qinglan for a while, but it was true that her mobile phone was lost.

\*\*

Finally, Yan Xi was thrown away, and Shen Qinglan returned to Shang Yayuan.

During this time, she drew a lot of paintings one after another, and she carefully put a few of them away, before calling Daniel.

Daniel received a call from Shen Qinglan and knew that she had a new work. She was overjoyed and hurried over when she hung up the phone.

"My Qinglan baby, you are so awesome this time. I love you." Seeing the paintings in the studio, Daniel's cheeks were flushed, which was exciting.

"Eh, Qinglan baby, the style of your works seems to be not the same as before." Daniel woke up from the excitement, carefully watching Shen Qinglan's paintings, and said suspiciously.

In the past, Leng Qingqiu's works were cold in style, especially a painting called "Struggle", which even gave people the feeling of despair. Although the other paintings did not feel so strong, anyone who has seen Leng Qingqiu's works, She can feel the aversion to the world in her paintings, and her paintings are full of too many dark sides.

It stands to reason that this style of painting is not appreciated by many people. After all, people like beautiful things, but Leng Qingqiu's paintings are indeed unexpectedly popular. Not to mention some people who specialize in this kind of art and make money, even some circles Insiders also greatly appreciated Leng Qingqiu's paintings.

And these pictures, although the color is still cold, it still feels desperate, but it contains hope in despair,

just like a person struggling in despair, about to fall into hell, and suddenly his hands are held. And the hands are slowly pulling her out of the quagmire.

Daniel looked very seriously, suddenly turned his head and looked straight at Shen Qinglan's eyes, "Qinglan baby, you honestly told me, are you in love?"

Shen Qinglan's expression remained unchanged, but her thoughts changed. The styles of her paintings were indeed different from before. When she was painting, Fu Hengyi's eyes full of tenderness and indulgence always appeared in her mind.

Shen Qinglan took a sip of water to cover up the strange emotion in her eyes. Daniel didn't get an answer from Shen Qinglan's body, and no longer continued to struggle.

Instead, I thought about how to deal with these works.

"Qinglan baby, several people have asked me about your work recently. Are you planning to auction or sell these works to those people in private?" Daniel asked Shen Qinglan for his advice, although most of his ideas were taken by him Yes, but occasionally he will ask Shen Qinglan's personal opinion.

"You can do this."

Daniel knew this would be the case. Shen Qinglan was always only responsible for painting, and everything else was irrelevant.

Digression

2P is coming to an end soon, thank you again for the little fairies who support Ali, thank you, love you!

**82 Chapter 82 Yu Xiaoxuan is back (one more)**

Daniel pondered for a few seconds, and said, "Well, we won't sell these paintings first. I still have two paintings from you before. After a while, you draw a few more paintings. Then we hold a personal exhibition."

Shen Qinglan has no opinion. Anyway, Daniel will take full responsibility for the exhibition. She doesn't need to do anything.

Daniel carefully collected the paintings before sitting down, "Yes, Qinglan baby, someone has been inquiring about your relationship with me recently."

Daniel said ambiguously.

But Shen Qinglan heard what he meant, "Shen Xitong?"

Daniel pouted, "Baby Qinglan, a woman who is too smart is not cute."

"That's better than stupid." Shen Qinglan said lightly.

Daniel was speechless.

"Baby Qinglan, why did Shen Xitong suddenly have a relationship between us?"

"Probably because of the He Shoutu."

Shen Qinglan recently painted a picture of "He Shou Tu" for Shen Qian. Daniel knows what she said, and Daniel would understand.

"A few days ago, I received a call from a friend and asked me if I knew a person named Shen Qinglan, and also asked me how I was related to her. I guessed that someone was asking about something, so I told him The relationship is good. Then I asked him who asked him. At first, he refused to say anything, but later I repeatedly asked me to tell me it was Shen Xitong. How, Qinglan baby, am I smart? , I haven't dealt with you in advance, so I can cope so perfectly. I really am a genius."

After only three seconds, Daniel was revealed.

Daniel didn't know much about the Shen family, but Shen Xitong was the adopted daughter of the Shen family. He didn't know the relationship with Shen Qinglan.

"Don't ignore her. Thank you for this matter."

Daniel smiled, "Qinglan baby, we need to be so polite between us?"

If at first Daniel and Shen Qinglan were only employed and hired, but now, the two have become friends.

Shen Qinglan slightly raised his lips, "It is not necessary."

"Qinglan baby, after all, you are a cold and cold thing. Are you planning to hide your whole life?" Daniel asked, and also a little curious. If you change to someone else, you are already a famous young painter. It will hide and tuck, even the family will not tell.

"It's not a good time now. I'll talk about it after a while." Shen Qinglan didn't intend to hide from them all his life, but now it's really not the right time.

And Shen Qinglan did not think at that moment, that the right opportunity came so fast.

Daniel didn't stay here long, and left after taking the paintings. These paintings are of high value. He has to deposit them in the bank's safe.

\*\*

Shen Qinglan also left Shang Yayuan after Daniel left. She did not go directly back to school, but went to the airport to pick up. At noon, she received a message from Yu Xiaoxuan that she returned from Jinning City.

"Qinglan, I'm back!" At the airport, Yu Xiaoxuan wore a pair of sunglasses and flew over with excitement.

Shen Qinglan took her luggage and smiled, "Is everything going well?"

"It's going well. I've already killed it. The director is very sure of my performance. I have to tell you good news." Yu Xiaoxuan paused, approaching Shen Qinglan, "I have officially signed with Sheng Xuan, now I am already an artist under Shengxuan Company. From next month, the company will train me specifically."

Yu Xiaoxuan is very happy, and Shen Qinglan is also happy for her, "Congratulations, to celebrate you so smoothly at night, I invite guests."

"Okay, okay, but this time I have to pay for it. I have already got a paycheck. Although there are not many, but the guests are still enough. When the time comes, I will call Shangtong Tong and Wu Qian. The four of us will have a good meal."

"Okay." Shen Qinglan agreed, and then asked casually, "Is it fun to film?"

Yu Xiaoxuan nodded and shook his head, "It started to be quite fun, but then I found it really tiring, especially the director Li Liqun is strict and a little dissatisfied should come back again. I was always nervous because I was nervous. He scolded, he was scolded a few times, and I wanted to give up."

"But then I thought about it. This was an opportunity I finally got. If I missed it, maybe there was no such

opportunity in my life, so I clenched my teeth and persevered."

"I will think about the script as soon as I have time, and I will ask other people in the crew. Fortunately, the people in our crew are very good. When I went to ask them, they were willing to teach me."

Shen Qinglan listened attentively, remembering the scene he saw in Jinning City, "No one in the crew is embarrassing you?"

Yu Xiaoxuan shook his head, "No, the people in the crew are very good, knowing that I am a layman, and I don't understand many professional terms, I will explain it to me, especially Sister An Yue, although she only appeared in friendship, But she would even play against me, Qinglan, you know me, I was really happily fainting at that time. An Yue hey, that is the shadow."

Yu Xiaoxuan never mentioned anything about being beaten on the set. Whether she forgot or did not want her to worry, Shen Qinglan could only pretend not to know.

"Xiao Xuan, if you are wronged outside, you can tell me. Although I can't help you too much, my shoulder can always be lent to you."

Shen Qinglan seldom said such sensational words. It is already very difficult to say such words today.

Yu Xiaoxuan was moved by her heart, holding Shen Qinglan's arm and resting her head on her shoulder, "Qinglan, it would be nice to be friends with you in this life."

Shen Qinglan smiled faintly, and the stars shining in her beautiful eyes.

Back to the bedroom, Fang Tong was not there, only Wu Qian was alone. She was still lying on the bed, there was no sound, and she seemed to be sleeping. There was also a meal on the table, which was already cold.

Yu Xiaoxuan pointed to Wu Qian's bed and looked at Shen Qinglan with a puzzled look.

Shen Qinglan shook her head, she didn't know what was going on.

"Wu Qian, are you asleep?" Yu Xiaoxuan yelled softly.

Wu Qian did not respond.

Yu Xiaoxuan wanted to call again, just then, Fang Tong came back, and she was very happy to see Yu Xiaoxuan.

"Xiao Xuan, you are back."

Yu Xiaoxuan nodded, "Well, miss me."

Fang Tong rolled his eyes, "The ghost just misses you."

Suddenly noticed that the unopened lunch box on Wu Qian's table was still the way she left it at noon, "Wu Qian, didn't you eat at noon?"

Wu Qian's quilt moved, her voice came from under the quilt, dull, "No appetite at noon, no food, sorry, wasting your heart."

Fang Tong didn't mind any unwillingness, "Wu Qian, is the body still so uncomfortable? Or, let's go to the infirmary to see it?"

No lunch at noon, she only thought that Wu Qian's reaction was too intense.

Digression

Dear little fairies, Ali 2P has passed. In order to thank all the little fairies for their support, Alibaba thanked you more today, and at 12 noon.

### **83 Chapter 83 Encounter (two more)**

"No, I just don't have a good rest. It's okay to take a good rest." Wu Qian said softly, it's hard to hide his hoarse voice.

Yu Xiaoxuan and Fang Tong looked at each other, Fang Tong said: "Is it really okay? Or go to the hospital to see it."

"I really don't need it. I just want to sleep." Wu Qian is a little impatient. She doesn't need this kind of care. All she wants is quiet, that's all.

Yu Xiaoxuan frowned, somewhat displeased, and just wanted to say that Wu Qian didn't know what to do, and Shen Qinglan held her arm. Shen Qinglan shook her head towards her, instructing her not to speak, Yu Xiaoxuan pouted.

"In this case, let's go first. At night we will go out to eat together and come back to bring you a bowl of porridge." Fang Tong said, and went out of the bedroom with Yu Xiaoxuan and Shen Qinglan.

After leaving the bedroom, Yu Xiaoxuan was still a little unhappy. "Wu Qian took dynamite today. We care about her wrong?"

"Her big aunt is here and is unwell, don't worry about her." Fang Tong said, although Wu Qian said that made her uncomfortable.

"It's as if she had a big aunt by herself. When I came to the big aunt, I also died of pain. It was not like her." Yu Xiaoxuan was not happy, she didn't like Wu Qian very much this semester. Wu Qian became more cheerful, and she also let go of some stereotypes about Wu Qian. Now it seems that she still thinks too much. She and Wu Qian are not the same way.

"Of course you are not like her, you are all tossing Qinglan alone." Fang Tong stunned her. Yu Xiaoxuan is suffering from dysmenorrhea. Every time she came to the aunt, she was seriously injured. Shen Qinglan ran up and down to take care of her.

Yu Xiaoxuan smiled charmingly, "I knew you were jealous of me and I got Qinglan's special favor, hum."

Fang Tong doesn't open her eyes and doesn't look at her.

Shen Qinglan walked in front, listening to the two of them open again, shook his head funny.

Because Yu Xiaoxuan wanted to eat roast duck, the three of them took a taxi to a roast duck restaurant in the city center. The roast duck was very authentic.

"Qinglan, you don't even know, the crew's working meals are really not good, they are all cauldron dishes, and there are just a few dishes that I eat and eat, and I'm almost vomiting." Did not eat well in the crew.

"I think you are very happy with the photos." Fang Tong demolished the stage.

"...I'm dedicated, OK?"

"How much you want to eat at night. You won't have this treatment when you get to Shengxuan, and you need to keep your figure." Shen Qinglan interjected, interrupting the two of them who had to fight again.

Yu Xiaoxuan mourned with tears, "Qing Lan, you are not too cute. My agent called me yesterday and said I was too fat. I will start to lose weight formally when my internship defense is over next week. Qing Lan, I really is it fat?"

Shen Qinglan took a serious look at Yu Xiaoxuan and nodded, "It is indeed not thin."

Yu Xiaoxuan: ....Friendship's boat says it will turn over.

Fang Tong laughed aside, seeing that Xiaohui Xuan really cried, patting her shoulder, "Haha, Qinglan teases you, you are not fat at all, just a little baby fat on your face, but it is cute."

Baby fat is a description of a child. Yu Xiaoxuan, who is already 21 years old, said that he was not comforted when he heard this comfort.

The three said that they had arrived at the roast duck shop during the laughter, but it was a pity that they came too late, the shop was already full of people, and there was a long queue outside.

After a question, I learned that at least two hours later, Yu Xiaoxuan and Fang Tong collapsed.

"We've changed a house. I remember there is a Hangbang dish nearby. The taste is very authentic. Take you to try it?" Shen Qinglan saw the two men listlessly and said.

This Hangbang dish is called Shanshui Renjia. It was opened by a middle-aged couple in Hangcheng. The taste in the shop is very authentic. Shen Qinglan and Shen Junyu had eaten it once before.

The taste of Hangbang cuisine is slightly sweet, which is quite different from that of the northerners, but Fang Tong and Yu Xiaoxuan have not eaten it before, and it is fresh even if it is eaten once, so the three of them went to Shanshui Renjia.

The three didn't go to the private room, but in the lobby. The decoration style of the shop had obvious Jiangnan's graceful beauty and a little antique flavor.

It's time for meals. There are a lot of people in the lobby, but the three of them came by coincidence, and there was just one table to eat.

"This is the menu." The waiter took the menu, and Shen Qinglan handed it to Yu Xiaoxuan directly.

"Qing Lan, you've been to Hangcheng, and you definitely know what is delicious, or you come." Yu Xiaoxuan glanced at the menu and handed it to Shen Qinglan. Shen Qinglan didn't say anything, and looked directly at the order. Dish.

While waiting for serving, Fang Tong received a call from Ding Minghui.

"My roommate and I were eating out...not near the school, in the city center...I will go back to the bedroom tonight, um, you have a good meal, I will come to you when the internship defense is over."

Fang Tong and Ding Minghui whispered in a soft phone call. It was completely different from Yu

Xiaoxuan's claws, Yu Xiaoxuan looked at her little woman and touched her arm with exaggeration.

"Oh, mother, it's too numb." Fang Tong hung up the phone, and Yu Xiaoxuan said, "If Ding Minghui sees you as a shrew, will he feel disillusioned as a goddess?"

Fang Tong sneered, "Is he wondering if he will, but I know your image of the goddess is long gone."

Yu Xiaoxuan shrugged indifferently, "Qinglan is the goddess, I am a female nerve, what am I afraid of."

"I don't know if your agent hears this, will you even have to eat roast duck in the future?" Fang Tong said lightly and lightly, Yu Xiaoxuan gritted his teeth.

Her agent is the famous Linda in the circle, is a gold medal agent, many first-line artists are brought out by her, this time Yu Xiaoxuan as a newcomer who does not know anything can be assigned to Linda's hands, many people They were all dissatisfied, but there were also many people watching good shows, because Linda was notoriously strict with the newcomers, and many newcomers were scolded and crying because they couldn't stand her sternness.

Yu Xiaoxuan was both happy and afraid of being assigned to Linda.

"Fang Tong, believe it or not, I killed you." Yu Xiaoxuan's teeth, showing two cute little tiger teeth.

Fang Tong made a grimace, "Come on."

Yu Xiaoxuan was about to pounce, but he was caught by Shen Qinglan, "Well, don't make trouble, pay attention to it in public."

"Huh, since Qinglan has spoken, I will go back and clean up you." Yu Xiaoxuan stepped down the steps, and did not forget to challenge him.

Fang Tong is not afraid of her at all, "Whoever picks up who is not necessarily."

Shen Qinglan was helpless, if these two people could be quiet that day, it must be that the sun came out from the west.

"Lan Lan, why are you here?" the familiar male voice remembered.

Digression

Because the number of words has grown too fast, the recommendation before listing is not easy to arrange, so tomorrow I will resume the rhythm of the day, the little fairies are patient and so on. Waiting for the day when Ali is on the shelf, it will be more popular. Wow, love you!

**Chapter 84 This Is My Brother Shen Junyu**

Shen Qinglan didn't expect to come across Shen Junyu when he came out for a meal, looked at Shen Junyu who appeared in front of him, and then looked at the surprised smiles of Fang Tong and Yu Xiaoxuan. Shen Qinglan had a headache.

"Come to dinner with classmates." Shen Qinglan said, not Shen Junyu, thinking about how to explain to Fang Tong and Yu Xiaoxuan.

Although it was not intentionally concealed, they were concealed for so many years.

Shen Junyu didn't know her thoughts, and already greeted Fang Tonghe with a smile, "Hello, I am Lan Lan's brother, my name is Shen Junyu."

The two recognized Shen Junyu as early as he came. Fang Tong worked at the Junlan Group. Since he knew his boss, Shen Junyu was the male god of Yu Xiaoxuan, and Yu Xiaoxuan would not be strange.

Originally the two were still surprised that Shen Qinglan and Shen Junyu knew each other, and listening to Shen Junyu's name, the relationship between the two was not ordinary, but as soon as Shen Junyu spoke, the two were completely frozen in place.

"Brother... Brother?" Yu Xiaoxuan stared at Shen Qinglan incredulously.

Shen Qinglan glanced at Shen Junyu secretly, nodded under Xiao Xuan's eyes, "Well, this is my brother Shen Junyu."

Fang Tong: ...

Yu Xiaoxuan: "...Dear brother?"

Shen Junyu smiled: "A fellow mother."

Yu Xiaoxuan: ...

Shen Qinglan's gaze fell on Shen Qinglan's body. Even if Shen Qinglan didn't go to see it, she could feel the deep grudge in that sight.

Shen Junyu has now reacted back and forth. He seems to have caused Shen Qinglan a lot of troubles. Shen Junyu smiled a little embarrassedly at Shen Qinglan's slightly cool eyes.

"That, it's rare to come together, don't you mind eating together?" Shen Junyu opened her mouth to break the silence.

"Do not mind." Yu Xiaoxuan said subconsciously.

"You shouldn't be alone." This is Shen Qinglan.

"Accompanying customers to dinner here, just delivered customers, but entertained, patronized drinking, did not eat anything." Shen Junyu said pitifully.

"We are also just here. If President Shen doesn't mind, let's eat with us." Fang Tong said, a little uncomfortable. She didn't think that Shen Qinglan, who thought that the family condition of the three was the worst, was actually the Shen family. A lot of money.

They have been in the same bedroom for three years, and no one has found it. No, it should be said that no one in the whole school knows it, otherwise Shen Qinglan would not be slammed on the forum before.

If the identity of Shen Qinglan is exposed, it is estimated that it will cause uproar throughout the school. This is a real wealth. The family of Shen is still above the family of Yan.

"You like to eat whatever you like. Today, I invite you to thank you for taking care of my family for so many years." Shen Junyu said politely.

Yu Xiaoxuan waved his hands again and again, "No, no, usually Qinglan takes care of us."

She looked at Shen Junyu's eyes with red hearts and blushing cheeks, but this was her male god. She didn't expect that she could not only get close contact with the male god, but even eat with the male god at the same table.

Although Yu Xiaoxuan has a face of nympho, but her eyes are very clean. Shen Junyu does not feel any discomfort, and smiles at her with a goodwill.

The blush on Yu Xiaoxuan's face was thicker, Shen Junyu looked funny, just trying to tease her, but there was a sudden pain in his foot, his face changed, and the look of warning to Shen Qinglan, instantly dispelled the need to tease Xiao Xuan's thoughts.

Shen Qinglan withdrew his feet calmly and clipped a chicken wing to Yu Xiaoxuan. "This egg yolk chicken

wing tastes very good. Try it."

Yu Xiaoxuan nodded stunnedly, oh, eating chicken wings mechanically.

Although Fang Tong was nervous, he felt a little embarrassed when he saw Yu Xiaoxuan's nympho.

"We are calm and quiet, and we don't have any friends on weekdays, but I often hear her mention you two. You have time to play at home." Shen Junyu's voice is gentle, like a close brother.

"Actually Qinglan is just a little cold, but people get along very well and we all like her." Fang Tong said softly.

Shen Junyu's eyes fell on Fang Tong's face. Suddenly he felt where he had seen this face. "Where have we seen it before?" Thinking about it, Shen Junyu asked.

"I had an internship with Junlan Group for two months before. You should have seen me then."

With that said, Shen Junyu remembered, "Are you the new little secretary in the secretary room?"

Fang Tong nodded.

"How? Are you still used to internship at Junlan?"

Fang Tong was a little embarrassed, "I am no longer an intern in Junlan Group. There are too many things in school. I need to be busy with academic matters first."

Shen Junyu nodded: "Students should focus on their studies. If you are still interested in coming to Junlan Group after graduation, you can directly send your resume to my mailbox. You can ask Lanlan for the mailbox number."

Fang Tong heard that she was flattered and suddenly remembered that day she and Shen Qinglan discussed their plans after graduation. They said they wanted to vote for Jun Lan's resume again. Qing Lan said he would do the same.

At that time, she thought it was her encouragement to her, but she didn't expect that she turned out to be the sister of the owner of Junlan Group. Wait, Junlan, Junlan, Shen Junyu, Shen Qinglan, a bold guess came out of Fang Tong's mind, she gently Twitched.

It might not be what she thought, but looking at Shen Junyu's attitude towards Shen Qinglan and Junlan Group's name, the more she thought, the more she thought her guess was correct.

"I heard Lan Lan said that she had a friend who participated in Sheng Xuan's sea election, should it be you?" Shen Junyu looked at Yu Xiaoxuan, his eyes soft.

Yu Xiaoxuan did not expect that Shen Qinglan even told the family about this trivial matter, and thought that Shen Qinglan, who Shen Junyu said before, often mentioned the two of them before her face, and she was very happy.

"Yes... yes." Yu Xiaoxuan was nervous.

Shen Qinglan silently made a white eye in her heart. She didn't tell Shen Junyu about it. He would know that it must be Han Yi's big mouth.

Don't think she doesn't know that Shen Junyu and Han Yi have a very good personal relationship.

"Something can call me in the future. I know the manager of Shengxuan very well and can let him take care of you."

Yu Xiaoxuan shook his head, "No, no, the people in the company are kind to me."

Shen Junyu smiled and didn't say much. Since Han Yi knew Shen Qinglan and Yu Xiaoxuan's relationship, even if he didn't say it, he would take care of her.

The meal was a bit tense, mainly Fang Tong and Yu Xiaoxuan, who suddenly learned Shen Qinglan's true identity, and it was a bit overwhelming at the moment, and a meal was a little absent-minded.

After eating, Shen Junyu took the initiative to settle the bill. "It's too late today. Can you go back to school? Would you like to stay in our house for one night?"

Fang Tong and Yu Xiaoxuan heard the words, and quickly waved their hands, "No, don't use it. It's eleven o'clock in the bedroom. We can go back."

Digression

Waiting for a recommendation is a long process

## **85 Chapter 85 Confession**

"Lan Lan, go home?" Shen Junyu looked at Shen Qinglan.

"Send us back to school."

"Ok."

After sending the three girls to the school gate and watching them enter, Shen Junyu drove away.

"Qinglan, are you going to explain to us?" Yu Xiaoxuan's quiet voice came from behind, and Shen Qinglan paused.

"Go to campus together?" Shen Qinglan said.

The two had no opinion, and the three sat down on the lover slope on campus.

"I am indeed from the Shen family, the Shen family you know. Shen Qinglan spoke, and his voice was calm.

"I was abducted by traffickers when I was five years old, and adopted by a couple, but then the couple had their own children and sent me to an orphanage. I grew up in an orphanage, when I was fifteen Suddenly, a couple came to me and said that I was actually their daughter who had been separated for many years. They looked for me for ten years before they found me, and then I returned to the Shen family."

"After I returned to the Shen family, I knew there was another brother above, the one you saw just now. I also had a sister who was adopted. It is said that the year I was lost, my mother got severe depression because she couldn't find me Almost disappeared. My father adopted a girl from the orphanage for the sake of his mother, and then my mother's illness slowly resolved."

Shen Qinglan said quietly about her life experience, calmly as if telling a story about an unimportant person.

"Qinglan, your childhood is really miserable." Yu Xiaoxuan was in tears.

Fang Tong's face is also grieved, sad for Shen Qinglan.

"It's not as sad as you think. Before I was fifteen, I didn't know my life. I lived that way. When I was fifteen, I returned to Shen's house and lived a carefree life. The family felt that I was owed to me. I'm very good."

"But this kind of good can't make up for the lack of family relations for ten years." Yu Xiaoxuan said.

She knows that although some orphanages are welfare institutions, the conditions are not good. Many children can only maintain a full meal. She now finally understands how Shen Qinglan's cold personality

is developed. She must have been bullied often when she was a child. , So I don't like to interact with others, let alone have any physical contact with others.

Yu Xiaoxuan even had a picture of Shen Qinglan because of his young age, but he was beaten by others but no one was helping her, and she felt even more sad.

Although Fang Tong is not as big as Yu Xiaoxuan's reaction, it is also very sad.

"Qinglan, is your family really good to you?" Yu Xiaoxuan said, "Why have I never heard of you?"

Everyone knows that the eldest lady of the Shen family is Shen Xitong, and she is a wealthy and wealthy man, but she has never heard of another lady named Shen Qinglan.

Fang Tong knew that there was a second lady in the Shen family, but he really didn't know what his name was and what he looked like.

Unexpectedly, the mysterious Miss Shen Jiaer turned out to be her classmate Shen Qinglan. They also lived in the bedroom for three years.

"Qinglan, is that the so-called elder sister bullying you, so you are so..." Yu Xiaoxuan's brain opened wide.

Fang Tong looked at her contemptuously, "Is Qinglan so bully?"

Yu Xiaoxuan was stunned. "Also, if anyone dares to bully Qinglan, I will not let her go."

"I asked the Shen family not to disclose my information. I just want to live the life of ordinary people. Whether it is the Miss Shen family or not is not important to me."

"But it's really wrong for me to hide you for so long. I'm sorry." Shen Qinglan apologized sincerely. She cherishes these two friends. She doesn't want to let them have pimples in their hearts.

Fang Tong and Yu Xiaoxuan glanced at each other, and Yu Xiaoxuan smiled: "Oh, Qinglan, we are not angry at all, it's just some accidents. We've known each other for three years, don't we understand you yet?"

Fang Tong expressed her understanding, after all, she also concealed her identity.

The three laughed at each other, and there were some words that everyone understood in their hearts, without needing to explain too clearly.

Fang Tong and Yu Xiaoxuan suddenly remembered the death of Mrs. Shen's family a few months ago. At that time, Qing Lan also said that her grandmother passed away. The same surname Shen, also lost her grandmother. In fact, Shen Qinglan never deliberately concealed them. If they are smart enough, they can definitely associate two things together.

"Qing Lan, does your family really live in that compound? Is there really a soldier standing there?" Yu Xiaoxuan suddenly looked at Shen Qinglan with curiosity.

"Well, there is a guard at the door. Identifiers need to be authenticated when they come in, and they also need to be checked. My grandpa and the guards are also there."

Yu Xiaoxuan's eyes were bright, "Are the brothers handsome? Are you often able to see people who only appear on TV?"

Yu Xiaoxuan asked questions one after another. Although Fang Tong didn't ask, he listened very seriously.

"If you are curious, please invite you to visit my house this weekend, you will feel it for yourself." Shen Qinglan said.

Yu Xiaoxuan waved his hand, "That's okay, I heard that the soldiers' brothers all took real guns, in case..."

"You think there is a battlefield, and you can shoot casually." Fang Tong Tucao.

Yu Xiaoxuan: ...I really wanted to split this dead woman who always demolished her desk.

"Will we go to cause you trouble?" Fang Tong asked. She knew that those outsiders could not enter.

"No. Let my brother come to pick us up on Saturday."

This is how things are settled. Fang Tong and Yu Xiaoxuan did not object. Shen Qinglan called Shen Junyu directly and told him to come to pick him up on Saturday.

Before returning to the bedroom, Fang Tong went to the supper stall outside the school and brought a bowl of vegetable porridge to Wu Qian.

When the three returned to the bedroom, Wu Qian was asleep. Fang Tong didn't respond after yelling a few times, so she didn't disturb her any more, looked at the unmoved meals on the table, and threw them into the trash.

The three took turns washing and going to bed. This night, the three slept very well.

The next morning, Shen Qinglan came back to run and still brought them breakfast, this time with Wu

Qian.

Before Shen Qinglan bought breakfast for them, Fang Tong and Yu Xiaoxuan would give her the money, or buy her a lunch or something. Although Shen Qinglan kept saying that she was not bad, but they just thought it was To be polite, I learned about her life last night, knowing that she really didn't care about these dollars, and today they ate them unkindly.

Wu Qian also got up. Although her face was still pale, it was much better than the color that was whiter than paper yesterday.

"Wu Qian, I bought you breakfast. Have some."

Wu Qian did not have a meal yesterday, and this time he did not politely talk to Shen Qinglan again, whispering a gratitude, silently drinking the congee side dish bought by Shen Qinglan.

Digression

Because there are still a few rounds of recommendations that I haven't finished, I can't put them on the shelf for a while. Little fairies wait patiently. Ah Li also took advantage of this period of time to show you the fat chapter.

Waiting for the editor to arrange the listing time, A Li will speak in advance in the off-topic and comment area. There will also be a small event on the day of the shelf. The little fairies will pay attention to the off-topic and comment area.

## **86 Chapter 86 Qing Lan's Strength Is a Mystery**

After breakfast, everyone didn't go out today, staying in the bedroom and preparing for the next Monday's reply.

Shen Qinglan is the most leisurely one. She moved a chair and sat on the sun, holding a book in her hand, and turned it casually.

"Qinglan, do you know that you are pulling hatred?" Yu Xiaoxuan said jealously, her hands were still typing on the keyboard, and her thesis began to move today.

"Who made you lazy some time ago, now know that you're in a hurry." Fang Tong Yaoyou.

"Where are you better than me? You're not catching up with the paper now." Let's stop laughing in fifty steps.

Fang Tong stopped talking.

Wu Qian has not spoken. She is a little absent-minded. She glances at the phone from time to time. It is clear that the phone has been turned off, and she does not understand where the tangle on her face came from.

After hesitating for a long time, Wu Qian finally reached for the phone and pressed the power button.

She set up a call reminder, and the phone came in as soon as the phone was turned on. Several messages were sent by Chen Qingtian.

Wu Qian looked at them one by one, and basically asked her why she left the hospital without saying hello.

Wu Qian's eyes were a little confusing and she couldn't see the screen clearly. She blinked slightly and returned a message.

[At school, everything is fine.

After a while, the ringtone of the phone rang, and Wu Qian did not answer it.

The ringtone of the mobile phone kept ringing, and Yu Xiaoxuan looked at her strangely, "Wu Qian, answer the phone."

Wu Qian did not speak, but picked up the phone and walked out of the bedroom.

"Wu Qian feels weird today." Yu Xiaoxuan said.

"Maybe something happened. If you don't want to tell us, don't worry. Just write your paper." Fang Tong said.

Yu Xiaoxuan did not say more.

Shen Qinglan was sitting on the balcony. She could see the scene downstairs from her position. She saw Wu Qian walked out of the bedroom and came under the big tree beside the bedroom. There was a man waiting, and Wu Qian seemed to be Go find this man.

This man Shen Qinglan had seen, that was when she was shopping with Fu Hengyi that day, they met twice, and the two were very intimate at that time. It seems that Wu Qian's depressed mood in the past two days is obviously related to this man. .

I don't know what the man said. Wu Qian kept her head down. The man hugged Wu Qian in his arms. Wu Qian's hand thumped on the man's back. Shen Qinglan looked at the strength and knew that it certainly didn't take much effort.

Soon, Wu Qian and the man got into a sports car beside him.

Shen Qinglan's beautiful eyes blinked, and he took back his eyes.

"Qinglan, what shall we eat at noon?" Yu Xiaoxuan stretched out and asked Shen Qinglan on the balcony.

Shen Qinglan: "What do you want to eat, I will buy it." Now she has the most time in the bedroom.

Yu Xiaoxuan's eyes lit up, she was a foodie, and said that she was motivated to eat, "I want to eat Pizza Hut's seafood pizza, and pasta, KFC's spicy chicken wings and Orleans roasted wings, Starbucks' latte coffee, and ..."

"Yu Xiaoxuan, are you a pig?" Fang Tong interrupted Yu Xiaoxuan's words and looked at her with contempt. "Although you are not well-known now, anyway, you are also an entertainer, pay attention to the image, and eat it, you Don't you fear that your agent will divide your five horses into corpses?"

Yu Xiaoxuan broke his face, "But the agent is not here now, just let me eat for the last time."

With a pitiful expression and a pitiful tone, Yu Xiaoxuan now looks a bit like a poor child after being abandoned.

Unfortunately, Fang Tong did not eat her set, rolled his eyes, "This trick is useless to me, I am for your own good, you eat less now, and you don't have to be so painful to lose weight later."

"Qing Lan..." Yu Xiaoxuan turned to look at Shen Qinglan.

Shen Qinglan closed the book, "Fang Tong is right, I heard that Linda has very high requirements for entertainers. The first point is to control his body. If you want to survive under Linda, these junk foods are still not Eat better."

Han Yizai asked for the opinion of Shen Qinglan before arranging Xiao Xuan to Linda. Shen Qinglan also had a basic understanding of this Linda.

Yu Xiaoxuan stopped talking completely, and his face was unrequited.

The last is Shen Qinglan's order online, which is not what Yu Xiaoxuan ordered. Instead, she ordered a plate of sweet and sour tenderloin that she loved to eat, which was a comfort to her crispy heart.

When Yu Xiaoxuan saw the plate of sweet and sour tenderloin, he was almost moved to cry.

"Qinglan, I knew that you loved me the most. If I were a man in my life, I would marry you with eight big cars and ten miles of red makeup."

Shen Qinglan smiled and did not speak, even if you were a man in this life, you came a step late.

Shen Qinglan thought lightly.

After the meal, Shen Qinglan took care of the hygiene. The other two people continued to work on the keyboard to get the paper done today. After all, tomorrow is Saturday, so I'll go to Qinglan's house tomorrow.

"Qinglan, obviously you didn't go to a professional internship at all, but your internship report is exactly the same as the real one. How did you do it?" Yu Xiaoxuan turned over Shen Qinglan's internship report and felt that he was hurt Ten thousand crit damage.

Fang Tong has already been surprised, "Qing Lan's strength is a mystery, what is a small internship report. When you forget the sophomore year, she also helped a senior in the physics department to solve a physics problem, and the result was that senior Being a goddess, chasing Qinglan for a whole school year and sending breakfast for a semester, no matter what Qinglan said, it would not work."

Yu Xiaoxuan also remembered this matter and smiled. The silly senior, even after graduation, often ran to school.

"Qing Lan, what did you say to the senior later, why didn't he come later?" Yu Xiaoxuan wondered.

Shen Qinglan said lightly, "Nothing, just tell him that I am engaged, and I will marry my fiance after graduation, and I have a very good relationship with my fiance. I hope he will not interfere with my life."

Only... Yu Xiaoxuan gave a thumbs up admiringly, "You made up all these words, then why didn't you say that earlier."

"They were simply young men, and they finally fell in love with a girl, but the result was still the main one. The blow was a bit big. Qinglan didn't say it early, but they were also afraid of the collapse of others. Later, when they graduated, they have practiced in society. The bearing capacity should always grow." Fang Tong said leisurely.

Yu Xiaoxuan looked at Shen Qinglan, and when she saw that she had no objection, she knew that Fang Tong was right and silently mourned for the boy for a second.

What Shen Qinglan thought at the moment was that it was not a lie at the time. She was indeed a married person now.

Digression

Our Qinglan is actually great. It's weekend again. The little fairies are happy on the weekend. Ali wants to close the code again.

### **87 Chapter 87 Little Sister-in-law, Take You To A Good Show**

The bedroom was quiet again. Shen Qinglan returned to the balcony and continued to read the book in his hand. If Yu Xiaoxuan paid attention, she would find that Shen Qinglan was not reading the idle book she thought, but a business administration. summary.

Shen Qinglan reads the book very quickly, and she turned to the next page in a while. She didn't know how fast she was. Did she read it in the end?

Just seeing it, the phone rang, and Shen Qinglan glanced at the caller ID, which was called by Gu Yang.

"Hey."

"Little sister-in-law, it's me, Gu Yang." Gu Yang said enthusiastically.

"I know."

"Sister-in-law, where are you now?"

"In the school dormitory."

"That's great," Gu Yang's cheerful voice came from the end of the phone. "Little sister-in-law, I'm near your school now. I'll come over to pick you up immediately. You are waiting for me."

After talking, he hung up the phone regardless of Shen Qinglan's reaction. Shen Qinglan looked at the darkened screen and Liu Mei wrinkled lightly.

Sure enough, but within ten minutes, Gu Yang's phone came in again. Shen Qinglan originally didn't want to answer it, but after thinking about it, she answered it.

"Sister-in-law, I'm at the door of your school. Which dormitory building are you in? I'll go straight in to pick you up."

Shen Qinglan glanced downstairs at the dormitory, and paused. "No, I will go to the school gate to find you now."

After hanging up the phone, he got up and greeted Yu Xiaoxuan and Fang Tong, and went out. She had nothing but a bedroom key and mobile phone on her body.

Soon, Shen Qinglan's figure appeared at the gate of the school. Gu Yang, who had been paying attention to the gate of the school, discovered it the first time. He opened the door and waved towards Shen Qinglan, "Here, here."

His voice was very loud and instantly attracted the attention of nearby people. Some people have recognized Shen Qinglan. After all, she is also a good person at school, and very few people do not know her.

Gu Yang drove a yellow Ferrari sports car today, which is the latest model of Ferrari this year. The outsourcing is very saobao. He is tall and handsome, and his face is handsome.

And now this high-profile handsome is obviously looking for Shen Qinglan. Reminiscent of the scandal between Shen Qinglan and Yan Shengyu some time ago, a group of people found a big gossip and took out their phones one by one to take pictures quietly.

Shen Qinglan naturally noticed the reactions of the people around him, and he regretted it a little bit in his heart, thinking about whether to go back, as if he didn't know Gu Yang, and Gu Yang saw that she was not moving, and ran directly to her .

"Sister-in-law, come with me quickly. I will take you to an interesting place and promise to show you a wonderful show."

Gu Yang stretched out his hand to pull Shen Qinglan's arm, and Shen Qinglan hid, Gu Yang was not embarrassed and made a gesture of asking.

Shen Qinglan wanted to return to the bedroom to dispel the idea and got into Gu Yang's car.

"What the hell are you looking for?" Shen Qinglan's expression was cold, because Gu Yang's arrival, she

had foreseen what would happen next, although she wouldn't mind those gossips, but she was always on the go. It's also very annoying to talk behind the scenes and point things.

"Sister-in-law, there is an undercar race tonight in the southern suburbs of the city. It is very exciting. Gu Kai will also participate. We will go to cheer him together." Gu Yang said the purpose of this trip.

"Don't go." Shen Qinglan put his hand on the doorknob and got off the train.

Gu Yang grabbed her, "Don't, sister-in-law, this game is very rare, only once a year, Gu Kai finally reached the finals this year, you go and support it."

The most important thing is that with the participation of Shen Qinglan, even if Fu Hengyi knows, he will not punish them. Gu Yang felt that pulling Shen Qinglan into the water together was simply the best way he could think of. Who let Fu Hengyi never allow them to participate in such competitions.

The last time he and Gu Kai participated, and after being known by Fu Hengyi, they were thoroughly trained for two months, and they directly doubted their lives.

Shen Qinglan's eyes fell on Gu Yang holding her hand, Gu Yang let go and folded his hands, "Little sister-in-law, please, go together, I promise this is a regular game."

Shen Qinglan didn't get off at the end. He followed Gu Yang to a restaurant for dinner. In Gu Yang's words, if you don't eat enough, how can you go for it?

By the time they finish their meal and go to the competition venue, it is already seven o'clock in the evening. After half an hour, the competition will start, but at the scene, they did not find Gu Kai.

"This dead boy, where did he go, little sister-in-law, you are here to wait for me first, I will give him a call." Gu Yang's tone was a little anxious, but there was not much anxiety in his face. He took out his phone and hit Gu Kai Phone call, but several consecutive calls, no one answered, this time Gu Yang is really a bit anxious.

"Sister-in-law, the phone can't be reached, should Gu Kai have something wrong?"

Shen Qinglan thought about it, "What did he say to you before?"

"I can be separated from him after lunch, I will come to you, he will go home first, and then we will meet here."

"What time does the game start?"

"seven thirty."

Shen Qinglan glanced at the time, "There is still half an hour, the time is too late, maybe already on the

way to come, don't worry, we first find a place to wait for him."

Shen Qinglan's voice was clearer, and with a slight coldness, Gu Yang calmed down suddenly. He looked at Shen Qinglan a little embarrassedly, obviously he was two years older than Shen Qinglan, but he still hadn't encountered Shen Qinglan yet. calm.

Gu Yang was slightly ashamed.

"Yo, who is this? Isn't this our famous Gu Shao." A murky voice sounded, and Shen Qinglan looked sideways, and saw a young man with yellow hair standing not far away. , Wearing leather clothes and leather pants, but the expression on his face makes people feel uncomfortable.

Behind Huangfa Youth, there were also a few people dressed like him, with the same expression on his face.

Gu Yang saw the coming person, his face sinking, "Lin Hao, what are you doing, the game has not started yet."

Lin Hao smiled and couldn't move away after falling on Shen Qinglan's body. "This beautiful woman, she has a very good eye, is it the first time?" Lin Hao said pretending to be a gentleman.

Shen Qinglan frowned, and had not spoken yet. Gu Yang had stood in front of her and directly blocked Lin Hao's line of sight. "Lin Hao, where is your dog's eye looking, don't you want your eyes?"

Lin Hao's face changed, "Gu Yang, you are defeated, you will be arrogant when you win, now there is nothing to do with you here." He looked at Shen Qinglan and smiled as a gentleman.

"This beauty, my name is Lin Hao, is the young owner of Lin's enterprise. May I ask your beauty's name?"

Digression

Well, a good show

## **88 Chapter 88**

The Lin company is also one of the largest companies in the Z country, headquartered in Beijing, mainly engaged in catering and hotel industry, it can be said that it is a big overlord of the hotel industry and catering industry.

"Lin Hao, she's not someone you can afford. If you don't want to be unlucky, just leave me away, don't you want to race? Tonight, you will be convinced to lose." Standing in front of Shen Qinglan, blocking Lin

Hao's sight.

Shen Qinglan was brought out by him, and he was naturally responsible for Shen Qinglan's safety.

Shen Qinglan's eyes were slightly cold, and he didn't look at Lin Hao.

Lin Hao's eyes were low, and he felt Shen Qinglan didn't give his face. He looked away and looked at Gu Yang. "So, the original 10 million bet is too small. Let's play a little bigger. I will add another 40 million. People will give 50 million people to win, and there is a requirement for those who promise to win."

The sight paused on Shen Qinglan. "My requirements are not high. If you lose, give me this beauty. If I lose, I will deal with you."

"You put P." Gu Yang was furious, and when he rolled his sleeves, he would start with Lin Hao, and Shen Qinglan pressed it on his shoulder.

Obviously it was a random press, which made Gu Yang unable to move.

"Let's deal with us, what counts?" Shen Qinglan said lightly.

"Of course," Lin Hao patted his chest, "whatever he wants." He also looked at Shen Qinglan ambiguously.

"I'm afraid you can't afford it." Shen Qinglan mocked.

Lin Hao's face changed, and it seemed that he was insulted, "Who is my Lin Hao, I grew up so big, only I haven't played, and I haven't dared to play, if I lose, not only with you, And knelt down and gave you a kowtow, calling you grandma."

This is what Shen Qinglan wanted, and he snapped his fingers, "Okay, we agreed, now you can go."

"Small..." Gu Yang was anxious and wanted to speak, but was stopped by Shen Qinglan's eyes.

Lin Hao and others left, just glanced at Gu Yang before leaving, and said meaningfully: "Don't be late for the 7:30 game tonight. You will abstain if you are late."

With that, he laughed and walked away with a group of younger brothers.

"Sister-in-law, how can you promise them such a request, if in case we lose, you let me explain to my big brother like this, he will kill me." Gu Yang was anxious and knew he would not bring Shen Qinglan Too.

Shen Qinglan was calm, "Will you lose?"

"Of course not. It was an accident that I lost to the kid last time. I would not lose unless he cheated." Gu Yang said subconsciously.

"That's not enough, since I won't lose, it's just a gamble. I'm afraid of something." Even if I really lost, Shen Qinglan was confident that with her skills, nothing would happen.

"Okay, let's call Gu Kai first and ask him if he has arrived. Time is coming." Shen Qinglan reminded.

Gu Yang suddenly woke up and continued to call Gu Kai. This time, the connection was very fast. Gu Kai said that he would be here soon, at most five minutes.

Now there is still about fifteen minutes away from the game time. It is completely time for Gu Yang to finally let go of his heart.

"You tell me what happened this time, isn't it a regular game? What happened to that person just now?"

Gu Yang heard the words, and there was a little embarrassment on his face, "This is really a regular race. Although it is an underground car, it is only held once a year. Before that, I signed up with Gu Kai to participate in the race, and Lin Hao also signed up. , We haven't looked at each other for a long time. When we met in the competition, we made a bet, blocking 5 million plus a car. As a result, during the game, this kid played tricks. I accidentally lost Now."

Shen Qinglan nodded and said he knew.

"What about your car?" Shen Qinglan asked. Generally, in such a race, the car is prepared by the players themselves.

"It's parked in the garage, I'll drive it out."

Gu Yang's car was a blue car. Shen Qinglan circled around the car, nodded, and there was a trace of satisfaction in his eyes.

These two cars have been modified. Gu Yang can see that they have invested a lot of money, and the person they are looking for is also a modified master.

"The car is good." Shen Qinglan exaggerated lightly.

Gu Yang's eyes lit up and his face was proud, "You still have a vision, my sister-in-law. This car was specially prepared for this race. It has been fully modified for several months. The cost of modification alone exceeds this car. My own value, sister-in-law, I will tell you..."

Gu Yang talked about this car, just like talking about his beloved lover, full of excitement.

But with the passage of time, one minute and one second, the excitement on Gu Yang's face was gradually replaced by dignity and anxiety.

There are only five minutes left in the game, but Gu Kai, who was supposed to be there five minutes ago, has not appeared until now.

Gu Yang called him, but no one answered.

"Isn't it said that you will be there in five minutes? Now that ten minutes have passed, what about this kid." Gu Yangji turned round and round.

Not far away, Lin Hao looked at Gu Yang's anxious look, his face proud, seeing what to do with Gu Yang this time, Gu Kai's car skills are better than Gu Yang, if Gu Kai came to the race, he and Gu Kai really won or lost is unknown.

Lin Hao hates the unknown and the things that are not under his control.

So he moved some hands and feet on Gu Kai. Even if Gu Kai could come to participate in the competition, he would definitely not win. The money, the beauty was immediately in his pocket. Thinking of this, Lin Hao's eyes couldn't hide the excitement.

"Gu Yang, I'm here." When Gu Yang couldn't help running away, Gu Kai finally appeared, but he was really embarrassed. Not only his face was pale, but there was also blood on his forehead. It should have just been injured, and there was no blood on it. Dry, and more importantly, Gu Kai's limp was obviously a foot injury.

Gu Yang's face sank, "What's wrong with you?"

Gu Kai's face was also very ugly, "I don't know if I had a bad stomach at noon, and I have been diarrhea. I finally took the medicine and got better. I rushed over immediately, and the stomach hurt badly on the way, and the car hit the road. The flower bed by the side."

Upon hearing this, Gu Yang remembered Lin Hao's meaningful sentence before leaving, and couldn't help but look over again, "Lin Hao, you are a god of the turtles and grandchildren, dare to give Lao Tzu a handsome trick, and I will fight with you."

His eyes were fierce, and he was going to fight with Lin Hao in the past. Shen Qinglan's figure flashed and appeared in front of Gu Yang, stopping him straight ahead.

"Sister-in-law, you give way, I'm going to kill Lin Hao's tortoise grandson." Gu Yang planned to push away Shen Qinglan, but found that there was no push.

"You have always been so indifferent in your work. Do you only know how to do things regardless of the consequences?" Shen Qinglan's cold voice exploded in Gu Yang's ears.

## **89 Chapter 89**

Gu Yang scammed his eyes and looked at Gu Kai's embarrassment. When he looked over to Lin Hao, Lin Hao smiled proudly at him.

"The tortoise and grandson he cheated. Last time it was Yin me, this time it was Gu Kai, if I let him go, would I still be a man?" Gu Yang roared, his face flushed.

Shen Qinglan's expression was very cold, and his eyes fell coldly on Gu Yang's body, "Your brother taught you how to do this? People can overwhelm you, that's because you have no ability, only stupid people will choose to use force to solve."

"What do you know, I'm not as mean as he is, I always use shady means." Gu Yang shouted at Shen Qinglan, he was already anxious, and heard Shen Qinglan said he was stupid, it was just anger at the moment.

Shen Qinglan's eyes were even colder, looking at the person like a furious beast, "All you want is to irritate you, and you are still stupidly following the script of the other person. Isn't that stupid?"

Gu Yang stared at Shen Qinglan fiercely, and Shen Qinglan looked back at him with cold eyes.

Seeing the two met, Gu Kai was also anxious in his heart, dragging his injured leg over and pulled Gu Yang.

"Gu Yang, calm down. Sister-in-law is right. If you beat Lin Hao up, you can't please yourself."

In fact, Gu Yang was said by Shen Qinglan, and he has slowly calmed down, but the anger on his face has not subsided, staring at Lin Hao can't wait to strip him.

Lin Hao laughed more proudly, the more angry Gu Yang was, the happier he was.

Over there, the referee was already reporting the name of the participating team. Lin Hao led the person towards that side, and before leaving, he gave Gu Yang a provocative look.

Gu Yang clenched his fists tightly, and even Gu Kai looked at Lin Hao with a spitting fire in his eyes, hoping to punch up his two punches.

Shen Qinglan will naturally not miss the ambiguous eyes that Lin Hao cast on her before leaving, and the cold flashed in his eyes.

"Gu Yang, I will definitely not be able to participate in this competition, you go." Gu Kai said.

This time the underground car is registered as a team. As long as they are from the same team, they can play. Gu Kai is injured and Gu Yang can play.

"Okay, I'm going to this game," Gu Yang seemed to have made up his mind. "You can rest assured, sister-in-law, I will never lose, even if I lose, even if I fight my life, I will Lin Hao's tortoise grandson will not touch your hair."

Gu Kai didn't feel anything after listening to the first half of the sentence, but he frowned unconsciously after hearing the second half of the sentence. He intuitively felt that something he didn't know happened, and it was still beyond expectations.

"Wait, Gu Yang, what did you mean just now, what did you mean to protect your sister-in-law?" Gu Kaila lived in Gu Yang who was about to go to the referee seat.

Gu Yang looked a little annoyed. Under Gu Kai's compelling eyes, he explained the change of the bet with Lin Hao in three words, but he did not say that the bet was accepted by Shen Qinglan, but said that he could not be stimulated and was impulsive. I agreed.

Gu Kai heard that he wished to split his head to see what was inside. Thinking of what Shen Qinglan said just now, I really felt that this little sister-in-law was right. Gu Yang was a fool without a brain. Such a condition I dare to agree, not to mention the final result first. If Fu Hengyi knew that they took his wife as a bet, he wouldn't blame them.

"Gu Yang, is your brain eaten by pigs?" Gu Kai hated.

Looking at Shen Qinglan's gaze is full of apologies, and as firm as Gu Yang, "I'm really sorry that the younger sister-in-law is involved in this matter. You can rest assured that we won't let anyone move you a hair."

Shen Qinglan looked at the two of them exactly the same, and there was something funny in her heart, but they also thought they were very cute.

"You go to the auditorium and wait for me. I will definitely win a beautiful show tonight." Gu Yang is like a warrior about to be brave and justified.

"Compared with Lin Hao, who is better at car skills?" Shen Qinglan asked Gu Kai.

Gu Kai's eyes were a bit worried. "If it's me, five or five points, Gu Yang's words..." The words weren't finished, but the meaning of them, Shen Qinglan understood.

Shen Qinglan had a black line. Gu Yang had always said that if Lin Hao was not a swindler last time, he could win with his car skills. He thought his car skills were really good, but he was overconfident.

Shen Qinglan suddenly regretted that Lin Hao's condition was too simple, and handed herself to Gu Yang. Shen Qinglan said she was very worried about her future.

After all, this race is an underground car, and even a regular car cannot guarantee absolute completeness, not to mention such a game, so every contestant must sign a contract similar to life and death before going to the court, declaring life safety Take responsibility for yourself.

Seeing that Gu Kai was about to sign the contract, a slender hand blocked the pen he was about to drop. Gu Yang looked up and said, "Sister-in-law, what are you doing?"

"I'm here for this game." Shen Qinglan said lightly.

Gu Yang heard the words and looked at her in disbelief, as if hearing something incredible, it was indeed incredible.

"Sister-in-law... What did you say just now, sister-in-law?" Gu Yang stuttered.

Shen Qinglan did not speak, but directly took the contract and pen in Gu Yang's hands.

"Wait." Gu Yang stopped Shen Qinglan's pen, and looked straight at her. "Little sister-in-law, do you know what you are doing? Racing is not the same as driving, and driving does not mean you are racing." His expression is serious, without the usual hippy smile.

"Yeah, beauty, racing is not the same as driving." Lin Hao, who had already signed, heard the conversation between the two of them, and he smiled with bad intentions. "But if the beauty is in

person, rest assured, I Will be merciful, will not make you lose too ugly."

He just thought that Shen Qinglan would play in person, but he didn't notice Gu Yang's title to Shen Qinglan. He always thought that Shen Qinglan was just Gu Yang's girlfriend.

Gu Yang's face is very ugly, "Lin Hao, you are less proud, the game has not started, who loses or wins is not necessarily"

Shen Qinglan ignored Lin Hao and signed his name on the contract straight away. When Gu Yang turned around and saw her dashing signature, she just wanted to cry without tears.

This time, whether it was a win or a loss, he and Gu Kai were all finished. Gu Yang could already imagine the ending of the two of them after Fu Hengyi returned.

"Sister-in-law, have you ever participated in a racing game?" Gu Yang asked expectantly with a fluke in her heart.

As a result, Shen Qinglan's next sentence directly knocked him into the dust.

"No." This is the first time she has participated in such a professional competition.

Digression

La la la, we Qinglan played in person, crushed the Quartet, wow haha

## **90 Chapter 90 She Goes Up**

This game was held at the Jintian International Circuit in Beijing.

Jintian International Circuit has an area of 770 acres, with F3, off-road, go-kart, test field and other venues and related supporting facilities. This time the race is on the F3 track.

The international F3 track has a total length of 2.4 kilometers, the narrowest road surface is 12 meters, and the widest road is 20 meters. The designed maximum speed is 180 km/h and the average speed is 120 km/h. It can hold 25 cars at the same time. 16 corners, 14 referee points, 12 camera positions, up to 4 consecutive corners, thrilling and challenging.

They have a total distance of twelve kilometers this time, that is, to open 5 laps around the F3 track. There are a total of 16 players in the finals. At the starting point, 16 cars of different colors stopped at the same time.

Gu Kai looked at Shen Qinglan, who was standing by the car, his face as black as a pan.

"Gu Yang, how can you let the younger sister-in-law go up."

"I have no way, she took the contract and pen directly while I wasn't paying attention, signed the name, and I was too late even if I wanted to object." Gu Yang was also very wronged.

It's too late to say anything now, Gu Kai can only expect Shen Qinglan to play the car before: "Have the sister-in-law played the car before?"

Gu Yang shook his head.

"Don't you know it or not?" Gu Kai's voice was low, and God knows how crazy he is now.

"No." Gu Yang mourned with tears.

Gu Kai's heart sank, and a car that had never played a car before went to the racing track. He doesn't care about winning or losing at all now, just asking Shen Qinglan to get off the racing track without incident.

Most of the people participating in this race are men, only Shen Qinglan is a woman.

Unlike other racing drivers who wear professional racing suits, Shen Qinglan still wears casual clothes he wore when he came. This kind of dress looks out of place here.

This is so special. Shen Qinglan became the focus of the audience. The audience's eyes were basically on Shen Qinglan's body, not only because she was different from other people's dress and gender, but also because of her strange face.

Those who can reach the finals usually start from the preliminary round, and they will basically not be substituted in the middle, but Shen Qinglan has never appeared.

"Beauty, it's too late to admit defeat now. If you take the initiative to admit defeat, you will be with me. How about 50 million bets?" Lin Hao's lane is on the left hand side of Shen Qinglan. He leaned on the car. A leisurely gesture on his face.

He didn't seek the first in this game, only to win Gu Kai, oh, now it's Shen Qinglan.

Shen Qinglan didn't move, and didn't even glance at Lin Hao. Seeing that the time was almost up, he sat directly in the car. At the first time, Shen Qinglan checked the performance of the car.

After roughly looking at it, Shen Qinglan's cold eyes were rarely satisfied.

"Ready—" The referee's voice sounded.

Shen Qinglan put his feet on the throttle and only heard a loud whistle. The sixteen cars disappeared in the same place as the sixteen strong winds, leaving only a black mark.

There was a roar of roar in the auditorium.

Gu Yang and Gu Kaihe's eyes were fixed on Shen Qinglan's car, and everyone soon found that Shen Qinglan's car was the slowest of all cars, but just followed everyone's speed, the fastest one. The car has driven four bodies.

The car is very fast, even if Shen Qinglan drives slowly, the car still passes one corner after another, and in the blink of an eye, it came to one of the continuous corners.

Gu Yang's hands clenched into fists, because of tension, his forehead exuded fine sweat, and his eyes blinked at Shen Qinglan's car. This continuous curve is dangerous. If you are not careful, you may get a car. Ruin.

Although Gu Kai looked calmer than Gu Yang, the sweat of his hands still betrayed his nervous heart at the moment.

In contrast, Shen Qinglan, from the time she got on the train, her look has not changed, her face is cold.

If someone observes carefully, Shen Qinglan will follow Lin Hao's car closely from beginning to end, Lin Hao accelerates, she also accelerates, and immediately thereafter, even the distance has not changed, such amazing control The force is completely inconsistent with what she said before without racing.

It's just that at this moment the audience's eyes are focused on the three leading cars, and they don't pay attention to her at all. Gu Yang and Gu Kai, who only pay attention to her, are only worried about her safety.

Formally entered the game, Lin Hao also put away the cynicism, just drive wholeheartedly, did not notice Shen Qinglan has been closely behind him.

Coming to the continuous curve, Lin Hao subconsciously slowed down the speed of the car, and Shen

Qinglan immediately followed to slow down and successfully passed the continuous curve. Gu Yang and Gu Kai were relieved. Fortunately, nothing happened.

The first lap passed Shen Qinglan's tepid follow-up.

The second lap and the third lap are still the same. Lin Hao's car skills are good. Although it is not the top three, it is also in the middle, about half a lap away from the three leading cars in front.

He didn't value the ranking of this game. All he wanted was to win Shen Qinglan, so Lin Hao, who could clearly overtake, did not see Shen Qinglan behind him in the rearview mirror and drove tepidly. Looking at the mark on the fourth lap in front of him, there was a smug smile on the corner of his mouth, and there was the last lap. When the lap ended, the game was over.

On the electronic screen in the audience area, the announcer was broadcasting the grand occasion of the game. The audience's voice was higher and higher. Gu Yang and Gu Kai saw that they were about to lap four times. There was no accident in Shen Qinglan. The tone can finally be exhaled smoothly, they no longer seek the result of the game, as long as people are safe.

As for the bet, the money is given. If Lin Hao dare to touch Shen Qinglan's hair and hum, then the tortoise and grandson will wait to die.

It's just that the two of them were relieved, but they didn't see the sudden changes on the field.

This is the fourth lap. As soon as the last continuous curve is passed, the fourth lap is almost over, and at this time, Shen Qinglan, who had been following the tepid following Lin Hao, suddenly accelerated and stepped on the accelerator. in the end.

The car was like an arrow off the string, and flew out instantly, passing by Lin Hao's car, almost two cars will collide.

Lin Hao flashed a blue shadow in front of his eyes, and was shocked, but suddenly found that the shadow turned out to be Shen Qinglan who thought he was left behind.

His face changed drastically, and he just wanted to accelerate to catch up. Suddenly he realized that there was a continuous curve ahead. At the speed of Shen Qinglan, he would crash into the guardrail almost every time, and it was more likely that the car was killed.

He uttered a loud voice, and a cruel arc was drawn in the corner of his mouth. "It's a pity that face was the first time I saw someone so desperate for death."

Digression

The information of the Jintian Circuit is from Baidu, don't be too serious
