CEO Daddy Is Too Passionate - Chapter 1401

“Stop, don’t come here!” Li Qi Chen’s face suddenly a cold, cold voice drinks a way.

For a moment, the little girls were really frightened by his fierce eyes and settled in the same place. However, they thought that the girl had just said that Li Shao was proud and coquettish and liked to be strong.

As long as they can be liked by Li Da Shao, the women will not worry for the rest of their lives.

“Li Shao ~ ~”

a woman came forward and put her hand on Li Qichen’s shoulder.

Li Qichen’s handsome face, Shua to cool down, fierce eyes, wind and rain.

Hold a woman’s wrist and shake it off.

“Ah! Li Shao, how can you do this? Do you know it hurts to fall someone?”

Li Qichen didn’t show any mercy at all. She overturned the woman on the ground with one palm.

The woman felt that her buttocks were about to fall, and her tears were about to burst out, but she was still looking at Li Qichen.

Li Qichen gave her a cold glance and said, “who asked you to come?”

“.....”

“Say it

“.....”

The movement on this side caused everyone’s attention. They stopped their actions and looked here.

Lu Ziyang put down his cards and came over.

“What happened? So you ordered the girl?”

Lu Ziyang has the face to tease, can’t see this guy is a sultry.

Don’t order so many girls secretly.

Li Qichen stares at him coldly. “These are all for you. I’ll leave first as a birthday present for you.”

“Oh, don’t go!”

Lu Ziyang cried out reluctantly.

But Li Qichen didn’t hear it and continued to walk to the door.

Li Qichen strides to the door and calls Ann.

An’an just walked to the door of the club, looked at the familiar name on the mobile phone screen, clenched his teeth and pressed it off.

“Hum!”

“Sorry, the subscriber you dialed is busy!”

Hearing the machine sound coming from the mobile phone, Li Qichen has no choice but to pinch his forehead.

It’s really her!

Li Qichen trotted downstairs and asked the front desk, “where is the person who ordered the girl for the VIP room just now?”

As soon as the front desk raised its head, it suddenly brightened its eyes to the perfect pretty face.

“Sir, are you talking about a beautiful young lady?”

“Where is she?” Li Qichen asked eagerly with a cold face.

The front desk was startled, quickly put away the flower maniac, “she has gone!”

“shit ! ”

Li Qichen cursed and ran to the door.

An’an went to the hospital alone. He didn’t let the driver follow him. Now he can only stand on the side of the road and take a taxi.

“An’an!”

Listening to the familiar voice coming from behind, An'an hums coldly. Turning his head, he sees Li Qichen running towards her anxiously.

"Hum!"

The taxi just stopped in front of her. She pulled the back seat of the car and walked up.

At the moment of closing the door, a big palm reached over and pulled the door.

"Get off first!"

"Li Qichen, what are you doing?" Ann growled angrily.

"Get off first!"

"No!" An'an angrily said to the driver: "master, please drive quickly! This man is a liar. Drive quickly

The driver couldn't help but look at Li Qichen. He's expensive and more handsome than the male star. Is the liar too handsome.

This man came out of the club. He was a young man who made a fuss.

The driver lowered his face and said, "I have to do business. You have to fight and go to other places to fight!"

An an

Li Qichen took an an's arm and forced her out of the car. "I can explain to you."

An an is led by him, want to struggle not to struggle, angrily roar a way: "you go to play with those sexy beauties upstairs, what do you care me to do?"

This is angry.

Li Qichen stopped, put his hands on her shoulders and gave her a kiss on her forehead.

"Today is Lu Ziyang's birthday."

This reason makes Ann even more irritated. "You can hold each other on his birthday, can't you?"

Li Qichen looked at her angry appearance and suddenly laughed.

Hand pinched her face, deep voice light way: "this is jealous? It's a small vinegar jar. "

Ann waved his hand and glared at him coldly, "I won't be jealous of you!"

"If you're not jealous, can you give me so many beauties?"

I didn't expect that this guy had such a big temper that he ordered so many young ladies directly to him. If he really had something to do with those women, she would be angry again. Li Qichen thinks her jealous look is very cute.

But it's his fault to make her angry. He promised Tang that he would take good care of her.

Ann was very angry. Looking at his proud appearance, she was even more angry. She stepped on his feet and turned to walk out.

"Li Qichen, I'm breaking up with you! Go to your young lady. It's not the first time you've done such a thing anyway

She was very angry, this foot naturally used full strength.

Li Qichen's facial features were wrinkled with pain, so he went after them. "You tell me clearly when I have a relationship with those messy women. Besides holding your hand, I haven't touched any other girls."

"Don't touch me! Li Qichen, I can't see that you still have the ability to open your eyes and tell lies. You haven't signed other women's hands. What's the matter with this picture? "

"What picture?"

Li Qichen frowned, confused.

He dares to swear to God, he is frank, so there is nothing to be afraid of.

Ann saw that he could still be so upright, picked up his mobile phone and opened the photo.

Fortunately at that time, the screen capture, the photos left, did not delete.

"See for yourself, what is it?"

"....."

Li Qichen looks at the picture of him holding other women on his mobile phone and helplessly pinches his eyebrows.

"It's not really me!"

Last time he thought about it, he wanted to ask Lu Ziyang if it was the case, but now he doesn't need to ask anything.

He took out his cell phone and called Lu Ziyang, "come out! Right now

An an was speechless and sneered, "now it's a problem between us. What do you want Lu Ziyang to do? Do you want to put all the problems on Lu Ziyang when you have nothing to say? "

Li Qichen had no choice but to pinch his eyebrows, and his forehead jumped abruptly. "What are you talking about? Isn't this picture? I asked Lu Ziyang to explain it to you. He can explain it more clearly than I can!"

Ann put her hands around her chest and sat down on the stool.

"Well, I'll wait here. I think that playboy Lu Ziyang can find out a reason for you!"

Birds of a feather flock together.

Li Qichen stood in front of her and helplessly spread out her hand.

There is no reason for a woman to be angry.

CEO Daddy Is Too Passionate - Chapter 1402

Lu Ziyang came out of the hall in vain steps, "why is an an here? When you come, just go in and play. It's boring in the morning when you're away. "

Ann nodded, "is it boring for so many beauties to accompany him?"

Strong smell of gunpowder.

When the cold wind blows outside, Lu Ziyang wakes up a little. "What's the matter? Ann, I tell you, Chenchen is different from us. He is sincere to you, and he always keeps the distance from the girls outside. You can rest assured about that."

"You are his good brother, of course you will face him!"

"....."

Lu Ziyang patted Li Qichen sympathetically on the shoulder, "brother, what have you done? Why does she not believe you so much?"

Li Qichen sneered coldly, "isn't that what you did?"

Lu Ziyang looked aggrieved. "What's the matter with you fighting?"

Li Qichen stretched out his hand to An'an, "take out your mobile phone. Lu Ziyang knows that picture better than anyone else!"

"What?"

Lu Ziyang looked puzzled.

He has long forgotten about the photos.

An'an hesitated for a while, then did not have the good spirit to clap the handset in Li Qichen's palm heart.

Lu Ziyang took the mobile phone in doubt, suddenly a face suddenly realized, and laughed.

“I made this picture! You’re not going to fight over this picture, are you?”

“.....”

An’an rolled a white eye, obviously don’t believe, “Lu Ziyang, in order to give your good brother a cover, you even don’t want moral integrity?”

In her opinion, these two people are in collusion.

Lu Ziyang, unable to argue, took out his mobile phone directly.

“If you don’t believe me, I’ll show you two chapters of photos. Fortunately, I didn’t delete the original picture.”

Lu Ziyang opened his mobile phone photo album and put it in front of An’an.

“Look

Ann glances at Lu Ziyang’s mobile phone. It’s a picture of a foreign man holding a woman in the same background as the woman, except for Li Qichen and the man.

Lu Ziyang also opened the following picture, which is a picture of Li Qichen sitting at the bar.

The picture Ann saw was obviously a combination of two pictures.

An’an’s imposing posture immediately became shorter, “...”

It turned out that she had wronged him.

If this photo is not true, it’s a joke to quarrel with him in this period of time.

Li Qichen patted Lu Ziyang on the shoulder, "you go first."

"Come on, don't quarrel. What's the point of quarreling? If you like each other, you can be together."

Lu Ziyang has gone. At this time, it's better not to stand here as a light bulb.

When Lu Ziyang left, Li Qichen took An'an's hand and jokingly said, "now I know I didn't betray you?"

"....."

Ann lowered her eyes, her eyes flashed a trace of guilty, "then why do you want to do this? Why do you want Lu Ziyang to take your picture!"

"Cough!"

speaking of this, Li Qichen coughed softly and said unnaturally, "it's not because of you."

"What's the matter with me?"

Because she hugged Tang Jin, he was mad when he saw the photo. Later he knew that Tang Jin was her brother.

Li Qichen changed the topic and said, "I'm really sorry about this. ANN, can you forgive me? When you need me most, I'm not only away from you, but angry with you, which makes you lose confidence in me."
"

An'an bit his lower lip and said, "in fact, I didn't mean to blame you. I thought I was sullied by Qinchuan, and I didn't want to be disliked by you. I couldn't stand your eyes. That day in the hotel, I opened my eyes, and your disappointed eyes were like a knife in my heart."

“I’m sorry, it won’t be like this in the future!”

Li Qichen felt very uncomfortable. He gave her a kiss on the forehead and solemnly promised, “no matter what happens in the future, we should trust each other as an agreement between us, OK?”

“Well!”

Ann nodded heavily and broke her tears into a smile again.

Two people put together all said open, two people’s hearts are unprecedented relaxation.

Just at this time, Ann’s stomach suddenly called out.

“Are you hungry? I’ll take you to eat something! ”

Ann’s little white face turned red.

From the afternoon to the evening, there is not a moment to stop, where there is time for dinner, already hungry.

Li Qichen takes an an to the restaurant next to the club.

“I haven’t eaten it here, but Lu Ziyang said that the fish head here is not bad. You can try it later.” Li Qichen said.

“Well.”

Li Qichen took the menu, almost without much hesitation, ordered a few dishes on the menu. There’s no doubt that it’s all Ann likes to eat.

An'an's heart is filled with a sweet happiness.

He even kept all her likes in mind.

However, she did not rest assured to give an advice.

"Don't order spicy."

Spicy, exciting things, not good for the baby in the stomach.

Now she can't just care about herself, but also the baby in her stomach.

Li Qichen gave her an unexpected look.

Just now I said that the cooked dishes are tasteless and I want to eat something with taste. Why don't I eat something with taste at night?

Ann knew that he must be very confused, but he didn't explain it. She laughed at him.

Li Qichen had no choice but to pinch his eyebrows and said, "it depends on you. I'll order whatever you want."

Ann said a few dishes, all are very nutritious, but the taste is very general, and it is not what she usually likes to eat.

Now it's past the meal, there are not many people in the restaurant, and the dishes will be ready soon.

Li Qichen put a piece of fish in An'an's bowl and said softly, "try it."

Smell a fishy smell, but Ann don't want to sweep Li Qichen's interest, eat hard.

But her face changed and she ran to the restroom of the restaurant with her mouth covered.

Li Qichen was stunned and quickly followed up.

Ann lay by the sink and vomited.

His face was pale, even his eyes were red.

Li Qichen gently followed her back for her, worried and said: "what's the matter with you? I often vomit during this time!"

Finally a little better, Ann patted her cheek with cold water, raised her head and tooted her ruddy mouth in a coquettish way, "it's not your fault!"

Li Qichen was confused and said with a smile: "yes, it's all my fault! Tell me, what's the matter with you? If you don't say it, I'll probably take you to the hospital by force."

Ann droops her eyes, and her long eyelashes cast a beautiful silhouette on her eyes.

"I've been to the hospital, in the afternoon."

Looking at the solemn expression on the girl's face, Li Qichen's heart beat suddenly.

"What did the doctor say? Is it serious?"

Thinking that An'an's body may have a problem, or it may be a serious problem, Li Qichen's heart suddenly flashed a little flustered, like self consolation, and then said: "it doesn't matter. No matter what the disease is, I will try my best to cure it for you! Don't worry

Ann was helpless for a while.

Where is she in a hurry? Is he the one in a hurry?

Ann opened the bag and found out the hot B-ultrasound list.

She bit her lip, a little embarrassed, but her little face turned red first, "look at it for yourself!"

"....."

Li Qichen looked at her small white face, obviously shy expression, more doubt in the heart.

However, when he looked down at the diagnosis on the B-ultrasound sheet, the whole person was stiff.

Intrauterine pregnancy, twins.

Ann is pregnant with twins.

Li Qichen's face is calm, but his fingers shaking slightly.

He looked up at Ann with unbelievable eyes.

"This What's going on? "

They are still less than a month together, how can they be pregnant?

And twins?

Two deep pupils burst out a huge surprise.

He was overjoyed and hugged ANN in place for two turns.

“Baby, you are so powerful. How can you be so powerful! I’m so happy to be a father

“Ah

An an’s face changed, worried about falling down, and hurriedly tied around Li Qichen’s neck.

She was not angry to pat him on the shoulder, “you quickly put me down, the doctor said the fetal gas is not stable, to be careful.”

“Fetal instability?”

Li Qichen immediately seemed to have been pointed. He sat down on the chair and held An’an in his arms.

“What did the doctor say? Does it matter?”

Ann shook her head. “It’s OK. Just pay attention.”

“.....”

Li Qichen took a look at An’an’s still flat abdomen. His slender waist seemed to be blown by a strong wind. He pinched it in his palm.

With such a delicate body, you can really give birth to a child No, two kids!

Think of pregnancy may occur risk, Li Qichen heart surprise gradually cool down, only full of worry.

“Is it really all right?”

Ann saw his face was not happy, a heart can not stop to sink.

She held his face in her hands and turned her mouth hurt. “Don’t you want these two children?”

Li Qichen sighed helplessly, and put her warm big palm on her still flat abdomen.

“Fool, what are you talking about! This is our child, with the blood flowing from both of us. As long as I think about it, I’m so excited that I don’t want them. ”

“But...” Ann also worried, heart in a mess, “but we have not graduated, children how to do?”

“Ann, I’m sorry!”

Li Qichen grabs An’an’s soft hand, puts it on his lips and cherishes a kiss.

I thought Ann was pregnant before, so I could take this opportunity to have a showdown with mom and dad.

It was not until this moment that he realized how selfish the idea was.

She is still young and has a good life of her own. Before she even has time to see the outside world, she is about to become a mother of two.

CEO Daddy Is Too Passionate - Chapter 1403

An an holds Li Qichen’s face and laughingly asks: “what’s the matter? I didn’t sigh. What do you sigh for? If you do, I’ll think you don’t like the child! ”

Li Qichen sighs, grabs An'an's hand and kisses it gently. "Silly girl, how can I not like it? It's because I like it so much that I worry about gain and loss."

This silly girl, sensible people distressed.

Ann curled her little mouth and was filled with happiness, but she was still worried and said, "what should I do now?"

Li Qichen felt her worry and sat on her lap with her in her arms.

"Originally, I didn't intend to hide anyone's relationship with us. I like you. It's a fair and aboveboard thing, and we didn't apologize to anyone. As for those rumors, in fact, they have no influence on us at all, and we will still be the same happy!"

Ann looked down in shame. "I know This has always been caused by my lack of courage! I'm just afraid of I can't pass the psychological level. "

Li Qichen stretched out her hand and pinned a wisp of her hair behind her ear. "It's OK! I know my ANN is the most kind, I also know the pressure in your heart, so I haven't forced you all the time! Waiting for the day you want to understand! "

"....."

Ann Du Du small mouth, the heart is like drinking honey as sweet.

She held Li Qichen's beautiful face and gave him a kiss on his pink lips.

"I'm sorry! I've wronged you. I misunderstood you some time ago! "

Her morning, she should know what kind of talent he is, right, should believe him, how can she doubt him!

Li Qichen shook his head and looked at her little white red cheek with deep eyes. "As long as I can get your response, you are OK with me, and I will love you!"

Ann hammered him on the chest in embarrassment.

"Li Qichen, how do you talk about love now? Don't you even type a draft?"

"No, I'm telling the truth!"

Li Qichen couldn't help laughing.

Before, he may feel that such words are extremely numb, but now, he doesn't feel that they are numb love words at all. Instead, he thinks that they should be like this, which comes from his heart.

It turns out that everyone is a natural love talker, if you meet someone who makes you willing to dig your heart out.

Li Qichen put his hand on An'an's still flat abdomen, warm, and suddenly moved.

Two little lives were born here, the crystallization of his and her love.

Li Qichen suddenly bowed his head and gave her a kiss on the stomach.

"Cluck, Li Qichen, what are you doing?"

Ann is the most ticklish, shrinking her neck.

Li Qichen's eyes were moist. He suddenly said solemnly, "Ann, let's get married!"

"....."

An an a Leng, immediately heavy ground nods, "well, I am willing to!"

As long as you are with the right people, even if it's not the best time, even if it's not the right time, nothing can stop the two people's determination to be together at this time.

.....

On the ninth day of September, Ann's birthday is also the day when she officially returns to the Tang family.

Ann pregnant things, temporarily by two people hide down, even Wenqiao did not say.

Just wait for An'an to officially become the Tang family today, and the two of them will confess to their parents.

On this day, the Tang family, which is full of rustic flavor, is decorated with lights and colorful, very lively. Standing at the ancient gate, it gives people a feeling of going through the ancient times.

Tang Wen divorced Wang Meijiang, and made today's prosperous age more colorful.

Today, the Tang family is overjoyed to find their granddaughter, who has been separated for more than 20 years. They have invited celebrities and successful people from all walks of life, even the media outside.

Obviously, it's to publicize it so that people all over the world know that the Tang family has found their daughter.

Master Tang led an an down the stairs, and everyone's eyes were immediately attracted.

On this day, Ann was dressed in a goose yellow skirt, high waist design package perfect figure, skirt at the knee, revealing a pair of slender white legs, looking beautiful.

What shocked everyone was that the daughter of the Tang family, who had been separated for many years, turned out to be the eldest daughter of the Li family.

What the hell is going on?

You look at me, I look at you, there was an uproar.

At this time, the crowd automatically gave way.

Li Fengbei, the owner of the Li family, appeared at the scene with his wife and three children.

Li Qichen, the eldest son, is incomparably handsome and dignified. Li Xingchen, the second son, is wearing a white suit and a gentleman's bow tie. There is a little evil in the evil spirit. Li An, the third daughter, is cute and cute. Her glass like eyes twinkle as if she could speak. There was a low sigh all around.

Li family, not only rich, even the five members of the family stand together, the beauty is not inferior to the stars in the entertainment industry, it is really eye-catching.

With a smile, master Tang came to Li Fengbei and shook hands with him.

"Mr. Li, my granddaughter has grown up under the care of you and your wife. Our Tang family has nothing to repay her!"

Li Feng's heart is dripping blood. He doesn't want to listen to his thanks. He only wants his lovely daughter, but with a light and appropriate smile on his face, he shakes hands with Mr. Tang and says, "where, where! An'an returns to the Tang family today, but she is still my daughter of Li Fengbei!"

Master Tang stretched out his hand and made a gesture of invitation.

"Please take your seat!"

“Then I’m not welcome!”

Over the past 20 years, he has treated An’an as his own daughter, which he deserves.

Even want to say a few words last time, beat the Tang family, who dares to Ann is not good, also want to scruple behind him.

Of course, as a wife slave, Li Fengbei would not leave his wife alone on such an important occasion.

Li Fengbei took his wife to the stage.

Mr. Tang said politely, “Mr. and Mrs. Li, today is the party for An’an’s official return to the Tang family. What do you want to say?”

Li Fengbei stood up, came to the microphone, and said to the guests: “today An’an is back to the Tang family, but she is still the princess of Li family. Anyone who dares to bully her is against Li Fengbei!”

Then he went back to his seat.

Wenjo looked at him speechless, lowered his voice and said, “how can you do this? Today is a good day for my daughter. Why are you so cold? Who can you show me? ”

Li Fengbei looked unhappy. “My daughter, who has been like me for more than 20 years, suddenly becomes someone else’s family one day. Do I have to smile to greet her?”

CEO Daddy Is Too Passionate - Chapter 1404

“Do I have to smile at each other?”

“.....”

Wenqiao sighed helplessly, but said nothing more.

This person, sometimes very overbearing, even she did not want to persuade him.

Mr. Tang and the three brothers of the Tang family, the smiles on their faces are somewhat stiff.

Li Fengbei was obviously saying that An'an had been wronged in the Tang family some time ago. He was beating them!

Master Tang coughed a little. He was just about to go on stage to say a few words when suddenly there was a clapping voice behind the crowd.

"The Tang family is really busy today!"

"....."

Everyone looked behind the crowd.

A rich woman came out from behind the crowd.

"Old man, did I come at the right time?" Mrs. Qin stepped onto the stage and said to the Tang master with profound meaning.

Mr. Tang always feels that the other party is not good at it, so he looks cold.

"Mrs. Qin, what are you doing here?"

He would not invite her on such an occasion.

The Qin family and the Tang family have always been enemies.

Mrs. Qin said with a smile: “father in law, shouldn’t I come? An an was engaged to our chuan’er not long ago!”

The old man’s face was cold again. “What are you talking about? I’ve never agreed to their marriage, and I won’t count now!”

“Yes? Then I’ll show you something!”

With that, Mrs. Qin opened the zipper of her handbag.

Looking at her actions, Tang’s wrinkled face flashed with deep displeasure and gave a cold warning: “Madam Qin, today is a good day for my granddaughter to return to the Tang family. If you come to congratulate me, I’m very welcome. If you come to smash the stage, don’t blame me for being rude.”

Ann stood beside Wenqiao, subconsciously grabbing into the hem of her dress.

A bad feeling flashed in her heart. Mrs. Qin must have nothing good to do.

Just then, a warm hand reached out and gave her a firm grip.

It’s just a touch. It’s going to leave.

After all, such an occasion is not suitable for intimacy.

Ann turns her head and looks at Li Qichen.

Under the golden sun, two people are similar but smile, self-evident sweetness.

Here, regardless of Tang's warning, Mrs. Qin takes out a stack of photos and looks at An'an and Li Qichen with disdain and sarcasm in her eyes.

"Ladies and gentlemen, some time ago, Li Anqi and chuan'er of our family had reached the stage of marriage. However, their Li family and Tang family cheated too much. Our Qin family couldn't swallow this tone. That's why we stand here today. I know that the Li family is very powerful. It's easy to kill him, but I'm risking revenge by the Li family today And we're going to break out the true face of the couple! "

"What? What is she talking about? Is she crazy? How dare you shout at the Li family

There was a lot of noise among the guests.

Li Fengbei frowned and yelled: "come on! Take this crazy woman down to me

"Wait!" Mrs. Qin turned to look at Li Fengbei and said defiantly, "Mr. Li, are you guilty?"

Li Feng's eyes were sharp, and then he raised his lips contemptuously. He hummed coldly, "I'm sitting upright. When have I ever been afraid?"

"Good! Well, as a witness, you can see how ugly the Li family is when you look at these photos! "

In the eyes of gossip, Mrs. Qin scattered the thick photos to the guests.

The photos, flying like fallen leaves in the air, fall down one after another.

The guests looked at the photos in their hands, and the whole audience was boiling.

Looking at An'an and Li Qichen's eyes became meaningful.

Ann's little face turned pale immediately and retreated two steps with a guilty heart.

Li Qichen frowned and winked at the Li family bodyguard standing under the stage.

The bodyguard picked up a few photos and gave him a look.

Looking up at An'an and Li Qichen, he became a little embarrassed.

The young lady and the young master are secretly together, and the young lady is pregnant!

Oh, my God!

What the hell is going on?

Just at this time, Li Fengbei looked at the bodyguard.

The bodyguard quickly gave the photo to Li Fengbei.

He silently ordered a wax to the young master in his heart.

Such a big thing has happened. It's just like breaking the sky. Young master, please help yourself!

Li Fengbei takes the photo from the bodyguard unhappily, and then his whole body freezes.

His eyes fell on a B-ultrasound sheet.

Intrauterine pregnancy, twins!

Ann is pregnant with his son's baby or twins! This news is a bit informative, even if it is resolute as Li Fengbei, there is a moment's dull at this moment.

Seeing that he couldn't react, winjo sighed and took the picture from him.

Looking at the contents of the photo, she first stopped and then seemed relieved.

The mystery hidden in my heart for many days was finally solved.

No wonder Chenchen is so concerned about Ann during this period of time. She not only gives Ann an endorsement bag, but also drives her car as a driver. Once, she gets up in the middle of the night to drink water, just when Chenchen goes out to buy a cake.

At that time, she also wondered, the child never eat sweets, how to go out to buy cakes at night.

But she is not a mother who likes to ask everything to the end, not to mention that the child is so big that she should have her own private space.

So she didn't ask at that time, but now she wants to understand everything.

He didn't eat for himself. He bought it for Ann.

Ann is pregnant!

Good!

What great news!

Wen Qiao was overjoyed. He patted the back of Li Fengbei's hand and said with a smile: "Fengbei, we are going to have another grandson soon. Look, these two little things are still the size of soybeans, but they will be two lovely little babies in a few months."

Li Feng North is about to attack, was pulled by Wen Qiao hand.

Li Fengbei suddenly recovered. Now is not the time to investigate the responsibility of his son.

Now on this occasion, we must put this matter in the past, otherwise these two children, especially An'an, how can they behave in the future!

The anger on Li Fengbei's face disappeared instantly, and he burst out laughing.

"Ha ha! I'm finally going to be a grandfather in lifengbei. What a good thing!"

Li Fengbei got up and held the hand of the Tang master who was still there, "master, it's a double happiness today! You see, when will you choose an auspicious day for these two children and let them have their wedding ceremony earlier!"

At this time, master Tang regained his mind and managed to squeeze out a smile.

"Yes, yes! Weddings are children's business. They can do whatever they want. We elders just need to cooperate with them."

CEO Daddy Is Too Passionate - Chapter 1405

Mrs. Qin listened to several people coming and going. She didn't take Li Anqi and Li Qichen's incest seriously. She was so angry that she fainted quickly.

"What do you mean by that? Do you want to make a fool of it? As the top tycoon in city B, your words and deeds have attracted everyone's attention. If you neglect the law of human relations, sooner or later you will be disgraced and despised by everyone!"

Li Fengbei looked at Mrs. Qin, narrowed his eyes dangerously, and a flash of cold light flashed by.

This person is really too don't know good or bad!

When today is over, he must make the Qin family look good!

Mrs. Qin also looked at Li Fengbei. Of course, she knew that she had offended the Li family today.

But she has no choice now!

The Li family has already set up a set for the Qin family. That project is deceptive. It's the next move of the Li family to clean up the Qin family.

The Qin family is going to declare bankruptcy overnight, and they go here to talk and laugh. How can she bear it.

It's a big deal.

The guests were all confused. Did Li Fengbei really want to protect his son and daughter?

How does he end up on this occasion today?

Under the gaze of everyone, Li Feng walked north to the microphone. His handsome face was more charming than when he was young. He opened his mouth.

"I'm really sorry for my two children today, and I'm very cold at the same time!"

The guests began to talk, "what's the matter?"

"Is it really a mess?"

After everyone was quiet, Li Fengbei continued: "there is a story that you may not know. In fact, when an an was very young, when she was about four years old, my wife and I knew that she was not our own daughter.

We really love An'an. We don't want to be separated from An'an, so we always cultivate An'an as Li Qichen's daughter-in-law.

But the two children are always noisy, you don't like me, I don't like you.

As adults, we didn't have the heart to worry that An'an would be hurt, so we gave up the idea of taking An'an as our daughter-in-law, and even agreed to marry An'an to the young master of the Qin family. As a result, the two children have been hiding from us for a long time!

It must be my son's idea to keep all our elders in the dark! ”

Said, Li Feng North from the side of the Tang master son on the side of the crutch, toward Li Qichen's leg swept over.

While beating and scolding: “you useless thing, you don't want it. It's very promising to sneak around behind everyone's back. If you dare not be responsible for An'an, I'll break your leg first today!”

This stick hit down, but really, the bones are about to be broken.

“.....”

Li Qichen dodges left and right, the whole person is beaten!

When did they give him Ann?

But he was vaguely happy in his heart. Dad was helping him out and protecting him.

He didn't expect that a man as serious as his father would act. Tut Tut, his acting skills would win an Oscar.

There are so many people watching the play!

Li Fengbei fought harder. "What are you hiding from? Stand up for me. I'll break your leg today. I don't believe Li!"

Li Qichen really didn't move.

If you get beaten, you can get a daughter-in-law and two lively and lovely children, no matter how you beat them.

However, it scared Ann.

She didn't seem to think about it. She ran forward and stopped in front of Li Qichen.

"Daddy, stop fighting!"

Li Feng North eyes a Lin, quickly took back the crutches, scared out of a cold sweat.

"Ann, you are pregnant now. What do you rush out to do? If there is something wrong with the baby in my stomach, which affects me to have grandchildren, I will ask you two

Wen Qiao was also scared to lose his face and took Li Fengbei's arm. "Oh, Dad, just calm down. You're still pregnant with our grandson. You'll scare him like this!"

Winjo gave Ann a look.

An an's face suddenly changed and he covered his stomach. "Ouch, I have a stomachache! It's killing me

Li Qichen's face suddenly changed and he hugged An'an anxiously.

“Ann, what’s the matter with you? I’ll take you to the hospital right away. You can bear it!”

Li Fengbei was also startled. He quickly lost his crutch and was at a loss.

“Ann, are you ok? Just now daddy didn’t mean it. I’m not angry. Don’t worry. I’ll send you to the hospital right away!”

An an looks at Tang Laozi and weakly reaches out to him, “grandfather, I’m sorry!”

Tang’s face was very ugly. Seeing An’an like this, how could he have the heart to blame him. He came forward with a worried face and grasped Ann’s hand tightly. “What’s the matter with you, son? Grandpa doesn’t blame you. You’re OK. Don’t be nervous. We’ll send you to the hospital right away!”

“Thank you, grandpa!”

Where can really go to the hospital, she has nothing to do, go to the hospital to help.

Wenqiao hurried forward and asked with concern, “Ann, are you better? What happened just now?”

Ann understood. She went down the steps given by Wenqiao and said with a puzzled face, “well, it’s ok now. I just felt that my whole stomach was falling down.”

“It’s OK. That’s what I felt when I was just pregnant. Don’t worry. Come and have a good rest in the room with mommy. Don’t pay any attention to them!”

“Well, thank you, Mommy!”

Ann was carried to the room upstairs by winjo.

Behind him, again came the voice of Mrs. Qin.

“Wait! Do you think it’s like fooling everyone out by directing and acting a play? If, as they say, Li Anqi has been regarded as a child’s daughter-in-law since childhood, why did Li Anqi get engaged to my son later? Don’t you think about why?”

You look at me and I look at you. You are really confused about today.

Li Qichen and Li Anqi are not related by blood. It doesn’t seem that it’s unreasonable for people to want to be together.

But on second thought, it seems wrong

No one had ever heard that Li Anqi was not Li’s own daughter!

Wen Qiao was so angry that he clenched his fist. “Mrs. Qin, what’s our Li family against you? You want to slander my child like this!”

Mrs. Qin sneered, her face was crazy and ferocious.

“You forced me. You’ve already set a trap for me to jump in and destroy the Qin family. In that case, we can’t have a better time!”

“I don’t understand what you’re talking about! When did our Li family frame up your Qin family?”

Er

Li Qichen scratched his nose and whispered in Wenqiao’s ear: “Mommy, it’s me...”

“.....”

Wenjo was speechless.

CEO Daddy Is Too Passionate - Chapter 1406

“Mommy, it’s me...”

“.....”

Listening to Li Qichen’s words, Wen Qiao was speechless.

If it is true that the tiger father has no dog son, the father and son both have similar work styles.

She clung to Li Qichen’s ear and whispered: “son, it’s not a mother who won’t help you. You should take it easy when you go back. Your father is very angry!”

“I know!”

Li Qichen had no choice but to stand up.

Long before that, he had been ready. Once the incident was exposed, there must be a period of punishment.

Just at this time, there was a clear voice behind the crowd.

“Mother, what are you doing here?”

Hearing the sound, everyone turned to look behind the crowd again.

I saw a handsome man walking towards here, his face with a dead man’s smile, which was out of tune with the dull atmosphere here.

Seeing her son, Mrs. Qin quickly waved, “chuan’er, you’re here! You’re just in time. Please tell us quickly if Li Anqi talked to you about disorderly marriage not long ago, or even took wedding photos some time ago. It’s the Li family who bullied us. There’s no one in the Qin family. Please tell us quickly and let us comment on it!”

“Mother!” Qin Chuan said helplessly, “mother, do you remember wrong? Ann and I have already cancelled our wedding. Ann and I are engaged because the Tang family has an engagement with the Qin family. Otherwise, how can she look up to my son! And my son doesn’t like her and doesn’t want to marry her!”

“Son, do you know what you’re talking about?”

Mrs. Qin looked at Qin Chuan strangely.

She didn’t expect that her son didn’t help her and turned to the dead girl!

The smile on Qin Chuan’s face deepened, and he took Mrs. Qin’s hand. “Mother, you love your son the most. Your son doesn’t want to marry a person who doesn’t like me. He won’t be happy with a person who doesn’t like himself. Is that what you always tell me right?”

“.....”

Qin Chuan immediately put on a high hat for Mrs. Qin. Mrs. Qin was speechless and unable to refute.

Mrs. Qin took a deep breath and gave a cold hum to Li Anqi.

“Well, for the sake of my son, forget it! Son, let’s go

Mrs. Qin angrily went to a certain entrance. Qin Chuan took two steps, then turned back, and walked straight towards An’an.

Li Qichen's handsome brow suddenly frowned, stepped forward two steps to block Qin Chuan's face, "what do you want to do?"

Qinchuan stopped, a pair of clear eyes looking at An'an, smile warm as jade, "An'an, I wish you happiness."

"....."

An an Leng for a while, then smile, "thank you, Qin Chuan, you are a good man!"

"I said I would not hurt you, I will do what I say!"

Qin Chuan said affectionately.

Li Qichen can't bear it. His eyes are cold and his fist is creaking.

"Qinchuan, will you go?"

Do it in front of him and scowl with his wife, when he's dead?

Qin Chuan raised his eyebrow to Li Qichen provocatively and said, "what are you worried about? If your relationship is deep enough, you are not afraid of other people's intervention!"

With that, he turned and left.

Li Qichen wrists his fist to come forward, but is pulled by an an, "Chen Chen, what are you doing?"

Chen Chen's face turned into a wronged face. "You even frowned with him in front of me. You don't love me at all! Hum

“.....”

An'an rolled a white eye without saying a word, "I when with his eyebrows, you don't talk nonsense!"

Wenqiao stood beside them, unable to look down, holding Ann's hand, "Ann, let's ignore him and let him be jealous!"

She wondered, can jealousy be inherited?

"Be careful, walk slowly!"

Wenqiao looked worried and held Ann carefully.

An'an immediately thought of the pregnant women in the ancient imperial palace. She knew that her child was still a small bean and her stomach was flat, but she was carried away by several servant girls. Now, she is being carried away by the Empress Dowager.

Ann couldn't help laughing, "Mommy, I'm just pregnant now. I'm light. There's no need to worry about that!"

"Oh, how can we not worry! This is my first grandson

Mother and daughter look at each other and smile.

Ann was moved and relaxed as never before.

She pursed her lips and couldn't help saying, "Mommy, I'm sorry, it's wrong of me to hide from you for so long."

"Hey, what are you talking about! In fact, your father's words just now are not all lies. When we know that you are not our own daughter and have been lost, we really want to let you be our daughter-in-law.

We can't bear you. We want you to be with us all the time. Now, our wish has come true! "An an's nose was sour, and a layer of fog quickly appeared in front of her eyes.

She couldn't help throwing herself into winjo's arms. "Mommy, you're so good that I don't know what to repay you with."

Wenqiao put his hand on ANN's stomach and said with a smile, "this is the best reward."

Compared with the warmth here, Li Qichen is not so easy.

Li family.

Li Qichen knelt on the floor of his study. Two hours later, a layer of cold sweat oozed from his back, and even his face turned pale.

But he resisted, biting his lips, his back stiff.

Li Fengbei sat behind his desk and looked at his eldest son. He was so angry that he had a toothache.

He couldn't bear it. He grabbed the papers on the desk and threw them on his head. His fingers were pounding heavily on the desk.

"Li Qichen, you are so good! good job! If Mrs. Qin is not going to make trouble today, when will you hide us? When Ann's stomach grows up, will everyone laugh at her?"

Li Qichen's face finally showed a crack.

"I didn't want to hide..."

He was telling the truth, but at this time, Li Fengbei couldn't believe it. He snapped, "it's not you. Can't it be that an an an wants to hide it? At this time, you don't even know where you are wrong!"

With that, Li Fengbei picked up the feather duster beside him.

Ann and Wenqiao heard the rebuke, quickly opened the door of the study, looking at the scene in front of them, their faces changed.

Wen Qiao quickly stepped forward to block Li Feng in front of the north, “husband, you have something to say!”

Li Feng took a look at An’an in the north. The feather duster in his hand shook and gritted his teeth and said, “don’t stop any of you today. I won’t kill him!”

An’an looks at Li Qichen’s forehead swelling up. She is very distressed. Suddenly, she kneels down toward Li Fengbei.

“Sorry, Daddy! It’s all my fault. Don’t hit him! “

CEO Daddy Is Too Passionate - Chapter 1407

As soon as Li Qichen’s face changed, he quickly picked up An’an and said in a cold voice, “what are you doing? Get up quickly

“No! I want to kneel with you. It’s not your fault. I’m also wrong. Since I’m going to be punished, let’s do it together!”

An an’s face is firm.

Li Fengbei quickly took back his hand. When he saw An’an appear, his cold look immediately became mild.

He glared at Li Qichen fiercely. Then he picked up An’an and said, “silly boy, what are you doing? I just punished him. What did you rush out to do? If I hurt you, who are you hurting?”

Wenqiao looked at it and couldn't help laughing. This awkward man.

Li Qichen knelt on the ground and stopped, "it's my fault. You can punish me any way you want!"

"You dare to talk back!"

Li Feng North cold a face roar a way, originally very fierce, stare eyes of time, let a person frighten.

Li Qichen clenched her lips and did not speak again.

But Ann looked at it and felt very sad.

"Daddy, can I ask you for a favor and forgive Chenchen? It's Chenchen's fault. I'm also wrong. You can all love me so much. Why can't you forgive Chenchen?"

Wenqiao's eyes turned and he said with a smile: "husband, Chenchen is going to be a husband's father. Don't punish him. He is an adult now. Isn't that a joke to be seen again?"

"Hum!"

Li Fengbei still had a cold face. He didn't tell them anything and hid them. Now he even got the children out.

What's more, they even kept it from them. Are they such untrustworthy parents? It's so irritating.

But Wen Qiao is right. Li Qichen is about to be a father. It's useless to beat and scold him, because things have happened and there's no room to make up for it.

Seeing his father's face softened, Li Qichen put up three fingers and solemnly vowed: "Daddy, Mommy, you can rest assured that I will definitely be good to Ann, and I decided that in order to give their mother and son a stable life, I will go to work in the company from tomorrow!"

Smell speech, Li Feng North picked next eyebrow.

Even An'an and Wen Qiao look at Li Qichen. Before, he was the most averse to going to the company. What he likes is to engage in scientific research. So far, he has won many awards abroad.

Li Fengbei has long wanted Chenchen to come back to take over the family business. He is worried that if he goes on like this, he may really go further and further on the road of scientific research, and he may not be able to pull back. Li Xingchen is totally unreliable. He is a typical dandy.

Wenqiao said with a quick smile: "look, Chenchen has said that he is going to work in the company, so don't be angry! Calm down

With that, Wen Qiao pulled Li Feng upstairs.

Close the door, Wen Qiao can't help but cold face roar a way: "Li Feng North, what do you mean?"? Chenchen is so big, you can punish him, but you throw everything at him. What if you break it? Can you compensate me for a son? He didn't grow up with you, so you don't feel bad at all, do you? "

Li Feng Bei was stunned and quickly comforted him with a smile: "don't be angry, my wife. I know the propriety. I won't break him! Besides, what are you talking about? He is my son. How can I not feel distressed? "

Then he put his arms around winjo.

Wenqiao glared at him fiercely. Although he was in his forties, he looked in his early thirties at most. He was well maintained and his delicate face was red in protein.

She snorted coldly, "she said that she would not break it. Her forehead is swollen! Besides, don't you always want ANN to be our daughter-in-law? Now that Ann and Chenchen are walking together, what kind of temper do you have? "

Li Feng Bei was stunned, holding Wenqiao's hand and letting her sit on the sofa. He kneaded his shoulder behind him.

"My wife, don't be angry. You'll think I'm going to be a grandfather. Are you happy?"

"Happy?"

Wen Qiao turned to look at Li Fengbei and saw that he was so silly that he couldn't help laughing.

"Poof! You, it was on purpose! Even your own son has to count. Are you still human? "

Li Fengbei was scolded, not only did not get angry, on the contrary, he laughed with pride, "it turns out that my effect is the best, isn't it? You just saw that boy promised to come back to work! "

"You

Wenqiao had no choice but to smile.

Li Fengbei suddenly sighed, sat down beside Wen Qiao, and put his wife in his arms.

"Girl, I'm really happy to have you accompany me in my life, but I've been busy with my work and neglected you all these years! When I got married, I vowed to take care of you all my life, so that you won't be wronged at all. In the end, I broke my promise! In fact, you have been supporting the family for so many years. Apart from making a few money, everything else is on you, especially so many children and wives. You have worked hard! "Winjo, embarrassed, pinched him on the waist.

"I'm an old man and wife. Why do you say that? We're talking about children now! "

"Yes, I'm talking about children! I want to step back and let Chenchen manage the company. Sooner or later, he will take this step. Before, he always didn't want to come back. Now, such a good opportunity is in front of me. Why don't I make use of it a little bit? "

Smell speech, Wen Qiao heart suddenly flashed a burst of heartache.

She held Li Fengbei's face in her hand, and saw some white hair at his temples.

She saw his busyness all these years. She worked hard all her life for this family. It's time to have a good rest.

She suddenly said with a smile, "OK! Let's give them the company. Let's travel around the world? You said that you would take me to play, go to many places and play all over the world. Before, you were always busy and had no time. Now, you can't play tricks any more! "

"Well!"

Li Fengbei took Wenqiao's hand and gave it a kiss on his lips. "I'll take you around the world and give the company to their young people!"

This year, Li Anqi and Li Qichen held a grand wedding, their love envies others.

Wen Qiao and Li Fengbei originally agreed to travel around the world, but it was difficult to achieve.

Ann is pregnant. She has no experience in her first pregnancy. Wenqiao has to take care of her. Now the company can't do without Li Fengbei. However, Li Qichen has a strong learning ability and has begun to work.

Some people even began to say that Li Qichen, the young master of the Li family, inherited Li Fengbei's style of business. He was ruthless and resolute. He was a real tiger father without a dog.

October pregnancy, finally ushered in the arrival of twins in the summer.

A pair of lovely twins.

One looks like An'an, the other looks like Li Qichen.

The girl's name is Xiaoxiao and the boy's name is silent.

In silence and small kindergarten, Li Fengbei and Wen Qiao finally have time to travel outside.

Two people put everything down, hand in hand, through every corner of the world.

Small and silent, small age is the star of the kindergarten.

Although Xiaoxiao is a girl, she doesn't look like a girl at all. She has been very overbearing since she was a child. She must get what she likes.

Silent, the elder brother is not inferior at all. He has a dark stomach since he was a child. I don't know whose character he inherited.

Every time as long as they are together, other children will only be bullied by them, so ANN has to put them into different classes.

I thought it would be better, but the teacher called the kindergarten to complain in three days.

"Little mom, little girl made the school children cry again today. What's the matter? This is the third time that Xiaoxiao has made children cry this week. I want to know with my parents what the reason is

Little so lovely a girl, white face, Qi bangs under a pair of big eyes, watery like can speak, is a realistic version of the doll.

How could such a lovely girl like to beat people?

How unreasonable should her parents be for such a violent child?

The new kindergarten teacher was murmuring in his heart, and then a soft voice came from his ear, "I'm sorry! Miss Li, I'll go home and ask her why. It's troublesome for you

Li teacher a Leng, for their own preconceptions feel a bit embarrassed.

"Little mom, we are not making a mountain out of a molehill. We are also responsible for other children. You put your child in school, but the child is beaten at school. No one will be happy, don't you think?"

An an apologized and said, "Miss Li, I know. After school today, I will have a good talk with my children. No matter what, beating people is wrong. I will say sorry to the parents of the other party."

Miss Li didn't want to be such a violent child, but her mother was so gentle and her voice was very sweet.

"It's very kind of you to think so. The teacher and the parents should work together to find out the problems for the child and let her correct them in the future. It's also for her good!"

Hung up the phone, Li turned around and saw Li Xiao in a pink princess dress.

Small hands ring chest standing at the door of the office, a pair of watery eyes, clean like a pool of water, but the voice of the mouth let people vomit blood.

"Miss Li, do you know why you are not a good teacher?"

"What?"

As soon as he opened his mouth, Li was stunned by Li Xiao's words.

With a sigh like a little adult, Li Xiao shook his head, "because you know to complain to your parents without asking about the situation. You never want to know the truth of the matter. It's irresponsible."

“.....”

Miss Li almost lost her chin. Is that what a three-year-old can say?

CEO Daddy Is Too Passionate - Chapter 1408

Why is such a young child so powerful? It's like a queen!

“Then tell the teacher what happened just now?”

Li Xiao put his hands around his chest and looked out of the corridor. “They're coming. Look for yourself!”

Li teacher along Li small line of sight to see in the past, between a group of children toward this side.

“Little! Small! You play with us

The children gathered around Xiaoxiao, with black and blue faces, but still begged Xiaoxiao to play with them.

Miss Li is almost petrified.

“Little hit you, why do you want to play with her?”

Li was too shocked to blurt out.

“Miss Li, didn't Xiao hit us?” The children blinked their innocent eyes.

Mr. Li still didn't want to believe it was true. “Children, did you threaten you so little that you didn't dare to report her?”

“No!”

The child shook his head, tooted his little mouth and said, “Miss Li, how can you say such a thing? It’s so cute. How can she beat people?”

“What?”

Teacher Li was shocked that the Three Outlooks were about to crack.

What kind of world is this.

Why was bullied, dare not report small? I even think it’s cute!

Can you stand being beaten because you are cute?

Mr. Li said that he can’t accept children’s Three Outlooks now!

Mr. Li squatted down in front of the children and said, “tell me what happened just now? Why are you all crying, and you’re black and blue?”

“Miss Li, Xiaoxiao didn’t beat us. We all wanted to be at the same table with Xiaoxiao, so we had a fight. Whoever won would be at the same table with Xiaoxiao!”

“Ah!”

Mr. Li’s three outlooks are completely broken.

It turned out that she had made a mistake. It was her mistake.

Mr. Li helped the frame. “I’m sorry, but I didn’t mean to wrongly you.”

“Miss Li, can I go now?”

Li small cold a small face way.

“Yes, yes!”

Mr. Li laughed and was ashamed.

How difficult it is for children nowadays!

One by one, big kid!

After the meeting, Li Qichen called his wife and went to the president’s office.

“Ann, what are you doing at home?”

Ann’s gentle voice came along the mobile phone, “you call just in time, I just have something to tell you!”

“What’s the matter?”

Listening to his wife’s tense tone, Li Qichen can’t help but hook up his lips.

Ann said helplessly: “it’s not your baby daughter! Just now, the teacher called me and said that Xiaoxiao bullied other children at school and made them cry. The teacher asked me, “what’s the matter with Xiaoxiao?”

Smell speech, Li Qichen instead laughed, in front of the eyes as if to emerge a baby daughter magical appearance.

“My daughter indeed!”

Ann was angry at his words, “Li Qichen! How could you laugh when your daughter beat someone at school?”

Seeing that his wife was angry, Li Qichen quickly comforted him: “wife, don’t worry. At four o’clock this afternoon, I’ll go with you to pick up the children from school!”

“Do you have time?”

It’s not long since Li Qichen took over the company. He has been very busy recently.

Thinking of this, Ann felt a burst of regret.

My husband has worked so hard at work, she even bothers him with children’s affairs.

“Fool, don’t worry. Your children and grandchildren have their own happiness. You don’t need to worry about anything now. Go shopping with your little sister every day, and then wait for me to come back and accompany your husband.”

Ann couldn’t help wheezing and joking: “if I go on like this, I will become a fool who can’t do anything!”

“No! If you feel bored, you can draw. When there are enough works, I’ll hold an exhibition for you, so that your dream won’t be buried.”

An’an pursed her lips and was moved. “Well, you go to work first. I’ll wait for you downstairs at 3:30.”

With that, Ann will hang up.

“Wait!”

“What’s the matter?”

“Come here now!” Li Qichen said.

Ann looked out of the window into the bright sunshine. “But it’s only morning now. They don’t finish school until four o’clock in the afternoon.”

“Come here first, I need your help!”

Li Qichen said solemnly, loosened the tie, voice with a trace of imperceptible hoarseness.

Ann listened to Li Qichen as if he was in an emergency. Without thinking about it, she agreed, “OK, I’ll come right away.” Hang up the phone, Ann changed a suit of clothes, and looked in the mirror, decorated the makeup.

The woman in the mirror has gradually faded from the childishness of the little girl, with a happy atmosphere between her eyebrows and eyes. Only the beloved woman can have this attitude.

Ann packed herself up and asked the driver to take her to the towering headquarters of Lishi group.

The front desk saw her and said respectfully, “Hello, Madam President!”

ANN with a decent and elegant smile, very friendly nodded to say hello to everyone, “everyone worked hard.”

An’an walks directly to the elevator exclusive to the president, and the front desk members embrace excitedly.

“The president’s wife just laughed at me. She was so tender and sweet. My heart is about to melt. No wonder the president is so obsessed with her!”

“It’s said that the president’s wife and the president have been together since childhood. It’s really enviable!”

“The president’s wife must have saved the galaxy in her last life, otherwise how could she marry such an excellent man as the president?”

“Well, comrades, work hard! Don’t be envious. No matter how envious you are, you won’t be the president’s wife! ”

Ann walked into the elevator, not knowing that everyone was talking about herself behind her.

The elevator soon reached the top floor. When they came out of the elevator, the four secretaries got up one after another

“Hello

Ann said hello with a smile.

He knocked on the office door and pushed in.

Li Qichen is working on the document, and his signature pen is dancing in his hand.

Handsome side face, serious and attentive, very charming.

Ann can’t help but sigh in her heart. They all say that the man who focuses is the most handsome. This sentence is true at all.

Even though they had been married for so many years, her eyes were still full of worship and love.

“Guess who I am?”

Ann went to Li Qichen’s back and covered his eyes with her hand.

Li Qichen put down his signature pen, reached for her hand, pulled her in front of him, stretched out her legs and hugged her.

He gave her a kiss on her face and blinked his peach blossom eyes, “my dear wife!”

Ann’s heart is full of happiness, pretending to dislike to push him away, “this is the office, you put me down first!”

“No one dares to come in when you come!”

Li Qichen’s voice with a unique male husky, eyes burning at her, like staring at the mouth of the rabbit.
CEO Daddy Is Too Passionate - Chapter 1410

Since An’an didn’t go back to the Tang family, he must be at home.

Li Qichen came to the children’s room and twisted the door handle, but it didn’t open.

“Well?”

Li Qichen was stunned, but he quickly reflected that an an must be in her daughter’s room and deliberately locked the door, because usually the child’s room won’t be locked.

In the dark, he slowly raised his lips.

I went downstairs to get the spare key and opened the door gently.

Sure enough, in the room full of stars, Ann took her little girl to sleep on her pink princess bed.

“Here it is

Li Qichen looks at the mother and daughter who are sleeping happily.

One big and one small, even the sleeping posture is the same, even if they fall asleep, they also hold their cheeks, which looks very lovely.

Li Qichen bends down and kisses her daughter on her face. Then she picks up ANN, who is sleeping on one side, and walks towards the master bedroom.

I can't sleep well without this guy.

The next morning, Ann was awakened by a warm kiss.

“Um ~ ~”

with the sound of women's cry, the beautiful big eyes slowly open, with the unique languid and amorous feelings in the early morning, facing a pair of deep eyes.

The man's deep eyes are like a whirlpool, which can drown her.

Ann showed a happy smile and put her hand around Li Qichen's neck, “husband, good morning!”

Delicate soft voice, even the spine are one of the crisp.

Li Qi morning Mou light a dark, a turn over to press her under the body.

“Goblin, do you know the consequences of provoking men early in the morning?”

“What are the consequences?”

An an blinks big eyes, a face is pure, know clearly ask tunnel.

Li Qichen stretched out her hand and pinched her waist. She said with a smile, “it’s very serious for me to get angry.”

Then he bowed his head and kissed her soft red lips.

However, an an stretched out her hand to push his chest and called out in a delicate voice: “wait a minute ~”

“what’s the matter?”

Li Qichen gritted his teeth and endured to the extreme.

Ann pushed him away and said with a smile, “husband, I want to ask you a question!”

“I love you!”

“.....”

“That’s not the problem!”

“Help you, mom, Dad!”

“..... It’s not such a strange question ~ ~”

does this guy read too many jokes?

“What’s that?” Li Qichen’s forbearance to the extreme.

Why do questions have to be asked at this time?

“Does the heart have legs?” Ann blinked her big clear eyes and looked as innocent as a child!

“Well?”

Li Qichen didn’t react for a moment. She twisted her eyebrows and looked at An’an’s white face.

Ann stretched out her finger and drew a circle on Li Qichen. “This question was asked by your daughter.”

“How could she ask such a strange question?”

An’an suddenly turned cold, pushed away Li Qichen, jumped out of bed, put his hands on his waist, and growled: “why do you ask this kind of question, because your daughter heard you say that she’s a little sweetheart, separate her legs!”
