Chapter 540 – Hit someone!

The Hu Tong residents got very agitated!

Many store owners armed with metal poles surrounded the Subdistrict Office staff while shouting, “The law will not punish the masses!” They had gained confidence and were fearless. Everything was going smoothly until Peng Kun appears!

Dong Xuebing shouted at Peng Kun. “Peng Kun! Look what you have done!”

Police Station Chief Peng Gang scolded. “Are you trying to create more problems for us?!”

“We had just mobilized our people!” Zhou Yanru had turned pale. “Just one word from you destroyed all our efforts! What are you trying to do?! The District Government ordered us to demolish these buildings. Not only are you stopping us, but you even incite those residents to go against us! Is this how an Organization Department Leader behaves?! Look at what you have done! Stop interfering in our operations!”

Everything happened suddenly, and more than thirty residents and store owners had surrounded them.

“Kick them out!”

“If the bulldozer dares to enter, I will break your heads!”

“Grab a weapon! They don’t dare to retaliate!”

Peng Kun is speechless as he did not expect things to turn out this way. He quickly tries to brush it off. “You all had not spoken to these residents from the start! How can you all not clash with the residents if you demolish the buildings by force?”

F*ck! Dong Xuebing could not hold back. “Get lost!”

Peng Kun stares at Dong Xuebing. “How dare you scold me?!”

“I am scolding you!” Dong Xuebing exploded. “Get out of my sight!”

Everything changed because of Peng Kun. Dong Xuebing’s words had scared those store owners and residents, and only one or two dares to stop the bulldozer. The Police Officers can easily handle the situation. But they heard what Peng Kun said. They know the Subdistrict Office dare not to clash with them. It gave those store owners and residents confidence and are not afraid of blowing things up. Peng Kun had placed the Subdistrict Office at a difficult spot and made the situation out of control!

Peng Kun knew he should not have said those things. It’s fine if he said it to Dong Xuebing privately, but those store owners overheard it and made things spiral out of control. He was blinded by his anger because of Dong Xuebing and Guang Ming Subdistrict staff and forgot to watch his words. The conflict got worse, and he doesn’t want to be held responsible. So, he pushed the blame to the Subdistrict Office.

The situation got more tense.

Dong Xuebing and the rest have no time to bother with Peng Kun. They are facing an angry mob in three directions and need to handle this sudden situation.

Suddenly, something unexpected happened!

In a blink of an eye, the tailor store owner swings his metal rod at Zhou Yanru. He had been holding in for a long time. After knowing the Subdistrict Office staff will not retaliate, he swung the rod at Zhou Yanru.

Zhou Yanru was facing Peng Kun and was hit on her back. She cried out in pain as she fell to the ground!

“Director Zhou!”

“Sister Zhou!”

“Sister Yanru!”

The Subdistrict Office staff rushed over to help her.

Zhou Yanru was panting and sweating from the pain.

The tailor store owner’s action caused the rest to be more agitated. The breakfast store owner shouted, “Get them out of here!” and threw a bowl at the Subdistrict Office staff. Crash! The porcelain bowl landed beside a Police Officer and shattered into pieces. One of the broken pieces cut the Officer’s leg, and blood started to flow in between his fingers as he pressed on the wound!

Police Station Chief Peng Gang’s eyes turn red. “Xiao Lui!”

Bam! Yu Rongfeng received a blow on his arm! It’s a staff from the barbershop!

Peng Kun saw it and his heart skipped a beat. He did not expect his words will make the crowd turn violent. He looked at that approaching crowd and started to retreat to his car. His driver had opened the door for him to hide in the vehicle. He quickly got into his car as he does not want to get hurt.

Even Xue Gui did not expect this outcome. He is not a fool and knows he had built those buildings illegally. That’s why he got Peng Kun to help him to stop the Subdistrict Office from demolishing his buildings. He did not want things to be blown out of proportion. But the agitated store owners had lost their minds and turned violent.

A hooligan hit a Staff Member with a pole and turned to Xue Gui. “Brother Xue! Just hit them! They don’t dare to retaliate!”

Another hooligan rushed forward with his weapon. “That’s right. Let’s teach them a lesson! They will not dare to return in the future!”

Xue Gui clenched his teeth and told himself in his heart. The law will not punish the masses! Everyone has started to fighting, and he will be fine if he joins in. He looked at the Staff Member on the ground and started kicking him.

The situation is out of control, and more people are getting hurt!

Dong Xuebing could feel his blood rushing to his head! Damn! You all are asking for it!

Peng Gang fended off the attacks from the store owners and dragged that fallen Staff Member back. He suffered quite a few blows in the process. “Director! What should we do?”

Zhou Yanru, who was still on the ground, shouted. "Protect Director first! You all don't need to help me!"

Guo Mingfeng shouted. "Hurry! Back to our cars! Go to our cars!"

It was chaotic!

Dong Xuebing took a deep breath and ordered. "Hide in the cars!"

Peng Gang and his Officers helped the injured retreat to their cars. A few Urban Management Enforcement Team staff rushed forward to help.

But those residents and store owners were too excited.

"Beat them up!"

"Don't let them escape!"

The tailor store owner and breakfast shop owner are the most agitated!

Dong Xuebing stepped forward and stood in front of all the Subdistrict Office staff. "I will hold them back! All of you get into the vehicles!"

Peng Gang refused. "You should go first!"

Dong Xuebing waved him off. "Get into the cars! Now!"

The tailor store owner shouted. "Get them!"

"You are seeking death!" Dong Xuebing stares at him coldly and unleashed a kick. To everyone's surprise, the tailor store owner was sent flying from one kick!

Bam! The tailor store owner landed on the ground and fainted!

You all dare to hit my men?! You all had forced me to do this! If I don't teach you all a lesson today, I will change my surname!
