Chapter 581: Alarming results!

Xu Yan's apartment.

Master bedroom.

Dong Xuebing looked at his watch, and it was 3 pm. He asked Xu Yan to sit on the bed and examine her face.

"When did you notice this spot?"

"I can't remember, but I think it appeared when I was around thirty-six or thirty-seven."

"..... what about the wrinkles?"

"It is around that time. But it got more serious recently."

"Recently? Do you know how many months was that?"

"Around six months ago. It was quite stressful then, and the age spot darkens, and a few more wrinkles appeared."

Around six months? Dong Xuebing activated MENU in his heart and checked his remaining time. He had accumulated around 4 minutes. If 1 sec of REVERSE is equivalent to one day, four minutes is sufficient to reverse time for more than six months. But he had not tried it and is still thinking of how to do it.

Xu Yan laughed. "Other than my son, you are the first person to see me without makeup. Do I look older?"

"No, you are still attractive."

"Stop your flattery." Xu Yan laughed.

Dong Xuebing rubbed his palms and said. "I am starting now. Let me know if you feel any discomfort."

"Ok." Xu Yan closed her eyes.

Dong Xuebing took a deep breath and raised his hands. He held Xu Yan's face in his hands and slowly massaged the corner of her eyes in circular motions with his thumbs. He is pretending to do a facial massage, and he can smell her fragrance. He secretly peeps down at the opening of her blouse. This is the first time he got to look at her so close.

"How are you feeling?"

"Hmmm... it's quite comfortable."

It is not easy to pretend to be a doctor. Dong Xuebing pressed against some of the nerve points on her face for a while and switched to other nerve points.

Half an hour.....

One hour.....

Two hours.....

“Xiao Dong, what time is it now?”

“Huh? It’s almost 6 pm.”

“Let’s stop and get dinner first. You must be tired too.”

“No... It will be done in a while.”

Dong Xuebing felt the preparatory work was done and lifted Xu Yan’s face by the chin. He felt since he was going to use REVERSE, he should use it on her whole body rather than only her face. He mumbled REVERSE in his heart!

The remaining time starts to drop!

3 min 58 secs.....

3 min 57 secs.....

3 min 56 secs.....

Xu Yan remained seated with her eyes closed when she suddenly frowned. “Huh?”

Dong Xuebing doesn’t dare to be distracted and asked. “What’s wrong?”

“My body feels a bit uncomfortable.”

“This is normal. Bear with it. It will be over soon.”

“Really? Ok.”

Dong Xuebing was overjoyed when he heard Xu Yan felt a bit uncomfortable. That means REVERSE is taking effect. But when he looked at Xu Yan’s face, he did not notice any changes.

3 min.....

2 min.....

1 min.....

Suddenly, Dong Xuebing saw a shocking change. The wrinkles at the corner of Xu Yan’s eyes started to shrink. The deepest two wrinkles started to shorten. He looked at another wrinkle and saw it getting shorter and slowly disappearing from her face!

It works!

It is effective!

Although Dong Xuebing knew it might work, the results were too shocking.

50 seconds.....

40 seconds.....

30 seconds.....

Not only are the wrinkles disappearing, that age spot is also fading!

That brown spot had started to fade and much lighter!

3 seconds.....

2 seconds.....

1 second.....

Dong Xuebing used up all his accumulated time, and REVERSE was deactivated!

At the same time, Xu Yan stopped frowning. "I don't get that feeling anymore. Is it done?"

Dong Xuebing released his hands and looked at Xu Yan again. He took a deep breath to calm himself. REVERSE can work on humans too. This is an amazing discovery!

"Alright. You can open your eyes now."

Xu Yan opened her eyes and smiled. She looks at the time. "It's so late now. Thank you for your hard work. Alright. Let's go for dinner now." She did not look at the mirror first and asked Dong Xuebing to go for dinner. This shows that she does not have high hopes.

Dong Xuebing asked. "Sister Xu, don't you want to look into the mirror first? Dinner can wait."

Xu Yan touched her face. "What's wrong? Did it work?"

"Haha... you will know when you look into the mirror." Dong Xuebing wants to give her a surprise.

"Alright. I will go to the mirror." Xu Yan got up and walked to the bathroom. "Have dinner at my place today. What do you want to eat?"

"I am fine with everything."

"Ok. I will see what I have in my fridge."

"We can talk about these later. Go and look at yourself in the mirror." Dong Xuebing is more anxious than her.

Xu Yan laughed. "You are more anxious than me. Haha... Alright. I want to see what changes I have. You better not lie to me."

Ten seconds passed.....

Twenty seconds passed.....

Suddenly, Xu Yan shouted from the bathroom. "Xiao Dong! Come here now!"

Dong Xuebing walks over with a smile. "What is it?"

Xu Yan points to the face in the mirror while touching the corner of her eyes. "How did this happen? Why did my age spot fade? I remember it was not this color when I removed my makeup! My wrinkles also disappeared! It was still there this morning! How come it's gone?" Xu Yan is almost one year younger and looks better now.

Dong Xuebing is satisfied by Xu Yan's reaction, and he laughs. "It seems like this massage treatment suits you."

"This is the result of the massage?!" Xu Yan looks at Dong Xuebing. "This is unbelievable!"

"How are you feeling now? Do you have any discomfort?"

"No." Xu Yan took a deep breath and touched her face again. "I had never felt so amazing before. Oh my god. You are full of surprises!" Xu Yan is excited and keeps checking the corner of her eyes in the mirror. "If I did not see this myself, I would never believe it. What massage is this? How come it is so effective?"

"This is a secret technique invented by my Master and has no name to it. If you want, you can call it beauty massage."

"I thought you were joking early. This is too amazing. How did this happen?"

Dong Xuebing sighed. "Sister Xu, you are very pretty now."

"Thank you." Xu Yan lifted her fringe. "How can a massage achieve such results? I had never heard of this before." Xu Yan suddenly looks at Dong Xuebing. "Xiao Dong, does this mean you can remove all my wrinkles and age spot?"

Dong Xuebing cleared his throat. "This... is possible in theory."

Xu Yan looks at him without saying anything.

Dong Xuebing felt the hair on his back stands and knew what Xu Yan wanted. "But it is not possible today. My Master says there are side effects and cannot be used continuously. You got to wait a few days for the next session." He had used up all his remaining time.

"Then let's wait for a few days."

"I also did not expect the results to be so amazing, and I think it got to do with your body conditions. It is like medicine, and not everyone will get the same results." Dong Xuebing tried to downplay the effects of the 'massage.' "I hope you can keep this to yourself."

"It will not work on everyone?"

"Yes. Maybe your body condition is special."

"I know. Don't worry. I will help you keep this secret."

"Thank you."

"I should be the one thanking you." Xu Yan is still looking at herself in the mirror and touching the corner of her eyes. "This gift is too amazing. Xiao Dong, can all my wrinkles be removed?"

Dong Xuebing nodded. "It should. I don't dare to claim you will be more than ten years younger, but it should not be a problem for you to be younger by six to seven years."

Xu Yan continued to look at herself in the mirror and started putting on her makeup. She turns around. "Xiao Dong, how is it?" Her age spot had faded and could be covered up with her concealer.

Dong Xuebing exclaimed. "You look like you are in your mid-thirties now, and many young girls don't look as good as you."

"Haha..." Xu Yan walks over and holds Dong Xuebing's hand. "Let's go. I will prepare a feast for you. You kept surprising me again and again. I wonder where you learn all these things. If I have a daughter, I will surely make you my son-in-law." Xu Yan is a quiet person, but she said a lot today because of her mood.

Dong Xuebing is also satisfied to see Xu Yan so happy.

Chapter 582: In the car!

The next day.

Tuesday morning.

Dong Xuebing woke up with a headache. He hugged the blanket and turned to his side. He could smell a woman's scent, and he looked around. He is sleeping on a queen-size bed and is hugging a thin blanket with flowery prints. The pillowcase is also feminine, and Xu Yan's photograph is by the bedside.

Huh?

Why am I sleeping here?

Dong Xuebing got up and noticed he was not wearing his shirt. He quickly walks out to the living room.

"You are up?" Xu Yan is putting on makeup in the bathroom. "How was your sleep?"

Dong Xuebing paused for a second. "Sister Xu, how did I end up sleeping over?"

Xu Yan laughed and walked out of the bathroom. "Can't you remember what happened last night? You drank two glasses of alcohol and fell asleep at the table."

Dong Xuebing asked. "I can only remember bits and pieces. If I slept on your bed, where did you sleep?"

Xu Yan looks at the pink blanket on the sofa.

"Ah." Dong Xuebing felt bad. "I'm sorry to let you sleep on the sofa. You should have let me sleep in the living room instead." Xu Yan's guestroom is empty, and they used it to spar yesterday.

Xu Yan laughed. "It's fine. Get ready for breakfast."

"I'm very sorry. I..."

"It's almost 7.30 am. Go and brush your teeth. You still have to work later."

"Ok."

"I had prepared a new toothbrush for you. It's over here."

Dong Xuebing entered the bathroom and started brushing his teeth. He slowly remembers what happened yesterday. Sister Yu was in a good mood last evening and took out a bottle of XO. Although State Security has regulations on drinking, she made an exception and drank with him. He is not used to drinking cognac and blacked out after two glasses.

During breakfast, Dong Xuebing noticed Xu Yan's dressing and was mesmerized by her.

Xu Yan laughed and asked. "What's wrong?"

"Err.... Nothing."

"Am I overdressed?"

"Err... no. Are you going to work like this?"

"Of course not. Haha... This is what I wear at home."

Xu Yan had worn a pair of beige tights, showing her curvy thighs and butt. Her top is a deep blue camisole. The top is normal, but this combination made her look sexy. Her tights' color is similar to her complexion, and she looks like she is not wearing pants.

This is an interesting way to match clothing.

Dong Xuebing finds Xu Yan's dressing very interesting and attractive.

After breakfast, Dong Xuebing said. "I will be going to work now."

Xu Yan replied. "Alright. I will not walk you to the door. I need to get change and go to work too."

"It's alright."

"Ok. Drop by for a chat when you are free. I am bored staying at home alone. I will let the guards know, and they will not stop your car."

"Ok."

Dong Xuebing drove out of the State Security Bureau family quarters. He is in a good mood for discovering a new way of using REVERSE and helping solve Sister Xu's troubles. However, his body is desperate to release his urges, as he had faced a beautiful woman for a day. He felt terrible and needed to satisfy his urge.

No!

How can I go to work in this state? I will not be able to concentrate!

Dong Xuebing stopped his car by the roadside and called Yu Meixia.

Ring... ring...

"Hello, Sister Yu? Are you still sleeping?"

A girl shouted over the phone. "Uncle! Is it you?!"

Dong Xuebing laughed. "Yes. Why are you answering your mother's phone?"

"She is in the toilet, and she asked me to answer for her." Yu Qianqian said excitedly.

"Uncle, we are having our mid-semester exams soon. ... can I apply to a high school in the city?"

"Mid-semester exams? Oh, you are in year three now. Go ahead. I am planning to fetch your Mum and you to the City even if you are not having exams."

"Really?"

"Yes."

"I... what if my results are not good enough?"

"I can also get you a spot in the high school. Don't worry."

"Terrific!"

Yu Meixia said in the background. "Stop shouting and pass me the phone."

"..... Sister Yu?"

Yu Meixia replied timidly. "Xiao Bing, good morning."

Dong Xuebing is amused. Yu Meixia is fine when they meet, but she is always so nervous on the phone.

"Haha... good morning."

"Qianqian, go and pack your bag."

Dong Xuebing asked. "Are you sending Qianqian to school now?"

Sister Yu lowered her voice. "I am sending her to the bus stop. Qianqian's school has a school bus to send and fetch their students."

Dong Xuebing blinked. "What are you going to do later?"

"I might be visiting the housing agent later to discuss our apartment's sales."

"You can meet the housing agent another day. Don't go other places and come to Nanshan District today."

"Ah? Is it urgent?" Yu Meixia asked.

"We can talk later. Take a taxi if you cannot get a long-distance bus ticket. I will fetch you at the bus station."

"..... now?"

"Yes. Come over as fast as possible."

Dong Xuebing can't wait to meet Yu Meixia. He hangs up and looks at his watch. He doesn't care if he is going to be late today.

Ten minutes.....

Half an hour.....

One hour.....

A long-distance bus from Yan Tai County entered the bus station. The passengers alighted with their luggage, and Dong Xuebing spotted Yu Meixia among them. She is wearing a pastel-colored dress, and her hair is pinned up. She looks around for Dong Xuebing timidly.

"Sister Yu!"

"Xiao Bing."

Yu Meixia quickly walks over. "What... what happened?"

Although they had met two weeks ago, Dong Xuebing is still excited to see her. He felt it's been years since they last met. "Come.... Let's talk in the car."

They boarded the car, and Dong Xuebing drove towards the west.

Yu Meixia, who is in the front passenger seat, asked anxiously. "Xiao Bing, can you tell me what happened?"

Dong Xuebing felt embarrassed when she asked. He had called her over for some intimate moments, but Sister Yu thought something serious had happened. He didn't know how to reply and cleared his throat. He lowered the windows and took out his cigarette box from his pocket.

Yu Meixia quickly helped him take out the pack of cigarettes from his pocket and clumsily dropped a stick. She took out a cigarette and placed it on his lips before lighting it.

Dong Xuebing took a puff. "Thank you."

"Xiao Bing." Yu Meixia is still anxious. "What happened?"

Huh? Why are you still asking? How do you want me to answer?

Dong Xuebing glanced at Yu Meixia's voluptuous chest, enhanced by the seatbelt. He reached over and slid his hand through the blouse opening. His fingers touched her bra, and he slid his palms into it.

Yu Meixia blushed. "No... there are people around."

"We are driving. No one can see."

"Stop..." Yu Meixia bit her lower lips and tried to stop Dong Xuebing by pressing against her chest. She could feel his hands through the clothing.

Dong Xuebing loves Sister Yu's soft character. He took out his hand from her chest and placed it on her thighs. "Err... let's find a quiet place first. I... nothing had happened. I called you over because I missed you."

"....."

“Why are you keeping quiet?”

“.....”

“Are you angry?”

“..... no.”

“Are you not angry?”

“No.”

Dong Xuebing loves Sister Yu as she had never lost her temper before. It’s rare to find such a woman nowadays.

“Hang on. I am going to speed up.”

“Are... are we going to a motel?”

“Huh? We will do it in the car.”

“Ah?”

Chapter 583: Measure with your mouth

Morning, 9 am.

Outside of a secluded garden in Nan Shan District.

The Cayenne stopped, and Dong Xuebing got into the rear passenger seats with Yu Meixia.

“No, Xiao Bing. We cannot do it in the car.”

“Look, there’s nobody around. Hurry up.”

“No, please...”

“Let’s go to my apartment then. Or do you prefer to go to a hotel?”

“No. Others might see us.”

“That’s why I picked this place. There are no one around.”

Dong Xuebing wrapped his arms around Yu Meixia’s waist and started kissing her neck, face, ears, etc. Her face had turned red, and she didn’t dare to push him away. Her eyes were focused outside of the car when Dong Xuebing reached under her dress and pulled out a pair of white undies. He did not remove her dress but pushed it up to her waist.

“Ah....”

Yu Meixia bit her lips and laid there quietly. She grabbed the helms of her dress and tried to cover herself.

Dong Xuebing caressed and admired her smooth thighs.

Yu Meixia could not stand it and tried to hide her legs. “Stop looking.”

“What’s wrong with me looking at your legs? It’s not the first time.”

“.....”

Dong Xuebing knew Yu Meixia was shy and stopped teasing her. He leaned forward and kissed her lips. “Sister Yu, you are getting sexier.”

“..... no.”

“What do you mean no? You are sexy.”

“No...”

“Haha... stop being modest. I am going to take off your clothes.”

“.....”

“Can I take off your clothes?”

“..... ok.”

Dong Xuebing quickly took off their clothes and hugged her meaty thighs, and started moving.

Ten minutes.....

Twenty minutes.....

Half an hour.....

The Cayenne stopped rocking.

Sister Yu is easily satisfied. She had reached her climax after around ten minutes. Her body shook, and her eyes became teary. This gave Dong Xuebing a sense of achievement. If it was Aunt Xuan, he got to move at least half an hour before she reached this state.

A while later.

Yu Meixia is panting in the passenger seat. She rested for a while and took a piece of tissue paper to wipe herself before throwing it out of the windows. She puts on her dress and looks out of the window in relief.

Dong Xuebing got dressed and hugged her from her back. He could see a tear in the corner of her eye. “What are you crying?”

Yu Meixia blushed. “I am not.”

“There’s a tear here. Look. This is evidence.”

“..... I... I don’t know.” Yu Meixia refused to admit it.

“How come you don’t know? Tell me, why are you crying?”

“..... no.”

Dong Xuebing is amused. He knows this is Yu Meixia’s body reaction and feels it’s interesting. He pulls her over. “Seat on my lap.”

Yu Meixia moved closer and sat on his lap.

Dong Xuebing played with her fair thighs. "I'm sorry to call you over. If you are angry, you can scold me. But I miss you. Both you and Qianqian should move here after she gets her results. I feel something is missing when you are not beside me. I wish you were by my side every day, and I can hug you whenever I want." He knows Sister Yu is easily pleased, and he did miss her.

Yu Meixia rested her head on Dong Xuebing's shoulders and nodded.

"Oh, what time is it now?" Dong Xuebing asked.

Yu Meixia looks at her watch. "It's 10 am. You should get to work. I... I can go back myself."

"No." Dong Xuebing hugged Yu Meixia by her waist. "I am not going to work today as there are no urgent matters. I will accompany you."

"No need. Work is more important, and I will be fine." Yu Meixia got up and wanted to leave.

Dong Xuebing pulled her back onto his lap. "You are not allowed to leave. It's rare for you to come, and I will accompany your sightseeing in the city." He is not that bad to ask her to go back herself after calling her over. He might not know what Xie Huilan or Qu Yunxuan are thinking, but he knows Yu Meixia well.

Yu Meixia is easily pleased, and she hugs Dong Xuebing. She took out a cigarette and lit it for him. after that, she took a piece of tissue paper and held it in her hands to catch the falling ashes. Even a caring wife is not as thoughtful as her.

Yu Meixia's gesture touches Dong Xuebing. "You don't need to do this. There's an ashtray in the car."

Yu Meixia shook her head and continued to hold up the piece of tissue paper.

"It might burn you."

Yu Meixia slowly puts down the tissue paper and helps Dong Xuebing to tidy his shirt. "... are you busy with your work recently?"

Dong Xuebing is satisfied and relaxed. "It's alright. Subdistrict Office has lots of mundane work, but nothing serious. What about you? What have you been doing the past two weeks?"

Yu Meixia replied. "I had been reading with Qianqian and did not do anything."

"Oh, where do you want to go?"

"I'm fine with any places." Yu Meixia massaged Dong Xuebing's legs and shoulders.

"Let's go to the mall and buy some clothing for you and Qianqian."

"No... we have lots of clothes. We still haven't worn the clothes you bought for us previously."

"How about we go to the movies? There's a few foreign films screening recently."

Yu Meixia blushed. "I... I can't understand."

Dong Xuebing remembers Yu Meixia had not attended school, and she couldn't even read the subtitles. "Are we going to stay here the whole day?"

Dong Xuebing could tell Yu Meixia doesn't want to go anywhere. She wants to chat with him in the car.

Ten minutes.....

Half an hour.....

One hour.....

This park is secluded, and not many people will come at this hour. Dong Xuebing made a mental note of this place and will come back for a rendezvous in the car.

"Xiao Bing." Yu Meixia suddenly called him. "Wait a while."

"What's wrong?" Dong Xuebing looked at Yu Meixia and saw her taking out a measuring tape from her handbag. "What are you doing?"

Yu Meixia replied softly. "I have nothing to do at home and borrowed a sewing machine from my neighbor yesterday. I want to sew a shirt for you and need your measurement. I had taken your measurement previously, but you had lost weight recently. I need to take it again."

Who tailors their own clothes nowadays?

Dong Xuebing replied. "I can just buy it at the mall. Why waste time doing all these? This is too tiring."

"It's different." Yu Meixia bit her lips. "You... if you don't like it... I will not do it."

"No..." Dong Xuebing quickly replied. "I like whatever you make for me. Go ahead and take my measurements. Do you want me to take off my clothes?"

Yu Meixia smiled. "No need."

Yu Meixia took down Dong Xuebing's measurements of his waist, chest, length, etc., on a piece of paper and kept it in her pocket. "It's done."

It felt good to have Yu Meixia touching all over his body. "Continue to measure... measure my legs too."

"It's all done."

"It might not be accurate, and you should measure again."

Yu Meixia nodded and took out the measuring tape to measure Dong Xuebing's thighs again.

Dong Xuebing is up to no good. He kept saying it was not accurate with his pants on and took it off.

"Come... measure again."

"..... It's done."

"It's not accurate using the tape." Dong Xuebing whispered into her ears. "Use your mouth this time."

Yu Meixia might not be smart, but she's not stupid. She knew what Dong Xuebing meant and blushed.

"Hurry up."

"....."

Yu Meixia did not reject Dong Xuebing's request. She had never rejected any of his requests. She looks around outside of the car and kneels in the tight space. She wet her lips and slowly lowered her head.

About fifteen minutes later.

Dong Xuebing relaxed and leaned back in the passenger seat.

Yu Meixia covered her mouth with one hand and grabbed a piece of tissue paper with the other.

Chapter 584: Fight!

Evening.

Long-distance bus station, west of Nan Shan District Square.

Dong Xuebing kissed Yu Meixia's forehead in the Cayenne. "It's quite late, and Qianqian should be home. You should get going."

Yu Meixia nodded but did not move.

"What's wrong?" Dong Xuebing looks at her. "You don't want to leave?"

"No..." Yu Meixia blushed.

"Then go back first. Both of you can move to the city after Qianqian finishes her exams."

"Ok." Yu Meixia looked at Dong Xuebing and kissed him on his cheeks. "I... I am going now."

Dong Xuebing laughed. "Be careful and give me a call when you reach home."

Yu Meixia nodded and tried to open the door. But she doesn't know how to open it. She started blushing and felt stupid.

Dong Xuebing helped her with the door and groped her butt. "Alright."

Yu Meixia quickly straightened her dress and got off the car. She turned and waved to Dong Xuebing.

Dong Xuebing waved back. "You must be tired today. Go back and rest early."

"I'm not tired." Yu Meixia unconsciously squeezes her thighs together. "You should rest early too."

Dong Xuebing did not leave after Yu Meixia entered the station as he wanted to see her board the bus first. He lit a cigarette and looked at her back. Her long dress is crumpled and is different from

this morning. Wet patches can still be seen on the dress helms. She seemed to know it and used her hands to cover that area.

Suddenly, someone whistled.

A Chevrolet Cruze drove past the bus station and slowed down beside Yu Meixia. The driver, a young man in his twenties, rolled down the window and whistled at her.

Yu Meixia turns around and sees that man. She quickly lowered her head and quickened her pace.

That young man saw Yu Meixia's reaction and whistled at her again. His eyes are scanning her from top to bottom.

Yu Meixia has a soft and weak character and dares not to retaliate when someone harass her.

Dong Xuebing cannot stand it and get out of his car. You dare to whistle at my Sister Yu?! You are F*CKING digging your grave!

At this time, the young man had driven away.

Dong Xuebing was about to get back into his car to chase him.

Yu Meixia saw it and ran over. "Xiao Bing, no... forget it."

Dong Xuebing replied. "Just go to your bus."

"I am fine." Yu Meixia hugged his arms. "Never mind."

Dong Xuebing looks at Yu Meixia. "Alright. I will not chase after him. Just go back."

"..... really?"

"Yes." Dong Xuebing thought for a while and felt it was meaningless to go after that young man.

Yu Meixia continued walking to the bus station.

After a while, Yu Meixia bought the bus ticket and boarded the bus to Yan Tai County. Dong Xuebing watched the bus leave before fastening his seatbelt. He drove back towards Guang Ming Subdistrict. He was still thinking about this afternoon. Yu Meixia's voluptuous body is too seductive. Other than lunch, dinner, and taking a short stroll in the park, they spent the rest of their time making love.

Five minutes.....

Ten minutes.....

Twenty minutes.....

When Dong Xuebing was about to reach his quarters, he noticed the same Chevrolet Cruze, who had harassed Yu Meixia earlier, in the opposite direction. He immediately stops his car. He had driven past this junction several times and knew this was an accident-prone area. Two nearby lamp posts had broken down, and it's quite dark. There is a construction site next to the junction, and there are lots of big trucks around. That's why there are not many pedestrians around.

Two men are quarreling beside the Cruze.

“Get out of the car now!”

“Stop shouting at me!”

“Get out!”

Dong Xuebing realized that man shouting at the Cruze’s driver was his Subdistrict Office Deputy Director, Guo Mingfeng. He is in charge of the Respect and Cares for the elderly’s work.

“Is this the way you drive?” Guo Mingfeng shouted. “Are you blind?”

“How dare you accuse me? Why are you walking on the road?” That young man shouted back.

“I was crossing the road at this junction, and you are speeding! I would be dead if I didn’t react fast!”

The young man points at Guo Mingfeng in his face. “You don’t watch out for cars when crossing roads?! What are your eyes for?!”

“You brat! How dare you point at me?!”

“What’s wrong with pointing at you?! I still dare to beat you up!”

Dong Xuebing knew what happened from their argument. Guo Mingfeng should have gone out for dinner and was nearly knocked down by this young man on his way back. That’s how the argument started. The driver of the car will be held responsible if such accidents happen. But since there is no accident, he should just apologize to the pedestrian. But this young man refused to apologize and blamed Guo Mingfeng for not watching out for traffic when crossing the road. Dong Xuebing looked at the driver coldly and thought about how he harassed Sister Yu at the bus station earlier.

The argument got louder.

“You are so dark! Who can see you on the road?!”

“I dare you to say it one more time!” Guo Mingfeng shouted.

“I can say that to you ten times!” The young man replied. “I am warning you to get lost! I don’t have time for you!”

Guo Mingfeng took out his phone and was about to call the Police.

“I am asking you to get out of my way! Did you hear me?” The young man saw Guo Mingfeng not moving and slapped him! “Get lost, Old Bastard!”

Guo Mingfeng was stunned for a second and realized that the young man had hit him. “You brat!”

“I dare you to scold me again!” The young man moved forward and slapped him again.

Guo Mingfeng has a small build and is not young. He is no match for that young man and was knocked down within seconds.

The young man laughed and took out an expandable baton from his car's glove compartment. He points at Guo Mingfeng with it. "I will break your legs if you still don't get lost!"

Dong Xuebing did not expect the argument to escalate into a fight so quickly. He had wanted to wait and see, but that brat hit Guo Mingfeng suddenly. He got mad and jumped out of his car. He conflicts with the Geng Faction because he let Zhou Yanru handle the Respect and Care for the elderly work model unit award. This is taking power away from Guo Mingfeng, and he showed his displeasure yesterday. But Dong Xuebing cannot walk away after seeing him getting beaten up.

"What are you doing?!" Dong Xuebing walks over quickly. "Drop that baton!"

The young man looks at Dong Xuebing. "Who are you?! Mind your own business!"

Guo Mingfeng did not expect the young man to hit him suddenly and could not react quickly. When he saw Dong Xuebing, he was relieved. He had seen Dong Xuebing's combat skills before. He got back on his feet and started scolding that young man.

"F*CK! You are asking for it!" The young man raised his arm and swung the baton at Guo Mingfeng!

Dong Xuebing will not stand there and watch Guo Mingfeng get beaten up. He moved forward and grabbed that hand, which was holding the baton, and twisted it!

Crack! It sounded like bones breaking!

The young man screams in pain. "Arrgh...! F*CK you!"

Dong Xuebing looks at that young man coldly. "I dare you to say it one more time!"

"F*CK you....." The young man cursed and kicked towards Dong Xuebing.

Dong Xuebing sidestepped to avoid that kick and gave him a knee strike in his chest. The young man fell backward from the impact and landed on a rubbish bin beside. He struggled to get back on his feet but failed, and he lay there groaning in pain.

Dong Xuebing straightens his shirt as if nothing had happened.

Dong Xuebing had not held back against this young man because he felt he was too arrogant and harassed Sister Yu. Regardless of Dong Xuebing's relationship with Guo Mingfeng, the latter is still his subordinate. He will not allow anyone to hit his men. That young man is lucky if he did not suffer from any fractures.

"Old Guo." Dong Xuebing asked. "Are you ok?"

"Thanks to you." Guo Mingfeng rubbed his face lightly. "I'm fine. This brat had hit me hard."

"You should check out your injuries at the hospital. Come, I will send you." Dong Xuebing thought nothing about this incident. The other party had used a baton, and this is considered self-defense. That's why he did not even call for an ambulance for that young man.

The young man, who was still lying in the pile of rubbish, stares at Dong Xuebing. "You... F*CKING watch out! I will remember you!"

Dong Xuebing had heard such statements countless times. He ignored that young man and got into his car.

"You want to remember me?! Go ahead. I am not so free to remember you."

Chapter 585: Beat up another Leader's relative again!

Next day.

Wednesday morning. Dong Xuebing drove into Guang Ming Subdistrict.

"Director."

"Good morning, Director."

"Director Dong."

The staff greeted Dong Xuebing the moment he stepped in. Everyone is impressed by him. Director Dong dares to drive an expansive car that is worth over a million and can fight dozens of people at once. He even snatched Ping An Subdistrict's National Respect and Care for the elderly's model unit nomination. These are all amazing feats, and even Geng Faction's staff respected him.

Dong Xuebing returns the greetings by nodding to them.

"Good morning, Director." Zhou Yanru had just arrived and was locking her bicycle.

"Good morning, Director Zhou." Dong Xuebing smiles. "Oh, how is the progress?"

Zhou Yanru took her bag out from her bicycle basket and entered the building with Dong Xuebing. "It's proceeding smoothly. I heard the Inspection Team is inspecting the last nominee in our Province, and I think the results will be out these few days."

Dong Xuebing nodded. "Try to have more interactions with the Inspection Team before they return to the Central Government."

"Ok." Zhou Yanru replied. "I have some documents that require your approval. Shall I bring it to your office later?"

"Is there anything else?"

"No... Oh, Guo Mingfeng had applied for sick leave today."

"Ok."

Work Party Secretary Office.

Dong Xuebing starts to go through the pile of documents. He had skipped work for one day, and his work had piled up. All the documents required his signature, and he got to read every word carefully.

Five minutes....

Ten minutes.....

Half an hour.....

Knock, knock.... The Subdistrict Office Director doesn't have secretaries, and Sister Zhou is acting as Dong Xuebing's secretary. Everyone in the Subdistrict Office knows they are close, and they would go to her if they could not find Dong Xuebing.

Dong Xuebing looks at her. "What is it?"

Zhou Yanru replied curiously. "A few Police Officers from the Public Security Branch are looking for you."

"City's Public Security Branch?" Dong Xuebing frowned. "Nan Shan District's City's Public Security Branch?"

"I think they are from Public Order Department."

Dong Xuebing knew this was because of last night's incident. "Alright. Let them in."

After a while, a few Police Officers entered Dong Xuebing's office. The Team Leader is a man around thirty years old. He asked emotionlessly. "Are you Dong Xuebing, Director Dong?"

Dong Xuebing nodded. "What is this regarding?"

"We are investigating a case."

"Oh? Have a seat." Dong Xuebing said to Zhou Yanru. "Director Zhou, can you help me get a few cups of water for these Officers?"

Zhou Yanru looked at the Officers, and the Team Leader waved his hand. "No thanks. We are going off after asking some questions. Director Dong, where were you last night, around 8 pm?" One of the Officers took out a notebook.

Dong Xuebing thought for a while. "8 pm? I should be on my way home in Guang Ming Subdistrict."

The Officer nodded and asked. "Is the black Porsche Cayenne, with Beijing's registration plate, your car?"

Dong Xuebing nodded.

The two Officers, standing behind, exchanged looks. They had guessed it. The registration plate number is too scary, and which Subdistrict Office's Director dares to drive such an expensive car to work? No civil servants in Hebei Province dare to do this!

The Officer paused for a second and continued. "We have received a complaint from a guy named Xue Xiaoliang his morning. He said he was assaulted in Guang Ming East Street. We met him in Second People's Hospital earlier, and he is seriously injured. He suffered multiple fractures. Director Dong, can you tell us what happened yesterday?"

Xue Xiaoliang?

Zhou Yanru was shocked when she heard this name.

Dong Xuebing notices Zhou Yanru's reaction and looks at the Officer. "I passed by Guang Ming Street last night and saw our Subdistrict Office's Deputy Director Guo Mingfeng arguing with a young man. That young man had almost knocked into him while driving. Instead of apologizing, that young man hit Director Guo and even took out an extendable baton from his car. I immediately went over to stop him. I tried to disarm him by twisting his arm, but he refused to stop. He even wanted to hit me with the baton, and I was forced to kick him. I had hit him twice."

The Officer asked. "Are there other witnesses?"

Dong Xuebing thought for a while. "Other than Director Guo, there is no one around."

The Officer asked about other details before saying. "Thank you for your cooperation, Director Dong."

"Haha... no problem." Dong Xuebing looks at the Officer. "But why is the District Public Security Branch's Public Order investigating this case? Why is it not handled by the Police Station?"

The Officer smiled and did not reply. He asked Zhou Yanru if Guo Mingfeng was in the Subdistrict Office. The Officers left after they heard Guo Mingfeng is not working today.

The door closed.

Dong Xuebing felt something was wrong and asked. "Sister Zhou, you know this person, Zhou Xiaoliang?"

Zhou Yanru smiled wearily. "I remember the Organization Department Chief Xue Qingrong has a son named Xue Xiaoliang. But I am not sure if he is the one."

Xue Qingrong's son?!

Dong Xuebing was surprised. "How does he look like?"

Zhou Yanru lowered her voice. "I have not met him before. Do you want me to ask around?"

A while later, Zhou Yanru informed Dong Xuebing that the young man he had beaten up last night was the District Party Committee Member and Organization Department Chief Xue Qingrong's only son!

Dong Xuebing slapped his forehead. This is a coincidence. If he knows that the District Leader's relative is the young man, he will not go all out.

Fine... I had offended another Leader again!

However, Dong Xuebing is not worried. This is not the first time he beats up a Leader's relative, and he was defending himself last night. No one can say anything about this.

Chapter 586: Got to fight again!

9 am.

Guang Ming Subdistrict Office.

"Eh, the District Public Security Police Officers were here to for Director Dong."

"I heard Director Dong and Director Guo had beat up the District Organization Department Chief Xue's son."

"Ah? They had beaten up Xue Xiaoliang?! This is serious. What happened?"

"I heard it was Xue Xiaoliang who had attacked them with a weapon, and Director Dong and Director Guo had retaliated as self-defense." The Subdistrict Office's staff did not expect such an incident after two days of peace.

Guang Ming Subdistrict's Secretary of the Disciplinary Work Committee Qu Yiqiang heard about this incident and rushed to Dong Xuebing's office. "Director, I heard Xue Xiaoliang's injuries are quite severe."

"Really?" Dong Xuebing does know about this.

Zhou Yanru is in Dong Xuebing's office, and she added. "His arm and a few of his ribs are fractured."

Qu Yiqiang took a deep breath and felt this incident could not be covered up.

Dong Xuebing calmly replied. "Xue Xiaoliang is too arrogant. He was attacking Director Guo with a retractable baton. He might be killed if I was not there." Qu Yiqiang frowned but was not surprised. "Director, I heard Xue Xiaoliang had knocked down someone previous, and the victim was seriously injured."

"Oh?" Dong Xuebing looks at Qu Yiqiang. "Did it happen?"

Zhou Yanru nodded. "I had heard about that incident before. Xue Xiaoliang is an aggressive driver, and that accident happened last year. The victim is a middle-aged man, and he was awarded a sum of money after amputation." She paused for a second and added. "The compensation is not a lot, and it was covered up." That accident did not blow up, but many people within the Government Service knew Xue Qingrong had suppressed it.

That little bastard is a frequent offender? Dong Xuebing felt he had done a good deed.

But Qu Yiqiang and Zhou Yanru look worried. This incident involves the District Organization Department Chief, and it will not be settled easily. Even if Dong Xuebing had retaliated because of self-defense, Chief Xue might have used other means to get back at him and Guang Ming Subdistrict. If Xue Qingrong wants to take revenge, it will be bad news for their Subdistrict Office.

"Director, this....."

"Go back to work. I will visit Xue Xiaoliang at the hospital now."

Dong Xuebing left his office and drove to Nan Shan District's Second Hospital.

Dong Xuebing had offended the Organization Department during the illegal building crackdown. Xue Gui is Xue Qingrong's relative, and Dong Xuebing had beat him up and arrested him. He also ordered them to tear down their illegal buildings and caused Xue Qingrong's trusted aide of his promotion. Their grudges had started, and Dong Xuebing had a bad impression of him because he tried to interfere with the tearing down of illegal buildings. He suspects Xue Qingrong had sent Peng Kun to stop the crackdown. But it blew up, and Dong Xuebing had to clear the mess for him.

Second Hospital.

Orthopedics ward.

Dong Xuebing went to the Doctor's Office. A few doctors and two nurses are in the office.

"Doctor." Dong Xuebing asked. "How is Xue Xiaoliang's condition?"

A middle-aged doctor looks at Dong Xuebing. "Who are you?"

"I am Dong Xuebing."

The middle-aged doctor frowned. "You are the culprit?"

Dong Xuebing knew the Police Officers had come before, and the doctors should know about him.

"How is he now?"

"No comments!" The middle-aged doctor waved his hand. "We are discussing his treatment proposal. Get out now!" Dong Xuebing knew this doctor must be trying to suck up to Xue Qingrong.

A younger doctor said. "Director Wu, look at this X-ray." That middle-aged doctor is a Chief in the Second Hospital, and he asked a nurse to send Dong Xuebing out.

The nurse told Dong Xuebing. "Our hospital cannot reveal our patient's condition to others due to confidentiality. Please go back." Dong Xuebing glanced at Director Wu and was amused. The police officer revealed that Xue Xiaoliang had not reported the incident last night and should have gone home. It was this morning when he came to the hospital and called the Police. If he can drive home last night, his condition is not serious. Dong Xuebing had seen many people trying to suck up the Leaders during his time in the government service and thought nothing about it. He walks along the corridor to look for Xue Xiaoliang's ward.

Dong Xuebing had come to the hospital to visit Xue Xiaoliang as he was the one who hit him. Although he is not sorry and has not broken any law, he still needs to give Xue Qingrong 'face.'

Ward 302.

Xue Xiaoliang is on the bed, covered in bandages. Xue Qingrong is sitting beside the bed, looking at him.

Dong Xuebing knocked on the door and entered. He places the fruit basket on the table.

Xue Xiaoliang saw Dong Xuebing and shouted. "It's you! F*CK! Dad! It was this bastard!"

Dong Xuebing looks at Xue Xiaoliang.

Xue Qingrong looked at Dong Xuebing. "Why are you here?"

Dong Xuebing is unhappy with both the father and son's attitudes. But he remained calm. "Chief Xue, I'm here to visit your son. I didn't know Xiaoliang was your son last night."

"I am warning you, Dong Xuebing!" Xue Xiaoliang shouted. "This is not over! It's.... cough... cough... cough.... Not over!"

Xue Xiaoliang started coughing. His ribs were broken, and it was hard for him to shout.

Xue Qingrong quickly pats his son's back. "Stop talking!"

"..... Dad! Cough...."

"Lie back on the bed!" Xue Rongqing shouted at his son and turned to Dong Xuebing. "I will get the Police to investigate this incident thoroughly!" Dong Xuebing is frustrated. "Chief Xue, if you know what happened, then...."

"I know what happened!" Xue Rongqing points to the door. "Xiaoliang needs to rest. Get out!"

Hmph! Are you trying to blow this up? Your son can attack me, and I cannot defend myself? Did your family set the laws?! Dong Xuebing felt disgusted by Xue Qingrong. Because of Xue Gui and Xue Rongqing's interference previously, Dong Xuebing was scolded by the District's Leaders and investigated by the Commission for Discipline Inspection. Now, he is trying to create trouble again. Fine! You can investigate all you want! I am not afraid because I have done nothing wrong!

Dong Xuebing couldn't be bothered to speak with Xue Qingrong and left.

There's nothing else to say as I had given you 'face,' and you are not accepting it.

Dong Xuebing left the ward, and Xue Xiaoliang hits the headrest. "Dad! That bastard is too much!" Xue Qingrong replied. "Stay out of this and rest well."

Xue Qingrong had heard about this incident and knew it was his son who started it. Xiaoliang should not have used the baton as Dong Xuebing only needs to pay the hospital bills at most after injuring him. But he cannot let Dong Xuebing off lightly. The person in the hospital is his son, and he will lose 'face' if he does not do anything. Furthermore, his son's last year accident in which he almost killed a pedestrian, is not completely over. It will be bad for his reputation.

Xue Qingrong thought for a while and called Director Wu to the ward.

"Chief Xue, are you looking for me?" Director Wu asked.

Xue Rongqing paused for a second. "How are the results of my son's injuries?"

"It's all minor injuries." Director Wu misinterpreted Xue Qingrong. "Fractures need longer time to heal, but he should be recovered within two months."

Xue Qingrong looks at Director Wu. "Minor injuries?"

Director Wu was stunned and stopped talking.

Xue Rongqing knocked on the table. "Conduct more checks. Check his brain, blood, liver, etc. My son kept saying he is not feeling well."

Director Wu understood what Xue Qingrong wanted. He wants the injuries to be exaggerated. "Ok."

After Director Wu left, Xue Qingrong looked at his son. "Are there any witnesses last night?"

Xue Xiaoliang replied weakly. "Other than a short and dark guy, there is no one else."

“Was it, Guo Mingfeng?” Xue Qingrong nodded and walked to the bathroom with his phone. He got his men to get Guo Mingfeng’s phone number and called him. “I am Xue Qingrong!”

Guo Mingfeng was stunned. “Chief Xue?!”

“Yesterday’s incident....”

“I’m sorry, Chief Xue! I didn’t know it was your son.” Guo Mingfeng had heard what happened this morning.

Xue Qingrong did not get mad. “Have the Police looked for you? Not yet? Ok. I want to know what happened. Tell me about the hold incident. Did Xiaoliang hit you, and was the holding a baton? Dong Xuebing’s statement is different from what my son told me. I know my son well, and he will never hit others. Director Guo, don’t be anxious to reply to me. Think carefully before you answer. Did my son attack you all first, or was it Dong Xuebing who attacked him?”

Chapter 587: The God of Plague’s forte!

Morning.

Side-building, Dong Xuebing’s office.

Dong Xuebing thought everything was over when he returned to his office. Still, the District Public Security Bureau enforcement unit’s officers came looking for him again.

Dong Xuebing is frustrated. What else do you all want?

The Officer said after entering Dong Xuebing’s office. “Director Dong, we received new information about the case and need to ask you about last night’s incident.”

Dong Xuebing replied. “Didn’t I tell you the whole incident?”

“I hope you can understand that we are doing our job.”

“Fine... fine... what else do you want to know?”

The Officer looks at Dong Xuebing. “Who started the fight last night at Guang Ming Street? Was it you or Xue Xiaoliang?”

Dong Xuebing frowned. “I had told you that it was Xue Xiaoliang who attacked Guo Mingfeng first.”

The Officer paused for a second and said. “But the information we received is different from your account.”

“Huh?” Dong Xuebing felt something was off.

The Officer continues. “We had contacted Deputy Director Guo Mingfeng. He said you were the one who attacked Xue Xiaoliang first.”

“Ah?” Dong Xuebing doesn’t know if he should laugh or cry. “What did you say?”

The Officer replied. “Guo Mingfeng said he was on his way home last night and did not get into any dispute with Xue Xiaoliang. He saw Xue Xiaoliang smoking beside his car along the road, and you

arrived in Cayenne. You descended and got into an argument with Xue Xiaoliang, and you made the first move by twisting his arm. After that, you kicked him into the rubbish bin. Xue Xiaoliang had never done anything and was beaten up by you. We also did not find the extractable baton you mentioned in his car.”

Dong Xuebing couldn't believe his ears. “Did Guo Mingfeng say this?”

“Yes.” The Officer looks at Dong Xuebing. “Both Xue Xiaoliang and Guo Mingfeng's accounts matched. Guo Mingfeng claims he does not know why you hit Xue Xiaoliang and felt you might be drunk, or you two have some previous grudges.”

Drink driving?!

I am the aggressor?!

Dong Xuebing smirked.

Guo Mingfeng! I had helped you because you are Guang Ming Subdistrict Office's staff, yet you backstabbed me! Do you even dare to fabricate evidence to frame me?! One must have a bottom line. Xue Xiaoliang did not attack you, and I was the only one who attacked him?! Fine! I had saved you, but I got into trouble instead?! Guo Mingfeng, this is a brilliant move!

The Officer continues. “There are only three of you there during that time. Guo Mingfeng was not involved in the fight and is the only witness. His statement is the same as Xue Xiaoliang. So, we have to....”

“What is it?”

“We need you to come with us to the station. You had committed intentional assault.”

Dong Xuebing looks at the Officer. “What injuries does Xue Xiaoliang have? Intentional assault?!”

“The hospital had confirmed his injuries are very serious. Not only his arm is broken. His ribs are also fractured. If he had not received treatment in time, it might be life-threatening.”

“Life-threatening?” Dong Xuebing asked. “Did the Second Hospital issue this report?”

“Yes.” The Officer felt life-threatening is exaggerated, but he is only in charge of the investigation. Everything points to Dong Xuebing as the aggressor. If he cannot reach a private settlement with the other party, he might be sentenced.

Dong Xuebing did not expect things to turn out this way. He nodded and called Guo Mingfeng. Ring... ring... ring... no one answered.

Guo Mingfeng had given a false statement....

The hospital's injury report....

Dong Xuebing felt this was a setup, and Xue Qingrong should be behind it. That old bastard must have threatened Guo Mingfeng and made him turn against Dong Xuebing. After that, he instigated the hospital to exaggerate his son's injuries for Dong Xuebing to be charged for intentional assault.

After he is charged, the Commission of Discipline Inspection will go after him. He will be punished and will lose his position!

This is a well-calculated ploy!

Dong Xuebing is furious. Your son had attacked others, and you pushed the responsibility to me?!

Xue Qingrong! How are you qualified to be a Party Member?! How can you be a Government Leader?!

You want to set me up?! You must be blind!

“Director Dong.” The Officer stood up. “Please come with us....”

Ring... ring... ring... Dong Xuebing’s mobile phone rang.

Dong Xuebing looks at his phone. It is his mother. “I can go back with you all. But let me answer this call first. Please wait outside.”

The officers looked at each other and left the room. If this was other civilians, they would forcefully restrain and bring him back. But Dong Xuebing is a Civil Servant, and they can allow some leeway.

The door closed, and Dong Xuebing answered the call. “Mum.”

“Xiao Bing!” Luan Xiaoping anxiously asked. “Why have you gotten yourself into trouble again?”

Dong Xuebing laughed. “You are quite fast.”

“I heard that your Nan Shan District’s Organization Department Chief’s son was beaten up and found out you are the one....”

“I am not at fault.” Dong Xuebing replied. “His son should be beaten up. If I knew this would happen, I would not have held back.”

“This is not the time to talk about all these. Don’t worry, I will call Old Yang.”

“No... no...” Dong Xuebing doesn’t want Yang Zhaode to get involved, as his mother and he are still not married.

“What can you do without his help? Isn’t that Xue guy from your District Government’s Organization Department?”

“So what?! I would not let him off easily if he stepped on my toes!” Xue Qingrong had crossed the line, and he was furious. “Mum, don’t worry about me and don’t ask Old Yang for help. You should know how capable I am. Xue Qingrong dares to frame me?! He should find out how I climb to my position in the past two years first!”

“Are you sure you will be fine?”

“Don’t worry. I have my ways.”

Dong Xuebing laughed after he hung up. He had encountered all sorts of troubles, and this incident was nothing to him. He might not be good at building a relationship with the Leaders, but fighting against the Leaders is his forte!

Chapter 588: Then don't blame me!

Morning.

News of Nan Shan District Public Security Officers arresting Director Dong spreads. This cannot be covered up, and it caused an uproar within Guang Ming Subdistrict.

"Are you sure? What happened?"

"Did Director Dong commit intentional assault? Is he going to be charged?"

"I thought Director Dong and Director Guo were defending themselves?"

"You don't know about it? Director Guo states in his statement that he was not involved. It was Director Dong who attacked the other party for no reason."

"How can he say that? I heard it was Director Dong who saved him. Director Guo is too much."

"Lower your voice. That is Chief Xue's son. Director Guo must be pressured to give a false statement."

"We don't know anything as there are no other witnesses. Who knows what happened?"

Everyone is discussing this incident, and they know something big is going to happen!

Zhou Yanru and Qu Yiqiang were discussing work in the latter's office when they heard about this. Qu Yiqiang's face changed, and Zhou Yanru got furious.

Guo Mingfeng had given a false statement?!

Director Dong is going to be charged?!

Zhou Yanru and Qu Yiqiang had gotten close with Dong Xuebing after he was appointed as the Director. They might not understand their new Director well, but they know his working style. They know he will not and do not need to make up a story. Dong Xuebing might be rash and impulsive, but he dares to admit what he had done. That's why they know Guo Mingfeng's statement is false!

"Guo Mingfeng!" Zhou Yanru banged the table. She did not get along with the Geng Faction well. "What is he doing?! He is ungrateful!"

Qu Yiqiang added. "The Organization Department must have pressured him."

Zhou Yanru replied. "But he should not stab Director Dong in his back! Where are his principles?!"

"Let's go!" Qu Yiqiang cannot stand it. "Let's go and see Director Dong!"

Zhou Yanru is mad. If Dong Xuebing is fired, her life will be miserable!

On their way downstairs, Zhou Yanru and Qu Yiqiang saw Geng Xinke and Yu Rongfeng. They are also looking troubled, but Zhou Yanru knows they must be laughing in their hearts. If Dong Xuebing is sentenced, he will lose his position as the Subdistrict Office's Chief. This position will surely go to Geng Xinke. Maybe it was Geng Xinke who asked Guo Mingfeng to give his false statement!

Subdistrict Office's compound.

Dong Xuebing and a few Public Security Bureau Officers walked out of the side building towards the two parked Police cars.

"Director!" Zhou Yanru and Qu Yiqiang walked over.

Dong Xuebing looked at them and smiled. He does not seem worried.

Zhou Yanru thought to herself. I am worried about you, but you are so calm. "Director, that incident has nothing to do with...."

"Alright. Go back to work." Dong Xuebing patted Sister Zhou's shoulder. "This is a small incident. Don't be alarmed."

Small incident?!

Zhou Yanru is speechless. You are going to be charged, and you call this a small incident?

Qu Yiqiang is impressed with Dong Xuebing's reply. Who can remain calm if they are in his shoes?!

They don't know what Dong Xuebing had gone through in the past two years. He was buried under a landslide and almost died. He had defused a timebomb to save Xie Huilan. He was accused of killing Li Hong because he had offended the County's Party Secretary, and it was Huilan testified for him. Compared to all these things that happened to him, an intentional assault charge is nothing. He is used to it.

But being used to it does not mean Dong Xuebing will accept it. He might look calm, but he is burning with rage inside. He will make those who framed him pay!

Dong Xuebing entered the Police car, and the Police cars drove out of the Subdistrict Office.

On the way to the Station, Dong Xuebing looks at the Officer beside him. "Comrade, I would like to go to the District's Second Hospital before going to the Station."

The Officer hesitated for a second. "Why?"

Dong Xuebing replied. "I should be allowed to speak to the parties involved first. If we can reach a private settlement, it will be settled."

The Officer thought for a while and nodded. He said to the driver. "Go to the Second Hospital."

"..... Sorry to trouble you."

Such requests should not be allowed. It is as if Dong Xuebing is asking the Enforcement Unit's Officers to be his driver. But the Team Leader did not reject his request because he does not know about Dong Xuebing's background. Dong Xuebing's car is worth over two million, and the registration plate is from Beijing. Although many registration plate numbers like 7777 and 9999 had

been issued in the past, it was all the wealthy and powerful people who owned them. This means Dong Xuebing has a strong background. The Team Leader does not have high authority like the District Organization Department Chief. Xue Qingrong might not care about Dong Xuebing, but the Team Leader got to give the latter ‘face.’ That’s why he chose to turn a blind eye as long as it is not against the rules. He got to try and avoid offending both sides.

Second Hospital.

Osteopathy Ward.

Two Officers entered the ward to explain the situation before coming out and let Dong Xuebing enter. They closed the door.

There are three people in the ward. Xue Qingrong, Xue Xiaoliang, and Director Wu.

Director Wu is telling Xue Qingrong about the treatment proposal for Xue Xiaoliang when the Officers come in to tell them about Dong Xuebing’s intentions. But Director Wu pretended not to have heard anything and continued to speak to Xue Qingrong after Dong Xuebing entered the ward. “We will monitor his condition first. Surgery is not required now, and we will finalize his medical treatment proposal tomorrow. What else do you need?”

Xue Qingrong nodded. “That’s about it.”

“Alright. Let me know if you need anything. I will leave now.”

“Thank you, Director Wu.”

“It’s my job.” Director Wu walked past Dong Xuebing without looking at him.

Dong Xuebing laughed in his heart. Are you that desperate to suck up to the Leaders? You are only a Deputy Director of the hospital! Who are you to show me such attitude?!

Only Dong Xuebing, Xue Rongqing, and his son remain in the ward.

Xue Xiaoliang, who was lying on the bed, laughed. “I thought the Police had arrested you? Why are you not at the Station? Are you going to be charged?! How many years will you be sentenced?” He laughed and coughed.

How can a Government Leader’s son have such an attitude?

Dong Xuebing is disgusted by Xue Xiaoliang and looks at Xue Qingrong. “Chief Xue.”

Xue Qingrong interrupted Dong Xuebing. “Speak to the Police if you have anything to say. Xiaoliang needs to rest. Get out!”

“We both know what happened.” Dong Xuebing looks at Xue Qingrong in his eyes.

“Chief Xue, do you think this is meaningful? Your son had attacked others with a weapon, and you instigated him to give a false statement? Is this how you bring up your son? I can’t believe this is what the District’s Organization Department Chief should do!”

Xue Qingrong looks at Dong Xuebing coldly. “The evidence had shown who the attacker is! Dong Xuebing! You will pay for your crimes!”

Dong Xuebing laughed. Xue Qingrong can lie without blushing.

Xue Xiaoliang knows the Police Officers are outside, and he is mindful of his words. “When did I attack others?! Ah?! Do you have evidence? I was smoking along the road, and you attacked me for no reason. How can you claim I had attacked you?! Guo Mingfeng is my witness! Stop pretending you are innocent! You have to pay for your crimes!”

How dare you say this?! Dong Xuebing continued. “Then let’s discuss the compensation. Chief Xue, how much do you want to settle this?”

Xue Xiaoliang interrupted. “It must be at least 300,000 for the medical fees!”

300,000?! You are asking for too much! You attacked me with a baton, and I still have to give you 300,000?!

Dong Xuebing is speechless, but he still asks. “300,000 for private settlement?”

Xue Xiaoliang was about to say something, but Xue Qingrong interrupted. “You should pay for the medical fees, and we don’t need any compensation! We will not agree to a private settlement!”

Xue Xiaoliang heard his father and stopped talking.

Xue Qingrong had made it clear that they didn’t want any compensation and would not agree to a private settlement. He wants Dong Xuebing to be charged in court! He is determined to bring down Dong Xuebing. Not only did he threaten Guo Mingfeng to testify for Xue Xiaoliang, and he still wanted Dong Xuebing to pay the hospital fees, get fired, and be charged in court.

Xue Rongqing and Xue Xiaoliang had gone overboard!

Dong Xuebing could not tolerate it anymore. “I had given in, but you all don’t accept it. Then don’t blame me!”

Chapter 589: Re-examination!

11 am.

Second Hospital, Osteopathy Ward.

Dong Xuebing did not hold back as they had a fallout. Did they think I am a pushover and they can step all over me?! His grudges with Xue Qingrong started when he arrested Xue Gui and caused the Organization Department’s Deputy Chief Peng Kun to lose his promotion. Xue Rongqing might have wanted revenge since then.

Then let’s fight it out! Do you think I am scared of you? Dong Xuebing had faced more than a dozen incidents like this, and he had never lost!

“Given in?” Xue Qingrong is mad. “Do you think I need you to give in?”

Xue Xiaoliang smirked. “Dad, don’t waste your time on him. Let the Officers bring him away!”

Dong Xuebing looks at them. “It is too early to say who the Officers will be bringing back. Chief Xue, I am asking you for the last time. Are you willing to settle this privately?”

Xue Qingrong replied. “Xiaoliang is badly injured, and you must pay for what you did!”

"I must pay for what I did?! You should know it was your son who brought it onto himself!"

"I dare you to say it again!" Xue Qingrong's face changed.

Dong Xuebing can't be bothered to continue with this argument. He took out his phone and made a call. "Hello, Lawyer Hu? Where are you? Oh, you have reached? Good, come upstairs." He knew this would happen and called a famous law firm in Hebei Province after his call with his mother. He hired a lawyer and paid the deposit through internet banking.

Lawyer? Xue Qingrong and Xue Xiaoliang frowned.

After a while, a middle-aged man in a suit entered the ward. "Who is Mr. Dong?"

"I am." Dong Xuebing walks over and shakes his hand. "Lawyer Hu? Sorry to trouble you."

Dong Xuebing had told Lawyer Hu what happened over the phone. They ignored others and signed the contract in the ward. Although Dong Xuebing had paid the deposit, they still needed the paperwork.

Xue Xiaoliang laughed. All the evidence is pointing at Dong Xuebing. He can never clear his name even if he hired a legal team.

Lawyer Hu asked Dong Xuebing. "Mr. Dong, what do you need me to do?"

"I want you to be the witness." Dong Xuebing said and saw a nurse walk past the ward. "Nurse, can you call Director Wu over?"

Director Wu and two doctors entered the ward with a frown after a while. "What do you want?" He has a bad attitude towards Dong Xuebing.

The Officers outside also entered the ward.

Dong Xuebing looked at Director Wu. "Director Wu, stop showing me this attitude. Who are you trying to show?"

Director Wu is showing a rude attitude towards Dong Xuebing to show Xue Qingrong.

Dong Xuebing continued. "Let's not waste time. Officers, did Xue Xiaoliang report me for intentional assault based on his injuries?"

The Team Leader nodded. "Yes."

"Ok." Dong Xuebing turns to Director Wu. "Can you provide me a copy of Xue Xiaoliang's injury report? I want the detailed report, including the x-rays."

This is a normal request, and the hospital cannot reject it.

A few moments later, a nurse brought the report and x-rays into the ward.

Dong Xuebing took it and read it with Lawyer Hu.

"The injuries are quite serious." Dong Xuebing sighed. "Multiple fractures, minor concussion, pulled muscles... Did I cause these serious injuries?"

Director Wu got mad by Dong Xuebing's sarcastic remarks. "We can conclude the injuries are not caused by a fall from the report."

Why do you keep finding fault with me? Dong Xuebing smiles and looks at Director Wu. "Director Wu, I find you have a problem with me. You kept showing me a bad attitude since I came. What are you trying to prove? Are you trying to hide something?"

Director Wu got angry. "What are you saying?!"

"Are the injuries so serious?" Dong Xuebing turns to Lawyer Hu. "Can I request for a re-examination of his injuries?" Lawyer Hu nodded. "This is a legit request."

"Alright." Dong Xuebing gave Lawyer Hu the report and X-rays. "Hold on to these. Director Wu, Chief Xue, I have doubts about Xue Xiaoliang's injuries."

No one knows what Dong Xuebing is trying to do.

Re-examination? No matter how many times the x-rays are taken, the bones will still be fractured! What is he trying to do?

Director Wu laughed in his heart. Do you think our hospital will fabricate the injury report? Even if we are to fabricate the report, it will not be so obvious!

"What's wrong?" Dong Xuebing looks at them. "You all don't dare to examine the injuries again?"

Director Wu looks at Xue Qingrong for instructions. "Chief Xue?"

Xue Qingrong also doesn't know what Dong Xuebing is up to. He had accompanied his son to the hospital for the checks this morning and knew the report was not fabricated. No matter how many times they check, the fractures will still be there. He nodded. He knows this matter will be dragged since Dong Xuebing had called a Lawyer.

Director Wu ordered his men to bring Xue Xiaoliang to be re-examined.

A nurse pushed Xue Xiaoliang's bed out of the ward, and Dong Xuebing and Lawyer Hu followed. Dong Xuebing stopped and looked at the Officers with a smile. "Officers, since we are not in a rush to go off, let's go together. You all can be witnesses if the report is found to be fabricated. It is a crime to fabricate an injury report, right?"

The few Officers, Director Wu and Xue Qingrong, followed Xue Xiaoliang for the re-examination.

Every one there does not think there is anything wrong with the injury report.

Dong Xuebing secretly placed his hand on Xue Xiaoliang's shoulder when they were along the corridor.

REVERSE!

One second....

Two seconds....

REVERSE deactivated!

Xue Xiaoliang saw Dong Xuebing's patting his shoulder. "What are you doing?"

“Haha... I tripped.” Dong Xuebing laughed and walked in front.

No one noticed anything wrong with Dong Xuebing’s actions.

Chapter 590: Shocking Re-examination results!

Before noon.

Nan Shan District Second Hospital.

The group arrived at the X-ray room on the second floor. Xue Xiaoliang didn’t need to queue for his turn and was pushed into the room by the nurse.

One minute....

Two minutes....

Three minutes....

No one thought there would be anything wrong with the x-rays, and everyone sat there patiently. Dong Xuebing and Lawyer Hu are chatting by the window, and the Officers are looking around out of boredom. Xue Qingrong and Director Wu sat on the blue plastic bench.

“Chief Xue, are we going to carry on with the discussed treatment procedure?”

Director Wu asked.

Xue Qingrong nodded. “Start it after the x-rays are completed.”

Director Wu frowned and looked at Dong Xuebing. “What if they have other requests? The treatment might have to be delayed to this afternoon, and it might not be good for Xiaoliang’s recovery.

Xue Qingrong glanced at Dong Xuebing. “When the x-rays are out, he will not have the chance to make other requests!”

Director Wu understood what Chief Xue meant and immediately ordered a doctor to prepare the treatment procedures.

The x-rays will show Xue Xiaoliang has multiple fractures, and that’s enough to charge Dong Xuebing for intentional assault, and no lawyers can stop it.

Three minutes....

Five minutes....

Ten minutes....

Director Wu frowned as they had been waiting for a while. X-rays should not take so long. CT scan results are also very fast, but the results are in batches, and patients have to wait. Xue Xiaoliang is the only patient for this examination, and it should be quite fast.

A doctor came out of the x-ray room with a shocked expression.

Director Wu looks at the doctor. “What are you doing? Are the x-rays done?”

The Doctor replied. “Director Wu... errr.... Can you come over for a minute?”

“What’s wrong?” Director Wu walks over. “Are the results out?”

“Can we talk inside? This...” The Doctor opened the door for Director Wu.

Dong Xuebing suddenly blocked the door and stopped them. “What are you all doing? Are the x-ray results out? Bring them out if they are ready. Why are you calling your Director into the room? Ah? Are you trying to amend the results?”

Lawyer Hu walks over and protests.

The few Officers sensed something was wrong and looked over.

Director Wu saw them and did not enter the room. He said to that Doctor. “Bring the x-rays out!” He thought to himself in his heart. What can go wrong now?

The Doctor returned to the room and came out with an x-ray. “This is the x-ray of his right arm.”

“The arm with the fracture?” Director Wu glanced at the x-ray, and his face changed!

Xue Qingrong stands up. “What is it?”

The other doctors and Officers moved closer to look at the x-ray.

Fracture? There are no fractures shown in the x-ray! The bones are intact!

Xue Qingrong and Director Wu are stunned!

“What are you all doing?” Director Wu stared at that Doctor. “Did you all use the wrong arm?”

The Doctor also could not believe the results. “No. This is the right arm, and we took x-rays twice.”

Xue Qingrong shouted. “Impossible!”

Dong Xuebing snatched the x-ray from Director Wu and looked at it before giving it to Lawyer Hu.

“Give us back that x-ray!” Director Wu panicked and tried to snatch it.

Dong Xuebing grabbed his wrist. “What are you trying to do? Are you trying to destroy the evidence?”

Lawyer Hu quickly kept the evidence with the x-rays he had gotten earlier.

Xue Qingrong looks at Director Wu. “What is going on?”

“I am not sure. The machine might have some problems.” Director Wu shouted at the Doctor. “Get the chest x-ray! Be careful this time!” There should be fractures in the chest area, as he was the one who accompanied Xue Xiaoliang and Xue Qingrong to take the x-ray this morning. He had seen the results with his own eyes.

One minute....

Five minutes....

Ten minutes....

The door opens, and the Doctor walks out. “Director Wu.”

“How is it?” Everyone turns and looks at that Doctor.

The Doctor was shocked and did not say a word. He passed the x-ray to Director Wu.

“This.....”

Director Wu sensed something was off from that Doctor’s eye. He looked at the x-ray, and beads of sweat started forming on his forehead!

Normal!

The ribs are all normal!

Multiple fractures?! There isn’t even a hairline crack! It’s more normal than normal people. There are no injuries at all!

Why is this happening?

Director Wu was stunned for a moment. “Check again! Use another machine!”

Dong Xuebing did not say anything or stop them. He just stood there and watched.

Lawyer Hu collected the x-ray and kept them in his briefcase.

Xue Xiaoliang was re-examined again. This time, Director Wu and Xue Qingrong stood by the machine to ensure the checks.

Normal!

The results showed Xue Xiaoliang is normal again!

Director Wu started to sweat profusely. He knows he is in trouble and quickly gets his men to conduct other tests on Xue Xiaoliang!

Half an hour later, the results are out!

Xue Xiaoliang’s body is in good condition. He does not have fractures, and his pulled muscles have disappeared!

Xue Xiaoliang couldn’t believe his ears when he heard the results. “How is this possible?”

“How did you all conduct the checks? I could feel....” Suddenly, Xue Xiaoliang paused. His chest no longer hurts when he speaks.

The injury result is shown to everyone now.

Everyone took a deep breath. The patient who could not even raise his voice earlier turns out to be healthy?!

The injury report was fabricated!

This is the only possibility!

Xue Qingrong exploded. “Director Wu! I demand an explanation!”

Dong Xuebing finally speaks. “You want an explanation?! Shouldn’t you all give me an explanation first?!”
