Chapter 791: Wedding night

Luan Xiaoping's Western suburbs villa.

Dong Xuebing lay flat on the sofa when he entered. Xie Huilan closed the door and threw her bag aside before sitting on the sofa lazily.

Only Dong Xuebing and Xie Huilan are in the house.

"Xiao Bing, pour a glass of water for me, ok?"

"No. I am too tired to lift a finger."

"Why are you tired? I was the one talking to the guests. What did you do?"

"I am also tired. Do you know how many glasses of water have I drunk? I almost drowned."

"I had drunk a lot too. I am thirsty."

"You like to order me around. Can't you be nice to your husband?"

"You are not caring towards me. Hurry up and go."

Dong Xuebing got up from the sofa and walked to the water dispenser to get a cup of water. He passed it to Xie Huilan and returned to the sofa, groaning and moaning.

Ten minutes later.

"Are you going upstairs?"

"Ok."

Dong Xuebing had recovered slightly and went upstairs with Sister Xie.

Both enter their bedroom, and Dong Xuebing closes the door behind him. "I finally understand why you remained single until you were thirty years old. Wedding is too tiring."

Xie Huilan laughed. "I remained single is not because a wedding is troublesome."

"Then what's the reason?"

"Because I have not met the right man. Haha...."

"Oh, I have never asked you if you had dated anyone before."

Xie Huilan laughed and tied her hair up, ignoring him.

Dong Xuebing looked at her. "I am asking you a question. How many guys have you dated?"

"I am not telling you. Haha...." Xie Huilan giggled.

Dong Xuebing gave her a stare. "Hurry up and tell me."

Xie Huilan laughed. "I have never dated anyone other than you. Didn't I tell you that you are the first guy who kissed me on my lips?"

Dong Xuebing smacked his lips. "How do I know if you are not lying?"

"You don't believe me?"

"How can I believe you when you are always joking with me?"

Xie Huilan glanced at Dong Xuebing and giggled. "Then come and try me. See if I am still a virgin. Haha..."

Xie Huilan reminded Dong Xuebing that they still have an essential ritual. Why am I talking about irrelevant matters? Today is our wedding night, and she had been asking me to wait until we were married. It's tonight!

"Are you sure if you are still a virgin?"

"Try, and you will know."

"I want to be prepared. Have other guys touched you?"

"I am not telling you. Try it for yourself."

"Alright. I am trying it now."

"Haha.... Wait." Xie Huilan pushed him back.

"Why?"

"Let me bath first."

"Hurry up. I will fill the tub for you."

"You are unwillingly to pour water for me earlier. Why are you so hardworking now?"

Dong Xuebing thought to himself. Why are you asking when you know the answer? He immediately jumped up from the bed and ran into the bathroom to fill the bathtub with hot water. He even asked Xie Huilan how if the water was hot enough before talking out the shampoo, shower foam, and towels for her.

"Alright."

"Thank you."

"Don't mention it. Hurry."

Xie Huilan took her clothes and walked into the bathroom with a smile.

Dong Xuebing rubbed his palms and waited anxiously for her.

Dong Xuebing doesn't know anything about Sister Xie's previous relationships. He has not heard her or her family members talking about it. Once, she had mentioned he was the first man to touch her. This means she should be a virgin, but she cannot be trusted. She seldom tells the truth and will

not speak her mind. Who knows if she is telling the truth now? He doesn't mind if she is a virgin or not. Sister Yu has a daughter, and he still likes her.

*Splash.... *Splash....

Splashing sounds can be heard from the room.

Dong Xuebing asked loudly. "Is the temperature ok for you? Rise the temperature if it is too cold."

"It's just right." Xie Huilan replied. "Ah.... It's so comfortable. Xiao Bing, do you want to come in and bath with me?"

"Huh?" Dong Xuebing sat up. "Really?"

"Haha.... No."

"Then why did you ask?"

"I was teasing you."

"....."

Dong Xuebing is used to Xie Huilan teasing him and can't be bothered to get angry with her. He thought for a while and switched off all the lights. He quickly lit a few candles and placed them in every room corner. After that, he ran downstairs to grab a few baskets of roses to decorate the room. He also prepared a bottle of red wine. He nodded after all the preparations were done.

A while later, the water sounds stopped.

"Xiao Bing, are you there?"

"Yes. What is it?"

"Haha.... Nothing."

"Then why did you call me?"

"I am calling you for fun."

"Huh? Huilan, are you in an excellent mood today?"

"Am I?"

"Yes. You are talking a lot more, and it's all meaningless stuff."

"Haha.... Are you getting back at me? Do you want me to teach you a lesson?!"

"Hehe.... We don't know who will be teaching who later."

Dong Xuebing can see Xie Huilan's shadow through the frosted glass door. She has a slim waist and is meaty in the right places. She is drying her hair with her towel, and he is looking at her curvy body through her shadow.

Xie Huilan starts to wipe her body and starts wearing her bra. She lifted her leg to wear her underwear.

Dong Xuebing is looking at Xie Huilan's every movement. She seems to be standing near the glass door to seducing him. Her body would not be so evident if she stood further away from the door.

This seductress....

This is killing me!

Dong Xuebing is getting impatient. "Huilan, are you done?"

"Almost.... Hahaha.... I am wearing my stockings."

"Huh? We are going to bed. Why are you putting on your stockings? Hurry up."

Finally, the bathroom door opens.

Dong Xuebing's eyes almost popped out of his sockets.

A long slender leg stepped out of the bathroom slowly. Click... Black heels and beige stockings legs.... Xie Huilan is wearing white pants and a purple long sleeves shirt, and her hair is pinned up.

Dong Xuebing's heart is pounding. He is stunned by Xie Huilan's beauty.

Xie Huilan had spent some time dolling up in the bathroom and put on her heels.

Xie Huilan smiled and looked at Dong Xuebing. "You kept rushing me. Why are you not saying anything now? Huh?"

Dong Xuebing stuttered. "You are so beautiful."

"Really?"

"Yes."

"You are gorgeous."

"Thank you. Haha...."

Xie Huilan walked out of the bathroom and saw the candles in the room. She smiled. "Oh, you are trying to be romantic. Haha...."

"Come, sit here." Dong Xuebing points to the bed beside him.

Xie Huilan walked over gracefully and sat beside him. She crossed her legs sexily.

Dong Xuebing quickly poured two glasses of wine and gave one to her. "We were too busy at the wedding and didn't have time to exchange our nuptial cups."

Xie Huilan smiled and raised her glass. "Ok."

Dong Xuebing crossed his arm against hers, and they drank the wine.

Xie Huilan licked her lips. "Not bad. Is this a 1982 wine?"

"Huh? I don't know about wine." Dong Xuebing reached out and refilled their glasses.

"Here, let's finish this glass too."

Xie Huilan swirled the wine around and giggled. "You are up to no good. Are you trying to make me drunk and then take advantage of me?"

Dong Xuebing blushed and glanced at Xie Huilan's curvy butt. "What are you talking about? We are married now. What's wrong with me taking advantage of you?"

"Yes. You are right. Haha...."

"Here.... Cheers."

*Clink. Xie Huilan and Dong Xuebing knocked on their glasses and finished the glass.

Dong Xuebing took a deep breath and held Xie Huilan's hands. "You asked me to try earlier, and I will try now."

Xie Huilan looked at Dong Xuebing. "You spoilt the mood. Why are you so anxious?"

"Why?"

"Let's continue to drink and set the ambiance."

"Ok."

"You must say some nice words to make me happy too."

"Huh? You are so hard to please."

Chapter 792: Tease

It's a clear night, and the stars are blinking.

Dong Xuebing and Xie Huilan sat on the lounge chairs in the open-air deck, sipping their red wine and looking at the stars.

"The sky is beautiful to"

"It is nowhere compared to you."

"Haha.... Are you saying this from the bottom of your heart?"

"Of course! My wife is the prettiest."

"Hmmm.... I like what you said. Haha.... I will reward you."

"Reward? Forget it if it is a kiss."

"Then I will allow you to take off a piece of my clothing, ok?"

"Don't go back on your words. One piece of clothing."

"Yes, you can pick whichever clothing you want."

Dong Xuebing knew Xie Huilan was teasing him, and he was getting excited. He got up from the lounge chair and stood before Xie Huilan, looking at him. He rubbed his palms together and stared at Sister Xie's white pants. "I am going to take it off."

Xie Huilan smiled and looked Dong Xuebing in his eyes. "Go ahead."

Dong Xuebing swallowed his saliva and unbuttoned her pants. He pulled it down slowly. "Lift your butt."

"I knew you would take off my pants first."

"You suggested this."

"Haha...." Xie Huilan laughed and lifted her butt for him to take off her pants.

Dong Xuebing tugged it hard and pulled the tight pants down to her thighs, exposing her black lacy underwear.

Dong Xuebing was stunned and stopped.

Xie Huilan giggled. "You are making me embarrassed. Are you going to take it off?"

Dong Xuebing took a deep breath and pulled Xie Huilan's pants to her knees. His fingers brushed against her smooth legs.

About twenty seconds later, Dong Xuebing took off her pants.

Xie Huilan slipped her beautiful feet into her heels and crossed her legs. She smiled at Dong Xuebing and covered herself with her long purple shirt.

"Hehe.... Have you seen enough?" Xie Huilan smiled.

Dong Xuebing was staring at her legs. "No. I can look at your legs my whole life."

"You will get sick of it one day."

"No. I can look at your legs forever."

Xie Huilan smiled, and her eyelashes fluttered. "I like your reply, and I will reward you. Hahaha.... I allow you to take off another piece of my clothing."

Dong Xuebing replied happily. "You are so generous today, and I am feeling bad."

"When did you know how to feel bad?"

"Then I will go ahead. Hmm.... Let me think."

Dong Xuebing looked at Xie Huilan and had an evil smile. He bent over and tried to pull down her underwear.

But Xie Huilan slapped his hand lightly and giggled. "You can't take off this piece. Pick another one."

Dong Xuebing gave her a stare. "You said I can pick whichever piece of clothing I wanted."

"I decide the rules. What can you do to me?" Xie Huilan moved her legs away.

Dong Xuebing got mad. "I knew you would cheat and go back on your words. Only I can stand your temperament." This was not Xie Huilan's first time going back on her words, and he is used to it.

Xie Huilan swirled her wine and smiled. "Who asked you to be so bad? You had taken off my pants and still want to take off my underwear. How can you let me expose my lower body here? Do you think I can allow that to happen?"

"Maybe."

“Haha.... My man is angry.”

“I would have died long ago if I got angry with you so easily.”

“How about this? I will allow you to take off another piece of my clothing. Two pieces of clothing. Haha.... My shirt, stockings, and even my bra, ok?”

“Hmmm.... That’s more like it.”

Xie Huilan was wearing mid-length stockings today, and Dong Xuebing targeted them. He moved his chair in front of her and lifted her leg onto his thighs. After that, he grabbed the edge of her stocking and rolled it down slowly. He took off her left stocking and started on her right leg.

“Are you satisfied now?” Xie Huilan laughed.

“What do you mean? I only took off one piece of clothing. Stockings come in pairs, and you cannot count them as two pieces.”

“Stockings are not considered two pieces, but you had taken off my heels.”

“How can I remove your stockings without taking off your heels? Wear your heels now.”

“Haha.... You had removed them. Don’t cheat.”

“Darn. Which one of us is cheating? You are unreasonable.” Dong Xuebing got agitated.

Xie Huilan laughed. “Fine, I am scared of you. You get irritated easily. Ok.... I will allow you to take off another piece of my clothing.”

“Two.”

“Only one.”

“Two!”

“Alright... alright. Two.... Haha....”

“That’s more like it.”

Dong Xuebing was not mad with Xie Huilan. He rubbed his chin and thought hard about which piece of clothing to remove. He thought for a few seconds and started unbuttoning her shirt. He took it off and threw it on the backrest of the chair.

Now, Xie Huilan was left with her bra and underwear.

Dong Xuebing got excited and reached behind Xie Huilan’s back. Click. He unclipped her bra.

Chapter 793: Doing it (1 of 2)

Open-air deck of the Villa.

Dong Xuebing's heart beat fast as he released Xie Huilan's bra. He pulled it out and held it in his hands. The black lacy bra had the same flowery patterns as her underwear, and he could still feel her body warm on it. Her breasts were exposed, and they bounced slightly.

Dong Xuebing's eyes almost popped out.

They are full and firm.

Xie Huilan giggled as she looked at Dong Xuebing. She did not cover her chest and continued to swirl and sip her wine.

"Are they nice?"

"Yes."

"You are making me blush."

"I will continue to look even if you blush. Huilan, you have a good figure."

"Really? Thanks for the compliment. Haha...."

Xie Huilan was only wearing her underwear now. She has a nice body and a natural womanly scent. This is Dong Xuebing's first time looking at her body so close.

Xie Huilan had one piece of clothing left. She will be naked once he removes her underwear.

Dong Xuebing looked at her passionately. "Sister Xie, can you reward me with one more piece of clothing?"

Xie Huilan giggled. "What do you think?"

"Yes."

"Do you think it is right?"

"Yes."

"Haha.... Fine. You can take it off."

"You agreed?"

"You had performed well today. I agreed."

"Don't go back on your words again."

"Why do you talk so much? I am starting to regret it. Let me consider this first. Haha...."

Dong Xuebing doesn't care what she says. He decided to strip Xie Huilan naked. He took a step forward and grabbed the waistband of her underwear. She smiled as she looked at him, pulling her underwear down. Finally, he took off her black lacy underwear and held it in his hand.

Sister Xie was naked before Dong Xuebing.

Xie Huilan giggled. She crossed her legs and drank her wine before putting it on the table. She looked at Dong Xuebing. "Are you satisfied now?"

“Yes.” Dong Xuebing’s eyes were glued to Xie Huilan’s body.

Xie Huilan laughed. “You had embarrassed me today.”

Dong Xuebing replied. “Save it. Since when will you feel embarrassed? I think you feel proud.”

“Are you criticizing me?” Xie Huilan narrowed her eyes and looked at Dong Xuebing from top to toe. “Don’t you think it’s weird for me to be naked alone? You should take off your clothes and show me.”

Dong Xuebing blushed. “Why should I strip?”

“You had taken off all my clothes. What’s there to be shy about?”

“Ah.... I am not as thick-skinned as you. Err.... How about we go back into the room first?”

“Here. If you are shy, I can take it off for you.”

“What is this request?” Dong Xuebing had never been naked in front of Xie Huilan, and he felt shy.

Xie Huilan laughed. “You are not fun.”

“Fine. I will take off a piece of my clothing.”

“Ok. Let me admire your body.”

Dong Xuebing took off his shirt.

Xie Huilan looked at his topless body and smiled. “Not bad. Haha.... Come close and let me see.”

Dong Xuebing got closer. “Is this close enough?”

Xie Huilan nodded and giggled. “Not bad....”

Dong Xuebing was speechless. He had never met anyone as shameless as Xie Huilan.

Although Xie Huilan was naked, she behaved normally. Her crossed leg swung her leg naturally as if she was not naked. She was not affected by her current state.

Xie Huilan is a seductress.

Xie Huilan looked at the clock a while later. “Oh, it’s almost 10 pm.”

Xie Huilan smiled and waved to Dong Xuebing. “Come and carry me into the room. Haha....”

Dong Xuebing got up excitedly. “Sure.”

Yes! I can finally sleep with her!

Dong Xuebing reached over and carried Xie Huilan across his arms excitedly. He felt her cool skin against his chest and arms, and she wrapped her arm around his neck. Her other hand reached behind his back and stroked it lightly, tickling him.

“What are you doing?” Dong Xuebing was burning with desire.

“Touching you. What’s wrong? I can’t touch you?”

“Can... can!”

“Haha.... Let’s go in. It’s getting chilly outside.”

“Ok.”

Dong Xuebing looked at Xie Huilan’s slim body. She is light and weighs around 45 KG. He carried her and walked quickly into the bedroom. He kicked the door open and put her down on the bed gently. She smiled and got under the covers. He kicked his slippers off and got onto the bed. He touched her butt and kissed her.

“Wait.” Xie Huilan stopped Dong Xuebing and giggled. “Shouldn’t you bath first?”

Dong Xuebing slapped his forehead. “I had forgotten about it. Wait here. I will go and bath now.”

Xie Huilan nodded. “Go now. Don’t forget to take out your ring. Even diamonds can be affected by chemical products.”

“I know.” Dong Xuebing got off the bed unwillingly. “Don’t fall asleep and wait for me. Read a book or something.”

Xie Huilan laughed. “That will depend on my mood.”

“Hmph! I will wake you if you fall asleep.”

“Oh, you are getting bolder now. I dare you to try.”

Dong Xuebing did not reply to her and went to the bathroom. He did not bathe in the bathtub and used the showerhead.

Shampoo....

Scrubbed his body....

He brushed his teeth....

It was 10 pm when Dong Xuebing finished bathing.

Xie Huilan had been teasing Dong Xuebing the whole night, and he could not hold back anymore. He excitedly rushed out of the bathroom without drying his hair and jumped onto the bed.

“Huilan, I’m ready!”

But Xie Huilan was not under the cover.

Dong Xuebing cursed and looked around the room. “Huilan! Huilan! Where are you?”

Dong Xuebing shouted for Xie Huilan, and he heard light footsteps outside the room.

The door opened, and Xie Huilan appeared.

Dong Xuebing was speechless. “Where have you been? Didn’t I ask you to wait for me?”

"I said that would depend on my mood." Xie Huilan was still naked except for a pair of slippers. "Haha.... I went downstairs to have a glass of wine. What's wrong? Is my little husband anxious?"

Dong Xuebing replied. "You should put on something if you are going downstairs."

"Why are you blaming me? You are the one who took off my clothes."

"What if someone sees you through the windows?"

"No one will come here tonight, and the curtains were drawn."

"I am speechless."

"Haha.... Fine.... You can help me wear back my clothes."

"No.... we are about to sleep. Why should you wear your clothes now?"

Dong Xuebing knew he could not win against Xie Huilan in a war with words and continued.

"Come under the covers."

Xie Huilan smiled and remained standing there, looking at him.

Dong Xuebing was naked after coming out of the bathroom, and he started to blush. "What are you looking at?"

Xie Huilan laughed. "I am admiring my man. What's wrong?"

"You should take a glance and not stand there and stare. Come here."

Xie Huilan nodded and got onto the bed. She smiled as she snuggled under the covers beside Dong Xuebing and looked at him in his eyes.

Dong Xuebing was looking back at her, thinking about how he should take the initiative.

But Xie Huilan asked first. "Do you want to do it?"

Dong Xuebing replied embarrassedly. "Err.... Yes."

"Hehe.... It's getting late. Let's do it now."

Dong Xuebing felt weird when Xie Huilan brought it up instead of him.

Chapter 794: Doing it (2 of 2)

It felt romantic in the room with candles lighting the dim bedroom.

Dong Xuebing inhaled the heavenly womanly scent of Xie Huilan on their bed and moved closer. He stroked her smooth legs gently. At last.... This was what he had been waiting for.

Xie Huilan looked at Dong Xuebing with a smile. "Are they soft?"

"Yes...." Dong Xuebing replied. "Soft and firmed."

"Haha...." Xie Huilan giggled and pushed her hair behind her ears. "Good."

Dong Xuebing moved his hands higher, touching her butt.

"Is my butt soft?" Xie Huilan asked. "Does it feel nice to touch?"

"Yes.... You are perfect."

"Am I that good?"

Dong Xuebing touched her breasts lightly and leaned closer to kiss her ear lops. "You don't know how sexy you are.... I am lucky to have such a beautiful woman as my wife. Am I dreaming?"

Xie Huilan pinched Dong Xuebing's stomach. "Wake up!"

"I am awake." Dong Xuebing replied. "I am not dreaming."

"I am the one who felt I am dreaming now." Xie Huilan laughed. "You might not believe me. I had never liked anyone before and had never thought about getting married before thirty-five. But now, you are my husband. Haha.... God had given me you. I had never told you this. You cannot imagine how much I love you."

Dong Xuebing got excited. "Really?"

Xie Huilan laughed. "Why would I marry you if I don't love you?"

Dong Xuebing replied. "Do you love me that much?"

"I will only say it once. It's your problem if you miss it."

"Ah.... I want to hear you repeat it."

"Nope.... Haha...."

Xie Huilan caressed Dong Xuebing's hand on her breast and lifted it to her lips. She kissed the back of his hand and every finger.

Dong Xuebing was aroused. "Huilan...."

Dong Xuebing tried to flip onto Xie Huilan, but she stopped him.

Xie Huilan crossed her leg over Dong Xuebing and flipped herself up, saddling him. She smiled seductively and continued to kiss his hand. Suddenly, her lips parted, and she started sucking his finger. Her tongue twirled around his finger, and she started licking from his hand to his arms, and she kissed his neck.

Neck... face... ears... hair....

Xie Huilan had kissed every part of Dong Xuebing.

Dong Xuebing felt his heart pounding.

"Are you drunk?" Dong Xuebing stroked her back. "Why are you so eager today?"

Xie Huilan replied while kissing him. "Maybe.... Don't you like it?"

"Yes. I love it."

“Haha.... Do you want me to be more passionate?”

“Yes... yes... yes....”

Xie Huilan smiled and started sucking his lower lip. Her tongue slid around and slid into his mouth. Her hands were stroking his chest. Dong Xuebing was enjoying this feeling and suddenly remembered a saying.

A lady when outside, a slut in bed. This is the best description for Xie Huilan.

Xie Huilan continued to kiss Dong Xuebing and reached out to grab something by the bed. A while later, she held a bottle of wine in her hand. She rode him and smiled at him. She tilted the bottle and spilled some on his face.

“What are you doing?” Dong Xuebing got a scare and closed his eyes. He was afraid the wine might enter his eyes.

“Nothing.... Haha.... I feel like drinking wine.” Xie Huilan replied.

The next second, Dong Xuebing felt a soft and smooth tongue licking his face and eyelids, leaving her saliva.

Xie Huilan giggled and poured some wine into Dong Xuebing’s belly button.

Dong Xuebing felt an incredible feeling in his belly, and it was filled with wine.

Xie Huilan got off Dong Xuebing and lowered her head closer to his belly button. He can feel her warm breath on his belly.

Slurp....

Dong Xuebing moaned as Xie Huilan sucked up the red wine. She stuck her warm tongue into his belly button and licked up all residues.

This feels great!

It’s too erotic.

Dong Xuebing took in a deep breath. “Hiss.... Where did you learn this?”

“I figured it myself. Does it feel good?”

“Of course.”

“Good.”

Xie Huilan smiled and placed the bottle on the bedside table. She turned to her side, facing Dong Xuebing. “What are you waiting for? Haha.... You should know what to do next. I am shy. Don’t make me tell you what to do.”

Dong Xuebing got the hint and quickly grabbed a condom from under his pillow.

Xie Huilan lay there, waiting for him with a smile.

Dong Xuebing rubbed his palms and got in between her legs. He grabbed her legs and placed them on his shoulders. “I am going to do it.”

Xie Huilan giggled and nodded. "Ok."

Dong Xuebing positioned himself and pushed forward. He saw Xie Huilan frown and stop smiling.

Dong Xuebing looked down and saw light color blood seeping onto the bedsheets.

This was Sister Xie's first time.

Chapter 795: I cannot accept this position

Bedroom.

Xie Huilan sucked in a mouthful of cold air.

Their bodies were joined.

Dong Xuebing's dream had finally come true. He hugged Xie Huilan's thighs and basked in pleasure. The woman before him would be a City Deputy Mayor, and she was a virgin! This was too much for him to take, and he felt he was dreaming.

Dong Xuebing slowly began to move. Xie Huilan was too tight as this was her first time, and he had to go slow to prevent hurting her.

Dong Xuebing moved once.... Twice.... Three times....

Xie Huilan pushed Dong Xuebing's chest and forced a smile. "Stop moving. I can't take it anymore. Just stay like this, ok?"

Dong Xuebing did not want to stop. "You will be fine after a while."

Xie Huilan gave Dong Xuebing a stare. "But I am not feeling fine now."

"Ah...." Dong Xuebing replied anxiously. "We had started, and you want to stop now. This is so disappointing."

Xie Huilan smiled. "I don't care if this is disappointing or not. I only know I can't stand the pain anymore. Haha.... Come down, and let's talk about this tomorrow."

"No. I can't stop now."

"You must stop. Can't you spare a thought for me?"

"Huh? Is it that painful?"

"What do you think? Can't you tell from my expression?"

"But we can't wait until tomorrow. Let's wait a while and try later."

"Just come out from my body first."

Xie Huilan's expression changed, and she was different from herself earlier. Dong Xuebing was speechless, but he cared for her and slowly pulled out from her.

Xie Huilan took a deep breath and clenched her thighs together tightly.

Dong Xuebing threw the bloodstained condom on the floor and lay beside her.

Xie Huilan touched her legs and smiled. "I did not expect it to be so painful. Xiao Bing, let's put this aside for a few days first."

Dong Xuebing protested. "Why must we wait for a few days?"

"I am not feeling well. What else do you want?"

"The mood is just nice earlier, and we cannot stop. Let's try again. I promise you will feel better this time. Ok? Let's try...."

Xie Huilan ignored Dong Xuebing and turned away. "Let's sleep."

Dong Xuebing could not sleep in his current state. He got under the covers beside Xie Huilan and stroked her legs. "You will only feel pain for a while. It's true.... The pain will be over soon. Didn't you read in the papers? An expert mentioned that many couples did not do their first time correctly. They developed a psychological barrier that evolved into sexual dysfunction. This is a serious issue and might affect our whole life. If you lose interest in sex, how will I live my life? Let's try again. I promise to be gentler and will go slow."

Xie Huilan laughed. "I don't believe you. Haha...."

"Are you trying to bicker with me? You must listen to me this time." Dong Xuebing replied.

Dong Xuebing doesn't dare to force Xie Huilan as he is afraid she might get mad.

Xie Huilan narrowed her eyes and looked at Dong Xuebing. "Your words do make some sense. Alright. Seeing you had performed well today, I will give you a chance. We will try again. But you got to stop if I can't stand it. Also, I am from a conservative family, and I cannot accept those weird and different positions. I will only lie on my back. Don't even think of asking me to use my mouth or kneel like a dog. You must be prepared. I will be mad if you try anything funny."

Dong Xuebing was speechless. "Only one position? When did you become so conservative?"

Xie Huilan looked at Dong Xuebing with a smile. "You don't know a lot about me. That's why I want you to promise me now."

Dong Xuebing agreed unwillingly. "Alright.... I will try to control myself."

"You still don't get me. I don't want you to try. You must control yourself."

"Alright." Dong Xuebing surrendered. "Only one position."

Xie Huilan nodded and lay on her back. The covers were pulled aside, and her body was exposed in front of Dong Xuebing again. "Let's try again."

Dong Xuebing swallowed his saliva and got up. He spreads Xie Huilan's leg apart slowly.

Xie Huilan raised her brows. "Let's forget it. I am in pain when I move my legs."

"We haven't even tried. Don't go back on your words."

Dong Xuebing was not anxious to enter her. He kissed Xie Huilan's lips and other parts of her body for a while as foreplay. She moaned softly and started breathing heavily. Her body was seductive. Her slim waist, voluptuous chest, and curvy hips made him lose control. He could not stop kissing

her. She had taken the initiative earlier, and it's his turn now. He kissed her body for almost twenty minutes.

Xie Huilan smiled and closed her eyes to enjoy this sensation.

Dong Xuebing wet his dried lips and stopped.

"I am going to do it." Dong Xuebing said.

Xie Huilan nodded. "Ok."

Dong Xuebing spread Xie Huilan's legs, and he did not put on a condom this time. Anyway, they were married, and they did not need birth control. He had put on a condom earlier because it was her first time, and he was afraid he could not enter. Since there are no more barriers this time, he didn't put it on.

Xie Huilan pursed her lips and got ready.

Dong Xuebing took a deep breath and held her waist while pushing in slowly.

Xie Huilan's lips trembled slightly, and her eyes were narrowed into a slit.

One time.... Three times.... Five times....

"How do you feel?" Dong Xuebing stopped and asked.

Xie Huilan looked at Dong Xuebing. "It's not that bad."

Dong Xuebing knew he could increase his speed slowly.

After a while, Xie Huilan's eyes opened slightly. She got more relaxed, and she looked Dong Xuebing in the eyes.

Dong Xuebing asked while moving. "Do you feel better now?"

Xie Huilan smiled and did not reply to him.

"I am asking you a question. Does it feel good now?"

"Stop talking." Xie Huilan looked at him. "Don't try to embarrass me."

"That means you feel good now."

Dong Xuebing had finally tasted Xie Huilan, and he couldn't get enough of her.

One position was not enough to satisfy him.

After about fifteen minutes, Dong Xuebing's legs were numbed from staying in the same position for too long.

Dong Xuebing suddenly stopped.

Xie Huilan looked at him. "What's wrong?"

Dong Xuebing did not reply. He grabbed Xie Huilan's butt and flipped her over. After that, he grabbed her waist and lifted her slightly into a kneeling position. She was supporting her body with her arms. She was slim and did not learn any martial art. She could not resist Dong Xuebing, and the whole process only took two seconds.

Xie Huilan's face changed slightly. "What are you doing? I had told you that I would not accept other positions, especially this one?"

Dong Xuebing mustered up his courage. "Just try it."

"No." Xie Huilan tried to twist her body, but Dong Xuebing was too strong. Her eyes were narrowed into a slit. This was her expression when she was angry. "Xiao Bing, today is our wedding day. Don't make me mad. I can treat nothing had happened if you let go of me now. Don't blame me for getting mad if you carry on."

Dong Xuebing was prepared to go all out. He ignored Xie Huilan's warnings and pushed her from her back.

Xie Huilan gasped and inhaled deeply. "Xiao Bing.... Fine! Remember this! I will settle the score with you tomorrow!"

Dong Xuebing did not care and continued. He had been suppressed by Xie Huilan for too long and had obeyed everything she said. He was finally the man in the relationship today. Also, this was a rare opportunity.

Dong Xuebing pounded hard and deep into Sister Xie without stopping.

Bedroom.

Xie Huilan sucked in a mouthful of cold air.

Their bodies were joined.

Dong Xuebing's dream had finally come true. He hugged Xie Huilan's thighs and basked in pleasure. The woman before him would be a City Deputy Mayor, and she was a virgin! This was too much for him to take, and he felt he was dreaming.

Dong Xuebing slowly began to move. Xie Huilan was too tight as this was her first time, and he had to go slow to prevent hurting her.

Dong Xuebing moved once.... Twice.... Three times....

Xie Huilan pushed Dong Xuebing's chest and forced a smile. "Stop moving. I can't take it anymore. Just stay like this, ok?"

Dong Xuebing did not want to stop. "You will be fine after a while."

Xie Huilan gave Dong Xuebing a stare. "But I am not feeling fine now."

"Ah...." Dong Xuebing replied anxiously. "We had started, and you want to stop now. This is so disappointing."

Xie Huilan smiled. "I don't care if this is disappointing or not. I only know I can't stand the pain anymore. Haha.... Come down, and let's talk about this tomorrow."

"No. I can't stop now."

"You must stop. Can't you spare a thought for me?"

"Huh? Is it that painful?"

“What do you think? Can’t you tell from my expression?”

“But we can’t wait until tomorrow. Let’s wait a while and try later.”

“Just come out from my body first.”

Xie Huilan’s expression changed, and she was different from herself earlier. Dong Xuebing was speechless, but he cared for her and slowly pulled out from her.

Xie Huilan took a deep breath and clenched her thighs together tightly.

Dong Xuebing threw the bloodstained condom on the floor and lay beside her.

Xie Huilan touched her legs and smiled. “I did not expect it to be so painful. Xiao Bing, let’s put this aside for a few days first.”

Dong Xuebing protested. “Why must we wait for a few days?”

“I am not feeling well. What else do you want?”

“The mood is just nice earlier, and we cannot stop. Let’s try again. I promise you will feel better this time. Ok? Let’s try....”

Xie Huilan ignored Dong Xuebing and turned away. “Let’s sleep.”

Dong Xuebing could not sleep in his current state. He got under the covers beside Xie Huilan and stroked her legs. “You will only feel pain for a while. It’s true.... The pain will be over soon. Didn’t you read in the papers? An expert mentioned that many couples did not do their first time correctly. They developed a psychological barrier that evolved into sexual dysfunction. This is a serious issue and might affect our whole life. If you lose interest in sex, how will I live my life? Let’s try again. I promise to be gentler and will go slow.”

Xie Huilan laughed. “I don’t believe you. Haha....”

“Are you trying to bicker with me? You must listen to me this time.” Dong Xuebing replied.

Dong Xuebing doesn’t dare to force Xie Huilan as he is afraid she might get mad.

Xie Huilan narrowed her eyes and looked at Dong Xuebing. “Your words do make some sense. Alright. Seeing you had performed well today, I will give you a chance. We will try again. But you got to stop if I can’t stand it. Also, I am from a conservative family, and I cannot accept those weird and different positions. I will only lie on my back. Don’t even think of asking me to use my mouth or kneel like a dog. You must be prepared. I will be mad if you try anything funny.”

Dong Xuebing was speechless. “Only one position? When did you become so conservative?”

Xie Huilan looked at Dong Xuebing with a smile. “You don’t know a lot about me. That’s why I want you to promise me now.”

Dong Xuebing agreed unwillingly. “Alright.... I will try to control myself.”

“You still don’t get me. I don’t want you to try. You must control yourself.”

“Alright.” Dong Xuebing surrendered. “Only one position.”

Xie Huilan nodded and lay on her back. The covers were pulled aside, and her body was exposed in front of Dong Xuebing again. "Let's try again."

Dong Xuebing swallowed his saliva and got up. He spreads Xie Huilan's leg apart slowly.

Xie Huilan raised her brows. "Let's forget it. I am in pain when I move my legs."

"We haven't even tried. Don't go back on your words."

Dong Xuebing was not anxious to enter her. He kissed Xie Huilan's lips and other parts of her body for a while as foreplay. She moaned softly and started breathing heavily. Her body was seductive. Her slim waist, voluptuous chest, and curvy hips made him lose control. He could not stop kissing her. She had taken the initiative earlier, and it's his turn now. He kissed her body for almost twenty minutes.

Xie Huilan smiled and closed her eyes to enjoy this sensation.

Dong Xuebing wet his dried lips and stopped.

"I am going to do it." Dong Xuebing said.

Xie Huilan nodded. "Ok."

Dong Xuebing spread Xie Huilan's legs, and he did not put on a condom this time. Anyway, they were married, and they did not need birth control. He had put on a condom earlier because it was her first time, and he was afraid he could not enter. Since there are no more barriers this time, he didn't put it on.

Xie Huilan pursed her lips and got ready.

Dong Xuebing took a deep breath and held her waist while pushing in slowly.

Xie Huilan's lips trembled slightly, and her eyes were narrowed into a slit.

One time.... Three times.... Five times....

"How do you feel?" Dong Xuebing stopped and asked.

Xie Huilan looked at Dong Xuebing. "It's not that bad."

Dong Xuebing knew he could increase his speed slowly.

After a while, Xie Huilan's eyes opened slightly. She got more relaxed, and she looked Dong Xuebing in the eyes.

Dong Xuebing asked while moving. "Do you feel better now?"

Xie Huilan smiled and did not reply to him.

"I am asking you a question. Does it feel good now?"

"Stop talking." Xie Huilan looked at him. "Don't try to embarrass me."

"That means you feel good now."

Dong Xuebing had finally tasted Xie Huilan, and he couldn't get enough of her.

One position was not enough to satisfy him.

After about fifteen minutes, Dong Xuebing's legs were numbed from staying in the same position for too long.

Dong Xuebing suddenly stopped.

Xie Huilan looked at him. "What's wrong?"

Dong Xuebing did not reply. He grabbed Xie Huilan's butt and flipped her over. After that, he grabbed her waist and lifted her slightly into a kneeling position. She was supporting her body with her arms. She was slim and did not learn any martial art. She could not resist Dong Xuebing, and the whole process only took two seconds.

Xie Huilan's face changed slightly. "What are you doing? I had told you that I would not accept other positions, especially this one?"

Dong Xuebing mustered up his courage. "Just try it."

"No." Xie Huilan tried to twist her body, but Dong Xuebing was too strong. Her eyes were narrowed into a slit. This was her expression when she was angry. "Xiao Bing, today is our wedding day. Don't make me mad. I can treat nothing had happened if you let go of me now. Don't blame me for getting mad if you carry on."

Dong Xuebing was prepared to go all out. He ignored Xie Huilan's warnings and pushed her from her back.

Xie Huilan gasped and inhaled deeply. "Xiao Bing.... Fine! Remember this! I will settle the score with you tomorrow!"

Dong Xuebing did not care and continued. He had been suppressed by Xie Huilan for too long and had obeyed everything she said. He was finally the man in the relationship today. Also, this was a rare opportunity.

Dong Xuebing pounded hard and deep into Sister Xie without stopping.

Chapter 796: Torturing Sister Xie

Dong Xuebing was satisfied to He grabbed Xie Huilan's meaty butt and kept thrusting.

"Ah... ah... ah...."

"Ah...."

"Hmm..."

Moaning sounds echoed the room.

Xie Huilan was furious with Dong Xuebing, and she let him do whatever he wanted. She would turn around and stare at him, making the hair on his back stand. But he did not stop. He was determined to be the master of the house to He doesn't mind her getting back at him tomorrow.

A few minutes later.

Xie Huilan's expressions changed. "Xiao Bing, can you stop for a while? I want to talk to you."

Dong Xuebing did not stop. He only slowed down slightly. "What do you want to say?"

"Let's change to another position." Xie Huilan had difficulties talking as she was out of breath from being pushed front and back by Dong Xuebing. "I am a County Mayor, and I will soon be a deputy city mayor. I have my pride. But this position makes me feel like a dog. Listen to me. Let's switched to the previous position."

"Don't talk nonsense. This is our bedroom affairs. What has it got to do with pride?"

"This position is too much."

"Too much?! I don't think it's too much. I like it."

"Fine! Are you not going to listen to me?"

"I am not going to follow your orders today. We had dated for two years, and I had obeyed you. Just let me be the master today."

"Fine.... My man had grown up."

"I don't know if I had grown or not. Anyway, I had learned how to be domineering from you."

Xie Huilan lifted one hand and pointed at Dong Xuebing. Her body was still swaying front and back. She panted. "Fine! Carry on and embarrass me!"

Dong Xuebing cleared his throat. "Err... Huilan, there's nothing wrong with this position. Really. Every couple is the same."

"Hmph! I cannot accept it!"

"Didn't you accept it now? Don't worry... You will get used to it."

"Are you being sarcastic now?"

"No. I.... I am telling the truth."

"I had been in this position for minutes. Are you done?"

"A while more."

"You like this position."

"Yes."

"I can tell. Hmph! I hate this! You feel like you had conquered me like this, right?"

"Errrr.... No."

"Fine. You had succeeded. I am embarrassed by you now. Are you satisfied?"

"I don't have such thoughts. Furthermore, you are only facing the other side. What's there to be embarrassed about? I believe other people might be embarrassed, but

you are not one of them.” Dong Xuebing replied. “You kept saying I don’t understand you. But I think I know you well. You are too overbearing and like to be riding on others. You hate others having the upper hand. You will find all sorts of excuses to be in control. I think you are afraid I might not listen to you after marriage.”

Xie Huilan scoffed. “What rubbish are you talking about.”

“I am not far from the truth. You want to maintain your position in our relationship, and that’s why you don’t like me to ride you.”

“Haha.... I don’t have such thoughts.”

“Frankly speaking, your words are not reliable.”

“We are married now.... ah... ah.... You are the master of our household. I had never thought of taking it away from you. You are accusing me now.”

“Since I am the head of our household, you must listen to me.”

“Other than this! I said I hate this position!”

“Look at you now. You are too overbearing. I must ride you no matter what today! I will bear the consequences tomorrow.”

“I am getting angry now.”

“Go ahead.”

Both argued, but their bodies did not stop moving.

They had been at it for almost half an hour.

Xie Huilan was exhausted. She panted heavily and grabbed the sheets tightly, making them into a ball. She could not even say a word.

Deep in Dong Xuebing’s heart, he was worried about how Sister Xie will get mad at him. He turned her over to her back and continued moving. Suddenly, he felt a sharp pain in his back. Her nails dug into his back, and her breathing quickened. Her moaning got louder, and she stared into his eyes passionately. Her body and legs started to tremble uncontrollably.

Sister Xie had reached her peak, and Dong Xuebing could not hold it any longer.

A few minutes later, the room became quiet.

Dong Xuebing hugged Xie Huilan and kissed her.

Xie Huilan wiped her sweat off her forehead and slapped Dong Xuebing’s arm. “Go and get me a piece of tissue paper.”

Dong Xuebing was guilty conscious and quickly followed her orders.

Xie Huilan narrowed her eyes. “Wipe me clean.”

“Leave it to me.” Dong Xuebing wiped her body and threw the tissue papers on the floor.

“Bring me a glass of water.” Xie Huilan commanded.

Dong Xuebing got up and poured a glass of water for her.

Xie Huilan drank the water and glanced at Dong Xuebing before turning away from the bed.

Dong Xuebing cleared his throat. “Err.... Good ”

Xie Huilan ignored him and closed her eyes to sleep.

Dong Xuebing lay beside Xie Huilan and hugged her from her back. He knew she was not angry with him and soon fell asleep.

Chapter 797: First day as husband and wife

Dong Xuebing woke up to an aching back. He yawned and saw a beautiful face in front of him. Xie Huilan was sleeping and facing him. Her breathing was steady, and she was sound asleep. She is beautiful. He picked a bunch of her hair and smelled it.

Her hair smelled nice.

This beautiful woman is my wife now.

Dong Xuebing recalled last night and felt satisfied. He felt he should live longer to have more time to admire his beautiful wife.

Dong Xuebing got more excited and lifted the covers carefully to expose Xie Huilan’s naked body. He reached over and caressed her body gently. He ran his fingers along her curves and felt her smooth complexion.

Xie Huilan’s eyelashes fluttered.

Dong Xuebing quickly stopped and looked at her. “Are you awake?”

Xie Huilan did not open her eyes and asked. “What time is it?”

Dong Xuebing looked at the clock. “It is before 7 am now.”

Xie Huilan opened her eyes to a slit and looked at him. “Why did you wake me so early?”

Dong Xuebing smiled. “I did not want to wake up. But I couldn’t resist touching you. You are too beautiful.”

Xie Huilan narrowed her beautiful eyes more. “Did you enjoy yourself last night?”

Dong Xuebing knew she was going to settle the score now. “Err.... No.”

“No?” Xie Huilan smiled. “You made me kneel, raised my butt, and acted like a bitch. Yet, you were not satisfied? What do you need me to do for you to be satisfied?”

Dong Xuebing blushed. “What are you talking about? Bitch? That was a normal position, and I had no intentions of insulting you. You should know I respect and admire you. I always care for you and

will never bully you. Err.... What happened yesterday?" He feigned innocence. "I was drunk and couldn't remember anything."

"Oh, nice try."

"What do you mean? I can't remember anything."

Xie Huilan giggled. "Fine. I had also forgotten everything yesterday. Are we married yet? Oh, we have not received our marriage certification. We are not legally married."

Dong Xuebing got a fright. "Huh? You don't want to get our marriage cert?!"

Xie Huilan smiled. "I was drunk yesterday and can't remember anything. Why are we going to register our marriage? Who are you?"

"Are you asking who I am?"

"Haha.... I don't know who you are. Can you tell me your name?"

Dong Xuebing surrendered. "Fine.... You win. I apologize for last. It's my fault for doing that without your permission. I will seek your permission before doing anything." He reached over and hugged her waist. "Don't be angry. We held our wedding ceremony and invited many guests. Even the Chief Secretary and Premier's wife had attended our wedding. It's too late for you to regret it now. We are going to collect our certificate soon."

Xie Huilan smiled. "That shall depend on my mood."

Dong Xuebing knew Xie Huilan was joking. "Then how are you feeling now?"

"Hmmm...." Xie Huilan closed her eyes and turned. "I want to sleep a while longer. Someone had tortured me badly last "

"Ok. Go back to sleep."

"Pull up the cover for me, ok?"

"Sure. I will prepare breakfast now. I will call you when breakfast is ready."

"Make something I like."

"Of course."

Dong Xuebing got out of bed and kissed Xie Huilan's forehead before covering her. He went to the shared bathroom to wash up and change. She was right. He had enjoyed himself in that position, but it was tiring for her. He had not spared a thought for her last

Being rash is not good.

However, Dong Xuebing did not regret what he had done.

Dong Xuebing left the bathroom and stretched before going into the kitchen to prepare breakfast.

7.30 am.

Dong Xuebing placed the piping hot breakfast on the dining table. He looked at the feast he had prepared and nodded. Other than his mother, he had never prepared such breakfast.

“Huilan!” Dong Xuebing shouted.

“I heard you.” Xie Huilan replied.

“Come down for breakfast. It’s ready.”

“Ok. I’m coming.”

Dong Xuebing set the bowls and chopsticks neatly.

Xie Huilan walked down the stairs gracefully when Dong Xuebing was done. She had taken a shower, and her hair was wet. Her top was a white long sleeve shirt, and her black lacy bra showed. She was not wearing any pants and was showing her lacy black underwear.

Dong Xuebing was speechless. “We had talked about this yesterday. Why are you not wearing anything again?”

“I am used to it. Haha....” Xie Huilan did not feel embarrassed.

“Are you like this in Yan Tai County? What if someone visited you or peeped at you through the windows with a binocular?”

Xie Huilan laughed. “I can’t control others if they want to peep.”

Dong Xuebing gave her a stare. “What are you talking about? You are my wife now.”

“I was joking. I closed my curtains at home. Also, when have you seen me like this when you were with me?”

Dong Xuebing replied. “Really?”

“No. Haha....”

“No?”

“Did you think I am an exhibitionist?”

Dong Xuebing was speechless. “I trust everything you say. Can you stop making such jokes?”

“Fine.... I should not tease my little husband.”

“I think you enjoyed yourself when you teased me.”

Xie Huilan laughed. “Oh, you found out.” She gasped when she saw the breakfast. Dong Xuebing had cooked eggs, sausages, noodles, congee, braised beef, and preserved salted vegetables. “Oh, what a feast. Haha.... Thanks, my husband.”

Dong Xuebing liked Xie Huilan to address him as husband and not little husband.

This was the first time Xie Huilan referred to him as her husband.

Dong Xuebing was easily satisfied and felt his cooking up a storm in the morning was worth it.

“Don’t mention it. It’s my duty to prepare breakfast for you. Let’s eat before the food turns cold.”

“You should sit with me.”

“Sure.”

They sat down and picked up the chopsticks.

Dong Xuebing picked up a piece of bread and gave it to Xie Huilan. She did not eat it immediately. She sat there looking at him. He asked. “What’s wrong? Are you not hungry?”

Xie Huilan laughed. “Why are you sitting so far from me?”

“Huh? I am sitting opposite you. Oh, our table is slightly bigger.”

Xie Huilan patted the chair beside her. “Sit here. This is our first day as husband and wife. I want you to sit beside me.”

Dong Xuebing smiled. “When did you become so sweet? You want me to sit beside you? Ok. I will move closer to you.” He picked up his plates and moved.

Xie Huilan nodded and used a fork and knife to gracefully cut the bread and sausages.

Dong Xuebing was not used to these dining etiquettes and ate the bread with his hand. He even slurped on his congee loudly.

Xie Huilan laughed. “I had told you before to be mindful when you eat.”

Dong Xuebing thought nothing about it. “It’s only the two of us here. What’s there to hide? Furthermore, I am used to this.”

She is in her early thirties, and he is only twenty-five.

She is beautiful, and he has ordinary looks.

She is refined, and he is carefree.

They are very different, with many conflicting points. However, they got married in the end. Life is full of surprises.

Chapter 798: Wife Vs. Husband

After breakfast.

A hairdryer was blaring in the bathroom.

Xie Huilan sat in front of the mirror with her legs crossed. She was swinging her slipper on her foot. Dong Xuebing was standing behind her, drying her hair.

“Haha.... My husband is good at drying my hair.”

“I’m not that good. I don’t understand why you like me to blow your hair.”

“That’s because you are better than me. Many hairstylists I met are not as good as you.”

“Impossible. They are professionals. At most, I am more serious than them.”

“Being serious is not enough for me to let you dry my hair. I feel relaxed and comfortable when you do it. I am falling asleep.

"You are exaggerating." Dong Xuebing liked to be praised by Xie Huilan. "You are making me blush. Hmm.... If you like it, I will dry your hair every time in the future." Suddenly, he felt something amiss. "Huilan, are you trying to make me happy and make me do this for the rest of your life? You are too bad. How can you trick me?"

Xie Huilan smiled and looked at him through the mirror. "Are you willing?"

Dong Xuebing rolled his eyes. "Are you still angry about last night?"

"I would be lying if I say I am not angry. Haha.... But I am not that angry now."

"This is complicated." Dong Xuebing replied. "Fine. I will dry your hair forever, and you cannot bring up what happened last. That position will also be categorized as a conservative position. You cannot object to it in the future."

"No. Are you thinking of shaming me again? I will remember it for life. That position will be forbidden."

"You are so stingy."

"Haha.... I might change my mind if you perform well in the future."

"That means we have room for negotiation." Dong Xuebing was satisfied with this reply. "Then, will you dry my hair in the future?"

Xie Huilan narrowed her eyes. "Do you bear watching me so tired?"

"You will not die from drying my hair."

"Fine. I can do it once in a while, but not every day."

"Hmmm.... That's more like it. Huilan.... I noticed you had changed after we did it yesterday."

"Haha.... How am I different now?"

"We look more like a couple. You had made all the decisions in the past, and I have no human rights at all."

"What about now?"

Dong Xuebing laughed. "At least I have some rights now."

"Are you trying to scold me?" Xie Huilan laughed. "I don't like what you said. I admit I am slightly controlling at times. After all, I am much older than you, and I want to be in charge subconsciously. But I did not force you to listen to me on everything. When did you listen to me when I gave you advice about your work?"

"....." Dong Xuebing did not reply.

"Why are you not saying anything?" Xie Huilan smiled.

"I cannot win against you. You always have your reasons." Dong Xuebing continued to dry her hair. "I am unlucky to get married to you." He lied.

Xie Huilan raised her brows and laughed. "I noticed you have a serious issue with your perception of me. Alright. To prove you are the head of our family, I will let you decide on my hairstyle and clothing today. I will wear what you want and let you decide everything about me today."

"You sure?"

"Do I look like I am joking?"

"Alright." Dong Xuebing slapped the table. "Deal!"

Xie Huilan laughed. "Then how should I style my hair?"

Dong Xuebing walked around her and looked at her long hair.

Xie Huilan smiled and sat there.

"Pin your hair up." Dong Xuebing still preferred women who pin their hair up. "You look smarter, and this style suits your face."

"How should I pin it up?"

"Huh? How do I know? Just comb all your hair to the top of your head."

"Even my fringe?"

"Yes."

After a while, Xie Huilan tied up her hair into a bun. "Is this what you want?"

Dong Xuebing snapped his finger. "Wow.... You are beautiful."

They returned to the bedroom and opened the closet. The closet was filled with Xie Huilan's clothes. Her mother had sent all her clothes over before the wedding. Most of her clothes were darker colors, suits, and pants. That's not much choice.

Dong Xuebing grumbled. "Why didn't you buy some nice clothes?"

Xie Huilan sat on the bed. "You should know my position. How can I wear flowery and bright clothing around? Also, why should I get so many clothes?"

"Sigh.... Let me find something."

"Don't rush and take your time. Haha...."

Dong Xuebing was determined to dress up Xie Huilan nicely. He searched the closet and found a few clothing items. She had bought a black hollow-out lacy bra and underwear. They were semi-translucent and very sexy. He also found a pair of black stockings with flower prints and a white silk dress.

Yes.

Dong Xuebing smiled as he passed the clothing to Xie Huilan. "Alright. You will wear these today."

Dong Xuebing thought Xie Huilan would be embarrassed. But she smiled and changed in front of him slowly.

It was Dong Xuebing who blushed instead. This shows how thick-skinned Xie Huilan was.

After changing, Xie Huilan looked at him and smiled. "How do I look?"

Dong Xuebing nodded. "Terrific."

"Haha.... Thank you."

How can someone be so pretty?

Chapter 799: Getting the marriage cert

Beijing North Heping Street.

Dong Xuebing and Xie Huilan alighted from the taxi at his old apartment.

Dong Xuebing was still in his usual clothes, but Xie Huilan wore a beautiful white silk dress.

Dong Xuebing replied. "We were busy these few days, and our training at the Party School will end tomorrow. We got to report to the School to get our certificate. Today will be the final day of our marriage leave, and we have lots to do. Oh, our cars are arriving tomorrow, and we got to change the registration plates. Our new postings should be out tomorrow. I am thinking of registering and getting our marriage cert after visiting my Mum."

Xie Huilan smiled. "I don't mind."

"Then it's settled. You still have time to regret now."

"Oh, since you brought this up...." Xie Huilan joked. "I am regretting. Let's talk about this another day."

Dong Xuebing gave her a stare. "It's too late now."

"Haha.... You are so domineering. Are you forcing me to marry you?"

"Yes. Are you unwilling?"

Xie Huilan hugged Dong Xuebing's arm. "I had slept with you. What else can I say?"

Dong Xuebing blushed. "Stop talking nonsense. I am warning you not to say such things in front of my mother later."

"Alright. I know how to behave."

"Let's go upstairs."

After getting married, the couple returned to the husband's parents' house to pay respect. They were following the customs.

Dong Xuebing straightened his clothes and pressed the doorbell.

Ding dong... ding dong.... The door opened. Luan Xiaoping and Yang Zhaode stood there to welcome them. "Xiao Bing, Huilan. Come in."

Dong Xuebing greeted them. "Mum, Uncle Yang."

"Uncle Yang, Mum." Xie Huilan smiled.

Luan Xiaoping closed the door behind them and held Xie Huilan's hand. "My daughter-in-law is so pretty today."

Xie Huilan laughed. "It's because of my clothes. I had wanted to wear a suit, but Xiao Bing insisted I wear this dress. He said you like the white color."

Dong Xuebing rolled his eyes. When did I say that?

Luan Xiaoping smiled brightly. "Good.... Good.... It's nice."

Xie Huilan smiled. "Mum, why didn't you two stay in a hotel room? I had asked my mother to reserve a room for you all."

Luan Xiaoping waved her hand. "Your mother had told me, but it was too troublesome. It's more comfortable living in my own apartment."

"Haha.... That's right. No place can be compared to home." Xie Huilan and Dong Xuebing walked over to pour two cups of tea for Yang Zhaode and Luan Xiaoping.

Serving tea is the duty of a new daughter-in-law.

But Yang Zhaode stopped them. "Your mother and I are not married. I cannot accept this cup of tea."

Dong Xuebing replied. "Uncle Yang, don't say this. We are a family."

Luan Xiaoping pushed Yang Zhaode lightly. "What are you doing? The kids had prepared the tea."

With a smile, Yang Zhaode nodded and drank the tea served to him by Dong Xuebing and Xie Huilan.

The traditional custom was completed.

It's hard for most mother-in-law and daughter-in-law to get along, but Luan Xiaoping likes Xie Huilan a lot. They held hands on the sofa to chat. "Huilan, since you call me Mum, I will treat you as my daughter. Xiao Bing is lucky to marry you. You two must cherish your time together and have kids early. I still can help you all care for your kids before I get old."

Dong Xuebing protested. "We just got married. Why are you talking about kids?"

Luan Xiaoping looked at her son. "I am not talking to you. Get lost."

Xie Huilan laughed. "I also want to have children early. Haha...."

"You must have a son." Luan Xiaoping was delighted to hear this from her daughter-in-law. "I can tell you will have a son from your figure. What do you think, Old Yang?"

Yang Zhaode nodded.

Dong Xuebing sighed. "These are all superstitions."

Yang Zhaode was amused. "Oh, when are you two registering your marriage?"

Luan Xiaoping added. "That's right. We had held the ceremony, and you two must get your marriage cert."

"We had planned." Dong Xuebing was about to say when Xie Huilan interrupted him.

Xie Huilan asked. "Mum, we will listen to you. Haha.... You will decide the date."

Luan Xiaoping was happy. "How about today? I had given the Hukuo booklet to Xiao Bing."

"Ok." Xie Huilan looked at Dong Xuebing. "Is it ok? Xiao Bing?"

"Huh? Ok." Dong Xuebing was speechless. They had decided to go today when they were downstairs, but Xie Huilan let Luan Xiaoping decide for them. Although Luan Xiaoping suggested the same today, Xie Huilan displayed her respect for her. It will let Luan Xiaoping feel she doesn't have air. Sigh.... Xie Huilan was good at talking, and he had a lot to learn from her. Respecting the seniors' wishes will bring them closer to each other and prevent conflicts. This can be applied to the government sector.

Everyone chatted happily in the living room.

Xie Huilan was behaving like a perfect daughter-in-law. She served tea and poured water. She even peeled an apple for Luan Xiaoping. Luan Xiaoping was satisfied with her performance. "Look at my daughter-in-law. I am relieved to let you take care of Xiao Bing."

Yang Zhaode also nodded.

Dong Xuebing also felt proud.

Xie Huilan might be difficult to please and loves to argue with Dong Xuebing at home. However, she will make him look good when they are outside.

Afternoon.

Dong Xuebing and Xie Huilan walked out of the estate.

Dong Xuebing thanked Xie Huilan. "Huilan, it must be hard for you earlier."

"What are you talking about?" Xie Huilan looked at Dong Xuebing. "How can it be hard to chat with Mum?"

"I am referring to pouring tea and water. You had never done any chores at home."

Dong Xuebing replied.

Xie Huilan smiled. "I am not made of paper. What's so difficult about it?"

Dong Xuebing laughed. "But you are good with words. Mum was so happy when she chatted with you. I have seldom seen her so happy since my father passed away."

Xie Huilan laughed. "It's my duty."

"My Mum is right. I am lucky to have you as my wife." Dong Xuebing hugged her from her back. "Kiss...."

Xie Huilan laughed and pushed him away. "We are outside. Don't embarrass me."

Dong Xuebing laughed. "Stop pretending. You are more thick-skinned than me."

"Oh.... I dare you to say that again." Xie Huilan looked at Dong Xuebing.

Dong Xuebing cleared his throat. "Stop picking a fight with me. Fine.... I will not make you angry. Let's go and get our cert."

Xie Huilan looked at her watch. "Let's hurry. We got to go to my house later."

Dong Xuebing and Xie Huilan can only register their marriage in Beijing as they hold Beijing Hukou. Although they can register it in Fen Zhou City, it will be very troublesome. After graduating from the Party School, they will be posted to new positions.

On the way to register their marriage.

Dong Xuebing asked. "Is your promotion to Deputy City Mayor confirmed?"

"I think so." Xie Huilan replied. "The City's Party Committee had spoken to me."

"Which sector will you be in charge of?"

"This is not decided. I will know after I assume the position. But I don't think they will assign important tasks to me. After all, I don't have enough experience."

"Many top Leaders had attended our wedding. Can't they help you?"

"This is how the government sector works. You must have strong backing, but it doesn't mean you will have no worries. I got to depend on myself because of my age and position. No one would dare push me up to Bureau Director, even if I used my family's connection. Being a Deputy Bureau Director at thirty-one had attracted lots of gossips. It is the same for you. You have to depend on yourself in the future."

"You are right. Do you think Uncle Yang can help us?"

Xie Huilan looked at Dong Xuebing and laughed. "I am telling you this since you brought this up. Uncle Yang can't help us when we return to Fen Zhou City. He is posted to a neighboring city as the acting mayor. He had offended many people because of the earthquake. His former connections will fade, and he has more rivals than allies. Don't even think of using your relationship with him at work. It will not be good for your career."

Dong Xuebing replied. "Since when did I depend on others to get my promotions? It's all my capabilities." He will only use his connections when necessary.

"That's right. My little husband is extraordinary."

"Hehe..... you are making me blush. But that's the truth."

"Haha.... You are shameless."

They walked to the Civil Affairs Department hand-in-hand, and their marriage was registered quickly.

Dong Xuebing and Xie Huilan are legally husband and wife now.

Chapter 800: Xiao Dong is promoted to Deputy Division Chief

Beijing's Party Committee Family Villas. Dong Xuebing took a dump in a toilet on the first floor when his phone rang. It was Yan Tai County's Investment Promotion Agency Deputy Chief Luo Haiting. Sister Luo had worked with Dong Xuebing for some time. She was the first staff to show her support for him when she was still an Office Director. She was also a lovely middle-aged female staff who liked to dress up.

"Hello, it's me."

"Chief, I'm Luo Haiting."

"Haha.... Sister Luo, how have you been?"

"Sighed...."

"Huh? What's wrong?"

Dong Xuebing knew Luo Haiting should be facing some problems when she sighed.

Luo Haiting replied. "Director, I know very few people in the County, and you are the only one who can help me."

"What happened?" Dong Xuebing asked. "Tell me."

"Remember I called you after you published that article about the earthquake? You told me there would be an earthquake and asked me to leave and avoid it. I left that night with my husband and son, and the earthquake happened the next day. I know I have lots of work to do in the County, and I tried to return immediately. But the roads were blocked, and aftershocks were happening. I couldn't return until the roads were cleared a few days later. The Investment Promotion Agency building collapsed during the earthquake. Thanks to Mayor Xie's order to evacuate, we got a low casualty rate. However, two staff members died during the earthquake. Now, someone had reported me for leaving in advance before the disaster."

Dong Xuebing frowned. "Shouldn't it be common sense to avoid the disaster?"

"But not everyone thinks so. They blamed me for the deaths of our Agency's staff, and I am suspended from my duties now."

"Is this the County Party Committee's decision?"

"I don't know. You must help me."

Xie Huilan had just left, and Xiang DaoFa immediately attacked my people!

"Alright. Don't worry about it and wait for my call."

"Thank you, Director."

“What’s there to thank when we are so close?” Dong Xuebing replied and felt his reply was giving mixed signals. He remembered Luo Haiting always teased him by stroking his legs with her feet. “Sister Xie, don’t worry about it. I will help you.”

Luan Xiaoping replied. “I am depending on you.”

“Alright. Bye.” Dong Xuebing hung up.

Dong Xuebing knew it’s not easy to settle this as Xie Huilan would be promoted to Deputy City Mayor. She had overtaken Xiang Daofa and entered the City Government. The City had no intentions of transferring Xiang Daofa as Yan Tai County had done well during the earthquake response. After Xie Huilan left, he had complete control of the County, and he started to kick out her former supporters.

This was a difficult request.

Furthermore, Luo Haiting was not in Yan Tai County for a few days after the earthquake. She could not explain herself if anyone accused her of abandoning her post.

Dong Xuebing left the toilet.

Han Jing, Xie Guobang, and Xie Huilan watched TV in the living room.

Dong Xuebing saw his parent-in-law’s empty glasses and quickly poured tea for them. “Dad, Mum, have some tea.”

Han Jing smiled. “My son-in-law is so caring. Sit. You had been busy since you came this afternoon.”

“I’m fine, Mum.”

Xie Huilan giggled. “This guy cannot sit still. You should just let him serve you two well when we are here.”

Dong Xuebing added. “That’s right. Just tell me what you need me to do.”

Xie Huilan had given Dong Xuebing’s face at his house, and he was returning the favor.

They chatted for a while, and Xie Guobang stood up. He patted Dong Xuebing’s shoulder. “Xiao Bing, come with me to the study for a chat.”

“Yes.”

Study upstairs.

Xie Guobang sat behind a desk and gestured for Dong Xuebing to sit in front of him. “I called you upstairs to seek your opinions. Do you have any departments in mind for your upcoming transfer?”

Dong Xuebing immediately brightened up. “I will go wherever I am needed.”

Xie Guobang laughed. “You don’t need to give such official replies when we are alone.”

“Err.... Dad, I don’t know which department I should go to. I will follow your advice.”

Xie Guobang nodded. "I had spoken to your Uncle Yang and Huilan about your transfer, but it was not finalized. It was your Fourth Grandpa who approached me. He wanted me to ask you if you are interested in Commission for Discipline Inspection work."

Fourth Grandpa?!

The Central Government's Commission for Discipline Inspection Secretary?!

Dong Xuebing knew he had officially entered the Xie Family's core level and was overjoyed. This was a good offer as the Commission for Discipline Inspection is a powerful department.

Xie Guobang saw Dong Xuebing agreed and said. "Alright. The City Commission for Discipline Inspection's transfer orders will be issued soon. You should be prepared."

Dong Xuebing replied. "Thanks, Dad."

Xie Guobang laughed and waved his hand. "Do you still have anything else in mind?"

Dong Xuebing was about to say no when he suddenly remembered Luo Haiting. "Dad, I have a former subordinate, Luo Haiting. We worked together at Yan Tai County Investment Promotion Agency. After Huilan left, someone in the County found fault and suspended her. Her situation is quite bad now. Can I bring her along if I am going to the City's Commission for Discipline Inspection? We had worked well for some time and.... Errr.... Forget it if it's too troublesome."

Xie Guobang thought for a while. "If she had not made any grave mistakes, it should not be a problem."

Dong Xuebing was relieved. "Thanks, Dad."

Next day.

Dong Xuebing graduated from the Central Party School and collected his Porsche Panamera. After changing the registration plate to Beijing 9999, he received the City's transfer orders.

Dong Xuebing would be relieved from all his duties in Nan Shan District Guang Ming Subdistrict Office duties. He would be posted to Fen Zhou City's Commission for Discipline Inspection as the First Office's Inspection Director. His rank would be Deputy Division Chief.
