

Peerless 2801

[Chapter 2801: Must be humiliated, right?](#)

Chen Feng sighed lightly and smiled slightly.

He even completely ignored what Zhou Yangbing said just now.

Chen Feng has already won the Royal Blade True Spirit Art. He doesn't want to have any extra branches, and said lightly: "I have Dragon Blood Amethyst, the auction house will naturally know when that happens, and you don't have to worry about it."

When Chen Feng said this, Zhou Yangbing was immediately excited.

He immediately thought that Chen Feng really didn't have so many dragon blood amethysts, and he really guessed right.

"Chen Feng is showing weakness!"

He immediately shouted excitedly: "Boy, take it out quickly! If you can't take it out here, it's equivalent to admitting that I guessed it right. You are my grandson and you have to kneel and call me grandpa!"

Chen Feng heard what he said, and the body that had been sitting down slowly stood up again.

He looked at Zhou Yangbing with a flash of coldness in his eyes, then shook his head, and said helplessly: "Do you have to insult yourself?"

Zhou Yangbing just roared in excitement: "Boy, take it out quickly, or you'll be called Grandpa!"

Chen Feng smiled and said, "Do you think I can't get 2.4 million dragon blood amethysts?"

"Yes, you absolutely can't take it out." Zhou Yangbing raised his chin, his face was arrogant, with a very determined expression.

He felt that he had won this time, and he had turned a corner.

Chen Feng smiled and said: "Just now, you said that if I can't take it out, I'm your grandson, so what if I take it out?"

"Are you my grandson?"

Zhou Yangbing did not speak there, his face gloomy.

Chen Feng smiled and said, "Why don't you speak anymore? Are you not confident?"

Everyone also booed: "Yes, boy, are you not confident?"

Zhou Yangbing was so excited by him, he immediately shouted loudly: "Well, if you can take it out, I will be your grandson, call you grandpa!"

Chen Feng laughed loudly: "Okay, I just received a son two days ago, and today I have another grandson."

It seems that I am about to be full of children and grandchildren! "

Ji Caixuan and Chen Ziyuan pounced and laughed out loud.

What he said was funny, and everyone laughed.

Especially Lu Yutang leaned forward with a smile.

Suddenly, Chen Feng smiled, his face turned cold, staring at Zhou Yang and saying in a cold voice: "Since you want to get on the pole so much and call me Grandpa, OK, then I will fulfill you."

"Today, you grandson, I accept it!"

At the next moment, Chen Feng suddenly appeared in three golden thread tips.

Then, he shook the three gold thread tips directly.

So, in an instant, the endless dragon blood amethyst fell out of the three golden thread kits like a waterfall.

In an instant, a hill was piled up in front of Chen Feng.

Seeing this scene, everyone exclaimed.

"There are at least three million dragon blood amethysts!"

"Yes, this Chen Feng is so rich!"

"Hahaha, Zhou Yangbing can be said to have lost his face this time!"

"Yes, he said just now that he could completely crush Chen Feng in terms of financial resources, but he was beaten in the face in an instant, and that Chen Feng could completely crush him in terms of financial resources!"

"Haha, will he dare to be so crazy in the future!"

After everyone was shocked, they looked at Zhou Yangbing and laughed!

When Zhou Yangbing saw this scene, he was completely stupid.

He stared blankly at the hill of dragon blood and amethyst in front of Chen Feng, completely stunned!

The next moment, he turned around and yelled in disbelief: "How is it possible? How is it possible?"

"You are just a foreign surname of the Xuanyuan family? How could you have so many dragon blood amethysts? I don't believe it!"

He yelled frantically and almost broke down.

He felt that everyone's eyes were falling on his face, which made him extremely ashamed and shameful, and his eyes were blood red in an instant.

He was almost about to rush forward, desperately fighting Chen Feng.

Chen Feng looked at him with an indifferent face: "You don't believe it, it doesn't matter, but you only need to know that it is enough for me to completely crush you in terms of financial resources!"

He raised his chin, looked at Zhou Yangbing arrogantly with a very contemptuous look, and said, "What are you? You deserve to be worthy of my financial resources?"

"In this regard, I can completely crush you!"

"Hahahaha, do you hear this familiar?"

Chen Feng said with a smile.

This is what Zhou Yangbing said Chengfeng just now, but now Chen Feng said it.

Zhou Yangbing was extremely embarrassed and angry, but he couldn't say a word of rebuttal in his tongue.

Because this is the fact!

Chen Feng completely crushed him in terms of financial resources.

Everyone burst into laughter.

Chen Feng looked at him with a smile, and said lightly: "Is it fun to take the humiliation?"

At the next moment, Chen Feng's face suddenly became stern, looked at him, and said with a sneer: "Now, my dear grandson? Shouldn't it be grandpa?"

"What? Do you dare to let me call you Grandpa?" Zhou Yangbing stared at Chen Feng, his eyes cold.

"Little bunny, are you looking for death?"

"I swear, you dare to say one more thing, I will definitely prevent you from leaving Chaohe Tianzi City alive!"

Chen Feng shook his head: "Since you want to hear so, I'll tell you more!"

He stared at Zhou Yangbing, and said word by word: "Zhou Yangbing, should I kneel and call Grandpa now?"

Zhou Yangbing instantly congested his pupils, his face became hideous and terrifying, and rushed directly at Chen Feng.

He roared fiercely: "Chen Feng, I'm going to kill you, and I will break your body into pieces!"

He obviously hated Chen Feng so much that he lost his mind and started directly.

And at this moment, the green goblin on the stage sneered: "In our first-level auction hall, how dare you do it?"

The next moment, she stretched out her hand, and immediately countless silver threads flew out of his hand, directly binding Zhou Yangbing in the air firmly.

Zhou Yangbing struggled madly, the silver thread, seemingly weak, was actually extremely tough.

Zhou Yangbing struggled wildly, but couldn't get away at all.

On the contrary, the more he struggled, the stronger the tie was.

Suddenly, the fingers of the Green Fairy shook a few times, and the silver threads were twisted and entangled, and Zhou Yangbing was forced to put Zhou Yangbing out of the air in a posture of slowly bending his knees and bending over.

And the direction is towards Chen Feng's direction.

Zhou Yangbing suddenly realized something, and let out a violent roar: "Green Fairy, you **** dare to insult Lao Tzu like this?"

The green goblin smiled coldly and said: "Just now you said badly, I want to clean up you, but our Seven Star Auction House is not willing to have any disputes with your dead ghost master easily."

[Chapter 2802: Chen Feng, I want you to die!](#)

"In this case, I naturally have no scruples. Do you think I dare not clean up you? Now I will let you know how good my old lady is!"

As she said, she snorted: "Don't you hurry to kneel down and apologize to Master Chen Feng?"

With that said, those silver threads entangled crazily, twisting this.

Zhou Yangbing was extremely reluctant, but he was fixed by those silver threads, unable to control his body at all.

Then, I saw that his body slowly knelt down in the air, and then bent down, actually wanting to kowtow.

Seeing this scene, the one-eyed old man and others, with their canthus splitting their eyes, shouted sharply:

"Your Seven Stars Auction House is too bullying!"

They will all rush to save their little master.

Unfortunately, they simply can't do it.

A huge force came suddenly, pushing them to sit on the cloud, unable to move a single movement, and could only watch Zhou Yangbing's head lowering bit by bit.

Finally, his head fell to the extreme.

There was a loud bang, and he slammed Chen Feng firmly.

Chen Feng laughed loudly, and was extremely happy: "My dear grandson is really filial!"

"Come on, knock two more."

Bump!

As a result, the green fairy controlled Zhou Yangbing and knocked twice.

Chen Feng laughed loudly, reached out and took out a few pieces of dragon blood amethyst and threw them over, hitting Zhou Yangbing's face.

Chen Feng smiled and said, "My dear grandson, you can't make you kowtow for nothing. This is a reward from my grandfather. Take it!"

There was a burst of laughter from everyone.

"This Chen Feng is really a good method."

"Yes, this time, Zhou Yangbing is even more uncomfortable than death!"

Chen Feng's voice was full of contempt.

When Zhou Yangbing's head was forcibly pressed and knocked Chen Feng three times, he felt a buzz in his mind and almost fainted.

The intense and incomparable sense of humiliation hit him overwhelmingly, almost drowning him.

He wanted to die just now.

And when those pieces of dragon blood amethyst were thrown on his face, he was even more angry, and his whole body turned red in an instant, his heart beating wildly, almost exploding!

All reason and emotion are gone.

For a moment, there was only one thought in my mind, and that was: "Stupid!"

"Chen Feng, I want to kill you, I must kill you!"

He was extremely angry.

Then the next moment, he brushed it, and as soon as the silver threads were collected, he resumed his actions without being restrained again.

The green goblin stared at him, eyes unblinking, as long as he dared to make a move, he would go home and tie him up immediately.

Zhou Yangbing stood up slowly, he didn't dare to look up at all.

Because he felt that everyone was looking at him, and as soon as he raised his head, he would be overwhelmed by the ridicule and sarcasm of everyone's eyes.

He lowered his head and walked back to his seat silently, and then brushed it, and the cloud suddenly blocked his seat.

He is already shameless.

But just before the cloud appeared, he turned his head and stared at Chen Feng fiercely with a gaze full of resentment and hatred.

The intense murderous intent was almost condensed into substance, but Chen Feng didn't care, as if he hadn't seen it at all, he just smiled and said to the green fairy: "Is it possible to give me the Royal Blade True Spirit Art now? ?"

The green goblin giggled, looked at Chen Feng with profound eyes, and shook his hand.

That Yudao Zhenling Jue flew towards Chen Feng.

Chen Feng took it, a flash of extreme excitement in his eyes.

He took a deep breath before suppressing the excitement, and a voice in his heart screamed frantically: "The Royal Blade True Spirit Art, I finally got it, I finally got it!"

"After practicing the Royal Sabre True Spirit Art, I will take out the Wentian Slash Divine Sword, and my strength can get a crazy increase!"

After Chen Feng delivered the 2.4 million dragon blood amethysts, it was Sun Song who sat down on his seat, leaned his head back, and sighed softly. The whole person felt very relaxed.

This time his mission to this auction has been completed, and he has no regrets anymore.

Ji Caixuan smiled and said, "Master, congratulations."

She obediently walked behind Chen Feng and gently pressed the temples on both sides of Chen Feng's head.

The technique is very soft, but also strong, making Chen Feng very comfortable.

Chen Ziyuan glanced at her, her eyes were somewhat complicated, but she didn't speak.

Lu Yutang, who was next to him, sighed and said, "Brother Chen, so I said you got what you wanted."

"But, brother, I have to say something disappointing. You bought this Royal Sword True Spirit Art at this price, and you really suffered a lot."

Chen Feng smiled and said: "There is nothing to lose. I have dragon blood amethyst in my hand. I naturally have to change to strength as soon as possible. I think it's worth it. Brother, you don't have to feel guilty!"

Lu Yutang shook his head and sighed, and stopped talking.

Next, the auction continued, and soon another seven or eight hours passed. This auction has been going on for almost two days.

There were countless rare lots appearing in the back, but Chen Feng didn't buy anything.

And when the auction was about to end, Zhou Yangbing's cloud covering him suddenly dispersed.

He took another photo.

At this time, his face was as usual, as if he had come out of the incident just now.

It's just that, at that time, sweeping Chen Feng's bitter gaze from time to time, it means that he is still full of extreme hatred for Chen Feng!

Finally, with the last lot sold, this auction officially ends.

The green goblin twisted, rubbed his forehead, and said, "Okay, this auction is over. Let's go back to each one!"

"I'm exhausted!"

After that, she swiped it, and a green light flashed, and she had disappeared without even having the most basic courtesy with everyone. *Novelusb.com*

However, everyone is also used to her style.

With a bang, the door that had been closed for three days opened directly, and everyone went out one by one.

And when Chen Feng had just arrived at the gate, suddenly Zhou Yangbing appeared in front of him.

He stared at Chen Feng and said with an extremely resentful look: "Chen Feng, I want to kill you!"

"You wait for me, I can let you safely walk out of the Seven Stars auction site, I won't do anything here, but the moment you walk out of the Seven Stars auction site, that is the moment you are killed!"

He was full of scornful expressions: "I can't beat you financially, can't I beat you by force?"

He pointed at Chen Feng and screamed wildly and murderously: "Chen Feng, wait for me, you will be killed directly!"

Talking, turned and left.

After he put down these words, many people next to Chen Feng quietly moved away from him, for fear of getting involved with him.

[Chapter 2803: Chen Feng is over?](#)

Many people looked at Chen Feng with a touch of sympathy in their eyes.

"Broken, this Chen Feng is hated by Zhou Yangbing, I'm afraid he will be killed soon! He won't even be able to live for half an hour!"

Someone curled his lips and said, "Half an hour? I don't think he can survive even a cup of tea."

The speaker is Chai Deyu.

He disdainfully said, "Chen Feng dare to provoke Zhou Yangbing. What is it that he is not looking for death?"

"Yes."

An old man who seemed to have a kind face on the side said: "Zhou Yangbing is an early master of the Nine Star Martial Emperor, and the one-eyed old man next to him should be about the same as his strength."

"He has several Eight-Star Martial Emperors under him."

"And what about Chen Feng? It's just a six-star martial emperor!"

The old man who was speaking sighed: "Chen Feng dared to provoke him, and he won't need Zhou Yangbing to do anything later, he can kill Chen Feng by himself."

"Yes!" Everyone nodded.

At this time, some people did not agree with this statement, and said, "I heard that Chen Feng is the first person in the Xuanyuan family's outer sect. He already has a martial arts spirit of ten thousand years."

Hearing the words Wannian Wuhun, a strong jealousy flashed in Chai Deyu's eyes.

He gritted his teeth and said with disdain, "Will the Ten Thousand Year Martial Spirit have a fart?"

"No matter how ten thousand years of martial arts, he is not a six-star martial emperor? He is a six-star martial emperor, that is a waste, or he will die in the hands of Zhou Yangbing!" *Novelsb.com*

Most people nodded in agreement with him.

Chai Deyu was extremely happy, looking at Chen Feng, as if seeing him being killed by Zhou Yangbing.

Someone said in a voice full of regret: "This Chen Feng, it's a pity, he is a six-star martial emperor at a young age in his twenties, and his achievements will be limitless in the future, but he has attracted people who shouldn't be offended."

Most people think that Chen Feng is already dead!

Few people are optimistic about him.

Chen Feng and his group walked forward.

After Ji Caixuan and Chen Ziyuan heard Zhou Yangbing's threat, they didn't pay attention at all, and instead looked at each other.

Ji Caixuan said softly, "Risking."

Chen Ziyuan also curled her lips in disdain: "If he dares to come, let him have no return."

When Lu Yutang heard what they said, he was a little worried, and said, "Brother Chen, or else you will stay in my auction house for a few days first?"

Chen Feng shook his head and smiled and said, "Thank you, Brother Lu, for your kindness, but I don't have to."

Lu Yutang still persuaded, "Brother Chen, this is not a shame."

"Just stay for a few days and wait until the limelight passes before you leave."

However, Chen Feng remained firm and smiled and said, "Brother Lu, don't worry, I know what you worry about."

"Don't worry, I will be fine."

Seeing that he was so firm, Lu Yutang just felt a little relieved, and personally escorted him to the door of the Seven Star Auction.

Outside the Seven Star Auction, there is a huge square.

Just when Chen Feng and the others came to the square, a cold roar sounded from behind him: "Chen Feng, I have been waiting for you for a long time!"

"Today, this place is where you died!"

The voice is familiar, it is Zhou Yangbing.

Chen Feng turned around and saw Zhou Yangbing walking over with the few people, surrounding them.

And seeing this scene, swiping it, there are a lot of onlookers around instantly.

In a blink of an eye, the number of onlookers reached tens of thousands or even hundreds of thousands, and some people continued to squeeze upwards.

Many onlookers are those in the first-class auction house just now!

They looked at Chen Feng and Zhou Yangbing, with a gloating expression on their faces.

"Hey, Chen Feng is in big trouble this time. He humiliated Zhou Yangbing so much in the auction house. As a result, he was blocked by Zhou Yangbing when he came out of the auction house. I don't know how Zhou Yangbing will deal with him today."

"No matter how you deal with him, Chen Feng will definitely have a dead end."

Standing in the crowd, Chai Deyu said with a cold face: "He is completely incomparable with Zhou Yangbing. As long as Zhou Yangbing does his hands, he will definitely die!"

Everyone looked at the show.

At this time, Chen Feng didn't have any panic, instead he was calm and relaxed.

He held his arms to look at Zhou Yangbing, smiled and said, "Good grandson, what's the matter? Do you miss your grandpa so much?"

"I didn't separate for a moment, so you took someone to catch up? Are you trying to quickly recognize your ancestor and return to your ancestor, or do you want to kowtow to me a few more times?"

As soon as Chen Feng said this joking remark, the crowd suddenly burst into laughter.

Many people laughed, thinking of the scene in which Zhou Yangbing kowtowed to Chen Feng to call grandpa at the big auction!

Hearing these words, Zhou Yangbing's face turned green in an instant, and he was extremely angry.

He gritted his teeth and said with a cold voice: "Boy, you dare to say this?"

Zhou Yangbing stared at Chen Feng with cold eyes: "Boy, now take out the two things that you snatched from me before."

"Then, kneel on the ground and knock me three hundred beeps, call three hundred grandpa, and I will let you die a little easier."

He gritted his teeth and hated Chen Feng.

This is to retaliate against Chen Feng.

And Chen Feng looked at her with a smile, and said lightly: "Oh, there are quite a few conditions, what if I don't do it?"

"If you don't do it, right?" Zhou Yang said coldly, "What I have is a means to make you regret it later, I will make you die in pain!"

Chen Feng raised his eyebrows and looked at him, with a joking smile on the corner of his mouth, and said: "I remember, in the auction room, the first time we two competed for the life knife box, you said that."

"As a result, you lost to me, faceless."

"The second time, when the two of us were fighting for the Royal Blade True Spirit Art, you told me the same. In the end, you lost miserably, and you knelt down and kowtow to Grandpa."

"This time, I am looking forward to it!"

This time, there was another laughter from the crowd.

Chai Deyu gritted his teeth and said coldly: "It's just a madman who can only show his tongue, and everything has to fall on strength."

"If you don't have strength, it's not a fart."

"That's right." Someone next to him nodded and said: "Chen Feng will only show off here, and he will be dumbfounded when he really wants to fight later."

"Yeah, the other party can kill his life by himself, why should he be beaten? By what? By the woman next to him?" Chai Deyu said disdainfully!

This word came to Chen Feng's ears.

Chen Feng glanced at him lightly, but didn't say much!

People around were all talking there.

Most people think that Chen Feng cannot escape this time.

[Chapter 2804: Gently finger!](#)

Hearing what they said, Zhou Yangbing said arrogantly, "Chen Feng, have you heard it?"

"Don't you hurry down and kowtow to call Grandpa? Do you really think you have a chance of winning?"

Chen Feng raised his eyebrows and said lightly: "Everyone thinks I can't win, so what?"

"Everyone thinks that I can't escape death today, so what?"

"If what you think is right, then I, Chen Feng, has already turned into a dead bone in the mound!"

Zhou Yangbing nodded coldly, "Okay, kid, don't you knelt and kowtow?"

"Okay, then I will abolish you now!"

"I don't want to waste my tongue with you anymore!"

As he said, Zhou Yangbing raised his chin, and said to a subordinate next to him: "Go, let's stop that kid."

"Yes!" The subordinate was a burly man in black, with a giant knife on his back, walking forward slowly.

He held the giant knife in his hand. The giant knife was three meters long, very large, like a door.

As he walked forward, he stared at Chen Feng, with a cold smile at the corner of his mouth: "Boy, you dare to offend my master so much, then I can only be rude to you!"

"In a moment, I will break every bone in your body with the back of a knife, and then break every tendon in your body to make you a waste!"

"I want to make you sore all over, but you want to die but you can't die!"

"Hahahaha..."

As he said, he laughed wildly, and his gaze at Chen Feng was full of hideousness.

Chen Feng looked at him without saying a word, just hooked his finger.

This action can already represent everything, and it is full of contempt and disdain.

Seeing this action, the burly man instantly furious, his eyes flushed, he let out a crazy roar, his figure jumped up, and he slashed towards Chen Feng bitterly.

He said coldly, "Boy, since you are looking for death, then I can split you in half first!"

"As long as your soul stays, my master has a way to get your soul back into the body and torture you again, hahahaha."

His long knife fell madly.

Chen Feng stood in place and didn't even hide!

As for the audience, many people have already sighed.

"Chen Feng is about to die by this trick!"

"That's right, this burly man, but an eight-star martial emperor's pinnacle master, his sword contains anger and infinite power, even the nine-star martial emperor dare not take it easily."

"Yes, Chen Feng is only a six-star martial emperor, where can he pick it up?"

"It's over, Chen Feng's life will end here!"

Everyone looked down on Chen Feng.

At this time, Chen Feng didn't panic.

Just looking at Ji Caixuan, Chen Ziyuan, and the true spirit of Zihuo, smiled and said, "The three of you stand back."

The three of them all stepped back very docilely and hid behind Chen Feng.

But at this time, seeing Chen Feng still so calm and calm, a touch of extreme resentment and jealousy flashed across Chai Deyu's face!

"Chen Feng, you little bastard, it's up to now, what else are you pretending?"

"Do you think that if you pretend to be calm and calm now, you can avoid this knife?"

"Tell you! Impossible! You will definitely turn into a ghost under the sword!"

Chai Deyu leaped and shouted: "Master Zhou, kill him, kill this dog!"

At this moment, Chen Feng frowned slightly and glanced at him.

In his eyes, a cold color flashed past.

He had never known this person before, and he had no grievances and no grudges, and this person had provoked and even abused him again and again.

In Chen Feng's heart, he was already a bit murderous.

He suddenly smiled at Number Three: "Keep your dog's eyes wide open."

When saying this, Chen Feng was looking at Chai Deyu, but Rang did not turn his head back, just stretched out a finger in his left hand.

Just one finger, just one tap!

So the next moment, with a bang, everyone uttered an unbelievable exclamation: "How is it possible?"

It turned out that with a single tap of Chen Feng's finger, it directly hit the black giant knife.

With a bang, the qi of the giant knife was directly broken.

Then, Chen Feng pointed his finger on the blade.

The scene where Chen Feng was beaten and severed in two cuts was not what everyone expected. On the contrary, after Chen Feng's finger was placed on the giant knife, there was a bang. In the violent shaking, Chen Feng's fingerprints did not move.

The giant knife clicked and made a soft noise, and numerous cracks appeared on it.

Then the next moment, there was a bang, which turned into countless pieces, and flew without a trace!

In an instant, there was silence on the square.

"What? How is this possible?"

"My God, even the nine-star Martial Emperor can't take a knife, but Chen Feng is the next six-star Martial Emperor?"

"Also, he understates so lightly!"

"Yes, not only did he understatement, he also smashed the big man's knife to pieces all at once. This shows that it is not difficult for him to take the knife, and he did not even use his true strength."

"Impossible! How powerful is this Chen Feng?"

"He is just a six-star martial emperor!"

Everyone uttered huge exclamations, looking at Chen Feng's gaze, the contempt and disdain just disappeared, replaced by a trace of solemnity.

I can't believe it!

They realized that Chen Feng's strength was definitely not an ordinary six-star martial emperor, he had strength that surpassed the six-star martial emperor.

But it's just solemn and unbelievable, but it can't reach the level of awe.

After all, most of the people onlookers at this time are qualified to enter the first-class auction house, and their own strength is very strong!

At this time, Chen Feng turned around, looked at the burly man, smiled and said, "Done?"

At this moment, the burly man has not recovered from the huge shock that the scene just brought her.

Hearing Chen Feng's question, he instinctively nodded and said blankly: "It's done."

Chen Feng smiled and said, "Okay, since you have finished cutting, then..."

His voice suddenly rose: "It's my turn too!"

In the next moment, Chen Feng's figure suddenly joined together, and with a sigh, he came to him and slammed out with a punch.

The burly man hurriedly resisted, but where could it be stopped?

The next moment, he let out a scream, and his resistance was directly shattered by Chen Feng.

Both of his palms were broken by Chen Feng and fell to one side.

Then, Chen Feng stamped a punch on his chest.

With a bang, the burly man let out a scream.

[Chapter 2805: Sorry, you will still be crushed by me!](#)

His body fell directly hundreds of meters away and slammed on the ground of the square.

The ground was hit with a loud bang.

And his body trembled a few times, and there was a scream of death in his throat.

Then his head crooked and stopped moving.

This eight-star martial arts peak master was directly killed by Chen Feng.

Chen Feng laughed loudly, looked at Chai Deyu next to him, and said slightly: "How? Open your dog's eyes and see clearly?"

"Who killed whom? Who on earth is not whose opponent?"

Chai Deyu was completely stunned. He looked at Chen Feng in disbelief and exclaimed: "You, you have such a powerful strength?"

Chen Feng stared at him and said coldly: "Yes, I just have such a strong strength."

"Moreover, it's easy to kill you with my strength."

This sentence is full of murderous intent.

When Chai Deyu heard this, he shivered suddenly, and his eyes looked at Chen Feng with a deep fear.

He suddenly realized that he had made a mistake before, a big mistake that might kill him!

He always thought that Chen Feng's strength was not as good as Zhou Yangbing, but he did not know that Chen Feng's strength was so strong that he had completely offended Chen Feng!

And Chen Feng, at this time, had already set a strong murderous intention on him.

At the moment he was just now, his expression changed from the arrogant clamor just now to a trace of fear to the extreme, and a deep regret.

"Why should I offend him? Why should I offend this evil star!"

Zhou Yangbing also exclaimed: "How is it possible?"

He was very relieved of the strength of his guard, who was the pinnacle master of the Eight-Star Martial Emperor.

In his opinion, it was enough for that person to kill Chen Feng, but he did not expect to be easily killed by Chen Feng.

Zhou Yangbing was shocked instantly: "This Chen Feng, I am afraid that he has the strength of the Nine-Star Martial Emperor's early stage."

But then, he came back to his senses again, and said in his heart: "How about the strength of his early nine-star Wuhuang Emperor?"

"I have two early nine-stars on my side, and I can still kill him!"

He said viciously: "Chen Feng, you dare to kill my man, I want you to resist!"

With that, he and the old man next to him looked at each other, and the two of them pushed towards Chen Feng together!

As he pushed forward, he said grimly: "Chen Feng, your strength is good, but can you escape your life under my two hands?"

Everyone around let out a low cry.

"Zhou Yangbing wants the two to besiege Chen Feng together!"

"Yes, Chen Feng is over this time, no matter how strong Chen Feng is, it is impossible to be the opponents of the two Nine Star Martial Emperors in the early days!"

"Yes, Chen Feng may be able to deal with one, but he definitely can't deal with two, this time Chen Feng will definitely die!"

They are not optimistic about Chen Feng, thinking that Chen Feng will not escape this time!

Soon, Zhou Yangbing and the old man pushed forward and sandwiched Chen Feng between them.

At this time, the little fear on Chai Deyu's face disappeared, turning into a heavy resentment, and he yelled frantically: "Chen Feng, you still threaten me? You threaten me again! How do I see you die today?"

"You will definitely die this time! You can't escape!"

"Two nine-star martial emperors besieged and killed you, you will definitely die miserably!"

"Hahaha..."

He thought that Chen Feng would definitely die this time, so he didn't hesitate to directly yell at him crazy!

Chen Feng shook his head, with a touch of extreme disdain on his face.

He glanced at Chai Deyu, did not say a word, just cut his throat with his hand, forcing a throat cut posture.

Seeing his action, Chai Deyu suddenly fell into an ice cellar, and he suddenly felt that he had made some unforgivable mistake.

However, before he could come back to his senses, the next moment Chen Feng looked up to the sky and shouted, "Zhou Yangbing, do you want to bully the less?"

"Haha, let's come, just a few more, how can Chen be afraid?"

"Do you think you can kill me? Let me tell you today that you are completely crushed by me above financial resources, and you are above military power..."

He smiled slightly: "Sorry, you will be completely crushed by me!"

With that said, Chen Feng directly rushed over, killing Zhou Yangbing and the old man.

He actually took the initiative to attack!

Everyone exclaimed: "Chen Feng is so bold!"

"Yeah, he actually took the initiative to attack the two nine-star martial emperor masters. Doesn't he know that he is seeking his own death?"

Zhou Yangbing yelled arrogantly: "Chen Feng, since you don't want to live anymore, then I'll send you on the road! Hahahaha!"

The old man stared at Chen Feng and said with disdain: "Boy, I think you are crazy, so you will take the initiative to attack the two of us."

Zhou Yangbing let out a violent roar: "Uncle Zhang, you attack behind him, and I attack him in front of him."

"Okay!" The old man Zhang Bo responded and attacked Chen Feng from behind.

However, Zhou Yangbing made a punch, fiercely.

The power of Jiuxing Wuhuang instantly swept across.

The two early powers of the Nine-Star Martial Emperor launched a pincer attack on Chen Feng together.

Powerful, the situation changed.*noVELusb.cOm*

The faces of the onlookers changed drastically!

Chen Feng laughed loudly: "Two is two, come two, I will kill one pair, Chen Feng!"

With that said, he slammed forward with a punch, but completely ignored the offensive behind him.

Zhou Yang said coldly, "You are planning to break the jar, right? You don't even have a defense behind it?"

A cold smile appeared on that Uncle Zhang's face. In his opinion, Chen Feng was already dead.

Chen Feng would die directly under his move.

Chen Feng laughed loudly: "That's not necessarily!"

The next moment, with a bang, his fist and Zhou Yangbing's fist slammed together.

Upon contact, Zhou Yangbing instantly changed his color and let out an unbelievable exclamation: "What? How can your strength be so strong?"

Then, Chen Feng's fist directly shattered his offensive, and then hit his fist.

Chen Feng's fist stood firm, and its color was as pale as gold.

And his fist made a bang, and the next moment, there were countless gaps on the fist, and blood spurted out of it.

The next moment, with a bang, the bones in his fist were all shattered.

Then, his wrist, forearm, and forearm!

Boom boom boom boom, bones are all shattered.

His arm dropped softly.

He screamed sternly, threw his body backwards madly, and slammed heavily on the ground. A mouthful of blood spurted out, feeling like he was hit by a hammer in his heart, and screamed in disbelief.

[Chapter 2806: Do you say I dare?](#)

Zhou Yangbing stared at Chen Feng and shouted, "How can you have such a strong power?"

With one punch, only one punch, Chen Feng was to abolish Zhou Yangbing's entire arm!

Zhou Yangbing stared at Chen Feng and roared in disbelief.

But then, the shock on his face turned into a strong bit of resentment: "What about this trick that you can crush me? You still can't escape Zhang's attack..."

The word 'strike' has not been spoken, but it stopped abruptly.

He let out a scream like a chicken: "How is this possible?"

It turned out that at the same time his voice fell, with a boom, that Uncle Zhang's fist hit the back of Chen Feng's heart.

Chen Feng stood still on the spot, but Uncle Zhang made a scream, and a tyrannical golden light directly bounced out of Chen Feng's body, causing a sharp pain in his fist.

Kaka Kaka, his entire fist and entire bone burst instantly.

He looked at Chen Feng and shouted in surprise, "How is it possible? Your body is so hard?"

Chen Feng turned back slowly at this time, smiled at him and said, "Didn't you say that I will die if I get a blow from you?"

"Didn't you say that I am going to die under your fist? Now, I am not dead!"

"Then what's dead is..."

Chen Feng's face instantly became cold and stern: "It's you!"

The next moment, Chen Feng turned around and punched out.

Uncle Zhang madly resisted, but how could he resist it?

With this fist, Chen Feng directly smashed his resisting arms into crumbs, and then hit his chest.

With a loud bang, his whole body trembled violently, and his whole body was like sifting chaff, blood spewed out from his mouth frantically, mixed with internal organs.

With a loud bang, his body flew out and hit the ground heavily.

After landing, he didn't even have time to make a sound, he just tilted his head and died.

Uncle Zhang, the early master of the Nine-Star Martial Emperor, was hit by Chen Feng!

Seeing this scene, Zhou Yangbing was completely stupid, staring at Chen Feng, exclaiming and shouting: "How is it possible? Ah! How is this possible?"

Only then did the surrounding audience come back to their senses. *novelUSB.com*

Suddenly, all of them screamed like a frying pan!

"Chen Feng actually killed Uncle Zhang?"

"Yeah! How is this possible? Uncle Zhang is an early master of the Nine Star Martial Emperor. Chen Feng actually killed him?"

"Moreover, it was so easy to kill!"

"Yes, Chen Feng just solved the Eight-Star Martial Emperor Peak with one punch, and he solved Uncle Zhang with only one punch!"

"This Chen Feng is terrible, what level of strength is he!"

Everyone gave out huge exclamations, and for a while, the square seemed to be fried.

Everyone was talking loudly, the protagonist of all the discussions was Chen Feng, and all of them looked at the proudly standing young man with extremely shocked eyes!

At this moment, the emotions of these onlookers have changed from the dignified and unbelievable before to a trace of fear.

You know, Uncle Zhang is an early master of Jiuxing Wuhuang!

And Chen Feng could easily kill him, which shows that Chen Feng's strength is already close to the middle stage of the Nine Star Martial Emperor.

The most important thing is that Chen Feng is young!

A person suddenly appeared and asked the person next to him: "How old is Chen Feng?"

"I don't know." The man next to him was also full of dignity: "I only remember that when he first came to the Xuanyuan family, an old friend of the Xuanyuan family told me that Chen Feng was less than twenty years old. Six years old."

"What? Less than twenty-six years old?"

After hearing this sentence from him, the surroundings suddenly made huge exclamations one after another.

An old man trembled and said, "If you are not even twenty-six years old, you have reached a level close to the middle stage of the Nine Star Martial Emperor!"

"God, I have spent three hundred years in Chaoge Tianzi City, and I have never heard of such a master!"

"Yes, a genius of this level, that is the existence that can become a pillar of the Ninth-Rank family in the future!"

The person next to him also nodded and said, "Yes, if you can break through to the Nine-Star Martial Emperor before the age of thirty, that is a recognized genius in Chaoge Tianzi City."

"And Chen Feng, he reached the middle stage of the Nine-Star Martial Emperor before the age of twenty-six. It's terrible, terrible! He is the top genius!"

These people looked at each other, and they all saw a trace of awe from each other's eyes!

At this time, Zhou Yangbing finally recovered.

He looked at Chen Feng with a dull face and said, "This is not true, this is not true! How could you kill Uncle Zhang? Uncle Zhang is so powerful!"

Chen Feng smiled and said, "I know you don't want to admit it, but unfortunately, this is the truth."

"And, not only can I kill him, but I can also kill you!"

"You still care about him now? I think it's better for you to care about yourself first."

As he said, Chen Feng sneered and walked slowly towards Zhou Yangbing.

The crowd was even more uproar: "Looking at Chen Feng's posture, he is going to kill Zhou Yangbing!"

"Yes, he must kill Zhou Yangbing by doing this!"

Zhou Yangbing's face was pale at this time because he realized that Chen Feng could kill Uncle Zhang, then he could kill him.

His strength is similar to that of Uncle Zhang, and even weaker than Uncle Zhang!

People around them all talked: "Does Chen Feng really dare to kill Zhou Yangbing?"

"Zhou Yangbing's master is a sword emperor!"

"Yes, his master is a very personal figure. If Chen Feng kills Zhou Yangbing, it will be infinite trouble!"

Hearing what the people around him said, Zhou Yangbing instantly became energetic, and immediately had the courage in his heart: "Yes, my master is a sword emperor!"

"How dare Chen Feng kill me?"

He immediately became arrogant. After standing up from the ground, he looked at Chen Feng, gritted his teeth and said coldly, "Boy, you dare not kill me."

"If you dare to touch me, my master will kill you all! My master will make you die miserably!"

"Oh? Really?" Chen Feng smiled slightly, his figure flashed, and came to him, grabbed his remaining arm, and then stretched out his hand to twist it.

With a loud bang, the bones in his arm were directly shattered, and fell softly.

At the same time, Chen Feng sneered: "You said I dare not kill you?"

Before he finished his words, he kicked out again, shaking his left leg to pieces, and smiling and saying, "Do you say I dare to kill you?"

Then, another kick kicked out, shattering the only intact right leg she had left.

[Chapter 2807: stop!](#)

Chen Feng yelled: "Come and tell me, do I dare to kill you!"

The arrogance, the disdain, and the domineering on Zhou Yangbing's face disappeared without a trace, replaced by a fear that was so strong that it was almost solidified.

He stared at Chen Fengfeng blankly, his face instantly pale and trembling all over.

He suddenly realized that Chen Feng was really going to kill him!

Chen Feng not only has this strength, but also has this courage!

He was almost silly, and said in a trembling voice: "How dare you? How dare you?"

The body is like sifting chaff, and the fear is already extreme!

The onlookers all exclaimed: "This Chen Feng is brave enough!"

"Yes, Zhou Yangbing's master is not in his eyes."

Someone shook his head slightly and said, "This Chen Feng is not afraid of the heavens and not afraid of the sky, but when Zhou Yangbing's master comes to him, I don't know what he looks like."

But there is also a person who is not in such a leisurely mood to discuss this matter.

He trembled all over, his body was like sifting chaff, and his eyes were full of extreme fear.

This person is Chai Deyu.

Chen Feng's tyrannical strength completely shocked him.

And Chen Fengfeng's so cruel means, so unscrupulous, it also completely frightened him.

He looked at Chen Fengfeng, his heart was full of fear and regret: "It's over, it's over, Chen Feng will definitely not spare me."

"I humiliated him like that just now. He will definitely kill me. With his strength and courage, he won't even let Zhou Yangbing go. If he doesn't forgive him, how could he take me seriously? in?"

"It's over, it's over, I must be dead, I must be dead."

He even burst into tears with fright, his whole body was almost unable to stand, his legs were soft, and he just wanted to fall down.

He quietly stepped back from the crowd, trying to avoid Chen Feng's sight and escape.

While everyone was talking about it, Chen Feng put his hand on Zhou Yangbing's head and said with a smile: "Now tell me, dare I dare to kill you?"

Feeling the incomparable power from that hand, Zhou Yangbing was directly shocked. *novelusb.com*

He let out a stern scream: "You dare to kill me, do you dare to kill me, please, don't kill me, please, spare me a dog."

He was so scared that he didn't have the slightest courage, but his legs were soft, he knelt directly on the ground, and repeatedly knocked his head towards Chen Feng.

While kowtow, he cried bitterly for mercy, screaming frantically: "Master Chen Feng, Grandpa Chen Feng, please don't kill me!"

He was so scared by Chen Feng that he didn't even have the courage to speak, only begging for mercy, only kowtow.

Chen Feng haha, his heart was extremely happy.

The emotions that had accumulated before were swept away!

After a while, Chen Feng looked at him and said lightly: "If I remember correctly, you seemed to make me kneel on the ground and knock you three hundred beeps, and then call you three hundred grandpa."

"Is there such a thing?"

Zhou Yangbing was extremely clever when facing such a huge threat between life and death at this time.

He didn't wait for Chen Feng's command, and immediately started knocking his head.

Every time you knock your head, you call grandpa.

Soon, there were dozens of shouts.

Chen Feng laughed: "My dear grandson is really filial!"

There was no sound on the square, and everyone was watching this scene.

After a short while, the three hundred bangs were finished, and the three hundred grandfathers had also finished calling.

At this time, Zhou Yangbing's voice became a little hoarse.

Chen Feng's eyes were still cold.

Zhou Yangbing suddenly moved in his heart and shouted loudly: "I have something that can redeem my life! I can redeem my life!"

Chen Feng frowned and said, "What?"

Zhou Yangbing quickly took out a few gold thread kits from his arms, held them up high, and said in a trembled voice: "Please accept it."

Zhou Yangbing's face was full of unwillingness, because that was a million-dollar white dragon blood amethyst!

It took him countless efforts to get it. During the period, he didn't know how many hardships he went through. How can he let him hand over in vain?

But he knew very well that if he dared to hesitate at this time, Chen Feng was afraid he would kill it directly.

Therefore, he hurriedly raised his arm and handed the golden thread kit to Chen Feng.

This action made him pale with pain and sweating on his forehead.

Because the bones in his arm had been shattered by Chen Feng!

Looking at the golden thread kits, Chen Feng raised his brows and showed a sneer at the corners of his mouth. Without looking at them, he stretched out his hand and copied it in his own hand and put it in his sleeve.

Chen Feng wouldn't be so stupid to open this golden thread kit now.

As the saying goes, Caibo touches people's hearts. If someone sees how many dragon blood amethysts are in it, it may be difficult for him to get out today.

However, Chen Feng estimated that there must be many dragon blood amethysts in it.

He secretly rejoiced in his heart, and a smile appeared at the corner of his mouth: "This time, because this dog kept raising the price with me, it made me spend so much in vain and bought these two things. Now I can finally make up for it! "

Zhou Yangbing looked at Chen Feng, his face was full of begging: "I have given you everything I can give, you can spare me, spare my life!"

Chen Feng looked at him and said lightly: "I was going to kill you, but since you are so witty, I will spare your life!"

"However, capital crimes can be avoided, and living sins are hard to forgive!"

With a palm, Chen Feng squeezed towards his dantian.

It was actually going to directly abolish Zhou Yangbing's cultivation base!

Zhou Yangbing let out a scream of incomparable sorrow, and his body went backwards one after another, pulling back on the ground, trying to escape.

But where can I avoid it?

At this moment, a loud and domineering voice suddenly came from a distance: "Stop!"

When Chen Feng heard this, he raised his brows and paused.

Then, stood up and looked behind him.

I saw that a green ray came here at an extremely fast speed.

The shape of this green light was like a long rainbow, very domineering and dazzling.

With a bang, the green light stopped above the square, and everyone screamed after seeing it.

It turned out that this green light turned out to be a long sword.

This long sword is extremely large, reaching more than one hundred meters in length and nearly ten meters in width.

This green color penetrated from the body of the great sword, shining brightly, and extremely beautiful. The material of the entire sword seemed to be wooden, with mysterious wood grains on it.

Those wood grains, with natural textures, form a mysterious array, which looks extremely delicate and profound, and you can see the extraordinary product at a glance.

Exclaimed from below.

[Chapter 2808: The genius of Bahuang Tianmen!](#)

"This long sword, I think, at least has reached the fourth rank emperor's soldier!"

"That's right, not only the soldiers of the fourth-rank emperor, but also the ability to fly to the sky, this rank is about to be in the upper half!"

Above the green long sword, a loud voice came: "Boy, how dare to move my Zhou Xian brother? I can't spare you today!"

As he said, with a bang, he inserted directly on the ground.

And everyone saw that at the top of the long sword, a figure slowly floated down and landed on the square, a hundred meters away from Chen Feng.

This figure wears a green robe.

On the robe, there was a flickering array.

The green light, like the light of water, rippled out one after another.

He is quite tall and thin, looking about 30 or 40 years old, and his eyebrows, beard, and even hair are all pale green.

Even those eyes are all green!Novelsb.com

When his voice just came, Zhou Yangbing, who was originally paralyzed on the ground, like a dead dog, suddenly burst into his eyes, full of hope.

In an instant, the whole person became extremely excited and shouted loudly: "Gao Haoqiong, Brother Gao, are you here?"

And when this green person fell to the ground, Zhou Yangbing was even more excited.

It seemed that the two legs didn't hurt anymore, and he got up from the ground, and then staggered and ran towards this person.

After arriving in front of him, he felt the pain in his legs to the extreme, and he let out a scream, thumped, and fell to the ground.

However, he didn't even care about the pain in his body, he just looked at Gao Haoqiong, hissing and shouting: "Big Brother Gao, you are finally here, you are finally here."

"You come, my little brother's life will be saved."

"Great, here you are..."

He seemed to be suffering from it, holding the leg of the green-robed man and weeping.

Chen Feng raised his brows: "It turns out that this person's name is Gao Haoqiong."

This name is a bit familiar, it seems to be heard somewhere.

But the onlookers around, after hearing the name Gao Haoqiong, their discoloration changed, and their faces were shocked, and they all exclaimed.

"This person is actually Gao Haoqiong?"

"It turns out that he is Gao Haoqiong, the well-known Tianjiao disciple of the Bahuang Tianmen generation!"

"Yeah, it turned out to be him! It is said that he has the true biography of the Bahuang Tianmen. Although he is young, he already has the strength of the nine-star Wuhuang early stage and close to the nine-star Wuhuang mid-stage. He is very tyrannical! Valued!"

"Yes, he was fifteen years ago, but when he was twenty, he killed several murderers with a single sword, and he killed an eight-star Martial Emperor peak master five years ago. ."

"In the first two months, I heard that he came out after five years of retreat, and his strength has made breakthroughs. He is already close to the middle stage of the Nine Star Martial Emperor. It turned out to be him!"

Everyone exclaimed.

Obviously, Supreme Haoqiong is very famous and powerful.

Their gazes towards Gao Haoqiong were full of jealousy and a hint of surprise.

I am very curious why this person came here.

Hearing what they were saying, Gao Haoqiong showed a slight smile at the corner of his mouth, very proud.

He does have a reason to be proud, because he is the arrogant generation of Bahuang Tianmen!

Taking a look at Zhou Yangbing, who was holding his pain, there was a look full of disgust in his eyes, as if he was extremely disdainful of Zhou Yangbing.

However, this look disappeared in an instant and was replaced by a thick smile.

There was a heavy smile on his face, but there was also a hint of regret, shock, and anger.

He looked at Zhou Yangbing and said with a trembling, "Brother Zhou, what's wrong with you? What's wrong with you? Who made you like this?"

His hands trembled, as if he was extremely angry.

It seemed that he was extremely worried about Zhou Yangbing's situation, very worried.

Seeing this scene, Chen Feng was beside him with a chuckle at the corner of his mouth. He shook his head, and a wave of contempt surged in his heart.

He said to himself in his heart: "It's really hypocritical."

With his so sophisticated look, how could Zhou Yangbing and Gao Haoqiong's expressions get out of his eyes?

Obviously, Zhou Yangbing now regards Gao Haoqiong as a savior, but Gao Haoqiong is not necessarily. He shouldn't care about Zhou Yangbing at all, but he pretended to be very worried.

When Gao Haoqiong asked, Zhou Yangbing suddenly felt sad, his crying voice became louder again, and his tears and nose were wiped on Gao Haoqiong's clothes.

A hint of impatience flashed in Gao Haoqiong's eyes, but he didn't show it. He just grabbed Zhou Yangbing's hand with a comforting smile at the corner of his mouth, and said softly:

"Okay, Brother Zhou, the mood is a little calmer, now I'm here."

"Your elder brother, I'm here, I can avenge any grudges for you, you can rest assured."

His voice became bitter, and Bing Han rose: "Who dares to bully you, I want his life!"

Upon hearing this, Zhou Yangbing seemed to come back to his senses, and suddenly he stopped crying. He slowly stood up and stared at Chen Feng with very bitter eyes.

Then he said word by word to Gao Haoqiong: "Big Brother Gao, it's him, it's this dog thing, he made me the way I am now!"

"He killed Uncle Zhang, broke my hands and feet, and snatched all the dragon blood amethysts here."

"Brother Gao, you must avenge me!"

"Oh, I see!"

There was a sneer at the corner of Gao Haoqiong's mouth. He looked at Chen Feng and said, "What my brother said is true."

Chen Feng looked at her with a smile, and said lightly: "The results he said are all right, but he didn't say why."

The smile on Chen Feng's face closed, and his voice was as cold as ice and said, "Of course he won't tell you, it is he who provoked."

"First, he deliberately tried to provoke him in the auction, but in the end I couldn't compete with me, and instead I was slapped in public, so I felt hatred."

"Block me outside this auction floor, want to take my life, want to rob my treasure, that's why I treat him like this!"

"Oh, that's the case, isn't it?" Gao Haoqiong nodded thoughtfully, then looked at Zhou Yangbing.

Zhou Yangbing quickly explained: "Brother Gao, don't listen to him nonsense, this is impossible, this is not true."

"He is slandering me!"

Gao Haoqiong raised his eyebrows. When he saw this look, he naturally knew that Chen Feng was not bad at all, but Zhou Yangbing was talking nonsense.

His other face sterned and looked at Zhou Yang and said coldly, "You dare to deceive me?"

[Chapter 2809: Compared with me, you are also worthy?](#)

Zhou Yangbing didn't know where to put his panicked hands, and he was completely confused.

And at this moment, Gao Haoqiong suddenly laughed and looked at Zhou Yangbing and said, "Brother Zhou Yang, I was joking with you."

Then, he turned his head abruptly, stared at Chen Feng, and said grimly: "I don't care what the reason is, I only saw it. Brother Zhou was bullied by you and your limbs were broken."

"And I will avenge him!"

Chen Feng stared at him, smiled and said, "The disciples of Bahuang Tianmen, don't even care about morality and justice?"

"What about the disciples of Bahuang Tianmen? This is the Dragon Vein Continent, with big fists, and it makes sense!" Gao Haoqiong yelled, "My brother this week, I have such a close relationship with me, so I naturally speak for him."

"If he wants to kill you, you should straighten your neck obediently and let him chop off your neck instead of resisting."

He stared at Chen Feng and shouted fiercely every word: "If you dare to resist, I will kill you!"

What he said was extremely ruthless and domineering, and it was clear that it was not reasonable at all.

Zhou Yangbing returned to normal at this time and laughed loudly: "Big Brother Gao said well!"

There was a sneer on Chen Feng's face, Gao Haoqiong, clearly meant to protect his shortcomings, or not to be reasonable.

He looked at Gao Haoqiong and said faintly: "I should have known long ago that all of you in the Eight Desolate Heaven Clan are ordinary goods."

"Boy, how dare I say that about my Bahuang Tianmen?" Gao Haoqiong stared at Chen Feng and said with a gloomy face: "Do you know how much this sentence will cost you today?"

"The price!"

He stared at Chen Feng and said, "It's your life!"

Chen Feng smiled and said, "This sounds familiar, as if someone had said it to me just now."

"But now, he is kneeling there."

With that said, he pointed to Zhou Yangbing!

"A man with sharp teeth!" Gao Hao Qiong smiled coldly, and said: "It seems that you don't want to get rid of your neck and kill. It seems that you still have a little chance of luck."

Chen Feng looked at him and said lightly: "It's not that there is a chance of luck, but I didn't put you in my eyes at all."

"Boy! Really arrogant!" Gao Haoqiong reprimanded coldly.

The people around also made a ridicule: "This Chen Feng is too arrogant!"

"Yes, how does he compare to Gao Haoqiong?"

"He hasn't put Gao Haoqiong in his eyes? I think Gao Haoqiong doesn't put him in his eyes at all!"

"Yes, Gao Haoqiong should look down upon him. Gao Haoqiong is the proud son of heaven, the genius of Bahuang Tianmen, what is Chen Feng compared to Gao Haoqiong?"

"This Chen Feng is too arrogant, he is looking for death!"

Everyone said so.

Gao Haoqiong is even more proud.

He looked at Chen Feng with a proud expression on his face: "Boy, do you still want to compare with me? You don't take a **** and take a picture of yourself to see what you are!"

Chen Feng stared at him, his eyes were cold, and murderous intent appeared.

Chen Feng was already a bit murderous towards him, but Gao Haoqiong didn't realize it.

He looked around and said proudly to everyone, "I am Gao Haoqiong, have you all heard of my name?"

"Yes, we've all heard of it! Lord Gao, that's a strong man of the dignified heavenly gate, extremely powerful! It can be called a generation of arrogance!"

"Master Gao, he is very powerful, he is better than this kid but I don't know how much, and he is also famous for how many times he is stronger."

Everyone attacked Chen Feng one after another, Gao Haoqiong was very proud and laughed.

He raised his chin, looked at Chen Feng with extremely arrogant eyes, and said, "Boy, did you hear that, did you hear what everyone said?"

"What kind of person am I, and what kind of person are you? Compared to me? Are you worthy too?"

The fear and despair on Chai Deyu's face just now disappeared.

He saw Gao Haoqiong coming, he thought Zhou Yangbing was saved, and he also thought he was saved.

He immediately became arrogant again, jumped up, pointed at Chen Feng and yelled, "Boy, you're crazy!"

"What are you comparable to Master Gao? Once Master Gao Haoqiong comes, just move your finger and you will be wiped out!"

"Don't you hurry to kneel on the ground to plead with Master Zhou and Master Gao?"

Chen Feng squinted at him, his eyes flashed murderously, and faintly uttered four words: "Jumping beam clown!"

Chen Feng has made up his mind, and after Gao Haoqiong is resolved later, he will kill Chai Deyu!

Chen Feng stared at Gao Haoqiong and smiled and said, "If you want to fight, you can fight, where is so much nonsense? Isn't it a showdown? So now, hurry up!"

Gao Haoqiong didn't panic. He looked at Chen Feng with a playful look, as if he wanted to enjoy the play before the killing.

A sneer appeared at the corner of his mouth and said: "Don't worry, I won't let you die so easily. I will let you live in endless fear before you die."

"The first thing I want to do is to let you know what a powerful opponent you are facing!"

He looked at Chen Feng and said, "Next, after you hear this news, you don't even have the courage to fight."

Chen Feng shook his head, just thought it was funny!

After saying this, Gao Haoqiong slowly floated up, allowing as many people as possible to see him.

Then, he looked at everyone, with a very proud, very proud expression, and said loudly with his chin held high:

"Everyone, I have one more important thing to announce here!"

When he heard this sentence, everyone was holding their breath and waiting for him to speak.

In their eyes, Gao Haoqiong was distinguished and powerful, and he could be called a generation of arrogance. He said it was a very important thing, so it must be extremely important.

Gao Haoqiong said in a loud voice: "Just ten days ago, the people from the God of War Mansion came to the Bahuang Tianmen in person to select the people of the mainland young dragon list."

He glanced at Chen Feng, raised his chin extremely arrogantly and said, "Last year, when the people from the God of War Palace came to Bahuang Tianmen to choose people, I lost the election one step away."

"And this time, they told me that by next year, I will have a place on the mainland young dragon list!"

He laughed, his voice stunned the entire square: "By next year, I will be able to enter the mainland young dragon list!"

"what?"

Upon hearing this, everyone was shocked.

There was a huge and incomparable voice at the scene: "Gao Haoqiong can actually enter the mainland young dragon list?"

"God, this is too shocking!"

"Yes, Gao Haoqiong deserves to be a generation of arrogant talents, he can actually enter the mainland young dragon list!"

"That's right, entering the mainland young dragon list means being recognized by the God of War Mansion, that is, by the entire Dragon Vein Continent as a genius among the younger generation above the Dragon Vein Continent, a generation of geniuses."

[Chapter 2810: Is it this one?](#)

"Moreover, if nothing happens, you can definitely become a top powerhouse on the Dragon Vein Continent in the future!"

"I heard that people who can enter the mainland young dragon list will not be below the half-step Wudi state in the future, and most of them can enter the Wudi state."

Someone exclaimed: "Oh my God, this Gao Haoqiong is too tyrannical!"

Everyone uttered huge admiration, and the sense of awe in Gao Haoqiong's eyes became more intense!

Gao Haoqiong obviously enjoyed everyone's gaze and expression very much.

He laughed wildly, pointing at Chen Feng, his fingers filled with contempt. *novelupdates.com*

"Boy, have you heard? I'm the one who is about to enter the mainland young dragon list!"

"How about you? What are you? Can you enter the mainland young dragon list?"

He laughed, extremely contemptuous!

"Yes!" Everyone also ridiculed.

A fat man in a golden robe not far from the side laughed and said: "Master Gao, look at what you said, let alone enter the mainland young dragon list, I am afraid I have never heard of it."

"With his strength, how can he enter the mainland young dragon list?"

"Yes!"

A tall young man next to him sneered disdainfully and said, "It's just a foreigner from the Xuanyuan family who came up from below. He has no strength, no identity, and no knowledge of why he entered the mainland young dragon list?"

Everyone nodded, many of them agreed.

Gao Haoqiong ridiculed Chen Feng. Obviously, they did it purely to curry favor with Gao Haoqiong!

Chen Feng stood there, smiling silently.

However, the obliteration in his eyes is getting deeper and deeper.

He shook his head slightly, only feeling extremely ridiculous in his heart.

"I have already been selected to the mainland young dragon list, but he is not even qualified to be included in the mainland young dragon list."

"This Gao Haoqiong is really arrogant. He will only be able to enter the mainland young dragon list next year. It's so arrogant here!"

How can he compare with himself?

Seeing the disdainful smile on Chen Feng's face, Gao Haoqiong was instantly furious.

He stared at Chen Feng and said coldly: "Little boy, what are you smiling? Do you still have a face to smile?"

"You can still laugh? You will die soon, and I will be beheaded soon!"

Chen Feng looked at him, smiled and said, "I'm about to enter the mainland young dragon list, isn't it? It's really amazing! It's amazing!"

Everyone can hear the irony in the voice.

"Oh, you think I'm about to enter the mainland young dragon list. Isn't it normal?"

Chen Feng nodded: "Yes, it's really average."

After Chen Feng said these words, Gao Haoqiong immediately laughed, as if he had heard the funniest thing in the world. He laughed so hard that he could hardly stand up.

"Boy, what did I hear? You said that I will be able to enter the mainland young dragon list next year. It is very common?"

"Hahaha, boy, I suspect you don't even know what it means to enter the mainland young dragon list!"

"Sure enough, you are a person who has neither the strength nor the short-sightedness. You don't even know what this means! You dare to speak out here!"

And everyone around also laughed, full of ridicule.

"This Chen Feng is really arrogant!"

"Yeah, what kind of thing is he worthy of showing that it is very common to enter the mainland young dragon list in this year?"

"He has waited for decades and hundreds of years, and he is not qualified to enter the mainland young dragon list. He still has the face to say such a thing?"

And Chai Deyu ridiculed him crazily: "Chen Feng, you are jealous, jealous of the tall man! It's ridiculous!"

Everyone is mocking Chen Feng's ridiculousness.

At this moment, Chen Feng shook his head and suddenly made a move.

Chen Feng stretched his right hand forward and swiped it. A golden scroll suddenly appeared in his right hand.

After the golden scroll appeared, the laughter in the crowd was still there, but the voice was much lower.

Everyone cast their gazes on the scroll, a little curious about what this is. Some people seemed to have guessed it, and immediately exclaimed, "Is this?"

Chen Feng smiled slightly, shook his right hand, swiped it, and the scroll opened.

This is actually a list.

Many names appeared on it, and one of them was brilliant, far surpassing the others.

In the end, the name got bigger and bigger, and it occupied the entire golden list.

At this time, the entire square was silent, and everyone turned their eyes to the golden list!

Everyone also saw clearly what the two words on the list were: "Chen Feng!"

On this list, the words Chen Feng were written surprisingly!

Chen Feng looked at the crowd, smiled and said, "Is this the mainland young dragon list you mentioned?"

"What is this? Why is Chen Feng's name on it?"

Someone asked ignorantly.

And Gao Haoqiong trembled, and exclaimed: "This, how is this possible? This turned out to be..."

"This is the mainland young dragon list!" He hadn't finished speaking, someone had already said the name of this list loudly.

The person was shocked, and his voice trembled again and repeated: "This is the mainland young dragon list!"

"What? This is the mainland young dragons list?" When everyone heard this, they all felt like they had fried a pot: "God, this is the mainland young dragons list?"

"How can Chen Feng own the mainland young dragon list? Didn't it mean that only people on the list will be issued the mainland young dragon list?"

"How is it possible? There is Chen Feng's name on this mainland young dragon list? Could it be that..."

"Could it be that Chen Feng is actually ranked on the mainland young dragons list? Has he been on the mainland young dragons list?"

In the entire square, it was like boiling a pot of porridge in an instant, everyone was yelling in disbelief, everyone was yelling frantically.

They can't believe their eyes, their spirits can hardly bear this fact.

Only by constantly yelling and exclaiming can they alleviate the shock in their hearts that almost filled their entire soul.

"How is it possible? How is this possible?"

Everyone couldn't believe it and watched this scene blankly, Chen Feng.

Haha laughed, looked at everyone, and let out a crazy shout: "Have you seen it? Have you seen what list this is? Have you seen the name above?"

"Look at it clearly! Open your dog eyes and show me a good look!"

Chen Feng said this to everyone.

He directly said that everyone's eyes are dog eyes, but no one dared to refute it.
