

Peerless 2861

[Chapter 2861: ungrateful!](#)

"Any one can easily kill him, and he is still pretending to be calm and composed here."

"As for this young man in purple robe, he is even more remarkable. He is much stronger than him, but he is still stiff, which makes people look down upon."

Of course she would not admit that the reason why she couldn't understand Chen Feng was because there appeared a more handsome and taller young man who looked stronger and had a more prominent background.

At this time, her attention had been attracted by the purple-robed youth.

Then, the purple-robed youth turned around and looked at the three brothers of the Zhang family.

The three Zhang family brothers looked at him with dread.

You know, his strength is not only close to the middle stage of the Nine-Star Martial Emperor, but a real powerhouse in the middle stage of the Nine-Star Martial Emperor!

The three Zhang family brothers looked at the purple-robed youth, and said coldly, "Who are you? Are you coming here to take care of your business?"

The purple-robed youth laughed loudly: "Who am I? Don't think I don't know what you are fighting for! You just want to ask my details!"

"Actually, I use my strength to defeat you."

"I don't want to say where I came from, because I think you will run away in fright after I say it!"

"But, since you want to ask, then I'll tell you!"

As he said, he proudly said: "Tell you, my name is Chao Yuanjia! I come from the Chao family!"

"What? The Chao family?"

"This Chao Yuanjia was born in Chao's family?"

"Xihuang Chao's family?"

Hearing the words Chao Family, the three Zhang Family brothers were taken aback for a moment, and then all exclaimed, with a touch of shock on their faces.

The purple-robed youth Chao Yuanjia laughed proudly: "If it wasn't for this Chao family, which Chao family would there be?"

"He turned out to be a member of the Chao family? I can't believe it!"

At this time, the three brothers of the Zhang Family looked at the purple-robed youth no longer in jealousy, but full of shock and fear.

Sang Youhan's face was also full of shock: "Master, you turned out to be a member of the Chao family? Too strong!"

She turned her head and looked at Chen Feng excitedly and said: "Young Master Lin, this Chao family is a very powerful family in the Western Wilderness! If it were placed in Chaoge Tianzi City, there would be an eight-tier family."

"Although it hasn't reached the level of the nine major forces, it is very powerful!"

At this time, Chao Yuanjia turned his head to look at Chen Feng, smiled and said, "I just don't know, which family do you belong to, this son?"

Before Chen Feng had time to speak, Sang Youhan hurriedly said, "If you return to the son, this is Lin Chen, a member of the Lin family of the sixth-grade family of Chaoge Tianzi City."

She looked at Chao Yuanjia with a strong flattery on her face, and said with a smile: "His family is far worse than yours."

After she said this, Chen Feng's brows condensed, and a cold color flashed in his eyes.

What Sang Youhan said just now is very interesting.

She had always referred to Chen Feng as Young Master Lin before, but this time, she called him directly.

Moreover, she added that sentence deliberately.

Obviously, there is a strong meaning to belittle Chen Feng and curry favor with Chao Yuanjia.

She was flattering Chao Yuanjia by belittling Chen Feng's family, and narrowing the relationship with Chao Yuanjia!

Hearing what she said, Chao Yuanjia was even more proud, haha smiled and said to Chen Feng: "You are a trash, don't you admit it?"

"It can be seen from our family that you are just a waste compared to me!"

"I am stronger than you, and my family background is higher than you. What's the matter if you say you are a waste?"

On the side, Sang Youhan said with a flat face, "Of course there is no problem."

"My son, you are so powerful and you have such a prominent background. Of course there is no problem saying these things."

Ji Caixuan finally couldn't bear it, and said angrily: "Sang Youhan, what do you mean?"

Sang Youhan opened his hand, pretending to be innocent, and said, "I don't mean anything! I'm just telling the truth!"

At the same time, she took two steps in the direction of Chao Yuanjia, and quietly opened the distance from Chen Feng, getting closer to Chao Yuanjia.

Obviously, she is now trying to separate her relationship with Chen Feng so as not to misunderstand Chao Yuanjia.

Then, she looked at Ji Caixuan, raised her mouth, and said in a provocative tone: "I'm telling the truth, can't it? You control it quite broadly!"

This person, really ungrateful, turned his face very quickly.

Ji Caixuan was even more furious, looking at her, just about to speak.

At this time, Chen Feng patted Ji Caixuan's hand, smiled and said, "You don't need to be familiar with him!"

Chao Yuanjia looked at Chen Feng, shook his head, and said, "Boy, you are really tolerable!"

Then, he suddenly turned around, glared at the three brothers of the Zhang family, and said sharply: "Don't you hurry up?"

"I have given you so long, you still don't get out, do you want to wait for me to kill some of you?"

The three Zhang brothers looked at each other, and there was a hint of hatred in their eyes.

However, they did not dare to conflict with Chao Yuanjia.

After all, Chao Yuanjia's strength is so powerful.

The Zhang family boss, the man holding the golden hammer gritted his teeth and said, "No., you are great, our brother admitted today."

As he said, he yelled: "Brothers, go!"

Then, he turned around and hurried away.

The other two quickly left behind him, and disappeared in an instant.

Seeing this scene, Sang Youhan clapped his hands vigorously, walked to Chao Yuanjia and said loudly, "Master Chao, you are so amazing."

"It was just a single sentence that scared these three murderers away."

As she spoke, suddenly the conversation turned, she glanced at Chen Feng, and said with a mocking smile at the corner of her mouth: "It's not like someone, I was so scared by these three people that they were at a loss, even their nonsense. Letter, I am going to hand over all my belongings!"

Ji Caixuan said angrily: "You!"

What she said was obviously mocking Chen Feng.

Chao Yuanjia naturally heard it, and when she saw her mocking Chen Feng, Chao Yuanjia was even more proud. He stretched out his hand and directly pulled her next to him, rubbing her white jade hand.

Sang Youhan not only didn't have any resistance, but looked at Chao Yuanjia with a smile on his face!

Chen Feng felt very tired and crooked, this sangyouhan was really endless, and he kept ridiculing himself!

Seeing the indifferent smile on Chen Feng's face at this time, Sang Youhan's eyes flashed with jealousy.

He still remembers the scene in which he recommended himself a pillow seat and seduce Chen Feng all the way, but Chen Feng flatly rejected it.

This made her feel a great loss of face.

She didn't dare to say it before, but now she knows Chao Yuanjia and thinks she has a backer, so she immediately vented this emotion!

[Chapter 2862: Murderous intent!](#)

She looked at Chen Feng, raised her eyes, and said bitterly, "Master Chao is right, Lin Chen, you have no other advantages, but you really know yourself."

"Knowing that it is no good to have a conflict with me now, so just let your woman bear it."

As he said, there was a smug giggle, full of revenge pleasure.

Chen Feng looked at him with a flash of coldness in his eyes.

This woman, if Chen Feng was just a bit disgusted with her at the beginning, then she has already started a bit of murder.

What she did was too much!

And Sang Youhan didn't know it yet.

She looked at Chao Yuanjia, with a soft and charming face, and said, "Master, if he wants to kill me, you have to call the shots for me!"

Chao Yuanjia laughed triumphantly and said, "Don't worry, I will definitely make the decision for you!"

"What kind of thing is he? If he dares to touch your hair, I will kill him with a wave of hands!"

Looking at Sang Youhan, Chen Feng's eyes were full of icy colors.

As for Sang Youhan, Chen Feng can now see it through.

This woman has a seductive face and is extremely attractive, but she has a very mean and cold temperament, who turns her face in disapproval.

Just now, he was facing all kinds of hooks on himself, but in a blink of an eye, he saw a stronger one, and immediately turned his face to fawn on Chao Yuanjia desperately, and on the contrary came to suppress himself.

This person's xinxing is really very vicious.

What's more ridiculous is that this Chao Yuanjia is actually far inferior to Chen Feng!

Chen Feng didn't bother to care about them at all, and even during the whole process, Chen Feng didn't say anything at all.

Chen Feng didn't want to have extra branches on the way to the True Dragon Arhat Gate, and things like this, Chen Feng didn't even bother to do it.

He just glanced at Sang Youhan and Chao Yuanjia indifferently, and then turned to Yuyan, ready to leave.

Ji Caixuan and Chen Ziyuan also walked up.

At this moment, Chao Yuanjia looked at Chen Feng with a vicious look flashing in his eyes.

He felt very unhappy when he saw Chen Feng's indifferent emotions. He felt that Chen Feng hadn't put him in his eyes at all, which made him feel angry in a moment.

His figure flashed, and he stopped directly in front of Yu Nian.

Then, staring at Chen Feng, he said coldly, "Boy, what did you mean by that look?"

Chen Feng looked at him lightly and said: "It's not interesting."

He said lightly: "Now, get out of the way, I'm leaving."

"Boy, don't you feel that there is no face, and it's meaningless to stay here, so you desperately want to escape?" Chao Yuanjia let out a smug laugh.

Sang Youhan said loudly next to him: "The son-in-law is right, it must be the reason."

"He didn't have the strength to fight back in front of the three brothers of the Zhang family. He was very embarrassed. He wanted to surrender all his belongings in exchange for his life, but he didn't expect that the three brothers of the Zhang family would be scared away by your son."

"Naturally, he has no face and dare not stay here anymore."

To be praised by her, Chao Yuanjia laughed triumphantly, stretched out his hand to grab Sang again, and kissed her on the cheek with a chirp.

Sang Youhan giggled, and the flowers trembled.

Chen Feng took a deep breath and suppressed the last breath.

He almost couldn't control his emotions, but Chen Feng warned himself in his heart that he shouldn't lose big because of small mistakes.

"Chen Feng, your real purpose is to be in the real dragon Arhat Sect!"

If it weren't for the true dragon Arhat in his heart, Chen Feng would now take action to abolish this pair of dog men and women!

Chen Feng was about to leave again. At this time, Chao Yuanjia looked at Chen Feng and suddenly said very arrogantly: "Hold on!"

Chen Feng stared at him with murderous flashes in his eyes.

He is almost unable to control his emotions, he is almost impatient!

Chao Yuanjia stared at Chen Feng and said, "I just saved your life. Do you mean it?"

"Just leave? Is this everyone's style?"

The corners of the mouth showed a touch of disdain!

Chen Feng stared at him, his eyes flashed with cold light, and he sighed softly.

He was about to lose patience, Chen Feng did not want to cause trouble, but this did not mean that Chen Feng was afraid of trouble.

If Chao Yuanjia dared to say one more thing, Chen Feng would immediately shoot.

As long as Chen Feng takes the shot, whether Chao Yuanjia can escape a life is a question!

As long as Chen Feng does it, he must let Sang Youhan and Chao Yuanjia know how powerful his true strength is!

Suddenly, Sang Youhan approached Chao Yuanjia's ear and said softly, "Master, don't be familiar with him."

"Where is he worth your hands?"

She seemed to be whispering, but in fact, the volume was just right for Chen Feng and the others to hear it. Obviously she was deliberately humiliating and punishing!

Chao Yuanjia laughed and said, "Okay, then I will save you face and let this kid go!"

As he said, he waved his hand impatiently and said in a reprimanding tone: "Okay, now spare your life and get out of here!"

Sang Youhan giggled and said, "Young Master Lin, now we are not in debt."

"You saved my life before, but now I have returned this love to you!"

This person is really ridiculous, Chen Feng is a life-saving grace to her, and what she said just now was to retaliate, but in fact it was to humiliate Chen Feng.

Ji Caixuan was about to explode, clenched her fists, her fingernails were deeply pinched into the flesh, and the blood had already flowed out.

But Chen Ziyuan was staring at Sang Youhan, with a coldness in front of her, almost unable to bear the killing intent in her heart.

Compared with Chao Yuanjia, they hate Sangyouhan more.

This capricious person, and eat inside and out!

Chen Feng took a deep look at them, then turned around, the vehicle started quickly, and left directly, disappearing without a trace in a blink of an eye!
noVeluSb.com

Sang Youhan and Chao Yuanjia's triumphant laughter came from behind!

The two of them didn't know that they had taken a life.

Soon, as the sun sets, the night is approaching again.

Chen Feng stood outside Yu Nian and looked into the distance.

At this moment, he could feel that the weather here had dropped from the time when he had just left Chaoge Tianzi City.

The surrounding ice and snow has changed from the previous white to a light green.

This is how ice and snow will appear after freezing.

He is standing here, the cold wind is biting.

Chen Feng couldn't help but was shocked: "The general icy cold poses no threat to me at all, and I don't feel the slightest cold at all."

"And the cold wind here makes me feel icy. From this we can see how cold it is here."

"I'm afraid that the strong below the Martial Emperor Realm will be frozen into ice sculptures directly after they come here!"

[Chapter 2863: Oh never heard of](#)

"Even so, I haven't reached Sanjunzi Mountain yet."

"If you reach Sanjunzi Mountain, you don't know how cold it will be!"

"Master, are we going to drive overnight?" Ji Caixuan's voice sounded from behind.

Chen Feng looked back at her, smiled and said, "No, let's take a day off here today, and we will rush to the True Dragon Arhat Gate tomorrow."

Tomorrow is the time for the real gathering.

Tomorrow, Chen Feng knew that he might face unknowingly many fierce battles, so he must recharge his energy tonight and adjust his strength to the peak state!

Ji Caixuan nodded.

Chen Feng said softly: "Go further three thousand miles, let's stop and rest, time is almost the same."

Just about to continue the journey, but at this moment, a proud voice suddenly came from ahead.

"Haha, I **** found you a bitch, so you are here!"

This voice was rough and hoarse, with a deep sense of pride and resentment in it.

Moreover, this voice sounds familiar to Chen Feng.

It seems that I just heard this sound two days ago!

At this moment, above the distant sky, two rays of light quickly approached here.

A black, a cyan, and soon they came to the front.

And as soon as they arrived here, Chen Feng saw the black figure.

It was a sturdy giant, like a black tower.

This figure looked very familiar, and Chen Feng immediately remembered. Isn't this the same Mu Xingwen he encountered that day?

He rescued Sang Youhan from Mu Xingwen's hands. *NovelB.com*

Chen Feng shook his head and smiled bitterly, but at the time he didn't realize that Sang Youhan was such an ungrateful person.

However, he does not regret it either.

Chen Feng has his own New Year, and he has his own persistence.

Soon, that sturdy giant Mu Xingwen came to Chen Feng and the others, and slowly fell down.

He looked at Chen Feng with cold eyes, his eyes full of hatred and resentment.

He said loudly to the person next to him: "Master, it is him."

"It's this **** who broke my good deeds two days ago and took away the chick I was about to get."

The person next to him was an old man in a green robe.

This green-robed old man has a strange appearance, a short stature and muddy eyes. From time to time, a vicious and vicious color flashes in his eyes, which contrasts sharply with this sturdy giant.

His eyes were cold, like a poisonous snake, but when his eyes swept across the sturdy giant Mu Xingwen, they were full of kindness!

He looked at Chen Feng and said coldly, "Dog, the one who hurt my disciple two days ago and saved that little bitch?"

Chen Feng stared at him and said lightly: "That's right."

After listening to him, the old man in Qingpao immediately pointed to the snowy ground in front of Mu Xingwen and said:

"Okay, then you roll over now and kneel down! Kow my disciple, apologize, and apologize!"

He took it for granted, as if he was ordering Chen Feng.

Moreover, it is as if he did this to give Chen Feng great face!

Chen Feng's heart was already extremely angry, his killing intent was raging, but there was still a smile on his face, and he asked softly, "Why?"

"Why?"

"Puppy, why dare you ask me?"

"Puppy boy, you are really brave enough, do you know how strong I am, do you know who I am?"

The old man in Qingpao stared at Chen Feng and said with a cold face.

Chen Feng looked at her and said coldly: "Sorry, I really don't know who you are!"

"Asshole, let you know where I come from today! Know how powerful my master is. After you hear my master's name, don't scare your pants!" Mu Xingwen laughed wildly!

When he was speaking, the old man in Qingpao's momentum rose wildly.

In a blink of an eye, he reached the mid-stage of the Nine-Star Martial Emperor, very impressive and powerful.

Mu Xingwen laughed frantically: "My master is the world-famous Master of Heaven!"

"Oh, Master Tianluo?" Chen Feng looked at him and smiled slightly: "I haven't heard of it."

After this sentence was said, the scene suddenly stagnated for a while.

The faces of Mu Xingwen and Master Tianluo froze.

Ji Caixuan and Chen Ziyuan couldn't help but grinned and looked at Chen Feng. The next moment, Mu Xingwen and Master Tianluo both showed anger.

Master Tianluo yelled frantically: "Okay, little boy, you are really brave enough to tell me that?"

"I'll let you know what price you will pay for this sentence later!"

Chen Feng smiled slightly and said, "I don't know what price I will pay for this sentence."

"I only know that if you dare to call another puppet, you will definitely pay a painful price for these three words."

Chen Feng stared at him and said word by word: "Also, if you dare to say another pup, I don't mind cutting off your tongue."

"Make you speechless in this life!"

At this time, Chen Feng's murderous intent emerged.

In the past few days, he has endured too many times, he no longer wants to endure, Chen Feng's patience has reached the limit!

Therefore, if Master Tianluo dares to provoke, Chen Feng will really abolish him.

The nine-star martial emperor's mid-term powerhouse is only, Chen Feng has not paid attention to it!

It is not so easy to kill him, but it is just a little work!

After Chen Feng said this, both Mu Xingwen and Master Tianluo laughed wildly.

At this moment, behind Chen Feng and the others, there was also a voice full of mockery:

"Unexpectedly, not seeing you for a day, your boy's temper has not changed."

"It's dying again, isn't it? Are you his opponent?"

"I think I need to use power to deal with him, how about you? How could you be his opponent? You are not worthy of giving him shoes!"

"He and I belong to the same level, boy, you really can't help yourself!"

This voice, getting closer and closer, soon arrived in front of him.

Chen Feng knew who was here without looking.

A purple figure with a petite red figure came to the front, it was the purple-robed youth Chao Yuanjia and Sang Youhan.

Chen Feng stared at them with murderous intent in his eyes.

Just now, Chao Yuanjia hadn't met before, so he mocked him again.

Chen Feng doesn't plan to bear it anymore, today Chen Feng wants to solve them all here!

After coming here, Chao Yuanjia didn't even look at Chen Feng, but looked at Mu Xingwen and Master Tianluo!

[Chapter 2864: Lose one move](#)

Obviously, he didn't put Chen Feng in his eyes at all, it seemed that Chen Feng didn't even have the qualifications to let him take a look.

The arrogant gaze of the purple-robed young man Chao Yuanjia crossed the faces of Mu Xingwen and Master Tianluo, full of disdain.

He didn't even think that those two people could be compared with him, Sang Youhan leaned close next to him with a charming smile on his face.

Chao Yuanjia looked at Sang Youhan, then nodded to Mu Xingwen, and said, "It's him, I wanted to kidnap you before, didn't he?"

Sang Youhan glanced at Mu Xingwen with hatred and said, "Yes, it's him!"

Chao Yuanjia pointed to Mu Xingwen, then pointed to the ground in front of him, and said: "Now, come over, kneel down and apologize to my woman by kowtow."

Beside, Ji Caixuan and Chen Ziyuan couldn't help but laugh.

It turned out that what he said was the same as what the old man in Qingpao Tianluo said to Chen Feng just now.

Mu Xingwen stared at Chao Yuanjia, a little dumbfounded. He didn't expect this person to be so arrogant.

Master Tianluo said coldly: "I don't know where you are from, dare to talk to my disciple like this."

"Now, before the old man changes his mind, hurry up and take your woman away, or I will kill you two together."

It turned out that he also saw that the purple-robed youth was not weak, so he didn't make too much provocation.

Just let Chao Yuanjia and Sang Youhan leave here quickly.

Mu Xingwen exclaimed: "Master, this is this woman, she is what I want, you, why don't you help me stop him?"

Master Tianluo shouted sternly: "You shut up!"

Mu Xingwen closed his mouth immediately, not daring to say more.

Master Tianluo didn't want to do it, but Chao Yuanjia didn't want to let him go.

He stared at Master Tianluo and said, "You and your apprentice, if you dare to beat my woman's idea, I will abolish both of you today!"

Master Tianluo lowered his head and sighed softly.

After a long time, he just raised his head and saw Chao Yuanjia saying: "Chao Yuanjia, I don't want to do things with you, I didn't expect you to force me."

"In that case, all right!"

There was a frenzied ferocious look on his face: "Then I will kill you now!"

With that said, his aura increased wildly again. *novelusb.com*

It turned out to be from the middle stage of the Nine Star Martial Emperor, and it has improved a bit.

Far from reaching the peak of the Nine Star Martial Emperor, but it was also strong enough to be better than Chao Yuanjia.

Seeing this scene, Chao Yuanjia's pupils suddenly shrank.

Just now, he thought he had thoroughly seen Master Tianluo's strength, and felt that with his strength and a little hole card, he should be able to deal with it.

Unexpectedly, Master Tianluo hadn't fully demonstrated his strength just now!

He even concealed some!

The strength of Jiuxing Wuhuang above the mid-term, he is now hard to match!

Chao Yuanjia looked at Master Tianluo, a touch of fear flashed in his eyes.

Only then did he realize that Master Tianluo's strength was so powerful, and he already had some retreat in his heart.

But the big talk has already been said, especially in front of a woman he just got, he naturally can't show his timidity.

So, he made an arrogant look and said, "Old Piff, where is so much nonsense? See the truth!"

Sang Youhan exclaimed excitedly: "Master Chao, teach this old man a lesson!"

Smile and confidence are all over her face.

Obviously, in her opinion, this old thing is not an opponent of her own son at all.

At this moment, he suddenly turned his head and looked at Chen Feng, with a domineering look, and said condescendingly: "Lin Chen, look good, let's see how my son taught this old man."

"You know that my son is stronger than you by many times!"

She sighed faintly, and said mockingly: "Human, you must recognize the gap between yourself and others!"

Master Tianluo glanced at Chao Yuanjia, sighed and said: "Sure enough, he is a proud and ignorant son of a big family, he knows arrogance."

"You don't even know how strong I am, old man!"

Chao Yuanjia said bluntly: "You are only slightly surpassing the middle stage of the Nine-Star Martial Emperor, but me, I am a strong player in the middle of the Nine-Star Martial Emperor. What if you are a little stronger than me?"

Master Tianluo hahaha: "Well, that old man will tell you what the gap is!"

He let out a crazy roar and flashed his figure before coming directly to Chao Yuanjia.

Three punches in succession!

These three punches respectively attacked Chao Yuanjia's forehead, chest and Tianling Gai, carrying extremely powerful power.

In an instant, all his three vital points were covered.

Chao Yuanjia was shocked suddenly, and his figure withdrew back, and at the same time his fists blasted out to resist the attack of Master Tianluo.

But Master Tianluo laughed at this moment: "Boy, you are fooled!"

The next moment, there was a bang, and the three offensives he sent out actually collided together in the air, making a huge explosion.

An incomparably powerful force came out, and this incomparable force instantly smashed Chao Yuanjia away.

Although Chao Yuanjia was not injured, it was made him fly to the side.

For a while, I couldn't control my body.

At this time, Master Tianluo had already flashed directly behind him, and his fists attacked his back.

It turned out that this one was his real ultimate move, extremely powerful!

Chao Yuanjia screamed in panic. At this time, he could no longer control his body. It seemed as if he was actively facing the offensive of Master Tianluo.

He can only concentrate all his power on his back.

The next moment, with a boom, his back directly slammed into Master Tianluo's fists.

Then, with a scream, the light on his back shattered directly.

On the back, he made a few loud noises, and he was hit into a depression, blood sputtering out like a splash of water.

In his mouth, blood spurted wildly.

At this moment, Sang Youhan just watched Chen Feng finish the mocking words.

This scene happened before the words fell.

Her pride solidified on her face, and she let out a scream.

And this is not over yet, a touch of cruelty flashed in the eyes of Master Tian Luo.

How can you let go of such an opportunity?

He immediately flickered and came to Chao Yuanjia.

Then, there were three punches in succession, Chao Yuanjia barely resisted, but where could he stop it?

Bang Bang Bang, his defense was shattered one after another, and then his chest was also sunken. Screaming frantically, with a bang, his body fell directly and hit the piece of ice and snow!

Chao Yuanjia, once you meet, you lose!

[Chapter 2865: Open your dog's eyes and see clearly!](#)

In an instant, the blood dyed the surrounding ice surface red.

He lay there, let out a scream, he was already seriously injured and dying, and he didn't even have the strength to fight back.

He stared at Master Tian Luo in horror, and yelled: "How come? How can you be so powerful?"

Master Tianluo smiled coldly, waved his fists, raised his chest, and had a grandmaster demeanor: "Little boy, teach you a good boy. I have better experience than you and stronger than you. How can you be my opponent?"

Chao Yuanjia's face was full of regret at this time, regret provoke the strong man.

At this time, Sang Youhan hurriedly flew over and came next to Chao Yuanjia, shouting with a trembling voice: "Master Chao, are you okay? Are you okay?"

"You **** * me!"

When Chao Yuanjia saw her at this time, there was a fierce look on her face, and she waved her hand directly into the air.

Sang screamed again, spurted blood, staggered to the ground, unable to get up.

Chao Yuanjia stared at her and said viciously: "If it weren't for you, a bitch, why would I offend him? Why would I be in the current situation?"

He stared at Sang Yuhan and yelled fiercely, already hating her to the extreme.

Sang Youhan was stupid.

Seeing this scene, Chen Feng showed a sneer at the corner of his mouth, sneered in disdain, and shook his head.

Hearing this sneer, Chao Yuanjia immediately turned his head, staring at Chen Feng fiercely and roaring: "Little boy, what are you laughing at? Are you qualified to laugh?" *novelusb.com*

"Even if I was beaten by him, my strength is far superior to you, and you can't laugh at it!"

Sang Youhan also screamed at Chen Feng: "Yes, what qualifications do you have to laugh at Master Chao?"

"Compared with him, you are a trash!"

"Of course he is not an opponent of Master Tianluo, and you are even less likely to be an opponent of Master Tianluo!"

She felt Chen Feng's ridicule, causing her to instantly cool down, as if she had some ominous premonition.

So she was so embarrassed that she screamed at Chen Feng.

Chen Feng smiled coldly, looked at them and said: "You two dogs, open your dog's eyes to see clearly, do I have such strength!"

With that, he strode directly towards Master Tianluo.

Master Tianluo stared at Chen Feng and said with interest: "Why, kid, do you want to challenge me?"

Chen Feng looked at him with a smile and said, "I don't want to challenge you, but..."

He stared at Master Tianluo, and said word by word: "Kill you!"

When Chen Feng was extremely firm and said these four words in an extremely cold voice.

Master Tianluo trembled for no reason, and an unspeakable fear surged.

He immediately shook his head as if mocking himself, and said in his heart: "What is my fear of this kid? What is his fear worthy of me?"

Venerable Tianluo stared at Chen Feng and said, "Puppy boy, now you come and kneel in front of me and beg for mercy. It's still too late."

Chen Feng smiled and said: "There will be one kneeling on the ground and begging for mercy, but unfortunately it is definitely not me, but..."

Chen Feng screamed: "You!"

The next moment, Chen Feng's huge natal knife case hidden in the jade wing flew out with a direct swish, floating behind Chen Feng.

Above Chen Feng's body, a mysterious power surged into the natal knife box.

Then, a feeling of blood connection came, as if the sound of blood pulse was constantly ringing.

boom! boom! boom!

Then the next moment, above the natal knife box, black light shines.

With a loud bang, the natal knife box opened directly.

Everyone exclaimed.

Sang Youhan and Chao Yuanjia's disdainful color on their faces a little a little, turning into a hint of surprise.

"This? What is this?" They all looked behind Chen Feng in shock.

And Chao Yuanjia, suddenly thinking of something, exclaimed: "The natal knife case? This kid actually owns the natal knife case?"

The expressions on their faces have changed, but they have only changed from disdain to amazement, and only to this extent.

After all, although the natal knife case is precious, it is not difficult for them to be the big family members of these high-level families!

Sang Youhan also yelled sharply: "What's so great about the surname Lin?"

"Isn't it just a broken natal knife box? Isn't it powerful?"

Chen Feng didn't even bother to pay attention to them, he just yelled: "Wen Tian Zhan Shen Sword, come out!"

Then, from the natal knife case, the power of endless swords poured out.

The power of these knives was extremely fierce, pressing down on everyone.

Everyone felt this huge power, and their expressions changed in an instant, from the shock just now to a touch of shock.

But it also stopped in shock.

But only Master Tianluo had a flash of extreme palpitations in his eyes, and suddenly realized something.

He shouted violently, "Little boy, you unexpectedly?"

He rushed towards Chen Feng frantically, trying to prevent Chen Feng from releasing the contents of the natal knife box.

He blasted several moves one after another, all of which were his most powerful moves, blasting towards Chen Feng fiercely.

Chen Feng laughed loudly: "I want to stop me now? It's too late!"

Amidst his laughter, the natal knives hummed violently.

With a loud bang, a black shadow appeared directly on top of Chen Feng's head, it was Wentian Zhan Shendao.

Then, in the next moment, in Chen Feng's roar, Wentian Zhan's Sword made a huge mark.

It seems to be slow, but in fact it is extremely fast, with an extremely overbearing aura, crushing all the tyranny, and pressing against the Master Tianluo.

Boom boom boom!

All those offensives launched by Master Tianluo were all shattered by the Shentian Sword Blade in an instant.

Master Tianluo glared at Chen Feng and yelled in horror: "How is it possible? How can your strength be so strong? How can your knife be so strong?"

Chen Feng laughed loudly: "Sorry, I am so tyrannical!"

With a bang, the Wentian Zhan Shendao smashed heavily.

Master Tianluo is still very calm at this time, showing his demeanor as a strong man.

He took a deep breath and made a sound like a whale swallowing water.

There was a series of explosions in the air, and then his chest and abdomen suddenly bulged.

The next moment, both palms pushed forward, exhaled, and made a huge sound like the sound of gold and iron.

Then, from above his hands, two huge white air masses rushed towards Wentian Zhan Shendao.

Of the two cyclones, one rotates outward, and the other rotates inward.

[Chapter 2866: Does your face hurt?](#)

Two completely different forces entangled the Wentianzhan Divine Sword, pulling on the Wentianzhan Divine Sword.

Actually, the power on Wentian Slash Divine Sword was gradually offset.

Wentian Zhan Shendao kept advancing, but the speed was getting slower and slower.

Finally, with a bang, the two cyclones exploded directly, and Wentian Zhan Shendao also stopped!

Chen Feng raised his brows. This was the first time he came home after he had the Shentian Sword Sword!

Master Luo's strength this day is really strong!

After receiving Chen Feng's knife, Master Tianluo also had a hard time, stepping back a few steps, sweating coldly on his forehead.

Above his head, white gas was steaming, and he was gasping for breath.

Obviously, this is also extremely laborious for him!

He stared at Chen Feng, with a shocked expression on his face, and said, "Boy, I didn't expect you to be so strong."

Chen Feng secretly said in his heart: "I now use Wentian Slashing Sword, even if I don't use the Buddha's Demon Slaying Sword, I can still kill the average Nine-Star Martial Emperor mid-stage powerhouse."

"This shows that my strength is probably a little stronger than the mid-stage Nine-Star Martial Emperor."

"And I just used ordinary moves with the Wentian Slash Divine Blade, but it didn't hurt the Heavenly Master."

"Our two strengths should be similar."

"Now, if I want to kill him, I can only..."

Chen Feng took a deep breath, and a voice in his heart replied: "I used the Buddha to destroy the magic knife!"

And at this time, the expressions on Mu Xingwen, Sang Youhan, and Chao Yuanjia who had been watching by the side indirectly transformed into extremely shocking expressions.

Chao Yuanjia shouted in shock: "How could you have such a strong strength? When did the Lin Family come out of you as a master? Why don't I know?"

Chen Feng turned around, looked at him and said with a sneer: "There are so many things you don't know!"

And Sang Youhan was shocked first, and then trembling all over.

An extremely complicated emotion surged in her heart. Looking at Chen Feng, her face was red and white.

A crazy voice echoed in her heart: "How is it possible? How could his strength be so strong?"

"Why didn't he show such a strong strength sooner?"

"God, what did I do in the previous day or two!"

"I am about to regret it!"

And Mu Xingwen, the whole person is already completely stupid.

He reacted a bit slowly. It was a while before he stared at Chen Feng and called out in shock: "Why are you so strong? You didn't use all your strength that day?"

Chen Feng looked at him, smiled and said, "What do you mean?"

At this time, Master Tianluo finally gasped.

He looked at Chen Feng with a touch of confidence on his face, and said in a deep voice, "Little boy, I admit that your strength is indeed good, and you have the strength to fight me."

"No, it should be said that the two of us are similar, but unfortunately, you are still not my opponent."

Chen Feng smiled and said, "Why do you see it?"

"Okay, kid, don't pretend, can't you tell?"

Master Tianluo looked like he was holding the winning ticket and said: "Your move is very powerful, but unfortunately, it consumes a lot of money every time."

"How many tricks can you use? And me, just like the defense, I can use at least five tricks."

"You can't consume me at all!"

As he spoke, he let out a smug laugh.

Obviously, he thought he was already a stable victory over Chen Feng.

Chen Feng suddenly laughed, his eyes swept across everyone's faces.

He first looked at Chao Yuanjia and said: "Before, you thought I was not your opponent, but unfortunately, I slapped you in the face."

"In fact, I want to kill you easily."

He looked at Mu Xingwen again and said: "You thought you could beat me, but I slapped you in the face and left you injured."

"Just now, you felt that I was not an enemy of your master at all, but now, I am obviously taking the initiative."

"I slapped you and your master in the face again! As for you..."

He looked at Sang Youhan and smiled contemptuously: "I don't know how many times I hit you in the face."

He waved his hand gently in the air twice and looked at Sang Youhan and said, "How about? Does it hurt to hit you in the face?"

"Since we met you, I seem to have slapped you in the face more than three or four times, right?"

"You think I can't beat this Chao Yuanjia, but I am much better than him. You think I am not an opponent of Master Tianluo, and I will win or lose with him."

When everyone heard what Chen Feng said, their faces were red and white.

They were naked and humiliated by Chen Feng!

Chen Feng made it clear to humiliate them, but they couldn't say a word.

Because, Chen Feng said nothing wrong.

Because they were slapped severely by Chen Feng.

Especially Sang Youhan, whose head was already buried on his chest, did not dare to raise his head. **Novel** **usB.cOm**

The emotions in her mind are extremely complicated.

Seeing their expressions, Chen Feng laughed, very happy.

"Your face, it hurts to be beaten!"

"And now!"

Suddenly, he turned his head, stared at Master Tianluo, and said coldly: "I will slap you in the face!"

With that said, Chen Feng let out a violent roar, and Wentian Zhan Shendao flew in front of Chen Feng again.

In Chen Feng's hands, a mysterious arc was drawn.

His hands were like knives, slowly passing in front of him, and the profound meaning of the third stroke of the Buddha's Demon Sword passed through Chen Feng's heart at an extremely fast speed.

Chen Feng leaped a hundred meters high in the air.

As he lifted into the sky, the Wentian Sword also lifted into the sky.

Then, Chen Feng stood in the air, with an extremely graceful posture, raising his right hand, just like a crane suddenly raising its long neck.

Then, a little golden light shone from his pubic area.

It's like a big day, rising from the pubic area, reflecting the world, brilliant.

That round of golden sun rays crazily upwards, and in a blink of an eye it came to Chen Feng's hand, overflowing from the palm of Chen Feng's hand, and being held by him.

After this golden light appeared, behind Chen Feng, a ghost of an Arhat appeared quietly.

This Luohan phantom, low eyebrows and eyes, silent and compassionate.

The phantom flashed suddenly, and the next moment, it collapsed, turned into a light spot, and disappeared instantly.

Those light spots merged into Chen Feng's palm.

As a result, that round of golden light instantly became ten times hotter than before.

Then, Chen Feng held up the golden light with great difficulty, a little bit upward.

At this moment, Chen Feng felt dizzy and all his power seemed to be drawn in.

He felt that his strength was weakened to the extreme at this moment, and his body was like a dry pond.

He trembled all over, and his body could hardly bear such a huge load.

[Chapter 2867: The strongest move!](#)

Wow, a mouthful of blood spurted out, and then he vomited blood continuously.

Above his body, there was also a boom boom, with countless wounds appearing, as if he had received an extremely powerful attack.

But Chen Feng still clenched his teeth and persisted!

Finally, he let out a violent roar again, and tried all his strength to hold up the golden sun.

With a bang, this round of golden sun entered Wentian Sword Sword.

In the next moment, the whole body of Wentian Zhan Shendao suddenly changed from that slightly evil black to a brilliant and brilliant gold.

This shining and brilliant golden color made it extremely clear all over the body.

The next moment, Karala, there was a huge loud noise.

An extremely thick golden thunder suddenly appeared from above the giant sword, and then, the golden thunder lingered around the blade of Wentian Slashing Sword, spiraling upwards frantically.

The golden thunder became more and more bigger and bigger.

In the end, it turned into countless golden dragons, surrounding the Wentian Sword God Sword.

Without Chen Feng's control, Wentian Zhan's Divine Sword proudly lifted off into the air as if it had its own sage without Chen Feng's control!

Then the next moment, he slammed down on Master Tianluo.

Master Tianluo uttered a terrified roar at this time.

Because he felt that above this giant knife, there was a huge power that could completely destroy him and smash him to pieces.

He yelled crazy: "Ah! I can't die here! How can I die here?"

"Ah, I want to live!"

He played his strongest moves and wanted to resist.

However, it has no effect.

Countless thunders fell suddenly!

Chen Feng used the Wentian Swordsman to perform the third move of the Buddha's Demon Slayer.

The Buddha's Thunder Purgatory!

Its power is many times stronger than using this trick with ordinary emperor soldiers.

The boundless golden thunder fell suddenly, and every golden thunder was gross and unimaginable.

A golden thunder blasted on Master Tianluo's body.

Master Tianluo threw his fist to resist, destroying it.

But he also took a step back, spurting out blood.

Then, there are the second, third, and fourth steps.

Finally, when he reached the fifth path, he could no longer resist and was directly hit. *novelusb.com*

A scream, an arm, disappeared directly.

At this time, the Thunder still don't know how much!

But these thunders are no longer needed.

Wentian Zhan's Divine Sword had been directly smashed down.

Master Tianluo let out a scream and finally struggled.

However, his struggle is useless at all!

His defense was completely shattered!

The next moment, the giant knife came.

He glared at Chen Feng and let out a cry full of regret: "I regret it! Why should I provoke you?"

"I'm so regretful! Why should I provoke you?"

Wentian Zhan's Divine Blade crashed down and hit his body.

With a loud noise, his body solidified there.

The next moment, it collapsed, turned into countless light spots, and completely disappeared.

Master Tianluo, a powerful master who surpassed the middle stage of the Nine Star Martial Emperor, was completely wiped out by Chen Feng!

At this moment, Chen Feng's figure was shaky.

He shook, almost falling from the sky.

But Chen Feng took a deep breath, resisting the boundless pain in his body, and holding on to the sky to maintain it.

At this time, the golden thunder disappeared, and the Wentian Sword slowly fell.

Chen Feng gave a soft drink and opened the natal knife case.

Wentian Zhan's divine sword was sucked back, and Chen Feng waved his hand, and the life-saving knife case returned to the jade.

At this time, Chen Feng slowly fell to the ground.

At this time, those other people were completely silly.

Seeing Chen Feng landing, they all couldn't believe it and looked at Chen Feng blankly!

Chen Feng smiled and looked at Mu Xingwen and said: "Puppy boy, open your eyes and see clearly, what level of master am I?"

He smiled and said, "Is it slightly stronger than your master?"

This is exactly what Mu Xingwen said Chen Feng just now, but now he was returned to Mu Xingwen by Chen Feng.

At this moment, Mu Xingwen stood there, his eyes rounded, his eyeballs almost protruding from the sockets of his eyes, his face was filled with incomparable shock.

He was shocked and could not speak at all.

Chen Feng's strength was so strong, it completely surpassed his imagination!

Chen Feng smiled and said: "Now, you come to tell me who is overpowering? Now, you come and tell me, who is going to kneel in front of whom and beg for mercy?"

Mu Xingwen was not stupid. At this moment, he knelt directly on the ground with a plop, begging Chen Feng for mercy.

"Spare, please, don't kill me, spare!"

Chen Feng smiled slightly and suddenly waved his hand.

Suddenly, a white light flashed, and Mu Xingwen let out a low roar of pain, rolling back and forth on the ground painfully.

Chen Feng said lightly: "I just said, if you dare to scold me again, I don't mind breaking your tongue."

He smiled slightly and said softly: "I Chen Feng, I will do what I say!"

Then, Chen Feng looked at Chao Yuanjia and said: "Chao Yuanjia, tell me now, am I qualified to laugh at you?"

Chao Yuanjia was already stupid.

He looked at Chen Feng blankly, his whole body was extremely dull, his eyes stopped moving.

He was already shocked and could not speak.

After a while, he let out an unbelievable exclamation, and shouted in a shocking voice: "How can you have such a strong strength? Impossible, this is not true!"

Chen Feng said: "Sorry, I just have such a strong strength."

Chao Yuanjia brushed her face pale at this time.

He looked at Chen Feng, and suddenly his whole body trembled, with a look of extreme fear in his eyes.

He suddenly remembered that he had mocked Chen Feng before, and that Chen Feng had such a powerful strength...

"He will kill me directly!"

He looked at Chen Feng with a touch of extreme horror on his face, as if he had already thought of his tragic fate.

At this time, Chen Feng looked at the three of them with a smile, and said: "You three, roll over to me now."

"Kneel here, kowtow to me, apologize, and apologize!"

With a joking smile on Chen Feng's face, he pointed to the ice and snow ground in front of him.

Upon hearing this, Ji Caixuan and Chen Ziyuan laughed out loud immediately.

Zihuo Zhenling smiled even more rolling in the air.

Before, Master Tianluo and Chao Yuanjia had said this, but no one realized it.

And now, Chen Feng slapped them in the face with what they said.

His voice is very soft and gentle, and it seems that there is no force at all, but inside, there is a bit of murderous intent.

[Chapter 2868: Kob your head and apologize!](#)

Upon hearing these words, Chao Yuanjia, Mu Xingwen, and Sang Youhan shivered violently, and an indescribable fear surged in their hearts.

Mu Xingwen, who was groaning on the ground, stopped moving and looked at Chen Feng blankly.

Chen Feng glanced across the faces of the three of them, smiled and said, "Should I repeat it again?"

The smile on his face has disappeared without a trace.

The three of them shivered violently, and they realized that if they did not follow suit, they would die now!

The three of them hurriedly crawled in front of Chen Feng.

Then, kneeling on the icy ground in front of Chen Feng.

An indescribable humiliation appeared on Chao Yuanjia's face. He had said something like this before, but now, it has come true.

It's just that he is not the one standing, but the one kneeling on the ground and kowtow!

The humiliation in his heart was so extreme that he almost fainted directly.

However, he dare not kowtow!

At this time, the corner of his eye swept to the side of Mu Xingwen and Sang Youhan, his head was almost touching the ground, he quickly banged his head on the ground.

I am afraid it is slower than others!

They kowtow desperately, begging Chen Feng to spare their lives.

Chen Feng laughed loudly, extremely happy.

Soon, their foreheads were dripping with blood.

At this time, Sang Yuhan raised his head and said in a trembling voice: "Young Master Lin, I know I was wrong, please, please spare me, I will give you a chance to serve you!"

"Young Master Lin, I really know I was wrong."

She was full of tears and her eyes were like water. Looking at Chen Feng, she also made a seduce flattery.

Chen Feng looked at her: "Do you think it is possible?"

Then, suddenly turned around and took a palm.

At this time, Mu Xingwen didn't even have the thought of resisting, he just knelt there and wept, waiting for death to come. [novelus8.com](http://www.novelus8.com)

With a bang, a palm fell, directly killing him.

Then, Chen Feng walked towards Chao Yuanjia.

Sure enough, Chen Feng slowly walked towards him.

A smile appeared on his face as he walked.

But at this time, in Chao Yuanjia's eyes, this smile was no different than that of a devil.

He immediately struggled back frantically, and while backing, he shouted to Chen Feng: "Don't kill me, don't kill me!"

Chen Feng smiled and said, "Give me a reason not to kill you."

Realizing that Chen Feng was really going to kill herself, Chao Yuanjia trembled with fright.

Suddenly, he saw Sang Youhan at a glance, and immediately yelled frantically: "This little **** seduce me, this little **** seduce me."

"I don't want to, I don't want to say those things to you, this little **** seduce me, I will give her to you."

"Please, don't kill me, don't kill me, okay?"

He knelt on the ground and kowtoed at Chen Feng frantically, kowtowing, while shouting loudly: "I don't want this little bitch, please, don't kill me, I don't want this little **** anymore."

He is wagging his tail here, begging for mercy, there is no half of the arrogance before, full of humbleness!

Chen Feng smiled and said, "You just used such a thing in exchange for my forgiveness?"

"Sorry, this thing is not worthy of exchange for my forgiveness, because she is too worthless."

The thing Chen Feng said was Sang Youhan.

The next moment, Chen Feng shouted: "Die!"

A punch blasted towards Chao Yuanjia.

At this time, Chao Yuanjia faced Chen Feng's offensive, facing a punch that could cost his life, he did not resist, instead turned his head to look at Sang Youhan.

He let out a violent roar: "It's all **** to blame you. If it weren't for you, how could I have fallen into this situation?"

"If it weren't for you, how could I have become like this?"

"Damn you!"

With that said, he actually attacked Sang Youhan directly.

He blasted several punches one after another, all hitting Sang Youhan's chest.

Sang Youhan was beaten and vomited blood crazily, his chest collapsed, severely injured and dying, fell to the ground.

When Chao Yuanjia wanted to make up a punch, Chen Feng's offensive had already landed on his back.

Chao Yuanjia's whole body was frozen there, trembling all over, and there was a touch of deep regret in his eyes.

He slowly turned his head, looked at Chen Feng, his lips moved, trying to say something, but in the end he didn't say anything.

The body fell directly to the ground, and the breath was gone.

Chen Feng looked at Sang Youhan with a playful smile on his face: "Humans, you must recognize the gap between yourself and others."

This is what Sang Youhan said to him just now.

At this time, Sang Youhan heard Chen Feng's words, and his face was red and white.

Chen Feng's strength far exceeded her imagination.

Chen Feng is stronger than Master Tianluo, and even stronger than Chao Yuanjia.

She regretted it to the extreme in her heart: "I was so blinded that I thought he was far inferior to Chao Yuanjia, and I even made a mockery of him."

"I'm so blind!"

"Sang Youhan, you are really blind! How dare you treat Young Master Lin like this?"

She cursed herself frantically in her heart, she regretted it to the extreme, panicked to the extreme, looking at Chen Feng, she trembled.

Anxious, angry and regretful in my heart, the whole person's emotions are about to collapse.

Wow, another mouthful of blood spurted out!

At this time, she felt that her injuries were extremely serious.

She looked at Chen Feng and said with a trembling, "Help me, please, help me."

Chen Fengli ignored her.

At this time, he felt that his body was almost unable to hold it.

Chen Feng sighed slightly, he could detect the condition of his body at this time.

At this moment, almost everything in his body was falling apart.

His internal organs were bleeding, his bones broke, his muscles shattered.

And most importantly, there was no trace of strength in his dantian.

Chen Feng shook his body and sat cross-legged directly on the ground. He couldn't even maintain such a movement now.

Chen Feng just wanted to fall asleep now, and he went to sleep in the dark.

This is an expression of his body's inability to withstand that powerful force.

Ji Caixuan and Chen Ziyuan hurriedly came around, worried and said, "Master (Big Brother Chen Feng), are you okay?"

Chen Feng closed his eyes and rested for a while before he settled for a while.

Then, a wry smile appeared at the corner of his mouth, and he whispered to himself: "It's really impossible. I can't use the Wentian Swordsman to cut out the third move of the Buddha's Demon Slayer."

"This is far beyond the scope of my current strength."

He opened his eyes and looked at Ji Caixuan, Chen Ziyuan and the worried Zihuo Zhenling, with a bitter meaning at the corner of his mouth:

"Fortunately, here I have a dragon and snake Jiaotai Dan."

[Chapter 2869: Unfortunately, I am not rare!](#)

This dragon and snake handing Tai Dan was also a trump card that Chen Feng dared to work hard this time and dare to use such a powerful move.

Because he knew that even if his body couldn't afford such a powerful move, he could still save his life with dragons and snakes.

Chen Feng immediately swallowed Dragon Snake Jiao Tai Dan.

This was already the last Dragon Snake Pill in his hand. Two of them had been taken from Lu Yutang before, but they have now been exhausted.

Chen Feng secretly said in his heart: "After going back this time, I have to get some more from Lu Yutang."

After swallowing the Dragon Snake Jiao Tai Dan, a cold and refreshing force immediately exploded in Chen Feng's body.

This force healed Chen Feng's injury at an extremely fast speed.

After three hours, Chen Feng has recovered.

But the situation on the other side of Sang Youhan is indeed very bad.

A thin layer of ice had formed on her body, her face was pale, her breath was like gossamer, and her lips had turned blue.

Even the blood she vomited out was already coagulated.

If this continues, even if he doesn't die from his injuries, he will be frozen to death alive.

She looked at Chen Feng and trembled: "Help me, please, help me."

Chen Feng looked at him and said lightly: "Why should I save you?"

In his eyes, there was indifference.

Looking at Sang Youhan, he said, "I saved your life and saved you from insult."

"But what about you? You have humiliated me many times on your way. I, Chen Feng, although I am not the one who will repay me, I will definitely not go up and be humiliated by others."

He looked at Sang Youhan, his face was full of mockery: "I don't take your life, it's already cheap for you, do you want me to save you?"

"What dream do you do?"

Chen Feng's eyes were icy, very indifferent.

Sang Youhan regretted the extreme in his heart when he saw his look like this.

With a plop, she fell to the ground, howling and crying.

She was so sad that she cried, but she did not have the slightest hatred for Chen Feng.

On the contrary, she was full of regret.

While crying and crying, she shouted in pain, "Young Master Lin, I'm sorry for you, you were so good to me, saved my life, and saved me from insults, but I said that to you."

"God **** me! Damn me!"

She was there weeping, but Chen Feng was unmoved.

Sang Youhan felt like he was going to die. *novelUs&.com*

She felt ill all over her body, and her eyes turned black for a while, and the past events seemed to appear in front of her, drifting by at an extremely fast speed.

But by the way, what she saw was extremely clear.

She knew that she would not be able to survive for long and would die soon.

She muttered: "No, I don't want to die, I can't die!"

"The task of rejuvenating the family has not been completed yet! How can I die?"

"I can't die, I want to live, I want to go to the real dragon Arhat Gate, I want to restore my family, I want to make all those ***** enemies die miserably! I can't die!"

She muttered, her eyes suddenly burst into endless desire to survive, extremely strong.

She stared at Chen Feng and shouted loudly: "I will be a slave to you for the rest of my life, and I will do whatever you ask me to do in the future."

"I can make the most vicious oath, okay? Please, save me! Save me!"

"Oh, will you be a slave and a maid for the rest of your life?"

Chen Feng looked at her with a smile, and Sang Youhan nodded desperately.

Chen Feng looked at her and slowly uttered a few words: "Unfortunately, I am not rare."

This sentence directly knocked Sang Yuhan off the cliff.

She felt as if she had fallen into an ice cellar. At this moment, her head shook and she almost died.

At this time, her spirit was sinking more and more, and she had slowly felt nothing.

At this moment, Chen Feng's voice came: "If you can't come up with anything that can exchange your life, I will just leave."

With that said, Chen Feng stepped towards that Yu Nian.

At this time, Sang Youhan seemed to have thought of something, and tried his last bit of strength and shouted: "I have, I have something to exchange for my life."

She fumbled in her arms, then took out something and held it high in her hands.

After that thing appeared, Chen Feng's body suddenly stopped.

He turned his head abruptly, showing a touch of shock and excitement.

Because, at the moment when this thing was taken out, Chen Feng felt a sudden awakening with a breath, sinking directly into his dantian and blood.

With a hum, it became one with the power in his body.

Chen Feng shouted in shock in his heart: "This, this is the power that has the same origin with me!"

This thing shocked Chen Feng.

The power on it is very close to Chen Feng's power of descending the dragon.

No, it should be said to be exactly the same.

Even more vigorous and pure than Chen Feng's power of descending the dragon.

This is the point that shocked Chen Feng the most.

Chen Feng's figure flashed, and when he came to Sang Youhan, he took the thing with one hand.

This is a palm-sized white jade Arhat, the carvings are lifelike, the hands are gentle and mellow, with a hint of warmth.

At this time, Chen Feng had already suppressed the ecstasy in his heart, holding the white jade Arhat statue in his hand, with a plain expression on his face.

In fact, when the white jade Arhat entered Chen Feng's hand, he immediately trembled violently.

It turned out that as soon as the white jade Arhat touched Chen Feng's body, the power of the dragon descending true dragon surged crazily in his dantian, and in an instant, the bright light was extremely bright.

And above the white jade Arhat, there was also a shallow golden light, which directly poured into Chen Feng's body.

This shallow golden light, with an extremely large and magnificent aura, with a tyrannical force that overwhelms everything, disregards everything, is extremely domineering, and dominates the world.

This force even slightly suppressed the power of the dragon descending Arhat in Chen Feng's body.

Chen Feng's heart was instantly shocked: "My power of the dragon descending Arhat is open and magnificent, and this power is actually stronger than the power of my dragon descending Arhat?"

"I feel that this seems to be a power that doesn't belong to this world at all, it comes from another world, and the power level is higher than the Dragon Vein Continent."

"That's why it gives me such a feeling."

"So, although the amount of this power is very small, but the quality is too high, it will have this feeling of subduing everything."

This feeling quickly disappeared.

The power of the dragon descending Arhat in Chen Feng's body instantly counterattacked, and again suppressed the golden light.

And the golden light, all the way to Chen Feng's dantian, there is no malice.

[Chapter 2870: White Jade Arhat!](#)

On the contrary, this golden light is actually from the same origin as the power of the dragon descending Arhat.

After they come into contact with each other, they all emit a joyful emotion.

In the next moment, it is blended together.

And Chen Feng and this white jade Arhat also had a feeling of understanding.

He closed his eyes and saw that there seemed to be a white jade Arhat smiling at him!

Chen Feng was shocked in his heart: "At the beginning, the mid-stage master of the Nine-Star Martial Emperor of the True Dragon Arhat Sect, when he raised all his strength to attack me, the power of the descending dragon Arhat in my body would react."

"However, if the strength of that reaction is one, after exposure to the golden light today, the strength of the power of the Dragon-Raising Arhat in my body is ten." [Over101.usb.com](http://www.Over101.usb.com)

"The golden light is just a tiny, very small, very weak ray of power!"

"What does this mean?"

"This shows that the level of golden light is far better than the power cultivated by the real dragon Arhats, and that it has the same origin as the power of the dragon descending Arhat, and the relationship is very close!"

For Chen Feng, everything that happened at this moment was earth-shattering.

But in the eyes of outsiders, they just saw a light flashing above the white jade Arhat.

If I didn't pay attention, I thought it was the snowy night and moonlight reflecting on it.

"Why do you have this thing? Where did this thing come from?" Chen Feng stared at Sang Youhan and said lightly.

At this time, Sang Youhan could no longer answer any of his questions.

The action of taking out the Baiyu Arhat was like exhausting Sang Youhan's last bit of strength.

She was shaky, then she slammed to the ground.

Chen Feng knew that as long as she landed, it would represent the end of her life.

Chen Feng took a deep breath, before he could think about it, he turned over and sat cross-legged behind her.

Then, both palms were pressed on the back of her heart.

The huge and incomparable power of the dragon descending Arhat poured directly into her body.

After the power of these descending dragons and arhats poured into her body, they immediately followed her meridians and rushed forward.

Along the way, all injuries were healed, and all congestion was squeezed out from the body.

Almost instantly, with a wow, Sang opened his mouth again, and a big mouthful of bruise came out, black hair smelly.

And above her body, in every pore, there is also black blood oozing out!

But this is not enough.

This just drained the congestion in her body, and the injury in her body has not been cured.

Chen Feng winked at Ji Caixuan.

Ji Caixuan understood, took out a few pills, reluctantly stuffed them into Sang Youhan's mouth, supported her chin, and let her swallow them.

These medicines were all good healing medicines purchased from the time of Tianzicheng.

Of course, it is far less precious than Dragon Snake Jiaotai Dan.

However, it was more than enough to heal Sang Youhan.

Chen Feng had originally planned that if he suffered some minor injuries, he would use these pills to cure him.

It's normal to think about it. Even Chen Feng's power is just tolerable to the power of the Dragon and Snake Pill. If you really swallow the Dragon and Snake Pill, I'm afraid her Not only will the injury not be assaulted, but on the contrary, it will be directly blasted and killed!

The pill enters the body, and it works quickly.

Soon, Sang Youhan's pale face was slightly ruddy.

Then, the ruddy quickly expanded and soon covered her entire face.

Her whole complexion immediately improved a lot, and after a while, she screamed and slowly woke up.

The power of the dragon descending arhat, the healing effect is really amazing.

She opened her eyes and looked at Chen Feng and others in front of her, still a little confused, as if she didn't understand what was going on.

The next moment, he just recovered.

Then, she exclaimed, looked at Chen Feng and said, "Thank you, Master Lin!"

Chen Feng shook his head and looked at her, with indifferent eyes: "You don't need to thank me."

"I saved you because you paid the price."

What Chen Feng said was the truth, that's what he thought. He saved Sang and Han, purely for the sake of a white jade arhat.

Sang Youhan looked sad.

"Okay, now that your injury has recovered, just help me explain what is the origin of this thing!"

Chen Feng shook the white jade Arhat in his hand.

"Knew it!"

Sang Youhan shook his head and smiled bitterly, and said, "Before the ancestors left, he left a sentence. This thing is the most precious thing in the family. As long as it is well preserved, it will surely save the life of the family blood in the future."

"It seems that it's about time."

Chen Feng stood by, silent, just waiting for her to speak,

Sang Youhan sighed, then looked at Chen Feng and said, "Master Lin, I will tell you the origin of this thing now."

"Young Master Lin, I'm really not bragging, this white jade Arhat is definitely a treasure."

"Although I don't know what his specific power is, but he is absolutely precious, and it contains great secrets and great opportunities."

"Oh, is it?" Chen Feng was noncommittal.

Sang Youhan continued to whisper, "My grandfather, the strong man who founded our Sang family, was the best among all the disciples of the true dragon Arhat Sect, and he was very powerful."

"Even, surpassing his big brother, that big brother is now the head of the real dragon Arhat."

"It can be said that my ancestor was the first disciple of the true dragon Arhat."

Chen Feng nodded slowly, waiting for her to continue.

"His master, the old master also loved him extremely, and even gave him this white jade Arhat."

"This white jade Arhat is said to be the most precious treasure among the true dragon Arhats. After it is obtained, there will be a chance for nothing. Only the heads of the past can hold it."

"Of course, after staying in the hands of my Sang family for two hundred years, I haven't seen any chance."

She gave a wry smile, very helpless.

But Chen Feng knew that this rumor was not wrong at all.

The reason why they are not aware is because they are not strong enough and not pure enough.

It was even impossible to stimulate the Baiyu Arhat to react.

Once it fell into Chen Feng's hands, there was an immediate reaction.

Sang Youhan continued: "At the beginning, the old master wanted to keep my grandfather in the true dragon Arhat Sect to inherit the orthodoxy, but my grandfather made a big mistake."

"What's the big mistake?" Chen Feng asked.

Sang Youhan sighed softly: "My grandfather fell in love with the female disciple of a big enemy from the real dragon Arhat, and the two are entangled in love, but this is a big taboo in the two doors."
