

Peerless 2871

[Chapter 2871: That piece of darkness!](#)

"The old chief persuaded me that my ancestors were still stubborn and refused to behead the woman."

"The old head was angry and expelled my grandfather directly from the door. However, he never took the white jade Arhat back."

Chen Feng asked: "Oh? Why is this?"

Sang Youhan said: "The old master once said that he saw that the big disciple, who is now the master, was not righteous, for fear that he would ruin the real dragon Arhat, so he left the white jade Arhat to my grandfather."

"For that, if one day, my grandfather can find the secret in the white jade Arhat and re-command the true dragon Arhat."

Chen Feng said coldly: "It seems that the old head has a good vision."

"and then?"

Ji Caixuan and the others were also very interested in listening, and hurriedly asked.

"Then?"

Sang Youhan sighed and said: "The final ending is not bad. My grandfather and his beloved woman are still together!"

"Otherwise, there won't be our Sang family's successor."

"Very few people know the origin of my Sang family, let alone such a secret security in my Sang family."

"However, the news is still missing."

"The enemy who killed my Sang family, they should not only have hatred with my Sang family, but also because of the white jade arhat!"

Chen Feng could not help but sighed softly.

He originally thought that the Sang family was a small family slightly related to the real dragon Arhats, but he didn't expect the two to have such a deep connection.

Chen Feng sighed softly and calmed down the excitement.

In any case, this white jade Arhat was definitely a big surprise.

For him, this thing is extremely important.

He looked at Sang Youhan and said, "This thing, replace your life!"

"Let's owe neither."

Talking, turned and left.

Sang Youhan let out a low crying sound behind him, and Chen Feng just pretended not to hear it.

Chen Feng and the others got on the Yu Nian and continued towards the direction of the True Dragon Arhat Gate.

What happened last night was delayed for most of the night, and Chen Feng and the others didn't have a good rest, and there was no time to rest, so they simply set off.

Yu Nian moved forward quickly, drawing a white light across the horizon.

There have been three giant peaks in front of the sky, and the three giant peaks in the sky are taller than the Xiaojunzi Mountain I saw before, and it is the Sanjunzi Mountain.

It is tall and straight, covered with snow and ice, full of majestic and domineering meaning.

at this time. In Chen Feng's hand was the little white jade Arhat whirling.

Whenever Chen Feng's hand touched the white jade Arhat, a gentle force suddenly penetrated into Chen Feng's body from the white jade Arhat.

Chen Feng could feel that that power was poured into his dantian, and then suddenly dropped and disappeared into a corner.

But in which corner it disappeared, it was a little unclear.

Chen Feng couldn't help frowning: "I feel that there is a certain place in the Baiyu Arhat and my dantian, and there is a very close connection."

"But, it's not those five big days, and nothing else. What is it?"

Chen Feng's thoughts sank, and his heart moved immediately.

He rubbed the white jade Arhat first, and then sank down at a very fast speed in the next moment.

So, in the next instant, Chen Feng followed the power that entered his body from the white jade Arhat to his dantian.

Chen Feng's pubic area is vast at this time, just like a world.

Standing in the dantian, Chen Feng looked around with a satisfied smile on his face.

"I haven't sunk into the Dantian for a long time. I didn't expect it, but the Dantian is already so huge."

Chen Feng's dantian now has a radius of one hundred thousand li, which is many times larger than before.

You know, when it was the biggest before, the radius was just ten thousand miles.

And in this huge space of 100,000 li, the five big suns formed a circle, and endless rays of light radiated out, shining brightly and translucently here.

The brilliance flickered, and it seemed to illuminate every darkness.

"wrong!"

Chen Feng suddenly twisted his brows and looked at one place.

There, although it was also bathed in the light of these five rounds of great sun, it was still dark and not illuminated at all.

Here is a realm of darkness!

Chen Feng exclaimed in his heart: "What's going on? What kind of place is this? It's not illuminated by the light?"

Chen Feng looked there.

He felt that after the rays of the five rounds of great sun shone there, it was as if they were swallowed by infinite darkness.

The darkness is extremely deep and long, and at the same time the power level is also very high, even when his eyes are cast there, it seems to be swallowed.

Chen Feng was even more shocked: "What kind of power is this? It seems that even the line of sight can be swallowed?"

What shocked him even more was that these powers existed in his dantian, and it seemed that it hadn't been a day or two, and he didn't even notice it.

There was a strong sense of crisis in Chen Feng's heart.

At this moment, several pieces of white light, like white clouds, floated past the dantian, and cast straight towards that dark place.

That white light was the power that penetrated into the body of the Baiyu Arhat.

Chen Feng's heart shrank fiercely: "Where did the power of the white jade arhat go? It turns out that this is the place that really attracts the white jade arhat!"

"What else exists there?"

Chen Feng flew towards there.

In the process of his floating past, Chen Feng saw a faint trace in the air.

The faint trace was white in color, as if it was contaminated in this void.

Chen Feng wanted to wave his hand to break it, but found that he couldn't do it.

Chen Feng looked at this thing, the more he looked at it, the more familiar it became.

Suddenly, he suddenly came to his senses: "If the void where I am now is a real land, wouldn't these faint traces that meander forward like a snake, just like a dry river?"

"Dry river!"

Chen Feng's heart flashed like an electric flint, and then he immediately remembered: "I remember, there used to be a martial arts Tianhe in my Dantian."

"It's just that, later, when my strength rose to a higher level, this martial art Tianhe was abandoned."

"Is this faint trace the trace of Wudao Tianhe?"

When Chen Feng looked into the distance, he saw the traces of the dry river directly leading into the darkness.

His heart shrank suddenly, because at this moment, the white light on the white jade Arhat had already plunged into this darkness.

[Chapter 2872: Contempt](#)

The darkness opened up and incorporated this power into himself.

At this moment, Chen Feng also saw a trace of trueness.

At that moment, Chen Feng felt as if he had two huge black eyes and blinked at himself.

Then, endless evil forces attacked themselves.

Chen Feng trembled: "This power, I actually have a feeling that I can't resist it, it's too terrible, too powerful!"

"How can this power be so powerful?"

Chen Feng's figure quickly retreated.

Not to mention exploring the dark realm, he didn't even dare to peek there now.

Chen Feng felt that there was an incomparably powerful existence hidden there, and his own prying eyes would surely lead to disaster.

Chen Feng was shocked in his heart, but at the same time, he could also feel that if he did not provoke this dark region, this dark region would not erupt, and there was no danger.

Chen Feng withdrew from the public field.

He opened his eyes violently, sweating profusely on his forehead.

Ji Caixuan asked, "Master, are you okay?"

Chen Feng slowly shook his head: "Don't worry, I'm fine."

However, the shock in that heart cannot be erased for a while.

Chen Feng thought deeply in his heart: "No, I must find a way as soon as possible to figure out the dark realm."

"There is such a thing hidden in my dantian. I feel as if he is taking all the mistakes in my original practice, all the demons that appeared during the breakthrough, all the crises that appeared during the practice, and all the The filth that comes out is all contained inside."

"It doesn't break out, but if it breaks out, it would be a disaster for me!"

At this moment, the giant horned dragon deer pulling the cart in front suddenly uttered a long cry and stopped directly.

Lifting the curtain, Chen Feng saw that the huge Sanjunzi Mountain was already in front of him.

Sanjunzi Mountain is here.

In front of me is a very huge platform.

On the platform, many jade nuns had stopped at this time, and there were even some huge ones flying in the air, which looked like other riding tools that jade nuns did not resemble.

Others are directly more than ten feet long, but these ships are all flyable, made of high-quality precious metal jade, and engraved with dense runes on them. The momentum is quite huge, and some have reached the emperor. Imperial Soldier level.

Chen Feng and the others' jade nun looks very luxurious and dazzling, but it is very inconspicuous when placed in it.

A young man dressed as a servant with a small cap in Tsing Yi greeted him, his eyes were very clever, turning around slowly.

The eyes were on them, and the Yu Nian looked at them, and they immediately knew their general level, strength, and background.

Ji Caixuan stepped forward and said: "We are members of the Lin Family of the Sixth-Rank Clan of Chaoge Tianzi City.

"Oh? A member of the Lin family, right?" The disbelief in the eyes of the little boy in the Tsing Yi cap was even more obvious.

Then, it turned into a touch of disdain and contempt.

However, he still kept a smile on his face and said, "Everyone, come here."

Let Chen Feng and the others come to one place, stop Yu Nian, and then lead them to the end of the square,

Here is a huge stone step, straight up, leading to the mountainside, like the Dengshan step, I don't know there are tens of thousands of steps.

At a glance, it's endless.

Tsing Yi Xiaosi smiled and said: "Everyone, follow the steps all the way up, you can reach the gate of my true dragon Arhat Gate."

"After getting there, there will naturally be a steward."

Chen Feng nodded: "So, I have trouble."

And the young man, as if he hadn't heard Chen Feng's thanks, turned his head and left.

Obviously, he looked down on Chen Feng at all.

Both Ji Caixuan and Chen Ziyuan were aggrieved, while Chen Feng smiled slightly and said, "Well, what's so aggrieved?"

"Think about our purpose this time, but come here to try to seize people's inheritance, and then all their sect's inheritance will be taken away, and everything will disappear."

"That's true," everyone thought, all smiles.

But Chen Feng, looking at the young man's back, a sharp light flashed in his eyes.

All the way up the steps, Chen Feng and others were very fast. After about a stick of incense, they came to the end of the steps.

At the end of the steps, there is still a square, and at the end of the square is a high platform.

On the high platform, a majestic hall stands proudly.

At this time, on both sides of the square, there is a huge sculpture on each side, which looks like the finest jade.

Each statue is several hundred meters in size, and one of the sculptures is a real red dragon winding upward.

The other one was a gigantic Arhat standing accidentally with a stout body and a majestic face, holding a dragon snake in his hand.

Chen Feng had nothing to do when he saw the red real dragon, but when he saw this huge Arhat, especially when he saw the gesture of holding a dragon snake in his hand, Chen Feng trembled in his heart. a bit.

"This, there is a feeling of deja vu!"

In Chen Feng's heart, a voice echoed: "In this real dragon Arhat Gate, there are too many secrets for me."

"I seem to have a lot of worries in it, just like this huge Arhat holding a dragon and snake, it seems to be branded in my mind."

"Let me take a look, and immediately remember where I have seen it!"

Chen Feng suppressed the panic in his heart and walked forward.

There was a huge gate archway in front, and at this time, there was an endless stream of people over there.

Chen Feng glanced forward, and there were at least hundreds of people on the square, all of which were obviously to celebrate the birthday of the head of the real dragon Arhat Sect.

After all, the real dragon Arhat Gate is equivalent to the existence of the Eighth-Rank Family, with a coercive radius of hundreds of thousands of miles.

It may seem nothing to the people in Chaoge Tianzi City, but in this area of hundreds of thousands of miles, no one dares to provoke them.

So there are still many forces who come to celebrate birthday!

A steward was standing there, a dozen young men in Tsing Yi surrounded him, people kept coming there, writing their names on the table in front of him, and then offering congratulations!

Chen Feng and others also walked over, and the middle-aged manager looked at Chen Feng up and down, and immediately understood.

When he saw Chen Feng's strength, a look of contempt flashed in his eyes.

He looked at Chen Feng and said lazily, "I don't know where this young man comes from?"

Chen Feng smiled and said: "The sixth-tier family of Chaoge Tianzi City, the Lin family, specially came to wish the birthday of the head of the real dragon Arhat."

[Chapter 2873: Reunion with Mu Jianhong!](#)

"It turned out to be from the Lin family."

The steward flipped through the gift list in his hand, and then lazily said: "Shouli put down and go in!"

He was so negligent, but Chen Feng was not angry, smiled slightly, and put a few gift boxes in front of him.

With a flick of the manager's finger, the gift box opened.

He directly looked at the birthday gift, which was a very rude behavior. He would not dare to do it if he changed to a higher-level, stronger, and more prominent person.

But at this time it was done in front of Chen Feng and others.

After seeing the gift inside, the look of disdain on his face became even heavier.

Since it was impersonating the Lin Family of the Sixth-Rank Clan, the gift given would of course match the strength of the Lin Family and would not be very generous.

"Okay, okay, go in quickly!"

At this time, the attitude of the person in charge was even worse, and even a little impatient, and he waved directly to Chen Feng and the others.

Suddenly, his eyes lit up, he looked behind Chen Feng and the others, and then quickly walked behind Chen Feng and the others.

When he got closer, his face was already full of flattery.

He hunched his waist with a flattering look, and said flatly, "Miss Mu, are you here? You actually came here in person?"

"Your presence at Bianpai is really brilliant!"

He smiled all over his face and his face was extremely enthusiastic, which was in stark contrast to the indifference and impatience with Chen Feng and the others.

Chen Feng raised his brows and looked back.

I saw that behind me, a group of people was walking quickly towards this side.

There are about twenty people in this group, all of them are women, most of them are dressed as maids.

However, even the dressing of the maid is very gorgeous, and her body is quite large.

Surrounded by them was a woman in a big red robe.

This woman has a very beautiful appearance and a very white complexion, but her face is very cold.

She was wearing a red robe that was as hot as a fire, but it gave people a feeling of ice.

Extremely cold!

She walked over slowly, facing such a warm and flattering greeting from the steward, she just nodded slowly, not even smiling.

Facing her so indifferent, the steward did not have any dissatisfaction, and he did not dare to have any dissatisfaction.

He just leaned closer, whispering and laughing beside him.

Now it looks like Chen Feng and others have been completely forgotten, and he has never even glanced at Chen Feng and others at all.

After Chen Feng saw this person's appearance, his brows suddenly wrinkled and his eyes were cold.

This person, he knows.

Moreover, he is a person unforgettable.

However, it is not love that is unforgettable, but hate is unforgettable.

This woman turned out to be Mu Jianhong!

"Unexpectedly, she would come too." Chen Feng secretly said in his heart.

At this time, Mu Jianhong also saw Chen Feng.

Suddenly, she let out an exclamation, covering her small mouth, taking two steps back, Hua Rong turned pale, and her face was extremely shocked.

A voice in her heart was like a stormy sea: "Chen Feng, he, he actually came here?"

"Chen Feng is here too? What is he doing here?"

In an instant, countless thoughts surged in her heart.

At this moment, her face of shameless expression was seen by the steward.

The manager was stunned for a moment, and said in his heart: "He is Mu Jianhong!"

"Mu Jianhong's family is a dignified eight-rank family! He even knew Lin Chen from the sixth-rank family? It seems that I underestimated Lin Chen before!

Looking at Chen Feng, Mu Jianhong was a little startled.

Although I haven't seen Chen Feng again since then, news of Chen Feng has been continuously spreading to his ears since his resignation.

She knew that Chen Feng had risen against the sky and became the first person in the Xuanyuan family's outer clan.

She knew that Chen Fengzhu had killed the Five Black Tigers, and she was so prestigious!

She knew that Chen Feng had destroyed the Shadow Gang and beheaded the leader of the Shadow Gang, a famous mid-stage Nine-Star Martial Emperor!

She knows that Chen Feng's strength has increased crazily and his reputation has become increasingly prominent.

And in the family, some rumors also emerged quietly, accusing her of her behavior that day was very improper.

The harmed family lost a powerful Austrian aid, but instead forged a promising enemy.

At this moment, the steward leaned to Mu Jianhong and said grinning: "Miss Mu, do you know Young Master Lin?"

You know, Mu Jianhong was born in the 8-Rank family, and was the daughter of the 8-Rank family. She was powerful and had a prominent background.

Her family belongs to the same level as the real dragon Arhat Sect, and Mu Jianhong's status is roughly equivalent to that of the close disciple of the real dragon Arhat Sect, and he is much higher than his small steward.

How dare he accidentally flatter?

"Young Master Lin?" Mu Jianhong was stunned when he heard what he called Chen Feng.

She looked at Chen Feng in surprise, but at this time, Chen Feng came over to look at her with a smile, and said lightly, "Miss Mu, it's been a long time."

I don't know why, after Mu Jianhong saw Chen Feng at this time, his heart trembled, and there was an indescribable panic.

She stepped back two steps, looking at Chen Feng, she was speechless.

At the next moment, he just came back to his senses and said in his heart: "What's wrong with me? Why should I see him like this? What's wrong with me?"

"Mu Jianhong, Mu Jianhong, how can you be so flustered?"

"Where is your previous composure?"

She took a deep breath, and forced the emotion down.

Then, looking at Chen Feng, he said calmly: "I didn't expect to see you here."

Chen Feng smiled and said, "Yes, I didn't expect it either."

Mu Jianhong said in a slow voice, "I thought that when I met you again, it was an endless situation, but it doesn't seem to be this time."

Chen Feng nodded slowly.

Mu Jianhong looked at him, cold as ice.

However, the unspeakable panic in Mu Jianhong's heart became stronger and stronger, and could not be suppressed.

A voice echoed in her heart: "She is stronger than before, and her light is restrained. I feel that I can't see him at all."

"He doesn't know how strong he is anymore. In this short period of time, he has entered so quickly?"

Seeing the state of the two of them, the onlookers around were stunned.

After Mu Jianhong arrived, when they heard that she was Miss Mu Family, everyone wanted to come and get close to her and build relationships.

Never thought that Chen Feng would know her.

However, now they discovered that the relationship between Master Lin Chenlin and Miss Mu was not very good.

The steward's eyes rolled skeptically, and he suddenly realized that this was a good opportunity.

[Chapter 2874: Are you worthy to threaten him?](#)

He leaned close to Chen Feng, lowered his voice, and said sullenly, "Lin Chen, you little boy."

"I warn you, you shouldn't have any thoughts while Miss Mu is in the real dragon Arhat Gate."

"If I know that you dare to offend Miss Mu, I can kill you directly without him!"

Chen Feng frowned and looked at him, without saying a word.

He didn't expect that this manager would come and say something to himself.

Chen Feng did not remember that he had offended him.

Seeing that Chen Feng was silent, the manager thought Chen Feng was showing weakness.

He sneered and said: "Ms. Mu is disdainful of being familiar with you. I'm afraid that you will get her hands dirty, but I am different."

"If you dare to offend Miss Mu, I will leave you dead!"

It turns out that he was jealous of Chen Feng at first, thinking that Chen Feng knew Miss Mu.

But soon, he discovered that the two people knew each other really, but the relationship was not good.

Chen Feng was afraid that she had offended Miss Mu.

Therefore, in order to curry favor with Mu Jianhong, he immediately came to threaten Chen Feng!

Hearing the words he threatened Chen Feng, Mu Jianhong was stunned for a moment, then frowned, his face seemed a little unhappy.

Seeing Miss Mu looking over here, the steward immediately leaned over flatteringly, and said with a grin: "Miss Mu, don't worry, with me, this kid must not dare to mess around with the real dragon. of."

"If he dares, I will just abolish him!"

In Chen Feng's eyes, a cold light flashed by.

He understands why the steward did this, because he wanted to curry himself to curry favor with the wooden sword!

Chen Feng sneered in his heart: "You abacus, I'm afraid it's a mistake!"

At this moment, Mu Jianhong frowned and looked at this manager, suddenly a feeling of anger and boredom surged in his heart.

"Who is Chen Feng? He is the one who dared to withdraw from my engagement!"

"Who is Chen Feng? He dares to slap me in the face in public, save my face, and make me and my family faceless!"

"You are such a thing, you are also worthy to say these threatening words to him? What are you in front of him?"

She glanced at the manager with disdain, and said lightly: "Take care of your mouth."

Then, turn around and leave directly.

The steward was just stunned there, he was stupid, he didn't expect that he was so flattering and flattering Mu Jianhong, but in exchange for such a cold reprimand.

Mu Jianhong directly reprimanded him in front of everyone, making him faceless.

It can be said that he did not leave him any face.

He stayed there as a whole, until Mu Jianhong turned around and left before he came back to his senses.

At this time, there was a low level of laughter among the surrounding crowd.

He turned into anger, looked around with a sullen face, and said in a cold voice: "Laugh!"

"Who laughs like a damn, I chopped off his tongue!"

The people around were silent and afraid to laugh.

But at this moment, he saw Chen Feng in a blink of an eye, and when he saw the calm expression on Chen Feng's face, he immediately became angry.

Staring at Chen Feng, he roared fiercely: "It's all **** to blame you, you wait for me, I will definitely let you live and never get out of the real dragon!"

"In the past few days, you can be more careful, I must find a chance to destroy you!"

Chen Feng looked at her, feeling a little crooked.

This person is really endless. It is obvious that he is insulting himself, but now he blames himself all the blame, as if he had caused him to do this!

Chen Feng looked at him, and his eyes flashed murderously.

He didn't say much, just turned and left.

However, in Chen Feng's eyes, that manager is already a dead man!

Although Mu Jianhong had left, it was still difficult to calm down in his heart.

She looked back at Chen Feng and saw that Chen Feng's eyes were calm and calm, and she felt that Chen Feng was as if she was shrouded in a layer of mist, making her unable to see through.

Chen Feng and others left here and walked forward.

Soon, it was led by a few Tsing Yi servants to the edge of the square.

On the edge of the square, there are large tracts of houses, and here is a place for them to live temporarily.

This grand ceremony will last a long time, and they will live here these few days.

Here, it is quite luxurious, but huge palace-like buildings, each with a huge courtyard.

Chen Feng settled down.

Then, he went to the square and wandered around, trying to find some traces.

He wanted to find out whether Han Yuer or Shen Yanbing was sent here and was forced to marry the old harlot.

On the square, people are still coming and going, and many people are chatting here.

For the strong in this area with a radius of hundreds of thousands of miles from the real dragon Arhat Gate, this is a rare opportunity for them to get together.

At this time, they are very passionately connected with feelings.

Chen Feng looked a little boring here, he walked to the square.

Next to the square is a towering cliff, on which is covered with thick ice and snow. At first glance, a piece of ice shimmers and is white, and I don't know how deep it is below.

If people fall, they don't know what the consequences are.

The Sanjunzi Mountain is the highest place within 100,000 miles nearby. The scenery here is excellent, and you can see the boundless ice field in the distance.

At this moment, there was a slight sound of footsteps behind him suddenly.

Chen Feng knew that this was a deliberate sound of footsteps.

If the strong here doesn't want to make footsteps, then he can't hear them at all.

When Chen Feng turned around, he saw Mu Jianhong approaching.

Chen Feng was a little surprised and raised his brows, but did not speak.

Mu Jianhong looked at Chen Feng with extremely complicated eyes, walked to the other side and stood by the railing.

Her gaze cast into the distance, misty and distant.

After a while, he said softly, "Why are you called Lin Chen? Why are you here?"

"I remember, you are not from the Lin family of the sixth-tier family of Chaoge Tianzi City."

In just a short while, she had already checked Chen Feng's details.

Chen Feng looked at her, smiling faintly, his expression was neither alienated nor warm, just like an ordinary person he had just met.

He whispered: "I came here under a pseudonym, so naturally I have a plan!"

When Mu Jianhong listened, he was taken aback.

She originally thought that Chen Feng would have to deny it, but she didn't expect Chen Feng to admit it so directly. He came here for a purpose.

"What's the purpose?" he blurted out.

Chen Feng smiled slightly: "I can't tell you this."

Mu Jianhong was stunned for a moment, looked at Chen Feng and said, "Then, don't you tell me, what if I go to tell the real dragon Arhat?"

[Chapter 2875: Yan Bing, I see you again!](#)

"Go tell the true dragon Arhatman?"

Chen Feng smiled and said, "Are you the nosy person? You don't even care about this kind of thing."

When Mu Jianhong heard this, he suddenly stopped, Chen Feng really understood him.

Indeed, he didn't bother to open his mouth for this kind of thing, and she didn't care about what benefits or disadvantages it would cause to the real dragon Arhat Sect.

Anyway, it has nothing to do with her.

Mu Jianhong was about to speak. Suddenly, at this moment, there was a stern whistling sound from the sky.

The Po Kong Xiao was getting closer and closer to this side, and the voice became louder and louder.

A little red light came hurriedly toward this side. When the red light was on the horizon, it was still a little bit, but in a blink of an eye, it had already come close.

Chen Feng was shocked: "This speed, I'm afraid it's better than my Jinpeng Longitudinal Technique!"

Chen Feng looked up and saw that the red dot in the distance showed its true face at this time.

This turned out to be a red sedan chair.

It's just that this red sedan chair is many times larger than the ordinary sedan chair.

In the air, it was like a huge pavilion.

The sedan chair is red all over, looking beaming.

On the four corners of the front, back, left, and right of the sedan chair, there was also a bright yellow red lantern, which seemed to be burning.

The red light and golden light are intertwined, gorgeous and mesmerizing.

But when Chen Feng took a closer look, he immediately got a bit of a headache.

It turned out that this huge red sedan chair did not look like a physical entity.

The red misty and misty, condensed together, although very crystal clear, it clearly does not exist in physical form.

It looks like it is constructed by the power of the soul.

Chen Feng's heart jumped suddenly, as if thinking of something suddenly.

He suddenly took two steps forward, his eyes fixed on the huge red sedan chair.

The red sedan chair was extremely fast. There was no horse to pull the cart in front, and no one to push in the back, but it floated over so fiercely.

Soon, it fell directly in front of the hall at the end of the square!

Chen Feng muttered softly: "Yes, yes, it must be."

"This is like a huge red sedan chair condensed into the power of the soul, it can only be that huge force!"

"Moreover, this sedan chair is clearly to be seen off!"

"It must be my senior sister or Yan Bing!"

Seeing Chen Feng staring at the huge red sedan chair without blinking, Mu Jianhong was stunned for a moment, and then looked over there.

After the huge red sedan chair fell to the front of the palace, a vigorous and powerful voice came from the sedan chair:

"The bride has been delivered, our bridegroom officer, won't you come out to meet him?"

The voice was grand and domineering, and there was a hint of condescending in it, and it was obvious that the true dragon Arhat Gate was not in his eyes.

On the square, everyone was taken aback.

The next moment, in the hall, a group of people greeted him.

The head is an old man in a big red robe.

Chen Feng could see that the old man was tall, with his long hair as pale as snow, but his spirit was extremely strong, his complexion was ruddy, like a baby.

The majestic power like the sea spilled out of him, and Chen Feng felt a tremor in his heart when he glanced at it.

There are more than a dozen people behind him, and each of them is very powerful.

Chen Feng's heart was stunned: "This person must be the head of the real dragon Arhat!"

"Behind him, those other powerhouses who must be true dragon Arhats."

The head of the real dragon Arhat sect quickly greeted him, and then he fell directly to the ground and knocked his head towards the huge sedan chair.

After that, he shouted respectfully: "Subordinates, the head of the real dragon Arhat Sect Lianxing Sword, I have seen Lord Envoy!"

"Hmph, you still have some courtesy."

A slightly dissatisfied voice came from the sedan chair, speaking very unceremoniously. *novelUsb.com*

You know, he is facing the head of the real dragon Arhat.

Behind the head of the real dragon Arhat, many people showed dissatisfaction on their faces.

But the head of the real dragon Arhats did not have any dissatisfaction, but his attitude was more respectful.

With a bang, another head knocked on the ground, and respectfully said: "Your subordinates should have been reprimanded for being late. If you just said these words, your subordinates are already very content."

"Hahaha, you old guy, you know and are interested."

The lord's voice came again, and he laughed, as if he was in a good mood.

Then, with a scream, a figure flashed out of the huge sedan chair.

This figure is a blue-robed strong man, the blue-robed strong man stands proudly, looking down at the head of the real dragon Arhat Sect who is kneeling in front of him.

The head of the real dragon Arhat Sect lowered his head, not daring to look at him.

Everyone was in an uproar.

"The head of the true dragon Arhat Sect is a master who has surpassed the mid-level Nine Star Martial Emperor!"

"Yes, and his status is very noble. He actually kneels in front of this person like this, and this person is so carelessly receiving his courtesy?"

"Haha, what's so strange about this? No matter how noble his status is, he has now surrendered to the Hall of Destruction of Souls. Then there is a person in the Hall of Destruction of Souls, and he will naturally be careful."

"Otherwise, I'm afraid I won't be able to eat."

"That's right." Someone nodded in agreement: "This is the benefit of backing on a huge power."

"After going out, even if you are weak, you can get a high look."

"This brawny man in blue robe is nothing more than the initial strength of the Nine-Star Martial Emperor, but he can subdue the entire real dragon Arhat!"

Everyone talked!

Seeing that Lian Xingjian treats himself so respectfully, the brawny man in blue is also very satisfied.

He turned around, turning his right hand in the air, and suddenly, a red shadow was caught by him from the sedan chair.

The red shadow was caught in his hands, and he was still struggling.

When everyone saw it, they all exclaimed.

It turned out that the red figure was a woman.

The appearance is extremely beautiful and the complexion is extremely white.

A red dress is like blood, and her skin is like snow, and she is thrillingly beautiful.

At this moment, she was struggling hard, with an unyielding look on her face, staring fiercely at the blue-robed man.

The blue-robed man looked at her and said sternly, "Little girl, are you still looking at me like this? Huh? Tell you, your good days will soon be over!"

"At the time of Soul Destruction Palace, limited to the strict orders that dominate the adults, no one dares to move you, but it's different here!"

He pointed to Lian Xingjian and said, "You are now given to him as a concubine."

[Chapter 2876: Big wedding!](#)

"And he is a cultivator of double cultivation. You are married today, and after that, it won't be long, hehehe..."

He let out a penetrating laugh: "At that time, you will lose your strength and nothing. I think you are still arrogant!"

His laughter was full of revenge pleasure.

After hearing this, the woman in the red dress didn't give in, but struggled even harder!

At this moment, Lian Xingjian stood up and looked at the woman in the red dress greedily.

Seeing her peerless appearance, like snowy skin, her eyes burst out with a lustful light of greed.

He couldn't wait to eat this red woman in one bite.

Suddenly he smiled, looked at the brawny man in blue robe, and said, "This envoy, why don't you stay here for two days?"

"You can also enjoy her, so that you can vent your hatred!"

The brawny man in blue was very excited, but finally shook his head.

He chirped his mouth, waved his hand regretfully and said, "Forget it, forget it, if this matter is passed back to Soul Destruction Hall, I'm afraid I won't be able to eat it."

"Forget it, I'm destined to miss this little girl's skin."

She greedily glanced at the woman in the red robe, then turned and left.

The swish of the sedan chair left this place and flew towards the distant sky!

Everyone will stare at the huge sedan chair with amazement.

There are many people who have only heard about it before but have never been in contact with Soul Destruction Hall. At this time, they are even more excited and already want to leave this place quickly to brag about what they have seen and heard today.

But only Chen Feng had a chill in his eyes at this time.

In fact, when the woman in the red skirt first appeared, Chen Feng was already shocked and excited and almost exclaimed.

He bit his lip fiercely, suppressing the urge to roar crazily in his heart, and then suppressed his mood.

A voice in Chen Feng's heart reverberated crazily: "Yan Bing! Yan Bing! It turned out to be you? I saw you again, Yan Bing!"

It turned out that the woman was actually Shen Yanbing!

Chen Feng looked at him with excitement to the extreme.

Even his hands trembled slightly uncontrollably.

At the side, Mu Jianhong immediately noticed Chen Feng's reaction.

When she saw Chen Feng's reaction like this, she was stunned for a moment, and then she felt as if she had thought of something in the next moment.

"It turns out that he came here for the woman!"

He changed his name to Young Master Lin, and he should have come here to save her. Otherwise, with his concentration, no matter how beautiful this woman is, he wouldn't be so gloomy in an instant.

She was also extremely smart, and immediately guessed Chen Feng's thoughts.

But at this moment, seeing Chen Feng like this, she couldn't help but feel a little sour.

Suddenly, a thought came up: "That woman is actually really lucky, to be so favored by him! Let him risk her life to save her."

The next moment, she felt a little stunned in her heart, and she was startled by this thought.

A voice yelled frantically in his heart: "Mu Jianhong, what do you think?"

"How can you have such an idea? Chen Feng has no hatred with you, and you have a deep hatred with him!"

At the time when heaven and man fought in her heart, Chen Feng had returned to normal.

He took a deep breath, his face was as usual, and his hands stopped shaking.

He just looked at Shen Yanbing and whispered softly: "Don't worry, Yan Bing, since I'm here, I won't let you suffer any harm."

"I will definitely save you!"

Then, Chen Feng turned around and left without looking back.

Standing behind him, Mu Jianhong looked at his back, feeling lost!

In the evening of the same day, countless huge white jade mirrors were erected on this square, illuminating the entire square several times brighter than in daylight.

All the guests were invited to the square, before the high platform.

Before the high platform, there are already countless tables and chairs.

Those who came were seated separately according to their respective forces, and there were already tens of thousands of people gathered here.

The beautiful maid shuttled back and forth, bringing up one after another exquisite dishes.

These dishes are exquisite, delicious in color, flavor, and flavor, and they are all cooked with the very rare meat of ice and snow monsters, a specialty near Sanjunzi Mountain.

It can be said to be extremely delicious, extremely unpalatable.

However, not many people moved their chopsticks, and everyone's eyes were cast on the high platform, in front of the hall.

Because today evening is the time of marriage.

Chen Feng and others were also sitting at the same table.

On the other hand, he held two chopsticks from time to time, and he looked quite leisurely, as if he didn't care about what was about to happen.

However, if I could catch Chen Feng's gaze, I would definitely not think so.

Because, in Chen Feng's eyes, a piece of icy cold, like a deep pool, is far and deep.

Every breath of his implies the power of heaven and earth.

He was adjusting his state, and Chen Feng adjusted his state to the peak!

Chen Feng's location is relatively far behind the square, far away from the high platform.

This is divided according to the level of strength, the more powerful the force, the closer it is to the high platform, the more clearly you can see it.

The table where Mu Jianhong is located is naturally the most prominent table.

In fact, her status is no worse than the head of the real dragon Arhat.

In her family, some elders are more powerful than the real dragon Arhats.

But her gaze was to look behind her back and Chen Feng from time to time.

Finally, in the eyes of everyone's expectation, the sunset that day sank shallowly, half hanging out of the sky, half falling below the mountain.

A middle-aged man in a big red robe walked out of the hall and said loudly, "The hour has come!"

Among the long shouts that stretched his voice, the bells rang one after another.

Ding Ding Ding Ding...

Everyone raised their spirits and looked at the hall excitedly.

"I'm coming!"

The next moment, in the main hall, there were a total of ninety-nine women wearing red robes, beautiful in appearance and not bad in strength, came out.

Then they all knelt to the ground, their red skirts tugging to the ground.

Ninety-nine people formed a pattern of a huge lotus.

Then, the door of the main hall opened again, and an old man in a red robe came out from inside, it was the head of the real dragon Arhat, Lian Xingjian!

At this time, he was flushed and very proud.

And in his right hand, he also held a woman in a red dress.

The woman in the red dress was now phoenix crown, and her head was covered with a red hijab.

Although she could not see her face clearly, Chen Feng knew at a glance that she was Shen Yanbing.

[Chapter 2877: Not always!](#)

Chen Feng's fist suddenly clenched, but the next moment it was loosened, as if nothing had happened.

When Lian Xingjian came out with the phoenix crown and the red robe woman, the restlessness on the square reached the maximum.

Many people stood up, and some people said congratulations loudly.

For a moment, the hustle and bustle on the square was extremely.

Chen Feng saw that the body of the woman in the red dress trembled for a moment, and couldn't help feeling a pain in her heart.

He secretly said in his heart: "Yan Bing, Yan Bing, wait a while, wait a while, I'm here to save you!"

Lian Xingjian looked at the people below, laughed, and then pressed his hands down.

Suddenly, the square became silent.

Then, Lian Xingjian looked at the crowd, a smile was drawn at the corner of his mouth, and he said, "Everyone, today is the day of the deity's great joy!"

There was a burst of applause below.

Lian Xing Jianzhi smiled triumphantly, then stretched out his hand and pressed it down.

He proudly said: "Today, double happiness is coming, not only the 300th birthday of the deity, but also the Deity Desire specially sent a bride to the deity to win the 97th concubine of the deity. "

There was a trace of boasting on his face, obviously showing off the importance of Soul Destruction Hall to him.

Many people laughed loudly after hearing his 97th concubine, Fang Ji, with envy in their eyes.

"This turned out to be his 97th concubine!"

"Yes, moreover, the concubines he married, all of them are of great beauty and perfect body!"

"Yes, not only are they good in figure and beautiful in appearance, but the most important thing is that each of them is very talented, and they are all very powerful female warriors. At the same time, in terms of cultivation, the attributes are also very compatible with him."

Someone sighed and said, "But, so what?"

"Such a talented female warrior, not all of them were given by him in a short time..."

The person next to him sighed and said, "I don't know how long this red-robed woman can support."

"Who knows? But he was sent by Soul Destruction Hall. Maybe it's different, maybe it can last longer!"

Someone sneered and said, "Don't expect this, this Star Sword, the older you are, the more refined your skills are!"

"I guess, this little girl may not be able to survive in a year!"

"Hey, what do we care about? Just watch the excitement, anyway, this little girl can't be ours anyway!"

They laughed loudly.

Chen Feng heard it next to him, his brows wrinkled, his eyes were cold!

Next, Lian Xingjian made another scene.

Then, he winked at the emcee.

The emcee nodded and shouted loudly: "Now, the auspicious time has come, please invite the bride and groom to pray to heaven and earth and send them to the bridal chamber..."

He lengthened his voice on purpose.

Lian Xingjian turned his head at this moment, looked at the figure of Phoenix Crown and Xia Lai, with an extremely eager look of greed in his eyes, as if he could not bear it anymore.

And Shen Yanbing was also helped by the two maids next to him and turned around.

At this moment, suddenly, Shen Yanbing struggled violently.

She trembled all over, as if she had broken through some obstacle, and then let out a cry full of coldness: "Let go of me, let me go!"

Unexpectedly, she made such a noise, and Lian Xingjian's face suddenly sank.

He said fiercely: "I didn't expect you, a bitch, to be sealed by me, so you can break free?"

"It seems that you are really unwilling!"

"But, what if you are unwilling? Today, you will still fall into my hands!"

"Today, you still want to marry me in court!"

The next moment, he screamed: "Hold this little **** for me!"

"Today, in this hall, you must worship, and you must worship if you don't!"

At this time, Shen Yanbing was struggling violently, and dropped the hijab directly, revealing her peerless face.

Her face was full of ice and cold, and her eyes were full of anger. She stared at Lian Xingjian and said: "If you dare to touch me, I will die immediately! I can't spare you if I'm a ghost!"

"Want to die?"

Even Xing Jian sneered: "It's hard to die if you fall into my hands!"

"I don't want to seal your strength today. I let you have the ability to struggle a little bit, but you can't get away with it!"

"I have to force you to do what you don't want to do!"

As he said, he winked.

Suddenly, the maids first whispered: "Madam, I'm sorry."

Then, immediately grabbed Shen Yanbing's head and pressed it down.

She had to bend down slowly.

When they walked across from her, Lian Xingjian was facing her, slowly bending over, and the two made a look of worshipping heaven and earth.

Lian Xingjian smiled triumphantly: "Shen Yanbing, I see who can save you today!"

"Today, you will definitely be my person!"

At this moment, suddenly, a clear voice suddenly sounded: "That's not necessarily!"

This extremely clear voice suddenly sounded.

The next moment, it became extremely high-pitched, like a rock piercing through a cloud, full of powerful force!

Hearing this voice, Shen Yanbing trembled all over, showing an expression of disbelief.

Then, this disbelief was turned into extreme ecstasy.

She suddenly raised her head, the icy cold on her face has disappeared, replaced by full of excitement.

With a brush in her eyes, tears flowed out.

She shouted: "Chen Feng, is that you? Is it you?"

Hearing her yelling out the two words Chen Feng, Mu Jianhong took a deep breath and leaned back on the chair.

She closed her eyes and whispered softly in her mouth: "It really is her, it really is her."

"Chen Feng, really came for her."

At this moment, her mood was indescribably complicated.

After hearing this voice, everyone was stunned. *NovELuSB.COM*

The next moment, everyone uttered an exclamation.

Then, all of them turned their eyes to the direction of the sound.

Then, they saw a young man slowly rising up, his figure floating in the air.

He threw the black cloak draped on his body directly, and then, dressed in white clothes like snow, stood proudly!

His figure floats slowly in the air, and the wind hunts and blows his clothes, like a fairy on earth!

After everyone saw him, they all exclaimed: "Who is this? He actually provokes at this time?"

"What is he trying to do? Is he trying to save that woman?"

"I think it is most likely!"

"It turns out that this kid is here for that woman!"

[Chapter 2878: Get out!](#)

"However, he is really overpowering!"

Someone said with an unbelievable expression on his face: "Who does he think he is?"

"Does he think he is the Sect Master of the Nine Great Powers? Does he think he is the strong man in the Soul Destruction Hall? How dare he say such a thing?"

"Yeah, this kid really chose the worst time, and said the least things that shouldn't be said. With his strength, I think it is the peak of the Six-Star Martial Emperor. He is not even the Seven-Star Martial Emperor. How dare to say such a thing when the real dragon Arhat is so overjoyed!"

"Yes, you don't even have to even use the Star Sword, any disciple of the real dragon Arhats can crush him to death!"

"This kid is really crazy, he is looking for his own death here!"

Someone showed a look of disdain: "This class of people has born a good skin, but in fact it is a straw bag. I don't know when and what to do."

"You will die as soon as you come up. It really deserves to die here!"

"Yes, I guess he will be killed in less than a stick of incense."

Everyone showed disdain, and everyone thought Chen Feng was crazy to do this!

They did not pay attention to the name Shen Yanbing called out just now.

They all thought this was Lin Chen, but they didn't know that this person was Chen Feng!

At this time, Lian Xingjian on the high platform also saw it.

He first saw Chen Feng and then Shen Yanbing.

After seeing the excited look on Shen Yanbing's face, a flash of extreme jealousy flashed in his eyes.

He immediately understood what was going on, and understood that this young man was here for Shen Yanbing.

Moreover, he also knew that this young man must have a very high status in Shen Yanbing's heart, with a very heavy weight.

In the next moment, the jealousy in his eyes disappeared, replaced by a hint of spite.

A voice echoed in my heart: "Oh, give me such an affectionate drama here!"

"Okay, I just made it impossible for the two of you to make your dreams come true. I will let you two be separated forever, and I will kill this little bunny in front of you!" He stared at Shen Yanbing and said gloomily .

No one can hear this voice, but Shen Yanbing can hear it clearly.

Shen Yanbing's eyes burned like flames, staring at him sternly and shouting: "You have your mother's spring and autumn dream, how could he be easily killed by you?"

"Yo? He won't be killed? He is just a waste of a Six-Star Martial Emperor, let's watch!"

Lian Xing Jianyin smiled coldly, he didn't even look at Chen Feng again, but instead looked at Shen Yanbing in front of him.

It was as if Chen Feng was not qualified to be seen by him at all.

At this time, those real dragons and Arhats in the square also reacted.

Several disciples of the True Dragon Arhat Sect immediately slew towards Chen Feng.

They are all wearing a Tsing Yi, embroidered with the logo of two long swords on the Tsing Yi, they are law enforcement disciples of the real dragon Arhat, responsible for maintaining order here.

The three law enforcement disciples of the real dragon Arhat Sect surrounded Chen Feng, and the head of the law enforcement disciple showed an expression of anger and anger.

He stared at Chen Feng fiercely, and roared: "Little bastard, no one in the real dragon and Arhats dared to make trouble, and you were short of making trouble!"

"Furthermore, it was the trouble that caused me to lose face and to be punished afterwards."

"Now, the only thing that can vent the hatred in my heart is to abolish you here now and make your death terrible!"

"Only then can I feel better!"

Chen Feng looked at him, only faintly spit out two words: "Get away!"

His eyes are indifferent.

After these three law enforcement disciples watched these gazes, they all couldn't help but tremble in their hearts, and a thought came up:

"How does this young man give people such a powerful feeling?"

But then, they suppressed the idea.

"It's just a waste of the Six-Star Martial Sovereign. What is there to be afraid of?"

The leading law enforcement disciple raised his chin and stared at Chen Feng, sneered disdainfully, and said, "Boy, now you are dead."

He said these words arrogantly, just like a sentence was pronounced. Obviously, he did not put Chen Feng in his eyes at all, thinking that Chen Feng would die as soon as he shot!

"Hey, when you look at Lin Chen, you will die in the next moment." Someone sighed.

"Yes, he can't even pass the simplest level. Does he still want to save that woman? He still wants to threaten Lianxing Sword. It's really overkill!"

"Yes, these law enforcement disciples are enough to kill him!"

"This Lin Chen is just a joke! He will soon discover that he is nothing!"

Chen Feng looked at the law enforcement disciple's gaze, a sharp light flashed by, and said coldly, "Don't you go away? No matter if you open it, then die!"

After Chen Feng said the word 'death', the expression on his face suddenly became extremely cold.

The next moment, he roared, his figure flashed, and he came directly to the three law enforcement disciples.

Then, a punch came out.

The three law enforcement disciples all showed disdainful smiles.

The leading law enforcement disciple looked at Chen Feng and said disdainfully: "Little bunny, we haven't attacked you yet, so you dare to attack us? You really think you have lived too long!"

"Also, since you want to die so much, then I will fulfill you!"

He stepped forward, then his arms shook.

A strong force oscillated from him, his palms were joined together, and he pushed forward flatly.

A huge force poured out from his body, forming a huge white palm print in the air.

The huge white palm print smashed towards Chen Feng fiercely!

"This law enforcement disciple is an eight-star Wuhuang master!"

"Yes, although it has not reached the peak of the Eight-Star Martial Emperor, it has also reached the early stage of the Eight-Star Martial Emperor. This true dragon Arhat is really powerful, and a law enforcement disciple has such a strong strength!"

Everyone flattered.

Someone curled his lips in disdain: "Anyway, in any case, this kid is bound to die."

"Yes, for Lin Chen, it makes no difference whether it is the Seven-Star Martial Emperor or the Eight-Star Martial Emperor, because he will be easily killed!"

A smile of disdain appeared at the corner of Chen Feng's mouth, and he suddenly turned around and looked at those who laughed at him.

He sneered: "Open your dog's eyes and see clearly!"

In the next moment, Chen Feng's fist moved forward fiercely!

This punch seemed unremarkable, but in fact it contained tremendous power.

When this punch was about to hit the offensive palm of the law enforcement disciple, the law enforcement disciple suddenly felt that he was suddenly black.

[Chapter 2879: Who is he?](#)

The opponent's offensive was like a mountain pressing down, and he couldn't breathe.

A huge and incomparable force squeezed him tightly, making himself black in front of him, with gold stars in his eyes, and a feeling of wanting to spray blood.

He was horrified and exclaimed: "How is it possible? Your strength makes me feel like this?"

"Furthermore, this punch has not yet arrived, it can be so, how powerful is this?"

There was an unbelievable look on his face, and his figure quickly backed away, trying to avoid Chen Feng's attack.

A sneer appeared at the corner of Chen Feng's mouth: "I only know how strong I am now? It's too late!"

In the next moment, the fist smashed down fiercely, directly smashing his palms offensively.

Then, drove straight in and landed on his chest.

This law enforcement disciple, with violent eyes and wild blood spurting, before he could say a word, he was directly killed by Chen Feng.

Then, Chen Feng's figure flashed and came to the two law enforcement disciples.

The two law enforcement disciples were already frightened and dumbly looked at Chen Feng who had killed him.

Chen Feng looked at them and said softly: "Now, I will send you on the road!"

Then, it was still a punch, and it was still the punch that looked ordinary and indistinguishable from just now!

However, this punch completely enveloped the two law enforcement disciples.

The two law enforcement disciples wanted to escape, but how could they escape now?

They were directly and severely crushed by this punch. First they knelt to the ground, then they fell to the ground, and finally there was a bang, their bodies trembled heavily, and they fell to the ground and died directly!

But only then did the people onlookers come back to their senses.

So the next moment, they exclaimed: "How is it possible? He killed three law enforcement disciples in a blink of an eye?"

"Yes, these are three eight-star Wuhuang-level law enforcement disciples! He actually killed three of them in a blink of an eye?"

"How is it possible? How could he have such a strong strength?" *NovelS6.cOm*

There was a look of horror on their faces.

And some people suddenly thought of a terrible idea, and shouted: "Could it be that he concealed his strength? His true strength far exceeds the Six-Star Martial Emperor?"

"Yes, it must be, otherwise, there is no way to explain this!"

Everyone shouted in exclamation!

Someone shouted: "Something's wrong, he can't be Lin Chen!"

"Then Lin Chen of the Lin family, I've heard that he is not strong enough, how could he suddenly reach this level?"

"He must not be that Lin Chen!"

Everyone looked at Chen Feng in the sky with horrified eyes.

And Chen Feng ignored them at all, Chen Feng just moved forward slowly.

Above the square, other law enforcement disciples flew up and stopped in front of Chen Feng.

Facing them, Chen Feng looked cold, and slowly spit out a sentence: "Those who stand against me, die!"
Stop me! dead!

It was just a few words, but it was full of tyrannical power and extremely domineering murderous intent.

Upon hearing these four words, the law enforcement disciples all trembled.

If Chen Feng said these words just now, they would not take it seriously.

But now, Chen Feng used the lives of three law enforcement disciples to prove to them that he absolutely did what he said.

These law enforcement disciples looked at each other.

Chen Feng continued to move forward.

He took a step forward, and they immediately took a step back in a panic.

For a while, it looked embarrassing.

A disdainful smile appeared at the corner of Chen Feng's mouth, and he went straight forward.

Every time he took a step forward, these law enforcement disciples took a step back.

Chen Feng alone, facing these dozens or hundreds of law enforcement disciples, forced them to keep retreating.

Seeing this scene, everyone on the square burst into laughter, and after the laughter, there was a burst of heart palpitations.

Everyone was looking at the white-robed youth in the sky, wondering about his identity!

Chen Feng killed three law enforcement disciples, and Lian Xingjian's brows were slightly twisted, but then they let go.

He still had the usual expression on his face, his emotions did not change in any way, and he did not look at Chen Feng.

It seemed that Chen Feng's performance still couldn't attract his attention.

Chen Feng continued to move forward, although thousands of people are coming forward, without fear!

At this time, two middle-aged men stood out from Lian Xingjian, one in purple and one in black.

These two middle-aged people are true disciples of Lian Xingjian.

The one in black is Qu Xingwen.

The one wearing a purple robe is Master Ang.

The two of them were the two strongest people in the true dragon Arhat Sect, except for Lianxingjian.

He has obtained his three or four points true biography, and his strength has reached the middle stage of the Nine-Star Martial Emperor.

In the face of someone like Chen Feng, Lian Xingjian holds his own identity, so naturally he can't do anything, so at this moment Qu Xingwen and Shi Ziang stepped forward.

Qu Xingwen walked out, looked at the law enforcement disciples who were retreating, and shouted sharply: "Get out of the way, isn't it enough to be ashamed?"

Those law enforcement disciples, if they received a pardon, quickly retreated.

Qu Xingwen looked at Chen Feng and said lightly: "Boy, I didn't expect you to have some strength."

"But, that's it."

"You can beat the law enforcement disciples in my door, but you can't be my opponent."

Chen Feng looked at him without raising his eyelids, but slowly spit out two words: "Get away!"

These two words are just like what Chen Feng said to the law enforcement disciples before.

Everyone was in an uproar: "This kid is crazy enough!"

"Yeah, mad and arrogant. It seems that in his eyes, the law enforcement elder of the dignified and true dragon Arhat, the powerful mid-stage master of the Nine-Star Martial Emperor, is no different from ordinary law enforcement disciples!"

"Yes, no matter how strong he is, he can only find two words here: Get out!"

"Haha, this kid is really handsome!"

The black-robed middle-aged Qu Xingwen's face suddenly flushed red. He just came here with a show of power. He originally thought that if he frightened Chen Feng, Chen Feng would just be softened.

Unexpectedly, only two words can be obtained from Chen Feng: Get out.

This caused Qu Xingwen to become angry immediately, and his heart was suddenly full of murderous intent.

He stared at Chen Feng and said fiercely: "Good boy, you are cruel and crazy!"

"But it's a pity that you don't have enough strength. Your ruthlessness and your madness will only make you die faster!"

"You dare to talk to me like this, I must crush you into dust! Kill you completely! Let you die without a place to be buried!"

When Chen Feng looked at him, he spit out two words faintly: "Go away!"

This sentence completely caused the middle-aged black robe to lose his mind.

He roared frantically: "Lao Tzu is the law enforcement elder of the real dragon Arhat Gate, the dignified mid-stage Nine-Star Martial Emperor, if you want me to go away, you must have this strength!"

[Chapter 2880: Unscathed!](#)

He screamed wildly and rushed towards Chen Feng.

There was a light smile at the corner of Chen Feng's mouth, and he said softly: "Don't roll, right? Okay, then die!"

The black-robed middle-aged Qu Xingwen slayed at Chen Feng fiercely. His clothes were bulging, and his whole person was like a huge black balloon.

And his offensive is also black.

In this black power, there is a powerful murderous intent, and a hint of hidden edge.

In the next moment, the black power turned straight forward into countless black blades.

On the black blade, there is also a thick layer of gold.

That golden color, Chen Feng is very familiar with, it is the power to bring down the dragon!

Thinking of this, Chen Feng's heart suddenly moved, and the moves he had already raised his hand to prepare fell again.

He just walked forward, facing the offensive, as if turning a blind eye to the attack, not seeing it at all.

"What?" Everyone exclaimed: "This kid is going to die?"

"Yeah, what happened to him? He actually faced the attack. This was an attack by a mid-stage Nine-Star Martial Emperor! He didn't resist at all?"

"This offensive will definitely tear him to pieces, leaving him dead without a place to bury him!"

"Yes, that's right, is this kid frightened stupid?"

Someone issued a disdainful taunt: "He might not have expected to meet such a powerful master before, so when he saw a nine-star martial emperor master, he was frightened and could not even say anything, even directly facing the attack. on."

"Yes, I think it is possible."

Many people agree.

They couldn't understand Chen Feng's behavior of facing up to the attack, they all regarded Chen Feng as a lunatic, a fool!

The black-robed middle-aged Qu Xingwen also stared at Chen Feng, disdainfully said: "Lin Chen, it seems that you are scared stupid, you have closed your eyes and waited for death, right?"

"Alright, then I will make your death a bit more miserable! This is how you dare to offend our true dragon Arhats!"

After all, a violent roar is even more of a crazy stimulus.

Suddenly, above the sky, the black power turned into endless sword energy, and in a blink of an eye, it turned into hundreds of sword energy.

Each of these hundreds of sword auras is extremely powerful, possessing powerful tearing and penetration.

And Chen Feng just greeted him straight up.

Seeing this scene, Mu Jianhong's heart suddenly shook, and there was a wave of worry for Chen Feng.

Shen Yanbing on the stage looked at Chen Feng, but his face was full of confidence.

She muttered in her heart: "Chen Feng, you must be able to do it! There is nothing you can't do in this world!"

Qu Xingwen laughed wildly: "Boy, die!"

But the next moment, the smile on his face suddenly solidified there, and the voice stopped abruptly, as if it had been cut off in the middle.

Then, it turned into an unbelievable exclamation: "How is it possible? This is impossible!"

"No! This is absolutely impossible!"

It turned out that Chen Feng stood still in the face of his offensive, facing his incomparable black sword aura with golden light.

As soon as those black sword auras touched Chen Feng's body, the next moment, they melted like ice and snow in the sun.

Then, it penetrated directly into his body.

Those powers entered Chen Feng's body, but it seemed to have been fully absorbed, making Chen Feng's aura even stronger than before!

After all the offensive fell on Chen Feng, all the ice and snow melted. ,

None of them worked!

None of them can cause Chen Feng the slightest damage!

Chen Feng is still safe and sound, just standing here and there, looking very indifferent.

Those offensives with incomparable lethality are over?

Everyone is stupid!

There was no sound, the whole square was silent!

Everyone opened their eyes and mouths wide, and their faces showed disbelief.

There seemed to be an egg inside that mouth.

At the next moment, huge exclams were made: "How is this possible? How is this possible?"

"Yes! He is facing the attack of the mid-stage powerhouse of the Nine Star Martial Emperor! But he doesn't dodge in the slightest!"

"That was an attack from the Nine Star Martial Emperor! He was actually safe and sound?"

"God, what kind of monster is he? Is his defense so strong? Is he safe and sound? What realm has his strength reached?"

"The peak of the Nine-Star Martial Emperor, at least the peak of the Nine-Star Martial Emperor, can you be safe and sound in the face of such a strong attack?"

When everyone looked at Chen Feng, they were no longer shocked just now, but full of great shock.

Those who said that Chen Feng was like a madman and fool just kept silent, feeling hot on their faces.

They are like being slapped in the face!

They also said that Chen Feng was crazy and stupid, but in a blink of an eye, Chen Feng hit them in the face with his behavior.

At this moment, Chen Feng suddenly turned around and smiled at them.

Then, he stretched out his hand and slapped him in the air twice.

Everyone knows what this action means.

Suddenly, the people who mocked Chen Feng just now were even more shameless. Some even covered their faces, lowered their heads, and dared not raise their heads.

Chen Feng's action was very slight, but the humiliation that caused them to suffer was infinite!

Chen Feng is humiliating them with practical actions!

Chen Feng's heart was extremely happy, and the corners of his mouth finally curled up on that cold face, revealing a smile.

Then, the smile grew louder, and finally turned into a long laugh.

Chen Feng's laughter swelled in this square, and it seemed so abrupt, but no one dared to have any doubts.

Everyone looked at Chen Feng above the sky with awe.

In the sound of laughter, all the humiliation, the humiliation, the depression, the suppression that have been received in recent days are all released at this moment!

Chen Feng was extremely refreshed!

These people all feel that their face hurts from being beaten.

The middle-aged in the black robe let out an incredulous roar: "How is it possible? My offensive has no effect on you?"

"This is a mid-level offensive of the Jiuxing Wuhuang, how could it be useless?"

He stared at Chen Feng, at first he couldn't believe it, and the next moment he screamed like an aggrieved little wife.

The whole person stayed there, his eyes blank.

Just looking at Chen Feng, repeating this sentence: "This is impossible!"

He almost collapsed in spirit. If the opponent was extremely powerful and smashed his offensive with a wave of his hand, then he wouldn't be like this.

But the other party just stood there and let him attack like this, but he had no way!
