

Peerless 3431

[Chapter 3431: you sure?](#)

Just when his hands were about to touch Qi Wenxia and Gui Qingwen, suddenly, at this moment, behind him, a cold voice came:

"Remove your paw, or I don't mind giving it a discount!"

After hearing this, everyone was stunned.

Then everyone looked in the direction where the sound came from.

Then, they saw a young man in white, slowly standing up.

It was Feng Chen with a cold face.

Suddenly, everyone made a huge uproar from you: "It turned out to be Feng Chen?"

"Yes, he actually stood up to provoke Sun Yongjie at this moment? Is he going to die?"

"Yes, he is just a one-star Martial King. He is crazy if he wants to provoke Sun Yongjie who reaches the peak of Martial King realm!"

And some people even laughed: "Don't think I can't see Feng Chen's mind."

"He just took this opportunity to win the favor of Qi Qia Xia and Gui Qingwen."

"But it's a pity..."

There was a thick ridicule on this person's face: "He did this at the cost of life!"

"Yes, dare to come forward at this time, it's just looking for death."

"He is definitely going to die this time."

"Not only will you die, but you will die miserably!"

Everyone looked at Chen Feng's gaze, with surprises, but more mockery, disdain, and even a hint of gloating!

At this time, Zuo Tianhe was completely stunned.

Suddenly, there was an extreme shame in his heart.

At this moment, Chen Feng stood up and said these words without fear. It was in sharp contrast to him who was kneeling on the ground and begging for mercy, tearing down his tears.

At this moment, he felt that he had lost face greatly.

He immediately braced himself, looked at Chen Feng, and said sharply: "Feng Chen, you dog, is there a place for you to speak?"

Only Bai Jingwan, whose eyes were bright and frightening, stared at Chen Feng without blinking.

"Chen Feng, are you my benefactor?"

At this time, Sun Yongjie also slowly turned around. He looked at Chen Feng with a trace of extreme tyranny in his eyes.

Staring at Chen Feng, he said, "Boy, were you talking madly just now?"

Chen Feng smiled and said, "Yes, it's me."

"good very good!"

Sun Yongjie looked at him, as if remembering something: "So it's you!"

It seemed that he was thinking of Chen Feng.

He stared at Chen Feng with a stern voice: "That day, I spared you, and you were lucky enough to escape under my hands."

"Unexpectedly, you don't know how to cherish, but you dare to speak wild words in front of me!"

"Today, if I didn't kill you, I would simply be sorry for you!"

"Kill me?" Chen Feng smiled indifferently: "You only need that ability!"

After hearing his words, Sun Yongjie was taken aback for a moment, and then he laughed wildly: "Boy, are you mad?"

"How dare you say such a thing in front of me? I'm an expert at the peak of the Martial King realm!"

"I don't know how many times stronger than the one-star Martial King like you!"

"I will kill you?"

He stretched out **** and rubbed them: "It's as easy as crushing an ant to death."

"How dare you say such a thing?"

He suddenly smirked and looked at what Qi Wenxia and Gui Qingwen said: "I can even trample them while killing you, effortlessly."

After that, Sun Yongjie screamed, his figure jumped up, and fisted Chen Feng fiercely!

The strength of the peak of the Martial King realm is unconcealed!

His punch covers the entire ice and snow palace!

It was overwhelming, and the people around him vomited blood!

Even if they were not the main target of the attack, they would vomit blood crazily and were seriously injured when they were affected!

And everyone's eyes fell on Sun Yongjie and Chen Feng: "It's over, Feng Chen is dying now!"

"Yes! This punch can crush him to pieces!"

"What shattered? Obviously, it was to destroy him directly! Let him have nothing left!"

Everyone looked at Chen Feng's eyes as if they were looking at a dead person.

But at this moment, Chen Feng suddenly raised his head, raised his sword eyebrows, looked at Sun Yongjie, smiled and said, "You, sure, sure?"

When Chen Feng said the word 'you', he also punched it!

When Chen Feng said the word 'true', the two punches were already fiercely intersected!

At this moment, everyone's faces became extremely shocked!

It turned out that at this time, Chen Feng's momentum suddenly improved, and in a blink of an eye he rose from the Martial King realm to the Martial Emperor realm!

Not only them, but even Sun Yongjie's face changed drastically at this time.

He stared at Chen Feng, the cold madness on his face disappeared in an instant, turning into a touch of extreme fear and disbelief.

He shouted crazy: "How is it possible?"

At the next moment, Chen Feng had already vomited the word 'ding' in his mouth.

And at this moment, Sun Yongjie felt an incomparably powerful force rushing from Chen Feng's fist, bitterly smashing into his body!

Then the next moment, he let out a scream, his body fell heavily.

Chen Feng's power exploded in his body, and there was a loud bang, and his entire right arm bone was shattered.

That power refused to let her go, came to his chest, and shattered his chest bones!

Even the internal organs!

He vomited blood repeatedly, and the spewed blood was even mixed with internal organs!

He fell heavily to the ground, his face still full of disbelief.

Looking at Chen Feng, he exclaimed: "How could you be so strong? What level of power are you?"

Quiet, this moment is extremely quiet.

In the entire Ice and Snow Hall, everyone was stunned, and everyone looked at Chen Feng blankly.

The expressions on their faces are wonderful.

Confusion, disbelief, shock, fear, etc., all condensed together!

The next moment, there was a huge exclamation that was earth-shaking!

Their faces are full of shock and disbelief!

A person said in a dreamlike tone: "Feng Chen, is he so strong? His strength is so terrifying!"

"God of War is on! I can't believe it! Sun Yongjie is a dignified general with more than 20 ranks!"

"Yes, it is said that his strength has reached infinitely close to the Martial Emperor Realm! How could Feng Chen defeat him so easily?"

"It's horrible!"

"How strong is Feng Chen? The peak of the Martial King Realm? Or..."

A person's voice trembled: "Or, his strength has already crossed the Martial King Realm and reached the terrifying Martial King Realm?"

After hearing this sentence, everyone trembled.

[Chapter 3432: Do you think you have a future?](#)

Looking at Chen Feng's gaze, it was no longer fear or shock, it was like worshipping a god!

In their twenties, they have reached the Martial Emperor Realm, which in their opinion is simply an incredible myth!

"I don't know how strong he is!"

A young man said loudly: "I only know that we are not even qualified to compare with him! We are not even qualified to carry shoes!"

"Yes! Horror, it's horrible!"

Someone suddenly laughed and said in a self-deprecating tone: "We laughed at Chen Feng so much before. Don't you know, we should be laughed at!"

"Yeah, we laughed at Chen Feng from a small place before, and laughed at him for being incapable of strength. It's just a mere one-star Wu Wang. We didn't expect that the real ridiculous thing was us!"

"When I think of what I said just now, I feel like every word is slapped on my face!"

A white robe young man said with ashamed face.

They were all completely shocked by Chen Feng's performance!

At first, Wu Feng's face was shocked, then it turned into amazement, and then it turned into a deep panic.

He suddenly remembered the words he had said to Chen Feng just now, and his legs immediately softened, and endless fear surged in his heart.

"So he is so strong? Will he kill me? Over, I'm over!"

He weakened his legs and knelt directly on the ground, kowtow again and again: "Feng Chen, be merciful, Feng Chen, be merciful!"

And Chen Feng didn't even look at him.

And at this time, Gui Qingwen, Zuo Tianhe, Qi Wenxia and others standing next to them, the unbelievable faces on their faces, have reached an extreme!

Zuo Tianhe sternly shouted: "I don't believe it, surpassing the peak of the Martial King Realm, and almost the strength of the Martial King Realm?"

"How is it possible? How is it possible!"

He suddenly let out a stern cry: "How is it possible!"

His face was full of unwillingness to believe.

However, he knows, and everyone knows: This is a fact, and you must believe it if you don't believe it!

After a while, he just regained his sanity.

At this moment, the arrogance on his face, the contempt for Chen Feng, was completely gone, replaced by a thick shock, and a dull after shock.

Zuo Tianhe murmured: "Compared with him, our cultivation is a joke!"

He remembered that just a few minutes ago, he was still pretending to be in front of Chen Feng.

Now I think of all those actions, like a big ear scraper, slapped his face fiercely!

Make him faceless!

He was still maintaining the motion of kneeling on the ground. He was forced to kneel and begged for mercy by Sun Yongjie just now, but now he saw with his own eyes that the kid he had mocked before beat Sun Yongjie to his knees.

The embarrassed is like a dog.

Suddenly, a thought flashed in his mind: "He is a dog, so what am I to be knocked on the ground by a dog?"

"I'm not as good as a dog!"

He muttered.

He almost broke down.

He knew that he had lost face to the extreme today.

Suddenly, his heart shook, wow, wow, a dozen mouthfuls of blood spurted out, and he couldn't move on the ground!

All the words he had said to Chen Feng before were like big slaps, slapped on his face fiercely.

He felt that he had no face left in this world.

Gui Qingwen looked at him with a flash of pain in his heart.

If it were to change to the previous words, she would immediately hold Zuo Tianhe in her arms and comfort her in a low voice.

Just now, Zuo Tianhe even wanted to offer her and several people to ask Xia Baijingwan for Sun Yongjie to vent her lust.

Now, she has only hatred for Zuo Tianhe in her heart, where is there still half of the affection?

At this moment, Bai Jingwan was the only one with bright and scary eyes.

She looked at Chen Feng with an extremely excited character on her face, and murmured: "Sure enough, it really is you!"

"Feng Chen, sure enough, my benefactor is you!"

"No wonder you are so familiar with me, no wonder, all the things you brought to me today are all deja vu!"

She was completely different from the shock and fear of everyone around her.

Because she knew that Feng Chen would never hurt herself anyway!

Qi Wenxia stood there blankly at this time, even unable to speak!

Before Chen Feng took the shot, she was still very contemptuous in her heart. She felt that Feng Chen didn't know the heights of the sky, and this time she was afraid of death.

But the next moment, Feng Chen shocked him extremely.

Feng Chen used that incomparable strength to make her unable to say a word that shocked her!

At this moment, there was chaos in her mind, but a few thoughts kept flashing through:

"I mocked him before!"

"I think his strength is very average!"

"I don't think he is worthy of me!"

These thoughts caused confusion in her heart, and in the end it only turned into an extremely ridiculous voice, which suddenly sounded sharply in her heart: "Qi Wenxia, are you blind? It's blinding your dog's eyes!"

At this time, Chen Feng turned a deaf ear to their amazement.

He just walked slowly towards Sun Yongjie.

Sun Yongjie looked at Chen Feng and trembled: "What are you going to do?"

"What am I doing?"

Chen Feng smiled and walked to him, then slowly stretched out his foot and stepped on his right hand.

Sun Yongjie seemed to suddenly think of something, staring at Chen Feng, and howling terribly: "You, you dare not!"

"I am the general of God of War Palace, I am the general of Tianlongwei, you dare not touch me! You dare not touch me!"

"Oh? Really?" Chen Feng looked at him and said with a smile: "Then what am I doing now?"

The next moment, Chen Feng's right foot pressed hard, and with a click, Sun Yongjie's right hand was directly broken.

The extreme pain came, causing him to scream.

Shaking all over, his face pale, and big beads of sweat on his forehead rolled down!

His right hand was directly interrupted by Chen Feng!

Everyone was in an uproar!

If it is said that Chen Feng just showed his strength, then now, Chen Feng's harsh methods shocked them.

Sun Yongjie is powerful, and Chen Feng, if he interrupts his hand, interrupts his hand!

Chen Feng looked at Sun Yongjie, smiled and said: "I just said that I want to interrupt your dog's paw..."

"I, Chen Feng..."

He paused, saying word by word: "Say it, do it!"

At this time, Sun Yongjie twitched with pain.

He stared at Chen Feng and roared ferociously: "Okay, kid, you wait for me! You wait for me!"

"I know you are strong, but I am not a vegetarian!"

"You wait for me, I will definitely bring someone back! I will kill you! I will definitely make you die miserable!"

"is it?"

Chen Feng looked at him and smiled and said, "Do you think you have a future?"

[Chapter 3433: Want me to slap you in the face? Are you worthy?](#)

In the next moment, Chen Feng stepped on his heart slowly!

Chen Feng's words directly stunned Sun Yongjie.

"What? You want to kill me? Do you dare to kill me?"

Chen Feng spread his hands and said helplessly: "Why do you think I dare not kill you? What are you? Why should I not dare to kill you?"

Sun Yongjie was stupid.

Just now, even at the moment Chen Feng was seriously injured, he was not so afraid.

Because he didn't think Chen Feng would dare to kill himself.

He believed that even if Chen Feng had great strength, he would definitely not dare to cut his own life, because behind him was a mysterious armored rider, a Tianlongwei!

And he, now actually dare to kill himself?

This made him fear to the extreme in an instant.

Suddenly, the madness on his face just disappeared completely.

He looked at Chen Feng and begged wildly for mercy: "Please, don't kill me, don't kill me! Forgive me!"

He no longer cared about dignity, he had only one thought in his mind now, that is, to live.

Chen Feng looked at him and smiled and said, "I beg for mercy now? It's a pity, it's too late!"

The next moment, Chen Feng stepped on it, and it directly shattered his heart!

Sun Yongjie let out a scream, his voice stopped abruptly.

He stared at Chen Feng, with an expression of disbelief and fear in his eyes.

And he is already dead!

Sun Yongjie was killed by Chen Feng!

At this moment, Chen Feng turned to look at Zuo Tianhe, smiled and said, "Now, tell me, is there any place for me to speak here?"

Chen Feng's words finally brought Zuo Tianhe and the others back to their senses.

Just now, they have been immersed in the tremendous shock, and they didn't even come back to their senses until then!

Great shock!

The ultimate can't believe it!

And the next moment, it is an incomparable great fear!

At this moment, Zuo Tianhe's heart was filled with incomparable fear, even more than the fear of Sun Yongjie just now.

A voice echoed in his heart: "It turns out that he is terrifying!"

"I mocked him like that before. Will he let me go? Will he kill me? Will he kill me?"

He looked at Chen Feng with extreme fear in his eyes.

And then, the fear turned into extreme flattery and flattery.

He was already paralyzed on the ground, no longer kneeling there, suddenly he kneeled straight again.

Then, bang bang bang, kowtow to Chen Feng repeatedly, shouting loudly: "You have this qualification, you have this qualification, my lord, spare my life!"

"My lord, I was wrong, you spare my life, please don't kill me!"

With extreme force, his forehead hit the stone slab, and it was already dripping with blood in an instant.

His eyes were full of pleading: "Please, spare my life!"

He is now like a dog wagging his tail!

When Chen Feng saw his performance, he only smiled contemptuously and ignored him.

At this time, the most uncomfortable thing was neither Zuo Tianhe nor Qi Wenxia, but Gui Qingwen.

Her disdain for Chen Feng went from extreme disdain to extreme shock and fear. For a moment, such emotions made her tremble all over.

She actually had a crazy worship of Chen Feng directly.

Gui Qingwen took the lead in provoking Chen Feng, but today, it was Chen Feng who rescued her.

If it were not for Chen Feng, it would be humiliated in public today, and would even be tortured to death by Sun Yongjie.

At this time, her feelings for Chen Feng were extremely complicated.

Full of fear, full of fear, but also full of gratitude.

She even looked forward to it when Chen Feng came to slap herself.

Scold yourself a few words and scold yourself severely!

Even, a very shameful thought suddenly surged in her heart: "He is now, even if he throws me on the bed and ravages me, I am willing!"

The seeds of worshipping the strong germinated quietly in her heart.

At this moment, she even had the urge to become Chen Feng's slave.

Even if she was ravaged by Chen Feng wantonly, wanton ravages, crazy insults, even if she did anything mean, she was willing.

However, Chen Feng did the most painful behavior for her.

That is: Ignore her completely!

Chen Feng ignored her, just looked at Qi Wenxia, and said lightly: "Let's go, go back with me, it's getting late."

"It's too late to go back, Auntie will worry!"

After that, turned around and left.

I didn't even look at the people in the hall.

And Qi Wenxia stayed for a while, and when Chen Feng turned around, he instinctively followed him and walked out.

If it was before, Chen Feng spoke to her in an almost commanding tone, Qi Wenxia would not listen at all, and even laughed loudly.

But now, she was shrouded in awe in her heart, where would she dare not listen?

From start to finish, during the whole process, Chen Feng didn't even glance at the other people in the hall.

Only in this way did these people feel extremely embarrassed and embarrassed to the extreme.

They stood there, flushed and trembling, unable to speak a word.

They even looked forward to this moment when Chen Feng turned around and ridiculed them, and slapped them in the face.

Then they will all feel better than they do now.

Because now, Chen Feng simply ignores them completely, and doesn't care about them at all.

Chen Feng's performance shows that Chen Feng has never seen them directly.

"We are so ridiculous! We were laughing at Chen Feng just now, just like a clown jumping off a beam!"

Someone murmured: "I know, I know why Chen Feng was not angry just now, because he didn't put us in his eyes."

"Because we are ants in his eyes!"

"An ant provokes someone in front of a person, will one be angry?"

Gui Qingwen suddenly looked at Chen Feng's back and shouted loudly: "Chen Feng, come here and scold me! You can slap me in the face! You can slap me in the face!"

With that, she snapped, slapped herself severely.

Everyone was stunned, looking at him blankly, not knowing what he was doing.

Chen Feng also turned around and looked at her.

Gui Qingwen slapped her face fiercely, and then shouted: "Don't ignore me!"

"You make me feel like an ant!"

She knelt on the ground with a plop, looked at Chen Feng, and shouted: "Please, slap me in the face! Please don't ignore me!"

Chen Feng was taken aback first, then smiled clearly.

Walked to her, looked down at her, smiled and said, "You, want me to slap you in the face, don't you?"

"Yes."

Chen Feng looked at her and laughed softly: "Want me to slap you in the face?"

He paused, and said word by word: "Actually, what you said just now is correct. In my eyes, you are an ant, not even a clown."

"So, what you did just now, I don't care at all!"

Chen Feng looked at him, with a touch of contempt in his eyes: "Want me to slap you in the face? Are you worthy?"

After speaking, Chen Feng turned and left.

Qi Wenxia followed him honestly.

And Gui Qingwen knelt on the spot, stunned for a while, suddenly shouted, wow, a big mouthful of blood spurted out, and directly passed out!

At this moment, only one sentence reverberated in her mind:

"Want me to slap you in the face? Are you worthy?"

[Chapter 3434: How is it different from ants?](#)

"It turns out that I don't even have the qualifications to be slapped in the face by him!"

Qi Wenxia followed Chen Feng and looked at his back, her eyes gradually changed from the dullness to Qingming.

And then, there was a touch of shame and shame.

Her face flushed suddenly.

Only then did she seem to come back to her senses, and only then did she realize what Chen Feng's performance meant.

Only then did I realize how ridiculous my previous behavior was!

She whispered softly: "Qi Wenxia, Qi Wenxia, you keep saying that Feng Chen doesn't know the height of the sky and the earth, but you don't know that the person who doesn't know the height of the sky and the earth is you!"

"Qi asked Xia, you still told Feng Chen, is Feng Chen worthy of you?"

"Really ridiculous! What are you? Comparing with Feng Chen? Are you worthy?"

"You don't deserve him at all!"

At this time, she finally knew why Feng Chen looked like she didn't care when she was ridiculing Feng Chen before.

It turned out that it was because Feng Chen didn't take her seriously!

Her mood was extremely complicated at this time, and she didn't even dare to look up at Chen Feng.

Soon, the two were silent, and they returned to Qi Wenxia's home.

Chen Feng said lightly: "Well, you have been sent to you, I should leave too!"

After that, turned around and left.

At this time, Qi Wenxia suddenly shouted: "Feng Chen?"

Chen Feng turned his head: "What's the matter?"

"me....."

Qi Wenxia rubbed the corners of her clothes, her face flushed, and she couldn't say a word.

In the end, only three words came out: "I'm sorry!"

Chen Feng was stunned for a moment, and then said lightly: "There is nothing to be sorry for!"

He spread his hands: "In my eyes, how do you people differ from ants?"

After that, turned and left.

Behind him, Qi Wenxia's face turned pale!

Seeing Chen Feng's leaving back, Qi Wenxia's body trembled slightly.

Suddenly, she softened and slowly squatted down, holding her head in her arms, and let out a silent whimper.

Tears shed.

She knew very well how much she had lost by her previous stupid behavior!

At this moment, a floating tank suddenly stopped in front of the mansion.

Then, Qi Junhao walked down from the top.

At this time, when she saw Qi Wenxia who was squatting there holding a headache and crying, she was startled and furious.

Stepping forward, he said loudly: "Ask Xia, what's the matter? Did that kid Feng Chen bully you?"

"I don't think he is a good thing! I will go and kill him! I will vent your anger!"

At this moment, Qi Wenxia suddenly stood up straight, and shouted at him hysterically, "Father, don't say anything!"

Qi Junhao was stunned.

Qi Wenxia had never burst into such emotions, which made him very embarrassed.

He coughed softly as a cover, and he didn't know what to say when standing by.

During the entire process of Chen Feng showing his power, Bai Jingwan remained silent.

However, he just stood there, with a small smile on his lips, with inexplicable happiness on his face, as if he was immersed in some of the most beautiful things.

Watching Chen Feng show great power, watching Chen Feng behead Sun Yongjie, watching Chen Feng slap Zuo Tian and their faces fiercely.

There was a Rongyan expression on her face, and she whispered softly: "This is him, this is Feng Chen! This is my benefactor!"

Chen Feng and Qi Wenxia left, but the hall was quiet.

Many people are holding their heads, and even their eyes are a little confused and startled.

What happened today has brought them too much shock, and some of them can't recover.

After a while, a painful grunt awakened everyone.

Everyone saw Gui Qingwen slowly waking up.

Zuo Tian and his eyes turned around, recovered, and hurriedly crawled towards this moment and rushed over, holding her in his arms, and said in a trembled, "You, are you okay?"

Zuo Tianhe looked concerned at this time.

If Gui Qingwen had been before, I would be extremely moved.

But at this time, she glanced at Zuo Tianhe, only disgust in her eyes.

Gui Qingwen waved his hand and slapped Zuo Tianhe's face with a big slap!

Zuo Tian and the whole were stunned, a fierce hostility flashed in their eyes, wanting to attack.

But some dare not.

Regarding the origin of his family, Gui Qingwen is stronger than him!

He and Gui Qingwen are in fact a high climb!

The reason why he is so arrogant and domineering is not unrelated to the support of Gui Qingwen's family.

Therefore, at this time he did not dare to have an attack with Gui Qingwen!

Gui Qingwen stared at him and said coldly: "You just wanted to send a few of our women over for Sun Yongjie to enjoy, in exchange for your life! Really?"

"Good, good, you are fine!"

After speaking, he slapped Zuo Tianhe directly to the ground.

Gui Qingwen struggled slowly, stood up and looked into the distance.

Chen Feng's back has disappeared, but she still seems to be able to see it.

There was a flash of extreme intoxication in her eyes, and she whispered softly: "Feng Chen, do you know?"

"The moment you humiliated me just now, my body shuddered, and I was extremely refreshed."

"From my body to my mind, at that moment, I achieved a kind of ultimate pleasure."

"If someone scolds me, I will kill him, but if you scold me, I am extremely happy and extremely comfortable."

"I discovered that there is such a strong servility in my body! But!"

She whispered softly: "My servility is only blooming for you!"

"Only in front of you, I will be humble like a dog."

"No matter how you abuse me, how you beat me, or call me, there is only happiness in my heart!"

At this time, Gui Qingwen looked at her hands with a strange face, she was a little unwilling to believe that she was herself!

When this thought flashed in her heart, when she realized it, an inexplicable panic surged in her heart.

She didn't want to believe it at all, but soon the instinctive reaction of the body told her: This is the truth!

So, she whispered softly: "Feng Chen, I am yours, I must be yours!"

"I want to use my life to serve you, to be a cow and a horse for you, and a slave to be a maidservant. I am willing to do whatever you ask me to do. I will make amends for what I said before!"

Next, everyone was silent and dispersed.

What happened today has greatly shocked them.

However, these disciples who had just entered the Beidou Sword Sect were as agreed upon, and none of them mentioned today's events to others.

Because of today's events, they feel that their cultivation is simply a joke.

Comparing myself with Feng Chen, nothing counts!

They instinctively don't want to mention this person, it seems that only this way can give them a little self-esteem!

[Chapter 3435: My lady is chasing you!](#)

After leaving the home of Qi Wenxia, Chen Feng walked all the way towards Zhulin Yushanzhai in Xiacheng District.

When he was about to arrive at Zhulin Yushanzhai, at a remote intersection, Chen Feng had just turned around and suddenly saw a tall figure standing in front of him, looking at him with a smile on his face.

It is Bai Jingwan.

Chen Feng raised his eyebrows, then smiled and said, "Oh, what a coincidence, I saw it here."

"Yeah, coincidentally, this is our second meeting today, and the third meeting these days, right?" Bai Jingwan looked at Chen Feng and said with a smile.

Chen Feng deliberately froze for a moment, and then said: "I only met with the girl twice today, what about the third time?"

"Have we met before?"

"Of course I have."

Bai Jingwan looked at Chen Feng and smiled slightly: "A few days ago, my benefactor rescued me from two prostitutes. Did you forget?"

"What kind of benefactor? What kind of thief?"

Chen Feng was happy in his heart and wanted to admit it, but when he saw Bai Jingwan's serious look, he suddenly wanted to tease her.

He smiled and said, "What did the girl say? I don't quite understand."

Bai Jingwan was taken aback for a moment, then her face changed drastically, as if she was lost in her soul, she whispered:

"Am I wrong? You are not my benefactor? You are not my benefactor?"

Chen Feng nodded his head and said, "I am definitely not your benefactor. What are you talking about girl? I can't understand."

Bai Jingwan felt extremely low in an instant, and murmured, "Am I wrong?"

At this moment, he suddenly saw the narrow expression in Chen Feng's eyes.

I immediately understood what was going on.

She looked at Chen Feng, stomped her feet, and groaned: "Oh, don't tease me! It's you! Right?"

Chen Feng spread his hands and said, "It's really not me!"

Bai Jing pursed her lips and thought for a while, then suddenly walked forward.

Suddenly she held Chen Feng's arm and shook it vigorously, with a long voice in her mouth, and said coquettishly:

"Oh, Feng Chen, my kind father."

"Please, just admit it, OK? I know it's you!"

At this moment, if other disciples of the Beidou Sword Sect see this scene, their jaws will definitely be shocked!

Although Bai Jingwan was born in a humble background, she was a woman with great self-esteem.

Moreover, she is also extremely talented, which makes her temperament rather cold, and she hastened to show no words to others.

Among them, many powerful children, and even generals in high positions among the Tianlongwei, have pursued her, but none of them succeeded!

Bai Jingwan was indifferent to everyone who refused to be thousands of miles away.

But at this time, she would be so coquettish in front of Chen Feng, full of dependence and anger.

It's like a little girl acting like a baby with her husband.

Even Bai Jingwan was stunned by her actions.

However, she didn't have the slightest resistance in her heart. On the contrary, she felt that she wanted to do it, so she did it.

This is a very strong idea from the heart.

And now, after she made this action, she didn't feel any unhappiness, but was full of happiness in her heart.

Because she felt that everything she had was open to her benefactor, she didn't have any concealment from him, nor did she want to conceal any.

Just want to be the truest self.

Depend on him for everything and don't think about anything.

Chen Feng was also stunned, then looked at her, sternly, and said solemnly: "Girl, don't move! This is on the street."

Bai Jingwan was amused by his appearance, so she let go of her hand and said, "Okay, okay, okay, okay?"

Chen Feng laughed, turned around and left, and slipped away in an instant.

Just dropped a sentence: "Girl, I have something else, let's see you later."

Bai Jingwan couldn't help but was stunned, looking at Chen Feng's back, a smile suddenly appeared at the corner of her mouth.

The smile became deeper and deeper, covering her face, she said softly: "Feng Chen, I know it's you!"

"Even if you don't want to admit it, I know it's you!"

"You don't want to admit it, it's okay! I always have to wait until the day you are tempted by me!"

There was a lovely hum from her nose: "My lady is chasing you, so I don't believe you are not tempted!"

After Chen Feng returned to the Zhulin Medicinal Food Studio, he heard a very arrogant shout before he went in.

Chen Feng was taken aback for a moment: "This voice is very strange!"

And as soon as he stepped into the door, a person walked towards him.

This person, more than forty years old, has a sallow complexion and vain steps. At first glance, he is addicted to wine for a long time.

Wearing a brocade robe, staring at Chen Feng, his face was fierce and disdainful.

He looked at Chen Feng and said, "Are you the new Feng Chen?"

Chen Feng didn't know who he was, but just nodded: "Yes, it's me."

This person looked at Feng Chen, looked at his handsome face, a thick jealousy flashed across his face, and then suddenly cursed, "What are you doing in a daze? Get out of work!"

A icy color flashed in Chen Feng's eyes: "Who is this person? How dare to talk to me like this!"

Chen Feng sneered coldly, and was about to clean him up.

At this time, suddenly the corner of his clothes was pulled.

When Chen Feng turned around, he saw Lin Ran standing behind him.

Lin Ran hurried forward, laughed with him, and said to the sallow-faced man: "He just came here, he is ignorant and doesn't know the shopkeeper Xu."

This shopkeeper Xu was very proud, and he smiled: "Okay, I'll give you Lin Ran a face!"

Then, he gave Chen Feng a gloomy look and said, "You bastard, don't fall into my hands! Otherwise, you must look good!"

After all, arrogantly left.

After Lin Ran waited for him to leave, he looked at Chen Feng and sighed: "Feng Chen, I stopped you just now, don't blame me, I am also thinking about you!"

Chen Feng said lightly: "What's the matter?"

Lin Ran sighed: "He, but we can't afford to provoke him."

Having said that, it was just talking about the whole story.

Only then did Chen Feng know that it turned out that everyone here called him the shopkeeper Xu.

It turned out that when the bamboo forest meets the medicated food restaurant, Lin Ran said that it was the shopkeeper here, but in fact it was only working for others.

And the real backer behind it is Qiu Leyu.

Qiu Leyu has a great background and a deep background. It is said that he is the steward of a big man.

And even he is not the true owner of this Zhulin Medicinal Food Studio.

He just managed the Zhulin Medicinal Food Studio for that big man.

But even so, he covered the sky in the Zhulin Medicinal Food Studio, and no one dared to disobey him.

Even Lin Ran treated him respectfully.

And this shopkeeper Xu is Qiu Leyu's brother-in-law.

[Chapter 3436: Entanglement](#)

He has no abilities at all, just a low-level warrior, with very low strength and no talent.

He is lustful and only knows to drink and have fun all day long.

But Qiu Leyu made him stare at Lin Ran, so he was like the Emperor in this Bamboo Forest Medicinal Food Studio, no one dared to provoke him.

Shopkeeper Xu was not a big role at all before, always being bullied, but now he can be regarded as someone who can bully.

Therefore, he often came to this bamboo forest medicated food restaurant to dominate the blessing, and he would just want to insult them with any excuse.

Chen Feng sighed softly.

This **** shopkeeper Xu, he is naturally not afraid of it at all, even the Qiu Leyu standing behind the shopkeeper Xu, and even the owner of Qiu Leyu, Chen Feng doesn't care about it.

What is it?

But for Lin Ran, Chen Feng endured it!

Chen Feng knew that it was cool to let out a momentary anger, but it was Lin Ran that would be difficult to do then.

Lin Ran treated Chen Feng quite well, and Chen Feng didn't want to make it difficult for her.

What's more, there is Zhong Lingzhu here, and Chen Feng can't act rashly.

He endured this bad breath!

That night, the night was as cool as water.

The Xiacheng district of Tianlong City seemed to be more lively at night.

In the streets everywhere, lights are pouring around like flowing water.

The streets of Tianlong City under this night are like rivers glowing with light.

Countless people looking for fun shuttle through it, and there are countless places for them to find fun.

Stay up all night.

At this time, Chen Feng was sitting cross-legged on the top of a tall pavilion not far from Zhulin Medicinal Food Studio.

This pavilion is the inn where Chen Feng temporarily lives.

However, Chen Feng was not in his room at this time, but came to the highest point of the inn.

There is no one here, and Chen Feng is sitting here cross-legged.

He is not high from the street, about tens of meters.

Just below him, there was a loud voice.

However, there was still silence around Chen Feng.

And he is at this point where the silence is in contact with the noise.

There was a strange feeling in his heart, Chen Feng sighed lightly, lying down on the roof, looking up at the sky full of stars.

For a while, the mood became extremely calm.

Chen Feng suddenly discovered that he hadn't been thinking deeply about what he had done and what he wanted to do in the future.

Chen Feng sighed slightly: "Today is just right, looking back to the past and understanding the future."

"My time has been a bit chaotic, and I should take care of my thinking."

Chen Feng looked into the distance, his eyes as bright as stars.

"Now, what I should do is clear."

"Zhong Lingzhu and Yaoguang Bairi Xianpu are the two most important purposes for me when I came to Sky Dragon City."

"Now that Zhong Lingzhu has been found, what I have to consider is when should Zhong Lingzhu be taken away from the Dragon City!"

Chen Feng thought in his heart: "Of course, I have to consider Zhong Lingzhu's preferences in everything I do, and I cannot make Zhong Lingzhu unhappy."

"Let her feel from the bottom of my heart that I do this for his good, but I can't just do it."

"In this way, it would be too utilitarian!"

Chen Feng whispered softly: "If I forcibly take Zhong Lingzhu away now, she will certainly feel unhappy in her heart, and even fight hard to resist."

"However, I am doing this for her good. I will take her away and teach her martial arts techniques to help her increase her strength wildly."

"When she grows up and her thoughts mature, she will naturally understand that I am for his good."

"Then, what's wrong with me doing this? It's totally okay!"

When Chen Feng thought about it this way, his heart suddenly became clear.

He had always been too limited in his mind to not make Zhong Lingzhu unhappy and so on, but he ignored this!

And at the moment Chen Feng had this idea, suddenly, a throbbing in his mind suddenly occurred.

Chen Feng suddenly felt shocked.

He was so familiar with this throbbing!

If it were not for this throbbing, Chen Feng would not have come to Sky Dragon City, nor would his strength stand still!

Chen Feng was horrified: "Why does this throbbing suddenly appear?"

And the next moment, Chen Feng felt that in the throbbing depths, the feeling of entangled luck, connected destiny, and unable to break free, came out again.

And this time, it feels extremely strong!

Strong, almost condensed into substance!

At this time, Chen Feng's horror had faded away, just waiting quietly.

For this, he had no choice but to watch.

And the next moment, Chen Feng felt that the atmosphere in the deepest part of his body suddenly swept out.

This kind of power was mysterious and inexplicable, and he felt that this kind of power was different from any kind.

It is neither physical force nor spiritual. It's a general trend in the dark.

A law of profound meaning close to the deepest part of the world!

When this force leaked from Chen Feng's body, Chen Feng's pupils contracted sharply, his breathing stopped, and his whole body shuddered, almost asphyxiated.

There was even a desire to worship in his heart.

He was even more shocked, with only one thought reverberating: "What a powerful force this is!"

"I feel that this kind of power only needs a tiny bit, and it only needs to be touched lightly, it is enough to kill many strong people who don't know!"

"This kind of power, let alone control it now, it is impossible to achieve it!"

"I can't even make him appear! I can only wait and wait for him to appear!"

Then, the atmospheric fortune in Chen Feng's body flew out like a big dragon.

Then, at the same instant, in the Zhulin Medicinal Food Studio not far away, there was also a breath that suddenly awakened.

That breath is faintly connected to Chen Feng's luck. Although it is many times weaker than Chen Feng's, the relationship between the two is extremely close.

That luck also took off, like a small dragon, entangled with Chen Feng's big dragon, extremely intimate.

Chen Feng sighed slightly, he knew that this should be Zhong Lingzhu's luck!

Then, Zhong Lingzhu's luck suddenly turned his head and let out a faint roar toward the depths of Tianlong City.

The roar was full of grief and anger, as if there was a hatred of killing his father and taking his wife.

At the same moment, there was also a complex aura in the depths of the Dragon City that day, and it flew into the air.

This breath is quite similar to Zhong Lingzhu's aura, but the two are involved and are not clear.

Among them, there is endless hatred doping.

After a while, both disappeared.

Zhong Lingzhu's luck returned to her body, and that aura died instantly!

[Chapter 3437: Nan Dou Pei Yuan Jin Dan!](#)

Chen Feng was watching quietly by the side, taking a long breath at this time, and then waiting for his luck to return to his body.

Chen Feng thought for a long time, and a wry smile appeared at the corner of his mouth: "That's it, I know what is really blocking me."

"What really hindered me was not Zhong Lingzhu's thoughts. What I thought before was completely feasible."

"What really hinders me is that Zhong Lingzhu still has a long-cherished wish in this Sky Dragon City. There are still grievances entangled with Zhong Lingzhu in this Sky Dragon City!"

"Only by sorting out and solving these grievances, can I take Zhong Lingzhu away."

"and....."

There was an indescribable palpitation in Chen Feng's heart: "Just now Zhong Lingzhu's luck was full of endless resentment, as if he had been tortured for so many years."

"It can be seen that there is a deep hatred. If you don't end this grievance, then Zhong Lingzhu will not be free, and I will not be free!"

Thinking of this, Chen Feng's mind was bright.

"If this is the case, then, what to do next is very simple."

"First I'm going to ask Lin Ran, and then learn more about Zhong Lingzhu from Lin Ran, and guess who is entangled with Zhong Lingzhu's grievances."

A smile appeared at the corner of Chen Feng's mouth, and he looked deeply into the distance: "The general location, I probably confirm that it is somewhere in Shangcheng District."

"At that time, go there and find it hard!"

After Chen Feng settled this idea in his mind, he immediately calmed down.

A heart is also very peaceful and indifferent.

Originally, Chen Feng had been quite anxious these few days, worried about this matter.

And now that I have thought about it clearly, I don't worry about it anymore.

Chen Feng sighed softly: "Now, I want to see how the golden lion **** element battle body before my Treading Idol battle body has absorbed!"

Then, Chen Feng was shocked.

As a result, an extremely powerful force slowly emerged from his body.

Chen Feng didn't even deliberately control this power.

Because the level of this power is too high, it is simply impossible for the surrounding martial artists to detect it.

Of course, if Chen Feng treats them as opponents and pressures them, they will be able to detect it.

The Tatian Idol battle body slowly emerged from behind Chen Feng, but the Tatian Idol battle body at this time was completely different from before.
novEUsB.com

As soon as the previous stepping god-like battle body appeared, it was filled with incomparably powerful coercion and power that enveloped the world.

But now, after appearing, it gave Chen Feng a feeling of wilting, listless and very sleepy.

Even as soon as he appeared, he instinctively wanted to hide.

Chen Feng controlled it forcibly, only to maintain the Tatian idol body appearing here.

A look of surprise flashed across Chen Feng's face, and he whispered softly: "It shouldn't be!"

"Even if this heavenly stepping idol battle body absorbed the golden lion and became like this, this has been going on for so long, it should have been absorbed long ago."

"Why is this still the case?"

Chen Feng keenly noticed something wrong.

Therefore, Chen Feng was immediately probing.

Chen Feng was very cautious, because he didn't know what kind of reaction this would arouse the Tengian Idol War Body!

Chen Feng's mind came to the outer layer of the Tatian idol battle body, and first went around him to comfort him.

Tatian Idol War Body was very sleepy at this time, and it seemed a little unwilling to pay attention to Chen Feng.

He suddenly lay down directly behind Chen Feng.

Chen Feng was overjoyed, knowing that stepping on the sky idol war body is to understand what he meant.

At this time, he took a deep breath and gathered his mind.

After that, all of that mind sank into the body of the Tengtian idol combat body.

As soon as he entered the body of the stepping idol battle body, Chen Feng immediately frowned.

Because he felt that the surrounding area was full of unspeakable and incomparably difficult power.

That power originated from the ancient wilderness, extremely tyrannical, and extremely huge, like a large river, rushing around Chen Feng.

Compared with these, Chen Feng is like a little mosquito next to a river that is as wide as thousands of miles.

Insignificant, extremely small!

Chen Feng was incomparably horrified: "There is such a terrifying power in the body of this heavenly idol war body?"

Not only that, Chen Feng found that most of the countless powers around him, like big rivers, were stagnant and motionless there.

In other words, these forces have not yet been exerted!

Chen Feng was shocked first, and then overjoyed.

"My stepping on the sky is already extremely scary, but even so, it turns out that it is only a very small part of his true power."

"If all these forces in his body were to be brought into full play, how terrifying would it be?"

After Chen Feng was happy for a while, he put aside his thoughts, and then sank in it and began to explore.

After spending more than an hour, Chen Feng, who had been there with his eyes closed, suddenly opened his eyes, and his eyes were completely confused!

At the same time, his body trembled violently.

Sweat was like syrup, his face was pale, and he looked badly injured!

Behind him, the battle body of the stepping idol also snapped, shattered and disappeared without a trace!

Chen Feng showed a lingering expression on his face. It took a while before he came back to his senses. He whispered to himself and said, "Terror, too horrible!"

The power in the body of the Treading Idol came from the ancient wilderness.

Very weird, extremely heavy, and extremely thick.

It is really exhausting to explore in it.

"However, I always found a reason."

His eyes were bright and scary: "It turns out that now the Tengtian idol body has absorbed the golden lion, and it has fallen into stagnation."

"The reason for this is that the current Tengtian idol body is still too weak."

"If I have a few more divine essences, and the strength of the stepping idol body is a bit stronger than before, it will be very easy to absorb this time!"

"To put it bluntly, I still don't have enough strength."

"However, it is not a matter of a while to increase the number of gods. We need to think of a quicker way. There really is such a way!"

Chen Feng's heart moved, and a small smile appeared at the corner of his mouth.

It turned out that when Chen Feng was exploring the Tatian Idol War Body, he received an extremely important message.

His consciousness seemed to have touched the consciousness of the Tatian Deity War Body, and from the consciousness of the Tatian Deity War Body, he felt his extreme desire for something.

That thing is called: Nan Dou Pei Yuan Jin Dan!

"Nantou Peiyuan Jindan, isn't it?"

[Chapter 3438: Endure it!](#)

Chen Feng whispered to himself: "I don't know who has this pill, but I know that the level of this pill has reached the level of a high-level golden pill, which is extremely scary!"

"Then, the big family power in the city must be possessed."

"And they want to buy ingredients, or directly buy medicinal pills. What they absolutely can't avoid is the largest medicated diet in the city!"

"The largest medicated food studio in the city is equivalent to the general meeting of the Alchemist Association here."

"As long as you find them, you can definitely find them!"

"but....."

He thought to himself: "With my strength, people won't even look at me straight."

"It seems that it is time to show some strength!"

Seeing that the hour was too early, Chen Feng would inevitably be discovered if he stayed any longer, so he turned and left and returned to the inn.

The next day, he went to Zhulin Medicinal Food Studio and found that the shopkeeper Xu was here again.

When he saw Chen Feng coming in, his eyes were not eyes, and his nose was not nose, and he came to Chen Feng.

Yin and Yang said strangely, "Feng Chen, I heard that your kid is quite capable, right?"

"Not bad, the talent is pretty good!"

"At a young age, I heard that I have the cultivation base of King Martial Realm, and I also entered the Beidou Sword Sect, right?"

Chen Feng was indifferent, just staring at him, wanting to see what else he could say!

Looking at Feng Chen, the treasurer Xu flashed with jealousy in his eyes.

Feng Chen is taller and handsome than him, younger than him, better talented than him, and higher than him. How can he not be jealous?

He suddenly smiled sullenly: "No matter how high your cultivation base is, no matter how promising you are, the place where you stand now is called Zhulin Yaoshanzhai!"

"The person in charge here is me!"

"What I ask you to do, you have to do it! Do you understand?"

His face was arrogant.

Everyone looked at Chen Feng and Xu shopkeeper.

They all know that shopkeeper Xu is using Chen Feng to make him look good!

A cold color flashed in Chen Feng's eyes, and he almost couldn't help but teach him severely!

But at this time, he saw not far from the side, Lin Ran slowly shook his head at him, even a pleading in his eyes.

Chen Feng sighed lightly and said calmly: "Okay, I get it!"

Chen Feng looked at Lin Ran's face, and tolerated it, only that Xu's shopkeeper did not exist!

And shopkeeper Xu was even more proud to see Chen Feng doing this. He felt that Chen Feng was afraid of him.

He felt very proud to be able to subdue Chen Feng, a young man with strength and promising future, and he followed with a few loud ridicules.

Chen Feng only barks as a dog!

Then, Chen Feng pulled Lin Ran and chatted for a while.

The focus of the conversation is Zhong Lingzhu.

Lin Ran didn't hide anything from him. Looking at Chen Feng, he said frankly: "Feng Chen, I actually saw it very clearly."

"The reason why you stay here is mostly because of Zhong Lingzhu."

Chen Feng was a little embarrassed when she revealed the thoughts in her heart. He touched his nose and gave a wry smile.

Before he could speak, Lin Ran smiled and said, "Your sister, I have been in this market for so many years, and the human relationship is better than you."

"How can I not see your thoughts?"

"I don't know what your purpose is, but I can see that you are definitely not a treacherous person."

"but....."

She looked at Chen Feng and said softly: "If you are afraid, be afraid, you have done bad things with kindness!"

When Chen Feng heard this, he was surprised: "Could it be that Lin Ran knows what?"

Lin Ran stared at him and said, "Whether you want to take Zhong Lingzhu away, or if you want to pursue something related to Zhong Lingzhu, I will tell the truth."

"I will tell you as much as I know, but..."

She said word by word: "You have to promise me one thing!"

"What's the matter? You say!" Chen Feng also said solemnly.

"I want you to promise me that you must never hurt Zhong Lingzhu a single bit! Treat her well!" Lin Ran stared at Chen Feng, his eyes exquisite!

Chen Feng smiled slightly and said in a deep voice: "Don't worry! Lin Ran, I promise you!"

"I treat her like a close relative!"

"Okay!" Lin Ran laughed, but also let go of his heart, and said softly: "You ask!"

Chen Feng said: "I am very interested in Zhong Lingzhu's life experience. I don't know where you adopted her from?"

"What is her background?"

Lin Ran sighed softly: "Ask me, you are asking the right person."

"I'm afraid that no one can answer this question except me!"

He looked into the distance, a leisurely look, as if lost in memory.

"That was eleven years ago. At that time, I was just an ordinary girl when I came to Sky Dragon City."

"I don't understand everything, and I am very curious about everything."

"At that time, I was not in this Zhulin Medicinal Food Studio, but in another Medicinal Food Studio."

"By chance, I met a pharmacist. He saw that my talents were okay. The most important thing was that he looked exactly like his dead daughter and liked me very much."

"So, put me under the sect and teach me how to refine medicine."

"I also helped in that Medicinal Food Studio."

Her eyes were far away, and her voice was exceptionally long, as if she had returned to that sunny afternoon.

"That day, the sun was fine."

"As a result, all of a sudden, above the sky, there was a fierce thunder and a storm."

There was a lingering look on her face: "What impressed me most was the thunder that day." *NOVELUS.COM*

"Generally speaking, there should be thunder in such a big storm, but the thunder on that day was ten thousand times more than normal!"

"It feels like there are tens of thousands of thunder snakes rushing wildly."

"That day, the entire Sky Dragon City was covered in Wanjun Thunder."

"Countless thunderstorms crashed down. I don't know how many houses were destroyed. Even the city wall collapsed for a while. Everyone shivered that day, hiding in their homes and dared not go out!"

"but....."

She laughed at herself: "I'm more courageous."

"I sneaked out to look, and then I saw that there was a figure shaking above the boundless thundercloud, and there was a sound of screaming to kill."

"I know, there must be strong people fighting there!"

"And the next moment, our Great General Tianlongwei actually appeared from the Great General's mansion, and then joined the battle group."

"No, it should be said that it was the former General Tianlongwei."

Chen Feng trembled in his heart and lost his voice: "General Tianlongwei has swept through it? That's an invincible powerhouse of the four-star Wudi level!"

Lin Ran glanced at him and said lightly: "It's more than just a part of it. He died in that battle!"

[Chapter 3439: Zhong Lingzhu's terrifying background!](#)

Chen Feng couldn't help taking a breath.

Lin Ran went on to say: "In this battle, I don't know how many people have died, and how many powerful people have fallen!"

"Anyway, I can only see that the bodies of the strong are constantly falling on the thundercloud."

Chen Feng took a breath, and his heart was shocked!

"Originally, what I guessed was that after so many years, the descendants of the real Thunder might have made no progress in their strength, even withdrew, and have become ordinary people.

"However, I did not expect that the descendants of the real Thunder would be swept into such a storm!"

"That also means that the descendants of Real Thunder are absolutely unusual!"

"That's a battle involving powerful men with four-star or even five-star Wudi level strength!"

Lin Ran's voice was soft, and continued:

"That is, on that day, the previous General Tianlongwei fell directly!"

"That day, I saw his blood spilling into the sky, and the body was scrambled by countless strong people, and I didn't even get a whole body."

"And that day, fighting until the evening, the sky was dark, and the battle continued."

"At this moment, I saw a small black spot falling in the sky, it should be no one noticed her."

"This little black spot fell next to a broken wall, not far from me, I was very curious."

There was a touch of bitterness on her face, with an inexplicable meaning: "I don't know whether the original curiosity made me or hurt me."

Chen Feng exclaimed: "Did you find Zhong Lingzhu?"

"Yes, it was Zhong Lingzhu who was in the infancy at that time."

"I didn't know what was wrong at the time, maybe it was a ghost that was obsessed with it, so I brought her back and kept it up."

"However, she has never remembered anything, and forget everything when she does it, or forget it when she does it."

"I taught her my name every day in those years."

Her eyes looked at Zhong Lingzhu who was busy outside through the bead curtain, and a touch of kindness flashed in her eyes: "It was not until she was five years old that she had no memory and remembered her name."

"However, I can't remember anything from the previous events."

Chen Feng sighed: "That's it, it's that way! It turns out that Zhong Lingzhu's background is so big!"

Lin Ran smiled bitterly and said, "It's possible that he doesn't have such a big background! Maybe he just happened to happen, just an ordinary little girl!"

Chen Feng looked at her, smiled and said, "Lin Ran, do you believe this?"

Lin Ran was stunned for a moment, then shook his head and smiled bitterly!

Chen Feng sighed softly and asked: "Where did you get Zhong Lingzhu in the first place?"

Lin Ran said: "In Shangcheng District, next to Jinyi Tower."

"Jinyi Tower!"

Chen Feng wrote down the name, and he will go to the side to look for it.

Chen Feng asked a few more questions and checked all the questions clearly.

He secretly said in his heart: "Now Zhong Lingzhu's life experience, I have already partly clarified, but it is actually even more confusing."

He sighed: "This trip is really difficult. I don't know how long it will take to solve Zhong Lingzhu's matter so that she can be taken away by me!"

But at this time, Chen Feng just sighed.

The harder it was, the more it aroused the eager temper in his heart.

A smile appeared on his face: "Wait! I must solve this matter!"

Chen Feng said a few more words to say goodbye.

And Lin Ran suddenly called him.

Chen Feng turned his head and looked at her questioningly, Lin Ran said softly: "I have been with Lingzhu for more than ten years, and have treated her like a daughter."

"I just hope, anyway, you..."

Chen Feng smiled slightly: "Don't worry, as long as I live, no one can hurt her!"

There was a relieved expression on Lin Ran's face.

Then, Chen Feng left here and went to the gate of Tianlong City.

Because today is the day when Shi Hongbo and Shi Yebai came here.

Chen Feng came to the gate of the city and waited. It didn't take long for him to see two galloping figures in the distance, each riding a huge horned deer.

It is Shi Hongbo and Shi Yebai.

There was a hint of excitement on their faces and a hint of timidity. Obviously, for them who had just arrived in Sky Dragon City, everything was unknown.

At this moment, both of them saw Chen Feng, and there was a touch of joy on their faces. They shouted, "Feng Chen!"

Then, he instigated the giant horned deer under the crotch to come to Chen Feng.

Chen Feng laughed, and the two jumped down.

Chen Feng walked forward directly. Hold both of them in your arms!

Shi Hongbo did not surprise him with this action. For him, it was a very normal thing.

Shi Yebai was stunned for a while, she was directly held in her arms by Chen Feng, and she collided with Chen Feng's body.

Feeling Chen Feng's solid and powerful chest and thick arms, his heart suddenly crashed like a deer, his heart thumped and thumped wildly, but his face still had to pretend to be calm.

After a while, Chen Feng let go of the two and laughed and said, "Did you encounter any accidents on the way here?"

At this time, Shi Yebai had just returned to normal. He tucked his hair and said softly, "Don't worry, everything is normal."

"When the two of us came over, it was safe too!"

Chen Feng nodded: "Then I can rest assured, let's go in, I will take you to settle down first!"

"Good!" Both of them nodded.

At this moment, a timid voice suddenly came from behind: "Master Feng!"

When Chen Feng heard this, he frowned.

He was familiar with this voice.

Sure enough, after Chen Feng turned his head, he saw Qi Wen Xia Zheng standing there.

And not far from Qi Wenxia, a floating chariot hung behind her.

Seeing Chen Feng looking over, Qi Wenxia immediately showed a smile on his face.

She treats Chen Feng now, how can she be half arrogant and disdainful before, and even with a trace of impatient and overlooking attitude?

There was even a hint of flattery and flattery in her smile, which was obviously in favor of Chen Feng.

The attitude towards Chen Feng is far different than before!

Chen Feng raised his eyebrows and said lightly: "Why are you here?"

Qi Wenxia took a deep breath and let herself be as natural as possible, then chuckled and said, "Mother knows that you have two friends here today, so I am here to greet you."

Chen Feng was startled, and then he felt a sense of clarity.

Whether Aunt Su asked Qi Wenxia to do this, or Qi Wenxia herself did it, it was obviously all about repairing the relationship with him.

"But it's a pity..."

[Chapter 3440: Someone bullied Lingzhu?](#)

Chen Feng sighed softly: "I just want to do this now, it's too late."

At this time, Shi Hongbo and Shi Yebai looked at Chen Feng and Qi Wenxia curiously, and they obviously found something wrong between the two!

Chen Feng was waiting to refuse, but Qi Wenxia suddenly said: "My mother once ordered that she and the deceased's son have not been seen for a long time, this time let me invite them over!"

Chen Feng was stunned for a moment, and then smiled wryly.

He has now determined that this is definitely what Su Manqing taught Qi asked Xia to say.

When Yi Qi asked Xia's temperament, she absolutely couldn't say this!

Since she had already spoken out with this reason, Chen Feng really had no way to refuse.

So he said: "Okay, then let's go up!"

With that, Xiang Shi Hongbo and Shi Yebai nodded.

Both of them trust him extremely, and naturally they have no objection.

Then, the two followed Chen Feng on the floating chariot.

Upon reaching the floating tank, Shi Hongbo squeezed his eyes at Chen Feng and said in a low voice, "What's the situation?"

Chen Feng smiled slightly: "I'll talk to you later."

Shi Yebai looked at Qi Wenxia, with a trace of hostility in his eyes that was unclear.

But soon, the hostility in her eyes disappeared because she found that Chen Feng Qi Wenxia was very polite.

The problem lies in this very polite.

Chen Fengyu Qi asked Xia. Although he was polite, he was extremely alienated and treated her as an outsider!

When he saw this scene, Shi Yebai was relieved, a smile appeared on the corner of his mouth.

Then he woke up, took a sip, and said to himself: "Shi Yebai, Shi Yebai, why are you so happy?"

"You are especially happy to see Feng Chen not interacting with other women? What do you think?"

Thinking about it, she felt feverish on her face, and quickly lowered her head.

And Qi Wenxia also clearly felt this.

Chen Feng spoke to her as usual, nothing unusual, even when Chen Feng spoke to her, he was extraordinarily polite, but this politeness was extremely indifferent and alienated.

Qi Wenxia felt particularly uncomfortable, but she remained silent, because she knew that all of this was caused by him.

She has to swallow all the bitter fruits!

At this time, the conversation with her mother yesterday flashed in her mind.

It turned out that Qi Wenxia cried all night after returning home.

Qi Junhao was careless and didn't find anything, but Su Manqing saw a clue.

So after repeated questions, I finally learned the reason.

Hearing that Chen Feng's strength was so powerful, even Su Manqing, who easily killed Sun Yongjie at the peak of the Martial King realm, was very shocked.

But she was very human in the end, and her mind turned quickly, and she immediately said something to Qi Wenxia.

"Qi Wenxia, I know you are arrogant, and I also know that although our family is not rich and powerful, it has never made you wronged."

"You walked here smoothly, no one has given you any anger! No one has given you a face!"

"But you have to understand that now is the most important time in your life!"

"Feng Chenjue is very human. Among all the disciples of the Beidou Sword Sect, he should be the first-class figure."

"Moreover, his future achievements are even more limitless. If you can grasp it now and be with him, then you will leave here!"

As she said, she pointed to the ground under her hands and said: "Leave this midtown area and enter the upper city area of Sky Dragon City, even higher."

After that, she turned around and left, but left a word: "Think about it yourself!"

Qi Wenxia thought about it all night, so the next morning, she offered to come to meet Shi Hongbo and Shi Yebai.

Chen Feng was so indifferent to her, and she was also mentally prepared.

Therefore, at this time, there was still a smile on his face, and he spoke to Shi Hongbo and Shi Yebai in a low voice.

As for Chen Feng, she didn't dare to provoke her if she ignored her.

Soon, the floating tank arrived at Qi Junhao's mansion.

Qi Junhao didn't have any value today. Of course, he would never come out to welcome Chen Feng and others.

Su Manqing was very happy to welcome Chen Feng and others in, and took Shi Hongbo and Shi Yebai's hands, and kept asking.

Asking them how they are now, asking about their mothers, and talking about the past with their mothers, I burst into tears.

In fact, Su Manqing itself has no utilitarianism.

She persuaded Qi Wenxia to be with Chen Feng purely for Qi Wenxia's consideration.

If Qi asked Xia if she didn't want to, she would never force it.

And she loves the sons of these two deceased people from the bottom of her heart. As for Qi Junhao, she doesn't bother to pay attention to them at all, just drinking tea by the side.

Later, he even found an excuse to leave directly, and didn't even look at Chen Feng.

Obviously, he still disdains Chen Feng very much.

This scene fell in the eyes of Su Manqing and Qi Wenxia. Not only was Su Manqing unhappy, even Qi Wenxia sighed slightly:

"Father, you are still like this in front of Chen Feng? Do you have the qualifications?"

Qi Junhao didn't realize it, but didn't know that her actions fell in the eyes of everyone, but it was just ridiculous.

After staying here for an afternoon, Su Manqing wanted to leave everyone to eat.

Everyone pushed but they had no choice but to stay.

In the evening, at the banquet, Qi Junhao shook his face again, making it awkward.

Naturally, Shi Hongbo and Shi Yebai could also see that Qi Junhao looked down on them both.

So I left early.

Su Manqing was not embarrassed to keep them.

After leaving here, a group of three people walked towards Xiacheng District.

At this time, the sky is full of stars.

The three of them were walking on the quiet street, laughing loudly, with a particularly relaxed mood.

Chen Feng took the two of them to the inn where he lived to settle down.

The day after tomorrow will be the day to report to the gate of the Beidou Sword School, so I am not in a hurry.

Chen Feng took them around Tianlong City the next day, and only came back in the evening.

Both of them opened their eyes and bought a lot of things, ready to take them home to their eldest brother and father.

After returning to the inn, Chen Feng just remembered that he hadn't been to Zhulin Medicinal Zhai for more than a day.

Although he didn't care about this job, he still wanted to give Lin Ran a face.

However, when Chen Feng walked into it, he keenly noticed something wrong with the atmosphere here.

It turned out that at this time in the Zhulin Medicinal Food Studio, the atmosphere was extremely stagnant, and everyone was silent.

On the ground, there was a pile of broken dishes, as well as purple soup and medicine, sprinkled all over the ground.

Chen Feng turned his eyes around and saw that everyone was there, but Zhong Lingzhu was missing.

He froze for a moment, and asked in a low voice, "Where is Lingzhu?"

"Lingzhu is crying behind!" one person whispered.

"What? Are you crying behind?" A cold color flashed in Chen Feng's eyes: "Who dares to deceive Lingzhu?"

To Chen Feng now, Zhong Lingzhu is like a treasure!

He took a deep breath, suppressed the anger in his heart, and then whispered, "What's the matter?"

A woman who had a good relationship with Chen Feng said in a low voice: "Shopkeeper Xu started to pick and choose after coming back today. It is not pleasing to look at this, and it is not pleasing to look at that."

"Everyone dared not provoke him, so they didn't speak."

"As a result, the more angry he got, the more he started to lose his temper."
