

## Peerless 3481

### [Chapter 3481: It's noon!](#)

"You give an order to have all the disciples practicing in the dense cave of Qingshan Cliff come here and wait for me honestly."

"Yes!"

Hou Hongzhuo nodded quickly, and was about to leave.

Suddenly, Xian Yu Gao Zhuo said, "Wait a minute."

A look of doubt flashed in his eyes, and he thought to himself: "That person knows everything, and seems to know the secrets of my Beidou Sword Sect."

"So, will the people around me also get his spies?"

His cold and electric gaze suddenly fell on Hou Hongzhuo. Hou Hongzhuo shivered violently at this moment, seeming to realize what Xian Yu Gaozhuo was doubting.

Quickly waved his hand and said, "Master, it's definitely not me!"

Xian Yu Gao Zhuo took a deep look at him, and felt that it was impossible for him as a disciple to betray him.

But he is not so trustworthy of others. If this is told to them, wouldn't it be a horror?

So he waved his hand and said, "Okay, don't say anything, just let us stay here."

A smile appeared at the corner of his mouth: "As long as there is an old man alone, as long as there are countless institutions in Qingshanya, who I control!"

"Then, it doesn't matter if there are more people than a few people!"

He was full of confidence in the battle two days later.

In his opinion, he knew everything well, and his strength was so powerful, how could he not defeat the invading enemy?

At the same time, Chu Shaoyang was also preparing intensively.

At this moment, if there is someone who knows the Sky Dragon City well and looks at the whole situation from a high place, you will find that the entire Sky Dragon City seems to be undercurrents.

Countless forces, countless powerful people, have been quietly mobilized, and they are frantically collecting all intelligence, information, powerful disposable consumables, and so on.

In the past two days, Chen Feng didn't go anywhere.

He was just sitting cross-legged in a very secluded place in the God of War Mountain Range behind Tianlong City.

Practicing in meditation, without distraction, without being disturbed by any complexity, adjust your state to the best.

Two days passed by.

Soon, the third day came.

It was only early in the morning, and the sky was dark, and after a while, the clouds were covered and the pouring rain was swaying down.

After Sky Dragon City, on a high cliff.

Chen Feng stood up.

From his point of view, he looked at the Sky Dragon City below and the Beidou Sword Sect below, with a clear view.

At this time, Sky Dragon City was shrouded in this violent storm.

The world was white and vast, and the rain line fell crazily, blocking people's sight, but it couldn't block Chen Feng's.

The power of heaven and earth is shocking.

Between the heaven and the earth, there is a great sorrow.

With Chen Feng's strength, it is completely possible to make no rain within a few feet of him, but he is not like that.

A green robe and wide sleeves fell quietly, and the rain poured down like crazy, and in a blink of an eye he was wet all over his body.

But Chen Feng was at ease, extremely relaxed, without the tension before the war!

"A misty rain Ren Pingsheng!"

A smile was drawn at the corner of Chen Feng's mouth: "Good weather!"

"Good weather!"

Coincidentally, at almost the same moment, in the hidden courtyard in Sky Dragon City, a smile was drawn at the corner of Chu Shaoyang's mouth.

He stood under the eaves, looked up at the pouring rain, smiling at the corners of his eyes.

This kind of weather has minimal impact on the strength of the strong.

However, it can have a great impact on people's various perceptions.

This makes his odds of winning a little bit more!

"God is also on my side!" He secretly said in his heart.

At this time, in the dense cave of Qingshan Cliff, Xian Yu Gao Zhuomeng opened his eyes, glowing like electricity.

He already heard the sound of heavy rain outside.

"Today, it's a murderous weather!" He gritted his teeth and said every word!

Chu Shaoyang chuckled, then turned back to the room.

Inside, a table has been moved away, revealing a tunnel below.

Behind him, Deng Junhao followed closely, and whispered: "Master, everything is ready, now it's only waiting for you to start it."

"It is good!"

Chu Shaoyang whispered: "Your side, in fact, the task is extremely heavy!"

"The Beidou Sword Sect is not to be afraid, but the other forces in the Sky Dragon City are what can be feared."

"You only need to create enough noise in the city to prevent those forces from coming to rescue the Beidou Sword Sect."

Deng Junhao said solemnly: "Master, rest assured."

"The villain's subordinates may not be good at attacking hard, but they are the best at doing this kind of thing."

"Okay, I can rest assured!"

Chu Shaoyang patted him on the shoulder, and when he turned around, he stepped down the tunnel.

And the end of the tunnel is the Beidou Sword Sect!

Time passed by, and Chen Feng walked slowly in the heavy rain, wearing a green shirt.

The rain dripped down his sideburns, long hair, and clothes corners.

Chen Feng had a very peaceful posture.

The fact is exactly the same. After two days of adjustment, his state has completely reached a peak, and he is extremely relaxed, not affected by anxiety at all.

Even he has a feeling of detachment.

This feeling, timely and mysterious, made Chen Feng overjoyed. Naturally, he would cherish this opportunity and learn about it!

Xian Yu Gaozhuo in the dense cave of Qingshan Cliff is completely opposite to him.

He was like an ant on a hot pan, waiting to be activated.

In the Beidou Sword School, there is a huge rock on a cliff not far from the secret cave of Qingshan Cliff.

A hundred meters high.

At this moment, in a small gap under the rock, a pair of eyes were peeking outward.

This person is Chu Shaoyang.

Behind him, there is a secret hole.

Chu Shaoyang looked back and found that in the entrance of the cave, Wu Bingshuang and the woman in the white skirt were all present.

The two of them looked indifferent.

After all, they followed Chu Shaoyang to do such \*\*\*\* things, many times.

No one cares, isn't it just dealing with a Beidou Sword Sect?

Even the two of them were a little grateful, and hurriedly left after dealing with the Beidou Sword Sect. They stayed here for long enough, and they were a little tired.

It turned out that Chu Shaoyang had already arranged something, and this tunnel had quietly dug into the core of the Beidou Sword Sect.

But the Beidou Sword Sect is still ignorant!

At this time, time flows by minute by second.

It's about to arrive at noon.

At this time, the figure standing above the green shirt had arrived not far from the dense cave of Qingshan Cliff.

He had been looking obsessed, but suddenly, his body shook, and a smile burst out from the corners of his mouth.

The smile like a flower is full of sudden realization.

Chen Feng raised his eyes lightly, clenched his fists, and felt the inexplicable power surge in him.

He sighed softly: "I unexpectedly had an epiphany again, and with this epiphany, I felt that the impact of entanglement of qi and luck on me seemed to be weaker."

"actually....."

He was surprised: "There is a feeling that allows me to break through at any time!"

His body shook slightly, a force surged out, and the clothes dried up instantly, and the rain could no longer enter him within three feet.

This person is naturally Chen Feng!

Looking back at the sky, it seemed that the rain curtain could not block his sight.

Then, a smile suddenly appeared at the corner of his mouth, and he tapped his leg with his fingers.

Ten, nine, eight...

It turned out that Chen Feng was counting down.

Four, three, two...

Finally, Chen Feng looked more and more solemn and serious, and finally slowly uttered a word: "One!"

He suddenly stood up straight: "Noon, it's here!"

#### [Chapter 3482: Cruel!](#)

At this time, Chu Shaoyang's expression was also very solemn, even his face flushed with excitement, and a voice in his heart yelled: "Noon, it's here!"

And at the same moment, Xian Yu Gaozhuo in the dense cave of Qingshan Cliff suddenly became extremely sharp: "Noon, here!"

At this time, in the Buddhist Scripture Pavilion, a window was slightly opened.

Feng Qingqiu leaned against the window, looking at the rain curtain outside, and sighed softly.

"Noon, it's here!"

But at this moment, behind her, the door opened with a creak.

The guard elder walked in and said with a smile, "Niece, come, take medicated food."

"This is the medicated diet I made specially for you. It is the most nourishing."

A strong scent of medicine has already passed.

A touch of intolerance appeared on Feng Qingqiu's face, but in an instant, this touch of intolerance was completely sealed by her.

When he turned around, his eyes were already very cold.

She turned around. At this moment, the guard elder turned her back and was putting the medicated diet on the table.

Then, he looked up, turned around, and looked at her about to speak.

At this moment, the expression on his face was frozen.

It turned out that he saw that Feng Qingqiu's eyes at this time were actually killing intent.

And her face was extremely hideous.

The guard elder hadn't recovered yet, he suddenly felt a pain in Dantian!

And the next moment, I feel my power is going crazy!

Even his vision is blurred.

There was a loud noise in his throat, and when he looked down, he saw that there was a short dagger above his dantian.

That dagger was already inserted into his dantian to a depth of three or four inches.

On the exposed part, the blue light shines extremely brightly, and it is obviously painted with extremely rare poison.

And now, he is already very poisonous!

He raised his head and opened his mouth wide, looking at Feng Qingqiu, his face was full of disbelief, shock and fear.

In the next moment, it turned out to be clear and regretful.

He whispered: "You, you..."

Feng Qingqiu laughed softly: "Sorry, I am not some of your niece, my master, nor any of your brothers."

"I'm here this time just for the golden pill in your Scripture Pavilion."

After hearing what she said, a clear enlightenment flashed across the face of the guard elder.

For a moment, the expression was a little relaxed.

His body shook a few times, and on top of his body, a part of it began to decompose, turned into countless light and powder, and disappeared!

It turns out that the poison on this dagger is extremely poisonous, and it can directly melt and decompose the martial artist's body.

This thing is a weapon that Chu Shaoyang spent huge energy and financial resources to collect.

This dagger has only two characteristics, that is, it is extremely sharp and the above is highly poisonous.

Otherwise, everything is very mediocre.

However, relying on these two characteristics, this dagger is extremely valuable, and in terms of rank, it is not even weaker than Chen Feng's extremely superior Longyang Sword.

This shows how terrifying this poison is!

Finally, the guard elder shook violently and fell heavily to the ground.

He looked at Feng Qingqiu and shook his head, as if he wanted to say something, but he didn't say anything.

In his eyes, there is still some sentimentality and tenderness.

It seems that in his life, these few days are the happiest, even at this moment, he is also missing it.

In the next moment, his body turned into a piece of blue powder and disappeared without a trace.

Feng Qingqiu shook his head, turned and left.

He returned after a short while, and at this moment, in the Buddhist Scripture Pavilion behind him, countless rooms actually lit up in an instant.

The flame burns more intensely, this heavy rain does not stop the flame at all!

In a moment, the entire Buddhist scripture pavilion burned.

From a distance, it looked like a huge torch.

The billowing flames lifted up hundreds of kilometers high with thick smoke, and the entire Buddhist scripture pavilion seemed to have been shrouded.

It can be seen clearly in a radius of tens of hundreds of miles!

Feng Qingqiu leisurely leaned against the window and picked up the bowl of medicated food.

The medicated diet is warming, and it happens to be suitable for the mouth.

Obviously, the guard elder waited a while after finishing it well, and then brought it to her until it fits into the throat.

She gently sipped the medicated food and looked at the distance with a cold look in her eyes.

There was no guilt at all for killing this guard elder who regarded her as close as a daughter.

Just whispered softly: "I have done what I should do here, Chen Feng, the rest is up to you!"

At this time, the raging flames that had risen at the Tibetan Scripture Pavilion burst out, and the Beidou Sword Sect was all shocked instantly!

The countless people of the Beidou Sword Sect, and even many forces on the God of War Mountain Range, were alarmed.

Many people flew up, looking at the burning direction of the Tibetan scripture pavilion, everyone was shocked, not knowing what happened.

As for what happened here, Chen Feng naturally saw it, and Chu Shaoyang also saw it, and even Xian Yu Gaozhuo in the dense cave of the Qingshan cliff could see clearly!

Chu Shaoyang looked at the flames rising in the distance, with a smile on his lips:

"It's really good to leave these things to Feng Qingqiu, she can really do it properly."

"I just don't know how to deal with this old thing like Gao Zhuo!"

At this time, Xian Yu Gaozhuo naturally saw the huge fire that swept across the entire Houshan Buddhist Scripture Pavilion, and saw the billowing smoke rising.

"Is it finally here?"

A smile appeared at the corner of Xian Yu Gaozhuo's mouth, and he took a long sigh!

At this moment, a warning sign came and a powerful enemy attacked, but instead he put a stone down in his heart.

Before this happened, it was like a devil haunting his mind, but now that it appeared, he was relieved.

He sighed softly: "Brother, you must be unfortunate now!"

It turned out that the guard elder of the Tibetan Scripture Pavilion was a senior brother of Xian Yu Gao Zhuo, and his seniority was higher than Xian Yu Gao Zhuo, and he was also much older than him.

Originally, he was more qualified to inherit the position of head than Xian Yu Gao Zhuo, but due to the fact that he was less talented than Xian Yu Gao Zhuo, he was not able to enter the eyes of a head.

Therefore, he was arranged to go to the Houshan Buddhist Scripture Pavilion to guard this Buddhist Scripture Pavilion.

And the reason for doing this is because I don't want him to get in the way.

Xian Yu Gaozhuo looked into the distance and sighed softly: "Brother, I knew about this a long time ago, but I didn't tell you earlier. I can't help you!"

He was saying guilty words, but where did he owe him half?

The relationship between him and the guard elder was not bad, and he did owe the other a few points, but after he learned the news, he didn't tell him at all.

He was afraid that after the guard elder learned the news, he would show his feet so that the other party would not start in advance.

This person's cruelty is also evident.

He sighed: "Brother, rest assured, I won't let you die in vain."

[Chapter 3483: Shake the \\*\\*\\*\\* Lei Yangwei!](#)

"Now it has proved that there are indeed enemies coveting our Beidou Sword Sect. Don't worry, I will kill them all! I will avenge you!"

His eyes flickered, he didn't know what he was thinking, but Chu Shaoyang outside was waiting very anxiously.

While waiting, he tossed the things in his hands around.

Wu Bingshuang looked at him and raised his eyebrows.

With her knowledge, she has never seen this thing.

This is something similar to a card. Each card is about three inches long and two inches wide, shining with a faint blue light.

And the blue light, when she saw it, she felt a bit blown up.

That's right, it is fried!

When he saw the blue light, he felt the blue light exploded in front of him.

Above the card, the blue light flashed suddenly, and it turned into countless blue thunder and lightning in an instant, with countless branches and infinite power.

One by one extremely tiny blue light bulbs rolled on it.

This card was originally small, and the blue light bulb was as big as a grain of rice.

However, in Wu Bing's eyes, she had the power to destroy the sky and the earth, and she couldn't help but step back two steps, shaking her body, before she stood firm.

She was shocked in her heart: "With my cultivation base, just a glance, it will be like this? What is this, it is so terrifying!"

She asked, "Master, what is this?"

The battle was approaching, Chu Shaoyang was also quite nervous, and he also needed to distract him at this time.

He looked into the distance and said without looking back: "This is the \*\*\*\* of thunder that shakes the sky."

"What? God Shaking Thunder!" Hearing these four words, Wu Bingshuang couldn't help trembling, and a look of fear appeared in his eyes.

Looking at the bundle of cards in his hand, he trembled: "Master, you have to be careful."

"If we accidentally touched so many god-shaking thunders and exploded, we would all be dead!"

Chu Shaoyang laughed and said, "Don't worry, I have to spare my life more than you."

It turns out that this heaven-shaking \*\*\*\* Thunder is a very powerful treasure.

Its rank, according to the division of the Foundry Division, is roughly equivalent to the rank of the eighth rank emperor's soldiers.

It is weaker than Chen Feng's Extreme Longyang Sword, but in fact, many people have been questioning how this thing can be a soldier of the eighth-rank emperor, thinking that it is not qualified at all.

After all, it has only one ability.

However, these people have questioned for so many years, even though there is only one ability, this Heaven Shaking God Thunder still relies on this ability to firmly occupy the position of the Eighth Stage Emperor's soldiers.

It turns out that this Heaven Shaking Thunder has no other characteristics, only one, and that is: explosion!

And after the explosion, the unparalleled power!

After the explosion, it will exert an extremely powerful impact.

This impact is comparable to the full blow of the Ninth-Rank Emperor's soldiers, and it is even worse!

And the most important thing is that there is not only one such heaven-shaking divine thunder, it can be launched in a bunch!

The God Shaking Thunder was made by a strange man 100,000 years ago by the Foundry Association.

This kind of sky-shaking divine thunder does not exist in the world, nor is it captured on the Dragon Vein Continent.

Rather, there was that super power, who broke away from the Dragon Vein Continent and came into the void of the universe, picking up the heaven-shaking \*\*\*\* thunder floating in the void of the universe.

Then, it was refined and sealed in a strange metal that was mined in other worlds and transferred to the Dragon Vein Continent.

Make this card.

This also means that if you want to refine this kind of sky-shaking divine thunder, then the refiner's level must be at least the Wudi level.

There are very few experts in the Emperor Martial Realm, and there are even fewer foundry masters in the Emperor Martial Realm. There are only so few people capable of mining the Nine Heavens Shaking God Thunder.

Moreover, the time-shaking \*\*\*\* thunder that is to be sealed is also beyond expectation, and metal is extremely rare!

Under the above restrictions, one can imagine how precious this heaven-shaking thunder is! How difficult it is to refine it! How expensive will the price be!

And Chu Shaoyang has worked hard to accumulate for more than ten years, but he has only accumulated these two dozen cards.

This time, he intends to use it all here.

These heaven-shaking gods thunder exploded together, and if nothing else suppressed it, even most parts of Tianlong City would be affected. It is no wonder that Wu Bingshuang would be so frightened after seeing it.

Being distracted by this topic, Chu Shaoyang also relaxed a lot.

As soon as he raised his eyes, he suddenly felt violent in his heart: "Here, here comes!"

It turned out that at this time he saw that the door to the secret cave of Qingshan Cliff opened with a bang.

And as the gate of the dense cave of Qingshan Cliff opened, a golden light flew out from it.

In an instant, it was dozens of times bigger and turned into a huge sword that was hundreds of meters long!

Nine golden dragons coiled in it, it is the weapon and mount that is rare in Gao Zhuo: Nine Dragons Aotian Sword!

This is an extremely powerful weapon.

Chu Shaoyang was so jealous of Xian Yu Gao Zhuo, a big reason is because of the jealousy of this weapon!

And the next moment, a figure flew out of it, shrouded in the golden light of the nine golden dragons.

Then, he seemed to say something to the cave.

Then, with a bang, the gate of the Qingshan Cliff Cave was tightly closed.

Then, the Nine Dragon Aotian Sword brushed it, tearing the air, and heading towards the direction of the Houshan Tibetan Scripture Pavilion in the distance.

Chu Shaoyang couldn't help but ecstatic, clenched his fists, and whispered softly: "It's done!"

"He left the dense cave of Qingshan Cliff, he was fooled!"

"Hahaha, as long as he gets fooled, then my plan is half done!"

In the next moment, he didn't hesitate to get out of here.

Then, with the two women of Wu Bing pair, holding the god-shaking thunder in their hands, they hurried towards the dense cave of Qingshan Cliff.

In a blink of an eye, it was before coming to the dense cave of Qingshan Cliff!

He secretly said in his heart: "According to my information, in the past few days, Xian Yu Gaozhuo has not recruited any disciples to enter the Qingshan Cliff Cave, except for Hou Hongzhuo."

"Obviously, Hou Hongzhuo is the one he trusts most."

"Then this also means that there is only Hou Hongzhuo in the secret cave of Qingshan Cliff at this time."

"Hahaha!"

At the same moment, Chen Feng, who had been looking at him from a distance, showed a smile at the corner of his mouth:

"Come, finally here!"

He kept quiet, and slowly approached there.

But at this time, Chu Shaoyang saw that Gao Zhuo hadn't left, thinking that no one could hinder him, so where would he notice him?

Then, he flew up.

Then, at an extremely fast speed, the twenty-four cards were inserted into the gap between the two gates and the mountain wall.

It turned out that his heaven-shaking \*\*\*\* thunder was used to deal with this gate.

[Chapter 3484: I have been waiting for a long time!](#)

He has spies planted in the Beidou Sword Sect, and he knows how strong these two gates are, they are the eyes of the entire Qingshan cliff formation.

Hardly shaking these two doors is undoubtedly an enemy of the entire Qingshan Cliff, and even the mountain range where the Beidou Sword Sect is located!

That powerful force will be scattered all over the cliff, and it will not be able to shake the gate at all!

So he chose to use these twenty-four thunders to shake the gods!

At the next moment, all twenty-four heaven-shaking divine thunders were inserted above the gate.

The door seemed to feel the fate that he was about to encounter, and it made a huge buzzing sound, trembling all the time.

And above the entire formation, every light vein was lit up.

Taking the Big Dipper above the gate as the starting point, a wave of power radiated out, following the light pulse, radiating to the entire Qingshan cliff.

And even spread to the entire mountain range.

Two doors, bright!

At this moment, Chu Shaoyang let out a sneer: "I still want to struggle to death? Dreaming?"

The next moment, he roared violently, and his power surged out, flooding with twenty-four thunders that shook the sky.

Suddenly, all of the twenty-four thunders that shook the sky were all red!

Then, it expanded dramatically!

The next moment, there was a boom, and the twenty-four huge and incomparable roars merged together, turning into a loud and earth-shaking noise.

The entire Qingshan Cliff trembled for it, and the extremely powerful explosive power suddenly burst out.

The powerful shock wave is directed to alluvial everywhere.

The entire Qingshan Cliff shook violently, and countless rubble fell from above.

At this time, Chu Shaoyang had already escaped the bombardment of the shock wave by lying on the ground.

The next moment, he stood up.

Then I saw that with the explosion of the twenty-four heaven-shaking gods thunder, in an instant, the light vein connecting the two gates and the entire green mountain cliff was directly blown up and cut off!

All the light veins dimmed in an instant.

Chu Shaoyang laughed, ignoring that the rubble was flying, the violent air still raging, rushing forward frantically!

"Now, the time has come!"

The next moment, he rushed directly to the door.

But at this time, the gate still hadn't been blown down. Even if they were temporarily cut off from the light veins on the cliff, their solidity was still placed here.

However, what Chu Shaoyang wanted was that this gate temporarily lost the support of the entire cliff and the entire mountain range.

At this time, another Heaven Shaking God Thunder appeared in his hand, and this was also his last Heaven Shaking God Thunder!

He stuffed the heaven-shaking \*\*\*\* thunder directly into the crack of the door, and the next moment, there was another loud bang.

This time, the gate could no longer hold up.

The surging power rushed into the eyes of the seven formations fiercely, and then there were countless rays of light above the back door, and the light pulses all lit up.

Those light veins began to absorb the power in the eyes, reducing the pressure on the eyes, and the power gushing around along the rays.

If you follow the previous words, it will definitely flood into those light veins on the cliff.

But now it is at the junction of the gate and the cliff.

Because the light pulse is cut off, it won't be used at all.

So these forces ejected back fiercely, and all fell on the two gates.

A sad scream sounded, as if this formation was a living thing.

The screams turned into wailing, and then disappeared without a trace!

With a bang, the two gates collapsed heavily and hit the ground!

Chu Shaoyang laughed loudly: "Open it, I finally opened this dense cave on the Qingshan Cliff!"

He didn't hesitate at all, he just dashed forward and rushed forward into the secret hole.

This time, there was no hindrance.

The dense cave is filled with dust.

The gate collapsed, shaking the entire cave trembling!

After Chu Shaoyang entered, he immediately began to look around.

And at this moment, she suddenly heard a voice full of rage sounded frantically in the smoke and dust in front of the sky: "Dog stuff, the old man has been waiting for you for a long time!"

After hearing this voice, Chu Shaoyang immediately trembled.

His pride solidified on his face, and there was an expression of disbelief in his eyes, staring straight ahead.

At this moment, a few miles away, a smile appeared at the corner of Chen Feng's mouth above a mountain.

He sighed softly: "The good show of dog biting is about to begin!"

At this moment, Chu Shaoyang saw a figure slowly standing out amidst the smoke and dust.

The momentum rose frantically, extremely powerful.

This person is extremely powerful, but not tall, and some are short and fat, with a strange blood red on his face.

It's not uncommon in Gaozhuo, who is it?

Chu Shaoyang was stunned.

However, after all, he is a very talented person, and his mind is more lucid, and he recovered in an instant!

He stared at Xian Yu Gaozhuo, and shouted: "You, why are you here? Haven't you already gone to the Houshan Tibetan Scripture Pavilion?"

Xian Yu Gaozhuo looked at him with a sneer at the corner of his mouth: "Your Excellency attacked my Beidou Sword Sect outrageously, and calculated for a long time."

"If I just fell into your trap, wouldn't I disappoint you too much?"

Chu Shaoyang immediately screamed: "You know my plan, do you know that the Houshan Tibetan Scripture Pavilion is just a bait?"

Xianyu Gaozhuo laughed loudly: "Otherwise?"

When Xian Yu Gao Zhuo saw the fire in the Houshan Tibetan Scripture Pavilion, he instead sat down with a leisurely air.

Even, the body leaned back, leaning on the brocade cushion.

Knowing that he was used to it, Hou Hongzhuo hurried up and pinched his shoulders behind him to relax his muscles.

Xian Yu Gaozhuo sighed softly, his tone full of ease.

Then smiled and said, "Junior, it's up to you now!"

"Yes!"

Behind him, a person walked out, also a short and fat old man, with a body similar to Xian Yu Gaozhuo.

It turned out that Xianyu Gaozhuo has been thinking about how to respond since that day.

And there is a key that cannot be solved, that is how he should choose!

Should he choose to go to the Houshan Buddhist Scripture Pavilion, or should he choose to stay in this dense cave on the Qingshan cliff?

It seems that the conclusion is uncontroversial, and it is natural to stay in the secret cave of Qingshan Cliff.

However, he has doubts in his heart.

If you stay in the secret cave of the green mountain cliff and fail the enemy's plan of adjusting the tiger away from the mountain, then the enemy will see that he is not fooled and will never jump out!

If this were the case, this time he attacked, he couldn't find the enemy at all.

In other words, this confidant trouble will not be eradicated at all, and it will make waves in the future.

This is where Xian Yu Gaozhuo can't bear it the most.

Therefore, he must pretend to be fooled and head to the Houshan Buddhist Scripture Pavilion.

[Chapter 3485: Feng Qingqiu, you dare to betray me!](#)

But in reality, he didn't go, but stayed here, to ambush the person who coveted the Shaking White Sun.

Then, naturally, someone needs to go to the Houshan Buddhist Scripture Pavilion for him.

Xian Yu Gao Zhuo thought about it, and finally decided to hand it over to Bo Hongxin.

Bo Hongxin is his junior, and his strength is also extremely strong, only one line weaker than him, it can be called a terrifying!

Bai Hongxin is dressed exactly the same as Xian Yu Gaozhuo, and his body is not much different. The most important thing is that he drives Xian Yu Gaozhuo's Nine Dragon Aotian Sword!

No matter how suspicious Chu Shaoyang was, he would not have thought that it turned out to be a fake.

And the real Xianyu Gaozhuo is still waiting here.

Chu Shaoyang was truly extremely intelligent, extremely clever and sensitive.

I suddenly thought of something.

In an instant, he trembled all over, his face flushed, and his eyes became blood red!

His emotions were anger to the extreme, hatred to the extreme!

At the same time, what he didn't want to admit was that in this extreme anger and hatred, there was also a trace of unconcealed fear.

That is a kind of fear of losing control of the situation, unknown circumstances, or even fate beyond control.

He roared in fright: "Someone sold me! Someone sold me!"

He turned around suddenly, staring at the two women of Wu Bing, with a terrifying expression on his face, and the flesh on his face jumped suddenly.

He roared frantically: "Are you two? Did you two sell me?"

Wu Bingshuang and the two women were shocked, looking at him blankly, unable to speak!

Seeing their expressions, Chu Shaoyang naturally knew that it was definitely not the two of them.

In fact, after that moment of anger and loss of consciousness, he immediately recovered.

It is absolutely impossible to be the two women of Wu Bing!

Wu Bingshuang and the two women were not even clear about their plans, so only one person betrayed them!

He gritted his teeth and uttered three words: "Feng Qingqiu!"

"Fucking, it's you!"

"You turned out to betray me!"

At this time, he still didn't understand that all this was done by Feng Qingqiu!

At this moment, Wu Bingshuang and the two women also understood.

The two of them looked at each other, and both saw a touch of shock in each other's eyes.

After the shock, there was ecstasy: "Are you going to ask him for control? Can we be free?"

"Sister Feng Qingqiu has always been unparalleled in wisdom. Since he chose to betray Chu Shaoyang at this time, he must be sure of it!"

"Are we going to be free from suffering?"

Especially Wu Bingshuang, trembling with excitement.

Her whole body was trembling, and her eyes showed extreme excitement, desire, excitement, and so on.

But at this moment, after she didn't need to pretend, she looked at Chu Shaoyang, and immediately seemed to see a fire in her eyes.

Full of endless hatred!

She has a strong temper, and she prefers not to bend, so she hates Chu Shaoyang the most!

She can't wait to jump forward and tear Chu Shaoyang to pieces!

How could Chu Shaoyang fail to see the thoughts of the two of them?

He immediately grinned, his mind moved slightly.*noVeLus&.cOM*

Suddenly, both Wu Bingshuang and the two women screamed and spewed out a mouthful of blood. They were still on the ground, unable to stand up straight.

Chu Shaoyang looked at them and sneered, "You two little bitches, do you think you can get out of the sea of suffering?"

"Tell you guys, dream!"

"Feng Qingqiu is fine, not in front of my eyes, I can't cure her!"

"But sooner or later she won't be able to escape from my palm! Don't even think about it!"

The next moment, he gave another violent roar.

Suddenly, Wu Bingshuang, the two women, and the two women were trembling all over, and their fighting power disappeared.

All have been seriously injured!

Chu Shaoyang really acted fiercely and decisively. He saw that he might be betrayed by the two women of Wu Bing, and he didn't even spare their fighting power anymore, and he directly abolished them to avoid future troubles!

He would rather allow his own combat power to be impaired than to allow himself to be attacked by the enemy.

Seeing this scene, Xian Yu Gao Zhuo's eyelids jumped wildly.

"This young man is cruel enough! And smart enough, he guessed that something was wrong with him!"

And the next moment, Chu Shaoyang turned around and wanted to escape!

He is really a very decisive person, and he doesn't even crave anything at all!

As soon as he saw that today's plan had been leaked, he would immediately run away, and he didn't even plan to fight Xianyu Gao Zhuoying.

He is a very life-saving person.

As long as this incident might endanger him in the slightest, he would rather not want that thing than put himself in danger.

If you were an ordinary person, you would fight it at this time.

If you change to Chen Feng, you will move forward courageously!

But he just quit!

However, he was still quite determined in his heart at this time, with a ruthless expression in his heart: "Feng Qingqiu, this cheap maid, is going to betray me this time!"

"Wait? How could you escape the palm of my hand?"

"When this happens, I will make you tortured all the way, painful, but you can't die!"

But, he wants to go, how can it be so easy?

The head of the Beidou Sword Sect is rare in Gaozhuo, and he is also a person who has been in a high position for a long time.

These two days were so scared, all the anger broke out at this time!

He stared at Chu Shaoyang ferociously and said, "Little beast, I want to leave when I come? How can it be so easy! When is my Beidou Sword Sect?"

He screamed: "Leave it to Lao Tzu!"

With this violent drink, the mountain next to Gao Zhuo exploded directly, and a blue light flew out!

This blue light is extremely huge, with a length of more than 500 meters and a width of sixty to seventy meters.

As the blue light flew here, it became smaller and smaller.

In the end, when it fell in the hands of Xian Yu Gao Zhuo, it turned into a long sword with blue light.

This long sword is about one and a half meters long, but only about two centimeters wide.

This sword is extremely long and narrow, but its back is extremely thick.

It looked like an iron rod opened the front.

But no one sees it as an iron rod.

Because on this sword, there is an extremely powerful aura shining, and the blue light on the sword makes people look at it, and it gives people an extremely dangerous feeling!

Then, Xian Yu Gaozhuo let out a scream, and rushed towards Chu Shaoyang.

A sword stabbed fiercely!

Very fast, piercing the sky!

At this moment, Chu Shaoyang turned around and wanted to escape.

But Xian Yu Gaozhuo chased behind him extremely fast.

Chu Shaoyang showed a look of shock on his face, as if he didn't expect Xian Yu Gaozhuo to be so fast.

Seeing that this sword was about to pierce his back, Chu Shaoyang gritted his teeth, and his face showed a touch of pain.

But in a blink of an eye, this painful color disappeared.

His sleeve flicked, and the next moment, there was an object slipping from his left hand.

[Chapter 3486: Celestial White Dragon Spear!](#)

This thing turned out to be a small jade Ruyi.

It is no more than three inches long, with moiré patterns all over the body, with a trace of indescribable mottled vicissitudes on it.

Obviously a treasure handed down in ancient times.

Snap!

This Yu Ruyi was crushed by him.

Then, the powder of Yu Ruyi dispersed and instantly formed a tortoise-like defense behind him.

It was about five feet in diameter, not too big, but it was enough to protect his entire back.

Up to this moment, what Chu Shaoyang didn't think about was a battle, but escape!

For this, even at the price of paying a treasure.

This is the difference between him and Chen Feng.

Every time Chen Feng is at this time, even if he loses, he will fight!

And he, even if he feels that he has no chance of winning, will run away immediately!

"Can you block it?"

There was a sneer at the corner of Xian Yu Gaozhuo's mouth, a flash of blood red on his face.

On the long sword, there is also a blood red air.

The long sword trembled violently. It turned out that the long sword had been trembling constantly, and that spot of light was the space he had torn apart.

In the next moment, the long sword pierced the tortoise shell-like protection!

With a bang, the protection didn't last long, and it was directly broken.

Then, the long sword slashed heavily on Chu Shaoyang's back.

If it weren't for Chu Shaoyang to escape fast enough, I'm afraid this sword would cut his entire back away!

But that was so, Chu Shaoyang was also cut behind by a huge wound that was three feet long and one inch wide!

The blood rushed out instantly, directly dyeing his back into a blood red color!

Chu Shaoyang let out a stern low growl, and fell forward heavily, convulsing all over, his face pale.

Obviously, this sword directly caused him to be nearly seriously injured!

It brought him tremendous pain.

Seeing this sword, Chen Feng in the distance nodded slowly, a trace of awe-inspiring flash in his heart.

"It deserves to be the pinnacle of the four-star Wudi, a powerhouse close to the five-star Wudi!  
Awesome, really awesome!"

"With this sword, I'm afraid I can only keep myself from getting hurt! But I will definitely be repelled!"

"It's really wise for me to let them bite the dog! Otherwise, if you grab it hard, I'm afraid there is no chance of winning at all!"

There was a sharp flash in Chu Shaoyang's eyes.

At this time, he understood very well that if he didn't solve the problem of Gao Zhuo, he would not be able to escape himself.

If the opponent chases behind, you will lose even if you get an enemy in the back.

At least you have to force Xian Yu Gaozhuo to retreat temporarily before you can choose to retreat!

Chu Shaoyang slowly turned around and looked at Xian Yu Gaozhuo.

There was a sneer at the corner of Xian Yu Gaozhuo's mouth, and a smug color flashed across his face!

In his opinion, the strength of this kid is nothing more than that, and he can firmly suppress him.

He shook the long sword in his hand leisurely and jokingly said: "Boy, I thought you could sneak attack our Beidou Sword Sect, what else do you have."

"Unexpectedly, it's just trivial and \*\*\*\* things!"

"When it comes to real combat power, it's actually pretty average!"

Chu Shaoyang was also angered by his contemptuous attitude.

A handful of powder appeared in his hand and rubbed it on his back.

It is strange to say that the huge wound did stop the bleeding immediately after the powder was applied.

Moreover, scars were born soon. Although they were not good, they did not affect his activities and would not make him bleed for a long time.

Seeing this scene, Xian Yu Gaozhuo's eyelids twitched.

He knew how powerful his own sword was.

He knew how hard the wounds he caused to heal!

And this kid healed the injury easily!

This could not help but shock him!

"This kid really has countless treasures!"

A look of greed flashed in his eyes: "If I can capture him and put these treasures as my own, then the strength of my Beidou Sword Sect will be able to rise to the next level!"

"Old stuff, do you have a sword, do you? Just have a powerful weapon?"

"Look at my celestial white dragon spear!"

Chu Shaoyang gritted his teeth and also let out a violent roar.

From the void behind him, he grabbed a spear directly.

This spear is five meters long, as thick as a wrist, and it is white gold with shining white light.

And above the gun body, there are countless ups and downs like scales.

At the tip of the gun, there is a huge dragon head.

And if you look closely, you will find that where is the spear?

This spear Jin is not made of metal at all, but a white dragon over five meters long!

Among the white dragon's head, the mouth of the dragon was greatly opened, and a tongue came out from it, which was the tip of a spear!

And the dragon body is the gun body!

This gun, the whole is a white dragon!

After Chu Shaoyang held the gun with both hands, his whole spirit changed instantly.

When Xian Yu Gaozhuo saw it, his cheeks couldn't help but jump.

Chu Shaoyang said coldly, "Old Piff, do you think I am afraid of you?"

"Since you want to force me to stay, well, then I will let you see how good I am!"

In the next moment, he waved the Tianji White Dragon Spear and stabbed forward fiercely!

The celestial white dragon spear pierced the sky and brought a gorgeous white gold arc.

When it pierced the sky, the dragon's mouth suddenly opened, and the dragon's eye suddenly became extremely shiny.

It seemed that this celestial white dragon spear was a living thing, and it was activated at this time.

There was a sound of dragon chants from the horizon, but the sound of dragon chants was not clear, but extremely messy, angry, and chaotic!

It sounds like thousands of giant dragons roaring wildly together!

Chen Feng, thousands of meters away, couldn't help being surprised after hearing this.

"What kind of roar is this! After I heard it, I felt extremely confused, and the meaning of killing overflowed from it, which shocked my mind!"

"This Heavenly Extreme White Dragon Spear has the effect of shocking the mind!"

Chen Feng was caught so far away at this time, let alone Gao Zhuo.

Hearing this chaotic Dragon Yin full of killing intentions, Xian Yu Gao Zhuo only felt his brain buzz, dizzy before his eyes, and almost fainted directly.

He stayed for a while.

And doing this makes him react slower than before.

In an instant, the Celestial White Dragon Spear had already pierced his eyes!

At this time, he just recovered, and his eyes had just returned to clarity!

As a result, he was in a hurry, resisting with the blue light sword in his hand.

But at this moment, how can you stop it?

He hurriedly used his force, and this sword was directly provoked by the Celestial White Dragon Spear, and then the Celestial White Dragon Spear pierced into his body fiercely!

It was also fortunate that he had a high cultivation base and recovered in time.

Therefore, this shot only pierced his waist.

#### [Chapter 3487: Fight hard!](#)

Stabbed in from his front waist, pierced out of his back, and pierced him through!

Chu Shaoyang's Tianji Bailong spear retreated, and immediately, blood shot out wildly.

This shot will also be seriously injured by Gao Zhuo.

Xianyu Gaozhuo screamed again and again, how has he ever suffered such a big loss?

Moreover, his strength is obviously higher than that of the opponent, so he never thought that he would suffer such a big loss?

Chu Shaoyang raised his brows triumphantly, and said with a haha smile: "Old man, now you know that your grandpa is great, right?"

Xian Yu Gaozhuo's eyes were cold and fierce, and he didn't say a word of nonsense.

Holding the cyan light long sword, he directly killed him.

Chu Shaoyang didn't show weakness, and the Tianji White Dragon Spear also stabbed.

With a bang, one shot and one sword struck each other again.

And this time, Xian Yu Gaozhuo was not affected by the voice of the dragon's chant, and immediately gained the upper hand!

After the two collided, the blue light sword in his hand emitted a burst of painful civilization, almost ejected, while the Tianji White Dragon Spear was unharmed.

But their performance is contrary to their weapons.

Xian Yu Gaozhuo stood in place, motionless.

Chu Shaoyang let out a muffled roar, taking three steps back in a row, blood was already overflowing from the corner of his mouth.

Obviously, his weapon, the Celestial White Dragon Spear, is worse than the Qingguang Longsword, but his cultivation is not as good as Gao Zhuo!

Seeing this scene, Xian Yu Gao Zhuo was surprised at first, and then delighted.

What he was shocked was that the Heavenly Extreme White Dragon Spear level was so high, even more powerful than his own Cyan Light Longsword.

And Xide is that the opposite guy is obviously inferior to himself.

In the next moment, this look turned into a touch of greed, and he sneered: "Little bunny, such a magical tool, where are you qualified to own such a waste?"

"Bring it to me!"

The next moment, there was another scream, and the sword pointed forward.

Suddenly, it stirred the sky and turned into a huge blue bird.

He was possessed by the blue bird and slayed fiercely towards Chu Shaoyang.

Now, the attacking momentum is so powerful that it is better than just now!

In the face of this blow, Chu Shaoyang also let out a violent roar, and the Tianji White Dragon Spear in his hand shook frantically.

The voice of the dragon's groin has increased several times more than before, and it constantly disturbs Xian Yu Gao Zhuo's mind.

Then, his arms shook, his spear pointed forward, and a huge white dragon suddenly appeared.

It was hundreds of meters long and hit the blue bird hard!

With a bang, the two collided, and the blue bird broke directly!

Xian Yu Gaozhuo's figure shook slightly, his face pale.

But the white dragon was beaten to powder, and even the tyrannical force knocked back, hitting Chu Shaoyang's body, making him kick, and then backed for many steps before he stood firm!

Chu Shaoyang was hit again, and this time he couldn't hold it back anymore, and a mouthful of blood spurted out!

Obviously, he was down again.

Xianyu Gaozhuo laughed wildly, and rushed forward again: "Come again!"

With another strong attack, Chu Shaoyang vomited blood again!

In a blink of an eye, the two changed over a dozen moves in the air.

Chu Shaoyang was able to take every move, but every move, he was a little downwind.

Every move made his injury a bit more serious.

So in a blink of an eye, his injuries had accumulated from minor injuries to serious injuries.

An anxiety flashed in Chu Shaoyang's eyes: "This won't work. If this continues, I will never be able to force him back, let alone escape calmly!"

Thinking of this, Chu Shaoyang immediately took out a pill from his arms and swallowed it in one mouthful.

And after swallowing this pill, his aura increased by about ten to two percent in an instant.

And don't underestimate this 20%. For a warrior of his level, the pill that can double their strength or improve a realm is extremely precious and extremely rare.

Moreover, it often has strong side effects.

Because their level is too high, the pill that allows them to improve one or two realms is almost rejected by the Dragon Vein Continent.

Because the effect is too much against the sky, it is a scourge!

Otherwise, why did Chu Shaoyang go to great lengths to \*\*\*\* the Nine-turned Heavenly Devil Golden Pill?

And now this pill can increase his strength by 20% without any side effects. This is the best pill that Chu Shaoyang can get right now.

After swallowing this pill, Chu Shaoyang's strength was not much different from that of Xian Yu Gao Zhuo.

The next moment, he shouted violently and killed Xian Yu Gaozhuo!

This time, he took the initiative to attack: "Come again!"

As a result, the two collided fiercely.

But this time, what was shocked was that he became less than Gaozhuo.

He whispered softly, then looked at Chu Shaoyang, and said in anger: "Where does your kid come from so many powerful pills?"

It turned out that this time he felt that the strength of this kid was almost the same as his own!

Soon, the two of them made another dozen moves.

Killing you come and go, it's hard to tell.

However, the reason why Chu Shaoyang was able to maintain this situation was that he relied on endless treasures and various elixirs and other consumables.

But Xian Yu Gaozhuo only relies on this long sword in his hand.

The long sword in his hand is even much weaker than the Celestial White Dragon Spear!

This shows that his true strength is indeed much stronger than Chu Shaoyang!

Chen Feng couldn't help but sigh beside him: "A dignified head of a large sect, second only to the nine major forces, really has real skills!"

Xian Yu Gao Zhuoyue became more frightened, staring at Chu Shaoyang, and said in his heart: "How many good things are there on this little bastard?"

He was really envious in his heart.

The head of a dignified sect, he does not have as many good things in his body as the other party, and the other party is still so young.

But suddenly, after another sword pierced out, he felt that Chu Shaoyang's momentum on the opposite side was slightly weaker than before.

There seems to be some lack of support.

He was overjoyed immediately: "The effect of this kid's pill is about to pass!"

At this time, everyone in the Beidou Sword Sect was looking up at this scene.

Just now, when the Houshan Tibetan Scripture Pavilion was on fire, they might not even know.

But how could they not be aware of the crazy sound of crashing and killing in the dense cave of Qingshan Cliff?

Especially those newly promoted disciples, all of them flocked to the square at this time, looking at everything that happened in the sky in shock.

From their perspective, all this is clearly seen!

They saw Chu Shaoyang and Xian Yu Gaozhuo. Of course, it was Chen Feng that they couldn't see!

And seeing Chu Shaoyang standing with Xian Yu Gaozhuo, everyone screamed:

"This young man is so strong!"

"Yes, although he is obviously not the opponent of the head, but he is only one line weaker than the head!"

"God, the head is the pinnacle master of Samsung Wudi, how strong is this young man?"

"I don't know, but at least it is the peak of the Second-Star Martial Emperor! It may even be the three-star Martial Emperor!"

[Chapter 3488: Feng Chen has no face to stay?](#)

"God, the head is the pinnacle master of Samsung Wudi, how strong is this young man?"

"I don't know, but at least it is the peak of the Second-Star Martial Emperor! It may even be the three-star Martial Emperor!"

"It's terrifying, it's terrifying!"

Everyone exclaimed, and some even looked ashamed: "We are all about the same age, but why is the gap so big?"

Someone laughed at himself: "Look at its location, then look at our location."

"It is worthy of the name, one in the sky and one underground."

"Yes!"

Everyone looked at Chu Shaoyang with extremely complicated eyes.

They naturally knew that this young man was the enemy of the sect, but at this time they couldn't help being impressed by his strength!

And not a girl disciple, even staring straight in his eyes, wishing his own man would be like this.

Among the crowd, Bai Jingwan and others are naturally here.

However, she took a look, and she was not interested, but suddenly thought of Feng Chen.

A thought suddenly came into his mind: "I wonder how he compares with Feng Chen's brother?"

But then, she had the answer in her heart: "Brother Feng Chen must be stronger."

She knew very well that she was not blindly confident in Feng Chen, but she thought so in her heart.

Suddenly, a high-pitched voice among the crowd sounded: "This \*\*\*\* thing is strength! This is the pride of heaven!"

"That \*\*\*\* Feng Chen, that is, relying on his own strength to bully us!"

"Compared with this genius, he is nothing like a fart!"

After saying this, everyone was shocked, and then looked in the direction of the sound.

However, he saw that the speaker was a burly man, his face was full of abnormal blush at this time, and he looked extremely excited.

This person is Zuo Tianhe.

She was hit hard by Chen Feng, and his woman was thrown into Chen Feng's arms again, which made him almost crazy and almost broke his spirit!

Seeing this scene at this time, he laughed directly at Chen Feng.

Everyone glared at him.

Someone said loudly: "Zuo Tianhe, I know you have an enemy with Feng Chen, but after all, this person is the enemy of the sect."

"How can you raise the ambition of others and destroy your own prestige like this?"

Zuo Tianhe ignored him, haha laughed wildly: "What? Did I say something wrong? Did I say something wrong?"

"Is Feng Chen comparable to him? How can Feng Chen compare to him?"

Come on, he waved his hand extremely arrogantly, and shouted loudly to the crowd: "Feng Chen, get out now!"

"Talk to yourself, can you compare with others? What do you count?"

There was a clamor in the crowd, and everyone looked around.

However, Chen Feng was not seen.

As a result, many people have doubts on their faces:

"Where did Feng Chen go?"

"Yeah, can it be said that the words Zuo Tianhe said just now made him ashamed, and he has slipped away quietly?"

At this moment, a strange voice from the crowd suddenly sounded: "I see, it's mostly Feng Chen who has been here without the face!"

"Yes. He has always claimed to be a genius, but at this time he saw a man who was about the same age as him, many times more so than his genius!"

"Haha, whoever changes, don't have the face to stay here anymore!"

Those who spoke were all mocking Chen Feng.

They were all cleaned up by Chen Feng, and they held a grudge against Chen Feng. At this time, they caught the opportunity and naturally laughed loudly.

Zuo Tianhe triumphantly, facing everyone, laughed loudly: "Have you seen it? This is your so-called genius Feng Chen!"

"At this time, I don't even have the guts to stand up!"

Everyone looked around, whispering, with a trace of doubt on their faces.

And soon, they discovered that Feng Chen was indeed not here, so this suspicion turned into a thick disdain.

They thought Chen Feng really had no face to stay here and left quietly.

Therefore, I feel a bit more contemptuous of Chen Feng.

At this time, a cold voice suddenly sounded in the crowd.

The voice was full of anger: "Shut up, you are not allowed to insult Feng Chen!"

When everyone looked at it, they saw that the speaker was a girl with a round face and short hair. She was wearing a tight leather jacket and her figure was extremely hot.

She is not tall, but her figure is perfect, extremely hot!

It is Gui Qingwen.

Gui Qingwen glared at Zuo Tianhe and the others, and said with a sneer: "Are you qualified to say Feng Chen?"

"What are you guys? You deserve to be called him? It's just a group of defeated men!"

"Especially you, Zuo Tianhe, do you have the face to say?"

"Why am I faceless?"

Zuo Tianhe stared at her: "You Feng Chen, since you are so powerful, call him out!"

"You call him out and ask him, who is better than the one in the sky?"

"you....."

Gui Qingwen was blocked by her and turned red with anger.

Zuo Tianhe was even more proud.

Bai Jingwan heard what they were saying at this time, and whispered in her heart: "Feng Chen, Feng Chen, where are you?"

Chen Feng naturally didn't know what happened here, even if he knew it, he wouldn't care much.

Does one care about the views of ants?

"Boy, the effect of your pill is about to pass, right?"

Xian Yu Gaozhuo showed a sneer at the corner of his mouth: "When the effect of your pill is over, let me see what else you can fight with me! I see what you can do!"

"By the time....."

A cruel smile was drawn at the corner of his mouth: "I will catch you, and then let you taste all kinds of torture, and finally make you die in pain."

"No, I won't even let you die!"

"A long time ago, the Soul Hall passed down a method of refining the soul. I was fortunate to learn a little."

"It may not be as perfect as the Soul Palace, but it is enough to refine your captured soul! Hahaha!"

He let out a frantic laugh: "Next, you just wait to suffer endless suffering in my Beidou Sword Sect!"

He really hated Chu Shaoyang and his teeth were tickling with hatred. In these years, he hadn't encountered such an aggrieved one.

The past few days have been the most hesitating days for him, and this time the loss of the Houshanzang sword pavilion is also extremely huge, which is a heavy blow to the Beidou Sword Sect.

Chu Shaoyang's expression changed.

What rarely said Gao Zhuo, he knew, was not a fright.

He even cursed Feng Qing Qiukou in his heart:

"Feng Qingqiu, this dog is his mother's. If she hadn't sold Lao Tzu, Lao Tzu would have taken the Nine-turned Heavenly Devil Golden Pill to escape and implement my next plan."

"It's because of her! One move is wrong, and all games are lost!"

#### [Chapter 3489: Extraterrestrial demon blood!](#)

"Now, I'm stuck here!"

He gritted his teeth and finally made a decision in his heart: "No, I can't go on like this anymore."

"If you continue to consume it like this, I will use up my not-so-precious magic weapon bit by bit. The game hasn't changed in any way, just barely dragged it off."

"Why don't you just do your best, take out my hole cards, and run away!"

Thinking of this, he already knew what to do.

So, the spear in his hand continued to point forward.

It was just that he made a look of lack of energy, showing that the efficacy of the pill was rapidly fading.

This is to make Xian Yu Gaozhuo even more overjoyed, and his mood is slightly relaxed.

And at this moment, suddenly, Chu Shaoyang backed away suddenly, opened his arms, and let out a terrible roar to the sky!

It turned out that his bluff just now was just to provide him with a little buffer time now!

And his howl was mixed with weird sounds that were not like human voices, just like the roar of some strange monster.

With his roar and boom, the clothes on his body were all shattered.

His original pale golden body, his muscles bulged little by little.

In a blink of an eye, the whole person has more than doubled!

His whole body was tired and looked terrible, and every one of his veins had been earned.

And soon, above his body, black lines appeared one after another!

These black lines felt as if they had emerged from the innermost part of his body, and soon came to his body surface.

Then, the black line became more and more obvious, and finally fully emerged.

There are nine black lines running through his head, feet, hands and feet.

These black lines became thicker and thicker, and in the end they turned into nine blood-like existences!

Moreover, Chen Feng could see that there were countless black blood flowing crazily in those nine blood vessels.

The next moment, his physical pain seemed to have increased by an order of magnitude, and his whole body trembled.

Then, with a click, two protrusions appeared from his back!

Then the protrusion began to squirm, looking extremely disgusting.

It's like something below wants to break out of the body!

The next moment, with a boom, those two protrusions were blown to pieces!

Two huge wings protruded from it!

These two wings are one foot long, but the whole body is made of white bones, which looks extremely evil.

And on his head and on his forehead, there were also two small bumps.

It seems that something wants to grow out.

But it did not grow again, it seems that the strength is somewhat insufficient.

Seeing the changes happening here, Xian Yu Gao Zhuo's face showed a huge shock.

Because at this time, there was a rush of weather from Chu Shaoyang, which was severely suppressed.

However, this aura was not what scared him the most, but the aura that Chu Shaoyang had right now, what he showed.

Suddenly, there was a flash of light in his mind, and he thought of an old legend.

After thinking of this legend, his pupils suddenly shrank, and he took two steps back instantly, looking at Chu Shaoyang, as if he had seen a devil!

At this time, Chu Shaoyang had another transformation!

With his third violent roar, those blood veins on his body faded instantly!

Countless black rays of light escaped behind him, and behind him, it condensed into a huge black phantom.

The height is thousands of meters, and it looks completely composed of thick black fog!

The mist was very weird, extremely hideous.

The whole appearance is in the shape of a huge monster, with extremely bulging muscles and sharp nails.

Those two feet are hoofs like war horses.

And on his head, there are two huge black horns!

Finally, at this time, Chu Shaoyang slowly opened his eyes.

And in his eyes, there is no longer the fear and fear, and some are just full of tyranny and cruel bloodthirsty!

Chen Feng trembled slightly, his face showed a touch of excitement that was uncontrollable.

He was already very calm, but it was almost impossible to control his emotions when he was in it!

"The hole card is about to be revealed! Chu Shaoyang's hole card is finally about to be revealed!"

He looked at Chu Shaoyang with a smile on his mouth.

"I know, the ones you used before are powerful, but they are definitely not your hole cards!"

"Chu Shaoyang, Chu Shaoyang, your hole cards should be limited too!"

"Open this, how many hole cards do you have? One? Or two?"

At this time, Chu Shaoyang no longer looked like a human being at all, but like an extraterrestrial demon king!

Extremely scary!

His eyes opened slowly.

Behind him, the huge black shadow eyes slowly opened.

His eyes were actually blood-red, and they were full of endless cruelty and killing intent.

After Xianyu Gaozhao's eyes collided with him, he immediately felt a chill in his heart.

He felt that he seemed to be in a \*\*\*\* of blood at this time!

There are endless killings everywhere, endless corpses everywhere!

The dead mountain and the sea of blood are boundless!

It was as if this huge shadow had already pulled himself into his spiritual world!

After a while, Xianyu Gaozhao shivered and recovered.

At this time, Chen Feng stood in the distance, looking at Chu Shaoyang, but his face showed a strange excitement.

"Chu Shaoyang, it turns out that this is your hole card! This is your hole card!"

"This turned out to be a bloodline. Although I don't know what kind of bloodline it is, it is definitely not from the Dragon Vein Continent! It seems to be full of evil meanings!"

"It seems that it is the blood of some kind of monster!"

Chen Feng is still guessing here, but Xian Yu Gaozhao has already guessed what it is.

As a result, extreme fear flashed in his eyes!

Xian Yu Gaozhuo stared out of Chu Shaoyang, and yelled in disbelief: "Extra-territory Celestial Demon bloodline? You actually have extraterritorial Celestial Demon bloodline?"

He looked at Chu Shaoyang, and the determination and self-confidence in his eyes were all gone, turning into a touch of extreme shock!

Even fear!

Obviously, he has a kind of fear that almost originated from the bones of the outer monster.

His pupils shrank sharply, his whole body trembled slightly, and his face was pale.

Chen Feng also jumped in his heart: "Extra-territory Heavenly Devil Bloodline?"

He suddenly sounded the Outer Demon Race that he had encountered long ago!

Then Chu Shaoyang spoke slowly, but his voice was extremely hoarse, but it was not at all the same as his previous voice.

"Old stuff, you won't let me go, are you?"

#### [Chapter 3490: Chaos](#)

"Okay, then I will swallow you alive now, peel it alive, and let your flesh and blood become a part of my body!"

His voice was hoarse, low, and hollow, as if from a far away place.

The next moment, the extremely white dragon spear in his hand suddenly pointed forward.

In that black phantom, endless black power poured into the Celestial White Dragon Spear.

The next moment, the Tianji White Dragon Spear surged in momentum.

In the hands of the huge black demon phantom, a long spear also appeared, reaching a full four to five kilometers in length, exactly the same as the Tianji White Dragon Spear.

It's like a celestial white dragon spear magnified countless times!

In the next moment, the spear pointed forward and slammed Xian Yu Gaozhuo fiercely!

Xian Yu Gaozhuo had just broken free from the shock at this time, and his eyes also flashed a fierce color: "How about you are of the blood of an extraterritorial demon? I'm fighting with you today!"

"You want to destroy my Beidou Sword Sect's foundation! You want to take my treasure! That would kill me!"

"It's a big deal!"

He yelled frantically and rushed forward desperately, and the two slammed together.

This time, it was Chu Shaoyang who didn't move.

On the other hand, Xian Yu Gaozhuo was knocked away, spurting blood, and was slightly injured under one face.

However, he was not surprised and rejoiced!

It turned out that the shock that Chu Shaoyang on the other side gave him at this time was far not as strong as he had imagined!

In his expectation, the opponent should be far better than himself after activating the blood of the outer heaven demon.

In fact, he felt that the opponent was only a little better than himself.

Even, this point is still the bravado, the opponent's true strength should be weaker than his own!

Feeling this, suddenly, seldom ecstatic in Gao Zhuo's heart!

Then, he settled down, so he opened his posture and fought hard with Chu Shaoyang.

Chu Shaoyang couldn't tell the truth at this moment.

He felt his blood boil all over, and there seemed to be a dark figure in his mind that was constantly flashing, and he was smiling, trying to seize control of the body.

He knew very well that this was a ray of remnant thoughts of that extraterritorial demon.

In fact, the strength he gained at this time was not his own strength, but the help of foreign objects.

That foreign object can provide him with a powerful extraterritorial demon's power, but it also seals a strand of extraterritorial demon's remnant thoughts.

Its disadvantage is that it is extremely easy for the remnant thoughts of this extraterritorial demon to erode the mind.

Even the walking dead of the other party, the body is not his own.

At this moment, all Chu Shaoyang asked for was to quickly solve this old thing and ran away by himself.

Then ask the existence who bestowed this treasure to solve this problem for himself!

"its not right!"

Suddenly a flash of doubt flashed in Chen Feng's eyes.

He looked at Chu Shaoyang who was battling Xianyu Gaozhuo, especially the huge black shadow behind him, a hint of doubt flashed in his eyes, and then he whispered softly: "This is not right!"

The fighting power that Chu Shaoyang showed at this time did not match his aura at all!

It turned out that even though Chu Shaoyang was extremely powerful at this time, he did not fully display it.

His transitions are quite cumbersome and seem very stagnant, and his use of the whole person is also very rusty.

It feels as if there is an infinite treasure in the phantom behind him, but he can only use a very small part of it.

It seems that it has not fully utilized its power at all.

The next moment, Chen Feng's eyes flashed a little:

"Chu Shaoyang's bloodline should already be extremely powerful, but in the first place, this bloodline is a foreign object, not really integrated into his body."

"Secondly, Chu Shaoyang is accustomed to tricks, and has never seriously exercised this bloodline."

"So he can't do it like a hand."

And Xian Yu Gaozhuo obviously discovered this problem during the battle with Chu Shaoyang.

But what if he finds out?

Even if Chu Shaoyang is using rather strangely now, his power can only show a small part, and he is still only slightly weaker than him.

He is now beaten to the left and right, and there is no time for thinking. Where else can he think of?

I was just fortunate, but fortunately he didn't fully display his combat power!

In a blink of an eye, the two sides made dozens of \*\*\*\* welding.

At this time, as Chu Shaoyang consumed more and more severely, his strength had already declined slightly.

However, this slight drop fell in the eyes of such masters as Xianyu Gaozhuo, and that was a fatal weakness.

At this time, Chu Shaoyang became more anxious as he fought.

At first he thought that after he activates the blood of the outer heaven demon, he can easily solve Xianyu Gaozhuo completely, but now he has become able to force Xianyu Gaozhuo back and let himself escape.

But even if it is to force Xian Yu Gaozhuo, he can't do it now.

It was extremely difficult for Xian Yu Gaozhuo to take it down, and the more he fought, the more anxious he got.

Suddenly there was a violent roar: "Fucking, why aren't the reinforcements in Sky Dragon City coming?"

At this time, hearing his words, Chu Shaoyang sneered disdainfully on the other side: "Old stuff, do you still want to wait for reinforcements?"

"Tell you, dream, it is impossible for reinforcements to come today!"

"what?"

Hearing this sentence, Xian Yu Gao Zhuo was taken aback for a moment, and then he obviously didn't believe it.

The next moment, as if to hit Chu Shaoyang in the face, various lights rose into the sky from various parts of the Dragon City that day, and a dozen or so powerful men came to this place.

The strength of every strong man is domineering and powerful.

Seeing this scene, Xiaoyu Gaozhuo laughed: "Little bunny, do you think I have no one in Sky Dragon City?"

"Tell you, the powerhouses of Sky Dragon City have already been dispatched. When they come here later, they can directly besiege you!"

"And you, you can't escape if you want to, and you can't fight if you want to!"

"Really? Old thing, take a closer look!"

Chu Shaoyang never gave up on his lips, sneered, and pointed to the distance again.

When Xian Yu Gaozhuo heard this, he was taken aback for a moment, and then looked into the distance.

At this time, they were on the heights of the dense cave on the Qingshan cliff, and they could see clearly the situation in the distance.

His face was shocked.

It turned out that he saw that at this moment, there were flashes of fire everywhere in Tianlong City, and the next moment the fire spread, and there were countless shouts of killing!

As soon as these screams came out, the entire Sky Dragon City was in chaos.

Sky Dragon City is very big and there are many people, but the key points are just that.

However, the most critical point is where the fire kills.

Some are military camps outside the city, and some are the most prosperous areas in the city.

A group of black-clothed men with cute faces suddenly appeared, one by one with extraordinary strength, killing everybody.

In an instant, countless killings have already occurred.

Where did the people of Tianlong City think that there would be such a situation, one by one panicked, crying for their lives.
