

Peerless 3501

[Chapter 3501: I will block this blow for you!](#)

Chen Feng was overjoyed: "My golden lightning soul has increased to twelve!"

"Twelve in total! Great, haha!"

In the next moment, these golden lightning gods were all re-condensed, and re-condensed into a battle body of stepping gods!

Chen Feng's Shen yuan battle body condenses once again!

This time, he felt that the unrefined golden lion in his belly began to melt at an extremely fast speed.

Suddenly, it was completely digested.

As the golden lion was exhausted, Chen Feng felt that he couldn't help but let out a long neigh on his back.

And the body of this godlike battle body suddenly became a full double the size of the original!

The original size, although not big, has the feeling of standing upright.

At this time, the body size has doubled, and it feels as if to break this world!

Those four elephant legs are like huge pillars supporting the sky!

Chen Feng was even more aware that his Heavenly Stepping Idol War Body already had an additional ability at this time.

That is the ability obtained from the golden lion **** yuan battle body!

However, Chen Feng is too late to check his newly acquired ability?

He was completely immersed in boundless ecstasy.

"The golden lightning spirit has increased to twelve."

"Treading the sky idol war body, it has been promoted to the second level!"

And then, Chen Feng felt a rush of soul out of his body.

Then, when he woke up again, he was already in his body.

In the next moment, the battle body of the god-like figure stepped on the sky and roared!

The dark clouds above the sky were directly shattered!

The violent storm and rain all disappeared without a trace, and the sun fell again.

The power of a howl, so much so!

At the same time, a vigorous force fell from the body of the Tiantian idol combat body toward Chen Feng, as if endless stars flowed out, the beauty to the extreme, the splendor to the extreme.

Like the Milky Way hanging upside down!

In the next moment, with the instillation of strength, Chen Feng felt that the strength of the dragon and the Arhat was rising in his body!

With a bang, he was shocked, and his eyes were confused.

After being confused, Fang is Qingming!

These things that happened seemed to take a long time, but in fact they were just a moment, and they all happened.

In just a moment, Chen Feng's Treading Heaven idol body broke through to the second great realm, adding a new ability!

Chen Feng's golden lightning spirit has reached a full twelve!

And Chen Feng also broke through and entered the realm of Emperor Wudi!

At this moment, Chen Feng felt that the power of the dragon descending arhat surged in his body, constantly becoming stronger!

In a blink of an eye, the power of these dragon descending arhats has doubled!

At this moment, not only did Chen Feng have no fear or panic, but under this tremendous pressure, he defeated himself and made a bold breakthrough!

Break into the realm of Emperor Wudi!

And as Chen Feng broke through, finally, the forces that suppressed him were loosened a little!

And the next moment, Chen Feng shook his arms!

His Ba Snake Martial Spirit roared, his Heavenly Stepping idol battle body roared, and even his Faxiang roared!

At this moment, all of Chen Feng's power burst out.

So, with a bang, the power that had imprisoned Chen Feng was shattered, and Chen Feng was finally able to resume his actions!

Break free!

At this moment, Chen Feng used his determination, perseverance, hard work, anger, and his unyielding courage to win a ray of life for himself!

He can move, he doesn't need to be here to die!

He can, retreat!

Because now, even if Chen Feng breaks through to Emperor Wudi, there is absolutely no way to compete with the giant hand!

But he can retire, he has a chance to fight for himself!

He finally used his hard work and unyielding to win a ray of life for himself!

This scene seemed to make the owner of the terrifying giant hand a little bit astonished. He didn't expect Chen Feng to escape his imprisonment and resume action!

He seemed to be afraid that Chen Feng would escape, so he pressed his finger faster!

In an instant, he came to the top of Chen Feng's head!

At this time, Chen Feng has only one choice, and that is to retire!

As long as he wants to save his life, he has to retire!

If you don't want to die, then quit!

He had no chance of winning when he attacked that giant hand. If he wanted to kill Chu Shaoyang, he would be crushed to death by that giant hand!

Although Chu Shaoyang is seriously injured now, he still retains a point of strength!

Or he would kill Chu Shaoyang, but that giant hand would crush him to death!

Or, he escapes, then Chu Shaoyang can't be killed!

Chen Feng hated it very much and screamed crazy!

After all my efforts, I finally got a chance to kill Chu Shaoyang, should he give up like this?

I want to kill him again, I don't know when it will be!

Chen Feng hates!

I hate it!

But he must make a choice!

But at this moment, Wu Bingshuang's eyes suddenly brightened, and a sharp determination flashed in his eyes, staring at Chen Feng, and shouting:

"Chen Feng, you go to kill Chu Shaoyang, I will block this blow for you!"

"what?"

Hearing this sentence, Chen Feng was stunned!

Chu Shaoyang was also stunned!

Everyone is stunned!

No one thought that Wu Bingshuang would say such a thing!

Wu Bingshuang looked at Chu Shaoyang, and a bit of resentment flashed in his eyes: "Chu Shaoyang, you humiliate us, bully us, and treat us like dogs."

"Now, it's time for you to get retribution!"

She looked at Chen Feng and said sharply: "Why are you not going? Do you think I am for you?"

"Tell you, I am for my two good sisters, if Chu Shaoyang does not die, they will continue to be ravaged and ruined by Chu Shaoyang!"

"I do not like this!"

At this time, the woman in the white dress was already crying and almost dizzy.

She grabbed Wu Bingshuang's hand and said in a trembled voice: "You, don't go."

Wu Bingshuang got rid of her and gave her a look.

At the next moment, she suddenly giggled, like a ghost.

Then, he tore his chest open and squeezed out his heart abruptly.

The azure blue heart was still beating, and there was a brilliant blue light in it, constantly flickering.

It is as if the ocean is sealed inside.

The next moment, with a snap, she directly crushed her heart!

At the same time, an extremely powerful force poured into her body, instantly regaining her strength.

Then, she flew up and faced the huge index finger.

At this time, the index finger was even less than 100 meters away from her, Chen Feng!

Chu Shaoyang's expression changed drastically at this time, and he yelled frantically, "No!"

His eyes showed extreme fear, and he yelled frantically, "Wu Bingshuang, you are crazy!"

Wu Bingshuang giggled: "I'm just crazy!"

[Chapter 3502: Kill Chu Shaoyang!](#)

At this moment, Chen Feng immediately made a decision!

Without any hesitation, he directly killed Chu Shaoyang!

In the next moment, Chen Feng came to Chu Shaoyang and swung the extreme Longyang Sword, and a knife slashed on his body!

Chu Shaoyang let out a miserable scream, staring at Chen Feng, his eyes filled with shock, disbelief, and so on!

He didn't seem to think that he would die!

Unexpectedly, he would just die in Chen Feng's hands, in this place!

"I'm not reconciled!"

With the last trace of strength, he let out a crazy roar:

"I am a person with luck and luck in the Dragon Vein Continent, how could I die like this?"

"I have been planning for so long. This time I hit the key point and will win the treasure. How can I die?"

"Zhubao, how can you make others cheaper?"

"The point is, I never thought I would die! This time, I was completely caught off guard!"

"How come you are dying suddenly?"

"At least, let me be mentally prepared to die again!"

"People like me, even if they die, they must die vigorously, and they must die in front of thousands of people in the mainland! How could they die so silently?"

At this moment, countless thoughts flashed through his mind.

He was really unwilling to go to the extreme. He planned for a long time this time, thinking that he would win the treasure without fail.

In the end, I didn't expect that the treasure was not obtained, and Chen Feng was shot out in the sky, even losing his life.

He is really frustrated to the extreme!

The main reason was that he hadn't thought of it at all, and this trip didn't have to die at all.

In his eyes, there was an incomparable astonishment, an incomparable unwillingness, and endless memories!

But in the end, the light in his eyes dimmed.

This person who competed with Chen Feng for the luck of the Longmai Continent, now, finally, died!

His body fell heavily to the ground, and after killing him, Chen Feng directly grabbed his body without any hesitation.

Then he stretched out his hand and grabbed the woman in the white skirt next to her.

Then his body shape flashed, and Xian Yu Gaozhuo was clamped under his armpit, and his body shape ran away wildly at an extremely fast speed!

At the moment when Chen Feng fled, Wu Bingshuang's body slammed heavily on the huge finger.

At this time, her heart was burning madly!

In her body, there was a soul escaped!

And that soul is also burning extremely!

She burned her soul in exchange for huge power, and slammed into that index finger!

Her powerful blood, which has lasted for thousands of years, has been handed down from ancient times, and has brought her a powerful talent. The power after burning the talent and soul is also extremely powerful!

As a result, that index finger actually stagnated for a moment!

It was such an instant that Chen Feng could escape!

Chen Feng didn't even look at it!

Chen Feng didn't even look back!

He did not hesitate, and the Sun-Raising Golden Crow Footwork was launched to the extreme in an instant!

Chen Feng's figure turned into a white light spot, swiped it and disappeared, appeared, and then disappeared again!

The Jinwu footwork took Chen Feng by the day and fled hundreds of miles away!

Chen Feng knew that he had to cherish the opportunity that Wu Bingshuang brought to him, and he had to leave now!

Even Chen Feng's eyes were a little numb, and his mind was a little sluggish.

He has only one thought, that is: "Escape!"

In the next moment, Wu Bingshuang's body fell heavily!

And her soul dissipated instantly!

With a loud bang, the finger that had been temporarily blocked for a thousandth of an instant hit the green mountain cliff fiercely!

A loud bang!

On the green mountain cliff, countless light veins all lit up, maintaining the green mountain cliff!

But look, the next moment, they will be crushed directly by this powerful force!

Bang Bang Bang, countless light veins all shattered.

This Beidou Sword Sect was established in thousands of years, and it was enough to protect the entire Beidou Sword Sect's mountain protection formation, directly dissipating!

It's a bit easy to break through this large formation, but if you want to completely crush it, even if hundreds of Chen Feng shoot at the same time, it is impossible to shake it.

Because this big formation is already in the same body as the mountains!

Use the power of the earth to defuse the attack.

But under this finger, they all fell apart!

Turned into countless light spots, disappeared completely.

However, it was precisely because of the blockade of the big formation that Qingshan Cliff did not collapse, but was crumbling there.

After the index finger clicked, there was no more movement and stopped there.

After a while, people seemed to hear a long sigh from the sky.

Then, the giant hand covering the sky was raised.

But this time, the direction that the finger pointed was Chen Feng.

At this time, Chen Feng had come hundreds of miles away, standing on a mountain peak.

Chu Shaoyang's body was thrown aside by him.

The **** of the giant hand that covered the sky were rubbed lightly.

Such a huge existence, such a lightly frustrated finger, gives people a feeling of embroidering a fierce man, extremely weird.

Following his rubbing, a huge spiritual force followed, mysterious and wonderful!

Then, this mental power enveloped Chu Shaoyang's body.

The next moment, on Chu Shaoyang's body, a phantom floated out, his face was dull, his eyes blank, it was Chu Shaoyang's soul.

As soon as he died, his soul should have disappeared between the world and the earth, but at this time, it was gently wrapped in those spiritual powers.

Those spiritual powers envelop him like an eggshell.

Then, the giant hand that covered the sky gently hooked his fingers.

Suddenly, Chu Shaoyang's soul fell into his hands.

But at this time, Chu Shaoyang's body suddenly banged, turned into nothingness, and completely disappeared!

In the same place, only his clothes were left, and some things that clanged out.

The next moment, with a loud noise like the earth and the earth, the giant hand that covered the sky disappeared.

The huge black hole above the torn open sky also slowly disappeared.

Above the sky, clouds filled the sky, quietly covering the traces of the black hole.

The sky is clear and the day is brilliant, it seems that all that just happened has never happened.

Only the countless mountain peaks that collapsed thousands of miles away, and the Beidou Sword Sect that was almost flattened, could tell what happened just now!

Disappeared, all disappeared!

Here, the silence is restored again!

Chen Feng's eyes were blank. Suddenly, he grasped Xian Yu Gao Zhuo and the things left by Chu Shaoyang, flashing with the white dress woman again, and returned to the cliff of Qingshan.

At this time, there were countless huge cracks on the green mountain cliff.

And beside a crack, a blue corpse was lying there quietly, it was Wu Bingshuang!

[Chapter 3503: I owe her my life!](#)

Chen Feng was stupid, and it took a long time before he recovered.

He stared at the scene in front of him blankly!

Wu Bingshuang's body had already fallen heavily to the ground, with no breath, and the fragrant jade disappeared.

"She is already dead? She died for me?"

Chen Feng whispered softly: "This girl, blocked this mortal blow for me, so she died?"

The woman in the white skirt threw on Wu Bingshuang's body, howling bitterly!

At this time, a ray of light came quickly in the distance, it was Feng Qingqiu.

After she came here, looking at Chen Feng, she shouted with excitement: "I feel that all the confinement in my body has disappeared."

"The ones I connected with Chu Shaoyang are all broken, and I have regained my freedom! I am free!"

"Hahaha..."

She laughed loudly, but suddenly stopped.

She saw Chen Feng's expression, she also saw her dumb eyes, and even the person on the ground-Wu Bingshuang.

She was stunned, and then the next moment, she suddenly let out a stern shout: "Bing Shuang?"

She also rushed forward, holding Wu Bingshuang and shaking his body crazy!

At this time, Chen Feng's eyes gradually became clear, and he finally remembered what had happened just now, and his mind became sober.

Then, he sighed lightly and walked to Wu Bingshuang's side.

Feng Qingqiu and the woman in the white skirt were crying and almost fainted!

Chen Feng looked at it, feeling grateful.

Although Feng Qingqiu is cunning and conspiratorial and sinister, her relationship with Wu Bing and her two daughters is really good.

Feng Qingqiu suddenly raised his head and looked at Chen Feng, shouting resentfully: "Chen Feng, I blame you, I blame you for not protecting her normally!"

Chen Fengmu did not speak, nor did he speak.

In his heart, Wu Bingshuang was also grateful, guilt, and so on, which was extremely complicated.

He looked at Wu Bingshuang's corpse, but said softly: "I owe her my life."

"Now, her body is still there, and her soul is gone."

"Don't worry, I'm Chen Feng..."

He paused, and said word by word: "I definitely thought of resurrecting him!"

Hearing what Chen Feng said, Feng Qingqiu was stunned.

He didn't expect Chen Feng to say such a thing.

The woman in the white skirt also stopped crying and looked at Chen Feng blankly.

Chen Feng stared at them and said word by word: "I know that Wu Bingshuang didn't die for me, but she helped me Chen Feng's great favor."

"Without her, not only would I not be able to kill Chu Shaoyang, I would be crushed to death by that existence!"

"I owe her my life!"

His expression is very solemn: "Don't worry, I will definitely help her resurrect."

"resurrection?"

A weird smile appeared on Feng Qingqiu's face. He pointed to Wu Bingshuang's body and said, "She has no heart and no soul. How can you bring her back to life? Ah? How can you bring her back to life!"

Speaking of the last sentence, her face became distorted.

Chen Feng looked at her, only spit out a word: "Don't worry, I have my own way."

Somehow, when Chen Feng said these words, the hostility in Feng Qingqiu's heart immediately disappeared, and the doubt also disappeared.

She didn't even doubt what Chen Feng said.

Chen Feng sighed slightly, looked at them and said, "Chu Shaoyang's body has dissipated, but her soul has been existed by that horror..."

When talking about these four words, Chen Feng's heart trembled.

Then, the trace of fear that had just risen disappeared completely, replaced by an extreme hatred.

A voice in his heart reverberated crazily: "I don't care who you are, and I don't care where you come from! What strength do you possess!"

"Since you want to kill me, since you insult me, since you are my enemy, then I..."

He spoke word by word, solemnly, as if making a great oath: "You must be completely crushed and crushed!"

The eyes of Feng Qingqiu and others fell on him.

After Chen Feng's wish was finished, he just raised his head to look at Feng Qingqiu, and then said, "Chu Shaoyang's body has been destroyed, which means that he should be dead."

"His soul was taken by that thing and I don't know what it will be like in the future, I don't know."

"But, at least, the contractual relationship between him and you implied by his body is resolved."

"just now....."

He sighed softly, and said: "You, completely, break free!"

Feng Qingqiu was stunned for a while, seeming to be surprised and confused.

She stood there for a long time, looking around, her eyes were lost, as if she didn't know the way forward.

And the facts are exactly the same. She also has three women in Wu Bingshuang and white skirts, who have been controlled by Chu Shaoyang for many years.

The home is gone, the family is gone, and even the elders of the sect are not even alive or dead.

Now that he was out of control, he was a little confused for a while.

After a long time, the confusion in her eyes disappeared before she lowered her head and picked up Wu Bingshuang's body.

Discussed with the two women in white skirts, then turned to Chen Feng and said, "Chen Feng, let's take Bingshuang's body first..."

Speaking of this, the tears are rustling down again: "Send back to her family."

"We will go to the West Sea and live there for a while."

"If you find a way, come to the Xihai to find me."

"You know the family Bing Shuang is in, you can find it."

Chen Feng nodded his head: "A word is a deal!"

Feng Qingqiu took two steps before turning his head back and giving him a deep look.

When the wind came, her long hair was blown, and the long hair covered her cheeks, blurring her eyes.

Then, she turned around, holding Wu Bingshuang's body and turned and left.

In a blink of an eye, he disappeared.

After a while, a golden light and shadow came quickly, and it was Bai Hongxin.

He came after Feng Qingqiu, but after coming here, Feng Qingqiu was nowhere to be seen.

At this moment, Bai Hongxin was standing on the Nine Dragon Aotian Sword, still a yelling chaser, but when he saw this scene in front of him, he was stunned.

Then he saw Chen Feng and Xian Yu Gaozhuo who was seriously injured.

After Xian Yu Gaozhuo saw Bo Hongxin, his eyes lit up and he shouted: "Junior Brother, come and save me!"

As he said that, his anger rose, and he yelled: "You have such a strong **** strength, you have been played by that little **** for so long, and still have the face to come back?"

At this time, Bai Hongxin ignored him. After he saw the situation before him clearly, he suddenly shuddered.

He suddenly realized how stupid he was to rush over here like this!

Isn't this here to die?

So, he transferred the Nine Dragon Aotian Sword, and he was about to leave.

Seeing this, Xianyu Gaozhuo was stunned for a moment, and he screamed: "Junior Brother, where are you going? Come and save me!"

[Chapter 3504: Nine Dragons](#)

After hearing his call for help, Bo Hongxin not only didn't stop, but instead he drove the Nine Dragon Aotian Sword in a hurry, trying to escape.

Xian Yu Gao Zhuo yelled.

Bo Hongxin threw a sentence without looking back: "Brother, you are right, I have no face to come back, so I am leaving now!"

"You, you **** dare!"

Xian Yu Gao Zhuo was taken aback first, and then screamed!

Bai Hongxin couldn't hear him.

At this moment, a cold voice suddenly sounded: "If you dare to move, I don't mind abolishing you!"

Hearing this voice, Bai Hongxin suddenly stiffened, standing there, not daring to move.

The sound naturally comes from Chen Feng!

"As for you..."

Chen Feng looked at Xianyu Gaozhuo and said lightly: "You should save the time!"

"Save a little effort, lest you run out of strength and die directly, but there is no value!"

Xian Yu Gaozhuo was stunned for a moment, looked at Chen Feng, his face was terrified, and he dared not say a word.

He is obviously a person who knows the current affairs!

At this time, Chen Feng looked around, on the cliff of Nuoda Qingshan, only he and Xian Yu Gaozhuo were left.

Chen Feng sighed and looked far away with a long gaze.

"This war is over!"

This battle, from the time Chen Feng met Feng Qingqiu, to now is only three or four days.

But today's battle only lasted more than two hours.

However, for Chen Feng, it seems that it has gone for centuries.

It seems that a long time has passed.

In just a few days, he killed Chu Shaoyang, almost destroyed the Beidou Sword Sect, and rescued Feng Qing Qiu Wu Bingshuang and others.

And the most important thing is--

I have seen the strongest existence question on this dragon vein continent!

I have seen it, that terrifying power!

"Of course, Chu Shaoyang, I know, you may not be dead!"

Chen Feng looked into the distance, as if his gaze had penetrated thousands of rivers and mountains:

"That horror exists, it is definitely a conspiracy to attract your soul, but I don't care about it!"

Chen Feng's eyes were extremely cold: "If you don't die, then I will kill you again!"

"But, think of something happy now."

From the top of the cliff, he looked down, and a smile appeared at the corner of his mouth: "What makes me most happy now is that the two treasures I want are coming soon!"

Chen Feng waved to Bo Hongxin.

Bo Hongxin swallowed hard, and then obediently drove the Nine Dragon Aotian Sword to the front and jumped onto the cliff of the green mountain.

The breath exuding from Chen Feng told him that this young man definitely couldn't afford to provoke him.

Chen Feng looked at him, smiled and said, "Count you acquaintance."

With Chen Feng now breaking through to the realm of the two-star Wudi, his strength has already reached the middle stage of the three-star Wudi, and even close to the peak of the three-star Wudi.

Even with Xian Yu Gaozhuo in his heyday, he can hardly shake, let alone deal with a Bo Hongxin, he is still much worse than Xian Yu Gaozhuo.

Then, Chen Feng looked at Xian Yu Gaozhuo and asked, "How should this Nine Dragon Aotian Sword be controlled?"

Xian Yu Gao Zhuo's expression changed, and he immediately knew that Chen Feng was in love with his Nine Dragon Aotian Sword.

The Nine Dragon Aotian Sword is the treasure in the door, and also the treasure of the head of the past. When he thinks that he will lose it in his own place, he can't help but feel sad and uncomfortable in his heart.

Stand there, pouting, without saying a word.

Chen Feng looked at him with a cold gaze at this time, and said word by word: "You should also know that you are running out of time."

"If you do this in the future, you will be regarded as deliberately delaying time!"

A sneer appeared at the corner of his mouth: "Then I can only kill you."

Hearing this, Xiao Yu Gao Zhuo shivered violently before realizing his situation.

He quickly trembled: "The son has misunderstood!"

"The little old man is old, and I don't remember clearly. I was thinking just now. There is absolutely no meaning of delaying time."

Chen Feng sneered and didn't expose him.

Xian Yu Gaozhuo quickly took out a small bag from his waist, handed it to Chen Feng, and said with a smile: "Swords like these are all needed."

"As long as the sword is in your hand, you can retract it at will, release it at will, and control it at will!"

When Chen Feng heard this, he couldn't help but feel moved: "Jian Lang?"

If Jian Nang had such effects, it would really be a treasure!

It should be understood that one of their great warriors is very distressed that the level of the weapon is too high to be stored.

On weekdays, it can only be displayed outside, which is quite conspicuous, but it is nothing more than telling the enemy that he is coming.

Now that there is a sword 囊, it is simply an artifact of the gods.

Xian Yu Gaozhuo said again: "Each sword has a corresponding swordsmanship and martial arts, and Xiao Laoer also has it here."

After all, he took out an ancient thread-bound book from his arms and handed it to Chen Feng.

Chen Feng nodded, put away the ancient book, and then took Jian Nang in his hand and looked carefully.

This swordsman looked like a small bag the size of a palm.

But when Chen Feng threw it out, it rose in the wind, and in a blink of an eye it turned into a length of five or six meters, and it seemed that it could fit a large pocket of more than ten people.

However, this big bag is extremely exquisite.

The whole body looks like some kind of rose gold metal casting, extremely thick, the whole look is like a huge helmet, slightly flattened, and then enlarged countless times!

Moreover, on this sword sang, countless runes were carved.

Each rune is quite mysterious, forming one formation after another.

All those runes constitute the pattern of nine golden dragons, which are constantly roaming on the sword.

Next to him, Xian Yu Gaozhuo quickly explained: "Master Chen, this sword is called Jiulong Jiansang."

"Not only can you take away the Nine Dragon Aotian Sword, many other weapons can also be taken away, as long as you can handle it."

"Hold it? What do you mean?" Chen Feng raised his eyebrows.

Xian Yu Gaozhuo explained: "This sword can only be reduced by incorporating the weapon into it, but it cannot reduce the weight."

"Should be multiple or multiple."

"That's it!"

Chen Feng nodded, and after seeing the magnification of the Nine Dragon Swordsman, the golden dragon formed by the runes on it began to swiftly wander and spin.

The next moment, a suction came.

With a bang, the Nine Dragon Aotian Sword was sucked in, leaving only the hilt out.

Not just the Nine Dragons Aotian Sword, Xian Yu Gao Zhuo's cyan light long sword was also directly sucked in.

Then, the sword began to shrink quickly, and soon became the size of a palm!

[Chapter 3505: Recognize the master](#)

Chen Feng beckoned, but that Jianlan was unmoved.

Chen Feng raised his brows and looked at Xian Yu Gaozhuo.

This time, without waiting for Xian Yu Gao Zhuo to speak, Bai Hongxin hurriedly said in a hurry: "So that the son will know that this Nine Dragon sword pouch is my brother who has already shed blood to recognize the Lord."

"So, I only recognize my brother, not you."

He obviously meant to provoke some discord.

Hearing his words, Xianyu Gaozhuo suddenly jumped in his heart, and quickly explained to Chen Feng:

"Master Chen, the old man really didn't have time to get rid of it just now, and it didn't mean to blind you."

Then, looking at Bai Hongxin, he yelled: "You dog! Instigate discord! What is it?"

Bai Hongxin just sneered.

Anyway, what he said is already effective!

Chen Feng looked at Xian Yu Gaozhuo.

Xian Yu Gaozhuo quickly flattered his face and said to Chen Feng: "My son, I will release the blood contract with Jiulong Jiannan."

"Good!" Chen Feng nodded.

Xian Yu Gaozhuo moved forward with difficulty and came to the side of the Nine Dragon Swordsman.

Then, with a wow, a big mouthful of blood was sprayed on the Nine Dragon Swordsman.

Suddenly, above the Nine Dragon Swordsman, all nine dragons appeared, and they were constantly walking around.

Then, Xian Yu Gaozhuo stretched out his right index finger and drew several runes on it.

Then, the power of this rune penetrated deeply.

The next moment, there was a burst of red light above it.

With a bang, it was as if something broke!

Then, Chen Feng felt that there seemed to be an inexplicable power that was already quietly broken at this time!

It seemed that the connecting line between Xianyu Gaozhuo and the Nine Dragon Swordsmen suddenly broke at this time.

He knew that Jiulong Jiannan had lost contact with Xian Yu Gaozhuo.

Then, Xian Yu Gaozhuo told Chen Feng how to enter into a contract with Jiulong Jiannan.

This is also very easy.

Chen Feng clicked on his right hand and pointed on the heads of the nine roaming golden dragons in Jiulong Jiannan.

Then, he whispered a few words gently.

The next moment, it was played eighteen times one after another.

Eighteen drops of blood floated out and fell on the eighteen eyes of the nine dragons.

The next moment, above the Nine Dragon Swordsman, there was a flash of red light.

The red light gathered into strands, like a large red net, directly falling on Chen Feng.

At the next moment, Chen Feng felt that there seemed to be some connection between himself and the Nine Dragon Swordsman.

Then, Jiulong Jiannan made a light jump.

Chen Feng stretched out his right hand, and the Nine Dragon Swordsman fell in his palm.

Suddenly, Chen Feng sank all over.

He felt that the sword sang was weighing nearly 100 million catties, and he was caught off guard, and he almost staggered and fell to the ground. *novelupdates.com*

Chen Feng smiled bitterly and shook his head, shaking all over!

Suddenly, the force surged, turning this pressure into invisible.

Fortunately, his physical strength is extremely strong and he can bear it.

Chen Feng whispered softly at the Nine Dragon Swordsman, and he could feel the feeling of connecting hearts.

A smile appeared at the corner of his mouth, and the Nine Dragon Swordsmen seemed to give him an extremely happy mood.

The next moment, Chen Feng thought, without any movement in his hands, Jiulong Jiannan jumped out directly.

Jumping out of his palm, floating in the air, it became as huge as before!

Then, Chen Feng threw the extremely high Longyang sword in his hand and the scabbard into the Nine Dragon Swordsman.

Suddenly, he was also received by Nine Dragons Jiannan.

Then, Chen Feng also included the Celestial White Dragon Spear he got from Chu Shaoyang.

There are four weapons in total.

Chen Feng felt that Nine Dragons Jiannan had reached a limit and could not accommodate more.

A smile appeared at the corner of Chen Feng's mouth: "This Nine Dragon Swordsman is really a good thing."

"In the future, these swords and swords can all be included!"

"Not only is it convenient, but it won't be discovered by others at all."

"This is the first treasure I got today! But what is this? The bigger treasure is yet to come!"

At this moment, Chen Feng suddenly turned around and patted Bo Hongxin.

Bo Hongxin has actually been guarding Chen Feng all the time, but what's the use of him being guarded?

At this time, Chen Feng's strength completely crushed him.

Take a palm to cover it.

Bo Hongxin roared in fright: "What are you going to do?"

Chen Feng looked at him and smiled slightly: "You still have strength, I am not at ease after all!"

The next moment, the palm fell.

Bo Hongxin tried his best to resist, kicking and thumping, backing several steps.

Chen Feng slowly shook his head: "Do you force me to show my true ability?"

In the next moment, behind him, the Tingtian idol combat body suddenly appeared.

Then, he stomped out and fell on top of Bo Hongxin's head!

Bo Hongxin wowed, and a mouthful of blood spurted out. He was already seriously injured and was no longer able to fight. He was directly severely injured by the body of the stepping idol.

Without the battle body of the gods, after all, it is difficult to compete with the strong with the battle body of the gods!

Chen Feng came to him, counted his fingers, sealed off his strength, and said lightly: "I heard that you are in the Beidou Sword Sect. Your reputation is not bad, and you haven't done anything bad."

"And today, you are not my enemy, so I will not abandon your cultivation, only seal your strength!"

When Bo Hongxin heard this, he was overjoyed and thanked him again and again.

Chen Feng smiled and said, "After a while, if there is something wrong with Gao Zhuo, you have to remind me."

"I can give you some rewards, understand?"

"It turns out he was planning this!"

Both Bo Hongxin and Xianyu Gaozhuo suddenly realized.

original,. Chen Feng took the two of them, just to see that although the two of them were called brothers, they actually had a lot of disparity.

So let them stare at each other.

Bo Hongxin took a deep look at Xianyu Gaozhuo and said with a smile: "Okay, son, don't worry!"

In his heart, he secretly made a plan: "This time, Xian Yu Gaozhuo has been abolished. Then the head of the Beidou Sword Sect will naturally fall on me."

"However, after what happened today, he must hate me deeply."

"Furthermore, he is also very powerful in the Beidou Sword Sect. If he is allowed to survive, then it will still be extremely threatening to me, it is better to..."

He sneered coldly: "Xian Yu Gao Zhuo, let you take this opportunity to die!"

At this moment, Chen Feng looked into the distance.

Above the sky in the distance, there are several figures already coming here.

Chen Feng knew that these were the strongest in Sky Dragon City.

Now, with Chu Shaoyang's death, I'm afraid all the troublemakers under him have disappeared.

These people will naturally look at the situation.

Chen Feng knew that it should not be too late.

Carrying Xian Yu Gaozhuo, he first came to the Qingshan Cliff Cave.

[Chapter 3506: Shaking the white sun spectrum, finally got it!](#)

Then coldly said: "Don't play any tricks, give me that treasure."

"What do you want? What kind of treasure?" Xian Yu Gaozhuo was still pretending to be dumb.

Chen Feng looked at Xianyu Gaozhuo, smiled and said, "Don't worry, Xianyu Gaozhuo, although you thought about killing me."

"But, after all, I robbed your sect, and calculated you, so I won't kill you, spare your life!"

Xian Yu Gao Zhuo was stunned, he didn't expect Chen Feng to say so.

Suddenly, an expression of extreme astonishment appeared on his face. The next moment, the astonishment turned into endless ecstasy.

"But..."

Chen Feng smiled and said, "If you want me not to kill you, you have to cooperate too!"

"otherwise....."

His expression was already cold.

Xian Yu Gaozhuo's heart trembled heavily, and it was already clear in his heart.

He suddenly trembled and said, "Chen Feng, me, can I ask you a question?"

Chen Feng smiled and said: "I know what questions you want to ask, tell you, I covet your sect's things, in fact, there is one other than the nine-turned heavenly devil golden pill."

"That is!"

He slowly uttered six words: "Shaking the White Sun!"

"What? Shaoguang Bairi Xianpu? You know the existence of Shaoguang Bairi Xianpu?"

"of course I know!"

At this time, Xianyu Gaozhuo was full of sullen expression: "You know everything, so what is the point if I hide it?"

Chen Feng suddenly said: "By the way, I can tell you how I knew the whereabouts of the Yaoguang Bairixianpu."

Hearing this, Xian Yu Gaozhuo couldn't help showing a touch of surprise.

But the next moment, he suddenly felt very ashamed.

"I should be angry, I should be angry!"

"I was going to be snatched from the door of the treasure. As a result, he just kept me alive and also told me how he knew the treasure's whereabouts, I was so happy!"

"Xianyu Gaozhuo, Xianyu Gaozhuo, why have you become so spineless?"

However, even though he thought so in his heart, he dared not say a word on his lips.

In fact, at this time Chen Feng was able to tell him how he knew the whereabouts of the Shaoguang Bairi Xianpu, he was already very happy.

Because this is his biggest knot.

He couldn't figure it out, why these two enemies from outside were so clear about their own family background?

It seems to be clearer than myself.

While smiling, Chen Feng explained the reason why he had learned about the Shaoguang Bairi Fairy Spectrum, and kicked it out.

One foot is to step through the gate of the secret cave of the green mountain cliff.

Holding Xian Yu Gaozhuo in his left hand and Bo Hongxin in his right hand, he swaggered in.

At this time, the smoke and dust in it have all been dispersed.

Chen Feng saw that there was a small cave inside, no more than 30 meters high and about 10 meters wide. It looked very primitive.

On the wall there is a line of light veins.

It's just that these light veins have been severed at this time.

Then, Xian Yu Gaozhuo took Chen Feng to the center of the cave.

There is a small futon here, about two feet in diameter, and looks extremely old.

The surface is already dull.

After Chen Feng came here just now, he didn't notice the futon either.

There was a lot of dust and powder on the futon, which looked dirty.

However, he took a look at this moment, but raised his brow.

After the attack of the giant hand that covered the sky just now, under that heavy pressure, the entire cave was almost crushed to pieces, and the futon was unharmed!

"Could it be that?" Chen Feng's heart moved.

Sure enough, Xian Yu Gaozhuo picked up the futon, shook the ash on it, then tore the surface of the futon, and took out the stuffing inside.

At the next moment, Chen Feng saw the dark golden light flash by.

With a flash of his figure, he took the thing from Xian Yu Gao Zhuo, and then directly took out a thin booklet from inside.

Seeing the six characters on the booklet, Chen Feng's breathing became heavy instantly!

Shake the white sun spectrum!

In the pamphlet, the six characters "Shaking Light and White Fairy" are written on it!

At this time, Chen Feng almost wanted to laugh out loud.

"Shaking the white sun spectrum, shaking the white sun spectrum, I finally got it!"

At this point, Chen Feng's two purposes for coming to the Sky Dragon City have all been accomplished.

Chen Feng was able to judge almost instantly, this is definitely the authenticity of Shaoguang Bairixian's spectrum.

There was an inexplicable aura from above.

And as soon as this kind of breath appeared, in Chen Feng's dantian, the Dharma form that was hidden in the deepest part moved quietly, as if there was a vague connection with it.

"Sure enough, it is the celestial spectrum of the Shaking Light, the supreme treasure of the cultivation technique, even if it is only a fragment of a scroll, it also connects the Dharma in my dantian."

"It's amazing, it really is the most mysterious!"

Chen Feng carefully looked at this dazzling white sun spectrum.

In the lower right corner, I saw two small words: Fragments.

A smile appeared at the corner of his mouth and said: "It's still a bit conscience, knowing that it is a broken scroll, so people should be careful when they practice!"

However, Chen Feng raised his brows, and suddenly remembered something.

Then, looking at Xianyu Gaozhuo, his face was weird and said: "How many years has this thing been in this futon?"

Xian Yu Gaozhuo said: "It must be more than ten thousand years old."

"Since the Houshan Tibetan Scripture Pavilion was moved here, it has been placed in it."

Chen Feng looked even stranger: "This futon, do you usually sit on it?"

Xian Yu Gao Zhuo smiled: "We all sit on it when we practice."

Chen Feng was speechless for a while. In other words, this Shake Guang Bairi Xianpu was actually sitting under their **** for more than ten thousand years?

The expression on Xian Yu Gaozhuo's face was also quite embarrassed, and he explained in a slanderous manner: "That's safe!"

"After all, who would have thought that there was such a book hidden in this broken futon!"

Chen Feng nodded: "It makes sense."

However, he took this Shaoguang Bairixian spectrum a little farther away from him.

Then he trembled, and said in his heart: "I have to dry it before I go back."

Now that the Shaoguang Bairi Xianpu had already arrived, Chen Feng took the two of them and prepared to leave.

At this time, there was a sly look in Gao Zhuo's eyes.

Bo Hongxin suddenly said, "Master Chen Feng, I have something to say!"

Hearing Bai Hongxin's words, a touch of unpleasantness flashed in Gao Zhuo's eyes immediately, and he shouted: "Master Chen, I forgot to tell you something!"

Chen Feng looked at the expressions of the two of them, and it was clear in his heart.

Then smiled and said to Xian Yu Gaozhuo: "You shut up first! Let him speak first."

He looked at Bai Hongxin.

Bo Hongxin glanced at Xianyu Gao Zhuo triumphantly, and said, "Master Chen, there is a secret book in this cave."

[Chapter 3507: Little Faxiang Magic](#)

"Oh? What cheat?"

Bai Hongxin explained: "It's a secret book evolved from this Shaking White Sun Spectrum."

"After all, Shaoguang Bairixian Spectrum is mysterious and inexplicable. It requires extremely high talents, and it is just a fragmented scroll, which is quite difficult to comprehend."

"So, five thousand years ago, a very talented head, based on the fragments of the Shaking White Sun's spectrum, evolved a secret scroll."

"There is a French recorded in the secret scroll. This method allows people to practice a small method. The requirements for talent are not so high, and it doesn't have to be as dangerous as the fragmented scrolls of Shaoguang Bairixian."

When Chen Feng heard this, he became interested and curiously asked, "Little Faxiang, what is that?"

Baihong Channel: "Small Dhamma is actually a simulation of Dhamma, or in other words, the prototype of Dhamma."

"The power is much smaller than the law, but it's much easier to practice."

"That's it." Chen Feng nodded slowly.

At this time, Xian Yu Gaozhuo's face was pale.

At this time, Chen Feng's heart moved: "This method is not very helpful to me, but it is a reference for me to forge the Dhamma and even raise the Dhamma to a higher level."

"Furthermore, those friends I placed in the Tianyuan Dynasty, with their strength, directly comprehending the cultivation method may not have any effect."

"However, if they practice the small Dharma aspects first, they can indeed comprehend the Dharma aspects first."

"This thing is a big treasure to them!"

Thinking of this, Chen Feng sneered at Xian Yu Gao Zhuo: "Why didn't you mention this just now?"

Xian Yu Gaozhuo knew that he was wrong, Nono said: "I, I just wanted to talk about it, but he was ahead of him!"

Chen Feng knew that he wanted to conceal this matter and didn't break it.

He just smiled and looked at Bai Hongxin and said, "I just said, if you check the omissions, I will be rewarded."

"Go ahead, what reward do you want?"

Xianyu Gaozhuo shivered violently again.

Bai Hongxin glanced at Xianyu Gaozhuo, and then laughed in a low voice: "I don't have any other requirements, just ask you to hand him over to me!"

After all, pointed at Xian Yu Gaozhuo.

Xian Yu Gaozhuo's face was extremely pale.

He can almost foresee his own destiny, if he falls into the hands of Bo Hongxin, then life is better than death!

He thought of the scenes where he had so harshly criticized his junior fellow before.

However, Chen Feng didn't hesitate, just said indifferently: "I just said it, spare his life."

"If I hand him over to you, you will surely kill him! But well..."

He looked at Bai Hongxin and said, "I probably know what you are thinking. From now on, the seat of the head of the Beidou Sword Sect will definitely belong to you."

"You are afraid that Gao Zhuo will make trouble for you, which is what people should."

"Then let's go, I will bring Xianyu Gaozhuo to a place where I can never return to Sky Dragon City, how about?"

When Chen Feng said this sentence, he already had a plan in his heart.

It turned out that just now, when he thought of his staying with those friends in the Tianyuan Dynasty, a flash of inspiration suddenly flashed in his heart.

Those of his friends are not very strong now, and Chen Feng does not have time to teach them.

There must be someone who is strong enough, obedient enough, and broad enough to teach them and help them improve their strength.

Such a person is hard to find.

Now, isn't there one in front of you?

Xianyu Gaozhuo is strong enough to reach the peak of the three-star Wudi, and his vision is wide enough.

Having served as the head of the Beidou Sword Sect for so many years, I don't know how many books I have read, and there are many disciples under him, and I am quite knowledgeable about how to teach them.

The most important thing is that his cultivation base has now been abolished, and there is no threat anymore!

Hearing Chen Feng's words, Bai Hongxin naturally had no objection.

He just wanted freshness and Yu Gaozhuo would not show up again, so he didn't care about the others, so he nodded and said, "Okay, Master Chen bothered."

If he dares to say anything else, it would be ignorant of praise!

Chen Feng's move was actually quite appropriate.

Then, Chen Feng looked at Xianyu Gaozhuo again and asked: "Xianyu Gaozhuo, what do you think?"

In fact, after hearing Chen Feng's words just now, Xian Yu Gaozhuo suddenly breathed a sigh of relief, and his expression became calmer.

Now that he can save a life, it is already thank goodness, where is the right to pick and choose?

Quickly said: "Everything is up to the son."

"It is good."

Chen Feng smiled, and then let Xian Yu Gaozhuo take the cheat book for himself.

This cheat book, called 'Small Faxiang Magic Skill', is also an ancient book.

Chen Feng took a look in his hand and nodded slowly.

This cheat is written rather shallowly, but its practicality is extremely high.

Then, he took Xianyu Gaozhuo and Bai Hongxin to the Houshan Buddhist Scripture Pavilion.

At this time, the fire at Houshan Tibetan Scripture Pavilion was still burning, and the heavy rain just now had no effect on the fire.

One hall after another collapsed in the flames, and countless scriptures were burned.

The black flying ash rushed up into the sky, and black smoke and ashes floated all around.

Above the sky, it even condensed into a black cloud.

Seeing this scene, Bo Hongxin and Xian Yu Gaozhuo both showed distress on their faces.

The accumulation of tens of thousands of years of the Beidou Sword Sect was so ruined!

Although the flames are raging, Chen Feng has no worries about the safety of the pill.

Although this flame is extremely vigorous and violent, when it comes to flame quality, it is just a mortal flame, and the temperature is just that little.

That golden pill can be formed, but it has actually experienced a temperature much higher than this.

If it would melt at this temperature, it would not qualify as a golden core.

Chen Feng is more worried now, but it is a matter of time.

I don't know when the fire will be finished.

He was able to withstand the fire, at best, he was completely black, but if Gao Zhuo entered the fire scene at this time, he was afraid that there would be death.

And if it drags on any longer, I'm afraid the strong ones in Sky Dragon City will arrive.

Chen Feng is not afraid of them robbing him, who can rob him?

Chen Feng was just afraid that if Pu Xingzhou came personally, he would not save face, so he had to share some benefits for them.

He cast his eyes on Xianyu Gaozhuo.

Xian Yu Gaozhuo smiled slightly and said, "Master Chen, please come with the old man!"

Chen Feng raised his brows: "It seems that there is something strange in it!"

Xian Yu Gaozhuo took Chen Feng around the Tibetan Scripture Pavilion and came to the side of a cliff beside the Tibetan Scripture Pavilion.

Here, there is that waterfall flowing down.

However, due to the intensity of the fire, the waterfall and stream spring were completely evaporated, exposing the rocks below.

[Chapter 3508: Nine-turned Heavenly Devil Golden Pill, get it!](#)

Then, Xianyu Gaozhuo came to the rock and fiddled with it, not knowing what mechanism was activated.

At the next moment, the entire Buddhist scripture pavilion burst open.

At a height of several kilometers, the huge Buddhist scripture pavilion broke open directly, separated from the base, revealing a deep passage.

Chen Feng was surprised when he saw it, then clapped his hands and sighed, "No wonder, no wonder!"

"No wonder that if you don't break the Beidou Sword Sect, you won't get this treasure at all."

"It turns out that the opening of this storage place is so loud that it is impossible to sneak in."

Afterwards, Chen Feng led them with a flash of figure before entering the passage.

He let Xian Yu Gaozhuo go ahead, and there was an extremely long corridor in front of him, all the way down.

This tunnel is extremely narrow and extremely long, and only one person can pass.

All the way down, it was naturally opened up by this mountain cave.

However, Xianyu Gaozhuo has lost all his strength now, and is leading the way, unable to do anything he wants to play.

Moreover, he is now quite grateful for Chen Feng, not letting himself fall into Bo Hongxin's hands, so he does his best.

All institutions will be closed along the way.

After walking down for half an hour, finally, a small secret room suddenly opened up in front of him.

This small secret room is very simple and primitive, and after Chen Feng entered this place, his heart suddenly became proud!

It turned out that it gave him an extremely barren, desolate, and primitive feeling here, just like the residence of the ancient ancestors.

He looked around and saw that this small cave was full of various murals.

The lines of this mural are extremely ancient and clumsy, but each stroke contains great pure power.

And the end of this cave was blocked by a stone wall!

Xianyu Gaozhuo sighed slightly, pointed to the position of the stone wall and said, "Actually, there is the real entrance."

"From there, one hundred meters away, there is a stone wall, and under the stone wall is a fertile prairie."

Xian Yu Gaozhuo continued: "There used to be ancient ancestors who lived here, hunting, grazing, and recuperating here, and they are some of the earliest martial arts of the human race."

"Later, my ancestors of the Beidou Sword Sect discovered this place, and even discovered this nine-turned heavenly devil golden pill in this cave!"

"Since then, he has been in retreat here for three hundred years, relying on the golden core vision that emerged from the nine-turn heaven devil golden core, and he created the Beidou Sword Sect."

"Later, this place became a forbidden place for the Beidou Sword Sect."

"And the nine-turned heavenly devil golden pill is always stored here."

When Chen Feng heard this, he couldn't help sighing: "It turns out that this place is actually the residence of the ancient ancestors!"

Then, Xian Yu Gaozhuo walked to the front, removed a few stones on the ground, and took out a huge jade box from the inside.

The jade box is three feet long, three feet wide, and five feet high.

He opened the jade box, but inside it was a smaller jade box.

When you open it again, it is another smaller jade box.

Each jade box is made of extremely precious green bamboo star jade.

This green bamboo star jade is only produced a little bit deep in some extremely deep precious mineral deposits.

It looks like an emerald green bamboo that has been dug out, just like bamboo, but it is actually a kind of jade.

Not only is it extremely beautiful and precious, it is also a very precious casting material. *NovelUsb.com*

The most precious thing about this green bamboo star jade is that it can grow naturally.

That is to say, if a jade box made of green bamboo star jade is placed there for hundreds of thousands of years, its gap can even grow by itself and bridge by itself, thus becoming a treasure box without any gaps or gaps. .

This kind of thing is most suitable for storing elixirs.

It is especially suitable for storing high-grade, strong pill energy, and easy to leak pill.

And this pill was stored in nine boxes.

Finally, when the last layer of the box was opened, a pill that was about the size of a pigeon egg was exposed.

This pill is perfectly round, golden and brilliant, and extremely beautiful.

With the emergence of the pill, a huge force gushed out of it.

Everyone saw that, in an instant, the golden light was brilliant, and that golden light actually formed the image of nine demon.

These extraterritorial celestial demon roared sternly, disturbing the mind.

When Chen Feng saw it, he couldn't help but his head was blinded, and the extremely harsh voice was even more shocking than Gao Zhuo and Bai Hongxin vomiting blood.

Chen Feng was surprised at first, and then overjoyed: "It really is a sixth-grade golden core!"

"As soon as I opened it, I had such an impression!"

High-grade golden cores all have visions, and the vision of this nine-turned heavenly devil golden core is exactly this nine-headed alien heavenly demon!

With a 'bang', the box was covered by Chen Feng and all visions disappeared!

Xian Yu Gaozhuo and Bai Hongxin face pale, panting heavily.

"This is the origin of everything!"

Chen Feng looked at this golden light shining, heavenly demon flying pill, gently sighed, a touch of emotion appeared on his face!

If it weren't for Chu Chu Shaoyang who wanted to **** this medicine, how could he come to Sky Dragon City?

If he doesn't come to Sky Dragon City, how can he let himself meet Feng Qingqiu?

How could this happen today?

"However, all of this is cheaper for me!"

There was a big smile at the corner of his mouth.

Then, Chen Feng threw the huge box into the golden thread kit and turned around and said, "Let's go!"

He took Xianyu Gaozhuo and Bai Hongxin and left here in strides.

As soon as he reached the ground, Chen Feng saw several black spots flying over in the distance.

Already very close to here.

Chen Feng saw that the leader was Lan Zihan.

Lan Zihan and the others have already arrived, and Chen Feng just said goodbye and left. He just smiled and stood there waiting quietly.

But after a while, Lan Zihan and others had already arrived in front of Chen Feng.

He was not surprised that Chen Feng appeared here.

In fact, he had known that Chen Feng was here.

And in order not to let him offend Chen Feng, Pu Xingzhou specially mentioned Lan Zihan before coming.

Lan Zihan hugged Chen Feng, with a weird expression, and said, "So, Master Chen is here too!"

Chen Feng laughed and said, "Isn't it a coincidence! Fortunately, I will be lucky."

Many generals behind Lan Zihan looked at Chen Feng with strange expressions.

They are all powerful and powerful experts in Sky Dragon City, so naturally they have many eyes and ears!

What happened to the Beidou Sword Sect today, they have basically understood it now, and naturally know that the biggest beneficiary is the young man in front of them.

And they also know the strength and background of this young man.

Therefore, although quite a few people are very greedy about his harvest, no one dared to say more, and no one dared to reach out and grab it.

[Chapter 3509: Revenge!](#)

Lan Zihan glanced at Chen Feng deeply, then smiled and said, "Master Chen, since it's up here, you can leave."

"However, don't leave Sky Dragon City in a hurry, the general still wants to see you!"

Chen Feng laughed: "Don't worry! I don't have to go in a hurry, I also want to have a good chat with the general."

"Good!" Lan Zihan nodded and said.

Then, he looked at Bai Hongxin again, and said, "This one must be the new head of the Beidou Sword Sect, right?"

"I don't know Master Chen Feng, can you give him to us?"

"The Beidou Sword Sect is always the forces in the Sky Dragon City. When we encounter such things, we also need to help."

"it is good!"

Chen Feng mentioned Bai Hongxin and threw him directly to Lan Zihan.

A reluctance flashed across Bo Hongxin's face. He naturally understood that these people would never help himself, but would only think of gaining some benefits from him.

Chen Feng picked up Xian Yu Gao Zhuo in one hand, smiled and said, "Let's go, it's over here!"

Xian Yu Gaozhuo looked back.

His eyes swept across the Qingshan Cliff, across the Houshan Buddhist Scripture Pavilion, and across everything here.

It seems that you want to brand all these things into your mind!

There was deep emotion and loneliness on his face.

Chen Feng smiled and said: "Don't look, let's go, if you behave well with me, I will naturally bring you here again in the future."

After all, carrying Xian Yu Gaozhuo, his figure flashed and he hurried away.

But here, Bai Hongxin was surrounded by Lan Zihan and others, and once again entered the Tibetan Scripture Pavilion.

Obviously, Lan Zihan and the others wanted him to take them to the Cangjing Pavilion to find the precious treasures of the Beidou Sword Sect.

Chen Feng knew exactly what they were doing, and he also knew that this time it was estimated that Bo Hongxin could control the Beidou Sword Sect smoothly, but he was afraid that he would be bloody!

Chen Feng set off to leave the Beidou Sword Sect.

When he left, he also looked back.

Here, it can be said that Chen Feng's fate has almost changed.

Soon, Chen Feng returned to the Xiacheng District of Sky Dragon City.

He came all the way, and saw that at this time, the sky was restored to peace, and there were strong and powerful troops in the sky to maintain order.

And those damaged places have also been cleaned!

If it weren't for the panic on the faces of the people, there would be no way of seeing what happened here a moment ago.

This time, Chen Feng did not return to the inn.

This is a big deal. The things on his body are too precious now, and it is really not suitable to stay in the inn anymore.

Therefore, Chen Feng went directly to Zhulin Medicinal Food Studio.

As soon as I stepped into the Zhulin Medicinal Food Studio, I saw Lin Ran and others in the lobby.

Seeing Chen Feng's return, Lin Ran immediately stepped forward, watched him and said in a low voice: "This time the Beidou Sword Sect incident, this promise has something to do with you?"

Chen Feng looked at her and nodded slowly.

Lin Ran's expression changed, and a complex meaning flashed in his eyes.

Chen Feng immediately knew what she had thought of, and said softly: "This matter is indeed related to me."

"But I didn't kill innocent people."

Hearing this, Lin Ran suddenly relaxed in his heart.

Looking at Chen Feng, she smiled like a flower: "That's fine."

She looked at Chen Feng and said softly: "I know you are definitely not a person who kills innocent people."

Chen Feng laughed, and then said: "I have to go upstairs to rest first, and..."

He shook Xianyu Gaozhuo, who was held in his hand by him, and said, "He prepares some medicinal food to help him recover, and arrange a room."

After that, he especially exhorted: "It's okay to regulate the body, nothing else is needed."

Xian Yu Gaozhuo looked at Chen Feng with a bitter expression on his face: "Master Chen, in my current state of old age, even if you give me a thousand bowls of medicine to restore my strength, it's useless!"

Chen Feng laughed and said, "Isn't it prepared?"

Lin Ran nodded and ordered someone to bring medicated food.

At this time, a clear cry came: "Brother Chen Feng."

In the next moment, the back door opened, and a small figure jumped out from it and into Chen Feng's arms.

It is Zhong Lingzhu.

Chen Feng laughed and raised Zhong Lingzhu aloft.

Zhong Lingzhu also giggled as he stretched out his hand to touch Chen Feng's face, and Chen Feng just raised Zhong Lingzhu up, suddenly there was a change in his heart.

It turned out that at this time, he felt that there was an air of luck from Zhong Ling's bamboo body, which was attached to his luck.

But these two airs are different from before.

Before it was just adhesion, just entanglement, now that air luck has actually entered Chen Feng's body, strengthening Chen Feng's air luck.

Then, he returned to Zhong Lingzhu's body.

However, Zhong Lingzhu is naturally unaware of all this.

And the strong pair of air luck circulated in Chen Feng's body, and in an instant, Chen Feng's feeling of being blocked was completely gone!

The last bit of luck was blocked by the tail, which was swept clean.

But Chen Feng did not get the ease he imagined.

At the same time, he also had a doubt: "I obviously didn't clarify all the things related to Zhong Lingzhu's life experience, nor did I kill all his enemies. Why, the luck that bound me was not Is it?"

But suddenly, this thought just flashed through Chen Feng's mind.

In the depths of his heart, another feeling of qi and luck came.

It seems that it wants to lock his luck, and the feeling of being locked up before hits again!

It was as if his luck was about to be locked again, and his cultivation was about to be forced to stop again!

Chen Feng suddenly felt horrified: "What's going on?"

He gently put Zhong Lingzhu down and walked to the side to sit cross-legged, and everyone did not dare to disturb him.

Chen Feng perceives it carefully, and it becomes clear after a long time.

He took a long sigh: "That's it! That's it!"

Chen Feng then knew what was going on.

It turns out that his luck has not really been let go, and the feeling of entanglement in his luck has not disappeared.

In fact, his luck should continue to be locked!

The reason for temporarily unbinding now is because his other strengths are too strong, and his accumulation is too strong.

The momentum of his breakthrough from the one-star Wudi to the two-star Wudi couldn't be contained at all, so he rushed out of the imprisonment fiercely, and the chains that locked his luck were severely broken.

However, it was only broken and broken, but it was not completely eradicated.

It won't be long before the luck will still be locked.

"So that's the case, let me just say, this matter has not been resolved, how can my luck be let go!"

After realizing this, Chen Feng not only didn't feel annoyed, but took a long sigh, feeling that the truth has finally been investigated.

[Chapter 3510: Taiqing Daze Sword!](#)

He is the kind of person who doesn't want to be vague, especially when it comes to cultivation.

Chen Feng experienced it for a while, and then it became clear in his heart.

He sighed gently, and said slowly: "It turns out that I have to resolve the grievances that are entangled with Zhong Lingzhu's fate within half a month."

"Otherwise, the consequences will be very serious!"

Chen Feng's eyes flickered, and he whispered softly:

"Now I have only briefly broken through to Emperor Wudi of the Second Star, briefly possessed the strength of Emperor Wudi of the Second Star, and briefly obtained twelve golden lightning gods, and briefly made my Heavenly Stepping Idol battle body break through to the second realm!"

"All of this comes from breaking free from the shackles of luck."

"But in fact, the entanglement of luck has not disappeared."

"If I can't solve the entanglement of qi and luck within half a month, then everything I have now will all disappear, and my strength will be knocked down again by Emperor Wudi!"

Chen Feng abruptly got up, through the window, looked in a direction in the distant Sky Dragon City.

He could even faintly feel where that luck came from.

A light smile appeared at the corner of his mouth, and he whispered softly: "Now is the time to end the grievances on Zhong Lingzhu's body."

"It's also time to completely cut off the entanglement of my luck with me!"

Chen Feng didn't panic in his heart, but a smile appeared at the corner of his mouth: "Now, my purpose of coming here has been achieved, and I am already free to take action, and I am not afraid of revealing my strength."

"Then next..."

A bloodthirsty smile appeared at the corner of his mouth. He stretched out his hand to embrace Zhong Lingzhu, hugged him on his lap, looked at her and said softly:

"Next, it's time for my brother to avenge you!"

Zhong Lingzhu was ignorant of what he said.

However, she was inspired by Chen Feng several times, and the memory of her original seal was also loosened.

Although she couldn't remember who her enemy was or what she had gone through, the meaning of hatred rose up into the sky and rushed out.

She was full of hatred in her heart, looking at Chen Feng, her eyes were blood red: "Brother Chen Feng, we must kill them all!"

Her voice is trembling!

At this moment, Lin Ran just walked over when he heard the hateful sentence, he couldn't help but trembled all over, with a complex color in his eyes.

He didn't know whether the real awakening memory was a blessing or a curse for Zhong Lingzhu.

Then, Chen Feng stayed in this bamboo forest medicated food studio.

He returned to his room, first took out the small handbag-like swordsman, and examined it carefully.

At this time, there were already four weapons in the swordsman.

In addition to the Nine Dragons Aotian Sword and Chen Feng's Extreme Longyang Sword, there is also a sword rarely used by Gao Zhuo.

At this time, Chen Feng also knew the name of this sword. It was called Taiqing Daze Sword.

This Taiqing Daze sword is also a famous sword of the Beidou Sword Sect, the treasure of the Zhen Sect, and the Nine Dragon Aotian Sword is also called the Beidou Arms.

This sword is actually not powerful.

Speaking of it, it is not a sword suitable for combat.

Xian Yu Gaozhuo was really forced to fight Chu Shaoyang with this sword today.

After all, he needs Bai Hong to credit the Nine Dragon Aotian Sword to pretend to be himself, so that Chu Shaoyang can be fooled.

In fact, the Taiqing Daze Sword is completely different from many weapons. It is not so much a sword as it is a magic weapon for hunting.

It turns out that this sword comes with a formation called Taiqing Daze Zhu Yao Formation!

When you come to the wilderness, among the famous mountains and rivers, insert this sword into the ground, and then use the secret method, this sword will automatically become an eye!

And with this sword as the center, it will transform into a Taiqing Daze Demon Array within ten miles!

As the name suggests.

After the formation is laid down, it is like a big Ze.

The strength is as thick as water, and the density is as great as the vastness!

Get caught up in it and can't get out.

There are only two powers in the Taiqing Daze Demon Slaying Array, that is: to attract monsters and trap them!

The Taiqing Daze Sword is said to be made from the bones of an ancient strange animal.

That kind of monster can simulate an aura that all monsters like very much.

Even, it will target which powerful monster beasts nearby, and deliberately simulate the breath that makes this monster beast particularly fond of or heart-pounding, attracting that monster beast!

Therefore, Taiqing Dazejian also has this ability.

After the monster came here, as long as it entered the formation, it would be trapped in it for three hours.

then.....

There is no more.

This Taiqing Daze Sword has two functions, one is to attract monsters, and the second is to trap monsters.

There is nothing else.

You can't kill monsters at all.

At that time, Chen Feng was also dumbfounded when he heard Bai Hongxin and Xian Yu Gaozhuo describe the Taiqing Dazejian.

Then, he sighed secretly.

"If this sword also has the effect of killing monsters, it would be too bad!"

"This is equivalent to being able to easily kill many powerful monsters outside. Some of those monsters may be very clever and smart, but they will be attracted."

"Some are hard to find and will be attracted."

"Some are powerful, but they will be trapped inside and killed."

However, Chen Feng changed his mind. If this sword had that effect, it wouldn't be a ninth-rank emperor's soldier, at the same level as the supreme Longyang sword. [ovelus.com](http://www.ovelus.com)

And if that were the case, I'm afraid that the Beidou Sword Sect could not hold onto this sword, and it would have been snatched away by the strong from Sky Dragon City and even the God of War Palace.

Chen Feng looked at the Taiqing Daze Sword and took out and played twice.

Taiqing Dazejian was as big as his finger at this time, and it looked lovely.

The emerald green light kept flashing.

Chen Feng said softly: "In fact, if this sword is used properly, it might not be a divine weapon, even stronger than the Nine Dragon Aotian Sword!"

The Nine Dragons Aotian Sword is also powerful, and in many cases it is not as good as this distinctive weapon.

Of course, the premise is that the seduced guy can be dealt with.

In addition to these two swords, it was the celestial white dragon spear!

Chen Feng was deeply impressed by the celestial white dragon spear.

And he can clearly feel that the power of the Celestial White Dragon Spear is better than either of these two swords.

Even better than more than one!

When seeing Chu Shaoyang using it, Chen Feng had a vague feeling.

It seems that this Tianji White Dragon Spear is an extremely powerful magic weapon, possessing extremely powerful power.

However, Chu Shaoyang only regarded it as a firewood stick, squeezing it around, and did not develop his true power at all.

Mingzhu secretly casts, nothing is better than this.

This is a pity for Chen Feng.
