[Chapter 3521: A drop of blood!](#)

"That's it."

Chen Feng nodded: "But, I think he is crazy!"

"Yes!"

Bai Jingwan smiled and said, "He is among their collaterals, and his talent is considered good."

"You are young and have extraordinary strength."

When she said this, she suddenly chuckled, feeling that she was talking about talent, young and promising in front of Chen Feng, which was really ridiculous.

No matter how talented, no matter how young and promising, is it comparable to Chen Feng?

She smiled slightly, looked at Chen Feng and said, "Of course, it's far better than Brother Chen Feng!"

Chen Feng smiled: "Go on."

Bai Jingwan nodded: "Because he has the strength, he is very eager to move closer to the main line of the Shen family."

"And the main line of the Shen family wanted to use him, so I showed him several times!"

"He has always regarded himself as a member of the Shen family outside, and he looks down upon this and that, and the people waiting for the small family are not in his eyes."

"That's it!"

A smile appeared at the corner of Chen Feng's mouth.

He shook his head and said: "Forget it, today is a great day, I am in a good mood, I don't bother to care about him!"

If it was changed to the previous one, Chen Feng would abolish him as soon as he shot.

But today, after all, he was a guest, he came to the Ares Chamber of Commerce as a guest, and he made trouble when he came up, and it would be too shameful for the owner.

Besides, in front of Bai Jingwan, Chen Feng didn't want to make trouble.

He said lightly: "Let's go, let's go and talk."

He walked to the side.

Bai Jingwan nodded, walked two steps quickly, holding Chen Feng's arm, and leaning his head lightly on his shoulder.

She took a deep breath, her face filled with Chen Feng's breath, and a satisfied smile appeared at the corner of her mouth, and said softly, "Brother Chen Feng." **NoVELusb.COM**

Chen Feng raised his eyebrows and looked at her: "What's the matter?"

"It's nothing."

Bai Jingwan smiled and said sweetly, "I just want to call you!"

Chen Feng laughed and squeezed her little nose.

However, Zhong Lingzhu, who was held by Chen Feng in his arms, gave a thief smile, stretched out his white tender face, and stroked his little finger twice.

Looking at Bai Jingwan, she said, "Sister Bai, shameless face!"

Bai Jingwan's face suddenly turned red, and she knew that she was too close to Chen Feng at this time.

But she was reluctant to let it go, and just wanted to go on like this with Chen Feng.

Seeing Chen Feng and Bai Jingwan leave, walking to one side.

That Shen Gaojie seemed to have won a battle, laughing, extremely proud!

He thought that Chen Feng didn't dare to compete with him, so he left in a desperate manner.

Not far from the side, a group of women are standing here.

There are about a dozen of those women, and each of them is quite luxurious and looks quite beautiful.

They also looked at Chen Feng at this time, but the focus of attention was Bai Jingwan.

Seeing how close Bai Jingwan and Chen Feng were, a look of surprise appeared on their faces!

Then, this surprise turned into a trace of anger, shame, and vague disdain.

At this time, the three of Chen Feng had already stepped aside.

At this moment, Zhong Lingzhu's eyes suddenly rounded, staring straight ahead somewhere.

Chen Feng was stunned for a moment, and soon noticed the look of the clock Lingzhu.

He looked forward along Zhong Lingzhu's gaze, and saw a gem floating in the middle of the sky on a table in front.

This gemstone is diamond-shaped as a whole, about the size of a palm, and the whole body is blue.

And in the middle of this gem, a drop of blood was sealed.

This blood is also blue, but it is already blue, and a little black.

There was also a faint gold in the black.

The moment Chen Feng looked there, suddenly he heard a loud click in his ear.

Among the golden, there was a thunder burst!

Then, countless thunders exploded in that drop of blood.

A sea of thunder and lightning appeared in front of Chen Feng!

Chen Feng shook his head fiercely, and immediately knew that what he had appeared this time was probably an illusion.

At this time, Zhong Lingzhu already shouted: "I'm going to see that, I'm going to see that."

Her voice was so loud that many people heard it and looked towards this side.

Many people frowned, with a touch of disdain on their faces.

Zhong Lingzhu immediately knew that he was afraid of being rude, covering his mouth, his face flushed a little, a look of grievance flashed across his face.

The mist gradually filled his eyes, as if he was about to cry.

If you change to someone else, you might give a few words to Zhong Lingzhu at this time.

But how accommodating did Chen Feng treat her?

How did Chen Feng ignore outsiders?

He didn't put the eyes of the people around him in his eyes at all, and quickly turned Zhong Lingzhu upside down, haha smiled and said: "Okay! If you want to see, let's see."

"Don't care about other people's eyes."

When Zhong Lingzhu heard this, he burst into laughter.

Beside, Bai Jingwan teased Zhong Lingzhu: "I almost cried just now!"

Chen Feng held Zhong Lingzhu and walked to the blue-black blood.

At this time, not far from Chen Feng, the eyes of the group of women were all looking towards this side.

They frowned after hearing Zhong Lingzhu's cry just now.

And then Chen Feng's reaction made them even more unhappy.

Even some people's faces are already showing a touch of cold.

Then, these people saw Bai Jingwan's reaction.

One of them wore a sea-blue dress and was about thirty-seven-year-old beautiful woman frowned:

"Bai Jingwan, why do you mix with these people?"

While talking, she shook the crystal wine glass in her hand.

In the crystal glass, there is blue wine.

This blue wine is so dazzling, it feels like the endless night sky reflected in the ocean, together with the sea, is sealed in this small glass of wine.

As the glass of wine shook, there seemed to be sea waves.

In the waves, there are countless stars slowly falling, sinking toward the bottom of the sea.

Beautiful, the ultimate beauty!

This fine wine, named Azure Starry Sky, is the exclusive secret recipe of the God of War Chamber of Commerce.

It is brewed from dozens of extremely rare medicinal materials.

Not only is the wine fragrant and sweet, but it also has a great nourishing effect and the effect is excellent.

Ordinary warriors drink such a drink, it is worth ten years of usual practice.

Even for the strong in the Wudi realm, this kind of wine is also a great tonic, quite precious.

The wine in the glass of other people's hands is like blood.

Only, in the wine glass in her hand, having such a blue starry sky shows that this woman's status is very special!

The fact is also true, everyone vaguely led by her.

This woman, named Yin Baihui, has a very high status among the people.

[Chapter 3522: Lei Xing Yuan](#)

She is a widow who lives as a widow, and her husband is Lan Zihan's previous general.

That is a dignified general, a figure second only to the general in Sky Dragon City.

Later, the Zhonglang died bizarrely, and she became a widow and did not marry again.

And because of her husband's previous strong position, she has a high status among the people.

But it can't reach this level. The reason why she has the current status is because her natal family status itself is extremely high, and she is one of the most prominent first-class families in Sky Dragon City.

After listening to her, everyone nodded.

"Yeah, Bai Jingwan actually mingled with this kid, she is really self-willed to fall."

"This kid doesn't know where he came from?"

"No matter what the source is, Bai Jingwan mingled with him, that's not knowing how to make progress!"

Yin Baihui said in a cold voice: "Let's let her get lost and know how to return."

Her voice is indifferent, full of meaning of looking down!

"Although Bai Jingwan came from a poor family background, she can't compare with ours, but she still has a gift from heaven."

"Her talent is here, and her appearance is also beautiful, and her future achievements will be limitless."

"I'm afraid that it is possible to marry into a first-class family, but how can you fall into the hands of this kid?"

A woman next to her with a fierce appearance and pretty face giggled and said: "I'll go up and humiliate that kid, let him know how many catties I have."

"By the way, also bring Bai Jingwan back."

In their words, there was no respect for Bai Jingwan, and they didn't regard her as equal.

But treat her as a kind of goods

"No need to."

Yin Baihui stretched out her hand to stop her, and said, "You don't need to do it."

A smile appeared at the corner of her mouth: "Today this private auction, Li Xingyuan will also come."

She smiled and said, "Think about it, what kind of temper is Li Xingyuan?"

"If Bai Jingwan was so close to this kid, what would he think?"

When everyone heard it, they all giggled, with a look of expectation on their faces.

Some people even gloated and said, "Haha, I'm afraid this kid will be beaten bloody. It is estimated that this kid will be abolished by one move."

"so....."

Yin Baihui smiled slightly: "There is no need for us to do it at all, naturally someone will finish this kid for us."

"At that time, if Bai Jingwan is lost and knows how to return, after returning, she will still be our good sister."

Although she said that, in her expression, she never meant to regard Bai Jingwan as a good sister.

It's just treating her as a personal item. "

"Yes, Sister Yin is still calm!" Everyone praised her.

Yin Baihui's face also showed a hint of self-satisfaction, and slowly raised the crystal glass and drank a glass of blue water like wine.

Lips pursed, revealing a touch of unspeakable pride.

However, among the crowd, there was only one, and his expression was different from the others.

It is Gui Qingwen.

Among them, Gui Qingwen is just a very inconspicuous one, not even too many people pay attention to her.

She is clearly marginalized in this group.

If it was before, the eldest sister among them was older. When Yin Baihui, a beautiful woman in blue skirt, said such a thing, she would definitely flatter and flatter her.

But now, she stood beside her silently, with a mocking smile from the corner of her mouth.

Looking at them, there is pride, ridicule, and disdain in their eyes:

"You know, who is he?"

"As you know, who is this young man in your mouth, with shabby clothes and ordinary strength?"

"Do you know how prominent and powerful he is?"

"He is, Chen Feng!"

"This is Chen Feng! Chen Feng is enough to contend with General Pu Xingzhou! And where are you qualified to criticize him?"

Among the crowd, only she knew the origin of Chen Feng's identity.

At the same moment, outside the Ares auction site, a floating tank creaked and stopped.

This chariot is not big, no more than six meters long and four meters high. It can only accommodate two or three people inside.

But it is extremely luxurious, the whole body is made of some kind of blue metal.

The whole shape is made into a blue flying dragon.

However, this blue flying dragon is not the same as an ordinary dragon.

At the position of the belly, two blue wings stretched out, each with a length of about ten meters.

The entire tank is like a huge blue flying dragon with a length of six meters and a wingspan of 20 meters.

Lifelike and extremely beautiful!

At the front of the car, there were two blue jewels full of water tank size, serving as the eyes of the blue flying dragon.

Moreover, the blue flying dragon is inlaid with a dozen gray-white floating gems.

Although the level of each piece is not particularly high, the sum of these more than a dozen pieces is an extremely impressive figure.

At the back of the tank, a huge banner was planted.

The banner was fluttering in the wind, with a huge "profit" on it.

The Li Family, one of the first-tier families in Tianlong City, is not weaker than the Shen Family.

After the floating tank stopped, a man walked slowly from above.

This man is not tall and looks quite ordinary, but he carries an unspeakable domineering!

The aura on his body is very domineering, it seems that the cultivation techniques and martial arts are biased towards this aspect.

It fits very well with his temperament.

As soon as I walked down, I felt awe-inspiring.

His eyes swept around, as if watching all sentient beings, as if, nothing was in his eyes!

Seeing this man stepping out of the car, all of the guards at the door swarmed up, with a flattering expression on his face.

One of the guards bowed his head and said, "Young Master Li, are you here?"

It turned out that this person was Li Xingyuan.

He nodded slowly, his voice deep and steady: "Has Bai Jingwan come already?"

"The white girl has arrived, and the boy saw him go in with his own eyes, about half an hour earlier than you."

The guard quickly said flatly.

"It is good!"

Li Xingyuan thoughtfully: "I heard that Bai Jingwan entered the Beidou Sword Sect to practice, and now she needs a lot of training resources."

"I'll buy some for her later!"

Thinking of this, his face suddenly showed a touch of irritability, and gritted his teeth and said cruelly: "Fuck, where did it take such trouble?"

"As long as she followed me and became my concubine, she came to my house without practicing, and she could live well in this life."

"Can I still make people bully her?"

"Yes!"

A guard next to him hurriedly agreed and said, "Bai Jingwan, I really don't know what is good or bad!"

[Chapter 3523: Mutilated Thunder Essence](#)

Li Xingyuan shook his head, did not say much, and strode forward.

When he entered this hall, he immediately attracted the attention of many people.

A lot of people came to him, and some people already said loudly, "Here is Lord Li?"

"Ha, Master Li, you are here! Come here, please."

Obviously, he is a man of the wind in Sky Dragon City, and his status is quite high.

Many people say hello to him.

Even, soon, a small circle formed around him and gathered together.

But Li Xingyuan didn't pay attention to them at all, he just said a few perfunctory words, looked far away, searching for the figure he was paying attention to.

Soon, he saw the person he was following.

But when he saw Bai Jingwan clearly, he was happy at first, and then his face became extremely cold and terrifying.

The corner of his eyes throbbed, the muscles on his face twitched, and a frantic tyrannical murderous intent flashed in his eyes.

Because, at this moment, he saw that Bai Jingwan was actually holding a tall and handsome man in white robe, and the two were talking and laughing, very intimate.

For an instant, his eyes were grim: "Fuck, who is that person? Who is it!"

"Why is Bai Jingwan so close to him! How can Bai Jingwan be so close to others? Who is that kid?"

"I'm going to kill him!"

At this moment, the killing intent in his heart surged wildly.

However, he is very human, he is the eldest son cultivated by the Yipin family, and he will inherit the family business in the future.

Soon he calmed down: "Could it be that that kid is a powerful, distinguished person? Is it that I can't afford it?"

He looked at Chen Feng and Bai Jingwan coldly.

But soon, he was relieved.

Because he saw that the robe worn by this tall and handsome man was quite ordinary and the material was unusual.

And on him, the aura is not obvious, obviously just an ordinary warrior with a low status and not strong strength!

Thinking of this, he immediately let go.

As soon as the mood was relaxed, the eyes immediately became colder and the murderous intent became more intense.

He stared at Bai Jingwan firmly: "Bai Jingwan, Bai Jingwan, you are really blind!"

"This kid, isn't he just a little taller and handsome? Except for this stinky skin, how can he compare to me?"

"It turns out that you like this pair of skin bags!"

Not to mention that he was cruel here, Chen Feng didn't even care about him, didn't even feel his gaze.

Even if he felt it, Chen Feng wouldn't care.

At this time, Chen Feng's attention was all on the blue-black blood that was sealed in the diamond-shaped gem.

He could feel the terrifying thunder power inside.

And Zhong Lingzhu was even more excited at this time. She stretched out her hands in Chen Feng's arms, trying to grab this thing.

Chen Feng hugged her and said softly: "Don't touch it!"

"You are very low now, if you touch it, you will be killed directly."

After Zhong Lingzhu listened to his words, he took his hands reluctantly.

But his eyes were staring at the blue-black blood.

Chen Feng's heart moved: "I can feel the power of the majestic thunder inside, and Zhong Lingzhu is also very concerned about it."

"Zhong Lingzhu's ancestor is Real Thunder, can it be said that this drop of blood is actually a drop of Thunder blood?"

Chen Feng was even more shocked: "If I find this thing, will it help to get rid of the luck that entangles me?"

"Will it be possible to find the murderer who slaughtered the Zhong Lingzhu family?"

The next moment, in front of his eyes, the introduction of this bloodline appeared:

"The essence and blood of a certain powerful Thunder attribute monster beast can be counted as one of the Thunder bloodlines, but it is already incomplete."

Chen Feng raised his eyebrows: "This introduction is very interesting!"

"First of all, I don't know what kind of beast's essence blood is, but it is the Thunder attribute, and it's already incomplete."

At this time, Yin Baihui and others naturally saw Li Xingyuan's arrival.

And they could see clearly, Li Xingyuan stared at Bai Jingwan and the boy in white at this time, and half of his eyes seemed to burst into flames, wishing to kill both of them.

Suddenly, their faces showed a good-looking expression.

"Sure enough, Li Xingyuan is here."

"Also, looking at Li Xingyuan's appearance, he is very angry!"

"There is a good show to watch now."

Yin Baihui smiled reserved, and at this time, suddenly, she lifted up and smiled and said: "Li Xingyuan wants to do it!"

When everyone looked at it, they saw that Li Xingyuan had already walked slowly towards Bai Jingwan and Chen Feng.

At this time, Shen Gaojie also saw Li Xingyuan.

Suddenly, a touch of flattery appeared on his face, and he rushed forward.

With a flattering face, he bowed his head and said, "Master Li, are you here too?"

He was very flattering to Li Xingyuan from the look of!

You know, Li Xingyuan is the eldest son of the dignified first-class family, and has the same status as the eldest son of the Shen family!

Although his cultivation base is far inferior to that of the Shen family, his status is not weak at all.

I don't know where it is higher than that of Shen Gaojie!

Of course, Shen Gaojie was extremely flattering to him.

Li Xingyuan was in a bad mood and didn't bother to care about him. He just nodded perfunctorily and continued to walk towards Bai Jingwan and Chen Feng.

Shen Gaojie is a very clever person. His arrogance is only manifested in those who seem to him to be far less powerful than himself.

Like when he gets along with the people of the Shen family, he is very clever, and they are very comfortable serving them.

At this time, he keenly noticed the cold and grim look on Li Xingyuan's face.

Following his gaze, he saw that his eyes fell on Bai Jingwan and Chen Feng.

He rolled his eyes around, and immediately understood what was going on.

He turned around in his heart, and immediately thought about it, "This is a great opportunity to cheat on Xingyuan!"

"If this is done for him today, I'm afraid Li Xingyuan will treat me differently in the future."

"Getting to know Li Xingyuan is also very helpful for me to enter the main line of the Shen family."

So, he immediately smiled and whispered to Li Xingyuan: "Master Li, I think you want to clean up that guy, right?"

With that, she pointed to Chen Feng.

Li Xingyuan was stunned for a moment, then glanced at him, his eyes gloomy and he didn't speak.

Shen Gaojie shivered violently, and said with a dry smile: "That kid looks like an ignorant pariah. When dealing with that kid, how can you take advantage of it?"

"You shot, didn't you dirty your hands?"

"Let the little one clean him up for you, how about?"

He was smiling, all flattering.

[Chapter 3524: I am not interested in knowing who you are!](#)

Li Xingyuan raised his eyebrows, stunned for a moment, and said in his heart: "Indeed, I am here today, and I shouldn't directly cause trouble!"

"Since someone is working for me, it's better to let him do it."

He nodded, looked at Shen Gaojie, and said coldly: "This thing is done beautifully, I have many rewards!"

"It's not beautiful, I'll scrap you!"

His deep threat made Shen Gaojie's heart tremble, and he nodded and said, "Don't worry, don't worry."

Shen Gaojie glanced at Chen Feng, wondering how to provoke him.

And at this time, he suddenly saw the incomplete drop of Thunder blood.

Suddenly, there was a movement in his heart, and suddenly he remembered what the main line of the Shen family said to him that day.

Let yourself search for the powerful blood with the Thunder attribute!

"That's a good excuse! Haha, I shouldn't be able to cheat on the eldest son and the lord this time!"

He suddenly smiled.

Although he claims to be the main line of the Shen family, he has always been very inferior in his heart.

Moreover, he was also very clear that compared with the young talents of the Shen family, in terms of strength and in all aspects, he could be said to be inferior, and there was no comparison at all.

Therefore, he was extremely flattering to the main line of the Shen family, especially the eldest son who controlled his worth!

And now, he has found a reason to provoke Chen Feng!

No, in his opinion, it should be a lesson.

It was he who found an excuse to give this kid a severe lesson.

Chen Feng was watching the drop of blood intently there, and suddenly a voice full of arrogance came from behind:

"Boy, this is what I am after, go away!"

Chen Feng was stunned for a moment, then his face became cold and he turned around.

Then I saw a person standing behind him, hanging his eyes, looking at himself with disdain.

It is Shen Gaojie!

Chen Feng frowned and said coldly: "Anything?"

"Is there something? You still ask me if I have something? Of course something!"

Shen Gaojie stared at Chen Feng with a provocative expression on his face, with an arrogant expression on his face: "I am after this thing!"

As he said, he pointed his finger at the thunder blood.

"You dare to watch here for so long, do you want to deliberately make trouble with me? Do you want to steal my things?"

He was flattering like a dog in front of Li Xingyuan just now, but now he is full of arrogance in front of Chen Feng, and the language is full of disdain.

Chen Feng frowned, and immediately understood what he meant.

"This is what we are looking for!"

At this moment, Bai Jingwan saw Li Xingyuan in the distance, she shivered all over, with a hint of fear on her face.

Chen Feng keenly noticed the change in her expression.

Chen Feng was also surprised. Although Bai Jingwan was born in a poor family and her strength was not the highest, she was extremely talented, and she was always calm and generous.

It is rare to see such a look on her face, but she did not expect it to appear at this time.

He followed Bai Jingwan's gaze and saw Li Xingyuan.

Li Xingyuan's eyes were full of jealousy at this time, jealousy like crazy!

His eyes are full of tyranny.

Chen Feng glanced at his expression, and then at Bai Jingwan's expression, he probably knew what was going on.

A smile appeared at the corner of his mouth, and he whispered to Bai Jingwan next to him: "That person likes you, doesn't he?"

When she heard Chen Feng's words, Bai Jingwan's face turned pale and panicked.

Just now, even if she saw Li Xingyuan coming, and seeing the ugly look on Li Xingyuan's face, she was only slightly afraid and scared in her heart.

But now, it is full of panic and fear!

She was afraid that Chen Feng would despise herself because of this, not wanting herself.

Bai Jingwan hurriedly explained to Chen Feng: "Brother Chen Feng, listen to me, I really have nothing to do with him!"

She was very flustered at this time, for fear that Chen Feng would misunderstand herself.

Thinking of the scene where Chen Feng misunderstood her, she felt extremely tortured, as if being eaten by countless poisonous insects, it was extremely difficult to suffer.

She was most concerned about Chen Feng at this time, and what she was most afraid of was Chen Feng's misunderstanding.

At this time, hearing Bai Jingwan's explanation to this young man in such anxious and flustered manner, Li Xingyuan was even more angry, and his eyes flashed with jealousy.

He hates it!

He is jealous!

Bai Jingwan has always been scornful to herself, she has kept hinting to her over the years, showing her kindness, and constantly exerting pressure on her through the people around him, but she is not moved at all.

At this time, she was explaining to such a shabby kid who looked mediocre and unremarkable.

If you care about him so much, how can you not make him jealous?

"Well, needless to say, I understand your thoughts!"

Chen Feng looked at Bai Jingwan, smiled and said, "You must look down on this kind of person."

His voice was faint, as if he was stating a fact.

But the words Chen Feng said caused an uproar in this hall!

At this time, many people were watching here, looking at Chen Feng and others, with an expression of watching the show.

And Chen Feng's words made the crowd quiet for a moment.

The next moment, there was a burst of laughter.

"Haha, what did this kid say? He actually said Bai Jingwan didn't like Li Xingyuan? Why did he say that?"

"Bai Jingwan and Li Xingyuan's status are far apart. He is a pariah, how can he be qualified to say such things?"

"Besides, if I don't like Li Xingyuan, can I see him? Who does he think he is?"

Everyone talked a lot, Yin Baihui sneered with disdain at the corner of his mouth, and shook his head:

"This person Bai Jingwan knows really has an empty skin!"

"Not only is the strength low, the lack of knowledge, love takes advantage, but also the arrogant and arrogant to say such things."

Everyone scorned.

Only Gui Qingwen knew that Chen Feng was certainly qualified to say such a thing.

At this time, Li Xingyuan was stunned for a while, and then furious.

He stared at Chen Feng and said viciously, "Boy, do you know who I am? How dare you humiliate me?"

Chen Feng looked at him and said lightly: "I am not interested in knowing who you are!"

Hearing this, Shen Gaojie jumped up like a rabbit shot by an arrow, and pointed at Chen Feng leaping and cursing:

"You untouchable, how dare you speak to Lord Li like this?"

"Quickly kneel down and apologize to Master Li, otherwise, I will abolish you now!"

At this moment, he was suddenly pushed aside by a big hand.

Then, Li Xingyuan walked to him, very close to Chen Feng, and stared at Chen Feng so hard, his eyes were extremely cold: "I'm not interested in knowing who I am?"

He stared at Chen Feng, his face became savage to the extreme, and even the flesh on his face jumped:

[Chapter 3525: Just rely on it?](#)

"You dare to say something like this to me, are you qualified?"

"Do you have this face?"

"Do you deserve it?"

When he said the last sentence, it turned into a roar.

The meaning of anger is almost bursting!

At this time, Chen Feng was indifferent and ignored him.

Li Xingyuan smiled coldly, turned around and walked back, and commanded loudly without looking back:

"Shen Gaojie, go, kill this kid!"

Shen Gaojie laughed and said loudly, "Okay! I'm going to kill this kid!"

His voice was full of certainty.

In fact, both of them have the same voice.

In their opinion, as long as Shen Gaojie did it, Chen Feng could be easily slaughtered without any suspense.

They didn't pay attention to Chen Feng at all.

Chen Feng smiled coldly, Shen Gaojie's thoughts, he could see clearly, it was clear that he wanted to cheer Li Xingyuan by suppressing himself.

He showed a sneer: "I'm treated as a soft persimmon, can you pinch it casually?"

A cold light flashed in his eyes: "I will let you know, what price you have to pay if you offend me Chen Feng!"

At this time, Shen Gaojie was already a loud roar.

Suddenly, behind him, a huge thunder mark appeared with a boom!

This thunder mark is as large as several tens of meters in radius, and it appears behind him like a huge screen!

Then, the huge thunder and lightning mark slammed into his body.

In the next moment, a bright white and blue color appeared on his body.

Then, the white and blue colors spread.

Suddenly, scoffed, countless lightning and thunder appeared around his body.

Then, behind his body, the lightning mark reappeared.

However, it is much smaller than before, only five or six meters in size.

This thunder and lightning mark was a little faint, faint, it seemed to be some kind of bird monster, but it was not so clear.

Seeing this scene, everyone exclaimed.

"Shen Gaojie has used his powerful hole cards!"

"Yeah, Shen Gaojie used his thunder power. I heard that his thunder power comes from blood. It is extremely powerful!"

"Haha, this time, this boy in white clothes is afraid that he will be killed alive!"

"Yes, why did he dare to offend Li Xingyuan because he was so arrogant? He won't be wronged if he died!"

Everyone talked a lot.

Shen Gaojie hadn't shot yet, in their opinion, Chen Feng was already bound to die.

Yin Baihui hugged her arms and sneered beside her.

Her eyes fell on Bai Jingwan's face, full of sarcasm, as if to ridicule her that she was blind and found such a man.

But Bai Jingwan was extremely indifferent at this time, and suddenly she disappeared.

Because she knew that Chen Feng would definitely win.

Shen Gaojie laughed wildly: "Boy, I will cleave you alive into a piece of coke in the next moment!"

Then, his arms shook.

Immediately, in his body, countless lightning forces gathered.

In front of him, a huge thunderbolt of more than ten meters long formed.

Li Xingyuan looked behind him and nodded slowly.

Although Shen Gaojie is a lot of nonsense, he is still safe in doing things.

The goshawk fights the rabbit and does his best.

"Shen Gaojie is using all his power, he looks too high at this kid in white."

"Haha, what do you know? Shen Gaojie just fell in love with Li Xingyuan and wants to perform well in front of his new master! How can he not try his best?"

"Yes, it's the truth."

"Oh, it's a pity, this boy in white will be cut into coke directly!"

The next moment, with Shen Gaojie's roar, the huge branch-like lightning slashed towards Chen Feng fiercely!

At this moment, when the lightning struck out, Chen Feng's heart suddenly moved.

Because he felt a hint of thunder from above.

Although the power of the two is far apart, there is a slight similarity.

Suddenly, he knew it in his heart.

"It seems that the Shen family is indeed related to the real person Lei Ting at the beginning, and it definitely has a deep relationship with Zhong Lingzhu."

As the lightning struck Chen Feng fiercely, many people's faces were already showing a certain look.

Because in their opinion, the boy in white is already a dead person.

This lightning strikes, he will undoubtedly die.

Many people are already looking forward to it, waiting to see Chen Feng turn into a coke.

But the next moment, suddenly, everyone was stunned, stunned!

And the sound of Shen Gaojie's haha laughter suddenly solidified on his face, turning into a touch of extreme consternation!

The next moment, there was a panic shout: "How is it possible?"

Following his roar, everyone was shocked and all looked at Chen Feng blankly.

Yin Baihui was originally shaking the wine glass in her hand, and his face was calm and calm.

At this time, his face was frozen, his face was filled with disbelief.

It turned out that at that moment, when that huge branch of lightning was about to fall on Chen Feng, Chen Feng did nothing.

He just rubbed his index finger and thumb lightly.

So, in the next moment, the lightning suddenly diminished silently, turning into a pocket lightning the size of a finger!

It fell on Chen Feng's fingertips!

Chen Feng turned his fingers, playing with the little thunder that jumped between his fingers.

In the suffocating, terrifying, and shocking gaze of everyone, he slowly raised his head and looked at Shen Gaojie.

Shen Gaojie was completely stupid at this time. He stayed there, just looking at Chen Feng and muttering: "How is it possible? How is it possible?"

Chen Feng looked at him and smiled slightly:

"You plan to use this thing to kill me?"

"Just want to use it to chop me into a piece of coke?"

"Just rely on it?"

Hearing Chen Feng's words, Shen Gaojie seemed to be awakened and suddenly recovered.

He let out an incredulous shout: "How is it possible? How can you be!"

"This is a flash of lightning that I concentrated all my strength! How could you easily take it? How could it be!"

He didn't want to believe all this.

But unfortunately, this is the fact!

"How is it possible? How can it be impossible!"

At this time, the faint smile on Chen Feng's face suddenly disappeared, turning into a hint of coldness.

Looking at Shen Gaojie, he smiled and said, "Shen Gaojie, you think you have a good lightening game, don't you?"

Shen Gaojie nodded instinctively.

He has not recovered from the extreme shock.

At this time, Chen Feng suddenly sneered: "I will show you what is called real lightning play!"

[Chapter 3526: What if it doesn't give you face?](#)

"You are here lightning, what are you?"

In the next moment, Chen Feng pinched two fingers.

With a snap, this terrifying lightning was directly crushed.

Then, the next moment, behind him, a golden lightning **** suddenly appeared!

As soon as this golden lightning spirit appeared, everyone cried out.

It turned out that they felt very clearly that an extremely terrifying power flashed above the golden lightning gods.

This force is extremely vast, scary of high level, scary of pure quality!

As soon as they appeared, it gave them a feeling of extreme terror.

It seems that if you touch it, you will be completely wiped out!

Everyone exclaimed: "What is this?"

"God, this boy in white also has the power of lightning!"

"Yes, and the power of his lightning is many times stronger than that of Shen Gaojie!"

At the next moment, Chen Feng waved his hand, and this golden lightning spirit slashed away at Shen Gaojie.

Immediately, Shen Gaojie felt that a powerful and devastating force enveloped himself!

He felt that in the next moment, he was going to be wiped out into nothingness!

You know, Chen Feng's power can kill even a strong man in the Emperor Martial Realm.

What is he?

With extreme fear on his face, he turned to run.

But how can it run?

A sneer appeared at the corner of Chen Feng's mouth: "Want to run? Can you run away?"

He screamed wildly and sternly, and quickly took out a magic weapon similar to a protective mirror from his arms and blocked it in front of him.

Suddenly, the golden lightning **** smashed on the heart-guard!

Cleave this protective mirror directly to pieces.

And this heart-protecting mirror just canceled out part of the power of the golden lightning gods, and the remaining power slammed on him fiercely!

Suddenly, the power of terrifying golden lightning penetrated into his body, invading every part of his body!

He let out a stern scream, trembling like sieve chaff, wow, a big mouthful of blood spurted out.

On the body, countless wounds burst open!

A huge amount of blood poured out from inside, and instantly dyed him blood red!

He fell directly to the ground, without any strength on his body, and let out a stern and miserable howl that resounded throughout the hall.

In this hall, it was extremely quiet at this time.

"This is impossible!"

Everyone stared blankly at him who was lying on the ground screaming, and then looked at Chen Feng.

At this time, their gazes were not as high as before.

Instead, there is a trace of awe.

"This boy in white clothes is so strong!"

"Yes, that heart-guard should be the same magic weapon! The defensive power is very strong, but it was easily shattered and severely injured him!"

At this moment, they had already unconsciously changed the name of the contemptuous "boy in white" to the current "youth in white"!

Shen Gaojie was screaming there, and suddenly, his screaming stopped abruptly.

It turned out that he saw a pair of feet in front of him.

He looked up and saw the white clothes and the sneer face of the white boy.

Suddenly, he shivered violently.

Forgot to even scream and looked at Chen Feng blankly.

Chen Feng looked at him, smiled and said, "Call, keep calling!"

"I want to see if you scream, will I feel pity for it and spare you my life!"

Shen Gaojie showed extreme fear in his eyes at this time.

Just now, at the moment Chen Feng took the shot, he realized that his family and his background are meaningless to this person!

Just now, he clearly wanted to kill himself, without any scruples!

"He really wants to kill me!"

His heart trembled instantly because of the emergence of this thought!

Suddenly, he knelt down on his knees, kowtow to Chen Feng, and said with a trembling: "Please, please don't kill me!"

At this time, the woman next to Shen Gaojie, the woman who had been disdainful of Chen Feng before, showed extreme fear on her face.

First was astonishment, then shocked, and then extreme fear.

Because she suddenly thought of the words she had mocked the white youth before.

She suddenly thought of her previous offense to him, and she was terrified to the extreme. She also knelt on the ground with her legs weakened, and kowtow to Chen Feng.

Her lips trembled, and she couldn't say a word.

Chen Feng didn't even care about the woman, but looked at Shen Gaojie, smiled and said:

"Just now, you wanted to kill me."

"You want to kill me, but now you let me spare your life? Do you think..."

He paused, and slowly uttered three words: "Is it possible?"

The next moment, he took a palm shot.

At this time, Shen Gaojie had a look of despair on his face. He even forgot to struggle, even to beg for mercy. He just knelt there and cried, closed his eyes and waited for death.

Because he knows that no one can save himself!

At this moment, Li Xingyuan came out with a violent roar: "Give me face and spare his life!"

Everyone was shocked and looked at Li Xingyuan.

Li Xingyuan's face was cold at this time, and his lips were pursed!

Everyone's faces were filled with astonishment. When Li Xingyuan said this, he was already a bit submissive!

"Since he said 'give him a face' instead of 'do you dare to kill?' such threats, he has already bowed his head a little!"

"It seems that the powerful strength of this young man in white clothes makes him have to lower his attitude."

"Yes, exactly!"

Li Xingyuan's face was hot when he heard what everyone said.

He was as arrogant as he was just now, but now he is somewhat subdued, so he was severely slapped in the face, which made him lose face.

But he had to!

The powerful strength that Chen Feng showed just now made him extremely shocked.

He asked himself and he was not sure of winning the opponent.

And Shen Gaojie is the one who just showed him the intention of surrender.

If he is not saved, who will dare to follow him in the future?

Therefore, after weighing, he chose such a soft but hard sentence.

Hearing these words, Chen Feng's body suddenly stopped slightly.

When everyone saw this, they exclaimed: "This boy in white clothes might let Shen Gaojie go."

"Yes, it will give Li Xingyuan a face!"

"Yes, Li Xingyuan's identity is here after all!"

And the next moment, his face suddenly became shocked again.

The boy in white has slapped them countless times today, and now, he has slapped them again.

It turned out that Chen Feng only stagnated for a while, and then that right hand fell fiercely again!

At this time, Shen Gaojie had just shown a look of hope, and the next moment, this color of hope turned into despair!

A palm falls!

His whole body trembled violently, his face turned gray in an instant, and his eyes became godless.

He raised his head and looked at Chen Feng, Nan Nan said: "You, why are you..."

"You don't need to know why."

Chen Feng looked at him and smiled slightly.

Then, the hand gently brushed his face, making him close his eyes.

The next moment, Chen Feng turned around, looked at Li Xingyuan, smiled and said, "What if I don't give you face?"

I don't give you face, so what?

[Chapter 3527: Flame troll **** Yuan battle body!](#)

As soon as this sentence was said, everyone was shocked.

There was an uproar in the hall!

They looked at Chen Feng and sighed: "This boy in white clothes is really so domineering!"

"That's right! He's just like hitting Li Xingyuan's face fiercely!"

"Li Xingyuan asked him to give himself a face, but he didn't give the slightest face. Not only did he not give the slightest face, but after listening to Li Xingyuan's words, he didn't hesitate to kill Shen Gaojie with a palm. !"

"Haha! He is hitting Li Xingyuan's face fiercely!"

"Li Xingyuan is also domineering, but that is superficial domineering, and this white-clothed boy, who looks like a gentleman, is really domineering in his bones!"

They looked at Chen Feng with more admiration.

but. However, some people sneered with a weird yin and yang: "No matter how powerful this young man in white clothes is, is he more powerful than Li Xingyuan? No matter how powerful he is, is he bigger than the first-tier family behind Li Xingyuan?"

"He dared to offend Li Xingyuan in this way.

The voice was very sharp, with a strong resentment, but it was the voice of a woman.

Everyone turned their heads and looked around, only to see that the person speaking was Yin Baihui.

Quite a few people showed a look of surprise on their faces: "Why did Yin Baihui speak suddenly at this time? Could it be that he had a little holiday with this boy in white?"

But at this moment, Yin Baihui's face was cold and hatred burst into his eyes, staring fiercely at Bai Jingwan and the boy in white.

What Yin Baihui said was praised by many people.

"Yes, Mrs. Yin is right. Even if he has such a strength, he can kill Shen Gaojie, but will he be better than Li Xingyuan?"

"Furthermore, even if he is really stronger than Li Xingyuan, Li Xingyuan can also use the first-grade family behind him to crush him!"

"Yes, his strength is definitely not as good as Li Xingyuan, otherwise we might not have heard of it!"

Li Xingyuan's face was ugly to the extreme.

Just now, after hearing his words, Chen Feng still killed Shen Gaojie, which was tantamount to throwing a big eared photon on his face.

And then, he asked him that sentence: "What if I don't give you face?"

It is the second big slap in the face!

These two big slaps directly slapped him faceless, and it can be said that he was completely ashamed in front of everyone.

He looked very ugly, and pointed at Chen Feng with his finger, saying every word:

"Good, good, good!"

At this time, the people around him and the words that praised him also caused his arrogance that had been suppressed to rise in an instant.

A voice echoed in his heart: "Yeah, what am I afraid of?"

"No matter how strong he is, is he stronger than me?"

"What's more, there is a Yipin family behind me!"

"How good is he, where is he qualified to be compared with me? If he dares to offend me, I will kill him!"

He stared at Chen Feng and said word by word: "Untouchables, I have seen a lot of untouchables like you."

"With some strength, it is arrogant. Today I want to teach you a lesson!"

Chen Feng smiled and said, "I don't know, how do you want to teach me?"

"How to teach you?"

Li Xingyuan let out a sneer, and suddenly opened his arms and let out a frantic roar.

His aura increased crazily, and in a blink of an eye, he actually reached the peak of the One-Star Martial Emperor!

"One-star Wudi Peak!"

Everyone exclaimed: "Li Xingyuan's strength has broken through to the peak of a one-star Wudi silently?"

"Yes! I heard that his strength didn't even enter the Martial Emperor Realm. It's no wonder he didn't see a trace in the past few months. It turned out to be a retreat and breakthrough."

"It's amazing. At this age, he has broken through to the peak of the One-Star Martial Emperor. Among the younger generation of Sky Dragon City, he can definitely be regarded as the top powerhouse."

"Really amazing! This time, that untouchable can definitely be Li Xingyuan's opponent!" **nOVElus.com**

"Yes, Li Xingyuan is a one-star martial emperor peak powerhouse, crushing him is more than enough!"

Everyone looked at Li Xingyuan's gaze, filled with wonder.

The powerful strength that Li Xingyuan revealed shocked everyone.

Yin Baihui giggled triumphantly: "Master Li, kill this untouchable!"

"How dare he insult you? Damn it!"

Li Xingyuan glanced at Yin Baihui, and a touch of greed suddenly burst into his eyes.

Although Yin Baihui was a widow, her appearance was extremely gorgeous and pretty, she was very attractive, she was like a ripe peach.

He also made bad ideas more than once.

At this moment, seeing Yin Baihui showing his favor to himself, he laughed, even more proud, and said loudly: "Don't worry, I will kill this untouchable!"

He looked at Chen Feng and said triumphantly: "Boy, have you seen it?"

"I am a dignified one-star martial emperor pinnacle, do you deserve to be compared with me?"

His face was arrogant.

Chen Feng shook his head, with a sneer at the corner of his mouth, Li didn't bother to pay attention to him.

It's just a mere one-star martial emperor's peak. Chen Feng had already beheaded for an unknown number of times, so he was worthy to call him here?

Seeing Chen Feng's indifferent expression, Li Xingyuan felt even more humiliated.

He let out a violent roar, and immediately, the power of endless flames surged from him.

Everyone felt an unspeakable scorching heat, the heat wave rolled in, and the air was distorted by the burning.

A red flame power burst out, and soon after Li Xingyuan's body, it condensed into a huge flame demon!

This flame demon has a distorted body, an extremely sordid face, and two long horns on his head.

The four hooves are like the hooves of cattle and sheep, reaching a height of seven or eight meters.

The whole body is made up of flames and endless hot magma.

As soon as it appeared, the entire hall was filled with fire and steam.

Many people who grilled have dry complexion, and even felt that their skin was cracking!

The exclamation of everyone was even louder: "Fire troll?"

"This is Li Xingyuan's family, the flame troll god-level battle body that has been passed down for thousands of years! I didn't expect Li Xingyuan to understand it now!"

"I heard that their family's youngest comprehension of the flame troll god-level battle body record is seventy-six years old!"

"And he actually understands it now!"

"Genius, worthy of a genius!"

"With the appearance of this flame troll, it is even easier for him to kill this young man in white!"

Yin Baihui chuckled at this moment: "Young Master Li, is this too fussing?"

"Kill this little bunny, slap him and destroy him, do you need to use the flame troll?"

Obviously, she was not the first to think so, everyone said so.

In their opinion, to kill Chen Feng, there is no need to use the flame troll.

[Chapter 3528: Just do you have a magical body?](#)

Li Xingyuan smiled slightly, a hint of reserved arrogance appeared on his face: "Goshawk fights rabbits, use all your strength!"

"Although my strength is far better than him, but I want to kill him with one move!"

Smiles appeared on everyone's faces.

Yin Baihui praised: "Young Master Li is brilliant."

Everyone's eyes were indifferent.

In their opinion, this young man in white is already a dead person.

In the next moment, Li Xingyuan could easily kill him.

Li Xingyuan turned his head to stare at Chen Feng, his eyes extremely arrogant, as if he was looking down at an ant.

Then, with his thoughts, the flame troll behind him suddenly. He gave out a hoarse and low roar, extremely hideous.

Then, the overwhelming momentum pressed down against Chen Feng fiercely.

Not far from the side, many people were crushed and shivered, spurting blood, and quickly backed away in shock!

"Boy, have you seen my flame power originating in my blood?"

"Have you seen my incomparable power of thunder?"

Li Xingyuan laughed triumphantly.

"Oh? Very powerful?"

Chen Feng looked at him, picking the corners of his mouth: "Just your little strength is also worthy of being extremely powerful?"

Hearing these words, the complacency on Li Xingyuan's face immediately froze.

Then, it turned into a trace of extreme rage.

He shouted frantically: "Then I will let you see and see, and I will let you use your life to see and see, am I incomparably powerful after all!"

Following his violent roar, behind him, the flame troll rushed towards Chen Feng frantically.

A powerful coercion was severely depressed, and everyone's faces showed mockery!

"This boy in white clothes is still stiff mouth until this time."

"Yes, he even dared to dismiss Li Xingyuan?"

Yin Baihui sneered and said: "I can see that this kid in white is just a slapstick."

"If you don't have any strength, you will be talking about it here."

"Yes!"

The women under her all echoed loudly.

Only Gui Qingwen had cold eyes and said nothing.

However, in the deepest part of the eyes, there was a trace of intense eager worship, looking at Chen Feng as if looking at the gods that day.

And at this moment, when everyone laughed.

At this moment, Chen Feng turned around and smiled slightly: "Just do you have a battle body of the gods?"

At the next moment, a mocking smile was outlined at the corner of Chen Feng's mouth!

Then, behind him, the battle body of the stepped idol suddenly appeared!

The idol war body appeared, looking up to the sky and let out a magnificent neigh, as if to tear the sky apart.

In an instant, the roar of the flame troll opposite was suppressed!

When everyone saw this scene, the smiles on their faces could not dissipate in the future, and they had already turned into a touch of extreme shock.

They pointed to Chen Feng's back, their faces blankly, and they trembled: "This, this is, this is also the battle body of the gods?"

"Moreover, it seems that his Shenyuan combat body is so powerful!"

Everyone was stupid.

Li Xingyuan seemed to be slapped in the face severely, his face was ugly.

The whole person stood there stupidly, tremblingly: "How is it possible? How is it possible?"

At the next moment, Chen Feng suddenly looked at him and smiled slightly, that smile was full of sarcasm and disdain.

After that, the godlike battle body behind him raised his nose and let out a long cry.

The right front hoof was lightly stepped on, just like that, a strong wave, and it slammed the opposite flame troll!

The flame troll on the opposite side, originally flaunting his might, roared loudly.

But after being exposed to this power, it suddenly became solidified.

In his emotions, he revealed endless fear, and turned around and wanted to escape.

But where can I escape?

With a loud bang, this force was severely suppressed!

The flame troll let out a miserable scream, and with a bang, its body exploded directly, turning into countless fragments and disappearing.

Flame troll **** Yuan battle body!

Li Xingyuan's flame troll **** yuan battle body was actually beaten to pieces by Chen Feng's heavenly idol battle body!

Just one kick!

As his Shenyuan battle body was crushed, Li Xingyuan let out a scream, like being hit hard, spurting blood.

His body fell heavily to the ground, wow, wow, spurted blood, his face was extremely pale, and his momentum dropped sharply.

Suddenly, he was seriously injured and dying!

Everyone came back to their senses at this time.

The sound of exclamation burst like a sea wave!

"This young man in white clothes actually also has a battle body of the gods? Moreover, his battle body of the gods is so powerful!"

"Yes, it looks stronger than the flame troll, I don't know how much!"

"Yeah! Just lightly stepped on, without any decent attack, it crushed the flame troll!"

"so horrible!"

Someone trembled in a groaning tone: "What is the origin of this boy in white clothes? How can he be so tyrannical? So terrifying?" *η0VeuS&.cOm*

Li Xingyuan was also completely stupid there.

At this time, Chen Feng ignored him, just looked at Yin Baihui next to him.

Yin Baihui's face turned pale at this time.

She just yelled so much, and now she was slapped fiercely by Chen Feng with facts.

Suddenly, there was no face left, and there was a daze, unable to speak.

Chen Feng looked at her, smiled and said, "I don't know who you are, and I have never met you."

"You've been clamoring there just now, you're so happy!"

"just now....."

Chen Feng stretched out his hand, slapped twice in the air, and said with a smile: "Does the face hurt, does the face hurt by me?"

In an instant, Yin Baihui's complexion was flushed and he couldn't wait to find a place to sew in!

Beside him, many women were dumbfounded, unable to say a word.

Only Gui Qingwen showed a smile on his face at this time.

Then, Chen Feng didn't even look at Yin Baihui, his eyes turned to Li Xingyuan.

Chen Feng looked at Li Xingyuan, raised his eyebrows and smiled: "I just said that I am not interested in what your identity is, what is my origin."

"What? Is there a problem?"

He paused, looked at Li Xingyuan, and said word by word: "You tell me, do I have this qualification!"

"Tell me, do I have this face!"

"Tell me, do I deserve it or not!"

Silence, a dead silence!

The silence in the entire hall was extremely silent.

Li Xingyuan sat there blankly, his face flushed with blue.

He knew that he was completely ashamed today and lost his share!

And if you don't want to try to save this face, then you won't be able to gain a foothold in this Heavenly Dragon City in the future.

Wherever you go, you will be mentioned today.

[Chapter 3529: Call my cousin!](#)

His mind was spinning rapidly, and suddenly, a flash of hope flashed in his eyes.

He suddenly thought of someone, someone who could help him come back.

As a result, the frustration, fear, shock, and even despair on his face disappeared!

Instead, there was a strong bit of bitterness.

Staring at Chen Feng, he said coldly, "Boy, don't leave if you have the courage!"

"You wait for me, I'll call someone to clean you up later!"

"Okay!"

A ridiculous smile appeared at the corner of Chen Feng's mouth: "Go, just go."

"Let me see who you can call over."

"Who can I call here?"

Li Xingyuan said grimly: "You wait for me, I'll call my cousin Luo Honghua!"

"What? Luo Honghua?"

Hearing this name, everyone whispered.

"Luo Honghua, I heard that he is Lan Zihan's subordinate. In the future, Lan Zihan intends to let him take over as the general."

"Yes, his strength has reached the peak of the second-star Wudi, and he is Lan Zihan's right-hand man and is extremely popular."

"Hi, you are all outdated news!"

Someone triumphantly said: "As far as I know, he broke into the realm of the three-star martial emperor just a few days ago, and his strength is extremely terrifying."

"What? Samsung Wudi?"

When everyone heard it, it was even more shocking.

Some people who had hope for Chen Feng just now were completely hopeless.

"If Luo Honghua is the pinnacle of the two-star Wudi, this young man in white may still have the power to fight."

"But he is a three-star Wudi, then this boy in white is over!":

"Yes, he must die! No matter what, Luo Honghua's opponent is impossible!"

Li Xingyuan was even more proud to hear the praise from everyone, and laughed: "Boy, are you afraid?"

"Hear my cousin Luo Honghua's name, are you scared!"

Chen Feng shook his head, a look of impatience flashed across his face, and suddenly kicked out.

It directly kicked Li Xingyuan from here to the gate and flew out for a full kilometer.

He landed heavily on the ground, spurting blood, feeling as if his bones were about to be broken, his whole body was extremely painful, blood gushing out, and he became a blood man!

Kicked him directly from a serious injury to a serious injury near death.

Chen Feng looked at him and said lazily: "Where is there so much nonsense? Get out!"

The look that Li Xingyuan had just recovered, suddenly turned red again.

The arrogance on his face was completely shattered.

He knew that he lost face again.

He stared at Chen Feng bitterly, and nodded: "Okay, you wait for me!"

As he left, everyone was talking, looking at Chen Feng, they were all whispering there.

Many people even looked at Chen Feng with a touch of sympathy on their faces.

Just now, Chen Feng had already conquered many of them with his intrepid strength, and it would be a pity for many to feel that such a young man died just now.

"After Luo Honghua arrives, Chen Feng is afraid that he will definitely die."

"Yes, although he is not very old, he is a master who has been famous for a long time. It is no problem that his strength crushes this young man!"

However, Chen Feng simply ignored it.

He had never heard of Luo Honghua in this area, and he would not take it seriously.

Chen Feng just continued to observe the blood of thunder.

After watching it for a while, he sighed softly and whispered to Zhong Lingzhu: "Can I feel a familiar and cordial message from it?"

Zhong Lingzhu nodded.

Chen Feng's thoughts flowed: "Just now, I also felt a little breath from Shen Gaojie."

"This Shen Gaojie is a branch of the Shen family, but there is such a breath, which shows that the Shen family is afraid that it was related to the real person Lei Ting at the beginning!"

"I'm afraid that the collapse of Zhong Lingzhu's family was inseparable from the Shen family!"

Chen Feng has already made his thoughts clear.

Then, he held Zhong Lingzhu again and looked at other things.

The incomplete Thunder Essence was already regarded by Chen Feng as his own item, and he must take it away.

There are countless rare treasures here, Chen Feng, Bai Jingwan, and Zhong Lingzhu, chatting and laughing while picking up their favorites.

In the hall, everyone looked at Chen Feng with strange eyes.

There is even more awe in it.

When many people saw him coming, they all gave way to him.

And seeing Bai Jingwan and Chen Feng so close, Yin Baihui's eyes burst into the ultimate jealousy.

Just now, Chen Feng slapped her fiercely in front of everyone, leaving him faceless.

She even hated Bai Jingwan to the extreme.

But she didn't even notice it, and in the spiteful gaze, there was a trace of unspeakable jealousy.

At this time, the door opened, and dozens of guards poured in from outside.

Chen Feng glanced at them, with a thick sneer at the corner of his mouth: "These people really come at a good time."

"When there was a conflict before, I didn't even see the shadow!"

Chen Feng's eyes were mocking cold, with a hint of murderous intent.

After the guards came into contact with his eyes, they were all cold in their hearts, and they hurriedly smiled as if to please.

Of course they realized at this time that the suspicion they had before waiting for him was that they looked down upon others.

This person has very terrifying strength.

But now, the remedy is too late.

They just hope that they will never offend this young man again! novelusb.com

You know, their commander went to find the key figures in the chamber of commerce to please and inform them.

The man thought he had found a pariah who had stolen invitations and mixed in, but he did not expect that this might be a great offense to the strong man.

At this time, everyone is looking around, seeming to be looking at the various treasures in front of them, but where are they in the mood to look at these treasures seriously?

Everyone's eyes drifted from Chen Feng's face from time to time.

They are all looking forward to the next good show.

The good show did not keep everyone waiting.

Soon, a voice came from outside the hall: "Cousin is here, and the untouchable who humiliated me is inside."

When everyone listened, they were all refreshed.

They all heard it. This was Luo Honghua's voice.

"Here, Luo Honghua is here."

Everyone looked towards the door of the hall.

The next moment, they heard a majestic voice: "Really? Take me to see!"

At the next moment, everyone saw that two people walked in at the entrance of the hall.

It was Luo Honghua who walked ahead.

Behind him is a burly middle-aged man.

This burly middle-aged man is extremely strong, and his body is wide like a door panel.

His waist is straight and looks extremely domineering.

[Chapter 3530: The villain kowtowed to Young Master Chen!](#)

And matched with it is his tyrannical strength.

As soon as he entered, everyone felt that a mighty force like the ocean poured into this hall.

Let everyone feel, breathing can't help but stagnate, and the whole body is shocked.

Everyone uttered a low exclamation, looking at this person with awe expressions on their faces.

"This is Luo Honghua!"

"Yeah, this is Luo Honghua, Li Xingyuan's cousin, a dignified three-star Wudi strong!"

"It's terrifying, worthy of being a Samsung Martial Emperor, a powerful force like a prison like a sea!"

Everyone was shocked by Luo Honghua's tyrannical strength.

After Li Xingyuan came in, the bitter gaze looked around and soon fell on Chen Feng's face.

He looked at Chen Feng and sneered: "Little bastard, you haven't left yet? Okay, brave enough! I'll let my cousin kill you!"

The next moment, he turned to look at Luo Honghua, and said loudly: "Cousin, that's him!"

He pointed at Chen Feng and screamed sternly: "It's because he humiliated me, you must be the master for me!"

Then, he turned his head, looked at Chen Feng, and let out a triumphant but bitter laugh:

"Boy, you are going to die soon, my cousin will tear you to pieces!"

Luo Honghua also yelled very arrogantly: "Which **** dare to offend you? Ah? I just bombed him to the scum!"

As soon as his voice fell, a cold voice sounded: "Who are you going to kill to the dregs?"

It was Chen Feng who spoke.

He slowly walked to this side and walked in front of Li Xingyuan and Luo Honghua.

Li Xingyuan jumped and pointed at Chen Feng and shouted: "Of course I will kill you to the scum!"

He screamed wildly.

But he only cared about screaming, so that he didn't notice at all, the look on Luo Honghua's face had changed at this time.

The indifference and arrogance from the beginning turned into surprise.

Then, it became a shock!

Then, it is a piece of iron, it is hard to see the extreme!

At the same time, there was a trace of fear in the eyes!

Li Xingyuan was still there laughing and screaming, and suddenly, the sound stopped abruptly, turned into a scream, and fell heavily to the ground.

It turned out that Luo Honghua had already slapped him on the face and slapped him on the ground.

He was completely blindfolded, then he covered his face, looked at Luo Honghua blankly and asked: "Cousin, you, what are you doing?"

Not only him, everyone was stunned.

"What is Luo Honghua doing? Why did he hit Li Xingyuan suddenly?"

The next moment, a scene that shocked everyone appeared!

Luo Honghua actually strode forward and came to Chen Feng, his body bends down deeply, with a flattering smile on his face:

"Master Chen Feng, why are you here?"

Master Chen Feng!

These four words came out from his mouth, and the flattering smile appeared on his face. Everyone felt like they had been punched in the face!

Where is the whole stupid!

There was only one voice in their hearts answering: "Master Chen Feng? Is he Chen Feng? Is he Chen Feng of the Xuanyuan family?"

"Chen Feng!"

Hearing these two words, there was a moment of silence in the hall.

Then, in the next moment, there was a huge exclamation.

And Chen Feng ignored their reactions at all, just looked at Luo Honghua with a sneered smile, and said lightly:

"Luo Honghua, if I heard correctly just now, you seem to say you want to kill me to scum?"

Hearing these words, in an instant, the sweat on Luo Honghua's forehead fell.

Chen Feng looked at him and repeated what he said just now: "Luo Honghua, I ask you, who are you going to kill to the scum?"

Luo Honghua felt the fear and regret in his heart, rushing like a sea wave crazily.

A voice echoed in his heart: "Fuck, Luo Honghua, you are really blind!"

"What did you shout like that? You actually offended him. Can you afford to offend him?"

"You offended him, let alone become a general in the future, you will become a general, I am afraid that you will not have a foothold in this Heavenly Dragon City!"

Thinking of this scene, he was already shaking slightly.

At this time, Chen Feng's icy voice once again remembered: "What about you, who do you want to kill?"

Luo Honghua shivered violently, and these words directly made him sober.

He realized immediately. I must make up for the price brought by the sentence just now.

He was also able to bend and stretch to the world, and immediately gritted his teeth, and then in the eyes of everyone who could not believe it, he actually took two steps forward.

The next moment, a scene that made everyone dumbfounded appeared!

I saw that Luo Honghua strode forward and came to Chen Feng.

Then, it turned out that the thumping sound directly knelt to the ground, slammed his head towards Chen Feng with a bang, and said loudly: "The villain is blinded by the dog's eyes, and the villain has knocked his head on Master Chen!"

"Please, don't pursue the **** that the villain just put away!"

His action directly awakened all those who were in shock.

No, it should be said that it caused them to fall into a more terrifying shock.

Luo Honghua actually kowtow to Chen Feng!

"God, Luo Honghua is a dignified three-star martial emperor!"

"He actually kowtows to Chen Feng, it's terrifying!"

"How strong is this Chen Feng? How terrible is it? Luo Honghua would not hesitate to apologize to him by kowtow?"

Hearing these sounds of exclamation, Luo Honghua's face also felt hot for a while and lost face.

It turned out that Luo Honghua was very fond of Lan Zihan.

And he had met Chen Feng several times. Not only did he know that Chen Feng was strong, it was comparable to the strength of the peak power of the Samsung Emperor Wudi, but he also knew very well that Lan Zihan and even General Yu Pu Xingzhou regarded Chen Feng extremely highly. .

Even Lan Zihan was flattering to him.*novelUSb.com*

How dare he offend Chen Feng?

How dare he not indulge in Chen Feng?

He had a thought in his mind at the same time: "If I fawn on Chen Feng, and he can speak for me in front of Lan Zihan and even the general, wouldn't it be logical for me to take over as the middle general?"

"Even in the future, taking over as a general is not without hope!"

With such eagerness in his heart, it is no surprise that he kneeled down to Chen Feng!

But this does not mean that he is willing to kowtow to Chen Feng.

His eyes suddenly turned to Li Xingyuan, his eyes cold and grim: "It depends on you, you dog!"

"If it's not for you, if I offend Chen Feng, am I going to kowtow to him?"

He stared at Li Xingyuan with a ferocious face, his eyes full of murderous intent: "You dog, really blinded your dog! How dare even Master Chen Feng offend him?"
