

## Peerless 3561

### [Chapter 3561: No! Mastery!](#)

Xian Yu Gaozhuo meditated on the spot for a long while, before being extremely solemn, he carefully picked up the tea cup, and then leaned to his mouth and took a sip.

Bai Jingwan, Shi Yebai and others had never drank it before, and at this time they hurriedly followed his way, and they all did the same.

For the first time they drank a treasure of this level, they couldn't help but feel a little nervous.

But Chen Feng smiled slightly and lifted the cup.

Gu Yunxin looked at him with interest, but did not expect that Chen Feng directly raised his neck and drank the cup of tea clean!

Suddenly, an extremely cold breath slammed into Chen Feng's body!

For an instant, Chen Feng shivered, feeling cold and refreshing.

And he, due to the previous breakthrough, caused the swelling of the body and the feelings of certain meridians, all of which disappeared at this time, and he became unspeakably comfortable.

Hearty.

"Refresh!" Chen Feng laughed, even he felt that the strength in his body had increased a lot!

Xian Yu Gaozhuo looked at Chen Feng, widened his eyes, and said loudly, "Master Chen, this, this Genting Immortal Tea, isn't it the way you drink it!"

"It's only right to taste it bit by bit. It's a waste of you to chew peonies like this!"

He just wanted to stom on his feet, heartbroken.

Even speaking to Chen Feng is a bit rude!

Chen Feng froze for a moment, then laughed, and did not care about Xianyu Gaozhuo.

He just shook the jasper tea cup, smiled and said, "This tea, no matter how precious, is also something for people to drink, right?"

"Savour carefully, it has its own taste."

"I feel bored with a mouthful, and it feels like drinking like this."

"It's just like this, I am happy. If it's a careful tasting, but I feel uncomfortable all over, then what do you think I should do?"

Xian Yu Gaozhuo was stunned.

At this time, Gu Yun giggled, patted his jade hand and said loudly:

"Young Master Chen said so."

"Everything in this world requires one to do what he wants and what he wants!"

Shi Yebai also said loudly, "Chen Feng, that's good!"

After all, he drank all the tea in the cup in front of him.

And the next moment, she suddenly turned blue and white, shivering violently.

Then he shouted, and quickly ran towards the back of Zhulin Yaojianzhai.

Chen Feng was surprised: "What's wrong?"

Next to him, Gu Yunxin laughed in a low voice, "The power inside is too great, she can't stand it for a while, just go back and practice for a while!"

She sighed softly: "Drinking this cup of tea is worth five years of her cultivation."

Chen Feng looked at her with deep eyes: "Thank you very much."

Gu Yun waved his hand and looked at Chen Feng, with some deep meaning in his eyes, and said softly: "I heard that Young Master Chen encountered some incidents outside the city today?"

Suddenly, the atmosphere here became a bit awkward.

Everyone fell silent.

Chen Feng smiled slightly: "Yes, I met a few people, and something happened."

He was not surprised that Gu Yunxin would know about this. Gu Yunxin's eyes and ears are so huge, I'm afraid it is one of the best in Sky Dragon City. If you don't know it, it would be strange!

Gu Yunxin looked at Chen Feng, lowered his head and raised the teacup, whispering gently in his hand.

The index finger of the right hand circled the teacup, and said lightly: "Is there any help from my Ares Chamber of Commerce?"

Chen Feng was stunned for a moment, a trace of gratitude flashed in his eyes.

He realized at this time that with Gu Yunxin's ice and snow intelligence and abundant information, he was afraid that he had already thought of his own embarrassment.

At this time, when she asked this sentence, she naturally wanted to do it for herself.

but. Chen Feng smiled low, did not speak, just waved his hand gently.

Gu Yunxin stopped talking, and then picked up some mess and chatted with Chen Feng there.

And the more they talked, the stranger the eyes that everyone looked at them.

It turned out that they felt that Chen Feng and Gu Yunxin were like old friends they hadn't seen for many years, and they didn't have the slightest restraint or any abruptness in their speech.

Even if two people said something that couldn't be more ordinary, they could have a great understanding.

Bai Jingwan's eyes throbbed as she watched beside her, her heart felt sad.

As if feeling her mood, Chen Feng glanced at her and patted her hand gently.

Did not say much.

However, after his gentle and mellow gaze made Bai Jingwan come into contact, she was taken aback for a moment, and then she felt unspeakably quiet.

There is no longer the slightest anxiety.

After talking for nearly two hours, Gu Yunxin left.

Just saying that I will come again tomorrow.

The night was as cool as water, and Chen Feng practiced cross-legged in the bamboo forest medicated food studio.

He closed his eyes and concentrated for two hours, Baoxiang was solemn, without a trace of emotional fluctuations.

Suddenly, Chen Feng opened his eyes suddenly, and a strong irritability flashed in his eyes.

He slapped the ground fiercely, and shouted in a low voice: "If you can't calm down, you can't calm down at all!"

It turned out that although he had already meditated for two hours.

But Chen Feng couldn't calm down and practice.

As soon as he closed his eyes, countless scenes of chaos fluttered before him.

There are even some demon visions appearing there, screaming loudly and wildly, disturbing Chen Feng's mind, and almost making him go crazy.

Chen Feng knew that he could no longer forcefully practice like this, otherwise the consequences would be disastrous!

He sighed lightly and leaned back.

Looking at the sky full of stars, he sighed.

Chen Feng knew what the reason was.

"Because, today, I withdrew from the Shen family!"

"Because I didn't solve the Shen family."

"Because I am in a bad mood!"

"Because, my heart is depressed!"

"Because, I thought! No! Mastery!"

"No! Mastery!" Chen Feng lightly hit the ground with his fist, repeating these four words again!

He has never been fierce and tough.

He has never moved forward, no matter how strong the enemy is, he will not be afraid.

But now, he was worried and worried.

He thinks too much and thinks too much.

Therefore, Chen Feng gritted his teeth and said coldly: "Chen Feng, you deserve it!"

Chen Feng sighed lightly, feeling anxious in his heart.

So he no longer thought about cultivation, but went to sleep altogether.

As a result, I can't sleep even while sleeping.

So, he went to find Xianyu Gaozhuo and chatted with Xianyu Gaozhuo.

Xian Yu Gaozhuo was a bit inexplicable, but he didn't dare to offend Chen Feng now. After all, Chen Feng is now his boss, so he had to hold up his spirit and chat with Chen Feng for a night.

The next morning, the big day rose.

Chen Feng stood in the yard and vomited.

But at this time, he suddenly heard a noise outside and panic shouts.

[Chapter 3562: Fed up! No need to bear it anymore!](#)

Chen Feng frowned and walked forward.

As soon as I walked into the Zhulin Medicinal Food Studio, I saw a person on the other side running in panic from the gate.

As soon as I saw her, I was about to break down instantly, and I jumped directly in front of him, clutching his sleeves, and howling.

It's Gui Qingwen!

Chen Feng was stunned for a moment, and then an ominous premonition floated in his heart.

He rarely saw Gui Qingwen like this.

While crying, Gui Qingwen shouted heartbreakingly: "Chen Feng, you can save Bai Jingwan!"

"Bai Jingwan was taken away by the Shen family and they said, if they don't see you within an hour, they will abuse Bai Jingwan wantonly."

"Then, strip her naked and throw it at the gate of the city!"

"what!"

When Chen Feng heard this, his face flushed instantly.

The heart was beating wildly, and countless blood was squeezed out.

The blue veins on his forehead violently, the corners of his eyes jumped wildly, and his face became incredibly hideous. He shouted sharply, "Shen family, how dare you do such a thing!"

"The Shen family, dare to catch Bai Jingwan!"

In an instant, his killing intent was surging!

The murderous intent in those eyes can almost be condensed into substance!

Chen Feng was extremely angry!

Gui Qingwen was so frightened by him that she couldn't say a word when she stood there in a daze.

Chen Feng was Chen Feng after all, and took a breath, calming himself down instantly.

The murder was still there, but it was suppressed by him.

He looked at Gui Qingwen and said calmly: "Don't worry, you will tell me the process of the matter."

"Yes Yes."

Gui Qingwen quickly trembled and said the process again.

It turned out that Gui Qingwen came to Zhulin Yaoshanzhai to pick up Bai Jingwan today. On the way to the Beidou Sword School, he was suddenly surrounded by several masters.

Gui Qingwen and Bai Jingwan were unable to fight back, and Bai Jingwan was taken away by them.

Gui Qingwen was released back.

They said that they belonged to the Shen family, and then they said the above words.

After listening to her description, Chen Feng became extra calm.

He looked into the distance, his eyes deep: "Is that the Shen family? Did you catch Bai Jingwan? Did you let me come to beg people?"

What happened in the past two days flashed through Chen Feng's mind.

Outside the city, Shen's unbridled provocation.

And now, Bai Jingwan has been taken away!

These things kept flashing in his mind, and Chen Feng suddenly flashed in his heart, and immediately realized the truth of the matter.

He came to a conclusion that the Shen family was deliberately provoking himself recently.

"They are provoking me, why do they do this? They should know my strength very well."

"Moreover, before I asked Shen Yangxu to give them a message, they should probably also be able to guess the grudge between me and them, as well as what I am going to do."

"Why are they still here to provoke me at this time?"

Chen Feng's mind turned quickly.

He was clever after all, and soon came to a conclusion.

"That is, the Shen family is confident at this time."

"They are provoking me, and he even hopes that I will act on them now!"

"They are irritating me!"

Chen Feng's heart was bright: "They, want me to kill the Shen family."

"It seems that the Shen family is dependent on it!"

A sneer appeared at the corner of Chen Feng's mouth: "This is very likely a trap, but what about the trap?"

Chen Feng laughed loudly, full of pride.

"You Shen family, even if it is a trap, I will break it!"

Originally, Chen Feng had endured yesterday's provocation for Pu Xingzhou.

Now that this thing happened, Chen Feng absolutely couldn't bear it!

Some are aimed at him, he can bear it.

However, touching his friends is absolutely impossible!

Now, because of him, his friend has been hurt or even disappeared. Chen Feng absolutely does not allow this to happen!

Fed up!

No need to bear it anymore!

A smile suddenly appeared at the corner of his mouth. This smile was extremely cold, like the freezing wind in the land of the northern glacier:

"good very good!"

"Shen family, you successfully angered me!"

"Shen family, you forced me!"

His voice didn't have the slightest emotion. He suddenly got up and looked at the direction of the Shen family in the distance: "I don't care what idea you make, and I don't care who is behind you."

"I only know that if you anger me Chen Feng, there is only one dead end!"

In the next moment, Chen Feng strode out of the Zhulin Medicinal Food House, soared into the sky, and flew towards the Shen family.

Chen Feng was already completely angered.

His expression is cold, his eyes are full of cold light, and a murderous intent rises above his body!

This murderous aura was overflowing, and instantly shocked how many strong people in Tianlong City!

"What kind of murderous intent is this? The forest is as cold as ice, and as sharp as a sword. It takes an extremely powerful person to have such a murderous intent!"

"Which powerhouse came to Sky Dragon City?"

They got up one after another and looked in the direction where the murderous aura came from.

Then I saw that a white light flashed across the horizon, like a shooting star, straight down thinking of Shen's direction.

Suddenly, many people were shocked.

"It seems that this strong man is looking for the bad luck of the Shen family."

"You actually want to move the Shen Family of the Yipin Family? Where is this tyrannical and mysterious powerhouse?"

Many people have risen into the air one after another, coming towards this side.

Soon, outside of Shen's house, there were hundreds of powerful people from Sky Dragon City, paying attention to everything here.

The arrival of these people did not affect Chen Feng in the slightest.

But for a moment! He has already come to the door of Shen's house!

When Chen Feng arrived at the entrance of the Shen family mansion, there were already hundreds of people watching.

They all came here after sensing Chen Feng's breath and purpose. They all stood far away, looking at Chen Feng.

There was doubt in his eyes.

But anyone who can come here at this time is not bad in strength or influence in Sky Dragon City.

They also guessed what Chen Feng did this time.

"I wonder why Chen Feng is here now?"

"Yes, looking at Chen Feng's aggressive appearance, it seems that he is going to come to level the Shen family."

"I heard that the Shen family provoke Chen Feng one after another in the past two days. Will Chen Feng come to avenge him?"

"I guess it's possible."

But there were also people with disdain on their faces, sneered, and said, "You still have revenge? Yesterday he was bullied to death by the Shen family outside the city. Didn't he just bear it like a coward, and left without saying a word?"

"Why now want to come to revenge music again?"

The speaker. But it was the person who saw Chen Feng and Shen's clash outside Tianlong City yesterday.

They are all extremely disdainful of Chen Feng, thinking that he is a coward without courage and blood.

"Yes!"

Someone nearby said loudly: "If Chen Feng dares to seek revenge from the Shen family, the sun can come out from the west."

### [Chapter 3563: Get out!](#)

"To take revenge, he already took revenge yesterday. Why did he delay it until now? Is it possible that he likes to be tricked?"

They did not believe that Chen Feng dared to challenge the Shen family.

Because they saw clearly yesterday that Chen Feng didn't have the guts at all.

At this time, their faces were all jokingly watching the show.

At this time, the guards at the door of Shen's house also saw Chen Feng's existence.

They didn't know who Chen Feng was, so the head guard greeted him and shouted sharply: "Little bastard, what's the matter?"

"Go away, is this where you can come?"

The words were full of arrogance and overlooking, with the arrogance of the Yipin family.

A smile appeared at the corner of Chen Feng's mouth, but he slowly leaned forward, spitting out two words: "Get away!"

The head of the guard suddenly turned his eyes round, a flash of anger flashed in his eyes, and he shouted sharply:

"What the \*\*\*\* are you? You dare to let me go? You don't take a \*\*\*\* and take pictures of yourself!"

After all, he strode up.

A fist struck Chen Feng fiercely.

There was a cruel and murderous look in his eyes,

In his opinion, his punch was enough to make this shabby pariah directly die.

But the next moment, the smugness on his face turned into an unconcealed exclamation: "How is it possible?"

It turned out that at this time, Chen Feng was still walking forward.

He didn't have any other actions except this one.

But with his thoughts, his robe agitated, and a huge force was pressed down, and the bang hit the body of the guard leader.

The head of the guard screamed directly and was knocked out for several tens of meters and hit the ground heavily.

After the body twitched twice, it stopped moving!

It turned out that he was directly shocked to death by Chen Feng with his aura.

I didn't even have time to scream!

Seeing this scene, the guards around were shocked and looked at Chen Feng with fear.

They reacted very quickly, and immediately realized that this rather humble young man, who looked shabby, actually had extremely terrifying strength.

And the next moment, Chen Feng repeated the sentence just now: "Get away!"

This time, these guards didn't dare to stay any longer, and shouted one after another, dispersing like birds and beasts, and went out thirteen, never daring to stand in front of Chen Feng again.

The expression on Chen Feng's face remained unchanged, and he walked directly to the front door of Shen's house.

He raised his head and looked at this Xuanhe gatehouse, the scarlet gate, suddenly a cold smile appeared at the corner of his mouth.

People around are still speculating.

"Guess Chen Feng will do it?"

"Look at Xuan, how could he dare to challenge the Shen family?"

"Yes, I think Chen Feng is crazy now, he doesn't even know what he is doing."

The people who said this were all people who flinched after seeing the conflict between Chen Feng and the Shen family yesterday, and were full of distrust of him.

And the next moment, their clamoring expressions condensed on their faces, each one was dumbfounded.

It turned out that at this time, Chen Feng roared, and then struck out with a fist.

As this punch blasted out, suddenly, a force that was extremely fierce and extremely large suddenly came.

Hit the gate hard!

The one-hundred-meter-high portal didn't have any effect at all, it was directly smashed out and hit the ground of the courtyard inside.

As for Chen Feng's punch, the power spread out, directly smashing numerous cracks on the gate tower.

The next moment, crashing, the gatehouse shattered directly.

The door of the Shen family immediately disappeared.

It seems that there is a big missing piece on the mansion, which is very awkward.

At this moment, in the central hall of the Shen family, all the six brothers of the Shen family were sitting here.

However, their expressions are quite relaxed, obviously not paying too much attention to the things they are about to bring.

Shen Yangxu leaned back on the chair, looking far away, his expression was obviously a little anxious.

Suddenly, he stood up and walked around in the hall.

"Then why isn't Chen Feng coming?"

He said condensedly, "Could he be afraid to come? Isn't he shrinking eggs?"

Among the crowd, he was beaten by Chen Feng the worst and worst, and naturally hated Chen Feng the most.

He is also the person who looks forward to Chen Feng's visit the most, he can't wait to start revenge.

"Hey, don't be so anxious."

Sitting on top of the main seat, Shen Qingyu leaned back, squinted, and said relaxedly: "Then Chen Feng will definitely come!"

"This, you can rest assured."

"Big brother, it's not my little brother, I can't hold back, I'm really too urgent!"

Shen Yangxu's face showed a hideous look: "I will peel off the skin of Chen Feng, eat the meat, and crush his bones!"

"Then, take his soul to the soul hall, refine it into a lamp, and hang it next to my bedroom."

"Day and night, refining him, making him very painful, and he will not be able to live beyond tens of thousands of years!"

"what!"

His face was distorted and resentful!

Even if everyone listened to these words, there was a bit of chill in my heart.

At the side, Shen Tongguang listened, but his expression did not change at all.

He just smiled and said with a smile: "Don't worry, fifth brother, then Chen Feng will definitely come, after all..."

He patted the person on the chair next to him, and said, "This little \*\*\*\* is still in our hands!"

It turned out that there was actually a person sitting on the chair next to Shen Tongguang.

A woman.

A woman with a beautiful appearance, noble temperament and a white dress!

If Chen Feng were here, she would be able to recognize this woman as Bai Jingwan.

At this time, Bai Jingwan was bound by a golden rope all over her body. This golden rope started from her neck and coiled like a snake until it reached her ankles, covering her whole body. Tied up.

The golden rope didn't look too tight when tied up, and it was even a little loose and tied to her body.

However, there was a golden light scattered from it, but it was to seal all her power firmly.

Let her sit there, she can't move anything except to speak.

Her beautiful beauty, majestic style, and extremely attractive.

These brothers are worthy of course.

At this time, Shen Tongguang took a deep look at her and swallowed.

He stretched out his hand, but finally held it back.

He stared at Bai Jingwan, his face full of lust.

At this time, Bai Jingwan didn't have the slightest panic. Instead, her eyes were awe-inspiring, as if she was mighty.

She stared at Shen Tongguang without showing any weakness, and sneered: "What are you doing looking at me? Get out of here!"

The voice was cold and fearless.

[Chapter 3564: I'm here, take you home](#)

When Shen Tongguang heard her say this, his face flushed suddenly, as if someone slapped him in the face.

He felt that he had lost face greatly, and the expression on his face suddenly became extremely cold.

Swish, stood up, walked to Bai Jingwan, lowered her body, looked down at him, and said every word:

"Little bitch, it's this time, do you dare to yell at us here?"

"Why didn't I dare?"

Bai Jingwan raised her head without fear, and said with a sneer: "Speaking of which, you are also a first-class family, and you actually did such a despicable thing."

"Using the crowd to bully the widows and the strong to bully the weak will rob me here."

"Don't think I don't know your thoughts!"

She giggled and said, "You just want my brother Chen Feng to come here! You just want to use me as a bait to trap my brother Chen Feng."

"But, I tell you, everything you do today has no meaning!"

"because!"

A strong confidence flashed in her eyes: "Brother Chen Feng will easily crush you all!"

Her remarks made the six brothers of the Shen family silent, and they did not know what to say for a while.

Shen Tongguang's eyes twitched, and his heart was furious!

At the same time, there is still an indescribable jealousy in his heart:

"Why! Why!"

"A woman who loves her country and the city so loves Chen Feng! Why does she not like me?"

"I am also a young Junjie! I am also young and promising! Why does she not like me?"

His eyes were full of jealousy, and he suddenly rushed forward, slapped Bai Jingwan's face with a slap!

Suddenly, five red fingerprints appeared on Bai Jingwan's delicate face!

The next moment, he pinched Bai Jingwan's neck, pinching her tightly.

She worked extremely hard, and after a while, Bai Jingwan's face was already flushed.

His eyes became confused, and it seemed that he might die at any time.

Even the light in the pupils began to fade.

At this time, Shen Tongguang suddenly let go, and suddenly Bai Jingwan coughed loudly, her chest rising and falling violently.

It took a long time to reply.

Shen Tongguang stared at Bai Jingwan with a smug face, and said with a sneer: "You couple of dogs and men."

"Big Brother Chen Feng one bite, it's very intimate!"

"Chen Feng, this dog thing is really a blessing, he is very comfortable with you, right?"

"But..."

There was a hint of licentiousness on his face, staring at her, and said word by word: "From now on, there will be nothing wrong with your brother Chen Feng."

"In the future, your fate will be extremely miserable."

"When the time comes, you will stay in our Shen family. Take care of our six brothers!"

After that, he made a lewd smile.

Several other people in the Shen family also laughed lewdly.

Shen Qingyu laughed and said, "Tongguang, you have to be careful then, don't mess with her!"

"The maids sent out from your house are all miserable, and they don't know what you did."

What he meant by this was naturally to scare Bai Jingwan.

At this time, Bai Jingwan didn't have any fear at all.

There was only a sneer at the corner of his mouth, and suddenly he spit on Shen Tongguang's face.

"Fuck! What are you? You deserve to touch my finger too?"

"Compare you with Chen Feng's brother? Are you comparable?"

Shen Tongguang was stunned.

He didn't expect this woman to have such a strong temperament, she dared to spit on his face, she dared to do such a thing!

In an instant, he was extremely angry!

Turning around, his eyes looked like wild beasts, staring at Bai Jingwan fiercely.

Bai Jingwan was not afraid, and looked at her.

Shen Tongguang smiled back in anger: "Okay, very good."

He was already angered to the extreme at this time, and he was going to violently abuse Bai Jingwan.

And at this moment, suddenly, they heard a loud noise from the gatehouse.

Then I saw that the towering gate tower collapsed.

Then in the extreme distance, a figure walked slowly towards this place.

Immediately, the six brothers of the Shen family lifted their spirits: "Chen Feng is here!"

Bai Jingwan also looked at the gate with excitement: "Brother Chen Feng is here!"

If it was Bai Jingwan before, I am afraid that she will be extremely frightened at this time, and her heart will die.

She is definitely not a person willing to serve the culprits, so at this time, I am afraid that there is already a desire for life and death in her heart.

Thinking about how to break it by himself, lest his innocence be contaminated by these dog things.

But now, it is completely different.

She is not afraid and full of confidence.**novelusb.com**

Because she knows that she has Chen Feng!

Because she knew that her brother Chen Feng would definitely come to rescue her!

In her eyes, Chen Feng was a \*\*\*\* and an omnipotent existence. She did not think that people like the Shen family might pose any threat to Chen Feng.

"I think Chen Feng is here, you will be saved, right?"

"I think you will be out of the sea of suffering soon, right?"

Shen Tongguang suddenly turned around and looked at Bai Jingwan, with an extremely ferocious expression on his face: "Wait for me!"

"In a moment, I will let you know how miserable Chen Feng will end!"

"In a moment, I will let you watch Chen Feng being killed by us in front of you, but there is no alternative!"

"I want to humiliate you well in front of Chen Feng, make him extremely painful, and make you want to die, but you can't die!"

After that, he let out a spiteful laugh.

At this time, Chen Feng had already strode to the square in front of the hall.

He didn't receive any obstacles, and Shen Qingyu and others had already let the guards in the mansion hide away.

They also know that this level of battle is not something they can participate in, and it is meaningless to come out to die.

Chen Feng came to the square, slowly raised his head, and looked into the hall.

Suddenly, his eyes narrowed.

In the hall, there were seven people sitting at this time, and one of them was Bai Jingwan.

Bai Jingwan looked at Chen Feng and shouted: "Brother Chen Feng, are you here?"

Chen Feng also looked at her and smiled slightly: "I'm here."

Then he said lightly: "I'll take you home!"

This sentence made Bai Jingwan burst into tears.

Just now, facing her who was not afraid of the six brothers of the Shen family, she burst into tears at this time.

Chen Feng whispered: "Don't cry, I'm here!"

He didn't pay attention to the six brothers of the Shen family at all, as if he hadn't seen them at all.

Turn a blind eye!

It's just there, talking to Bai Jingwan.

Chen Feng's attitude also made everyone in the Shen family look extremely cold!

Shen Qingyu sneered and said coldly: "Chen Feng, do you want to pick her up? Have you asked us?"

"Ask you?"

#### [Chapter 3565: The face I lost, get it back by myself!](#)

Chen Feng seemed to see him exist at this time, turned his head to look at him, smiled and said, "What are you? Why do you need to ask you?"

As soon as Chen Feng said these words, the faces of the six brothers of the Shen family became extremely cold.

Especially Shen Qingyu's face was even more hideous, the muscles in the corners of his eyes twitched, and the murderous intent in his eyes was as strong as the substance.

It has been a long time since no one dared to speak to him like this, and no one had dared to offend his majesty for a long time.

He looked at Chen Feng, nodded, pointed at him, and sneered:

"Okay, Chen Feng, very good."

"You are so courageous, you dare to say such things to me!"

"It seems that you are ready to be killed by me!"

"Knowing that I don't have much time, so I have to take advantage of it, right?"

Chen Feng smiled and said: "I don't know if I am running out of time, I only know you, and your Shen family!"

He turned around and pointed his finger at the Shen family of Nuo Da: "Time is running out!"

When he said this, Shen Qingyu was taken aback for a moment, and then he burst into laughter.

Everyone in the Shen family also burst into laughter. They looked at Chen Feng and leaned forward and back together with laughter, as if they had heard the funniest joke in the world.

"What did this little \*\*\*\* say? He actually said that our Shen family is running out of time?"

"It's arrogant, I don't know how high the sky is, and I dare to say such a thing, it's crazy!"

"Yes! Just rely on him to want to destroy our Shen family, is it a dream?"

The people onlookers also made a low ridicule. They all followed at this time, and people continued to rush to this place.

There are now more than a thousand onlookers.

They are all powerful people with names and surnames in Sky Dragon City, but they want to come to see this great excitement.

Many of them had seen the conflict between Chen Feng and Shen Yang Xu that day!

"Today, how did Chen Feng change from normal?"

"That's right, the last time he was so cowardly, he didn't dare to \*\*\*\* and pee when he was riding on his neck by Shen Yang Xu. How dare he come to provoke him today, and be so hard-hearted?"

Some people sneered and said, "Chen Feng, I think I can't bear it anymore, so I hit the door."

"But, he also knows that he is weak and that he is not an opponent at all, so he was addicted to the mouth before he died!"

"I'm going to die anyway."

"Yes, I think it's the same." Everyone laughed.

They looked at Chen Feng with joking expressions, all thinking that he had no strength, they just got addicted and talked a lot!

At this moment, Shen Qingyu laughed suddenly, staring at Chen Feng, and said with a disdainful face:

"Boy, you still said that you want to destroy my Shen family? Why? Just rely on your mouth?"

Chen Feng didn't pay attention to him at all, but slowly straightened his body and looked at the onlooker.

His eyes are calm and steady, without the slightest murderous intention.

However, after contacting his gaze, everyone felt their whole body tremble, and a kind of awe-inspiring power radiated from his gaze.

It made people see it, and my heart trembled.

Anyone who came into contact with Chen Feng's eyes could not help but bow their heads.

At this time, Chen Feng looked at them, spoke slowly, smiled and said, "You guys, just say it now."

"Whatever you want to say, just say what you want to laugh at me, Chen Feng, please feel free."

When everyone heard this, they couldn't help being stunned.

"What does Chen Feng mean?"

Chen Feng looked at them and continued to smile: "Because, after now. But there is no chance!"

"That day, the face I lost, today, I will take it back by myself!"

His eyes suddenly became cold and awe-inspiring. He stared at them and said word by word: "Now, just laugh at you."

"Later, I will hit you people in the face, it hurts!"

"At that time, you won't even be able to cry!"

After hearing this, the scene was dead silent.

Everyone was stunned there, without expecting that Chen Feng would say such a thing!

After only a brief silence, there was indeed a louder ridicule and insult that burst out suddenly.

Especially those who had witnessed Chen Feng shrinking from the Shen family outside Tianlong City before, and felt that they were insulted.

They felt that they were greatly offended by Chen Feng, and they were all angry into anger, and were there crazy, mocking and insulting Chen Feng.

Especially that Cheng Junai, he also came this time.

When he was outside Tianlong City, he had all kinds of disdain for Chen Feng, but now he caught the opportunity, where would he let it go?

Suddenly he said loudly to everyone: "Okay, let's not laugh at him anymore, just keep a little bit of love!"

Everyone was stunned.

Someone said: "Cheng Junai, you are the most ridiculous person, why have you changed your temper today?"

This was what Cheng Junai was waiting for, he laughed: "Chen Feng is running out of time, he will be killed by Shen Qingyu in the next moment!"

"Today, we are about to die in this Shen's house, why are we still laughing at him?"

"People are going to die, let's leave some virtue on our lips, right?"

Everyone was stunned for a moment, and then laughed.

"Haha, Cheng Junai, your mouth is really poisonous!"

"It's not that my mouth is poisonous."

Cheng Junai said slowly: "It's really because Chen Feng is too arrogant and overwhelming."

"Obviously it's a trash one, but I'm still talking about it here, don't I laugh at him, who laughs at?"

At this time, facing these ridicules, Chen Feng's expression did not change at all.

However, his chest was already boiling like lava.

He felt like a volcano, it seemed that it might erupt anytime!

At this time, his mood has reached an extreme.

Anger to the extreme, but also suppressed to the extreme!

He needs to vent!

The object of venting is naturally the Shen family in front of him.

The more at this time, Chen Feng's expression became more indifferent. He just looked dark and faint, looked at the opposite Shen Qingyu, and suddenly hooked his finger.

"Shen Qingyu, you have tried every possible means and thought to let me come to Shen's house, don't you just want to fight me?"

"Come, I give you this opportunity!"

Before Shen Qingyu had time to speak, suddenly, a person next to him stood up, stared at Chen Feng, and said with disdain:

"You are also worthy to say this to my elder brother? Are you also worthy to fight my elder brother?"

"What are you?"

"Boy, your opponent is me! You are not qualified to fight my elder brother, understand?"

His face is full of arrogance and disdain!

This person is Shen Tongguang.

At this time, he looked at Chen Feng, his eyes burning with jealousy.

[Chapter 3566: Just rely on me, a pair of fists!](#)

At this moment, he was extremely jealous of Chen Feng in his heart, and only one voice reverberated:

"Why? Why is such a fairy-like woman so infatuated with him?"

"Why!"

Then, this jealousy turned into extremely hideous and murderous.

"I just want to torture Chen Feng severely in front of Bai Jingwan, step him in the dust, make him worse than a pig and a dog, and die."

"I want Bai Jingwan to see who is the real strong one!"

With this idea, he took the initiative to fight.

And Shen Qingyu was stunned for a moment, but smiled slightly without stopping.

In his opinion, Shen Tongguang's strength should be about the same as Chen Feng's, and may even be slightly better than Chen Feng. He is also quite sure against Chen Feng, and there is nothing to worry about.

Shen Tongguang said loudly to Shen Qingyu: "Brother, let me deal with this kid!"

Shen Qingyu nodded and said faintly: "Start lightly, don't kill him directly!"

"I will interrogate him later, it's best to get alive."

"If it doesn't work, you can be seriously injured."

Shen Tongguang said loudly: "Don't worry, brother, I have my own measures!"

Listening to the conversation between the two of them, it was as if Chen Feng was already the meat on the chopping board, as if they were ravaged at will.

They wanted to severely wound Chen Feng, so they severely wounded, they wanted to catch it, and they didn't put Chen Feng in their eyes.

Chen Feng just smiled coldly, looked at Shen Tongguang and slowly said three words: "You also deserve it?"

These three words caused an uproar in the audience!

"Chen Feng actually said such a thing?"

"Yes, he obviously didn't put Shen Tongguang in his eyes at all, this Chen Feng is too arrogant!"

"Shen Tongguang is well-known. In other words, he is also a two-star Wudi strong, a handsome face that can be counted among the young generation of young Tianlongcheng!"

"This Chen Feng is so arrogant, he deserves to die!"

They were all talking loudly. No one thought that Chen Feng was telling the truth. Everyone thought Chen Feng was arrogant!

And Chen Feng's words directly made Shen Tongguang angry.

He let out a crazy roar: "You're looking for death!"

The next moment, his figure flashed, and he immediately rushed towards Chen Feng.

At the same time, above his head, with a bang, a huge Shenyuan battle body suddenly appeared.

His Shenyuan battle body is also in the shape of a giant thunder bird, which is very similar to Shenyang Xu's Shenyuan battle body.

But his Shenyuan combat body was obviously much larger than Shenyang Xu's, with a wingspan of ten meters and a length of seven or eight meters, which was about half larger than Shenyang Xu's.

Moreover, it is more condensed.

Shenyang Xu's Thunder Giant Bird Divine Origin Battle Body was vague, and only a small part of it condensed into the entity.

However, most of his Thunder Giant Bird Divine Origin Battle Body had already condensed into an entity.

The whole body is black, with blue lightning lingering around it, and the plasma shoots out and is extremely powerful.

It feels like it can destroy the world.

As soon as this Shenyuan combat body was released, it immediately uttered a sharp cry from the sky, and those two eyes stared at Chen Feng.

The iron mouth that has turned into a solid body opens and closes up and down, revealing a bloodthirsty light.

As if to tear Chen Feng into two pieces in one bite.

Everyone exclaimed: "This Shen Yuan Zhan is not weak!"

"That's right, his divine origin battle body, let alone the Second Star Martial Emperor, I'm afraid it is much stronger than some of the martial artists who have just entered the Samsung Martial Emperor!"

"I heard that their Shen family has a strong bloodline. The more pure and powerful the bloodline is, the stronger the awakened Shenyuan battle body will be!"

"It seems that Shen Tongguang's blood is very powerful!"

"Yes, he should be the strongest Shenyuan combat body among the people of the Shen family besides Shen Qingyu!"

Shen Tongguang's Shenyuan battle body was sacrificed, causing everyone to exclaim.

Shen Tongguang was also very proud. He looked at Chen Feng and raised his chin: "Chen Feng, have you seen it? My Thunder Giant Bird Divine Yuan Battle Body is enough to tear you into pieces!"

At this time, Chen Feng did not even look at Shen Tongguang.

He ignored the whole process, the whole process of Shen Tongguang's clamor, and he didn't even watch it.

He just looked at Bai Jingwan.

His gaze fell on Bai Jingwan's face and saw the five bright red fingerprints.

Suddenly, his eyes became cold, and he pointed at Shen Tongguang without looking back, and asked, "Did he hit?"

Bai Jingwan nodded.

"It is good!"

Chen Feng smiled, but there was endless murderous in his smile: "I, pay back ten times!"

Shen Tongguang laughed loudly: "Ten times back? Why are you!"

At this moment, Chen Feng suddenly turned his head, slowly raised his right hand, and said every word: "Just rely on me, a pair of fists!"

Shen Tongguang laughed disdainfully: "Look at my God-Essence Battle Body, and talk this bullshit!"

"Just rely on your fist to contend with my god-level combat body? Idiot dreams!"

Looking at Shen Tongguang's Shenyuan battle body, Chen Feng smiled slightly, and said faintly: "You thunder giant bird Shenyuan battle body..."

He paused, and then spit out four words: "Also make do!"

"Still live!"

These four words immediately caused everyone to fry the pot!

When this sentence was said, everyone screamed loudly.

"This Chen Feng is too arrogant, right?"

"Yes, I don't know how high the sky is!"

"Shen Tongguang's Shenyuan combat body is very powerful, and it looks extremely energetic, and its aura is not so easy to deal with at all."

Cheng Junai was next to him, yelling loudly: "I also said that people's Shenyuan fighting body is not good. Is your Shenyuan fighting body very strong? Show it out for everyone to see!"

"I'm afraid that as soon as your Shen Yuan combat body appears, it will be crushed alive by Shen Tongguang's Shen Yuan combat body!"

Chen Feng glanced at him, but said nothing.

It's just that the meaning in the eyes is like saying: "Do you think I care about you?"

"You are quite happy here, do you think I care about you?"

This look directly made Cheng Junai's face flushed, and an unspeakable humiliation surged in his heart!

At the next moment, Chen Feng suddenly laughed loudly: "I just said, why use Shenyuan combat body to deal with him? A pair of fists is enough!"

Then, within Chen Feng's body, the power of the dragon descending Arhat surged.

His momentum, madly steaming!

That was already the master outline of the Jianglong Arhat scripture who had cultivated to the realm of Dacheng, shining with brilliance in Chen Feng's body!

In his dantian, twelve ancient golden dragons roared!

As a result, behind Chen Feng, twelve ancient golden dragons appeared!

Then, Chen Feng roared and his figure jumped!

A punch is a fierce bombardment towards Shen Tongguang's Shenyuan combat body!

With this punch, twelve pale golden dragons phantom flashed behind him!

[Chapter 3567: tell me! Did I do it?](#)

Twelve gigantic golden dragon roars blasted out at the same time! Earth shaking!

Almost the entire Sky Dragon City heard it truly!

The twelve pale golden dragons flew into Chen Feng's fist.

At the same time, the Thunder Giant Bird Divine Origin Battle Body rushed towards Chen Feng!

In the next moment, Chen Feng's fist, which had turned into a pale gold, slammed into the Thunder Giant Bird Divine Yuan Battle Body!

Everyone exclaimed: "He actually used his fleshly fist, with his flesh, to carry the soul of the soul?"

"That's right, this kid is really arrogant and boundless, really stupid to the extreme, dare to use his physical body to harden the soul of the battle body?"

"Yes, who doesn't know, in the whole world, the only thing that can deal with the battle body of the gods is the battle body of the gods! No matter how strong the martial arts can not deal with the battle of the gods! How can he do it?"

Cheng Junai laughed disdainfully.

But the next moment, his laughter suddenly condensed.

His expression solidified on his face, staring into the distance blankly, and let out an incredulous shout: "How is it possible?"

It turned out that at this moment, Chen Feng's fist violently collided with the Thunder Giant Bird Divine Origin Battle Body.

A majestic force was severely suppressed.

If it were an ordinary person, it would be directly torn to pieces by the power of this Thunder Giant Bird Divine Yuan Battle Body.

However, Chen Feng is an exception!

He smiled coldly, and suddenly, the phantoms of the twelve ancient golden dragons slammed into the body of the Thunder Giant Bird Divine Origin Battle Body!

So, in the next moment, the huge, surging, and ferocious power violently exploded in the body of the Thunder Giant Bird Divine Yuan Battle Body!

This is the power of twelve ancient golden dragons!

This is a huge force of 12 billion catties!

It turned out that Chen Feng's punch had already used the power of the twelve ancient golden dragons after he succeeded in descending the dragon's Arhat Scriptures!

12 billion catties of power were raging crazily in the body of the Thunder Giant Bird Divine Yuan Battle Body!

The Thunder Giant Bird Divine Origin Battle Body uttered a stern cry!

The next moment, bang bang bang, twelve loud roars blasted above his body.

In an instant, his body was directly exploded into dozens of pieces!

The twelve ancient golden dragon phantoms poured out from his body.

It screamed sternly, and those dozens of stumps were madly exploded into countless debris.

Then, it turned into a star and disappeared directly.

The Thunder Giant Bird Divine Yuan Battle Body was hit hard.

Shen Tongguang was also hit hard, with a wow, a mouthful of blood spurted out, a dozen steps backwards in succession!

But Chen Feng did not intend to let him go.

The figure flashed, came directly in front of him, punched out fiercely!

Shen Tongguang hadn't recovered yet at this time. He was there in a daze, staring at Chen Feng in disbelief, and shouted: "You, why are you? You actually smashed my \*\*\*\* body with one punch. what!"

"Not only do I want to smash your divine origin battle body, I also want to smash you as well!"

Chen Feng sneered and slammed Shen Tongguang's body with a punch.

At this time, Shen Tongguang's body suddenly heard a cracking sound, like a treasure broken, a flash of blue light.

Obviously, one of his treasures blocked this fatal punch for him, negating most of the power.

However, even if most of the power is cancelled out, the remaining point is beyond his reach!

He was directly smashed and flew out several hundred meters, and hit the wall of the hall hard, almost swaying the hall.

Then, his whole person felt like he was beaten down.

Like a piece of paper, it was pasted on the wall of the main hall and slowly slid down the wall.

A shocking blood hatred was left on that wall.

There were countless wounds all over the body, and the whole person was like a blood man. stunned!

Everyone was stunned, no one spoke.

Everyone was shocked by the scene that happened just now, and stood there blankly.

For a moment, the square in front of the whole hall was quiet and scary.

Chen Feng slowly landed and looked at everyone.

He shook his fist, as if shaking off a piece of dust.

It seems that what he just defeated was not a two-star martial emperor, but just an ant.

Chen Feng's eyes swept to everyone, and the clouds were calm and gentle.

His voice resounded above the square!

"I said his Shenyuan combat body is still alive!"

"Am I qualified?"

"I said, just by my fists!"

"How? Did I do it?"

He suddenly looked at the onlookers around him, and shouted: "You tell me! I, Chen Feng, did it?"

Above the square, there is dead silence!

With Chen Feng's roar, everyone seemed to be awakened.

After a while, a huge exclamation broke out!

The huge exclamation sounds one after another, finally let everyone come to their senses!

"Chen Feng, Chen Feng actually smashed Shen Tongguang's Shenyuan battle body just now, and at the same time severely wounded Shen Tongguang on the verge of death!"

"How come? Chen Feng didn't use his Shenyuan combat body at all!"

"How did he do it?"

"God, didn't it mean that the only one who can deal with the Shenyuan combat body is the Shenyuan combat body? How can Chen Feng do it with a single punch with his flesh?"

Punch!

With just one punch, Chen Feng smashed Shen Tongguang's Thunder Giant Bird Shenyuan battle body in the two-star Wudi realm, and also severely wounded him near death.

Just a punch!

The most shocking thing is that he didn't use his Shenyuan combat body, he just used a fist!

How powerful has Chen Feng shook the Shenyuan battle body with his physical body!

They looked at Chen Feng's face with a strong shock, and they couldn't believe it. Many of them were mixed with strong fear! No more contempt and disdain just now! Chen

Even Shen Qingyu's face was dull at this time. He had sat there steadily, with a casual expression on his face, and didn't put Chen Feng in his eyes at all.

In his opinion, since Chen Feng has entered the Shen family, it means he is dead.

But now, Chen Feng used facts and strength to slap him severely!

He felt a lot of pain on his face!

At this time, Chen Feng smiled and looked at Shen Tongguang, and said lightly: "I said, you are also worthy? Why? Did you say it wrong?"

"I, do you have the qualification to say?"

At this time, the audience was silent, and no one spoke.

Everyone looked at Chen Feng in shock!

Chen Feng's words seemed to be talking about Shen Tongguang, but it was like a big slap, slapped all of them fiercely.

They were still here just now laughing loudly at Chen Feng, thinking that Chen Feng was overpowering, but in a blink of an eye, Chen Feng hit them in the face with the facts.

[Chapter 3568: I, Chen Feng, speak for words!](#)

One by one, they were beaten with pain in their faces, and they couldn't say a word.

Standing there blankly, Chen Feng would not let them go.

He turned his head and said nothing, just stretched out his right hand and flicked twice in the air.

It was like a slap in the face.

Seeing this action, the faces of those who mocked Chen Feng just now were all flushed.

They felt hot on their faces as if they were really slapped in the face by Chen Feng.

The fact is also true.

They were just slapped in the face by Chen Feng!

Especially Cheng Junai, standing there blankly with a face full of disbelief.

Just murmured: "How is it possible, how is it possible?"

He suddenly looked at Chen Feng and yelled frantically: "How is it possible? How could you be Shen Tongguang's opponent?"

Chen Feng didn't even bother him. He just turned around and looked at Shen Tongguang.

Chen Feng's move directly ignored Cheng Junai.

This made Cheng Junai's face flushed instantly, and Chen Feng didn't even bother to care about him, so he didn't refute him at all.

This is the greatest humiliation!

Those who supported Chen Feng were quite excited and laughed.

"Chen Feng is indeed strong!"

"Yeah, kill Shen Tongguang in a flash, easily crushing him. Although Shen Tongguang is also a second-star Wudi, in front of Chen Feng, it is a waste. The two are not comparable."

"Shen Tongguang, who was still ranting here just now, saying that Chen Feng is not worthy to do with him, saying that he can crush Chen Feng, as everyone knows, someone has been crushed, but it is him who was crushed!"

"These people laughed at Chen Feng just now, where do they have this qualification?"

"Haha, now all the faces are hurting, it really deserves it!"

Shen Tongguang hadn't even recovered yet at this time, but was immersed in the huge shock.

He looked at Chen Feng and said blankly in disbelief: "I, my God-Essence Battle Body, just like you broke it?"

"My \*\*\*\* body battle body was so easily broken by you? It was crushed? How could it be possible?"

There was even a hint of crying in his voice, trembling all over, his eyes were confused, his hands covered his face, and he was full of disbelief.

His spirit almost broke down!

He has always been full of confidence in himself and believes that he is definitely like a Tianjiao among young people.

Unexpectedly, Chen Feng directly knocked down the dust today, and there was no residue left.

Chen Feng smiled slightly: "Your Shenyuan battle body is still alive, but unfortunately it's not enough if you run into me."

Just now, Chen Feng said this once.

When he said just now, everyone burst into laughter and mocked him, thinking that he was arrogant.

But now, no one dared to say a word.

Because Chen Feng has this qualification! He has this ability!

At this time, Shen Tongguang finally recovered.

He suddenly stared at Chen Feng and yelled frantically: "I don't believe it, this is not true! This is not true!"

"How could you blast out my Shenyuan battle body with one punch? I'm one of the most talented geniuses in Skydragon City! I am the most talented child of the Shen family! I have the cultivation of the second-star Wudi at a young age! "

"How is it possible? How could you defeat me so easily?"

While talking, he danced and cried loudly.

He had already had a mental breakdown, and was almost mad by Chen Feng!

Chen Feng smiled slightly: "It doesn't matter if you don't believe it, you should come back."

After that, walked towards Shen Tongguang.

When he came to him, he stretched out his hand, grabbed his neck and lifted him up, and then, a big slap was slapped on Shen Tongguang's face.

Shen Tongguang's head was hit and tilted to the side, a scream, and a mouthful of blood spurted out.

He seemed to be a little more sober, staring at Chen Feng, and shouting with fear on his face: "You, what are you doing?"

"What am I doing?" Chen Feng smiled slightly: "My woman, you dare to slap in the face, I said, I will pay back ten times!"

After all, it was another big slap, another slapped head tilted, and another scream.

He felt that his neck was about to be broken alive.

Then, Chen Feng slapped him, slapped him in the face.

Shen Tongguang's blood surged, and the screams echoed in the square!

At this time, an angry voice sounded behind Chen Feng: "Stop!"

It was Shen Qingyu's voice.

But after Chen Feng heard this voice, he smiled slightly and made no sense.

Just a few more slaps in the face and back, after finishing ten slaps, he let go and threw Shen Tongguang to the ground.

At this time, Shen Tongguang was already like a tattered doll.

Collapsed on the ground, only the intake of air did not vent.

A face is swollen like a pig's head.

He was already badly injured, and now Chen Feng slapped him relentlessly, and almost immediately slapped him without his last breath.

Chen Feng looked down at him, smiled and said, "I said, I want to pay back ten times!"

"I'm Chen Feng, I'm talking about it!"

Chen Feng patted his hands in time, and then turned around and looked at Shen Qingyu, who was already furious.

He smiled slightly: "If you let me stop, I will stop? Why is your face so big?"

Shen Qingyu gritted his teeth and said: "Chen Feng, you are not giving me face."

"Yes, you are right, I just don't give you face!"

Chen Feng laughed loudly: "Your face is worthless to me!"

Shen Qingyu's face was extremely pale.

There was a burst of laughter among the crowd.

Bai Jingwan shouted loudly there at this time: "Brother Chen Feng, you are the best, and I know you are the best!"

Hearing this, Shen Tongguang was even more irritated and suddenly howled.

At this moment, Shen Qingyu suddenly wrinkled his brows and walked to him, grabbing his hair and pulling him up.

Staring into his eyes, he shouted sharply: "Look at what your dog looks like now! What is it like?"

"You are the son of the Shen family! You are the most talented person in our family!"

"What's the point of being defeated once today? As long as you can kill Chen Feng, you can rise again in the future!"

"Sit here honestly for me, have you heard?"

"One more word, I will kill you!"

At this time, Shen Qingyu's face muscles jumped and his expression was extremely hideous.

Shen Tongguang was directly frightened by him, he had never seen his elder brother look like this.

This made him tremble all over, and he nodded involuntarily. Sure enough, he didn't dare to say a word and sat there blankly.

Shen Qingyu patted his head and said, "Now, let me avenge you!"

After that, he shook his sleeves, turned around, looked at Chen Feng, his eyes were awe-inspiring.

[Chapter 3569: Hundred Dao God Gang! Shen Yuan Zhan Zun!](#)

"Chen Feng, you really have good strength."

"I admit it."

"but!"

The look on his face suddenly became bloodthirsty and hideous: "Do you know? You can't be my opponent!"

"You will definitely die here today!"

"Do you know why?"

Chen Feng smiled and said, "I don't want to know, because there will be someone dying here today, but it's definitely not me!"

What Chen Feng said made Shen Qingyu feel as if he had hit an empty space with a punch.

He wanted to see emotions like fear and despair from Chen Feng.

But unfortunately, let him down.

He saw only one emotion, and that was: disdain!

An extreme disdain!

Chen Feng didn't pay attention to him at all, and didn't pay attention to their Shen family!

This is Chen Feng's powerful and unparalleled confidence!

Shen Qingyu stared at Chen Feng and slowly nodded: "Okay, you are arrogant, you do have arrogant capital, after all, your strength is pretty good."

"But a pity, you ran into me."

He was learning what Chen Feng said just now.

"This is doomed, you can only fall here today!"

Chen Feng looked at him, smiled slightly, and said, "You, I think you have the strength of the three-star martial emperor, even in the first-tier family, it is considered good!"

"There could have been a place in this Heavenly Dragon City, but it's a pity..."

Chen Feng smiled slightly: "You met me."

"This is doomed, you can only fall here today!"

This is actually returning what Shen Qingyu said just now.

Shen Qingyu was furious in an instant, and shouted sharply: "Little bastard, you dare to look down on me so much!"

Chen Feng smiled and said, "I just look down on you, what can you do?"

"good very good!"

Shen Qingyu was already extremely angry, the muscles on his face jumped and the corners of his eyes twitched wildly.

Pointing to Chen Feng and said: "I will make you pay for this sentence now!"

The next moment, with his roar of anger, his body rose wildly.

In a blink of an eye, he reached the realm of Samsung Wudi.

Everyone exclaimed: "Samsung Martial Emperor! Shen Qingyu has reached the realm of Samsung Martial Emperor!"

"Yes, it is said that the first person in the Shen family is Shen Qingyu. The reason why the Shen family rises is because of him. He is extremely powerful, but he still did not expect that he had reached the state of the three-star martial emperor!"

And his strength is still rising.

Finally, until the peak of Samsung Wudi, it stopped!

And this is not over yet.

The next moment, above his head, the thunderbolt, countless thunderbolts gathered here.

Countless blue plasma rolled around, and countless black auras filled it, instantly forming the shape of a giant thunder bird.

Although this Thunder Giant Bird is no different from Shen Tongguang and Shen Yang Xu's previous Thunder Giant Bird Divine Origin Battle Body, it is already extremely complete.

All are turned into entities.

Not only that, but some sharp-eyed people saw other changes above.

"Look, there are golden lines on the body of the Thunder Giant Bird!"

"Yes!"

Upon his reminder, everyone saw: "What is this?"

"It feels that not only does it seem to have evolved more completely than other people's Thunder Bird Divine Origin Battle Body, but it is even a completely different thing!"

"Yes, I feel that his Thunder Giant Bird Divine Yuan Battle Body has reached a completely new realm!"

An old man twisted his beard and smiled and said, "You guys, you really have no knowledge!"

"As everyone knows, this is what Shen Qingyu is so good about!"

"Shen Yuan battle body, condensed from Shen Gang, Shen Gang reaches three realms, can be condensed into Shen Yuan battle body! If Shen Gang reaches one hundred realms, Shen Yuan battle body will evolve!"

Everyone exclaimed: "Evolve, what has evolved?"

The old man laughed and said: "After the evolution of the battle body of the gods, the name is, the gods of the battle!"

"Shen Yuan Zhan Zun!"

Everyone was shocked by this name.

After a while, he asked: "Is this god-primary warlord very powerful?"

"Isn't this nonsense? Shen Yuan Zhan Zun, when I hear it, it is another existence that has transcended the Shen Yuan combat body!" Someone said with disdain.

The old man also twisted his beard, smiled and said, "This little friend is right."

"Shen Yuan Zhan Zun is an existence that is completely detached from the Shen Yuan combat body. It is very tyrannical and crushes the Shen Yuan combat body. It's not a problem!"

"Shen Qingyu's Shenyuan Battle Body has reached the level of Shenyuan Battle Venerable..."

Having said this, he suddenly paused and gave a sigh.

Sometimes I took a closer look and then said, "That's how it is."

At this moment, Shen Qingyu laughed and said, "Old guy, what do you see?"

The old man said in a deep voice, "It turns out that you have only ninety-nine gods, and you haven't reached the level of Shenyuan Zhanzun. It's just the prototype of Shenyuan Zhanzun!"

After everyone heard him, they all suddenly realized, "Then he is the prototype of the gods, how is his fighting power? Is he invincible?"

The old man smiled and said: "It may be a little too late to say that it is invincible, but it shouldn't be a problem to crush this Chen Feng."

Everyone nodded.

And that Cheng Junai, who didn't dare to say any more \*\*\*\* to Chen Feng, was suddenly excited after hearing these words.

"Old guy, you know the goods!"

Shen Qingyu laughed: "I'm indeed just the prototype of Shen Yuan Zhan Zun, not Shen Yuan Zhan Zun, but!"

He swept across the audience with triumphant and cold eyes: "It's enough to deal with this kid!"

"see it?"

Shen Qingyu stared at Chen Feng, haha laughed wildly: "See my repair? Samsung Wudi peak!"

"Have you seen my Shenyuan Battle Body? It is already the prototype of Thunder Bird Shenyuan Battle Venerable!"

"With such a tyrannical cultivation base, such a tyrannical Shenyuan combat body, do you still dare to talk to me like just now? Do you dare to despise me?"

His voice was full of madness, echoing above this square.

At this time, seeing the change in his expression, and seeing the strength he showed at this time, Chen Feng's expression did not change at all.

In fact, he was still a little distracted at this time.

"A hundred gods!"

"Condensed into a \*\*\*\* Yuan Zhan Zun!"

Chen Feng was also surprised when he heard the old man's words.

He had never heard of such things before.

"It turns out that after the Shenyuan Battle Body, it is the Shenyuan Battle Venerable, and then it reaches a hundred gods, before it can become a Shenyuan Battle Venerable!"

"How powerful is the power of this God Yuan Zhan Zun!"

Seeing Chen Feng not speaking, Shen Qingyu thought he was showing weakness and timid.

[Chapter 3570: All are ants!](#)

He laughed wildly: "Chen Feng, are you scared?"

"After seeing me, the prototype of the powerful God Yuan Zhanzun, I was scared, right?"

He looked at Chen Feng with a joking expression on his face: "When I am afraid, I knelt down and shouted Grandpa, I will spare you!"

"Afraid?"

At this time, Chen Feng recovered.

Looking at Shen Qingyu, he felt funny in his heart.

"How about the prototype of Shenyuan Zhanzun? My stepping-on idol battle body will knock you flat with one foot!"

Chen Feng's heart is full of lofty ambitions.

He is confident and fearless!

A smile appeared at the corner of his mouth, and then smiled and said: "Shen Tongguang just now was just as arrogant as you."

"Now I am beaten like a dead dog, and now I still give you the sentence I just gave Shen Tongguang."

"Do you deserve it?"

Chen Feng looked at him and said lightly: "Just now, I said this to Shen Tongguang, and now, I still say this to you!"

"because....."

His voice slowed down, and he said word by word: "In my eyes, you and Shen Tongguang are both ants! There is no difference!"

Chen Feng's words stunned everyone, shocked to the extreme!

"Chen Feng did the same to Shen Qingyu?"

"Yes! I admit that Chen Feng is very strong, able to crush the two-star Wudi Shen Tongguang, but Shen Qingyu is the pinnacle of the three-star Wudi, plus the prototype of the Thunder Bird Shenyuan Zhanzun!"

"Chen Feng dare to say such things to him? Chen Fengfeng dare to look down on him?"

"He is arrogant, he is too arrogant! He is now seeking his own death! He can destroy Shen Tongguang, but he is definitely not Shen Qingyu's opponent!"

At this moment, a bitter voice suddenly sounded: "He still said Shen Qingyu is unworthy? Shen Qingyu can crush him with just one finger!"

When everyone looked at it, they saw that it was Cheng Junai.

Originally, he was pale and trembling, and his heart was full of fear and despair.

Chen Feng slapped him in the face with great strength, and he was even more worried that he would be retaliated.

But now, he is energetic again, jumping up and down here.

Shen Qingyu's powerful strength gave him great confidence, making him feel that today Shen Qingyu must win and Chen Feng must die.

So it's refreshing now.

"Chen Feng is too arrogant!"

Although everyone knew that Chen Feng was strong, they still felt that he could not be Shen Qingyu's opponent. Compared with Shen Qingyu, he would still lose.

But Bai Jingwan was the only one who could not move her whole body, but shouted to cheer Chen Feng!

"Brother Chen Feng, you are the best! You must be able to crush them, you are the best!"

Chen Feng smiled at Bai Jing.

He didn't speak, everything was silent.

At this time, Chen Feng suddenly looked at Cheng Junai, smiled and said, "Cheng Junai, I slapped you in the face just now, you still don't think it hurts enough."

"Now, you want me to slap you in the face once, right?"

"Okay, then I will fulfill you!"

He pointed to Cheng Junai and said word by word: "I'll slap you in the face again!"

"I will let you know, Chen Feng, whether I have any strength!"

"I will let you know, Chen Feng, whether I am qualified to destroy the Shen family!"

"Chen Feng, I changed my mind."

Shen Qingyu suddenly said faintly: "If I use my Shenyuan combat body to crush you, I would bully you too much!"

"I will use my martial arts cultivation first to crush you!"

After that, his body was shaken, and the prototype of the Thunder Giant Bird God Yuan Zhan Zun above his head was dispersed.

Then, a fist hit Chen Feng fiercely.

The cultivation base of the three-star Wudi peak, without the slightest concealment, pressed down against Chen Feng!

Chen Feng felt that it was like a huge mountain, pressing down on him!

With such a terrifying cultivation base, any young talent in Tianlong City would be shocked and terrified!

But among them, Chen Feng is definitely not included!

Chen Feng sneered coldly, and also shouted sharply, his body jumped up, punched out, and he greeted Shen Qingyu fiercely!

In Chen Feng's dantian, the Dragon descending Arhat scripture master program was launched, twelve ancient golden dragons roared frantically, and twelve ancient golden dragons appeared and gathered on his fist.

As soon as this power surged out, Shen Qingyu's expression changed abruptly, and a hint of horror flashed across his face.

Just now, he saw Chen Feng using this trick to easily smash Shen Tongguang's Shenyuan battle body, severely wounding him and dying, and he didn't feel how strong he was from the sidelines.

But now such a contact, it is a feeling that the boundless vastness and great power is pressed down!

He couldn't resist it at all!

"I can't compete at all! Too strong!"

"This power is like a deep sea like a sea, like a big river coming from waves, I feel like I'm going to be submerged directly!"

There was a look of horror in his eyes: "His move will defeat me directly! What should I do?"

At this moment in his heart was full of fear and panic.

A sneer appeared at the corner of Chen Feng's mouth: "Joke!"

The huge force of 12 billion catties can be easily followed?

Seeing. In the next moment, Shen Qingyu will be directly defeated by Chen Feng in this lap, and even severely injured, and the Haikou he just boasted will be slapped to pieces.

Suddenly, a hint of cunning flashed in his eyes, as if some decision had been made.

Then, there was a sudden roar.

Above his head, the prototype of the Thunder Giant Bird God Yuan Zhan Zun suddenly appeared.

Then, the prototype of the Thunder Giant Bird God Yuan Zhan Zun, just staying with the black giant mouth, madly clicked towards Chen Feng!

Under this point, it carried an incomparable tearing force.

Although its size is huge, this point is to concentrate all its power in this small square inch!

The strength is extremely concentrated, so it is also exceptionally tyrannical.

And his position at this point is exactly Chen Feng's head.

At the same time, his claws tore down, to the left and right sides of Chen Feng's body.

When everyone saw this scene, they were all in an uproar.

"Shen Qingyu is really shameless! He actually used his prototype of Shen Yuan Zhan Zun!"

"Yes, I said that this trick is only for martial arts cultivation! As a result, he actually used the prototype of Shenyuan Zhanzun, he really didn't even need his face!"

"Does this still need to be said? He is definitely not Chen Feng's opponent, so he will use his prototype of Shenyuan Zhanzun!"

"It's shameless!"

The crowd was filled with righteous indignation and shouted,

At this time, there was still the beam jumping clown shouting loudly: "If you can win, you will win the king and lose the bandit. Who will remember how Shen Qingyu won?"

"Chen Feng is so arrogant, he deserves it by any means to kill him!"

They screamed.

Especially the Shen family, the other brothers shouted in excitement: "Brother, kill him, tear him apart!"
