

## Peerless 3901

### [Chapter 3901: Shadow ghost step first layer, Dacheng!](#)

He immediately raised his head, and suddenly, Chen Feng's face showed a touch of shock.

It turned out that at this time, as the thunder from the sky split, the sky above the head that was originally clouded, but now a gap was split.

Chen Feng clearly saw that in the gap there was a huge existence that looked like a formation.

Chen Feng suddenly knew what it was.

"Formation! This is the formation that protects the Xuanyuan Family's Inner Sect."

"And here is the core of the formation!"

Chen Feng even saw that there were countless lines around the core of the formation, crisscrossing each other, and inside each line there was ample and powerful force flowing.

These lines formed an extremely complex pattern, and Chen Feng was almost obsessed with it at a glance.

But before he could look more, Xuanyuan Xiaoyue waved his hand, and immediately the clouds closed again, blocking the true capacity of the formation behind.

The two said a few words, Xuanyuan Xiaoyue looked at Chen Feng with deep eyes, seemingly meaningful, and said softly: "Chen Feng, you should, you are going to Kongsang Lunjian next?"

Chen Feng nodded: "In less than three months, I plan to go to Tianzi City first, and then go to Kongsang in the East China Sea."

Xuanyuan Xiaoyue twisted her brows and said, "This time, you have to be prepared."

"Of course."

Chen Feng smiled and said: "Of course the disciples will be prepared and will never be humiliated in the past."

His trip was not only himself, but also the face of the entire Xuanyuan family.

"No, no, I'm not talking about this."

Xuanyuan Xiaoyue waved her hand.

Chen Feng's heart moved: "What is that?"

Xuanyuan Xiaoyue had a very tangled expression, as if he wanted to say something, but he was a little hesitant.

In the end just sighed: "You have to be careful on this trip, unknown enemy!"

"Be careful!"

If Chen Feng understood something in his heart, he took a deep breath and said every word: "Elder Xiaoyue, rest assured, my disciple understands."

A void, vast and speechless.

It's just that, suddenly, in the void, there appeared a piece of gravel hills floating in the sky.

Chen Feng had been to these gravel mountains before.

Every time he went to Chaoge Tianzi City from the Nei Sect of the Xuanyuan Family, he would pass by this gravel mountain, a radius of millions of miles.

The gravel mountain inside, I'm afraid there will be hundreds of millions of them.

Suspended in the air, it has different forms and is mighty, with no end in sight at a glance, stretches like the sea.

A red light and shadow quietly appeared and pierced the sky, after which it pulled out a bright tail flame like a flame.

What is even more peculiar is that the flames are sweeping and rolling, forming a pattern like a phoenix.

Gorgeous and bright!

At this time, on top of this huge magic weapon, there were several people sitting or standing, it was Chen Feng and his party.

It turned out that it has been a while since Chen Feng and others left the inner sect of the Xuanyuan family.

Those weapons of his had been damaged and were swallowed by the celestial white dragon spear.

However, the celestial white dragon spear was so arrogant that Chen Feng would not be allowed to fly on him, let alone Chen Feng with others.

Therefore, Chen Feng's group was sitting on Wu Linghan's Chiyang Fire Phoenix Spear this time.

It turned out that this time, Chen Feng brought Wu Linghan and others all out.

And he also made up his mind to bring people around him with him in the future, and would never put it in other places, so as not to cause eternal regret.

Even after he bought a large enough Ruyi boat, he would settle in all those friends who settled in Tianyuan Dynasty.

On the Chiyang Fire Phoenix Spear, Chen Feng sat cross-legged.

He had to resist the strong wind on the face with all his strength, and even so, he was hurt all over his body.

Others, even more fully, can barely resist.

In this case, let alone practice, it would be good to be able to maintain strength without declining.

The incomparable wind strikes, at this speed, it will bring great consumption and make the body extremely cold.

This is the disadvantage of not having Ruyizhou. When driving outside, the strength does not increase but decreases.

And just as the Chiyang Fire Phoenix Spear passed a piece of gravel mountain at an extremely fast speed, Chen Feng suddenly opened his eyes!

In the next moment, his figure disappeared directly.

For this scene, everyone on the Chiyang Fire Phoenix Spear was obviously already used to it, and didn't care.

Only Mei Wuxia, but Huo Ran stood up, a touch of excitement flashed in his eyes.

Because she felt that Chen Feng's breath this time seemed to be different from before.

A touch of fullness, a touch of mellowness, indifferent, peaceful, as if it were natural.

The next moment, on a gravel mountain fifty miles away from Chiyang Fire Phoenix Spear!

Said it is a gravel mountain, it is just a big stone tens of meters high.

Moreover, the shape of this stone is very peculiar. When the sun shines, this stone mountain, only on its north side, under the tip of the mountain, leaves a small shadow.

At this time, Chen Feng quietly emerged in that little shadow.

Everyone was stunned, not because Chen Feng appeared there, but because of the distance Chen Feng appeared there at this time!

Fifty miles!

Fifty miles!

This distance is as long as never before!

They all suddenly realized something.

Mei Wuxia exclaimed in excitement: "Brother Chen Feng, you have done it!"

Chen Feng stood up slowly in the shadow, stretched lazily.

After that, he laughed and blasted a punch, directly blasting this iron-hard hill with a height of several tens of meters into debris in the sky.

He laughed loudly: "The first level of the shadow ghost step, I have practiced to the realm of success."

"Within fifty miles around, as long as there is a shadow, it is where Chen Feng comes and goes at will!"

Chen Feng looked up to the sky and laughed: "My shadow is the first level of ghost steps, and now I have entered the realm of great success!"

He was extremely happy.

On the first level of Shadow Ghost Step, even a person with the most talented person would have to practice for almost three years.

However, Chen Feng only spent a month, and he was still on the road, but he had already achieved it.

This shows how amazing his talent is!

God-level talent, well-deserved reputation!

It turned out that nearly dozens of days ago, Chen Feng and others left the Xuanyuan family's inner sect and rushed to Chaoze Tianzi City.

And just as he left, Pu Jingyi also left quietly.

However, instead of traveling with Chen Feng, he was going to the Soul Hall to find out the news.

Chen Feng used the shadow ghost step several times in succession, and then returned to the Chiyang Fire Phoenix Spear.

But at this time, his \*\*\*\* energy was almost consumed.

Everyone congratulated him again and again.

Chen Feng smiled slightly: "With this, I will be able to improve my combat effectiveness a lot, and my confidence in going to the sorghum mountain can be much higher."

#### [Chapter 3902: What happened?](#)

"However, I also found a problem with this shadow ghost step."

Chen Feng frowned, his figure flickered a few times, and he took a good look at the shadows he had just appeared.

Then, he nodded slowly: "My shadow ghost walks the first level. Although it has been completed, it can be moved within fifty miles, but there is still a very big flaw."

"The size of this shadow must be bigger than my body."

It turned out that Chen Feng discovered in these days of cultivation that if his body is larger than his shadow, for example, two meters long and one meter wide, then his body can easily get out of it.

And if he is smaller than his own size, such as as big as a fist or as big as a basin, then he cannot appear.

On several occasions, he almost couldn't come out in the turbulence of time and space.

In this way, the power of this shadow ghost step is actually limited a lot.

However, Chen Feng shook his head, patted his head lightly, and said, "Chen Feng, Chen Feng, don't be greedy."

"It took a month to become the first level of the Shadow Ghost Step, which is enough for others to envy."

"Moreover, the power of the first layer of this shadow ghost step is so great, even if it has such a small flaw, it is extremely terrifying."

Chen Feng smiled slightly, and then left this behind, as long as he paid enough attention!

In fact, compared to this, Chen Feng should be more concerned about the amount of Shen Yuan consumed.

He can only use it six times now, and his soul is exhausted.

Moreover, there was one thing that made Chen Feng relieved.

Only when he uses the shadow ghost steps, the torrent of black, white and gray lines will appear in his eyes, and the time and space vortex will be seen.

Chen Feng sighed softly, "Fortunately, this happens only when using this shadow ghost step."

"Otherwise, what fun is there in this world in front of me?"

Two more days passed, when the sky was still on.

A happy voice came from Chiyang Fire Phoenix Spear: "Heaven's City, here it is!"

Everyone got up and looked into the distance, the huge and majestic city suspended in the air.

A smile appeared at the corner of Chen Feng's mouth, and he sighed softly: "Chaoge Tianzi City, I am here again."

Chen Feng knew that he would come to Chaoge Tianzi City less and less frequently.

Because his power level will soon surpass this place.

But here, there are also his concerns and memories.

The group of people quickly entered Chaoge Tianzi City.

The defenders of the city were even impressed by Chen Feng.

In the past few years, Chen Feng has been in the limelight in Chaoge Tianzi City, and none of the powerful forces in Chaoge Tianzi City did not know him.

Seeing that it was him, no one dared to speak up.

Soon, Chen Feng and his party came to the seven-star auction house again.

Seven Star Auction, in the Flower Hall.

Not long after Chen Feng and the others sat down, Lu Yutang laughed and walked in: "Brother Chen Feng, are you here again?"

Chen Feng laughed, "Brother Lu, don't come here without problems?"

Although his strength and status are far better than before, when he faces Lu Yutang, he is still the same as before.

There is no shelf.

He is Chen Feng, just Chen Feng.

The two exchanged greetings, and then Chen Feng introduced him to the people around him.

Everyone saw it one by one.

Knowing that Lu Yutang had taken care of Chen Feng at the beginning, everyone had a very good impression of him.

The people were seated separately. The maid served a delicate tea and snack and drank a few sips, but Chen Feng was keenly aware that Lu Yutang's brows were furrowed, and his eyes were full of worries, as if something was on his mind.

Chen Feng moved in his heart and smiled and said, "Brother Lu, what's the matter? But it's okay to tell me."

"If Chen Feng can do it, he must do it."

"Even if Chen Feng can't do it, it's okay to use a little effort."

After hearing Chen Feng's words, Lu Yutang showed a deep touch on his face and was about to speak. Suddenly, a light cough came from the door, interrupting the words he was about to say.

Everyone looked up and saw that Yan Yun had reached the door and smiled and said, "Master Chen, don't come here unharmed?"

Chen Feng had no choice but to stop talking.

He glanced at Lu Yutang, Lu Yutang smiled bitterly and shook his head, Chen Feng knew that there must be an inside story.

But obviously it was not the time to say this, so he got up and met with Yan Yunxin, chatted a few words, and made clear what he wanted.

Yan Yun raised his eyebrows: "It turns out that Young Master Chen wants to buy a Ruyi Boat, a pill to restore vitality, and a high enough offensive martial art?"

Chen Feng nodded: "Exactly."

Yan Yun pondered for a moment, and said slowly: "Ruyizhou is really rare."

"The level is high enough, and the martial arts that can be admired by Young Master Chen can only be relied upon."

She smiled bitterly: "It's also a pill to restore vitality, so I can find some."

Chen Feng nodded.

He naturally knew that wishful boats were very rare. The entire Xuanyuan family's inner sect, as one of the nine major forces, only had a few wishful boats.

And he only sat once when he was introduced into the Xuanyuan Family's Inner Sect for the first time, and he has never seen him since.

There are not many of the nine powers, which shows how rare it is elsewhere.

As for offensive martial arts, what he can see is at least Grade 6 or above.

Yan Yun pondered for a moment, and said slowly: "At present, there is indeed one Ruyi Boat in our Chamber of Commerce, but it is not big, but it can accommodate a few people."

"This obviously doesn't meet your requirements, Mr. Chen. What you need is a large Ruyi boat that can accommodate many people."

Chen Feng nodded.

Yan Yun's heart was very simple, and said flatly: "Within three days, Ruyizhou, I will give Master Chen Feng an answer."

"As for martial arts, I dare not say enough."

Chen Feng laughed and said, "Hurry up! Then Chen Feng is waiting."

He said again: "If you can't find a martial art of Grade 6 or above, then it is powerful enough to be a hidden weapon that can be used once, a magic weapon."

Yan Jun nodded thoughtfully.

After talking about the business, a few people were chatting there.

They have a very good relationship, just like old friends.

Some of them didn't chat, and in a blink of an eye, several hours passed.

Chen Feng felt that this atmosphere was very comfortable. There was no need to conceal and intrigue. For him, it was a rare relaxation.

In the meantime, Chen Feng did not hide it. When he talked about his trip to the deserted ancient ruins, Yan Yunxin, Lu Yutang and others were fascinated.

Lu Yutang even sighed in his heart: "Who would have thought that the young man I saw in that small drug store that day had risen to this level?"

"The Dragon Vein Continent can't tolerate him, he will go to the deserted ancient ruins, other worlds!"

### [Chapter 3903: The desperate situation of Yan Jun's heart!](#)

And Chen Feng also keenly discovered that although Yan Yunxin forced a smile, there was always a trace of worry between his eyebrows, as if he was worried.

But when he thought about it, he knew that if he wanted to ask, Yan Yunxin wouldn't say it.

They simply pretended not to know.

Soon, as night fell, a few people had a dinner together, and Yan Yunxin said goodbye.

However, Chen Feng left Lu Yutang and said he wanted to chat with him and relive the past.

After Yan Yunxin left, Chen Feng looked at Lu Yutang and immediately said straightforwardly: "Brother Lu, what is going on?"

Lu Yutang looked at Chen Feng and sighed softly, "Brother, do you remember?"

"The young master of the North Sea Dragon God Palace who was right with you that day, the grandson Gaoge."

A sneer appeared at the corner of Chen Feng's mouth: "Of course I remember the grandson Gaoge, what's the matter? He is itchy again? He wants to be cleaned up, right?"

Lu Yutang listened, but smiled bitterly.

The young master of the dignified Dragon God Palace, the extremely powerful grandson Gaoge, others are terrified, and anyone who is targeted by him will be dealt with miserably.

Only Chen Feng could easily say the words to clean him up.

Lu Yutang whispered: "That day, brother Chen Feng, you cleaned up this grandson Gaoge terribly."

"But after you left, he was not angry and couldn't find you, so he vented his anger on my big seven-star auction site."

"or....."

He whispered: "To be precise, it was the eldest lady."

Chen Feng keenly discovered the meaning of his words, and said in a deep voice, "Could it be possible that there are still people in your Seven-Star Auction House who have different intentions?"

"Yes."

Lu Yutang whispered: "The grandson Gaoge shouldn't be worried."

"The dragon blood amethysts he brought out this time have basically been won by you, brother Chen Feng."

"Even if you want to deal with my seven-star auction house, there is no way."

"However, just a few months ago, in Chaoge Tianzi City, another mysterious figure called: Duanmu Hongyu."

"This person is not much older than Sun Gaoge, the young master of the Dragon God Palace, but his strength and scheming are far better than him, and his power and financial resources are very strong."

"After this person supported the grandson Gaoge, the grandson Gaoge began to deal with our seven-star auction house unscrupulously."

"He actually opened a new auction house next to the Seven Stars Auction House!"

Chen Feng raised his eyebrows.

When he came just now, he did see a newly opened auction house with a huge scale and great momentum, not inferior to the seven-star auction house.

"His big auction house is now running on our seven-star big auction house."

"They arranged manpower and waited outside the Seven Stars Auction. When they saw someone daring to do business with us, they would beat them up with provocations, and many of them would abolish the cultivation base."

"We are not as good as others, so we have to endure."

"In this way, it is left out in front of the door, and there is a lot of fun there."

Chen Feng listened and looked silently, waiting for Lu Yutang to continue speaking.

Lu Yutang showed a look of anger on his face, gritted his teeth and said, "If this is the case, it doesn't really matter. Our seven-star auction house has a profound background."

"It's still suffocating. The big deal is that nothing good will be auctioned in the past few months."

"But time goes on, when the limelight of that auction house passes, it should be ours or ours then."

"But unfortunately, there is a problem within the Chamber of Commerce now!"

He looked at Chen Feng and said, "Brother Chen, you may not know it."

"Just three months ago, the elder of our Seven-Star Chamber of Commerce, who had always supported the eldest lady, went crazy while practicing and died directly."

"The second elder back then is now the first elder, and this second elder has always been very at odds with the young lady."

"It can even be said that there is a lot of hatred between the two."

"Therefore, now under his control, none of the black elders of the Seven-Star Chamber of Commerce respects the young lady. They are all thinking about how to get the young lady down!"

"Under this situation, they have repeatedly attacked and blamed the eldest lady almost every day. The eldest lady has been forced by them..."

He sighed and said, "I'm in a desperate situation!"

That's how Chen Feng felt.

"I said, why can Yan Yunxin be able to withstand those crises before, but this time he can't, because this is the reason."

Lu Yutang sighed and said, "In fact, the eldest lady won't meet at Seven Star Chamber of Commerce if she is not in Seven Star Chamber of Commerce. Instead, she will worry less about it. I would still like this!"

"But it's a pity that they not only want to force Missy out of the Chamber of Commerce, but also want her to die!"

"Once the eldest lady leaves the Seven Star Chamber of Commerce, she will die!"

Chen Feng said solemnly: "Why does the elder hate Miss Miss so much?"

Lu Yutang smiled bitterly: "This involves a passage of the year."

"At the beginning, the elder wanted his grandson to marry the eldest lady, so that the seven-star chamber of commerce would fall into their hands."

"After all, there was only one heir of the eldest son of the old president."

"The eldest lady disagrees, this matter is all over."

Chen Feng said: "Then?"

"Unexpectedly, the grandson of the elder, who has been arrogant since childhood, how can he stand this? He wants to be strong."

"It actually sneaked into the house of the eldest lady, wanting to do something wrong."

"It turned out to be restrained by the eldest lady and killed on the spot!"

"The great elder is just this grandson. From then on, his lineage has been cut off, you say..."

Chen Feng nodded.

The two are already a deep feud, and it is impossible to resolve it at all.

"Since it can't be resolved, then since you have to live and die!"

A smile appeared at the corner of Chen Feng's mouth, and he said coldly: "Then, you die! I will live!"

Chen Feng looked at Lu Yutang and said slowly: "The biggest problem now is that the eldest lady can't get enough treasures for auction, so she is run on by those old things every day, right?"

"Yes."

Lu Yutang nodded.

"Relax, leave this to me."

A smile appeared at the corner of Chen Feng's mouth, and his voice was indifferent, with a touch of unspeakable confidence: "Since I, Chen Feng, come, I won't sit back and watch this happen! Just relax."

Chen Feng did have the confidence to say this.

This time when he came here, he originally wanted to take out some of the treasures he had obtained from the deserted ancient ruins that day, and auction them in exchange for immediate combat power.

The treasures he can take out are definitely not what those people can imagine.

When Lu Yutang heard it, he couldn't help being overjoyed.

He has always known what kind of person Chen Feng is!

Chen Feng, don't speak lightly!

Since he said that this matter is left to him and if he can solve it, then it will definitely be solved.

[Chapter 3904: blame!](#)

"I have another question."

Chen Feng frowned and looked at Lu Yutang, "Who is this grandson Gaoge and Duan Mu Hongyu behind him?"

"I'll be honest, before I met the grandson Gaoge, I didn't know about the North Sea Dragon God Palace."

"Later, I learned that this is actually a powerful force that is not inferior to the nine major forces."

"And from what you said, this end of Mu Hongyu can become the backstage of Changsun Gaoge, then his power is only scarier than Changsun Gaoge."

"Why are there so many mysterious forces on the Dragon Vein Continent?"

Chen Feng felt that his previous cognition seemed to be covered with a veil, and he couldn't see clearly.

And it seems that there are some secrets in this dragon vein continent, and they begin to reveal the truth to him. *novelusb.com*

Lu Yutang shook his head and smiled bitterly: "Brother Chen Feng, if you ask me, it's hard for me."

"I really don't know these things. In fact, we don't know the origins of Changsun Gaoge and Duanmu Hongyu in Chaoge Tianzicheng."

"But you need to ask some powerful and very knowledgeable seniors."

Chen Feng nodded, and didn't ask any more, just sneered in his heart: "Grandson Gaoge, since you know that Chen Feng is here, with your little city mansion, you will definitely be tempted to jump out!"

"At that time, I will not believe that Duanmu Hongyu behind you will not come out!"

Chen Feng and others then left, preparing to live in the backyard.

The Seven Star Auction House naturally arranged a residence for them.

When Chen Feng and others came out of the flower hall and went to the backyard, they had to pass through the hall in the middle.

They had just arrived in the hall when they heard a fierce quarrel in a door beside the hall.

Among them, Chen Feng heard a familiar voice, the voice of Yan Yunxin.

Chen Feng frowned and looked there.

I saw that it was a side hall next to the hall. The area was also huge, with a radius of more than a thousand meters.

At this time, the door was crowded with people, and quite a few people were watching.

Seeing this scene, Lu Yutang's face became angry, and he was about to blast everyone away when he stepped forward.

Chen Feng waved his hand at this time to stop him, and the two moved forward.

Seeing Lu Yutang coming, everyone showed awe, bowed their heads and bowed to make way.

Soon, Chen Feng and his party came to the door of the hall, and Chen Feng also saw the scene in the hall.

At this moment, in the hall, the two parties are facing each other!

Among them, there were hundreds of people, all wearing black robes.

On the black robe, they are all dotted with patterns of stars.

The first person is a tall old man with snow-white hair and beard. The black robe he wears is embroidered with seven stars.

This is the sign of the seven-star elder with the highest rank among the seven-star chamber of commerce!

At this moment, he was muzzling, saying something to the opposite side extremely arrogantly.

At this time, there was only one person standing opposite them.

Yan Yunxin!

She was completely white at this time, cold and frosty, but there was a faint trace of redness on her face, showing indescribable anger.

Tears were full of tears, but she forcibly endured it to prevent the tears from falling down.

She stood there, like a white, delicate, but helpless lotus.

On the opposite side of her, there are hundreds of evil wolves who want to tear her to pieces, divide and devour them!

Lu Yutang resisted his anger, pointed at the elder with seven stars on top of the black robe, and whispered: "This person is Xianhua Zang, and he is now the great elder of the Seven-Star Chamber of Commerce."

"It's that he has been embarrassed by Miss!"

Xian Huazang looked at Yan Yunxin, his voice suddenly raised, and shouted sharply:

"Yan Yunxin, do you know that my seven-star auction house, which used to be once every three days, has not opened for a whole month and a half!"

"Do you know, why is this?"

Yan Yun bit his red lips and stood there without saying a word.

Xian Huazang smiled triumphantly when he didn't speak, "Don't tell me?"

"Don't know or have no face to say? Ok! Since you don't say yes, then I will tell you!"

A hint of sarcasm flashed in his eyes, and he smiled: "It's because you have a good relationship with Chen Feng."

"And Chen Feng, offended the Young Master of the Dragon God Palace, and now they are all kinds of runs! We can't get any treasures from the runs, we can go out for auction!"

"As a result, our seven-star auction house has suffered a serious loss of reputation, and even the entire Seven-Star Chamber of Commerce is greatly affected!"

He suddenly pointed, pointed at Yan Yunxin, and shouted: "You are to blame for all this! It's all your guilt! Do you understand?"

"Yes!"

Behind him, the many black-clothed elders all shouted loudly, accusing Yan Yunxin harshly.

They are accusing Yan Yunxin!

Fierce and harsh blame!

At this time, the people watching at this door also buzzed and made a huge noise.

Many people showed disapproval on their faces, and the object of disapproval was Yan Yunxin.

Obviously, they were also dissatisfied with Yan Jun's heart!

Chen Feng frowned and sneered in his heart:

"These black-robed elders are really very sinister."

"They could have closed the door and discussed this in private, but they deliberately opened the door."

"Let these seven-star auction houses onlookers, and even many outsiders onlookers."

"Obviously, I want to take this opportunity to let everyone know that the interior of the Seven Star Auction House is already unstable and that Yan Yunxin is about to lose power!"

"Fighting against Yan Junxin's prestige makes her even more helpless!"

The black robe elders of the Seven-Star Chamber of Commerce headed by Xian Huazang, the accusations were raging like a tide.

Almost able to drown Yan Yun's heart.

Faced with their accusations, even insults, Yan Yun just stood there, gritting his teeth!

She was trembling all over, and her face flushed, but in her eyes, there was an indescribable color of determination.

Finally, she faced everyone, slowly speaking, her voice extremely firm: "Don't worry, I will give you an explanation!"

"I will definitely get enough treasures to reopen our auction at the Seven Star Auction House!"

As soon as the voice fell, a sneer of disdain came.

Xian Huazang pointed at Yan Yunxin and said with a sneer: "It's beautiful, but how many times have you said this?"

"In the past few months, it has been countless times!"

"Every time you say that you can get a good enough and high enough auction item, but every time there is no news! What about the treasure you are talking about? What about the treasure?"

The more he talked, the more emotional he became, and suddenly he took the first two steps and walked directly in front of Yan Yunxin.

The finger almost reached her nose: "I tell you, Yan Yunxin, even if you are the eldest lady of our Seven Star Chamber of Commerce! You can't do whatever you want!"

#### [Chapter 3905: Down, Chen Feng!](#)

"I will give you three more days. If you can't bring out enough treasures for auction, then!"

The corner of his mouth suddenly showed a hideous color, and the muscles on his face twitched: "Don't blame us then, let you get out of the Seven-Star Chamber of Commerce!"

After all, there was a burst of laughter, extremely arrogant.

Behind him, the many black-robed elders all laughed triumphantly.

from their perspective. It was a foregone conclusion that Yan Yunxin was expelled from the Seven-Star Chamber of Commerce.

Yan Yunxin couldn't make a strong rebuttal, because he really couldn't produce enough treasures!

Lu Yutang was beside him, his fists were already clenched with anger, and intense murderous intent flashed in his eyes, gritted his teeth and bitterly hated.

However, he can only do so.

For these people, he was helpless.

Seeing that Yan Yun was silent, Xian Huazang was even more proud, haha laughed and said, "I can't speak now, right?"

"Now, I can't hold it anymore, right?"

"Tell you, Yan Yunxin, your expulsion from the Seven-Star Chamber of Commerce is a foregone conclusion!"

He sighed and deliberately made a pity for Yan Yun and said: "Yan Yunxin, I advise you to hand over authority obediently and withdraw from the Seven-Star Chamber of Commerce by yourself!"

"It won't be bad for us to avoid being kicked out in time."

"You don't want face, our Seven-Star Chamber of Commerce still needs face!"

His words are already extremely ugly.

But at this moment, Yan Yunxin suddenly smiled.

With a cold smile on her face, she stared at Xian Huazang and said word by word: "Now you want me to leave the Seven Star Chamber of Commerce? Tell you! Dreaming!"

Xian Huazang's face turned blue for a moment.

Then he sneered: "Okay, okay, okay, don't you quit?"

"Okay, then I will give you three more days. I will see what treasures you can bring out in these three days!"

"Just these three days, can you still turn the sky upside down?"

At this moment, a voice suddenly came.

The voice was indifferent and cold, with a hint of sarcasm: "Why three days?"

"Today, he can bring out enough treasures!"

"who!"

After hearing this, Xian Hua frowned and turned to look.

At this moment, Chen Feng strode into the hall and walked straight towards Yan Yunxin.

After seeing Chen Feng, Xian Huazang's pupils shrank instantly.

He naturally recognized Chen Feng.

After all, Chen Feng has been to the Seven Star Auction House so many times, in fact, this is not the first time he has met Chen Feng.

However, not everyone knows Chen Feng.

Behind him, among the many black-robed elders, many people have doubts on their faces, not knowing who this person is.

However, most of them were calm and did not rush into trouble.

But there was a middle-aged black-robed elder who suddenly got up, stared at Chen Feng, and said disdainfully: "Where is the little bunny, the unknown junior?"

After hearing these words, Chen Feng was stunned: "Am I an anonymous junior?"

When Xian Huazang heard what the middle-aged black-robed elder said, he immediately sank and cursed in his heart: "Fuck, don't talk nonsense if you can't speak, you really lost your lord!"

Before he could say anything, the middle-aged black-robed elder saw Chen Feng not speaking, thinking that what he expected was indeed correct.

Thinking that Chen Feng had nothing to say when he was asked, he was even more proud of him!

He pointed to the door, with a sharp voice and said: "Get out!"

"How can you speak here?"

At this moment, a smile appeared at the corner of Chen Feng's mouth, then looked at him, and slowly uttered four words: "Here, Chen Feng!"

"Next, Chen Feng!"

It's just these simple words, but it's like a thunderstorm, which exploded in this hall!

The black robe elder who was still very arrogant just now, after hearing these four words, all the following words were immediately blocked in his throat!

He made a creak in his mouth, like a chicken with a severed neck. His face was flushed red, but he couldn't say a word!

"Next Chen Feng!"

These four words can already explain everything!

At this moment, Chen Feng turned around, looked at the middle-aged black-robed elder, smiled and said: "This sir, I am an unknown junior, Chen Feng, can I take care of today's affairs? Do I have the right to stand here?"

There was a hint of mockery at the corner of Chen Feng's mouth.

After he said this, everyone burst into laughter.

The object of ridicule was naturally the middle-aged black-robed elder.

Of course Chen Feng is qualified to stand here!

Of course Chen Feng is qualified to take care of this!

Chen Feng, of course, is not a nameless junior!

He is Chen Feng, so he is naturally qualified to stand here!

He is Chen Feng, so he is naturally qualified to take care of this!

Just rely on Chen Feng, these two words!

And the middle-aged black robe elder's face was even flushed.

What Chen Feng said was like a slap in the face, slapped his face fiercely, causing him to lose face instantly.

He couldn't help but regret: "Why did I say that just now?"

The surrounding discussion sounded loudly: "If Chen Feng is an unknown junior, what is he?"

"Yes, I have never heard of this person!"

"Haha, this person feels ignorant of Taishan, dare to say that Chen Feng is an unknown junior, it is simply insulting himself and laughs generously!"

The sound of laughter from the surroundings made the middle-aged black-robed elder want to find a place to sew in.

He hated Chen Feng so much, his eyes were full of resentment, but he didn't dare to say a word!

Chen Feng stared at him coldly, and didn't bother to pay attention to him, but turned around and strode to Yan Yunxin.

Then, facing the Xianhua Tibetans!

Opposite him are hundreds of powerful black robe elders of the Seven-Star Chamber of Commerce.

Chen Feng faced all of them with his own strength, but his aura, not only did not lose at all, but was even above them!

It's as if these people are not besieging him, but he is besieging these people by himself!

Then, Chen Feng smiled slightly and said slowly in his mouth:

"Everyone, today's matter, I'm Chen Feng!"

His voice is firm, without hesitation: "It's fixed!"

And just after Chen Feng came in, Yan Yunxin's eyes never left him.

The rims of her eyes turned red in an instant, tears almost fell, and her eyes were full of emotion.

But at any rate, he can control his emotions.

However, when Chen Feng said these words, this seemingly weak, but strong woman suddenly couldn't control her emotions.

In an instant, tears were streaming down his face.

Suddenly she felt her whole body soft, and her body was shaky, and she could hardly help holding Chen Feng and crying bitterly.

At this moment, Chen Feng half turned around, patted her shoulder gently, and whispered:

"I know all your grievances, and I know all your thoughts."

[Chapter 3906: I will take it for you!](#)

"Today, including in the future, you no longer have to bear these things!"

"I'm Chen Feng for you!"

He paused, and then slowly spit out four words: "Just take it!"

These four words are as heavy as Mount Tai!

He said it very solemnly, but it was categorical, without any hesitation.

And after hearing him say these four words, for no reason, Yan Yun felt unspeakable peace of mind.

Originally, the anxious and anxious heart just now became calm all at once, without any twists and turns, the whole person was quiet.

She nodded lightly and said nothing. *NOVELUSb.com*

Chen Feng turned around and faced Xian Huazang and many other black-robed elders.

Looking at Chen Feng, Xian Huazang's expression was extremely gloomy.

He is no stranger to Chen Feng.

He is very clear about the relationship between Chen Feng and the Seven-Star Chamber of Commerce, and he is also very clear about Chen Feng's strength and how terrifying he is.

Seeing Chen Feng standing there, this young man in white robe, although not very old, was as calm as a mountain.

In his heart, there was a burst of indescribable fear and fear for no reason.

But the next moment, a greed and hostility in my heart suddenly rose: "Xian Hua Zang, what the \*\*\*\* are you afraid of?"

"Today you are going to shrink, this seven-star chamber of commerce will always belong to this little bitch!"

"Since you want to be in power and control the Seven-Star Chamber of Commerce, you must do it today!"

"Moreover!"

His thoughts turned: "The grandson Gaoge and the mysterious Duanmu Hongyu are standing behind you!"

"The two people have extremely terrifying backgrounds, and the forces they control are even stronger than the nine major forces. With their backing, what are you afraid of?"

Thinking of this, he had no scruples in his heart.

Even, he felt that he was still above Chen Feng at this time, after all, behind Chen Feng was just a Xuanyuan family.

And behind him, there are those two extremely terrifying forces.

The expression in his eyes suddenly became gloomy and cold, and there was a deep look down in it, and he said in a tone that was almost rebuke:

"Chen Feng. Today's affairs are internal affairs of our Seven-Star Chamber of Commerce and have nothing to do with you!"

"Hurry up now, I can still see the things that have never happened today!"

Hearing what he meant, it was as if he had given Chen Feng a lot of face and favor by letting Chen Feng go!

Chen Feng stared at him, smiled and said, "I'll really take care of this matter today!"

Xian Huazang's face sank: "Boy, don't regret it!"

"Since you have to insult yourself, then I must make you faceless in front of everyone in Chaoge Tianzi City!"

Chen Feng looked at him and smiled indifferently: "Why don't I believe it so much!"

Xian Huazang stared at Chen Feng and said with a sneer: "Chen Feng, I know that you are very strong, talented, and famous."

"However, to take out the treasure, you need the foundation!"

"Background! Do you understand?"

He can emphasize these two words, with a touch of sarcasm at the corner of his mouth:

"As far as I know, Chen Feng, you are only from a small family, with a low status and low background."

"Later, I entered the Xuanyuan Family Inner Sect, but it didn't take long."

"I admit!"

He pointed to Chen Feng and said, "You are very talented and strong, but with your little background, how many treasures can you take out?"

"Yes!"

Many black-robed seven-star elders nodded one after another, all agreeing with Xian Huazang's opinion: "Chen Feng, don't hold on here, we know you don't have many treasures."

"Yes, we know that you want to stand up for Yan Yun, but you don't have any treasures. Saying nothing counts."

"Today, Yan Junxin will definitely be kicked out!"

Xian Huazang was even more proud of hearing the support of everyone.

In his opinion, even though Chen Feng appeared today, he would firmly control the situation.

He looked down at Chen Feng with a trace of condescension, and looked down, and said, "Chen Feng, you young man, you don't know the heights of the sky and the ground, and you are unreasonable. It is forgiven!"

"You get out now, I don't care about you."

He seemed to be speaking magnanimously, but in fact he was full of overlook and disdain for Chen Feng!

After listening to him, Chen Feng stood there, silent for a long time without speaking.

Seeing this scene, the people onlookers couldn't help but make a low voice: "You won't be told by them, is it true that Chen Feng can't bring out the treasure?"

"I think it is possible. If not, why has he not spoken for so long?"

"Chen Feng is afraid that he will be planted this time. He is strong and talented. He knows that, but if you want to bring out the treasure, you must have enough background!"

There was a lot of discussion, and they were not optimistic about Chen Feng.

But Mei Wuxia and others are full of confidence.

Especially Mei Wuxia, who knows what Chen Feng did in the deserted ancient ruins, she snickered in her heart:

"What is the difference between this group of people and Chen Feng? They want to compare treasures with him?"

"Hahaha, Brother Chen Feng has just robbed a five-star martial emperor's treasure house. There are so many treasures in him that you can't even think about it!"

At this time, Yan Junxin also thought that Chen Feng couldn't bring out the treasure.

She didn't want Chen Feng to be embarrassed at all.

Yan Yunxin gently pulled the corner of Chen Feng's clothes and whispered: "Brother Chen, don't fight with them. We can't fight them today."

"I was kicked out, so I just don't have to worry about the Seven-Star Chamber of Commerce!"

Xian Huazang and others are also watching Chen Feng.

Seeing Chen Feng's expression and hearing the voice of the people around him, they were all very proud.

Thinking that what he had previously guessed was true, Chen Feng really couldn't bring out the treasure.

At this time, after hearing Yan Junxin's voice, everyone was even more determined.

Xian Huazang sighed, with full regret in his tone:

"Chen Feng, I really didn't expect you to become like this now."

"It's really shameful that you are here for the sake of saving face! You have lost all of your Xuanyuan family!"

As for the middle-aged black-robed elder who had been severely beaten by Chen Feng before, seeing this scene at this time, he felt as if he had the bad breath in his heart.

He was severely slapped in the face by Chen Feng just now, and his face was sweeping in front of everyone. At this time, he thought that his chance to win a city had come.

Among all the black-robed elders, he was the one who made the most mockery.

Even more, he squeezed out of the crowd, stood in front, pointed at Chen Feng, and laughed out loud with disdain:

"Chen Feng, you poor ghost with no background, don't hold on here!"

"Who can't tell, you don't have any treasures at all!"

[Chapter 3907: I will eat it!](#)

"Still holding on here, does it make sense?"

"Who do you think can be fooled by you?"

After that, there was a burst of laughter.

At this time, Chen Feng showed a very funny expression on his face, as if he had heard the most funny thing in the world.

Chen Feng didn't refute, but just looked at him and said calmly: "Then if it is, I can take out a treasure that everyone recognizes, what about you?"

"What am I doing?"

The middle-aged black robe elder laughed wildly: "If you can take it out, I will eat it!"

Chen Feng immediately showed a strange expression on his face.

Then he laughed loudly: "Okay, it seems this elder is hungry!"

"Okay, then Chen Feng is kind, so I'll give you an extra meal!"

Somehow, after listening to Chen Feng's words, the middle-aged black-robed elder suddenly flashed an extremely ominous premonition in his heart.

He felt that he seemed to have done something that he would definitely regret.

But then, he pressed the thought in his heart fiercely, and a voice echoed in his heart:

"What am I afraid of him? What am I afraid of him?"

"He can't take out the treasure at all. Where is the chance of a comeback?"

He stared at Chen Feng and said fiercely: "Boy, take it out if you have a seed, don't just talk about it!"

Chen Feng ignored him at this time, but looked at Yan Yun's heart and smiled warmly and said, "You, have a little confidence in me."

"Just now, I was not worried about not being able to take out the treasure, but..."

Chen Feng stretched out his hand, straightened her slightly messy hair, smiled and said, "I am worrying about which treasure I will take out? After all, I have too many treasures."

Uproar!

In an uproar!

After Chen Feng said these words, everyone shouted!

It feels like the pan was fried in an instant.

The crowd became quiet for a while, and then various sounds came out.

Some were full of disdain and ridiculed: "This Chen Feng is \*\*\*\* to this point, is he still acting here?"

"He also said that he has too many treasures, I don't know which one to take? What a lie!"

"Yes! I don't think he has one at all, and he is still holding it here!"

Someone looked disappointed: "I heard about Chen Feng's young Yingjie for a long time, but I didn't expect it to be such a person who only talks about it!"

And those black-robed elders laughed loudly, laughing wildly at Chen Feng and insulting Chen Feng.

Xian Huazang shook his head and looked at Chen Feng, with a wink on his face, a reserved smile with everything under control, and said lightly:

"Chen Feng, you can say a few words less, you say one more sentence, it will be more embarrassing."

Chen Feng was looking at her at this time and suddenly smiled and said, "Xian Huazang, you keep saying that I can't get any precious treasures."

"Then if I can take it out, what about you?"

Xian Huazang laughed wildly.

He regarded Chen Feng's move as Chen Feng's dying struggle.

He felt that Chen Feng wanted to force himself to bet against him, making himself jealous.

In his opinion, the more so, the more it means that Chen Feng really has nothing to show.

At this point, he had no doubt in his heart, and laughed: "Chen Feng, if you can bring out a treasure that is precious enough, then I will kneel down and give you three beeps!"

Chen Feng laughed: "Okay!"

Xian Huazang then grinned and said, "If you can't get it out, you have to knock three times at me!"

"From then on, when I saw me, I evaded myself, understand?"

Chen Feng nodded slowly: "Yes."

Xian Huazang's eyes flashed with pride.

In his opinion, he will undoubtedly win this game.

Moreover, after today, this time I can become even more famous in Chaoge Tianzi City!

After all, Chen Feng was forced to kowtow to him. How many people can do it?

At this time, Chen Feng smiled and stretched out his right hand.

Then, spread out the tightly clenched right hand!

Suddenly, in the next instant, infinite light burst out in Chen Feng's right hand!

In an instant, the whole hall was filled!

Everyone was stunned.

Their eyes all fell on Chen Feng's hands.

Everyone saw that as the white light in Chen Feng's hand rose up, a small artifact also rose from Chen Feng's hand and was suspended in the air.

Gradually become bigger and finally freeze!

It turned out to be a small tower, all white!

However, it is not the dazzling white, but the extremely delicate and soft white like suet jade!

It shone with warm but bright white light.

Can combine the two feelings of warmth and dazzling, but it is not abrupt.

Although this small tower is only about three feet high, it is divided into six floors.

Each floor is very exquisitely carved, the double-eave turrets, even the patterns and carvings on it, and the hanging wind chimes are all carved out one by one.

Even, everyone felt that as long as they breathed a sigh of relief, they could make the wind chimes above it shake.

There is no doubt that this thing is extremely exquisite.

However, what attracts the most people is not its exquisiteness, but the grandeur on it, like the huge and continuous breath that has been passed down from the ancient times.

When everyone faced this small tower, they felt that if they closed their eyes, they would be shocked to find that they were facing a huge mountain that was more and more high!

Moreover, this huge mountain is still crushing crazily with extreme power!

The white light looked as thin as a veil, but it contained extremely terrifying power.

As if being approached by it, you will be beaten to death and destroyed!

Everyone was horrified, and at the same time a question arose: "What treasure is this? What level of treasure is this?"

They don't know what level of treasure this is, but they are very clear about one thing, that is: this thing is definitely the treasure in the mouth of Chen Feng and Xianhua!

At this time, among the black-robed elders, suddenly a person squeezed out.

This was an old man, his age is not known how old he is, his face is covered with wrinkles, his hair and beard are all white.

His face was full of excitement, his eyes were red, and he stared at the small tower, shouting in disbelief, "It turned out to be it! It turned out to be this treasure!"

He was so excited that he staggered forward and ran until he came to the small tower.

He almost stretched his neck and pressed his face to the top of the pagoda.

His face was filled with indescribable shock and excitement.

And seeing his expression like this, everyone was shocked: *nOVelusb.com*

"This is Diboyi!"

"Yeah, Di Boyi, besides Master Xu, he is the expert appraisal master with the best vision and the oldest qualifications at the Seven Star Auction!"

#### [Chapter 3908: The Six Sacred Mountains!](#)

"Looking so excited, this thing must be extremely high!"

Everyone held their breath, looking at Diboyi, waiting for him to speak.

After a while, Diboyi seemed to have only appreciated it enough.

There was a touch of intoxication on his face, like drinking alcohol, his face was red, and he shouted: "This thing turns out to be the Six Sacred Earth Pagoda!"

"Six Sacred Mountains and Thick Earth Pagoda, a spirit treasure of the third rank of magic weapon!"

It turned out to be the Six Sacred Pagodas!

After hearing these six words from him, there was a wave of waves in the crowd!

Many people who knew the inside story showed huge horror on their faces.

"This thing is actually the Six Sacred Earth Pagoda?"

There are also those who don't know the inside story, and quickly ask: "What treasure is this?"

There was a person hanging from the corner of his eye, looking down with a hint of arrogance, and said in a deep voice: "The legend is that these six sacred mountains and thick earth towers were the weapon of a six-star martial emperor tens of thousands of years ago, and it is also the most precious treasure he used."

"Its level has reached the third rank magic weapon!"

"What? Grade 3 magic weapon?"

Everyone took a deep breath, and their faces showed shock.

Upon seeing this, the person was very proud, and said with a smile: "What is this? Compared with his level of the third rank magic weapon, the power of this thing is even more terrifying!"

"It is said that the six hills are sealed in the thick soil pagoda of six mountains, and one tower is smashed down, and there is a huge force of tens of billions of catties!"

"When approaching the enemy, smash this treasure at the enemy, under the four-star Emperor Wu, there is only one word of death!"

After listening to him, everyone was shocked.

"This thing is really amazing, I'm afraid it can be regarded as the top grade among the third grade magic soldiers!"

Everyone is talking loudly, and the key point is undoubtedly the three words Shenbing.

For everyone, the third rank magic weapon is enough to explain a lot of things!

Someone among the black-robed elders exclaimed:

"Like our seven-star auction house, in the past three years, there has only been a third-grade magic weapon, and now there is another one!"

Someone said loudly: "Chen Feng can really come up with such a high-level treasure, doesn't it mean that he never lied just now?"

"Not only did he not lie, he should have more treasures!"

After this sentence was said, everyone suddenly felt like a pan was fried.

They woke up like a dream, only then did they realize what it meant for Chen Feng to take out this treasure.

It means that he has strong financial resources and a large number of treasures!

It also means that Chen Feng did not lie or brag just now!

He really has this ability!

Everyone looked at Chen Feng, and their eyes were filled with wonder and awe for a while.

Someone smiled bitterly: "We laughed at Chen Feng just now, saying he brags nonsense. As everyone knows, Chen Feng is not bragging at all, but we are ignorant and short-sighted!"

"Yeah, we also said that he had a hard-mouthed mouth, and it's really ashamed to think about it now!"

This thing can be regarded as a top treasure.

But for Chen Feng, it is quite accumulation.

His Donkey Kong Arhat's immortal body, blasted out with a punch, is almost as powerful as this pagoda.

Therefore, he took out the thick earth towers of the Six Mountains.

At this time, Chen Feng looked at them all and made a gesture with a smile.

He raised his right index finger and placed it next to his lips, and then let out a soft 'hush'!

"Shh!"

But with Chen Feng's action, all the voices stopped abruptly at this moment, as if they were cut off by Qi Qi.

The hall instantly changed from extremely noisy to extremely quiet!

Deathly silence, the needle can be heard!

Everyone understands what this action means:

"To shut up!"

"Now, shut your mouth for Lao Tzu!"

Chen Feng's action can be said to be extremely provocative, full of disdain and contempt for everyone, and even more unspeakable overbearing.

If he did this action just now, then everyone's roar, anger, and laughter could drown him.

But at this time, when Chen Feng made this action, he was deadly quiet!

Everyone stood there, no one dared to speak!

Even, they looked at Chen Feng's eyes, and looked at Chen Feng who had made such a humiliating action, but there was no dissatisfaction in their eyes.

Because Chen Feng has this qualification!

Because Chen Feng should let them shut up!

Even the expressions on many people's faces instantly turned red and hot, as if they were slapped in the face.

They remembered that they had laughed at Chen Feng wantonly just now. At this time, the ridiculous words slammed back to their faces.

Seeing everyone's silence, Chen Feng turned around and his eyes fell on the faces of the elderly in the black robe and Xian Huazang.

At this moment, the elder in the black robe turned pale.

He stood there, trembling all over, his lips trembled, and the muscles on his face twitched unconsciously.

He was already stupid, shocked and stupid!

Just now, Chen Feng took out this treasure and was slammed by Diboyi, he was like this.

At this moment, there is only one voice in his heart, that is: "How is it possible?"

But this is the fact, he can't help but believe it!

But at this time, Chen Feng didn't even look at Xian Huazang, his eyes just drifted across his face.

Then, he walked to the black robe elder.

After seeing Chen Feng, the black robe elder shivered all over his body suddenly.

The arrogance and arrogance just now will never be seen again.

He looked at Chen Feng with only fear in his eyes and trembled: "You, what are you going to do? What are you going to do?"

Because he realized that at this time, he was already defeated.

Not only does Chen Feng have no hard lips, no bragging, on the contrary, he really possesses a powerful treasure!

He suddenly thought of what he had just said, and his heart was full of regret.

"It's over, Chen Feng will definitely not spare me, he will definitely not spare me!"

Chen Feng didn't do anything, just smiled and patted him on the shoulder, and smiled warmly:

"This elder, don't be afraid!"

"Chen, I'm just talking to you, and then let you finish one thing! What are you afraid of?"

The black robe elder trembled: "What is done?"

A smile on Chen Feng's face: "Of course you have fulfilled the promise you just made!"

After all, he shook the six-mountain thick earth pagoda in his hand.

"What? What promise?"

The black robe elder's brain was about to rust.

Chen Feng's face grew colder, and he smiled and said, "Of course I give it to!"

Speaking of this, Chen Feng's expression was already cold: "Eat it!"

After hearing these words, the black-robed elder seemed to suddenly remember something, and suddenly his whole body trembled violently, his face showing extreme fear.

[Chapter 3909: Come, feed the elder and eat the tower!](#)

He backed back one after another, while backing up, waved his hand, tremblingly said: "I don't want to eat, I don't want to eat this thing!"

Joke, after eating this thing, where does he live?

"Don't eat it?"

Chen Feng's face suddenly became cold, and his voice suddenly rose, turning into a cold drink: "You have to eat if you don't want to eat!"

"Today your promise must be fulfilled for Lao Tzu!"

After that, he strode to the black robe elder.

The black-robed elder showed a panic in his eyes, turned hurriedly, and wanted to flee.

Chen Feng beckoned slightly.

Suddenly, the black-robed elder only felt a huge force coming, and his whole body was shocked, his whole body was numb, and he could not resist.

The next moment, Chen Feng turned her body, pinched his face, and forced her to open her mouth wide.

Then, he looked around, smiled and said, "Everyone, who wants to feed this adult to eat the tower?"

Lu Yutang was full of excitement at this time, rubbing his hands, walked out and shouted, "I'm coming!"

With a laugh, Chen Feng handed him the Six Sacred Earth Pagodas in his hand.

Although these six-mountain thick earth pagodas are the ultimate treasure, they are not too heavy. Lu Yutang can still pick them up.

Then, Lu Yutang stared at the black-robed elder with a grinning smile on his face:

"When you embarrassed Miss, did you ever think about now?"

"When you were so arrogant and arrogant just now, did you think of now?"

This matter was handed over to Lu Yutang, and Chen Feng ignored it.

Chen Feng turned around and fixed his gaze on Xian Huazang.

At this time, Xian Hua Zang's expression was not so good!

The whole person is also silly.

Just now, when Chen Feng first took out the treasure, he was stunned.

Until now, I was speechless.

He was already shocked and lost his voice.

In fact, not only did Di Boyi know this thing, he also knew it.

The Seven Star Auction has not been in vain for so many years.

Xian Huazang's head suddenly went blank, his eyes went black, and he almost fainted.

At this moment, he suddenly realized that he was defeated today, and it was a complete defeat, and there was absolutely no chance of a comeback!

The treasure that Chen Feng took out was enough to completely suppress himself and others!

It was enough to crush all the doubts and attacks that I and others had before Yan Yunxin!

Yan Yunxin's position will be completely stabilized. This treasure is enough to hold up a huge auction with extremely high specifications, huge scale, and huge number of participants!

Once the news that this object appeared in the Seven Stars Great Auction House spreads out, there will be countless people who flock to it and come madly just to \*\*\*\* it.

Chen Feng smiled and said, "Xian Huazang, tell me now, is this piece I took out as a treasure? Can it still be in your eyes?"

After Chen Feng said these words, there was an uproar in the audience.

Everyone shouted in excitement: "Haha, the show is coming!"

"This is great!"

"Just now Xian Huazang and Chen Feng were gambling, if anyone loses, they will be knocked three times at each other. This time let's see how he ends up!"

"Haha, this time Xian Huazang's three ringing sounds are knocked out!"

"Look at Xian Huazang's face, it's really ugly!" *nOVeLU**s**.CoM*

Xian Huazang stood there, and his head is still covered up to now, and he has not recovered.

Only one voice echoed in my heart: "How come? How come?"

At this time, Chen Feng's words made him suddenly wake up.

He suddenly raised his head and stared at Chen Feng.

In an instant, that face turned pale.

Then, it turned red.

At this time, the ridiculous words of those around him smashed fiercely, causing Xian Huazang's face to swell like pig liver.

He lowered his head and gritted his teeth, wishing to find a place to get in.

He knows that today he is completely planted!

Planted in Chen Feng's hands, there is no chance of a comeback!

In front of everyone, I lost my face!

At this time, Chen Feng's expression was getting colder, and he said lightly: "Elder Xian, why don't you speak? Ah? Dumb?"

Xian Huazang looked around with his eyes.

He saw the eyes of everyone around him.

Have compassion and disdain.

More, it is ridicule!

A voice resounded in his heart: "In any case, I can't kowtow today!"

"If you kowtow, your life will be over!"

He stared at Chen Feng, stubbornly said: "Chen Feng, didn't you just boast that you have a lot of treasures?"

"I have only taken out this treasure now, how can I convince me?"

When Chen Feng heard what he said, it seemed as if he had expected it, and he didn't speak, but just looked at him lightly there.

However, there was an indescribable mockery in his eyes.

At this time, the people onlookers around are as if they were fried!

"This Xian Hua Zang is too shameless!"

"Yes, the two of them said, but as long as Chen Feng can come up with a treasure, he will kneel and kowtow! As a result, he is shameful now!"

"Is this kind of person still the elder of the Seven-Star Chamber of Commerce? Go to his mother!"

"Xian Hua Zang is really shameless, I lost my lord to the Seven Star Chamber of Commerce!"

Not only the people around him are like this, even the black-robed elders behind Xianhua's hiding, seeing his boss openly repudiated, all of them showed shame.

He bowed his head and didn't dare to look at people around him.

However, Chen Feng didn't seem to be angry, he was still good-tempered and reasonable.

He looked at Xian Huazang with a sneer at the corner of his mouth: "Then what you mean is that Chen Feng, I took out this treasure, not enough, isn't it?"

"Yes!"

Xian Huazang gritted his teeth and said, "If you can bring out a few more treasures, I will admit it!"

"This is his only hope that he doesn't kowtow and kneel down!"

Chen Feng laughed loudly: "Then you are telling the number! How much do you want?"

"It saves me taking it out then, you think it's too little, right?"

Hearing his words full of mockery, everyone burst into laughter again.

At this time, Xian Huazang's face was already red and purple.

He bowed his head and said, "At least five!"

Everyone was in an uproar: "It's really shameless!"

"Yes, five? What does he think this is?"

"This is a treasure that can suppress an auction, but it's not Chinese cabbage!"

"He has made it clear that he will fall back on the bill!"

Xian Huazang was very clear at this time.

Even if he could not kowtow today, his reputation would be greatly damaged. After such an incident, there would be no prestige anymore, and it would be impossible to drive Yan Yunxin out.

But all he asked for was that he didn't kowtow today!

At this time, Chen Feng laughed loudly and suddenly turned around: "Okay, then I will convince you!"

[Chapter 3910: What's so difficult about five treasures?](#)

"Five treasures, what's the difficulty?"

Everyone was shocked when they heard it!

They stared at Chen Feng, or to be precise, at Chen Feng's hand!

"Could it be that Chen Feng still has treasures?"

"Yes, besides this six-mountain thick earth tower, does he actually have a treasure?"

"How deep is his family? How deep is this!"

In an instant, the hall became extremely quiet again, everyone staring at Chen Feng.

I want to see what kind of treasure he can bring out!

And Chen Feng really didn't let them down!

The next moment, a cyan light in Chen Feng's hand suddenly lit up.

A touch of treasure appeared in his hand like a veil, with a cloud like a cloud on the side of the day.

The light yarn instantly became a hundred meters in size, and the cyan light on it spread down and fell on everyone.

Everyone suddenly felt that they were imprisoned and could not move at all!

Everyone exclaimed in shock: "What is this?"

"I don't know, I only know. I'm afraid this treasure is the kind of restraint treasure!"

"It's hard to get out of being enveloped by this thing!"

Someone shouted: "I am already in the realm of Emperor Wu, and I can't resist being enveloped by it!"

And everyone turned their eyes on Diboyi, wanting to hear him explain.

Di Boyi widened his eyes and shouted loudly, "This is Bi Luo Qingyan!"

"It is said that Biluo Qingyansha is a magic weapon cultivated by a powerful female Wudi 30,000 years ago. It was cultivated with a handkerchief that accompanied her since childhood."  
*novelusb.com*

"This thing is very strange, as long as it is a power lower than the four-star Wudi, within its envelope, they will be bound and immobile!"

Di Boyi shook his head and said excitedly:

"Able to be captured alive, this is a bit more precious than those magic soldiers who can only kill!"

Chen Feng stretched out \*\*\*\* and smiled: "The second one!"

The next moment, everyone's eyes suddenly fell on Xian Huazang's face.

A murmur suddenly sounded.

"Xian Huazang just said that Chen Feng could not take out more protection, and he also bet with Chen Feng."

"Haha, this time Xianhua Zang, I'm afraid I will lose badly."

"That's right, when Chen Feng took out this thing, it looked like an understatement, which shows that for him, this thing is nothing at all, there should be a lot of it there."

Xian Huazang's face was pale at this time.

Suddenly there was an extremely ominous premonition in his heart, and even a feeling of weakness called powerlessness rose up.

He felt that no matter how hard he struggled, he couldn't get rid of his kneeling and kowtow!

Chen Feng really has endless hole cards!

He regretted it in his heart: "I am today, I am today, why should I make this bet with Chen Feng?"

Then, in Chen Feng's right hand, there was light flowing out again.

Everyone exclaimed again, but their exclamation was somewhat weak.

They even feel a little tired.

Because, Chen Feng brought out too many treasures!

But Di Boyi was not. He was still very energetic and jumped up like a big civet cat.

He approached Chen Feng and showed the treasure carefully, and then introduced it again loudly, which caused an uproar in the crowd.

Chen Feng smiled and stretched out three fingers: "The third one!"

This is the third treasure that Chen Fengfeng brought out!

Then, another one.

The fourth one!

Then, another one!

He stretched out his right hand and shook it: "The fifth one!"

In a blink of an eye, Chen Feng had already taken out five treasures.

At this time, looking at the place on the ground or floating in the air, it emits dark or bright light, but without exception, they are five treasures with extremely powerful and terrifying aura. Everyone, whether it is the audience or the Seven-Star Chamber of Commerce The black robe elders almost held their breath!

They didn't dare to breathe, looking at these five treasures as if suffocating!

These treasures really gave them a huge shock!

"Chen Feng actually took out five pieces!"

"It's horrible, his background can really only be described with the word horror!"

Chen Feng glanced at everyone, smiled slightly, and said indifferently: "I said, what's the problem with five treasures?"

Domineering!

Extremely domineering!

Although a simple sentence, it is unspeakable domineering and confident!

Everyone looked at Chen Feng in awe.

When others say such things, it is overpowering and can be laughed at by them.

However, Chen Feng is qualified to say this!

He has this ability!

He has this qualification!

At this time, Chen Feng looked at Xian Huazang and said with a smile: "Elder Xian, are these enough? Isn't it enough? I still have it!"

After hearing his words, many black-robed elders and people onlookers missed a beat with a heartbeat.

They just felt dizzy and almost fell to the ground.

Even some people were so startled that they didn't come up, bending over and coughing loudly, their faces flushed like a cooked shrimp.

Everyone looked at each other, and they felt an extremely absurd and unreal feeling in their hearts: "This Chen Feng, why is it such an understatement?"

"It's as if what he took out was not five extremely precious treasures, but five steamed buns and five stones!

Everyone was not shocked anymore, they were even a little startled by Chen Feng.

At this time, Xian Hua Zang was still there, unable to speak a word.

He was going to be stupid.

Every time Chen Feng took out a treasure, it was like a slap in the face and slapped it fiercely on his face!

At this time, he had already beaten him to the point where he was a little unconscious.

Seeing him not speaking, Chen Feng showed a ridiculous smile: "Oh, don't you think it is rare?"

"Okay, then I will continue!"

After all, Chen Feng reached out into his arms again.

Seeing Chen Feng's action, everyone uttered a huge sound like a sigh!

"Oh my God! How many treasures does he have?"

Then, Chen Feng took out one treasure after another.

And every treasure was taken out, making everyone exclaim in shock.

Because, they found that each of the treasures they took out was not inferior to the first one!

A look of shock and excitement flashed on Diboyi's face one after another.

"this is....."

"this is....."

One by one, the names of rare treasures were announced loudly by him.

And everyone looked at Chen Feng as if they were looking at a god!

In the end, even their eyes have become numb!

Chen Feng really gave them too much shock!
