

Peerless 4021

[Chapter 4021: Rest assured, everything has me](#)

No one in Shengyang Academy dared to respond, and all were silent!

Seeing this scene, Lei Yingyi laughed, extremely proud.

Seeing this scene, You Gaoyang's mouth showed a smile.

This Lei Yingyi was a wizard they had just discovered recently by Chi Yun Guan.

Although he is not very young, he has a rather rare bloodline, and the purity of the bloodline of the Demon Race is quite high.

Within a short period of time, he has become the top three among the young disciples of Chi Yun Guan!

At this time, Lei Yingyi suddenly said: "Master of the Academy, let's go to Scarlet Cloud View, I just told you Shengyang Academy, but we have to play three games!"

"Now you have just played two games, and there is still one game left!"

The head of the east courtyard stared at Lei Yingyi and said coldly: "Where are you going?"

"Where am I?"

Lei Yingyi laughed: "Of course I have to finish these three games!"

"If you don't take the initiative to send someone from the Shengyang Academy in this third game, I will pick your opponent!"

After that, he pointed to Pei Muyu standing next to him: "This little girl, at first glance, is the blood of the succubus."

"I heard that someone with the blood of a succubus, but...hehe!"

"The opponent in this third game is her!"

He looked at Pei Muyu and rubbed his hands, showing a strong evil color on his face:

"Little girl, if you lose to me, then you have to accompany me for a few days. If I am in a good mood, I will naturally let you come back!"

The lustful color on his face is more intense, "Little girl, don't worry, I won't be able to destroy the flowers."

"After all, if you are injured, I will feel bad too!"

Having said that, there was a burst of laughter.

Behind him, there was a burst of laughter from the many people who watched Scarlet Clouds.

One of them, a middle-aged man in his thirties, with blood red eyes, tall and thin, and a snake-like body, giggled even more.

He smiled yin and said: "Junior Brother Lei, this little girl has such a face, and the blood is a rare succubus blood, and she is also a lady of Shengyang Academy."

"This kind of good stuff, but it's rare!"

He flattered his face and said, "Junior Brother Lei, in a few days, can you reward him..."

Lei Yingyi laughed loudly: "Senior Brother Sun, you spoke, of course it's okay!"

They talked and laughed freely here, as if Pei Muyu was already meat on the chopping block, let them ravage.

Pei Muyu had a small face, flushed, and his face was full of anger.

In those eyes, there was a gleam of sparkle spinning, and he was about to cry with anger.

Everyone in Shengyang Academy was also angry.

However, their anger was only shown on their faces, but none of them dared to speak.

Even dare not even make any movement!

Because they know that if they dare to say a word for Pei Muyu, they will be picked by Lei Yingyi as their opponent!

Then, the one who was beaten was as miserable as Feiyang!

They are all scared!

There are hundreds of people in Shengyang Academy!

At this time, it was a dead silence!

Suddenly, on the giant lotus boat, only the extremely frantic laughter of Lei Yingyi and others could be heard.

Pei Muyuqi's face was pale, and finally, she could no longer bear such humiliation.

To take the first step, you must fight Lei Yingyi desperately!

In her opinion, even if you lose your life here and die in a battle with Lei Yingyi, it is better than being humiliated here!

She has always been a very hard-working woman, but she was especially gentle in front of Chen Feng.

Just as he was about to step forward, his eyes suddenly went dark, but he was blocked by a tall figure.

Pei Muyu was stunned immediately and looked up.

Then she saw that it was Feng Chen who stood in front of her!

Chen Feng sighed slightly, and slowly straightened his body.

Then, he took a step forward and stood in front of Pei Muyu.

Seeing this scene, Pei Muyu was stunned. I don't know what Chen Feng meant and what to do?

Chen Feng had no affection for everyone in the Shengyang Academy on this giant lotus ship.

What happened to them, Chen Feng would not even bother.

However, Pei Muyu is different.

The little girl Pei Muyu is very kind, and the two of them are also very congenial.

At this time, Chen Feng will not ignore her affairs!

He does not allow Pei Muyu to be insulted by such people.

At this moment, the tall and handsome young man slowly turned his head to look at her, smiled slightly, and said softly: "Don't worry, I am here!"

"Everything, there is me!"

Everything, there is me!

Chen Feng said these four words very lightly and didn't use much force.

However, when he said it, everyone felt that it was full of categorical meaning.

Since he has said it, it is a fact, and he can definitely bear the matter!

He can definitely resolve this matter!

And these four words smashed Pei Muyu's psychology like thunder, making Pei Muyu's heart tremble.

Somehow, the panic in her heart just now, that fear, that anger, all disappeared.

Some are just joy.

Just like these four words, they gave her an infinite sense of security.

And Chen Feng's action also shocked all the members of Shengyang Academy and Chi Yunguan.

Everyone in Shengyang Academy made a intensive discussion.

"What is Feng Chen going to do? Is he going to fight for Pei Muyu?"

"He is going to play against Lei Yingyi?"

"How could he be Lei Yingyi's opponent?"

The people of Chi Yunguan looked at Chen Feng with surprise.

They don't even know who this person is.

There was no such person in the previous information about Shengyang Academy.

At this time, a sneer of disdain suddenly sounded.

It's just that the sound of ridicule was not from the person facing Chiyun View, but from the Shengyang Academy.

The person who made a mockery was actually Lu Xingyuan.

At this time, he looked at Chen Feng with disdain: "Feng Chen, are you stupid? Or blind? Or crazy?"

He stared at Chen Feng, full of sarcasm and mockery in his language.

"Are you blind? Didn't you see? I was not Lei Yingyi's opponent when I was there just now!"

"You still go? Are you going to die?"

Beside, Ji Feiyang coughed, and said with a sneer: "What are you? Neither of us are his opponents, you go? I'm afraid you will be crushed by Lei Yingyi's finger!"

They looked at Chen Feng with disdain, condescending, and mockery in their eyes.

Of course, there is a bit of resentment in it.

The reason for this is because the two of them went to face Lei Yingyi, one was badly injured, the other lost face, and they directly surrendered.

Now, Chen Feng is going to face Lei Yingyi.

They don't want Chen Feng to win at all, but hope that Chen Feng loses as badly as possible!

Moreover, they even wanted to suppress Chen Feng to make themselves less embarrassing and save a little bit of face.

"Feng Chen, you kid really don't know the heights of the sky!"

[Chapter 4022: Punch!](#)

"Hahaha, he wants to die, and who is the blame?"

"I don't know what I can do, I will find my way!"

Lu Xingyuan and Ji Feiyang's attendants were all laughing at Chen Feng loudly there, thinking about regaining some face for their master.

Lei Yingyi stared at Chen Feng and said coldly: "Who are you?"

Chen Feng smiled slightly: "Now Feng Chen."

"Feng Chen?"

Lei Yingyi thought for a while, but failed to match this name with any young powerhouse.

So, he immediately relaxed.

This person may seem crude, but in fact he is quite a scheming temper.

When Chen Feng just entered the battle, he didn't know who the opponent was, and was a little jealous of Chen Feng, thinking that he would be a strong man.

But now, he was completely relieved.

At this time, Chi Yun audience also made a huge ridicule.

"Who is this kid? Never heard of it!"

"Is he from Shengyang Academy? He is going to fight Lei Yingyi for Pei Muyu? Is he crazy?"

"Although I can't see the depth of his strength, but at his age, it doesn't seem to have any advanced strength."

"Yes, we, the young generation of Xuanming Seven Seas Realm, there are strong ones, and none of them can match him!"

"This kid doesn't know where he came from, he wants to fight against Junior Brother Lei, he is just looking for death!"

Whether it was Shengyang Academy or Chiyun Guan, everyone present was full of doubts about Chen Feng.

Only Pei Muyu, and only Pei Muyu.

She looked at Chen Feng's eyes, but it was full of trust.

She has an inexplicable and extremely powerful confidence in Chen Feng.

And Chen Feng didn't say anything, just looked at Lei Yingyi, smiled slightly, and hooked his finger.

Lei Yingyi smiled grimly: "Since you want to die, then I will fulfill you!"

He shook the two swords in his hands: "Did you see my swords? I will wear you on them later, drain your blood, and **** out your soul!"

"It makes you miserable, but you can't get rid of it!"

Chen Feng smiled slightly, just said: "Did you finish?"

This sentence immediately made Lei Yingyi's face extremely ugly.

He let out a stern roar: "Die!"

The next moment, he rushed towards Chen Feng fiercely.

Everyone uttered a cry of exclamation, and it was only then that Feiyang was seriously injured by his attack!

Seeing the next moment, he was about to hit Chen Feng's body!

"Can Feng Chen win?"

"How is it possible? How could he be Lei Yingyi's opponent?"

"I guess this trick will kill Feng Chen!"

"Deserve it! Who told him to be overweight!" Lu Xingyuan said with a smile.

Ji Feiyang said with a stern face: "It's best to die, just to give us peace."

He was full of hatred and disdain for Chen Feng.

At this time, Chen Feng turned his face and smiled at him slightly: "Sorry, I'm going to disappoint the two of you!"

At the moment of the enemy, Chen Feng is extremely relaxed, without any tension.

Even Xianxin glanced sideways at them and said something.

Then, he looked at Lei Yingyi, smiled and stretched out a finger: "Punch!"

As soon as this remark came out, everyone was in an uproar!

Lu Xingyuan let out a burst of laughter, and said with a grim look: "Is there still Xianxin here to pretend to be with me? You will soon..."

Before the word 'death' was spoken, there was a look of extreme astonishment on his face.

In an instant, it was filled with disbelief.

Suddenly from extreme disdain and ridicule, to extreme shock, even with a hint of fear!

He uttered a panic shout: "How is it possible?"

It turned out that Chen Feng faced him without turning his head back. He didn't even glance at Lei Yingyi, only punched.

An understatement, a flat punch!

At the next moment, this punch slammed into Lei Yingyi's double swords.

Lei Yingyi only felt that a slender white hand appeared in front of him.

Then, that hand was clenched into a fist!

In the next instant, a huge and extremely powerful force was transmitted from above!

This power instantly smashed into his body.

He was shivering violently like a sieve, like a fish shaken severely.

Lei Yingyi felt that his whole body was like being pinched countless times by a powerful hand!

He let out a scream, and with two crisp sounds, the two long swords broke at the same time!

That power hit his body fiercely!

Lei Yingyi was directly flew out several hundred meters, hit the ground heavily, vomiting blood crazily, and trembling all over, just like a dead fish!

Numerous wounds burst open all over his body, like a blood man.

Even his bloodline transformation could not be maintained, and it faded instantly!

He stared at Chen Feng and let out an incredulous scream: "How is it possible?"

He didn't even think that this young man who couldn't see his strength would be seriously injured by one punch!

He looked at Chen Feng with a deep fear in his eyes.

"This young man is terrible! The strength is terrifying!"

Just now, before Chen Feng's punch was blasted, the scene was full of noise.

Everyone in Shengyang Academy was quite suspicious of Chen Feng and didn't think he was Lei Yingyi's opponent.

And the audience in Chi Yun shouted loudly there, full of disdain for Chen Feng, thinking that he would definitely die in Lei Yingyi's hands!

However, at this moment, the moment Chen Feng blasted this fist, flying out the severely injured Lei Yingyi!

All sounds disappeared at the same time!

In an instant, on this giant lotus boat, it was as quiet as a dead place!

Everyone was stunned, all stupid!

They didn't even come back to their senses, standing there, their faces were silly!

They were shocked and took a few breaths before they came back to their senses!

Then there were bursts of exclamations!

"Lei Yingyi lost?"

"How is it possible? Not only did Lei Yingyi lose, but he also suffered such a terrible defeat that he was severely injured by a punch!"

"Oh my God! Is this true? How could Junior Brother Lei make people beat him so badly?"

The person with that scarlet cloud view, unwilling to believe this fact, covered his face and almost collapsed!

"Impossible! Impossible! I don't believe it! How could Junior Brother Lei fail so badly?"

"He is the leader of the younger generation in our Chiyun view, looking at the entire Xuanming Seven Seas Realm, he is a young and powerful person who can be counted!"

Some people looked at Chen Feng with a look of horror.

"This is Feng Chen, where did it come from? How could he be so tough?"

"Yeah, he is so strong, why have I never heard of him before?"

Someone looked solemnly and said: "I haven't heard of it. It's not important anymore. Now the facts are here."

[Chapter 4023: Why dare I?](#)

"This Feng Chen has such a powerful strength!"

Some people even looked at Chen Feng, groaning, and said in awe, trembling and awe: "After Lei Yingyi's bloodline is transformed, his strength has reached the third heaven in the Profound Heaven Realm!"

"And this Feng Chen was able to hit him badly with one punch! It seems that he hasn't tried hard yet!"

"Doesn't that mean..."

When the people around him heard this, they were silent again, just looking at Chen Feng with horror.

There was a voice in their hearts:

"Doesn't it mean that this young man named Feng Chen already has at least the fourth heaven of the Profound Sky Realm, or even higher strength?"

No one expected such a scene.

They watched Lei Yingyi rush towards Feng Chen just now, they were waiting for Feng Chen to be knocked into the air, seriously injured, or even killed!

But they didn't expect that some of them were beaten out, but it was not Feng Chen, but Lei Yingyi!

This young man named Feng Chen was so plain that he flew Lei Yingyi directly with one punch, vomiting blood, and was seriously injured and dying!

But no matter what they think, this is the truth!

In an instant, everyone's look changed.

The people in Shengyang Academy just now looked at Chen Feng with disapproval, disdain, and a hint of jokes.

The Chiyun audience looked at him, full of ridicule and malice.

Now, all these gazes have become one kind, that is: awe!

Even the head of the eastern courtyard and You Gaoyang looked at Chen Feng with a touch of uncertainty.

You Gaoyang was surprised: "Where did Shengyang Academy find such a young master?"

"It looks young, even younger than Lei Yingyi, but why is there such a strong strength?"

The palm of the eastern courtyard was also surprised and inexplicable:

"Unexpectedly, this kid is so strong. What's his origin? When you look back, you have to cross-examine."

But then, a wry smile flashed in my heart: "Where do I have the right to question him?"

"He is so strong, if he really wants to start, I may not be his opponent!"

But only Pei Muyu had a different reaction from everyone else.

Of course, most people are in awe.

There are still some people, in awe, with unspeakable fear and despair!

For example, Lu Xingyuan, Ji Feiyang, and the attendants next to them.

Just now, Lu Xingyuan and Ji Feiyang were full of joking, waiting to see the scene where Chen Feng was directly killed by Lei Yingyi.

In this way, they can also save some face.

However, they did not expect that it was not Feng Chen who was severely injured, but Lei Yingyi who could not be defeated in their eyes!

When they first saw this scene, they were full of shock and disbelief, and the whole person was stupid there.

But, after a while, when they came back to their senses, they all shuddered all at once.

My heart was filled with fear all at once.

They suddenly thought of the things they had done before, the words they had said to Feng Chen before, and the repeated provocations of Feng Chen by that person!

A thought flashed through their minds at the same time:

"That was so easy that Lei Yingyi, who defeated us two miserably and seriously injured, was severely injured and dying by a blow by him!"

"Doesn't this mean that Feng Chen's strength is not even as good as that of the Eastern Academy? Or even stronger?"

"that....."

"Can he spare us? Will he clean up us?"

They looked at each other, and they saw the fear in each other's eyes that was so intense that it seemed to be solidified!

It seems that she has long felt that Chen Feng is different from ordinary people.

Therefore, at this time, even the mood is quite calm.

Just looking at Chen Feng, he smiled and said, "Master Feng, I know that if you dare to stand up, you can definitely do it. You must have this strength!"

Chen Feng laughed: "So confident in me?"

"That is, you don't look like someone who can brag!"

Pei Muyu looked at Chen Feng and said seriously.

Chen Feng patted her on the shoulder and smiled and said, "Come on, look at it, I will continue to vent your anger!"

"what?"

Pei Muyu was surprised: "You beat Lei Yingyi like this, isn't it enough to vent my anger?"

Chen Feng shook his head, and his expression became stern: "Where is this? It's not enough!"

At this time, Chen Feng looked at Lei Yingyi with a stern smile on his lips.

Seeing Chen Feng's expression like this, somehow Lei Yingyi suddenly felt an extremely ominous premonition.

He looked at Chen Feng and said with horror: "What do you mean by you?"

"What do I mean?"

Chen Feng's words are like the cold wind of the ancient forest: "If you just won the Shengyang Academy just now, it will be enough. I will hurt you now, then it will be considered worthy."

"But you shouldn't do it!"

He paused, then turned to look at Pei Muyu, his face was all soft:

"To Pei Muyu, speak badly!"

"If this is the case, how can I forgive you?"

At the next moment, Chen Feng slowly raised his right hand.

Seeing this action, Lei Yingyi's heart was suddenly filled with fear and despair!

Inexplicably, he felt a strong sense of death.

It seems that at this moment, I am going to die!

The shadow of the **** of death suddenly enveloped!

He couldn't help letting out a stern scream: "Spare, no!"

At the same time, You Gaoyang's expression on his face changed drastically, and he let out a furious roar: "Boy, dare you!"

The next moment, Chen Feng clenched his fists fiercely!

Suddenly, as Chen Feng clenched his fist, the power he had deliberately left in Lei Yingyi's body exploded in a sudden!

Directly shatter Lei Yingyi's heart pulse!

Lei Yingyi let out a stern scream, and ejected fiercely on the ground twice like a dead fish.

Then, he fell heavily on the ground, convulsed twice, his eyes lost his look!

Lei Yingyi was killed by Chen Feng!

Then, Chen Feng looked at You Gaoyang, raised his eyebrows, and said lightly: "Why don't I dare?"

Seeing this scene, everyone was even more shocked.

Many people shouted in horror: "It's murdered! Feng Chen dared to kill!"

"Yeah, it's just a test, he actually killed someone outrageously?"

"Lei Yingyi, but the most talented person in the younger generation of Chi Yunguan, he just killed him?"

Everyone looked at Chen Feng with shocked faces.

If there was awe in their eyes before, then now, there is a bit more indescribable fear.

Chen Feng looked at Pei Muyu and smiled and said, "How is it? Is your anger gone now?"

The reason why he didn't kill Lei Yingyi in the battle just now was to make Lei Yingyi full of regret and let Lei Yingyi know why he died!

[Chapter 4024: Come on, you guys go together](#)

To put it bluntly, just to give Pei Muyu this breath!

Seeing this scene, Lu Xingyuan and Ji Feiyang, who were already full of horror, had eyes full of despair.

Even his face became pale.

Just now, they also hoped that Feng Chen would not retaliate against himself and spare himself.

But now it seems that their hope is impossible.

Feng Chen is obviously the kind of fierce and fierce temperament that will avenge grudges!

He even dared to kill Lei Yingyi, the genius of Chi Yunguan, let alone them!

The scene just now made them realize Chen Feng's harshness.

"Before, we provoked Chen Feng so much, will he spare us?"

The two of them were trembling even in fear.

And Lu Xingyuan turned his gaze to the surroundings, and quietly shrank into the crowd, trying to prevent Chen Feng from noticing himself.

When Chen Feng killed Lei Yingyi, You Gaoyang was furious instantly.

But at this time, his mood has calmed down a bit.

However, those eyes are still fierce and spiteful!

You Gaoyang stared at Chen Feng with a cold expression on his face: "Then, our people won't keep their hands anymore."

"If our people defeat you, they will take your life directly! No more mercy!"

Chen Feng smiled freely, not caring, and said lightly, "Okay, as long as you have this ability!"

These words directly made You Gaoyang's face pale, as if he was slapped in the face!

He couldn't say a word that was blocked.

Yes, this Feng Chen is right, as long as they have the ability, they can do it too!

But the point is, they don't have this ability!

You Gaoyang suddenly turned his head, looked at one of Chi Yun's audience, gritted his teeth and said, "Rong Mu, you go."

Na Rongmu was a young man in his thirties and looked quite calm.

After hearing what You Gaoyang said, he was stunned for a moment, and a trembling flashed in his eyes.

Rong Mu is the first person among the younger generation of Chi Yun Guan.

Although Lei Yingyi has risen like a fashion and is extremely fast, his strength is still weaker than Rongmu.

Rong Mu's strength is already infinitely approaching the fourth heaven of the Profound Sky Realm.

However, even so, when he saw Chen Feng's shocking punch just now, he was afraid in his heart.

He secretly thought in his heart, if he exchanges himself with Lei Yingyi, how should he resist and what kind of end he will be?

However, after much deliberation there is only one word, and that is: defeat!

He didn't think he was Chen Feng's opponent.

However, since You Gaoyang spoke, he had to fight if he didn't want to fight.

If you don't want to fight, you have to fight!

Rong Mu gritted his teeth, stood out slowly, walked in front of everyone, and faced Chen Feng.

Before he could speak, Chen Feng shook his head and said lightly, "You are not my opponent."

After that, he looked at the young disciples of Chi Yun Guan, smiled and said, "Come on, you guys go together!"

After hearing Chen Feng's words, the young and powerful people who looked at Chiyun suddenly turned red.

They felt that they had been greatly insulted, but, unfortunately, they couldn't say a word to refute!

Because Chen Feng is qualified to say this!

Many people feel that they have been greatly insulted, but there are also a few people who have a sullen look on their faces.

They suddenly felt that this was a great opportunity to defeat Feng Chen.

Moreover, once Feng Chen is defeated, then not only will he become famous, he will also be able to save Chi Yunguan's face!

As a result, a few disciples immediately looked at You Gaoyang, eager to try.

In their opinion, they can't beat Feng Chen alone, or a bunch of people?

Many people looked at each other and looked strange, all feeling that this was a great opportunity!

At this moment, You Gaoyang also thought of this.

So, he winked immediately.

Suddenly, those young and powerful people who watched the scarlet cloud all understood its meaning.

After a while, a full 15 people stood up and came behind Rong Mu.

A total of sixteen Chiyunguan young strong men stood opposite Chen Feng!

This time, almost everyone among the young and powerful Chi Yunguan stood here!

You Gaoyang stared at Chen Feng, gritted his teeth and said, "If you say it, you can't regret it!"

He just wanted this group of people to besiege Chen Feng together, as if he was afraid that Chen Feng would go back, he quickly said this.

Chen Feng saw his little abacus clearly, smiled faintly, and didn't bother to care about him at all.

And the dozen or so masters of Chi Yun Guan are all gearing up to look at Chen Feng!

Not only You Gaoyang, at this moment, Rong Mu's face also showed a hideous color, and there was a touch of unspeakable excitement in that hideous.

"Feng Chen is too big this time!"

"I am definitely not his opponent, but a dozen of us together will definitely be able to kill him!"

"Hahaha, I should be famous this time!"

"He severely injured Lei Yingyi with a punch. As long as I can lead him to besieged and killed this time, then I will be able to save Chi Yunguan's face! After I go back, I will definitely gain momentum!"

"At that time, Chi Yun will watch the position of the next Sect Master, and give me someone else!"

He looked at Chen Feng with a cold look on his face, and said in his heart: "Feng Chen, I should really thank you for getting rid of Lei Yingyi for me!"

It turned out that Rong Mu Nai was the arrogant and strongest among the younger generation of Chi Yun Guan.

Lei Yingyi is a recent riser and poses a considerable threat to his status.

How could he and Lei Yingyi not be dirty?

With a wave of his hand, he led everyone forward, and in a blink of an eye, he surrounded Chen Fengfeng.

Seeing this scene, everyone in the Shengyang Academy showed consternation on their faces.

Many people were filled with outrage and shouted: "Shameless!"

"It's really shameless! Feng Chen said that if you let you go together, you will go together?"

"Yes, sixteen people came up all at once? All the faces are gone, right?"

"Those of Scarlet Cloud View, you will only bully the widows, right?"

The sixteen people including Rong Mu had ugly faces.

This time, they really don't have their faces.

However, they are also secretly ruthless.

As long as you can kill Feng Chen, everything is worth it!

Chen Feng was not angry. On the contrary, he looked at Chi Yun's audience with a casual expression, and said with a light smile: "Is there anyone else coming? Together! It's out of date!"

His expression is extremely relaxed, like that, it's not like he wants to call people to besiege himself.

On the contrary, it's like calling friends and friends to go on a trip.

Chiyun audiences were extremely embarrassed by his words.

Everyone in Shengyang Academy was naturally on Chen Feng's side at this time.

[Chapter 4025: No matter how many ants there are, it is still ants!](#)

However, there are naturally exceptions.

Lu Xingyuan and Ji Feiyang saw the scene change in the scene at this time, and their expressions of despair and loneliness disappeared all at once.

The whole person suddenly became alive.

Both of them showed excitement and anticipation on their faces, not only for them, but also for the attendants behind them.

They all gritted their teeth, their faces were stubborn, and even with a trace of expectation.

Lu Xingyuan even directly screamed: "Rong Mu, kill Feng Chen! Kill this dog!"

Just now, under the suppression of Chen Feng's powerful strength, and the fear of Chen Feng's fierce methods, his whole body was tense, the fear in his heart was extreme, and his spirit was facing collapse!

At this moment, I suddenly saw hope!

As long as Chen Feng died, then they don't have to die here!

When the sudden hope appeared, he was so excited that he couldn't control his emotions anymore, and even lost his face, so he said such words directly!

Hearing this, many people in Shengyang Academy glared at him.

But Lu Xingyuan and Ji Feiyang seemed to be unconscious.

At this moment, Chen Feng turned around and looked at the same Ji Feiyang and Lu Xingyuan, smiled and said: "Then you really think too much."

But at the same moment, Rong Mu's eyes flashed.

This kid is now focusing on others, it is the best time!

He shouted: "Kill!"

After all, the surface of the body has a black light transpiring!

In the blink of an eye, it turned into a monster with a bull's head, with a size of ten meters, rushing towards Chen Feng!

The other children of Chi Yun Guan also launched their own demonic bloodline transformations to kill Chen Feng.

In their view, this is an excellent opportunity.

At this time, Chen Feng turned around to speak, ignoring them.

This is the best time for them to attack.

Many disciples in the Chi Yun audience showed excitement and cruel expressions on their faces: "Kill him, save our Chi Yun Guan's face!"

Almost at the same instant, all sixteen people played their strongest offensive!

All of a sudden, the situation changed color!

The surrounding clouds condensed, lava erupted wildly, and thunder flickered!

It seems that a heavy rain is about to fall!

The offensives of these sixteen strong men gathered together and directly shocked the world!

The faces of the people in Shengyang Academy were full of anticipation.

The Chi Yun audience, Lu Xingyuan, Ji Feiyang, and their followers are also looking forward to it.

However, what they were looking forward to was Chen Feng's death!

Rong Mu and others yelled crazy: "Feng Chen, die!"

And just in the midst of this roar, a long laugh, suddenly sounded.

Then, everyone saw that the young man dressed in white had a chuckle at the corner of his mouth, and then raised his right hand.

Then, right hand down, gently flick!

It was like reaching out to flick away a buzzing fly.

He just made such slight movements one by one.

However, when this big hand fell, all the onlookers suddenly felt that this hand seemed to fill the world in front of them!

It seems that there is nothing else in the world in front of you!

Everyone involuntarily took a step back, with shock and horror on their faces!

And in the next moment!

Everyone feels, a huge force, pressing down!

That feeling, like the sky in front of them, suddenly collapsed!

The momentum that was suppressed was simply not something they could resist!

Many people are so crushed that they almost vomit blood!

Not to mention the sixteen people who were pressed down by Chen Feng's hand!

That is Chen Feng's King Kong Arhat's immortal body, with a power of tens of billions of catties!

In the next moment, this big hand slammed into the offensive of the sixteen people!

The screams suddenly sounded, endlessly!

The 16 people who attacked Chen Feng came back wherever they went, and they were all shot and smashed on the board!

No, to be correct, they were like sixteen flies that were slapped in the air. They were slapped on this boat!

They all screamed and were seriously injured!

Numerous wounds appeared on each body, and blood poured out, dyeing them like blood people.

She trembled all over, blood rushed, slumped to the ground, and couldn't stand up at all!

Sixteen people were seriously injured!

Everyone is stupid!

Even people who were optimistic about Chen Feng, even people who thought he was powerful and able to defeat these sixteen people before, did not expect Chen Feng to relax, just stretch out his hand and pat.

Just beat them sixteen strong young men so miserably!

At this time, only four words flashed in everyone's mind: Destroyed!

That's right, it's the destruction!no**Velusb.cOM**

Feng Chen didn't have any trouble dealing with them!

Easily smashed all the formulas of the sixteen people, and then shook all the sixteen of them violently, falling to the ground with blood!

After a brief silence, Shengyang Academy suddenly burst into cheers.

This cheer is naturally dedicated to Chen Feng.

On Chi Yunguan's side, there was a deadly silence, and everyone looked at this scene blankly, with a gray face.

As for Lu Xingyuan, Jifeiyang, and their attendants, they were already trembling all over, like a sieve.

Some people even couldn't stand up anymore, and fell to the ground with a soft thump, looking at Chen Feng with a look of despair.

Their last glimmer of hope was directly broken!

You Gaoyang was already shocked and speechless. He no longer knew what words to use to describe the young man standing in front of him.

Suddenly there was a sense of extreme depression in his heart: "Isn't my practice all for nothing in the previous years, a young man, how can his strength be so terrifying, why is he so strong?"

Chen Feng looked at them and smiled slightly: "No matter how many ants there are, it is still ants!"

Everyone was throbbing.

But think about it, Feng Chen is indeed right.

In Chen Feng's eyes, their strength is nothing but ants!

"By the way, and you."

Chen Feng suddenly pointed to one of Chi Yun's audience.

Suddenly, everyone followed the direction he pointed and looked there.

Then they saw that the person pointed at by Chen Feng was a young man in his thirties.

He has a weird face, blood-red eyes, and a serpentine body.

It was Brother Sun who spoke before that.

At this moment, when he saw Chen Feng pointing towards him, his face was startled at first, and then there was a strong touch of fear on his face.

In that fear, there was even a hint of despair.

The people around all flashed to the side, directly hanging him in the middle, forming a clearing.

Chapter 4026: Purple Danguo

Everyone saw him.

After seeing it, many people instantly understood why Chen Feng pointed at him.

"Hey, brother Sun! I just ridiculed Feng Chen and even coveted Pei Muyu!"

"Yeah, he shouldn't do it, he shouldn't covet Pei Muyu, but he didn't expect it, Feng Chen severely wounded Lei Yingyi with a punch and was about to die, now he has to settle accounts with him!"

"I was so proud just now, right now?"

Many people are gloating.

Obviously, this Senior Brother Sun is definitely not a popular one among the Chi Yun audience.

There is that unknown reason, and only after listening to everyone's discussion did I know what happened.

Senior Brother Sun forced a smile on his face, looked at Chen Feng, with a hint of flattery on his face, he squatted and said:

"This, Feng Chen, Master Feng, no no, Master Feng, you, do you want it?"

He is still playing stupid here, trying to get through.

Chen Feng waved his hand, his face was impatient, and said, "Okay, no need to act here. What did you do just now? I understand what I said!"

"bring it on!"

Chen Feng raised his chin: "I don't take advantage of you. I will let you three strokes. After three strokes, I will only make one!"

"If I can survive, then I will spare you my life!"

"If it's dead..."

A cold smile broke out at the corner of Chen Feng's mouth: "That's no wonder someone else!"

Brother Sun's face was pale, and his heart was filled with incomparable regret.

He regrets it!

I regret why I was so mean just now, why I said that sentence, and why I was rude to Pei Muyu!

He looked at Chen Feng, trembling all over, and his face showed a deep sense of despair.

He knows his own family affairs, he knows what kind of strength he is.

He was even more clear, like his own strength, I am afraid that Feng Chen in front of him can pinch himself to death with a single finger!

Even if it is three tricks, there will be no change in the result!

Suddenly his legs softened and he fell to his knees with a plop.

Looking at Chen Feng, he trembled: "Please, Feng Chen, Uncle Feng, don't let me fight you!"

"I am not an opponent, please forgive me!"

Chen Feng didn't care about where he was crying and begging for mercy. He just stepped forward and picked him up by the back of his neck.

Then, strode forward.

At this moment, Senior Brother Sun was not even there to resist.

He thought Chen Feng was going to kill him, so he was crying and begging, tears streaming down.

However, he didn't even dare to resist.

He was so scared by Chen Feng that he had no courage!

Throw them together, and suddenly, a total of seventeen people were lying on the ground.

And these seventeen people are all young talents of Chi Yunguan.

You Gaoyang's expression changed instantly, looking at Chen Feng, he said in a deep voice, "Feng Chen, what are you going to do?"

He thought Chen Feng would kill Rong Mu and others together.

However, although he tried to pretend to be sufficiently majestic and fierce enough, the gentle trembling voice and the unconcealable ray of fear in his eyes exposed his stern heart.

Obviously, facing this unfathomable Feng Chen at this time, he was also extremely frightened.

He thought to himself: "This Feng Chen didn't know where he came out suddenly, his strength is so powerful."

"I feel that even if our Sect Master uses it, it is not necessarily his opponent!"

"It just happens that he looks so young! Where is this evildoer that popped out!"

He was full of jealousy and fear for Chen Feng!

Chen Feng looked at him, smiled and said, "Don't panic, I didn't say what I want to do!"

He just stepped forward and walked in front of You Gaoyang.

Then, he whispered: "You Gaoyang, take a look."*ηOVelUsb.Com*

"Me and everyone in the Shengyang Academy, we are here to be good, but in the end, you people who watch the scarlet cloud will provoke you when you come."

"It's all about provocation, and we have to make an appointment."

"It's all about fighting, and all kinds of rude words to me!"

"As a result, the strength is still weak, and I have taken care of them all!"

Chen Feng said leisurely: "You said, you Chiyun Guan, should you give an explanation? Huh?"

By the time the last word 'um', Chen Feng's tone had already become extremely sharp.

The smile on his face also disappeared without a trace.

Suddenly, You Gaoyang suddenly felt a little cold, and his whole body was chilly.

That voice, that murderous intent, suddenly enveloped him, directly making him like an ice cellar!

He looked up at Chen Feng, his voice became stuttered: "You, what are you going to do?"

He wanted to be tough with Chen Feng again, but he couldn't bear the courage.

Because he knew that he could not bear the consequences!

Because he felt that as long as he did not satisfy the young man in front of him, he would be the next one to die!

Chen Feng turned around, with his hands behind him, looked away, and said in a leisurely voice: "Bloodline Purple Pill Fruit, you should have a lot of Chiyun Views, right?"

Blood Purple Danguo!

As soon as these five words were spoken, all the people in the Chiyun Temple and Shengyang Academy were present. After listening to them, all their eyelids twitched, and a strange color appeared on their faces.

It turns out that the bloodline purple pill fruit is a special product of the world of Xuanming Seven Seas Realm.

In the world of Xuanming Seven Seas Realm, the martial arts is quite backward, and the martial arts techniques are far behind the Dragon Vessel Continent.

But they also have a special advantage, that is, basically all warriors in the Xuanming Seven Seas realm have the blood of the demon clan.

The bloodline purple pill fruit is produced on a kind of spiritual plant, which is a kind of existence between the fruit and the gem.

Like a dead thing, but also like a living thing.

This kind of fruit can peel off the blood of the warrior abruptly, then absorb it, and seal it in this **** purple pill fruit!

If there is a special technique for cultivation, it can be absorbed by other people from the blood in the fruit.

If the person who absorbs the bloodline purple pill fruit has the same bloodline as the person who has been absorbed, then the bloodline of the person who absorbs the bloodline purple pill fruit can become more pure and thicker.

If it is not the same kind of blood, then the person who absorbs the blood of purple pill may change from having a single blood to a double blood!

Of course, this may seem like a good thing, but it is not.

There are two restrictions:

First, the person who has been stripped of blood and absorbed into the blood purple Danguo needs to volunteer.

If you don't voluntarily, this bloodline cannot be stripped successfully.

Second, in the process of absorption, there is also a great probability of failure, reaching more than 50%!

In other words, to promote, or to die, half and half, each with his destiny!

The bloodline purple pill fruit itself is extremely rare. It is said that there are no more than ten spiritual plants with this thing!

[Chapter 4027: Want to die, or want to live?](#)

Coupled with this characteristic, the Zhongmen Academy of every family basically searched around and stored a batch.

Moreover, every time you go out, a batch will be prepared.

Among them are some unspeakable secrets.

For example, in a certain sect, certain geniuses confronted others, but in the end they were seriously injured and dying.

Or after being rescued, the strength will be greatly lost.

Then, at this time, the elders in the sect leading the elders will be half intimidating and half tempting, letting them voluntarily strip their blood.

Thus, preserve this bloodline.

And these bloodline purple pill fruits will be stored in the sect and used to reward disciples.

Some disciples who are brave, or are in danger, and are dead if they don't absorb it, will ignore this 50% chance and take the initiative to absorb the blood purple pill!

This time, when You Gaoyang came, he brought quite a few bloodline purple Danguo.

There are also some blank blood purple Danguo.

This is an open secret in the Xuanming Seven Seas Realm, but it is also the treasure of each family sect.

So when he heard Chen Feng's question, he would have such a big reaction.

Looking at his reaction, Chen Feng knew that there must be a lot of them here.

Then, Chen Feng looked at him and said in a faint tone: "Hand over all the blood purple Danguo you carried this time, whether it has been infused with blood or not."

You Gaoyang squatted and said, "You, what are you doing?"

Chen Feng looked at him, did not answer his question, but repeated what he said just now.

"I'm telling you now, hand over the blood purple pill fruit!"

You Gaoyang waited to talk about it, and suddenly he saw Chen Feng's eyes.

There was a hint of coldness in that smile.

Suddenly, You Gaoyang shivered violently.

He had no doubt that as long as he dared to say one more thing, then Feng Chen would start immediately.

At that time, it will be you who will die.

Therefore, without any hesitation, You Gaoyang immediately took out a small bracelet.

Chen Feng recognized that this bracelet was a unique storage tool in the Xuanming Seven Seas Realm, named Jade Bracelet.

The head of the Eastern Court, Pei Muyu, Lu Xingyuan, and Jiu Feiyang, these are relatively powerful and high-status disciples and elders.

Chen Feng took the meson jade bracelet and poured power into it.

Suddenly, Chen Feng could see all the scenes inside.

Chen Feng saw that in this meson jade bracelet, there was a space of about three meters in length, width and height. It was foggy and contained some messy debris.

In addition, there is a huge platinum box.

Chen Feng turned his mind and snapped, and the platinum box opened directly.

Suddenly, the contents floated out, and Chen Feng saw dozens of Zhu Guo-like objects floating out.

These blood vein purple pill fruits, there is no blood instilled in them, they are about the same length.

The size of a teacup, shaped like a vermilion fruit.

But those who were infused with blood were of different shapes.

Some are round, some are like water droplets, and some are like sharp swords.

Others were crooked and twisted, and looked rather evil.

And the bloodline sealed in each bloodline purple pill fruit is different, some are red, and there is flame burning around, and some are blue and cold, with misty mist lingering around.

Others are full of vitality, like a bud blooming in them.

There is even a piece of black as ink, as if there are endless demons brewing in it.

This piece of black as ink made Chen Feng feel a little frightened.

Of course, what he was shocked was not the strength of this power.

This power is nothing to Chen Feng. What Chen Feng is shocked by is its quality.

Although the absolute power is not strong enough, the quality is extremely pure and powerful.

Chen Feng judged at a glance that the blood in this dark bloodline purple pill fruit, if condensed to the depths, would be absolutely incredible!

"I don't know what it is."

Chen Feng shook his head, leaving this thought behind.

He took a look and found that there were about forty bloodline purple pill fruits inside.

Most of them have been infused with blood, and a dozen of them are completely blank.

Chen Feng threw the messy jade bracelet back to You Gaoyang, and then threw the jade bracelet back: "But here, this is mine, do you have any comments?"

Where can You Gaoyang have any opinions?

Chen Feng threw the dozens of blank bloodline purple Danguo to Rong Mu and the others.

Rong Mu and others seemed to have thought of something, their faces were full of fear.

Chen Feng looked at them and said lightly: "Do you want to die, or do you want to live?"

Everyone looked at Chen Feng with longing eyes.

Of course they want to live!

Their eyes have told Chen Feng everything.

"If you want to live, then voluntarily instill your blood into this blood purple pill now."

Rong Mu and others trembled with fright, with a strong look of despair on their faces.

For them, the deprivation of this bloodline is equivalent to the abolition of strength. Then there is no difference from death.

Their hearts are full of incomparable regrets: "Why did we provoke Feng Chen! So that it ended up like this!"

Chen Feng waited for a long time, seeing that they were only begging to kowtow, but no one did that, so he said lightly: "Okay, let's die!"

"Okay, then I will fulfill you!" *novelusb.com*

After all, it was a palm that slowly pressed down and directly enveloped them all.

Suddenly, the shadow of death flashed in the eyes of Rongmu and others.

They felt that when this palm fell, they would die completely when waiting for others.

Finally, Rongmu could no longer stretch himself, and cried out in tears: "I, I do, I do!"

Chen Feng smiled and walked up to him, patted his face, and whispered, "This is good!"

Then, he smiled and looked at the others.

The others were either trembling or crying, but without exception, all of them agreed.

They each held a bloodline purple pill fruit and let out their hearts.

Suddenly, Chen Feng saw that on the bloodline purple pill fruit, a strong suction formed a small vortex.

It's just that, unlike the previous vortices that are small and then big, these vortices are big and then small.

In a blink of an eye, he was submerged in that bloodline purple pill fruit.

Then, through the bloodline purple pill fruit, it penetrated directly into the palms of these people's hands.

All these people showed pain on their faces and screamed.

They were first forced to undergo a bloodline transformation, and then beams of light lit up on their bodies and came to their hands.

Then, there was a ray of light on the bloodline purple pill fruit.

[Chapter 4028: What is face slap?](#)

Red or yellow, blue or black light flashed on the bloodline purple pill fruit, which became brighter and stronger.

And the aura in them is getting weaker and weaker.

It took about half an hour, and these bloodline purple pill fruits were already shining brightly in various colors.

Obviously, the bloodline has been completely stripped.

Rong Mu and others lay on the ground and wailed in pain.

Their bodies have become extremely weak and are still getting worse.

As for the demon blood anomaly that they just revealed, it has completely disappeared.

Obviously, their blood was stripped away.

Rong Mu and others looked at Chen Feng, their voices trembling: "Master Feng Chen, now, is it all right now?"

Chen Feng nodded slowly and stretched out his hand.

The dozen bloodline purple pill fruits were collected by him into the jade bracelet.

For the miserable situation of Rong Mu and others at this time, Chen Feng did not have any pity or sympathy!

If Chen Feng didn't kill them, he would already give them a lot of face and compassion.

After all, when Rong Mu and others besieged him just now, they were murderous and wanted to kill Chen Feng directly!

Jiu Feiyang and Lu Xingyuan were already paralyzed on the ground and couldn't get up.

When the two saw the fate of young strong men like Rong Mu and Chi Yunguan at this time, and seeing Chen Feng's behavior, they suddenly shivered, and their hearts trembled.

"Today, the two of us had the best fate, I'm afraid it was also abolished and the bloodline was stripped!"

You Gaoyang gave a few words in a low voice, and immediately, Chi Yun's audience dragged Rong Mu and others back.

As for what was waiting for them, Chen Feng didn't care.

But if you want to come to them, they should not die, after all, they have past combat experience, for Chi Yun Guan, it should be somewhat useful.

Then, Chen Feng turned around and walked to Shengyang Academy.

The direction he came was exactly where Lu Xingyuan, Ji Feiyang and their group of attendants were.

Seeing this scene, everyone in Shengyang Academy seemed to understand something.

Shattered, retreated like a tide, and directly let out the dozen people Lu Xingyuan and Ji Feiyang.

They were immediately exposed to Chen Feng.

Chen Feng was leisurely at this time, without murderous intent, and even with a gentle smile on his face, he looked innocent.

However, every step he moved forward, he was like a sledgehammer, smashing into the hearts of Lu Xingyuan, Ji Feiyang and others.

They made their hearts beat wildly, their faces were full of fear, and they even trembled all over.

They realized at this time that what should come will eventually come.

Now doom is coming!

Finally, there was a follower of Lu Xingyuan, who could no longer bear the tremendous pressure and danger.

He felt that his heart was about to jump out, and he felt that fear was like a tide, almost drowning him.

He suddenly fell to his knees with a thump, and yelled frantically at Chen Feng:

"Master Feng Chen, it was my dog who looked down on people and spoke harshly to you. Please spare me!"

"Please, don't kill me! Forgive me!"

Bang Bang Bang, his head hit the floor again and again, kowtow frantically begging for mercy.

And with him in front, those Lu Xingyuan and Ji Feiyang's followers, with a look of fear on their faces, also knelt to the ground one after another, begging for mercy frantically!

Chen Feng got closer and closer, and when he got to the forefront, finally, the pressure of Lu Xingyuan and blame Feiyang could no longer bear it.

The two also knelt directly on the ground and looked at Chen Feng.

However, the two wanted to maintain some so-called decency, their lips moved for a while, but they did not say any words for mercy.

Chen Feng walked to them, looked down at them, and slowly raised his palms.

Suddenly, a wave of awe-inspiring force slowly condenses, and it may fall at any time!

At this moment, Ji Feiyang and Lu Xingyuan's hearts sank crazily.

Because they felt that this huge force was simply beyond their resistance.

In any case, he cannot be his opponent.

As long as this force falls, they will be directly crushed!

This power and this threat also made their hearts full of tremor in an instant.

The psychological defense line collapsed instantly.

The so-called reservedness can no longer be maintained.

Both of them knocked their heads like garlic at the same time, begging frantically: "Forgiveness, forgiveness!"

Chen Feng raised his eyebrows: "Now I know to beg for mercy? Now I know to kowtow?"

Chen Feng looked at them, with a sneer at the corner of his mouth: "Isn't it crazy before me? Isn't it horrible? Isn't it an endless provocation?"

"Ok?"

"just now....."

Chen Feng squatted in front of Ji Feiyang and Lu Xingyuan, stretched out his hands, patted their faces lightly, and smiled:

"Why are you not crazy?"

"Why isn't it horizontal?"

"Why didn't you provoke me?"

Chen Feng said, patted their faces lightly.

Slap!

This is a real face slap!

Chen Feng's action was obviously extremely insulting.

Everyone's eyes fell on Chen Feng, on the faces of Ji Feiyang and Lu Xingyuan, and on Chen Feng's white jade, constantly slapped on the slender hands on the faces of Ji Feiyang and Lu Xingyuan.

For an instant, they felt a sense of trance.

"In our Shengyang Academy, the overbearing blame Feiyang and Lu Xingyuan, who have always ruled the king and hegemony, are now kneeling before Feng Chen like two dogs!"

"Being slapped in the face by him, making this extremely humiliating action!"

"But they don't even dare to resist!"

"Yeah, they don't even dare to say a word! They endure the humiliation there with a smile on their faces!"

For a while, on the big ship, there was unexpected silence.

Everyone stared blankly.

Chen Feng stood up, looked at the two with a smile, and said lightly: "Ask you a question, what are you?"

Lu Xingyuan and Ji Feiyang, looking at each other, tremblingly said: "Before our dogs looked down on people! Before, we didn't know how high the world was!"

"Oh?" Chen Feng smiled and said, "What I asked is, what are you?"

"Huh?" The two of them were dazed, and instinctively said: "We...we...are disciples of Shengyang Academy..."

They didn't know what Chen Feng meant, and their voices stammered.

There was a sneer from the crowd.

"No, it's not right." Chen Feng had a full smile on his face, a gentle breeze.

He said softly: "Think about it again?"

Although he still had a smile on his face, that smile made Ji Feiyang and Lu Xingyuan tremble.

Both of them felt their legs trembling.

The two Nuonuo said, "This, this, that...I, we are..."

They almost can't even speak.

Lu Xingyuan's mind suddenly flashed through, and quickly screamed: "We are trash, we are cowards, softies!"

[Chapter 4029: Come, come, fight with me](#)

"That's right!"

Chen Feng laughed, his heart was extremely refreshing.

Chen Feng was forcing them to put all the words that humiliated Chen Feng that they had said before on themselves.

All eyes are on them.

There was surprise, shock, and fear.

At the same time, there is also hatred.

Some disciples who had been bullied by Ji Feiyang and Lu Xingyuan before, when they saw this scene, they shouted excitedly: *novELUsB.com*

"Master Feng, that's amazing!"

"Haha, that's how you should teach them these two dog things! You are so blind, you dare to provoke Master Feng you!"

"Yes, you should humiliate them like that!"

"Hahaha..."

Many people are extremely excited!

Later, not only they, but also those who had spoken harshly to Chen Feng, they all verbally insulted Feiyang and Lu Xingyuan.

They hope that through their own performance, Chen Feng will forget what he has done before, and Chen Feng will not deal with himself.

Chen Feng's eyes slowly swept across everyone's faces.

At this time, all the people who touched his eyes were all flattering, with a thick smile on their faces.

It is quite different from their previous attitude towards Chen Feng.

Chen Feng looked at the people in Shengyang Academy with scorn on his face. He suddenly smiled coldly, pointed at them, and slowly spit out a sentence: "You fools! Waste!"

Everyone was stunned.

None of them expected that they would be scolded so much by Chen Feng!

But after the shock, it was deathly silence.

When Chen Feng said this, none of them dared to say a word!

I can't say a rebuttal!

Because what Chen Feng said was the truth!

Even after they came into contact with Chen Feng's gaze, they hurriedly lowered their heads, and no one dared to look at Chen Feng.

Beside, Pei Muyu has bright eyes.

She knew that Chen Feng said this to vent her anger.

"And you, you people!"

Chen Feng glanced over Lu Xingyuan and Jifeiyang's group of people: "Not only is it a spoiled, trash, but also shameless!"

"Yes, yes, we are shameless, we are mean."

Lu Xingyuan and the others dared to say no, they both nodded frantically, begging Chen Feng to let them go.

Chen Feng sneered and said, "It's not bad, at least there is some self-knowledge. Then, I will give you a chance."

Upon hearing these words, a ray of hope surged in the hearts of Ji Feiyang, Lu Xingyuan and others.

Chen Feng smiled slightly, and suddenly stretched out his hand to lift the two of them up.

Let them stand up straight.

Then, I tidy up their clothes to make them look a little neater.

Neither of them knew why Chen Fengfeng did this, and both stayed there.

"Very surprised, right? I don't know why I did this, right?"

Chen Feng smiled.

The two nodded instinctively.

Chen Feng laughed and patted them on the shoulder: "You two, but you are going to fight me."

"I'm going to fight Chen Feng, so I must be decent. It's not easy to make you too ragged. Are you right?"

At first glance, the two of them were still ignorant and didn't come back to their senses.

However, Chen Feng's sentence, you are about to fight with me, but they heard it really!

"What? We two are going to fight him? He wants the two of us to fight him?"

At this moment, this sentence makes them like an ice cellar.

From the heavenly spirit cover to the soles of the feet, it is cold!

Chen Feng smiled and said: "You two, just broke into my residence and asked if I dare to fight with you."

"Now, I will tell you the answer!"

Chen Feng stared at them and said slowly: "Why don't I dare?"

Lu Xingyuan almost trembled in a pleading tone: "Feng, Master Feng, we dare not fight you! We dare not fight you!"

"Do not hit?"

Chen Feng deliberately made a surprised expression on his face: "That's not good!"

"If you say it, you can go back with the splashed water?"

He hooked his fingers at Lu Xingyuan and Ji Feiyang behind the dozen followers, smiled and said, "Come on, you guys come together."

Following Chen Feng's words, those people suddenly felt that an invisible force enveloped themselves, and they could not help but stand up.

This scene made them even more terrified of Chen Feng.

Chen Feng held his arms and stood in front of them: "A dozen of you are the ones who went to my residence just now."

"Come on, let's go together."

Lu Xingyuan, Jifeiyang and others all had pale faces.

Where would they dare to fight Chen Feng?

They all waved their hands frantically: "If you don't fight, we don't dare to fight with you."

They naturally knew that they didn't add up enough for Feng Chen to punch.

If you fight Feng Chen, there is only one dead end!

"correct!"

Chen Feng showed a seemingly enlightened expression on his face and looked at Ji Feiyang and said, "Didn't you say that you want me to fight with me with two feet and one hand?"

"Okay, I won't bully you either!"

"Come on, you guys go together!"

He pointed to his feet: "I'm standing here, let you have a hand."

"You go together and can force me to take a step back, even if you win!"

This is the return of what Cai Feiyang said.

After hearing Chen Feng's words, Lu Xingyuan and Jifeiyang almost collapsed!

They were almost collapsed by Chen Feng's suppression, and they were almost crying!

Everyone was stunned, wondering why Feng Chen said this.

Their eyes were full of surprise.

Some people even whispered: "What happened this time?"

"Yes, what's the matter? Why did Feng Chen suddenly say such a thing?"

"Hey, I know."

Someone who knew the inside story whispered next to him: "Lu Xingyuan and Jifeiyang, just now led their confidants to Feng Gongzi's residence and provoke him."

"Yes, Ji Feiyang also said that he was standing there, letting Mr. Feng a hand, as long as Mr. Feng could force him to take a step back, Mr. Feng would win!"

"What? He did such a thing? Is he crazy?"

"Yes, he still provokes Master Feng, is he worthy?"

"I'm ashamed of him!"

Everyone was talking a lot, and the words were even more ridiculous.

These words hit Ji Feiyang's ears, making him ashamed and eager to find a place to sew in.

"Why? Still not moving? Want me to repeat it a second time?"

Chen Feng's mouth was still smiling, but that smile had already become cold.

Lu Xingyuan and Jifeiyang trembled in their hearts, and hurriedly knelt to the ground: "We are also willing to strip our blood, and only seek a way out!"

"Oh? Strip the blood?"

Chen Feng looked at them with a smile on his lips, and then slowly shook his head: "Sorry, you two are not qualified."

[Chapter 4030: How much is your face worth?](#)

Chen Feng tossed a blank bloodline purple Danguo in his hand: "Just your two **** bloodlines, wasting a piece of bloodline purple Danguo for you, do you match it?"

Upon hearing this, Lu Xingyuan and the others sank crazily.

They originally wanted to get a life by stripping their blood, but now Chen Feng told them that they didn't even have the qualification to be stripped of blood!

They are completely desperate.

At this time, the head of the East Court looked at Chen Feng and slowly stood up.

Seeing him stand up, he suddenly blamed Feiyang and Lu Xingyuan as if they had caught a life-saving straw.

Both of them looked at him hopefully.

In the voice used by the head of the east courtyard, there was impatient, with a hint of command: "Okay, Feng Chen."

"It's almost enough, don't go too far."

"Lu Xingyuan and Jifeiyang are outstanding disciples of our Shengyang Academy after all. If you persecute them so much, it would have made them too shameless. Just stop it!"

By the time he said the last sentence, his face was already a bit impatient.

Obviously, he was very prejudiced against Chen Feng and was quite impatient.

Moreover, he is still ordering Chen Feng until now!

After Chen Feng heard what he said, he smiled slightly and said nothing.

Just looked at him with an idiot look.

After feeling Chen Feng's gaze, the palm of the East Court instantly stunned, and said inwardly, "What is going on? Feng Chen didn't respond to my words? What did he mean?"

At this time, he vaguely guessed a little.

But, they don't want to lose their face in front of everyone.

He immediately improved his tone and exclaimed in a stern tone: "Feng Chen, have you heard?"

"Give me face, that's how it passed!"

Then, he looked at Lu Xingyuan, Jifeiyang, and beckoned: "You come back!"

After hearing these words, Lu Xingyuan and Jifeiyang's hearts settled down immediately.

In their opinion, with the backing of the East Campus and the Sovereign Court, they don't have to die for themselves and others.

This thing will pass.

Therefore, the two of them immediately turned around and walked back, and their followers hurriedly followed.

But at this moment, behind them, a voice that made their liver tremble suddenly came: "Did I let you go?"

Suddenly, the figures of these people were frozen there.

After that, they all looked at the head of the eastern courtyard.

Chen Feng squinted at the head of the eastern courtyard, suddenly smiled, raised his eyebrows, and said lightly: "Master of the palm, you are quite ashamed, huh?"

"Just now, Lu Xingyuan and Ji Feiyang provoked me like that, you were indifferent."

"After that, Lu Xingyuan and Jifeiyang, even disregarding the decency of the Shengyang Academy, directly began to support the people of Chi Yun Guan, wanting them to kill me."

"If you haven't seen such behavior, you will not punish it at all."

"And now!"

Chen Feng looked at the eastern courtyard, and his voice was as cold as ice and cold as a knife:

"I'm going to deal with them, but you started to intervene."

Chen Feng's voice was leisurely: "Actually, I can charge you a lot of crimes for the bad things you did."

"For example, if you eat inside and out, you are incompetent... Wait."

The cold sweat from the head of the east courtyard came down.

"but!"

At this time, Chen Feng's talk changed, and yoyo said, "I don't even bother to say that."

"No need at all! I just want to talk to you!"

"Give you face?"

Chen Feng looked at the head of the eastern courtyard and smiled softly: "How much is your face worth?"

Give you face? How much is your face worth?

This sentence, like a slap in the face, slapped the face of the head of the East Campus.

His face turned pale in an instant, and his face showed extreme shame.

He knew that he was humiliated!

I was humiliated in front of the Shengyang Academy and Chi Yun Guan everyone!

However, he did not dare to say more than a word.

Because at that moment, he suddenly realized that he, the master of the academy, is not a **** in front of Chen Feng!

He didn't take himself to heart at all!

There was a low laughter from the crowd.

Everyone could see that Feng Chen didn't take his identity seriously.

He is here in Feng Chen, nothing counts!**NOVELUSB.Com**

It is ridiculous that only he himself is still immersed in the superiority brought by his identity.

Chen Feng looked at Lu Xingyuan, Ji Feiyang and others, and said word by word: "I will ask you one last time, do you fight or not?"

His voice is sharp: "My patience is limited."

Lu Xingyuan, Jifeiyang and the others looked at each other, and suddenly there was a madness in their eyes.

They know that they have only a dead end today.

Fierce light burst out in their eyes, howling and rushing towards Chen Feng frantically!

They didn't think about what they could do to Chen Feng, they were just desperate.

Seeing this scene, everyone in Shengyang Academy closed their eyes.

They already know the ending.

Sure enough, in the next instant, they heard several screams and screams.

Then, there was the sound of a heavy object falling.

Then, they saw Lu Xingyuan, Ji Feiyang and others, all fell out, vomiting blood.

Lu Xingyuan and Jiu Feiyang's attendants were only seriously injured and were not dead.

Lu Xingyuan and Ji Feiyang were both vomiting blood there, and the light in their eyes gradually faded.

Looking at Chen Feng, they burst out the last words in this life: "We, we regret it!"

They naturally regret it.

They regretted provoke Chen Feng, otherwise, they would not fall to the current situation.

It's a pity, what's the use of regret at this time?

The two died directly, no more breath.

Seeing this scene, the scene fell silent for an instant.

The head of the East Court looked at Chen Fengfeng with obscure eyes, not knowing what he was thinking.

However, Chen Feng didn't care what he thought.

Just a mere ant, how could Chen Feng care about it?

You Gaoyang and others were not willing to stay any longer at this time.

After saying a few words, it was goodbye and ready to leave.

Chen Feng suddenly said: "Hold on."

Hearing Chen Feng's words, You Gaoyang and Chi Yun's audience shivered suddenly, with a violent look of fear in their eyes.

"Could it be that he shouldn't let it go?"

They all turned around in horror.

You Gaoyang forced a trace of courage and looked at Chen Feng with a respectful face: "Master Feng, what else do you want?"

Chen Feng looked at You Gaoyang and chuckled lightly: "Don't be so nervous, I'm just discussing one thing with you."
