

Peerless 4061

[Chapter 4061: Dare to grab our things?](#)

"There are countless spiritual plants here, of extremely high levels, and terrifying power. To me, these are countless powerful elixir!"

"This is an unparalleled treasure house!"

Chen Feng's eyes gradually lit up, and he had already made up his mind to make this Xuanming Seven Seas Realm his own private world!

"It's better to be mine..."

Chen Feng slowly spit out a sentence: "It only belongs to me, the world of medicinal materials!"

Now that the idea has been decided, one idea is slowly taking shape.

In any case, winning the first place this time, getting seven treasures, and suppressing the seven forces is the first step!

Next, Chen Feng and others continued to move forward.

Soon, one day passed.

And Chen Feng has also obtained a total of 16 treasures.

Five of the seven main medicines needed to refine that seven-grade golden core have been found.

Pei Muyu and Xing Xiangyu also gained a lot.

In the evening, on the side of a cliff.

Chen Feng was standing with a smile on his back.

In the front, Pei Muyu and Xing Xiangyu are fighting with a giant eagle monster.

The giant eagle monster has a full wingspan of 100 meters and a length of fifty meters. It is covered with iron-colored eagle feathers, and it looks extremely hard.

Like a layer of heavy armor.

But at this time, its two wings have broken, and can only stand on the ground to fight Pei Muyu and Xing Xiangyu.

However, even so, Pei Muyu and Xing Xiangyu were playing quite hard, but they only had the upper hand.

This iron armored giant eagle monster is the triple peak of the Xuantian realm, Pei Muyu and Xing Xiangyu are not his opponents.

But it was injured by Chen Feng. The reason why Chen Feng didn't kill it was to use it to train Pei Muyu and Xing Xiangyu.

He can't protect Pei Muyu forever, so he needs to improve Pei Muyu's strength.

And Chen Feng was pointing around.

This made Pei Muyu's fighting skills crazy.

Under Chen Feng's guidance, Pei Muyu and Xing Xiangyu were getting more and more the upper hand, screaming at the iron armored giant eagle.

Pei Muyu showed excitement in her eyes and shouted loudly, "Brother Feng, thank you so much."

Chen Feng smiled slightly.

Pei Muyu's own blood is quite tyrannical, and his talents are not bad at all, but he has not met a Master before, and the method of using power is too rough.

Now, under Chen Feng's guidance, her strength has soared.

Suddenly, Pei Muyu yelled sharply, his wings shook, and it was a flash.

Straight forward, came behind the giant eagle.

The two palms were filled with red light, slapped fiercely on the neck of the armored giant eagle!

With a crisp 'click', the iron-clad giant eagle was beaten to the neck!

It screamed bitterly and faltered.

Seeing that Pei Muyu made one more move, he could kill it.

At this moment, a black light suddenly surged in the distance, slamming like a thunder, and it was nailed to the head of the giant eagle!

Nail the giant eagle directly to the ground!

It turned out that what was shot over was a huge three-meter-long javelin. The whole body was black and the cold light shone!

Pei Muyu quickly retreated to the side, with a frightened expression on his face, and shouted, "Who?"

She was breathing quickly, with a throbbing on her face that she had never caused.

Just now, she almost penetrated her with this iron armored giant eagle, how can you keep Pei Muyu from being furious?

Chen Feng's eyes were cold: "Dare to **** our things?"

At this time, several arrogant laughs came from a distance.

One of the voices laughed and said: "Brother, you are really a great move. Let's kill this giant eagle, and today we have another gain!"

"Yes!"

A person next to him said in an interface: "This iron armored giant eagle is quite precious, and it can condense the purple pill fruit in its body."

"Moreover. Among the bloodline purple pill fruit, there is a bloodline of three-point iron armor demon."

"It fits well with the blood of our three brothers."

A rough voice laughed and said, "The second and third child, I know what you mean."

"In this way, the youngest is the weakest. This time, the bloodline purple pill fruit produced by this iron armored eagle will be distributed to the youngest."

The first person to speak was overjoyed and quickly thanked him.

The voices of several people kept approaching here.

And listening to what they meant, they already regarded this iron armored giant eagle as their own thing.

It's even being distributed.

Pei Muyu's face was pale with anger, this iron armored giant eagle, she obviously beat it to death, these people just picked up a bargain.

But of course he regarded it as his prey, and his attitude was extremely arrogant.

Even without asking them at all, the spoils are distributed here.

At this moment, there was a low voice suddenly, and he said with a cold snort: "Wei Gundam, if you hadn't walked ten miles ahead of me, you had shot so much earlier than me."

"Now, it's me who killed this iron armored eagle!"

The Guardian in his mouth was obviously the rough man who laughed loudly and arbitrarily assigned this armored giant eagle.

Obviously, the tone of this population is quite dissatisfied.

"Yes!"

There was a shrill voice coming from nearby: "If our Senior Brother Huang Jianbi, Huang Jianbi, made a move, we wouldn't even have to work so hard at all. You can easily kill this iron armored giant eagle."

"Even, there are no scars on the outside."

"Junior Brother is right."

Another voice interface said: "At that time, the surface of the armored giant eagle will be complete, and it will even get a higher score and sell for a higher price."

Obviously, the three voices speaking in the back are not the same force as the three voices speaking in the front, and there are even disputes!

There are a lot of them, and their voices are very noisy.

During the clamor, he appeared in front of Chen Feng and others.

Chen Feng saw that there were a total of six people who came, and the three people who walked in front looked completely different.

There are tall and short, fat and thin.

At a glance, there is no blood relationship.

However, anyone who takes a look will feel that the three of them are very similar.

This resemblance is an image of temperament.

And this kind of temperament is determined by their techniques and even their blood.

Chen Feng and the others can see at a glance that the three of them are definitely of the same blood.

Moreover, the practice is the same method of stimulating blood.

Although the three of them are completely dissimilar in appearance, their breath is exactly the same.

Moreover, the surface of their bodies are all large tracts of iron armor, which is a bit like artificially made, but also a bit like the one naturally generated by monsters.

Layers are piled up, and I don't know how many layers are covered on the surface of the body.

There are also one thick and sharp protrusion on the surface, just like the thorns on a crocodile.

Gives people a primitive, crude, wild and ancient feeling!

And under their layers of iron armor, there are high bulging muscles, giving people a very explosive sense of strength.

[Chapter 4062: Make it clear to bully you!](#)

Obviously, what they value more is the power of the flesh.

These three people are quite large.

Swinging from a distance, I looked at it, as if three black hills were constantly approaching here.

The largest body is 30 meters in height, and the two smaller ones next to it are about 20 meters in height.

Pei Muyu whispered in Chen Feng's ear: "The three of them belong to the iron-clad door."

With that said, he pointed to the giant man who was the largest among the three, and said, "This man is Wei Gao."

"The two next to him are his two juniors, Wu Mingjun and Long Yongyi."

"The three are not brothers, but they are of the same blood, and they are quite close in temperament. They are also the three strongest disciples in the Iron Armor Clan, so they are brothers of different surnames."

"However, there are occasional intrigues between the three."

Chen Feng nodded slowly, feeling clear.

Obviously, the three of them were the first to speak, claiming to have the blood of the Iron Armor Demon.

On the top of Wei Gundam's fingertips, dozens of black iron spears were flying around and flying.

Compared to his size, those black iron spears are as small as embroidery needles.

However, he was flying extremely dexterously at his fingertips.

Obviously, he is not blindly rough, and his control of power is quite subtle.

He threw the iron spear just now.

Behind Wei Gao, Wu Mingjun, and Long Yongyi, there are the other three.

The three of them did not undergo blood transformation, but they each held a long sword in their hands.

However, the look of the long sword is quite special, quite huge, measuring nine feet long.

Moreover, the interior is hollow, and I don't know what it is doing.

Pei Muyu whispered: "The three are Huang Jianbi, Luo Yong, and Shangguanpeng. The three of them belong to the Feiyanjian faction."

"Flying Smoke Sword Sect?"

Chen Feng slowly nodded, hearing this name, he knew that this school of swordsmanship was good.

Chen Feng was still a little excited.

Since he came to the Xuanming Seven Seas Realm, the Xuanming Seven Seas Realm gave him the feeling that it was a wild martial arts world.

Martial arts techniques are very weak, and even many people don't even use martial arts.

I just don't know, can this Feiyanjian faction give him a little surprise?

After the six came over, they also saw Chen Feng and the others.

Suddenly, they were all taken aback.

Then, a playful expression appeared on his face.

There is disdain, contempt, and even thick ridicule and arrogance.

The six of them walked directly in front of the three of Chen Feng.

Especially the three of Wei Gao, Wu Mingjun, and Long Yongyi stepped on the ground like an earthquake, shaking constantly.

Wei Gao grinned, ugly: "Who am I? It turns out that it's your trash from Shengyang Academy!"

"We are looking for you everywhere!"

Pei Muyu was stunned for a moment: "What are you doing with us?"

But then, he understood.

Suddenly, there was a deep sense of humiliation in my heart.

Why did the other party look for Shengyang Academy?

Naturally, they regarded the members of the Shengyang Academy as soft persimmons, coming to grab their treasures!

There is no concealment in his words, full of disdain and ridicule.

Next to him, Wu Mingjun also smiled: "The only two that Shengyang Academy can handle are Lu Xingyuan and Jifeiyang."

"As a result, the two of them did not come, instead they sent you three trash."

"What do you mean? Have you abandoned yourself?"

Huang Jianbi, who was on the side, looked like a talented person, standing upright.

However, he also swept Pei Muyu with a wicked look, and then he smiled and said, "Shengyang Academy is really big-hearted."

"Pei Muyu, you are a beauty that a younger generation can count."

"Even in the entire Xuanming Seven Seas Realm, it is also very famous. As a result, let these two wastes follow you in? I am not afraid that something will happen to you? Huh?"

After all, hey laughed.

Everyone gave out an arrogant laugh, their eyes were extremely obscene.

Chen Feng looked at them, his eyes slowly cold.

These six people are obviously walking together.

And when they first came, they didn't need to talk about their overbearing behavior, they even dared to covet Pei Muyu, and speak frankly to Pei Muyu here!

On this basis, Chen Feng could not spare them!

Pei Muyu's face flushed even more, and she wanted to ridicule.

But suddenly, her eyes moved.

She thought of Feng Chen's plan and of his unwillingness to reveal his identity.

Therefore, at this moment there was some hesitation.

She was afraid that she could not control her emotions for a while, exposing the identity of Brother Feng Chen and causing him trouble.

So I took a deep breath and wanted to endure it.

At this time, Wei Gundam looked at Pei Muyu up and down, and said with a smile: "Little Lady Pei!"

"Just now, you were about to be killed by this iron armored eagle when you were watching. I saved you. Why do you thank me?"

He chuckled and said, "How about taking the body to promise?"

Wu Mingjun and Long Yongyi laughed loudly.

Wu Mingjun was even more wretched and said, "After that, when we meet Pei Muyu, don't we want to call her sister-in-law?"

Pei Muyu was directly smirked.

Originally, this iron armor giant eagle, she was able to kill just now.

As a result, I didn't expect it. Midway, he was stupefied by Wei Gao for his work and grabbed the treasure.

And now, even let myself thank him for his life-saving grace? Still asking for benefits from yourself?

Really shameless!

Now they have made it clear that they are going to bully the three of Shengyang Academy!

"Really shameless, what is it?"

"You still have a covetous heart for me, are you worthy?"

Pei Muyu had always been gentle and lovely in front of Chen Feng, but at this time it was cold and glamorous, coldly scolded.

"Also, I can easily kill this iron armored eagle just now. You stab me out to **** my prey."

"You even ask me for a favor? Wei Gao, you really want to face it!"

Wei Gao's face was extremely ugly by her remarks.

He stared at Pei Muyu, and said cruelly: "Pei Muyu, is he eloquent?"

"After I catch you later, I must torture you well and make you regret what you are doing now!"

He suddenly took a step forward, staring at Pei Muyu, and roared: "Pei Muyu, do you dare to fight with me?"

"If you can beat me, I will admit what you just said and give this iron armored eagle to you!"

"If you can't win!"

He sneered and said: "It's better to have you!"

Behind him, Wu Mingjun, Long Yongyi, Huang Jianbi and others all laughed wildly and yelled.

When Chen Feng listened, the killing intent flashed in his eyes.

He took a step forward slowly and was ready to shoot.

Chen Feng had been fed up with the noise of these six people, and would crush them all to death with one shot.

[Chapter 4063: I think she is fine](#)

But at this moment, Pei Muyu suddenly turned around and looked at Chen Feng.

That gaze, Can Ruo Chenxing.

"Brother Feng Chen, this time, I want to fight Wei Gundam!"

Chen Feng raised his eyebrows and looked at her.

He also knew that Pei Muyu was not Wei Gao's opponent.

Pei Muyu had a sad look in his eyes: "Brother Feng Chen, along the way, I'm just a burden to you, and I can't help you."

"Moreover, it brings you all kinds of disasters."

"I know my temperament, the past me, I only want to read those weird stories, I don't want to practice, I think those things are very far away from me."

"But now, I know, these things are not far away from me."

"Close at hand! Imminent!"

"I have to improve myself, and the best way to improve myself is to fight!"

She stared at Chen Feng word by word: "Wei Gao humiliated me so much, I can't let you vent your breath for me, I want to vent myself!"

"I want to defeat him, otherwise, I can't get through in my heart!"

The look in her eyes was extremely firm.

Chen Feng frowned.

But then, his brows stretched out, watching her chuckle and said, "Good point!"

"Then, you will go to war!"

Although Chen Feng wanted to kill these six people now, but for the sake of Pei Muyu, he didn't mind being patient.

Pei Muyu nodded his head: "Brother Feng Chen, don't worry."

However, although she said so, she never wavered in her heart.

However, he is not an opponent of Wei Gao, but a fact.

Speaking of it, Wei Gao's strength is stronger than Lu Xingyuan and Jifeiyang.

She was not the opponent of Lu Xingyuan and Ji Feiyang before, and even less was Wei Gao's opponent.

Wei Gao also sneered: "Pei Muyu, I think you can't do it!"

Chen Feng looked at him and smiled faintly: "I think she is fine!"

He patted Pei Muyu on the shoulder: "You can go."

"Don't worry, you can't lose with me."

His voice was faint, but inside, there was an unparalleled strong self-confidence.

When Pei Muyu listened, he couldn't help but think: With the words of Brother Feng Chen, I would have won!

And the next moment, her eyes widened, and a strong surprise flashed in her heart.

It turned out that as Chen Feng patted her shoulder with her right hand, she actually felt that an incomparable strength had poured directly into her body.

In one's own body, it spread out instantly.

At this moment, her power became surging, extremely powerful!

She even felt that at this moment, her blood was surging crazily.

There are almost signs of a direct promotion to one level!

She was ecstatic in her heart and finally understood what Chen Feng's words meant.

Taking a deep look at Chen Feng, Pei Muyu chuckled, "Brother Feng, I feel relieved by your words!"

As for Chen Feng's words, Wei Gao and others were taken aback after hearing this.

Then, there was a huge laughter.

"You trash, who do you think you are?"

"That is, you are not famous in the Shengyang Academy, and the younger generation in the Xuanming Seven Seas Realm is even more unknown. Any one of us can easily crush you to death. You dare to say such things. !"

The person of Feiyanjian faction was thoughtful.

Then, pointing to Chen Feng and said: "I seem to know your name, is your name Feng Chen?"

"Before being silent, this time I should have embraced Pei Muyu's thigh, so I was able to enter here."

"Do you know anything about yourself?"

He looked at Chen Feng with a disdainful expression on his face: "Are you crazy if you dare to say such a thing because of your trash?"

Wei Gao laughed: "Are you mad? I suspect you were mad because of our stimulation?"

Wei Gao and others were crazy mockery of Chen Feng.

All kinds of malicious words were smashed down, and Chen Feng was full of overlook and disdain in his words.

In their opinion, Chen Feng at this time is extremely ridiculous.

It's a mere rubbish, the nameless, there is still the face to point here?

It's ridiculous, I don't know how high the sky is!

At this time, Pei Muyu couldn't wait to show off his powerful strength.

She took a step forward and said to Wei Gao, "What nonsense? Now, fight me!"

Wei Gao laughed: "Well, since you want to die, then I will fulfill you."

The next moment, he took a step forward.

Then, he took the iron spear in his hand, and slammed it at Pei Muyu!

There was a cruel look in his eyes.

In his opinion, this punch can directly severely wound Pei Muyu.

She is definitely not her opponent!

Because the most powerful one is physical strength!

Pei Muyu gave a soft drink, and suddenly, the bloodline turned into action.

She is about two meters high now, and there are two huge wings on her back.

The wings, like swan wings, are white all over, with a hint of gold interspersed with them, and there are some pink lines on them.

On top of her head, there was a pointed unicorn like a purple jade carving.

The skin on the surface of the body was as white as snow, and a faint purple mist lingered around the body.

In the mist, her figure appeared faintly.

It feels elegant and noble, but with a trace of indescribable charm.

Guardian laughed loudly: "It really is a rare succubus bloodline!"

Long Yongyi, Huang Jianbi and others are all bloody, and their eyes are full of greed, and they are also jealous of Wei Gao.

Obviously, they regret it.

I regret why I didn't make a move and got Pei Muyu!

In their opinion, Pei Muyu will never be Wei Gao's opponent, and sooner or later will be Wei Gao's person.

Wei Gao slammed down with a fist, and Pei Muyu would be seriously injured by his vomiting blood for the next moment.

No one thought that Pei Muyu would be Wei Gao's opponent.

Except Chen Feng.

Chen Feng stood there, staring lightly, with a sneer at the corner of his mouth.

The next moment, a scene that shocked Wei Gao and others appeared, Pei Muyu did not evade, and directly slammed Wei Gao, also punching out!

No tricks, no evasion, just head-on force!

Wei Gundam grinned: "You little girl, you don't know how to die..."

Before the word 'live' was spoken, the two fists hit each other.

It seems that there is a huge gap between the shapes of the two bodies, but when the two collided together, there was a huge shock!

And Wei Gao's eyes widened suddenly, his face showed a touch of shock and astonishment.

[Chapter 4064: I said, you can't lose with me](#)

It turned out that he felt that a huge force hit him fiercely!

That power is not inferior to himself.

It shook him with severe pain, and his fist almost broke.

Even more involuntarily, he kicked back several steps, wow, a mouthful of blood spurted out.

He has suffered internal injuries!

But Pei Muyu also flew backwards, sliding tens of meters in the air, before stabilizing her figure.

But even so, she clearly has the upper hand.

In this abrupt power confrontation, it was completely the upper hand!

Wei Gundam let out an incredulous roar, glared at her, and shouted: "How is it possible? How can you have such a strong power?"

Not only Wei Gao, but behind him, Wu Mingjun, Long Yongyi, Huang Jianbi and others are also stupid.

They also screamed in disbelief!

Looking at Pei Muyu's gaze, there was a lot of contempt and a little more solemnity.

They felt that they had to reassess Pei Muyu's strength.

And Wei Gao also quickly recovered.

He looked at Pei Muyu, suddenly felt a glow, his face was extremely ugly.

He just boasted that Haikou and dismissed Pei Muyu, but he did not expect that in the end, Pei Muyu was not weaker than him!

Moreover, it has the upper hand!

Wei Gao knew that he had to be careful when facing her, and he had to show all his skills.

He stared at Pei Muyu, grinning and said: "I didn't see it, you still have some skills!"

"Okay, let me see and see!"

The next moment, the dozens of spears in his hand suddenly appeared, hovering above his fingers like embroidery needles.

Then, these dozens of spears shot towards Pei Muyu, covering an area of several hundred meters.

It looks extremely powerful.

Torn the sky, extremely powerful!

Facing these spears, Pei Muyu was not afraid at all, and his figure flickered one after another!

At the same moment, dozens of punches were actually punched!

Ding ding ding, a dense crash sounded.

All of these spears were shot flying!

Pei Muyu stood there with a smile on the corner of his mouth, only feeling the unspeakable comfort in his heart.

In fact, she has always been agile and is not afraid of such attacks.

It's just that, in the face of this kind of attack, she can only escape!

Because she is not strong enough.

Although the speed can keep up, but the strength is not enough.

But now, with enough power, it can be easily cracked.

She slowly clenched her fists: "This is power!"

The next moment, he attacked Wei Gao.

Wei Gao fought hurriedly, and the two quickly became a group.

Bang bang bang, the sound of impact is endless!

Although Pei Muyu had the upper hand, the power Chen Feng gave her was, after all, a foreign thing, and it was a little difficult for her to control it.

Therefore, Wei Gao cannot be completely suppressed.

In a blink of an eye, the two had already played hundreds of moves, but it was difficult to distinguish the outcome.

Suddenly, Pei Muyu was about to attack Wei Gao's left rib.

Because, in her opinion, this is a flaw.

And at this moment, suddenly, she heard the voice of Brother Feng Chen coming over: "Tap three feet above his belly button."

"Attacks three feet above the navel?"

When Pei Muyu heard this, she was taken aback: "This doesn't match my plan?"

Moreover, the navel is directly above the three feet, the defense is extremely tight, it is not a flaw at all!

However, despite these thoughts in her heart, she did not hesitate at all.

Instinctively, following Chen Feng's words, he fiercely attacked the place three feet above Wei Gao's belly button!

It was strange to say that when she attacked that, the defense was still tight.

But when she attacked nearby, there was already an empty door open, without defense, directly exposed in front of her.

And just now, the position of the left rib of Wei Gundam that he was about to attack already had a huge palm lying there.

Pei Muyu suddenly broke out in a cold sweat!

Only then did I understand that the so-called flaw was Wei Gao's method of lure the enemy.

There is no flaw at all, but a trap.

The real flaw lies in the direction that Chen Feng pointed out.

Wei Gao also heard Chen Feng's words, his face suddenly changed, and he wanted to withdraw his offensive.

But where is it so easy?

He can't take it back at all!

Therefore, I could only watch my flaws uncovered, watching Pei Muyu hit his flaws with a punch!

He originally had a fluke, hoping that Pei Muyu's tyrannical strength just now was slightly better than his own, but it was only a short-lived.

But the next moment, it disappointed him.

An extremely powerful force shattered the heavy iron armor on the surface of his body and shattered his muscles!

Smashed directly into his internal organs!

He let out a terrible scream, his figure was directly shot and flew out and fell to the ground.

And on his chest and abdomen, a huge wound suddenly appeared, as thick as a bucket!

Blood shot out frantically from it, forming a huge fountain.

This move had already broken his internal organs and was seriously injured near death.

Even, his eyes were dizzy, lying there, just crazily twitching and screaming.

You can't even struggle!

He felt that his power was spurting out with blood, passing by like crazy!

Wu Mingjun, Long Yongyi, Huang Jianbi and others are completely stupid.

They stood there in a daze, watching this scene completely in disbelief.

Although it seemed that Wei Gundam was difficult to win just now, it is absolutely impossible to lose in a short time.

In their view, at least there can be a stalemate for a long time.

However, he didn't expect that in such a moment of effort, Wei Gao was already defeated.

And all of this stems from...

Their eyes turned to the white-clothed young man standing there.

At this moment, they looked at Chen Feng with a bit less contempt and disdain, a bit more solemn!

They have already felt that this young man in white seems quite difficult.

Pei Muyu was stunned for a moment, then turned around, looked at Chen Feng, and exclaimed, "Big Brother Feng Chen, I won! I won!"

She couldn't help herself!

Not only was it because she won this time, but more importantly, she felt as if something had been broken in her heart, and she couldn't express her ease.

Chen Feng smiled faintly: "I said, you can't lose with me."

This sentence also made Wu Mingjun, Huang Jianbi and others hear clearly.

Their hearts are extremely complicated.

When Feng Chen said these words, they laughed loudly, not taking it seriously.

[Chapter 4065: Punch!](#)

And now, they know that this sentence is the truth!

Feng Chen didn't brag at all, he really has this ability!

He slapped them in the face with reality!

At this time, Wei Gao also seemed to be slowing down.

He let out a screaming cry, stared at Chen Feng, and yelled bitterly: "Go on! Kill them for me, kill them all!"

Wu Mingjun, Long Yongyi, Huang Jianbi and others, looking at each other, a strange color flashed in their eyes.

Then, the five figures flickered, directly surrounding Chen Feng and others.

Seeing this scene, Chen Feng sneered coldly and didn't care.

And Pei Muyu gritted his teeth and said bitterly: "Are you going to besiege us? Do you want to fight more with less? Don't you even want to lose face?"

Wu Mingjun, Huang Jianbi and others were so questioned by Pei Muyu, but there was no shame on their faces.

On the contrary, his expression became colder.

After Guardian was injured, Huang Jianbi became their leader.

After all, he is the leading disciple of the Feiyanjian Sect.

He smiled yinly, staring at Pei Muyu and said, "Junior Sister Pei, this is a bad remark. What does it mean to beat more and less?"

"If you go out alive, and today's matter is spread out, it is that we fight by more than less, and win by force."

"but!"

His voice became extraordinarily cold: "If we leave you all here, you won't be able to get out alive."

"Outsiders don't know what's going on here, so there is nothing more to beat less!"

"They will only see a few corpses after they came here!"

His voice became softer: "No one will know what happened here."

After all, these five people laughed for a while, and the laughter was full of disdain, arrogance, and confidence in winning the game.

In their opinion, Chen Feng and the others were already dead.

If the five of them besieged, Chen Feng and the three could not be their opponents, there is only one dead end.

Pei Muyu said coldly: "You are so confident that you can kill us?"

"It's not self-confidence, girl, there is one thing you made a mistake."

Huang Jianbi shook his fingers arrogantly: "This is a fact."

He pointed at Chen Feng: "Your name is Feng Chen, right?"

"I admit, we missed it before, and you seem to have some ability."

"But..."

He looked down and looked down: "That's just that kind of ability. The five of us will join forces to kill you, it's easy!"

Pei Muyu was about to speak.

At this time, Chen Feng pulled her behind him.

Then, looking at Wu Mingjun and Huang Jianbi, he smiled and said, "Are you sure you want to fight?"

As soon as Chen Feng said this, Wu Mingjun and others laughed wildly.

They regarded this as a sign of Chen Feng's weakness.

Wu Mingjun laughed and said, "Unless you kneel before us now and hand over all the treasures you have gotten this time."

"Then offer Pei Muyu out, and we will spare you."

They all regard Chen Feng and others as the meat on the sticky board, and they are the meat-chopping knives.

They all laughed arrogantly.

But at this time, a clear voice faintly sounded: "I have a better idea."

Chen Feng looked at them and said slowly: "Why don't you kneel on the ground now, hand over all your treasures, and then abolish your blood, and I will spare your lives."

After Chen Feng said this, Wu Mingjun and the others were stunned.

Then, the next moment, there was a burst of more arrogant laughter.

They laughed forward and backward, tears bursting into their eyes.

Looking at Chen Feng is like looking at a madman.

"Are you mad? How dare you say such bullshit?"

"Are you blind? Can't you see the huge power gap between the two sides?"

Huang Jianbi suddenly yelled: "Don't talk nonsense with him here, kill!"

All five of them roared and slammed to Chen Feng.

For a time, it was unparalleled.

Chen Feng looked at them and flicked his fingers lightly, with a leisurely voice: "I gave you a chance."

The next moment, his eyes changed.

"Since you are shameless, then die!"

Following these two words, Chen Feng burst out from between Chen Feng's throat, his figure flashed suddenly, and he slammed out with a punch.

That's right, Chen Feng just threw a punch.

But with this punch, the power was blasted out, radiating a huge shock wave!

Envelop these five people directly!

Chen Feng's fist blasted out, and hundreds of billions of catties surged out. How could they resist it?

With the fierce bombardment of this punch, Huang Jianbi and others suddenly felt that their figure seemed to freeze for a while, and their defense seemed to have stagnated at this moment.

Then, the next moment, they felt a huge force, which completely enveloped them.

There was a touch of extreme horror and disbelief on their faces!

That huge force smashed down fiercely, making them feel that they couldn't resist, couldn't resist!

They all screamed.

"What kind of power is this? I feel like I can't resist it at all!"

"This power, this power is so huge?"

The five of them felt at the same time that the sky seemed to collapse.

At this moment, Wu Mingjun, Long Yongyi and others started their bloodline transformations, and at the same time they launched their strongest offensive.

Their bloodline transformation is also quite weird, and their bodies simultaneously transform into existences like long swords.

Then, he entered the long sword that he carried with him.

Controlling the long sword and slashing forward fiercely!

It turned out that their bloodline turned out to be the incarnation of giant swords!

Five people simultaneously put out their strongest offensive!

In an instant, the situation changed!

But it's useless!

Faced with this incomparable punch, their offensive has no effect at all!

As Chen Feng's punch fell, the huge destruction force was severely suppressed!

At this moment, the sound of kakaka is endless!

Wu Mingjun's huge, powerful fist was directly destroyed.

Then, in the next moment, that destructive power hit their bodies fiercely!

They all screamed terribly, their iron armors shattered, their bones broken, and they flew back!

When a person is in the air, the bloodline transformation has ended, transformed into a normal form, and fell to the ground.

Blood surging all over his body, like a blood man for an instant.

And Huang Jianbi, Luo Yong, Shangguanpeng, and the three giant swords are all discounted!

Appearing on their bodies, their bloodline transformation disappeared at the same time, they were beaten to pieces, and all kinds of falls!

In the first instant, all five of them were severely wounded and dying, and fell to the ground!

[Chapter 4066: backing](#)

Screaming and screaming one after another!

They even looked at Chen Feng and screamed in disbelief, full of shock and fear!

"How is it possible? How is it possible? How can you have such a powerful force!"

"With just one punch, you were seriously wounded and dying of five of us at the same time? What kind of monster are you? What kind of strength do you have?"

They looked at Chen Feng and howled again and again, with unspeakable fear in their eyes.

They were completely frightened by Chen Feng's strength.

In the next moment, Chen Feng slowly walked towards them.

Seeing Chen Feng approaching forward, all five of them were terrified.

They wanted to escape, but they couldn't even stand up.

They could only support the ground with both hands, and moved backward little by little in a panic, leaving the bloodstain of Datan on the ground!

As they stepped back, they looked at Chen Feng and shouted in horror: "Don't kill us, please, don't kill us."

They could see the murderous intent in Chen Feng's eyes.

At this time, when they faced Chen Feng, they no longer had the slightest arrogance and disdain, no contempt or overlook.

Yes, just fear and shock.

At this time, they were even full of regrets, and they could not wait to slap a few slaps.

"It turns out that Feng Chen is so strong, and blind your dog, so you dare to provoke Feng Chen?"

They scolded themselves one after another in their hearts, regretting it to the extreme.

It's a pity that it's no use regretting now.

They looked at Chen Feng with fear and despair in their eyes.

However, Chen Feng seemed to have not heard, but moved forward slowly.

Finally, Long Yongyi could no longer bear the tremendous pressure.

He has always been domineering, where has he experienced the danger between life and death?

He watched Chen Feng coming towards him, his eyes were cold and murderous, he could kill himself at any time.

Finally, I can no longer control my emotions.

Knowing that he couldn't escape, he turned around, lay on the ground, kowtow to Chen Feng again and again, begging frantically.

With him in front, everyone else knelt on the ground, begging frantically for mercy.

They banged their heads, and even in a blink of an eye, their foreheads were already dripping with blood.

They were so arrogant just now, they are already here humbly, like a dog.

Seeing these people kneeling there and kowtow frantically, Chen Feng suddenly turned his eyes and looked at Wei Gaoda next to him.

Wei Gao was still silly there.

From just now to now, some of his shocked have never recovered, and the whole person is stupid.

At this moment, seeing Chen Feng's gaze swept over, he shivered suddenly, without hesitation, he knelt on the ground and begged for mercy.

He had already seen the situation clearly at this time.

Feng Chen alone, even the six of them are not opponents.

The only way to survive is to beg for mercy.

Seeing this scene, Pei Muyu was extremely happy and laughed.

Xing Xiangyu's face also showed the same expression as You Rongyan.

Chen Feng smiled for a long time, and then suddenly smiled, looked at them, and said coldly: "The living sin is forgiven, and the death penalty is hard to forgive."

"Six of you, destroy your blood!"

"What? Abandon your blood?"

Hearing this, the faces of the six were extremely gray.

Abolished bloodline is a useless person, and there will be no strength in the future. This makes them more uncomfortable than killing them!

For a while, all six people knelt there without speaking.

They don't want to die, but they don't want to be abolished.

However, Chen Feng's smile was getting colder and colder. He flicked his fingers lightly, smiled and said, "Don't you still speak? Don't you want to?"

"It's ok!"

When Chen Feng said the three words 'it's okay', the six of them were all overjoyed, thinking that things could turn around.

But the next thing Chen Feng said was to make them feel like falling into the ice cellar:

"You are not willing, I will help you!"

After all, Chen Feng showed a few blank bloodline purple pill fruits in his hands, and walked forward, preparing to absorb their bloodline by himself.

Their bloodline is much simpler than those of those in Chi Yunguan that day, not so complicated, but very pure.

For Chen Feng to study the bloodline above the Xuanming Seven Seas Realm, it is also very beneficial to the spleen.

Seeing Chen Feng stepping forward, their emotions collapsed.

Finally, Huang Jianbi let out a terrible roar, full of bitterness.

He stared at Chen Feng and hissed: "You can't kill me! You dare not kill me! Do you know who my backer is?"

"You kill me, it will bring you endless disasters!"

Chen Feng raised his eyebrows and smiled: "Oh? I really don't know, then I don't know, who is your backer?"

At this time, when it came to this topic, Huang Jianbi's spirit immediately lifted up.

It seems that the backer behind him can bring him infinite courage.

He stared at Chen Feng, with a fierce look in his eyes: "It's Duan Pengbo, and the three of them behind me are Duan Pengbo!"

"If you dare to mess with me, you are dead!"

"Duan Pengbo will definitely crush you to pieces!"

"Yes!"

When Huang Jianbi said this, Luo Yong and Shangguanpeng also yelled.

"Feng Chen, do you know who Duan Pengbo is?"

"Duan Pengbo is definitely one of the top ten in strength among all the disciples of these 37 sects!"

"Yes! Even if we can beat the six of us, it will definitely not be Duan Pengbo's opponent!"

"Not to mention, Duan Pengbo and three senior brothers, you have only a dead end under them!"

Everyone clamored there.

Even Wu Mingjun and Long Yongyi yelled out loud when they saw things turning for the better.

And with their screaming, they seemed to have infinite courage from it, and their courage was also replied.

It seems that Duan Pengbo really came to rescue them, and it seems that Chen Feng was really beaten by Duan Pengbo.

The expressions on their faces no longer panic, but become more arrogant.

At this time, Chen Feng did not speak, but smiled slightly.

Looking at his attitude, Huang Jianbi and others thought Chen Feng was scared, and his attitude became more and more arrogant.

At this moment, Chen Feng looked at them and said slowly: "Are you finished?"

Suddenly, these words, like a piece of ice, completely frozen them.

Dumbfounded!

"If you are finished, let's start now!"

Chen Feng waved his hand, and the six of them flew over involuntarily.

Then, Chen Feng stretched out his hand, and the six bloodline purple pill fruits fell into their hands.

Chen Feng looked at them, and said lightly: "I don't want to die now, just instill it in me!"

Everyone was shocked by Chen Feng. They didn't recover for a while, and they all knelt there and didn't dare to speak, shuddering.

[Chapter 4067: I give you this chance!](#)

And only Luo Yong, who seems to have not yet struggled out of the emotions he created just now, is still yelling there.

Chen Feng looked at him and sighed: "Why do you have to force me?"

Come on, Chen Feng flicked his finger.

Suddenly, a strong force completely enveloped it.

Then, it was shocked!

Luo Yong let out a scream, his whole body shivered violently, and a big mouthful of blood spurted out.

His eyes were filled with consternation, regret, and despair.

Then, the look in those eyes quickly dimmed.

He pointed to Chen Feng, there was loud noise in his throat, as if he wanted to say something.

But, after all, he couldn't say a word.

Just as soon as the body became soft, he was lying on the ground, motionless.

Luo Yong was already beheaded by Chen Feng.

And seeing this scene, Huang Jianbi and others all screamed in horror.

They never thought that Chen Feng would actually do something, and Feng Chen would really dare to kill their people outrageously!

At this moment, their faces suddenly became hot, as if they were slapped in the face.

Because they suddenly realized that the threats they had just now, the so-called reliance, the so-called backstage, in Feng Chen's view, were nothing at all!

They thought of the words they had just clamored for, and they wanted to find a place to sew in.

What a shame!

When Chen Feng smiled and turned his eyes to them, all five of them shuddered.

He quickly picked up the bloodline purple pill fruit from the ground, and then said in a row: "We will instill, this will instill!"

After all, they were holding the bloodline purple pill fruit, and began to instill their demon bloodline into it.

But with the instillation of blood, the purple pill of blood became brighter and brighter, and their aura became shallower and weaker, and their strength was rapidly declining.

About halfway through the instillation, Chen Feng suddenly walked to Huang Jianbi and said lightly:

"Huang Jianbi, didn't you say that you still have a backer behind you?"

Huang Jianbi froze for a moment, wondering what Chen Feng meant.

Chen Feng smiled and said, "I'm standing here, just go find it! Give you this opportunity!"

"what?"

After Huang Jianbi listened, he was stunned.

He didn't expect Chen Feng to say such a thing, the next moment, his heart was full of ecstasy, and the spiteful color in his eyes flashed by.

"Feng Chen, Feng Chen, you really are procrastinating! You dare to let me go back to move rescue soldiers?"

"Wait for me! When my backer comes, you will be the one who will die without a burial place!"

"You must die!"

Although the bitterness in his eyes passed away in an instant, Chen Feng could see clearly.

However, Chen Feng didn't care about it at all.

To him, the so-called backer Peng Bo behind Huang Jianbi is nothing at all.

"and....."

A cold light flashed in Chen Feng's eyes: "Duan Pengbo, you three, I have long wanted to clean up you."

"Just right, you guys are here."

He waved his hand, and suddenly a force came out, and Huang Jianbi was directly shot out.

Chen Feng coldly shouted: "Get out!"

Huang Jianbi didn't dare to say a word, his **** ran away.

As for Wei Gao and others, they were all in the same place, with excitement in their hearts.

Because, in their opinion, as long as Duan Pengbo and others come, then Feng Chen will die!

Duan Pengbo and others will definitely avenge themselves!

However, Chen Feng did not say, they did not dare to stop indoctrinating.

After a while, that bloodline purple pill fruit was instilled.

And all the blood in them disappeared.

All of them were pale, with bitter eyes, knelt there and waited.

Chen Feng is waiting, and they are also waiting.

Seeing Xing Xiangyu's expression a little worried, Pei Muyu smiled slightly and whispered: "Don't worry, Junior Brother."

"Don't you know the strength of Brother Feng Chen?"

"Pengbo Duan's few wastes came to death."

Did not let Chen Feng and others wait long.

About a quarter of an hour later, there were bursts of breaking air in the distance!

In the next moment, several figures came here.

There were four people in total, and Huang Jianbi was in front.

At this moment, he turned around with a bitter expression on his face and said, "Brother Duan, that's him! It's this dog named Feng! He beat us all into such a miserable appearance!"

The three people behind him are Duan Pengbo, Duan Cong and Duan Xiu.

After the three of them came here, they couldn't help but stunned when they saw the tragic situation of Wei Gao and others.

Although I heard Huang Jianbi just now, I still didn't believe it.

Now, I have to believe it.

Then, the eyes of the three of them all fell on Chen Feng.

Duan Pengbo grinned suddenly and glanced at Chen Feng up and down: "It turns out that it's you as a trash!"

"When Huang Jianbi said it, I thought it was a coincidence, the same name and the same surname!"

"Unexpectedly, it was really you!"

Duan Cong smiled and said, "My brothers three, I really didn't expect it."

"You rubbish, it turns out that it's not that rubbish, it turns out there are still two things!"

Duan Xiu said miserably, "But I also scored with whom."

"Compared with our brother three times, it is a total waste, no doubt!"

The three looked at each other and laughed.

They laughed loudly here unscrupulously, and didn't put Chen Feng in their eyes at all.

Although there are lessons from Wei Gao and others, Duan Pengbo and others don't care much.

Because, in their opinion, the strength of Wei Gao and others is far from his own.

Feng Chen can severely wound them, but it doesn't mean that he will be his opponent.

They are still full of superiority towards Chen Feng.

Their eyes were full of contempt and disdain, and their attitude towards Chen Feng was still full of overlooking.

In those words, there was even more ridicule.

Looking at the three of them, Chen Feng's eyes became more and more crooked, with a touch of cold murderous intent.

Before, Duan Pengbo and others had ridiculed him.

At that time, Chen Feng thought about the overall situation and didn't do anything.

But now, they dare to do this, Chen Feng will not be merciful anymore!

The three of Duan Pengbo didn't know that they were dying, and they were still clamoring there.

Especially Duan Pengbo, jokingly said: "Feng Chen, come on, how did this matter today?"

"You hurt our people and made it so miserable. You can't just leave it alone!"

There was a hint of blackmail in his words.

Chen Feng couldn't help but be very interested, these few people really did not change.

No matter when it was, it was such a rogue face.

He raised his eyebrows and smiled faintly: "How do you want to solve it? Tell me."

[Chapter 4068: Artifact Fragment Awakens](#)

Seeing Chen Feng's appearance, the three of Duan Pengbo thought he was subdued.

Suddenly more proud, laughed wildly.

Duan Cong glanced at Duan Pengbo, then said: "My eldest brother, I won't let you do anything."

"In this way, the three of you will kneel down, then walk forward on your knees and come to us all the way."

"I will offer all the treasures, and then abolish my blood, we will leave you a dog's life!"

"of course."

Duan Pengbo gave a lewd smile and added: "Pei Muyu, you have to follow us."

Chen Feng smiled faintly: "Your conditions are really good enough, and you even saved a life for the three of us?"

Duan Pengbo and others didn't recognize the irony in his words at all, but laughed loudly there:

"Yes, the three of our brothers are good enough!"

After they laughed, their faces became impatient.

He said to Chen Feng in a tone of reprimanding orders: "What? I'm so stupid? Hurry up and do what we said!"

"After eating for a while, the three of our brothers repented and killed you."

Huang Jianbi and others yelled with spiteful faces beside them: "Brother Duan, kill the three of them!"

"Put them three into pieces!"

"It's hard to dispel my hatred if I don't leave this Feng Chen's."

At this time, Chen Feng shook his head, looked at the three of Duan Pengbo, smiled and said: "It's a coincidence. What you just said is what I want to say."

Hearing this, Duan Pengbo and the three suddenly became furious.

Duan Pengbo stared at Chen Feng with a cold face, and said, "Feng Chen, you little bastard, are you good at it? Dare to say this to us?"

Duan Cong gritted his teeth and said coldly: "Since you are looking for death, the three of our brothers will fulfill you!"

Duan Xiu pointed at him, his face full of arrogance: "We have given you a chance, but you don't cherish it!"

At this time, Chen Feng didn't even bother to talk to them.

He is completely tired and crooked, now he just wants to get rid of these three people.

I just want them to see their true strength!

Chen Feng is looking forward to it, when the three of them see their true strength, what kind of face will they have?

At this time, Huang Jianbi, Wei Gaoda and others were all yelling nearby: "Kill Feng Chen!"

The three of Duan Pengbo, with sharp metallic colors on the surface of their bodies, kept emerging.

Then, the blood in their bodies swelled.

The surface of their bodies has changed.

They started to change!

Soon, Duan Pengbo's body became a long-handled giant knife.

This long-handled giant knife has a blade length of three meters and a handle that has reached two meters in length, shining with bursts of heavy iron-colored light.

Dark, but the blade is shimmering with cold.

It seems that the sharpness is so sharp that it constantly flashes in the air.

Duan Cong turned into a huge four-meter warhammer.

Duan Xiu directly turned into a giant bow!

Huang Jianbi exclaimed: "Blood of Soldier Demon!"

It turns out that the blood of this section of Peng Bo, Duan Cong, Duan Xiu, and the three of them is an extremely rare blood of soldiers and demons!

The so-called bloodline of the soldier demon, this soldier is not a soldier's soldier, but a weapon soldier.

It is said that a person with the blood of a soldier can turn his body into a powerful weapon.

A man is a soldier, and a soldier is a man!

And turning one's body into a weapon, then when manipulated, it is naturally the unity of man and soldier, which is extremely easy and can exert extremely powerful power.

Moreover, anyone with the blood of a soldier and a demon is extremely tough and strong, really like a magic soldier.

After turning into a weapon, the strength is extremely strong.

These war monsters, in the Demon Realm, are often used by some great monsters as weapons.

If it is not strong enough, it will not be used as a weapon.

Therefore, above the Xuanming Seven Seas Realm, the bloodline of soldiers and demons is extremely rare and extremely powerful.

When Duan Pengbo and the others turned into magic soldiers, everyone exclaimed.

It took a long time for Duan Pengbo and others to transform into magic soldiers.

When they first started to change, there were some concerns in their hearts, for fear that Feng Chen would interrupt them directly.

But Chen Feng had been watching faintly by the side, and did not move.

After the three of them were transformed, Duan Pengbo was completely relieved, even more arrogant.

In their view, they have won.

Chen Feng looked at them with great interest. The blood of the soldiers and demons made Chen Feng feel quite special.

It seems that it is different from the others.

At this time, Chen Feng suddenly felt a buzzing sound from his waist.

Chen Feng was taken aback for a moment, then looked down.

Then he saw the source of the buzzing.

It turned out to be his belt around his waist!

Chen Feng's belt is an artifact fragment of the ancient Thunder God's battle axe, combined with the Celestial White Dragon Spear. The fragments are attached to the Celestial White Dragon Spear and can be freely sized.

On weekdays, it was turned into a belt and wrapped around Chen Feng's waist.

Chen Feng was taken aback for a moment, and then a burst of ecstasy surged in his heart.

Since the fragments of this artifact swallowed the other two fragments of the two ancient artifacts Thor's battle axe, they have been in a deep sleep.

There hasn't been any movement till now.

Even with it, he couldn't attach to the Celestial White Dragon Spear, exerting the power of a powerful magic weapon, causing Chen Feng to lose an important assassin.

But now, the surface of the belt exudes a burst of light, like mercury.

Chen Feng even felt an emotion called excitement from it!

"You bastard, finally awake!"

At this time, Chen Feng could hardly help laughing: "I have waited for so long, you little guy finally has a reaction!"

"It seems that you are interested in the blood of the three soldiers and demons in front of you, right?"

"Could it be that you want to swallow their blood? This blood is great for you?"

When Chen Feng thought about it, he immediately understood.

Since the three of Duan Pengbo are called soldiers and demon bloodlines, and at the same time their bodies can be transformed into **** soldiers, then they must have an inexplicable relationship with the demon bloodlines.

It seems that consuming the blood of this soldier demon should have the same effect as consuming other magic soldiers.

Therefore, this artifact fragment is so excited.

"Okay, then I will fulfill you."

Chen Feng patted the little guy on his waist: "Let's wait a moment."

Chen Feng would naturally meet this small requirement of the artifact fragments, and he also looked forward to the artifact fragments, what would happen after the blood of this soldier was swallowed.

Of course, the best situation is to be able to improve and return to normal.

In this way, Chen Feng has a strong hole card!

The days without the Tianji White Dragon Spear were simply too sad.

Duan Pengbo and the three slowly approached Chen Feng.

At this moment, Chen Feng's smile faded, his expression was extremely cold, and murderous intent surged in his heart.

[Chapter 4069: affectation](#)

He didn't plan to endure it anymore!

In the next moment, Chen Feng will shoot!

In the next moment, Chen Feng will easily suppress Duan Pengbo, Duan Cong, and Duan Xiu!

Severely injured, waste his blood!

For Chen Feng, this couldn't be easier.

Even if the three of Duan Pengbo add up, they are not his enemy with one move.

For Chen Feng, they were really righteous, just ants.

Ants that can be easily crushed to death with one finger!

In the next moment, as long as Chen Feng makes a move, everyone will realize its true strength!

It will make Duan Pengbo and the three people realize how ridiculous their ridicule, disdain, and arrogance are just now!

Realize that they are far different from Chen Feng in strength!

But, at this moment when Chen Feng was about to make a move!

A clear voice suddenly came from a distance, but with a condescending voice: "Stop!"

At the next moment, along with this voice, there was a scream that broke through the air.

Then, a white light pierced fiercely on the ground in front of Duan Pengbo and others.

When everyone looked at it, they saw it turned out to be a banner.

It is about five feet long, about the thickness of a baby's arm, and the flag on it is triangular.

It is strange to say that the entire flag, whether it is a flagpole or a flag surface, is all white and rugged, and it is actually made of bones.

The surface is jagged and jagged with many bone spurs.

The bone spurs are so sharp that it makes people feel chill at a glance.

After seeing this banner, somehow, the weapon Duan Pengbo turned into was actually an emotion called fear.

Then, the voice came again:

"You three, if you dare to cross the place where this banner is, I will kill you three."

In the voice, there was strong arrogance and looking down.

But Duan Pengbo and others really stopped, obviously they were quite jealous.

Upon seeing this, Chen Feng felt bored for no reason.

Because he had already heard who the voice came from.

It is that Yuwen Liao.

Sure enough, the next moment, a figure came from a distance.

He wore a blue shirt, seemingly incomparably unrestrained, and fell directly next to the bone flag.

Yu Wenliao turned around, smiling, and looked at Pei Muyu: "Junior Sister Pei, I have never been late, am I?"

With that said, she flung her hair back coquettishly.

Chen Feng almost laughed out loud.

I just feel that this person is really ridiculous.

Pei Muyu looked at Chen Feng, curled his lips, and said softly, "Contrived."

Chen Feng couldn't help but hahaha and patted her little head.

Yu Wenliao was about to speak when he saw Chen Feng and Pei Muyu so close.

Suddenly, a strong jealousy and resentment flashed in his eyes.

Looking at Chen Feng, he almost burst into flames.

Then, there was the sound of slashing through the air, and a total of thirty or forty people came here and formed a large circle directly, even squeezing Chen Feng and others inside.

Chen Feng was a little surprised: "What is going on?"

He swept his gaze, and saw that the people around him were different in clothing, temperament, and even strength, bloodline, etc.

They belong to different forces and somehow come together.

At this moment, Yu Wenliao looked at Pei Muyu with a smile that he thought was very charming:

"Sister Pei, I said it."

"After entering here, you can come to me in danger."

"Look, you are in danger, so I am here."

After hearing what he said, Pei Muyu suddenly felt particularly disgusted, and said in his heart: "I have Brother Feng Chen here, and I'm using you? What do you count?"

Yu Wenliao saw that Pei Muyu didn't speak, but thought she was too frightened just now, that's why.

With an arrogant and reserved smile on his face, his eyes turned to Chen Feng and Xing Xiangyu.

Suddenly, the expression on that face became extremely impatient and disgusting.

"You two wastes, you can't even protect Junior Sister Pei, and you don't know what you are eating!"

"I said you were a trash before. You still don't recognize it. Do you recognize it now?"

He scolded coldly.

"That's right, you two, you really don't have any abilities at all. You forced Pei Muyu into a dangerous situation."

"Yes, if Master Yuwen hadn't come in time, I'm afraid Pei Muyu would be in danger!"

"Young Master Yuwen is still very good. I knew that Junior Sister Pei might be in danger, so I took us to it in time."

At this time, those who followed Yu Wen Liao were all there to praise Yu Wen Liao loudly, and their faces were all flattering.

It was even more cynic at Chen Feng.

Yu Wenliao laughed triumphantly.

After seeing the reaction of these people, Chen Feng suddenly understood, and a sneer appeared at the corner of his mouth: "It turns out that it was Yu Wenliao's attendant."

"This Yuwen Liao also has some brains."

Chen Feng had already guessed where they came from.

And what Chen Feng guessed was not bad. Yu Wen Liao was actually quite scheming.

After he entered this place, every time he met other disciples, he used various methods.

Or threatened or lured him, even beat him up, making him have to follow himself.

Along the way, dozens of people have been collected.

These people are now following his orders.

Yuwen Liao asked them to search for various treasures. As for the treasures found, he had to choose one among the three.

Moreover, he will choose the best one.

Of course, Yuwen Liao will also provide protection for them.

If someone dared to **** them, even dared to kill them, then Yuwen Liao would also take action.

In this way, Yuwen Liao gathered a large number of various treasures.

And they also praised Yuwen Liao one after another.

At this moment, Yu Wenliao turned to look at the opposite Duan Pengbo, Duan Cong, and Duan Xiu, pointing to the bone battle flag in front of them, and slowly said:

"It's not bad, at least the three of you dare not go beyond this white bone war banner, you still know a little bit of measure."

He paused and then said: "Okay, since the three of your brothers are willing to give me this face, then I don't make it difficult for you."

After that, he waved his hand and said: "The three of you leave now."

When he faced the three of them, he was not as disdainful as Chen Feng, but seemed rather solemn.

Because in his opinion, Feng Chen is not worth mentioning, and these three are rare masters.

Of course, he didn't know, this was a big mistake!

However, although he thinks he is polite, Duan Pengbo also has that kind of extremely fierce and fierce temper. How can he stand this?

Immediately let out a violent roar: "Will you let us go?"

"I don't believe it, the three of us can't help you!"

After all, he rushed directly towards Yuwen Liao.

The long sword that had turned into a body slashed fiercely towards Yu Wenliao.

[Chapter 4070: Ways to save face](#)

Seeing him attack, Yu Wenliao took a deep breath, blood flowed in his body, and instantly his body began to turn white and gray.

In a blink of an eye, the surface of his body was actually condensed into a huge white armor.

This white bone battle armor was completely condensed from gray and white bones, but with its light inside, it looked extremely hard.

And behind him, three white bone battle flags were born obliquely, which looked even more powerful.

However, it feels like one is missing.

Chen Feng knew it, presumably the one that was missing was the one inserted in front of Duan Pengbo and others at this time!

Sure enough, the next moment, that white bone battle flag also flew, and straightly inserted behind Yu Wenliao.

Duan Pengbo and Duan Cong had already attacked, and in a blink of an eye they were hacking and killing indiscriminately around Yuwenliao.

The long-sword hammer is extremely powerful.

Duan Xiu stayed in the distance, but the big bow that he had transformed into his body continued to open his bow and shoot arrows.

It seemed as if there was an invisible giant continuously drawing bows and arrows, and streamers madly shot towards Yu Wenliao.

The three of them, two close combat, one long attack, and tacit cooperation, can be said to be enough to pose a great threat to the enemy.

Yu Wen Liao did not panic, just let out a cold snort.

In the next moment, the four battle flags flew up, and each battle flag smashed at an opponent, and instantly fought with them.

Chen Feng raised his eyebrows: "The blood of Yu Wen Liao is a bit interesting."

Needless to say, turning his body into a bone armor, the four battle flags are actually an extension of part of his body, which is extremely convenient to control.

However, in Chen Feng's eyes, it was only a bit interesting, and their strength was not worth mentioning.

The four people fought back and forth, with more than a hundred moves.

Seeing that they are evenly matched here, no one has the upper hand.

Everyone also started talking.

"It seems that the three brothers Duan Pengbo are very powerful!"

"Yeah, the three of them together can be equal to Yu Wenliao."

Some people sneered, but it was the person brought by Yu Wenliao: "The three of them are just as good as the other one. Are they capable?"

But no matter who it is, they think that Duan Pengbo should not be defeated for the time being.

Even the two sides may draw a tie.

At this time, Chen Feng smiled slightly and looked at Pei Muyu next to him: "Duan Pengbo and the three are about to lose."

"The three of them are going to lose?"

Pei Muyu was taken aback for a moment.

But what Chen Feng said, she believed in her heart.

Chen Feng didn't speak loudly, and few people heard him.

Only Wei Gao, Huang Jianbi and others next to him heard it.

Suddenly, Wei Gao, Huang Jianbi and others were full of disdain.

Looking at Chen Feng, with a look that looks like a lunatic, he mocked: "Feng Chen, why do you just love to pretend? What can you see?"

"That is, with your little strength, you can't see it!"

"Furthermore, it is obvious that the three brothers Duan are not letting go, so you said that they are about to lose?"

And the next moment, as soon as the voice fell, it stopped abruptly.

There were expressions of disbelief on their faces.

It turned out that at the moment Chen Feng had just finished speaking, Yu Wenliao suddenly roared.

With that shot behind him, the fourth battle flag that had never appeared suddenly appeared and shot away fiercely.

Obviously, this trick has been accumulated for a long time.

The power is much bigger than any previous battle flag!

It was just a move to interrupt the long knife.

Then, it was the long sword that Duan Cong turned into to open a huge gap.

In the next moment, he shot before the longbow, he cut the bowstring alive, and twisted the longbow into a twist!

It was just a short breath, and the three of Duan Pengbo were all defeated and transformed into their original form.

Amidst the screams of vomiting blood, he fell heavily to the ground.

In an instant, the scene was silent, and everyone was stunned.

The next moment, those people that Yu Wenliao had brought, just broke out a huge exclamation.

It turned out that Yuwen Liao had just fought with them, but in order to get a glimpse of their reality.

At this time, after seeing it thoroughly, he immediately tried his best to directly severely wound all three of them!

Wei Gao, Huang Jianbi and others are all stupid.

They stood there with their mouths open, their faces covered with incredulous expressions.

"That's it, it's over? It's this way of losing? It's so easy to be beaten so miserably and seriously injured?"

Chen Feng looked at Wei Gaoda and the others, stretched out his hand and slapped twice in the air.

Suddenly, Wei Gao and others, as if they were slapped in the face, flushed, bowed their heads, and did not dare to look at him.

They had just made a mockery of Cheng Feng, but Chen Feng immediately slapped him in the face.

The three of Duan Pengbo's faces were full of disbelief.

At the same time, there was even more indescribable shame in that expression, and his face was flushed and extremely ugly.

They just boasted about going to Haikou, thinking they could fight Yuwen Liao.

Moreover, they really think so in their hearts.

In their opinion, even if the three of their own brothers combined are not Yu Wenliao's opponents, they are definitely not much weaker than him.

At least there should be a tie.

The most, the most, is just to lose a few moves, it is impossible to even get injured, let alone be severely injured.

There is even a chance to win.

In that case, it would become famous, and from then on, the younger generation in the Xuanming Seven Seas Realm had a great reputation.

As a result, I didn't expect that the three of them really made good calculations, but Yu Wenliao's strength far exceeded them!

He hit them badly and fell to the ground!

Embarrassed, faceless!

"However, it seems that there is no way to save face."

Duan Pengbo rolled his eyes and looked at Yu Wen Liao suddenly, howling loudly: "Yu Wen Liao, our brothers are not convinced!"

"You beat us, we recognize it!"

"After all, you are one of the strongest among the younger generation of Xuanming Seven Seas Realm!"

"but!"

With the arrogant color on his face, he came back again and turned to look at Chen Feng next to him.

He raised his chin and said arrogantly: "It is him who is in conflict with us!"

"It was him who was supposed to fight us!"

"As a result, you stabbed and killed you."

"We are convinced of you, but to him...huh..."

He sneered, his face was full of contempt and disdain, and pointed to Chen Feng and said: "What kind of thing is he? Why is he so proud now?"

"And the three of us were defeated? Why!"

They said to Yuwenliao, "Yuwenliao, we have to fight Feng Chen now!"
