

## Peerless 4071

[Chapter 4071: See again in Hongyuan](#)

After that, he yelled at Chen Feng: "Boy, don't hide behind Yu Wenliao and be a tortoise!"

Chen Feng knew all about their plans.

He sneered in his heart: "It turns out that after being defeated by Yu Wenliao, I feel lost."

"So, do you want to get your face back from me?"

There was a sardonic smile on his face: "Then you really found the wrong person!"

After hearing the words of Duan Pengbo and others, Yuwen Liao was taken aback for a moment.

In the next moment, there was a strange light in his eyes.

Looking at Chen Feng, his eyes flickered.

"This Feng Chen has repeatedly lost my face before, and he is very close to Pei Muyu."

"So, this time it's not as good as..."

A cold smile appeared at the corner of his mouth.

Then, he turned his head, looked at Chen Feng, and raised his chin: "Feng Chen, since they have named you by name, they are going to fight you."

"Then, I'm not good at protecting you."

Yu Wenliao's tone had no room for negotiation, and it was full of commands.

It was as if Chen Feng was his servant.

Seeing that Chen Feng was still still, his expression became even more impatient: "Feng Chen, what's the matter? Didn't you hear what I said?"

"I let you go up and fight them!"

His look was extremely impatient.

Then, there was a hint of ridicule at the corner of his mouth: "What? Is it possible that you dare not?"

He is just to suppress Chen Feng, it is best to let him lose face in front of Pei Muyu.

And those people who Yuwen Liao had brought around, also laughed.

"Feng Chen, don't you dare?"

"It's really a waste. Duan Pengbo and the three were defeated by Young Master Yuwen, but you didn't even dare to fight them."

"Yes, you are the same as Master Yuwen Liao? Are you worthy? What are you?"

They knew a little bit about Yuwenliao's plan, so they all mocked Chen Feng.

Hearing everyone's ridicule, Yu Wenliao was even more proud, smiling and looking at Chen Feng with irony and disdain.

Chen Feng looked at him, already knowing his abacus clearly.

Chen Feng slowly shook his head and said faintly: "I didn't move just now because of the three of them. It's not worth my shot."

He raised his chin, and a sneer smile appeared at the corner of his mouth: "Yuwenliao, don't you just want to see my strength?"

"Okay, I will fulfill you!"

After that, he clicked on Yuwen Liao, and then on Duan Peng Bo, and said, "Four of you, let's go together!"

"It saves me the trouble, and I have to solve them one by one."

be quiet!

The scene fell into deathly silence for an instant.

Everyone was dumbfounded, dumb, they all looked at Chen Feng blankly, with an expression of disbelief on their faces.

Then, in the next moment, there was an unprecedented burst of laughter!

The center of laughter is naturally Chen Feng.

"Is this Feng Chen crazy?"

"The three of Duan Pengbo, none of them, he is not an opponent, he even let the three of Duan Pengbo and Yu Wenliao go together? I have never seen such a person!"

"I beg you, don't be ashamed here!"

They looked at Chen Feng, all kinds of insults and vicious words, all smashed at him.

When Yu Wenliao heard this, he was taken aback first, and then he laughed.

She leaned forward and closed with a smile, and tears were almost coming out.

In his eyes, this person named Feng Chen is simply ridiculous.

He laughed for a long time before he straightened his waist and looked at Pei Muyu breathlessly.

"Pei Muyu, why would you like this kind of person?"

"I'm very surprised, why do you like this kind of person?"

He looked at Chen Feng, shook his head and said, "Are you crazy? Do you know how ridiculous what you just said?"

And the three of Duan Pengbo laughed wildly there, mocking Chen Feng all kinds of insults.

Chen Feng's expression remained unchanged, but his eyes were murderous.

Originally, he just wanted to destroy their blood.

But now, Chen Feng no longer intends to keep their lives.

This is the price they must pay for it.

Chen Feng didn't even bother to speak anymore, just hooked his fingers enough at the four of them.

Yuwenliao's laughter stopped abruptly, and his expression became savage: "Since you want to die, then I will fulfill you!"

"Trash like you!"

He held out a finger: "I can crush you to death with one finger!"

After that, he looked grim and prepared to do it.

He just took advantage of this opportunity to get rid of Feng Chen, so that he would lose one opponent.

Everyone's eyes are focused on him.

No one thought Feng Chen would win, and everyone looked at Chen Feng with ridicule and ridicule.

Tensions!

Coming soon!

At this moment, a thunder-like sound suddenly came from a distance.

"Yuwenliao, so you came here!"

After hearing this voice, Yu Wenliao immediately trembled heavily.

His face turned pale in an instant.

After everyone heard this voice, there was a mess.

"Whose voice is this? It sounds familiar!"

"This can't be heard, it's rare Yu Hongyuan! We are the top masters of the young generation in the Xuanming Seven Seas Realm!"

"Huh? It turned out to be Xian Yu Hongyuan!"

Xian Yu Hongyuan's name is obviously famous.

When everyone heard it, they were all discolored.

Because Xian Yu Hongyuan is not only the number one master of Xuanming Seven Seas Realm, he is also always cruel and easy to kill. They don't want to provoke,

"Look, why does Yu Wenliao's face pale and look terrified?"

"Does this still need to be said? He is known as the second master of the young generation of Xuanming Seven Seas Realm, and Xian Yu Hongyuan is the first master. After Xian Yu Hongyuan comes in, can he not clean him up?"

"It turns out that he was cleaned up by Xian Yu Hongyuan before, so he came here."

Everyone talked a lot.

Yu Wenliao looked ugly, and wanted to escape.

But now, where can I get away?

Sure enough, after an instant, an orange-red light approached directly.

Like a meteor falling, it hit the ground fiercely.

Then, the orange-red light disappeared, revealing the figure inside.

It is Xian Yu Hongyuan!

When Xian Yu Hongyuan was in front of Chen Feng, he looked cautious and servile, but at this time, he was indescribably domineering and tyrannical in front of others.

He stared at Yu Wenliao, raised his chin, his voice was loud, and there was a little sarcasm in it:

"Yuwenliao, why, I just want to come, you are leaving?"

"Don't want to meet me?"

Yu Wenliao turned pale, forced a smile, looked at Xian Yu Hongyuan, and said, "Brother Xian Yu, where do you come from?"

"Why would I not want to meet you? I just remembered something urgent."

[Chapter 4072: Are you pretty handsome?](#)

There was a burst of low laughter in the crowd.

The excuse Yuwen Liao made was a bit too clumsy.

Xian Yu Hongyuan laughed, and suddenly laughed, his face full of ferociousness: "Since I entered the periphery of the Valley of Fallen Stars, I want to clean up you."

"As a result, your kid ran very fast."

"Today, since we ran into it, don't leave!"

He waved his hand grinningly, with a hint of cruelty on his face:

"This time, I'm going to break your bones and tendons, it's extremely miserable."

"Let everyone know that there is only one master in this Xuanming Seven Seas Realm, and that is me!"

"What kind of \*\*\*\* you are the second master, compared with me, the first master, nothing counts!"

With these words, Yu Wenliao's face looked ugly.

Although his strength is not as good as Xian Yu Hongyuan, he is also used to domineering outside.

Still have to face.

These words made him lose face, how can he stand it?

Seeing his reaction, Xian Yu Hongyuan suddenly laughed: "Not convinced yet? Okay, I will convince you now!"

After all, Xian Yu Hongyuan didn't have any nonsense, he was just one step forward and a punch!

As he blasted this punch, the vitality of the surrounding heaven and earth began to flow at an extremely fast speed.

And there is a divine essence that directly condenses on his fist.

Surrounded by his fist, he slammed forward.

Chen Feng looked and raised his brows.

It seems that Yu Hongyuan's understanding of Shenyuan is stronger than before.

However, in Chen Feng's eyes, it is still not worth mentioning!

However, Xian Yu Hongyuan's punch made Yu Wenliao suddenly discolored.

He could feel the lingering power of Xian Yu Hongyuan's punch.

Incomparably tyrannical, seemingly invincible, is something he can't resist at all!

He let out a violent roar, and suddenly, he turned into a bloodline!

The Bone Armor appears again!

The four white bone battle flags all flew up, and slammed towards Xian Yu Hongyuan!

He has tried his best!

But it's no use!

Completely vulnerable!

Not worth mentioning!

Fist forward, boom boom boom, directly smash the four white bone battle flags, and continue to kill Yuwen Liao!

Yuwen Liao saw that there was no way to avoid, and there was no way to retreat, so he had to fight hard!

He let out a scream like a wolf howl, on the bone armor, the light overflowed, and his fists slammed forward!

Then, the next moment, with a crisp sound, on his fists, the bone armor directly shattered!

Then, spread the whole body!

Snapped!

The bone armor was broken into countless pieces and disappeared!

And he was also spurting blood, with countless wounds bursting up and down all over his body, he fell heavily to the ground, constantly vomiting blood.

He was seriously injured!

A huge exclamation broke out from the crowd: "Xian Yu Hongyuan is so strong?"

"Yeah! It's horrible!"

"He hasn't activated the bloodline transformation yet, and he severely injured Yu Wenliao after the bloodline transformation with one punch!"

"What is the lingering power that is fresh on Hongyuan's fist? I feel that power is indestructible!"

Everyone was shocked by Xian Yu Hongyuan's strength.

They all knew that Xian Yu Hongyuan was very strong, but they didn't expect him to be so strong.

Yu Wenliao, known as the second master, couldn't even survive a single move under his hands?

Everyone was shocked and looked at Xian Yu Hongyuan with fearful eyes.

And Xian Yu Hongyuan obviously enjoyed this look very much.

He opened his arms and looked up at the sky.

Then, suddenly, Xian Yu Hongyuan lowered his head and faced everyone.

There was a touch of arrogance and dominance that was extremely strong on his face, and suddenly, there was a violent roar: "Who else! Who else is not convinced?"

His voice blasted like thunder!

When everyone faced his stare and roar, they didn't dare to look directly, and bowed their heads!

There was a deep look of fear on his face!

No one of them dared to do something like Hongyuan!

Incomparably overbearing and overbearing, Yu Wen Liao, who was invincible in their eyes, was easily defeated by Xian Yu Hongyuan. How could they be Xian Yu Hongyuan's opponent?

This situation and situation made Xian Yu Hongyuan extremely proud and let out a burst of happy laughter.

The depression and irritability that have accumulated in my heart these days have been swept away.

Ever since he was cleaned up by Chen Feng, a sulky breath has always been accumulated in his heart, constantly rushing in his chest, almost to make him vomit blood, and make his chest explode!

In the past few days, he has been uncomfortable and bored.

But now, this depression was swept away, making him feel uncomfortable!

He laughed, looked at everyone, and said with disdain: "You trash!"

But suddenly, at this moment, there was a voice.

And after this voice came, only an instant, Xian Yu Hongyuan's face changed drastically.

His laughter stopped abruptly and was directly held back into his throat.

On his face, there was a strong touch of shock and fear that could not be concealed!

He felt that the suffocation that had not yet exuded, was reborn, lingering in his chest and lungs.

At this time, he almost spit out a mouthful of old blood.

At the same time, there was a horrified voice in his heart: "Why is he here? Why is he here?"

It turned out that just when he was laughing, a clear voice came from the crowd!

Inside, there is a sense of joking: "Oh, I didn't see it, you're pretty pretty outside!"

And this voice is rarely familiar to Hongyuan.

To him, this is simply a devilish voice!

Once, he was extremely arrogant, extremely domineering, and extremely arrogant, but later, he was severely taught by the owner of this voice, severely humiliated, and lost his face!

The experience of that day was like a nightmare!

He didn't even dare to think again.

Because every time he thinks about it, he will feel that the humiliation haunts him, making him distraught, irritable, and almost bursting into shame in his heart.

And he, that nightmare-like voice that he couldn't even think of.

But here, when he was most proud of himself, when he was the most arrogant and arrogant, it rang!

As if pouring down a basin of cold water, it made him cold all over.

He looked up, and he saw that in the crowd, a figure in white clothes was looking at him at this time.

There was a playful smile at the corner of his mouth.

At this time, not only Yu Hongyuan, but everyone also heard this voice.

Suddenly, the crowd was shocked.

Then, everyone looked in the direction that the voice came from.

Then they saw Chen Feng.

Looking at that, I saw the tall and tall white figure!

#### [Chapter 4073: Kneel down!](#)

Everyone was stunned, dumbfounded, with an expression of disbelief on their faces, staring at Chen Feng blankly!

The next moment, their voices burst out!

Suddenly, a huge sound burst loudly.

"Who is speaking? Isn't this Feng Chen?"

"Yes, this kid is just a trash rookie from Shengyang Academy. How dare he say such a thing?"

"Just now, the three brothers of Peng Bo almost gave him a ruthless meal. The three brothers of Duan Pengbo are not Yuwenliao's opponents, and Yuwenliao was beaten so miserably by Xian Yu Hongyuan. Strength!"

"For Feng Chen, it's simply unattainable!"

"Yes, Xian Yu Hongyuan also crushed Feng Chen to death with a finger. How dare Feng Chen say such a thing at this time?"

At this time, Na Wei Gundam and Huang Jianbi looked at each other even more.

From the eyes of the other party, I can see the ultimate resentment and joy!

Then, there was a violent laugh.

"Are you scared and frustrated?"

"Hahaha, are you humiliated by Duan Pengbo and their brothers, and then humiliated by Yu Wenliao, so that you can't bear it, and your whole person has a nervous breakdown?"

"Yeah, if you weren't crazy, how could you say such a thing? It's ridiculous!"

Wei Gao, Huang Jianbi and others laughed loudly there.

They all thought that Chen Feng was crazy, so they dared to say such a thing.

The other audience members were also full of mockery and disdain, full of irony.

They looked at Chen Feng, yelling and laughing loudly there.

Just now their backer, Yuwen Liao, was severely beaten by Xian Yu Hongyuan, and they were all a little hesitant, not knowing how to go, panic and panic in their hearts.

At this time, it seems that this kind of imitation has found a catharsis in Chen Feng.

The ridicule is endless, and many people are pointing at Chen Feng, and even wantonly insulting.

Pei Muyu and Xing Xiangyu were flushed with swelling, and they were very angry and defended with everyone.

However, the voices of the two of them were directly drowned out by the voices of everyone.

Everyone was laughing loudly there, and suddenly, one voice stopped abruptly!

There was a trace of doubt in his voice.

"Look, how did Xian Yu Hongyuan react? He, how could he react like this?"

At the beginning, his voice was with a trace of doubt, and then with a trace of vibrato.

He seemed to see something that he couldn't believe.

In the end, that tone has turned into a deep fear!

After everyone listened, they were all taken aback!

"What did he find? What's wrong?"

Then, they followed this person's gaze and looked towards the other side.

Then, they saw Xian Yu Hongyuan.

At the same time, I also saw the expression on Xian Yu Hongyuan's face.

As a result, everyone was stunned and stood there blankly!

"Hey, what kind of expression is this?"

They saw Xian Yu Hongyuan staring at Feng Chen on the opposite side unblinking.

The expression on his face was with a trace of fear, a trace of shock, and a deep regret and despair in it.

Moreover, they saw that Xian Yu Hongyuan's hand was constantly shaking at this time.

His lips were also trembling, and even his legs were a little unsteady.

All in all, it means that Xian Yu Hongyuan at this time is falling into extreme fear and shock!

So, almost at the same moment, an idea came to their minds:

"Why is Xian Yu Hongyuan so scared? Why is Xian Yu Hongyuan so emotional?"

And the next moment, an idea arose in their hearts.

Then, they all looked at Chen Feng.

They saw that Feng Chen was smiling faintly there at this time, with a calm expression and no panic.

In contrast, the opposite is Xian Yu Hongyuan.

Full of fear, despair and regret.

Therefore, at this moment, everyone realized one thing: "The reason why Xian Yu Hongyuan is so scared is because he is facing Feng Chen!"

"Can it be said? Can it be said?"

"This Feng Chen actually possesses incomparable strength, and it is rare that Yu Hongyuan has suffered a big loss under his hands, so is that so?"

"Don't Feng Chen pretend to be a force? Could it be that..."

A sentence rose in their hearts almost at the same time: "Are we wrong? Wrong?"

Everyone seemed to realize something!

Suddenly, the ridicule on their faces, the wanton scolding, and the arrogant catharsis all disappeared in an instant!

The scene was terribly quiet!

Everyone looked at Feng Chen and at Xian Yu Hongyuan.

At this time, only the people standing behind Xian Yu Hongyuan had not seen his expression or reaction.

They were still cursing and mocking there.

Yu Wenliao coughed and looked at Chen Feng with a strong look down on his face:

"Feng Chen, although I am not a rare opponent of Hongyuan, I really look down on someone like you."

"A rubbish, a \*\*\*\* who doesn't have any ability and loves to clamor here!"

Wei Gao and others laughed wantonly there.

Suddenly, their voices lowered.

Because they saw that the opposite, the people standing opposite Xian Yu Hongyuan, all looked at them at this time.

His eyes were cold and faint, very complicated.

There was a hint of sympathy in the depths of his eyes.

They could see that their voices were all lowered, and they didn't know what was wrong for a while.

"What's the matter? Why do they look at us with such eyes?"

But at this moment, Xian Yu Hongyuan suddenly looked back, his face extremely hideous.

He glared at Yuwen Liao, Wei Gao, Huang Jianbi and others, and let out a violent roar: "You \*\*\*\* shut up Laozi!"

His face was extremely hideous, and the flesh on his face trembled suddenly.

Murderous!

Suddenly, Yu Wenliao and the others shivered violently. They didn't dare to let go of a fart, so they shut up quickly.

They all have some doubts.

"Why did Xian Yu Hongyuan suddenly react like this?"

The next moment, they realized something.

As soon as this thought came up, their whole bodies trembled, and their faces turned pale.

He even whispered softly: "This, what is going on?"

"No, it won't be what I think, is it?"

They do not want to believe that they have guessed this fact.

But unfortunately, this is the fact!

Xian Yu Hongyuan told them with his actions, this is the fact!

They can't help but believe it!

In the next moment, they saw that Xian Yu Hongyuan took a few steps quickly.

He walked directly in front of a person.

[Chapter 4074: The funny thing is us!](#)

His eyes became extremely respectful, even with deep humbleness.

A flattering smile was squeezed out on his face, and he shouted loudly: "I have seen Master Feng, everything is well with Master Feng!"

Everyone is stupid!

Because they saw that the person who was rarely worshipped by Yu Hongyuan was Feng Chen!

In their eyes, Yu Hongyuan is invincible!

Yes, Feng Chen, who has been ridiculed by them and ridiculed by them, kneeled?

Everyone was stunned, all stupid!

Standing there, I didn't slow down for a long time.

Just looking at Chen Feng and Xian Yu Hongyuan who was kneeling in front of Chen Feng.

Then, a weak moan sounded from the crowd: "Could it be? God, I, am I, am I in a daze? Or am I still dazzled?"

"What did I see? Xian Yu Hongyuan actually kneeled for Feng Chen? How come?"

"After Xian Yu Hongyuan saw Feng Chen, he was so scared that he was so frightened, and then he knelt down to Feng Chen?"

"What is Feng Chen's background?"

Someone's voice was full of confusion: "Isn't Xian Yu Hongyuan the top master of the young generation of Xuanming Seven Seas Realm? He wouldn't kneel down even if he saw the elders of the various sects! At this time, facing Feng Chen, How could it be so humble?"

Everyone is full of confusion.

And finally, when the fog cleared, they suddenly realized a fact!

A terrible thing they don't want to believe, but it is extremely reasonable, the fact!

There was a trembling voice among the crowd:

"Then there is only one explanation, Feng Chen, possesses extremely terrifying strength! Moreover, Xian Yu Hongyuan has once been severely taught!"

"Yes, that's why Xian Yu Hongyuan was so scared when he saw him!"

"It means that Feng Chen is not a small victory over Xian Yu Hongyuan, but a big victory! It is a severe humiliation and a complete suppression!"

"How terrible is Feng Chen's strength?"

be quiet!

In the crowd, fell into a terrible silence!

Everyone heard that sentence, and everyone was shocked by it.

Then, they all looked at Xian Yu Hongyuan and Feng Chen.

They hope that what they think is not true.

They hope that this sentence is just a guess.

Unfortunately, the facts disappointed them.

I saw Feng Chen looking at Xian Yu Hongyuan, slowly shook his head, and said faintly: "Xian Yu Hongyuan, the power of your \*\*\*\* is not worth mentioning in my eyes."

"It was crushed easily by me."

"Unexpectedly, in front of others, it is really strong!"

He looked at the crowd, shook his head and said, "You people are really weak let me down!"

Everyone's complexion was flushed with a brush.

What Feng Chen said was naturally them.

Humiliated everyone here.

This is naturally a huge humiliation for them!

However, no one dared to say anything to refute!

Because Feng Chen has this qualification and is opposite him!

In their eyes, Xian Yu Hongyuan, who is invincible, is full of flattery and respectfully said: "Yes, in front of you, it is of course not worth mentioning."

"After all, that day, I was not your enemy!"

Among the crowd, the pot was blown up instantly!

It turned out that Feng Chen really easily defeated Xian Yu Hongyuan!

"And it was a single trick to defeat Xian Yu Hongyuan! Our guess is true!"

Their voices trembled.

Xian Yu Hongyuan's strength has exceeded their imagination, and he is known as the first person in the young generation of Xuanming Seven Seas Realm.

And what kind of strength would Feng Chen, who made Xian Yu Hongyuan extremely fearful?

Someone's voice was full of ridicule, but instead of mocking Chen Feng, he was mocking himself.

"It turns out that it's ridiculous that we are right!"

"Yeah, we are still laughing at Feng Chen here, don't know, he actually has terrifying power, we are blinded by the dog's eyes, but we can't see its depth at all!"

"What are we?"

"You were still laughing at Feng Chen here just now? What a shame!"

Many people blushed and wanted to find a place to get in.

In the distance, Yuwen Liao, Duan Pengbo, Duan Cong, Duan Xiu, and Huang Jianbi were all stupid.

They all looked at Chen Feng blankly, unable to speak a word.

Especially Yu Wenliao, he was shocked the most.

In his eyes, this Feng Chen has never been worth mentioning, but a trash existence, always suppressed by his ridicule.

Even, easily crushed!

And now, he realized that this person was not afraid of himself before, but simply didn't care about himself!

His strength is really terrifying, he doesn't bother to pay attention to himself, and he doesn't want to be familiar with himself!

Even the hands are disdainful!

At this time, he suddenly realized this!

Suddenly, his pale face was flushed, like a monkey butt.

He was silly there, and it took a long time before he recovered.

There he gaped and said, "It turns out, I am the one who is arrogant! I am the one who doesn't know how high the world is!"

"It's me who takes the humiliation!"

"Yuwenliao, you are so ridiculous, so sad!"

He looked at the three Duan Pengbo, who also happened to look at him.

All four have extremely complicated expressions.

They thought of the words that Chen Feng said just now: "You four go together!"

Just now, they were still laughing wildly.

And now, I realized that what Feng Chen said was true!

With the four of them playing together, it is impossible for them to be Feng Chen's opponent!

Wei Gao, Huang Jianbi and others were even more stunned.

Originally, they invited Duan Pengbo and others to come over as their backers and helpers, thinking that they could defeat or even kill Chen Feng.

As a result, he did not expect that Duan Pengbo and the three were not Yu Wenliao's opponents at all.

But Yuwen Liao was easily defeated by Xian Yu Hongyuan.

When Xian Yu Hongyuan saw Feng Chen, he didn't dare to say a word, and knelt directly!

This shows how terrifying this young man named Feng Chen is!

When they thought of this, their whole bodies suddenly trembled.

Unable to stop, there was an extreme fear in my heart.

And this fear, when Feng Chen turned around and looked at them, it reached an extreme point.

It turned out that Chen Feng didn't pay attention to Xian Yu Hongyuan at this time, but turned to look at them.

After meeting Feng Chen's gaze, Wei Gao, Huang Jianbi and others all trembled violently, and they involuntarily stepped back.

Chen Feng ignored them, but instead set his sights on Yu Wenliao.

Seeing Chen Feng's gaze, Yu Wenliao was extremely frightened.

[Chapter 4075: I only use one finger!](#)

He raised his head, forced a smile, and looked at Chen Feng with a thick, flattering smile.

It was in stark contrast to the arrogance and disdain just now.

Chen Feng smiled and said, "Yu Wenliao, you just wanted to kill me, right?"

Yu Wenliao trembled suddenly.

He quickly smiled and said flatly, "Master Feng, what are you talking about, how can I dare to fight with you?"

He hurriedly waved his hand: "I dare not fight with you!"

Chen Feng's voice was faint: "If you want to fight, then I will fulfill you."

"I still said what I said just now!"

He pointed to Duan Peng Bo and Yu Wenliao: "You four, go together!"

"but me!"

Chen Feng's voice was lightened, and he smiled and shook his fingers: "I only use this finger!"

Seeing this situation, everyone suddenly remembered what Cai Yuwen Liao said to Chen Feng: "I can run you to death with one finger!"

Suddenly, everyone was in an uproar!

"Feng Chen, this is the way to return to his body!"

"Yes, he just returned what Yu Wenliao said just now!"

"The difference is that Yu Wen Liao is arrogant, but in fact he is not Chen Feng's opponent at all!"

"Feng Chen is really, really, tangible, and can run him to death with a finger!"

"Yes, Yu Wenliao's \*\*\*\* strength is nothing in front of Feng Chen!"

Thinking of what he said just now, Yu Wenliao only felt flushed and hot.

Ashamed, he couldn't say a word.

He felt that every word he had said before was like a big slap in the face, slapped on his face fiercely!

Let all his faces be shattered!

He felt the boundless humiliation, rushing towards him fiercely, making him want to find a place to sew in.

However, compared with face, life is obviously more important.

He didn't dare to fight Chen Feng at all!

He waved his hands indiscriminately, his eyes were dull, and he just kept saying: "I won't fight you, I won't fight you!"

"Don't fight me?"

Chen Feng's smile became colder: "Will you fight me or not?"

He stared at Yu Wenliao and Duan Pengbo, and said coldly: "You four, didn't you just keep clamoring to fight me?"

"Isn't it endless?"

"I now give you this opportunity!"

"If you want to fight, you have to fight! Don't want to fight!"

Chen Feng coldly spit out three words: "You have to fight too!"

These words instantly made Yu Wenliao's four faces pale, without a trace of blood, their whole bodies trembling, their eyes full of fear.

Chen Feng, this is a tooth for a tooth, blood for blood!

Before they forced Chen Feng to fight, they just wanted to take the opportunity to kill Chen Feng!

And now, Chen Feng is forcing them to fight!

Everyone around them trembled, "Feng Chen, it's starting!"

Chen Feng looked at the four of them, and said lightly, "I won't take advantage of you either."

"You are seriously injured now, even if I win, you will be said to be incapable of victory."

He looked at Xian Yu Hongyuan: "Do you have a healing medicine?"

Xian Yu Hongyuan nodded quickly: "Yes."

"Go, give them food."

"Yes!"

Xian Yu Hongyuan didn't dare to hesitate at all, so he hurried forward, took out a few pills, and stuffed them into the four people abruptly.

The pill is imported, and the effect is amazing.

Soon, red light surged across the faces of the four of them.

The humming sound of his body continued to come, and his strength was quickly recovering.

But the time around a cup of tea is full of strength!

"bring it on!"

Chen Feng pointed at the four of them and hooked his fingers: "It's good to recover everything, don't say I bully you!"

All four of them stood up trembling.

They knew that the four of them would definitely not be Feng Chen's opponent.

There is only one dead end in this battle.

However, they have no better choice!

Even, they have no choice!

They don't want to fight, they have to fight!

The four people looked at each other, and all saw a vicious look in each other's eyes!

"what!"

They all yelled frantically, and then they killed Chen Feng.

In an instant, he took out his strongest move!

Anyway, they are dead, they are already desperate!

Chen Feng laughed loudly: "That's right!"

The next moment, he stretched out a finger, smiled and shook: "It looks good, I only use one finger!"

After hearing Chen Feng's words, Yu Wenliao and others showed hope and excitement on their faces!

They are indeed not Feng Chen's opponents.

However, if Feng Chen only uses one finger, then maybe they still have hope.

But the next moment, this hope was completely shattered.

Chen Feng let out a cold snort, and pointed his right hand forward.

Suddenly, hundreds of billions of tyrannical forces surged out, and it was smashed down!

Above the sky, vitality condenses!

In the air, there were bursts of explosive noises!

The cloud on that day, that emptiness, seemed to condense into a huge finger, a little downward!

And the tips of the fingers are the four of Yuwen Liao!

Suddenly, a huge force hit them fiercely!

Transform their blood directly, all of them smashed to pieces!

Then, he fell to the ground severely!

All four of them screamed sternly and spurted blood!

As miserable as before!

No, even more miserable than before!

They are not only seriously injured, but even their muscles, blood vessels, and bones have been beaten to pieces!

The four of them collapsed to the ground, like a sack with a torn mouth, unable to stand up.

Even struggling can't do it, but there is just trembling crazily there, making waves of miserable and miserable howls!

They just recovered and were seriously injured again!

More miserable than before!

And the trace of courage they had just gathered was also completely broken with this blow!

The people onlookers all gave out huge exclamations!

"This, Chen Feng, is too powerful!"

"Yes, these are the top ten masters of the young generation of Xuanming Seven Seas Realm, and the second master!"

"When the four people add up, he can solve it with one finger?"

"Moreover, he looks so relaxed, he didn't try his best at all!"

"It's not just that he didn't try his best? I think he is useless even 10% of his power!"

They were all shocked.

Looking at Chen Feng, he was full of awe.

If Xian Yu Hongyuan's respect for Chen Feng just now made them realize that Chen Feng is terrible, then they finally understand intuitively how terrible Chen Feng is!

Chen Feng smiled, looked at Yu Wenliao, and stretched out a finger:

"Yuwenliao, tell me now, who will be crushed to death with a finger?"

[Chapter 4076: A bunch of waste!](#)

Yu Wenliao's face was extremely pale, looking at Chen Feng, his eyes were full of fear and despair.

Where is the arrogance, arrogance, and domineering before half a minute?

He was stupefied by the repeated blows just now!

So that it can't be slowed down!

He muttered there, his lips trembled, and he couldn't speak for a long time.

Chen Feng smiled and asked again: "Tell me, who the \*\*\*\* is it, by whom, a finger, crushed to death?"

Chen Feng still had a smile on his face, but in that smile, the murderousness was revealed.

Suddenly, Yuwen Liao shivered violently, and he recognized the situation at this time.

With a plop, he fell to his knees and walked forward.

Climbing directly in front of Chen Feng, repeatedly kowtow in front of him, kowtow while crying:

"I was crushed to death by one of your fingers! I was crushed to death by one of your fingers!"

"Please, don't kill me, don't kill me! I was too arrogant before!"

He was there howling and hissing.

Chen Feng ignored him, just turned his gaze to the side.

Looking at the three of Duan Pengbo.

All three of Duan Pengbo shuddered.

They suddenly realized that their fate was already under Feng Chen's control.

As long as Feng Chen wanted to kill them, he could easily kill them!

Chen Feng looked at them, pointed to the ground in front of him, smiled and said, "Remember what you said just now?"

The three of them looked dumbfounded, looked at each other, at a loss.

Chen Feng smiled: "Don't worry, think slowly."

He said lightly: "You still have five breathing time to think, the time is still long!"

His implication, naturally, is that after five breaths, he will start to kill them!

The three of them trembled violently and immediately understood what Chen Feng meant.

All three of them were trembling, thinking quickly about what they had just said.

And suddenly, Duan Pengbo suddenly thought.

They said before, let Chen Feng kneel on the ground and walk forward!

Suddenly, an annoyance rushed to the forehead, and my heart was filled with immense regret and fear!

He was frightened like a sieve: "We just said something like that, will Feng Chen spare us?"

"Remember? It's okay, two more breaths, if you can't remember it!"

Chen Feng smiled slightly: "I'm going to kill someone!"

At this time, their hearts were full of fear, and the three of them also fell to their knees with a plop.

Repeatedly kowtow.

Chen Feng sighed and pointed to Yu Wenliao next to him: "Learning from others! What a fool!"

Suddenly, the three of them came to Yu Wenliao and kowtowed to Chen Feng for mercy.

Where is the arrogance of the four of them?

In front of Chen Feng, it was like four wagging dogs.

However, Chen Feng ignored them at all.

He just turned around abruptly and looked at those onlookers: "And you!"

When Chen Feng turned around, all these onlookers were all trembling with fright.

They actually took a few steps back!

They, even being turned around by Chen Feng, were so scared that they backed away one after another, with a strong look of fear on their faces!

Looking at Chen Feng, he felt very worried, not knowing what he was going to do.

Chen Feng stared at them and sneered: "You, just now, didn't you laugh at me?"

"You guys, don't you keep talking mockingly?"

"You guys, aren't you talking about humiliating me?"

"You guys, didn't you mean that I was a waste, lacking strength, arrogant and arrogant, not knowing the heights of the sky?"

Chen Feng's voice is getting louder and louder!

The volume is getting higher and higher!

The tone became more and more fierce! Full of murderous intent!

His hand pointed at dozens of onlookers, and he suddenly smiled: "Since I look down on me so much, okay!"

"I now give you this opportunity!"

"Give you this, a chance to teach me!"

"Come on, let's go together!"

After hearing this, everyone trembled with fright, with unspeakable horror on their faces.

They are very clear, don't think there are dozens of people here, but even if they are together, they are definitely not Feng Chen's opponent!

In an instant, no one spoke, and the scene fell into a dead silence!

Everyone stood there blankly, looking at Chen Feng with fear!

Some people looked around, as if they were already thinking about how to escape.

Seeing that they were silent, Chen Feng shouted again: "I told you to go together! Are you deaf!"

They trembled violently all over, and even many people were so frightened by Chen Feng that their legs were soft, and they fell directly to the ground!

Among the crowd, a shivering voice sounded: "Feng, Master Feng, we dare not fight you, we dare not fight you!"

They knew very well that for the fifty of them, going up to fight Feng Chen was a dead end!

There is no difference, the opponent's strength is simply not what they can understand!

Not even the qualification to look up!

When this person spoke, everyone trembled and begged for mercy: "We dare not fight! We dare not fight!"

Chen Feng stared at them, suddenly the corner of his mouth curled, revealing a scornful smile, and slowly spit out four words: "A bunch of waste!"

These four words!

Extremely insulting! Extremely contemptuous!

His eyes are even more like looking at a group of pigs and dogs, looking at these people!

If others say this to them, they are afraid that they will be furious, and they will come up desperately!

But when Chen Feng said so, no one dared to say a word!

Everyone is silent.

Because Feng Chen has this qualification and ability!

Even many people sighed in their hearts: "Yes, we are indeed waste!"

"When he thought he was weak, he ridiculed him wantonly."

"Now he is strong, but we are like a dog in front of him! We are indeed a bunch of trash!"

Chen Feng looked at them coldly, and after meeting Chen Feng's gaze, he trembled in his heart, and quickly lowered his head.

Did not dare to look at Chen Feng.

Chen Feng stared at them and suddenly smiled coldly.

Then, there was a cold snort.

And with his cold snort, everyone felt an extremely powerful force directly enveloped them.

It turned them into a surge of blood in an instant!

The blood qi in their bodies is boiling instantly, beyond control!

Many people screamed and vomited blood!

There were even people who were directly injured by the shock, fell to the ground, and could not move!

No one is not injured, no one is spared!

Everyone looked at Chen Feng with fear and awe, and they were shocked to the extreme!

"I have known for a long time that this Feng Chen is extremely powerful, and I did not expect it to be so terrifying!"

#### [Chapter 4077: Weirdly fresh in Hongyuan](#)

"It just snorted, and waited for me to shake all the injuries!"

At this time, facing Chen Feng, they only had awe in their hearts. Where was the disdain before half a minute?

Chen Feng turned around and looked at Yuwen Liao.

Yuwen Liao was still there begging for mercy.

And suddenly, he felt something and raised his head.

I saw Chen Feng lowered his head, his eyes did not contain the slightest emotion.

Yuwen Liao suddenly realized something, and a voice suddenly sounded in his heart: "He is going to kill me? He is going to kill! He is going to do it!"

He couldn't think about other things anymore, yelled, and turned around to flee.

And the three of Duan Pengbo suddenly realized something, and they were also struggling, running out!

Chen Feng slowly shook his head.

He sighed slightly: "I won't let you go, can you go?"

The next moment, Chen Feng flicked his fingers.

It was just a flick of his fingers, but Yu Wenliao and the four others felt the blood in their bodies surge wildly.

Then, it was all shattered!

They also screamed frantically and fell to the ground.

After that, his body twitched a few times, and he stopped moving.

It is dead directly!

At this moment, a ray of light flashed from Chen Feng's waist, but the artifact fragments flew out and passed directly in the air.

Suddenly, a \*\*\*\* light and shadow shone.

Then, all the fragments of this artifact were sucked into it.

But in a moment of effort, he returned to Chen Feng's waist.

Chen Feng was stunned.

He naturally knew that this was the artifact fragment to absorb the blood of the soldier, but he didn't expect it to be so fast.

Even, others may not even be able to see clearly.

Chen Feng shook his head and put these messy thoughts behind him.

Then, he stretched out his hand.

Immediately, the meson jade bracelets of the four Yuwen Liao were already in his hands.

Chen Feng didn't open it in a hurry, but suddenly turned around and looked at Xian Yu Hongyuan.

Xian Yu Hongyuan was looking at Chen Feng's back.

Chen Feng turned around fiercely, and the two of them collided. Xian Yu Hongyuan hurriedly lowered his head, not daring to look at Chen Feng.

Xian Yu Hongyuan was still kneeling on the ground respectfully.

There was a respectful smile on his face.

However, when Chen Feng suddenly turned around just now, he could see clearly.

Xian Yu Hongyuan's eyes are full of resentment!

Chen Feng smiled slightly, but pretending to not know, he just laughed softly: "Xian Yu Hongyuan, what can I gain from being here for two days?"

Xian Yu Hongyuan was stunned for a moment, and then, before Chen Feng said more, he immediately took off his meson jade bracelet very respectfully, raised his hands high, and said loudly:

"Two days after I entered here, I have collected five treasures by myself."

"Three or four people were beheaded, seven or eight people were robbed, and all their treasures were collected, all of them were placed in this jade bracelet, and Master Feng was invited to accept it."

Chen Feng laughed loudly, then the laughter stopped, and pointed at him: "You guy, now you are more and more clever."

After all, he unceremoniously took the jade bracelet into his hand.

Waving his hand, said: "Okay, get out of here!"

Xian Yu Hongyuan quickly thanked him before he dared to turn around and leave.

Pei Muyu laughed in a low voice beside him: "Xian Yu Hongyuan has been scared by Feng Chen, brother."

"I'm afraid that after seeing us in the future, I will retreat and dare not even see him. There is indeed no need to kill him."

"Otherwise, for no reason, we will have enemies with the Qingyan family."

Chen Feng smiled, noncommittal.

Just looking at the direction Xian Yuhong is away from, his eyes are deep.

He turned to look at the dozens of people onlookers, and then said lightly: "You people, do you want to live?"

"Want to live, want to live!"

The audience shivered violently and nodded quickly.

"If you want to live, take out your meson jade bracelet."

Suddenly, everyone's faces showed a hint of hesitation.

Inside the Jade Bracelet, there are all the harvests they had harvested from the outside of the Valley of Fallen Stars in the past two days.

Seeing everyone not moving, Chen Feng smiled slightly: "Oh, don't you want to?"

"That's great!"

There was a bloodthirsty expression on his face: "Then I will kill you, and then take away the meson jade bracelets from you!"

When Chen Feng said this, everyone seemed to be shining with blood, and infinite fear surged in their hearts.

Someone suddenly yelled, took off his jade bracelet and threw it in front of Chen Feng.

With him taking the lead, everyone also took off their jade bracelets.

In an instant, in front of Chen Feng, there was a pile of meson jade bracelets.

Xian Yu Hongyuan flickered one after another, and soon disappeared from the sight of everyone.

What Chen Feng and others didn't know was that after he disappeared, he went straight to the northeast.

As I walked, I looked around for fear that Chen Feng would catch up.

Very sneaky.

Soon, he came to the side of a forest.

The forest has spread to the high mountains.

Here, the high mountains and dense forests look quite deep.

After entering it, the light quickly dimmed, and it even seemed to be out of sight.

That breath also began to become gloomy, and there was even a cold and dark air on the ground, constantly escaping.

There are various martial arts souls, monsters and ghosts.

Going further, the black air is already thick as black mist.

Even in it, he couldn't see his fingers.

In the black fog, there were bursts of ghost crying.

The ghosts and other things have become extremely dense, appearing from time to time.

Xian Yu Hongyuan, a warrior with powerful blood and yang energy, entered it, naturally causing these ghosts to covet, and they circled him.

A look of fear appeared on Xian Yu Hongyuan's face.

However, he suddenly thought of something and quickly took out something from his arms.

That thing was a small statue, about the size of a fist, and it was a statue of a ferocious demon god.

It was generally the same as the statue of the Demon God placed in the small building where Xian Yu Hongyuan lived before, except that it had shrunk countless times.

And as soon as the statue of the demon \*\*\*\* came out, a particularly cold and vicious breath came out.

When the hungry ghosts felt the breath, they all screamed and left one after another.

Xian Yu Hongyuan moved forward quickly.

Finally, the fog in front of him disappeared, and a pool of water appeared in front of him.

This pool is about three to four hundred meters in size.

The lake was completely dark.

If you look closely, you will find out what kind of pool water is here. It is clear that the black qi is condensed to the extreme so that it looks like a liquid.

If Chen Feng was here, he would know that this place is a very gloomy place.

And those black qi, it is a ghostly qi.

As for the location of this water pool, it is also where the eyes of this extremely gloomy place are!

[Chapter 4078: I finally caught you!](#)

Soon, Xian Yu Hongyuan stopped by the waterhole.

He walked around the pond and found a huge boulder on the east side of the pond.

This boulder has a pitch black color, and its brilliance is inside, just like a black gemstone carving.

If you look closely, you will find that there is a black mist that keeps lingering inside.

The black air current was filled with cold and evil eyes.

So that this boulder is as cold as an iceberg.

When Xian Yu Hong Yuanguang came to the front, he almost felt frozen.

He took a deep breath and stood beside the boulder.

Then, stretched out his hand, Shen Yuan gathered.

That divine essence hit on the black boulder.

After the Shen Yuan hit it, it disappeared silently and entered the black boulder, seeming to be entangled by the black air currents.

Then, there was a complete silence for an instant, not knowing where to go.

Xian Yu Hongyuan was not in a hurry, just waiting there quietly.

He didn't wait for a while.

About half an hour later, suddenly, countless black air currents flashed out of the black boulder, the black air currents entwined, forming a tall portal.

The next moment, a figure walked out of it.

It was the man in the black robe who lived in Xian Yu Hongyuan's small building before.

His eyes swept across Xian Yu Hongyuan, indifferent, cold, and brutal.

It's like the evil beast in the other world that came out of the void.

That kind of look made Xian Yu Hongyuan tremble.

He felt that the other party did not seem to be the same species as himself.

Like a god, looking down on a mortal.

The eyes of the black-robed person returned to normal in an instant, with a touch of gentleness, even softness.

He looked at Xian Yu Hongyuan and whispered: "What's the matter?"

Xian Yu Hongyuan said solemnly: "Master, the disciple found the trace of Feng Chen!"

"Oh? Found his trail?"

Hearing this, the black-robed person immediately exuded an emotion called excitement.

A hideous look flashed in his eyes, and he sneered: "Little bastard, finally let me catch you!"

The next moment, he said coldly: "You, can you put the tracking fan that the teacher gave you to him?"

"Put it on him!"

Xian Yu Hongyuan's eyes flashed with excitement, and he quickly said: "I sprinkled the Tracking Fan Gu on his shoe while kneeling in front of him!"

"That's good!"

Xian Yu Hongyuan laughed happily, a bit of resentment and a touch of ease in his laughter: "Tracking Migu is not murderous at all. Just for tracking purposes, it won't be noticed at all."

"Presumably Feng Chen can't detect it either."

"Since you can find him, then things will be easier!"

"The most difficult thing is how to find him. After finding him, it is easy to kill him!"

Obviously, he did not put Chen Feng in his eyes.

He slowly clenched his fists, as if pinching Chen Feng to death.

"Now, I will go over, kill it, and never have trouble."

Xian Yu Hongyuan nodded quickly, with a respectful attitude.

If there are people above the Xuanming Seven Seas Realm here, they will definitely exclaim.

Xian Yu Hongyuan has always been very arrogant and shows no words to others, but now he is so respectful to people in black.

I'm afraid that he has never been so respectful to the elders of the Qingyan family.

By the big lake, beside the hill, above the ground.

A dark red blood stain has not yet disappeared.

The corpses on the ground were Yu Wenliao and others.

And beside, several people were moaning in low voices.

It was Wei Gundam, Huang Jianbi and others who had lost their blood.

Alongside, there were thirty or forty people standing there, just those onlookers whom Yu Wenliao had brought over.

Everyone is standing here, no one dares to move, and no one dares to go.

Because Feng Chen didn't let them go.

At this time, their gazes glanced at the side of a cliff from time to time, with indescribable awe in their gazes.

Because, on the cliff, there is a person standing.

It is Feng Chen!

At this moment, in front of him, there are countless lights shining continuously.

Or crimson, or orange, or even, there is a light with black and white that is constantly flickering, lingering into a rainbow-like glow.

It looks extremely gorgeous.

Not only is there these brilliant lights, but also has bursts of huge aura, and the incomparable aura is constantly coming!

These, the source of all this, are in front of Chen Feng!

In front of Chen Feng, on top of a huge rock, there were hundreds of spiritual treasures.

In these spirit treasures, there are ten thousand-year-old ginseng with full thigh length and golden color.

It is also the size of a table with eight immortals, layered on top of each other, and the surface presents a huge ganoderma that looks like a purple cloud.

In fact, there is purple gas on the ganoderma, forming a small cloud.

It is the size of a wine jar, the whole body shows the color of platinum, and even the huge white fine iron revealed by the incomparable golden gold atmosphere!

There is also a whole body of emerald green, exuding a strong wood spirit of the tree core.

All kinds of spiritual treasures, there are different.

But every piece that was taken out could cause a sensation at the Seven-Star Auction in Chaoge Tianzi City on the Dragon Vessel Continent.

A smile appeared at the corner of Chen Feng's mouth:

"Sure enough, people don't get rich without windfall, and horses don't have night grass or fat."

He and Pei Muyu and Xing Xiangyu had been searching around for a long time before finding less than ten treasures.

And now, he has obtained hundreds of treasures.

Of course, these treasures are not generally of high grade.

At least, not as good as the treasures he got.

After all, these people are far less powerful than him.

Some monsters that guard treasures cannot be defeated.

But inside, there are at least about fifteen pieces, their grade and quality are definitely not inferior to the treasures that Chen Feng had obtained before.

The reason is very simple. There are too many treasures outside the Valley of Fallen Stars.

It's so much that you don't even need to rely on much strength to get one.

In many cases, whether you can get a treasure does not depend on strength, but more on luck.

For these people to hand over the treasures they got, Chen Feng had no psychological burden.

After all, these people have done that bad behavior before, and many of them want to kill him,

Chen Feng just asked them to hand over the treasures, only wounded them, and did not kill them, it was already cheap enough for them!

If the other party did not provoke Chen Feng, Chen Feng would naturally not \*\*\*\* others' treasures.

Moreover, for Chen Feng, weakening the enemy and strengthening himself is an excellent choice in itself.

After all, after going out, you still have to judge who is the first person this time based on the number of treasures.

Chen Feng is determined to win this first person!

[Chapter 4079: The trail of Hua Lengshuang!](#)

He must get those seven treasures!

Chen Feng looked around and looked around.

Only a hundred people entered the periphery of the Valley of Fallen Stars, and here, more than half have gathered.

"The treasure in front of me, I'm afraid it is already half of all the treasures obtained by everyone who entered this place!"

Chen Feng whispered to himself: "No one is more than me!"

"This time, the first person must be me!"

"And after getting these treasures, a more important benefit is..."

A smile appeared at the corner of Chen Feng's mouth:

"Now, the most important medicinal materials for the six flavors of the seven-rank golden pill I refined are all complete!"

Not only the six major medicinal materials, Chen Feng has already prepared them.

Moreover, these six main medicines are of extremely high quality!

Even the amount here is huge, enough for him to refine more than five copies.

In other words, even if he fails once or twice, he will be able to produce at least three seventh-grade golden cores!

Three Seven-Rank Gold Pills, what a fortune is that!

Not only can Chen Feng play three more hole cards, but even this seventh-ranked golden core is an extremely important bargaining chip, allowing him to obtain the help of some powerful figures.

And the help of those powerful people, at critical moments, can often give him one more life!

It is extremely important to his many big plans!

Even when he saw these spirit treasures, Chen Feng had several thoughts in his mind, and several extremely meticulous plans emerged in his mind.

And the most critical point of the plan is the seventh-grade golden core he will refine in the future!

He smiled lowly: "After all, I now know more about the secrets of Longmai Continent."

"I have a very good understanding of the inside story of that seventh-grade golden core."

"I'm sure, when the time comes, the news will be enough to attract many powerful experts!"

Chen Feng gave a long roar, and his heart was extremely happy.

"The six main medicines are all ready. After returning to the Dragon Vein Continent, I will collect the other over a hundred adjuvant medicines, at most, no more than a month. I will start the furnace to make alchemy soon!"

There was some expectation in his heart, but more anxiety.

After all, it has not been alchemy for many years.

Although the original skills and comprehension are still there, his level as an alchemist is really too low.

Chen Fengsu comes from trust, but never blindly self-confidence.

It can be said that he obtained these six main medicinal materials not only extremely hard, but also full of chance and coincidence.

Chen Feng would never allow himself to refining indiscriminately, wasting these medicinal materials that may no longer be available, which can be called out of print!

"In this case, after going back, you will probably have to go to the Association of Alchemists."

"Improve my level of refining medicine, refining strength, and see if they have any martial arts related to it."

"With my current level of refining medicine, it is just a delusion to refine those seven-rank golden pills, why waste it?"

At this point, Chen Feng already had a complete idea for the next plan to refine the seventh-grade golden core.

However, he did not put away these treasures.

Instead, he looked up carefully.

Each piece has never been let go.

He seems very clear purpose.

What I was looking for was not some treasures of heaven, spirit and earth, but something that seemed to be left by a warrior.

For example, there are a few treasures and swords in it, and I don't know when they were left by someone who came to the Valley of the Fallen Stars, and may even involve ancient secrets.

Chen Feng has read these carefully.

But they were all put aside and ignored.

Chen Feng has seen most of them, and there is not much left.

But he didn't have any anxiety, he was still calm, looking for the past bit by bit.

Suddenly, Chen Feng moved his gaze to a certain place and fixed himself on something.

Therefore, at this moment, Chen Feng's breathing stopped.

His heart is pounding, his brain is congested, and his whole person is plunged into extreme ecstasy.

A voice in his heart echoed frantically: "Found it, found it!"

"Emperor Tian pays off, finally let me find it!"

Chen Feng quickly stepped forward and took the thing directly in his hand.

It turned out that at this time, what appeared in front of Chen Feng was a ribbon.

The ribbon didn't seem to have any special features, but after Chen Feng unfolded it, he saw that the ribbon was about ten feet long and there were nine bells hanging on the ribbon.

This ribbon is as warm as jade, and the tentacles are cold. I don't know what material it is woven from.

Once I get started, I feel uncomfortable.

There is even a sense of purity and peace from the upload, which seems to calm the mind.

Moreover, it is also very tough, even with great strength, it may not be able to tear it apart.

The nine bronze bells on the top rang out in the wind, with a breathtaking ability.

After people heard the voice, they felt dizzy in the brain.

Obviously, this leader looks special, but in fact it has the power to shock people's souls.

This is true even with Chen Feng's cultivation base, let alone others.

And the most important thing is that Chen Feng recognizes this thing!

This thing is Hua Lengshuang's personal belongings.

On weekdays, she was tied around her waist as a belt, and Chen Feng had seen it more than once.

Even, once, when Hua Lengshuang was chatting with him, he even talked to Chen Feng specifically.

Said that this ribbon is her second weapon. Whenever she encounters a strong enemy and the enemy snatches her weapon, she will let go.

Then, with this ribbon, I suddenly started trouble.

Directly use the nine copper bells to suppress the enemy's soul, and then kill the opponent!

With this move, she has already defeated many powerful enemies.

And at this time, this ribbon actually appeared here, doesn't that mean...

Chen Feng took a deep breath and forcibly suppressed the excitement in his heart.

He slowly recovered his calm, and uttered a word gently: "At least, it means that Hua Lengshuang has been here before."

The surface of the ribbon is already stained with dust and dirt.

Obviously, it has been lost for at least a few days.

Chen Feng's heart is even more heavy.

Hua Lengshuang regarded this thing as a treasure, and it was her weapon at the bottom of the box.

This thing has been left, so what happened to Hua Lengshuang?

What danger does she encounter here?

Now, he can only comfort himself: "Above the wooden hairpin, there is no extraordinarily violent emotion. Hua Lengshuang should be fine. It may just be a strong enemy, so the weapon has fallen!"

"She must be fine, she must be fine!"

Chen Feng sighed softly and suppressed the worry.

In any case, it is always good to be able to find related items.

[Chapter 4080: clue](#)

He lifted the ribbon aloft and said to everyone, "Who of you found this?"

Everyone showed fear on their faces, and no one answered.

Chen Feng smiled slightly and said, "This thing is quite important to me."

"If none of you knows the news, then..."

He took out two of those spirit treasures at random: "These two treasures belong to him."

Seeing this, the crowd suddenly became enthusiastic.

A person quickly stood up and said loudly: "Master Feng, I found this ribbon."

"Oh?"

The speaker is a tall and thin young man.

The complexion is fair and gentle, with a respectful look on his face.

Chen Feng looked at him up and down, and said slowly: "How to call?"

"Under Lu Yang Bo." The young man hurriedly clasped his fists.

As soon as Chen Feng stretched out his hand, he involuntarily flew directly over the cliff.

Then, Chen Feng pointed to the ribbon and asked in a deep voice, "Where did you get this thing? How did you get it?"

"Are there other similar things nearby?"

"Talk to me carefully!"

Seeing Chen Feng's look, Lu Yangbo knew that he paid much attention to it.

Don't dare to neglect, he quickly lowered his voice and explained the process carefully.

It turned out that the sect where Uncle Lu Yang was located, among the more than thirty sects, could only be regarded as the last.

Their three disciples are all relatively weak.

The three of them are also very self-aware, so after they came here, they went to those remote places.

I never argue with other people and take the initiative to retreat.

But even so, in the end, he couldn't escape being caught by Yu Wenliao.

And this ribbon was not even found by them, but by them.

"It was on a cliff..."

When he said this, Chen Feng interrupted him directly: "Take me over!"

No matter what he said, Chen Feng had to go over and see it by himself, so why bother to speak?

"Yes."

Uncle Lu Yang didn't dare to hesitate at all, so he should be right away.

Then, Chen Feng divided those treasures into three piles.

For more than half of the time, I stored it in a ring bracelet and took it myself.

The other twenty or so items were given to Pei Muyu.

The remaining four or five pieces were given to Xing Xiangyu.

Pei Muyu didn't say anything, just giggled and accepted it openly.

She and Chen Feng, there is no need to be so polite.

Xing Xiangyu was overjoyed, and some did not dare to take it. Chen Feng smiled and said, "It should be, take it! I won't give it to you in vain. In the future, there will be times when you need your help."

Upon hearing this, Xing Xiangyu felt relieved and accepted.

Chen Feng's move is also very meaningful.

He had already made up his mind to cultivate this Xuanming Seven Seas Realm into his own secret cave, a world dedicated to him.

Then, you must leave a few of your own people here and cultivate your own power.

And the best candidate is obviously Pei Muyu.

Chen Feng has no intention of using Pei Muyu.

And what he will do next will also be of great benefit to Pei Muyu.

But Pei Muyu is alone, and she still needs help.

In the past few days, Chen Feng has been observing Xing Xiangyu and found that this son is good in all aspects of character and has great potential, so he decided that he would be one of Pei Muyu's helpers.

Of course, the most difficult problem to solve now is how to get here in the future.

Muchai can only be used this time.

In the future, there will be another idea. This Chen Feng hasn't been determined yet, but he is not in a hurry. There must be a way by then.

Although such treasures on the Dragon Vein Continent are rare, they can still be found at a great price.

And the world of Xuanming Seven Seas Realm, which is very distinctive, is obviously worth his huge price.

After dividing, Chen Feng waved his hand, looked at the people under the cliff, and slowly uttered a word:

"roll!"

Everyone was surprised at first, and then overjoyed, and quickly ran away.

Chen Feng left them here to find information about Hua Lengshuang from these spirit treasures, and then let them lead the way.

Now, naturally they won't let them continue to follow,

Chen Feng and Xing Xiangyu and others continued to set off, leading the road by Lu Yangbo and heading to the north.

This time, five hours have passed.

The farther to the north, the closer to the core, or even the deepest part, of this valley of starfall.

Therefore, the dangers encountered along the way are extremely numerous, with countless powerful monsters.

These monsters are extremely violent and often attack on their own initiative.

But with Chen Feng here, there is no problem naturally, and the monsters will be killed one by one.

Everyone did not stop.

Finally, on the fifth hour of their journey, they came to the shore of a large lake.

This big lake is vast and infinite, and its radius is unknown.

And at the northern end of the Great Lake, there is an extremely tall stone wall that stands tall, towering into the clouds, with no end in sight.

At the top of the rock wall, snow-capped mountains can even be seen.

Obviously, this rock wall was already under the snow-capped mountains, and it was already close to the deepest part of the valley where the stars had fallen.

At this time, it was just when the big day was rising, a piece of golden light spilled, dyeing the lake into a piece of gold.

The wind came slowly, and suddenly the gold was broken.

Chen Feng sighed softly.

Now, it was the third day they entered the periphery of the Valley of Fallen Stars.

After today's midnight, one will leave the outskirts of this valley of falling stars.

Then, he officially entered the valley of the fallen stars.

Chen Feng sighed lightly and put aside these distracting thoughts.

Uncle Lu Yang pointed to the towering stone wall on the opposite side of the big lake and said, "I got this ribbon from a small cliff above it."

"When I saw it from a distance, there seemed to be traces of people living there. I thought it was a relic of ancient times, and it passed."

Chen Feng nodded.

Lu Yangbo said: "Let's go around the lake. Although it takes some work, it can be..."

Before he finished speaking, Chen Feng smiled and said, "Why is it so troublesome?"

After all, it was mentioning Lu Yangbo, flying across the big lake, volleying for nothing.

Suddenly, Lu Yangbo's face turned pale, and he exclaimed: "There are powerful monsters in this lake..."

Before he finished speaking, several huge and fierce figures rushed out from the big lake.

Like a dragon, like a snake, kill towards Chen Feng.

Lu Yangbo suddenly screamed: "Let me just say it, we should go around by the side!"

There was a hint of complaint in his words.

Although I dare not say it clearly, but it also means this.

But as soon as the voice fell, Chen Feng smiled coldly and pressed it down!
