

Peerless 4911

[Chapter 4911: Human emperor's hand bones are abolished!](#)

The huge voice sounded again.

Very solemn and deafening.

In the buzzing of the supreme sword intent, everyone showed pain on their faces.

Some people with a low cultivation base have been shaken to the ground, screaming loudly, feeling that their souls seem to be torn apart!

Everyone was even more shocked!

Sound alone is so powerful!

If you are in it, wouldn't it be...

Ji Xingyuan endured the huge shock and yelled at Qiu Ruhai.

"Deacon Qiu! Don't hurry up!"

At this juncture, who can care about respect and etiquette.

Kill Chen Feng!

Qiu Ruhai reacted.

Yes, it's too late!

Chen Feng, under the sword formation, has an early warning!

Qiu Ruhai made it!

He struck out a palm in Chen Feng's direction.

The palm wind scattered in other directions.

Even the infinitely weakened palm has enough terrifying power!

It caused the people behind the assessment to fly backwards, retreat, and vomit blood!

Not to mention the goal of that palm!

Chen Feng!

Qiu Ruhai's eyes are full of murderous intent!

"Die to me!"

Once you have been guilty, then you will die!

Qiu Ruhai didn't want to die.

Then, Chen Feng can only die.

Chen Feng is dead, he still has a chance to live!

Qiu Ruhai stretched out three palms towards Chen Feng, using all his cultivation skills for each palm!

The purpose is to ensure that Chen Feng will definitely die!

Will not survive the moment of hiding in the sword formation!

"Boy, I want you to feel despair in the place closest to the sword formation!"

He Jiejie smiled and roared, his eyes full of fierceness.

Chen Feng instantly transformed into a great witch ***** body!

The whole body is flowing with golden light.

The great witch blood pool was boiling and burning, roaring and roaring constantly.

but!

No way!

Can't stop it at all!

In an instant, Chen Feng turned into a sacrament of great witch!

This is already the strongest form!

But it still doesn't work!

Chen Feng's consciousness was more awake than ever.

He knew very well that he had to use his hole cards.

On his own, he had to resist the full attack of the Ninth Floor of the Star Soul Martial Emperor Realm.

No way at all!

The oncoming attack was too domineering.

And now, it is impossible to enter the sword formation!

At this point, Chen Feng made a decisive decision and took out the human hand bones!

There are formations in this assessment world.

Most of the treasures and weapons, etc., are all sealed.

Only this man's hand bone can still be used normally.

It can also be seen that the human hand bones are so extraordinary!

It is beyond this rule!

At this moment, he felt extremely deplored in his heart.

Originally, Chen Feng didn't even think about using the human hand bones.

This level of quiz is not worth using your own cards.

But now, I don't care so much!

Chen Feng no longer hesitated, and sacrificed his hand bones!

Almost at the same time, Qiu Ruhai swung his three palms mightily, and came to him.

The weird and terrifying power burst out instantly!

Above the human emperor's hand bones, there was an instant sentiment.

Throbbing!

Excited!

More, fear!

At this time, the human emperor's hand bones are all in fear!

Obviously, even it is extremely difficult to block this blow!

Chen Feng's eyes were as cold as iron!

In the next moment, the human emperor's hand bones slammed forward!

boom!

There was a loud noise.

Countless rocks splashed.

Falling from the floating mountain.

The two terrorist forces collided, and the air wave swept across the surrounding floating mountains.

The white fairy mist just gathered back, and was shaken away again.

The sea of clouds has been blown aside!

The entire floating mountain shook violently!

It seems to be shattered!

"It's done?"

Chu Qianzhong and others were overjoyed.

They stared at where Chen Feng was standing.

No one thinks that Chen Feng can survive this offensive!

But, suddenly, Qiu Ruhai was shocked!

With a cry of exclamation, he blurted out.

"impossible!"

The smiles on Chu Qianzhong and others' faces condensed once again.

Why did Qiu Ruhai react this way?

Could it be that with his full attack, Chen Feng could not be put to death?

is it possible?

Assessing the world is equipped with formations, it is absolutely impossible to reuse what kind of magic weapon.

The more Qi Zhuoyang and others realized this, the more fear was in their eyes.

Qiu Ruhai is the same.

It is precisely because of this that he dared to act unscrupulously.

No matter how defying the gods and devil bloodlines are possessed, after all, they are only in the realm of the nine-star martial emperor.

Since ancient times, there have been many geniuses who turned out to be killed across borders.

But Immovable has a magic weapon, and relying on himself, he wants to resist the full attack of a master who has so many different realms.

This is impossible.

Chen Feng is absolutely impossible to resist him.

But it does not seem to be the case.

The dust settled.

The line of sight gradually became clear.

A silhouette slowly appeared in the sight of everyone.

"impossible!"

Qiu Ruhai's eyes stared out.

He completely lost his calmness!

Chen Feng, turned out to be safe and sound!

Chen Feng in the distance had a cold face.

Fingertips, human emperor hand bones are coiling.

Click!

There was a crisp sound.

A clear crack appeared on the human emperor's hand bones!

The human emperor's hand bones were directly blasted into a crack!

He can feel it.

The emotion above the human emperor's hand bones became low.

Then, gradually weakened.

In the end, it was actually dormant!

I don't know when I will wake up!

Chen Feng was furious.

One of his hole cards has been abandoned here!

But now is not the time to vent emotions.

Can't let Qiu Ruhai discover that he has no hole cards for the time being!

If Qiu Ruhai attacked again.

I must die!

Human Emperor's hand bones, only helped him gain a breathing time.

However, this breathing time is enough!

At this time, Xiao Zhou Tianzhu's Divine Sword Formation opened a gap!

A ray of light fell, covering Chen Feng directly!

Chen Feng stepped heavily on the ground with both feet and quickly rushed into the sword formation.

The entire floating mountain sank slightly because of Chen Feng's foot.

A deep huge pit appeared on the ground under Chen Feng.

"Do not!"

Qiu Ruhai is crazy!

His eyes were bloodshot and he tried to shoot again.

But it's too late!

Chen Feng instantly entered the sword formation.

He suddenly turned his head, staring at Qiu Ruhai, his eyes flashed wildly with murderous intent!

Slightly stroked the hand on the neck!

Made a throat cut!

Murderous wanton!

Hum!

Xiao Zhou Tianzhu Excalibur Array is activated!

Once inside the sword formation, the terror challenge begins immediately.

However, it has another effect.

All attacks outside the sword formation will also be blocked outside.

This is exactly why Qiu Ruhai desperately prevented Chen Feng from entering the sword formation!

But this last juncture still made Qiu Ruhai miscalculate.

Chen Feng successfully entered the Xiao Zhou Tianzhu Excalibur Formation.

At this time, thousands of divine swords intercepted him and everyone outside.

People outside can only look at Chen Feng from a distance.

Seeing him in the sword formation, began to move.

Helpless!

Qiu Ruhai was cold all over!

[Chapter 4912: Fight!](#)

Endless sword energy, straight to the sky.

Sword formation, start!

The incomparable murderous aura surging around like a wave.

The appraisal disciple standing on the ground, as well as Qiu Ruhai, were all crushed by the murderous aura, and their faces were pale!

What's more, it was directly overturned by the air waves.

Even a mysterious figure like Jiang Yunxi has taken a few steps back.

Xiao Zhou Tianzhu's Divine Sword Formation, with only one corner, there is such a terrifying threat.

When the murderous wave passed, everyone stood up from the ground.

Looking at the sword array flying with ten thousand swords in the sky again, a doubt arose in everyone's heart.

Chen Feng, can it be done?

In the sword formation!

As soon as Chen Feng entered the battlefield, he felt a great pressure.

The entire Xiao Zhou Tianzhu Excalibur Formation is hard to see the edge.

As far as I can see, all are endless swords!

And at the moment he entered the outermost edge of the sword formation, these thousands of divine swords trembled, and thousands of sword intent came toward him.

Each Dao has power beyond the third floor of the Star Soul Martial God Realm!

With such a pressure, after surpassing the two thousandth steps of the Ancient Star Road, the core of the star was transformed into a star!

Under such heavy pressure, Chen Feng instantly transformed into a great witch **** body.

His eyes burst into battle spirit!

Now he just came to the outermost layer of the entire Xiao Zhou Tianzhu Divine Sword Formation.

He didn't even have time to see the whole picture of the entire sword formation!

Chen Feng could only perceive that Xiao Zhou Tianzhu's Divine Sword Formation, the closer to the center of the formation, the more difficult it becomes!

It is difficult, and the assessment requirements are even more demanding!

Different from the assessment rules of the Ancient Star Road, once you enter the Xiaozhou Tianzhu Divine Sword Formation, there is no turning back.

Either die or break out!

Only a breakthrough along the way is considered a successful assessment.

And now, Chen Feng is suffering even standing on the outermost layer!

He was about to split, but he gritted his teeth without flinching.

Start first!

Use offense instead of defense!

The golden spiritual world suddenly moved!

He turned sideways again and again, avoiding the first few sword intents.

Although the sword intent is not a physical entity, it is like a moon ring, drawing a dazzling white light.

Brilliant, dazzling eyes!

"Buddha's angry eyes, lion roar!"

In Chen Feng's spiritual world, a giant lion head appears!

Behind him, there is also a huge lion head, roaring frantically!

The huge golden sound wave swept in all directions instantly.

Contrasting with voice!

The sword energy attacked from all directions from the sky and the underground made the sound of boundless collision in an instant.

Crisp and dense.

Thousands of ancient divine swords began to hum continuously.

Every sword seemed to have spiritual consciousness, communicating with the surrounding swords.

Their tremor frequencies are getting more and more synchronized, and their buzzing sounds are getting louder and more murderous!

Shaking off the scattered sword light, like white practice.

Break the clouds upward!

Break the earth down!

The assessment members standing on the ground were pale.

Chen Feng did not annihilate directly!

On the way here, not only Chen Feng saw it, but many others also saw the former challenger.

The man laughed wildly and rushed into the sword formation, then, unable to hold on for a breath, he was directly beheaded by the endless divine sword.

Turn into blood mist!

No bones left!

That was an official disciple of the fourth floor of the Star Soul Martial God Realm!

Xiao Zhou Tianzhu's Divine Sword Formation, people under the Star Soul Martial Emperor realm entered, and couldn't hold on to a single breath!

But Chen Feng persisted!

on the ground.

"How is it possible! Isn't Chen Feng the only nine-star Wudi?"

Someone screamed and shouted.

unbelievable!

Everyone pays close attention to the sword formation high in the sky.

Although they couldn't see Chen Feng's specific movements inside, they could see the outline.

Based on the outline, you can probably judge the progress.

At least, it's dead or alive, you can tell at a glance.

And now, they saw Chen Feng's outline, constantly moving.

The entire sword formation hummed.

That was the response to being attacked.

Chen Feng still has spare energy to attack actively!

This is incredible!

Si Konghao had also raised his head and looked at the situation in the high-altitude sword formation.

Hearing this, he turned his head to look at them.

He opened his mouth and scolded without any scruples.

"Idiot! People with blood of ancient gods and demons are several times, even dozens of times, far above the same realm."

"And the flesh is extremely terrifying."

"With Brother Chen's blood, is it weird to be able to survive in the Xiao Zhou Tianzhu Divine Sword Formation?"

Having said that, he looked at Qi Zhuoyang and others.

"Some people, without knowledge of themselves, bite to death and feel that others are playing tricks."

"If you have the ability, do you guys come and show it to Grandpa?"

It's very obvious who this is talking about.

Sikonghao had a very strong background, and he was also a man of Heavenly Power Sword Sect's fancy.

No matter from which aspect, he surpassed Qi Zhuoyang and others!

Others present might be afraid of offending Qi, Ji and Chu.

He is not afraid!

Sikonghao is a martial idiot.

Except for cultivation, challenges, other intrigues, intrigues, etc., he is not interested.

He has always respected only the strong.

Fist is the last word!

Those who are weaker than him are all trash!

Qi Zhuoyang and the three looked at Si Konghao, their faces flushed and it was very ugly.

"Sikonghao, don't deceive people too much!"

Sikonghao sneered, "I just deceived people too much, so what?"

"Do not accept you come and hit me?"

Qi Zhuoyang was furious.

He stepped forward and was ready to do it.

"Don't make gestures, it's the grandson who doesn't fight!"

Si Konghao sneered again and again: "Just rely on a few **** of you, don't need Chen Feng to do it, grandpa and I can abuse all of you!"

The three Qi Zhuoyang were sprayed with blood.

But I couldn't say a word.

Very frustrated!

Just now, they were just posing, they didn't dare to actually do it!

Heavenly Power Sword Sect, Sikong Family, neither can't afford it!

But, in the final analysis, they are not sure that they can beat Sagong Hao!

At this moment, there was another exclamation from everyone around.

Si Konghao's heart was warned, and his body was instantly tight.

boom!

Thousands of silver lights shot out randomly from the small Zhou Tianzhu Divine Sword array!

Disorderly, aimlessly, attack everyone without distinction.

Someone was too late to react, screamed on the spot, and had an arm cut off.

Blood gushing.

Everyone panicked.

"what happened!"

For a while, everyone used their housekeeping skills one after another.

There was a panic on the floating mountain.

It suddenly became very lively.

Qiu Ruhai stood there, staring at the sword formation high in the sky.

With his cultivation base, he can see much more content than others present.

The sudden flying of swords just now was the result of Chen Feng's counterattack.

Because of this, his face can't be more ugly.

Fortunately, there is only one mess of sword intent.

Did not cause deaths.

"I didn't expect Chen Feng to challenge Xiao Zhou Tianzhu's Divine Sword Formation, and we people will suffer together!"

Someone complained bitterly.

Jiang Yunxi stared at the sword formation without blinking.

She suddenly found that the outline in the sword formation was dimmed.

"Could it be that something happened to Chen Feng?"

[Chapter 4913: Triple power! Nine times the power!](#)

In the next moment, everyone saw this scene.

Qi Zhuoyang and others were about to cheer.

Sikonghao sneered and said, "Don't be happy too early, Chen Feng's body will fade as he goes deeper."

"It's not that power is declining, something happened!"

"what?"

Everyone is stupid, look carefully.

Xiao Zhou Tianzhu's Excalibur Formation.

Three breaths have passed since Chen Feng entered this place!

Suddenly, the power of Xiao Zhou Tianzhu's Divine Sword Formation tripled!

Chen Feng felt something in his heart: "It seems that after a few seconds, the power will increase a lot!"

Chen Fengmo danced wildly, using all his tricks.

The sky sword is vertical and horizontal, stirring everywhere!

Thousands of Dao Guanghua were beaten by him.

These thousands of divine swords have been tried with sword aura.

He blocked it!

Chen Feng now has to deal with thousands of true ancient divine swords!

Excalibur is too much!

Chen Feng could only rely on the great witch **** body to resist countless divine swords.

Two fists can only fly a limited number of Excalibur.

This is exactly why people outside the sword formation are suddenly swept by Feijian!

Chen Feng's eyes were already red!

That is to say, he, changed to someone else, although his cultivation base is high, his body is not strong.

In this case, he has long been beheaded into a blood mist!

At this moment, Chen Feng looked very embarrassed.

As strong as his physical body, now he is scarred.

The blood is flowing like a shot.

Sprinkle under the sword formation.

It was like a small rain of blood.

Too many magic swords!

Even if there is a great witch divine body, countless divine swords are attacking densely.

The divine sword hit his body, constantly making noises similar to metal collisions.

One blow is okay, but repeated attacks can be overwhelming.

What's more frightening is that once the divine sword pierces the flesh, the sword aura is very easy to invade.

This is the deadliest!

Every Excalibur here is extremely tyrannical.

Every sword aura is full of raging killing intent.

Once this kind of sword energy invades the body, no matter how powerful the body is, it can't resist it.

It will destroy wantonly in the body.

After three more breaths!

Chen Feng's hair was unruly, and his whole body was bleeding.

At this moment, he is more than a sword qi invasion.

Almost all the meridians in the body were completely destroyed.

Behind him, the power of ninety-nine-eighty-one stars has dimmed for most.

Chen Feng smiled bitterly, looking at the countless divine swords reunited.

The sword array is ruthless and desireless.

As long as he's still in the sword formation, only attacks are waiting for him.

There is no time to breathe!

"This little Zhou Tianzhu Divine Sword Formation is really... terrible!"

Before the words fell, thousands of divine swords changed again!

Hum!

The divine swords screamed, flying all over the sky, and came violently towards Chen Feng.

The power instantly increased to three times what it was just now!

It is already nine times the original!

With a loud roar, Chen Feng instantly turned into a sacrament of great witch!

If it doesn't turn into the Eucharist of the Great Witch!

This level can not be resisted at all!

In an instant, after transforming into the Eucharist of the Great Witch!

Chen Feng felt that the weakness above his body was gone without a trace, and he became extremely powerful again, and his strength surged!

Boom forward!

Directly break through thousands of swords!

A punch!

In the void, there seemed to be a sound of broken glass!

Chen Feng only felt that the front was empty, and in an instant, he had already broken through the first layer of the sword formation just now!

Now, come to the second floor!

In the distance, the endless sword, regrouped.

However, Chen Feng finally got some breathing opportunity.

I don't know thousands of miles away, but this world is turbulent.

The void was shaking, and many floating mountains in the distance were shaking.

The place where Sikonghao and others stood was already full of cracks.

A group of people backed out and back again.

Under the blessing of Qiu Ruhai, he was barely safe.

"He's not dead yet?"

Some people can't believe it.

Qi Zhuoyang and others raised their heads and stared at the small Zhou Tianzhu Divine Sword Formation that was running at high speed.

Their faces were jealous and cheerful.

"For him to be great, after entering the Xiao Zhou Tianzhu Divine Sword Formation, he can still last six breaths."

"But he will still die."

"Able to last six breaths, this is his best ending."

Chu Qianzhong also laughed proudly.

They all saw the continuous rain of blood.

That is Chen Feng's blood!

With such a massive hemorrhage, Chen Feng would lose blood all over his body and die soon even if he was not strangled by the sword formation.

He is dead!

Seeing this, the hanging hearts of Ji Xingyuan and others finally returned to their left chest.

Just die.

"The kid found his way to his death, but he deliberately wanted to break the small Zhou Tianzhu Divine Sword Formation."

"Why? With his cultivation at the peak of the Nine Star Martial Emperor?"

The people following them all laughed when they heard this.

"The result of arrogance is to die with no bones!"

Qiu Ruhai looked at Chu Qianzhong.

Similarly, at this moment, he is also full of joy.

"Several princes are right. My Galaxy Sword Sect is looking for geniuses, not arrogant fools."

"What about the blood of the ancient gods and demons, today is his death date!"

Chen Feng must die!

He looked above the sky.

Bloody!

That is the blood from Chen Feng!

"Deacon Qiu, this little Zhou Tianzhu Divine Sword Formation, has anyone ever broken it?"

Someone asked Qiu Ruhai.

Qiu Ruhai subconsciously thought of a name: Xu Tianhe.

But after a moment, he still shook his head.

"Never."

"The little Zhou Tianzhu Divine Sword Formation in front of you, but only a corner."

"But when it is fully opened, even the gods can be strangled!"

"Although it has only opened a corner now, it is a peerless killing array after all."

"Entering it, the sword formation is ever-changing and unpredictable."

Qiu Ruhai refers to high altitude.

"When a child first enters the sword formation, he is most likely to be strangled in an instant. This is the power of Xiao Zhou Tianzhu's divine sword formation."

"But it doesn't mean that you have survived the first wave of attacks, and you will feel much better afterwards."

"wrong!"

"Look, the sword formation has changed twice since the kid entered."

"Change once, power will increase three times!"

Everyone looked up and looked at the ever-changing sword formation.

It has changed again!

The extermination of all directions is over, at this moment, the world is changing, and the body is changed, there is the potential to destroy the galaxy!

At this time, Xiao Zhou Tianzhu's Excalibur Array has become another level stronger!

There is less of a four-story building in the Martial Emperor Realm of Star Soul!

Chen Feng vomited blood violently and fell on one knee on a broken sword.

At this point, he has broken into the third floor!

Xiao Zhou Tianzhu's divine sword formation changed, he was in the sword formation, he was the first to notice.

Even now, Chen Feng still doesn't know how many layers this sword formation has!

From the time he first stepped into the sword formation until now, the only thing he can care about in his mind is war!

No reservations at all!

However, all existing means are exhausted, but there is still no hope!

At the cost of serious injury, he only got through the outer two layers of this sword formation!

Now it is the limit!

The power runs crazily, and the ink hair automatically runs without wind!

All the power in Chen Feng's body has long been squandered by the first two layers.

One punch was flying in the front of the Excalibur.

[Chapter 4914: Zhongli Yaoqin is here!](#)

Then, his body shook heavily!

He has reached the limit!

However, the great sword intent came straight down with the thousands of divine swords.

He was not allowed to escape or rest.

Layers of sword light illuminated half of the sky.

Where the sword intent is, the void is broken!

Power increased again!

It's tripled again!

Now, the power is already twenty-seven times that when Chen Feng first entered!

Chen Feng shouted wildly, without any fear!

In an instant, the great witch blood pool in the body was directly burned dry!

The Eucharist of the Great Witch has moved to the extreme!

The endless power of the great witch is burning, attacking the small Zhou Tianzhu Divine Sword Array, which is 27 times more powerful!

puff!

Countless sword intent penetrated Chen Feng's body!

Thoroughly penetrate!

Chen Feng smiled sadly.

He Chen Feng, is he dead here?

Do not!

"I can not be reconciled!"

"I'm not reconciled!"

He yelled up to the sky and danced wildly with blood.

Taiyi Immortal Gate is not dead!

No revenge!

Unfulfilled ambitions!

How could he just die!

At this moment, thousands of divine swords have arrived!

In the next instant, Chen Feng will be cut into blood mist!

Just like the person he saw when he first entered here!

But at this moment!

The reincarnation jade card suddenly moved.

The place where Chen Feng was, burst out incomparably dazzling light!

A drop of incomparably dazzling, splendid blood, unexpectedly appeared automatically, and quickly submerged into Chen Feng's body.

"This... is that drop of blood of the Great Demon Yan Yang!"

Chen Feng opened his eyes wide.

It was about the size of a fist, with golden colors in the black, and even more **** colors.

This is a treasure of the same level as the Golden Sutra of the Great Bodhisattva Avalokitesvara and the relic of the ancient Buddha!

It was originally obtained in the Xuanming Seven Seas Realm, the blood of that Yanyang Great Demon!

The Yanyang Great Demon is extremely terrifying, and its strength is far beyond the Star Soul Martial God Realm!

I saw that drop of black and golden natural blood, faintly beating, showing the meaning of closeness and urgency, quickly integrated into Chen Feng's body.

The limbs and hundreds of skeletons, all meridians, felt the majestic power in an instant, like a tsunami.

In an instant, Chen Feng felt the terrifying power!

All the injuries inside and out, up and down, were repaired in an instant!

Not only that!

"what!"

Chen Feng felt like he was about to explode!

This drop of blood from Yanyang Great Demon is too terrifying!

It is as strong as the sacrament of the great witch, and it can't stand it.

Urgent need, rushing out!

Chen Feng stood above the void, his physical injuries were restored!

The power has reached its limit!

The eyes burst into golden light, and the hair stood upside-down.

He screamed.

"Give... me... broken!"

This roar was comparable to the humming sound of thousands of divine swords.

Go straight to the sky!

The nearest floating mountain was instantly shattered by sound waves!

The troubled times are blasting all over the sky, but the huge boulders spattered out of fragmentation are too late to fall!

They formed a frantic storm!

Actually swept towards Xiao Zhou Tianzhu's Divine Sword Formation.

At this time, Chen Feng threw a punch.

A punch is like breaking the world!

Another example, destroy the world!

Everything fades.

Countless Excalibur is shattered!

The situation reversed instantly!

Inside the galaxy hall.

Zhongli Yaoqin and Yue Xinlan hurriedly arrived.

At this moment, Zhongli Yaoqin, with red clothes as fierce as fire, graceful and slender figure, but his face is extremely ugly.

A moment ago.

On the floating mountain where Tianshu Sword Sect is located.

Zhong Li Yaoqin was standing in front of the valley waterfall, extracting the power of the inner core of the stars.

Suddenly, Yue Xinlan arrived in a hurry and quickly informed the situation in the assessment world.

After listening to Yue Xinlan's words, Zhong Li Yaoqin was stunned.

He turned around fiercely, and his face showed ecstasy.

Even more, I can't believe it!

This Chen Feng was beyond her expectation!

However, her joy did not last long, and her face suddenly changed!

She looked at Yue Xinlan.

"You are gone, are there other people from the Tianshu Sword Sect in the Galaxy Hall?"

Yue Xinlan reacted, her face also changed.

"not good!"

Zhong Li Yaoqin stepped out, leaving an afterimage on the spot.

"Go back!"

However, it was still a step too late.

They did not see Chen Feng in the water curtain.

Zhongli Yaoqin glanced over the entire galaxy hall.

Not presumptuous!

"Where is Chen Feng?"

Elder Zhao, the supervisor of the Kaiyang Jianzong, stood on the high platform, looking down at Zhongli Yaoqin.

Skin Xiaorou said without a smile: "Then Chen Feng, who deserves to be the person whom Tianshu Jianzong fancy, dares to challenge Xiao Zhou Tianzhu's Divine Sword Formation."

Elder Sun also stroked his beard and smiled faintly: "Chen Feng is brave, and the future is limitless!"

In the hall, everyone was holding back a laugh.

The words of these two are really poisonous.

Also sprinkle salt on Zhongli Yaoqin's wound.

All have entered the Xiaozhou Tianzhu Excalibur Formation, where is the future?

I'm going to die soon!

"what!"

Yue Xinlan and Zhong Li Yaoqin were shocked.

In an instant, his face became extremely ugly!

"Chen Feng, went to Xiao Zhou Tianzhu Divine Sword Formation?"

"For no reason, challenge Xiao Zhou Tianzhu's Divine Sword Formation!"

Zhongli Yaoqin walked towards the water curtain.

All the star elders around couldn't help but make way for her.

She came to the water curtain in three steps and reached out.

The supreme power poured into the water curtain.

The entire galaxy hall was instantly illuminated by the burst of light!

This is the strength of the Sect Master of the Galaxy Sword Sect!

In the lighted water curtain, the picture instantly turned around.

Zhong Li Yaoqin has seen it directly from the beginning!

The screen speed jumped quickly, Zhong Li Yaoqin watched effortlessly.

Soon, she learned everything.

Including the soul cracking sky thunder on the ancient starry sky road.

Including the sudden announcement of the end of the assessment.

It also includes Qiu Ruhai's sudden attack.

"Unreasonable!"

Zhong Li Yaoqin was furious, her eyes were extremely cold.

At this time, she regretted her heart greatly.

When Chen Feng insisted on entering the Galaxy Sword Sect, she should have thought of it.

How can a person who can find her father's suicide note be a mediocre person!

Not the fairy root, so what!

Faerie root, is it amazing?

More, it is guilt.

Chen Feng represented their Tianshu Jianzong and participated in this assessment.

Not only did he fail to help him, but he didn't know at all when he encountered various unfair treatments.

With such a talent, he could definitely enter the Galaxy Sword Sect.

Maybe, it can really revive the Tianshu Sword Sect.

And now, it's too late!

Chen Feng entered the Xiao Zhou Tianzhu Excalibur Formation.

Zhong Li Yaoqin only felt that the hope that had just risen from Tianshu Sword Sect was instantly shattered.

Even Chen Feng's performance shocked everyone.

However, she did not think that Chen Feng could survive the Tianzhu Excalibur Formation.

Thinking of this, Zhong Li Yaoqin's eyes were cold.

Qiu Ruhai's eyes fell in the light curtain.

"This person, **** it!"

Facing the light curtain, he turned his hand to kill Qiu Ruhai.

"Zhongli Sect Master! No!"

Everyone stepped forward to block it.

Among them, a star elder wearing a star robe came over.

[Chapter 4915: Huang Zhongjiu rings! The big array is broken!](#)

"Sect Master Zhongli, the Sword Sect has the rules of the Sword Sect."

"Even if you are the master of a sect, you have to follow the rules."

"Even if Qiu Ruhai is wrong, he will naturally hand it over to the Criminal Law Hall to discuss the charges."

"Kill that should be killed, and that should be punished."

The one in front of me is always closed.

He looks polite, but he speaks strangely at the moment.

"Tianshu Sword Sect, don't you even care about the rules of the Galaxy Sword Sect?"

Zhongli Yaoqin looked at Feng endlessly.

"Feng endless, if you put this crooked mind ability to practice, you won't be about to step into the coffin board, you will still be just a star elder."

She hadn't asked him to settle the account, but this endless seal jumped out first.

Who didn't know, the chief elder of the Criminal Law Hall was the master who kept on banning.

They were in the same spirit with the Tianquan Sword Sect, and they had never dealt with the Tianshu Sword Sect.

If you really give Qiu Ruhai to the Criminal Law Hall according to what he said, you can imagine the result.

For a long time, the people who have been sheltered by the Penal Palace have not been one or two.

Zhong Li Yaoqin stared at Feng endlessly.

If it weren't for the strict rules, she could raise her hand and wipe out the clown.

However, on the high platform, the supervisor elders of the other four Sword Sects were watching her.

They are all waiting for her to take action.

As long as she kills the bans endlessly, she will be left behind.

Receive extreme punishment!

It is even possible to be imprisoned for a thousand years!

Thousands of years!

Tianshu Sword Sect has been weakened to this point, if she is also imprisoned.

Yue Xinlan slowly straightened her body.

She knew better than anyone at this moment.

The four great sword sects are now uniting to deal with their Tianshu sword sect collectively!

Tianshu Sword Sect must not live without Zhongli Yaoqin!

But if this tone was swallowed like this, what face would Tianshu Jianzong have in the future!

"Since Sister Zhong Li can't do it... Then, let me come!"

In an instant, Yue Xinlan had a decision!

"Sect Master, you are already seriously injured."

"I come!"

Before she finished her words, she turned over and appeared a flying sword.

Cast like ice and snow.

"The more elder, you still want to kill Qiu Ruhai through the light curtain?"

Feng endlessly speaks more and more unscrupulously.

"You don't have this strength, you have to do it. For the entire Tianshu Sword Sect, probably only your Sect Master will come."

He kept provoke Zhongli Yaoqin and Yue Xinlan to anger.

In the entire galaxy hall, no one helped Tianshu Jianzong get ahead!

Even, everyone is expecting Zhong Li Yaoqin to jump into the trap and kill people.

As long as she does it, Tianshu Jianzong is over!

Yue Xinlan has never been so aggrieved.

Damn Sword School rules!

Restless!

Everyone deceived Tianshu Jianzong's decline!

First, he acted unscrupulously, driving Chen Feng to a dead end.

Now, it is even more blatant.

Just tell them bluntly: "I just dug a trap to see if you jump or not."

Zhong Li Yaoqin's chest undulated violently.

"You really deceived my Tianshu Sword Sect's weakness."

She laughed furiously.

"Anything, dare to challenge me in front of me."

With that said, the red dress was fierce, and her breath soared wildly!

Green silk is like ink, no wind automatically.

Yue Xinlan was stunned for an instant and shouted sharply:

"Sect Master, never!"

No matter how stubborn you are, you can't follow the way of these villains!

However, Zhong Li Yaoqin didn't care anymore.

The Galaxy Sword Sect, she was completely disappointed.

For many years, she has been forced to forbear, and after being seriously injured, she has no choice but to deal with the other four cases.

However, now, she has calmed down instead.

"Even if punished, I will kill him! I will kill you."

Her murderous spirit skyrocketed.

The pupils shrank instantly, filled with fear!

He never expected that Zhongli Yaoqin would really be desperate!

At this moment, he felt that he was locked in by the breath of Zhongli Yaoqin!

No one will help Tianshu Jianzong, but they will not help him either!

He was just a **** against Tianshu Sword Sect.

Throw it as it should.

"metropolitan!"

Yue Xinlan shouted with tears in her eyes.

Suddenly, inside the light curtain, the formation was shocked!

The voice of Huang Zhong Dalu rang.

Boom!

Boom!

Boom!

Ring nine times!

Zhongli Yaoqin's figure had a meal.

The anger and determination on her face were replaced by shock!

The voice of Huang Zhong Dalu sounded nine times.

The entire Galaxy Sword Sect was shocked everywhere!

Who doesn't know, the nine bells ringing means that the big formation is broken.

Someone successfully challenged Xiao Zhou Tianzhu Excalibur!

"how is this possible!"

Zhong Li Yaoqin didn't even watch Feng endlessly, and walked quickly to the light curtain.

Her beautiful eyes flowed, looking at the examination floating mountain displayed by the light curtain.

"Chen Feng, he really broke Xiao Zhou Tianzhu's Excalibur Formation!"

In the light curtain, the thousands of divine swords above the sky were pierced by a punch, breaking a big hole!

Then, a figure of a man covered in blood jumped out.

Besides Chen Feng, who else can it be!

Zhong Li Yaoqin's heart was rippling.

Looking at the light curtain, the man who released the terrifying power of black, red and gold all over his body.

She couldn't help but remember the scene when she first met Chen Feng.

At that time, it was also the first time Chen Feng saw her.

Zhong Li Yaoqin has lived for so long, who hasn't seen him?

Even Xu Jun didn't dare to look directly at her.

But Chen Feng dare!

Obviously he is a hairy boy, but he is not nervous.

In his eyes, there is content like hers.

That is the experience and character that can only be possessed after going through ups and downs.

"Yes."

She whispered.

"With a strange body, you can still go into and out of a certain ruin to find the ancestor's token."

"Not only that, the key... he can deliver the token intact."

"How can such a person be an ordinary person?"

Zhong Li Yaoqin couldn't help laughing.

When I remembered earlier, Chen Feng mentioned that he wanted to join the Galaxy Sword Sect, but he still felt that he didn't know good or bad.

She couldn't help sighing.

I really am, living in vain for so many years.

On the side of Zhong Liyao Qin's body, Yue Xinlan's footsteps were a little vacant.

Almost unsteady.

The next moment, he blinked his eyes, his eyes blurred.

She quickly lowered her head and gently wiped away tears.

Then, a smile appeared at the corner of his mouth.

"Great, great! Chen Feng is fine!"

"just....."

Her gaze also fell on the light curtain.

"He... Am I dreaming?"

She opened her eyes wide and blinked at the scene in the light curtain.

Even speaking is unfavorable.

It is one thing to admit that Chen Feng is against the sky, but it is another thing to believe that he can break the Tianzhu Divine Sword Formation.

Just like Zhongli's sister blurted out.

how can that be!

Isn't this Chen Feng the only cultivation base of Emperor Wu Xing?

Even with the blood of ancient gods and demons, with this level of cultivation...

how can that be!

She suddenly looked at her suzerain.

"What is the origin of this person?"

Yue Xinlan was shocked to the extreme, even more curious to the extreme!

[Chapter 4916: Shocked! Extreme shock!](#)

It doesn't matter if there are other people in the galaxy hall.

Asked directly.

I have never heard that there are such peerless geniuses in the world!

Moreover, this kind of genius is still a member of their Tianshu Sword Sect!

When she thought of this, Yue Xinlan trembled slightly.

The coldness of the past is gone.

She is so excited!

Tianshu Jianzong, the rise is expected!

No, more than hope.

No one can stop the rise of Tianshu Sword Sect!

Inside the galaxy hall.

Except for Zhongli Yaoqin and Yue Xinlan who arrived in a hurry, everyone else was stupid.

Frightened!

Chen Feng, actually broke the small Zhou Tianzhu Excalibur Formation?

Is that human being?

This is too strong!

At the next moment, they suddenly realized one thing: Chen Feng, there is definitely a bloodline of gods and demons!

Moreover, the level is not low!

Breaking through Xiao Zhou Tianzhu's Divine Sword Formation means that he has a powerful bloodline of gods and demons!

Having the blood of the gods and devil in his body means that he can become a powerful **** and devil body refiner in the future!

A **** and demon body refiner that is dozens of times stronger than the immortal cultivator of the same level!

The Galaxy Sword Sect has been rare to see for thousands of years, the **** and demon body refiner!

Everyone was shocked to silence!

Then, many people looked embarrassed.

Even, many people regret it a bit.

Among the four sword sects, there are not many who really have grievances with the Tianshu Sword Sect.

There is only Heavenly Power Sword Sect.

However, the former Tianshu Sword Sect was too powerful.

After Zhongli Changfeng disappeared, everyone stepped on the Tianshu Sword Sect subconsciously.

After all, this is a world where the strong are respected.

Without the strong, there is nothing!

But now, many people regret it.

Regrets that when I started to seal it, I didn't stop it.

I regretted that when Tianshu Sword Sect was in decline, he chose to fall into the trap.

Tianshu Sword Sect, time has come.

This is something no one would have thought of.

There is a child like Chen Feng that almost everyone can see.

In the near future, Tianshu Sword Sect will surely rise again.

Hey again!

Even regain control of the entire Galaxy Sword Sect!

"This is impossible!"

Feng kept hissing and roaring.

This sudden change made it hard for him to accept!

Behind him, the four supervisory elders on the high platform were equally unacceptable.

Obviously a second before, they were watching coldly.

The non-stop attitude is precisely their collective attitude.

Long before Zhongli Yaoqin arrived, they had already breathed.

After that, they watched Zhong Li Yaoqin frustrated and mad.

Who would have thought that Feng Shui would take turns.

In the next second, it was their turn to be aggrieved.

Chen Feng's achievements against the sky are no different from a slap in the face of Tianshu Jianzong.

Slapped on each of them severely.

Everyone's face is hot.

I feel aggrieved, jealous, and even crazy.

There is also Qiu Ruhai and others in the assessment world.

They are right there and feel the most directly.

When Xiao Zhou Tianzhu's Divine Sword Array was in operation, they just stood outside the large array, and they were forced to retreat again and again by the turbulent sword aura.

This is true outside.

Now, who would dare to say that Chen Feng passed the assessment by some invisible means?

nobody!

Chen Feng is strong!

Being able to survive Xiao Zhou Tianzhu's Divine Sword Formation is proof of strength!

There is the blood of gods and demons!

There are endless possibilities!

No one can touch him! Don't dare to move him!

Looking at Chen Feng, who was slowly landing in front of him.

Qiu Ruhai's face was pale, and his whole body was shaking.

In an instant, he thought of countless... and suddenly, thought of the most terrifying possibility!

"Chen Feng has such a talent, and before, I had to frame him twice!"

"that....."

Si Konghao roared wildly, his face flushed with excitement.

The picture in front of me is too shocking!

Thousands of divine swords shattered, that figure came out of the sky!

Very powerful!

Like a god!

Jiang Yunxi's face flushed, and his body was trembling. He felt his blood boil, and could hardly help but hug.

Chu Qianzhong and others were all pale.

Looking at each other, they all laughed miserably.

I just feel that my behavior before waiting for someone is simply ridiculous.

"Chen Feng, such a peerless talent! With the blood of such a powerful **** and devil!"

"We still try to suppress him? Still want to suppress him? Still want to compare with him?"

"Does it match?"

Chu Qianzhong, Ji Xingyuan, Qi Zhuoyang!

Are you worthy?

The voice of Huang Zhongda Lu was powerful and spread throughout the Galaxy Sword Sect.

On the highest floating mountain, everyone stopped their movements.

Everyone unanimously agreed, looking in the direction of the small Zhou Tianzhu Divine Sword Formation.

"what happened?"

On the highest floating mountain, there is a deep hall.

The master of the Galaxy Sword Sect, sitting in the highest hall.

This is a thin middle-aged man, dressed in a simple cyan robe without any ornamentation.

His eyes were half-open and half-closed, and his expression was neither sad nor happy.

Suddenly, Huang Zhong and Dalü's voice made a great deal.

He opened his eyes suddenly, and gave a soft hey, like some policemen.

Then, his eyes looked far away indifferently.

But it seems to be able to penetrate the void.

Waved, a glittering light curtain appeared in front of him.

This light curtain is countless times larger than those on the Galaxy Hall!

Clearer countless times.

He waved his hand again.

Back in time!

What Zhong Li Yaoqin can do, he can do the same.

Moreover, it is more relaxed than Zhongli Yaoqin.

Quickly looking back at everything that happened in the assessment world, he was surprised, but he flashed a strange expression.

A smile is not a smile.

"It was him..."

With a soft groan that seemed to exist, it drifted in the hall with the wind.

The doorkeeper seemed to see something.

He looked at the blood-covered Chen Feng in the light curtain.

The look in his eyes was obviously interested.

"This little guy, it's interesting."

He raised his eyes and looked outside the hall.

"Come here."

Just a whisper, but it can reach far.

Soon, an old man came in with white beard and hair, and his body was actually extremely tyrannical.

The robe on his body was embroidered with countless stars, but it was not the same as the robe of the elders.

The stars turned into a river of heaven, pouring down!

This turned out to be an elder Tianhe!

Put it outside, even if the elders of the stars saw him, they would kowtow and kneel.

The identity of this person is not even inferior to that of an ordinary suzerain!

But in front of the thin middle-aged, he was extremely respectful.

Bend down and walked closer and obeyed the orders.

On the floating mountain dedicated to the assessment.

Chen Feng's three-color light lingered all over his body.

It took a long time to disperse.

He finally let out a suffocating breath and opened his eyes.

In his eyes, there was an immense shock, excitement, and surprise!

"Unexpectedly! Unexpectedly, the real Yanyang Demon's body turned out to be that tyrannical existence!"

"And I, at this time, I also have that terrifying blood of the gods and demons!"

However, this is not the time to think about this!

"Anyway, let's end it first, this grievance!"

[Chapter 4917: The doormaster's envoy is here!](#)

Staring at Qiu Ruhai.

Qiu Ruhai forced a smile on his face.

"Chen Feng, congratulations."

"Tianshu Sword Sect... has won a genius."

With that, he was ready to leave.

He wants to contact him immediately, what should he do next?

However, at this moment, Chen Feng's low voice came from behind.

"Did I let you go?"

Xiao Zhou Tianzhu's Excalibur Array was broken.

Zhong Li Yaoqin's figure flashed, walked through the light curtain and came to the world of assessment.

She couldn't wait to see Chen Feng again.

To be honest, even Zhong Li Yaoqin himself was full of unreal feelings.

"That boy, just like that, with a posture against the sky, has broken through the unbroken battle for thousands of years?"

However, before entering the light curtain.

She suddenly felt cold and turned her hand gently.

In an instant, the galaxy hall shone brightly!

Everyone in the hall was shocked and angry.

She unexpectedly brought all the elders in the entire galaxy hall into the light curtain.

Everyone followed Zhongli Yaoqin to the world of assessment.

Zhong Li Yaoqin stood in front in a red dress.

Slender and graceful posture, in a trance, there is the pressure of Mount Tai.

Looking back, he said coldly: "Why, dare to do it or not?"

Especially, his eyes swept over the seal endlessly: "Today's business is not over yet! Don't think I will let you go."

Feng endless did not expect that the situation would change to this extent.

His face turned pale for a while, his eyes rolled around, thinking about how to deal with it.

Today's matter will certainly not be so easy.

Zhong Li Yaoqin finished speaking and stopped looking at him.

She looked in the direction where Chen Feng was.

The first thing I saw was the scene of Chen Feng confronting Qiu Ruhai.

"Did I let you go?"

At this moment, Chen Feng has a supreme fighting spirit.

Bloody murderous intent skyrocketed!

He stood there like a killer!

Qiu Ruhai's heart jumped when he heard it.

It just broke the time of a sword formation.

He felt that Chen Feng's strength did not seem to increase much.

However, there seems to be something unclear in his body.

A low roar, like the roar of an ancient behemoth!

Falling in his heart made him terrified!

But, so what.

He settled down, no longer panicked.

He is the deacon of the Galaxy Sword Sect!

Even if the mere examiner has a posture against the sky, can he still act on him?

Do you want to die?

Thinking of this, Qiu Ruhai was sure again.

When I looked at Chen Feng again, his face was cold.

"Even if you succeed in breaking the formation, you are still just a disciple at best."

"Be a man, don't be too crazy."

Chen Feng didn't even look at him.

Just looking at Zhongli Yaoqin, he was indifferent and not close.

In those things before, Tianshu Jianzong did nothing.

Chen Feng was extremely dissatisfied in his heart, and even more chilling.

Contacting Chen Feng's gaze, Zhong Li Yaoqin and Yue Xinlan both trembled in their hearts, feeling unspeakable guilt.

Did not dare to look at him.

"Zhongli Sect Master."

Chen Feng slowly said: I want to know, above the ancient road in the starry sky, who controlled the magic circle and launched a sneak attack on me? "

Zhong Li Yaoqin did not speak.

She only looked at the seal in the distance with cold eyes.

Yue Xinlan looked ashamed.

"Chen Feng, I failed to protect you."

"Unexpectedly, they would actually attack you when I went to find the Sect Master."

Chen Feng glanced at her, his expression unchanged.

Some mistakes can't be erased in a sentence or two.

Wrong, wrong!

If you don't take it to heart, you just don't take it to heart.

Since you are asked to do this, if you fail to do it well, it is your fault!

Chen Feng's account is not only related to the other great sword sects, but also within the Tianshu sword sect!

Qiu Ruhai saw Feng endlessly from a distance, and the two winked at each other.

Chen Feng stared at Feng endlessly, and smiled slightly: "Elder Feng, a good method!"

Feng endlessly didn't even look at Chen Feng.

Although Chen Feng was calculated before, but now, in front of Chen Feng, he is still indifferent and arrogant.

It seems that Chen Feng is not qualified to talk to him at all.

At this moment, suddenly, an extremely powerful aura came quickly from a distance.

Like Tianhe hanging upside down, crashing down!

Everyone raised their heads and exclaimed,

"The doormaster's envoy!"

A figure quickly approached, and instantly arrived in front of the eyes.

"Even the special envoy of the master is here!"

"It's Elder Tianhe!"

As we all know, within the Galaxy Sword Sect, even the elders have levels.

Elder Stars, Elder Moon, Elder Tianhe, Elder Supreme.

Among them, the star elders have the lowest level.

Taishang elder, the highest level.

Elder Tianhe is second only to Elder Taishang.

The cultivation base is far beyond the elders of the stars.

Seeing Elder Tianhe actually appear here, everyone reacted differently.

"Unexpectedly, even the sect master was shocked."

Galaxy Sword Sect, the master of the sect is superb.

For the battle of the five sword sects, he didn't care.

He was born in one of the five great sword sects, but from the moment he became the sect master, he has nothing to do with the sword sect from which he was born!

In this line of inheritance, the master of the Galaxy Sword Sect, the one who cultivates is too unhappy!

Too much forgotten love, all kinds of death.

What's more, that little worldly concern?

The battle of the five sword sects, as long as it does not hurt the roots of the Galaxy Sword Sect, in his eyes, they are all casual.

As for the five sword sects who are strong and who are weak, he doesn't care too much.

Therefore, as long as the door owner intervenes.

Then in this matter, the four great sword sects are unable to intervene anymore!

The supervising elder of the Four Great Sword Sects saw this scene, his face suddenly changed.

At this time, the master suddenly sent a special envoy.

Everyone knows who it is for.

And the main reason that made them look ugly was that the master envoy had a privilege.

Before, the elders held the gate rules of the Galaxy Sword Sect in the galaxy hall and pressed Zhongli Yaoqin.

Zhong Li Yaoqin didn't even dare to directly kill Feng endless!

Even killing Qiu Ruhai is very difficult.

Even the suzerain cannot kill the official disciples and elders of the Sword Sect at will.

However, in accordance with the door rules.

The master envoy, has the power to live and kill!

Therefore, at this time, the master sent a special envoy.

Except for Zhongli Yaoqin and Yue Xinlan of the Tianshu Sword Sect, the other elders, Qiu Ruhai, were all unsightly.

Chen Feng also quietly looked at the visitors.

The person here is so beautiful that he is extraordinary.

He wore a long robe, dotted with the Tianhe made of stars.

The breath on the body is terrifying to the extreme!

Even more than Zhongli Yaoqin and others!

He came to Chen Feng.

Slightly squinted his eyes and looked at Chen Feng carefully.

Chen Feng felt that he was just being looked at, and the blood in his body was suppressed to a certain extent.

Before, Chen Feng's blood had just been absorbed and it was still boiling.

At this time, the suppressed calm a lot.

What a terrifying cultivation!

This is the Elder Tianhe of the Galaxy Sword Sect!

"It's you, who just challenged Xiao Zhou Tianzhu's Divine Sword Formation?"

[Chapter 4918: He wants to kill me!](#)

The man spoke, his voice calm.

Chen Feng held his mind and answered in a deep voice, neither humble nor overbearing: "It's me, disciple, Chen Feng!"

"Old man, I am the special envoy of the master of the Galaxy Sword Sect. Autumn is endless."

Seeing Chen Feng's neither humble nor overbearing attitude, Qiu Wuji was quite satisfied.

He glanced across the crowd and smiled slightly:

"My Galaxy Sword Sect has another peerless treasure, gratifying!"

"Chen Feng, this son, can pass Xiao Zhou Tianzhu's Divine Sword Formation, the future is unlimited!"

"Although there is no fairy root, it is harmless."

"Chartered to join the Galaxy Sword Sect!"

The whole house was shocked when he said this.

In a word, the special envoy of the sect master determined Chen Feng as a disciple of the Galaxy Sword Sect!

Even if he has no fairy roots, so what!

In the face of strength, everything is not a problem.

In particular, the special envoy of the gatekeeper conveys the will of the gatekeeper.

For a long time, the sect master has always been indifferent to recruiting new assessments.

However, it does not mean that he is not qualified.

Now, the doormaster's envoy spoke.

Whether he is the Heavenly Power Sword Sect or Kaiyang Sword Sect, he is not qualified to say no!

When Zhong Li Yaoqin heard this, his face was happy.

Originally, she was still having a headache.

Tianshu Jianzong declined.

Although, she had promised Chen Feng before.

If he can pass the first two items of the assessment, he will fight his face and win him a place in the Galaxy Sword Sect.

But her current status and circumstances are destined to take a lot of effort.

The special envoy of the sect master solved this problem for her in a word.

Chen Feng, became the candidate for this assessment, the first to officially become a disciple of the Galaxy Sword Sect!

There was a rare look of joy on her face.

However, when she looked at Chen Feng, she found that Chen Feng's expression was not right.

After Qiu Wuji said this, he looked at Chen Feng.

In his opinion, even Chen Feng is not grateful.

At least it will be overjoyed.

But everyone guessed wrong.

really.

The next moment, Chen Feng stepped out.

"Sorry, Galaxy Sword Sect, I will not join anymore."

This remark shocked everyone again.

"He's crazy?"

Among the disciples participating in the assessment, some people exclaimed.

They were too envious of this great opportunity, and Chen Feng turned it down!

"This is Elder Tianhe, Chen Feng dare to talk to him like this."

"Chen Feng is so bold!"

There was an uproar around, everyone was talking.

Qi Zhuoyang and others looked at Chen Feng, their noses were burning.

Jealous to twist.

How come this kid is so in the blessing and not knowing the blessing?

In the distance, Feng endless was first taken aback, then shocked, and then ecstatic!

"Unexpectedly, things will turn around here!"

"This kid is looking for death!"

Chen Feng's collision with the special envoy of the doormaster like this, with Elder Qiu's temperament, would definitely be violent.

When everyone was shocked by Chen Feng's words, he quietly winked at Qiu Ruhai.

Qiu Ruhai knew instantly.

"Chen Feng, you are so bold! You dare to disobey Elder Tianhe!"

"The special envoy of the sect master recruited you to join the Galaxy Sword Sect personally. You dare to be so shameless!"

"I'm really the Galaxy Sword Sect, so I can't bully!"

"Kill!"

As he said, he stretched out his hand and patted Chen Feng.

Actually used all my strength!

This is to punish Chen Feng in front of everyone!

Chen Feng stood still, motionless.

He didn't even look at Qiu Ruhai.

Ignore it completely!

Qiu Ruhai suddenly felt cold in his heart.

It's like being poured down by a basin of ice water in the cold winter!

The attack with all his strength was instantly stunned by a look!

Elder Qiu gave him a cold look, extremely cold.

At a glance, he was like falling into an ice cellar.

It seems to experience life and death in an instant.

This is the strength of Elder Tianhe!

"You idiot!"

Where did Qiu Ruhai dare to make a move.

Shivering immediately, he almost knelt down.

How could this be?

How could Elder Qiu not be angry?

Look again, not only was Elder Qiu not angry, he even looked at Chen Feng in his eyes, which was quite polite.

"Since you are here to participate in the assessment, why are you suddenly reluctant to join?"

Having said that, Qiu Wuji gave Qiu Ruhai a special glance.

"If there is any internal cause, you can tell it."

"I'll be fair for you."

As soon as this remark came out, it caused an uproar like a rock falling in the water.

There is only one reason for the words of the master envoy!

That is, this person, regards Chen Feng extremely seriously!

As for why they value Chen Feng so much, they have no way of knowing him.

In fact, Qiu Wuji himself was surprised at this question.

Because this is not his intention.

It's the meaning of the master!

It was the master who told him personally that he must keep this person.

Qiu Wuji just looked at Chen Feng carefully.

He did not understand.

Even if he could pass through the small Zhou Tianzhu Divine Sword Formation, he had the blood of gods and demons, but...just now in the Supreme Palace, the attitude of the sect master was too special.

But these are not what Qiu Ruhai and others can know.

Chen Feng smiled slightly.

All this was in his expectation.

"The Galaxy Sword Sect is finally a discerning person."

His voice faintly sounded: "Indeed, I originally wanted to join the Galaxy Sword Sect."

"From the beginning, I will do whatever the rules are."

"But, to the second level of the second assessment, on the Starry Sky Road."

"I don't know who it is, controlling the magic circle, and hurting me as a killer."

"If I were not physically strong enough, I would almost be killed."

Chen Feng's voice slowly rose.

"When I was about to break the record of the ancient star road, I ended the assessment ahead of schedule!"

"After that, this Qiu Ruhai, not only did not announce the results, but also drove me away, and even killed me several times."

"If it weren't for that, I wouldn't take the risk and challenge Xiao Zhou Tianzhu's Divine Sword Formation."

Having said that, Chen Feng stopped talking, just looked at Qiu Wuji and said lightly:

"You said, Chen Feng, what do you do to join this sect?"

"Do you feel uncomfortable for yourself?"

Both Qiu Ruhai and Feng Fuxi had a cold sweat.

Unexpectedly, Chen Feng was so courageous!

He stabbed all these things directly!

Everyone looked over.

Qiu Wuji actually knew what was going on at a glance.

He didn't care much about what Chen Feng said.

But now I have to be patient.

"What do you want?"

Chen Feng also noticed the true attitude of Elder Qiu.

He said nothing else.

He just pointed to Qiu Ruhai and said: "He wants to kill me."

Qiu Wuji took a deep breath.

Although he was quite dissatisfied with what Qiu Ruhai did.

But, after all, he is the deacon of the Galaxy Sword Sect.

If this matter is spread out, it will have a slight impact on the entire sword school.

He looked at Qiu Ruhai and said lightly: "Do you know what's wrong?"

Seeing this scene, everyone gasped.

Obviously, Elder Qiu is compromising with Chen Feng!

Why?

What is Chen Feng's background?

Qiu Ruhai was dumbfounded.

Elder Qiu unexpectedly wanted to help Chen Feng get ahead.

However, he can only answer.

"Subordinates know their mistakes."

Qiu Ruhai trembled.

[Chapter 4919: You can judge yourself!](#)

Qiu Wuji said indifferently: "Then, don't apologize yet."

Qiu Ruhai's heart sank suddenly.

Want him to apologize to Chen Feng?

What a shame!

"Elder Autumn!"

Among the crowd, Feng endlessly stood up: "After all, Qiu Ruhai is the deacon. Let him apologize to a disciple. Isn't that right?"

Qiu Wuji didn't even look at Feng endlessly.

Ignore it completely.

He just looked at Qiu Ruhai: "Didn't you hear it? Apologies!"

Feng endless face is extremely ugly.

However, there is no alternative.

Qiu Ruhai reluctantly came to Chen Feng and said lightly: "Sorry."

Very perfunctory.

Chen Feng didn't seem to see him, just continued to look at Qiu Wuji.

"He wants to kill me."

He repeated it again.

Everyone suddenly felt frightened.

This Chen Feng, dare to be dissatisfied?

Qiu Wuji's face was deep, but at the thought of the master's instructions, he forced his anger down.

He reminded in a deep voice: "It's okay."

Everyone understands what this means!

This is telling Chen Feng: "It's okay, don't get into an inch!"

Unexpectedly, after hearing this, Chen Feng turned and left.

Qiu Wuji's eyes burst into anger.

"What do you really want!"

Chen Feng turned to meet his gaze, not to mention too much.

"He wants to kill me."

He repeated it a third time.

Qiu Wujie was shocked.

He finally clarified what Chen Feng meant.

With a low growl: "Do you want to kill him?"

Chen Feng replied in a cold voice, "What's wrong with killing people for life?"

Qiu Wuji looked at him deeply.

The whole assessment world was silent.

Everyone is stupid!

Chen Feng, is this going to kill Qiu Ruhai?

Give him life?

How is this possible!

Everyone just found it extremely absurd!

All the deacons who can be in the Sword School are the elites and outstanding ones among the disciples of the year!

A few hundred disciples may not be able to have a deacon!

And Chen Feng, actually going to kill the deacon Qiu Ruhai?

Many people want to laugh loudly and laugh at Chen Feng's overweight and arrogance.

But by the way, Qiu Wuji's silent and serious expression is telling them all: This is not funny!

Qiu Wuji's expression shocked their hearts!

"Elder Qiu, actually seriously considering what Chen Feng meant!"

There was a long silence.

Everyone is silent.

"Is it necessary?"

For a long time, Qiu Wuji broke this silence.

Everyone shook together!

Qiu Wuji, Elder Qiu, he is the special envoy of the master!

Why is this!

Everyone felt that their thoughts were about to explode, and their hearts would explode uncomfortably!
why!

Is he about to compromise Chen Feng repeatedly?

Regardless of other people's reactions, Chen Feng made loud noises.

"It must be so!"

Qiu Wuji closed his eyes, and when he opened them again, he had made a decision.

He looked at Qiu Ruhai, his face already extremely ugly.

However, he still spoke.

The voice was calm, but with unquestionable power.

"Jiu Ruhai, I will give you a decent one."

"You, do it yourself."

Everyone held their breath unconsciously.

His eyes were full of shock.

Especially closed.

To him, everything that has just happened is full of unreality!

how come?

But this is the fact!

Feng endless suddenly became cold all over.

At this time, he deeply felt Chen Feng's special.

No one could tell that Qiu Wujie was extremely dissatisfied at this moment.

However, he still did.

He compromised with Chen Feng!

what does this mean!

It means that someone ordered Qiu Wuji to do this!

In other words, the attitude shown by Qiu Wuji is actually the attitude of the master!

Chen Feng, this kid, knows the master?

Then why take advantage of Tianshu Sword Sect to take the trouble to participate in the assessment?

Since there is a relationship with the sect master, there is no need to work so hard.

With the status of the sect master, only a word.

Ordinary disciple, who dares to have an opinion?

Why is this!

There was a feeling of regret in his heart.

"I provoke Chen Feng, is it wrong?"

In the distance, Qiu Ruhai was stunned when he heard Qiu Wuji's words.

He turned his head subconsciously and looked at Feng endlessly.

"It's useless to see anyone."

The order of Elder Tianhe was also the order of the special envoy of the master.

What's the point of looking at a star elder?

Qiu Wuji looked cold.

He was extremely dissatisfied, but he had nothing to do with Chen Feng and had to face Qiu Ruhai.

Not far away, her face was extremely bad.

All the people of the Galaxy Sword Sect at the scene actually knew his relationship with Qiu Ruhai.

However, the people of the Four Great Sword Sects didn't think they knew.

But Qiu Ruhai looked over now, could he still expect him to pay a big price for him?

Qiu Ruhai is just a deacon.

Not even the elders of the stars.

If you try to protect him, I'm afraid I will get the fire up.

Besides, if you shoot, can you keep it?

He, in front of Elder Tianhe, the special envoy of the sect master, is he a fart?

It's not much higher than Qiu Ruhai's weight!

Thinking of this, Feng endlessly didn't even look at him, his face was neither happy nor sad.

Such a dull reaction caused Qiu Ruhai's heart to sink.

It was cold.

He was abandoned!

There stood the entire Galaxy Sword Sect and five elders.

Everyone looked indifferent.

Proposing to make things difficult for Chen Feng was also a joint decision of the other four Jianzongs except Tianshu Jianzong.

And Qiu Ruhai was just the last moment, a little chess piece on the chessboard.

Qiu Ruhai stood there blankly, not accepting this reality for a long while.

He was given up by everyone!

Because of Chen Feng!

No one from the Sword Sect is willing to stand up for him.

In the eyes of the sect master and the sect master's special envoy, he is not as valuable as a Chen Feng.

In the eyes of the Feng endless that he had fawned for so long, he was even more worthless.

Not to mention other people...

The whole floating mountain fell silent.

The fairy clouds gradually gathered again.

The surrounding floating mountains reverted to the lingering appearance of fairy mist.

However, at this time.

This beauty is like a fairyland, but it's all dead.

"how?"

Seeing that he hadn't moved for a long time, Qiu Wuji had a bit of coldness in his voice.

His expression was even worse, staring at Qiu Ruhai.

The monstrous aura suppressed Qiu Ruhai, and he dared not have a fluke mentality for a moment.

"Are you going to let me do it myself?"

Qiu Ruhai shivered violently.

He can hear it.

Elder Qiu is already extremely impatient!

The master envoy has the power to live and kill.

Qiu Wuji's cultivation base is extremely terrifying.

I don't know much more than him.

A finger can crush him to death!

Qiu Ruhai looked at Chen Feng, shaking slightly all over.

He has regretted it, and he doesn't know how to write the word regret.

"What is the point of what I have done?"

"I thought I could please me in front of endless bans, so I took the initiative to invite you."

"Unexpectedly, it ended up like this."

However, no matter how much regret it is now, it is too late.

[Chapter 4920: Keep it closed, you will break your own arm!](#)

He Qiu Ruhai, he must die today!

Qiu Wuji was right.

Allowing him to self-determination is to give him the last decent.

Chen Feng followed Qiu Ruhai's eyes and looked at Feng endlessly.

Not far away, the seal was endless, standing among the elders and deacons.

He stood with his hands in his hands, his face as usual.

He didn't even look here.

Chen Feng had already noticed that these things today are still the instigators of Feng endless.

He smiled slightly:

"Tudie Goupeng, you dog, sad enough."

Chen Feng's voice was extremely soft, and the auditors a little further away might not even be able to hear it.

However, Qiu Ruhai, who was very close to him, could hear clearly.

His eyes were instantly bloodshot and turned red!

Rabbit dead dog cooking!

In an instant, his murderous spirit soared.

Qiu Ruhai moved!

Everyone became vigilant.

Because Qiu Ruhai looked like he was going to fight a trapped beast.

He laughed without anger!

Qiu Xun's eyes are bright.

He also thought that Qiu Ruhai was going to make the final struggle and was ready to take action.

Qiu Ruhai raised his hand.

The muscles on his face twisted and he shouted sharply:

"Today, I am dead."

"But you need to know, I was forced to do it without stopping!"

"This matter, it's impossible to escape the relationship!"

After all, he slapped his forehead with a palm.

Qiu Ruhai lost the light in his eyes.

The corpse fell straight down.

Qiu Ruhai, die!

Everything happened in the blink of an eye.

too fast!

Everyone has no time to react.

Including endless!

When he heard Qiu Ruhai's last words, he shouted in his heart, no.

But it's still too late!

Qiu Ruhai judged himself, too fast, no one could stop it.

But the last last words echoed above the entire floating mountain.

Keep it on, keep it on, keep it on...

The name is particularly harsh.

Everyone looked at Feng endlessly, and then at Qiu Wuji.

On the floating mountain, it was so quiet that even a needle could be clearly heard.

Silent!

Everyone wanted to see how Qiu Wuji would react after hearing these last words.

How will he deal with endless bans?

Qiu Wuji felt the sight from all directions.

At this moment, standing in front of Chen Feng, he was in a very bad mood.

He forcibly suppressed his anger and looked at Chen Feng.

Do not hide the emotions in my eyes.

anger.

"Are you satisfied?"

"Is this treatment enough?"

Chen Feng looked down, looking at the dead body lying on the ground.

He spoke lightly.

"not enough."

Qiu Wuji didn't react.

Nobody reacted!

Even Zhong Li Yaoqin and Yue Xinlan were stupid when they heard this answer.

This Chen Feng is too courageous!

However, no matter what others thought at the moment, Chen Feng met Qiu Wujie's sight without fear.

He said every word.

"Deacon Qiu also said before he died, he was asked to do it by the endless elder."

When this remark came out, everyone was in an uproar.

Chen Feng, actually still has to continue to hold the elders of the Star River Sword Sect, the endless responsibilities!

That is the star elder of the dignified Galaxy Sword Sect!

Although the position is between the elders, the suzerain and the sect master, it belongs to the bottom.

But it also dumped countless streets for ordinary disciples.

Which disciple was not polite to him all the time?

And now, Chen Feng seems to be going to pursue it!

Is he still trying to kill him?

This is the subconscious reaction of everyone.

Qiu Wuji has also been intolerable.

With a sullen face, he reminded Chen Feng: "Young man, you have to forgive and forgive."

Hearing this, Chen Feng smiled slightly.

Slowly speak, the voice is clearer and stronger, full of firmness:

"Elder Qiu, you just heard that Elder Feng asked him to do it."

He looked towards Feng endless:

"Folding endlessly, did you also release the soul-splitting sky thunder on the ancient starry sky road?"

Chen Feng didn't mean to back down.

It was going to be liquidated to the end!

"It is good!"

Qiu Wuji took a deep breath, and suddenly his voice became quiet.

However, it carries a more terrifying power than before.

"Unstoppable!"

Among the crowd, Feng endlessly trembled.

He looked at Qiu Wuji in disbelief.

"You have broken your arm, so apologize!"

"That's it!"

Qiu Wuji didn't want to delay any longer.

He was extremely irritable.

Just want to end this matter quickly.

His eyes fell on Chen Feng.

Everyone's eyes also fell on Chen Feng.

Whether this matter can be settled or not depends on Chen Feng.

Chen Feng sighed softly.

His eyes flashed.

He knows that what happened today is already the ultimate!

It's hard to hold on to it!

Qiu Wujie is enough to give in.

Further investigation is to slap him in the face.

He slowly nodded, smiling at Feng Changchang: "Elder Feng, do it!"

Feng's face was embarrassing to the extreme.

However, he is also a very deep-minded person.

Soon he calmed down.

He knew very well that Elder Qiu was already protecting him.

This is already a lot of face.

Feng Fuxi did not hesitate at all and made a decisive decision.

The hand knife slashed down.

In an instant, the left arm flew out, and thick blue blood splattered out.

Hand up the knife and drop it, breaking an arm!

In the next moment, the meridians will be sealed endlessly, and no bleeding will occur.

He clutched his broken arm, his face pale, but he dared not make a sound.

Everyone is silent!

Chen Feng actually forced Qiu Ruhai to die!

Forced to be sealed off and broke oneself!

Zhong Li Yaoqin and Yue Xinlan looked at Chen Feng not far away, with brilliant colors.

They suddenly felt that Chen Feng's cultivation was far inferior to them, but he gave people a very tall image.

He is tough, calm, and capable.

Zhong Li Yaoqin and Yue Xinlan looked at each other, and suddenly both felt a little dependent.

Tianshu Sword Sect needs such a person!

The birds and beasts screamed, and they were far and near.

On the floating mountain, no one dared to make a sound for a long time.

Now everyone is really aware of it.

Chen Feng is very uncomfortable!

He has the blood of the ancient gods and demons against the sky, has the power of ninety-nine and eighty-one stars, and can successfully challenge the small Zhou Tianzhu Divine Sword Array with the cultivation base of the nine-star Wudi peak.

Moreover, Chen Feng is by no means an idiot who complains with virtue, he will never let it go.

In addition, he speaks and does things, but he is justified and not humble.

Hard enough!

Reasonable!

Stand up!

Such people are the most difficult to deal with!

If there is no grudge, it is better not to provoke him.

Of course, in the hearts of the elders of the four sword sects present, Chen Feng's biggest trump card—

—

Is the master of the door.

As we all know, the Galaxy Sword Sect has five major sword sects.

However, above the five sword sects, there is only one sect master.

The past sect masters all came from one of the five great sword sects, but once they were selected to become the new generation of sect masters, they would issue the Star Soul Oath.

It has nothing to do with the original Jianzong!

The master of the Galaxy Sword Sect does not belong to any Sword Sect.
