

Peerless 5031

[Chapter 5031: Ziluo Immortal City, the daughter of the lord has arrived!](#)

Therefore, he needs to temporarily borrow the power of Zhong Li Yuntian.

In the space of repetitive reincarnation of heaven and earth, the huge black pupil on the far right suddenly shot out countless black rays of light.

The endless black light seemed to be conscious, bypassing Zhong Liyunlong flexibly, and all pounced on the nearby Zhong Liyun.

What Chen Feng was staring at was this Zhong Liyunqian who only had the sixth floor!

With Zhongli Yuntian's power blessing, he is sure to win a momentary opportunity to control!

Just a moment!

The black light crashed into Zhong Liyun's body.

A dark black light flashed invisibly in his eyes.

Everything happened so fast!

Not even a breath time!

Zhong Liyunqian's body suddenly turned uncontrollably to the Zhongliyunlong standing side by side.

"Die me!"

With a violent drink, Zhong Liyun shot with a hideous face.

Attack the people beside you!

Zhong Li Yunlong's heart shuddered, but he didn't react in his mind, but his body moved first.

boom!

With a loud noise, the flying boat landed!

Both of them landed on the ground.

"You are crazy!"

Zhong Li Yunlong subconsciously scolded angrily.

He never expected that Zhong Liyun would suddenly attack him!

Is he actually a traitor?

This thought flashed through Zhong Liyunlong's mind.

But, the next moment, Zhong Li Yunlong's face changed drastically!

Dozens of powerful auras rose into the sky in the distance, rushing in the direction where they were.

In the calculation?

These accidents happened so quickly that they were all piled up together, and it was impossible for him to think carefully.

Even the strength of the seventh floor of the Star Soul Martial God Realm did not dare to fight the dozens of powerful auras that rushed quickly.

Zhong Liyunlong made a decisive decision and couldn't control Zhong Liyun's dive.

Turn around and run away!

And Zhong Liyun Qian behind him, like a puppet, stood in place blankly.

Suddenly, he suddenly woke up.

"What's wrong with me? Why did my spiritual sense just flashed..."

Zhong Liyun looked at the mess around him, and was shocked.

He has no idea what happened just now!

The surrounding smoke cleared, there were only two flying boats, and...

he himself!

Where is Zhongli Yuntian still visible!

Zhong Li Yunlong, who was on the trip, didn't know where to go!

At this moment, dozens of breaths surrounded him from far to near.

That is the city guard in Duanmu Xiancheng: Duanmu Xianwei!

Huge power, countless masters!

These dozens of auras were released from the Duanmu Xianwei who was wearing iron armor in front of him.

Everyone's face is full of murder!

"On the eve of the event, wantonly disrupt Duanmu Xiancheng, don't worry about killing!"

Zhong Liyun's face turned pale with a low voice from the armored army.

As for Chen Feng, who was hiding in the crowd, he immediately felt thoughtful when he heard of "the eve of the event."

The sun rises.

Duanmu Xiancheng, shrouded by night, finally ushered in the light.

Thousands of sunrises set off the entire Duanmu Xiancheng.

At this moment, Chen Feng and Zhong Li Yuntian had already changed into the ordinary costumes in Duanmuxiancheng, crowded among the crowd on the street.

There is no need for them to take the initiative to ask, the topic that everyone has been discussing recently is this special event.

"I don't know where the daughter of the city lord of Ziluo Xiancheng is now?"

"Li and music are all up, presumably these days are coming soon."

"Hey, have you noticed that this welcome event is more solemn than before."

"That's natural."

"Ziluo Xiancheng and Duanmu Xiancheng have always been good friends, they have always been in frequent contact with each other."

"But this time is different. This time it is the daughter of the city lord of Ziluo Immortal City. Nangong Ru Xue personally visited!"

"Nangong Ruxue!"

When the people around heard this name, their faces showed longing.

It seems that this Nangong Ruxue has a very high status in Duanmu Fairy City.

"I've heard that this meeting is extraordinary!"

"Fairy Nangong came this time mainly to meet Young Master Duanmu."

"It is said that they are learning from each other's cultivation skills, but in fact, it is very likely that they will make a conclusion on this and make a joint!"

"Oh, this is a big deal!"

The discussion was in full swing, and Chen Feng and Zhong Li Yuntian quietly retreated.

"No wonder Duanmu Xianwei here is so guarded."

"It seems that we also borrowed this Nangong Ruxue a little bit cheaper."

In the dark alley, Chen Feng laughed softly.

Last night, the two of them took advantage of Duanmu Xianwei's hands to besiege Zhong Liyunqian.

Zhong Li Yuntian nodded and looked at Chen Feng with admiration in his eyes.

"Thanks to Young Master Chen's careful heart, he was able to perceive that Duanmu Xianwei is extremely powerful here, and he can even think of such a trap immediately."

Yes, on the way to being pursued yesterday, Chen Feng's consciousness detected it.

At intervals below, dozens of extremely strong breaths gather together.

Taking a closer look, they all wore iron armor suits, just like Duanmu Xianwei of Duanmu Xiancheng!

At that time, Chen Feng had an idea in his mind.

That is: Borrowing a knife to kill!

He cooperated with Zhong Li Yuntian to set a trap, and then deliberately took the opportunity to control Zhong Liyun's diving.

The result was that the two men each sailed a flying boat and fought each other.

Such a careful plan was formed in Chen Feng's instant.

This not only impressed Zhong Liyun Tian.

However, he once again looked at the passersby on the street coming and going.

"It's just a pity that Zhong Li Yunlong escaped."

Chen Feng waved.

"No problem, Xianwei Duanmu also felt his breath last night."

"Running around at the moment."

"And he knows that we are still here, he will definitely not leave."

Hearing what Chen Feng said, Zhong Liyuntian's heart moved and looked over.

"Do you have a plan again?"

In Chen Feng's eyes, a light flashed again.

"This Nangong Ruxue, we probably have to borrow one more time!"

...

Three days later.

The gate of Duanmu Xiancheng opened wide.

There are crowds of people on both sides of the main road.

It can be said that everyone is shoulder to shoulder, despite this, they are still happy.

Everyone wanted to see the fairy face of the daughter of Ziluo City Lord.

boom!

boom!

boom!

Above the sky, the salute rang.

The magnificent ritual music began, and the bells rang between the platforms.

There are singers singing at the top and dancing girls at the bottom.

The lingering sound lingers around the beam, and the ringtone starts from far to near.

The streets and alleys are festooned with lights and festoons.

Suddenly, I don't know who exclaimed.

"coming!"

The countless lights all looked towards the city gate.

A dark shadow appeared in the sky, getting closer and closer to the city gate.

Everyone cheered.

The applause and cheers were endless.

Chen Feng and Zhong Li Yuntian were also in the crowd.

They looked in the direction of the dark shadows.

It was a huge motorcade, coming across the void.

The entire team is extremely gorgeous.

All car wheels are made of extremely special and precious materials.

[Chapter 5032: Fairy Ziluo: Nangong Ruxue!](#)

In the convoy, endless light radiated.

In front of this team, it condensed into a rainbow!

The rainbow straddles the void and leads directly to Duanmu Xiancheng.

The entire convoy came in the air.

From far to near, the convoy quickly reached Duanmu Xiancheng.

"As expected of Fairy Ziluo!"

Everyone exclaimed.

When Chen Feng looked at it, his heart was shocked.

He originally thought that the legendary Nangong Ruxue would be a gentle and graceful fairy from the dust.

Unexpectedly, the fairy appeared in front of everyone in a violet outfit.

And the mount under her body was actually a seventh-grade demon god!

A jade snow unicorn horse at the level of the seventh demon god!

It's a huge unicorn, with an incomparable godly horse, and there are naturally many auspicious clouds growing under its feet.

The whole body is a piece of ice and white, bright and proud.

It contrasts very well with the temperament of Fairy Ziluo.

How rare is this thing!

You know, Yuxue Qilin Horse has always been known for his aloof temperament.

It is extremely difficult to subdue it into a mount.

Not only must he have a strong strength, but he must also be convinced.

Otherwise, this demon **** would rather commit suicide than be driven by others.

It seems that this Ziluo Fairy is extremely capable, and this trip is meant to be a discussion, not necessarily polite.

"he came!"

Suddenly, Zhong Li Yuntian next to him whispered.

Chen Feng followed his gaze, and his expression immediately sank.

On the other side of the street, they saw Zhongli Yunlong who had disappeared for three days!

"Be careful, the two next to him are his attendants, and their strength should not be underestimated."

Just as Chen Feng looked over, Zhong Li Yunlong who was on the opposite side caught his sight.

Killing intent shot!

A bloodthirsty smile appeared on the face of Zhong Li Yunlong on the opposite side.

Zhong Li Yuntian was about to act according to the plan, but unexpectedly found Chen Feng standing motionless.

"Chen Feng?"

He pulled Chen Feng puzzled.

Chen Feng returned to his senses with a smile on his face.

"what happened?"

Seeing his reaction, Zhong Li Yuntian was puzzled.

Chen Feng smiled confidently: "The plan has changed!"

As soon as the voice fell, a roar suddenly sounded in the middle of the street!

Roar!

I saw that obedient Yuxue Qilin horse suddenly raised his upper body, the whole body burst out with the pressure of the Seventh-Rank Monster God, and rushed straight in one direction.

Nangong Ruxue, who was sitting on her back, looked startled, but quickly stabilized her figure, leaped backward, and jumped onto the chariot originally prepared for her.

And the Yuxue Qilin Horse, who had lost control, spouted a blazing fireball.

The goal-Zhongli Yunlong!

The accident happened too fast, and there were already too many people around, so Zhong Li Yunlong almost instinctively shot back.

boom!

Many passersby fell to the ground and were injured.

He and the two attendants behind him were instantly exposed to everyone's sight.

"It's the man in the purple robe from last night! And his comrades!"

In Duanmu Xianwei, someone shouted.

Almost instantly, the strong city lord mansion standing on every corner of the street connected to Duanmu Xianwei, and they all shot together!

Today's event is extraordinary.

How much the Duanmu family cares!

Almost in the blink of an eye, the three Zhong Li Yunlong were seriously injured!

At this time, Yuxue Qilin Horse is moving again!

It seemed unintentional, but it forced Zhong Li Yunlong back again and again.

When he hadn't noticed, he backed away and guided Gong Ruxue to the wheel of the car at the moment!

It looked like he was waiting for an opportunity to approach, wanting to attack Nangong Ruxue!

At this moment, another figure stopped between him and the chariot.

It's Chen Feng!

He stared at Zhong Li Yunlong and shouted!

"Protect Fairy Ziluo!"

Before the words fell, the black and white long sword in his hand killed instantly!

Too on the Heavenly Swordsman Formation!

He raised the knife and fell, killing Zhong Li Yunlong in front of him with a single knife!

Everything happened so fast!

No one has reacted yet.

Even Nangong Ruxue didn't know why the obedient mount suddenly went crazy.

Chen Feng raised his head and looked at one place.

There, a tall figure was smiling at him.

Destiny beast slave!

This person is actually a celestial beast slave!

At this point, everything is clear!

It turned out that Chen Feng suddenly changed his plan.

It is precisely because, not long ago, he accidentally contacted the Tianchou beast slave.

According to his and Zhong Li Yuntian's original plan, the general direction is as it is now, but the process will be a lot more complicated.

Moreover, it may not be able to achieve the current situation.

And all of this, after contacting the Heavenly Cruel Beast Slave, the difficulties were easily solved.

Yuxue Qilin Ju's sudden madness is precisely the hands and feet of the Tianchou Beast slave!

Although this was a Yuxue Qilin horse of the seventh-rank demon god, with the current strength of the Heavenly Remnant Beast Slave, he couldn't control it.

But to make it frightened and turn his attention to somewhere, he can still do it.

In the distance, Zhong Li Yuntian, who had witnessed everything, was already convinced now.

He didn't know the existence of Tiancun Beast Slave.

The only way is all of this, all are Chen Feng's own means.

After seeing Chen Feng's careful plan, Zhong Li Yuntian suddenly shuddered in his heart.

He suddenly realized that he had chosen to stand on Chen Feng's side early, it was really wise!

Otherwise, if you stand on the opposite side of him, sooner or later you will not end well.

In front of the car.

The black and white long knife in Chen Feng's hand disappeared.

At the same time, he quietly took a jade medal of reincarnation in his hand.

That is Zhongli Yunlong's jade card of reincarnation!

At this moment, he was secretly happy.

This jade medal of reincarnation is the reason why he rushed out.

Only when this last blow was done by him, and according to the rules governed by the Dao of Heaven, could Zhong Li Yunlong be regarded as his killer.

Only in this way can he get this jade card of reincarnation and all the things on Zhong Li Yunlong's body!

Right now, the reincarnation jade medal has been obtained, and Chen Feng does not intend to destroy the welcome ceremony in Duanmu Xiancheng.

However, not destroying is one thing, there are other things...

Chen Feng suppressed the smile in his eyes and started to leave.

Suddenly, a clear and pleasant voice came from behind.

"My son, please stay."

It's Nangong Ruxue!

When there was an uproar on both sides of the street, Chen Feng, whose back was facing Nangong Ruxue, smiled at the corner of his mouth.

This is also in his plan!

From the beginning, he planned to take this opportunity to kill two birds with one stone!

Not only can kill Zhong Li Yunlong, but also enter the Dharma Eye of the Duanmu Family.

Chen Feng turned around and looked up at the woman on the chariot.

Nangong Ruxue looked down at Chen Feng and smiled.

"Thank you for your help, my son. Dare to ask my son's name?"

Chen Feng was neither overbearing nor overbearing, and answered readily.

"Next Chen Feng."

"Chen Feng."

Nangong Ruxue said his name again, a smile appeared on her face.

She looked at Chen Feng in front of her.

"You helped and stopped the culprit for me. How can I thank you?"

Hearing this, everyone around was jealous.

Let Nangong Ruxue personally reward him, that is what everyone dreams of!

[Chapter 5033: Message of invitation! Raid the Tang family!](#)

However, Chen Feng thought for a while, met Nangong Ru Xue's gaze, and smiled swiftly.

"Actually, even without me, with the strength of Fairy Ziluo, the culprit will not succeed."

"In that case, how dare I ask for a reward."

After all, he clasped his fists.

"The reason why I rushed out underneath was probably just easy to do."

At this moment, a supreme aura burst out in the direction of Duanmu Mansion.

There were many sharp-eyed people on both sides of the street, exclaiming.

"It's Master Duanmu!"

"Duan Muxi came out in person!"

At this moment, Chen Feng was facing Duanmu Mansion with his back, so naturally he couldn't see the people behind.

However, his consciousness had already noticed.

As early as when there was an abnormal change here, Duanmu Palace quickly received news.

As a possible marriage partner, Duan Muxi will naturally arrive as soon as possible.

"Since Duanmu greeted him personally, it would be hard for me to interrupt the welcome ceremony."

As he said, he clasped his fists and arched his hands, ready to withdraw.

At this time, the horror breath has come directly!

Chen Feng turned around and met Duan Muxi who had arrived.

Duan Muxi wore a blue robe, a crown of sky-opening, sharp facial features, and the arrogance between the eyebrows, quite the arrogance of looking at the world.

The most remarkable thing is that as soon as he gets closer, Chen Feng can feel a blessed blood from him!

Is this the blood of the **** and demon body refiner?

In Chen Feng's heart, there was a stormy sea!

One day, he will also be able to awaken the blood of ancient gods and demons and become a true **** and demons body refiner!

However, it is still too early for everything.

Chen Feng also clasped his fists and left without being humble or arrogant.

Duan Muxi only glanced at him and didn't care.

His eyes stopped on Nangong Ru Xue in front.

Soon, Chen Feng returned to the crowd on both sides.

This grand welcome ceremony in Duanmu Xiancheng continues as usual.

Yuxue Qilin Horse has returned to normal.

However, Nangong Ruxue entered the chariot with Duan Muxi just in case.

After the convoy left and entered Duanmu Mansion, the crowd on the street slowly dispersed.

Chen Feng patiently followed the rhythm of the masses and left the scene.

Tiancun Beast Slave came over, and the three of them returned to the Xiancheng Inn where they had settled.

Right now, Zhongli Yunlong, Yun Heng, and Yun Qian who had taken the entire east backyard were all dead!

It was just for Chen Feng, Tiancun Beast Slave and Zhong Li Yuntian to replace them.

Zhong Li Yuntian saw that Chen Feng and Tiancun Beast Slave were acquainted, and consciously returned to his wing.

Only then did the Tiancun Beast Slave relax.

He looked at Chen Feng.

"Brother, I found you."

Chen Feng also laughed.

"How will you be here?"

Tiancun Beast Slave scratched his head embarrassedly.

"Since entering this world of trials, I have found many restrictions."

"However, I manipulated a few monsters, and they revealed that there is a very powerful existence who is coming to Duanmu Xiancheng."

"I sorted it out carefully, only to know that they were talking about Yuxue Qilinju, so I guessed here and knew what was going on here."

He smiled lowly: "I know, Brother Chen, you definitely won't miss this event."

"So, I thought, maybe you will be here."

Chen Feng patted him on the shoulder.

"Good job!"

Regarding the past, Chen Feng also intends to check the benefits of this operation.

He took out Zhong Li Yunlong's jade card of reincarnation.

I have to say that Zhong Li's family is indeed extraordinary.

Among the jade cards of reincarnation, the harvest is great!

What surprised Chen Feng even more was that in this samsara jade medal, there were actually twelve magical powers!

Twelve!

It can even directly improve a magical power!

Now, the two supernatural powers of Taishang Zhutian Sword Formation and Buddha's Angry Lion Roar Technique have reached the second level.

Since he upgraded his cultivation to the third floor of the Star Soul Martial God Realm, he has completely mastered the second level of these two supernatural powers.

It is indeed time to improve.

Chen Feng was in a pretty good mood.

However, he did not intend to immediately promote.

It's not a very urgent time now, so wait.

After counting the income, Chen Feng looked at the Tiancun Beast Slave again.

"After entering this world of trials, have you heard anything about it?"

Sure enough, the Tiancun Beast Slave did not disappoint Chen Feng.

As soon as he arrived at Duanmu Fairy City, he immediately heard a lot of news here.

Although Duanmu Xiancheng is named Duanmu Xiancheng, in addition to the Duanmu family as the city lord, there are also four major families living here.

They are all powerful.

This time, Duan Muxi awakened the blood of the gods and demons and received an invitation letter from "Gods and Demons Discussing the Tao" with high spirits.

He dropped forty-nine invitations and invited many masters to discuss the Dao in the city lord's mansion in half a month.

As the four major families in Duanmu Xiancheng, naturally they will not be neglected.

Tiancun Beast Slave said that he had heard a secret message.

The Tang family, as one of the four major families, in addition to the designated invitation letter, this time also received three blank invitation letters!

"Three!"

Chen Feng's heart moved.

Previously, when the Lord of Heaven introduced, he only mentioned that Duanmu Xisa had put down forty-nine invitation letters, but did not give the whereabouts of those invitation letters.

The three blank invitations from the Tang family right now can be said to be the only ones they know where they are currently.

Chen Feng immediately decided to raid the Tang family!

The task of the top of the sky must be completed!

Now that the Tiancun Beast Slave could get the news, it means that the whereabouts of the three blank invitations have been leaked.

Without further ado!

After Chen Feng adjusted his strength back to heyday, he directly called Zhong Li Yuntian.

The three of them headed to the direction of the Tang family.

Soon, they came to the area where the Tang family was located based on intelligence.

Although Duanmu Fairy City is said to be a city, it is actually composed of many large and small floating mountains.

The place where Chen Feng and others were before was the largest floating mountain in the city lord's mansion.

But where the Tang family was located, it was going westward from the Duanmu family.

As one of the four major families, the Tang family also occupies a large floating mountain.

And around them, there are many small floating mountains.

Chen Feng and the others could perceive from a distance that strong men are constantly haunting these small floating mountains.

"It seems that these are their sentries."

Zhong Li Yuntian said.

Beside, the Tiancun Beast Slave looked at Chen Feng.

"Brother, do you have any plans?"

Hearing this, Zhong Li Yuntian also looked over.

Chen Feng stared at the front and waved his hand.

"It's hard to say. Just watch the changes."

Chen Feng is a very cautious person. Even if the source of the intelligence is the Celestial Remnant Beast Slave, he dare not relax his vigilance before confirming it with his own eyes.

The Tang family, as one of the four major families in Duanmu Xiancheng, is bound to be strong.

[Chapter 5034: The ultimate powerhouse of the Tang family!](#)

These outposts are just small towers.

If you are unsure, rushing in is tantamount to digging your own grave!

However, Chen Feng and the others hadn't moved yet, and the people at the closest sentry post had moved first.

Blinking an eye, four strong men in Tang costumes lined up and stopped Chen Feng and the three.

The hearts of Chen Feng and the three of them shuddered, but they soon noticed an unkind breath from them.

These four took the initiative to come over, as if not aware of their intention to approach the realm of the Tang family.

On the contrary, it seems to have come to find faults on their own initiative.

Sure enough, the head of a middle-aged man in a brown robe swept back and forth on the three of them.

"Those who trespass into the realm of the Tang family should have been killed."

"However, if you honestly hand over the treasures you have on your body, I can give you extra grace and let you go."

Upon hearing these words, Chen Feng laughed coldly in his heart.

The speaker is obviously the leader of this sentry post, and the strength is also the strongest among the four.

Chen Feng could vaguely judge that the thin and cold middle-aged man in front of him probably had the strength of the sixth floor of the Star Soul Martial God Realm.

The remaining three are at most around the peak of the fifth building.

With this strength, he dared to come to the door.

Chen Feng hadn't reacted yet, but Zhong Li Yuntian beside him couldn't help but sneered.

"As far as I know, we have not stepped into the official realm of the Tang family at this moment."

"You want to make up or make up a decent excuse."

Contrary to the four people on the opposite side, Chen Feng's three people are all restrained.

The opponent can only be judged by experience.

Chen Feng, standing in the middle, should be the strongest of the three.

And Chen Feng, there is only the third floor of the Star Soul Martial God Realm!

Hearing what Zhong Li Yuntian said, the middle-aged man laughed like he heard some joke.

He stepped forward and stood in front of the three of Chen Feng.

"What are you, dare to talk to me like this! Do you know who I am?"

The three behind him praised very cooperatively.

"Senior Tang Liqiang is a strong man named Tang by the Tang family!"

"I advise you to surrender your treasures quickly!"

"Don't conceal it. Seniors have already sensed that you have a special treasure aura!"

"Don't even think about revenge, behind us is the Tang family!"

The three boasted, looking at Chen Feng's eyes with contempt.

Tang Liqiang did not even hide the greed in his eyes, his face was full of arrogance and arrogance.

"What are you doing in a daze! Don't blame me for being cold-blooded and ruthless!"

As he said, Tang Liqiang's voice suddenly rose, and his tone was extremely fierce.

"I will give you three seconds!"

Chen Feng lowered his eyes, and a sneer crossed his eyes.

He looked at Tang Liqiang and the three people behind him.

"Why don't I give you three seconds."

"After three seconds, if you don't disappear from me, you don't have to go."

Hearing this, Tang Liqiang's face became extremely ugly.

"Okay! Brat, dare to be arrogant in front of Grandpa with this strength!"

"Grandpa not only wants your treasure today, but also pulls out your tongue and breaks your leg."

"Let you open your eyes and offend grandpa, how miserable it will be!"

With that, Tang Liqiang was the first to bear the brunt, and powerful pressure rose from his body.

Rushed straight to Chen Feng in front of him.

His smile was ferocious, and he even anticipated the scene of Chen Feng kneeling on the ground and crying, begging him to die.

However, nothing happened.

The smile on Tang Liqiang's face solidified.

Chen Feng in front of him didn't even frown, still standing with his hands behind him.

"This is your level?"

Chen Feng sneered.

"Three seconds have passed, it's our turn."

The Tiancun Beast Slave and Zhong Li Yuntian were already ready to go.

These self-seeking guys, before Zhong Li Yuntian would not even say a word of nonsense.

Just like when I first met Chen Feng and his party.

In an instant, the three released monstrous coercion.

Tang Liqiang's four faces all changed, their complexions were completely lost!

Under the supreme pressure, the four of them did not resist at all, and were directly pressed to the ground.

"how is this possible!"

Tang Liqiang looked at Chen Feng in disbelief, and finally realized what stupid he had done before!

These three, play as pigs and eat tigers!

"Three... three people, forgive me..."

He leaned over and kowtowed for mercy.

Tang Liqiang begged for mercy like this, and the three behind him also begged for mercy.

The previous domineering posture was wiped out.

The posture is as low as a dog!

Chen Feng snorted coldly, but didn't kill him immediately.

He stepped forward, ready to question a few words.

Suddenly, his face changed!

Chen Feng seemed to perceive something, his expression slightly changed.

Looking at the people in front of him again, he waved directly.

He pinched Tang Liqiang's neck and led the group back to the sentry where they came.

Enter this

Turning over his hands, he directly killed the three people behind Tang Liqiang.

Only Tang Liqiang was left.

He looked at Tianchou Beast Slave and Zhongli Yuntian behind him.

"Hurry up and put on their clothes."

With that said, he quickly changed his clothes.

Just as soon as they put on their clothes, a powerful aura quickly approached their sentry post!

The strength is comparable to Zhong Li Yuntian!

Even stronger!

Both Tiancun Beast Slave and Zhong Li Yuntian were shocked.

They quickly understood what Chen Feng meant for them to change their clothes.

Obviously, the person who came was an extremely strong man in the Tang family!

In an instant, the master of that breath had appeared outside the guard post.

However, the man did not come in.

Just indifferently convey instructions to the inside.

The deep voice is slightly vicissitudes.

"You guys, set off immediately and follow me."

Chen Feng looked at Tang Liqiang coldly.

Tang Liqiang didn't dare to make a mistake, so he had to treat it as if nothing happened, nodded and said yes.

Chen Feng and his party held him and walked out of the guard post.

The person who issued the order has moved forward, and they can only see the back of a black robe with large sleeves.

"Keep up."

Chen Feng ordered in a low voice, and the four of them quickly followed to one place.

Here, there are already a dozen huge flying boats rising up.

These flying boats are much larger than the ones that Chen Feng and the others grabbed. The body of the flying boats is also printed with complicated patterns belonging to the Tang family.

The inside of the flying boat cannot be seen from the outside.

Chen Feng looked at Tang Liqiang.

Tang Liqiang pointed to an empty flying boat, and the four immediately followed.

Soon, the flying boat they were on also rose, following the dozen or so flying boats.

Inside the flying boat.

There is no need to torture, Tang Liqiang himself is very compliant and responsive.

Chen Feng remembered the man before.

"Who was that person just now?"

Tang Liqiang smiled and introduced:

[Chapter 5035: Escape](#)

"That's our Patriarch's brother, Tang Weijun."

"How strong is it?"

"He is one of the pillars of the Tang family, the top powerhouse."

"The cultivation base has the pinnacle of the eighth building!"

Next to him, Zhong Li Yuntian also asked him.

"Don't mention anything else, what are we going to do?"

Tang Liqiang looked over.

"Generally, in this situation, there is often a difficult enemy."

"enemy?"

Chen Feng and the others were thoughtful.

Soon, Qianyi found the target, and all the more than ten flying boats stopped.

Chen Feng and others probed out their spiritual knowledge.

When I saw the situation in front of me, I was inevitably surprised.

There is a high wall with cyan metal texture in front!

It was like a mountain range of cyan metal material, from left to right, cutting off the path of their flying boats.

"wrong."

Chen Feng's heart shuddered.

"This seems to be a... huge flying sword."

As soon as this remark came out, everyone reacted.

It seems so!

This cyan great sword is too huge, and it continues to release a certain breath.

Suddenly, the flying sword moved!

It is like a chain of sword mountains, retreating quickly!

The speed is incredible!

It's a bit desperate to run away.

Chen Feng is so keen. The moment he saw it, he noticed that there seemed to be a magical hole inside that big blue sword.

"This big blue sword should still be some kind of special magic weapon. There seems to be space inside."

Hearing this, Zhong Li Yuntian was taken aback.

"I know what this is."

He looked at Chen Feng.

"If I remember correctly, it is a Seventh-Rank Treasure, a magic weapon for Yu Jianbai to press the bottom of the box."

"Thanks to Yu Jianbai, I have heard of this big blue sword."

"It is not only extremely fast, but also extremely strong. It can be used as a weapon, but also as a defensive and fleeing boat."

"Unexpectedly, he also came here."

Chen Feng didn't know Yu Jianbai, so he continued to ask him.

Zhong Li Yuntian did not hide himself.

"Yu Jianbai, like me, is also the seventh floor of the Star Soul Martial God Realm. However, he has always been fierce and domineering and courageous."

"Anything he wants to do, he will never flinch."

"And his character is mainly due to his powerful life-saving skills."

"For example, this one you see in front of you."

Chen Feng slapped his tongue and heard the news coming from those Tang's flying boats.

Shouting to catch up.

The black flying boats speeded up and followed closely behind the cyan great sword.

In the flying boat, Zhong Li Yuntian reminded.

"One more thing to be careful is that Yu Jianbai will never come here alone."

"He must have come with his men."

"If you meet up later, you must be careful. Those subordinates are also desperate and extremely vicious."

"Even people from our Zhongli family, when we see them on weekdays, we try not to provoke them."

Chen Feng understands.

The group continued to look forward.

The cyan great sword is fast, but the black flying boat of the Tang family is faster.

The distance between the two is getting closer.

Seeing to be caught up!

Suddenly, a wave of heat hits his face!

The flying boats rushing in the front slowed down subconsciously, thinking it was an attack.

However, I saw a hot cyan flame rising from the cyan great sword!

For a time, radiant!

Before everyone in the Tang family could react, the speed of the cyan great sword instantly accelerated!

Immediately he threw the flying boat behind him a great distance.

When Chen Feng and others heard about it, they immediately admired it.

"The Seven-Rank Magic Weapon is really extraordinary."

At this moment, a black robe with large sleeves rose up.

It is Tang Weijun!

I saw his big sleeves flutter, and then, all the flying boats behind him suddenly burst into black light!

Suddenly, the speed of all Down's black flying boats also increased a lot!

Everyone once again got closer to the cyan sword in front!

Seeing to catch up!

Ahead, the cyan great sword seemed desperate, and suddenly changed its direction.

Chen Feng's consciousness followed the direction of the escape from the blue sword.

It's a floating mountain very close!

"They are..."

Before Chen Feng finished speaking, he saw the cyan big sword rushing towards an extremely tall attic on the floating mountain.

Only heard a boom.

The cyan great sword slammed into it abruptly!

"Does he want to hide inside and find a chance?"

A dozen black flying boats came to the front of the tall attic and stopped one after another.

On the floating mountain, the aborigines screamed and fled.

In the attic, there were constant screams.

Tang's flying boat was very disciplined and quickly surrounded the entire attic.

Afterwards, all the Tang members in the flying boat all came outside the flying boat.

The three Chen Feng condensed their auras, pretending to be ordinary attendants, and came out with Tang Liqiang.

At the forefront of the flying boat, Tang Weijun, with a large black robe and sleeves, stared like a torch, coldly watching the big hole that the blue sword had hit.

He turned and looked at a man in black who was riding a flying boat with him behind him.

The black-clothed man was as thin as firewood, his eye sockets were sunken, and his whole body released a strange breath.

Seeing Tang Weijun turning his head, he immediately walked forward.

How keen Chen Feng's senses.

As soon as the black-clothed man walked forward, he heard many people sighing among the servants behind him.

"Tang Rongsheng!"

"What kind of person is the other party, who can actually let the second master use Tang Rongsheng!"

"Anyway, if he takes the shot, the person hidden in that blue sword seems to be suffering."

It seemed that Tang Rongsheng, the man in black, should be a member of the second master of the Tang family.

Tang Rongsheng strode to the big hole that was knocked open, and immediately waved his hands.

Almost instantly, the heaven and the earth were overshadowed!

Countless ghosts rushed out of Tang Rongsheng's body, vying for the first time, turning back and forth in the void, looking hideous!

The wind howls!

Chen Feng and his party were far away, but they immediately felt the biting chill!

That is not the cold that the physical body can perceive, but more the coldness of the spiritual world!

Countless ghosts of different shades of gray, intertwined in the air.

Soon, the ghosts moving in the void unexpectedly gathered together.

Eventually condensed into seven huge ghosts!

The seven huge ghosts are much stronger than those before, but they are also much more dull.

Suddenly, Tang Rongsheng's hands kept forming intricate handprints.

At the last moment, he directly opened his palm.

Seven drops of bright red blood flew out of his palm, like red light rays, quickly shot into those seven huge ghosts!

boom!

Seven consecutive loud noises.

The seven huge ghosts that absorbed Tang Rong's essence and blood immediately exploded with a powerful aura.

[Chapter 5036: Ghost puppet](#)

Their stature has become soaring.

At the same time, on the countless dead bodies in the tall attic, a transparent soul floated quickly.

The void almost twisted.

Everything that could be absorbed around was unceremoniously absorbed by these seven ghosts!

At the same time, their bodies became darker and darker.

Even gradually began to condense into entities!

Boom!

The seven ghosts floating in the void gradually sank, and finally fell heavily to the ground!

Seven huge ghosts, finally turned into seven huge ghost puppets!

The strength of each of them is not weak, and at first glance, they all have the level of the fifth floor of the Star Soul Martial God Realm!

However, Tang Rongsheng's hands continued to form handprints.

The seven-headed ghost puppet immediately began to burn!

boom!

The seven breaths of the fifth building suddenly rise to the sixth building!

Chen Feng's eyes vibrated slightly.

This is the secret method to gather the potential of the ghost puppets and quickly increase their strength in a short time!

Of course, the price of early overdraft is also quite disastrous.

The lifespan of these seven-headed ghost puppets will be shortened!

"It seems that Tang Rongsheng only intends to treat them as disposable consumables."

Chen Feng said softly.

However, he turned his head to look at Tang Liqiang next to him.

"That Tang Rongsheng used at this moment, but your Tang family's magical powers?"

Tang Liqiang nodded and said yes.

"Tang Rongsheng is different from our surname. Although he is also classified as a domestic servant, he actually has some blood of the Tang family, so he can practice the Tang family's exercises."

This reply was not beyond Chen Feng's expectations.

He asked immediately.

"From his breath, I feel a hint of simplicity. It seems to have the feeling of the avenue of gods and demons."

Tang Liqiang continued nodding.

"The son has good eyesight!"

"As one of the four major families in Duanmu Xiancheng, the Tang family also studied the Avenue of Gods and Demons."

"It's just that, to be honest, the Tang family has limited talent."

"Except for Tang Hongyi who was born ten thousand years ago, which was short-lived, there has never been any decent genius since then."

Speaking of this, Tang Liqiang simply explained everything he knew.

"The princes have also seen that Tang Rongsheng can spur the ghosts, in fact, because the blood of the Tang family contains some blood that is said to be from the Huangquan Underworld."

"So, the later Tang family heirs simply studied the technique of ghost puppets."

Chen Feng nodded.

He could feel that the ghost puppets in front of him were indeed like infinite shortened versions of gods and demons.

This is already the inheritance of the poorly talented Gods and Demons Avenue.

If the talent is amazing, I don't know what kind of development will be!

Thinking of this, Chen Feng's heart inevitably surged.

Ahead, the breath of the seven-headed ghost puppet gradually stabilized.

The peak of the sixth building in the Star Soul Martial God Realm!

Red light burst out of their eyes, straight into the big hole in the tall attic.

Roar!

The seven-headed ghost puppet roared and rushed into the big hole.

The surrounding area was already surrounded by the flying boats of the Tang family, and it was difficult for the blue sword to fly!

The seven-headed ghost puppet rushed directly into the blue sword!

Chen Feng quietly released his spiritual consciousness and followed in.

As soon as he entered the space inside the cyan great sword, Chen Feng immediately sensed four auras from the top of the sky.

As soon as the seven-headed ghost puppet rushed in, it fought against the four.

Chen Feng glanced briefly, and before Tang Weijun noticed it, he quietly withdrew his consciousness.

"Big brother, how is it?"

Beside, Tiancun Beast Slave asked in a low voice.

Chen Feng pondered for a moment.

"There are four people inside. The one taking the lead should be Yu Jianbai."

"According to the current situation, the seven-headed ghost puppets cooperated with each other tacitly. Dealing with the four of them should be slightly better."

Although only a few glances, Chen Feng probably had a judgment about the fierce battle inside.

Zhong Li Yuntian also peeked out his spiritual knowledge and looked inside.

However, he had a different view of Chen Feng's judgment.

"Master Chen, you may still underestimate Yu Jianbai."

"I can guarantee that these seven-headed ghost puppets will definitely not be able to subdue the four of them."

Zhong Li Yuntian's tone was quite positive, and Chen Feng had some guesses.

"He really has so many cards?"

Zhong Li Yuntian nodded.

"Only more than you think."

Hearing this answer, Chen Feng immediately had new questions in his mind.

Not long after, a figure suddenly rushed out of the blue sword!

That figure is as fast as lightning!

At the same time, Tang Rongsheng's expression changed drastically.

However, he didn't have time to react, and saw the figure bursting from a distance, rushing directly in front of him.

Chen Feng reacted extremely quickly, but it was only visible. The man seemed to have sacrificed some kind of treasure.

Everyone only felt that their eyes lit up, and it seemed that there was a shadow of swords and swords passing quickly.

When I returned to my mind again, that figure disappeared!

It is as if his appearance is just an illusion that everyone has witnessed!

However, Tang Weijun, who was closest to Tang Rongsheng, suddenly changed his face.

He looked at Tang Rongsheng suddenly.

Everyone's eyes also subconsciously looked at Tang Rongsheng.

I saw that he still maintained a horrified expression, and his body also maintained a strange movement.

It seemed that he wanted to hold his head for defense, but stopped halfway.

At this moment, the wind is blowing.

Under everyone's eyes, Tang Rongsheng's head was slowly dropped by the wind.

After that, blood spurted out!

Tang Rongsheng's body, who had lost his head, also fell straight back in the breeze.

The crowd couldn't help showing their horror.

The moment just now was not an illusion!

Among the cyan great swords, someone indeed rushed out and used some kind of hole card to give Tang Rongsheng a fatal blow!

Chen Feng looked at each other.

"Did you see clearly?"

Tiancun Beast Slave scratched the back of his head, frowned and said.

"I only saw that man seemed to be wearing a silver robe."

"He seems to have taken out something."

Zhong Li Yuntian nodded and looked at Chen Feng with a serious expression.

"That is Yu Jianbai."

"As far as I know, he himself is known for his speed."

"Just now, he should have sacrificed some kind of secret method, coupled with a certain special magic weapon, to achieve the effect of a thousand miles instant kill."

Chen Feng nodded.

"It seems that Yu Jianbai is really extraordinary."

"He must have realized that the seven-headed ghost puppet that entered is obviously a manipulator."

With that said, he once again moved into the cyan big sword to release his spiritual consciousness.

as predicted.

With Tang Rongsheng's fall, the seven-headed ghost puppet inside suddenly fell apart!

The yin ghost cried and released endless resentment around.

Their bodies began to shrink and their bodies gradually became blurred.

In the end, with a soft sound, it suddenly turned into gray smoke.

All disappeared!

Chen Feng quickly glanced.

[Chapter 5037: Chen Feng's plan!](#)

Although the seven-headed yin ghost puppet rushed into the cyan great sword, until Yu Jianbai killed Tang Rongsheng, the whole process did not last long.

But among the four people inside, except Yu Jianbai, one died and one was seriously injured!

Outside the attic.

Tang Weijun's face was extremely ugly.

He never thought that the people hiding in the blue sword were so powerful!

You know, Tang Rongsheng has always been his extremely capable subordinate, and his strength is evident.

No one thought that such Tang Rongsheng would be killed by the mysterious man inside!

Moreover, kill him in front of his eyes!

Compared to Tang Rongsheng's death, Tang Weijun felt a feeling of being beaten in the face!

It's hot, like a provocation!

In an instant, endless coercion erupted from his body subconsciously.

The Tang family servants and guards who were closer, were not blocked on the spot, and were directly suppressed by this coercion, they knelt down and lay on the ground!

If Tang Weijun hadn't reacted in time, I am afraid that many people would die again!

Even the three of Chen Feng felt the raging anger from Tang Weijun.

Just when everyone thought Tang Weijun was going to make a shot himself.

However, he saw him step forward and said coldly toward the blue sword inside.

"The people inside will listen to me, as long as you return the stolen invitation letter and swear to serve our Tang family from now on."

"For my Tang family's use!"

"I, as the younger brother of the Patriarch of the Tang family, speak well! I can spare you not to die!"

Actually didn't do it directly!

However, Chen Feng and others keenly grasped a piece of information from these words--

Yu Jianbai and his party actually robbed them in front of them and took away the three blank invitations from the Tang family!

Realizing this, Chen Feng frowned immediately.

Originally, the three of them came to Tang's house today, mainly just to investigate, and there was no plan to **** the three blank invitation letters immediately.

Chen Feng is not a reckless person.

Before he knew the specific situation of the Tang family, he would not rush in directly.

But now, things have changed!

Three blank invitations have been snatched away!

He looked at the cyan big sword that was besieged in front, a smile gradually rose in his eyes.

"Yu Jianbai, you really helped me a lot."

He said silently in his heart.

In the tall attic, there was a long voice.

The voice was suddenly far and near, left and right, and the direction was unclear.

"Spare us? Hahaha..."

The man laughed wildly with disdain.

"Old Piff, are you confused?"

"Since I have the ability to **** things from your Tang family, how can I bow to you at this time?"

"A mere Tang family actually wanted to get my vote."

"Do you deserve it?"

A cold snort came, and the words were extremely arrogant!

Yu Jianbai's remarks were extremely arrogant and very rude.

However, Chen Feng and the three of them can understand these words.

These immortals from the top of the sky are somewhat disdainful of the aborigines in this trial world.

However, these remarks are really too arrogant.

Tang Weijun, who was still holding back his anger, was furious on the spot when he heard these words!

The strong aura accumulated in his body suppressed for a long time, and he rushed towards the cyan sword!

Overwhelmingly, like a waterfall in Jiutian!

It is completely different from the unconscious breath leak just now, Tang Weijun at this moment has completely exploded!

The peak of the eighth floor of the Star Soul Martial God Realm!

Zhong Li Yuntian looked at the big hole in the attic and sneered.

"Yu Jianbai and his men are usually arrogant."

"I encountered hard stubble this time, and it is estimated that I have suffered some pain."

"Even, it is really possible to die!"

At this moment, Chen Feng suddenly looked at Zhongli Yuntian next to him.

"Can you deal with Tang Weijun?"

Tang Liqiang's face changed drastically as soon as he said this.

Even Zhong Li Yuntian's discoloration changed on the spot.

"You want me to deal with Yu Jianbai, maybe it's okay."

"But to deal with Tang Weijun, it's probably choking."

After all, there are still great differences between the seventh and eighth floors.

However, Chen Feng didn't seem to hear him.

He smiled slightly, then suddenly stepped forward and blasted a punch.

Suddenly, the flying boat they were on fell apart and immediately attracted the attention of everyone present.

It's okay to be low-key in it, but now it suddenly becomes the focus, and everyone can naturally notice that something is wrong.

The Tang family had never seen these three faces!

Not only that, they are even more completely strange!

In an instant, everyone in the Tang family was shocked.

Several black flying boats immediately surrounded them, and a magic weapon was revealed in everyone's hands.

Just wait for an order!

Tang Weijun said coldly.

"You are not from the Tang family! Deliberately pretending to be a student of the Tang family and die!"

Seeing that Tang Weijun's terrifying coercion was about to be transferred, Chen Feng calmly said.

"Tang Erye, I'm here to cast the effect!"

Hearing this, Tang Weijun paused.

As the brother of the Patriarch of one of the four major families, how much time he has lived, and how shrewd.

Naturally, it will not be taken lightly just because of a sentence.

Cold and deep eyes swept across the three of them one by one, and then their expressions became more and more ugly.

"Although I don't know who you are, but you are underestimating me!"

Speaking of this, Tang Weijun was cold and pressing, and the supreme coercion directly rushed down.

Billowing sound waves rushed towards the three of Chen Feng.

"You have a similar aura to the few people inside, and you are clearly similar people!"

Facing Tang Weijun's aggressive attitude, Chen Feng made a crackling sound all over his body.

However, he didn't go down as expected.

He met Tang Weijun's sight neither humble nor arrogant.

"It's true that we are similar people, but I am also waiting for those invitations."

"We can help you deal with the people inside, and we will serve your Tang family from now on."

"In return, how about you give an invitation letter?"

Hearing Chen Feng's words, the face of Zhong Liyun next to him changed slightly.

I haven't made any response yet, I just listened to the Heavenly Remnant Beast Slave next to him speaking lightly.

"Big brother has his own consideration when he speaks and acts. I advise you to be cautious in your words and deeds!"

Hearing this, Zhong Li Yuntian's heart suddenly became sober.

Yes!

Since the appearance of the Tiancan Beast Slave, he can easily see that Chen Feng has a very good relationship with the Tiancan Beast Slave.

Therefore, at this moment Chen Feng only said to give one, but it should make him feel at ease.

If Chen Feng said two at the moment, then it would be tricky!

Thinking of this, Zhong Li Yuntian looked at Chen Feng's back and couldn't help but look at him a little higher in his heart.

My heart settled a bit, and continued to converge my breath.

The three continued to look at everyone in the Tang family.

Hearing Chen Feng's words, Tang Weijun's expression changed.

[Chapter 5038: Can our strength come back to your eyes?](#)

However, he pondered for a moment, but felt that the young man in front of him had no flaws in his words, and it was indeed tenable.

He put away his own coercion.

However, before Tang Weijun could speak, a cold snort came next to him.

"Just a few of you, with an invitation letter?"

Chen Feng's expression remained unchanged.

He looked over calmly.

The speaker was an attendant behind Tang Weijun.

The middle-aged man dressed in the costume of a Tang family attendant, his face was cold, his face was also withered, his face was yellowish and thin.

There is always a sense of life soon.

If Chen Feng remembered correctly, this attendant, like Tang Rongsheng just now, was also a member of the same flying boat as Tang Weijun.

After a brief glance, Chen Feng couldn't help sneering in his heart.

The sixth floor of the Star Soul Martial God Realm.

It's just a head of people rushing to send it up!

The middle-aged man came up, as if trying to express himself deliberately.

Chen Feng could hear, and people around were whispering.

"Tang Ruhe jumped out again..."

"To be honest, he shouldn't be able to jump out of the situation now."

"Quietly! Don't be heard by him."

I don't know if Tang Ruhe heard this, but Chen Feng's lips curled up.

It seems that even in the Tang family, this Tang Ruhe is not popular.

Including Tang Weijun, when he saw Tang Ruhe jump out, his eyebrows frowned.

However, he did not move.

Seeing Tang Weijun's acquiescence, Tang Ruhe's face became more arrogant and proud.

He came directly to Chen Feng and sneered.

"Who do you think you are?"

"Does the Tang family still lack some of your trash!"

"You kind of stuff, you don't need the second master to do it, I can clean you up!"

As he said, he even raised his hand, trying to pat Chen Feng's face.

It's just that he hasn't waited for his hand to hit Chen Feng's face.

His face suddenly changed!

Chen Feng looked at him with a weird smile.

Tang Ruhe's surface was soil-colored, cold sweat on his head and back.

He didn't even notice when Chen Feng did it, and when he reacted, his entire arm was no longer conscious.

too fast!

In an instant, his arm was screwed off!

The whole void was suddenly silent.

Even Tang Weijun behind, seeing this scene, his pupils shrink slightly, and his expression becomes thoughtful.

At this moment, Tang Ruhe's result is no longer something to be concerned about.

"Is this all your strength?"

Chen Feng's voice was neither light nor heavy, even without any tone, but it hit Tang Ruhe's heart like a heavy fist.

Along with this sentence, there was the coercion that originated from Chen Feng.

Obviously it was the cultivation base of the third floor of the Star Soul Martial God Realm, but the momentum skyrocketed, overwhelming him in one fell swoop!

Puff!

Tang Ruhe's eyes overflowed with boundless fear.

That fluttering sentence made him feel the breath of death!

He just knelt down!

It's like, if you don't kneel now, then it's not just his arm!

"Small...the little one has eyes but no beads..."

Tang Ruhe hung his head, his head almost clamped between his legs.

A heavy kowtow, not only on the ground, but also on Tang Weijun's pain point!

Behind him, Tang Weijun finally couldn't stand it anymore.

Even if he doesn't wait to see Tang Ruhe, he is still his person after all!

Fighting a dog depends on the owner!

Just when he was about to do it, Chen Feng happened to retract his coercion and meet his sight.

I saw the other party smiling and said: "I don't know our strength here, can we still be in the eyes of the second master?"

What Tang Weijun wanted to say was held back.

This Chen Feng is very thoughtful!

The ability to grasp people's hearts, even if he doesn't want to see him, has to admit that he has reached the point of perfection.

Full of anger and nowhere to vent, Tang Weijun glared directly at Tang Ruhe who was kneeling on the ground.

"Get here!"

Tang Ruhe rolled back humbly.

However, before he knelt down in front of Tang Weijun again, Tang Weijun, who was in a long black robe and sleeves, directly slapped him.

Tang Ruhe didn't even have time to whine, and was killed on the spot!

Tang Weijun's face was cold, and he didn't even bother to give him a look.

"The Tang family doesn't need this kind of soft knee waste!"

With that, he looked at Chen Feng.

"I promise you."

"As long as you get into the blue sword now, bring the people inside out to me."

Tang Weijun was thinking about it.

If these people can deal with the people in the blue sword, it just shows that they do have the strength.

Then it's okay to collect it for your own use.

If he couldn't deal with it, he wouldn't feel distressed if he died inside.

All in all, the Tang family will not suffer any losses.

Chen Feng was not surprised at the reply from Tang Weijun, the younger brother of the Tang family.

He curled his lips and smiled, turning around and looking at the Tiancun Beast Slave and Zhong Li Yuntian on both sides behind him.

"In a moment, everything will follow my plan."

With that said, he quickly gave the two separate instructions.

Tiancun Beast Slave is relatively simple.

He was prepared anyway.

In any case, what the eldest brother said must have the truth of the elder brother, and you can just do it yourself.

On the other side, Zhong Li Yuntian, after seeing Chen Feng's layout and careful planning many times, he also nodded his head for the current arrangement and prepared to follow suit.

After the explanation, the three of them walked towards the huge hole.

Walking into the broken pavilion, the surrounding light suddenly dimmed.

At this moment, people in this tall building are already empty.

Only the big cyan sword, after shrinking at the moment, is floating quietly inside.

Almost across the entire pavilion!

The three of Chen Feng looked extremely small in front of this blue sword.

All the members of the Tang family were waiting outside the pavilion.

Chen Feng looked at the two people next to him again.

"Remember, after going in later, Tian Can and I are responsible for making huge movements."

"Brother Zhong Li, you have to continue to keep your breath like this."

"You must understand a little bit. When we go in this time, we may not really fight with Yu Jianbai inside."

This is Chen Feng's initial plan.

However, this is not the only plan.

He turned around.

"However, even if we and Yu Jianbai's people still have to meet each other, Brother Zhong Li is still our killer."

Although Chen Feng had planted a demon heart in Zhong Li Yuntian's spiritual world, he did not rely on that demon heart to directly threaten Zhong Li Yuntian.

On the contrary, his attitude is more polite.

Some things, if you plan to do it from the bottom of your heart, are completely different from being forced to act!

Zhong Li Yuntian naturally knew Chen Feng's plan to make such an arrangement.

He could feel that the aura of Tiancun Beast Slave was rugged and powerful, mostly of a strength type and an actual offensive type.

[Chapter 5039: I wait, join hands, how?](#)

He had witnessed how Chen Feng's mental power was against the sky.

However, no matter who they are, if they really want to fight, they are still slightly inferior to Zhong Li Yuntian.

After all, he is a master of the seventh floor of the Star Soul Martial God Realm!

Chen Feng's arrangement for him as a killer was perfect.

"Brother, don't worry."

"After entering, I will fight wherever you tell me to fight."

The Tiancun Beast Slave stepped forward and looked at the blue sword.

A strong light burst into his eyes, and he was clearly eager to try.

Chen Feng and Zhong Li Yuntian looked at each other again, and after confirming each other's ideas, the three stepped into the blue sword together!

As soon as they entered it, the three people suddenly felt empty.

Immediately afterwards, there was a strong sense of weightlessness.

Chen Feng immediately grabbed the left and right people to prevent them from losing contact. [OBJ]

At this moment, he was tight and serious, and he was extremely vigilant in his heart!

It is often the most dangerous when they just enter.

Although Chen Feng's consciousness had already penetrated it first, he confirmed that there was no ambush around him.

But the cyan sword is Yu Jianbai's magic weapon after all.

Not afraid of ten thousand, just in case!

If Yu Jianbai used some special method, waiting for them to appear where they entered, and giving them a note of Mawei, it would be fatal.

At this moment, they lost the ground under their feet, as if they were falling from a high altitude.

At this moment, Chen Feng fully tested his spiritual consciousness.

Hum!

In that instant, what the divine sense detected was a special space.

They have entered the inner space of the cyan great sword!

After realizing this, the three vacated feet stepped on the ground. [OBJ]

The weightlessness disappeared!

The three of them shook their bodies a bit, opened their eyes immediately, and quickly began to poke around.

Chen Feng looked down.

At his feet, there is a broken ancient monument!

He raised his head and looked around again, and there was a quaint breath coming toward him.

The faces of all three were shocked.

They knew that within this cyan great sword was a special space.

But after he really came in, he was shocked beyond words by everything inside.

Vast space!

The top of the head is a chaos of blue-gray, and there are ruins at the foot!

The huge temple was shattered and bombarded to blackness.

On the ruins of the broken wall, you can still vaguely see the appearance of the original war.

The three of Chen Feng were shocking!

"This place should be a world independent of the outside world at this moment."

The main basis for Chen Feng to make this judgment was his spiritual consciousness since he entered it.

When the three of them stepped into it, Chen Feng felt for the first time that the vision "in front of him" suddenly became wider!

The Divine Sense that had been suppressed by the Xuanwu Middle Thousand Worlds instantly lost control, returning to the farthest distance that Chen Feng's Divine Sense could detect!

The surroundings are quiet and extremely silent.

There was no one in ambush nearby.

Chen Feng released his spiritual knowledge and checked.

Soon, he frowned.

His divine consciousness continued to extend as far as possible in this universe.

But no one was found!

There is no doubt that Yu Jianbai and others must be hidden!

Chen Feng and Zhong Li Yuntian exchanged their eyes, after confirming that the results of each other's sense detection were the same.

Chen Feng looked at the beast slave.

"Death."

The Tiancun Beast Slave nodded vigorously.

The two moved forward at the same time.

boom!

Two loud noises immediately echoed throughout the vast space.

The breath of Chen Feng and Tiancun Beast Slave was madly released.

The aura of Tiancun Beast Slave is extremely wild and domineering.

He waved a palm high and slapped the ruined wall fiercely.

The huge movement even spread beyond the blue sword.

Tang Weijun and the others who were waiting outside also showed a thoughtful look upon hearing such a fierce movement.

At the same time, Chen Feng's strong spiritual aura enveloped almost all the space within a radius of a hundred miles.

The state of silence did not last long.

Chen Feng's face changed slightly after the Tiancun Beast Slave was beating there for a while.

Wait!

He curled the corners of his lips and looked in one direction, his gaze seemed to look through the void, staring precisely at a corner.

"How do you call senior?"

Chen Feng's voice was neither light nor heavy, nor slow or slow, but it clearly reached the place he wanted to convey.

When the Tiancun Beast Slave heard Chen Feng's mouth suddenly, he looked over subconsciously.

There is only one stone, where is there any figure?

However, Chen Feng's posture must have found some clues.

"Senior should be able to feel it, we are all people from the top of the sky."

"I think we might be able to talk."

Chen Feng continued to speak softly.

Finally, under his gentle rhetoric, a figure suddenly flashed across the originally empty jumbled stone.

Without waiting for the Heavenly Remnant Beast Slave to react, a figure rushed towards Chen Feng!

The raging murderous intent appeared out of thin air, and once it appeared, it was mighty.

Goal, point at Chen Feng!

Zhong Li Yuntian, hiding his aura next to him, was hiding under a black dress, almost about to move.

At the moment when he was about to act, Chen Feng's voice resounded in his spiritual world.

"Stay steady, don't move!"

Zhong Li Yuntian forcibly resisted the reaction of his body, and watched a very fast figure, rushing towards Chen Feng.

However, Chen Feng still stopped in place, and instead of evading the sudden attack, he spoke.

"I have a plan to help you get rid of the Tang family's pursuit."

Before the words fell, a silver-white light dazzled Chen Feng's eyes.

In the end, the sharp blade instantly stopped between Chen Feng's neck.

It's only a minute away from his skin!

For a moment, the Tiancun Beast Slave stopped the blindly attacking hand and stared at the direction Chen Feng was in.

The heart that almost jumped out of the throat was still beating violently at the moment.

Chen Feng stood with his hand in his hand, looking at the figure that suddenly appeared in front of him, a smile slipped across his eyes.

"Next, Chen Feng."

She spoke again, still with a gentle smile.

It's as if I knew this would be the result from the beginning.

What a strong psychology should be able to be like this, not chaos in the face of danger!

The man who rushed in front of Chen Feng calmly pressed Chen Feng's eyes, as if he was engaged in some kind of silent contest.

In fact, Chen Feng already knew it.

It was Yu Jianbai from Zhongli Yuntian's mouth that appeared before him at this moment.

In the entire cyan great sword, only he could have such strength.

Just now, the speed and offensive that rushed towards him seemed to be exactly the move used to kill Tang Rongsheng before!

Even Chen Feng had to admit that this instant killing technique was really powerful!

Yu Jianbai was dressed in a dark blue robe, and his face was uncharacteristically pale.

[Chapter 5040: Below, fortunately not insulting one's life!](#)

It's as if I have never seen the sun before, and I feel sick.

And his eyes are even more gloomy, like a falcon, staring at the target firmly, and can detect the deepest feelings in the heart of the prey.

However, at this moment, he is facing Chen Feng.

He stared at Chen Feng for a long while, Chen Feng only had a gentle smile from beginning to end.

Finally, Yu Jianbai moved.

He retracted the cyan long sword in his hand and stood proudly in front of Chen Feng.

"I am Yu Jianbai."

"What do you want to say, you can say now."

Seeing Yu Jianbai withdrawing the magic weapon, Chen Feng even aroused a smile.

It seems that his plan is half successful!

He looked at Yu Jianbai and held his fist politely.

"Senior Yu, I'll speak bluntly."

"Everyone enters this trial mission, the goal is those blank invitations."

"I heard from the Tang family outside that Senior Yu has snatched three blank invitations from them."

Hearing this, Yu Jianbai couldn't help showing a smug smile on his face.

"So what? You want to say, you can help me get rid of the Tang family's pursuit, in return, do you want two invitation letters in my hand?"

Chen Feng was noncommittal.

"These are not what I want to say now."

He directly met Yu Jianbai's gaze, and the expression on his face became serious.

"Just when I was waiting to see the blue sword, I suddenly thought of a question."

"From the time we learned that the Tang family had three blank invitations to the present, we can say that we rushed over all the time."

"But even though we have moved so quickly, we are still one step behind."

"Has Senior Yu ever thought about the whereabouts of the three blank invitations from the Tang family, it might have been leaked too quickly?"

Hearing Chen Feng's words, not only Yu Jianbai's expression changed.

Even Tiancun Beast Slaves and others changed their expressions.

Now, Yu Jianbai has finally determined that Chen Feng has indeed come with sincerity.

He randomly glanced at the three of Chen Feng.

The strength is weaker than him.

After confirming that he wouldn't have any worries about his life, Yu Jianbai's expression relaxed a lot.

He looked at Chen Feng.

"what do you want to say in the end?"

Chen Feng asked in a deep voice, "Where did you get the news?"

Yu Jianbai thought for a moment, then said a place name.

Before he finished speaking, Chen Feng looked at the beast slave.

I saw the face of Tiancun Beast Slave was full of surprise.

"I got it from there too!"

Chen Feng did not continue to inquire.

He looked at Yu Jianbai.

"This result, to be honest, was expected."

Yu Jianbai is not a brainless person.

Chen Feng's words were all said to this point, of course he understood.

The three blank invitations from the Tang family are definitely a conspiracy!

And he was accidentally played as a chess piece by a mysterious figure!

Realizing this, a **** energy appeared on Yu Jianbai's face.

This is a sign of his anger.

"It seems that we have all fallen into this trap now."

"In that case, how about joining forces?"

Upon hearing Chen Feng's words, Yu Jianbai suddenly reacted.

He looked at Chen Feng in front of him.

At some point, Chen Feng had regained his smile, as if everything in the world was in control.

This Chen Feng is not strong, but his mind is quite advanced.

Yu Jianbai suddenly had a contest in his heart.

It seems that the three of Chen Feng should be conscious of average strength, so they will take the initiative to find him at this moment, wanting to seek his powerful combat effectiveness.

Maybe, if you join with them, you can indeed achieve a win-win result.

Thinking of this, Yu Jianbai looked at Chen Feng and asked, "How to join hands?"

Chen Feng took a step forward, leaned to his ear, and quickly explained what he had prepared.

...

Outside the tall pavilion.

More than a dozen flying boats always surrounded the entire pavilion.

Tang Weijun released his divine consciousness and constantly probed the blue sword.

He could perceive that since the three of them had just entered it, fierce fighting sounds continued from within the cyan sword.

Suddenly, there was an incomparable mental fluctuation that broke out from within.

Perceiving this, Tang Weijun understood in his heart.

It seems that the young man with strong mental power has finally started!

Tang Weijun understands Chen Feng's mental strength.

Otherwise, even though the pressure of the eighth floor of the Star Soul Martial God Realm was not fully released, it was definitely something that ordinary cultivators could bear.

At that time, Chen Feng not only didn't vomit blood, but also didn't even bend his waist.

As the tyrannical mental fluctuations erupted, screams faintly rang out from the blue sword.

boom!

boom!

The Tang family servants and attendants outside, just listening to the voice, can't help feeling frightened.

The battle inside is too fierce!

At this moment, everyone felt fortunate in their hearts.

Fortunately, the three of them were allowed to enter, otherwise it would be theirs if they would have died soon.

When everyone was secretly rejoicing, suddenly a figure shot out from the blue sword.

In an instant, everyone showed the magic weapon.

However, what rushed out this time was not the same as before.

It's a corpse!

A corpse in strange clothes!

The corpse seemed to be shattered by a punch, with a big hole in its chest.

It's dead!

Tang Weijun looked at the fallen body with a cold expression.

It seems that the three boys really didn't talk about him.

When they entered, they had not taken off the Tang family's clothing.

This dead person must be the person in the blue sword.

The battle inside seems to be fierce.

After a long time, the sound inside the cyan sword gradually stopped.

It seems that the battle inside has finally come to an end.

Tang Weijun waved, and all the flying boats followed him into the broken pavilion.

Amidst the ruins, a cyan sword runs across.

At this moment, the light of this huge cyan sword was also dimmed a lot.

Suddenly, three people walked out of the green sword.

The three of them were covered in blood, and the Tang family's clothing had already been stained red with blood, and it was almost impossible to distinguish the family pattern on it.

Nevertheless, Tang Weijun and others recognized it for the first time.

It is Chen Feng three people!

Not only that, but Chen Feng was dragging a person in his hands.

This person closed his eyes tightly, his face was pale and bloodless, his breath had already been completely cut off.

In such a fierce battle, in the end, it seems that Chen Feng trio won!

Chen Feng touched the blood on his face and saw Tang Weijun in front of him at a glance, and then a smile appeared on his face.

That is the smile of victory!

Tang Weijun is overjoyed!

Chen Feng came to Tang Weijun and threw the man dragging his hand directly in front of Tang Weijun.

He clasped his fists in both hands and bowed to salute.

"Fortunately, I have brought the body of the thief who stole the invitation letter from the blue sword."

The same goes for the Tianchou beast slave and Zhongli Yuntian who are following him.
