

## Peerless 5101

### [Chapter 5101: Completely desperate and defeated!](#)

The effect of poisonous alcohol is becoming more and more obvious.

In this weird killing array, although Jiang Yongnian struggled to resist, and his cards were frequently played, his physical condition was still plummeting.

In the face of such a weird killing formation, Jiang Yongnian has no power to parry at this moment!

In an instant, he became ragged and messy hair!

He looked very embarrassed.

How unwilling Jiang Yongnian is!

He roared and yelled, still struggling to death.

The surrounding dining tables were beaten to only one bang after another.

At this moment, killing Duan Muxi was no longer his current goal.

Jiang Yongnian's eyes kept floating around, as if he was looking for something.

Or who is it attracting!

Ahead, Duan Muxi naturally noticed his concealed move.

He sneered, looking at Jiang Yongnian who was helpless, as if everything could not escape his eyes.

"Are you looking for him?"

The tone is extremely conceited!

However, it immediately attracted Jiang Yongnian's attention.

Duanmuxi waved his hand, and there was movement immediately behind him.

The movement moved from far to near, and soon a lot of guards appeared.

But this time these guards were not used to deal with Jiang Yongnian.

They just rushed one person!

Said to be human, but it is not very human.

Everyone can only vaguely see that it should be a young man.

It's just that the young man is now unkempt and can't see his face clearly.

It's not as if it was dragged up!

Not only was his cultivation abolished and his breath as a cultivator was completely lost, the bones of this person's body were all broken!

It can be said that no part of his body is intact!

It is hard to imagine how much torture this person has suffered!

Whether it was Jiang Yongnian or the people hiding behind the curtain in the distance, when they saw this scene, they couldn't help taking a breath.

Nothing else, just for this person's body, is the Duanmu family's direct line of clothing!

Embroidered on it is the family pattern of the Duanmu family!

Ordinary members of the Duanmu family are not eligible to wear costumes with the pattern of the family line!

Duanmuxi looked at the person who was dragged up.

The sight seems to be looking at a dead dog!

No sympathy!

Some are just joking and disdain.

"My good brother, you know how to plan."

"If I didn't know the news in advance, I would really not believe it, there are still people in the entire Duanmu family who are thinking about my identity and location."

Duan Muxi stepped forward, grabbed the man's unkempt and dirty hair, and forcibly raised his head, forcing him to look at himself.

From the unkempt and dirty hair, there appeared a face very similar to Duan Muxi!

"Danmu Ni Rui, before today, I would never have thought that this person would be you!"

In the distance, everyone heard these words and saw this scene, and they all staged a shocking scene in their hearts.

After the curtain, many people talked about it.

"I didn't expect the Duanmu family to be so turbulent."

"Unexpectedly unite outsiders."

...

In the midst of everyone's discussion, Jiang Yongnian, who saw this scene, couldn't help showing a look of despair.

That's it!

All ruined!

All his plans and plans have all been lost!

You know, Jiang Yongnian has been planning and planning this time to enter the Xuanwu Zhongqian World.

He wanted to win the blood of Duanmuxi's gods and demons and grab the invitation to the gods and demons conference!

After a long period of observation and testing, he finally confirmed one thing:

Duanmuxi's younger brother, Duanmu Ni Rui, has always been unwilling to succumb to Duanmuxi's shadow.

He wants to be on top!

Want to become the next city lord of Duanmu Xiancheng!

Although Duanmu Ni Rui has never awakened the blood of the gods and demons, he also has extremely high talent and strength!

It's just that because of Duanmuxi's sudden blood awakening, the entire Duanmu Xiancheng is like forgetting him!

Even if someone remembers it, it will only be compared with Duan Muxi.

In the home, his father and Duanmuxi even sit on an equal footing, and there is no place for him at all.

Outside, we have to be ignored and pityed.

This makes Duanmu Ni Rui unwilling!

How angry!

Jiang Yongnian saw this opportunity!

Therefore, when Jiang Yongnian approached him, the two hit it off, and they were in an alliance.

But now, all plans have fallen through!

At this moment, Jiang Yongnian, who was trapped in the killing formation, was full of horror.

This Duan Muxi's methods are too cruel!

He was quite sure that Duanmu Ni Rui had not been noticed yesterday.

That was discovered by accident earlier today!

From discovering the strangeness of his younger brother, to now, his cultivation base was abolished, and he was tortured so hard.

This Duan Muxi is definitely a cruel one!

As Duanmu Ni Rui was dragged up, dozens of guards appeared, and everyone was holding figures in the same clothes as them.

Apparently, it should be Duanmu Ni Rui's men.

Duan Muxi looked at those people coldly, without the slightest fluctuation in his eyes.

Wave.

"kill!"

Following this order, Duanmu Ni Rui and the dozens of subordinates were all taken to the martial arts field in the center.

Raise the sword with your hands and kill them all!

Don't leave one!

In a blink of an eye, blood flowed in the martial arts field.

The guests who could see from a distance constricted their pupils, and their hearts were horrified.

No one thought that they would come to participate in the discussion meeting in the City Lord's Mansion today, and they would actually evolve into this scene.

Duan Muxi stood with his hand in hand, coldly watching the headless corpses fall down on the martial arts field.

He turned and continued to look at Jiang Yongnian who was besieged by the killing array.

"Family ugliness has been resolved, you will be the next one."

"You instigated my brother to turn against me, so I had to kill him to avoid future troubles."

"This enmity is no less than your delusion to take my blood and grab my invitation!"

Seeing Duanmuxi's furious appearance, Jiang Yongnian was completely desperate.

The plan completely failed!

"Why... why did you know in advance!"

He broke down and yelled.

In the distant crowd, a slight change suddenly appeared on the face of a thin man.

Jiang Yongnian roared in anger.

"Who is it! Who betrayed me!"

From the beginning to the end, the plan was well prepared.

Duan Muxi suddenly learned of this today, there is only one possibility.

An insider betrayed him!

At this moment, Nangong Ruxue who was standing on the side of the high platform smiled and stood up.

Her beautiful eyes looked far away, the thin man hiding in the crowd.

Then, Qin Qi Zhu lip: "What? Does anyone know about this? In addition to telling him, who else did you tell?"

The thin man hiding in the crowd was instantly stupid.

This person, who else could he be without Cui Jiuxi!

Everything happened too fast!

Just as Jiang Yongnian didn't react to the leaked plan, Cui Jiuxi didn't expect it at all.

[Chapter 5102: Chen Feng, it turns out this is your calculation!](#)

At this moment, Nangong Ru Xue, who had nothing to do with him, would suddenly point the finger at him at this moment!

Following the guidance of Nangong Ruxue, Cui Jiuxi's whereabouts were immediately invisible!

The people around him evaded one after another, and their eyes looked at him like a scourge.

For a while, a vacuum quickly appeared around Cui Jiuxi, and his figure could be captured at a glance!

Cui Jiuxi's expression suddenly changed!

"Cui Jiuxi! It really is you!"

With bloodshot eyes, Jiang Yongnian stared fiercely at Cui Jiuxi who was trying to hide behind the curtain.

They were originally immortals from the top of the sky, and had little contact with the people in Duanmu Immortal City.

Very few people know all of his plans!

Right now, Duanmu Ni Rui exposed his figure, and all his cronies were beheaded for public display.

At such a price, it is naturally impossible for him to blew himself up.

Since it is impossible for Duanmu Ni Rui to leak, there are not many candidates left.

Jiang Yongnian roared, the endless anger was completely ignited at this moment!

Although he was in the killing formation, at this moment, an extremely terrifying aura suddenly erupted from his body.

"You harm me! Why are you harming me!"

Although it is highly toxic, the explosive power of a person in an instant is not the same.

Jiang Yongnian, who was severely injured in embarrassment, had blue veins and knots all over, and his eyes were splitting!

Hatred!

All preparations after entering the Xuanwu Middle Thousand Worlds were not only destroyed by Cui Jiuxi.

I'm afraid it is today, even he himself will suffer here!

How unwilling!

How can I let go of the betrayer!

Almost instantly, Jiang Yongnian yelled to the sky, and he broke free from the killing formation.

boom!

With a loud noise, he stared at Cui Jiuxi, his figure swiftly killed him.

The coercion of the peak of the eighth floor of the Star Soul Martial God Realm, overwhelming the sky, slammed Cui Jiuxi crazily!

At this moment, Jiang Yongnian was completely free from it!

"Even if I die, I can't let you go!"

Before long, Jiang Yongnian had already killed him.

Cui Jiuxi was completely inferior to him, and under the pressure of terror, he was unable to move.

I could only watch Jiang Yongnian turn his hand to sacrifice a snake-shaped long sword and kill him!

At this time, Cui Jiuxi felt a flash of lightning in his heart!

He understands everything!

All this is definitely planned by Chen Feng!

When he told Chen Feng about Jiang Yongnian yesterday, he never imagined that what Chen Feng was thinking was actually such a plan!

Kill with a knife!

The murderous intent is like a hurricane.

Cui Jiuxi is helpless!

Before he died, he caught a glimpse of Chen Feng in the crowd beside him.

"Chen Feng, you hurt me!"

With this screaming scream, in the next second, he turned into a dead soul under Jiang Yongnian's snake-shaped long sword.

Cui Jiuxi, die!

Don't look down!

Not far from the side, Chen Feng's expression was faint, without fluctuations.

"Chen Feng!"

Jiang Yongnian heard the name Cui Jiuxi called out before he died.

However, he didn't care.

What matters more now is Duan Muxi and his party who besieged again behind him!

Want him to die? Never possible!

Jiang Yongnian at this time has long been reckless.

Even if it consumes his life force, he has to hold on to this last breath.

If you can wait for the voice of the Lord of Heaven to prompt you to return, perhaps you can escape this mortal situation!

But this is easier said than done!

Duanmuxi rushed forward, and the offensive became more and more fierce!

Jiang Yongnian wanted to escape from the City Lord's Mansion, but at this moment, a woman's voice came from a distance.

"I'll help you!"

It was Nangong Ru Xue who rushed up with a smile!

As soon as the voice fell, the powerful aura of the eighth floor of the Star Soul Martial God Realm also burst from her body!

Compared with Duanmuxi, they are not at all disadvantaged!

She was dressed in a strong outfit, brave and vigorous, and joined forces with Duan Muxi on the spot.

There is a great understanding between each other!

Duan Muxi looked sideways, with a touch of movement and appreciation in his eyes.

For a time, the two attacked from left to right, almost blocking Jiang Yongnian's back path!

The offensive was sharp and ruthless, and the entire front hall was already in a mess.

Jiang Yongnian was already poisoned. At this moment, he was forced to suppress the poison and fight with Duanmuxi.

In addition, Nangong Ruxue immediately showed a decline!

boom!

After another blow, Jiang Yongnian's temples were already pale and pale!

Using vitality to consume, it has already reached the limit of poverty!

If you don't break free of the two, I'm afraid there will be no chance!

Thinking of this, Jiang Yongnian's heart was overwhelmed and finally made a decision.

He also has a hole card.

It's just that the price of this hole card is too big!

Moreover, with his current strength, even if he uses this hole card, he can only last three breaths at most.

If it weren't for the current situation, Jiang Yongnian would never consider using this hole card.

Because the price is too high!

But no matter how great the price is, as long as you live, you still have a chance to recover.

Hum!

The billowing air suddenly gushes out!

The world fades at this moment!

The faces of Duanmuxi and Nangong Ruxue changed!

"this is....."

Many onlookers couldn't help but exclaim.

"The breath of the ninth building in the Star Soul Martial God Realm!"

Chen Feng whispered.

This is the trump card possessed by a strong man at the peak of the eighth floor of the Star Soul Martial God Realm!

At this moment, Jiang Yongnian was covered in blood, but like a mad \*\*\*\* Shura, his aura continued to rise.

boom!

At the time of the first breath, more than ten guards who were besieged by a punch!

Under the terrifying coercion of the ninth building, they were hit by this punch on the spot and turned into blood!

At the time of the second breath, both punches come out!

In a furious state, Duanmuxi and Nangong Ruxue were forced to retreat!

Even though the blood of the gods and demons was awakened, at this moment, Duan Muxi couldn't help but vomit blood.

Nangong Ru Xue next to her, even more so.

By this time, a way to escape from the City Lord's Mansion had been opened up by Jiang Yongnian.

He gritted his teeth and jumped up.

The ground sank in an instant, and the center was broken into dust!

That is the power and speed belonging to the ninth floor of the Star Soul Martial God Realm!

Even if Duan Muxi wanted to chase after him, he could only watch Jiang Yongnian quickly flee under his nose!

In just three breaths, Jiang Yongnian felt a little relieved.

He successfully escaped from the guarded city lord mansion!

Suddenly there was a smell of sweetness in the throat.

Jiang Yongnian suppressed it embarrassedly and savagely, looking straight into the distance.

It's not safe yet!

May be caught up at any time!

However, just as he was struggling, he flew away from the city lord mansion soon.

A slender figure stopped in front of him at some point.

Jiang Yongnian rushed forward without thinking about it.

However, a simple wand strike was actually stopping him!

For a moment, Jiang Yongnian was dumbfounded.

In the backlight, it was vaguely seen that the person blocking the road was actually a famous Feng Bingyun!

[Chapter 5103: It's you? Chen Feng!](#)

How could she appear here?

Why are you stopping me!

After being astonished, it was furious.

At this time, he appeared outside the city lord's mansion, just in the middle of his escape.

If it was a coincidence, a three-year-old would not believe it.

No matter what the reason is, appearing here at this moment is an enemy or not a friend!

Jiang Yongnian's eyes and heart were burning with anger.

He roared.

"Feng Bingyun, you and I have no grievances in the past, and I have no grudges these days! What can I do to stop me!"

He finally managed to get a breakthrough, seeing this mortal situation, he was killed by his life.

At this moment, a strong man who is also the eighth floor of the Star Soul Martial God Realm jumped out, and he was about to cut his life!

Jiang Yongnian is going crazy!

"Feng Bingyun, get out of here!"

"If I don't die, I will promise you great benefits in the future on the top of the sky!"

"You and I are all immortals on the top of the sky, why bother to kill each other!"

He spoke extremely fast and made no secret of his urgency.

Even, humble, almost begging!

It can be seen that he is really afraid of Feng Bingyun to the extreme!

But even though Feng Bingyun in front of him looked embarrassed, he still didn't let go.

"Sorry."

Feng Bingyun said indifferently: "But I owe someone a favor, and he let me stop you."

"Who?"

Jiang Yongnian asked subconsciously.

A voice came from the city lord's mansion behind him.

"it's me."

Hearing the sound, Jiang Yongnian looked back subconsciously.

It was Chen Feng that came out of the city lord's mansion!

At this moment, Jiang Yongnian's face showed a trace of confusion and perplexity.

"who are you!"

Hearing this, Chen Feng couldn't help but curl his lips.

He raised his head to look at Jiang Yongnian, his eyes full of joking and indifference.

"Chu Ping asked you to kill me, but you still don't know who I am?"

Hearing this, Jiang Yongnian's pupils shrank suddenly!

"You are Chen Feng!"

He didn't expect that Chen Feng, who he didn't care about, would cut his life at the last moment!

Until now, Jiang Yongnian finally realized his fault.

He regretted it!

From the very beginning, he shouldn't treat Chen Feng as the kind of ants that could be crushed to death!

How could he be a mediocre person who could make Chu Pingsheng specially entrust him to come forward and stop talking!

Even when Cui Jiuxi called out the phrase "Chen Feng" just before he died, he should have realized this.

All the changes today are probably the means of the person in front of you!

In an instant, everything became clear in Jiang Yongnian's mind.

But after all, this awakening came too late!

In the city lord's mansion behind them, Duan Muxi and Nangong Ru Xue chased after him.

Jiang Yongnian's eyes were gradually filled with despair.

Magic weapons and artifacts rose into the sky, one blue and one purple radiance from far to near.

There is Feng Bingyun in the front, and the City Lord's Mansion in the back.

"Today, my Jiang Yongnian is destined to fall here!"

With a long sigh, there is a will to die!

Jiang Yongnian turned to his side and confronted Duanmuxi and Nangong Ruxue who had been killed.

"I'm unwilling! I'm unwilling!"

Under the long roar of the sky, his aura skyrocketed again!

The speed is even faster than before!

The gray sideburns returned to black at a speed visible to the naked eye, and the decayed face became \*\*\*\* again!

Seeing this change, everyone present sank.

He is planning to fight to the death!

When reaching a person of strength like Jiang Yongnian, everyone was so proud.

Even if you die in battle, you must drag the opponent to die together!

Ink hair will automatically go without wind, and the overwhelming air waves are even worse!

The yin wind roared on the ground, Duan Muxi's expression changed immediately.

No matter how high-spirited and arrogant he is, under such pressure, he does not dare to be big!

This person wants to gather all his vitality in this final blow!

The cultivation base soared directly out of the ninth floor of the Star Soul Martial God Realm!

Even Patriarch Duanmu came in person, he might not be able to take this shocking blow!

"Withdraw! Quickly withdraw!"

Duan Muxi shouted, turning around to retreat violently.

However, just when he had spare energy to retreat to the City Lord's Mansion, Yu Guang caught a glimpse of something.

The original movement suddenly stagnated.

The murderous spirit ahead was like an avalanche and victory over a tsunami. His speed was fairly fast, but Nangong Ruxue couldn't!

Although Nangong Ruxue's cultivation is good, his physical strength is still a bit weak after all.

Such an attack, relying on her strength, would definitely not be able to evade!

At this moment, Duanmuxi's face kept changing.

In his mind, a scene of Nangong Ruxue taking the initiative to help emerged just now in the front hall.

The daughter of the lord of Ziluo Xiancheng, the much-anticipated fairy Nangong, will also be his wife.

If it is not saved at this time, with Nangong Ruxue's physical strength, he will definitely die!

She must not die!

Between the sparks and flints, Duanmu Xilai couldn't think about it, and immediately reversed the posture of fleeing forcibly, turning around and rushing towards Fairy Nangong.

Shengsheng stood in front of Fairy Nangong!

Turn over and take out a magical artifact.

The dark red light suddenly lit up along with the overwhelming offensive.

Bang!

Everything happened so fast!

Outside the nearby city lord's mansion, all the guards were overthrown to the ground.

Even Chen Feng in the distance could not help but feel a surge of blood.

Originally, his injury was not fully recovered, but it aggravated slightly.

And Duanmuxi and Nangong Ruxue, who are the closest to Jiang Yongnian, don't need to say more!

The artifact in his hand hadn't even had time to see its original appearance, and it was completely scrapped at this moment!

By this desperate blow, completely bombarded to pieces!

Duanmuxi and Nangong Ruxue were directly shot into the air!

Under the protection of Duanmuxi, Fairy Nangong stretched out his hand to catch Duanmuxi who rushed towards her.

She could clearly hear the sound of Duan Muxi's bones breaking when the desperate blow came.

At this moment, there was light in Nangong Ru Xue's eyes.

"Young Master Duanmu!"

In the distance, Jiang Yongnian's hole cards were completely squandered.

He is dying.

At the last moment of this life, he saw a scene of the gifted and beautiful woman from a distance.

Suddenly, he seemed to realize something.

Suddenly, his eyes widened, as if he couldn't believe it!

"Impossible! How could this be? This is totally unreasonable!"

"How could she do this?"

In his eyes, there was a flash of weirdness.

Upon closer inspection, it seems to be somewhat clear and relieved.

"So... so..."

Jiang Yongnian looked up to the sky and slowly fell.

The breeze is blowing.

In the process of falling, his body gradually weathered.

In the end, even the corpse was not left behind!

At this moment, a huge voice suddenly sounded in the minds of all the immortals from the top of the sky.

"Duanmu Xiancheng City Lord's Mansion will end here."

"This mission ends here."

"In the next hour, you can return to the top of the sky at any moment."

That is the voice of the Lord of Heaven!

[Chapter 5104: It was you who killed me? !](#)

Many strong men on the top of the sky are instantly ecstatic.

It is extremely relaxed.

"Fucking! It's over! I can finally leave here."

I thought that this was an extremely easy task, but I didn't expect that after coming here, there were countless masters, conspiracies, and extremely dangerous.

It's a situation like hell.

They don't know.

All this is because of Chen Feng.

Because of the grievances between Chen Feng and Chu Ping, because of Chen Feng's status as a god-level villain.

As a direct result, the difficulty of this mission has increased infinitely!

Very dangerous!

Extremely dangerous!

With this voice, Jiang Yongnian could escape for his life even a few moments earlier.

However, it is a pity that Jiang Yongnian will never hear.

far away.

Chen Feng's heart was immediately excited!

"Great! The last trace of worry is no longer needed!"

With the hint of the Lord of Heaven, it means that he has a back hand in this world.

Next, no matter what he encounters, he can leave at any time!

Ahead.

Fairy Nangong sat up, holding Duan Muxi who fell on her with both hands, showing concern.

"Master Duanmu, Duanmuxi! Are you okay?"

In the soft tone, there was urgency and worry.

Duan Muxi was still bleeding, and the blood stained Fairy Nangong's clothes red.

"It's okay, I can't die..."

Duan Muxi, who was gently lifted up, looked at Fairy Shang Nangong with a slight smile on his face.

"Heroes save beauty, human nature."

Even though he was arrogant and arrogant, in the tenderness of Fairy Nangong, he couldn't help but soften a bit.

Not far away, the other City Lord's Mansion masters who had caught up saw this scene, their faces showed expressions that everyone knew.

Quite wisely retreating.

Soon, they returned to the City Lord's Mansion, not to disturb the pair of talented men and women who were about to get married.

After this encounter, the two have experienced life and death.

I'm afraid that the relationship can increase a lot.

In the days to come, it will surely become a good talk of the two fairy cities.

With the support of Fairy Nangong, Duan Muxi stood up.

"wait for me."

After he finished speaking, he turned to look at Chen Feng and others who had not left.

"who are you?"

There was also a somewhat proud look down in his eyes.

Even though he was seriously injured now, the young man in the City Lord's Mansion still had a high posture.

Although his posture did not converge a bit, his eyes flickered, but he was preparing to capture Chen Feng, a man of unknown origin.

He has seen everything that happened today.

The person in front of him must be Chen Feng from Jiang Yongnian and Cui Jiuxi.

The Feng Bingyun in front was helpless in his current state.

But Chen Feng in front of him is okay.

It's just a waste of the fourth floor of the Star Soul Martial God Realm.

Even though he has all kinds of tricks, under torture, he does not believe that he does not reveal the truth!

This person, whether it's an enemy or a friend, must first give up his prestige before speaking.

If it is an enemy, remove it directly.

If it is of use value, it can also be conquered.

This is his way of doing things. In his eyes, people like Chen Feng are like ants!

Thinking like this, Duan Muxi walked towards Chen Feng.

At this moment, Chen Feng stopped drinking!

"Don't do it yet!"

It didn't use any cultivation base, and the sound did not spread far.

However, the strange look in his eyes gave Duan Muxi an immediate warning.

Sneak attack?

Duan Muxi turned around immediately and looked at Feng Bingyun in the distance.

But Feng Bingyun remained motionless behind him, quite far away from them.

That would be...

puff!

At the moment Duan Muxi quickly explored his surroundings, a long sword pierced his Dantian world directly from behind him!

Time seemed to freeze suddenly.

Duan Muxi's face was pale, and he couldn't believe it.

Turning his face slowly, what he saw was Nangong Ruxue!

She, who was still tender in her eyes a moment ago, pierced his Dantian with a sword at this moment.

Duan Muxi would never have thought that after Jiang Yongnian's desperate blow, he had left himself a more deadly hidden danger.

At this time, another figure appeared in the direction of the City Lord's Mansion.

Duan Muxi understood everything the moment he saw someone appear.

"You are all in the same group!"

It was Zhong Li Yuntian who came!

Until now, Duanmuxi reacted violently.

He looked around, all the masters in the mansion had gone back!

Nangong Ruxue and Chen Feng are also in the same group!

All this is in their plan!

"not good!"

Duan Muxi realized something immediately, and opened his mouth to roar and call back to the guards who avoided suspicion in the mansion.

But how could Chen Feng and the others let him do what he wanted!

"kill!"

In an instant, Chen Feng, Tiancun Beast Slave, and Zhong Li Yuntian surrounded Duanmuxi.

Duan Muxi, who was seriously injured and dying, fell to the ground before he could call for help!

Not far away, Feng Bingyun also rushed over.

She looked at Nangong Ru Xue, and the two women exchanged glances immediately.

boom!

Outside the city lord's mansion, where the son and fairy Nangong were, a loud noise suddenly erupted.

The masters in the mansion who had just returned, their complexions changed immediately.

When they rushed back to the scene, Young Master Duanmu was already in a pool of blood!

Next to him, Fairy Nangong was soaked in blood, vomiting blood while struggling to resist.

There were tears in her eyes, and she looked sad and indignant.

The weather spewed out, but helpless, another woman in the Eighth Floor of the Star Soul Martial God Realm was even stronger!

Suddenly, the woman gave a palm.

Nangong Ruxue couldn't dodge, she was about to die under this palm!

boom!

All the guards worked hard to save the life of Fairy Nangong from the woman!

Nangong Ruxue's breath at this moment is weak.

But her emotions were very agitated, and her chest was violently up and down.

"Kill them!"

Reaching out to Chen Feng and others, his tone was excited and full of hatred.

The guards of the Duanmu family understand everything!

Suddenly, everyone felt extremely annoyed!

In their view, it was their negligence and self-righteousness to avoid suspicion that led to the current misery!

They looked at the four of Chen Feng, furious!

"Kill them! Take revenge for the son!"

With a roar of anger, all the guards surrounded them!

Chen Feng was standing next to Duanmuxi's body.

"Help me block three breaths!"

With a roar, Zhong Li Yuntian, Tianchou Beast Slave and Feng Bingyun immediately got the order.

The three of them surrounded Chen Feng.

boom!

boom!

boom!

Three directions, the sound of bombardment is endless.

More and more guards and masters rushed out of the city lord's mansion!

Even Feng Bingyun, who is as strong as the eight-story building of the Star Soul and Martial God Realm, could hardly resist for too long!

This is also the result of more powerful masters such as Duanmu Patriarch, after being injured and retreating in the projection of strangling the Great Compassionate King Kong Demon!

[Chapter 5105: Return to the top of the sky!](#)

The time for three breaths is the limit!

But enough!

Chen Feng had already fully used the Supreme God Demonizing Dragon Art.

Soon, the \*\*\*\* cloud-like breath did not receive the slightest obstruction, and left directly from Duan Muxi's corpse, pouring into Chen Feng's body.

Three breaths of time, only had time to let him peel off the blood of the gods and demons in Duan Muxi!

As soon as the divestiture was completed, Chen Feng forcibly suppressed the subsequent process.

Now is not the time for refining!

In the Dantian world, a brand-new bloodline of the gods and demons quietly suspended in it.

Chen Feng opened his eyes and let out a wild roar.

"go!"

At the same time, Chen Feng, Tiancun Beast Slave, Zhong Liyuntian and Feng Bingyun shouted in their minds at the same time.

"Master of Heaven, I am waiting to complete the task and return to the top of the sky!"

"You can return!"

As the voice of heaven dominating the vastness sounded, cyan light diffused out of the four people's bodies.

The guards sneered and roared.

"I see where you still want to escape today!"

However, at the moment when everyone took a shot, the body of Chen Feng and the four of them had a blue light suddenly radiant, extremely strong!

In the end, it turned into a thick cyan beam of light, straight to the world!

The four of them disappeared in full view!

And this fragmented space instantly returned to its original shape.

Before finally disappearing, Chen Feng glanced back at Fairy Nangong deeply.

It just so happened that Nangong Ru Xue was also watching him.

The moment when the eyes met, there seemed to be all kinds of emotions in his eyes.

However, no one noticed this detail.

"Chen Feng."

In the thick cyan light beam, Feng Bingyun next to him also looked over at this moment.

She looked at Chen Feng deeply.

"You are really the second most powerful person I have ever seen since entering the top of the sky."

This is what Feng Bingyun said from the bottom of his heart.

Although the contact with Chen Feng was only a few days.

However, in these few days, she was deeply shocked by the scheming city mansion and layout that Chen Feng showed.

The first time I saw the Great Demon Lin Temple, this person who was clearly not as strong as her, could take the initiative to assume the position of the backbone when the Lord of Heaven suddenly issued a hidden task.

It is precisely because of his presence that the seemingly impossible task was actually completed by them!

Even in the end, apart from Chen Feng's own bleeding, she, Zhong Li Yuntian and others were almost in no danger.

Including the strategy of three birds with one stone later, it is even more brilliant!

Feng Bingyun entered the top of the sky, and apart from that person, he had never seen such a scheming person.

"Second most powerful?"

Chen Feng keenly captured the key information from Feng Bingyun's mouth.

However, before he had time to ask who was number one, the cyan beam disappeared.

The four have returned to the top of the sky!

Feng Bingyun, Zhong Li Yuntian and others disappeared from sight.

Looking at the direction in which Feng Bingyun disappeared, Chen Feng had a slight regret in his heart, but he did not take it too seriously.

Since they are all on top of the sky, we will see you sooner or later.

He closed his eyes and reviewed the entire process of this trial mission.

Especially this last day.

It started with the appearance of Cui Jiuxi last night.

When Chen Feng saw Cui Jiuxi in the auction house with the help of the black robe, he already had a lot of speculation in his mind.

Why is he here?

What is the purpose?

To what extent was he betrayed?

After that, in the secret room, Cui Jiuxi told him a message through the black-robed man he was controlling.

Cui Jiuxi is very smart.

He knew what Chen Feng wanted.

But he also knew that Chen Feng was smarter than him!

Cui Jiuxi knew what it meant by not appearing for such a long time and suddenly appearing here.

Therefore, in order to show his sincerity, he did not hesitate to tell Chen Feng all the news.

"Chu Pingsheng entrusted you to kill your heavenly immortal, named Jiang Yongnian."

"However, this person is more conceited. After I told him your cultivation level, I didn't take you to heart."

"This time going to this trial world, his main purpose is not on you."

...

Chen Feng quietly listened to Cui Jiuxi talking about all Jiang Yongnian's plans.

In his heart, his plan was quietly brewing.

It is also the last plan of this mission!

First, it is waiting for someone.

Nangong Ruxue!

He knew the meaning of ten blank invitations from the City Lord's Mansion, and believed that Nangong Ruxue would surely find the auction house he had marked.

Therefore, he will quietly wait for Fairy Nangong to arrive in the ruined auction house.

When the two were in private conversations, Chen Feng told Fairy Nangong about Jiang Yongnian's desire to seize the blood of the gods and the devil and grab invitations.

"Why are you telling me this?"

After hearing this, Fairy Nangong frowned slightly and opened Zhu's mouth lightly, with a smile in his eyes.

At that time, Chen Feng calmly met her gaze, opened his mouth, and only asked a word.

"You also want Duanmuxi to die?"

Although it is a question, it uses a declarative tone.

He has the answer in his mind.

Fairy Nangong was shocked, her eyes gradually cold.

"You can't talk nonsense about this."

However, Chen Feng did not doubt her judgment because of her reaction.

Instead, he chuckled lightly.

"Ziluo Xiancheng and Duanmu Xiancheng both hope you can marry Duanmuxi."

"But actually, you don't want to."

"You have lofty ambitions, and you want to find a good future for yourself, instead of being caught by these mundane things."

"I was right."

Seeing what Chen Feng said so eloquently, Fairy Nangong made a sudden move.

She didn't deny or admit directly, but chuckled and asked.

"How did you see it?"

"There are a lot of female nuns in the world, but who can be like you, when traveling to a neighboring city as the daughter of the city lord, she is dressed in strong clothes, riding on her own mount, not willing to sit in a chariot."

"You have no feelings for Duanmuxi, but if you don't pretend to befriend him, your father will find another son for you."

"If he can die, then use the illusion of your affection."

"Not only will it not cause the two cities to be at odds, but it will also persuade your father to never introduce others to you."

This is why he impressed Fairy Nangong!

Afterwards, the two conspired and asked Fairy Nangong to tell Duan Muxi about Jiang Yongnian's plan.

In her capacity, Duan Muxi would not doubt anything.

In this way, the first trap is laid.

With the help of Duan Muxi, kill Jiang Yongnian!

However, before the killing, Fairy Nangong came forward and told Jiang Yongnian that it was Cui Jiuxi's secret.

I believe that Jiang Yongnian has been planning for a long time, and the mentality of a shattered move will definitely kill Cui Jiuxi!

In this way, Cui Jiuxi's troubles were completely eliminated.

Chen Feng knew better than anyone that Cui Jiuxi was amazing.

[Chapter 5106: Change the main line of the world! Great gain!](#)

And he knew even more that the reason why Cui Jiuxi came to the door at that time was not because he had never betrayed him.

If he had never betrayed, how could Jiang Yongnian easily inform him of these plans!

The reason for appearing temporarily was just for that invitation letter.

Jiang Yongnian was too arrogant, he didn't even want to grab an invitation letter for Cui Jiuxi.

When Chen Feng handed the invitation letter to Cui Jiuxi, he was already very clear.

He and Cui Jiuxi have already torn their faces!

It's just that Cui Jiuxi was too scheming to speak out in person.

But Chen Feng didn't want him to have such a clever man with unparalleled wisdom, calculating himself behind his back.

The last goal of this three-bird strategy with one stone is Duan Muxi!

Using Duan Muxi to kill Jiang Yongnian, and using Jiang Yongnian to kill Cui Jiuxi, Duan Muxi will be seriously injured by that time.

The reason why he and Fairy Nangong can reach cooperation is Duan Muxi!

At this time, Chen Feng killed Duan Muxi and pretended to seriously injured Nangong Fairy.

Such and such, can also be regarded as taking the initiative to carry the pot for Fairy Nangong.

In this way, apart from the four of Chen Feng, no one would have thought that Fairy Nangong was also one of the accomplices.

Naturally, Duanmu Xiancheng will not be blamed.

And Chen Feng happened to absorb Duan Muxi's blood of the gods and demons into his body.

So far, all plans have been successfully completed!

Chen Feng is the biggest winner of this Xuanwu mission in the Thousand Worlds!

In the next instant, Chen Feng appeared on a platform.

There is a clear and misty light all around, looking far away, without seeing the edge.

Silent, like being in a deserted universe.

This is the transitional space for returning to the top of the sky, and Chen Feng has seen it more than once.

Until now, he finally sighed slightly, the whole person relaxed, and began to carefully count the gains of this mission.

The scenes from entering this world quickly flashed in front of them.

The first is to complete the regular tasks, as well as the two additional tasks of the destiny title "God-level villain".

Therefore, many magical power sources and heavenly jade slips have been rewarded by the Lord of Heaven.

In addition, in the auction he planned on the last night, he got the biggest gain from this trial mission.

Hyakki Yakami Reincarnation Scripture and a key to enter the wireless killing all battlefield mission!

Chen Feng liked these two things more than Feng Bingyun's desperate desire for the King Kong Jingang Jing.

"The harvest from this trial mission is pretty good!"

Up to now, Chen Feng has a total of 150,000 heavenly jade slips and 25 supernatural powers.

Faced with such a plentiful recovery, Chen Feng couldn't help but sketch a smile.

The next moment, the voice of the Lord of Heaven suddenly sounded.

"Trial fairy Chen Feng, in the Xuanwu Middle Thousand Worlds mission."

"Punch Duanmuxi! Punish the Duanmu family, the Tang family... some powerful people!"

"With the help of the ancestors of the Tang family and the Patriarch of Duanmu, we will destroy the projection of the King Kong Demon of Great Compassion and Joy, and change the pattern of this world!"

"Chen Feng's actions have a greater impact on this world, causing the main line of this world to deviate."

"Change the main line of the world, so reward..."

Hearing the voice of Heavenly Dao dominating Gujing Wubo, Chen Feng couldn't help but be full of brilliance.

However, when he saw clearly the rewards given by the Lord of Heaven, his whole body trembled!

A hint of ecstasy flashed in his eyes!

"It turned out to be! It turned out to be this!"

He did not expect that killing Duan Muxi and using the powerful people of the two major families to deal with the projection of the Great Compassionate King Kong Demon could actually cause the main line of the world to deviate.

Even more unexpectedly, in addition to the Heavenly Dao Jade Slips and the source of magical powers, the rewards of the Lord of Heaven would have this!

Outside the giant bronze fangs gate at this time, many people were already waiting.

The first to bear the brunt is the person who is close to the immortal who entered this trial mission.

Secondly, it is the person who is guilty of the immortal entering this trial mission.

Such as Chu Pingsheng!

As early as the first time when the giant bronze fangs giant gate was about to be opened, he and some of his followers came to the giant towers of the heavens and ten thousand realms.

The people gathered around gradually increased.

Everyone was chatting, waiting for the opening of the giant bronze fangs gate.

However, there was a faint vacuum around Chu Pingsheng and others.

After everyone entered the huge towers of the heavens and ten thousand realms, they found him there, and subconsciously avoided them as much as possible.

I saw Chu Ping staring at the giant bronze fangs in front of him, his eyes faint.

Chen Feng!

Thinking of this kid, the corners of Chu Pingsheng's lips could not help but rise slightly.

"Boy, the snake seventeen last time, count you lucky."

"I don't believe it, this time, you will be so lucky to survive!"

Since the last time the Snake Seventeen failed, he found this time, but the real Celestial Celestial!

He paid a great price to invite Jiang Yongnian!

"Chen Feng, I have to see if you can come out alive."

Chu Ping was never an arrogant person.

This time, with Jiang Yongnian's shot, ten Chen Feng might not be able to withstand his attack!

Thinking of this, Chu Pingsheng showed a faint smile on his face.

As if holding on to victory!

Soon, the people from the Beidou team also came.

Chu Pingsheng glanced lightly, frowning slightly.

Fairy Yuheng did not personally greet him.

Could it be...

What he thought of, the corners of his lips were even more wanton.

Looking sideways, he gave the entourage around him a look.

Following the order, he immediately took two steps forward.

Chu Ping's appearance here has attracted everyone's attention.

The entourage by his side suddenly stepped forward and immediately became the focus of everyone.

"You must also know that this trial mission at Gate A 12."

"Because an immortal in the sky suddenly appeared, the difficulty was temporarily increased."

"It's up to now, and I don't hide it from you, that's my master's handwriting!"

Hearing this news, everyone present looked at Chu Pingsheng's eyes, and immediately became more jealous.

At the same time, there were admiration and shock.

so amazing!

Unscrupulously inserting a Celestial Celestial in the second level trial mission, during which he needs to use three top magic weapons to resist his life.

Even the ordinary heavenly immortals can't do this!

"Young Master Chu really impresses my generation!"

"Yeah, yeah, such strength and foundation are so embarrassing for me to wait."

...

For a time, everyone said flattering and flattering words towards Chu Pingsheng.

However, at the same time, everyone quickly realized something.

At this moment, Chu Pingsheng's entourage suddenly announced the news to them, and it must have been his consideration.

Someone quickly thought of it and asked.

"Master Chu's arrangement resulted in a total of four heavenly immortals and nine half-step heavenly immortals entering the trial world together."

"I don't know what effect it will cause."

"Maybe, it will completely change the general trend of the trial world!"

[Chapter 5107: It's time to surprise you!](#)

"In the final analysis, these are actually the credit of Master Chu!"

"Yes! Young Master Chu can really be regarded as strategizing thousands of miles away, it is admirable!"

"As a result, I couldn't help but become more curious about everyone who came out."

The crowd continued to marvel, and even hurriedly left the towers of the heavens and ten thousand realms to contact more companions.

However, someone soon thought of someone.

Chen Feng of the Beidou team!

Many people present knew about the grievances between Chen Feng and Chu Pingsheng.

This time Chu Ping did not hesitate to spend a lot of money to let the heavenly immortals mix into his trial world, presumably to kill him.

Thinking of this, many people sighed to Chen Feng in secret.

It's not good to provoke him, but he provokes this young man!

In this trial mission, I'm afraid that Chen Feng will never return again.

As more and more people gather around, there are more and more people discussing these things in private.

Chu Pingsheng's smile deepened.

This is his purpose!

With the help of this battle, you will be completely famous!

Let everyone on the top of the sky know that if you provoke him, the ending must be ugly!

As the time for the opening of the giant bronze fangs gate approaches, more and more people enter the giant towers of the heavens and ten thousand realms.

Everyone wanted to see what kind of effect would a few heavenly immortals enter into such a trial world.

How much world trend can it change?

After all, this situation has rarely happened before.

As for Chen Feng, apart from the individual companions of the Beidou team, almost no one paid attention.

No one thought that Chen Feng could come back alive under the chasing of an immortal in the sky!

At the moment of much attention, suddenly, the giant bronze fangs made a loud noise.

The door opens slowly!

Soon, figures appeared one after another.

It's just completely different from what everyone expected.

There is no shortage of powerful Celestial Celestials who walk out of the giant bronze fangs!

But when they appeared, they were covered with blood!

The white robes of the white-robed people are all dyed red with blood!

Feng Bingyun followed immediately.

She walked out of the huge bronze fangs gate, and also suffered serious injuries!

Everyone exclaimed, they didn't expect Feng Bingyun to also enter this second level trial mission.

Moreover, the injury looks more serious than the previous one!

After Feng Bingyun walked out of the huge bronze fangs gate, she looked at Chu Pingsheng with beautiful eyes.

His face was ugly, and his eyes were full of gloom.

In the end, she turned and left without saying a word.

The smile on Chu Pingsheng's face gradually stagnated.

"How is this going?"

"How it seems that a terrible thing has happened in this trial world!"

"Even the immortal in the sky is covered in blood! It's terrible!"

Everyone guessed, and their hearts were full of fear for a while.

And those who came to pick up related immortals, their faces gradually became ugly.

Even the strong at the top of the sky are so embarrassed, the remaining trial immortals...

Immediately afterwards, another figure rushed out.

For example, Cang Shaotian burst into tears when he came out.

Setting foot on the top of the sky again, Cang Shaotian felt uncomfortable for a while, he actually knelt directly on the ground, venting with a low growl.

"I finally came back alive!"

Seeing this scene, everyone was even more terrified.

Half-step heavenly immortals reacted this way, how terrifying was this trial mission?

After a lot of time, everyone's faces gradually became gloomy.

Especially Chu Pingsheng, staring fiercely at the giant bronze fangs gate, was extremely frightened in his heart!

He didn't see Cui Jiuxi coming out!

Didn't see Jiang Yongnian either!

How is this going?

But this is the fact.

Then someone appeared one after another, all of them extremely powerful, mostly half-step heavenly immortals like Zhongliyuntian.

But without exception, all of them looked ugly and said nothing.

No one said anything about what happened inside!

Then, among the giant bronze fangs, no one appeared for a long time.

"Isn't it...this is...no one?"

The people waiting outside were all stupid.

Everyone looked at each other, and they all felt the same at the moment.

"Impossible... Only a dozen people came out!"

At the beginning, there were more than sixty people in total!

How could this be!

Chu Pingsheng quietly stared at the giant bronze fangs gate.

For some reason, after Cui Jiuxi and Jiang Yongnian could not wait until he came out, a very bad premonition gradually rose in his heart.

Suddenly, at this moment, someone nearby exclaimed.

"Someone has come out again!"

In the giant bronze fangs gate, two more figures appeared.

Chen Feng, Tiancun Beast Slave!

When everyone saw Chen Feng's appearance, there was no sound in the entire tower of the heavens and ten thousand realms!

I saw Chen Feng strode out of the giant bronze fangs gate.

Although his body was hurt, his face was smiling.

"Chu Pingsheng, I'm sorry, the sky immortal you sent was destroyed by me."

More than a smile on Chu Pingsheng's face!

There was an unbelievable look almost instantly.

He stared at Chen Feng, his lips pressed tightly.

Hearing Chen Feng's extremely provocative words, many people looked at Chu Pingsheng subconsciously.

Earlier, Chu Pingsheng asked his entourage to openly plant the secret of the immortal in the sky. At this moment, no one knew that Chu Ping had spent so much time in his life. It was nothing more than killing Chen Feng.

But now, Chen Feng actually came out alive!

Not only did he come out, but he also bluntly killed a fairy in the sky!

This is too slapped!

By now, the only trace left in Chu Pingsheng's heart was unbelievable, and finally had to settle down.

Jiang Yongnian and Cui Jiuxi must have died inside.

how can that be!

Countless lights cast on Chu Pingsheng's face, like scorching flames, shining his face hot.

It's embarrassing!

Especially the look in the eyes of Chen Feng on the other side.

It was actually looking down!

Chu Pingsheng's expression changed again and again, and the anger and hatred in his heart instantly reached unprecedented heights.

"Chen Feng!"

Opening the mouth is actually a murderous intention!

In his eyes, he made no secret of his sinister and murderous intent.

"Don't be proud of you for too long."

"Next time, for your task, I will do it myself!"

Chu Pingsheng was scared!

Chen Feng in front of him has grown too fast!

Almost to the point of frightening him!

If he doesn't take the shot himself, maybe it will be too late if he comes back.

However, Chen Feng only sneered when he heard this.

He was not afraid at all, and his eyes were full of killing intent.

The moment he walked out of the giant bronze fangs and saw Chu Ping's life, there was a voice in his heart that kept echoing.

"Chu Pingsheng, do you think I will wait until then?"

"Will not!"

"Before, I had been passively resisting and resisting, that was because of insufficient strength!"

"But now, I have enough strength!"

"It's time to surprise you!"

[Chapter 5108: Fairy Yuheng! Endless killing advanced battlefield missions!](#)

"A... a huge surprise!"

Seeing the murderous scene of Chen Feng and Chu Ping's tit-for-tat confrontation, the hearts of most people around were shocked.

"This Chen Feng is probably dead."

"Yeah, forcing Chu Pingsheng to shoot himself, that's really angry."

Many people lowered their voices and discussed privately.

But now, there is another voice.

"I don't think so."

"I remember that Chu Pingsheng sent someone to kill him more than once. Last time, he killed seventeen snakes and came back alive. This time, he can kill even the immortals in the sky!"

"Such a terrifying growth rate, maybe it can really create miracles."

After this voice appeared, the voice that originally accounted for the vast majority of voices unexpectedly subsided.

It makes sense!

At this moment, many talents have realized the growth rate of Chen Feng.

"How long has he been on the top of the sky? Does anyone know?"

...

Regardless of everyone's discussion, Chen Feng and the Tiancun Beast Slave strode towards the Beidou team, and soon left the huge tower of the heavens and ten thousand realms.

"Thank you, help me find something."

Chen Feng quickly whispered in the ears of the Heavenly Canal Beast Slave as soon as he came out of the huge tower of the heavens and ten thousand realms.

After the Tiancun Beast Slave left, the expression on Chen Feng's face gradually sank.

Fairy Yuheng is not here!

This made him extremely disturbed.

Chen Feng was very sure that if it wasn't for some accident, Fairy Yuheng would come to pick them up in person under normal circumstances.

Endless killing advanced battlefield missions.

The name flashed through my mind quickly.

Chen Feng hastened back to Beidou Fudi.

It's just that he just used the Samsara jade card to enter the Blessed Land of the Big Dipper, and immediately felt a terrifying aura that destroys the world!

The valley, which was originally extremely beautiful, is now in a mess!

The spring water stopped flowing and the bamboo forest fell down.

The cliff broke into several pieces, the green grass was withered and the fairy birds were howling.

The large tracts of Taolin seem to have suffered a devastating attack. The flowers were originally blooming for ten miles, but now they are withered and broken.

Originally, the refreshing Qingmengmeng stars had a refreshing breath as soon as he entered, but now only the horrible aura that is out of control is left.

"what happened?"

Chen Feng was shocked, and his spiritual consciousness quickly dispersed.

Soon, he saw Fairy Yuheng in a palace on the top of the mountain.

She still wore a bright red dress, but at the moment she lost her composure.

The breath of horror burst out continuously.

The huge power floating under the sky nearby was constantly pouring into Fairy Yuheng.

However, she still cannot relieve her anxiety.

Compared with the last time I met, the blood on Fairy Yuheng nowadays is more.

She looked sluggish, and her whole body was severely injured.

But by the way, her vitality became more vigorous.

When I met last time, I still remembered that she said that the suppressed cultivation level broke through in one fell swoop, and the realm was directly to the eighth floor of the Star Soul Martial God Realm!

Fairy Yuheng now has a higher cultivation base than when we met last time!

It should be a breakthrough to the ninth floor of the Star Soul Martial God Realm!

With such strength, why still frown?

Chen Feng remembered what Fairy Yuheng said last time.

Presumably, the third mission she failed last time was the endless killing advanced battlefield mission.

Chen Feng came directly to Fairy Yuheng.

Seeing Chen Feng's return, Fairy Yu Heng condensed her impatience.

"Chen Feng, I knew that you would complete the task safely."

"How? Chu Ping didn't embarrass you in his life, right?"

Chen Feng briefly talked about the process of the trial task.

At the end of hearing, Fairy Yuheng couldn't help but pale a little.

She looked at Chen Feng deeply.

"Chen Feng, your growth rate is really amazing."

"Every time I think that you have exceeded my expectations, you can always refresh my new perception."

A trial mission, directly to be able to compete with the master of the eighth floor of the Star Soul Martial God Realm.

This speed is too terrifying!

"I'll talk about these later."

Chen Feng looked at Fairy Shang Yuheng with a little worry in his eyes.

"You look impatient. Is something wrong?"

Seeing Chen Feng doing this, Fairy Yuheng couldn't help sighing.

"You can see it too."

Chen Feng glanced around.

"Look at the entire Beidou Fortune Land, can I see it?"

Fairy Yuheng was surprised, and immediately looked around, her beautiful eyes widened immediately.

Then, an emotion of chagrin appeared on her face.

"So what's the matter?"

Fairy Yuheng couldn't help laughing wryly.

"My next task will be very simple, I'm not sure."

She sighed: "I might die there."

Chen Feng's heart moved.

"Is it an endless killing advanced battlefield mission?"

Hearing the name spit out from Chen Feng's mouth, Fairy Yuheng raised his eyes in surprise.

"You knew already?"

Chen Feng nodded.

Now that I know it, I don't need to introduce it anymore.

Fairy Yuheng sighed again.

"My next mission, if not surprising, is in a month."

"The next task is four months later."

"In other words, I still have four months to prepare."

Having said this, even Fairy Yuheng couldn't help but show a little despair in his eyes.

She opened her mouth lightly, her voice trembling slightly.

"But I don't know what else to do."

"As soon as I enter there, what is waiting for me is an inexhaustible enemy! There is no room for recovery."

"What's more terrifying is that I have failed three times!"

Having said this, Fairy Yuheng grew desperate in her eyes.

"Three times! The ordinary task that the Lord of Heaven has released to me now is not difficult at all."

"If there is no difficulty, there is no huge reward."

With that said, she looked at Chen Feng with death in her eyes.

"Chen Feng, I don't have any treasures to withstand my life now."

"It's very likely that you will never see me again in four months."

Listening to Fairy Yuheng's words, Chen Feng felt thoughtful.

He reached out and patted Fairy Yuheng on the back, gently comforting her.

"Don't worry. It's not that way."

"You let me think about it, what to do."

Chen Feng kept thinking about it.

In the end, he made certain decisions.

"Fairy Yuheng, believe me, you may not die in four months."

Perhaps Chen Feng's appearance was too serious, so that Fairy Yuheng suddenly felt a glimmer of hope in her heart.

After comforting Fairy Yuheng, Chen Feng walked out with almost no rest.

"Where are you going?"

Fairy Yuheng was a little surprised.

Chen Feng replied: "Xuanhuang in the world."

In the Galaxy Sword Sect, there are still many things waiting for him to solve.

Especially... Yi Changkong!

He can remember the three-month agreement clearly.

#### [Chapter 5109: Healing Tower](#)

Chen Feng let out a long breath, a sharp sharp flash in his eyes.

"Master of Heaven, I want to return to the Xuanhuang Middle Thousand World."

He spoke lightly.

In an instant, Qingguang quickly wrapped it.

His figure quickly faded, and then disappeared in the Beidou blessed land.

at the same time.

Tianshu Jianzong.

Zhong Li Yaoqin felt a breath of fluctuation in the first time.

She looked far away towards Chen Feng's residence, her face suddenly changed.

The disappearance and appearance of Chen Feng's breath became second.

What shocked her was a fleeting breath of terror!

"What kind of power is this? Why is it fleeting with Chen Feng's arrival?"

"Could it be Chen Feng's?"

In an instant, countless possibilities flashed through Zhong Li Yaoqin's heart.

"Regardless of the truth, this Chen Feng must have a great secret."

Of course, what she didn't know was that the terrifying aura that she had captured was actually the aura of heaven dominating.

At the same time, on the highest floating mountain, the master of the Galaxy Sword Sect was sitting in the highest hall.

At the moment Chen Feng appeared, his eyes seemed to be able to see through the void, directly seeing the scene of Chen Feng's appearance.

The corner of his lips couldn't help but a little smile appeared.

"Unexpectedly, such a big movement is helpless to you."

"In the end, you survived."

"It seems that it is time to cultivate you a little bit."

These words of the sect master seemed to be talking to himself, but they seemed to be explaining to someone.

Once Chen Feng returned to the Galaxy Sword Sect, he got up and went to the valley where Zhong Li Yaoqin was.

Goodbye Zhongli Yaoqin, she stood in front of the star core waterfall as before.

Without waiting for him to speak, Zhong Li Yaoqin had already felt it and turned around.

The slender and graceful figure, the red dress is as fierce as fire.

Sweeping away the lifelessness from the inside out in the past, the current Zhongli Yaoqin is obviously more refined than before!

"metropolitan."

Chen Feng still remembered that when he returned to the top of the sky that day, the Lord of Heaven said it.

Nearby there are the remnants of the top power of the sky.

Suspected person of choice!

It should be Zhongli Yaoqin in front of him.

However, there was no rush to pull her into the top of the sky.

Chen Feng came to see her now, mainly for other things.

Thinking of this, he raised his head and opened his mouth.

It was Zhong Li Yaoqin's appearance that he was hesitant to speak.

Chen Feng immediately understood.

It seems that the movement of his return from the top of the sky should have been caught by the Sect Master.

The current Zhongli Yaoqin obviously wanted to ask what was going on, but he hesitated and didn't speak.

However, Chen Feng just thought she hadn't noticed her and stopped talking.

Right now, it is not the time to speak frankly.

In the end, Zhong Li Yaoqin did not speak.

She sighed lightly.

When I looked at Chen Feng again, his face had returned to his former calm.

"What is it for me?"

Chen Feng met her gaze.

"Sect Master, I have suffered a little injury. I want to know if the Sect has a special healing place?"

Although, Chen Feng has been in the Galaxy Sword Sect for some time.

But the previous process was tortuous and ups and downs. In the final analysis, he had just become a handyman disciple and became an official disciple of the Galaxy Sword Sect.

Therefore, I don't know much about the sect.

After hearing Chen Feng's words, Zhong Li Yaoqin suddenly noticed the changes in the person in front of him.

She narrowed her beautiful eyes, and unabashedly looked at Chen Feng in front of her.

After a few days of absence, Chen Feng's breath in front of him was obviously stronger!

However, it was indeed seriously injured!

Moreover, Zhong Li Yaoqin could tell at a glance that these injuries could never be caused by retreat practice.

It's more like going through some kind of extremely tragic fight.

She looked at Chen Feng deeply, and there were obvious words on her face without saying anything.

Chen Feng was able to clearly capture what she wanted to say from the expression of the lord—Chen Feng, what have you experienced during this time?

But he chose silence again.

Some ideas in my mind gradually began to brew.

Zhong Li Yaoqin waited for a while but did not see Chen Feng take the initiative to explain, and he understood his attitude in his heart.

Since he doesn't say it now, let him go.

It is not terrible to have a secret in a person, as long as he returns to the Tianshu Sword Sect and calls her the Sect Master, then let him go.

Zhong Li Yaoqin spoke slowly.

"There is indeed a Zongmen Healing Tower in the Galaxy Sword Sect, which can be exchanged for using Zongmen Great Power."

"You can live in a small tower for one day with three hundred accomplishments."

Chen Feng frowned upon hearing this exchange rate.

"Three hundred great merits? How effective is the healing tower?"

Zhong Li Yaoqin knew his reaction.

She chuckled, "Three hundred great achievements are not a loss."

"There is a Yuqing Returning Spirit Array in the Healing Tower, which is the supreme array to help recover from injuries."

"You spend three hundred times to go in for a day to heal your wounds, then come out and basically recover."

"Do you know the real rejuvenation pill?"

Chen Feng was stunned for a moment, and immediately remembered.

That day, in the Hall of Immortality, Yun Wan'er's cousin Yun Feihe deceived his Huangquan Shura bone jade and gave it to his younger brother Yun Feilong.

At that time, when Yun Feilong handed in his bone jade, there was the Rejuvenation True Pill in the reward.

"It is said that once a person in the Star Soul Martial God Realm takes it, no matter the multiple injuries, they can basically heal immediately."

Zhong Li Yaoqin nodded slightly when he heard Chen Feng's words.

"That's right. And if you stay in the healing tower for a day, the effect will be similar to this third-grade Baodan."

"Those below the seventh floor of the Star Soul Martial God Realm can recover immediately no matter what their injuries are."

Hearing such news, Chen Feng was overjoyed.

Although his injury was not light, on the last day of the Xuanwu Middle Thousand Worlds, the Supreme God Demon Transforming Dragon Art suddenly operated on its own, actively using an absorbed blood of the God and Demon to restore the root.

According to the Sect Master, once these three hundred great achievements are paid, they will be completely healed the next day.

"The disciple will pass first."

Chen Feng followed the direction indicated by Zhong Li Yaoqin and said goodbye immediately.

The Zongmen Healing Tower is not far from the Hall of Contribution.

Chen Feng noticed that the Floating Mountain where the Zongmen Healing Tower was located was not far from the Five Sword Sects.

You can clearly see where the five great sword sects are when you scan everywhere, and occasionally disciples can be seen flying out and approaching the floating mountain.

However, the number is not very large.

I wanted to come because of the cost of 300 sects' great achievements in one day. After all, it was still slightly larger.

Not all disciples are willing to use the three hundred sect masters in exchange for immediate recovery.

Even Chen Feng has only 10,000 achievements in total at present, and he has robbed the fruits of 5,000 achievements.

Soon, he came to the floating mountain where the healing tower was located.

Unlike the Floating Mountain where the Zongmen Hall and the Five Great Sword Sects are located, the Floating Mountain where the Healing Tower is located is not that big.

But as soon as he got closer, he could feel the refreshing breath that was constantly released from the floating mountain.

When Chen Feng stepped into it, his body could clearly feel extremely comfortable!

[Chapter 5110: Give you an explanation? Are you worthy?](#)

There seemed to be countless little hands in the surrounding air, softly wrapping every inch of his skin.

The skin wounds and superficial injuries left over after the war are getting better!

"Is this the foundation of the Galaxy Sword Sect?"

Chen Feng whispered and looked forward.

Towers of small copper-green exquisite towers stand.

And around them, light green fluorescence lingers.

Think about it, that is the breath of Yuqing returning the spirit formation.

Even if they were far apart, Chen Feng could clearly feel the majestic healing spirit!

"Really good!"

Chen Feng walked forward.

Suddenly, his brows frowned.

At almost the same time, Chen Feng suddenly slid two sword auras in front of him.

Jian Qi had no intention to kill, and the main purpose was to stop him.

However, those who come are by no means kind!

Chen Feng turned around and looked at the person coming.

"Isn't this the famous Chen Feng?"

"Master Chen, I heard that you have finally become an official disciple? Congratulations!"

"Yes, it was hard to enter the Tianshu Sword Sect, Master Chen really lives up to his reputation."

Walking towards Chen Feng were three men in white clothes.

Chen Feng noticed that they were wearing the uniform clothing of the Sword Sect of Heaven, and there were embroidered stars on their chests.

It seems that they are all true disciples.

It was the two people who just spoke.

The man in the middle glanced at Chen Feng contemptuously, then looked to both sides.

"It's nothing more than a \*\*\*\* crushed by our big brother, and it's worth your attention."

Upon hearing this, the two left and right nodded and said yes.

At the same time, in Chen Feng's eyes, he did not hide his contempt and mockery.

"Senior Brother Ji is right."

"We just thought that after three months, this kid would have to challenge Senior Brother Yi. It felt ridiculous."

When the disciple surnamed Ji in the middle heard this, he simply sneered.

"An ant is ignorant and fearless. If we take him seriously, we will have no brains."

The three sang a harmony, taunting Chen Feng in different ways.

Tianquan Jianzong has always had a deep grudge against Tianshu Jianzong.

Ever since Chen Feng entered the Galaxy Sword Sect, there have been many conflicts with the people of the Tianquan Sword Sect.

Seeing the cynicism of these true disciples, Chen Feng didn't feel pain or itching in his heart.

Even thought it was ridiculous.

At the moment when he turned to look at them, Chen Feng discovered his spiritual knowledge and found out the cultivation base of the three.

Two Star Soul Martial God Realm fourth floor, the one in the middle, the Star Soul Martial God Realm fifth floor.

While speaking, the three disciples of Tianquan Sword Sect had already arrived in front of Chen Feng.

"Who are you?"

Chen Feng looked at the three indifferently.

Hearing Chen Feng's icy words, the expressions of the three who were triumphant at first became ugly.

They ridiculed them for a while, but they didn't even know who they were.

It's just hitting them in the face!

It was the disciple Ji in the middle who reacted first.

His face was extremely ugly, and he looked at Chen Feng coldly: "Who do you think you are? What qualifications do you have to know our identity."

Chen Feng rolled his eyes on the spot.

I have seen arrogant people, never seen such a mindless arrogant.

"No matter, the disciples of the Heavenly Power Sword Sect are all the same anyway."

Having said that, he turned around and planned to continue to the healing tower.

Just about to leave, he was stopped by two sword lights.

"Young Master Chen, what are you anxious for? I heard that you humiliated Ji Xingyuan from our Heavenly Power Sword Sect!"

"This matter, shouldn't we give us an explanation from the Heavenly Power Sword Sect!"

Chen Feng was taken aback and remembered what happened before returning to the top of the sky last time.

At that time, he was also anxious to contribute to the hall, but was stopped by Ji Xingyuan, who had no eyesight.

Thinking about it this way, the three in front of him are exactly the same as Ji Xingyuan.

He smiled slightly: "Give you an explanation? Are you worthy?"

When the voice fell, the three of them instantly changed their colors.

"Boy, you are looking for death!"

"I'm looking for death?"

Chen Feng flicked his fingers and his face was carefree:

"Why? You Tianquan Sword Sect, there is not enough kneeling and kowtow. Will you rush to kneel and kowtow for me?"

Hearing this, the three were completely irritated.

"Chen Feng! No matter how sharp your teeth are, you still haven't been stepped on by Brother Yi!"

The disciple surnamed Ji looked at the healing tower in front of him.

"I don't think you will use it to heal your wounds. Anyway, if you don't heal your wounds, you will still have to be crushed on the ground by our senior brother Yi!"

As he said, he laughed sullenly.

"If you want me to say, why let Senior Brother Yi do it yourself, I can just hit you on your knees and give me a kowtow right now!"

Hearing these words, Chen Feng couldn't help laughing.

"The Heavenly Power Sword Sect is afraid that it is going to decline, and all the disciples who received it are stupid."

He stared at the three with cold eyes, and the coercion gradually released from his body.

"I am injured. But even so, ten of you who are in full bloom, I can make you kneel down and kowtow to me!"

When the words fell, the three disciples of the Heavenly Power Sword Sect in front of them suddenly became furious.

It's crazy!

Who does he think he is!

But they were furious and ready to do it, the next second, the three of them all changed their faces.

"how can that be!"

"impossible!"

"You have broken through again! It is definitely not only the strength of the fourth floor of the Star Soul Martial God Realm!"

The supreme coercion rushed towards them.

The fourth floor of the Star Soul Martial God Realm! The fifth floor! The sixth floor!

The surrounding emptiness continued to increase its coercion, as if thousands of mountains fell, and it was extremely heavy!

The trio's complexion kept turning extremely ugly.

Do your best to resist, but how can it be better than Chen Feng!

"Kneel me down!"

With Chen Feng's violent shout, the coercion suddenly intensified!

Puff!

Puff!

Puff!

Three crisp sounds of knees touching the ground immediately sounded one after another.

Chen Feng came slowly to the three of them, looking down at them from top to bottom.

The three people at this moment have long lost their previous provocative, arrogant, and proud appearance.

Even a trace of regret flashed in their eyes.

I regretted why I saw Chen Feng and followed him up to mock him.

But everything is too late!

They never thought that Chen Feng would actually do something to them!

The disciple surnamed Ji was struck by his neck, his face was bloodshot and his veins violent.

He said with difficulty.

"The disciples of the same sect... shall not kill each other!"

Hearing this, Chen Feng couldn't help laughing.

Even if he became a formal disciple, he never cared about the rules that disciples of the same discipline must not be mutually exclusive.

Whoever provokes, he hits whoever!

Besides, he hasn't done it yet.

It's just breath shocking.

He stared coldly at the three people kneeling in front of him.

"I'll give you a piece of advice. If you don't have the skills, you should clamp your tail and be your lackey."

"Barking at a stranger, and being beaten to death with a stick sooner or later!"

Chen Feng's words were full of murderous aura.

For a moment, the three of them truly felt that death was so close to them.

So that the three of them instinctively chose to beg for mercy almost instantly.
