

Peerless 5511

[Chapter 5511: The third test, failed?](#)

Chen Feng whispered in his mouth.

In an instant, the white long knife slashed into the golden light curtain.

The expected sound of gold and stone did not sound!

Even Zhong Li Yaoqin and Zhai Changzun couldn't help but look over.

At the intersection of the white long knife and the golden light curtain, the golden light curtain was obviously dimmed!

"this is....."

Even Zhong Li Yaoqin's pupils shrank suddenly.

With her cultivation base and understanding of the Dao, it is enough to see the Dao and Xing clearly.

Chen Feng didn't know what method he used, but he was trying to dissolve Zhai Changzun's Dao Yun!

The two are now stuck in a stalemate.

A golden light is dim, and the surrounding area will quickly flood in, constantly replenishing.

As for Chen Feng, he can only support it hard.

His heart fell deeply.

not enough!

This method is possible, but Chen Feng's cultivation base is really too low!

And the remaining time is too little.

If it is another day or two, let him master the power of the tragic element, and the golden light curtain in front of him will no longer be able to stop him!

"hateful!"

Chen Feng almost broke his teeth, but he could only watch the golden light curtain in front of him, regaining the light.

At this moment, Zhongli Yaoqin's voice came in his ears.

"We should be able to break this game if we join forces!"

Hearing this, Chen Feng suddenly looked back.

He looked at the golden light curtain in front of Zhongli Yaoqin, his expression instantly changed.

"You thought of breaking the game like this?"

From the very beginning, Zhong Li Yaoqin always urged the long sword to hit the golden light curtain in front of him.

In fact, what she hits is always the same point!

Four consecutive days of attacks were enough to make that light curtain weaker than the surroundings.

Chen Feng immediately understood.

The next moment, the long swords and long knives all shot towards that place!

boom!

The huge roar burst apart.

In an instant, the golden light curtain collapsed!

And the rhyme of the two swords and swordsmanship fell apart in an instant.

"It's done!"

Chen Feng's expression was happy, and he let out a long sigh of relief.

On the last day, completing the test of the second level was a surprise.

He put away his Dao Yun, looking at Zhongli Yaoqin, his expression could not hide his joy.

"It seems that the golden light of the lotus platform is like the first level before."

"I'm afraid that the intensity will not be so great for one person to pass."

"When the two enter it, the difficulty of the two is directly superimposed."

"It is definitely not a breakthrough that can be achieved by oneself."

Zhongli Yaoqin nodded.

"However, compared to passing the second test, I am more surprised by your enlightenment ability."

"Four days ago, you couldn't even condense it."

"Now, not only is it handy, but there is even a way that I didn't even think of."

Reverse Tao Yun and return to nothingness!

This is not just talking.

The two quickly came to Zhai Changzun and asked about the third level.

"The third level, not here."

Chen Feng asked immediately with an excuse.

"Where is that?"

Before the words fell, I saw the **** of desolation in front of him, and suddenly rose into the air.

In the next moment, he stretched out his hands and pointed them together.

This kind of **** seemed to be slow or slow, and came slowly towards Chen Feng.

However, Chen Feng's heart jumped instinctively.

"not good!"

Just as he had a warning, Zhai Changzun's light voice heard.

"This is the third level."

boom!

The gust of wind roared around them.

The two only felt a flower in front of them, and their bodies suddenly lost weight and quickly fell towards the bottom of the mountain.

Chen Feng subconsciously wanted to urge his cultivation base, but he didn't know when his Xinghai world was sealed again.

The seal is indestructible and indestructible.

"It's the handwriting of the great deserter again!"

Chen Feng couldn't help but gritted his teeth in a low voice.

He was tight, trying to keep his spirit clear.

Zhai Changzun has previously introduced that the third level is mainly a test of Dao Xin.

In that case, it is impossible to fall to death!

At this moment, he suddenly realized.

The reason why the Great Waste Lord asked Zhai Changzun to bring them here was because he had already seen that they could pass the tests of the first two levels.

And the time limit for this third level is 14 days.

They flew up from under the huge mountain for seven days.

The flying speed of a few people is naturally far beyond the speed of a natural fall.

Therefore, chasing down from the mountainside at this moment would have to fall for at least 14 days or more.

If they have not been able to complete the test of Dao Xin for so many days, they will probably fall directly to death!

"This test is really harder than one level!"

Chen Feng couldn't help but slap his tongue again and again.

However, for some reason, after waiting for a long time, he did not wait for any test.

Seeing that more than ten days passed, no matter how he tried to unlock the seal of Xinghai World, it would be of no avail.

"wrong!"

"It shouldn't be like this!"

"There must be something wrong."

Seeing getting closer and closer to the earth, Chen Feng became more and more anxious.

Once the third test failed, he and Zhong Li Yaoqin would lose the qualification to enter the Great Desolate Lord's Palace.

In this way, he could not lead Zhongli Yaoqin to the top of the sky.

And if this task fails, Chen Feng will be obliterated by the Lord of Heaven!

"I...can't die!"

Seeing that he was about to fall to the ground, Chen Feng struggled to take out the great repair Luohong furnace.

Turned his head and looked aside.

Zhong Li Yaoqin had already fallen into a illusion, her beautiful eyes closed, it was difficult to extricate herself.

He grabbed Zhongli Yaoqin with difficulty and placed it in a large Xiu Luohong furnace.

Then, he turned his hand and took out the Qingqiu Heavenly Sword.

The sharp blade pierced into the huge mountain beside it.

The harsh voice suddenly sounded.

Even though Chen Feng's physical strength was already extremely strong, under this strong pull, there was still a sharp pain in his body that was almost torn apart.

"what--"

He held the Great Asura Hong Furnace tightly with one hand, and firmly grasped the Qingqiu Heavenly Sword in the other.

The huge impact quickly made Qingqiu Heavenly Sword sink into the mountain.

Together with Chen Feng's arm, he was constantly smashed.

Even with copper walls and iron walls, it is difficult to withstand the long-term impact.

Flesh and bloody, bones have been seen!

A straight bloodstain runs straight through the foot of the huge mountain peak.

Boom!

When Chen Feng stopped at the foot of the mountain with the huge furnace, his body was completely relieved and he passed out.

I don't know how long I have been dizzy.

When he woke up, Zhai Changzun stood in front of him.

Zhai Changzun looked at him icily, unpretentious and angry as always.

"You have not passed the third pass of the Dao Heart test, and you have lost the qualification to enter the Great Desolate Lord's Divine Mansion."

"Two, please leave."

Chen Feng could hardly believe what he heard.

He looked at Zhongli Yaoqin next to him.

At this time, Zhongli Yaoqin only looked bitter and disappointed.

Seeing him looking over, Zhong Li Yaoqin barely smiled, trying to comfort him.

"At least we are not dead."

"Let's go."

Chen Feng only felt that all this was so unreal.

He has always maintained the heart of a brave man, and his Dao heart is extremely firm.

[Chapter 5512: It turns out that this is the truth!](#)

How could it just fail like this?

But at this time, Zhai Changzun stepped on his feet and rose into the air.

This time, even the golden Dao Yun has not been left.

After a while, the breath disappeared within their detectable range.

But at this moment.

Several extremely powerful breaths came over the sky.

"Chen Feng!"

"You kill my elder Taiyixianzong, and if you don't hand over the inheritance of Yuxu Immortal Gate, you will definitely die!"

"Chen Feng, if you are willing to hand over the inheritance of the Yuxu fairy gate to our Ziwei Haotian Palace, I will guarantee your safety."

"What nonsense with him, kill him, and we will grab the rest by our ability!"

Seeing the dozens of supreme powerhouses in front of him, Chen Feng only felt his scalp numb.

This is simply desperate!

Unless you immediately return to the top of the sky!

But now back to the top of the sky, what will Zhong Li Yaoqin do?

She must die!

And once she died, the mission of the Lord of Heaven would completely fail.

That is also a dead end!

Dozens of terrorist coercion came one after another.

Chen Feng could hardly stand still, his bones were crackling.

Seeing that he was about to be killed, Chen Feng suddenly thought of something.

"I can't manage that much!"

He gritted his teeth, his heart bounced, and immediately shouted in his mind.

"Heaven is the master, I want to return to the top of the sky."

"At the same time, bring Zhongli Yaoqin!"

What comes naturally, he doesn't care!

This is the only way to crack it right now!

As soon as the voice fell, a light cyan beam of light appeared instantly, quickly wrapping the two of them.

However, at this moment.

The vast voice suddenly exploded in Chen Feng's mind.

"Zhongli Yaoqin does not have a jade medal for reincarnation, nor is it a fairy on the top of the sky, so you can't enter!"

"Chen Feng, an immortal in the sky, expose the top of the sky without authorization!"

"Both must be obliterated!"

As soon as he said this, Chen Feng's heart was shocked.

He immediately lost his mind and shouted one after another.

"Do not!"

"She is the chosen one, and she is the legacy of the top power of the sky."

"And she already knew about the existence of the top of the sky."

"You can't kill us!"

However, no matter how Chen Feng refuted or explained.

Beyond the clouds, the sky changed drastically.

The squally wind was blowing out of thin air, dark clouds swept quickly, and thunder and lightning continued to flash by.

At the next moment, everyone saw a dazzling glow in the sky.

At this moment, Chen Feng can only feel death!

"Am I going to die?"

He asked himself blankly.

But above the sky, the power that came down was too powerful.

In front of it, Chen Feng didn't even have room for resistance.

He suddenly felt ashamed.

everything is over.

All the ambitions made have not yet been fully realized.

All the relatives and friends who have passed away have not yet been resurrected.

Including the words of Yan Qingyu, the master he has been following for a long time, and his mysterious life experience...

All of this is no longer his turn to solve one by one.

There was a huge thunder from above the sky.

In the next moment, a huge thunder light crashed down, and came towards Chen Feng's head.

And it's between the electric light and flint!

Chen Feng suddenly felt something wrong.

Why is he so discouraged?

After guarding Master Yan Qingyu's tomb for five years, has he ever been so desperate?

He had already experienced countless times even in the danger of despair.

But never gave up so easily.

He didn't even have the thought to resist.

This is not him!

"This... shouldn't be me!"

A person with a strong heart, even if he is dead, must carry a knife and roar to death.

How can you sit still and wait for death?

Even if he was obliterated by the top of the sky, he should scold the sky.

Even people who want to overturn the top of the sky!

The more he thought about it, the more Chen Feng felt that everything around him was so unreal.

He raised his eyes swiftly, staring at the huge thunder light from above his head.

The pupils have not even shrunk!

At the moment when it was about to hit, the light suddenly stopped.

The entire sky has fallen into stillness!

Chen Feng turned his head and looked forward.

I saw the dozens of experts in front of the three top three first-grade immortal gates, the same thing was wrong.

Among them, there are even a few familiar faces.

As for those who were walking behind, Chen Feng couldn't even see their faces.

"Aren't these people dead long ago by Zhai Changzun?"

He looked at Zhongli Yaoqin again.

At this time Zhongli Yaoqin is not right!

During the first test, Chen Feng had already seen her vigor.

Although Zhong Li Yaoqin is a woman, she is extremely talented and temperamental!

How did she show such fear, despair, and even Yu Chuchu's pathetic appearance?

"wrong!"

"None of this is true!"

Chen Feng became more and more certain, and his voice grew louder.

In the next moment, Taishang Yuqing's Jiushou True Art quietly started to operate.

The golden spiritual world set off a stormy sea!

And the seal in the star sea world suddenly disappeared.

A huge suction force instantly swept away Chen Feng and Zhong Li Yaoqin.

When he opened his eyes again, Chen Feng sucked in a cold breath.

He was breathing quickly, and his head was sweaty.

However, the scene in front of him made him nervous again.

At this moment, he is actually falling again!

Everything seems to be back to the beginning of the third level!

Between the lightning and flint, Chen Fengfu reached his soul, and instantly understood everything.

"It turns out that this is the third level!"

"This is the test of my Dao Heart!"

He turned around and looked at Zhongli Yaoqin, still eyes closed, his expression in pain.

Obviously, she was still immersed in various temptations and demons.

Chen Feng's spiritual consciousness leaned down.

Surprisingly, they are about to fall to the ground!

He hugged Zhongli Yaoqin's waist, instinctively wanted to urge his cultivation.

Surprising things happened again!

Xinghai World is still being sealed!

"what happened?"

"Isn't I awake from the test of Taoism?"

Seeing the ground getting closer and closer to them, Chen Feng's brain was running fast.

In an instant, a word suddenly rang in his mind.

"Since it's just a test, it won't be a vicious death."

This is Zhong Li Yaoqin's unintentional sentence.

But at this moment, Chen Feng suddenly realized.

He quickly recalled.

Neither the rumors nor all the words of Zhai Changzun mentioned that participating in the test would cause death!

"This is just a test!"

In the next moment, Chen Feng's expression was horrified, and he looked towards the earth closer and closer.

Fearless and fearless!

boom!

A loud noise suddenly rang in his ears.

When Chen Feng reacted again, he suddenly stepped on a solid spot.

The surroundings are still on the mountainside!

They are still standing on the lotus platform!

He didn't die!

Chen Feng looked up quickly, and met Zhai Changzun's gaze.

The rare gaze brought some appreciation.

"Congratulations, you have passed the three tests of the Great Desert Lord."

[Chapter 5513: According to the rules of heaven, kill!](#)

When Chen Feng heard the words, his heart was finally settled.

He immediately clenched his fists, extremely excited.

After this experience, he has a stronger belief in his Dao Xin.

Whether it is any demons or temptations, it will be meaningless in front of him!

Thinking of this, Chen Feng turned to look at Zhong Li Yaoqin.

Suddenly, the body felt a burst of fragrance.

Only then did he realize that he was still holding Zhongli Yaoqin without releasing it.

Chen Feng quickly let go, but when the woman in front of him still closed her eyes, she kept exclaiming.

Obviously still being tested by the demons.

"How much time is left?"

Zhai Changzun replied lightly.

"One day."

Chen Feng looked in front of him, suddenly his heart moved, and asked Zhai Changzun again.

"Does the Dao Heart test, can you only rely on yourself, and no external force can interfere?"

Zhai Changzun didn't understand what Chen Feng meant.

Isn't this the simplest truth?

However, he still nodded.

Immediately afterwards, Chen Feng said again.

"So, if I intervene in her now, shouldn't it be considered breaking the rules of the Great Desert Lord?"

Zhai Changzun was taken aback.

He had never seen such a proposal, but for a while he could not find a reason to refute it.

Chen Feng was determined to see that Zhai Changzun had not refused.

In the next moment, he fully urged heaven and earth to reincarnate in heaven and earth!

At the same time, the golden spiritual power surged into Zhong Li Yaoqin's mind.

boom!

Zhong Li Yaoqin only felt that the picture before him suddenly changed.

She returned to the familiar huge mountain peak.

"what happened?"

Clearly last second, she also saw the Tianshu Sword Sect destroyed and the Galaxy Sword Sect destroyed.

Why did he appear at the place where the Great Desolate Lord's Divine Mansion was at this moment?

However, how sensitive is Zhong Li Yaoqin's reaction?

In the next moment, she noticed something was wrong.

"This is not the original mountain."

"This is... the highest peak!"

She raised her eyes and looked forward and saw a familiar figure appearing not far away.

"Chen Feng?"

Zhong Li Yaoqin's complexion changed slightly.

"Why did I appear here suddenly?"

"I shouldn't be in the Galaxy Sword Sect..."

As he spoke, Zhong Li Yaoqin's face turned into a trance.

She wrinkled her beautiful eyes and kept thinking.

"what the **** is it?"

Surrounded by silence, Zhong Li Yaoqin walked towards Chen Feng.

"I thought you were dead, so why did you suddenly appear here?"

With that, she looked around again.

The highest peak here is connected to the sky.

When I looked around, my eyes were dark, with occasional stars dotted with them.

At this time, they were also on a floating island with a radius of about a kilometer.

At the end of the floating island, there is a huge bronze gate.

That huge bronze gate has a world after another, without knowing its end.

It is full of fierce fangs and carved with various reliefs!

At a glance, it is magical, magnificent, and full of ancient wild desolation!

The ultimate simplicity, but it contains infinite mysteries!

At this moment, Chen Feng in front of her smiled slightly.

"The reason why you suddenly appear here is because...here is an illusion."

"You are still experiencing the third pass of the Great Desolate Lord's Dao Heart test."

"And I, completed the test ahead of schedule."

Hearing this, Zhong Li Yaoqin's beautiful eyes widened, and his face was shocked.

"But I clearly saw that we fell from the mountainside."

"In the end you died and I was seriously injured."

After that, she dragged the remnant body and looked at Chen Feng's body with a desperate heart.

My heart is even more regretful.

If you insisted on letting Chen Feng go in with Zhai Changzun at the beginning, nothing would be the same for her!

Chen Feng is her hope!

It is the hope of their Tianshu Jianzong!

It is the hope of the entire Galaxy Sword Sect!

What are you afraid of?

When Zhong Li Yaoqin was discouraged and returned to the Galaxy Sword Sect, she was greeted with devastation.

The entire Galaxy Sword Sect was killed everywhere!

Very far away, only the sect master and other big sect masters are still struggling to support.

The three top-level first-grade immortal gates, and the other eight forces, all besieged.

Zhong Li Yaoqin could only watch the doorkeeper, and was chopped off his head!

The entire Galaxy Sword Sect was slaughtered to death!

"Could it be... all of this is just my demon?"

Zhong Li Yaoqin rarely showed a fragile appearance.

She covered her head with her hands, her face showing extreme pain.

At this moment, Chen Feng spoke again.

"I can't help you complete the assessment of Dao Xin, remind you that it is the limit I can do."

"Zhong Li Yaoqin, when you wake up, I will tell you one thing."

"One thing, about your father."

As soon as he said this, Zhong Li Yaoqin raised his head fiercely.

In her eyes, two bright rays of light suddenly burst out.

However, Chen Feng suddenly disappeared.

The next moment, he actually walked into the giant bronze gate ahead.

Without a word, Zhong Li Yaoqin rushed forward.

Soon, she also came to the huge bronze gate.

Next to the giant gate, a golden armored general was sitting at the moment.

The man was more than three hundred meters tall, and his whole body was covered by extremely heavy golden armor.

The armor was in the dazzling gold, and there was an indescribable dullness and coldness.

If it is extremely strong, it cannot be destroyed at all.

Zhong Li Yaoqin looked up, but couldn't see the face of the golden armored god.

He wears a battle helmet on his head, and his whole body is wrapped tightly, like a dark golden fortress!

But, seeming to feel her breath, the person slowly lowered his head.

At the eye position, two dark red lights flashed suddenly.

When the dark red gaze swept over Zhongli Yaoqin, she only felt uncomfortable and uncomfortable all over her body!

There seems to be no more secrets!

In the next moment, she felt her breathing almost stagnated.

Ahead, Chen Feng spoke again.

"This person is the gatekeeper at the top of the sky."

"Top of the sky?"

Zhong Liyao repeated Qin's mouth.

She had never heard this name, but for some reason, she felt a familiar feeling in her heart.

This top of the sky seems to have a great connection with her.

Zhong Li Yaoqin's face shrank, and he looked forward to Chen Feng again.

"Is the top of the sky the place you want to bring?"

Upon hearing this, Chen Feng, who was still on the lotus platform, was secretly surprised.

Unexpectedly, Zhong Li Yaoqin had already felt it.

It seems that the reason she was willing to come to the Great Desolate Lord's Palace with him, she probably guessed something.

Chen Feng immediately urged the golden mental power.

"Chen Feng" in the giant bronze gate nodded slightly.

"Not bad."

"Aren't you ignorant of the news about your father and your mother?"

"I tell you, they met on the top of the sky."

At this moment, the voice of the gatekeeper sounded.

His voice was cold and merciless, just like a ruling by heaven.

"Chen Feng, you take someone without a jade card of reincarnation into the top of the sky without authorization!"

"According to the rules of heaven, kill!"

[Chapter 5514: Enter the Great Desolate Mansion!](#)

At the next moment, a red light shone suddenly.

Zhong Li Yaoqin only felt stiff, unable to move at all!

Even Chen Feng on the side is the same!

And the golden armored general stretched out his finger and ran over them!

Under the pressure of the sky and the earth!

Just among the sparks, Zhong Li Yaoqin suddenly thought of something.

If Chen Feng just said it was true.

Then, everything she saw at this time must also be an illusion.

Since it is an illusion, no matter how real it is, it will never cause any harm to her.

What's more, she has never seen all this before!

There is no confusion at all!

The next moment, the picture in front of me changed suddenly.

Chen Feng swiftly withdrew all his mental energy, and finally a look of joy appeared on his face.

"It's done!"

Sure enough, at the next moment, Zhong Li Yaoqin's thick and curled eyelashes were constantly trembling.

Then, those beautiful eyes opened suddenly.

She took a deep breath of air, especially shocked.

Zhai Changzun's voice sounded immediately.

"Congratulations, both of you have passed the third test."

"So far, you have successfully completed all the tests of the Great Desolate Lord and can enter the Divine Mansion."

"Please follow me."

Zhong Li Yaoqin turned to look at Chen Feng.

"How much time did I spend?"

Chen Feng answered with a smile.

"If it is delayed for another quarter of an hour, it will be too late."

Hearing this, Zhong Li Yaoqin felt afraid for a while.

However, recalling the unfamiliar images seen in the fantasy world, she looked deeply at Chen Feng.

At this time, Chen Feng didn't say anything.

Zhai Changzun is already leading the way.

He soared into the air and spoke lightly as he passed by.

"I know what you want to say, just follow me and you'll know."

Zhong Li Yaoqin had to give up temporarily after hearing this.

The two followed Zhai Changzun and came to the bottom of the floating mountain range.

Unexpectedly, the legendary Great Desolate Mansion was built in this floating mountain range!

Shenfu is huge!

The entry is a huge stone monument.

There are five big characters of "You Long Zuo Feng"-Great Desolate Lord's Palace!

Chen Feng looked closely.

Above these five characters, there is an extremely deep sword intent!

The pen is obviously used, but the sword intent is revealed.

Zhong Li Yaoqin spoke lightly.

"The one who wrote this word has broken away from the shackles of the magical item category."

"As long as he has a sword in his heart, everything is a sword in his hand!"

"This kind of realm is something I look up to but hard to reach."

Chen Feng nodded, and the two moved on.

The more you enter the Great Desolate Lord's Mansion, the more you can feel the breath of the ancient and vicissitudes of time, rushing to your face.

It was empty inside, but there was not much.

Along the way, I always feel that this place is quite desolate, and there is no one for a long time.

Zhai Changzun took them through the long corridor, and finally came to a huge palace.

"The two of you wait again."

After speaking, he retreated calmly.

Chen Feng and Zhong Li Yaoqin looked around at random.

In the huge hall, except for a few extremely thick gray pillars, nothing was seen.

Even the throne on the high platform in front was covered with a thick layer of dust.

This great deserter seems to have not been here for a long time.

The two waited in the hall for a while, but never saw the great deserter appear.

Zhong Li Yaoqin looked at Chen Feng and said many words that he had temporarily suppressed.

"In the illusion, is everything you say true?"

By now, Chen Feng had nothing to deny.

At the beginning, Fairy Yuheng told him that it was not that simple to attract a cultivator to the top of the sky.

It's like a way to let Heavenly Dao adapt to this person's appearance naturally.

It is best to set up a bureau.

The illusion just now was Chen Feng's fire.

His game, from the beginning of the Jade Smashing Conference, has already begun!

Coming to the Great Desolate Lord's Palace, it was his bureau.

Chen Feng smiled back at Zhongli Yaoqin.

"You don't seem surprised at all."

The woman in the red dress in front of her showed a rare smile.

She slowly explained.

"In the family letter my father gave me, I mentioned a place."

"Now it seems that it is the top of the sky in your mouth."

After that, she looked at Chen Feng even more with a little joking.

"What's more, every time you suddenly disappear and reappear, I feel a strange thing."

"I want to come now, when you disappear, you should be back to the top of the sky."

Hearing these words, Chen Feng couldn't help but feel a bit in his heart.

Never thought that Zhongli Yaoqin would have noticed it so early!

Fortunately, she kept calm and did not ask.

Until now, Chen Feng no longer concealed her, so he simply told the task.

Only then did Zhong Li Yaoqin understand.

"So, you worked hard to join my Galaxy Sword Sect, with a purpose from the beginning."

Chen Feng was dumb.

This is a fact, there is nothing to deny.

However, Zhong Li Yaoqin was not really angry.

Regardless of one's purpose, at least after Chen Feng came, he really helped her a lot!

Zhong Li Yaoqin stared at Chen Feng deeply.

"Chen Feng, thank you very much."

Chen Feng waved his hand, jokingly.

"My task has to be done by you. Thanks or something, it's too tacky."

Zhong Li Yaoqin nodded.

"So how do you enter the top of the sky?"

"In that illusion just now, we have to reach the top of the mountain and beat the golden armor goalkeeper to enter?"

Chen Feng shook his head.

"In fact, I didn't expect all of this before seeing the Great Desolate Lord's Palace."

"The main reason why I brought you here is because of the great deserter!"

Before the words fell, a green and misty breath suddenly fell on this hall!

Before the throne ahead!

Both Chen Feng looked forward and saw a figure slowly walking out of the cyan light beam.

The man wears a black shirt and has long hair without wind.

Looks unpretentious!

As soon as he saw this person, Chen Feng felt a kind of extreme oppression, overwhelming!

Awesome!

In an instant, Chen Feng only felt that his whole body was about to churn!

Don't think too much, this person must be a great deserter!

Just as the two of them were tight and their blood was rolling, all the coercion suddenly dissipated like a tide.

Then, a hearty voice sounded.

"Chen Feng, I have heard of the name for a long time, and finally saw him today."

For some reason, as soon as he heard this sound, Chen Feng's heart jumped.

He immediately raised his head and looked forward.

The rumored great deserter looks quite young!

But it looks like about thirty!

However, from the breath he just released, it can be known that this person has lived for at least a million years!

It is definitely the real antique of this Fang Xuan Huang Zhong Qian World!

But at this moment, Zhong Li Yaoqin on the side suddenly spoke.

"wrong."

"This is not the deity of the Great Desert Lord."

"You should be just a clone of the Great Desert Lord."

[Chapter 5515: The secret of Zhongli's family!](#)

Before he could say anything, the young man in front of him grinned.

His eyes finally fell on Zhong Li Yaoqin.

"Senior Zhongli's bloodline is really extraordinary."

"I was fortunate to have discussed with your father, but unfortunately, it can only be worth a hundred tricks."

As soon as this remark came out, Zhong Li Yaoqin's complexion changed drastically.

She immediately took two steps forward.

"Have you ever seen my mother?"

The clone of Great Desert Lord smiled and nodded.

At this moment, Chen Feng was shocked secretly.

If it weren't for Zhong Li Yaoqin to say it, he really thought he was the deity of the Great Desolate Lord!

Just a clone is so powerful, how strong should the body be?

Chen Feng couldn't help but smack his tongue secretly.

"I am letting you come this time because of my cherishment of talent."

"On the other hand, it is also out of my cherishment of talent."

Hearing these inexplicable words, the two of them were a little confused for a while.

The Great Desert Lord laughed sharply.

He looked at Chen Feng.

"Originally, the rewards for the first name in the Broken Jade Conference were nothing more than the powers and supernatural powers of Hongji Sixth or Seventh Rank.

"It's also some top magical instruments and pills."

"But because the first name is you, I lowered my will at the beginning and told Zhai Changzun."

Listening to these words, Chen Feng couldn't help being stunned.

"In other words, from the beginning of the Broken Jade Conference, seniors have determined that this time the number one must be me?"

The Great Desert Lord looked at him and said with a smile.

"Why, don't you think so?"

Chen Feng was quite excited.

"Then what is the second heart of cherishing talents?"

Zhong Li Yaoqin asked.

Hearing that the Great Desert Lord looked at her.

"you."

"I?"

The great deserter nodded.

"Yes, it's because of you."

"Your parents met, met, and came together on the top of the sky."

"Originally, you were the chosen person born on the top of the sky."

"But for some reason, your father spent a great price to fight back into this mysterious and yellow world."

"Aren't you curious?"

"Why are you born with Chen Ji but not healed? Why do you have no impression of many things in the past."

The voice of the Great Desolate Master's clone continued to echo in the hall.

When Chen Feng listened, his heart jumped.

In an instant, he thought of something.

"At the top of the sky, there seems to be a Zhongli family."

Upon hearing this, Zhong Liyaoqin's complexion changed abruptly.

She had a rare emotional ups and downs, looked at Chen Feng, and blurted out.

"impossible!"

"As far as I know, my father and my mother have only one heir."

Chen Feng did not speak.

He only raised his head and looked at the Great Desert Lord clone on the high platform.

Seeing Chen Feng's gaze, the Great Waste Lord nodded slightly.

"It seems that you also thought of it."

"Zhongli Changfeng is on the top of the sky, and there is indeed an heir."

Zhong Li Yaoqin only felt incredible when he heard the same from the great deserter.

Chen Feng is no stranger to that Zhongli family.

In a trial mission, he met Zhong Li Yuntian.

That is exactly one descendant from Zhong Li's family.

In that trial mission, Chen Feng even killed the other two younger generations of Zhong Li's family.

Right now, the great deserter obviously understands the things behind this.

He immediately asked.

The Great Desolate Master did not hide from them, looking at Zhong Li Yaoqin with regret.

"Your father and your mother are indeed the only heir to you."

"But he was once framed by a female sister, and unconsciously, deceived an offspring..."

Upon hearing this, Chen Feng couldn't help being speechless.

However, when I thought of the temperament of Senior Zhong Li, I suddenly felt that it was not too difficult to accept.

It was mentioned in the family letter back then.

Zhongli Changfeng is not interested in fame and fortune, and even does not want to practice martial arts.

What I do in my life is only for immortality.

But to seek immortality, not to seek immortality through martial arts, but to find another way.

Because he was sheltered by his brothers and nephews, although he was regarded as a lunatic, he was always naive.

After being pulled into the top of the sky, he was repeatedly deceived and scammed, and encountered repeated dangers.

It's just that Chen Feng thought that the so-called deceived and scammed were often just taking resources and so on.

But I never expected that there would be the saying of defrauding children!

He looked at Zhongli Yaoqin beside him.

Sure enough, even she was stunned, not knowing what kind of reaction to put on.

"The nun not only defrauded the offspring, but also deceived a section of inheritance."

"After giving birth, he named Zhong Li and quietly cultivated it with the inheritance of his predecessors."

"You should also know that Senior Zhong Li has amazing talents and a very special bloodline."

"His heirs are naturally very strong!"

"Now, the Zhongli family on the top of the sky, he is the ancestor."

After listening to all this, Chen Feng's heart has been difficult for a long time.

It turned out that this was actually the case.

Suddenly, Chen Feng thought of something.

"Senior Zhongli and his Taoist companion fell for no reason. Is there any hidden feeling?"

When Zhong Li Yaoqin heard this, his expression changed drastically.

She also thought of it!

The two looked at the Great Desolate Master, and they were not surprised to see him nodding.

"It's just that all the truth can't be told to you at the moment."

"Otherwise it will only be for you, especially you, Zhongli Yaoqin."

"You will get into trouble."

Can I know some Zhongli Yaoqin who is in love, how can he bear it now?

She looked at Chen Feng resolutely.

"I want to go back to the top of the sky."

It was where she grew up!

It is also the place where the parents fell.

The truth that has been hidden for so many years now she wants to dig out bit by bit!

Then, it's time to kill, don't even try to escape!

The avatar of the Great Desert Lord looked at her and sighed quietly.

"I know, after you know this, you will definitely go to the top of the sky."

Chen Feng also took out a blank jade card of reincarnation in due course.

That was what he got from the slain disciple when he was doing the trial task.

Just for this time!

"As long as the drop of blood recognizes the Lord and is recognized by the Samsara Jade Medal, I can bring you back to the top of the sky."

Zhong Li Yaoqin said nothing, a white light lit up on his fingertips.

A drop of blood flowed from the palm of the other hand.

Click!

The drop of red blood fell into the samsara jade medallion and successfully recognized the Lord.

Seeing Zhongli Yaoqin successfully recognized the reincarnation jade card as the master, Chen Feng had already decided most of it.

This task seems to be completed soon.

He was not in a hurry for a while, turning his head to look at the clone of the Great Desert Lord.

"Great Desolate Lord, since you are in the Jade Smashing Conference, temporarily change the top reward."

"Just to let me see you."

"Then, there should be other things I want to say."

Hearing this, Zhong Li Yaoqin on the side also suddenly recovered.

The Great Desolate Lord looked at Chen Feng, his face finally showed his appreciation and appreciation.

He nodded repeatedly and couldn't help but admire.

"As expected of Chen Feng, the reaction is faster than ordinary people."

[Chapter 5516: I want to train you to the Holy King Realm!](#)

"Yes, there are two main reasons for asking you to see me this time."

The great waste master slowly walked down from the high platform.

"The first one is because you and I are all monks from different worlds from the top of the sky."

"Since he can be selected by the dominion of heaven, naturally he will not be an ordinary genius."

"I would love to see you."

Then, he suddenly lowered his voice and his expression became solemn.

"As for the second one, it's because I have to ask you for something."

Both Chen Feng and Zhong Liyao's face changed.

Almost no one knew how strong the Great Desolate Master's cultivation base was.

Anyway, in the entire Eastern Desolation Immortal Territory, he must be the first person in the Eastern Desolation!

But at this time, the first person in the Eastern Desolation, actually asked for Chen Feng?

Although Chen Feng was full of doubts, he still asked whether he was humble or arrogant.

"What's the matter?"

The Great Desert Lord sighed and suddenly raised his eyes.

That gaze seemed to penetrate the endless void, looking at other immortal realms far away.

After a long time, he asked.

"The Eastern Desolation Immortal Territory is in danger now!"

"I want to train you with all my strength and help you reach the Great Perfection of the Spiritual Land Wonderland as soon as possible."

"Until it breaks through the Holy King Realm!"

As soon as this was said, the huge palace seemed to tremble suddenly.

Holy King Realm!

Chen Feng could not help being dumbfounded.

"Great Desolate Lord, the junior has just broken through the Shifang Dongtian realm..."

Is it too early to talk about the Saint King Realm?

But Zhong Li Yaoqin on the side thought of something keenly, and asked.

"Senior said about the super-grade fairy gate?"

The clone of Great Desert Lord nodded heavily.

"Eastern Desolate Immortal Territory, there is no Super Grade Immortal Gate!"

"not a single one!"

Chen Feng seemed to understand a little suddenly.

He looked at Zhongli Yaoqin, nodded when he saw the other party, and his heart was suddenly deeply shocked.

Yes.

Today's Eastern Desolate Immortal Territory, the most powerful is only the three top-level first-grade immortal doors.

Then, there are nine forces including the Galaxy Sword Sect.

They are just ordinary first-grade immortals.

As we all know, there needs to be at least one strong person in the fairyland of the virtual world in the first-class fairy gate.

The super-grade immortal gate requires at least one Saint King realm powerhouse.

But at this time, the Great Desolate Master suddenly said that he would cultivate Chen Feng to the Saint King Realm.

The intention can be understood without asking.

"Do you want to create a super-grade fairy gate for the Eastern Desolate Immortal Territory?"

The great deserter nodded vigorously.

Inside the hall, there was a moment of silence.

Still Zhongli Yaoqin spoke.

"Is the situation so urgent already?"

The Great Wasteland nodded helplessly.

It turned out that the entire Xuanhuang Zhongqian World was divided into four parts: the southeast, the northwest and the northwest.

Among them, the Southern Desolate Immortal Territory, for some reasons, now there is only an endless desert.

There is no aura, no power of the stars.

The other great immortal domains even felt that this place had no meaning to compete.

But the East Desolate Immortal Territory is different.

Here, the land is vast!

"The Western Wilderness Immortal Territory has coveted us for the Eastern Wilderness for a long time."

"Once they get through the sealed channel, the East Desolation will surely usher in unprecedented turmoil."

"At that time, all Xianmen sects will be like the Yuxu Xianmen one million years ago."

"Completely destroyed!"

This news is really shocking!

Chen Feng felt a little dry mouth for a while.

"But why is it me?"

He couldn't figure it out.

If the situation is critical, why did the Great Wasteland take great pains to entrust the hope of the entire Eastern Desolation Immortal Territory to him.

Isn't it possible for those who are strong in the fairyland of the virtual world?

The Great Desert Lord stared directly at him.

"Because you are the person I have ever seen, the fastest improvement in cultivation."

"The only one who can compare with you is Senior Zhongli of the year."

Speaking of this, he couldn't help sighing again.

Chen Feng frowned, always feeling something was wrong.

"Who else knows about this matter?"

The Great Desert Lord shook his head.

He looked at Chen Feng and smiled.

"I know what you are thinking."

"I told the Taiyi Immortal Sect, Ziwei Haotian Palace and Wanling Longevity Sword Sect about this."

"But their approach disappointed me."

Chen Feng suddenly understood.

The reason why there are only nine major forces participating in the Broken Jade Conference is that there are no three top-notch fairy gates.

It is because they have been hidden for a long time!

The three impossibly top immortal gates, the only Yuxu fairy gate that was about to become a super-grade fairy gate was destroyed.

Then, flinched!

The powerhouse of the Western Wild Immortal Territory is so terrifying!

Hearing Chen Feng's expression, the great deserter said lightly.

"Now, you know why I set up this Great Desolate Lord's Mansion, attracting countless geniuses here, right?"

Chen Feng understood.

This Great Desolate Lord's Palace, including the Broken Jade Conference, is used to select geniuses!

And this genius is him!

By this time, Chen Feng's mood had gradually calmed down.

With firm eyes, he raised his head to face the great deserter.

"what should I do?"

Hearing this and seeing Chen Feng's appearance, the Great Desolate Master couldn't help showing some hope in his eyes.

He stretched out his hand and patted Chen Feng on the shoulder.

"It is necessary to have the heart of a strong man like you to be able to sustain the future of the entire Eastern Desolation."

Immediately afterwards, the great waste master explained the matter in detail.

Today, the barriers of the Eastern Desolation Immortal Territory are still solid.

For at least fifty years!

In other words, after fifty years, Chen Feng needed to break through to the Saint King Realm.

"Fifty years..."

Chen Feng lowered his eyes and murmured.

Zhong Li Yaoqin on the side frowned and shook his head repeatedly.

"This is simply impossible."

"He needs to sense all the sun, moon and stars in the Star Sea World with the stars outside."

"Then every star has to spawn a complete galaxy."

"After that, you have to condense your soul, encounter six great calamities, and awaken your soul's supernatural powers."

"After all the derived galaxies have conceived birth spirits, they can enter the Holy King Realm."

"For ordinary geniuses, each step takes more than 50 years."

Before the voice was over, the main interface of the Great Wasteland made a way.

"So, it cannot be an ordinary genius."

"It can only be Chen Feng!"

He turned his head to look at Zhongli Yaoqin.

"Let me ask you, how long did it take for Chen Feng to go from the Star Soul Martial God Realm to the Shifang Dongtian Realm?"

Zhong Li Yaoqin choked suddenly.

Is there a year?

About a year or so.

There was a sudden shock in her heart, and she immediately realized what the great deserter meant.

Indeed, only Chen Feng is possible!

The realm that ordinary people need decades or even hundreds of years to improve, he can accomplish in a year.

The deep meditation that an average genius takes several years to complete can be completed in a few hours!

At this moment, Chen Feng suddenly spoke.

"I have a problem."

"Why did you seal the passage between Xianyu and Xianyu?"

"The Western Wilderness Immortal Territory, why did you come to the Eastern Wilderness?"

Chen Feng remembered some words of the old man in the wilderness in the Longzhong Mountain Range.

[Chapter 5517: A mission spanning fifty years!](#)

"As far as I know, there is a super-grade immortal gate in the Xihuang Xianyu, named Guixu Xianzong."

Hearing this, the Great Desert Master looked quite surprised.

"You actually know Guixu Xianzong?"

Chen Feng nodded, but didn't explain more.

That is the Xianzong he will go to in the future.

Only by going there can he learn the truth about his identity.

However, there is no need to say this for now.

The great deserter nodded.

"Don't say it's the Western Wilderness Immortal Territory, even the Northern Wilderness Immortal Territory is staring at us."

"The reason is the mountain where we are now."

This is the end of the story, and the Great Desolate Lord also simply speaks out.

It turned out that every world would only have such a huge mountain, connected to the top of the sky.

In the Western Desolate Immortal Territory, after a strong man accidentally learned about it, he spread the matter out.

Hearing this, Chen Feng couldn't help being surprised.

"Will the Lord of Heaven send someone to erase the traces?"

At the beginning, Qin Baichuan was killed within half an hour because he was aware of the existence of the top of the sky.

The Great Desert Lord shook his head.

"One step late."

"The immortal who was sent was killed instead."

"But because of the immortal sent, the man knew that the secret could not be kept for long, so he publicized it."

"Heaven dominates, after all, it is still inconvenient to obliterate several super-grade immortals..."

Chen Feng understands.

The Great Desolate Lord is the angel of the sky sent by the Lord of Heaven to guard this huge mountain.

To protect this huge mountain, you must protect the Eastern Wilderness.

The moment when all of this was confessed.

Suddenly, a huge voice exploded in Chen Feng's mind.

"The Celestial Apprentice, Chen Feng, has accepted the task: Help the Celestial Envoy to guard the Celestial Peak!"

"Task name: Prevent the strong from the Western Wild Immortal Territory from forcing the top of the sky!"

"Quest content: The three super-class immortal gates in the Western Wild Immortal Territory, learned that the top of the sky exists, and want to cross the domain and force to break into the top of the sky."

"Task requirements: cooperate with the angel of the sky and others, stop all intruders."

"Time limit for task completion: fifty years!"

"Task Reward: Qualifications to enter the fourth floor of the Great Tower of Tibetan Scriptures of the Heavens etc."

"Punishment for mission failure: obliterate!"

Chen Feng was stunned in place, but it was not particularly surprising.

After all, it was not the first time he had experienced such a pitfall.

The letter from Zhongli Changfeng last time was even worse than this one.

This time, at least the task reward made him breathe quickly.

Qualifications for the fourth floor of the giant tower of Tibetan Buddhist scriptures!

Since entering the top of the sky, he has hardly seen a few people entering the third floor or above!

It seems that he has done this task!

Chen Feng immediately raised his head and looked at the great deserter.

"How will you train me?"

Seeing Chen Feng agreeing so happily, the clone of Great Desert Lord was quite surprised.

He looked at Chen Feng and immediately laughed.

"Good good!"

He even said three good words and made no secret of his appreciation for Chen Feng in his eyes.

"At the Broken Jade Conference, since I let you come here for three years, that is three years."

"In the past three years, I will teach all of my inheritance."

"Every day, you will experience life and death battles!"

Chen Feng was slightly surprised and blurted out.

"Is it with you?"

Even though there was only a clone in front of him, Chen Feng understood it very well.

With his current strength, he couldn't stop a move at all!

The clone of the Great Desert Lord smiled and said.

"It can be me, or any Desolate Guardian."

"Anyway, when the three-year period expires, you have to defeat everyone in our house one by one!"

Chen Feng nodded.

"I understand."

"If this is the case, then I will first lead Zhongli Yaoqin into the top of the sky, and then come down to retreat."

For some reason, Chen Feng always had a faint feeling of anxiety in his heart.

As long as he failed to lead Zhongli Yaoqin into the top of the sky, he couldn't let his heart down.

During the previous test in the third level, for some reason, the illusion also changed.

Originally, Chen Feng only wanted to pass this picture to Zhong Li Yaoqin.

But he didn't want to be when Zhong Li Yaoqin saw the illusion in front of him, everything afterwards became uncontrollable.

The hostess didn't notice it.

But this matter, after all, is about the life of the hero.

What's more, the reward for completing the advanced battlefield mission of endless killing has also been temporarily detained.

Zhong Li Yaoqin on the side looked over and thanked him softly.

Naturally, there is no problem with the great deserter.

He raised his eyes and looked outside the hall, and opened his mouth to call Zhai Changzun.

"Let Zhai Changzun take you up."

"Go up, there will be a sharp wind."

"With him, you can go and return quickly."

Chen Feng nodded.

He experienced it once, and naturally understood.

As the terrifying wind blows, countless cracks will continue to appear in the surrounding space.

These are all shattered by the wind!

Not only did the space cracks be scraped out, but the space was directly broken into pieces!

Even now, Chen Feng's physical strength is no longer what it used to be.

But he was not sure whether he could survive in a few hours or even longer.

Not long after, Zhai Changzun left the Great Desolate Lord's Palace with the two of them.

Suddenly a golden light radiated all over him.

Chen Feng and Zhong Li Yaoqin couldn't be more familiar with this light.

The barrier above the lotus platform was also like this.

Chen Feng was a little curious.

"Senior Zhai Changzun, how far is your cultivation level now?"

Previously, in the face of so many top-level first-grade immortal masters besieging and killing, he was able to kill a chicken.

Effortlessly!

No matter how Chen Feng probed, it was difficult to determine his true cultivation level.

Zhai Changzun glanced at him lightly, without answering.

Chen Feng shrugged, then was taken, and rushed into the wind in an instant.

With a golden light curtain shrouded in it, those winds naturally couldn't break through.

This time I came to the top of the sky giant peak, even faster than the last time I took the light of the red golden crane!

Breaking through the last layer of Gang Feng, Chen Feng and Zhong Li Yaoqin fell on the top of the mountain!

"This is the illusion you created for me."

Zhong Li Yaoqin looked forward to the sidewalk.

She stared forward obsessively, at the huge arch.

The arch is as high as 10,000 meters, but it is extremely unpretentious.

It seems to be artificially carved, but it feels simple and natural.

Said it is an arch, it is like a huge stone pillar being bent over and placed here!

Simple and rough, but full of ancient desolation!

Every time Chen Feng saw this huge arch, his heart trembled.

He always felt that this door had been dreamed of countless times.

It seems that this door is very familiar to him.

I am familiar with it, it is basically a part of my life once!

However, at this moment, Zhong Li Yaoqin's voice suddenly came to his ears.

"The breath here, I seem to have dreamed of it."

When Chen Feng heard the words, he turned his head to look.

I saw Zhong Li Yaoqin's idiotic eyes, she was lost!

[Chapter 5518: Was it true before the illusion?](#)

At the next moment, a special breath spouted out of her body.

"This is... the power of the seal?"

Is there a seal in Zhongli Yaoqin's body?

Chen Feng was shocked.

However, he

Soon it took it for granted.

The stolen heir on the top of the sky has now developed into a powerful family.

As Zhongli Changfeng's most beloved daughter, naturally it is impossible to be just an ordinary genius.

The two walked quickly towards the giant bronze gate ahead.

Now she has a jade medal for reincarnation.

All that happened in the illusion will naturally never reappear.

When the two of them approached, the golden armor **** next to the giant gate looked down.

Everything is exactly the same as in the fantasy world.

The golden armor **** will wear a battle helmet on his head, and his body is wrapped tightly, like a dark golden fortress!

At the eye position, two dark red lights flashed.

For some reason, Zhong Li Yaoqin seemed to resist the dark red light.

The warning signs in my heart are great, and I always feel that the next moment, the golden armor will be like in the illusion.

Take it off guard!

Chen Feng saw her nervousness and smiled at her and soothed.

"Don't worry, you have been recognized by the jade card of reincarnation, and naturally you have been recognized by the Lord of Heaven."

"Things in the illusion will not happen."

At this moment, the voice of the gatekeeper sounded.

His voice was cold and merciless, just like a ruling by heaven.

"Chen Feng, you take the prohibited person into the top of the sky!"

"Press... to kill!"

At the moment he heard this, Chen Feng looked shocked.

"what?"

What is a prohibited person?

The Lord of Heaven has repeatedly called Zhongli Yaoqin the chosen person, the bloodline of the strongest in the sky.

He even did not hesitate to seize the reward, forcing him to lead him to the top of the sky as soon as possible.

How could it be possible to identify her as a "prohibited person" again!

Moreover, Chen Feng keenly captured a detail.

When Chen Feng and others entered the top of the sky, the goalkeeper warrior attacked the two heavenly beast slaves.

The basis is-according to the rules of heaven!

And this time, he even omitted that information!

If Tiandao listed Zhong Liyaoqin as a prohibited person, why wouldn't he dare to say?

Could it be that.....

Without waiting for Chen Feng to think about it, a red light shone suddenly.

The two suddenly stiffened, almost unable to move!

And the golden armored general stretched out his finger and ran over them!

Under the pressure of the sky and the earth!

Everything is just like what happened in the illusion!

"How could this be!"

Chen Feng roared, taking out the large repair Luohong furnace with difficulty.

Boom!

There was a loud noise, and it floated out continuously.

Chen Feng opened his mouth and vomited blood.

His whole body seemed to be shattered, and no part of it was intact.

The power of the Golden Armored General is really too strong!

In the face of the absolute coercion, even if he had a great repair of Luohong furnace, he could only guarantee that he would not be shot dead on the spot.

But still seriously injured!

Zhongli Yaoqin, who was also covered in the large Xiu Luohong furnace, was also pale.

Her lips were bleeding and her emotions fluctuated violently.

"I know it! I know it all!"

"It's Zhongli Family on the top of the sky!"

In the dark, she can sense a very special bloodline induction.

A kind of blood induction that would have disgusted her!

It seems that between each other, they are born endless enemies!

After receiving the news from the Great Wastelander, Zhong Li Yaoqin was naturally known.

That person must be another heir whose father was stolen.

Now the founder of Zhongli Family!

Hearing her words, Chen Feng also reacted quickly, and his heart was extremely shocked.

How capable is this Zhongli family?

Can actually buy the gold armored war **** who guards the entrance to the top of the sky!

Without waiting for them to think about it, the second murderous horror had already hit.

The Golden Armored God of War aura is too powerful, at least the strength of Lingxu Earth Wonderland.

Chen Feng's strength is too weak!

As a result, no matter how hard he urged the great Xiu Luohong furnace, he could not maximize his power.

If this blow comes down, don't say it is him.

Even the large Xiu Luohong furnace that almost became a Taoist instrument will be damaged.

Just between the electric light and flint, an extremely sharp breath rushed from a distance.

boom!

With a loud noise, Chen Feng and the other two felt lightened.

In the next moment, they disappeared in front of the giant bronze gate together with the Honglu.

The violent wind whizzed and shattered the void!

Chen Feng only felt that his five senses had been lost, and it took a long time to gradually relax.

When I looked again, there was already a cloud of white smoke around.

They are returning the same way.

Zhai Changzun saved them!

At this time, his whole body armor was almost shattered, but his eyes were still indifferent.

However, the corners of his lips are constantly bleeding!

The golden light curtain surrounding them was also much weaker.

From time to time, I can hear the sound of the bombardment of the wind.

This light curtain seems to shatter at any time.

Zhai Changzun was seriously injured!

Even the unpredictable desolate general, in front of the gold price war god, still has only one move to protect himself.

Chen Feng couldn't help but gasped.

He turned his head to look at Zhongli Yaoqin.

At this time, Zhongli Yaoqin's face was totally lost.

With her beautiful eyes, big drops of tears continued to flow out at this time.

It seems that something heartbreaking has been thought of.

"Father...mother..."

Chen Feng's heart also fell heavily.

The worst thing happened!

The scene that happened in the illusion became reality.

It seems that Zhong Li Yaoqin's subconscious has already hinted.

The three returned to the Great Desolate Lord's Palace.

As soon as the avatar of the Great Desert Lord saw the three of them coming back, he came over.

He slapped out, and three breaths poured into the three of them at the same time.

At the next moment, Chen Feng only felt that the broken meridians and bones were recovering at a speed visible to the naked eye.

The almost shattered Star Sea World, the spiritual world that was almost penetrated, also began to recover quickly.

"I already know things."

"I was negligent. I should have thought of this long ago."

The great deserter seems to be deeply guilty.

He sighed again and again.

At this time, Zhongli Yaoqin was still in grief, unable to extricate herself.

Chen Feng glanced at her, and then asked the Great Desert Lord.

"This is what Zhong Li's family did?"

The great deserter nodded.

"I underestimated that person's fear of Zhong Li Yaoqin."

"Since that person is in front of others and dares to claim that Zhongli Changfeng's only heir, he naturally intends to solve her completely."

"If it weren't for this, then Zhongli wouldn't have made great efforts to fight him back to the world of Xuanhuang Zhongqian."

Having said that, the great desert master sighed deeply again.

At this moment, Zhong Li Yaoqin suddenly raised his head.

"They took my things!"

"I remember some memory fragments, they killed my mother and took away what should belong to me!"

"This hatred is not shared!"

[Chapter 5519: There is another way to enter the top of the sky!](#)

She fixed her eyes on the great deserter.

"Is there any other way to enter the top of the sky?"

"I must go back and take back everything that should belong to me one by one!"

Zhong Li Yaoqin's voice became hoarse.

She was hoarse, and she felt terrible pain all over her body.

An unprecedented grief swept through all the crevices in her body.

She looked at the Great Desert Lord and then at Chen Feng.

Chen Feng also looked towards the great deserter.

However, the Great Desert Lord shook his head heavily.

"As far as I know, there is only one way to enter the top of the sky."

This sentence almost gave a trial to both of them.

Death trial!

"No, it's wrong!"

At this moment, Chen Feng suddenly spoke.

When he thought of something, there was a ray of hope in his eyes.

"I have taken a monk before, not to bring it to the top of this huge mountain."

"He said he has other ways to get in."

"I only gave him the jade medal of reincarnation!"

The Great Knife before!

He has other ways to enter by himself.

It's just that where did Chen Feng think of today?

Therefore, there is no question about other ways.

However, as soon as these words came out, the Great Desert Lord seemed to suddenly think of something.

His heart moved slightly.

"The way, there should be only this one."

"But the way is not the only way!"

"As far as I know, there is another way to avoid the Golden Armored God of War."

"As long as you have the approval of the reincarnation jade card, you can directly enter the top of the sky."

This remark undoubtedly ignited hope for both Zhong Li Yaoqin and Chen Feng.

The great deserter looked at Chen Feng.

"You should know."

"Every trial mission, there will always be some fairy missions, which are consistent."

"That's because some tasks may not be completed by one person."

Chen Feng did not understand the meaning of the Great Desert Lord.

"Have you ever thought that our mysterious and yellow middle-thousand world was also the trial world of certain immortals?"

"Think about it again, how did you return to the top of the sky after completing the trial mission?"

As soon as this remark came out, Chen Feng suddenly understood.

"The Great Towers of the Heavens and Ten Thousand Realms!"

The great deserter nodded.

"Since some tasks are so difficult, there are bound to be unfinished tasks."

"For example, at the beginning, it was requested to obliterate the strong man in the Western Wild Immortal Territory who learned the news of the top of the sky."

Chen Feng knew that Zhong Li Yaoqin couldn't understand this, and quickly explained many issues about the top of the sky.

"In other words, as long as we can find unfinished tasks in this world."

"Can we go directly back to the top of the sky?"

Chen Feng nodded.

Right now, it seems that there is only that.

He has less than half a year left!

Chen Feng thought for a while, and informed the great deserter of the task he had taken this time.

After the great deserter learned, his complexion naturally sank.

"You kid, you will dig a hole for me."

He just said on the front foot that Chen Feng needs three years of experience here.

But right now, Chen Feng has thrown up such a difficult problem.

Even Zhongli Yaoqin on the side looked a little weird at this moment.

She even wondered if Chen Feng was well designed.

Deliberately, the great deserter can only help him.

After all, looking at the entire Eastern Desolation Immortal Territory, no one can replace Chen Feng and become a candidate to resist the Western Desolate powerhouse!

The words have already reached this point, and Chen Feng didn't hide it at all.

"I got the inheritance of Yuxu Fairy Gate."

"At this time, once you leave the Great Desolate Lord's Divine Mansion, the three top-level first-grade immortal gates will fully kill."

The implication is to hope that the great desert master will break this dead game.

The clone of Great Desert Lord was silent for a long while, and he didn't know whether it was angry or how.

Zhong Li Yaoqin looked at Chen Feng and couldn't help but look sad.

Only less than half a year!

But this Oriental Immortal Territory stretches for thousands of miles, without knowing the end.

Where to find the unfinished trial task?

Just look for it a little bit, when will you find it?

And Chen Feng thought of this, and asked.

However, the only answer to him was silence.

In the end, the great waste owner sighed.

"Wait first, I'll go back to the top of the sky, maybe I can do something."

Before the words fell, a green pillar of light suddenly surged in the main hall, straight to the sky.

This time, Chen Feng and Chen Feng could see it with their own eyes.

In the next moment, the Great Desolate Master disappeared in front of him.

Zhong Li Yaoqin looked back at Chen Feng.

"It was the same every time you went back in the past."

"Don't say it's me, I believe the sect master will have already noticed it."

Chen Feng frowned slightly.

If this is the case, why didn't the Lord of Heaven give an order to silence these insiders?

Zhong Li Yaoqin is the chosen one, that's all.

Isn't it the same as the master?

He couldn't help but feel doubts.

"In Xuan Huang Zhong Qian World, how many people are selected by the top of the sky?"

Fairy Yuheng comes from an ordinary second-grade immortal family in the Zhongqian World.

She can be selected, isn't there more among the first-class immortal gates?

Suddenly, a thought flashed by.

Chen Feng blurted out and asked.

"The passage between the four wilderness areas has been sealed for millions of years."

"Apart from the Eastern Desolate Immortal Territory, isn't there any Immortal Territory that can reach a higher level of the world?"

Zhongli Yaoqin was taken aback when he heard the words.

She looked at Chen Feng, frowned and was silent when she saw that he seemed to have thought of something.

After a day. *ηOVelus&.com*

The great deserter appeared again.

"There is indeed a mission!"

The familiar voice echoed in the hall again.

The clone of the Great Desert Lord came down from the high platform and walked along the way.

"My body has found out that in this world, there is a mission of a fairy in the sky."

"The Lord of Heaven wants it to destroy the Demon Sect of Ten Thousand Desires and crush their conspiracy."

Hearing this, Chen Feng's face shrank.

He is naturally no stranger to Demon Sect of Wanyu.

The young master of the Demon Sect is still struggling in his golden pagoda at this time.

Zhong Li Yaoqin asked inexplicably.

"The conspiracy of the Demon Sect of Ten Thousand Desires, but crushes the righteous people?"

Over the years, the impression that Modao has given to people is mostly like this.

However, when Chen Feng heard the "Devil Sect of Ten Thousand Desires", he suddenly thought of the Jade Breaking Conference.

He quickly informed everything.

After learning of the existence of the Liangyi Biochemical Gate, the faces of Da Huangzhu and Zhong Li Yaoqin both changed.

"If so, they are trying to break the seal between the two."

"Let Xuanhuang in the thousand worlds, from now on plunged into endless catastrophe!"

Even Zhong Li Yaoqin was quite angry.

But even so, Chen Feng was still puzzled.

If it was as they guessed, then the Liangyi Biochemical Gate had already been acquired by him.

It stands to reason that the conspiracy should have been crushed long ago.

He looked at the great desert master.

"Is the task not completed yet?"

"How did you know?"

The great deserter said lightly.

"I went to the fourth floor of the Great Tower of Tibetan Scriptures in the Heavens."

As soon as he said this, Chen Feng's eyes widened.

"Fourth floor!"

He is not even qualified to go up to the third floor.

Chapter 5520

It turns out that on the fourth floor of the Great Tower of Tibetan Scriptures, there are also various trial tasks that can be checked...

The great deserter explained.

"I can be sure that this trial task has not yet been completed."

"I am related to the ontology. Going this time is a test for you."

"Without delay, I will set up a teleportation formation."

"With the strength of my clone, the teleportation formation can only last for a month."

In other words, they need to destroy the Demon Sect of Ten Thousand Desires within a month.

If the mission is not completed within a month, the teleportation array will disappear by itself, and the two can only return by themselves.

At that time, all opponents will besiege.

Chen Feng moved slightly in his heart, and after thanking the great deserter, he asked another question.

Wanyu Demon Sect, as a major demon school,

The background is almost the same as the eight powers.

It is impossible to destroy the door by two people alone!

What's more, the Demon Sect of Ten Thousand Desires has long been hidden from the world.

Who knows how much has changed now.

Zhong Liyaoqin's face was ugly, and he spoke directly.

"The last time I saw Sect Master Moyesha, his cultivation has reached the eighth cave of the Ten Fang Dongtian realm."

"With this cultivation base, the two of me are going to die."

Chen Feng couldn't help but gasp.

The eighth cave of the Shifang Dongtian realm!

Not to mention Zhongli Yaoqin, he just broke through the Shifang Dongtian realm not long ago.

In terms of strength, he can kill the strong above the fifth hole.

But it stops here.

How to destroy the Demon Sect of All Desires?

The Great Desert Lord looked at the two of them frowning and laughed.

"In that case, I will at most give you another ray of divine thought."

"This spirit can help you use it three times."

"Each time, the strength of the ninth hole of the ten-square hole realm can be exploded."

"After three times, if you still fail to complete the task, the old man is helpless."

Chen Feng and Zhong Li Yaoqin looked at each other and nodded.

"The boat is naturally straight when it reaches the bridge head. If there is no way, then it will make a way."

"Within half a month, the affair Demon Sect will definitely be razed to the ground!"

In the next moment, the Great Desolate Lord's hands are constantly changing and making various moves.

The whole body is covered with brilliance.

The center of his eyebrows lit up with three golden and cyan lights, which quickly flooded into the center of Chen Feng's eyebrows.

Then, light and shadow flickered in the hall.

The majestic breath gushes out!

A teleportation formation suddenly appeared in the center of the hall.

Chen Feng suddenly disappeared in the temple, and also disappeared in the Great Desolate Lord's Palace.

boom!

A sense of weightlessness hits rapidly, and the surrounding transmission channels continue to squeeze and pull the two of Chen Feng.

After a long time, there was a sudden gust of wind around him.

They have come to the hiding place of the Demon Sect of All Desires!

Chen Feng looked around.

Total darkness!

Everything you see is magic!

Thousands of miles ahead, a huge mountain of skulls stood floating in the air.

Above, a little shadow of the devil's palace.

Amidst the overwhelming devilish energy, it looked extremely cold and terrifying.

It's like purgatory on earth.

This is the Demon Sect of All Desires!

Within tens of thousands of miles, it is full of lifelessness!

Chen Feng felt the change of blood and breath instantly.

In the world of dantian, that Shura bloodline turned black all over, and began to turn over.

It seems to be sensitive!

The surrounding demonic energy kept invading, but it was easily absorbed by Chen Feng.

This surprised Zhong Li Yaoqin next to him.

"Your physique..."

Chen Feng thought for a while, and immediately urged the Supreme God to Demonize the Dragon Art.

The aura of Shura's blood was aroused and covered it under Chen Feng's guidance.

"We are only near the Demon Sect of All Desires."

"Don't act rashly, I'll find someone to inquire about the situation."

Zhong Li Yaoqin was quite surprised when he heard this.

"You still know people here?"

If it weren't for Chen Feng's knowledge, Zhong Li Yaoqin would have been extremely vigilant.

As we all know, the magic way and the right way are incompatible.

Anyone who has contact with people in the magic way will be regarded as a traitor!

Chen Feng seemed to see Zhong Li Yaoqin's worry and smiled slightly.

"How about you?"

Before he finished speaking, Chen Feng flipped his hands and took out the golden pagoda.

As soon as he saw this golden pagoda, Zhongli Yaoqin immediately reacted.

"You mean, Lord of the Night Demon?"

Chen Feng shook his head.

"It's the young master of the Demon Sect of Ten Thousand Desires, Moko Luo."

As soon as these words came out, Chen Feng was not surprised to see Zhong Li Yaoqin's surprised expression.

The next moment, the two appeared on the first floor.

In the golden pagoda, the first floor is empty and desolate.

Except for Mokoro and Shaye Mozun, there was only a pool of dried blood.

This is the first time Zhongli Yaoqin has come here.

"This thing is what I got accidentally in the Shura world, it should be a treasure."

"It's just that I refine the first layer."

When Mo Ke Luo saw Chen Feng, his face was extremely ugly.

He was frantically angry and charged straight.

Has been locked in the golden pagoda for a long time.

There is no day and night here, and the time cannot be distinguished.

Being imprisoned in such a humiliating manner, as the young master of the Demon Sect of the Ten Thousand Demon Sect, has Mo Ke Luo ever suffered such a humiliation?

So today, when Chen Feng appeared, all the anger had erupted.

"Chen Feng, I want you to die!"

The overwhelming demonic energy is surging, transforming one after another skull.

But no matter how they changed, they couldn't even get closer to Chen Feng.

Chen Feng stood with his hands in his hands, joking in his eyes.

"Do you know where I am now?"

But at this time Mokoro had already ignored him, where could he hear half a word?

Chen Feng sighed, and immediately moved forward and waved a palm.

That palm seemed light and fluttering, but it rose strangely against the storm.

The light continued to flourish, and instantly became dazzling.

Almost stabbed Mokoro to shout in pain.

Snapped!

A crisp and loud slap knocked it out hundreds of meters instantly!

This slap finally made Moko Luo temporarily calm down.

Chen Feng came to him again.

"We are now near the Demon Sect of All Desires."

Finally, when he heard the four words of Demon Sect, Mokoro finally had a reaction.

His eyes were alert, his expression suddenly changed, and he immediately stared at the two of Chen Feng.

Be vigilant, look up, think...

Finally turned into a crazy laugh!

"Hahaha... if there is a way to heaven, you don't want to go, and there is no way to hell, you have to go."

"You might as well get closer, my father will be able to sense my breath from you."

"At that time, how do you treat me, I will repay it a hundred times!"

Chen Feng was too lazy to talk nonsense with him.

He immediately ran the heavens and the earth with all his strength to reincarnate the heavens.

In the space of repetitive reincarnation of heaven and earth, the third huge vertical pupil immediately spewed endless black light.

In an instant, the devil's heart was condensed.

Without saying anything, Chen Feng stared at Moko Luo and successfully implanted it in the depths of his spiritual world.

"I ask you, what are your conspiracies?"

As soon as these words came out, Mokoro's mind suddenly became a warning sign.

"Did he know something?"

"Why would he know?"

"Our sect has long been completely closed, unless it is a few elders who can go out..."
