

Peerless 5601

[Chapter 5601: One Yuan Kun Xuan Array](#)

The next moment, the golden Daoyun suddenly lit up from his body.

The light in his eyes flickered, and he reached out to touch the boundary monument.

The Supreme Yuqing Nine Shou Zhen Secret Art swiftly moved, motivating those golden Dao rhymes, and resonating correspondingly with the big and small Dao in the void.

Chen Feng is trying to use Tao Yun to awaken the spirit of the boundary monument!

As the golden Daoyun light surged, the entire remaining boundary monument was surrounded by golden light.

Hum!

It began to tremble constantly.

A trembling sound came from the boundary monument!

A large amount of Dao Yun poured into it, but it sank into the ocean without receiving the slightest response.

Chen Feng frowned slightly.

Until this time, he still did not feel the slightest breath of Qi Ling.

How is this going?

Chen Feng still believed in Xiaojin's ability.

Looking around here, it was deserted, and there was nothing but the sand and fog mixed in the storm.

He directly asked Jin Sanye to come out.

"You guy, you still have to rely on us."

Jin Sanye fluttered out, both wings flapping constantly, hovering for half a year.

The third eye on its forehead was shining.

A red light with a strong breath rushed out from its third eye.

In an instant, all the red light poured into the boundary monument.

Before long, a smile appeared at the corner of Chen Feng's mouth.

He whispered.

"Success!"

A breath of life slowly diffused from the boundary monument.

This sleeping world monument spirit is really asleep too quietly!

With the help of Golden Daoyun and Jin Sanye, those vague inscriptions on the boundary monument slowly glowed.

Those inscriptions are extremely complex and mysterious, and the aura exudes from them has existed for millions of years.

Gradually, Chen Feng and Jin Sanye finally heard a weak voice from the boundary monument.

"Who disturbs me to cleanse?"

Chen Feng frowned slightly.

This voice really came from extremely subtle and weak.

It seems to be extremely weak.

If it weren't for his extremely strong hearing, it would be difficult to hear this sound almost at all.

Chen Feng raised his head and said with a light smile.

"Junior Chen Feng, there is only one purpose for awakening Senior Qi Ling."

"Senior Qi Ling is sleeping here, I wonder if there is a way to cross the turbulence of space?"

"I want to enter the Southern Wilderness."

Before Chen Feng's words fell, the entire boundary monument trembled even more.

The light of the inscription on it is suddenly bright.

Beams of light projected out, seeming to want to condense a shape.

The body resembled a man and a beast, but when it was about to solidify, it shattered.

The endless beam of light also returned to the boundary monument.

Chen Feng frowned on this, and said after a moment of thought.

"Senior Ignorance needs help?"

He saw at a glance that the previous scene was a failure to condense the essence of the spirit.

A bitter laugh came from the boundary monument.

It's just that this time, he was even weaker by three points than before.

"It's useless, I slept for too long, and there is not much strength left in my body."

"At this time, I can only communicate with you with thoughts."

Qi Ling's voice paused slightly, and then he continued.

It has a faint tone.

"Anyway, thank you for awakening me."

"If not, I might die silently under the consumption of time."

"It's just that I don't know how to travel through the turbulence of the space behind me."

"I can not help you."

Chen Feng frowned deeper when he heard the words.

And Mei Wuxiao also sighed, her beautiful eyes filled with loss.

The hope that I had just now fell through.

Even Jin Sanye feels a bit tricky.

Chen Feng looked at the thick storm zone in the distance ahead.

He does not want to give up, and he must never give up!

If Gong Licheng can pass, why can't he?

Just as he thought of this, a flash of light suddenly flashed in his mind.

He immediately turned his head and bowed his hand respectfully towards the boundary monument.

"Senior Qi Ling, someone should have appeared here some time ago."

"I wonder if you have any impression?"

Although Qi Ling had been asleep before this, his consciousness was blurred.

However, if Gong Licheng really broke through the spatial turbulence leading to the Southern Wilderness Immortal Territory, the boundary monument could not be unimpressed.

Sure enough, as soon as Chen Feng said this, Qi Ling thought about it, and slowly responded and said yes.

This time, without waiting for Chen Feng to speak again, he listened to it again.

"Although my strength is not enough to condense the entity, it is enough to present the scene of that person breaking through the turbulence of space."

"but....."

The boundary monument inscription shines again.

Qi Ling sighed again after being slightly silent.

"You awakened me, and I don't want to watch you go to death."

"You know, the Southern Wilderness Immortal Territory has been abandoned."

"Especially... when the Southern Wilderness collapsed, the territory of tens of millions of miles was wiped out and turned into yellow sand in the sky!"

"Even the experts in the fairyland of Lingxu, may not dare to get involved again!"

Speaking of this, Qi Ling's voice inevitably brought a heavy touch.

It is persuading Chen Feng and others.

But Chen Feng shook his head, his eyes full of determination.

"Also ask Senior Qi Ling to show me the scene of the past."

"As for the rest, I make my own decision."

Gong Licheng has entered the Southern Wilderness Immortal Territory, no matter how dangerous, Chen Feng will never give up lightly.

"Hey!"

A long sigh came from the boundary monument.

Then the light of the inscription condenses in midair and turns into a light curtain.

Then, a figure in the light curtain came into the eyes of everyone.

Chen Feng's pupils shrank.

That figure is impressively Gong Licheng.

Surprisingly, Gong Licheng actually carried another person in his hands!

Even through the light curtain, Chen Feng felt it.

The person mentioned in Gong Licheng's hands is extremely weak, but he is a strong man in the eighth cave of the ten-square cave.

Obviously, that was a fairy from the top of the sky!

In the light curtain, Gong Licheng walked step by step behind the boundary monument and looked up at the turbulent flow of space in the distance.

Then, there was a sneer on his face.

Between raising his hands, the entire light curtain was reflected by a mighty light.

But seeing Gong Licheng waving constantly, he started to make formations!

Chen Feng watched patiently.

Three days later, a vast array spreading hundreds of miles appeared in the light curtain!

In the center of that mysterious formation, there is a layer of mysterious lines.

Gong Licheng stepped into the air, standing in the air.

The next moment, he threw the immortal in his hand into the big formation below.

In the silent light curtain, the panic and horror on the face of the immortal can be clearly seen.

You can also see the smug smile on Gong Licheng's face.

Just as the mysterious pattern where the fairy was thrown into the center of the big array, red light appeared in an instant!

The tragic cry can be felt almost through the light curtain!

The pattern in the middle of the large array is actually the pattern of the altar!

With it, the immortal was swallowed almost in an instant.

And the red light intensified, and the entire array was immediately covered.

The red light, which is hundreds of meters thick, goes straight to the sky!

Almost pierced Jiuxiao!

boom!

The earth seemed to be trembling.

In the void, from the beginning of that great formation, a long and narrow red light tunnel was born!

The turbulent flow of that piece of space... has carved out a path that can be walked safely!

Gong Licheng laughed, Dang Even entered at a very fast speed.

When Chen Feng saw this, there was a glimmer of light in his eyes.

"Yuan Kun Xuan Great Formation!"

He has heard of that formation.

In the legend, the top big formation that can enter and exit like no one!

Unexpectedly, Gong Licheng actually mastered it!

Even more unexpectedly, through the light curtain, he even carefully demonstrated it to Chen Feng!

Mei has no time to look at Chen Feng.

"Brother Chen Feng, can you arrange this magic circle?"

[Chapter 5602: You want to kill me too?](#)

"If it is possible, then we can pass through the turbulence of space and reach the southern wilderness."

Chen Feng nodded.

"I can indeed arrange this Yuankunxuan formation."

"It's just that we have no one to sacrifice."

"That's the whole big formation..."

His voice stopped abruptly.

Almost instantly, he looked up sharply.

At the same time, a Zhan Zhan sword light swiftly flew from afar.

Seeing this sword spirit, Chen Feng burst into laughter instead.

"I'm worried, I didn't expect the sacrifice to be delivered to the door!"

He stretched out his hand to probe.

At the same time, the Taishang Demonized Dragon Art has reached its limit!

Click!

Chen Feng's palm collided with the sword.

He didn't retreat, but instead advanced, he actually shattered his sword qi abruptly.

Then, he looked at the people coming.

The visitor stood upright, his cyan Dao robe moved with the wind, holding a long sword.

It is the Shen Chenfeng of Taiyi Immortal Gate!

When Chen Feng stopped his full blow with a palm of his hand, Chen Chenfeng's eyes flashed with surprise.

However, he then sneered disapprovingly.

"It's no wonder that the Great Desolate Master values you so much, he does have some skill."

"However, if that's the case, Chen Feng, you'd better suffer to death."

"Previously it was only my three-point strength, if I go all out, you are not my opponent at all!"

However, at this time, Chen Feng looked at him with a bright smile.

Set up the Yiyuan Kunxuan formation, everything else is fine.

The biggest problem lies in the need for a strong man as a sacrifice.

Especially if you want to cross such a powerful and wide storm belt.

The strength of the sacrifice determines how long the red light channel can support.

Originally he was still worried, but he didn't expect Shen Chenfeng to come to the door.

Chen Feng looked at Mei Wuxie and smiled.

"Mei Wuxian, listen to what I said, go and arrange that Yuan Kun Xuan formation."

He spoke extremely fast, and told Mei Wuxian all the tricks for arranging the formation.

Mei Wuxian is also a rare Tianjiao, and can't help nodding.

I quickly understood.

The two were talking to themselves, seemingly not paying attention to the Shen Chenfeng in front of them.

Such arrogance really angered this strong man from the Taiyi Fairy Clan!

His complexion grew somber.

The long sword in his hand began to release a biting sword aura.

On the blade, a dragon-shaped pattern was originally visible.

At this moment, the dragon-shaped pattern began to shine.

"Good Chen Feng, you dare to be so arrogant!"

"Today, I need to slap you, and see how you can be arrogant if you die under my sword!"

Before the words fell, the power of the stars came out from him.

boom!

In the blink of an eye, the terrifying coercion of the tenth cave sky of the Shifang Dongtian realm filled the sky.

Spread hundreds of miles instantly!

If it is not the turbulent flow of space, I am afraid he will do his best.

During the roar, Shen Chenfeng waved high and cut out with a sword.

"Taiyi Lingxiao Sword Art!"

As one of the strongest disciples of Taiyi Immortal Clan, Shen Chenfeng's cultivation methods and martial skills are all top-notch existence!

The power of the stars all over his body instantly turned into a gray color, all condensed in a sword!

Jianguang cut through the air!

Although Shen Chenfeng was extremely confident, he still went all out when facing the enemy!

He didn't mean to underestimate Chen Feng.

This sword made the void tremble!

Ripples in mid-air immediately swayed.

Even Chen Feng was astonished.

"It seems that this person in the Taiyi Immortal Gate must be the very powerful group."

Thinking of this, Chen Feng smiled.

"Mei has no time, go to the formation, I will bring the sacrifice later!"

"It is good!"

When the words fell, Chen Feng hit the ground with his toes and burst out.

At the same time, Qingqiu Tianlong Sword suddenly appeared in his hands.

In the star sea world, countless stars are shining, and the power of the stars is powerful.

In an instant, Chen Feng also made a cut!

"Too high to punish God!"

boom!

In the midair, a loud noise suddenly sounded!

Shen Chenfeng's sword light was crushed instantly!

Chen Feng held the Qingqiu Tianlong Knife upgraded to an immortal weapon and flew out.

He smiled slightly, not retreating but advancing.

"Come again!"

Before the voice was over, it was cut again!

A touch of surprise passed in Shen Chenfeng's eyes.

That sword just came out earlier than Chen Feng, and didn't leave much energy.

However, it was blocked!

"It seems that this Chen Feng is stronger than I thought!"

Seeing Chen Feng attack in the blink of an eye, Shen Chenfeng gritted his teeth.

Turn the Xuanyi Taiyuan Dao Jue to the extreme!

The two began to fight.

Chen Feng's current strength is particularly strong.

It is more than enough to deal with a tenth cave sky strong man in the Ten Fang Dongtian realm.

However, Chen Chenfeng is not a good thing to deal with.

He not only possesses the powerful cultivation base of the tenth cave of the Ten Fang Dongtian Realm, but of course also the treasure of the Ninth Rank!

The overall strength is close to a half-step Lingxu Land Wonderland!

Three days later.

Click! Click!

Then, the long sword in Chen Chenfeng's hand actually shattered one after another!

After a while, only a section of the hilt was left.

Shen Chenfeng's face was pale to the extreme, and he roared!

"Broken Yuan Broken Dao Sword!"

The power of the majestic stars suddenly condensed into a sword shadow, slashing towards Chen Feng!

The sword shadow slashed, ripples like ripples in the air, scattered in all directions.

Faintly, it was actually suppressing Chen Feng's star power.

This sword is surprisingly one of the strongest sword arts of Taiyi Immortal Gate!

Chen Feng's powerful combat power made Shen Chenfeng extremely jealous, so he decided to use it!

"Chen Feng, die to me!"

Shen Chenfeng kept roaring.

In the midair, there was also a constant roar.

That sword shadow is too powerful.

Even if it is too high, it is impossible to get rid of it.

However, Chen Feng snorted softly.

"You want to kill me too?"

The Qingqiu Tianlong Sword was in his hand, suddenly bursting into light.

The power of the stars and the golden rhyme are all exuding radiant spirits!

Qingqiu Tianlongdao trembled all over.

Chen Feng suddenly took a step forward, and the Supreme God Demonized Long Jue turned to the extreme.

The Supreme Bloodline is activated again!

The next moment, a knife slashed out!

call out!

White light broke through the sky!

The speed is extremely fast!

Chen Feng yelled.

"Too high to punish God!"

Seeing the sword light attack, Shen Chenfeng's back was chilled, and his eyes flashed with horror.

Boom!

The Broken Yuan Broken Dao Sword was instantly crushed, making a huge noise.

The void trembles!

However, he still couldn't stop the knife at all!

Shen Chenfeng's pupils shrank abruptly, and immediately turned around to try to escape.

But it's too late!

He was too slow, in front of this knife, too slow!

puff!

White light penetrated his chest in a blink of an eye!

He was stabbed by Chen Feng and fell suddenly in midair!

The blood is pouring down like rain!

Shen Chenfeng was covered in blood, and there was no blood on his face.

He collapsed to the ground, finally showing horror on his connection.

Seeing Chen Feng approaching him, he struggled, but was horrified to find that his whole body was covered by golden Dao Yun.

[Chapter 5603: Taiyi Immortal Gate powerhouse is here!](#)

Can't move at all!

"Spare me... please forgive me..."

He has collapsed, no longer the slightest arrogance, and extremely humble under the threat of death.

But Chen Feng smiled faintly.

He stretched out his hand, the power of the stars came out, and grabbed it directly.

Hum!

At this time, a trembling came from not far away!

Mei Wuxiao turned her head to look, her small face was full of smiles, very happy.

"Brother Chen Feng, the formation has been set."

Behind the boundary monument, there was a mysterious and complex array of inscriptions, scrolling for dozens of miles, and now it was emitting light.

It is the Yiyuan Kunxuan formation!

In its center, a pattern of light that resembles an 'altar' is even more dazzling, and there is a faint suction.

Chen Feng laughed loudly.

"Good job, we will leave the Eastern Wilderness and head to the Southern Wilderness Immortal Territory."

With that, Chen Feng threw out Shen Chenfeng in his hand.

"Chen Feng! I am the inner child of Taiyi Immortal Clan!"

"How dare you treat me this way?"

"No, I will kill you, I must kill you!"

Shen Chenfeng roared again and again, but he was already seriously injured and could not resist at all.

At the time of desperation, his last burst of strength suddenly broke out, turning his hand to take out a jade talisman!

Click!

That jade charm was directly crushed by Chen Chenfeng!

And he was completely swallowed by the Yiyuan Kunxuan formation at this moment!

Only a roar full of resentment remained.

"Chen Feng, I'm waiting!"

"I'm waiting for you to come with me right away!"

Chen Feng's complexion changed slightly, and he snorted.

"not good!"

The Yiyuan Kunxuan formation needs a living person as a sacrifice.

Therefore, Chen Feng controlled his strength and did not directly kill Shen Chenfeng!

But I didn't think that this person would have such a countermeasure in a desperate situation!

Rumble!

Thinking of this, Chen Feng suddenly looked up.

I saw that midair was torn apart by a stalwart figure!

A tyrannical to extreme force burst out from it!

Xingchen Lingmai disappeared!

"Nie Hu, how dare I move my Taiyi Xianmen disciple!"

A roar came from it.

Then, I saw the stalwart Void figure raising his hand and smashing it down.

The power of the stars is so mighty to the extreme, madly hit.

In an instant, the void was distorted for it.

Chen Feng's complexion changed immediately, and he snorted.

"Xianjun Hong Xi!"

With that said, the Qingqiu Tianlong Sword in Chen Feng's hand was already cut out!

In the star sea world, the stars shine brightly, and the power of the majestic stars rushes out!

Too much to kill God!

The moment Chen Feng took the sword, there was already a mighty blade light, which cut straight out!

Boom!

Chen Feng's full blow was able to block Hong Xi Xianjun!

At the same time, in the eyes of Yiyuan Kunxuan's eyes, a stern cry for help sounded!

"Sect Master, save me!"

Although the body was swallowed by the great array, Shen Chenfeng still had a breath!

Immortal King Hong Xi had already stepped out of the void and slew towards Chen Feng.

Hearing this call for help, he stopped slightly.

Turning his head to look in the direction of the sound, Immortal Hong Xi's expression was extremely gloomy.

He turned his head again and yelled at Chen Feng.

"Oh, Chen Feng, how dare you use my Taiyi Immortal Clan disciple as a sacrifice?"

"Today, you will definitely die!"

"Even if the great deserter comes, I can't stop it!"

Before he finished his words, he saw Chen Feng's eyes flashing with a hint of brilliance.

The next moment, his whole body is exuding golden light.

Hum!

Yiyuan Kunxuan array issued a dazzling red light!

Then, in the void, from the beginning of the big formation, a red light channel suddenly penetrated!

Mei Wuxian has already entered the Great Asura oven.

At this moment, Chen Feng waved a big hand, grabbed the Great Asura oven, and flew up.

The golden Dao Yun's light was shining.

He stepped into the red light channel!

"Yuan Kun Xuan Great Formation? Damn it!"

Seeing this, Immortal Hong Xi's complexion was even more gloomy, and his whole body moved violently with the power of the stars!

Intend to rush to kill people.

However, Shen Chenfeng's cry for help came again, becoming weaker and dying!

"Sect Master, save me, I can't hold it!"

If Immortal Hong Xi didn't make a move, Shen Chenfeng would be completely swallowed and killed by the Yiyuan Kunxuan formation.

Even among the top first-grade fairy gates, it is particularly valuable to be able to cultivate a strong man who can almost half a step in the fairyland of the virtual world.

Just watched him die in front of him, Hong Xixianjun couldn't do it!

Looking at the red light channel, Xianjun Hong Xi finally stopped.

He changed his face suddenly, then sneered.

"Well, let you die in the turbulence of space!"

When the words fell, the power of the stars that Chen Feng had killed mighty, but suddenly changed its direction.

Immediately afterwards, all fell on the one-yuan Kunxuan formation!

The light of Yiyuan Kunxuan's large array suddenly surging, and then quickly dimmed.

Even the red light channel is shaky.

Chen Feng's face suddenly changed, and he snorted.

"not good!"

Bang bang bang!

A loud noise came from outside!

Chen Feng looked down.

I saw the Yiyuan Kunxuan formation quickly collapsed, and the inscription broke open!

And the light radiated by the formation is not much.

I saw Chen Chenfeng flying out of the 'Altar'.

He was covered in blood, blood and tears in his eyes rolled, and he fell to the ground.

However, if the sacrifice is not dead, it means the formation has failed!

The red light channel in the void, as the inscription of the large array is broken, is constantly broken!

The arrogant formation began, all the way up, and continue to fall apart!

The red spirit glow that was disintegrated disappeared into the air in the blink of an eye.

When Chen Feng saw this, his complexion suddenly changed and he let out a low growl.

"No! The space channel is about to collapse!"

He clutched the Great Asura oven, madly running Taishang Yuqing Nine Shouzhen Secret Art.

The golden Dao Yun burst into bright light instantly.

And his figure disappeared continuously.

The speed is extremely fast!

He quickly shuttled through the red light channel.

One step!

Behind him, the red light channel still shattered continuously, very fast.

In an instant, he caught up with Chen Feng!

At the next moment, he stalled.

A sense of weightlessness came, and the ears were full of loud rumblings!

I saw a turbulent flow of space culling, and Chen Feng was instantly involved in it!

"what!"

Chen Feng yelled, and was **** in the blink of an eye!

With the turbulence of the space turbulence, even his whole bones creaked.

Xianjun Hong Xi looked at the terrifying space turbulence in the distance, and the yin bird smiled cheerfully.

"This time, I want to see, who can save you!"

After all, he had Shen Chenfeng in his hand and disappeared at the junction of the Eastern Desolate Immortal Territory and the Southern Desolate Immortal Territory.

At this moment, the space is turbulent.

Chen Feng gritted his teeth, reached out and took out the Qingqiu Tianlong Knife, and held it firmly in his hand!

Although he fell into the turbulent space, he could vaguely feel it at this moment.

They are already less than a thousand feet away from the Southern Desolate Immortal Territory!

As long as you break through the turbulence of the space in front of you, you can successfully reach the southern wilderness!

Chen Feng yelled.

"The Supreme God Demonizes the Dragon Technique!"

In an instant, the golden rhyme of the whole body condensed into an 'armor' attached to the body.

[Chapter 5604: Temporal storm!](#)

He wants to resist the turbulence of space again!

If you can resist it, you will live.

If he couldn't carry it, he could only take Mei Wuxia and Jin Sanye to death together!

At this time, in Chen Feng's Star Sea World, hundreds of stars were shining brightly.

The power of the stars is coming out!

The Qingqiu Tianlong Sword in Chen Feng's hand was also cut out with a single blow!
call out!

The knife is surging, breaking a path in the turbulence of space!

However, it was swallowed instantly!

When Chen Feng saw this, his eyes sank.

The storm here is too strong.

He tried his best to cut a path, even a few meters!

Under the strong wind, the golden armor covering him gleamed with difficulty.

Will fall apart at any time.

Once they collapse, it is their time to die...

The flesh was squeezed to the limit, and Chen Feng chopped hard.

Under heavy pressure, the skin oozes blood all over the body.

The bones are breaking.

However, his footsteps have become more firm!

"Even if I move forward step by step, I will never give up!"

Despite this, his breath is getting weaker.

Just now!

Chen Feng's star soul space trembled suddenly.

A powerful force spilled out of it!

It is Chen Feng's star soul power!

Xu Ye sensed that Chen Feng's situation was particularly dangerous at this moment, and the power of the star soul suddenly appeared!

At this moment, there was a glimmer of light in his eyes!

"Too high to punish God!"

Hum!

Qingqiu Tianlong Sword shook violently.

All the power was poured into a knife, and it was cut out for Chen Feng!

The knife light broke through the air and fell on the turbulence of space.

Boom!

A loud noise came from in front of Chen Feng.

He didn't stop, and saw the void trembling vaguely!

Wow!

Afterwards, the wall formed by the turbulent flow of space finally broke open with a touch of light!

Chen Feng was overjoyed when he saw this.

"it works!"

However, before he could leap up, a huge pain suddenly came from his body!

puff!

Chen Feng's complexion changed, and a mouthful of blood came out!

Spatial turns seem to be thoughtful.

Seeing that he was about to leave, at this moment he was violently attacked from behind, and he was caught off guard!

Chen Feng gritted his teeth and turned the Supreme God Demonized Dragon Art to the limit.

At this moment, blood bursts from his body!

He has already reached his limit!

Chen Feng stepped out!

The turbulence behind the space is biting!

Endless suction comes crazy.

He kept waving the knife in his hand to open up a path!

And with the other hand, hold on to the Great Asura Oven!

Mei has no time to see this in the large Xiura oven, her eyes are already shining with tears.

"Brother Chen Feng, you let me out."

"I will only drag you down in the Great Asura oven!"

Seeing Chen Feng moving forward in such pain, she was moved and anxious.

Can't wait to endure the endless pain instead of Chen Feng.

"You let me out, I can also help you!"

However, Chen Feng didn't even think about it, so he only drank out loud.

"No, I can definitely take you out of here!"

When the words fell, he split a half-foot path and stepped up.

And the turbulent flow from the space around and behind the body was once again attacked and killed, bringing endless pain!

Chen Feng's will is a little fuzzy!

There is only one thought in his heart.

leave here!

Never let Mei Wuxia die here!

Thinking of this, Chen Feng shouted.

All power poured into the last knife!

"Ah! Drive me!"

The knife light suddenly cut out!

The last space was turbulent, cut through for Chen Feng, and exploded!

Chen Feng is like a blood man.

Relying on his last will, he shot out and officially entered the Southern Wilderness Immortal Territory!

thump!

The moment Chen Feng stepped out, he fell to the ground, almost unconscious.

The big Shura oven in his hand also fell aside.

In an instant, all the light on his body dimmed immediately.

Xinghai World is almost exhausted.

Countless stars are darkened.

The golden rhyme suddenly disappeared.

The large Shura oven moves with the wind and becomes several times larger.

Mei has no time to come out of it.

She stepped forward to help Chen Feng up, her eyes full of worry.

"Brother Chen Feng, are you okay?"

Chen Feng sat cross-legged, his eyes closed slightly.

There was a hard smile on his pale face.

"Don't worry, my injury will recover soon..."

In the Star Sea World, the dimmed stars have now begun to slowly regain their light.

On the seedling of the World Origin Tree, a drop of dew dropped again at this time.

boom!

The extremely powerful spiritual power, like the spring wind and rain, quickly nourished his star sea world.

Chen Feng's face recovered a little rosy at a speed visible to the naked eye.

When Mei Wu had time to see this scene, she was slightly relieved.

Only then did she begin to look around.

She just glanced at it, and she couldn't help but let out a surprise.

"This is the Southern Wilderness Immortal Territory?"

I saw it was a ruin!

Endless desert!

The sky is dim, but it is not as deep as the night, like a faint blood gauze hanging on the sky.

The earth is chapped everywhere!

The entire Southern Desolate Immortal Territory has collapsed!

Looking around, you can even see a huge deep pit that stretches for thousands of miles.

Among them, there are many giant bones that resemble fish and snakes.

"That is the bottom of the sea after the sea has dried up?"

Mei Wuxie was shocked.

At this moment, Chen Feng's breath slowly calmed down.

Wen Yan opened his eyes and looked around.

Afterwards, he was also very surprised.

"It is said that the Southern Desolate Immortal Territory was completely deserted after World War I."

"The whole fairyland is covered by yellow sand."

However, he did not expect that even the aura in the void would be very weak.

It's a far cry from the Eastern Desolate Immortal Domain!

After a long time, Chen Feng's injury recovered seven or eighty-eight.

He suddenly got up and looked at Mei Wuxian.

"Anyway, at the moment, we are still going to explore where the ancient forbidden land is."

Mei has no time to nod slowly.

However, she then frowned again.

"Brother Chen Feng, don't you know the specific location of the ancient forbidden area?"

At the end of the speech, Chen Feng also fell into contemplation, then shook his head and smiled bitterly.

Although he was familiar with all parts of the Eastern Wilderness, it was the first time he came to the Southern Wilderness Immortal Territory.

And Mei Wuxian, before that, had not even stepped into the world of Xuanhuang Zhongqian.

With the strength of two people, if you want to find the ancient forbidden land in a short time, it will be extremely difficult.

He bowed his head and asked the third master Jin in his arms.

"Xiaojin, do you feel something around you?"

With a burst of light flashing.

Jin Sanye's round body suddenly appeared in front of the two.

It flapped its wings and kept crying.

"Hehe, Chen Xiaozi knows to find us if he has something to do?"

Its dark eyes rolled slowly.

I looked around for a week, and then I was surprised.

"Wow, it's amazing here, something terrible must have happened!"

"Even the stars' spiritual veins are gone!"

As soon as this statement came out, even Chen Feng was shocked.

He slowly closed his eyes, felt it carefully, and then opened it suddenly.

[Chapter 5605: Southern Desolate Immortal Territory, a dead place?](#)

No wonder the aura is thin here.

It turned out that in this Southern Wilderness Immortal Territory, he really couldn't perceive half of the celestial veins!

Chen Feng whispered.

"how is this possible?"

The stars' spiritual veins, which gather the power of the heavens and the stars, are almost everywhere in the Eastern Wilderness.

Existences such as the Nine Heavens Tongtian River of the Galaxy Sword Sect and the Heart of the Ocean are the Star Spirit Vessels.

Not only can it help the monks in their practice, but it also benefits the people.

Under normal circumstances, the stars and spirit veins are occupied by large local sect forces.

However, even if it has been occupied, it is not impossible to perceive it.

But at this moment, under the strong sense of Chen Feng and Jin Sanye, he didn't actually sense half of the stars here.

"Let's look ahead."

Thinking of this, Chen Feng flew up and took Mei Wu time to move on.

Jin Sanye also followed behind with flapping wings.

Two people and one bird moved forward quickly, and the more they walked, the more frightened!

I saw that the ground under them was still cracking and cracking, and it seemed that it was not in good condition.

Except for the broken ground, there are only deserts and deep pits in the eyes.

They have spanned thousands of miles, but the scene in their eyes has hardly changed.

The entire Southern Wilderness Immortal Territory was dim and desolate.

No more anger, completely reduced to death.

"Brother Chen Feng, what happened to this Southern Wilderness Immortal Territory?"

Mei Wuxia fluttered in white, looking around, her tone full of sorrow.

"As one of the four immortal realms in the Xuanhuang Middle Thousand World, how could it have fallen here?"

Chen Feng slowly shook his head.

The history is too long, and he doesn't know it.

But at this moment, his eyes suddenly lit up, and his speed suddenly accelerated a bit.

"A trace of someone!"

Mei Wuxie and Jin Sanye were shocked when they heard the words, and they hurriedly followed Chen Feng.

Chen Feng spanned thousands of miles in the blink of an eye.

Then, he stopped abruptly and looked forward.

I saw that the terrain in front was quite high, like a stretch of mountains.

However, the top of the mountain in front of them was extremely flat, as if it had been flattened by a strong man!

Not only that, the rest of the mountain peaks are even more mottled, as if they were cut apart by a sword aura!

As soon as Mei Wuxie approached, Dai's brows wrinkled slightly, and she reached out her hand.

"It's murderous! But it seems that a very long time has passed!"

"This place seems to be an ancient battlefield!"

Chen Feng nodded and frowned slightly, looking at this mountain range.

"This murderous spirit has existed for an extremely long time!"

"Perhaps, it was left behind when the Southern Wilderness was destroyed!"

He suddenly stood up and searched around, Mei Wuxiao and Jin Sanye followed behind.

Soon, everyone will gain.

In a desert not far from the mountains, there are still bursts of murderous aura, and it is more dense.

This is indeed an ancient battlefield!

Chen Feng stepped forward, frowning deeper.

"How terrifying was that battle?"

"Obviously after so long, why is there such a fierce murderous intent left behind!"

"Where is the ancient forbidden land?"

One by one doubts came from Chen Feng's heart.

At this moment, Mei Wuxian had fallen on the desert and explored everywhere.

"Brother Chen Feng!"

Mei Wuxie let out an exclamation and turned to look at Chen Feng, her delicate face full of surprise.

"Here, there is actually a spiritual flower!"

Chen Feng was also surprised when he heard the words, and his body disappeared in place.

With the power of the stars surging, he had come to Mei Wuxian's side and looked down.

Awe-inspiringly saw a gray-white and red spirit flower, standing proudly in the wind among a pile of yellow sand.

This flower has nine petals, and the whole body is gray, with only a hint of scarlet in the veins.

Mei Wuxiao was very familiar with pharmacology and recognized it all at once.

"This is the Blood Yang Soul Flower!"

Chen Feng's heart was shocked when he heard the words, and there was a touch of surprise in his eyes!

Mei has no time to explain slowly.

"This flower is extremely rare, and it is said that it will not appear in ten thousand years."

"It is said that only the real dead place, with the ultimate breath of death, can grow this flower."

"The ultimate of death is life. Although the blood-yang soul-cultivating flower was born in death, it has a great effect on soul-cultivation and soul-recovery."

Chen Feng nodded, although it was the first time he saw this flower.

But with his knowledge of pharmacology, he naturally knew the preciousness of the Blood Yang Soul Flower, which was extremely difficult to find.

The golden rhyme of Chen Feng's body rose up, like light and fog, condensing on the surface of his palm like a glove.

He reached out to pick.

However, at this moment, Chen Feng's complexion changed drastically, Dao Yun's light flashed, and his figure suddenly disappeared in place.

"Wow!"

A roar suddenly came!

I saw a giant gray shadow coming through the air and landing on Chen Feng's previous position.

However, it was empty.

That is a demon wolf!

The body is huge, with a length of tens of feet, and the gray fur is more erect like a steel needle!

At this moment, his blood-colored pupils were full of extreme killing intent, staring at Chen Feng firmly.

An extremely majestic star power came out of it, almost piercing the sky!

Coming straight against Chen Feng!

Fortunately, Chen Feng reacted fast enough before, otherwise he would be successfully attacked by the demon wolf!

"Red Eyed Demon Wolf!"

Jin Sanye recognized the bloodline of the demon wolf at a glance, but then was full of doubts.

"Strange, this is clearly a place of death!"

"How could the Red Eyed Demon Wolf appear here?"

Chen Feng and Mei are also very puzzled.

He frowned.

However, at this moment, the fierce light flashed in the eyes of the Red Eyed Demon Wolf, and it had already rushed again!

Whoosh!

The Red Eye Demon Wolf is extremely fast.

The gray body turned into a stream of light, swiftly killing like an arrow.

In an instant, he had come to Chen Feng.

It opened its blood basin and was about to fall.

Two fangs, full of adult arm length!

The terrifying coercion emanating from his body was even more unscrupulous, and it pressed against Chen Feng.

Chen Feng sneered.

"Huh! A beast, he wants to kill me too?"

The Qingqiu Tianlong Sword in his hand appeared, and the light of the sword surged out.

In Xinghai World, nearly two hundred stars are all lit up at this moment!

A steady stream of star power surged out.

"Too high to punish God!"

Boom!

The long knife slashed down, and the light burst out!

The red pupil demon wolf reacted extremely fast, seeing the sharp shrinkage of his pupils, he wanted to retreat.

But the knife light was faster, submerged in its body, and shot blood!

"Wow!"

The red pupil demon wolf was in pain, roared, and then flew up.

This beast is extremely cunning. Seeing that it is not Chen Feng's opponent, he wants to escape immediately!

"Want to go? Impossible!"

Chen Feng sneered, and stepped up with the Qingqiu Tianlong Sword in his hand, breaking through the air.

The golden rhyme of Taoism instantly makes it span thousands of miles between one step!

The Red Eyed Demon Wolf has no room for escape!

At the same time, Qingqiu Tianlong Sword is soaring!

Cut it from his hands!

The pupils of the red pupil demon wolf shrank suddenly, and the light all over his body suddenly formed into a light mask.

It seems that I want to block this blow!

Click!

However, as soon as the mask appeared, it was cut to pieces by Chen Feng's knife!

[Chapter 5606: Memory pieces!](#)

He didn't show any mercy with this cut.

Going out of the way, directly slashed the Scarlet Eyed Demon Wolf.

The Qingqiu Tianlong Sword is an immortal weapon, and the Scarlet Eyed Demon Wolf cannot resist it! puff--

Blood is falling like rain!

The red pupil demon wolf crashed down.

The upper part of the body kept twitching, and visceral fragments from the wound kept pouring out.

A pair of red eyes were also rapidly dimming.

And when Chen Feng was holding the Red Eyed Demon Wolf, Mei Wuxian, who was on the side, had already picked the Blood Yang Soul Flower.

At this time, it has been put into the big Shura oven.

Chen Feng looked at the twitching Red Eyed Demon Wolf, with a look of recollection in his eyes.

"Bloodwind..."

Chen Feng murmured.

Seeing the Red Eyed Demon Wolf, he remembered the original scene.

At first, in order to allow Chen Feng to enter the world of Xuanhuang Zhongqian, Xuefeng was willing to sacrifice.

Only a breath was left in him.

Bloodwind is likely to be alive.

Unfortunately, Chen Feng did not have the qualifications to learn too much truth.

And now in retrospect.

The bloodline and background of the blood wind may be more powerful and terrifying than Chen Feng imagined.

Even, the world of Sirius is likely to be...

Great world!

Thinking of this, Chen Feng's eyes flashed with a hint of light.

Standing in the air, he looked at the body of the Scarlet Eyed Demon Wolf, his eyes filled with determination.

"Waiting for me to find Guixu Xianzong in the Xihuangxianyu, I got news from the Great Thousand World."

"Not only my life experience, but also the blood wind..."

Chen Feng muttered silently over and over again.

Bloodwind is the closest combat companion deep in his heart.

Sacrificing for him in the first place, when Chen Feng became strong, he naturally had to go back to the source and find the truth.

Thinking of this, Chen Feng slowly retracted his thoughts.

Then his toes were a little bit in the air, his body almost turned into a stream of light, and he pierced through the air towards the corpse of the Scarlet Demon Wolf.

"Heaven and earth reincarnate in heaven and earth!"

In the space of repetitive reincarnation of heaven and earth, light flickered in the huge dark blue eyes.

The monstrous mental power rushed out from it, turned into thousands of fine needles, and pressed against the red pupil demon wolf like an overwhelming sky.

The Red Eye Demon Wolf was dying, and his mental power was also disintegrating.

Its twisted face suddenly stagnated, then its eyes widened, and it died suddenly.

At the same time, Chen Feng also got a lot of news from the spiritual world of the Red Eyed Demon Wolf.

He opened his eyes suddenly.

Afterwards, Chen Feng looked at Mei Wuxie and raised his brows.

"In this Southern Wilderness Immortal Territory, there is still an oasis!"

Hearing this, Mei Wuxie's beautiful eyes flashed with shock.

She looked around subconsciously.

I saw a barren, and the whole world seemed to be dim.

There is no extra color.

There will be oasis in such a place?

Before Mei was too busy to ask, Chen Feng said in a deep voice.

"The oasis is right ahead, but in a broken mountain valley."

"It's just that it won't appear until the full moon."

Mei has no time to nod slightly.

But Chen Feng was still searching for the news from the Scarlet Eyed Demon Wolf, and his brow was slightly raised.

"Sure enough, Gong Licheng has already been here."

Among the memory fragments of the Red Eyed Demon Wolf, Chen Feng suddenly saw Gong Licheng's figure.

Although it just passed by in a flash, it already showed that Gong Licheng had already taken a step ahead of him.

Chen Feng's complexion slightly sank, then his complexion changed drastically, and he shouted suddenly.

"not good!"

"Let's get out of here soon!"

Chen Feng saw a pack of wolves in the mind of the Red Eyed Demon Wolf!

He only reacted at this time.

Wolves are beasts that live in groups.

The same goes for the Red Eye Demon Wolf.

Especially now that Chen Feng beheaded a red-eyed demon wolf, the **** air was released, and it instantly drifted hundreds of miles away.

It will definitely attract other red pupil magic wolves!

Mei Wuxian and Jin Sanye also reacted after a word of him.

The two stood up and were about to leave.

However, ripples in the air around him.

"Roar!"

"Wow!"

One after another wolves roared around!

Mei Wuxian's face was pale.

I saw yellow sand in the distance!

Huge wolf heads appeared around the wilderness, all with red eyes.

The wolf pack of Red Eyed Demon Wolf is here!

From each demon wolf, there was a wave of incomparable star power, which directly pressed the two of them and one bird.

Jin Sanye turned around and hid back.

Only Chen Feng was left with a gloomy face, his eyes narrowed slightly.

"These magic wolves are extremely powerful, and even have a half-step spiritual virtual land fairyland."

"If we force a breakthrough, we will die without life."

Thinking of this, Chen Feng snapped out his big hand and drank aloud.

"No time, you enter the Great Asura oven."

"I am faster than you, so I will take you out of here."

Mei Wuxie knew that with her current strength, staying outside would be a drag.

She nodded immediately.

But, despite this, a touch of worry emerged in his beautiful eyes.

She looked at Chen Feng and persuaded.

"Brother Chen Feng, if it's a critical moment, you must release me to help you."

Chen Feng nodded, and then he stood up and grabbed the Great Asura oven.

Mei Wuxian also quickly entered the large Asura oven.

Then Chen Feng stepped out, extremely fast, a thousand meters high in the air.

However, at the same time, the red-eyed demon wolves all around the wasteland raised their heads and screamed.

All of a sudden, blood soared into the sky!

The power of the stars burst out from them, faintly forming a giant net.

An incomparable force immediately pressed directly towards Chen Feng.

"It seems that I can only break through forcibly!"

Upon seeing this, Chen Feng's eyes flashed a touch of warfare and looked not far away.

The Qingqiu Tianlong Sword appeared again and fell into his hand.

He is preparing to shoot!

In the star sea world, most of the stars are dazzling.

The power of the stars burst out wildly.

However, at this moment, the red pupil demon wolf suddenly dispersed.

A towering figure fell into Chen Feng's eyes.

It is the Wolf King!

The wolf king among the wolves!

It is extremely intelligent, and people stand up, looking at Chen Feng coldly.

There was a human sneer among the fist-sized eyes.

It seems to be ridiculing Chen Feng's irresponsibility.

A tyrannical force radiated from him, directly pressing Chen Feng!

"Lingxu Land Wonderland!"

Upon seeing this, Chen Feng suddenly exclaimed, shaking his heart.

The Southern Desolate Immortal Territory is terrifying!

It's actually here that you can see the powerhouses in Lingxu Land Wonderland!

And it's just a demon wolf!

"No wonder the spirit of the boundary monument made me be careful, the Southern Wild Immortal Territory is really terrifying."

The Qingqiu Tianlong Sword in Chen Feng's hand lit up.

However, Chen Feng didn't intend to shoot immediately, but instead planned to teleport away.

The red pupil demon wolves scattered around.

It seemed that this wolf king wanted to personally kill Chen Feng.

But as long as Chen Feng is slightly abnormal, the remaining Red Eyed Demon Wolf will definitely take action.

Faced with so many powerhouses, Chen Feng decided to leave here first to be conservative.

Hum!

[Chapter 5607: Refining the blood!](#)

At this moment, in Chen Feng's Star Sea World, a tremor came from it.

Chen Feng saw it at a glance.

The roaring Sirius Soul, which had been silent for a long time, was trembling constantly at this moment, seeming to feel something.

It is full of longing for the wolf king in front of him!

The roaring Sirius Star Soul has been silent for so long, at this time there will be a sudden desire.

Chen Feng's heart trembled, and then a glimmer of light flashed in his eyes.

With his own cultivation base and combat power, he can only fight against the half-step spiritual virtual land fairyland powerhouse.

And in such a situation, under the siege of the wolves, the wolf king is the cultivation base of the Lingxu Land Wonderland.

If you force a battle, the chance of winning is very slim!

However, he still wants to give it a try!

Chen Feng stepped forward, clenching the Qingqiu Tianlong Sword in his hand and sneered.

"Want to fight with me? Then I will fulfill you!"

With that, Chen Feng's Xinghai World was shining brightly, and the power of the stars came out mightily.

The golden rhyme of Taoism rises like light and mist.

Chen Feng shot out!

"Too high to punish God!"

The blade light cut through the air in an instant, and headed towards the wolf king!

Rumble!

A monstrous killing intent radiated from the sword light!

"Wow!"

In the eyes of the wolf king, he was also full of fighting spirit, and he raised his head and roared.

The power of the stars is extremely violent, condensing into a huge wolf claw, extremely powerful.

Rumble!

Between the swing of a claw, ripples in the air!

It was actually abruptly blocking Chen Feng's knife!

The Wolf King gave a long whistle again, his body flashed out, extremely fast.

It was actually facing Chen Feng to culminate!

The mighty power of the Lingxuedi Wonderland instantly spilled out of him, directly pressing on Chen Feng!

Not only the wolf king, but also the wolves that were oppressing the wasteland, are also constantly roaring at this moment.

Bursts of blood radiated from them, condensed into a sea of mighty clouds, and directly pressed Chen Feng.

They do not participate in the war, and they must restrict Chen Feng!

"brute!"

With a roar, Chen Feng turned the Supreme God Demonized Dragon Art to the extreme.

He stepped back, and the light of the Qingqiu Heavenly Dragon Sabre in his hand skyrocketed and cut out again.

The power of the stars gushes out once again, and the golden light of Tao Yun on his body is also bright to the extreme.

"Too high to punish God!"

Boom!

The mighty knife light suddenly exploded.

He stopped the body of the Red Eye Demon Wolf Wolf King for a moment, but instead of retreating, Chen Feng pushed forward with one hand.

"The Supreme God Demonizes Dragon Technique."

The light on Chen Feng's body surged rapidly.

Beams of light radiated from him, entwining the Scarlet Eyed Demon Wolf Wolf King.

Since Chen Feng's bloodline was activated, the Supreme God's Demonized Dragon Art has become more powerful!

Chen Feng's move is surprisingly to draw the blood of the wolf king!

"Roar!"

The wolf king was irritable, the power of the stars on his body was more irritable, and he roared again and again.

Chen Feng's complexion changed slightly.

"Wow!"

Dozens of red-eyed demon wolves on the wasteland suddenly flew to kill, and the whole body was murderous.

The mighty force of the stars pressed towards Chen Feng.

boom!

A half-step red-eye demon wolf in the fairyland of the virtual world, very fast, patted with one claw.

Unexpectedly, Chen Feng's back was slammed in his ears, and he raised his head and spit out a mouthful of blood!

"A bunch of beasts!"

The light of the Qingqiu Tianlong Sword in Chen Feng's hand soared, and the killing intent was overflowing in his eyes.

The Crimson Eyed Demon Wolf was cunning and changeable, and at this moment Chen Feng was also shot out.

Sweep out.

The few red-eyed demon wolves that were facing directly, were immediately hit by the knife light, and their blood poured down.

The entire southern barren fairyland is like a rain of blood.

However, Chen Feng's situation is not optimistic.

At this moment, a half-step spirit virtual fairyland magic wolf killed from behind him.

boom!

A claw slipped, and the "armor" condensed by the golden Daoyun on Chen Feng's body was almost broken!

His face was even more pale, and another mouthful of blood was vomited!

Not only that, the rest of the Red Eyed Demon Wolf saw Chen Feng collapsed and killed them again.

Chen Feng could only step back, waving his hands constantly!

Rumble!

There was a loud noise from the Wasteland!

Chen Feng fought and retreated, but his expression became calmer.

He kept looking at the wolf king.

"Wow!"

At this moment, the wolf king roared again, the power of the stars on his body swelled.

Around it, the light radiated by the Supreme God Demon Transforming Dragon Art almost seemed to diffuse.

If he was allowed to break free from the shackles of the Supreme God Demonizing Dragon Art, Chen Feng would have no chance of winning.

"Want to leave? But haven't asked me yet."

Chen Feng's expression sank slightly, turning the Taishang Yuqing Nine Shou True Art to the extreme.

On him, the golden rhyme is shining.

Chen Feng's body shuddered slightly, the light of the Qingqiu Tianlong Sword in his hand soared dozens of times, and his eyes closed slightly.

"Wow!"

The Red Eyed Demon Wolf around will naturally not let go of this opportunity.

With a loud roar, they all came to kill, the power of the stars almost pierced the sky!

At the same time, Chen Feng opened his eyes.

There was a thunder in his eyes.

He exhausted his cards, and the Qingqiu Tianlong Sword in his hand poured the power to the limit, and he shot out.

Rumble!

Ripples suddenly appeared in the void!

Dozens of red pupil demon wolves that rushed, flew upside down in an instant!

Their bodies were full of wounds, all of them were cut for Chen Feng, and blood shot out.

At the same time, Chen Feng was extremely pale and flew out.

I came before the wolf king in a blink of an eye!

Looking at the hideous face in front of him, the scarlet pupil demon wolf king with a touch of fright.

Chen Feng gave a soft drink.

"Your bloodline is now mine."

An unprecedentedly powerful energy burst out of his Dantian world.

Almost in an instant, it condensed into a huge dark red chain!

"Suck!"

Chen Feng's hands were sealed, and his hands changed again and again.

A force of mighty blood rushed from the body of the Red Eye Demon Wolf King immediately.

Hum!

At the same time, Chen Feng's Xinghai world is constantly trembling!

A huge star soul emerged from it and appeared in front of the Scarlet Eyed Demon Wolf Wolf King, shining brightly.

It is the Soul of the Nine Yin Stars!

Among the huge body of the Jiu Yin Star Soul, the sun and moon are dazzling and dazzling, exuding tyrannical power.

Go straight to the wolf king!

"Wow!"

A touch of despair passed through the wolf king's red eyes.

However, after the despair, it turned into decisiveness!

In the next moment, the body of the Red Eyed Demon Wolf Wolf King rose in response to the storm, and his entire body became even more crimson!

When it reached the final desperate situation, it knew that it could not break free, but it wanted to desperately!

Upon seeing this, Chen Feng smiled confidently.

"At this moment, still want to use blood?"

"late!"

Before the words fell, he raised his hand suddenly.

Almost at the same time, Zhu Jiu Yin communicated with his mind, and the red eyes suddenly burst into light!

boom!

A powerful force that wanted to suppress the heavens suddenly fell on the body of the wolf king.

The wolf king wailed, almost falling down in the air.

The nine-yin star soul of the candle is too powerful!

It simply cannot resist!

I saw that its face was painfully distorted and extremely hideous.

But in Chen Feng's body, the magical dragon tactics were running wildly.

Suddenly, the dark red chain of gods kept trembling.

No matter how the Wolf King struggled, the blood in his body continued to turn into blood mist and drain out.

[Chapter 5608: Awakening! Howling Sirius Soul!](#)

It continues to merge into the **** chain in the air.

In the end, all were absorbed into Chen Feng's Dantian world!

At the same time, a voice suddenly rang in Chen Feng's mind.

"Seventh grade inferior."

The bloodline of this Scarlet Eyed Demon Wolf King is not low.

In the Xinghai World, the stars are lit up again!

But Chen Feng's complexion was suddenly pale.

In the past, plundering the blood of the gods and demons usually took him several hours, or even a whole day.

But today, in order to forcibly plunder the blood of the wolf king in front of him, he did not hesitate to consume a lot.

But it's worth it!

At this moment, in the depths of the lit stars.

A passionate howl sounded from afar!

"Roar!"

This wolf howl seemed to have crossed the endless void and came over the years.

In an instant, Chen Feng suddenly opened his eyes.

A touch of surprise passed in his eyes.

I saw a virtual star soul that had been silent for an unknown period of time, suddenly appeared, and a ray of light was lit.

"Roaring Sirius Soul!"

Chen Feng is overjoyed!

In addition to the Candle Nine Yin Star Soul in his body, the Ancient Buddha Star Soul and the Roaring Sirius Star Soul have existed for a long time.

Except for the former, the latter two have been in a state of blurring.

Now, the roaring Sirius Star Soul was awakened by the Star Soul of the Scarlet Eyed Demon Wolf King.

Hum!

Xinghai World trembles again.

A star soul as huge as a mountain suddenly appeared.

In the next moment, that body rushed straight towards the Red Eyed Demon Wolf Star Soul who was incorporated into the Star Sea World.

"Roar!"

The Red Eye Demon Wolf roared, very sad.

However, under the suppression of Chen Feng's blood, there was another Jiu Yin Star Soul in awe.

It has no room for struggle at all!

Only let the roaring Sirius Star Soul feast on it.

Swallowed up!

The roaring Sirius Star Soul finally glowed because of this!

It is starting to condense into a solid body!

Huaguang skyrocketed, and the momentum was overwhelming!

In the blink of an eye, there were already more than twenty stars flashing, completely turning the imaginary into reality.

"Roar!"

Seeing this, the red-eyed demon wolves all around wailed bitterly.

When Chen Feng saw this, he gave a cold snort.

His condition has recovered a lot.

The roaring Sirius Star Soul swallowed the Scarlet Eyed Demon Wolf Wolf King, which also gave feedback to his majestic power.

Chen Feng not only recovered his physical strength, but even the aura on his body was rapidly surging.

After devouring the blood, the Star Soul was also absorbed.

Now, his cultivation base seems to have broken through!

The joy in Chen Feng's eyes was even greater.

His eyes fell on the wolves on the wasteland, and the power of the majestic stars surged out and poured into the Qingqiu Tianlong Sword.

"Too high to punish God!"

Sweep out!

The endless killing intent and the blade light were all restrained in a silver light.

At the moment when the knife was cut out, the joints in the body began to make crackling noises.

An unprecedented force is continuously injected into the limbs.

He has another breakthrough!

The sixth hole of the Shifang Cave Heaven Realm!

Even with just one kick, you can break through to the seventh cave of the Shifang Dongtian realm!

Today, he dares to fight even if he is facing a real spiritual virtual land fairyland powerhouse!

The current cut, even if the Red Eyed Demon Wolf Wolf King returns to its peak, it will be unstoppable!

What's more, these ordinary red-eyed magic wolves?

The wolves were suddenly shocked.

Even the Red Eyed Demon Wolf in the Fairyland of Lingxu, the first reaction is to escape!

The mighty coercion, such as the topping of Mount Tai, the tsunami and avalanches, came down like an avalanche.

The knife light passed.

Huge ripples in the void.

boom!

Dozens of red-eyed demon wolves were immediately shrouded in the light of the sword, and their figure disappeared.

The weaker ones, even under the crush of the knife light, directly turned into a flood of blood.

The Scarlet Eyed Demon Wolf in the half-step Lingxu Land Wonderland was also seriously injured.

This is the power of Chen Feng now!

"Roar!"

At this moment, a loud roar suddenly sounded!

Chen Feng looked down.

I saw a huge Sirius flying across the sky and across the stars in the world of stars.

The roaring Sirius soul condenses!

At this time, it was fighting against the Jiu Yin Star Soul, and confronting each other.

Even the Golden Sutra of Avalokitesvara Bodhisattva was stimulated.

Golden lotus emerged.

A rusty and simple scripture appeared.

It stood in front of Chen Feng and flipped quickly!

A ghost of an ancient Buddha gradually appeared in the afterimages of the pages!

The phantom of the ancient Buddha is too hazy to see the specific features.

I can only vaguely see that the ancient Buddha is wearing prayer beads, closing his eyes, and clasping his palms reverently.

Hum!

In the depths of the star sea, dozens of stars happen to correspond to the ancient Buddha!

In a trance, I can even hear the ancient Buddha chanting!

Upon seeing this, Chen Feng was surprised and burst into laughter.

In the Star Sea World, Huaguang is prosperous!

The three star souls condensed two!

Not only that!

Suddenly, a mysterious force surged from it.

Chen Feng was taken aback for a moment, and then there was a touch of joy in his eyes.

"Inheritance of Howling Sirius!"

Just as the candle nine yin has the ability to swallow infinitely, the roaring Sirius also has its particularity.

A lot of information is constantly pouring into my mind!

Sirius captures the moon universe Dafa!

Sirius photographs the moon, can illuminate everything!

With Chen Feng's current strength, it was enough to perceive everything below his life within a hundred miles.

Within this range, even if he deliberately used secret techniques and treasures to obscure the breath, he could see it all!

The next moment, he opened his eyes suddenly.

Lightning exploded in his eyes.

Howling Sirius swallowed the Scarlet Eyed Demon Wolf Wolf King, and Chen Feng had a close connection with Howling Sirius.

At this time, he saw a lot of images in the mind of the wolf king.

Among them, there is nothing he cares more about than the figure of Gong Licheng.

In the mind of the wolf king, Gong Licheng appeared more than once, all around the entrance of the oasis.

Gong Licheng, has not yet entered the oasis!

He has been waiting around for a long time, but tomorrow is the full moon.

This is good news.

Thinking of this, Chen Feng got up and looked into the depths of the broken mountain in the distance.

"There is still a full day, and it's too late to rush now."

When the words fell, the golden Taoist rhyme lit up, and the light filled the void.

The two disappeared instantly.

In the blink of an eye, it spanned thousands of miles.

At this moment, in the depths of the fractured mountain range ahead, a figure was sitting cross-legged.

He suddenly opened his eyes.

This person is indeed Gong Licheng!

Gong Li grew up, raised his head and looked into the air with a cold snort.

"Humph!"

The power of the stars came out from him, surging and spreading for thousands of miles.

He looked towards Chen Feng's direction.

In the eyes, killing intent was extremely cold.

"Unexpectedly, you still found it."

As the third celestial disciple Chu Pingsheng wooed, although Gong Licheng and Chen Feng were new to each other, they were not strange to each other.

Chen Feng stood in the air.

The great Xiu Luohong furnace was temporarily put away by him, and Mei Wuxia would not be in any danger.

He can let it go.

With a punch, the golden Daoyun instantly condensed into a giant fist in the void.

Go straight to Gong Licheng.

Boom!

Gong Licheng's face changed slightly, but then he sneered.

"I thought it was something, but that's all."

He waved his big hand and shook it from the void.

[Chapter 5609: war!](#)

A dark golden spear suddenly poured into his hands!

The power of the stars screamed and poured into the spear.

The gun body is engraved with complex and mysterious lines.

Faintly, it actually showed the form of nine-headed fire phoenix, and its mighty power!

Gong Licheng stabbed the golden light fist with one shot!

boom!

The Void kept making a loud noise.

The nine-headed fire phoenix wanted to stare, and shouted loudly, killing Chen Feng.

The power of a single shot crushed the ground around it, and revealed ravines.

Gong Licheng didn't conceal his powerful combat power in the fairyland, and his killing intent was almost breaking through the clouds.

When Chen Feng saw this, he smiled instead.

The light flashed, the Qingqiu Tianlong Sword fell into his hand and flew out.

Hum!

Qingqiu Tianlong Sword also seemed to be fighting.

There was a quaver.

In an instant, Chen Feng's body was already staggered with that shot.

The long sword in his hand is also cut off.

In the star sea world, the candle nine Yin star souls and the roaring Sirius star soul roared in unison,

The power of the stars came out with great turbulence.

He hardly reserved, and slashed away with all his strength.

In an instant, the silver light and golden light lit up at the same time.

Too high to punish the gods, two swords together!

One sword is the Qingqiu Tianlong sword, and the other sword is a long sword made of golden Daoyun!

Although Gong Licheng did not underestimate Chen Feng, he also used all the power of stars.

However, he did not expect that he had grown to such a point after not seeing him for a while.

The nine-headed fire phoenix was crushed instantly!

And the two swordsmen are still surging!

In an instant, a chill from death climbed from Gong Licheng's heart.

His eyes were red and he roared.

"Chongxiao Ten Thousand Soul Dao Fa!"

Gray rays of light swiftly swept from him and merged into his spear.

Gong Licheng faintly evoked a devilish energy.

This is his biggest hole card!

Even Chu Pingsheng didn't know that he still had this hand.

He has refined the power of ten thousand souls for thousands of years, without any reservation at this moment, coming out in full.

Just to resist this, no less than the two swords of Lingxudi Wonderland!

The dark golden spear expanded ten thousand times in the blink of an eye!

The gun is about to break through the sky!

boom!

boom!

Two loud noises sounded almost simultaneously.

It spread instantly.

Thousands of miles around seemed to tremble.

not good!

Chen Feng's complexion changed drastically.

However, some were caught off guard.

Wow!

He was immediately pushed back by the terrifying air waves for more than dozens of miles.

When he stabilized his figure, Chen Feng's face was pale, and the corners of his mouth overflowed with blood.

When he looked at Gong Licheng again, a touch of surprise flashed in his eyes.

"Unexpectedly, Gong Licheng still has these methods."

"But the power of ten thousand souls..."

Thinking of this, Chen Feng's eyes were full of hatred.

Chen Feng suddenly thought of its source from the devilish energy emanating from the power of ten thousand souls.

"Probably it was Gong Licheng who killed countless martial artists before condensing."

"Once used, the result will be tens of thousands of warriors, and their souls will be scattered!"

"How can he dare to be so desolate!"

And Gong Licheng was also uncomfortable.

Smashed to the ground by the aftermath, he was covered in blood, and he was also shaky at the moment.

He looked at Chen Feng, his eyes were cold, his killing intent was overflowing.

"Chen Feng, I want you to die!"

In the midst of a roar, he was holding a dark golden spear, and he had already killed again.

Chen Feng's golden Taoist rhyme flickered, once again condensed into armor.

Holding the Qingqiu Tianlong Sword tightly, he also flew out.

The two collided suddenly in the air.

Rumble!

Loud noises came one after another!

The two still have spare energy, and the fighting strength is stalemate, the more they fight, the more fierce they are.

boom!

Several hours passed, the mountain range that had been broken and shattered, now it was beaten to pieces again.

The huge gully was chopped out wantonly.

Chen Feng never expected that this one in front of him was the real ruthless character.

Where can Chu Ping please move him?

I'm afraid he just wanted to come voluntarily.

However, Gong Licheng on the opposite side was not much better.

He was covered in blood, and the offensive became weaker and weaker, and he was a few points worse than Chen Feng.

At this moment, Chen Feng frowned slightly.

The roaring Sirius Star Soul shook slightly from within the Star Sea World.

Any wind and grass within a hundred miles can be seen by him.

"somebody is coming?"

I saw in the extreme distance, two figures were rushing towards this place.

Looking further, Chen Feng was even more shocked.

The costumes of those two people are no different from those of Hong Xi Xianjun and others.

Amazingly, it is the elder Taiyi Xianmen!

The two elders rushed quickly one after the other, extremely fast.

The man in front was dressed in a blue-gray robe, with a white beard fluttering under his chin, and his face was like a horse.

He looked forward and smiled coldly.

"There is a big battle ahead, and that kid must be ahead."

"This time, with the action of the two of us, Chen Feng will never escape!"

The man at the back nodded as he should, a touch of greed flashed across his eyes.

The two are named Chang Dongqing and Zhang Feichong, both of whom are the elders of the Inner School of Taiyi Immortal Gate.

On that day, after Hong Xi Xianjun brought Shen Chenfeng back to Taiyi Immortal Gate, Chen Feng was still worried.

So he urged the secret technique to observe Chen Feng's situation.

Unexpectedly, not only did Chen Feng not die, he successfully entered the Southern Wilderness Immortal Territory!

This made Hong Xixianjun angrily rush to the crown.

He no longer worried about the elder's embezzlement of the Jade Void Mirror, and sent him two to immediately besiege Chen Feng.

On that day, Hong Xi Xianjun destroyed the one-yuan Kunxuan formation.

However, he also saw clearly the way of the Yiyuan Kunxuan formation.

Therefore, Chang Dongqing and the two crossed the space turbulent flow, also with the help of the Yiyuan Kunxuan array.

"Chen Feng, I want to see today, what else do you have?"

Chang Dongqing snorted and flew up.

Zhang Feichong in the rear also followed, and the two of them slaughtered towards Chen Feng and Gong Licheng.

And Chen Feng's complexion changed accordingly.

The breath of the two Taiyi Immortal Gate elders has already moved closer.

If you let them see the picture right now.

I'm afraid, by then, it will be the real despair!

At this moment, Chen Feng narrowed his eyes slightly, and thoughts emerged in his heart.

Looking not far away, Gong Licheng shot and killed.

Chen Feng's complexion suddenly changed, and he slammed a knife.

The gun intent was shattered, but Gong Licheng's brows suddenly frowned.

Chen Feng's murderous aura disappeared!

Immediately afterwards, a cheerful laugh sounded.

"You deserve to be the elder of the Lei Xuan Temple, so powerful, Chen admires it."

"With your cooperation, I will definitely win this trip to the Southern Wilderness Immortal Territory!"

While talking, Chen Feng continued to urge Qingqiu Tianlong Sword.

The fighting spirit intensified, but there was still no intention to kill.

It only disintegrated Gong Licheng's offensive.

From a distance, it did not look like a deadly battle, but rather like Gong Licheng constantly feeding Chen Feng.

At this time, when Gong Licheng heard the words, he only felt that Chen Feng was provoking.

He sneered.

"At this time, why do you talk so much nonsense?"

"Today, either..."

Before he finished his words, Chen Feng suddenly threw a cloud of golden light and shadow.

[Chapter 5610: Yuxu Baojian!](#)

Gong Licheng caught it subconsciously.

Before speaking, only Chen Feng's voice came from far away.

"Elder Gong, your cultivation is better than mine."

"From our relationship, I'm more assured of entrusting this jade virtual treasure to you."

As he said, Chen Feng's lips twitched.

A smile flashed across the depths of his eyes.

The two Chang Dongqing arrived just in time!

Hearing the four words "Jade Xubaojian", the eyes of the two suddenly burst into fanaticism.

Unexpectedly, Chen Feng actually has a helper!

Zhang Feichong immediately turned his head and looked at Chang Dongqing on the side.

"Elder Chang, you go to entangle Chen Feng, and I will get the Jade Void Mirror."

Who knows Chang Dongqing sneered.

"Go together!"

When the words fell, he flew away, and immediately flew forward with a palm.

This palm actually hit Gong Licheng directly.

Zhang Feichong's eyes were full of greed, and he followed.

But Gong Licheng frowned.

The beam of light thrown by Chen Feng has already melted into his hands.

But a bunch of golden Dao rhyme is condensed.

However, looking up again, I saw two strange figures coming from far and fast, murderous!

It was coming at him!

He immediately gave a cold sigh, his aura rose by three points.

Gong Licheng's complexion also fell gloomy, and his eyes splashed with killing intent.

He just noticed that the two of them glanced at Chen Feng from a distance, and they were obviously no strangers to Chen Feng.

But at this moment, suddenly killed him...

I'm afraid these two are Chen Feng's helpers!

Thinking of this, Gong Licheng looked at Zhang Feichong and shouted angrily.

"Want to kill me? Looking for death!"

With a spear in his hand, the power of the souls condensed once again.

The monstrous light suddenly lit up, condensed into a towering spear, and blasted towards Zhang Feichong.

At this moment, Gong Licheng was also murderous!

The two men shot him as soon as they came up.

He simply didn't take him seriously!

As everyone knows, the two of them came up and acted on him, which clearly did not put Chen Feng in their eyes.

In the eyes of these two people, it is more important to **** the Jade Void Mirror than to kill Chen Feng!

It's a pity that Chen Feng's trick is wonderful!

Gong Licheng would never have thought that those two were not Chen Feng's associates at all.

Even mortal enemy!

Boom!

Two loud noises swept away at the same time!

The three of them flew out hundreds of miles.

Gong Licheng's face suddenly paled, and his throat was filled with a smell of sweetness.

The whole body was in extreme pain, and the Xinghai world was in chaos.

Zhang Feichong narrowed his eyes slightly and was even more greedy.

When Chen Feng in the distance saw this, a smug smile flashed across his eyes.

Interests are moving.

He suddenly reduced his cultivation base just to make the two elders of Taiyixianmen look down on him.

In this way, they will all deal with Gong Licheng, who "owns" the virtual treasure mirror.

And Gong Licheng was shot out of real fire when he was angry, using the power of all souls.

Zhang Feichong and Zhang Feichong glanced at each other with a look of surprise in their eyes.

"My two teamed up to besiege, but still have such a powerful explosive force."

"Is this the power of Yuxu Baojian?"

In the next moment, the eyes of the two elders were as bright as stars.

The two made a move again, pressing Gong Licheng directly.

"Elder Gong!"

Chen Feng flew up and quickly approached in Gong Licheng's direction.

Immediately, Chang Dongqing frowned.

A breath of terror erupted from him.

Before he jumped, he pulled away and came to Chen Feng, sneered.

"You bastard, no matter how many methods you have today, it is a dead end!"

"You don't have to rush to die!"

Between the words, his eyes still looked at Gong Licheng.

The color of greed in his eyes is unconcealed.

good chance!

When Chen Feng saw this, the golden Dao Yun on his body was already shining.

In his Xinghai World, more than two hundred stars also lit up quickly.

An incomparable star power surged out.

Pour into the Qingqiu Tianlong Sword.

"Too high to punish God!"

Chen Feng roared.

The Qingqiu Tianlong Saber slashed down, and the void trembled.

When Chang Dongqing recovered, he saw a silver light coming straight down.

In an instant, Ling Li's chill climbed into his heart.

He didn't have time to resist, only the power of the stars burst out, covering the sky and the sun.

Want to block Chen Feng's utter destruction.

However, most of the power of the twinkling stars was instantly shattered!

Split instantly by the knife light!

boom!

There was a thunderous explosion.

Under Chen Feng's knife, Chang Dongqing's body kept retreating violently, and instantly retreated dozens of miles away!

Bloody!

Was seriously injured by Chen Feng!

But Gong Licheng was repeatedly suppressed by Zhang Fei Chong, and he kept retreating violently.

He had fought Chen Feng before, and it was like the end of a strong crossbow, already close to weakness.

Although it broke out forcibly, it was blocked.

Today, the state is getting worse.

However, Chen Feng noticed that his will has not disappeared, obviously he still has spare energy!

When Chen Feng saw this scene, his eyes moved.

In the next moment, golden Dao Yun flashed all over his body.

In the blink of an eye, he rushed towards Chang Dongqing.

At the same time, Gong Licheng heard Chen Feng's voice in his mind.

"Elder Gong, these two are the top first-tier immortal gates of the Eastern Desolation Immortal Domain, the powerhouses of Taiyi Immortal Sect, and they have a lot of cards."

"We have no grievances and no grudges between us. We can't let them know what is in the oasis."

"If you don't cooperate with me, you will die here."

Upon hearing this, Gong Licheng gritted his teeth fiercely.

"Well, I will work with you this time."

"Kill this officer, we will have our own abilities in the future!"

Gong Licheng had broken out again before, but Zhang Feichong and Zhang Feichong easily resolved it.

If the stalemate continues, Gong Licheng will be cut here instead, and the gain will outweigh the loss.

Hearing this, Chen Feng's face was indifferent, with a smile on his lips.

"Thank you, Elder Gong, to support it for a moment."

"When I kill the old thief, I will help you again."

His words were not transmitted into the secret, but directly spoken.

Just deliberately irritating Zhang Feichong!

Zhang Feicong saw that Chang Dongqing was seriously injured by Chen Feng, and a touch of anxiety rose in his eyes.

"Naughty animal, dare you?"

He roared, a palm struck, and the light was brilliant.

Go straight towards Chen Feng.

Chen Feng had already expected this situation.

This is why he asked Gong Licheng for cooperation.

Sure enough, at the moment when Zhang Feicong turned and killed Chen Feng, Gong Licheng's breath also skyrocketed.

"Want to go now? It's too late."

His voice is extremely flat, but it contains endless coldness.

With the dark golden spear in his hand, under the power of the mighty stars, the spear burst out.

The spear is mighty, trying to pierce the sky!

Start first!

The terrorist spear shot out, Zhang Feichong's complexion changed slightly, and he could only resist again!

"Hahaha!"

At this moment, Chen Feng laughed out loud and instantly came to Chang Dongqing!

Chang Dongqing's complexion is ugly, but he still has enough energy, and the power of the stars in his body will explode again.

But at this moment, Chen Feng met his eyes.

Heaven and earth reincarnation magic power, suddenly launched!

Chang Dongqing was in a trance.
