### [Chapter 671: Purple Spirit World](#)

The thin man saw her standing in front of Chen Feng and defending Chen Feng, and he was mad with jealousy.

He looked at the girl with a lustful light in his eyes, and said with a smile: "Did you think that this kid looks good enough to protect him like this?"

"Tell you, among us martial artists, the strong are respected, no matter how good they look, they won't be a good fart!"

"Isn't it a waste from the third floor of the Divine Sect Realm? It's just a silver wax gun head!"

He patted his two-two-piece breasts, and said with a smile: "Little girl, you are fond of this stinky boy, why don't you follow your brother!"

"My brother is very strong in every aspect, I promise to make you comfortable!"

These shameless words made the girl's eyes red with anger.

A cold light flashed in Chen Feng's eyes.

And at this time, an outside disciple standing aside. I glanced here impatiently.

The scared young man immediately shouted, "Xu Xiaofeng, come back and control your mouth!"

The skinny man named Xu Xiaofeng gave Chen Feng a fierce look and went back angrily.

Soon, each team was given a golden rope.

This golden rope glowed with a faint light and was obviously extraordinary. The purple-robed old man shouted, "Every team in each team holds that rope. This will ensure that you will not get lost when you enter the purple spirit world. "

Everyone clenched the rope tightly.

At this time, the purple-robed old man shouted, and suddenly, in the sea of clouds next to the platform, a huge jagged entrance quietly appeared.

In the entrance, countless cyclones produced strong suction, and everyone was involuntarily sucked up and entered the entrance one after another.

Chen Feng only felt a flower in front of him, a familiar dizziness, and an involuntary feeling came.

Chen Feng didn't panic, he suddenly felt that his left hand was being held down by a delicate little hand.

Then the delicate little hand seemed to be touching Chen Feng. The owner of the little hand hurriedly said sorry, and then quickly pulled his hand back.

But the smooth and soft touch was remembered by Chen Feng.

He heard that the owner of the voice was the girl in the green skirt.

But at this moment, the girl in the green skirt who grabbed the rope with Chen Feng was stunned. His face flushed.

What Chen Feng didn't know was that this was the first time she touched a man's body in the green skirt girl in 17 years.

Not even her father touched her.

A group of people wandered in the clouds and mist, and finally, after some time, they crashed to the ground.

That feeling of being down to earth is really good.

Chen Feng glanced around. They were on a grassland in the mountains, surrounded by green mountains, and there was a small lake beside the grassland.

Among the ten of them, with the exception of Chen Feng, everyone else entered the small world for the first time, standing in place curiously, looking around.

I want to see how it is different from the main world.

Chen Feng looked indifferent, and was seen by others, thinking that he was pretending.

Someone exclaimed: "The spiritual energy here is more than three times that of the main world. If you practice here, the speed can be increased several times!"

"Yes."

The scared young man nodded and said to the other three people: "After we finish our mission, we will find a place to meditate here for a month, and there will be many benefits."

"Maybe, after going out, the strength can be raised to another level."

The other three, led by him, nodded one after another.

At this moment, suddenly a strange roar came from the small lake next to it, and a figure rushed towards everyone.

This black shadow is a huge lizard, the size of a truck, blood red all over, and a pair of eyes burst with fierce light.

He looked at everyone, and it was the scared young man who threw on it.

Chen Feng's face showed an indifferent color, this lizard was only the fourth building in the Divine Gate Realm.

The air in his body turned, his palms gathered, and he was ready to shoot.

This monster beast can be solved with a single palm without any effort at all.

At this moment, Xu Xiaofeng suddenly squeezed past him, and deliberately bumped him with his shoulder, looked at him, disdainfully said: "Get me aside, don't influence us to deal with this monster."

"You kind of trash, just watch it honestly by the side. The more you intervene, the more it will be unhelpful."

As he said, he fisted out and killed the monster beast.

In addition, the two people in their team looked at the others with contempt, and said, "This monster belongs to the four of us. You shouldn't interfere."

The four of them are obviously a small group, united, no one else can't afford it.

Therefore, the other people who were going to take the shot also retreated silently.

But looking at him, there was already a trace of dissatisfaction.

Xu Xiaofeng and Dao Scar Youth joined forces and spent a dozen breaths to kill the huge blood-red lizard.

Killing this lizard was also very troublesome for the Scared Young Man. He was so tired that he was panting heavily, and there were several injuries on his body.

But he still turned his head, looked at Chen Feng with disdain, and said, "Have you seen it? This is the strength of our gods-level masters."

"If it was you, I'm afraid that if you can't support it with a single move, you will be killed by the lizard and swallowed in your stomach."

Chen Feng clicked slightly, too lazy to pay attention to what he said.

For a person of this kind of strength, he is no different from an ant. Will the dragon care about the provocation of the ant?

#### [Chapter 672: ridiculous](#)

Seeing Chen Feng not speaking, the Scarred Youth became more proud, thinking that Chen Feng was afraid of them, and acquiescing to what he said, and laughed wildly.

Soon, a few of them separated the blood lizard.

then. The group set off again.

Their location was a valley basin, and they soon walked out of this basin, and then everyone exclaimed.

There is an endless grassland in front of me, I don't know how big it is.

On the grassland, weeds as tall as a person grew, and from time to time there was a roar of monsters.

Scar Youth said in a deep voice, "Everyone is careful. There must be a lot of monsters in this long grass. Be careful when you walk. Of course..."

He glanced at Chen Feng and said with a joking expression on his face: "There is no need for a certain waste. The third floor of the Divine Sect Realm's waste cultivation base can kill him if any monster comes out."

"No matter how prepared it is, it is useless."

The few people under him. All laughed playfully.

At this time, the girl with a cold look and a mean-looking girl turned her head, looked at Chen Feng, and said in a very surprised tone: "Huh? Why are you still in the team? Why are you still not rolling? !"

"You rubbish, you don't even have a little self-knowledge, do you have to drag us down?"

She pointed to the distance and sternly shouted: "Get out of here!"

Chen Feng's eyes were cold, as he was about to speak, he could not help but start his hand.

At this time, the girl in the green shirt suddenly stood up. She stood in front of Chen Fengfeng, looking at the thin young people, her expression was agitated, and she was already a little angry:

"What are you doing? Why do you bully people like this? His strength is indeed lower, but so what?"

"Since we are assigned to a team, it is a teammate and a partner, how can you drive him away!"

She was full of righteousness and her voice was angry.

"Oh, have you come to take care of your business?"

Xu Xiaofeng sneered. He looked at the girl in the green shirt, and suddenly became very licentious. He laughed:

"Looking at Xiao Bai's face looking good, you can turn to him, right? Okay, since you are facing him, and you want men to agree to you, that's okay."

"But you have to sleep with us."

"You, you are really shameless..."

The girl in the green shirt did not expect that he would say such words so shamelessly, her face flushed with anger and her voice trembling.

Chen Feng twisted his brows and was about to step forward, blocking the green-robed girl behind him.

He felt that it was time for him to show his strength.

Suddenly at this time, the scared young man walked to Xu Xiaofeng's side, slapped him heavily on the shoulder, looked at him, and said with a faint smile:

"I told you just now, you are too much nonsense, let's just say a few words!"

Xu Xiaofeng was taken aback, looked at him blankly, and said, "Boss..."

Then, he saw a cold light flashing in the eyes of the young man with scars, and immediately shivered, and a great fear flashed in his heart.

He knows how fierce this scared youth can be!

He immediately shrank obediently to the back and did not dare to speak. The Scarlet Youth squeezed a smile on his face and said to the girl in the green shirt: "Don't worry, he will stay in the team. With me, no one can drive him away. ."

He looked at Chen Feng, looking like alms.

His eyes swept across the crowd slowly: "You say yes?"

No one dared to refute, everyone could feel the huge temperament that was suddenly emanating from the Scar Youth at this time.

The momentum he deliberately exudes has already surpassed the sixth building of the Divine Gate Realm.

In the eyes of others in the team, this is an unmatched height.

Of course, in Chen Feng's view, but so.

The girl in the green shirt did not notice the greed flashing in the eyes of Scar Youth, but rather liked him a bit because of this incident.

She smiled and said, "Thank you so much"

She looked at Chen Feng and said, "I also think he is too pitiful. If his cultivation base is thrown out, he will definitely die in the mouth of those monsters."

Chen Feng was a little bit ridiculous, this girl is really too simple.

Scar Youth nodded slowly. He walked to Chen Feng, suddenly lowered his voice, and said in his ear: "Don't provoke this girl, he belongs to me. If you know a little bit, just get out, don't work me!"

The voice was filled with ferociousness.

Then he looked down at Chen Feng with extremely arrogant eyes, then turned and left.

Chen Feng pulled the corner of his mouth slightly, and his expression became cold and severe.

This scared young man had a deep scheming. He did that just now just to gain the favor of the girl in the green shirt.

Sure enough, along the way, the green shirt girl's perception of the scar youth has changed drastically.

Along the way, I told him a lot, and Scar Young was indeed quite strong, and he knew many things that others didn't know.

The face of the girl in the green shirt showed admiration from time to time.

Soon, three hours passed, and along the way, they encountered four or five monsters.*novelusb.com*

The strength is not too strong, the strongest is only the fifth floor of the Gods, equivalent to the monster beast of the sixth floor of human beings.

After this monster appeared, the thin young man and others shouted: "We can't deal with this monster, please boss."

Along the way, Chen Feng already knew their names.

The scarred youth was called Qian Dong, and Xu Xiaofeng and others called him Qian Boss.

### [Chapter 673: Turns out to be such a powerful master!](#)

The girl in the green shirt is called Li Jingrou, who is as gentle as water.

Scar young man smiled very proudly, and then directly beheaded the monster beast in the green-shirted girl's adoring gaze.

After beheading this monster beast, he also injured several places, but he was very proud.

Because he saw that the girl in green shirt looked at his gaze, the meaning of worship has become stronger.

"This little girl is about to get the bait. I guess if I want her tonight, she won't be too rebellious."

"Hey, looking at the figure of the little girl, but she is really good. With her on her side, life will be much more comfortable in the next few days."

The girl in the green shirt did not notice his wicked look, but felt that he was very powerful and powerful.

The Scar Youth gave Chen Feng a demonstrative look. Chen Feng didn't care, but found it very ridiculous.

This kind of monster beast in the fifth floor of the Divine Sect Realm could kill him with one punch!

In the evening, everyone was camping beside a small lake.

Xu Xiaofeng lay lazily on a rock next to him, took off his boots directly, and shook his stinky feet at Chen Feng, jokingly said:

"Trash, go to the lake to fetch water, boil some water for my grandpa, and then come and wait for me to wash my feet!"

"Master, I have been walking for a day, my feet are very tired, and I have to fight, and now I am very tired, but unlike yours, I didn't do anything at all."

Chen Feng's eyes became cold and severe, and this group of people was a bit deceptive.

He originally didn't want to have general knowledge with these people, but now it seems that it is no longer possible to have unusual knowledge. They must be shown how good they are!

He stared at the thin young man and said coldly: "Are you sure?"

Xu Xiaofeng coldly said, "Trash, are you good at it? How dare you refute what I said?"

In Chen Feng's eyes, the murderous intent flashed, and he would draw his sword!

In the next moment, this thin young man will be cut off by him!

At this moment, a stern beast roar suddenly came from a distance.

Then, the roar of the beast approached here quickly.

Then, everyone looked at it in amazement, and saw that the long grass separated and a huge rhinoceros monster appeared in front of everyone.

This monster beast is more than twenty meters long and is as huge as a hill. The surface of the body is covered with blue scales, and it seems to have a feeling of endless life, as if there is aura surrounding it.

Seeing this giant beast, the scared young man Qian Dong exclaimed: "It turned out to be a greenwood giant rhinoceros, the sixth floor monster in the Divine Gate realm!"

"What, it turned out to be the monster beast in the sixth floor of the Divine Sect Realm?"

The faces of all the people showed horror and horror, looking at this monster beast, they kept moving back.

The monster beast in the sixth floor of the Divine Sect Realm is definitely not something they can resist now!

Qian Dong shouted loudly, "Even I can't resist the monster beast in the sixth floor of the Divine Sect Realm."

"Now all of us, we are all going backwards, each scattered and fleeing, the green wood giant rhinoceros, it is impossible to catch up with everyone."

Then he pulled the girl in the green robe and whispered: "You follow me."

The green-robed girl nodded heavily.

At this time, Qian Dong suddenly shouted to Chen Feng: "Trash, you go and lead the rhino away!"

Chen Feng looked at him and said coldly, "What do you want me to do?"

"What I asked you to do, didn't you hear? I asked you to lead the rhino away!"

Qian Dong said with disdain: "On your way, eat ours, drink ours, and be our cumbersome waste. Now it finally comes in handy!"

"Your task is to use your life to distract the rhinoceros, and then let the rest of us live. A waste like you can make such a contribution to us, you should feel that death is also worth it!"

Chen Feng saw the murderous in his eyes, and said coldly: "What if I don't?"

"Do you still dare to say no?" Qian Dong's face was full of disbelief, and then he was furious: "If you dare to say no, I will kill you now!"

At this time, the giant rhinoceros had already rushed over.

The green shirt girl looked at Qian Dong very disappointed and said, "Qian Dong, how can you do this? Chen Feng is also one of us!"

Qian Dong suddenly roared: "You shut up Lao Tzu! Why is there so much nonsense at this moment of life and death?"

Now facing the danger of a giant rhinoceros, he didn't care about putting on that hypocritical mask, and directly started shouting at the green shirt girl!

The girl in the green shirt stared at him blankly with a face full of disbelief. She shook her head and said, "It turns out that you just pretended that those just now."

Qian Dong said with a cold snort, "So what? Now I will let this waste go to death. Only if he is dead, can the rest of us avoid death!"

At this time, the green wood giant rhinoceros let out a violent shout, blood-red eyes, looking towards everyone.

Looking at him like that, he didn't even intend to let anyone go.

Chen Feng looked at the girl in the green shirt, suddenly shook his head, smiled and said: "Don't worry, everyone will not die."

Then he walked slowly towards the green wood giant rhinoceros.[novelUsB.com](http://novelUsB.com)

Everyone looked at this scene in disbelief and exclaimed.

"What is Chen Feng doing? Isn't he crazy? He actually walked towards the green rhinoceros?"

"This Chen Feng simply doesn't know how high the sky is. If he can't even stop the green wood rhinoceros, he will be killed. A hundred of him will not be an opponent of the green wood rhinoceros!"

Xu Xiaofeng said with a mocking face: "This trash wants to show his hand in front of everyone, but he needs to know that doing so is to die!"

Li Jingrou, a girl in green shirt, exclaimed: "Chen Feng, come back soon! You are not its opponent."

Chen Feng turned his back to the crowd, waved his hand slightly, and walked to the giant green rhinoceros.

He removed his hidden breath power, and suddenly, in everyone's eyes, Chen Feng's aura suddenly changed.

His aura began to rise suddenly!

Climbing from the third floor to the fourth floor, and then to the fifth floor, everyone's eyes are full of disbelief!

"What? Chen Feng is not a master of the third building, but a master of the fifth building? Did he use any technique to hide his strength?"

"Yes, he should have used a certain method to hide his strength."

"It's ridiculous, we thought he was just the waste of the third floor."

The scared young man Qian Dong and the others were like being slapped.

"What about the fifth floor? The fifth floor is definitely not the opponent of the Greenwood Giant Rhinoceros! And our elder brother is the sixth floor master!" Xu Xiaofeng retorted disdainfully.

Qian Dong's expression turned gloomy.

Suddenly, everyone stopped talking, because they were shocked to discover that Chen Feng's strength continued to rise.

His momentum broke through to the sixth floor!

#### [Chapter 674: Who is the waste?](#)

This scene made everyone stunned.

The sixth building is already on par with Qian Dong, the strongest in the team!

Chen Feng suddenly turned around, with a disdainful smile on his lips, looked at Xu Xiaofeng, and said lightly:

"Along the way, you seem to be saying that I'm just a trash on the third floor, right?"

Xu Xiaofeng was dumbfounded, he felt he was extremely ridiculous. **NOVELS8.com**

Along the way, they were mocking Chen Feng, but actually they didn't know that Chen Feng's strength was a realm higher than him.

He became angry and sternly shouted: "So what? You are still not the opponent of the Greenwood Giant Rhinoceros, you will still be killed by it."

Chen Feng sneered and said, "Really? Then just watch it!"

He looked at the green wood rhinoceros.

Feeling the aura of Chen Feng's ascent, the greenwood giant rhinoceros was also a little uneasy.

And his body is actually backing away.

Obviously, he was a little afraid of Chen Feng.

Chen Feng sternly shouted: "Beast, die!"

The Ziyue Sword in his hand was suddenly unsheathed, Soul Breaking Cross Slash, and it was suddenly activated!

The Ziyue Knife slashed horizontally and slashed vertically, a huge silver cross, which struck the giant rhinoceros heavily, and the speed was extremely fast.

Before everyone could see clearly, they heard a scream from the green wood giant rhinoceros, and then his body exploded from inside to outside, and there was a huge wound with blood flowing.

There were even internal organs exposed from inside.

The Greenwood Giant Rhinoceros let out a miserable howl. After suffering a serious injury, he not only did not run away, but aroused his ferocity. He stepped on the ground and slammed into Chen Feng with a thunderous momentum.

The momentum alone has already scared several weak people in the team to sit directly on the ground, unable to move.

Chen Feng laughed, "Good job!"

The Ziyuedao retracted the knife into its sheath, and then slammed out with both fists, and Liulong's maneuver suddenly appeared.

A huge cyclone suddenly appeared in front of the giant green rhinoceros.

The green-wood giant rhinoceros weighing hundreds of thousands of kilograms and carrying huge power was turned away by the power of the six dragons.

The body leaned to the side, leaning heavily.

Then Chen Feng, seeing the opportunity, launched a series of battles in the wild.

He played three tricks one after another, the dragon battled in the wild, two giant dragons appeared, heavy bombardment on the greenwood giant rhinoceros.

Before the two dragons disappeared, two dragons appeared again.

A total of six giant dragons with the thickness of the water tank blasted on the greenwood giant rhinoceros.

Everyone was shocked to see the giant green wood rhinoceros's huge body like a hill, and was directly blown out by Chen Feng for hundreds of meters and hit the ground heavily.

It let out a terrible scream, then it twitched, and it didn't move anymore!

"What? The Greenwood Giant Rhinoceros actually died? It was actually killed by Chen Feng?"

Everyone looked at Chen Feng blankly, with disbelief, as if looking at a monster!

"This is the greenwood giant rhinoceros of the sixth floor of the Divine Sect realm, equivalent to the seventh strongest of the Divine Sect realm. How could Chen Feng be killed?"

"And you see, Chen Feng obviously didn't try his best, he was not even injured!"

Everyone is talking.

And the gaze that looked at Chen Feng was full of awe, and there was no more disdain and ridicule.

Chen Feng straightened his clothes. There was no blood on his body. He was still in white clothes like snow, floating like a fairy.

He turned around, looked at Qian Dong and the others, smiled slightly, "Is this strength enough?"

Xu Xiaofeng and the others were dumbfounded, and they didn't even dare to refute a hard statement.

They felt like they had been slapped fiercely, their faces were hot.

I've been ridiculing Chen Feng just now, but I didn't expect Chen Feng to be so powerful, surpassing their joint efforts.

Even if they add up, they are definitely not Chen Feng's opponents, and if Chen Feng is offended, in case Chen Feng has murderous intentions in his heart...

Thinking of this, everyone felt cold in their hearts, bowed their heads, not daring to look at Chen Feng.

Chen Feng walked to Xu Xiao's cover, patted his face lightly, smiled and asked, "Who is the trash?"

Xu Xiaofeng looked at him, his face was terrified, his body trembled, and he kept saying: "I am a trash, I am a trash..."

Chen Feng laughed, looked at them, and said faintly: "From now on, brighten your eyes! People who are blind can't walk long on this road."

Then he gave Qian Dong a pointed look.

Qian Dong nodded and said honestly: "Yes, Chen Feng, you are right."

Chen Feng nodded, smiled, and turned around to clean up the corpse of the giant green rhinoceros.

At this time, Li Jingrou, who had been watching blankly by the side, seemed to come back to her senses. She immediately cheered, ran forward and walked in front of Chen Feng, and said with some aversion:

"Chen Feng, it turns out that you are so powerful. Just now you kept concealing your strength, so I had to intercede for you!"

Then he hit Chen Feng twice with dissatisfaction.

Chen Feng smiled bitterly, this girl was really heartless.

But she is indeed very kind by nature. When others look down on herself, she is willing to plead for herself.

And when others were afraid of herself, she came to play and laugh with herself without fear.

As the corpse of the greenwood giant crab was being cleaned up, Ziyue's voice suddenly sounded in Chen Feng's ear: "Chen Feng, this greenwood giant rhinoceros has been alive for at least 500 years."

"The bezoar in its body is exactly one of the medicines that the pill needs."

#### [Chapter 675: To kill you!](#)

Chen Feng nodded quickly and took out the bezoar.

After cleaning up the bodies, everyone continued on the road.

This time, everyone looked at Chen Feng with a hint of awe.

Even Qian Dong specifically came to discuss with Chen Feng about how to go.

But Li Jingrou, after seeing Qian Dong's true face, ignored him all the way, and kept joking and talking to Chen Feng.

She has a cute and charming personality, and Chen Feng feels like a little sister, and is quite willing to associate with her.

Qian Dong looked at Chen Feng's gaze, and he often flashed a vicious look, but he did not dare to offend Chen Feng at all.

At noon the next day, a group of people was walking on the road. Suddenly a few people rushed out of the long grass beside them, just blocking them.

There are five people in total, and each of them exudes a huge breath.

After seeing their aura, these people in Chen Feng's team all took a breath.

It turned out that the five people who came, the weakest, the aura radiating from their bodies, had reached the sixth floor of the Divine Sect Realm.

And a few more have even reached the pinnacle of the sixth floor of the Shenmen Realm!

Among the five people, three were wearing white clothes, and two were wearing flaming red robes. They were all in their twenties with cold and arrogant faces.

The five of them stopped on the road and looked at Chen Feng coldly.

Seeing the momentum of these five people, Qian Dong and others were afraid to speak at all.

These five people, come out randomly, they are not what they can resist.

Among the five people, one of the tall and thin young people looked at Chen Feng and said coldly, "You are Chen Feng, aren't you?"

Chen Feng frowned and said in his heart: "Here, it looks like these people are here to find me."

He said in a deep voice, "Yes, I am Chen Feng, you guys, what do you do?"

"What are you doing?"

The tall and thin young man laughed: "Since you are Chen Feng, there is nothing wrong."

"We are here to take your life!" [novels.lt.com](http://www.novels.lt.com)

"Come to take my life?" Chen Feng didn't panic, but just said lightly: "If I remember correctly, I have never met with you, let alone revenge, why did you kill me?"

"Do you still need a reason to kill you?"

The tall and thin young man gave a cold snort of disdain, then looked back at the other people and said, "This Chen Feng is really naive, so he asked us why?"

Those people also laughed wildly, looking at Chen Feng disdainfully.

The tall and thin young man suddenly became stern, and said with a cold voice: "Chen Feng, you are about to die, I am not afraid to tell you, someone wants us to take your life."

Chen Feng thought quickly in his mind.

"After I came to Ziyang Sword Field. I had a lot of enemies, but those people didn't have such a great energy. They can work these powerful masters to kill me."

"Of these people, the weakest has reached the sixth floor, and the one with the highest strength, if I read it right, should have reached the seventh floor."

"These people, placed on the four peaks of east, west, north and south, are all top masters!"

"It is by no means ordinary people who can work them!"

Chen Feng frowned and said, "Did Liu Luoyun let you come?"

The tall and thin young man laughed: "Smart, your kid really knows a little bit of himself."

"Yes, Brother Liu asked us to kill you. If you dare to offend Brother Liu, no one can save you."

They looked at Chen Feng as if they were already looking at a dead person.

And beside him, the scared young man Qian Dong smiled triumphantly: "These people really came to Chen Feng."

"Haha, Chen Feng, someone who doesn't know the heights of the sky, thinks he has some strength, so he dares to provoke him indiscriminately, and even the official disciples of Ziyang Sword Field dare to provoke him. It's just death!"

His face was full of gloat.

Xu Xiaofeng asked, "Brother, what should we do then?"

"What should I do? Of course I don't do anything!" The Scar Young smiled, took them back a few steps, and said:

"Several brothers, Chen Feng and us are just going along the road. There is no friendship at all. Kill if you want, don't involve us!"

Xu Xiaofeng also smiled to Chen Feng proudly: "Chen Feng, aren't you arrogant? Are you not so arrogant? Why are you not mad now? Why are you not arrogant?"

"Haha, you must die today."

The mean girl also sneered and said: "Chen Feng, you have caused the trouble, you solve it by yourself, we will not die with you!"

A few people turned their faces in an instant, and the docility just now became arrogant.

The tall and thin young man gave them a few cold glances, and said in a cold voice, "Go aside, there is no way for you to speak here."

Qian Dong didn't expect that he and others' hot cheeks would put a cold ass, but he didn't have the courage to refute, and he stepped aside in a shameless manner.

Only Li Jingrou, seeing them like this, flushed with anger, stamped her foot and said, "How can you do this?"

She walked to Chen Feng, looked at those people and said, "You can't treat Chen Feng like this."

Seeing this little Nizi's behavior, Chen Feng was moved.

Although she is innocent and innocent, she is really good.

Chen Feng smiled at Li Jingrou and said, "Don't worry, I'll be fine. Just watch it while you are."

The tall and thin young man sneered disdainfully: "Dare to brag here when death is imminent!"

#### [Chapter 676: Kill with a punch!](#)

He looked at Li Jingrou and said ferociously: "Little girl, look at it, and see how we killed him."

"After killing him later, my brother, a few will take care of you."

As they said, their faces were full of lewd looks, and they laughed as they looked at Li Jingrou.

Li Jingrou flushed with anger, and tears were about to come out.

Chen Feng's face was cold: "These people must die!"

Chen Feng looked at them and said coldly: "You scum, you are going to die here today."

"What? What did you say?"

"When you die, you dare to say such things. Should I say that you are arrogant and ignorant? Or should you say that you are blind?" The tall and thin young man laughed:

"You only have the cultivation base of the third floor of the Divine Sect Realm. If we come out alone, we can kill you!"

Then he looked at the other people and said, "Which of you is interested? Play with this guy?"

A tall young man in a white robe came out and said with a smile: "Among us, I am the lowest in strength. Let me play with him!"

This white-robed young man had an initial cultivation base of the sixth floor of the Shenmen Realm.

The tall and thin young man nodded and said, "Okay, be careful, don't let him die too easily. I will make him suffer all the pain before he dies, and pay the price for the ignorant words he just said."

The white-robed youth laughed: "Third brother, don't worry!"

The white-robed youth walked up to Chen Feng, looked down at him with an extremely arrogant attitude, and said with a sneer: "Remember my name, the one who killed you is a disciple of the Platinum Branch, Zhao Wuming!"

"Zhao Wuming, right?"

Chen Feng said lightly: "If you want to fight, just fight? Where is so much nonsense?"

Zhao Wuming's face turned savage: "Okay, you trash, since you are so anxious to die, then I will fulfill you."

As he said, his palms shot out fiercely.

After the palms were shot, they quickly changed from the color of the palm of the palm to the color of platinum, which looked like a cast of steel.

And his gang energy is directly transformed into a sharp sword, which seems to be extremely sharp.

Hundreds of sharp swords stabbed towards Chen Feng!

If this stabbed, Chen Feng would be beaten into a sieve!

Everyone aside. Seeing scared.

It turned out that these five people were actually the disciples of the Five Branch Sects, the Platinum Branch Sect and the Burning Fire Branch Sect.

Sure enough, one shot, you can see the extraordinary!

The scared young man Qian Dong thought very fortunately: "Fortunately, there was no conflict with them."

The foundation of this platinum branch sect has extremely strong metallic qi in his palm, which can directly condense the growth sword.

These long swords are far more sharp than steel. They are indestructible and have very powerful lethality!

A few of them. They laughed and laughed: Chen Feng will undoubtedly die this time, and he can't stop him with this palm.

Zhao Wuming laughed: "Chen Feng, you can't even hold my palm, do you believe it or not?"

Chen Feng sneered and said, "I really don't believe it!"

Suddenly, he also slapped fiercely, it was Liulong's maneuver. *NoVεIUsB.CO*m

In front of him, a huge cyclone suddenly appeared, sending out an extremely powerful suction.

However, Zhao Wuming shot out the hundreds of long swords condensed with qi, attracted by this suction, and threw it directly into the cyclone.

The long sword entered the cyclone, quickly extinguished, and the cyclone immediately disappeared.

Zhao Wuming was stunned: "My extremely powerful palm was directly resolved in such a simple way?"

At this time, Chen Feng had already uttered a long scream: "You also try to take my punch!"

He blasted out with both fists, and the first move to drop the Dragon God Fist: Dragon fights in the wild!

The two giant dragons came out with a blast. Before Zhao Wuming could react, he was hit in the chest by the two giant dragons.

He wowed and spouted a mouthful of blood, mixed with internal organ fragments.

The whole person was directly smashed into the ground and seriously injured.

Then in the next instant, Chen Feng's figure flashed and he had already arrived in front of him.

The long knife is cut out, the desperate knife!

The breath of dead silence rushed toward his face, and Zhao Wuming felt a desperation in his mind, and there was only a cold and dead silence in his heart.

He suddenly realized that he was going to die, and he let out a miserable howl: "No..."

But the next moment, the sound stopped abruptly.

Ziyue Dao had already cut his throat, and Chen Feng's aura that broke out at this moment had already broken through to the sixth building.

Seeing this scene, everyone was stunned. The people who came to kill Chen Feng looked at him in disbelief.

"How is it possible? A person in the third building can kill Junior Brother Zhao in the sixth building in an instant. This is incredible!"

At the side, Li Jingrou was very happy for Chen Feng and applauded!

After a while, the tall and thin young man looked at Chen Feng, nodded slowly, and said in a cold voice: "It turns out I misunderstood you. You are not the third building, but you are hiding your strength. You are actually the sixth building. Strong!"

"I admit that your strength can match ours, and you have mastered one or two powerful martial arts, but it's a pity..."

Chen Feng asked lightly: "What a pity?"

"Unfortunately, your strength is still not enough! If we go together, you are definitely not our opponent!"

Chen Feng raised his head and smiled proudly: "Then try!"

The tall and thin young man screamed: "Brothers, let's go together and solve this kid!"

[Chapter 677: What about more people?](#)

"Yes!" The other three shouted sharply, all taking out their weapons and killing Chen Feng.

But at this moment, Chen Feng suddenly raised his eyes with a long roar.

Behind him, sparkling, Xiang Liu Wuhun directly appeared.

Seeing this head is tens of meters long, with a huge snow-white beautiful snake body and five human heads, everyone can't help but exclaim.

The tall and thin young man, his face was full of disbelief: "It turned out to be the ancient demon spirit!"

And the next moment, the expression on his face freezes.

Because, Wuhun Xiangliu's four human heads uttered a sound ripple, which enveloped the four tall and thin young people.

In the next moment, the four of them were already standing there, motionless!

The expressions on their faces are still condensed, the movements of their hands are still swaying, but their bodies are already motionless.

Wuhun Supernatural Power: Shock!

Chen Feng didn't use extreme blows, his martial soul supernatural powers were extremely blown, and they hadn't been strengthened yet, and now they could only be effective against the sixth floor of the gods.

At the next moment, Chen Feng screamed: Long Xiang for nine days!

He pushed out with both palms, Long Xiang Nine Heavens, Long Xiang Nine Heavens who first glimpsed the doorway realm, three giant dragons roared out, facing three directions, forming a fan, and bombarded them heavily.

In the next instant, the three giant dragons exploded violently, enshrouding the four tall and thin young people!

At this time, the tall and thin young man and the other four had not even been lifted from their stiffness, and their bodies were still unable to move.

They just watched the violent explosion occur, and the powerful torrent of qi swept them inside, tearing their bodies.

Three young people were blown to pieces.

Only the tall and thin young man with the highest cultivation base was directly blown out, seriously injured, and vomiting blood, but he still saved a life.

He fell hundreds of meters away and lay on the ground, looking at Chen Feng with disbelief, pointing his finger at him, coughing up blood in his mouth, and shouting: "You, how could you be so powerful?"

Chen Feng held the Purple Moon Knife and walked over, smiling slightly: "Why can't I be so good? I have told you before."

The tall and thin young man couldn't say a word.

Before that, he didn't take what Chen Feng said to his heart at all, only thinking that Chen Feng was blowing up the air.

Chen Feng walked to him, looked down at him, and lifted the Ziyue Knife in the book.

Seeing this scene, the tall thin young man was full of fear and begged: "Don't kill me, don't kill me."

Chen Feng said lightly: "Originally, you and I had no grievances, but unfortunately, since you want to kill me, then I have no choice but to be polite."

As he said, cut out with a knife, a head flew up.

Qian Dong and others who witnessed this scene were completely stupid.

This time, they looked at Chen Feng's eyes, full of awe and even worship.

Is that human being? How could he be so powerful, with just one move, behead the four masters of the sixth floor of the Divine Sect Realm!

Moreover, they are all masters at the pinnacle of the sixth floor! How could he be so tyrannical?

Qian Dong and others didn't want to believe this fact at all.

But the facts are in front of them, and they can't help but believe them!

At this time, Chen Feng suddenly turned around and glanced at Qian Dong.

When he met her gaze, Qian Dong, a person who had always believed that he was not afraid of the world, was trembling with fright.

He was full of fear and wanted to run away, but he didn't listen to his orders, only shivering constantly.

Chen Feng walked up to them, looked at him, and said with a sneer: "Just now I seemed to see you gloating, and I also said that I must die, right?"

Qian Dong's legs softened and he knelt on the ground, begging, and said, "Chen Feng, you forgive me, forgive me. I shouldn't have been like that just now, sorry! I will never dare anymore! "

"Is it over if I am sorry? If you put yourself in the position, I beg you, will you spare me?"

Chen Feng sneered for a while and put the Ziyue knife on his neck.

Feeling the coldness of the blade, Qian Dong's cold hair stood up all over!

He felt that his lower body was hot, and he was scared to pee.

He was not as fierce as before, kneeling in front of Chen Feng and wagging his tail, crying bitterly.

Not only him, Xu Xiaofeng and the other three people also knelt on the ground, kowtow repeatedly, begging Chen Feng for forgiveness.

Chen Feng sneered and said, "It's okay to forgive you, but you have to do a few things for me."

Hearing this, Qian Dong's eyes showed hope, and he quickly said: "What is it? We do, we do!"

Chen Feng threw a piece of paper in front of them. It was filled with the names of dozens of medicinal materials and painted patterns, which were exactly the medicinal materials that Baishanshui needed.

Chen Feng said coldly: "Within three days, find all these medicinal materials. Otherwise, even if you escape farther, I can catch you up and kill them one by one!"

Qian Dong and the others didn't doubt what he said, with a face full of fear, and quickly agreed.

Chen Feng brushed the Ziyue Knife in his hand, and cut it several times. Qian Dong's four people were all blinded in their left eyes, blood was flowing long, and the left arm was also severed by Qigen, blood spurted wildly.

The four of them in pain were all rolling frantically on the ground.

Chen Feng said coldly: "You have eyes but no beads, so I abolish one of your eyes and break this arm. This is to teach you a lesson. Don't bully others at will in the future, otherwise you will lose your life!"

[Chapter 678: Breakthrough, the sixth floor!](#)

Looking at the more than 30 various and very fresh medicinal materials placed in front of him, Chen Feng nodded in satisfaction, and a smile appeared on the corner of his mouth.

This was already the sixth day of entering the purple spirit world. On the second day, Chen Feng abandoned the four Qian Dongs, each with one arm and one eye, and then ordered them to search for the medicinal materials that Baishanshui needed.

Sure enough, a large number of people is easy to handle. As of today, Chen Feng has gathered all the necessary medicinal materials.

In addition, there are another seventy or eighty kinds of unknown medicinal materials, including some precious materials.

But it did not help Bai Shanshui's injury.

But Chen Feng is also preparing to stay.

In the purple spirit world, there is indeed a lot of aura, and the density of various medicinal materials is unmatched outside. If it is outside, these medicinal materials may not be available in half a year.

Qian Dong and the other four knelt on the ground, not daring to move, watching Chen Feng's expression carefully all the time.

Seeing the satisfied look on Chen Feng's face, the four of them all took a sigh of relief.

Chen Feng's extremely powerful image has penetrated into their hearts, and they have not even thought about defying Chen Feng's orders.

No one escaped privately. After leaving, they looked for it honestly for several days, then came back quickly and dedicated the medicinal materials they found to Chen Feng without staying for a moment.

"Your task was done fairly well, all the medicinal materials that should be found have been found."

Chen Feng looked at them and said faintly: "In that case, I will also keep my promise and let you make a living. Get out now!"

As soon as the four heard it, they ran away in despair.

Then Chen Feng, looking at the others, said lightly: "The monsters hunted and the strange flowers and weeds that have been hunted in the past few days are enough for you to complete the task."

Li Jingrou looked at him and said eagerly: "Chen Feng, what are you going to do?"

Chen Feng smiled slightly and said, "I still have some things to do."

He took a deep look at Li Jingrou and said, "Take care."

Then turned and left.

Looking at his back, Li Jingrou felt lost.

A sharp knife light flashed, and a huge silver cross suddenly appeared, hitting the chest of a monster beast heavily.

The monster beast felt the qi rushing past his body, and then he didn't notice anything.

He snarled proudly at Chen Feng, and then rushed towards Chen Feng.

Chen Feng smiled slightly, and the Ziyue knife was inserted into its sheath, looking at it with his back on his back.

The monster beast had just rushed halfway, and suddenly there was a violent explosion in his body.

The monster's body immediately shook, and fell heavily to one side. There was blood oozing out of all his seven orifices and all of his pores, and his body twitched for a while and stopped moving.

Chen Feng stepped forward and cut the monster's belly away.

Suddenly, a huge amount of shattered internal organs flowed out of it.

Soul Breaking Cross Slash made it look unscathed on the surface, but in fact all the internal organs had been shattered.

Chen Feng pressed his hands on it, frantically absorbing the blood of the beast.

Half an hour later, he had absorbed the blood of this monster beast.

Chen Feng felt the feeling of fullness.

And the blood-red Gang Qi, without his driving, automatically operated.

Chen Feng smiled slightly, a surprise in his heart.

He knew that it was time to break through the sixth building of the Dragon Elephant Fighting Sky Art!

He dismembered the corpse of the monster beast, cut off the most expensive place, put it in a mustard bag, and quickly plundered it!

Precipices, cliffs, lakes.

Chen Feng sat cross-legged.

On his body surface, a burst of red light, a strong breath of blood, escaped everywhere.

A huge amount of blood-red gas, like a torrent, exploded in his body.

The last acupoint in the fifth meridian was also completely condensed, and then, without any hindrance, rushed into the sixth meridian!

Chen Feng's Dragon Elephant Breaking the Sky Secret Art broke into the sixth building!

At the same time, in Chen Feng's dantian, the phantom of the dragon blood battle body began to gradually light up part by part.

One part lights up first, then dims, and then another part lights up again.

Chen Feng knew that his Dragon Elephant Fighting Sky Technique had broken through one level, and he could choose to strengthen a certain part of the Dragon Blood Battle Body.

This time, Chen Feng chose to attack again!

When Chen Feng thought, the position of the double claws on the dragon blood battle body became brighter and brighter.

In the end, the brightness reached the level of the original dragon blood battle body.

But in other locations, it was dark.

Chen Feng jumped up and stood proudly.

Suddenly, his palms shot out fiercely.

In the air, a sound of dragon chants suddenly sounded!

Six huge dragons, with their teeth and claws open, rushed toward the front, fiercely!

Six dragons, all bombarded on a cliff!

After these six dragons bombarded them, they caused a violent explosion directly in front of the cliff.

There was a loud rumbling, and the entire cliff was quashed, and countless rubble fell down, directly filling the small lake under the cliff!

It is so powerful that if others see it, it will definitely be shocked!

Chen Feng sighed lightly and stood up, with a smile on his lips.

"During this time, in the purple spirit world, there is a lot of spiritual energy, and it has made great progress in cultivation."

"Now my Dragon Elephant Fighting Heaven Art has reached the sixth floor of the God Sect Realm, and the third move of the Great Slow Dragon God Fist, Long Xiang Nine Heavens, has also been trained to the Xiaocheng realm, and now it can send out six dragons with one palm! "

#### [Chapter 679: Conditions for becoming an Alchemist](#)

"Longxiang is very powerful for nine days."

"And the first two knives of my extinction three knives, soul-breaking cross cut and desperate knives, have been completely mastered. Now I have some understanding of the third knives."

This is already the tenth day that Chen Feng has come to the Purple Spirit World.

He had already killed all the monster beasts that needed to be completed, and had already collected the food.

But he did not want to leave immediately.

The time limit given by Ziyang Sword Field is one month, and the aura in the Purple Spirit World is rich, which is very conducive to cultivation.

Chen Feng also wanted to practice here for a while.

Now the small tripod in his dantian has temporarily lost its function, he has to rely on himself to practice, so it is very important for him to have a strong aura outside.

He took out the harvest in the Purple Spirit World for this period of time from the mustard bag and placed it in front of him so that he could know it in his heart.

He found that what he harvested were basically all kinds of spiritual herbs, and there were hundreds of kinds of spiritual medicine.

The aura in the purple spirit world is rich, and all kinds of spiritual herbs are abundant. There are a lot of medicinal materials growing here, and Chen Feng has also collected a lot during this period.

Suddenly he had a whim, and asked Ziyue who was floating beside him: "Ziyue, you said I have so many spirit grasses, can I try to refine some medicines!"

Chen Feng is very fascinated by the legendary pharmacist. He still remembers the scene of the first time he saw the pharmacist Ge Dan in Long River City.

Ge Dan's strength is not very strong, but even if it is a powerful existence like the City Lord of the Great River, he must be respectful and sent to the City Lord's Mansion to greet him.

Everyone has to bow their heads on the side of the road, looking at Ge Dan with reverent eyes, but Ge Dan is condescending and dismisses everyone.

After that, he experienced a lot, and he also realized the power of the alchemist!

A pharmacist can drive many people who are stronger than him to serve as his followers.

The various magical pills refined by pharmacists have magical effects that people can't even think of.

For now, if Chen Feng was a pharmacist, then it would be quite simple for him to abolish the cultivation base of Bai Shanshui.

He can also be healed by severe blood wind injuries.*novelusb.com*

Apothecary is a magical and powerful profession!

Chen Feng is very yearning and wants to become a pharmacist.

After hearing what he said, Ziyue looked at him with a strange look, and said, "Chen Feng, first of all, you have to understand one thing. To become a pharmacist, you have to manipulate the flame very powerfully. "

"There is no fire, how do you refine medicine?"

Chen Feng was speechless.

He really doesn't know how to manipulate flames!

"You must be able to manipulate the flame first, right?" Chen Feng muttered a few words softly, keeping this in mind.

Chen Feng continued to walk forward.

The purple spirit world is vast and boundless. Such a large purple spirit world will definitely produce many heavenly spirits and earth treasures, and there is no doubt that the more you go to the core area, the higher the level of the monster beast, and the level of heavenly spirits and earth treasures. The higher it will be.

Although the mission objective given by Ziyang Sword Field this time is five medicinal herbs per person, as well as killing the monsters above the third floor of the five-headed gods.

However, there is no upper limit.

Chen Feng believes that if he does better, he will definitely attract more attention.

After walking forward for a while, Chen Feng suddenly frowned.

He heard a shout of killing not far ahead.

Chen Feng immediately sprinted forward.

When he approached the battlefield, Chen Feng found that the shouting to kill had become low.

Obviously, one of them has been defeated.

Chen Feng hid in the grass and looked forward.

On the clearing ahead, seven or eight people were besieging two or three people.

These seven or eight people were all women wearing ice blue clothes, all of them slim and beautiful.

Those who were besieged by them were all dressed in variegated clothes.

The differences in their strengths are very great, and the besieged people are already on the left and right, exhausted.

There were several people lying on the ground, dead, all wearing variegated clothes, none of the corpses were wearing ice blue clothes.

Chen Feng's eyes lit up suddenly, and he saw Shen Yanbing.

Shen Yanbing was obviously with these women in ice blue clothes, and they were also besieging them.

Soon, the few people who were besieged were killed.

Chen Feng nodded slightly, these women wearing ice blue clothes were not weak in strength, and the lowest reached the peak of the fifth floor of the gods.

After killing those people, suddenly one of the women wearing ice blue clothes turned around and sternly shouted in the direction where Chen Feng was: "Who is hiding there? Sneaky!"

Chen Feng said in a loud voice, "Don't misunderstand."

He saw that Shen Yanbing was in the same group with these people and was not hostile to them, so he walked out directly from the bushes, smiled and said, "Chen Feng in the Lower Qianyuanzong's courtyard."

Seeing Chen Feng, Shen Yanbing immediately shouted in surprise, "Chen Feng, it's a coincidence that I ran into you."

Chen Feng smiled and said, "Yeah, I came over when I heard the sound of fighting. I didn't expect to run into you here."

Shen Yanbing said hello to Chen Feng, and then turned his head back and yelled in the direction of Chen Feng just now. The woman in ice blue who first found him said excitedly:

"Sister Qing, this is what I told you, Chen Feng, our genius disciple of Qian Yuanzong this year."

#### [Chapter 680: Contempt](#)

As soon as she finished speaking, there was a woman next to her with a disdainful sneer: "Oh, the genius disciple of the third floor of the dignified Divine Sect Realm is really rare!"

"Haha, I have never seen such a low-powered genius disciple in my life! You Qian Yuanzong, how scarce is the talent, such a waste, can you be a genius?"

"No." Shen Yanbing explained immediately anxiously.

Chen Feng smiled slightly, waved his hand, and said, "Yan Bing, needless to say."

He did not take the woman's ridicule to heart. Instead, it was the woman who was called Sister Qing by Shen Yanbing. She gave a faint glance at the woman who had just spoken and said faintly:

"Okay, Zhang Bing, don't talk nonsense."

The woman named Zhang Bing has short blue hair and a very pretty appearance. She is also a rare beauty.

After listening to sister Qing's reprimand, she seemed a little unconvinced, raised her chin slightly, snorted, and mocked at Chen Feng: "The strength is not high, the shelf is not small, I really don't know why Yan Bing listens to you so much. of."

But Sister Qing was obviously among them, very prestigious, and she did not refute it.

Then the woman looked at Chen Feng and said lightly: "My name is An Xueqing and I come from the Bishui Sect. The juniors around me are all from me."

Zhang Bing looked at Chen Feng and said proudly, "My senior sister is ranked third in the Bishui Sect overall ranking!"

"But, she is not so badly named as your genius, and she has reached the seventh floor of the Divine Gate Realm, four realms higher than you!"

Her words were full of sarcasm, but Chen Feng didn't care and laughed at it.

An Xueqing glared at Zhang Bing, and then said faintly: "Since you are Yan Bing's same door, then come with us!"

"It just so happens that we are crowded, so we can take care of each other."

She said this very politely, but her attitude was very alienated, apparently thinking that Chen Feng's strength was low.

Said to take care of each other, in fact, to take care of Chen Feng, let him do nothing, be regarded as protecting him.

Chen Feng smiled. This woman named An Xueqing was extremely beautiful and had a good temperament.

He nodded and said, "Thank you very much, then."

Zhang Bing glanced at him, a little disgusted between his eyebrows, and whispered: "As a big man, sheltering under the protection of a group of women, you are so embarrassed."

An Xueqing instructed everyone to search a few corpses on the ground, and then continue to set off.

Shen Yanbing hadn't seen Chen Feng for a long time. At this time, he was very excited. He followed Chen Feng and chatted, Xiaoniao Yiren.

She looked at Chen Feng and her eyes were full of tenderness and honey.

An Xueqing turned around, saw this scene, sighed slightly, and said in her heart:

"Yan Bing is such a good person, no matter how talented he is, or his temperament, it's really bad to follow such a low-powered person."

"But this is Yan Bing's choice, and I can't interfere. Alas, a dignified man whose cultivation level is not as good as a woman who likes him, really disappointed!"

In fact, she was quite contemptuous of Chen Feng in her heart, just because of etiquette. Did not say it.

Most of the other women had the same idea with him, and they were very alienated from Chen Feng, with a slight disdain in them.

Shen Yanbing tried to explain several times, but Chen Feng stopped it.

As Shen Yanbing said all the way, Chen Feng also knew what happened after she entered the Purple Spirit World.

It turned out that after Shen Yanbing entered the purple spirit world, he and the team he was in were besieged by monsters.

Three people died in the team before they escaped and were also separated.

Later, Shen Yanbing met An Xueqing and the others.

Since both of them are women, An Xueqing saw that Shen Yanbing was also quite agreeable, so the relationship between the two sides increased rapidly.

Along the way, Shen Yanbing also formed a team with them.

In fact, to put it plainly, An Xueqing somewhat wanted to protect Shen Yanbing.

From Shen Yanbing's mouth, Chen Feng also learned about the Bishui Sect.

It turned out that the Bishui Sect lived on a snow-capped mountain, beside the cold lake.

The number of people is only twenty or thirty, which is the least populated among all the five branches.

And what is even more surprising is that all the people of the Bishui Sect are all women.

Seeing that Shen Yanbing and Chen Feng were so close, the women who had regretted Shen Yanbing before were even more upset and angry.

Zhang Bing especially saw Chen Feng not pleasing to his eyes, and often came up to find things. Chen Feng didn't care about her because they helped Shen Yanbing.

But she still had to keep an inch, making Shen Yanbing flushed with anger.

At noon the next day, everyone passed a canyon.

Suddenly, An Xueqing stretched out her hand, her face became dignified, and he shouted in a deep voice, "Stop it all."

Hearing his shouting, everyone realized what was happening, their faces became very solemn, and they looked around guarded.

And Chen Feng keenly discovered that there seemed to be many very slight breathing sounds hidden in the forest beside the cliff.

An Xueqing looked around, finally, her gaze fell to one of them, and then said coldly: "Who? Hidden sneakily inside?"

"Haha, I didn't expect to see you in a few days, Junior Sister An, your strength is even better, and your insight ability is even stronger than before. You discovered our existence so easily."

In the forest, there was a long laugh, and then, many fiery red figures sprang out of the forest, and then jumped directly off the cliff.
