

Peerless 931

[Chapter 931: Go to the door!](#)

There were smiles on their faces, and Feng Xiaowei smiled and said: "Our Feng Chen brothers are really amazing. With their own efforts, they pushed the Tiger Mercenary Group to a desperate situation."

Gao Yan nodded silently.

But at this moment, the street suddenly boiled, and people kept shouting in surprise, and the voice was full of excitement.

Soon, there were even waves of noise.

It seems that many people are yelling the same thing. When these people heard, they all stood up and asked: "What's wrong? What happened?"

Just listen to the person downstairs shouting loudly: "Feng Chen, come in openly!"

"Feng Chen, killed in the direction of the Tiger Mercenary Group!"

Several people were surprised when they saw it.

Sure enough, they saw a young man in white, holding a long knife, slowly walking towards the resident of the Tiger Mercenary Corps!

Who is it if it's not Chen Feng?

There was a confident and calm smile on the boy's face, and everyone voluntarily gave way after seeing him coming.

They looked at Chen Feng, full of respect.

Chen Feng's strength is worthy of their respect, and Chen Feng's lesson to the Tiger Mercenary Group is even more pleasing!

These people immediately greeted below from the window: "Brother Feng."

Chen Feng raised his eyes and saw them, with a slight smile on the corner of his mouth, and said in his heart: "There was something I wanted to trouble them, and it happened. What a coincidence."

He leaped up to the 9th floor in the air, first said a few polite words with the two, and then whispered something.

All of them nodded, and then Chen Feng jumped down from the restaurant again and strode towards the Tiger Hunting Group.

At this time, the Tiger Hunting Group was enveloped in a terrifying atmosphere.

Everyone is trembling, for fear of when the bad luck will fall on them.

Even if he was not killed by Chen Feng, he would be killed by the already frantic group leader.

Lin Dong walked around in the hall like a sleepy beast, looking very anxious.

Suddenly, his fists hit the ground fiercely. Hit the ground directly into a big hole.

The foundation was shaken, he beat the ground frantically, and while beating, he shouted frantically:

"Ah, Feng Chen, get out for Laozi! Get out for Laozi!"

"I'm going to make you torment crazy, I haven't slept for four or five days!"

He was hysterical and completely crazy! Almost nervous.

At this moment, a member of the Tiger Hunting Group suddenly ran over here, shouting excitedly:

"Head, head, Feng Chen is here to kill us."

Upon hearing this, everyone in the surrounding tiger hunting group was not panicked at all, but extremely excited.

If Chen Feng was killed by the leader, then naturally nothing would be a problem.

And if the group leader was killed by Chen Feng, it would be a relief for them.

"What? Feng Chen is here? That little **** dare to come, hahahaha, he really is here!"

Lin Dong let out a crazy laugh, walked out of the hall that was about to collapse, and strode towards the door.

He had just walked halfway, and suddenly there was a loud bang, the door was kicked directly, and it fell heavily to the ground.

Then, a white-clothed young man with a long knife in his hand appeared in his sight.

Seeing this young man in white clothes, Lin Dong gritted his teeth, extremely resentful, his eyes showed a terrifying light, and he wanted to eat Chen Feng alive.

Chen Feng was an understatement and smiled slightly: "Lin Dong, I haven't seen you for a few days, why have you become like this?"

"It seems that you are not doing well recently!"

Seeing Lin Dong's crazy appearance, Chen Feng was very happy. His goal was to make Lin Dong suffer mentally before he died.

Lin Dong said coldly, "Did you do this on purpose?"

Chen Feng smiled: "Yes, I did it on purpose."

Lin Dong lied: "Little bastard, you are just looking for death!"

"Don't worry, I will let you die miserably, so that I can solve the hatred in my heart."

Chen Feng smiled: "The death is extremely miserable. It may be you, not me."

Lin Dong let out a burst of laughter, his face full of disdain: "Little bastard, if you deal with others, I may not be able to catch you, but if you act with me, it is absolutely impossible to be my opponent!"

"You can only hide around like a humble mouse and attack others!"

"In front of me, you are like an ant, with no power to fight back."

Chen Feng smiled: "Then try!"

The smile became severe.

Lin Dong roared and jumped into the air. A fist blasted out.

Chen Feng also did not show weakness, and the thunderous force of twelve percent power was also shot out in a sudden.

The two fists slammed into each other, and Chen Feng stepped back several steps in succession, groaning, blood overflowing from the corner of his mouth.

And Lin Dong was not better. He was penetrated by the power of thunder and lightning, and he felt a little numb in his right arm. He also took a step back, and a blush flashed across his face.

However, Lin Dong had the upper hand!

Lin Dong exclaimed: "Little bastard, how can your strength develop so fast?"

Before he used a seven-strength punch to blast Chen Feng, Chen Feng couldn't resist it and was about to be beaten out.

And this time, he used ten successful powers.

Originally, he expected that this punch was enough to smash Chen Feng, but he didn't expect it to only shake Chen Feng back a few steps.

And he also took a few steps back.

Chen Feng smiled: "Do you think anyone is practicing as slow as you?"

Lin Dong said coldly: "You little **** with sharp teeth and sharp mouth, you can't kill you with one punch, right? Then give a few more punches!"

With that said, he slammed close again, blasting several punches in succession.

Chen Feng also blasted a few punches one after another, and the two fists kept banging together.

Chen Feng took a dozen steps back and let out a mouthful of blood with a wow.

A wry smile appeared at the corner of his mouth: "Sure enough, I can't compare with Lin Dong, who is already a one-star powerhouse in the Tianhe Realm, just by talking about the strength of the qi. The opponent's qi is far more powerful than me!"

Lin Dong laughed triumphantly: "Little bastard, have you seen it? This is the huge gap between you and me! There is a huge difference between Tianhe and Shenmen!"

"No matter how strong you are, you can't be my opponent!"

A fierce murderous intent flashed in his eyes: "Now, let me kill you!"

As he said, he severely cut out. *noVe1USB.CoM*

This knife was 30% stronger than the punch he had just now, which was obviously his trick.

Chen Feng also drew out the Purple Moon Knife, shook the earth with a single blow, and cut it out in the air.

The two knives hit each other, and Chen Feng flew out more than ten meters, and after landing, he staggered.

And Lin Dong is steadily landing.

He yelled, and cut it out again.

[Chapter 932: Waste!](#)

Chen Feng smiled slightly: "Well, I have seen how far you are, and now you have no value."

Facing this knife, he did not fight back, but walked around.

Just when Lin Dong's long knife was about to be cut off, Chen Feng swiped it, and his whole person suddenly disappeared.

When the audience saw this scene, they all let out an exclamation!

They only felt that with a flower in front of them, Chen Feng had disappeared, and they didn't even see how Chen Feng escaped!

Lin Dong was still a little disapproving. He only thought that Chen Fengfeng happened to avoid the knife, and immediately said, "One more shot!"

He cut several knives in succession, and Chen Feng was able to do so easily and directly avoided.

At this time, Lin Dong's face finally became solemn and hard to look: "How can you be so smart?"

Chen Feng sneered and said, "There are so many things you can't understand!"

Lin Dong was so mad that he was completely impatient and slashed out.

With this cut, he tried his best, and he didn't even leave it to himself.

In Chen Feng's eyes, his gaze flashed, and a sharp light flashed past: "It's now!"

He is extremely beautiful, avoiding like a dragon, and then immediately comes behind Lin Dong.

Behind Lin Dong, the empty door opened wide.

Chen Feng screamed: "Die!"

Both fists were hit hard, thunder moved the sky, crazily surged, and lightning flashed out.

Everyone around you. They all felt their eyes dazzled, and they seemed to be blinded by the flash of light.

Then the next moment, double fists hit Lin Dong.

If it were the thunderous Jiuxiao in the last match, this punch would only cause Lin Dong to be slightly injured, because the power is still relatively small.

And now, compared to before, the power of Lei Dong Jiu Xiao has increased four times!

Lin Dong let out a miserable scream, was beaten out for several tens of meters, hit the wall hard, and vomited blood.

With just one punch, he was seriously injured.

As for Chen Feng, he hadn't let go of his plan at all, and he was extremely fast.

Soon, he chased under him, and before he bounced off the wall, he hit his dantian with one punch and hit him to the sky more than ten meters away and fell vertically.

Then, Chen Feng jumped into the air again. This time, he made nine punches one after another!

Nine punches, nine punches thunderously moved the heavens, and all hit Lin Dong's Dantian!

With a bang, Lin Dong's dantian suddenly burst.

In an instant, the gang spirit rushed out wildly, out of his control.

At this point, Lin Dongxiu was abolished.

He landed heavily on the ground with a face full of disbelief, looked at Chen Feng extremely shocked, and yelled out: "You, how could you be so powerful?"

"I, but a strong person in the Tianhe realm, how could you abolish my cultivation?" Chen Feng looked down at him, with a sarcastic smile on his mouth, and said coldly:

"My favorite is the leapfrog challenge!"

"Furthermore, you are only a one-star powerhouse in the Tianhe Realm, and you are the bottommost existence in the Tianhe Realm. What is there to be proud of?"

At this moment, all the people watching around seemed to come back to their senses.

Then, there was a huge exclamation together.

There were thousands of onlookers, not only from the Tiger Hunting Group, but also everyone from the Spirit Medicine Town, almost all concentrated here.

They followed Chen Feng to here, wanting to see the result.

The result really did not disappoint them.

They thought that Chen Feng could not be Lin Dong's opponent no matter what, but they didn't expect Chen Feng to shock everyone.

Chen Feng actually abolished Lin Dong's cultivation base! Defeat Lin Dong so miserably!

Everyone had their mouths grown up, and they were so shocked that they couldn't speak.

And the next moment, everyone burst into cheers.

Even the cheering people included members of the Tiger Hunting Group.

They all knew that Chen Feng was only going to torture Lin Dong, and once Chen Feng killed Lin Dong, he would not have the same knowledge as them.

And even if they were killed by Chen Feng, they were not willing to live tremblingly under Lin Dong's lustful might!

Chen Feng walked to Lin Dong and said lightly: "Lin Dong, you are rampant in the Elixir Town, and you are used to evil!"

"Today, I will kill you!"

Lin Dong's eyes flashed a cruel look, but he was not afraid of it, and shouted sharply: "Chen Feng, if you dare to kill me, they won't survive!"

He roared sharply: "Old Qi, bring out the few people from the crazy wolf hunting group."

It turned out that this person was very thoughtful, and just now he had ordered a deputy commander named Lao Qi to bring someone from the Crazy Wolf Mercenary Group.

Used to threaten Chen Feng when it is critical.

He yelled twice, but there was no movement at all. He panicked and shouted in shock: "Old Seven, Old Seven."

"Are you looking for him?"

Suddenly, a joking voice came.

Then, a black sphere was thrown in front of him, Gurulu rolled twice.

When Lin Dong saw it, he was immediately filled with despair.

This round ball was unexpectedly the head of the old seventh.

Then he saw Feng Xiao and Gao Yan appearing in front of him.

Chen Feng smiled and said: "I knew you would use such a despicable trick, so just now I have asked these two dear brothers to help me protect the members of the crazy wolf hunting group."

Chen Feng suddenly smiled and said, "You are too vicious. In this case, I changed my mind and I will not kill you directly."

"I kill you, it seems too cheap for you."

He suddenly picked up Lin Dong and shouted loudly: "Everyone, Lin Dong is full of evil, whoever of you has been tortured and harmed by him can come to avenge him."

With that, he threw Lin Dong up and into the crowd.

The crowd suddenly went crazy, rushing to Lin Dong, punching and kicking.

Some people even pounced directly on him and severely tore a piece of meat from him.

It can be seen that Lin Dong is so hateful.

When Chen Feng saw this scene, a smile appeared on the corner of his mouth, and he spoke to Gao Yan and Feng Xiao next to him.

Then, he walked to the wild wolf hunting group aside.

Uncle Liu and the others were extremely excited. They surrounded Chen Feng and didn't know what to say.

Chen Feng smiled slightly and said, "I am very happy to be able to meet you during this trip to Spirit Medicine Town."

After saying a few more words, he waved his hand, turned and left.

At this time, Lin Dong was torn apart in the crowd, leaving only a bone.

Uncle Liu and the other members of the crazy wolf hunting group returned to where they lived, and they were all a little lost, feeling that the past few days were just like dreaming.

When Uncle Liu opened the door, he suddenly smelled a strong fragrance. Then, his eyes widened, full of surprise.

On the table in the room, there were dozens of spirit grasses impressively.

This spirit grass, half red and half ice, exudes a strong spiritual energy.

He exclaimed: "Here, this is the flame ice grass, and it is the top flame ice grass!"

Uncle Liu suddenly fell to his knees, howling and crying, and muttered, "Feng Chen, thank you very much, thank you very much."

[Chapter 933: The core disciple assessment has officially begun!](#)

Ziyang Sword Field, Tongtian Peak.

At this time, in front of a cliff, there were thousands of people gathered.

Thousands of people are extremely excited and expect something.

They all seemed to be waiting before their eyes swept across the cliff from time to time.

They are basically gathered together in teams, with more than 20 or 30 people, and less than 3 or 4 people.

At this time, the eleven members of the Tiandao team gathered together, all looking anxiously down the mountain.

Wei Hongxiu walked around even more anxiously, muttering, "That guy, how can this be?"

"Today, when the outer disciple entered the inner door to participate in the assessment, how could he not come at this time? How anxious this is!"

She complained for a while, her expression was very anxious.

On the side, Chu Zegang sneered at the corner of his mouth, and said a little gloating:

"I think he won't be here today. Although Chen Feng is strong, he is too casual."

"This kind of person can't be a great weapon!"

"shut up!"

Standing by the side, Wei Qingyi, who had been silent, gave him a harsh look and shouted.

Chu Ze just turned around angrily and stopped talking.

It turns out that today is the day when Ziyang Sword Field recently included core disciples.

All outer disciples and inner disciples can participate.

However, the strength of the outer disciple must be above the tenth floor of the gods.

The strength of the inner disciple must be above the eleventh floor of the gods to be eligible to participate.

As long as you pass the test, you are eligible to become a core disciple!

There are 100,000 disciples outside the Ziyang sword field, and tens of thousands of disciples inside.

And the true core disciples are just a few thousand people!

Every core disciple can grow into a powerful man in the future.

Therefore, all the disciples of Ziyang Sword Field value the opportunity of this assessment very much.

They gathered here early in the morning.

And Ziyang Sword Field is an extremely open sect. It is not that the people of one's main peak can only be evaluated by oneself.

In fact, all assessments are basically carried out at Tongtian Peak.

After the assessment is completed, the elders of each main peak, the Supreme Elder, can go to Tongtian Peak to select disciples.

You don't even have to choose your own main peak. If you fancy disciples from other main peaks, and that disciple is willing, you can definitely bring them into your own.

Of course, the leader or the elder of the main peak that was dug out of the wall will inevitably be unhappy, so it's up to them to solve it.

Aside, there was a sneer: "Oh, Chen Feng, that waste, hasn't it come yet?"

When everyone in the Tiandao team looked at it, they saw that it was Hua Junkai. With a thick ridicule on his face, Hua Junkai said coldly:

"I think Chen Fengfeng's little **** dare not come. He offended me before, and took advantage of Zhang Taishang to look at him, and forced me to leave for him."

"But this time, no one can help him during the assessment."

"I'm in the middle of the assessment. Give him a severe lesson, and no one can say anything!"

He laughed and said, "The reason why Chen Feng dare not come is because he is afraid of this."

Hua Yuyan said loudly behind him: "Yes, that little bastard, the elder stopped him last time and didn't teach him. He really thought he was so powerful."

"Actually, he and your eldest brother are far apart in strength, you can easily kill them!"

Some of the other people that Hua Junkai had brought back all echoed loudly.

Wei Hongxiu glared at him and said angrily: "Hua Yukai, you fart!"

Hua Junkai looked at him coldly, and said in a cold voice: "Little bitch, try another curse."

"Believe it or not, I will sew your mouth directly with a needle when I'm on the assessment later? Let you speak insultingly!"

In Wei Qingyi's eyes, Li Se flashed past, just about to speak.

Suddenly at this time, everyone only heard a cold voice coming from the side: "Hua Junkai, you can try it again."

"You say this again, I will not sew your mouth, I will just tear your mouth and pull out your tongue!"

Upon hearing this voice, Wei Hongxiu immediately shouted in surprise: "Chen Feng."

When I turned around, I saw Chen Feng, fluttering and handsome in white, walking slowly towards this side.

After seeing Wei Wei Hongxiu, Chen Feng smiled slightly and nodded slightly.

After seeing Chen Feng, Hua Junkai's face became more gloomy.

He stared at Chen Feng and sneered willingly: "I didn't expect that you would come to participate."

Chen Feng smiled slightly: "Of course I will participate in the core disciple assessment."

Hua Junkai glared at him fiercely, with a joking smile at the corner of his mouth, and said: "Chen Feng, I'm really afraid you won't come."

"If you don't come, I really can't take the opportunity to clean up you."

"Wait for me, this time I'll take the assessment, I will let you in and out!"

With that, turned around and left.

Chen Feng laughed: "Okay, I'm waiting!"

Wei Hongsiu pulled Chen Feng's clothes and complained a little: "Chen Feng, why are you back now?"

Chen Feng apologized: "I'm really embarrassed, some things have been delayed."

After he left the Spirit Medicine Town, he hurriedly hurried, finally he had time to come back.

Wei Qingyi said lightly: "Okay, don't talk about it, hurry up and prepare, the assessment is about to begin."

Wei Qingyi didn't come to participate in the assessment this time.

He had already become a core disciple, and was accepted as a closed disciple by a supreme elder.

This time, he actually came with everyone from the Heavenly Dao team.

Chen Feng glanced at Wei Qingyi, suddenly startled.

Wei Qingyi's momentum is very unstable now, strong and weak, unpredictable.

She seemed a little uncontrollable.

She immediately said in shock: "Sister Wei, are you ready to break into the Tianhe Realm?"

Wei Qingyi looked bitter, nodded and said, "Yes, I have stayed at the peak of the eleventh floor of the Divine Sect Realm for a long time."

"Originally, I planned to enter the twelfth building, and then break through and enter the Tianhe Realm. However, the breath was suddenly unstable in these two days."

She looked a little depressed, and said, "I still lack talent. I realize that now, if I enter the twelfth floor and break through the Tianhe Realm, there is absolutely only a dead end."

"There is no hope of success at all! So, I decided to break through in two days."

Chen Feng nodded and said nothing more.

Chen Feng glanced across the faces of the Tiandao team and found that Liang Guangyu, Li Zhipeng and others had also come to participate.

When they saw Chen Feng, they all smiled and nodded and said hello.

Only Chu Zegang looked aside, not daring to look at Chen Feng.

Chen Feng actually knew the cool words he had just said, but he didn't take it to heart.

Now, for him, Chu Zegang has absolutely no need to be valued.

[Chapter 934: So easy!](#)

At this moment, there was a surprise shout next to Chen Feng: "Chen Feng, are you here too?"

Then, Chen Feng saw Shen Yanbing and others.

The three of Shen Yanbing, Luo Chen and the girl who had been with him the last time they saw Luo Chen came over.

Luo Chen walked to Chen Feng and said with a smile: "Brother Chen, are you also watching the fun?"

"Watching the fun? What do you mean?" Chen Feng raised his brows and asked.

On one side, Shen Yanbing chuckled, then returned to that cold and frosty look, and said lightly:

"We are here to watch the excitement, but I guess Chen Feng must have come to participate in the assessment."

"Ah? Participate in the assessment? Brother Chen, have you reached the tenth building of the Divine Door Realm?"

Luo Chen exclaimed.

Chen Feng smiled slightly: "I did come to participate in the assessment."

He released a little momentum, Luo Chen and others were all startled.

Even Shen Yanbing did not expect Chen Feng's strength to improve so quickly.

Luo Chen shook his head, looked at Chen Feng, and said in a little exclamation: "You are such a monster!"

Chen Feng laughed, said a few words to them, and then began to prepare.

Chen Feng actually values the identity of the core disciple very much.

Isn't it because there is a famous teacher for guidance, no matter how strong the famous teacher, is there an old man by his side?

Furthermore, for the problems that An old man can't solve, he can also ask the black woman. She is the first of Broken Blade Peak. Although she doesn't know what her strength is, Chen Feng is sure that her strength must be extremely powerful.

What Chen Feng fancy is the resources supported by the sect.

As long as you become a core disciple, you can receive a lot of sect resources every month.

It is said that among these resources, there are even medicinal pills!

Chen Feng was no longer able to refine the pill by himself. Before getting the Profound Fire, he had very few ways to obtain the pill, so he valued the pill even more!

Soon, two people wearing the clothes of the elder too appeared on the top of the cliff.

One of them, Chen Feng still knows, is He Yanxiao.

The other person was young and seemed to be no more than forty years old.

When everyone saw it, they all exclaimed.

"At such a young age, he has become the Supreme Elder! How powerful is this person?"

"Hey, don't you know, this person is Sun Hengbo, but one of our most talented disciples in Ziyang Sword Field in recent years!"

"Hey, I'm so envious, I just want to have his talent."

Everyone uttered envy.

At this time, He Yanxiao's eyes slowly swept across the crowd, and then fell on Chen Feng.

He shouted: "All those who want to participate in the assessment, all come forward."

Everyone stepped forward.

He Yan waved his hand with a smile, and thousands of cracks suddenly opened under the cliff.

Inside every crack, it was dark, but a deep passage, and I didn't know what was inside.

He Yan laughed and said loudly: "Now the assessment begins!"

"A person enters a passage alone. As for the rules, in the passage, there is a stone monument, which is very clear. Go in and see for yourself!"

He gave an order, and everyone entered the passage in front of him.

Chen Feng also chose a passage randomly, and walked in in strides.

Sun Hengbo, the young grand elder, set his eyes on Chen Feng and said coldly to He Yanxiao beside him:

"He Yanxiao, I want to see and see this time, what is the talent of Chen Feng, who was blown to the sky by you!"

He Yanxiao smiled slightly: "You will know soon."

After Chen Feng entered the passage, he walked a hundred meters forward, and suddenly he suddenly enlightened, and a hall appeared.

In the hall, there are tens of thousands of crystals suspended.

The distance between each crystal is just one foot.

From the ground to the ceiling, from left to right, such crystals are suspended in the entire space.

A stone slab next to it was engraved with instructions: "Every time a crystal is touched, the mechanism in the hall will be activated. The mechanism is very powerful, with crossbow arrows, raging fire, and poisonous water. It is very powerful and can easily kill people."

"If you are not strong enough, you must proceed cautiously!"

From here, you can also see the cruelty of Ziyang Sword Field.

This level alone does not know how many people are going to die in it.

At the corner of Chen Feng's mouth, a slight smile appeared.

For him, this is simply too easy.

Chen Feng smiled and stepped directly into it.

Jinghongbu was launched instantly, like a swimming fish, extremely flexible.

In an instant, he had already walked more than half of this hall.

But it seemed that the speed was so fast that the crystals in the hall suddenly spun, increasing the difficulty.

Chen Feng laughed and said, "Do you think this can be hard for me?"

The body shape has almost doubled, and when he reappears, he will already be across the hall!

Chen Feng turned around, took a look at the hall, shook his head and smiled, then turned and walked forward.

The time to pass through the entire hall is no more than three seconds.

At this time, the other disciples who participated in the assessment also encountered the same situation as Chen Feng.

In the other halls, all kinds of sounds were mixed together, and the sounds of organs and people's screams were constantly emitted, making a mess.

At this time, He Yanxiao, Sun Hengbo, and some other elders were all in a secret room among the cliffs.

In front of this secret room, there are thousands of huge gears.

Each gear is the master switch in one of the halls.

As long as the gear is stuck, the mechanism in the hall will not operate.

At this time, most of the gears are spinning like crazy.

There was only one, motionless, completely still.

Sun Hengbo glanced at that, and then a smug smile appeared on his face, disdainfully said:

"This is the hall that Chen Feng entered. Why doesn't the gear move? The gear doesn't move, indicating that the mechanism has not been activated."

Then he laughed very proudly: "Chen Feng must have been scared. He didn't even dare to try. He didn't even take the first step, so the agency didn't start!"

Behind him, many elders nodded in agreement.

They all believe that this must be the reason.

Someone sneered disdainfully, and said: "This Chen Feng, not to mention his strength, does not even have the courage to take the first step, how can this kind of rat be worthy of being a disciple of our Ziyang Sword Field?"

"Yes, I think this kind of person is not qualified to participate in the assessment at all, and there is no need to stay in the Ziyang sword field, so he should be expelled!"

Sun Hengbo looked at He Yan and laughed, and laughed loudly and said: "Haha, I remember someone at the beginning, but I confided in front of the first seat and praised him for how good and powerful he is!"

[Chapter 935: Get slapped again](#)

He Yanxiao's expression was still indifferent, and he smiled and said: "You have to finish reading before you can make a decision."

"Go, let's go and take a look at the hall where he went."

Sun Hengbo sneered and said, "Does this still need to be seen? The facts are so clear!"

He Yan smiled without saying a word, turned and walked out.

Sun Hengbo sneered, with a disdainful smile on his mouth, followed.

Soon, the group came to the exit of the hall where Chen Feng was.

After arriving at the exit, they found that the entire hall was extremely clean and tidy, as if no one had been here.

However, after looking around in the hall, no trace of Chen Feng was found.

Sun Hengbo laughed and said, "Look at me, this Chen Feng is really a brave man. When he saw that he might be in danger, he just quit."

At this time, He Yanxiao suddenly said indifferently: "You are wrong."

With that, he pointed to the floor of the hall and said, "Look at it."

How did he point out, everyone found that there was a layer of footprints on the floor of the hall.

These footprints are connected into a mysterious arc.

The footprints are very light and shallow. It looks like the feathers are a little deeper than this.

He Yan smiled and said, "Did you see it? This is a trace of Chen Feng's passage."

He smiled happily: "It's not that Chen Feng didn't pass, nor did he have the courage to retreat directly, but his body is so profound that he didn't touch any crystal at all!"

At this time, everyone also saw that layer of footprints.

Suddenly, everyone was shocked.

Someone exclaimed: "How is it possible? All the disciples who participated in the assessment are disciples below the Tianhe stage, and how can the body skills be so strong that the disciples below the Tianhe stage!"

"The last person who passed without touching any crystals and was still very fast, who is it!"

"He was the disciple who was amazing and brilliant twenty years ago, Brother Qu!"

"Yes, Brother Qu didn't touch anything back then, so he went straight to the hall."

Everyone took a deep breath and exclaimed: "Could it be that another Senior Brother Qu is about to appear?"

He Yanxiao also took a deep breath, let out a sigh of surprise, and murmured: "Chen Feng, I know you are great, but I didn't expect that you might be able to reach this height."

"Chen Feng, Chen Feng, you must not disappoint our expectations!"

But at this time, there was a man with an extremely ugly face, Sun Hengbo.

He had a sullen face beside him and said nothing.

He Yanxiao looked at him and smiled slightly and said: "It's strange to say that, but you will always get slapped in the face for everything related to Chen Feng."

"I was beaten twice last time, and again today. Does my face hurt?"

Sun Hengbo cast a cold face, glared at He Yan with a smile, and said coldly: "You wait for me!"

After speaking, he became angry and turned away.

He Yan laughed behind him, laughing.

Everyone was shocked by what happened to Chen Feng. This was beyond their expectations. No one thought that Chen Feng would be able to do this!

At this time, Chen Feng followed the passage, all the way forward.

Soon, after he came to the end of the passage and opened the iron door, he suddenly felt a huge suction directly drawn in, sucking him into a mysterious space.

Then, the familiar feeling of falling dizziness passed.

Chen Feng smiled bitterly: "How many small worlds are there in Ziyang Sword Field? It seems that I am about to enter a small world again."

Soon, Chen Feng fell on the ground.

He found that this small world should be quite large, with a radius of at least hundreds of miles.

In front of him, there is a vast hill, the scenery is very beautiful.

Then, Chen Feng saw some words carved on the stone on the high cliff on his right hand side.

"This small world is called Yuquan Realm. There is only one kind of monster in Yuquan Realm, the round-headed rhinoceros!"

"As long as you can slay a round-headed rhinoceros, you can be considered as completing the mission and becoming a core disciple."

"Remember to remember that the round-headed rhinoceros is a second-tier spirit beast. Although its attack power is weak, its body is extremely large and very resistant."

"Also, although the personality is docile, if you get anxious, you will still have a very strong offensive power. Be careful!"

A smile appeared at the corner of Chen Feng's mouth.

He could see why Zongmen placed a round-headed rhinoceros here.

Because it stands to reason that a disciple whose cultivation base is below the Tianhe realm is absolutely impossible to deal with a second-grade spirit beast.

So the sect found this kind of monster with a docile personality and weak offensive power, but more resistant to fighting.

In this way, it can not only test the strength of the disciples, but also reduce the difficulty.

If it is a monster with too strong attack power, maybe a large number of disciples will be killed!

A smile appeared at the corner of Chen Feng's mouth: "Is it a round-headed rhino? I've heard of this kind of monster. Although its attack power is not strong, it has a thick skin."

"And the most important point is that their blood is extremely huge!"

Chen Feng sighed softly: "My Dragon Elephant Fighting Heaven Art has already reached the twelfth floor of the Divine Gate Stage, and only the last step from the Tianhe Stage. Now, I want to accumulate and improve like crazy!"

With a look of excitement on Chen Feng's face, he immediately killed here!

He was the first to come here. At this time, he was the only person in the entire Yuquan Realm.

Chen Feng was extremely fast, traveling between hills and rivers.

Soon, he heard a babble, as if something was gnawing on a plant.

Chen Feng immediately swept in the direction of the sound, and soon he saw a huge monster.

This behemoth is fifteen meters high and has a length of more than thirty meters, which is much larger than the average level two spirit beast.

It looks like a rhino, but with a round head and a round brain, and no horns on its head, it looks rather silly!

It seemed that it hadn't noticed Chen Feng's arrival at all, and was still gnawing on the fresh leaves.

Chen Feng smiled slightly, skimmed directly in front of it, and displayed it again!

This knife cut a huge wound on the surface of the rhinoceros body.

The rhinoceros was in pain, let out a scream, and then directly attacked Chen Feng fiercely.

Chen Feng dodged at his feet and escaped the attack.

His brow furrowed slightly, and sure enough, the round-headed rhinoceros was extremely defensive.

In his expectation, this knife was enough to cut off the neck of the round-headed rhinoceros, but he did not expect to cut only one-third of the wound.

But the round-headed rhinoceros had weak attack power and slow movement. Chen Feng was extremely fast, came under the wound, and threw a punch.

He threw three punches in succession.

[Chapter 936: I killed it!](#)

With a bang, the rhinoceros's neck was directly broken, and its huge head fell to the ground.

The huge body also fell to the ground, twitching a few times and then stopped moving!

This kind of round-headed rhinoceros is very easy to deal with by finding a way.

Chen Feng swiped the corner of his mouth slightly and rushed forward, seeming to be tidying up the corpse of the rhinoceros, but he secretly operated the Dragon Elephant Dragon Elephant Fighting Sky Art, directly absorbing the blood power of the rhinoceros animal.

The blood power in the round-headed rhinoceros is extremely huge, almost three times that of the general second-level spirit beast.

After only absorbing the blood of this rhinoceros, Chen Feng opened half of the acupuncture point.

Then, Chen Feng swept forward again, and soon found another round-headed rhino.

But after a while, he killed the round-headed rhinoceros, and then absorbed the power of blood as usual.

Peel off the thick hard skin that can be used as leather armor, and then take out the beast pill from its body!

In the next half an hour, Chen Feng discovered six rhinoceros and killed six.

And he also discovered that the twelfth floor of the Shenmen Realm was completely different from the previous world.

The six round-headed rhinoceros beasts, if placed in the past, would be enough for him to open ten acupuncture points, but in the twelfth floor, he only allowed him to open two acupuncture points a little more!

A wry smile appeared at the corner of Chen Feng's mouth: "It seems that the second-rank spirit beast has already practiced me and cannot improve it much."

"The round-headed rhinoceros is still the most powerful of the second-rank spirit beasts. If it is replaced with another second-rank spirit beast, the effect will be worse."

Of course, if Chen Feng gritted his teeth and slaughtered all the round-headed rhinoceros beasts here, he might be able to open a few more holes.

But when the time comes, Zongmen is about to clean him up!

"kill!"

Chen Feng screamed and slashed out.

At this time, the round-headed rhinoceros in front of him was almost twice the size of the ordinary round-headed rhinoceros, and its size was as large as a small mound.

Obviously, this is a round-headed rhinoceros at the leader level.

After Chen Feng's knife was cut out, it was enough to completely kill the general round-headed rhino.

However, on him, only a very deep wound was cut, blood spurted out, but it was not killed.

This round-headed rhinoceros was aroused to be fierce, with a muffled roar, and suddenly both legs dig the ground.

Its four huge hooves were planed on the ground, and immediately on the ground, countless huge stones were planed out.

And these huge clods were actually controlled by this round-headed rhinoceros, and they were fiercely bombarding Chen Feng.

Each of these huge blocks of soil was the size of a small house, and the surface shone with a dull metal-like light, which looked extremely heavy!

Chen Feng insisted on taking a piece, and couldn't help groaning, and a mouthful of blood overflowed.

He was shocked, this one was equivalent to a full blow from a strong man in the twelfth floor of the Divine Gate Realm, and it was very powerful.

But at this time, there were more than hundreds of huge clods of soil smashed at him in the sky?

This boss-level round-headed rhinoceros beast, I am afraid it is already a third-rank spirit beast!

Of course, only the weaker ones.

Chen Feng immediately stopped being hard-wired. He slipped and started with a shocking step. His body was like a swimming dragon. Many of these huge stones were separated by less than one foot, but Chen Feng dodged through it extremely quickly.

Then, in an instant, he came to this leader-level round-headed rhinoceros, and cut it out with two swords.

These two knives directly beat the original rhinoceros to the dying, and backed a few steps hard, the huge body was shaky, almost unsteady.

Chen Feng was about to step forward and take his life with a punch. At this moment, a sharp blade of light flashed from the side and directly pierced into the wound of the round-headed rhinoceros, killing the round-headed rhinoceros completely.

Chen Feng stood on the spot, looking at the man who came in lightly.

This is a young man of the same age as Chen Feng, dressed in a purple robe, and not ugly.

However, his face was full of arrogance, and everyone looked down.

As if he didn't see Chen Feng next to him at all, he laughed and said:

"This is a leader-level round-headed rhinoceros. The beast pill in his body is much more precious than ordinary round-headed rhinoceros."

"Moreover, after I got his beast pill, it was undoubtedly the number one in this assessment."

With that said, he came to the side of the leader and the round-headed rhinoceros, and then began to cut, preparing to obtain the beast pill.

Chen Feng said lightly beside him: "This round-headed rhinoceros seems to be killed by me first."

At this time, the young man seemed to have just seen Chen Feng. He turned his head, looked down at Chen Feng with a condescending attitude, and said lightly: "Do you know who I am?"

Chen Feng shook his head: "I don't know."

"Tell you, my name is Tu Yuwen!"

"I am the future Patriarch of the Tu family, and my brother is one of the strongest among the core disciples."

As he said, he glanced at Chen Feng with disdain, snorted, then turned his head to continue cutting.

Chen Feng was simply inexplicable, and said lightly: "So what? This round-headed rhinoceros is mine."

"Am I not clear enough?"

Tu Yuwen looked at him with a arrogant expression on his face and said, "I can rob you of the round-headed rhinoceros that you hunted. It is to give you face. You should be grateful."

"One more thing, believe it or not, I just killed you? Now, get out of here!"

He said impatiently.

Chen Feng showed a cold look in his eyes, and said lightly: "I don't know if you will kill me, but I'm sure, if you talk nonsense to me, I will kill you directly."

"Haha, it's ridiculous, I haven't seen you such an arrogant person for a long time."

Tu Yuwen seemed to have heard something ridiculous, he laughed and said: "You still killed me? Just you?"

"You deserve it too? What are you! Tell you, don't think that you have cut it a few times and you really think it is your ability to kill it."

"Tell you, I don't need any effort to kill this round-headed rhinoceros!"

He proudly said: "Tell you, my strength is far better than you. It's just easy to kill you!"

Chen Feng sneered: "Then let's try!"

"Since you are looking for death, I will fulfill you." Tu Yuwen screamed, and the long sword slammed towards Chen Feng quickly.

The speed is extremely fast and the momentum is very strong!

But Chen Feng shook his head.

When the long sword was about to stab him in the body, Tu Yuwen's eyes flashed with a fierce and triumphant color: "Little bunny, my sword will kill you!"

Chen Feng shook his head: "Really?"

[Chapter 937: Trap against the Tiandao team](#)

Before the sound hit the ground, suddenly, Tu Yuwen realized that Chen Feng was missing before his eyes.

Then, Chen Feng's voice came from behind him: "It seems that your sword did not pierce me!"

Tu Yuwen was taken aback: "How could he be so fast?"

He didn't turn his head at all, and immediately stabbed back with a sharp sword.

Chen Feng's figure brushed, flashed again, flashed to the side, smiled and said: "It seems that there is still no stab."

A flash of impatientness flashed in Tu Yuwen's eyes, and he shot out his swords in succession.

Chen Feng didn't resist at all, just used footwork to dodge, completely dealing with it with a playful attitude.

Tu Yuwen became more impatient as he fought, and suddenly shouted: "Dare you dare to fight with me? What kind of skill is evasion? Only a coward who knows evasion!"

Chen Feng sneered: "Really?"

Tu Yuwen stabbed out again with a sword. This time, Chen Feng no longer dodged, but instead shot out with a fierce punch.

With a loud bang, Chen Feng's fist collided with Tu Yuwen's sword.

Tu Yuwen said triumphantly: "My long sword is a first-class spiritual weapon, it can easily pierce your fist!"

Before the words fell, his face changed drastically.

Chen Feng's fist smashed his long sword directly, and then slammed his chest fiercely.

With a wow, he spouted a mouthful of blood, was hit and flew more than ten meters away, hit the ground hard, and couldn't stand up for a while.

Chen Feng quickly came to him, bang bang bang, bang several punches.

Tu Yuwen vomited blood frantically.

And in this blood, there are some black fragments, which are his internal organs.

He felt as if he had been struck by lightning, and his body was full of green smoke, and the skin on the surface of his body was pitch black, even cracked.

He looked at Chen Feng with horror on his face and shouted, "What is your practice?"

Very embarrassed.

Chen Feng smiled: "It seems that your long sword didn't pierce my fist!"

At this time, Tu Yuwen already knew that he was definitely not Chen Feng's opponent.

He gave Chen Feng a fierce look: "You wait for me."

Having said that, Dingy quickly left.

At this time, Wei Hongxiu also followed the passage and came here.

All the places where everyone entered the Jade Spring Realm were under the cliff.

She also fell under the cliff, and as soon as she stopped, she suddenly heard a sound of evil laughter from a short distance away.

"Ah, why did Junior Sister Wei come here? Senior Brother, I have been waiting here for a long time!"

Wei Hongxiu looked up and saw that it was Hua Junkai standing opposite.

Next to Hua Junkai is Hua Yuyan.

It was Hua Yuyan who spoke to myself just now.

At this moment, he was looking at himself with a lewd smile.

There are many Hua Junkai people nearby, who are also looking at him with a sneer.

Hua Junkai sneered and arrogantly.

At this time, Hua Junkai stepped on a person with one foot, and the person who was stepped on him continued to make a painful muffled sound, and his body slowly squirmed.

After seeing his looks clearly, Wei Hongxiu suddenly exclaimed: "Liang Guangyu, why did you become like this?"

It turned out that this person turned out to be Liang Guangyu.

Just a silver-haired, handsome and charming Liang Guangyu, at this time, his face was bloodstained, and he was injured in many places all over his body, all of which were wounds. He looked miserable, and he was already seriously injured!

"How could he become like this? Haha, are you blind?"

"Didn't you see my elder brother standing here? Of course he was beaten by my elder brother!"

A smug look appeared on Hua Yuyan's face, haha laughed wildly.

Since the last time Wei Hongxiu didn't give him face in public, he had no hope for Wei Hongxiu, nor did he expect that Wei Hongxiu would like him anymore, so at this time, speaking to Wei Hongxiu, there was no shame.

Wei Hongxiu glared at Hua Junkai and sternly shouted: "Hua Junkai, how dare you do this? If my sister knows about it, I will definitely not spare you!"

"You quickly let Liang Guangyu go!"

"Haha, she can't spare me?" Hua Junkai sneered at the corner of his mouth: "She was a core disciple originally, and I was just an ordinary inner disciple, of course I have to fear her."

"But now, as long as I pass this assessment, I am also a core disciple."

"At that time, the two people will be equal. Maybe the elder who is in love with me will be stronger than her master. Then she will be afraid of me instead of me!"

"Your sister can't enter the Yuquan Realm, and after I leave the Yuquan Realm, I won't be afraid of her. What do you think I should be afraid of?"

As he said, he laughed wildly, confidently.

Wei Hongxiu gritted his teeth and stared at him: "You..."

But Wei Hongxiu was really helpless to him.

Hua Junkai smiled slightly: "What am I?"

Suddenly his face changed, he looked at Wei Hongxiu with a grim look, and shouted sharply, "Wei Hongxiu, you little bitch."

"My brother pursues you, it is to give you face, but you hit my brother in the face several times in public, you hit him in the face and you hit me in the face!"

"I am about to become a core disciple. I was afraid of your sister before and didn't dare to do anything to you, but now, I am about to become a core disciple, so I don't have to be afraid of her."

"Hehehehe, you are self-inflicted!"

Wei Hongxiu had an ominous premonition and panicked and shouted, "You, what are you doing?"

"What am I going to do?" Hua Junkai laughed, slid directly in front of her, and slapped it out.

Wei Hongxiu was not his opponent at all, he was beaten out and fell heavily to the ground.

Hua Yuyan hurriedly shouted next to her: "Big brother, don't break her. Should I tidy up and clean her up later?"

Hua Junkai glanced at him, smiled and said, "Don't worry, I have a sense of measure under my hand."

He went over and lifted Wei Hongxiu directly, and then sealed the meridians on his body. Throw it directly to Hua Yuyan, smiling and saying: "Little brother, this **** is yours, you can dispose of her as you like."

There was a touch of ecstasy on Hua Yuyan's face, and he laughed and said, "Thank you, brother, and thank you."

Then, he hugged Wei Hongxiu in his arms and said with a lewd smile: "Wei Hongxiu, you didn't expect that you would have this day!"

"You!" Wei Hongxiu glared at him fiercely, and spit out directly on his face with a sigh of relief: "Shameless! Relying on this method to get me!"

"You say I am shameless? Yes, I am shameless! But I am about to get you, this is a fact!" Hua Yuyan laughed.

"Don't worry, I won't take you away right now. I will let you see that all the members of your Tiandao team were captured by my eldest brother and humiliated."

"I will humiliate you in front of them when my elder brother catches everyone in your Tiandao team!"

[Chapter 938: betray](#)

"Let you guys from the Heavenly Dao team take a look, the woman they admire is struggling under my crotch! Hahahaha..."

As he said, he laughed wildly and proudly: "Especially that little **** Chen Feng, I must humiliate you severely in front of him!"

Wei Hongxiu's heart was cold.

Liang Guangyu struggled and shouted: "You let go of the red sleeves!"

"Bah, now you can't protect yourself, and you still care about others?" Hua Junkai kicked Rang in the face and said with disdain!

Then, a wave of light flashed in front of everyone, and another person appeared in Yuquan Realm.

This person is also a member of the Tiandao team, still surrounded by Hua Junkai's men, directly captured, punched and kicked, and directly injured.

Then, seal the meridian and throw it aside.

Next, the six or seven people from the Tiandao team were all treated like this.

This time, there were a total of eleven people in the Tiandao team participating in the trial, and now more than half of them have fallen into Hua Junkai's hands.

Then the next moment, another person came in.

This time, it was Chu Zegang.

"Oh, another member of the Heavenly Dao Team is here?" Hua Yuyan laughed.

As soon as Chu Ze saw this scene before him, his face changed drastically.

Even if he is a fool, he should guess what happened at this time.

Seeing Hua Junkai slowly walking towards him, Chu Zegang's expression changed drastically.

Suddenly, he did a move that no one could have imagined.

With a plop, he knelt directly on the ground and said flatly to Hua Junkai: "Brother Hua, Brother Hua, I will withdraw from the Tiandao team."

"From then on, I have nothing to do with Team Tiandao. Even if I become a core disciple, I will follow you, and I will follow you in the future!"

Hua Junkai was stunned, and then there was a smile on his face.

Then, this smile turned into a big laugh.

He looked at Wei Hongxiu and the others, Zhang Kuang smiled and said: "I saw that, this is the person of your Heavenly Dao team! Either one by one is incomparably wasteful and is directly knocked over."

"Either, it's a boneless cartilaginous head, I was so scared to kneel and beg for mercy!"

Chu Zegang looked angry and said, "Brother Hua, I've seen Wei Qingyi's little **** very dissatisfied a long time ago."

"I started the Tiandao Team with her. As a result, she always maintained the little bunny who joined the Tiandao Team, but suppressed me!"

Wei Hongxiu sternly shouted, "Chu Zegang, you are shameless, and you betrayed the Tiandao team at this time."

Chu Zegang was plausible, not ashamed of it, and coldly snorted: "It was the Heavenly Dao Team who apologized to me first. What happened to me betraying the Heavenly Dao Team?"

Hua Junkai said coldly: "Chu Zegang, if you want me to spare you today and follow me in the future, it's okay, but you have to submit the name certificate first."

Chu Zegang respectfully said: "Brother, you say, what you say is what you say, and I will do it."

Hua Junkai nodded slightly, and said with satisfaction: "Okay, you will be the one who comes in from the Heavenly Dao Team."

Chu Ze just patted his chest and said with a smile: "Don't worry, no problem."

Wei Hongxiu yelled at Chu Zegang, and other people of heaven also yelled at Chu Zegang.

But Chu Zegang was not ashamed at all, but stood beside Hua Junkai, looking triumphant!

The next person who came in was indeed a member of the Tiandao team.

As soon as this person came in, Chu Ze just screamed, rushed at him, and blasted him with a punch.

This member of the Heavenly Dao team has not yet realized what is going on.

He exclaimed: "Brother Chu, why are you attacking me?"

In the next instant, Chu Zegang was seriously injured, vomiting blood, sealed the meridians, and threw it aside!

The next few members of the Heavenly Dao Team were knocked to the ground by Chu Zegang.

As the last member of the Tiandao team entered, ten of the eleven members of the Tiandao team were already here.

Hua Junkai glanced around and said with some doubts: "Chen Feng, that little bastard, why is this slow? Why hasn't he come in yet?"

Hua Yuyan couldn't help it a bit by his side. He felt that he was eager and hot, and he couldn't help but clean up Wei's red sleeves.

He rubbed his hands anxiously, and said, "Brother, or else I will clean up Wei Hongshou first? Anyway, are there so many people standing in line here?"

Hua Junkai shook his head: "You kid, you can't control anything, you will die on a woman sooner or later!"

He waved his hand: "Go, go!"

As soon as Hua Yuyan heard this, he was amnestied, and hurriedly rushed directly on Wei Hongxiu, and gnawed at her face.

Wei Hongxiu yelled in panic and disgust: "Go away, you go away!"

But she can't move any body, how can she break free?

Those Hua Junkai's subordinates all booed, gathered around and laughed.

But at this moment, suddenly a cold voice came: "From him, get out of him!"

"Otherwise, if any part of your body touches her, I will destroy which part of you!"

As soon as he heard the cold voice, Hua Yuyan immediately shuddered and walked straight back.

Chen Feng's figure flashed and appeared directly in front of everyone.

Seeing Chen Feng's appearance, Wei Hongxiu and others showed surprise on their faces and shouted, "Chen Feng!"

Chen Feng stared at Hua Yuyan, and said coldly: "You just wanted to **** Wei Hongxiu, didn't you? Are you still lying on Wei Hongxiu?"

Hua Yuyan was once ruthlessly cleaned up by him, and was frightened by his gaze to back down again and again.

But he suddenly thought, his elder brother is here, what else is he afraid of?

He straightened his chest immediately and said coldly: "Yes, so what?"

Chen Feng smiled coldly: "Nothing, just use your life to pay it back!"

With that, it turned into a flash of lightning and directly killed Hua Yuyan.

Hua Yuyan was shocked: "How could he be so fast?"

At this moment, Hua Junkai sternly shouted: "Want to move my brother? I asked about the sword in my hand first!"

As he said, the long sword in his hand stabbed at Chen Feng fiercely.

Without looking back, Chen Feng screamed: "Get out!"

He said, punching out.

This punch blasted directly on Hua Junkai's long sword.

With a bang, Hua Junkai's first-grade spiritual weapon long sword was directly shattered into countless fragments.

Then, this punch hit him again, directly spraying blood from Hua Junkai's blow, flying out several tens of meters.

He landed heavily on the ground, looking at Chen Feng with a face full of disbelief: "You, how could you be so powerful?"

And those of his men couldn't believe their eyes.

They all thought that Hua Junkai was trying to deal with Chen Feng.

[Chapter 939: Kill, scrap!](#)

Chen Feng suddenly turned his head and looked at him coldly: "Hua Junkai, before the training hall, the two of us wanted to do it, but the elder who favored you stopped it and failed."

"Could it be true that you thought I was afraid of you, and told you that I could get rid of it at that time, let alone who I am now!"

As he said in his mouth, his figure kept coming directly to Hua Yuyan, and his hands clasped his shoulders.

Hua Yuyan didn't have the strength to fight back. He shouted in horror: "You, what are you going to do?"

"What am I going to do?" Chen Feng sneered: "I want your life!"

"But I won't let you die so happy!"

Talking. He stretched out his hand and tore off his left arm directly.

Hua Yuyan suddenly let out a scream.

Chen Feng smiled and said, "I said, wherever you run into Wei Hongxiu, I will abolish you!"

After speaking, he tore his right arm directly.

Then the left leg and the right leg, in an instant, they pulled him to a torso.

Then, Chen Feng gave him a fierce kick and kicked him in the lower body.

Hua Yuyan screamed and screamed with pain, he had already fainted once, but he woke up again!

Then Chen Feng unlocked the meridians in Wei Hongxiu's body, and then reached out to unlock the meridians of the others.

He kicked Hua Yuyan in front of Wei Hongxiu and said coldly, "I'll leave it to you."

Wei Hongxiu glanced at Chen Feng gratefully, drew out his sword, and pierced Hua Yuyan's lower body fiercely, making it messy.

He stabbed more than a dozen swords and stabbed Hua Yuyan beyond recognition. While stabbing, he roared sharply: "Tell you to dare to move my old lady, you are a dog thing, but also pressure on my old lady!"

Everyone shuddered at the fierce look.

At this time, Chen Feng looked at Hua Junkai's other people.

When his eyes glared, these people turned back in shock.

Several people smashed under their feet and fell directly to the ground.

Chen Feng asked Wei Hongxiu, "Have they all done it?"

Wei Hongxiu nodded.

Chen Feng smiled coldly: "Those who dare to move my Heavenly Way team must be prepared to pay the price."

He slowly pushed towards these people.

Suddenly, one of them knelt on the ground and begged Chen Feng again and again, "Chen Feng, Chen Feng, don't blame us."

"Hua Junkai forced us."

"Hua Junkai forced you, didn't he?"

"I don't believe it anymore. If you can't follow, what can Hua Junkai do to you! Although you are not as bad as Hua Junkai, you are also his accomplices!"

With that, Chen Feng rushed into the crowd and knocked them all to the ground with one punch.

All of them were severely injured in their pubic fields, and their lower abdomens were broken, and there was qi gushing out of the pubic fields.

These twenty-odd people were all abolished by Chen Feng and their cultivation bases!

This ruthless method made Wei Hongxiu and the others stunned!

Then, Chen Feng walked towards Hua Junkai again, Sen Leng said, "Hua Junkai, you can choose a way of death."

Hua Junkai showed a pleading expression in his eyes, and said repeatedly: "Chen Feng, I give up!"

Chen Feng smiled: "Giving up? Is it useful to give up?"

"Can you just admit defeat to these things you do?"

He stepped forward, looked down at Hua Junkai, and said lightly: "Don't you think you are great? Don't you think you can easily kill me? Now?"

"I don't dare anymore. I was too arrogant. I didn't know how strong you were before? I was too arrogant and didn't know your strength."

"You spare, spare me!"

Chen Feng smiled: "I know that I was wrong now, right? It's a pity it's too late."

With that, he kicked it out with a light kick, directly shaking Hua Junkai into a **** mist, and his body shattered.

Then, Chen Feng walked towards Chu Zegang.

Just as Chu Ze watched Chen Feng come over, he backed away one after another, his eyes showed great fear.

Chen Feng touched his chin, with a joking expression at the corner of his mouth, and said lightly: "Chu Zegang, what do you think I should do to you?"

"Speaking of which, you are also a member of the Heavenly Dao team. I rewarded me, and I was actually quite polite to you. You offended me, and I just taught you, but didn't I treat you?"

"And now, you dare to betray the Tiandao team."

Chu Zegang showed great horror in his eyes, and suddenly knelt on the ground again, begging bitterly: "Chen Feng, I was wrong, you forgive me!"

"You give me a chance, I return to the Heavenly Dao team, I will never betray anymore."

Wei Hongxiu said: "Temple of Heaven will no longer want a volatile villain like you."

Chen Feng smiled and looked at him: "Hong Xiu said what I wanted to say."

As he said, his figure rushed towards Chu Zegang.

Chu Ze just yelled frantically and blasted out his fists, wanting to ask for a chance, and shouted: "I'm fighting with you."

Chen Feng sneered: "Want to fight with me? Are you qualified?"

A punch came out. Chu Zegang's resistance was completely useless, and he was directly blasted into coke by the thunderbolt!

Chen Feng smiled: "Okay, now all the **** things are dead, and all the things that should be scrapped are also scrapped."

Everyone in the Tiandao team looked at his ruthless methods, all of them were shocked to speak, and they all looked at him with a little horror.

Chen Feng shook his head, a little helpless, these disciples of Ziyang Sword Field still had too little knowledge to kill.

He said lightly: "There is not much time for the assessment. Why don't you hurry to hunt the round-headed rhinoceros?"

These Tiandao team disciples quickly left.

Chen Feng threw a round-headed rhinoceros to Wei Hongxiu, smiled and said, "This is for you."

"I knew you were ready for me." Wei Hongxiu giggled as he looked at him, with a picturesque smile.

At the top of Tongtian Peak, in the hall.

At this time, all the new core disciples who have passed the assessment are all concentrated here, and there are hundreds of them.

They are one by one. His face is full of hesitation and lofty ambition.

At this time, on both sides of the hall, there were many chairs, and dozens of elders were sitting in them.

These elders are all the Supreme Elders of the main peaks, or some senior elders who are not much worse than the Supreme Elders.

They all came to choose their own disciples!

For these elders, it is also very rare to have a disciple who is extremely talented and can inherit his mantle.

Some have exceptionally high horizons, and have not even selected them for many years.

However, there are only elders, and no one is here first.

Zhang Tai and others are also here.

At this time, Sun Hengbo was also sitting in the crowd.

He looked at Chen Feng, his eyes showed a cold and stern look, and he didn't know what he was planning.

In front of everyone, there was a bronze obelisk at this time.

[Chapter 940: Spiritual root test](#)

The obelisk is more than 20 meters high and is full of traces of vicissitudes. It looks very old.

There was also a mysterious aura, coming from above, so that everyone could not help but hold their breath when they looked at it, and their eyes were full of respect.

This bronze obelisk is a sacred object in Ziyang Sword Field, named: Linggen Sacred Stele!

The obelisk is divided into five sections from bottom to top, and is divided into five large pieces!

At this time, He Yanxiao stood beside the obelisk, facing the many disciples, smiling and saying:

"Everyone, first of all congratulations to you, you have successfully become a core disciple and one of the best disciples in the entire Ziyang Sword Field."

"At the same time, you will also get the resource tilt of the entire Ziyang sword field, and the speed of cultivation will inevitably be faster in the future."

He didn't hide this in the slightest, speaking naked and straightforward.

The world of warriors is so cruel, the higher you go, the fewer people, but the more resources you can occupy!

"However, there is a test for you now, which is the spiritual root test."

"The spiritual root is divided into five ranks, and the level of the spiritual root determines your future achievements."

"People with high spiritual roots, even if they are weaker now, their strength will become extremely strong in the future, their cultivation speed will be very fast, and their achievements will be limitless."

"And people with poor spiritual roots, no matter how strong they are now, their potential has come to an end, and they may not make any progress in the future!"

Then, He Yanxiao announced loudly: "Now, the Linggen test officially begins!"

He swept his gaze, and then saw Chen Feng and the others, just a little more casually, clicked to Li Zhipeng, and said, "You are the first to come up."

Li Zhipeng nodded and walked to the Linggen Sacred Stele.

He rubbed his hands and was a little nervous. Today's test is about how far he can go and how strong he will be in the future.

No one will ignore it.

He Yan smiled and said: "Don't think too much, it's useless to be nervous, it's natural destiny."

"Now, you put your hands on the side of the obelisk. There are two palm prints on the side of the obelisk, and your hands can be placed on them."

Li Zhipeng pressed his hand on it, and everyone heard a buzzing sound.

Then, the bottom section of the obelisk lit up, emitting a burst of light that was not faint, but definitely not bright, but just medium.

Seeing this scene, Li Zhipeng suddenly felt cold.

On the side, He Yanxiao shook his head slightly, and said faintly: "Linggen, the first grade is medium."

Li Zhipeng walked back in despair, and everyone was comforted.

Li Zhipeng shook his head and said bitterly, "In the future, I am afraid that I will not make much progress. Even if I can break through the Tianhe Realm, I may stay in this realm for the rest of my life."

Linggen is divided into five grades.

Most of the disciples are first-rank, second-rank is quite rare, and third-rank can be called superior.

Generally speaking, when the third grade is reached, many elders are willing to accept as disciples.

The fourth grade can definitely be called a genius, there will be few in a year, and it will cause looting from the elders.

As for the fifth product, it will take many years to produce one.

In the past five years, Ziyang Sword Field has not produced a five-level spirit root!

A low voice of ridicule sounded from below: "Hey, only Linggen first grade, and still medium, why is the talent so bad?"

Someone snorted and retorted: "Say, don't be too busy laughing at others. I guess you are not much stronger."

"The vast majority of core disciples are only first-grade Linggen, do you think you are a genius?"

The person who laughed at the beginning suddenly became much weaker: "I, why should I be a second-grade?"

The person next to him let out a chuckle: "Look at you so much!"

Then, the few remaining members of the Tiandao team went up to test one after another.

Basically, most people are first-class medium, first-class superior.

The tallest is Liang Guangyu, this handsome silver-haired boy is the second grade of Linggen.

What made everyone startled was that Suyun, the dispenser of the Tiandao team, had also reached the second-class Linggen level.

At first, everyone thought that she was nothing more than a first-class average.

Soon, there were only two people left in the Tiandao team without testing.

One is Wei Hongxiu, and the other is Chen Feng.

Wei Hongxiu took a deep breath, smiled and said, "Chen Feng, let me come first."

Then she stepped forward!

Wei Hongxiu stepped forward, placed his hand on his palm print, and then lightly exhaled anger.

Suddenly, the entire bronze obelisk made a humming sound.

This buzzing sound is louder than any previous test.

And with the buzzing sound, there was a crisp chime in the air!

Hearing the sound of the bell, there was a buzzing sound of discussion among the disciples below.

Many people's faces were filled with shock.

"The third grade of Linggen, the sound of bells! The fourth grade of Linggen, the sound of drumming! And if it is the fifth grade of Linggen, the bells and drums will ring together!"

"When she tested, there was a bell ringing. Doesn't it mean that she is at least the third grade of Linggen?"

really. Amidst everyone's astonished eyes, the third section of the obelisk lit up.

The light was weak at first, then it became more and more intense, becoming medium, and finally it was radiant and became superior.

He Yan smiled with a smile at the corner of his mouth, nodded in satisfaction, and said, "The third grade of Linggen, first class!"

He Yanxiao looked at Wei Hongxiu and said, "With your spiritual roots, as long as you can cultivate well in the future, you can at least become a master of the Heavenly Sea Realm!"

Wei Hongxiu smiled and said, "Thank you elder."

But at this time, a thin, handsome-looking grand elder smiled slightly, with a very charming smile.

He looked at Wei Hongxiu and said in a clear voice: "This disciple, I am the Supreme Elder Ning Wugui of Zixia Peak. Would you like to be my disciple?"

There is a faint smile on his face, as if he is sure of winning.

Indeed, for these core disciples, it is a very honour to be favored by the Supreme Elder, and it is generally rare that they will not agree.

Wei Hongxiu immediately felt happy, this elder Ning Wugui, he had heard of it before.

Among the Supreme Elders of Ziyang Sword Field, a young and promising one is very powerful, decent, generous and chivalrous.

It should be a very good thing to be his disciple.

She was about to agree, when suddenly at this moment, a beautiful woman in her forty years old with an extremely gorgeous appearance giggled and her eyes turned slightly.

When he met his gaze, all the male elder disciples in the hall were shaken, feeling that there was endless charm in their gaze.

It seems that this smile directly makes people lose their souls.
