

Permit Me 1281

Chapter 1281 big brother's eyes are very beautiful

It was only then that Rong Yan could see the child's appearance clearly. He was wearing a thin white shirt in the middle of winter. He only had a pair of pants and a pair of white canvas shoes. He didn't look like a person who was going through the winter at all. He looked like a primary school student who had just returned home from school in spring. He seemed to be from a different world from them.

Also, you would find that he was spotless from head to toe. Every strand of hair was clean without a speck of dust. It was extremely clean.

However, compared to his face, none of this seemed to be important.

Because this child's face was too beautiful and too abnormal. At such a young age, his face already had an evil aura.

She had a pair of beautiful Phoenix eyes, and the corners of her eyes were raised upwards. When she looked at people, it was as if she had hooks. Although she was still young, she already had a kind of charm that could inadvertently shock people. Her skin was white, her lips were red, and her black hair and long bangs almost covered her eyes. She looked like a delicate girl.

She couldn't imagine that he was the wolf Cub that Secretary Zhou was talking about, and she couldn't imagine how he would look when he bit someone.

To be honest, adults didn't really like this kind of child.

Because it was too evil, it was a taboo.

If he wasn't his biological parents, no one would like him. The evil aura on him made it easy for people to forget that he was only a ten-year-old child.

however, when she saw the child's stubbornness and wariness, the coldness in his eyes that did not match his age, and the fear and uneasiness in the depths of his eyes that he tried hard to hide but could not completely hide because of his young age, rong yan's heart softened a little. it reminded her of her past.

Rong Yan sighed. She walked up to the boy and reached out to grab his frozen Red Hand. His hand was as cold as ice. She held it tightly and pulled him up."Stand up first. You're from the South, so you don't know how cold it is in the North. You'll freeze if you wear such thin clothes."

The moment Rong Yan's hand touched the boy, his body trembled violently, and there was a hint of confusion in his eyes as he looked at Rong Yan.

Perhaps, very few people would do such a thing to him!

After Rong Yan pulled the boy up, she let go of him. She did not hold on to him for too long. She knew her husband's temper. He would probably be jealous if she held on to him.

Rong Yan said to Secretary Zhou,"Secretary Zhou, get someone to send over two sets of winter clothes for boys and cotton shoes."

" yes, ran ran. " secretary zhou nodded.

MeowMeow struggled in Liancheng Yazhi's arms. "Mommy, I like this brother Yingluo."

Rong Yan smiled and took MeowMeow from Liancheng Yazhi. "Why? you've only seen him for less than five minutes!"

Meowmeowmeow bit her finger and thought,"because brother Yingluo is taller than me, he can protect me. Brother's eyes are very beautiful, Yingluo."

Was it alright for Rong Yan to be in such a hurry? To be honest, the child didn't want him to follow MeowMeow.

He took it-

lian Cheng yazhi did not make a hasty decision just because meowmeow said she liked it.

He said to Rong Yan,"you guys wait downstairs for a while. I'll be down soon."

He grabbed the young man's clothes and went upstairs. He kicked open an empty room and threw the young man in.

Then, he closed the door and said to the young man, " show me what you've got. Let me see if you're qualified to be my daughter's guard. If you are, stay. If you're not, get lost.

Chapter 1282 You're so weak, how are you going to protect my daughter

"humph! humph!" the young man snorted coldly, and a sneer appeared on his devilish face. the bone-piercing coldness on his tender face made lian Cheng yazhi frown. he, huanhuan, didn't like this child either!

Not for anything else, but because of his eyes. They were too evil. Was it not suitable for such a person to be by her daughter's side?

Moreover, Liancheng Yazhi felt that this little brat was too mature for his age and might lead his precious daughter astray.

When Liancheng Yazhi was despising others, he had forgotten himself.

When he was the same age as this child, he knew almost everything he should know.

The ten-year-old Liancheng Yazhi had even killed someone before. The maturity that did not match his age was even more impressive than this child.

lian Cheng yazhi slowly rolled up his sleeves. "you'd better use all your strength. if i don't like you, don't even think about staying with my daughter."

The teenager's eyes were sharp. He slowly pulled out a military knife from his waist. The sharp blade flashed coldly under the light. His eyes were even colder than the military knife.

Liancheng Yazhi smiled. Not bad. At least, she wasn't timid!

three minutes later, the young man was lying on the ground with a pained expression. lian Cheng yazhi's foot was stepping on his thin chest, and he was holding the military knife in the young man's hand just now. " how can you protect my daughter with your little ability? why did jian jie send you here? "

He knew very well what toys meant to children. To be able to share her toys with a stranger she had never met, was this little girl too kind or too stupid?

Winter put meowmeowmeow gently on the bed, picked up a rabbit-shaped toy, pinched it, and said gloomily, "I know, Zhenzhen."

He was a child. He was suddenly in a completely unfamiliar place and looked at strangers. He was instinctively on his guard. However, this little girl's innocent eyes and the sweetness in her eyes made him unable to put up his guard.

meowmeow quickly kissed winter of the year on his cheek. "I knew big brother would like these toys too. In the past, they were the ones who played with me, but mommy said that after big brother came, you can play with me."

????????????????,????????,????????,????????????

However, meowmeowmeow's action had clearly frightened Dong Tian, who quickly took a step back in fear.

His eyes were wide open, and his face was blank. He no longer had the demonic and evil look he had before. The coldness in his eyes had also disappeared. At this moment, he was a little boy who was scared silly.

"Big brother, what's wrong?" MeowMeow blinked.

Winterfell pinched the lower hem of his clothes.

Meowmeowmeowmeowmeow pouted. I like big brother. Can't I kiss him?"

no, it's not Yingluo. winter's hand touched the part of his face that had been kissed by MeowMeow, and he couldn't help but blush.

Brother, let's go downstairs to eat. I'm hungry!" She said.

"oh, yingluo, good yingluo." winter held meowmeow's soft little hand in his palm and led her out of the door.

At the door, MeowMeow suddenly looked up and asked, "Brother, mom said that you will protect me and treat me well. Is that true?"

Winter lowered his head and met

"Big brother, you look really good when you smile,"

Winter coughed twice and bent down to carry MeowMeow downstairs.

Chapter 1285 His everything was that girl

After winter came home, the happiest person was none other than MeowMeow. She spent most of her time with winter.

However, there were many things to learn in the winter. Liancheng Yazhi had told him from the beginning, "if you want to protect MeowMeow, you have to become stronger. I'll give you a year. If you don't meet my requirements by then, I'll return you to the simplified version."

“I will definitely make you satisfied.” Dong Tian’s answer was concise and powerful. He was not a talkative child and knew what he should leave and not do. Liancheng Yazhi was satisfied with this.

very good, it’s good to have this confidence. Starting tomorrow, Secretary Zhou will arrange your daily classes.

Liancheng Yazhi stood up and looked down at Dong Tian. He said, Dong Tian, I don’t care what your background was or what your name was. Since I’ve sent you here, you’re just Dong Tian. My daughter Dong Tian, everything you have exists for her. She’s your center of attention. Make her happy and keep her safe. You live as long as she lives. If anything happens to her, you kill yourself.

Liancheng Yazhi was looking for a shadow for MeowMeow, a death warrior!

He couldn’t protect MeowMeow all the time, so he arranged for a shadow underling to stay by MeowMeow’s side to prevent the kidnapping from happening.

Dong Tian’s cold eyes met Liancheng Yazhi’s. “Yes, I understand!”

From the moment he held MeowMeow’s hand, he knew that his life had gone in a completely different direction. From now on, his everything would be that girl.

.....

On the seventh day of winter’s arrival at Liancheng’s house, he bumped into Tang Zong, who had not appeared for a few days.

”

MeowMeow heard Tang Zong’s voice and ran over.”Uncle Tang, you’re a liar! You said you’d come here often, but you haven’t been here for days!”

Tang Zong rubbed his nose. He had been making good progress with Rong nuo recently, so he had no time to care about this. Tang Zong smiled at MeowMeow and said,”I’ve been busy recently. I’m sorry. I’ve brought you a gift.”

“Alright, I’ll forgive you since you brought me a present.”??????,??????,???????????????

uncle, I’m Brother Dong Tian, whom my parents found for me. Uncle, there’s one more person in our family now. Brother Dong Tian is really amazing. ????????,???????????,???????

tang zong’s face was full of smiles as he sized up dong tian. The person who could make Liancheng Yazhi stay behind to keep his daughter company was definitely not an ordinary child.

Dong Tian bowed slightly at Tang Zong as a form of greeting. He had a cold personality, and other than meowmeowmeowmeow, he didn’t say much to Liancheng Yazhi and Rong Yan.

Tang Zong’s eyes paused on Dong Tian’s face for a moment. His brows were slightly furrowed, and his expression carried a hint of suspicion.

rong yan walked over and patted tang zong’s shoulder. “What are you thinking? I was dumbfounded when I saw how good looking our Dong Tian is.”

Tang Zong shook his head. it’s nothing much. I just feel that this kid looks a little familiar. I just can’t remember where I’ve seen him before.

rong yan's smile froze for a moment and she quickly said, "if you can't remember, then don't think about it. you've been dating recently, and i thought you'd forgotten about us."

"I wouldn't dare to. Even if I were to get married, I wouldn't dare to forget about you, Big Sisters." Tang Zong chuckled.

Chapter 1286-deep malice

although she knew that tang zong's words were just perfunctory, everyone liked to hear nice things, and rong yan was no exception. besides, she knew that she had no obligation to let others remember her. rong yan smiled. "That's a nice way of putting it."

"I'll go make dinner. What do you want to eat tonight, MeowMeow?" Tang Zong was very clear about what he was going to do. He took off his coat and prepared to enter the kitchen.

????????????,????????????

"Everything uncle cooks is delicious," MeowMeow said as she ate.

"Yingluo, you're such a good girl. Why do I like you so much?" Tang Zong was very happy to hear this. He walked over and rubbed MeowMeow's head, bent down and kissed her little face.

however, as soon as he kissed her, he felt a deep chill from the side.

Tang Zong raised his head and saw Dong Tian looking at him coldly. His eyes were filled with hostility.

"Young man, you can't do it now. We'll talk about it when you grow up." Tang Zong burst into laughter.

Dong Tian's eyes were even worse.

Tang Zong went to the kitchen to get busy. In the middle of it, Rong Yan went over and Tang Zong asked her,"Did brother-in-law find this child?"

"Mm, that's right!????????,????????,????????,??,?????????????????"

"Do you know his background?" Tang Zong asked again.

I don't know. Liancheng Yazhi didn't ask me when he came to find me, and he didn't tell me either. However, I always trust him, and this child gets along very well with MeowMeow. Rong Yan didn't tell Tang Zong about the simple delivery during the winter. There were some things that her Tang Zong was still on guard against.

Tang Zong knew about this matter, but Rong Yan was probably avoiding it. He didn't ask further. that's only natural. If you don't believe brother-in-law, he'll be crying in the bathroom. Why isn't he back yet? "

as you know, there's only a week left before the new year. At this time, the company is the busiest. He got off work half an hour late.

it's just that. It's good that they're on vacation. There are only a few days left until the new year. Have you prepared the New Year's goods at home? ” Tang Zong changed the topic to the Chinese New Year.

“yazhi asked someone to send everything home. i wanted to buy it myself, but i still have lingering fears about what happened to hanhan last time.”

Ever since

Tang Zong comforted Rong Yan. it's okay, it's all in the past. There aren't many people as bold as the Zhu family. In the future, when you go out, bring more people with you. If you want to go to the mall, clear out all the people inside. Then, you can go to the shopping mall. Anyway, the Lian family has a big business and this is still easy to do.

“Alright, I'll do that next time.” Rong Yan smiled.

Rong Yan suddenly changed the topic. Tang Zong, your relationship with your girlfriend has been going well recently, right? you're so happy that you're in a good mood.

Tang Zong was cutting a tomato. When he heard Rong Yan's words, his hand was not careful and the knife missed its target, cutting off a small piece of his fingernail. Fortunately, he was not injured.

He played dumb and laughed,”that Pixiu, hehe Pixiu is, is quite a good Pixiu.”

Chapter 1287 The girl I like

Rong Yan looked at Tang Zong ambiguously and smiled. “when are you going to bring it over for me to see?”

Tang Zong sniffled. this Zhenzhen ... It's time for Zhenzhen to wait. Once the relationship between Zhenzhen and him is officially confirmed, my Zhenzhen will bring him over.

Tang Zong laughed bitterly in his heart. Right now, he really wanted to bring her back. However, he didn't dare to do so.

Firstly, he had not completely settled Rong nuo's side.

Secondly, he didn't have the guts to argue with Rong Yan. He could guarantee that if he said that person was Rong nuo now, Rong Yan might just cut him up with a kitchen knife.

Tang Zong was cutting the vegetables absent-mindedly, his mind rapidly thinking of how to deal with Rong Yan. He silently urged, ” Liancheng Yazhi, you should come back quickly!

Every time Rong Yan asked this question, Tang Zong would feel guilty. He always felt that Rong Yan had seen through him.

Rong Yan frowned. it's not time yet. Don't tell me you're only bringing her back when she's pregnant? ”

Tang Zong shivered and almost cut his hand again.

“Sis, you're thinking too much. How can you get pregnant? we're not at that stage yet.”

In fact, Tang Zong also wanted to make Rong nuo pregnant, but the two of them had never crossed from the upper body to the lower body, and could not have any in-depth contact, so naturally, they talked about pregnancy.

Rong nuo was very serious about this matter. She allowed Tang Zong to touch her, but she had a bottom line!

This made Tang Zong a little upset. He felt that he was not charming enough, but at the same time, he was quite happy. Rong nuo was so serious about this kind of thing, which meant that she was not a casual person!

Rong Yan was surprised. She pointed at the red dot on Tang Zong's neck. "It's not to that extent yet. Then what's going on? Did you really bite yourself last time?"

Tang Zong quickly covered his neck. His face was red as he said in embarrassment, although they were a little intimate, it's not to that extent yet. I wanted to, but she's not such a casual person!

When he said this, Rong Yan was quite surprised. I see. This girl is not bad. She can control herself even after being seduced by you. It seems that she's from a decent family.

tang zong was overjoyed. he raised his chin and said proudly, of course, it's definitely a Gu Liang from a decent family. The one I found must be a good one.

Rong Yan was amused by his appearance. look at how smug you are. Sigh, I'm worried about you. It's been so long, but you still haven't succeeded. Don't tell me that the girl doesn't like you.

Upon hearing this, Tang Zong hurriedly replied, "how is that possible? if she didn't catch a cold, would she have let me kiss her?"

"What are you talking about?" suddenly, liancheng yazhi's voice was heard!

Rong Yan turned around and saw Liancheng Yazhi's unhappy face. She knew that the young master was Jealous Again, so she quickly hugged his waist and tiptoed to kiss the corner of his mouth. "You're back, hubby?"

Liancheng Yazhi's expression instantly became much better. He looked at Rong Yan and continued to ask the question just now. "What did you just say?"

When he got home, he didn't see his wife. He asked Dong Tian and found out that Tang Zong was here and Rong Yan was in the kitchen. He took off his coat and immediately came in.

Seeing the two of them talking and laughing, Liancheng Yazhi was naturally unhappy.

Even though he knew that there was nothing going on between Tang Zong and Rong Yan, his face was still very gloomy!

Chapter 1288 She is my first love!

Rong Yan secretly pinched Liancheng Yazhi's arm. "i was just asking tang zong if he was doing well with that girl, he should bring her over for a look. in the end, he said that he still has to wait."

liancheng yazhi's expression softened a little, but he quickly became serious again.

he thought for a while and suddenly said, " "I also feel that it's about time to bring Tang Zong back to take a look. Your sister has a good eye for people."

Rong Yan nodded, "yup, Yingluo."

When Tang Zong heard this, he laughed bitterly and glared at Liancheng Yazhi.

This bastard, he knew that it was absolutely impossible for him to bring Rong nuo over now, but he deliberately said this. It was too hateful.

"yingying knows, but now is not the time!"

Liancheng Yazhi's eyes flashed with an evil smile. "Tang Zong, don't tell me you're trying to fool the lady with your Qianqian?"

Tang Zong's eyes immediately widened. what nonsense are you spouting? How could I be playing around with Yingluo and her!"

tang zong wished he could cut liancheng yazhi's vegetables and chop him up.

This guy was too detestable, too detestable! How could he do this!

wasn't she deliberately lowering his good impression of her in front of rong yan?

seeing tang zong's anxious look, liancheng yazhi finally felt satisfied."But if you're not playing around, why do you always shirk your responsibility?"

With a bang, Tang Zong split a piece of ginger into two. He glared at Liancheng Yazhi and said, " if i wanted to play around, would i have waited so many years to play? she's my first love. i've only planned to love her once in my life. "

waa waa waa! Rong Yan exclaimed in surprise.

First love!

It was rare to keep one's first love until they were in their twenties.

rong yan's eyes lit up. she took a step forward and stared at tang zong."Tang Zong, I couldn't tell that you're so pure and innocent. You actually kept your first love until now. Then tell me, is Qianqian still a Virgin?"

Tang Zong's face turned red instantly, as if there was a fire burning inside him. He bit his lip, feeling extremely aggrieved.

It was all Liancheng Yazhi's fault. Why did he say this out of the blue? he had accidentally revealed his secret.

This time, I'm going to be laughed at for a long time.

Tang Zong gritted his teeth and glared at Liancheng Yazhi. He was chopping on the chopping board with the vegetable knife in his hand.

Hack you to death, hack you to death, hack you to death, hack you to death!

Liancheng Yazhi grabbed Rong Yan back and his face turned even darker. is Tang Zong a Virgin? why are you so excited? "

Rong Yan grabbed Liancheng Yazhi's hand excitedly. "Don't you think that a twenty-something-year-old is still a 'Virgin'? this kind of creature is already extinct on earth. Maybe this one in front of us is the only one, Yingluo."

Liancheng Yazhi ()#that's enough!

He felt that there was no way to continue this topic, so he picked up Rong Yan and walked out.

Rong Yan patted his back and called out to Tang Zong enthusiastically. "Tang Zong, Tang Zong, please don't give away your first time so easily! We have to keep it!"

Liancheng Yazhi gritted his teeth and raised his hand to slap Rong Yan's butt. "Don't say anything more, be honest."

Tang Zong turned around and started to plant mushrooms in the corner!

He bit his finger and thought to himself, "Hmph, I don't want to keep it. I'll make Rong Nuo end my first time!" He had to achieve this goal before the new year.

Chapter 1289 shouldn't look at other men

The atmosphere at the dinner table was very strange.

Rong Yan's gaze kept darting towards Tang Zong's body. Her gaze was ambiguous and a little perverted!

Tang Zong, on the other hand, buried his head in his food, almost burying his head in his bowl.

Liancheng Yazhi basically didn't eat anything and glared at Rong Yan with fire spewing out of his eyes.

However, Rong Yan had no reaction to his anger at all.

Liancheng Yazhi was furious. In the end, he had no choice but to use some despicable methods to divert Rong Yan's attention.

Liancheng Yazhi's method was to flirt under the table!

His big hand touched Rong Yan's thigh directly.

The heater in the house was very strong, so Rong Yan didn't wear thick clothes indoors. Liancheng Yazhi's hand quickly moved along the lower hem of her clothes and touched Rong Yan's clothes.

His warm palm was placed on Rong Yan's waist, making her tremble.

Rong Yan turned her head and bit her lip as she glared at him. She raised her leg to kick his calf.

However, Liancheng Yazhi did not look sideways. His face was expressionless, and there was nothing strange about his expression. He was completely a gentleman.

He was smug in his heart. I'll let you see how I'll deal with another man.

Liancheng Yazhi's actions were getting more and more overboard, and Rong Yan's face was as red as fire. She pressed down on Liancheng Yazhi's hands, which were getting more and more presumptuous, but he was too strong and quickly broke free.

Rong Yan bit her lip and her hand holding the chopsticks trembled. She tried hard not to make a sound, but she could not hold it in any longer.

Rascal, Yingluo was touching in front of so many people, something bad was going to happen!

The battle between the three adults was basically decided.

As for the child, he was fine. In the winter, he let MeowMeow sit on his still thin legs and fed MeowMeow carefully, not caring about the disputes between the adults at the dinner table.

he didn't care about it, and he didn't let meowmeowmeowmeowmeow care.

Ever since the winter came, the couple no longer needed to feed MeowMeow at the dining table. It was not that they were unwilling, but the winter did not give them the chance.

after feeding "I'm full. I'm taking MeowMeow out for a walk."

Then, he took MeowMeow's hand and went out.

After the two children left, Tang Zong finally couldn't take it anymore. He threw down his chopsticks and stood up."yingluo, i, i'm full too. i still have something to do, so i'll go first, yingluo."

After he finished speaking, he grabbed his coat and ran out as if he was running for his life.

As he ran, he said,"it's only a few days before the new year. I still have things to prepare. I won't be coming before the festival, hehe."

After Tang Zong left, only Rong Yan and Liancheng Yazhi were left.

Rong Yan's willpower collapsed instantly. Oh, Liancheng Yazhi, you bastard, oh, oh.

A string of moans came out of his throat, and his body went soft and tilted to the side. Liancheng Yazhi's lips curled up and he pulled Rong Yan into his arms.

Liancheng Yazhi's long arm hooked around Rong Yan and carried her up."Honey, let's go back to the room and continue!"

Rong Yan quickly admitted her mistake. hubby, Yingluo, I was wrong. I shouldn't have looked at other men, Yingluo.

Liancheng Yazhi smiled gently and said,"yes, what else?" Don't worry, think about it slowly. I'll serve you well in a while, and you'll be able to remember more, Yingluo."

Rong Yan shivered fiercely. She didn't want him to serve her!

—

Chapter 1290 so you're deeply in love with me

Rong Yan blinked and looked at him sincerely. hubby, you have to work outside every day. You're so busy and tired. How can I let you serve me? you should rest well. Otherwise, I'll be heartbroken if you're exhausted.

Even Rong Yan herself felt sour when she said this. It was so sour that her teeth felt a little soft. No matter how she heard it, it seemed a little unreal.

Liancheng Yazhi carried her up the stairs in a relaxed manner. After thinking for a while, he finally said, " "Mm, you're right. In that case, how about you serve me instead? furen wanwan "

He called her " Madam " instead of " wife. only Rong Yan herself could feel the difference after hearing it.

rong yan's hands around liancheng yazhi's neck trembled!

After a while, Rong Yan stuttered, "hubby, my Yueyue, that Yueyue ..."

Just as they reached the bedroom, Liancheng Yazhi stopped and looked at Rong Yan with a sad expression. "What? you don't want to? do you think that i'm not as charming as before, and that tang zong is more attractive than me?"

Rong Yan quickly shook her head. no, no, no, Zhenzhen, no, absolutely not. I swear, I swear on my character that Tang zongzhong's child who hasn't grown up is not my type at all. Hubby, a mature and charming man like you is my type. Didn't you realize that when I look at you, I can't even move my eyes away? "

No matter what, Rong Yan had been by Liancheng Yazhi's side before and had been his mistress for quite a while.

To put it nicely, she had always done well in pleasing people.

otherwise, liancheng yazhi wouldn't have been unable to let go of her every time he said so in the past.

Liancheng Yazhi felt comfortable from head to toe after being praised by Rong Yan.

he kicked the door open. "is that so? i'll forgive you on account of your deep feelings for me."

rong yan reached out and grabbed the door, "then let's not go in, yingluo."

She hadn't finished her meal yet, and it was only eight o'clock. She didn't want to be pressed on the bed so early, being turned around and in all kinds of positions for him to ravage.

liancheng yazhi smiled, revealing his white teeth. he freed one hand and saw rong yan's hand that was holding the door open one by one. then, he grabbed her hand and brought it to his mouth, kissing it one by one.

"it's precisely because you're so deeply in love with me that we have to come in. i have to comfort my good wife. i can't let you be cold to me, can i?"

The corner of Rong Yan's mouth twitched. Could he not say such things?

Liancheng Yazhi closed the door and locked it!

then, his entire aura changed instantly. although he was still smiling, his eyes became dark and deep, extremely aggressive.

liancheng yazhi threw rong yan on the bed, then slowly took off his clothes and finally pressed himself on top of her.

Seeing that she couldn't escape, Rong Yan pushed Liancheng Yazhi's chest. hubby, once, just once, okay, Wanwan? "

Liancheng Yazhi took off Rong Yan's clothes again and asked with a deliberately cold face, "Are you looking down on your husband?"

Rong Yan was about to cry. no, definitely not, Yingluo. I'm just thinking too highly of you. I'm afraid you won't be able to stop, Yingluo.

Liancheng Yazhi immediately laughed and kissed Rong Yan's lips as a reward. "not bad, you know your husband well."

He really couldn't stop once he ate the Yingying.

How could one time be enough!
