

Permit Me 1321

Chapter 1321-all of them might die

Liancheng Yazhi took the documents and turned to walk through the door.

the person leaning against the car finished the last puff of his cigarette and threw it on the ground. he stepped on one with his foot and extinguished the cigarette before following liancheng yazhi in.

the two of them walked, one in front and one behind. neither of them spoke, and only the sound of heavy footsteps could be heard in the quiet courtyard.

The servants at home had all gone home, so the Liancheng old mansion was even quieter.

Walking into the living room, Liancheng Yazhi sat down and carefully read the document in his hand again.

There was only a list of sacrifices and nothing else inside. There were only a few thin pieces of paper with a cold line of names on it. It was a list of several lives.

he didn't explain their deaths or how they died. he only said that yingluo and the others were dead!

Looking at the two words at the top, Liancheng Yazhi felt that the piece of paper in his hand was as heavy as a thousand Jun.

the scene of kang yu's departure a few months ago kept replaying in his mind. the words that kang yu had said then kept ringing in his ears. If I can't come back this time, don't avenge me! I don't want to do anything

liancheng yazhi's heart was in a mess. he was angry and sad, but he couldn't describe it. when he saw this cold document, he couldn't believe that a person like kang kun would die!

Liancheng Yazhi raised his head and asked,"where did you get this document? how did you get it?"

"This document was just sent to the military this morning. Before Kang Yu left, he left me a secret line in the military."

what? " Liancheng Yazhi narrowed his eyes. is the information accurate? "

The man shook his head."The others might have died, but Kang Yu, I don't believe he's dead. We have a secret communication signal. Before he left, he told me that if something happened to him, if he was dead or he had to die, he would use the signal and someone would send me a message. But I haven't received it yet. So, I think he might still be alive, but Hanhan's situation must be very bad."

Not only did Liancheng Yazhi not relax when he heard this, but he also became more tense.

If Kang Xi wasn't dead, then why was the message from abroad saying that he was dead? if he wasn't dead, then why couldn't he come back? he couldn't even send out a signal.

Liancheng Yazhi felt that there was only one situation that could explain the situation of Gong Gong and Kang Xi. It was worse than death!

Liancheng Yazhi's hand clenched the document tighter and tighter. The veins on the back of his hand were rolling, and the expression on his face was getting more and more serious.

"what mission is he participating in this time?" he suddenly asked.

The man shook his head. I can't tell you, I really can't. I used to be in the military too. This is a secret and can't be leaked. But the people involved in Yingluo's operation this time, other than Kang Yu, are all on this list.

in other words, it was possible that all the mercenaries who had participated in this operation had been killed!

Liancheng Yazhi frowned. No, this was not right!

“Since they've all died, who sent this list? How can the headquarters confirm the authenticity of this list?”

” before they left, a super mini electronic chip was planted in their bodies. as long as they are alive, the chip will continue to send signals. this kind of chip can not be separated from the body. so, when the chip's signal disappears, it means that they are dead! ”

The documents in Liancheng Yazhi's hands fell to the ground.

The electronic chip that can not be separated from the body

Chapter 1322 Why are you looking for my husband?

Suddenly, Rong Yan's voice came from upstairs. “Yazhi, who's here?”

Liancheng Yazhi quickly looked up and happened to see Rong Yan coming down from upstairs. He subconsciously wanted to hide the documents, but it was too late. Rong Yan had already seen the things in his hands.

Rong Yan went downstairs and saw the man sitting opposite Liancheng Yazhi. She was shocked. “officer mu? You were the one who called Yazhi today?”

The man opposite Liancheng Yazhi stood up. His tall figure stood there like a relaxed tree. He said, “Yes, it's me! madam liancheng.”

The officer mu that Rong Yan was talking about was the captain of the criminal Police, mu weibai.

He and Kang Yu were good friends and comrades, so Liancheng Yazhi had some friendship with him.

rong yan walked to liancheng yazhi's side. “did your qianqian come to our house to investigate a case?”

Rong Yan had seen mu weibai once, the last time when she was almost run over. After that, she went to the police station to record her statement again, but she had only seen mu weibai once.

Therefore, she was completely unfamiliar with mu weibai. A police officer appearing in her house during the new year, no matter how she looked at it, she felt that there was something wrong with Wanwan!

Mu weibai shook his head. no, I'm here in Xuanji to ask brother Lian for help! he said.

rong yan's eyes widened.'brother liancheng'!!!

She didn't hear it wrong, it was brother Liancheng!

Rong Yan turned to look at Liancheng Yazhi and asked, "do you know each other?" Did I say that we knew each other before?"

Liancheng Yazhi cleared his throat and nodded. "Hanhan used to be Kang Yu's comrade. We've met a few times!"

"you ..." rong yan wanted to ask him why he didn't tell her, but she swallowed her words back because she remembered that she also had secrets from liancheng yazhi, and more than one. therefore, she shouldn't and had no reason to ask liancheng yazhi to be absolutely honest with her without any secrets.

"Then, what do you want my husband to do for you, Qianqian?" Rong Yan asked mu weibai.

"Take a look at this." Liancheng Yazhi handed the document in his hand to Rong Yan.

Mu weibai wanted to stop him, "you ..."

she's my wife, " Liancheng Yazhi said. I don't want to hide it from her. Besides, there's nothing on it, right? "

mu weibai sighed. just this list of names would cause a huge earthquake if it was leaked out!

Rong Yan opened the document suspiciously. After taking a look, she was so scared that her hands went soft and she threw the paper away.

rong yan looked up in shock and asked liancheng yazhi, " "Kang Zhen, he, he, he really?"

"Don't worry, Yingluo isn't sure yet!" Liancheng Yazhi hugged Rong Yan. While comforting her, he was also comforting himself.

Seeing that Kang Zhen's name was on the list of casualties, Rong Yan's heart skipped a beat. The last time she saw Kang Zhen, she sat in the car and saw him and Liancheng Yazhi arguing fiercely. She had always remembered what Liancheng Yazhi had said to her in the car.

rong yan naturally didn't have much friendship with kang yu, but liancheng yazhi did. they were brothers who grew up together. moreover, among the few of them, liancheng yazhi seemed to be closer to kang yu than the others.

liancheng yazhi had said that he had already lost a brother (xia xuanmo) and would never want to lose a second one.

If something really happened to Kang kun, the one who would suffer the most would undoubtedly be Liancheng Yazhi.

rather than saying that rong yan was worried about kang yu, it was more appropriate to say that she was worried about liancheng yazhi!

Chapter 1323 We are each other's backs

after rong yan calmed down, she asked mu weibai, " "What do you want to do? You're looking for my husband, what do you want him to do for you?"

Mu weibai said, "the higher-ups have also confirmed that Kang Yu has died, but I don't believe in Qianqian. I want to find him, Qianqian."

The same expression appeared on Liancheng Yazhi and Rong Yan's faces at the same time. didn't you say that zaihe was on a top-secret mission and no one knew where they went? "

mu weibai smiled. " but i know that qianqian and kang yu told me before they left. he must be in a very dangerous situation now. i can't just leave him be. "

Rong Yan found it even stranger. Kang Yu and Liancheng Yazhi were brothers that could be absolutely trusted, but Kang Yu didn't tell Liancheng Yazhi about this mission, but mu weibai.

Could it be that mu weibai and Kang Yu's relationship was better than Kang Yu and Liancheng Yazhi's?

"What's the relationship between you two?" Rong Yan asked.

Mu weibai sat up straight with his hands on his knees, which was the standard sitting posture of a soldier. Even though he had become a professional police officer, he still had a soldier's soul in his body. He said, " we are comrades who climbed out of a pile of corpses together. On the battlefield, we will always be each other's backs.

There was a saying that many people knew,"on the battlefield, don't leave your back to anyone!"

However, when you could entrust your back to another person, it was enough to prove that that person was your comrade-in-arms who had gone through life and death with you, who you could absolutely trust, and who could sacrifice himself to save the other party at any time. It could even be said that they were each other's shadows, a second version of yourself!

And the reason Kang Rong didn't tell Liancheng Yazhi wasn't because of their relationship. It wasn't as good as mu weibai's.

But Kang Yu had his own concerns.

Because Liancheng Yazhi had a family, a wife, and a daughter, he could not take any risks.

moreover, he was not a soldier. there were some things that concerned his family and country that could not be known by others.

However, mu weibai was one of them, and he had a long history with Kang Yu! Their Brotherhood had emerged from a storm of bullets.

After a short silence, Rong Yan said, " "If you want to save him, then what can my husband do for you?"

Mu weibai didn't say anything and just looked at Liancheng Yazhi.

Liancheng Yazhi seemed to casually ask, " "How long has

Rong Yan quickly looked at the time. She was worried about her daughter and said, " "I've been down here for a long time. Hubby, I'll go upstairs to take a look first!"

Liancheng Yazhi said,"go, Zhenzhen."

after rong yan went upstairs, liancheng yazhi said, " "I need to consider!"

mu weibai nodded. " i know, and i can understand. i'm just giving you a time. i'll leave tomorrow night! "

"Who else could it be besides you?" asked Liancheng Yazhi.

"Our other Deputy! He's a professional now and has a security company."

Mu weibai stood up. sorry for disturbing you today. You guys didn't have a good New Year. I'm very sorry. I'll take my leave first!

Liancheng Yazhi did not move and said,"I won't send you off."

Mu weibai left. His back view walked out of the rich and magnificent living room of the Liancheng family and blended into the night.

not long after, liancheng yazhi vaguely heard the sound of an engine starting up.

Liancheng Yazhi's body was completely sunk into the sofa. He raised his head and covered his eyes, hiding his figure that was struggling between love and loyalty!

After ten minutes, Liancheng Yazhi let out a long breath, adjusted his expression, and went upstairs with a smile!

Chapter 1324 Don't always try to lie to me

liancheng yazhi quietly walked to rong yan's side and hugged her from behind. " "How is it?"

"It'll be done in ten minutes!" Rong Yan turned and smiled at him.

"Has officer mu left?" Rong Yan asked.

"Yes, he has already left." Liancheng Yazhi nodded.

Rong Yan didn't ask anything else. Ten minutes later, the two of them carried

"You're tired after a long day. Take a hot bath," Liancheng Yazhi said to Rong Yan.

sure, Huahua. Rong Yan pinched her neck. Huahua was indeed a little sore. It seemed that she was still getting on in years.

He filled the tub with hot water and dripped some lavender essential oil into it.

The pool was very large, more than enough for two people to lie down.

Liancheng Yazhi massaged Rong Yan in the water. This time, the two of them were taking a bath very innocently without too much lust because they were both thinking about something.

at first, no one said anything. there was only the sound of liancheng yazhi splashing the water occasionally.

"Mu weibai and Kang Yu were comrades," Rong Yan asked.

Liancheng Yazhi replied, "yes, they were comrades. They joined the Army on the same day and were in the same recruit company. When they were young, they also served in the same secret unit. Mu weibai had been Kang Yu's Deputy for many years.

"Then why did he change his career?" Rong Yan asked again.

Mu Wei, Kang Yu, and Bai Gen had been comrades for many years, so his rank must be high! It's not worth it to change jobs and become the captain of the criminal Police!

his left eye was injured during a mission, and his vision was almost zero, so he couldn't stay in the Special Forces. But he didn't want to join an ordinary company, because he felt that it wasn't challenging, so he became a Criminal Police officer!

Rong Yan couldn't help but sigh when she heard this. Mu weibai's left eye's vision was almost zero, but it couldn't be seen on the surface!

Rong Yan sat up in Liancheng Yazhi's arms and slowly turned around. As she turned, the water made a splashing sound.

Rong Yan looked at Liancheng Yazhi face to face and said, "Kang Yu is in danger."

Liancheng Yazhi pressed his forehead against hers. "Yeah, it's quite dangerous."

Rong Yan wrapped her wet arms around Liancheng Yazhi's neck. "Mu weibai's looking for you to tell you the truth, he's actually telling you the truth."

Before he could finish, Liancheng Yazhi said, " "He didn't, he just told me."

Rong Yan smiled and gently pushed him. "Don't always try to lie to me. He's looking for you because he wants you to go save people with him, right?"

Rong Yan wasn't stupid. She was very smart. Mu weibai had suddenly rushed over to tell Liancheng Yazhi this secret and wanted to ask him for help. It must be because Wanwan wanted Liancheng Yazhi to help her.

The country had already confirmed Kang Zhuo's death. If mu weibai mentioned that Kang Zhuo was still alive and hoped that the country would send people to rescue him, the higher-ups would definitely think that the secret had been leaked and would arrest mu weibai without hesitation.

In the face of politics, anyone's life could be sacrificed.

And mu weibai naturally couldn't save Kang Yu alone, so he went to find Liancheng Yazhi.

Liancheng Yazhi was Kang Yu's childhood friend, and their Brotherhood was not ordinary. Moreover, the key was that Liancheng Yazhi was very skilled.

liancheng yazhi hugged rong yan tightly and said, "yes, he wants me to go to xuanji with him."

Mu weibai was very clear that he wanted Liancheng Yazhi to go with him personally, as he was worried about others!

Chapter 1325 Brothers in the left, lovers in the right

Moreover, this matter was of great importance, so mu weibai didn't dare to let more people know.

However, mu weibai had placed the most difficult multiple choice question in history in front of Liancheng Yazhi!

He was now in a dilemma!

Friend or family, which one do you choose?

Rong Yan wrapped her arms around Liancheng Yazhi's neck and rested her chin on his shoulder as she said in his ear, " hubby, I'm a little cold. Hug me tightly.

" good yingluo. " liancheng yazhi hugged rong yan even tighter, almost crushing her into his chest.

Rong Yan felt that her ribs were about to break, but she didn't want Liancheng Yazhi to let go. Her eyes were a little red when he couldn't see them.

While Liancheng Yazhi was painfully making a choice, Rong Yan was the same. She was also in a dilemma as to which side she should stand on.

Finally, she took a deep breath and said softly, " "Hubby, just do whatever you want to do. Don't worry about us. Really, in your world, MeowMeow and I have taken up a large part of it. But human relationships are not just about family and lovers, but also friendship. Kang Zheng is your good brother. I know you are troubled now. You want to save him, but you are worried that we will be in danger, right? don't worry, MeowMeow and I will be fine.?????????....."

how could rong yan not know that if she went on this trip, her future would be dangerous and her life and death would be uncertain!

If he didn't go, Liancheng Yazhi might not be able to rest at ease for the rest of his life.

If Kang Zhen really couldn't come back, he would forever blame himself, feel guilty, and be unable to face Kang Zhen's parents.

He might even think that it was because he didn't go that Kang Xi got into trouble. He might have been able to hide these negative feelings at first and suppress them.

however, as time passed, the negative emotions that had nowhere to vent would grow!

If it was the Rong Yan who was indifferent to any man and had a heart as hard as iron in the past, she would definitely not let Liancheng Yazhi go. What if he died and she could not find anyone to ask for money?

But now, she loved Liancheng Yazhi. This man was her husband, so she needed to think for him. She didn't want to put him in a difficult position and didn't want to see him suffer in the future. If that were the case, even if their family were together, they wouldn't be happy.

Liancheng Yazhi's arms around Rong Yan tightened. It was as if there was a huge stone pressing on his chest, making it hard for him to breathe and not knowing what to say.

Rong Yan's words gave Liancheng Yazhi a strong sense of stimulation.

He knew that Rong Yan was only comforting him like this because she was afraid that he would be put in a difficult position.

however, who else knew what kind of feelings his baby was in to say such words? Were you crying in your heart when you said that?

Liancheng Yazhi lowered his head to kiss Rong Yan's wet hair and said, " "No, Qianqian, I really didn't. Although I value Kang Qianqian, you and MeowMeow are the most important in my heart. Do you know what I'm most afraid of right now?"

If you had to choose between the woman you love the most and your daughter, or your best brother, what would you choose?

After struggling, Liancheng Yazhi silently apologized to Kang Rong!

“What?” Rong Yan asked.

“I’m afraid of death!” Liancheng Yazhi laughed at himself.

If something happened to him, what would happen to his wife and daughter? Who would protect them?

Chapter 1326 Who asked you to make me fall in love with you?

Other than himself, Liancheng Yazhi could not believe that anyone else could protect them!

“I haven’t taken care of you for the rest of my life. How can I bear to die so early?”

Liancheng Yazhi said to Rong Yan.

He had so many enemies. If anything happened to him, there would be a group of people like vultures hovering in the sky, waiting to launch a fatal blow to his business empire and the most important people in his life when he was weak.

The journey to rescue Kang Zhen this time was a long one and the dangers were unknown. It was very likely that he wouldn’t be able to save the person and he would be as sad as Kang Zhen.

So, he was very afraid. He was hesitating.

Rong Yan’s words just now made him feel that she and his daughter needed him more!

The tears in Rong Yan’s eyes finally flowed down uncontrollably. “I’m already very happy that you can say this. Liancheng Yazhi, I love you, Hanhan.”

It was because of love that she could not be so selfish.

If Liancheng Yazhi didn’t go, he could live well and take care of his wife and children, but he would always blame himself and feel guilty in his heart. How could he face his old friends in the future? He had been proud all his life. How could his pride be worn away because of this?

Then, perhaps it would be crueler than death!

Rong Yan sniffled and wiped away her tears. She pushed Liancheng Yazhi, asking him to let go of her. She raised her head to look at him and reached out to hold his face. “Honey, go and save him. I believe in you. You will succeed. MeowMeow and I are waiting for you! You’re MeowMeow’s Superman, and you’re also my Superman. You’re so powerful, so you’ll definitely be able to come back safely, right?”

Rong Yan raised her head and gently kissed Liancheng Yazhi’s lips. “Go, Yingluo. Don’t let yourself regret it, and don’t let yourself suffer in the future, Yingluo”

I won’t be happy if you’re in pain! Because I’m your wife, your family!

Rong Yan's words hit the nail on the head in Liancheng Yazhi's heart. His heart was sour, swollen, and warm. He suddenly hugged Rong Yan tightly. "Why aren't you as headstrong as before? It would be great if you were still so willful!"

If Rong Yan was still as willful as before, she would have pestered him and wouldn't let him go anywhere. She wouldn't be like now, thinking and worrying for him. She obviously didn't want him to go, but she was afraid that he would regret and be sad in the future, so she pushed him away and asked him to save Kang Yu.

in that case, he might feel less guilty towards Rong Yan, but the more Rong Yan acted this way, the more he felt that he owed her and had let her down. He had said that he would give her a happy and worry-free life, but he always brought her trouble!

Rong Yan smiled. I want to be the same as before, but who asked you to marry me? who asked you to make me fall in love with you!

Lover? Husband?

How could the two be equal? they were different!

Lovers could only think of themselves and could be extremely selfish.

However, when the other party became her husband, everything was different!

In the end, Liancheng Yazhi decided to go. That was his best friend since he was young, his brother. How many close friends could a person have in his life?

when the other party was in danger, how could you turn a blind eye to it?

Most importantly, if he didn't save Kang Yu this time, if he gave up on his best friend, would Yingluo one day give up on her lover?

Rong Yan had said before that abandoning Yingluo would become a habit!

It was a terrifying habit!

And he absolutely didn't want to be entangled in this habit!

Chapter 1327 Not afraid that he won't listen

Before Liancheng Yazhi went to bed yesterday, he said to Rong Yan, "When I leave this time, just tell the public that I'm sick and that I'm recuperating at home. Before I leave, I'll make some arrangements. You can let Gu Hesheng stay at our house and don't leave. Or, Yingluo, you can go with him to the Gu family's old residence. I'll talk to Tang Zong and ask him to protect you and MeowMeow until I come back. I'll leave Secretary Zhou to you. As for the company, let him handle everything. If he can't, Yingluo."

Liancheng Yazhi paused for a moment. Rong Yan looked up. What's next?

Liancheng Yazhi lifted Rong Yan up and let her press down on him. if it doesn't work, Secretary Zhou will find a way. I'll transfer two more people from abroad to help him.

For some reason, Rong Yan felt that what Liancheng Yazhi said seemed to be different from what he had wanted to say at first!

“I’ll look for Tang Zong tomorrow. That kid is not easy to deal with. He can keep an eye on Qianqian if he stays here.”

At this moment, Liancheng Yazhi thought for a moment. If Tang Zong did not agree to it when he looked for him tomorrow, he would tell Rong Yan about Rong nuo. Rong nuo would listen to Rong Yan. As long as she controlled Rong nuo, it would be equivalent to having Tang Zong in her hands. She would not be afraid that he would not listen to her!

Liancheng Yazhi wanted to inform Feng nongtang, but after thinking about it, he decided not to. He was too busy with his own family’s Affairs, so how could he have time to do other things?

no matter what, he had to get everything done after he left tomorrow!

=====

Liancheng Yazhi didn’t sleep for the whole night. He held Rong Yan and looked at her sleeping face the whole night. He got up at dawn. He really wanted to spend the last time with Rong Yan, but he couldn’t. He still had too many things to do.

For the safety of Rong Yan and meowmeowmeowmeow, he had to get up to make a phone call and find someone!

Liancheng Yazhi took one last look at Rong Yan after he got up and made up his mind to turn around and leave.

The light sound of the door closing was heard, and Rong Yan, who was lying on the bed in the room, opened her eyes. She stared at the door for a long time before finally hugging Liancheng Yazhi’s pillow in her arms!

When Liancheng Yazhi reached the living room, he first called Secretary Zhou, who was still out of town.

Secretary Zhou, come back right now. I have something to do and have to go out for a while. The return date is not set yet. I’m a week early. I don’t know if Hanhan is late. Go back to the company and take charge. I’ll give you full authority to deal with it.

Secretary Zhou was still in bed. He finally had two days off and didn’t need to work. Of course, he wanted to rest well.

However, a phone call from Liancheng Yazhi made him instantly sober up. Young master ya was out and his return date was uncertain? tian yingying, are aliens invading earth? or did young master ya and young madam have a conflict?

Secretary Zhou asked, “young master ya, what are you going to do?” Can’t I handle it alone? Yingying can do it for two or three days, but if it’s too long, the company’s shareholders and some outside consortiums will have their eyes on us. They’ll find a loophole if we make any mistakes.”

how could liancheng yazhi not know? however, they had no choice. all they could do was to block the hole in advance and prevent it from being invaded.

He said, “go and save them. I’ll call PEI xuanyu and Yue ye back to help you. No matter what, you have to guard my wife and daughter’s wallets. From tomorrow onwards, you’ll tell the public that I’m sick and that I’m recuperating at home. You won’t see anyone. Remember, you can’t let anyone leak the news that I’m out!

Chapter 1328 i've always believed in you

Secretary Zhou swallowed his saliva. Young master ya, please don't speak to me in such a serious tone. I'm very scared!

You're about to call back PEI xuanyu and Yue ye, these two perverts. Young master ya, what's the matter with you?

"Young master ya, what if the shareholders don't approve of our decision after a long time?"

lian Cheng yazhi was silent for a moment and only said, "you will have a way. Any method will do. As for those who are extremely disobedient, just deal with them!"

Secretary Zhou's eyes lit up when he heard this. If young master ya could give him a final solution, it would mean that he was acting under orders. In this way, he would not be afraid.

if you encounter something that you can't solve, go to Rong Yan more often to discuss it and find something for her to do," Lian Cheng Yazhi added. don't let her worry too much.

Secretary Zhou felt that his boss was hinting at something. He didn't have time to think about it now, but he would think about it carefully after he hung up the phone. "Yes, young master ya. I'll follow your instructions."

In the end, Lian Cheng Yazhi said earnestly, "Secretary Zhou, I'll have to trouble you this time. No matter what, you have to hold on!"

Secretary Zhou shivered when he heard that. Oh my God, young master ya, your words are so scary. I'd rather be ordered around by you like an animal than listen to you.

Secretary Zhou hurriedly said,"young master ya, it's what I should do. I'm also willing to do it, Yingluo."

From the first day he came to Lian Cheng Yazhi's side, he had vowed to be loyal to him. He was his master!

no matter what he did, he was always sexy and willing. although he had always been resentful, the loyalty in his heart had never changed!

Lian Cheng Yazhi walked out of the courtyard and looked at the sky that was still a little gloomy. "When I'm not around, you must help me protect the mother and daughter!"

Secretary Zhou suddenly felt the heavy responsibility on his shoulders, as if he had a thousand pounds of weight on his shoulders.

Secretary Zhou got up from the bed, stood up straight, and said, "Don't worry, young master ya, don't worry. With me around, I'll definitely protect young Madam and young miss! I will not let anything happen to them."

When Secretary Zhou heard Lian Cheng Yazhi's words, he had a bad feeling.

young master ya asked him to protect rong yan and her daughter in his place. this was equivalent to yingluo handing his life over to him.

This burden was too heavy. If he didn't protect the young Madam and the eldest miss, he wouldn't have the face to see young master ya!

"Secretary Zhou, I've always believed in you." Liancheng Yazhi's lips curled up.

this sentence made secretary zhou suddenly feel as if sand had entered his eyes. aiyo, young master ya, don't say such touching words!

after the two hung up the phone, secretary zhou did not stop for a second. she put on her clothes, packed her luggage, checked out, and rushed to the airport to return to the capital!

After ending the call with Secretary Zhou, Liancheng Yazhi contacted PEI xuanyu and Yue ye, who were overseas. He told them that no matter what, they had to return to the country before dawn tomorrow and listen to Secretary Zhou's arrangements for everything. If they disobeyed, he would give them the most severe punishment when he returned!

After arranging the company's matters, Liancheng Yazhi heaved a long sigh of relief. Now, he should go and find Tang Zong.

Right now, Liancheng Yazhi had to pull Tang Zong into his trenches and make him stand on his side wholeheartedly. So, he had to ask Rong nuo, sister-in-law. I'm sorry, but I can only sell you this time!

Chapter 1329 The sleeping Little Prince

Liancheng Yazhi decided to meet Tang Zong personally. He wanted to tell Tang Zong about this matter in person. He wanted to hear his guarantee personally. Otherwise, he would not be able to leave in peace!

Liancheng Yazhi's butler Li said, "I'm going out for a while. When young Madam wakes up, tell her not to wait for me to eat first. I'll be back soon.

"yes, young master!" caretaker li quickly nodded.

Before Liancheng Yazhi left, he added,"before eight o'clock. Tell the maids who didn't come back last night that they don't need to come."

Although steward li didn't know why, he still nodded.

She knew her status. Although she was from an official's family, she was actually just a servant. Her status was only slightly higher than others.

lian Cheng yazhi took his car keys and drove the fastest sports car in the garage. he did not bring anyone with him and went to the prison alone.

It was not even seven o'clock yet, and there were not many cars in the city, so there was no traffic jam. Liancheng Yazhi drove his sports car to the prison at the fastest speed.

The last order he had given the Butler just now was something he had thought about for a long time.

There were many servants at home, and there were too many people. Although he had announced to the public that he was sick, if he didn't appear, the servants at home would definitely not be able to hide it. There were so many people watching closely, and there would be loopholes. If the fact that he wasn't in Liancheng's house was leaked, the danger would be huge!

Therefore, Liancheng Yazhi took this opportunity to clean up the servants in the house.

He didn't have that much time to clean up one by one, so he could only use the most general method. Ordinary people usually went to work at eight o'clock in the morning. If the maids wanted it very much and were very dedicated to the job, they would arrive before eight o'clock. Only those who were not dedicated to their work dared to come back very late.

Therefore, this was the simplest method of elimination!

.....

Liancheng Yazhi's car was speeding on the road. At this moment, in the prison, Rong nuo was staring at the roof of the prison with wide eyes.

Her eyes were a little dull, her body was stiff, and her face was pale and red, then red and green.

The scenes from last night were still playing in her mind.

Her memory stopped at the moment she threw the wine glass away. After that, many of her memories were blurry.

she thought and thought, thought and thought, yingluo.

Finally, the soreness all over her body, the strange swelling of her lower body, and the man's breath that kept blowing into her ear, these external factors, slowly brought back her blurry memories.

Rong nuo remembered that she had pushed Tang Zong down, remembered that she had boldly sat on top of him, and remembered that she had frivolously and roguishly said, Don't be afraid, big sister will love you well Yingluo.

Rong nuo's expression was pained, and she wanted to stab herself.

How could she do such a beast-like thing? she, Qianqian, had raped a man. Now, Qianqian was finished!

in the past, tang zong knew very little about the matters between men and women. it was her who aroused tang zong's desire for women, and it was him who made him understand what desire was. and now, she had forcefully taken his first time!

If that was the case, Rong nuo felt that she was too bad and shameless, really!

rong nuo slowly turned her head and saw tang zong's face in close proximity. that face was in deep sleep, with a faint smile on his lips. his facial features were so delicate, clean and beautiful, like a sleeping little prince!

Rong nuo sighed. What was Zhenzhen going to do now? Could she not admit to it?

Chapter 1330 The way he looked at her was infatuated

rong nuo covered her face and wailed helplessly. if it was anywhere else, she could still put on her clothes and run away. she could pretend that she didn't know anything when they met earlier, but now she was in prison!

Who could go to jail like her and sit like this?

He didn't change himself like the others and turned over a new leaf. Instead, he became even more dejected.

Did she have to be so trendy to sleep with a man in a prison?

Rong nuo's heart was in a mess now, and she didn't know what to do at all.

she blamed herself and tang zong. you're a man who has been f * cked by a woman. don't you know how to struggle and call for help?

the more rong nuo thought about it, the more frustrated she became. she had not even thought about whether she wanted to develop her relationship with tang zong. even if she wanted to develop it, how far did she plan to go? now, she was forced to make a choice.

Rong nuo wanted to push Tang Zong away and sit up, but Tang Zong was a little pervert. He held her waist with one hand and grabbed the softness of her chest with the other. That posture was really awkward.

Rong nuo gritted her teeth. Just now, she still felt guilty towards this bastard. Now, why did it look like what she had done last night was exactly what he wanted?

Rong nuo glared at Tang Zong, this little pervert!

Since he enjoyed it so much, she didn't feel guilty anymore.

Let's just treat it as a man and woman's love, each taking what they need!

Rong nuo twisted her body and struggled to sit up.

In the end, she moved a little and her body rubbed against Tang Zong's body, causing him to be a little more awake. He didn't open his eyes and hugged her, rubbing her body against him. He then muttered in a spoiled manner, "Nuo nuo, I don't want it anymore, Yingluo"

Hong long, a bolt of lightning struck down.

Rong nuo's face turned red, and she didn't know what to do, what to say, or what expression to use!

Rong nuo gulped down a mouthful of saliva. She slowly turned her head to look at Tang Zong. He had fallen asleep again, his mouth slightly open. His pink lips were as alluring as jelly, and the tip of his tongue could be vaguely seen inside. Rong nuo suddenly recalled how she had hugged his head and kissed him last night.

rong nuo really wanted to cry now. damn it, how dissatisfied was she exactly? To torment a light and strong man and tell him not to? [Tang Zong: (#? ?#) little nuo nuo, baby, you've misunderstood me. I said I don't want it anymore because I was afraid that you wouldn't be able to take it. That's why I said that. My physical strength is very good. If you don't believe me, you can try again on the mountain tonight!]

Rong nuo lit a few candles for herself!

After a moment of silence, she finally decided to get out of bed.

Lying in such a small and narrow bed, she didn't need to turn around to be so close to the other person. There was no gap at all. It really made her feel a little breathless, especially when she had raped a Virgin. In the morning, she regretted her actions. It really made her want to pretend.

Rong nuo took a deep breath, grabbed Tang Zong's hand that was on her chest and threw it away. She then moved his hand away from her waist and pulled her feet out from between Tang Zong's legs. Fortunately, Tang Zong did not wake up.

Rong nuo quickly got out of bed, quickly picked up her clothes on the ground, and put them on one by one.

After putting on her clothes, she turned around and saw Tang Zong lying on the bed with his upper body bare. His eyes were wide open and he was looking at her with a look of infatuation!

Rong nuo was shocked, her heart thumped hard, and she took a step back. Damn it, when did you wake up? How long have you been watching?
