

Permit Me 1511

Chapter 1511 I also want to be the most beautiful bride

There was no woman in this world who didn't love beauty, not to mention her own wedding. A woman only had this once in her life.

they would definitely want to welcome that day in their best condition.

However, now that she was pregnant, her weight had been increasing. More importantly, her stomach was getting bigger. By the time she was four months pregnant, it would swell up like a balloon. How could she wear a wedding dress then? How could she be a beautiful bride!

So, it was better to wait until after giving birth, after confinement, and when she had slimmed down!

However, it would take almost ten months to do this, Yingluo.

Rong Yan sighed silently again. Forget it. Although she had to wait for a long time, she had already waited for so long before, so she didn't care about this period of time.

Rong Yan lay next to Liancheng Yazhi and thought about a lot of random things.

She had a good sleep last night and was not tired at all. After lying with Liancheng Yazhi for more than an hour, she could not lie down anymore. At this time, she was basically basking in the sun. Also, she remembered that the servants would not carry the simple things back without her instructions.

Rong Yan lifted the blanket and wanted to get down, but the more she moved, the tighter Liancheng Yazhi's hand around his waist tightened.

rong yan quickly stopped moving. after waiting for a moment to make sure that he was not awake, she gently moved his hand away and quickly stuffed the pillow she had just used into liancheng yazhi's arms.

Looking at Liancheng Yazhi hugging the pillow, Rong Yan pursed her lips and laughed. She leaned over and kissed him gently on the lips."sleep well, i'll make some simple arrangements and then come back to accompany you."

Rong Yan put on her shoes and quietly left the room to go downstairs.

Downstairs, Rong Yan found Butler li. "Butler li, call a few people over."

"What's the matter, young Madam?" Butler li asked.

"Ask them to help carry someone."

Caretaker li nodded,"alright, I'll go find some strong Yingluo."

Rong Yan could have gotten bodyguards or a driver to carry them, but they were men. Rong Yan was afraid that they would not know the severity of the situation, so she got four maids to bring them to Natsume's laboratory. She asked the four of them to carry the stretcher from the laboratory into the room that had been prepared for him.

It was interesting to say that the simple room prepared by Butler li was just next to Tang Zong's.

after settling the place down, butler li said to rong yan, ” “Young Madam, Secretary Zhou is calling, Hanhan.”

“Oh, Yazhi’s?”

“She’s looking for the young master.”

“I’ll go tell him then. Yazhi just fell asleep, it’s not good to wake him up now.” Rong Yan went downstairs with her hands on her waist. Butler li quickly went forward to help her.

“Hello, Secretary Zhou, Wanwan, it’s me.” Rong Yan picked up the microphone.

“Young Madam, is young master ya in?” Secretary Zhou asked.

Rong Yan glanced upstairs. he didn’t sleep much last night, so I asked him to catch up on sleep. Now that he’s asleep, I don’t want to wake him up. Do you have anything to say? if it’s not too urgent, I’ll ask him to call you back when he wakes up.

When Secretary Zhou heard this, he quickly said, ” Oh, I’m actually fine. Yingluo, it’s better to let young master ya rest. Young Madam, I want to see young master ya when he wakes up. There are some things I want to tell him in person. When do you think is a suitable time? ”

Rong Yan glanced at the clock on the wall. It was past ten in the morning. She said, sure, come over. You should be awake by lunchtime.

alright, I’ll be there in the afternoon. Goodbye, young Madam.

“Goodbye!”

Chapter 1512 The last phone call before death

After hanging up the phone, Rong Yan went back to the bedroom. She saw that Liancheng Yazhi was still holding the pillow. Holding back her laughter, she gently pulled the pillow out and then lay down herself. She put Liancheng Yazhi’s hand back to its original place. He probably wouldn’t notice it when he woke up.

rong yan wasn’t sleepy at first, but as she lay next to liancheng yazhi and listened to his steady breathing, she gradually began to feel sleepy.

Rong Yan yawned. Let’s sleep. I’ll just take it as an early afternoon nap.

The couple slept very well here, but Secretary Zhou wasn’t so happy, Yingluo.

He wanted to find Liancheng Yazhi to tell him that Xin Yang and Su He had already been dealt with.

Secretary Zhou had just fallen asleep last night when he suddenly received a call from Liancheng Yazhi. At that time, he was extremely happy. His sleepiness was gone in an instant, and he was ecstatic in his heart. Young master ya was back, young master ya was back. His tough days were finally over. He no longer had to worry about someone in the company treating him to breakfast.

But very quickly, Liancheng Yazhi told him to immediately arrange for someone to get rid of Xin Yang. Not only must he get rid of Xin Yang, but he must also kill Su He. Anyone who saw him and the simpletons yesterday must die.

Secretary Zhou was scared out of his wits when he heard that. He asked why in a daze.

Liancheng Yazhi only said one sentence to him, "I can't stand people who have The Heart of Betrayal."

after secretary zhou heard this, he shivered. he finally realized that young master ya meant that xin yang had betrayed huahua.

Secretary Zhou did not dare to think too much. Liancheng Yazhi had given him limited time, so he had to complete the task as soon as possible. Then, Secretary Zhou quickly sent someone over.

And just an hour before Secretary Zhou called Liancheng's house, all the people that Liancheng Yazhi wanted to kill had died!

Xin Yang knew that Liancheng Yazhi would make a move, but he did not expect that he would move so quickly.

Liancheng Yazhi returned in the early hours of the morning. The killer he sent arrived at the place at five or six in the morning. After finding the person, he immediately attacked, not giving him time to prepare at all.

What Xin Yang did not know was that this matter concerned the safety of the family. How could Liancheng Yazhi dare to be the slightest bit negligent!

If it was back when he was still alone, everything would be fine.

However, things were different now. There was a woman and a younger daughter at home. Now, there was an unborn child. If something happened, he would not be alone anymore.

The person who had gone to kill Xin Yang was precisely the leader of yueshen's team. She and Xin Yang knew each other, and before she died, Xin Yang had a request. He wanted to call Secretary Zhou.

Yueshen had let him hit her.

As a result, at seven o'clock in the morning, Secretary Zhou received Xin Yang's last phone call before he died.

Xin Yang's first words were, "after I came to S city and got in touch with Su He, I did have some ideas. However, I just feel that Su He is a person with a strong will and is worth my help. I see him as a friend. I have never betrayed young master ya. I don't know how Su He found out about what happened yesterday. Secretary Zhou, can you help me put in a good word for me in front of young master ya and beg him to spare us?"

Secretary Zhou said coldly, "you know very well whether I betrayed you or not. The day Xinyang saw your loyalty to young master ya wavering, you should have thought of today's outcome. You brought this upon yourself. You can't blame anyone else. Do you still remember what we said on the first day we followed young master ya?"

Chapter 1513 Betrayal starts from the heart

“I remember. I’ve never forgotten.” Xin Yang spoke very hurriedly, as if he was trying to prove to Secretary Zhou that he really remembered.

Secretary Zhou laughed. you say you remember it, but you’ve already forgotten it in your heart. Or rather, you’ve never taken those vows to heart.

Xin Yang was a little irritated by Secretary Zhou’s words. He said loudly, ” we are young master ya’s subordinates, but can’t we have friends? don’t you have friends? do you want to be controlled like a puppet without thoughts and not be able to do anything you want? ”

Secretary Zhou was stunned for a moment. He repeated Xin Yang’s words in his mind twice, and the coldness in his eyes became heavier.”you see, you’re not thinking about repentance or admitting your mistakes. instead, you’re thinking of ways to encourage me. your loyalty has wavered, so you want me to go with you? I used to think that young master ya’s decision to get rid of you was too hasty, but now I understand that young master ya’s decision is always right. You’ve already lost the qualification to continue to follow young master ya.”

just now, xin yang’s words were said in a hurry, but it also inadvertently revealed his true thoughts. he said that he didn’t want to be a puppet controlled. he wanted to do what he wanted to do and make friends with people he wanted to make. all of this showed that his heart was wild and he had grown up. he had already given up his original oath and no longer wanted to be liancheng yazhi’s follower.

If that’s the case, then there’s really no need for him to exist anymore.

Xin Yang shouted in panic,”Secretary Zhou, please!”

Su He is dead, ” Secretary Zhou said indifferently. if you want to be friends with him, then go down there.

Xin Yang’s voice suddenly stopped.

It was only after a long time that he realized what Secretary Zhou had said. Su Qianqian was dead!

Why did young master ya kill Su He?

the phone in xin yang’s hand was taken away by yue ye. he raised his head to look at the sharp and handsome yue ye, and called out, ” “moonlit night”

The gun in Yue ye’s hand was pressed against his forehead, and she said,”I’m sorry. After I die, I’ll apologize to you when I see you in hell.”

Xin Yang’s body was trembling,”we are friends, Yingluo.”

Yue ye lightly smiled, ” I was young master ya’s subordinate first. Then, I became your friend. The reason why I became your friend was because you were also young master ya’s follower. Now that your heart has changed, the foundation of our friendship has also been shattered.

“is su he’s qianqian already dead?” xin yang’s expression was dejected.

“Yes, he’s already dead.” Yue ye nodded.

” he only brought people to block young master ya and didn’t do anything. he also didn’t have any intention of hurting young master ya. why doesn’t young master ya

let him off?" xin yang's voice was very sharp in the night. his eyes were filled with hatred, anger, and unwillingness.

On Xin Yang's pale face, Yue ye said disdainfully, "Since you have such a good relationship with him, then I'll send the two of you down there to be friends. Goodbye, Gong Jie Xin Yang!"

Before Yue ye's voice had died down, her finger had already pulled the trigger. The gun that was equipped with a silencer made a very faint sound, and the bullet pierced through Xin Yang's head, causing him to fall.

Yue ye put away her gun, and said to the people behind her, "i've packed it up!"

When she came, she was also a little hesitant. Must she really kill Xin Yang? After all, they had been working together for so many years. It would be a lie to say that they didn't have any feelings for each other.

Chapter 1514 Don't act pitiful in front of me

Therefore, when Xin Yang suggested to call Secretary Zhou, she agreed. At that time, she was also thinking that Secretary Zhou was the person who had followed young master ya the longest and knew young master ya better than them. If Yingluo was willing to help him speak up, perhaps young master ya would spare Xin Yang's life. Secretary Zhou: you guys think too highly of me. I really don't have that ability. The one who has that ability is the young Madam. " "

however, what disappointed yue ye was that xin yang's words made her suddenly understand why young master ya wanted to get rid of him.

Even if he didn't betray him now, it wasn't because he was really loyal, but because he didn't have the courage. He already hated young master ya and was unwilling to be his follower forever. All these grievances had proved that young master ya's decision was correct. Xin Yang couldn't be kept because he was already a wild goose that would leave their team sooner or later.

Instead of waiting for the day he really left the team and betrayed them, it would be better to solve it in advance.

This way, he could even make up for the losses that might occur in the future!

"Boss Yue, we've taken care of the person and put him in."

Yue ye looked at the time, and said, "take the corpse and return."

.....

It was already 12 o'clock in the afternoon. Rong Yan looked at Liancheng Yazhi with her face in her hands and reached out to poke his cheek. "Hubby, you're awake. It's time for lunch."

Liancheng Yazhi didn't move. Rong Yan smiled and narrowed her eyes. "stop pretending. i can see your eyes rolling. if you don't wake up, i'll tickle you."

as she spoke, rong yan reached out and scratched liancheng yazhi's body.

Liancheng Yazhi didn't open his eyes and laughed first. He grabbed Rong Yan's hand, turned over, and pressed her under him. Of course, his movements were very careful and deliberately moved Rong Yan's stomach away. Liancheng Yazhi smiled and said, it's my first day back home, and I'm already eating and sleeping. I'm only eating after I wake up. Why do I feel like a pig? "

Rong Yan scratched his palm. I want to raise you like a pig. When you're fat, you'll taste good.

even if I don't fatten you up, I can still let you eat meat. It's just that Yingluo is here, and we have to eat vegetarian for months. Wife, Yingluo, what do you think we should do? ” Liancheng Yazhi looked at Rong Yan's lower abdomen and said pitifully.

It was a good thing to have children, but the only bad thing was that he could not be intimate with his wife.

liancheng yazhi had been a monk for more than two months outside. during that period of time, he had been thinking about saving his life all day long and had no time to think about anything else. however, when he came back, he had his soft and fragrant wife in his arms, but he could only look at her but not eat her. it was really torturous.

Rong yanmo glared at him and gently patted his chest. don't act pitiful in front of me. Secretary Zhou called not long ago and said that he wanted to see you. I told him to come again during lunch. He should be here by now. Do you want to get up and see him? ”

Liancheng Yazhi frowned and reached out to lift Rong Yan's chin.”let him wait and don't move. i have something to ask you.”

“Yes, go ahead.”

Liancheng Yazhi lowered his head and gently bit her red and plump lips. Rong Yan, didn't you say that you would be here with me when I was asleep? why did you go out to answer the phone? ”

Rong Yan secretly stuck out her tongue. Oh no, she had said the wrong thing just now. She should not have said that she had answered Secretary Zhou's call. ah, Wanwan, this Wanwan.

“say it! I'm listening!” Liancheng Yazhi pulled open Rong Yan's neckline, revealing a large area of white and tender skin. He lowered his head and sniffed a few times, then opened his mouth and gave her a delicate kiss that was neither light nor heavy.

Chapter 1515: Do you not like me anymore?

Rong Yan felt an itchy and numb feeling on her neck, as if there was a light static electricity running across her skin.

Rong Yan twisted her body and said, ” I'm thinking about my Yingluo. I thought that since the house was already tidied up, I had to get someone to carry him over. You were the one who said it. This time, it's all thanks to Yingluo. If it weren't for the fact that you couldn't come back safely, I think he's my husband's Savior. I can't let him come to my house as a guest. In the end, I have to squeeze in with Natsume to sleep in the laboratory. Isn't that a little too unfair to him? ”

liancheng yazhi's breathing was rapid, and the temperature on the surface of his skin continued to rise. he felt that he was about to lose control of his body, so he quickly pulled up rong yan's clothes. ” and then, yingluo? ”

Rong Yan heard that Liancheng Yazhi's voice was hoarse and deliberately suppressed, and she was secretly happy. Knowing his current situation, she reached out to hug his neck and deliberately kissed him on the lips. She smiled and said, ” then, after making the arrangements, Secretary Zhou

called. I picked up his call, but I came back very quickly. I left in the middle, and it was less than half an hour.

As Rong Yan spoke, her hands moved down the back of Liancheng Yazhi's neck in an unruly manner. Although they were separated by a thin layer of clothes, the intention to tease him was very strong!

Liancheng Yazhi's throat was a little hot, and he quickly grabbed her hands that were starting to mess around. "alright, i'll forgive you for now. there can't be a next time."

Rong Yan nodded. yes, yes. I definitely won't do it again.

"Didn't you say that Secretary Zhou was waiting downstairs? let's go down."

Liancheng Yazhi wanted to hold Rong Yan up, but she refused to do so and hung on him, refusing to move.

Rong Yan even said coquettishly, "there's no hurry, Yingluo. Let him wait, Yingluo."

The corner of Liancheng Yazhi's mouth moved. Wife, use what I just said. Is that okay?

A sly smile flashed in Rong Yan's eyes. "The two of us haven't even been intimate yet, do you not like me anymore? you don't have any feelings for me anymore, Yingluo?"

Liancheng Yazhi frowned and said very sternly, "No, I didn't,"

Young master ya, I feel so wronged!

How could he not feel anything now? he clearly did not dare to feel anything. He wanted to press Rong Yan on the bed and do it seven times a night for three days and three nights.

But he couldn't do it now. The baby in Rong Yan's stomach would not allow him to do that. He didn't even dare to kiss her now, for fear that he wouldn't be able to control himself.

Rong Yan deliberately made a fuss with him and pretended to be unreasonable. She grabbed his ear and said, "liar, do you think that now that i'm pregnant, i'm fat, my skin is bad, and i'm ugly, so you don't want to talk to me anymore, yingluo?"

liancheng yazhi really wanted to turn rong yan around and spank her butt.

what was she thinking! Didn't his reaction just now say something? Why did he have to do that and then not release it to prove it?

no, no, no, it's precisely because you're pregnant that I'm not afraid of hurting you. Although you're a little chubbier than when I left, you look better this way, and it's more comfortable to hold you. I like you very much too, and I want to swallow you when I see you. Your skin hasn't gotten worse. It's still very good and very smooth. No matter what the world is like, your husband, I, can't bear to touch it, Yingluo. after she finished speaking, Liancheng Yazhi's ears turned red.

Rong Yan laughed out loud and happily kissed Liancheng Yazhi on the cheek!

Chapter 1516: a man who is willing to bow down for you

Rong Yan laughed out loud and happily kissed Liancheng Yazhi on the cheek.

this seems to be the first time you've complimented me like this. Hubby, pregnant women have a lot of emotional ups and downs, and you have to keep your mood good. In the future, you have to praise me more!

Liancheng Yazhi's face darkened and he gently pinched Rong Yan's nose. "Is it fun to tease me?"
rong yan was not afraid of his gloomy face at all. she nodded hard and smiled.

"Yes, it's fun, Yingluo."

The expression on Liancheng Yazhi's face lasted for less than two seconds before he broke down. He realized that he could not even pretend to be angry in front of Rong Yan.

Liancheng Yazhi rubbed Rong Yan's bangs. "Be good, don't mess around. Come downstairs for lunch."

This time, Rong Yan didn't refuse. Liancheng Yazhi helped her up. She was going to get off the bed and put on her slippers, but Liancheng Yazhi held her down and didn't let her move. After getting off the bed, he stood on the ground, squatted down, and then took the slippers for Rong Yan to put on. His actions were gentle and natural, without any embarrassment or awkwardness. Rong Yan's heart warmed. Although he and Liancheng Yazhi had some unpleasant things in the past, who hadn't done a few stupid things when Wanwan was young? now that everyone had matured, they understood what they needed and what they should cherish, Wanwan.

Rong Yan was very glad that she could have such feelings now. Liancheng Yazhi stood up and helped Rong Yan up. "Alright, let's go," mm, Yingluo. Rong Yan reached out to hold Liancheng Yazhi's arm.

it was very lively downstairs. rong nuo was watching tv, and tang zong was being taught how to play go by old master gu. looking at his pained expression, it was obvious that he was not good at this.

On the other side, Secretary Zhou had taken off his coat. His tie was pulled, and his hair was a little messy. He was playing chess with MeowMeow with a serious face!

after rong yan saw it, she was a little speechless. secretary Zhou was playing with the two children so seriously, which could only mean that he really loved aeroplane chess!

The entire living room was very lively. Rong Yan's lips curled up. This kind of lively and lively home was a home. What she wanted was for her husband to return and for this family to finally be complete!

Meowmeowmeowmeowmeowmeow was the first to see them. She waved at them happily. "daddy, mommy, yingluo"

When Secretary Zhou heard that, he stood up immediately. young master ya, young Madam, Wanwan.

When he saw Rong Yan looking at him with a strange smile, he immediately remembered that his clothes were a little untidy. He quickly lowered his head and tidied up, then grabbed his coat and put it on.

“I’m here, Yingluo. Wait a moment.” Liancheng Yazhi didn’t seem to see his sorry state at all and helped Rong Yan to sit next to Rong nuo.

Liancheng Yazhi picked up a washed strawberry from the fruit plate and fed it to Rong Yan. “I’m going to the study room to talk to Secretary Zhou. If you’re hungry, ask the kitchen to serve the food first.”

Rong Yan bit it and nodded.

“Don’t worry, brother-in-law, I’ll take good care of you,” Rong nuo said. Liancheng yazhi nodded at him and then glanced at secretary Zhou, who immediately followed him.

The two of them went upstairs to the study. Rong nuo brought the fruit platter to Rong Yan so that it was more convenient for her to eat. She said with an envious look, “Sis, seeing how loving you and brother-in-law are, I really want to get married soon!”

Rong nuo was really envious. She felt that as long as it was a normal woman, she would not be able to help but want to get married when she saw the two of them..

Chapter 1517: Because there’s enough love

Rong Yan cast a side glance at Tang Zong, who was perking up his ears to listen for any movements, and said, “That’s great! I’ll arrange a blind date for you tomorrow, Hanhan!”

When Tang Zong heard Rong Yan’s words, the chess piece in his hand fell on the chessboard.

After that, old master Gu chided Tang Zong. “Kid, how do you play chess? even though you know that you’re going to lose, you can’t just go back on your word and ruin the game.”

Tang Zong hurriedly said, “cough, cough, I was wrong. Let’s have another round of Kasaya.”

Rong Yan looked at the knowing smile on Rong nuo’s lips. She pinched a red strawberry, opened her mouth, and bit off half of it. Rong nuo shivered when she saw it. It was a terrifying feeling, as if that bite was on her body.

in the study, after Liancheng yazhi sat down, he pointed to the chair opposite him and said, ” “sit down, what’s the matter?”

Secretary Zhou hesitated for a moment before sitting down. young master ya, there are many important things in the company that I have to report to you.

“Yes, what else?”

Secretary Zhou paused for a moment and said, “young master ya, Yue ye is already on the way back with her men. She has also brought Xin Yang’s corpse back. Su He’s also been dealt with. The people who saw you and master Jian that day are all dead.

“How did you handle Su He’s death?” Liancheng Yazhi asked him.

Secretary Zhou hurriedly said, "it was an accident. His legs and feet were inconvenient. Because the servants didn't pay attention, when he went downstairs, they didn't take good care of him. He fell down the stairs and broke his neck, dying on the spot.

Liancheng Yazhi nodded and was satisfied with this statement. "After they return, you can handle the rest."

"alright," he said.

Liancheng Yazhi gently knocked on the table. after Su He dies, it's a good opportunity for su ran. However, it will take time for him to come back. Quickly arrange for one of the SU family's grandsons to be smart enough and sensible enough to take over the SU family before su ran returns.

Secretary Zhou remembered this task, "yes, understood, Yingluo."

"How's the company doing?" Having just returned from outside, Liancheng Yazhi did not plan to return to the company immediately. What he wanted to do most now was to spend more time with his wife and child, but he still had to symbolically ask about company matters.

it's very stable now. There's no big trouble. Ever since the young Madam showed her power last time and dealt with all the shareholders who caused trouble, no one dares to cause trouble anymore. Other than some of the subsidiary factories and branch companies, the ordinary employees at the bottom will cause a ruckus, but it's just some small production failures.

"You said on the phone yesterday that someone was impersonating my illegitimate child?" Liancheng Yazhi and Secretary Zhou's conversation on the phone yesterday was very short, and he only heard him mention it once.

yes, the situation was extremely tense at that time. Fortunately, young Madam was determined and didn't believe it at all. Otherwise, the matter wouldn't have been resolved so easily. I was so scared that I broke out in a cold sweat. I really admire young Madam for not being anxious at that time. She was so calm and composed.

she's always been very smart, Yingluo. Liancheng Yazhi smiled. When he said

this, there was a very special pride on his face.

he knew that if a woman could remain unmoved when she was alone in front of her husband's so-called mistress and illegitimate child, it meant that she had absolute trust in her husband and that qianqian had enough love to support her trust.

He was undoubtedly lucky to be trusted and loved by such a woman!

Chapter 1518: The child's health is the first priority

Speaking of Rong Yan's performance that day, Secretary Zhou was very excited, and his eyes were full of admiration. He said, " yes, young Madam is very wise.

I really didn't expect young Madam to do so well and so outstandingly. Although she always said that she didn't know much about business, I think young Madam is very courageous. She's more than qualified to be the leader of a company.

"What day is it today?" Liancheng Yazhi suddenly asked.

secretary Zhou was stunned for a moment. why did he suddenly ask this? weren't they talking about the young madam?

Although he had some doubts in his heart, he still answered honestly, "Young master ya, it's Thursday today." yes. Liancheng Yazhi nodded. I'll go to the company next Monday.

Secretary Zhou was overjoyed when he heard that. He was still thinking about how to let Liancheng Yazhi go to the company. Although he had announced early in the morning that young master ya had recovered and would return to the company to work in the next few days, only Secretary Zhou knew that he did not know when this 'soon' would happen.

Now, before he could even say anything, his boss had taken the initiative to ask to go to work. This made Secretary Zhou extremely happy. Could it be that young master ya finally realized that his life was very painful, so he urged young master ya, "Don't think too much.]

"That's great. Everyone will be very happy to know that you're back in the company, Yingluo."

Secretary Zhou paused for a moment before telling Liancheng Yazhi, "by the way, on the day that young master ya and Xuxu were married, director Hu had initially brought the old master over as well. He thought that the old master would definitely stand on his side since he wanted a grandson so much and disliked Xuxu and the young Madam so much. However, the old master admitted that you and the young Madam were already married that day and even asked the young Madam to handle everything according to the rules, Xuxu.

Liancheng Yazhi was not surprised by Secretary Zhou's words. He was a member of the Liancheng family and naturally understood the old master's thoughts. The family bloodline could not be mixed up. Even if that wild child was really his biological son, the old master would not acknowledge him. The people from the Liancheng family were cold-blooded to the bone. At the same time, they were protective of their own.

How could he allow outsiders to ride on his family's neck? how could he allow them to taint the Liancheng family's honor in front of so many people!

Liancheng Yazhi nodded. I know. What else? "

"There's no more, Yingluo."

Since there was no more, Liancheng Yazhi continued to instruct the next thing.

Secretary Zhou, make the arrangements tomorrow and contact the best Gynecological Hospital in the city. I'm taking Rong Yan for a prenatal examination tomorrow, Yingluo.

secretary Zhou was very concerned about this matter. when he heard that liancheng yazhi was going to take rong yan for a prenatal examination, he quickly said, alright, this is an important matter. I will definitely make the necessary arrangements. However, young master ya, I think that the young Madam is definitely pregnant with a boy this time.

Liancheng Yazhi smiled. men and women are the same. It's good as long as the child is healthy.

he didn't care too much about the boy or girl, but it was best if this child was a boy. this way, the age difference between him and meowmeow wouldn't be too big. when meowmeow grew up, he would grow up too. then, he would be able to protect meowmeow. when he and rong yan were old, he would be the younger brother who would protect meowmeow forever in their place!

If it was a girl, Liancheng Yazhi wouldn't have the heart to put so much of the group's work on her. It was better to be a boy. He had rough skin and thick flesh, and he wouldn't be afraid of anything in the future! Secretary Zhou chuckled. you're right. The child's health is the most important..

Chapter 1519: It's my first time seeing young master ya blush

Through this simple conversation with Liancheng Yazhi, Secretary Zhou keenly realized that young master ya had become more stable, more reserved, and more mature. It was as if he used to be a tall mountain, but after being hammered by wind, rain, and time, he had now become an ocean that could accommodate thousands of rivers and had a broader mind!

secretary Zhou felt that he was a little like a hot-tempered young man when he spoke to liancheng yazhi. he secretly bit his finger. he was clearly older than young ya!

Liancheng Yazhi asked another question, ” “how is tang zong doing at home?”

Secretary Zhou smiled. that's good. The second day after you left, I followed your instructions and brought miss Rong nuo in. After that, Tang Zong also moved in. He has been doing a good job ever since he moved into Liancheng's house. During the last shareholders 'meeting, Madam was in danger twice and he was the one who resolved it. You asked him to take care of young Madam and eldest miss, and he has been working very hard to do it, even though ran ran's goal is actually more than half of miss Rong nuo's!

Liancheng Yazhi nodded. That's more like it. If he really didn't do anything, he would be punished by him. how's his relationship with Rong nuo now? ”

Secretary Zhou scratched his head. it should be to the point where Wanwan has done everything she could. In fact, the young Madam has already found some clues and concluded that there's something fishy between the two of them. However, there has been no evidence of them being together, so neither of them will admit to it!

liancheng yazhi laughed. “rong yan found out. is ran ran angry?”

He could almost imagine the expression on Rong Yan's face when she found out that there was an affair between the two guys. It must be very fun. After leaving home for more than two months, Liancheng Yazhi had missed a lot. He couldn't wait to find out everything that had happened at home in the past few dozen days.

Secretary Zhou thought about the way Rong Yan looked at Tang Zong. maybe a

little angry, but Rong nuo and Tang Zong are too cunning. Young Madam has not found any evidence. A few days ago, young Madam even asked someone to kick open miss Rong nuo's door in the middle of the night and went in to catch them in the act of adultery. However, they did not

find the man's shadow, so they could only let it go. However, the good Madam still refused to give up and has been thinking of ways to make them admit it!

lian Cheng yazhi's smile became gentler. his rong yan was so cute. she had kicked open his sister's room in the middle of the night to catch her in the act of adultery. it didn't matter if she didn't catch her. in the future, he would help her.

Lian Cheng Yazhi had renovated and destroyed it, and she knew everything. I Imow. Let's go down and eat, Yingluo.

he stood up first. "it's time for lunch. secretary Zhou, please come with us."

When Secretary Zhou heard this, she was immediately touched. Young master ya has not only become more mature and stable after going out, but he also loves his family more. Zhen San is so dangerous, Yingluo."

Young master ya, you're too polite."

Secretary Zhou originally wanted to make some small talk, but after Lian Cheng Yazhi finished speaking, he left him and directly ate him. Secretary Zhou could only quickly catch up with Wanwan.

Lian Cheng Yazhi, who had just left, suddenly stopped. His face was a little red, and he cleared his throat. "Secretary Zhou, can you help me prepare some books on raising children and taking care of pregnant women? try to send them over as soon as possible, Yingluo."

Secretary Zhou was dumbfounded for a moment before he immediately said, "Ah? I'll send it over today."

He really didn't expect that the last thing Lian Cheng Yazhi told him to do was this. The key was that this was the first time he saw young master ya blush.. Yingying was really magical!

Chapter 1520: My dear friend, where are you?

after going downstairs, lian Cheng yazhi saw that rong yan was discussing with rong nuo about which tv show was good recently. he walked over, grabbed the remote control, and turned off the tv."You're pregnant, so watch less TV!"

Although Lian Cheng Yazhi did not know much about pregnant women at the moment, he was still very clear that it was best for pregnant women to avoid contact with things with radiation, such as mobile phones, computers, and televisions. A tablet, and a series of other things.

Rong Yan pouted and looked at him. She complained, "you can't play with your computer or phone. You can't even watch TV. You're too cruel.

Lian Cheng Yazhi sat next to Rong Yan and coaxed her in a low voice."Be good, don't be angry. I won't hold you in my hands after the baby is born. Are you hungry? it's almost time. The kitchen is ready. Let's eat first. We'll go to the hospital for a checkup tomorrow, Hanhan." okay, alright, Yingluo. Rong Yan was actually just complaining. She naturally understood that pregnant women couldn't do whatever they wanted and had to take care of the baby in her stomach. The last time she was pregnant with MeowMeow, she had restrained herself from touching her computer and mobile phone for a long time and spent most of her time reading paper books.

The pregnancy this time was better than the last time. Last time, he did not have a husband by his side!

however, at that time, there were Seven.

suddenly thinking of seven, rong yan felt a little sad. she hadn't seen him for a long time. she didn't know where he was now, how he was doing, or if he was doing well. She was about to become the mother of her second child, but her good friend couldn't share this happiness with her. Rong Yan felt a little sad.

Liancheng Yazhi noticed that Rong Yan was not in a good mood. what's wrong?

Rong Yan shook her head, "I'm fine, Zhenzhen."

Liancheng Yazhi thought that it was because he forbade her from touching anything with radiation and coaxed her in a low voice, "Don't worry, I'll be with you in the future so that you won't be lonely even if you don't play with your computer or phone."

yes, that's more like it, Yingluo. Rong Yan smiled and hugged Liancheng Yazhi's arm.

The two of them showed off their love and sat at the dining table. Butler li brought the maids to serve the food. Because there were many people at home now, the table was full of dazzling dishes!

At the dinner table, Liancheng Yazhi said to Gu Hesheng very seriously and solemnly, "Mr. Gu, thank you for giving MeowMeow such a good name. I'm very grateful to you. I should have offered you a toast, but now that rongyan is pregnant, I've also temporarily quit drinking. I hope you don't mind. I'll toast you with tea in place of wine and thank you for taking care of rongyan during this period of time.

In the past two months, Gu Hesheng had helped Rong Yan at the most critical moment every time. Rong Yan had told Liancheng Yazhi everything he had done.

therefore, he was very grateful to gu hesheng.

Gu Hesheng laughed and took a sip of the tea, "you're too serious. i've only been freeloading off you guys for more than two months. i didn't do anything. as long as you don't chase an old man like me away, i won't leave. i still want to see the birth of meowmeow's younger brother!"

Old people did not like to be too quiet. Gu Hesheng had been having a good time in the Liancheng family recently. He had company and people to talk to. He had enjoyed the warmth of a family that he had not enjoyed in the first half of his life. He was really reluctant to leave.

lian Cheng yazhi sat down and smiled. "of course. rong yan and i hope that you can continue to stay here in the future.. we still have to ask you to name our second child! "
