

## Permit Me 1531

### Chapter 1531: Considerate and thick-skinned

Tang Zong had already made his own plans here. He had thought it through and would not be so cautious in the future. Anyway, Rong Yan probably still felt that he was not mature enough and had no intention of handing Rong nuo over to him. He also did not have the time to slowly change Rong Yan's opinion of him.

Since that was the case, he would grab hold of Rong nuo and make her his. As long as she was sure that she was with him, there would be no obstacles. At most, he could elope with Rong nuo and come back to apologize when he had the child.

Presumably, at that time, Rong Yan wouldn't be too embarrassed for the sake of the child.

she couldn't possibly let her little nephew lose his father, right? Even if he found a stepfather, he definitely wouldn't be as good as a real father, right?

After Tang Zong made up his mind, he did not want to nitpick anymore. His eyes began to look at Rong nuo's body without restraint. When Rong nuo drank water, he quickly poured her water. When Rong nuo wanted to eat fruits, he quickly took them out. When Rong nuo wanted to play with her mobile phone, he quickly took out his mobile phone. He had already downloaded many games that Rong nuo liked to play.

in short, the service was thoughtful, considerate, and thick-skinned!

Because Rong nuo had secretly stopped him many times and glared at him countless times, his own radar seemed to have completely blocked all interference from Rong nuo, and he was completely offering his enthusiasm.

Rong nuo gritted her teeth in anger, but she couldn't stop it.

Liancheng Yazhi and Rong Yan watched from the side and didn't stop them, but the way they looked at them had a different meaning.

Rong nuo's heart trembled. She felt that eldest sister would definitely deal with him!

Rong nuo held the glass of fruit juice, her head almost buried in it, not daring to look up at Rong Yan's eyes at all.

Rong Yan suddenly said, " Oh, that's right. Jian Jie, I heard that there's a pretty good movie that's going to be released next week. Why don't we get two tickets for the premiere? you guys can go and watch it.

Jian Jie didn't have much of an expression on his face. Even his smile was faint.

However, he seemed to be deliberately going against Tang Zong."Sure, Yingluo, I haven't watched a movie in a long time."

Tang Zong's head immediately turned around. His smile was especially fake. I'll get the tickets for the premiere. I really like that movie too!

Liancheng Yazhi was about to say something when Natsume came in.

He was stunned for a moment because he knew very well that unless he was dragged out by force, he would not take a single step out of the laboratory unless there were special circumstances!

Natsume was still wearing his white coat with a stethoscope around his neck. He walked over. "Everyone's here, Yingluo."

MeowMeow was afraid of the doctor, so she subconsciously hid behind

Natsume the moment she saw him. Although she knew Natsume, she was still a little afraid of him, especially when she saw Natsume 'fully armed'.

what's the matter? " Liancheng Yazhi asked seriously. you were able to run out.

Did something happen? "

Natsume looked at everyone and said, " "You two, come with me!"

Everyone knew that the 'you two' Natsume was referring to was Liancheng Yazhi and simple.

his expression was serious, and when he walked in just now, his pace was very fast. it was clear that he really had an urgent matter!

The simplified Liancheng Yazhi looked at each other and stood up.

"You stay here and play with them. I'll be right back," Liancheng Yazhi said to Rong Yan.

Although Rong Yan was curious, she didn't ask anything. "yes, go ahead."

soon, the three of them left the living room. after they left, the living room fell into silence.. rong yan was very worried because she was afraid that something would happen again!

Chapter 1532: taking advantage of a girl

Rong Yan silently said in her heart, 'Liancheng Yazhi has only been back for a day. Please don't let anything happen to him.'

Rong nuo put down her cup and comforted Rong Yan, "sister, nothing will happen, Yingluo."

Rong Yan looked at her with a strange look in her eyes, making Rong nuo shiver and want to retreat.

In the end, Rong Yan grabbed her hand. come with me.

Rong nuo said, "sister, what are you doing? we, can't we talk here?"

"Oh no, Yingluo, we have to talk to Yingluo alone until something's up!" Rong nuo stood up with her hands on her waist. Like an Empress Dowager, she stretched out her hands and waited for Rong nuo to help her.

it was time for her to find this girl and settle scores!

Rong nuo's face was sullen. She glanced at Tang Zong and slowly stood up. She reached out to support Rong Yan and slowly left with him.

She felt so miserable. Under her big sister's dominance, she didn't dare to resist at all!

Tang Zong really wanted to rush over and pull Rong nuo away. However, as soon as he moved, he saw Rong nuo secretly shaking his head at him. At this time, it was better to go along with the eldest of the family.

Tang Zong stretched his neck and kept looking at them. Unfortunately, Rong Yan and her sister had already gone upstairs.

Suddenly,"Uncle Tang Zong, you like my aunt!"

Tang Zong had always been thick-skinned, but he still felt embarrassed when a child said it so bluntly. He blushed a little. you're Zhenzhen, cough, cough. That's right, Zhenzhen.

"You want my aunt to be your wife," MeowMeow continued.

The corner of Tang Zong's mouth twitched. This little girl was only three years old. Did she have to act like she knew everything? " who did you learn this from? "

Meowmeowmeowmeowmeowmeow pouted and said,"don't you want to?"

Alright, I'll tell mom that you don't want Aunty To Be your wife."

After she finished speaking, she wanted to run. Tang Zong pounced forward and hugged MeowMeow with both hands. "wait, yingluo."

"Wait, let's have a good talk, let's have a good talk, let's have a good talk, Yingluo."

If meowmeowmeowmeowmeow dared to run to Rong Yan and say this, wouldn't he be even more out of luck? if Rong nuo knew about it, he would think that he really didn't want to marry her. Although children's words were harmless, adults would be very convinced by them.

Dong Tian walked over with a cold face. He reached out and pulled Tang Zong's hands away from meowmeowmeow.

MeowMeow, as if she was patting dirt off them. Tang Zong's face was filled with excitement as he watched.

after that, dong tian said something even more impactful, " you're taking advantage of girls so easily. no wonder auntie doesn't want to marry aunt meowmeow to you. "

Tang Zong

He had only scratched

The atmosphere in Natsume's laboratory was heavy.

Natsume rubbed his forehead and said, "what you guys saw just now is how the cells in Kang Kang Kang's body move." &Nbsp;

neither of us know anything about biomedical science, " Liancheng Yazhi said. just tell us.

The two of them looked at the cells strangely. They were moving at an amazing speed, and when two cells collided with each other, there was a violent reaction. Even the petri dish containing the cells trembled, which was a very incredible thing.

Natsume thought for a moment and said, ” to put it simply, the cells in his body are like mini particle cannons. If they collide with each other, they will explode and form a strong reaction..

Chapter 1533: A beast that has lost its humanity

Natsume continued, ’you can imagine that two tiny cells can form such a huge amount of energy. What about a person? How much power will it produce?’”

Liancheng Yazhi recalled the scene just now and suddenly felt his scalp go numb.”why did this happen?’”

Natsume sighed. I’ve been working on it since last night, and only now did I understand one thing. The reason he’s like this is because his genes haven’t been reorganized yet. He’s like a handcrafted product from the hands of an artisan, but he’s only a half-finished product!

Natsume placed her fingers on Kang kun’s wrist and felt his pulse. before you brought him back, he was probably injected with some kind of genetic recombination drug. He’s now in a long transformation period and won’t wake up in a short time. If it’s successful, he might be a miracle in human history and become a super soldier in those European and American blockbusters.

The human genes themselves were flawed, but if the genes were recombined, it could maximize the potential of human beings. So far, many scientists had proposed the theory of genetic recombination, but no one had succeeded.

Moreover, everyone knew that it was crazy to use adults for such experiments. This was because adults ‘genes were already fixed. Nine out of ten people would die if they were injected with this drug.

however, in order to create the so-called super soldiers, in order to achieve some of their appalling goals, they did not care about human lives at all.

They didn’t kill Kang Zhen after they caught him because Kang Zhen’s physical fitness was excellent. He had a strong will and his body was full of energy. So, once someone like Qianqian was successfully transformed, she would become a real Superman!

“What if it doesn’t work?’” he asked after a brief silence.

Natsume retracted his hand. if he doesn’t succeed, then Hanhan will lose his rationality and all human emotions. He’ll be like a robot. No, to be more precise, he’ll be like a cruel beast. He’ll have unparalleled abilities, but he’ll lose his humanity.

liancheng yazhi’s eyes were a little red, and there was a bone-piercing hatred in them. “Those people

Natsume continued, ” in fact, Kang Yu’s situation is similar to your family’s. They both want to improve his physique, resistance to attacks, self-healing, and self-healing abilities. However , your familys methods are gentler and more scientific in comparison. On the other hand, they’re playing with their lives.

“Do you have any way to help him transform successfully?’” Liancheng Yazhi asked.

Natsume's serious face just now chuckled. luckily, I've studied your daughter for a long time and found that her condition is somewhat similar to that of Kangyu. Otherwise, I would be at a loss. But, there's nothing I can do. I can only try my best.

Liancheng Yazhi felt a little more relaxed. don't worry and try. As long as there's a glimmer of hope, we can't give up. Since we've saved him, we must let him live.

"I will. By the way, Qianqian and Kang Xi are both rare treasures. There are probably many eyes outside watching them. Is it safe to leave them here?"

Liancheng Yazhi looked at Kang kun. he's safe.. If I can't protect him in my house, it's even more impossible outside!

Chapter 1534: is my sister-in-law alright?

matsume noaaea. you're ngnt. your nome IS saler man anywnere else.

Jian Jie frowned. mu weibai should have informed Kang Yu's father by now. Qianqian should be making a move soon!

"Soon, that old man will make his move."

After that, Liancheng Yazhi and Natsume chased them out of the laboratory.

after liancheng yazhi left the room, he teased jian jie, it seems that you really can't leave my house during this time. You have to be a bodyguard in my house.

Jian Jie rolled her eyes at him.

He hesitated for a moment and said,"Oh right, that Wufu Wufu just Wuff."

Liancheng Yazhi blinked at him. "HOWS my sister-in-law?"

The simple face turned serious. tsk, who's talking to you about this? I'm talking about your wife. I really want to teach her a lesson.

"Don't talk about my wife first. Tell me, how do you feel about Rong nuo?" Jian Jie shook her head and said, " the way I look at him is no different from seeing a pretty girl on the street. The only difference is that she is your sister-in-law and I can't treat her coldly. Of course, she is a good girl.

However , I don't have the habit of snatching away someone's favorite things. I don't believe that you can't see that Tang Zong has a deep love for your sister-in-law.

If they really dared to let Rong nuo and Tang Zong get married, who knew what crazy things Tang Zong would do?

it was not easy for jian jie to say such a long sentence. liancheng yazhi nodded."I already knew that. However, if you really like him, Tang Zong is not a problem. No matter what, I'm still closer to you."

Liancheng Yazhi's tone changed and he said, "If you marry Rong nuo, you'll have to call me brother-in-law when you see me. It's a good feeling to imagine that beautiful picture." get lost! with a simple black face, she raised her foot to kick Liancheng Yazhi, but he quickly dodged.

That beautiful scene, simply thinking about it made him feel disgusted. Calling Liancheng Yazhi brother-in-law, that was so terrible!

At night, Liancheng Yazhi was holding a storybook that he used to tell

After he finished reading the story, Rong Yan was so sleepy that she was crying!

Liancheng Yazhi quickly hugged Rong Yan and helped her lie down. "You're tired? then sleep, Yingluo."

Pregnant women were easily sleepy, so Rong Yan replied in a daze, "En, Yingluo."

Then, she snuggled into Liancheng Yazhi's arms and automatically found a comfortable position.

Rang Yan was used to Liancheng Yazhi's embrace. After she fell asleep, she would automatically look for Liancheng Yazhi. Even though he had been away for more than two months, this habit had not changed.

The corners of Liancheng Yazhi's lips curled up. His smile was gentle and full of love and adoration.

He leaned over and kissed Rong Yan's forehead, nose, and lips. Then, he gently pulled up the blanket and covered it under her neck.

because liancheng yazhi had slept a lot during the day, he was not sleepy at night. he continued to read the children's story.

As he looked at them, for some reason, the cute little people in the illustrations had all turned into Rong Yan. Liancheng Yazhi simply put his book on the coffee table and focused on the real person.

under the dim light, rong yan looked especially gentle. moreover, her sleeping appearance was somewhat similar to meowmeow.

Liancheng Yazhi loved

Chapter 1535: no matter how beautiful the night was, it was nothing more than this

another part of it was because he regarded meowmeowmeowmeowmeow as the continuation of rong Yan's life. he couldn't participate in all the things she had suffered during her childhood when she didn't have a father's love. so, in his heart, when he saw a younger daughter who looked like rong Yan, he thought that perhaps rong yan was like this when she was a child.

so, she wanted to treat

at night, in the warm room, a small lamp was left on. the soft light fell on the two figures leaning against each other.

looking at it this way,

In this world, no matter how beautiful the night was, it was nothing more than this.

they arrived at the hospital, Liancheng Yazhi did not take Rong Yan through the main door. Instead, they entered through another small door that was closed all year round.

Secretary Zhou had already arranged for several of the best doctors in the Obstetrics and Gynecology Department to be responsible for Rong Yan's prenatal examination, and Liancheng Yazhi would accompany her throughout the whole process.

However ,

During the examination, Rong Yan wasn't nervous at all. This wasn't her first time. When she was pregnant with meowmeowmeowmeowmeow, she often came to do it.

But it was the first time for Yingluo's father, so he was extremely nervous.

Rong Yan raised her hand to wipe away Liancheng Yazhi's sweat and comforted okay, don't be nervous. Look at you, you're sweating."

Chapter 1536: Father and son's first meeting

Liancheng Yazhi smiled at him, and he pulled his collar. "I'm not nervous, Yingluo."

"you're still saying you're not nervous? your hands are shaking." Rong Yan grabbed Liancheng Yazhi's hand and shook it twice.

The doctor Who was going to examine Rong Yan was a middle-aged woman in her fifties. She wore glasses and was very gentle. She said to them, "The two of you have such a good relationship. We'll do an ultrasound later, and you'll be able to see the fetus 'movements. The fetus is now more than three months old and has basically formed."

liancheng yazhi's eyes widened in surprise. " three months?! yingying has already formed?!"

It was the first time Liancheng Yazhi had heard of this new knowledge. He tried to think about a fetus that was formed in three months, but he could not think of what it would be like.

"At three months old, the fetus will be three to ten centimeters, and it's still very small," the doctor said with a smile.

Liancheng Yazhi lowered his head in surprise and looked at Rong Yan's belly, which was 3 to 10 centimeters? How long is it?

God, she was not even as long as his fingers!

The doctor had wanted to comfort him, but he was getting more and more nervous.

when the ultrasound was being performed, he could hardly sit still. the doctor pointed at the little guy who could not be seen clearly on the image and said to them, " the fetus is developing normally and is very healthy. Look, this is his head, this is his hand, Yingluo, this is his leg. At this time, his limbs can move freely in the amniotic fluid, Yingluo.

Liancheng Yazhi's eyes stared straight at the image on the four-dimensional ultrasound machine. To be honest, he basically couldn't see clearly what the doctor was referring to because the child was

too young and it was difficult to distinguish. However, the darling Liancheng Yazhi looked at it very seriously, wishing that he could squeeze into the machine.

After a series of examinations, Liancheng Yazhi helped Rong Yan put on her coat.

“Doctor, is the child a boy or a girl?” Rong Yan asked.

congratulations, ” the doctor replied. it’s probably a boy. A very healthy one.

Although the ultrasound could determine the sex of the fetus, the device was not 100% accurate, so the doctor had to use the possibility.

Liancheng Yazhi’s hand that was holding Rong Yan trembled a little. He smiled at the doctor and said, ” “Thank you, doctor.”

you’re welcome. In the future, Mrs. Liancheng will take care of the baby normally and there won’t be any problems. You must also do your prenatal examinations on time.

“Yes, I will.” The second child was a boy, and Rong Yan was very happy. With a son and a daughter together, she really did not lack anything in her life.

Moreover, Rong Yan finally breathed a sigh of relief in her heart. It was really good that it was a boy. It wasn’t that he valued boys over girls. It was just that the Liancheng family had inherited the inheritance system for hundreds of years and couldn’t be changed because of MeowMeow. The people in the country paid attention to passing down incense, and this was a family matter.

Liancheng Yazhi lowered his head and said to Rong Yan, “this time, MeowMeow is right. He’s really a younger brother, Yingluo.”

Rong Yan touched her stomach. what children say is usually accurate.

The two of them bade the doctor farewell with the ultrasound picture. They were both happy and excited, especially Liancheng Yazhi. He was still calm in front of the doctor, but once he got in the car, he looked left and right at the ‘Dicture’ of the three-month old child and was reluctant to nut it down.

For the first time, he felt that giving birth to life was such a magical thing!

The child was so young, and Yingying had watched him grow up little by little. It was really a miracle.

Rong Yan leaned on Liancheng Yazhi’s shoulder and said, ” “Hubby, let’s go and buy something for the child. I haven’t prepared anything for him yet,

Yingluo..”

Chapter 1537: Hubby will accompany you

Liancheng Yazhi put down the things in his hands, hugged Rong Yan, and said gently, ” there are many people in the mall, and it’s crowded. What if something happens? it’s better not to go. It’s not necessary to buy things for the child. Can you send them home? ”

Rong Yan pouted. aren’t you with me? it’s fine.

All mothers had the same mentality-they wanted to buy things for their children personally. Small clothes, small shoes, and many other things for children. Although it was very likely that the things they bought themselves would be of the same quality as the things others sent home, as a mother, Hanhan still wanted to buy them personally!

Liancheng Yazhi finally nodded. okay, Wanwan hubby will accompany you. I'll protect you, so nothing will happen. You can buy whatever you want!

yes, Yingluo. Rong Yan nodded.

It wasn't the weekend, so there weren't many people in the shopping mall, especially in the baby products area!

liancheng yazhi stayed by rong yan's side the entire time. his hand was on rong yan's shoulder the whole time. he looked relaxed on the surface, but his heart was tense. his eyes kept looking at the surroundings, afraid that something would happen.

Rong Yan showed Liancheng Yazhi the small clothes. "Hubby, do you think this little dress looks good?"

Liancheng Yazhi took a look and laughed. She was wearing a light yellow one-piece dress with open sleeves, a small hat, and a small cockscomb on her head. She looked very funny!

Liancheng Yazhi couldn't find any softness to pinch, so he smiled. "it looks good. our son will definitely look handsome in it."

The sales assistant, who was supposed to introduce the items to the two of them, looked at them with sparkling eyes and did not say a word. The only thing she did was to follow behind and pick up the items that Rong Yan had chosen-small clothes, small hats, and small shoes.

Rong Yan discussed with Liancheng Yazhi as she picked out the things. For the first time, she felt that it was a very happy thing to buy things for an unborn child with her husband.

However, when the two of them were buying these things, suddenly, a child ran over, chirping. He was about four or five years old, and he was very fast. There did not seem to be any adults behind him. He held a toy gun in his hand and ran around the baby's supplies area.

The child didn't run towards Rong Yan at first, but after a while, he suddenly turned around and rushed towards Rong Yan.

His speed was so fast that he almost hit Rong Yan. Liancheng Yazhi quickly stood in front of Rong Yan and pushed the child away.

the child was pushed to the ground and was stunned for a while. he pointed at liancheng yazhi and burst into tears.

Liancheng Yazhi and Rong Yan didn't move. While they were angry, they were also a little scared. If they had been hit by Rong Yan just now, they couldn't imagine what terrible consequences would have happened.

Liancheng Yazhi held Rong Yan's shoulder tightly and glared at the child.

The sales lady, who was immersed in Liancheng Yazhi's beauty, finally reacted and quickly went to help the child. little friend, get up first. Where's your family? who brought you here? "

She was also afraid. Who couldn't tell that the lady was pregnant? it would be too dangerous if she was hit by this child.

The child was obviously used to his family's arrogance. He pointed at

Liancheng Yazhi and said, "I won't get up! I won't get up! Yingluo, you hit me! I want my dad to teach you a lesson, Yingluo!" Liancheng yazhi sneered. he didn't want to argue with a child, but he had already made up his mind.. in the future, when he raised his son, he would definitely not raise him like this!

Chapter 1538: She has the face of a Vixen

"Don't worry about him, let's go," Liancheng Yazhi said to Rong Yan.

Liancheng Yazhi didn't want to criticize a child too much. It wasn't that he had a good heart, but he was also the child's father now. He knew better that it was the parents 'problem to educate the child when he was young. If the child was uneducated, it could only be said that the parents were uneducated!

however, just as the two of them were about to leave, they heard an older woman shouting as she ran over, "Liangliang, Liangliang, my good grandson! Where are you, Yingluo?"

He ran over and saw that the crying child was his grandson. He immediately screamed, "aiyo, my precious grandson, why are you sitting on the ground?

you're so cold. hurry up and get up. why are you crying like this, little ancestor?

who provoked you? '

"You tell grandma. Grandma will settle the score with him."

Upon hearing this, Liancheng Yazhi stopped. He finally knew why their family could raise a child like this after seeing this old woman.

The child immediately pointed at Liancheng Yazhi and cried, "Grandma, he pushed me! He hit me! Yingluo, go hit him! Yingluo!" the old woman immediately jumped up from the ground and rushed to Liancheng yazhi, shouting, "you pushed my grandson. What right do you have to push my grandson? you can't even afford to pay for a single hair on his head. Let me tell you, my son is the manager of this shopping mall, Hanhan.

unexpectedly, the child also said, "my family owns this mall. I'm going to kick you out. I'll tell my father not to let you buy anything here, Hanhan.

Liancheng Yazhi and Rong Yan laughed instantly. This shopping mall was owned by their family? Then what was the Lian family?

Wasn't this shopping mall the one that Liancheng Yazhi had bought after MeowMeow was almost kidnapped? how did it become someone else's?

When the old woman saw the two of them laughing, she thought that they were afraid and wanted to say something nice to him. She said proudly, "what are you afraid of? hurry up and apologize to my grandson and come with me to the hospital for a full-body checkup. otherwise, i'll sue you, wanwan."

The saleswoman carefully said, “grandma, it was Yingluo and your grandson who ran over first. They almost hit this lady. This lady is pregnant. How could she be hit?” Of course her husband would have pushed it away. Look, your grandson isn’t injured. This matter ...”

The old lady immediately pushed the shop assistant away. Who Do You Think You Are? you’re just buying things. I’ll let my son have it later.

alright, then call your son over, ” Liancheng Yazhi said lightly. I really want to see who the boss of this mall is!

The old woman glared at Liancheng Yazhi.”Just you wait, Yingluo.” as he spoke, he picked up his phone and dialed a number. he cried exaggeratedly, ” son, Liang Liang was beaten up. Hurry up, Yueyue. If you were any later, Liang Liang would have been beaten to death!

Not long after, a man in a grey suit ran over. what’s wrong? how did Liangliang get bullied? ”

The old woman grabbed him and pointed at Rong Yan and said, ” it’s them. Look at that woman. She has the face of a Vixen. She must be a mistress who seduces other people’s husbands. As for that man, he’s not a good person either. He’s the one who pushed Liangliang.

Rong Yan smiled very charmingly. “Thank you, I know I’m very pretty, you don’t have to praise me, Yingluo. Even if I’m a mistress, the child in my stomach is my husband’s biological child no matter what. As for your grandson, hehe Yingluo..”

Chapter 1539: Are you trying to kill your son?

Rong Yan’s smile was especially sincere, but the brighter her smile was, the paler the manager who ran over was when he saw her and Liancheng Yazhi. His body trembled, and his eyes were full of fear.

Liancheng Yazhi looked at him and said gently, ” “I heard that your family owns this shopping mall?”

He wasn’t brutal at all. He looked gentle and elegant. He was a very elegant person. He stood there without a hint of hostility. His voice was also very calm, as if there was no sign of anger.

Before the manager could speak, the old lady jumped out anxiously and shouted like a clown, ” that’s right, it’s my family’s business. I’m telling you, be sensible and quickly apologize to my grandson. Otherwise, I won’t let you walk out of this door today.

The manager pulled the old lady hard and scolded her in a low voice, ” ‘Mom, don’t say anymore, Yingluo.”

The old lady staggered and flung the manager’s sleeve away. what’s wrong?

why can’t you say it? why can’t you say it? this adulterous couple hit your son in your business and you’re still cowering? ”

Before she could finish scolding, the manager suddenly slapped the old lady’s face hard. The sound of the slap was especially loud. He shouted, ” “Shut up!”

The old woman’s ears rang for a while from the slap. She was stunned. She was actually slapped by her own son? She was beaten up by her son for no reason?

After the old woman reacted, she immediately put on a Shrew's face and said in a sharp and mean voice, "I'm your mother, Yingluo, I'm your mother. How dare you hit me, Oh God, Yingluo," she dragged her last syllable and sat on the ground, slapping her thigh and crying. you're so heartless. Who raised you up? now that you're successful, you dare to hit your mother? I've raised you for nothing, Yingluo.

When the manager's son saw that his grandmother had been hit, he was so frightened that he immediately stopped crying.

The manager was so angry that he was about to explode. Of course, he knew that he shouldn't have hit his own mother, but he did it for her own good. His mother didn't even know who he had offended. If he could make her vent her anger because of his slap, maybe she could still be saved.

However, his biological mother seemed to be here to collect a debt from him. No matter what, she would drag him down and say that the business world was shabby in front of the real boss.

he was so embarrassed that he didn't dare to face the couple.

This time, after being kicked up by her mother, ran ran was afraid that she would lose her job. shut up, mom," the manager said angrily. are you trying to get your son killed?

The old woman stopped crying. how did I kill you? how did I kill you? you're the one who wants to kill me. Is your brain damaged by a pig?" he hit your son, but you didn't go to that man and hit your own mother instead. are you stupid?"

The manager gritted his teeth. He knew his son better than anyone else."that little brat deserves to be beaten to death. he's been spoiled by you to the point that he's out of control. he's so arrogant at such a young age. if he didn't bump into young master ya, would young master ya hit him? Besides, was he injured? You're not like a boy at all. You've ruined my good son."

"I'm Yingying!"

The manager ignored him, took a step forward, and bowed to Liancheng Yazhi.

"Young master ya, I'm sorry, I'm really sorry. I apologize to you and Madam on behalf of my mother and son. Please forgive me.."

Chapter 1540: i 'll make your entire family pay with their lives

The manager's waist turned back by more than 90 degrees, and he begged Liancheng Yazhi for forgiveness in a very humble posture.

He was actually a reasonable person with good work ability and a very slick person. Unfortunately, Yingying's family was such a pig-like teammate.

When Liancheng Yazhi first bought this shopping mall, it was because of his ability that he kept him and gave him the right to manage the entire shopping mall.

However, Xuanji had the right time, place, and people. He had the first two things, but he was missing the last one. In this way, no one could do anything about Xuanji.

Liancheng Yazhi would not let this matter go just because he was good at his work.

After all, it was very easy to find a manager to manage the mall, but what his son did almost caused Rong Yan to be in trouble!

A child's mistake could indeed be forgiven, but Yingluo was different.

Being forgiven didn't mean that he couldn't be punished!

After the manager apologized to Liancheng Yazhi, his mother was dumbfounded.

She was just an ordinary commoner with no knowledge, no knowledge, and was very confused. She thought that since her son was the manager of the shopping mall, the mall would be hers. So every time she came, she felt like the emperor's mother, the Empress Dowager, and that she could not make anyone buy anything out of her.

However, seeing how her son was begging so humbly, she finally understood that Qianqian might have offended someone!

lian Cheng yazhi looked at the manager who kept bowing in front of him and frowned. this person was still smart. he did not quibble and admitted his mistake with a very sincere attitude. moreover, he was usually a very humble person and had a good reputation. lian Cheng yazhi felt a little regretful when he dealt with him.

The manager could not hear Liancheng Yazhi's words. He sighed secretly and said, "young master ya, don't worry. I'll hand in my resignation today. I beg you, Qianqian, to forgive my mother and child's ignorance. I'll educate them well in the future, and this will never happen again. I beg you!

Liancheng Yazhi glanced at Rong Yan and she nodded slightly.

Liancheng Yazhi said, "I'll arrange for someone to come and take over the mall tomorrow. Hello. After he takes over, pack your things and leave.

The old always said that he had to accumulate good fortune for himself. Liancheng Yazhi never cared about others saying that he was cruel, but when he thought of the child in Rong Yan's stomach and the MeowMeow at home, he was kind this time.

The manager was overjoyed when he heard this. Young master ya's words meant that he was only asking him to stop working here. He would not pursue the matter with his son and mother.

However, he could not tolerate this person to continue working in the business world. It was the Father's fault for not raising his son. It was his responsibility to turn his son into a useless person.

He bowed repeatedly and said,"thank you, young master ya. Thank you,

Madam, Qianqian."

Liancheng Yazhi coldly glanced at the old woman who was scared silly and sneered. you should be glad that your son pushed me down just now.

Otherwise. Yingluo. if I lost my son. I would make your whole family die with their lives.

The manager's body suddenly turned cold, and he felt as if his entire body had been frozen into ice.

When he woke up, Liancheng Yazhi had already left, and several security guards were walking over fiercely.

the manager pointed at his son and asked, "what did qianqian do just now?"

The old woman tried to cover up for her grandson. “He’s teasing him, he’s not doing anything.”

The saleswoman, who had witnessed everything, told him, ” “Manager, the lady just now was pregnant. Your son almost bumped into her, so ....”
