

Permit Me 1951

Chapter 1951 Crazy!

After hearing this, Liancheng Yazhi quickly put on a surprised expression. “Ah? Was it? That’s really worrying. These people will be a great threat to the people if they enter society. I hope you can arrest them as soon as possible, otherwise, we won’t be able to leave the house in peace.”

Liancheng Yazhi’s words made officer Zhao feel like vomiting blood.

Did he have to say this so embarrassingly?

Ah Yingluo clearly knew everything. He was the one who instigated it, but she still pretended to know nothing.

He actually had the face to urge them to quickly arrest the two of them.

His skin was so thick that it was simply ... Crazy!

Officer Zhao and the senior Colonel beside him looked at each other. Both of them saw the dilemma in each other’s eyes.

They had long heard that Liancheng Yazhi was a very difficult character to deal with, and they felt it when they had just met him.

Senior Colonel Qiu opened his mouth and said the first thing he said after entering the room, ” Mr. Lian is right. Such a person should be arrested as soon as possible to prevent further harm to society and the people. So, Wanwan, we hope Mr. Lian can cooperate!

lian Cheng yazhi nodded very readily. of course, if there’s anything I can do, please speak frankly. I’ll do my best.

Officer Zhao vomited blood in his heart. You said it so well, but you really can do it. Even if you were to tell the truth, it would be good.

“Mr. Lian, do you know who these two are?” Senior Colonel Qiu smiled.

lian Cheng yazhi made a surprised expression.”Oh? Where did this come from? how would I know? I’m not from the police station or the Army, how would I know the details? However, I’d like to know who it is that could escape from your secret base. It sounds like Yingying is quite powerful.”

Senior Colonel Qiu’s face darkened. What did he mean? Could their base not even contain a single person?

Of course, their base was an indestructible iron wall. The key was, who would have thought that mo zhongkai would actually help Jian Yi get out?

Officer Zhao saw that Senior Colonel Qiu was about to get angry and quickly said, ” “Mr. Liancheng, how could you not know those two people? These two people are familiar with you.”

Liancheng Yazhi raised his eyebrows and asked, ‘really? Then I’m even more curious, who is this familiar Yingluo?’

one of them is Wanwan, Mr. Lian Cheng’s good brother, Jian Jie. The other one is mo zhongkai, who was fighting a lawsuit with your family a few days ago. I think Mr. Lian Cheng knows these two people.

Liancheng Yazhi's smile became even gentler. of course, I'm very familiar with you. Since officer Zhao asked, I have a question for you too.

"Mr. Lian Cheng, please ask," officer Zhao said.

The smile on Mr. Lian Cheng's face faded a little, and he asked, "why is my friend jian jia in your hands? I've been looking for him for months, but there was no news. I thought something happened to him, and my family was very worried. But today, I suddenly heard from officer Zhao that the people who escaped from prison last night were simple. It really shocked me. "

The police officer was a little stunned by the question, but he quickly responded, "he's the leader of a large mercenary group at the border. he's a very dangerous person, so we're afraid of him.."

Chapter 1952 don't tell me you won't allow me to resist

the police officer was a little stunned by the question, but he quickly responded, "He's the head of a large mercenary group at the border. He's a very dangerous person, hehe."

Liancheng Yazhi curled his lips and sneered. "That doesn't sound right. Our country's laws have always been fair and just. We would never wrong an innocent person, right?"

Officer Zhao felt that something was not right, but he had to answer. It would mean that he felt that the country's laws were unfair.

"Of course," officer Zhao nodded.

Liancheng Yazhi slowly said, "in that case, the Xuanji mercenary group isn't against the law, right? there are many mercenary groups overseas, and it's legal in many places. As far as I know, he doesn't have any criminal records in the country, and there doesn't seem to be any arrest warrant for him internationally. That means that no matter in the country or abroad, he's just an ordinary citizen. What right do you guys have to arrest him? You've captured an innocent person for no reason, and Yingluo doesn't allow her to resist? Besides, how could a person like him be willing to be locked up by you?"

Liancheng Yazhi's question left the two of them speechless because every word he said was reasonable.

It was true that he had no criminal record in the country, but they were sure that he had committed a crime. It was just that he had not been caught.

Without any evidence of him breaking the law, they made a simple arrest, which was indeed an illegal arrest.

Liancheng Yazhi seemed to have found a loophole in the Kasaya.

Liancheng Yazhi continued, "i'm not saying this to blame you, but i'm very angry and sorry about this matter. my good friend was secretly arrested for months while he was at my house, and i didn't know about it. the reason you used to arrest him made me feel that it was too perfunctory and funny. i don't want to keep silent on this matter, after all, he is my good friend. Who knows if they'll be the next ones to be caught?"

Senior Colonel Qiu and officer Zhao were stunned. What did he mean?

She wouldn't keep silent. Could it be that Wanwan wanted Wanwan to blow this up?

Just like mo zhongkai's father's case, with the help of the power of the media and public opinion, the matter was made known to everyone, causing them to be condemned by the whole nation.

This won't do, Yingluo.

Senior Colonel Qiu quickly said, "Mr. Lian Cheng, we have our own reasons for arresting criminals. You should know that. This matter concerns national security. I hope you can consider the big picture and not make a big deal out of it.

Liancheng Yazhi nodded. it's related to national security. It's indeed very serious. But is Zhenzhen going to be detained for a few months for nothing? ' How am I going to face him in the future? how would I dare to invite him to my house again? If he doesn't, I don't think he'll ever come again."

The two police officers were in a difficult position. They had come to question Liancheng Yazhi, so why were they the ones being questioned instead?

Liancheng Yazhi was clearly the mastermind behind last night's incident, but he pretended to know nothing. He even seized the loophole and blamed them, making them completely unprepared. Now, they were completely at a disadvantage, and there was no way to turn the tables..

Chapter 1953 She scratched him lightly

Senior Colonel Qiu said to Liancheng Yazhi, "regarding this matter, we'll have a meeting to discuss it when we get back. We'll definitely give you an answer. However, ran ran, we're here today to ask you about ran ran.

Liancheng Yazhi interrupted him with a smile and said in a joking tone, " "You want to know if I have anything to do with their jailbreak last night?"

officer Zhao and senior colonel qiu both nodded in their hearts. that's right, it wasn't a suspicion. it was a confirmation that it was you!

However, they didn't have any evidence, so they couldn't say it out loud even if they wanted to.

Officer Zhao said tactfully, " last night, mo zhongkai's father was released when he was helping with the prison break. Moreover, his family had already left last night. So, we just want to ask Mr. Lian if there is any connection between this? "

Liancheng Yazhi nodded and said readily, "Of course it's a related Gu."

The two of them were overjoyed. He admitted it so quickly?

Isn't this a little abnormal?

Of course, it was not normal. How could Liancheng Yazhi let them have their way? he said, "I agreed to drop the lawsuit because mo zhongkai had already returned the original painting a week ago. At that time, he told me that he would help me do something, but he didn't say anything. I didn't take it seriously at all. But since he returned the original painting, I didn't want to let it go. After all, the mo family is very close to the wife of my other friend, Feng nongtang. If things get too tense, it will definitely be awkward when we meet in the future. It will be difficult to clean up, so I agreed."

Liancheng Yazhi's tone changed. but now that I think about it, he said he would help me do something. It seems that Hanhan did it last night. If that's the case, I should really thank him for it.

Since he had already said so much, officer Zhao really didn't know what to say.

He could actually speak so arrogantly, as if he didn't know anything. "Mr. Lian, don't you know anything about this?" Senior Colonel Qiu was annoyed.

Liancheng yazhi shrugged his shoulders. "I don't know. even if I did, I wouldn't have told you. you captured my friend for no reason. naturally, I have to help him."

Liancheng Yazhi had made it clear that if he didn't want to tell her, he wouldn't tell her. It didn't matter if he knew or not.

if you want to arrest me, you can find the evidence yourself.

If you can't find evidence, don't even think about touching me.

This was clearly acting like a scoundrel, but he still had to act like a refined and elegant person. It really made people very annoyed.

Senior Colonel Qiu suppressed his anger. Mr. Liancheng, please take this seriously. This is very serious.

The corner of Liancheng Yazhi's eyes twitched. I've been taking this matter very seriously. Of course, I know it's very serious because I don't want Jian Jie to be caught by you again. However, I can tell you one thing. If you want to catch Jian Jie, then go to the border. He has been active on the border. I can even draw a map of his lair for you.

However, whether you go or not, whether you can cross the border, that's your own business.

At this moment, Jian Jie, who had returned to his own territory and was taking a bath in the stream, sneezed hard.

He looked at the scorching sun in the sky and wondered why he suddenly felt a little cold without any wind or cold air. Could it be that the water was too cold?

A fair and delicate hand on her chest gently scratched him..

Chapter 1954: Caught a mermaid

A weak voice came from his chest. the simple Kasaya is fine. Are you going back? "

He lowered his head and looked at the little one who was trying to curl up into a ball. His eyes dimmed. "Cold?"

Her blushing little face revealed a touch. yes, Yueyue, let's go back, okay? "

His long arm hooked and pulled her out of the water. Like a Little Mermaid, he locked her in his arms and strode to the shore. He grabbed a bath towel hanging on a branch and wrapped the person in his arms like a dumpling. After that, he brought his dumplings back to the bamboo house in the forest.

on Liancheng yazhi's side, senior colonel qiu gritted his teeth so hard that they almost shattered. wasn't this nonsense?

could the national border be crossed so easily?

Usually, one or two stowaways were still being severely cracked down on, not to mention armed crossing the border. Would the other country agree?

If they dared to go there, they would be starting a war between the two countries.

“We won’t bother you with the map, Mr. Lian.” Senior Colonel Qiu gritted his teeth.

No matter what they said, Liancheng Yazhi was either impervious to anything, or he refused to know anything, or he would beat around the bush with them. In short, no matter what they asked, he refused to say anything, and they could not do anything about it.

On the contrary, there were many times when Liancheng Yazhi asked her questions until she was at a loss for words.

In the end, the two of them could not get any useful information out of him, so they had to leave.

the butler sent them out of the courtyard and out of the gate. senior colonel qiu turned back to look at the gate of liancheng’s house and said hatefully, ” “If there’s any evidence in your hands, Yingluo”

Officer Zhao sighed. forget it, let’s not talk about this. He can’t possibly leave any evidence. Let’s go back and think of other ways.

with Liancheng Yazhi around, they must have left the country by now, ” Senior Colonel Qiu said helplessly. it’s almost impossible to catch them.

“Then are we just going to give up on this?”

“What else can I do? Unless ran ran can find evidence of Liancheng Yazhi’s involvement, even the higher-ups can’t do anything. Didn’t you see that Mr. Gu has been sitting at the side and not saying a word? he’s definitely on his son-in-law’s side. If we want to touch Liancheng Yazhi, he’ll definitely not agree. ” what? “officer Zhao was confused. although that old man Gu has an extraordinary identity, he should only be famous in the antique world, right?”

Senior Colonel Qiu shook his head. he’s just a collector, an appraiser, a historian, and an archaeologist. How could he do this without some background? Many of his good friends are the most powerful. If he really goes all out and goes to the top to say hello, Liancheng Yazhi will be fine.”

“Forget it, I’ll think of another way.”

After the two of them left, Rong Yan went downstairs and asked anxiously, ‘

“How is it?”

Liancheng Yazhi helped her to sit down. she’s gone. She probably won’t come back for a while. Don’t worry about this. How could something happen to your husband so easily? ”

Rong Yan sighed. I’m still worried about these people coming to our door. Kang Yu hasn’t woken up yet. This matter isn’t over yet.

lian Cheng yazhi comforted her. "soon. natsume said that the signs of recovery of kang kun's body are getting clearer and clearer. his body temperature is almost back to normal, which means that he will wake up soon."

Rong Yan heaved a sigh of relief. Fortunately, she had heard good news. "That's good. Jian Jie is safe now. Only Kang Yu is left."

Lian Cheng Yazhi seemed to have thought of something and laughed.. He said meaningfully, "Yeah, Jian Jie, you're safe now!"

Chapter 1955: What a brutal guy

That night, Lian Cheng Yazhi finally called Jian an.

Lian Cheng Yazhi stood on the balcony and immediately knew what he had just done when he heard the simple, lazy, and hoarse voice.

Lian Cheng Yazhi teased, "how is it?" are you living a comfortable life now?" he thought to himself,"i didn't expect jian jie to be so fast. he ate it as soon as he got there. i thought he would wait for a few days. tsk tsk tsk tsk tsk, he's really a brutal guy."

He was even willing to eat such a young girl.

In the past, he had thought that Jian Yi was a piece of wood and that women were dispensable to him. Now, it seemed that he was just a beast!

Lian Cheng Yazhi heard a low laugh. that's good.

Lian Cheng Yazhi's mood instantly turned bad, and he said hatefully, 'You're

Living a Good Life now, leaving me with a mess."

He simply turned around to look at the girl who was lying on the bed, unconscious. The thin white bed sheet covered her waist, and her snow-white back was completely exposed in front of his eyes. However, the marks on her back made him unable to recognize them and let his imagination run wild. The simple beast-like eyes squinted, and his pitch -black eyes were bottomless.

"I'll return this favor to you in the future," he said with a smile.

"Get lost," Lian Cheng Yazhi cursed.

With their relationship, there was no need to return anything.

He continued, " I'm telling you, mo zhongkai knew that his sister ran away alone and is making a fuss overseas to come back and look for his sister. Let me tell you, if they really can't suppress him and let him run back, you can do as you see fit. Anyway, if they really can't suppress him, I won't care anymore. I'll just tell him that his sister ran away with you and let him go find you.

"Alright." Jian Jie nodded without even thinking.

Lian Cheng Yazhi had said a lot, but he only replied with two words, which made him angry. you're really not worried at all. Then I might as well tell him now.

"He can't beat me, " Jian Jie said indifferently.

These five words were domineering and cruel, showing his confidence.

He was on the highway to Liancheng Yazhi. It didn't matter even if mo zhongkai found him, he was no match for him anyway.

Moreover, mo zhongkai was now missing an arm. In this situation, what could they do even if they found him?

What could he decide?

His sister Yingluo was now his woman?

It was useless no matter how much trouble the mo family made. Even if they regretted it one day, it would be of no use.

Liancheng Yazhi felt that it was a little difficult to communicate this matter simply, so he decided not to say anything and said to him, "take care of yourself and eat more nourishing things. Don't overdo it when you exercise. The liquid truth-telling serum that Natsume developed last time has side effects. He took into account that you've been injected with the truth-telling serum many times, so he gave you a heavy dose.

what's the side effect?" Jian Jie asked, not too concerned. what's the side effect?"

Liancheng Yazhi coughed a few times and vaguely said, "ahem, it's just that yingluo isn't really that important. it's just that yingluo, you might not be able to have a child for a few years! "

After that, the other end of the phone was silent.

lian Cheng yazhi continued. "at that time, natsume thought that a person like you might never get married and have children in your life, so he thought it was nothing. he didn't expect that you would be so brutal and escape from prison. you eloped and had a woman in such a short time.. "

Chapter 1956: The way things are now seems pretty good

There was still no sound from the other end of the phone, so Liancheng Yazhi continued, "of course, this only means that you might not be able to have a child in the next few years. However, Hanhan won't affect your ability in that area. However, it's better for you to eat more things that are good for your kidney to be safe.

After he finished speaking, Liancheng Yazhi heard a simple and gloomy voice. "Liancheng Yazhi, "

Liancheng Yazhi simply said, "there's nothing you can do even if you're angry. If we didn't take the risk and use this method, you would still be locked up and sleeping on a cold bed. You wouldn't have the time to enjoy the softness and fragrance. You should be content.

Simplified:

Liancheng Yazhi said to him, "but it's actually good for you to be like this. At least you don't have to worry that a little thing will come out of nowhere and make you abstain from sex for a year. It's not easy for you to finally have meat. If you stop eating after only two meals, it'll be a little too miserable. Jian Jie finally could not help but shout a second time, "Liancheng Yazhi!"

"I'm telling the truth," Liancheng Yazhi teased.

“You can hang up now,” said simple yet cold voice.

His skin was paler because he had not seen the sun during his imprisonment. The scar on his face had also faded a little.

But when he said this, the scar really looked a little ferocious, revealing the anger he had for Liancheng Yazhi.

Liancheng Yazhi teased her a little more before hanging up.

She casually threw the very special phone in her hand to the side and cursed

Liancheng Yazhi in her heart. Then, she turned around to look at mo xunxun.

He remembered what Liancheng Yazhi had just said. He couldn't have children in the next few years. There was no fluctuation in his heart regarding this simplicity.

he was used to killing and bloodshed, but he didn't want his children to live such a life, so he simply didn't want to.

Just as Liancheng Yazhi and the others thought, in his current state, he might not have any children for the rest of his life. These few years had no effect on him at all.

However, Yingying suddenly had an additional mo xunxun.

her lips were red and swollen, and there was a blush on her cheeks. her small, jade-white face exuded a charm that she had never had before.

The corners of Jian Jie's lips twitched. The current situation seemed pretty good!

At least, he didn't hate the fact that a person suddenly occupied half of his bed space every day.

He simply lay down on his side, raised his big hand, and tore off the thin layer of cloth on mo xunxun's body. He then wrapped her in his arms.

Because of his actions, mo xunxun woke up in a daze. She opened her eyes and mumbled, ” “i'm thirsty, yingluo.”

He simply got up and brought a cup of water over. He placed it in front of mo xunxun, held the back of her head, and fed her the water.

This was the first time he had done such a thing. MO xunxun drank half of the water and spilled the other half.

The clear water flowed down the corner of mo xunxun's mouth, past her chin and neck, and continued to flow down slowly.

The fingers of the hand that was holding the cup were a little white. He narrowed his eyes and threw the cup on the ground. He lifted mo xunxun's chin and licked the corner of her lips, rolling the water stain around her mouth into his mouth with his tongue.

MO xunxun's body trembled, and she tightened her arms around her.

She had been pampered by her family since she was young, and her skin was so tender that water could be squeezed out. She was embarrassed and in pain when she was strangled so hard.. She couldn't help but cry out softly, ” “Simple”

Chapter 1957: Jian Yi will definitely protect her

mo xunxun's voice was soft and small, and it seemed to have a hint of sweetness in it. she was completely acting coquettishly.

the simplified eyes grew darker and darker. he lowered his head and followed the direction of the water flow.

mo xunxun's body trembled like a flower in the wind. her face was extremely red, and she did not dare to look at him. the madness from before had already exceeded the limits of her tolerance.

She wouldn't be able to take it if it happened again.

MO xunxun stretched out her soft and gentle hand and gently pushed the stool. She said in a low voice, " Jian, simple, I, can't do it, "

His simple and large palm easily caught mo xunxun's hands. Her wrists were as thin as the slender willow branches in spring, and he could hold both of them in one hand.

Jian Yi continued to kiss him. He was a man of few words all day long and always gave people a feeling that he was unapproachable. His eyes were cold, the kind of loneliness and coldness that despised everything.

However, his lips and tongue were hot, and the places he touched almost burned mo xunxun's skin.

He simply kissed away the water droplets bit by bit. He kissed mo xunxun until her body trembled in his arms. Her limbs were weak as if they had been melted into a pool of water by his scorching heat.

To mo xunxun's surprise, he thought that he would definitely do it again. However, he did not expect that after kissing every inch of her skin, he would only lock her tightly in his arms and say two words in a hoarse voice, "Go to sleep." [at this point, believe me, I really wanted to continue writing, but now that I'm in the limelight, I'm looking for sh * t. I've already tried my best to write it like this.] mo xunxun was very surprised to see him lying in his arms and looking up at his face.

The light was dim, and she could barely see the outline of his face. MO xunxun gently pressed her face against his strong chest and called out softly, "Simple

Kasaya"

The simple chest vibrated for a moment before it replied, "En, Yingluo."

MO xunxun stretched out her thin arms and wrapped them around his neck. "I, Yingluo, like this place very much! This place is very beautiful." jian jie was stunned for a moment, and the corners of his lips curled up in the dark. "En, Yingluo."

To mo xunxun, everything here was brand new. It had simply brought her into a world that was completely different from her previous world.

It was as if she had arrived at an alien Galaxy, and everything she saw was new and interesting.

There was a vast tropical rainforest, a clear stream in the forest, a bamboo building hidden in the forest, a bamboo forest in front of the bamboo building, and a sea of flowers in the forest. All of this was so natural and isolated from the world.

There were no high-rise buildings, no long streams of cars, and no neon lights. Although life was a little tough, mo xunxun liked it very much.

Other than the frightening looks in their eyes, mo xunxun was filled with joy.

She would try her best to integrate into this place and adapt to the simple life.

She also believed that Jian Jie would protect her well.

Just as Liancheng Yazhi had said, no one came to disturb them for a few days after those people left.

Not only that, but the people that Tang han had arranged around the villa were also withdrawn by mo zhongkai.

rong yan asked liancheng yazhi curiously, ” “What, could it be that Yingluo and the others are planning to give up?”

Liancheng Yazhi was wiping Rong Yan’s hands with the hand cream for pregnant women. He smiled. “of course they didn’t give up. there’s no way they’d give up on kang xi.”

kang jin meant a lot to the team. whether it was his own identity, the kang family, or the mission he was part of, they couldn’t give him up..

Chapter 1958: I keep feeling that he has bad intentions

rong yan was puzzled. ” then what are they doing? could it be that yingluo has other thoughts? ”

‘ i don’t know, ” liancheng yazhi said. ” let’s wait and see. as long as they still want to get kang Xin away, there will be some movement. ”

Liancheng Yazhi wasn’t so worried about the rest of the matter. Anyway, Jian Yi was safe and he was living a happy life now. Only Kang kun was left. He would wake up soon and by then, he wouldn’t care anymore.

“tang Zhen has been discharged from the hospital. why don’t you let me go and ask him?” tang zong joined in the fun.

Liancheng Yazhi nodded. sure. If you have time, go and chat with Tang han. Ask him about his situation.

Recently, Tang Zong had been a little busy.

Although the money was not little, it was enough for him and Rong nuo to squander for many years.

however, tang zong was thinking that he could not let rong nuo think that he was a good-for-nothing. even if the company was set up and left to someone else to manage, he had to show rong nuo that he had some business spirit.

Tang Zong nodded. alright, I’ll go and have a drink with him tomorrow. However, I heard that he has been looking for sister youran recently. I have a feeling that he is up to no good.

“Really?” Liancheng Yazhi raised his eyebrows.

Liancheng Yazhi wasn't surprised about Tang han. He probably had a new understanding when he was injured. Perhaps he suddenly realized that what he had insisted on in the past was wrong, so he wanted to know how to turn back.

However, what he wanted to do was his own business.

Without the surveillance of those people, even the members of Cheng clan felt that the sky had turned sunny.

There weren't so many restrictions on going out. Summer was coming to an end, and Rong Yan's due date was getting closer and closer.

The little thing in her belly was quiet. It was said that the fetal movement would increase in the later stage, but Rong Yan did not feel affected as the little thing did not move often.

Liancheng Yazhi felt that it was better to be safe than sorry and decided to accompany Rong Yan for a weekly checkup before the expected date of delivery.

On this day, as soon as they left the hospital, they were stopped by a bespectacled man in his forties in a gray suit before they could reach the car.

He politely bowed slightly to the two of them. "Mr. Liancheng, our boss wants to see you. He has something to talk to you about." even chen yazhi and rong yan were surprised. they did not expect to be stopped here.

he looked at the other party. he was in his forties and had a successful career. he took good care of himself and had a bit of elegance about him. he also had the temperament of a superior. at first glance, he looked like a person who often gave orders.

Liancheng Yazhi could not guess the other party's identity for the time being. He was on guard and said, "I'm sorry, it's not convenient for me now. As you can see, I have to go home with my wife.

"Your wife can come along," the man said.

"Uncle, you look so smart. Can't you tell that my husband is rejecting you very tactfully?" Rong Yan frowned and said.

Rong Yan spoke very directly, making the man a little speechless. However, he smiled. Mrs. Liancheng is really a straightforward person. However, I still hope that the two of you can attend today's conversation because it's about Major General Kang Yu. Sir would like to talk to you about it.

The corners of Liancheng Yazhi's lips moved slightly, and his smile was very stunning.. "If I go with you just because you said so, wouldn't that make me lose face?"

Chapter 1959: I can't bear to part with my grandson

Lian Cheng Yazhi was weighing his options. Who was the other party? in fact, there were only a few people who would want to talk to him about kang yu at this time.

However, Liancheng Yazhi really did not plan to go over. He did not have time to deal with people he had never seen before.

go back and tell your husband that I have to keep my wife company, Liancheng Yazhi said. I don't have time to talk to him.

The man was a little anxious when he heard that and quickly said, "Mr. Liancheng won't regret it if he goes."

Liancheng Yazhi raised his eyebrows. If it was someone who could make him regret, then he really wanted to try and see what regret was.

Liancheng Yazhi smiled and said, "really?" Then we'll talk about it when I regret it. '

Rong Yan said to that person, "please make way. Although you are an uncle, I am pregnant now. You have to make way for me."

The couple said the same thing and refused to go.

Why do you think we should meet just because you say so? why did you send someone over and pretend to be a Big Shot?

The two of them slowly got into the car and left with their bodyguards.

The man looked at their car and sighed.

he thought it would be a simple matter, but the couple didn't give him any face. (Young master ya: you don't even tell me who it is. Why should I give you face?) The man turned around and got into another car, He quickly went to a teahouse nearby and entered a private room. He bowed to the two old men in the room and said, "Old man Wei, it's my fault for not bringing Liancheng

Yazhi here."

The old man's hair was almost completely white and he was almost old, but he was full of energy and his eyes were very bright. He wore a gray Tang suit and looked gentle, but his eyes had the courage to point out the country.

He put down his teacup and smiled, "Oh, you really didn't bring it?" Haha

Yingluo, that guy was right. He said that Liancheng Yazhi is very stubborn. Unless I go to see him myself, he won't give me face at all if I send someone over."

"But how can Yingluo be worth it for you to see him in person?"

"It's not worth it. If we want Kang Yu back, do you think that we can just use force? if force was useful, Kang Yu would have returned long ago."

The man nodded and said, "elder wei is right, general kang's case was indeed their fault, they've been dragging it out for so long and they still haven't gotten the information back, zhenzhen!"

The old man suddenly lost his temper and slammed the table. "Hmph, I told you we couldn't let Kang Yu go on that stupid mission. But that kid refused to listen to me."

"The most hateful thing is that Zhenzhen's family sent people to rescue Kang Xi, but they are still wasting time. We should have told them to go to their door to thank them, say a few nice words, and give them some gifts. Then they would have gotten him back. But they are all stupid and caused trouble."

The man quickly picked up the teacup and handed it to the old man, ” “Please don’t be angry, be careful of your blood pressure rising. There’s just one thing I don’t understand. Why isn’t house Kang doing anything yet?”

the old man’s face turned sour. “hmph, that old fox, old bastard. he knows that liancheng yazhi can protect kang yu, so he doesn’t plan to care about it for the time being. he will only make a move when the pressure on that kid liancheng is too much for him to handle.”

“If that’s the case, why don’t you do the same?” the man asked.

“He can bear to part with his son, but I can’t bear to part with my grandson,” the old man snorted again.

when these words were said, there was really no way to respond..

Chapter 1960: Happiness that many people can’t get in their entire lives

The old man drank some tea to soothe his throat and asked, ” “by the way, did you find that little kid kang yu’s wife?”

“I don’t think so. He’s probably still overseas, Yingluo.”

The old man scowled and said, ” I told him a long time ago not to do all that nonsense. Sooner or later, he’ll make the little girl angry and run away. Now, we can’t even get him back. Just wait and see how I’ll teach him a lesson after we get him back. He only knows how to make a fuss. Look at that Liancheng kid, he’s about the same age as him. His second child is about to be born. What about him? ” I don’t even have a wife now.’

The old man scolded angrily. The person on the other side lowered his head and muttered in his heart, ” You’re just saying that, but you’re actually willing to hit me!

everyone knew that this old man loved his grandchildren the most. only his maternal grandson was his precious treasure.

On the way home, Rong Yan asked Liancheng Yazhi, ” “Hubby, who do you think came to find you today?”

Liancheng Yazhi played with Rong Yan’s chubby hand.”I don’t know. I can’t guess the details, but Qianqian shouldn’t be too far off. Maybe the people on the other side want Kang Yu back, but I’m not willing to let go. They can’t force their way in, so Qianqian sent someone over to mediate.”

Rong Yan nodded. Oh, I see. If you don’t see him, they will continue to come to you if they want Kang Yu back.

“They should. Let’s see who they send out.” liancheng yazhi changed the topic and looked at rong yan gently, placing his hand on her stomach. “baby, your due date is next month.”

Rong Yan nodded. Yingluo is here. I’m really a little nervous.

Although she had already given birth once, Rong Yan still felt a little nervous.

Liancheng Yazhi lowered his head to kiss her lips and then gently kissed her protruding belly. His eyes were sincere and full of love. "The doctor said that the fetus is in the right position and is very healthy. You're also in good health. As long as you take good care of it, the delivery will be smooth. I've always been here with you."

Rong Yan nodded and rubbed against Liancheng Yazhi's chest. "Yingluo, you have to be with me all the time."

Liancheng Yazhi grabbed her hand and placed it on his chest. "Of course."

He discussed with Rong Yan. after the child is born, let's find a few maternity matrons. Although there are many servants at home, it's very important for a woman to be in confinement. It's better to find a professional.

Recently, Liancheng Yazhi had been reading books on taking care of pregnant women, babies, and post-natal confinement. He was almost as tall as he was.

The books all said that women who were in confinement after giving birth must be taken good care of. Otherwise, it would leave behind a root illness and they would have to follow her for a lifetime.

"A good Yingluo will listen to you." Rong Yan nodded.

Liancheng Yazhi 's care for her could already be described as meticulous- He had prepared everything she could think of.

liancheng yazhi looked at rong yan gently."I'm looking forward to the arrival of this little fellow."
liancheng yazhi was not there when

liancheng yazhi raised his head and looked at rong yan seriously."Baby, thank you, Yingying!"

what rong yan brought to him was a happiness that he could never enjoy in his life, a happiness that many people could not pursue in their entire lives.

Rong Yan reached out and gently hugged him. me too.

Thank you for giving me a new life.

It let me know that life can go on like this..
