

Permit Me 2011

Chapter 2011: everything is in his hands

This person's few words, his calm eyes, and his calm bearing made no one dare to underestimate him.

If you looked into his eyes, you would find that his eyes were filled with calmness and certainty, as if everything was in his hands, and he would never lose control.

The second lieutenant turned to look at the car at the back. The person in the car seemed to be struggling to get out.

He did not expect to arrive with Liancheng Yazhi.

He had probably thought that he would settle the matter before Liancheng Yazhi returned, then quickly search and take the person away so that he wouldn't bump into Liancheng Yazhi.

But who would have thought that Liancheng Yazhi would return so quickly?

Didn't they say that he was stuck in a traffic jam and that someone was controlling the flow of traffic so that he wouldn't be able to come back? Why did he still run back?

The people in front were still waiting, and the people in the car had no choice but to get out.

He struggled for a while, but in the end, he pushed the door open and got out.

The second lieutenant heaved a sigh of relief when he saw him coming down. It didn't matter if the mission was successful or not. Someone had to come out and solve this awkward situation.

"Staff officer Wang, what do you think about Yueyue?" the second lieutenant asked in a low voice.

Staff officer Wang walked in front of Liancheng Yazhi and smiled. This is

Xuanji's famous Mr. Liancheng. As expected, he's extraordinary. After he saw Liancheng Yazhi, he knew that it was over. He was afraid that today's matter would not happen.

He was complaining in his heart. He was just a small staff officer. Wanwan's matter today was not something he could handle. Not to mention Liancheng Yazhi's return, there was also this group of soldiers who came out of nowhere, all of them holding automatic rifles. This operation was probably going to fail at the last step.

Liancheng Yazhi nodded and smiled faintly. "I'm flattered. I'm a little flattered that you've mobilized so many people!"

Liancheng Yazhi didn't say anything bad because he knew that he would definitely win today. There was no need to say anything bad to taunt the other party.

That was because the people who came today were all small fry. The real manager was not here, so it was useless to ridicule them.

Staff officer Wang coughed a few times awkwardly. "Well, we didn't mean anything by suddenly coming here today. We just heard that Major General Kang has woken up, so the higher-ups are very

concerned. major general kang has contributed greatly to the army, he is the hero of the army and should receive the best treatment. so, the higher-ups want to bring him back to make it easier for treatment ... ”

Liancheng Yazhi smiled. I think if he wants to go back, he will naturally go back. It's useless for you to come and tell me this. I'm not him and I can't care so much. Moreover, he's not here with me. I'm afraid you'll be disappointed if you look for me.

Staff officer Wang immediately said, “how could he be cowardly?”

“He what?” Liancheng Yazhi asked.

he! He! He! He! staff officer Wang was depressed. He couldn't possibly say, ‘ my mole in your house will say that he clearly saw it. How can you lie with your eyes open? ‘

Liancheng Yazhi smiled and said, ” old man Wei came to my house once. He must have told your chief when he went back. Old man Wei didn't see the person you want in my house. Don't tell me you don't even believe his words? ” staff officer wang immediately shook his head. he didn't dare to question elderly man wei.”of course not. what old man wei said is true. but this qianqian

Chapter 2012: I won't let them leave so easily next time

Staff officer Wang mumbled ‘this’ for a long time but could not come up with a reason. Instead, he was so anxious that he was sweating.

Although he knew that Liancheng Yazhi was lying, he could not refute him and had to listen carefully.

But if that was the case, today's mission would really be for naught.

The arrangements made by the higher-ups were already very meticulous. They originally thought that the traffic jam was a foolproof measure that could not be flown out even if they had wings, but they still could not block Liancheng Yazhi.

He's really powerful, but how did he come back?

If he had run out, he should have been in a sorry state, but he didn't look like he was in a sorry state at all. He was still very elegant and calm.

Staff officer Wang sighed in his heart. Forget it. Today's situation was not something he could control. Who would have thought that not only did they fail to trap Liancheng Yazhi, but this group of ruffians from the Army had also run out?

Staff officer Wang gritted his teeth and said to Liancheng, ” Mr. Lian, I'm sorry to have disturbed you today.

Liancheng Yazhi raised his eyebrows. It seemed that he had admitted defeat so easily not only because he had returned, but because he knew that he had failed the mission and had to go back in front of those automatic rifles.

Liancheng Yazhi smiled. it's okay, I won't disturb you. Just don't meet like this next time. There are only old people, children, and women at home. If I scare them, I won't be able to send them off with a smile like this.

Staff officer Wang's expression was a little ugly. The other party had already said this. It was clear that if they were to plot this again, he would not let them leave so easily.

hehe, hehe. staff officer Wang had nothing to say. He could only laugh.

He smiled at Liancheng Yazhi and said to the second lieutenant beside him, ' don't just stand there. Retreat and wait to be fed to the guns.

The second lieutenant was relieved that he could finally leave. If there was a mission like this again, he would not come again. The second lieutenant stood at attention and said loudly, "it's Qianqian." he shouted to his soldiers, " stand still and turn around."

Before he left, the second lieutenant cast a glance at Tang Zong. He didn't expect that the other party would wave at him and say,"See you later, Yingluo." The second lieutenant's mouth twitched. He would remember this scoundrel.

The second lieutenant led his soldiers into the vehicles, and the rest were the second wave of soldiers who came later.

Staff officer Wang had wanted to leave as well, but he felt very uncomfortable when he saw those soldiers.

Where did these people come from?

Staff officer Wang thought that their military rank was probably not as high as his. After all, he was still a lieutenant colonel.

With this thought, staff officer Wang regained some confidence and put on airs. "Which division do you belong to? who gave you permission to use these weapons and equipment? who's your superior?"

The person who had been very respectful to Liancheng Yazhi just now stood up with a gun. He walked to staff officer Wang and did not salute. He did not show the respect that a subordinate would show when answering a superior's question. Instead, he raised his hand and flicked staff officer Wang's epaulet. The corners of his mouth curled up and he said with a hint of disdain, " I don't have to answer you since we're on the same level." Staff officer Wang's eyes widened in shock.

Same level?

then wouldn't that make him a lieutenant colonel?

The kid in front of him looked to be at most 30 years old. How was that possible?

However, he quickly rejected that thought. Well, it wasn't impossible. Major General Kang was so young. He was already a major General four years ago. He was only in his early 30s now. After he returned this time, he would definitely

be promoted..

Chapter 2013: good boy, you're fooling him

With this thought, staff officer Wang saw that the man had lost his official authority. He snorted coldly and turned to leave.

Staff officer Wang had just gotten into the car when the other soldier beside the man gave him a punch and laughed. "Good boy, you're fooling him."

The person who was talking to staff officer Wang raised his chin and said arrogantly, "he's almost a major or a lieutenant colonel. Anyvay, the next time I see him, I'm sure he'll have a star on his shoulder. It doesn't matter if I fool him."

Liancheng Yazhi laughed when he heard their conversation. These people were quite bold. They were not worried about being punished later.

These soldiers were actually all very young. Their average age should not be more than 25 years old.

they probably won't be back for the time being after leaving today," Liancheng Yazhi said to them. why don't you come in with me for a cup of tea? "

The soldiers who were making a scene immediately quieted down and quickly said to Liancheng Yazhi, "Our ran ran won't be going in. We'll come again next time they come."

Liancheng Yazhi could tell that they wanted to go in, but they were probably afraid of being punished, so they did not go in.

Liancheng Yazhi smiled. alright. I think we'll meet again. I'll treat you to a meal at home then.

that person was quite embarrassed, "this yingluo will have to yingluo."

Liancheng Yazhi knew his concerns. don't worry. I won't let you get punished.

Hearing that, the man immediately became happy. thank you, Mr. Lian. The matter has been resolved. Our Yueyue will take her leave.

"Alright, goodbye," Liancheng Yazhi nodded.

The soldiers saluted Liancheng Yazhi and did not form up. They did not give any orders, but they were still as fast as a gust of wind.

one look and one could tell that they were a swift and powerful force.

liancheng yazhi only turned around after watching their car leave.

"Brother-in-law, why do I feel like you know who they are?" Tang Zong asked.

Liancheng Yazhi suddenly turned around and took a look. About 200 meters ahead, there seemed to be a black car at a small fork on the left. He looked at it for a while, raised his hand and patted Tang Zong. "let's go. don't think too much. let's go in."

Tang Zong followed Liancheng Yazhi into the house in high spirits. "Brother-in-law, weren't you stuck on the road? why are you back so quickly?"

Secretary Zhou did not wait for Liancheng Yazhi to speak and said to Tang

Zong, "Young master ya is so wise. He got off the car and went directly to the subway station. He took the most crowded line 8 and arrived at the terminal station. He asked me to pick him up so that he could leave the most crowded place, aww!"

Liancheng Yazhi reprimanded him, "what are you saying?"

Secretary Zhou, “Yingluo.”

Tang Zong exclaimed in an untimely manner, ” wow, brother-in-law wanwan, you’re amazing. you can take the subway? ”

Liancheng Yazhi, “Yingluo. ”

After the three of them rushed to the door, it closed automatically not long after.

200 meters in front of the Lian family’s Gate, a black car slowly came into view. The driver and the people in the back seat were talking.

The driver: ” old master, you’ve saved it again. I thought you would have to do it. I didn’t expect them to fail again.

The person in the back seat said, ” I knew it. It’s not easy to get in with these two kids. Let’s go back. We’ll talk about it next time.

“Aiyo, I’m leaving now.”

The black car turned around and left.

Chapter 2014: A withered rose

When Liancheng Yazhi returned to the living room, Rong Yan had just won against Gu Hesheng.

Rong Yan saw Liancheng Yazhi and smiled.”I’m back.”

Liancheng Yazhi walked over and sat beside Rong Yan, putting his arm around her shoulder.”En, I’m back.”

“How’s winter?” Rong Yan asked.

“That’s good. You’re full of confidence,” Liancheng Yazhi said with a smile. that’s good. I’ve left some breakfast for you. I’ll get them to heat it up for you. Go upstairs and change your clothes before going downstairs for breakfast.

Rong Yan always knew that when a husband and wife were together, they should never give each other pressure.

Since Liancheng Yazhi had come in, it meant that the matter outside had been resolved.

Since everything was settled, there was no need to ask for details. It was more important to care about his breakfast first.

Liancheng Yazhi grabbed her hand and said, “then, accompany me upstairs.” &Nbsp; rong yan nodded and said, “good zhenzhen.”

Liancheng Yazhi said to Gu Hesheng,”dad, you can play chess with Tang Zong first. I’m taking my wife with me.” &Nbsp;

gu hesheng laughed and shook his head. “go on, go on. i can’t play with that shameless brat tang zong anymore.”

Tang Zong disagreed. hey, boss Gu, why can't you play with me? I'm pretty good at go. Didn't you lose to me the last time?

"Why don't you tell me how you won the last time?" Gu Hesheng asked.

Tang Zong scratched his chin. I'm sorry, I'm sorry. The last time I'm sorry, I'm sorry. I won with my own strength. Anyway, I've won.

As Tang Zong and Gu Hesheng bickered, Liancheng Yazhi helped Rong Yan up the stairs.

After entering, Rong Yan gently pushed Liancheng Yazhi. "Go and change your clothes. I don't remember you wearing this when you left the house. I don't think Yingluo has this on her?"

lian Cheng yazhi took off his coat. "there's no such thing. it's the driver's coat. ' Rong Yan was puzzled, 'the driver's? Why are you wearing his clothes?"

Liancheng Yazhi hugged Rong Yan. we'll talk about this later. I brought you a gift today.

"What gift?" Rong Yan was very surprised.

Liancheng Yazhi took out a half-opened red rose from the left pocket of his pants. Because it was in the pocket, the petals were no longer fresh after being squeezed, and some had fallen off, like a malnourished child.

Liancheng Yazhi looked at it and was very embarrassed. I wanted to buy you some fresh ones, but something happened on the way and I couldn't get the flowers. I picked one and put it in my pocket. I didn't expect it to become like this. Forget it, I don't want this one. I'll buy you a better one tomorrow. As he spoke, he was about to throw the flower into the trash can.

rong yan took his hand and took the flower. " don't throw it away. Since it's for me, it's mine. This Kasaya is very pretty, very pretty. It even has your body temperature. I like it very much. rong yan wrapped her arms around lian Cheng yazhi's neck, pressed his head down, and kissed him on the lips.

No wife would reject a gift from her husband. As long as he meant it, even if the gift was broken, it would still make her very touched and happy.

Rong Yan didn't expect Liancheng Yazhi to still remember her gift under such circumstances. Her heart was very sweet and warm at this moment.

To be able to marry a man like this, she was really blessed.

Liancheng Yazhi hugged Rong Yan tightly and lowered his head to kiss her eyes. I'll definitely give you a full bouquet of flowers tomorrow.

Rong Yan wrapped her arms around his waist and nodded with a smile. "Yingluo, good."

Crap, the update doesn't show anything..

Chapter 2015: You 're still shy?

Rong Yan hugged Liancheng Yazhi for a while before releasing her arm and gently pushing him. go and change your clothes. Take a shower while you're at it. You must have been in a hurry to come back just now, right? "

As she hugged him, Rong Yan could feel that Liancheng Yazhi's shirt was a little sweaty. He must have been too anxious when he came back and was covered in sweat. There was also a very complicated smell.

Why did it feel like Yingying's smell was like the one she got on after getting on the bus? [young master ya: my dear wife is wise. I didn't squeeze on the bus, but I did squeeze on the subway.]

Liancheng Yazhi lowered his head and pinched Rong Yan's cheek. "alright, i'll go and take a shower."

After saying that, she said regretfully,"it's such a pity, we haven't had a proper bath for a long time. When this little bad guy comes out, we'll have a good time."

Rong Yan did not wait for him to finish and pushed him. "Alright, that's enough. Go quickly."

After Liancheng Yazhi went in, Rong Yan gently placed the almost-wilted rose in the clip of a parenting book.

Although the flower would wither today, it could be preserved for a long time if it was made into a specimen.

Liancheng Yazhi was very fast, and he finished showering in less than five minutes.

Rong Yan turned her head and was instantly speechless. This guy had run out with a wet body and a dry towel in his hand. He was completely naked and dripping with water.

"Why aren't you wearing any clothes?" Rong Yan's face was slightly red as she said angrily.

Liancheng Yazhi didn't feel embarrassed at all. He walked in front of Rong Yan, handed her a towel, and said, "Honey, help me dry my hair. I'm still wet and can't wear it. Besides, we're already an old couple. Why are you still shy?" Rong Yan reached out and poked him. "I'm not shy. But are you teaching your son a bad thing?"

When Liancheng Yazhi heard this, he said proudly, "if he was a daughter, i might still remember, but he's a boy. i'm doing this to teach him that he'll grow up to be like his father. besides, isn't he naked in the womb like me?" Rong Yan was stunned.

Alright, Liancheng Yazhi's sophistry really made people speechless.

Rong Yan pinched him. even if you don't lead your son astray, aren't you afraid of catching a cold?

Liancheng Yazhi lowered his head to make it more convenient for Rong Yan to dry his hair. He reached out to support Rong Yan's waist. don't be afraid. My wife is worried about me. What's the big deal about catching a cold?"

The corners of Rong Yan's mouth moved, and she couldn't help but smile.

When Liancheng Yazhi said sweet words, it was really a little hard to resist.

Liancheng Yazhi's hair was short and easy to dry. Rong Yan dried his hair and scratched his shoulder. alright, don't be cheeky. Go and clean yourself up. Change your clothes and go downstairs for dinner. You've been fine since breakfast. Aren't you hungry?

the water droplets on Liancheng Yazhi's body had actually dried up. He simply hugged Rong Yan and said in a coquettish manner, "I'm not hungry yet. Let me hug you for a while, just a while."

Rong Yan was in a good mood, but she was also worried that Liancheng Yazhi would catch a cold. After a few seconds, she said, "Alright, we'll be there in a while. Quickly change your clothes."

Liancheng Yazhi did not let go and gently shook her. "Let's hug a little longer."

Rong Yan rubbed his wet hair as if she was coaxing her own child. She said gently, "Be good. I'll let you hug me after you eat."

Liancheng Yazhi unwillingly let go. "Alright, Yingluo, I'll hug you after dinner."

Chapter 2016: I won't let you off

Liancheng Yazhi changed into a set of home clothes and helped Rong Yan down the stairs.

Downstairs, the maid had already heated up his breakfast and brought it up.

"Will you eat with me?" Liancheng Yazhi asked Rong Yan.

"Good Yingluo."

While Liancheng Yazhi was eating, Rong Yan was drinking a glass of milk at the side.

The two of them didn't talk much at the dinner table. Occasionally, they would speak a few words, but they were also about trivial matters of life. It was very plain and warm. If others were to look at them, they could see the sweet love between the two of them from their silence.

Rong Yan didn't mention anything about the blockade at her door today, as if she didn't know anything about it.

Rong Yan knew very well that Liancheng Yazhi had rushed back from outside and the crisis in the family had finally been resolved. What he needed was a time to relax and rest. He needed a quiet breakfast.

Even if she wanted to know what had happened outside, she had to wait until he had a good rest before asking.

She didn't want to ask him all sorts of questions when he was eating, which made him unable to even eat a meal in peace.

After having breakfast, Liancheng Yazhi said to Rong Yan, "I'm going to check on Kang Zhen. You stay here and play with father-in-law and meowmeowmeowmeow."

"Alright, you can go." Rong Yan nodded.

She knew that Liancheng Yazhi was definitely going to tell Kang Rong about today's incident.

Liancheng Yazhi leaned over and kissed Rong Yan on the cheek.

The moment Liancheng Yazhi saw Kang Yu, he said, "The people outside have all left."

"Oh, is that so?" Kang Yu asked. "That's good."

He was neither surprised nor happy about this, as if he had already known this result.

Liancheng Yazhi sat in front of him. there were two groups of people today. The first group wanted to rush in. The second group stopped those people from rushing in.

“Oh, I don’t know the details,” said Kang Yu, his expression unchanged.

Liancheng Yazhi pushed him. stop pretending. Those soldiers carrying automatic rifles are clearly your men. When did you call them here? ”

Liancheng Yazhi guessed that the second wave of arrogant soldiers who didn’t wear epaulets should have been trained by Kang kun. Otherwise, they wouldn’t have told Liancheng Yazhi to thank him.

He was definitely thanking Liancheng Yazhi for saving their boss!

“I was afraid you wouldn’t be able to make it, so I made a random call.” Kang Xi rolled her eyes.

Liancheng Yazhi asked him, “what about next time?” How many people can you call this time? if they come next time with more people and more weapons, can your men still win?”

If they didn’t succeed today, those people would definitely not give up.

There would definitely be a next time, and the next time. In short, as long as Kang Yu didn’t return to the team, they wouldn’t let it go.

Kang Xin wriggled his fingers, showing off his ability.”Next time, I won’t need them. I’ll do it myself.”

Liancheng Yazhi smiled. you’re right. If you can’t take action next time, I’ll have to doubt Natsume’s skills.

natsume was unhappy that his professional ability was being doubted. he immediately turned his head and said, ” there’s nothing wrong with my skills.

there’s nothing wrong with it at all. even if there’s a problem, it’s him, hanhan.

before natsume could finish his sentence, kang yu shot him a cold glare and he shut his mouth obediently.

however, natsume was still unwilling to give up. he cleared his throat and said, I don’t have any problems at all. If you dare to doubt me, I’ll settle this with you, Hmph, I’ll settle this with you..

Chapter 2017: Can never fall in front of outsiders

Liancheng Yazhi raised his eyebrows and asked, ‘it’s not over? Then I’d like to see how you’re going to settle this with me!’”

Natsume was speechless. He had misheard. There were only three people in this room, including him, but two of them were people he could not afford to offend.

Natsume pursed his lips and turned his head away. He did not say anything else. Forget it, his objection was invalid anyway.

“Didn’t you say you were stuck in traffic? why are you back so quickly?” Kang Yu asked Liancheng Yazhi.

Liancheng Yazhi smiled. the car is stuck on the road, but we can’t be stuck in a traffic jam. As long as we think of a way, we can still come back.

Liancheng Yazhi changed the topic and asked Kang Yu, I think they want to take you back. No, they want to do something to you. It seems that Yingluo also wants to upgrade you. Why don’t you want to go back? ‘

“Why should I let them take me back?” Kang Yu’s lips twitched.

He was a person who could show his most vulnerable side in front of his brothers, such as now, but he would never compromise in front of others.

If he were to go back, he would stand straight with his head held high and his chest out. He would walk back to the Army alone without anyone’s help.

Be it a promotion or a review, he could never fall in front of outsiders.

Liancheng Yazhi understood what Kang Yu was thinking and nodded. alright, it’s your business anyway. They won’t be coming back for a while after they leave. You should rest well and try to move as soon as possible. I’m not talking to you anymore. I have to go back and accompany my wife.

when liancheng yazhi said that he was going to accompany his wife this time, he really didn’t mean to laugh at kang zhen. however, it didn’t feel good in kang zhen’s ears.

When Liancheng Yazhi talked about his wife, his face was filled with happiness. It reminded Kang Yi that he didn’t know where his wife Hanhan was.

Kang Yi closed his eyes, hiding the redness in them.

After Liancheng Yazhi left, Natsume walked up to him.

Natsume said to him, ” you can’t be like this. You have to learn to control your emotions and your power. Although your body is gradually waking up, I think it’s best that you don’t understand it before you can truly control your power. “I know,” said Kang Yu, his eyes still closed.

Natsume continued, ” your genes have been modified and your body’s potential has been maximized. This is a good thing, but it’s also a double-edged sword. Your senses have expanded many times compared to before, and your perception of negative emotions has also expanded many times. You must be angry and sad. Perhaps to normal people, it’s just a little bit of irritation, but when it comes to you, it will be magnified many times. If you don’t control it well, it’s easy to make you crazy and unable to suppress the desire to destroy. it’s a desire to kill. if you’re really good to your wife, it’s best that you don’t go looking for her in the near future. in your situation, you’ll only hurt her if you go looking for her. ‘

Kang Zhen didn’t say anything. His eyes were closed. It was hard to tell if he didn’t want to talk or if he was asleep.

Natsume sighed and returned to his experiment table to continue his work.

He and Kang Zhen had hidden one thing from Liancheng Yazhi, which was that

Kang Zhen could actually move now.

But none of them said anything.

Because it would be very dangerous for Kang Yu to go out now.

A casual word from someone else could anger him to the extreme and make him lose control, causing unpredictable consequences.

Therefore, Natsume was researching a medicine that could calm Kang Yu down the fastest when he was in a rage..

Chapter 2018: Are you scared today?

He didn't recommend Kang Yi to go out before the medicine was made.

But the more Kang Yu refused to go out, the more likely it was for the military to think that he had some unspeakable secret and want to take him back.

moreover, when kang yu returned in the future, his original plan to promote himself would have to be postponed. he would probably have to go through an investigation first, and only after it was confirmed that he was fine would he be released.

Natsume shook his head. He thought that everything would be fine after he woke Kang Yu up.

however, it seemed that it would not end so quickly.

Liancheng Yazhi took Rong Yan away after he went back.

The two of them hugged each other in their own room and talked about the things a married couple would say.

Rong Yan finally had the time to ask Liancheng Yazhi, "Hubby, tell me, How did you come back today? When I hugged you earlier, I seemed to have smelled the scent of a crowded bus on you? You didn't squeeze into the bus, did you?"

Liancheng Yazhi put on a look of admiration and said, "my wife is so smart.

You could even smell that. It seems that I have to be more careful in the future. I cant let other women get close to me and get stained with perfume.

"You're really taking the bus?" Rong Yan was surprised.

liancheng yazhi scratched her nose. "silly girl. all the cars are stuck on the road. the bus is no exception."

"Then How did you come back?"

"I'll get off the car, change into the driver's coat, walk to the subway station, get on line 8, and stop at the terminal. Then, I'll ask Secretary Zhou to pick me up."

Rong Yan was instantly shocked and exclaimed, "Wow, hubby Yingluo, you're going back to the subway?"

Liancheng Yazhi

He lowered his head and bit Rong Yan's ear. "Why did you ask the same stupid question as Tang Zong? why can't I take the subway?" Rong Yan pushed his head away and continued to ask, "No, have you taken the subway before?"

She thought that Liancheng Yazhi, who was born with a silver spoon in his mouth, would stop a lot just by taking the bus.

he didn't expect this guy to take the subway. the subway was more troublesome than the bus. he had to buy a ticket before entering the station, and he had to be careful at the entrance and exit to avoid going to the wrong place.

Liancheng Yazhi touched his nose. cough, cough. he coughed. when Ran Ran was in school, she did it when she was fooling around with Kang Yu and the others.

Rong Yan was still very surprised, 'when you were in school? how many years had it been? Things seem different now, don't they?'

Liancheng Yazhi laughed. it's not quite the same, but it's almost the same. Your husband is such a smart person. Even if I don't know how to do it, I can do it by looking at others.

Rong Yan's face was full of admiration as she wrapped her arms around

Liancheng Yazhi's neck."hubby, you're really amazing. i didn't expect you to take the subway. i heard that there are no seats on line 8. it must be hard on you."

liancheng yazhi held rong yan's face and kissed her twice."What's so hard about it? I'm glad that I'm on line 8. Otherwise, I wouldn't have been able to come back so quickly."

His wife and child were in danger at home, so what was the point of him squeezing in?

When they were squeezing in the subway, the inside was like a steamer, but Liancheng Yazhi did not feel hot at all. He only felt that it was too slow, too slow.

"Are you scared today?" Liancheng Yazhi touched Rong Yan's face.

Rong Yan leaned into his arms and shook her head. no, I'm not worried at all. I knew you would come back.

Liancheng Yazhi kissed her forehead as a reward. you're such a good girl. Next time, don't worry or be afraid when you encounter such a thing. With me here, nothing will happen..

Chapter 2019: You seem to be getting cuter

Rong Yan nodded and said,"yes, Zhenzhen."

After a while, she laughed out loud. but, they actually thought of using the traffic jam to stall you. It's quite fun.

liancheng yazhi nodded. " it's quite fun and effective. the driver hasn't come back yet. it seems like the traffic is still congested. "

He left the driver on the road and came back by himself. He had been back for so long, but the driver had not returned. It was obvious that the road was still blocked.

Although the military could control the traffic, it would be difficult to clear the traffic with so many cars.

Liancheng Yazhi had an idea. He turned on the tablet and looked at the latest news today.

Sure enough, there were already reporters there doing live reports and saw many netizens posting about the traffic jam today.

Many netizens claimed that the traffic was still there. The director of the transportation Bureau had come with the traffic police to clear the traffic, but it was still very slow.

Liancheng Yazhi pointed to a congested picture and said to Rong Yan, ” ” look, it’s a good thing your husband is smart. otherwise, he’d be so anxious. ‘

Rong Yan was glad that Liancheng Yazhi knew how to take the subway. Otherwise, she really didn’t know what the situation at home would be like.”Next time, will they still use this move?”

Liancheng Yazhi thought for a moment. this ... Maybe not. I’m not sure, but the next time they use this trick, I think they’ll even seal the subway. Otherwise, they won’t be able to stop me.

Rong Yan looked at Liancheng Yazhi’s proud look and felt that her husband seemed to be getting cuter and cuter.

The next day, Liancheng Yazhi felt that no one would block the entrance of his house today. He wanted to send flowers to Rong Yan, so he drove out early in the morning and ran two streets before he saw a flower shop that had just opened.

Walking into the shop, Liancheng Yazhi bought a bouquet of roses like yesterday. There were 99 of them, and each of them was delicate and beautiful.

Liancheng Yazhi brought the flowers home, but he did not expect to see a military jeep following behind him when he arrived at the door.

Liancheng Yazhi glanced at the license plate. Why did it look a little familiar? when the other party’s car stopped and he saw the person in the car, liancheng yazhi finally knew why he felt that it was familiar. it was because that person was tang han.

Liancheng Yazhi leaned against the car door and asked Tang han, “You came to my house so early in the morning. Don’t tell me you want to freeload a meal.”

Tang han actually said something that was similar to a joke to Liancheng

Yazhi, ” “I do have the intention to freeload a meal, but unfortunately, you won’t let me in.”

Liancheng Yazhi raised his eyebrows and asked, ‘then what are you doing here?

The door is closed?”

“That’s right, I’m here to get the door shut.” Tang han nodded.

Liancheng Yazhi mumbled. since you’re going to be refused entry, I’ll go in first. I won’t disturb you anymore.

tang han sighed, “even if you shut the door, you should wait until you are done talking. ”

Liancheng Yazhi glanced at the flowers in the car. “Alright, I’ll give you five minutes.”

Tang Zhen didn't beat around the bush and directly said, "I'm sure you already know why I'm here. It's about Kang Zhen. The higher-ups want me to be a lobbyist since we've fought before and Tang Zong is your brother-in-law. Actually, it's not really a lobbyist. They just want me to meet Kang Zhen and have a chat with him. They want to know what he's really thinking." no way. Liancheng Yazhi rejected her directly. Kang Yu will not see you..

Chapter 2020: You can 't show your weakness to others

Liancheng Yazhi understood that Kang kun was determined not to show his most vulnerable side in front of others. How could he let himself lie down and look up to Tang han?

the pride in their bones couldn't be changed, not to mention that kang Zhen wasn't just proud.

Speaking of which, Kang Zhen and Tang Zhen had always been compared by people. Whether they wanted to or not, these two people had the intention to see each other as opponents.

Since he was his opponent, how could he let his opponent see that he couldn't move?

Not to mention that Kang kun was unwilling, even Liancheng Yazhi wouldn't let Tang Zhen see Kang kun.

Tang Zhen spread out his hands. that's why I said I'm here to get the cold shoulder? "

Tang Zhen didn't have many dealings with Kang kun, but he already knew Liancheng Yazhi's temper.

Tang han didn't know if Kang Zhen would meet him, but Liancheng Yazhi definitely wouldn't let him meet him.

Tang han didn't really want to do this task that was assigned to him by his superiors. He had dealt with Liancheng Yazhi a few times, but only they knew that there was more resentment between them. They really didn't fight to form any friendship.

there was no chance of success at all if he were to be the lobbyist.

The higher-ups had no choice. They couldn't get in, and they couldn't see anyone. There was also a group of troublesome soldiers who ran over with guns and looked like they were going to fight for their lives. This made things really difficult for them.

However, she was also worried that something might go wrong with Kang Yu's mission. What if he played a game and leaked the secrets of the Army?

tang Zhen was also quite helpless.

As soldiers, it was their duty to obey orders. Since the higher-ups had given him an order, he had to do it.

However, he really did not know if the other party would agree to it.

"You're quite clear now," Liancheng Yazhi said with a smile.

"That's only natural. At this age, it's impossible not to see it clearly." Tang han smiled.

The conversation between the two was very natural. There was no hostility or sarcasm. It was rare to see both of them calm.

“I came here today because I hope you can help me pass a message to Major General Kang,” Tang Han said to Liancheng Yazhi.

“What did he say?”

Tang Han said, “If there’s nothing wrong with his body, he should return to the team as soon as possible. The earlier he returns, the better it will be for him. If

he returns too late, he might cause trouble. The higher-ups have never given

up on him and have always placed him in a very important position. If he returns earlier, he will definitely be promoted.

Liancheng Yazhi nodded. He knows that, but he has his own reasons for not going back. Old man Wei understands this. He will testify for Kang Yu.

“If that’s the case, then I won’t say anything more. Goodbye.” Tang Han smiled. “Take care,” Liancheng Yazhi said.

Tang Zhen got into the car and left. He was more carefree than before. He was no longer so rigid and his entire person seemed to be relaxed.

Liancheng Yazhi remembered that Tang Zong had said that Tang Zhen wanted to try to pull Gu Youran back, but it was unlikely.

Liancheng Yazhi got into the car and drove directly into the garage of the house.

Liancheng Yazhi came in with the flowers and his family had just come down and were already preparing breakfast.

Tang Zong saw the bouquet of beautiful roses in Liancheng Yazhi’s hand and exclaimed, “Wow, brother-in-law, this is so romantic. He went out early in the morning to buy flowers for sister.

Liancheng Yazhi smiled and asked, “Your big sister hasn’t come down yet, right?”
