

Permit Me 2221

Chapter 2221: Why didn't gu liunian take your life?

Gu liunian stood there, unwilling to leave. She called out, "Yongye Qianqian."

"You want to go back on your word?" Yong ye stopped and looked at her.

Gu liunian gritted his teeth and looked at Mrs. Tang, who was lying on the ground like a dead pig. His eyes were full of unwillingness.

Yongye looked behind him and pulled Gu liunian away. "Even if you're not willing, come back with me to Yingluo."

"Don't forget what you just said." Gu liunian reminded Yongye unwillingly. He reminded him that he had just said that he would help her deal with mother Tang.

Yongye didn't pity him at all as he pulled his hand forward. "I didn't forget. I didn't forget anything I said to you. You're the one who's been forgetting."

gu liunian was stunned.

Just as Yong ye left with Gu liunian, Tang Zong and the others arrived at the hospital.

When they arrived at the hospital, they saw the doctor who was still feeling uneasy. Tang Zong asked, "What's going on?"

"The operation is ready. Mr. Tang, you'd better sign it first," the doctor said in a measured tone.

Tang Zong took a look and signed his name on it.

"Then we'll go get ready," the doctor said quickly.

"Go ahead. Hey, I'm waiting for ran ran to meet my parents. Where are they?"

"Please tell Mr. Tang about the situation," the doctor said after glancing at the nurse behind him.

The nurse was still in a state of shock. Yueyue, please come with me.

She brought Tang Zong and the others to a Ward. Inside the ward, mother Tang was lying on the bed with a blank expression on her face. Her neck, thighs, and arms were all wrapped in bandages, and there were still traces of blood oozing out from her neck and thighs.

The nurse pointed at Mrs. Tang, "Yingluo, your mother is injured Yingluo!"

Tang Zong took a look and laughed. Oh, it's just an injury. I thought I would see a corpse when I arrived. Why is Gu liunian so kind? he actually left you alive.

The nurse's mouth twitched. She looked at Tang Zong as if he was a monster.

She had probably never seen such a weird person like Tang Zong in her life. To think that he would speak of his own mother like that.

Mrs. Tang heard Tang Zong's voice and finally snapped out of her panic. The moment she saw Tang Zong, she immediately wailed, "tang zong, qianqian 'er, you have to avenge me."

tang zong covered his ears in disgust and took a step back. "don't, don't, don't come looking for me. i'm not your good son. i'm the most unfilial person in the legends. if i don't support you, don't come looking for me to stand up for you. if you were killed by gu liunian, i might even give him a slap."

Mrs. Tang pointed at Tang Zong, "Yingluo, how can you be so cruel? Yingluo, look at how I've been bullied by that little b * stard Gu liunian!" Look at my injuries. If it was your brother, he definitely wouldn't just watch me get injured. Why do I have such a hard life, aoaoaoao "

Mrs. Tang was like a Street Shrew, slapping her uninjured thigh and crying, completely losing her image.

In the past, this move of hers was extremely effective against Tang Zhen. However, today, he was facing Tang Zong. To him, this was completely useless. At most, he would only feel that it was too noisy.

Tang Zong chuckled and said slowly, hey, you're right. If you didn't shake your good son Tang han to death, you can go and find him directly. However, it's useless in front of me. If you shout again, I'll go and find Gu liunian again. You can try it if you don't believe me.

Chapter 2222: the fiend star raised at home

As soon as Tang Zong finished speaking, mother Tang's voice disappeared.

this was because she knew that tang zong was a bastard who did not care about his own family. he would really do what he said.

For example, when Jian Jia was 15 years old, he was able to follow his own father and call the police to arrest Jian Chang. His own father was taken to the police station, and he went in with a dirty face and came out with a disheveled face.

That incident was deeply etched into the minds of Mr. And Mrs. Tang.

From that incident, Mrs. Tang found out that her husband wasn't as clean as she thought he was.

From that incident, father Tang knew that his son was a devil raised in the family. With him around, all his secrets would be gradually exposed.

Hence, ever since that incident, Tang Zong was sent overseas not long after.

It was also because of his previous mistakes that father Tang and mother Tang realized that this son of theirs would never go easy on them and would always keep his word.

They wouldn't find it strange if he hired someone to commit a murder one day.

However, Mrs. Tang wasn't willing to let Gu liunian stab her like this. She yelled, "Tang Zong is teasing you, but you're still my son, aren't you?"

Mrs. Tang nodded, "that's right. You've said it yourself. Tang Han's number is that, so I'm not that evil. So, don't expect me to do anything for you. It's already good enough that I can collect your body after you die. Don't expect me to do anything else.

Rong nuo smacked her lips a little evilly, “By the way, why are you alone? where’s dad? At this time, dad should be here, right?”

Tang Zong nodded. that’s right, that’s right. Qianqian is with my dad. You two are famous for being deeply in love with each other. This is a good time to show off your love. How can you not have him? ”

Mrs. Tang’s face twitched,”your dad nudged him, he nudged him!”

Mrs. Tang stammered.

Tang Zong immediately understood what was going on. He sneered and said, Oh, I know. After leaving you behind, you ran away on your own, right? ”

He said. Mrs. Tang’s expression changed instantly, her eyes filled with complicated emotions—shame, embarrassment, anger, and hatred.

That hatred, Tang Zong guessed, was not directed at him or Gu liunian, but at father Tang.

Tang Zong clicked his tongue and sighed. indeed, the two of you have been living the same life for decades. One is more afraid of death than the other. When it comes to matters of life and death, you run faster than a rabbit.

“Tang Zong Zhenzhen, don’t say anymore,” Mrs. Tang said sternly.

Tang Zong sarcastically replied, ” why can’t you tell me what you did? my father must have seen Gu liunian coming and pushed you out to block the bullet while he crawled out on his own. Now that Gu liunian has left, why hasn’t he come out yet? ”

Mrs. Tang said, calming down.”Tang Zong, you don’t have to worry about our business.”

Tang Zong smiled and nodded. yes, I don’t care. Anyway, I’m no longer the same as before. If you want to push me out to die for you, you can’t push me anymore.

Tang Zong’s words caused the few people standing behind him to be stunned. What did he mean? why did it sound like it was not good news?

Mrs. Tang said angrily,”it’s been so many years since Tang Zong’s last time, and you’re already so cowardly!”

look at you, what else can you say after so many years? if some things can be erased with the passage of time, would Gu liunian still come to kill you? “

Chapter 2223: There’s nothing good about her

Tang Zong’s words seemed to have hit a weak spot in mother Tang’s heart, and she suddenly screamed hysterically.

“Gu liunian is Gu liunian. You’re different from her. Her surname is Gu. She should have gone to hell like her parents long ago. Your surname is Tang. You’re a seed that crawled out of my womb.”

“oh, so you know about it too.” tang zong shrugged his shoulders.

“but your request is really strange. you treat me the same as you treat gu liunian, so why do you still expect me to be so good to you? Who Do You Think You Are, and what right do you have?”

Mrs. Tang didn't know what was wrong with her, but she suddenly became overbearing and yelled, “Tang Zong, no matter how I treat you, I'm still your mother. If I want you to do something, you should do it?”

Tang Zong didn't care about mother Tang's reaction. He shrugged his shoulders and said, “Who Do You Think You Are? your husband has already abandoned you and fled for his life. Do you think you can order me around? Don't joke with me. The only reason I'm standing here and talking to you today is because you're acting like a joke.”

“Do you know why I'm not angry at you?” Tang Zong suddenly asked.

Before Mrs. Tang could say anything, Tang Zong continued, “that's because I know you don't have long to live. How long do you think Gu liunian will let you live? Or a month?”

I won't argue with you on the account that you don't have long to live. You should also cherish your last moments, so that you won't have any regrets after death.

Tang Zong's words had instantly crushed mother Tang.

On her neck and thighs, the intense pain was constantly reminding her that not long ago, Gu liunian, that lunatic, had almost killed her.

She didn't want to die, she really didn't want to die.

Mrs. Tang fell down from the bed and limped over to Tang Zong. Tang Zong, Tang Zong, mom was wrong. Mom has let you down. I was wrong about what happened back then. I was bewitched by your father. Can you please help mom and ask Zhenzhen to get Gu liunian to look for your father? he did everything himself, it had nothing to do with me. I'm just an accomplice. I shouldn't have died, Zhenzhen!

Husband and wife were birds in the same forest, but when disaster came, they flew away separately. This sentence was most suitable to describe this couple.

Tang Zong looked at mother Tang who was hugging his leg on the ground. This woman was stupid, vicious, and greedy. You couldn't see any good points in her.

However, this woman was his mother. This made Tang Zong feel very embarrassed and ashamed.

For the sake of her own life, she could abandon her son and her husband. At any critical moment, she could abandon anyone just for the sake of her own survival. Tang Zong felt that it was a waste of time to look at such a woman.

Tang Zong's lips curled up. you can save these words for Gu liunian. You can tell her the next time you see her. You can hand over your husband and your eldest son's lives to her and ask her to spare your life. Who knows, she might let you go. Haven't you always been successful in doing things like this? ”

Mrs. Tang's lips trembled, “I'm scared!!!”

Liancheng Yazhi frowned as he looked on. He was really impatient and said, "Tang Zong, let's go. Don't waste any more time here."

"Alright, let's go." Tang Zong pulled out his leg.

The group turned around and left, leaving Mrs. Tang on the ground.

Chapter 2224: really nothing

Tang Zong left very quickly. Everyone knew that he was definitely not in a good mood.

With parents like that, no one would be able to live a high life.

Liancheng Yazhi and Rong Yan walked slowly behind them. After Tang Zong had pulled Rong nuo away, he asked the nurse, "I've always found it strange. gu liunian came to the hospital and injured someone to this extent. how could he still leave so openly?"

The nurse hesitated. Mr. Yong is following her. Who would dare to stop him? "

"Back then, Mister Yong said that he wanted to let the lady vent her anger and not cause a scene."

This meant that the hospital would turn a blind eye if they said that no lives would be lost.

Liancheng Yazhi asked,"what about her husband?" Why is she the only one here?"

The nurse's expression changed immediately. She said, "PEI! PEI! PEI!"

you guys don't know this, but he's not a man at all. He's such a jerk. He runs away faster than a rabbit when he meets with trouble. As soon as he sees miss Gu, he immediately pushes her wife over and runs away. He hasn't come back yet.

Liancheng Yazhi raised his eyebrows. He suddenly thought of what Tang Zong had said just now.

he felt that he could more or less understand why tang zong hated his parents so much.

Perhaps Yingluo had been treated this way by Tang Zong's parents when he was young.

At the critical moment of life and death, his parents threw him out in order to survive. Then, the couple abandoned their child and ran away.

If that was the case, then there was a reason why Tang Zong hated it so much.

Perhaps only Tang Zong himself knew how deep the hatred of being abandoned by his biological parents ran.

Furthermore, the psychological trauma that this would bring to a child was so deep that it would probably affect him for the rest of his life.

Tang Zong and Rong nuo had already arrived outside Tang Zhen's operating room. Liancheng Yazhi did not go with them, so Rong Yan asked him, "Where are we going now?"

"To see Xia Xuanmo," Liancheng Yazhi said in a low voice.

Rong Yan quickly pulled him back. don't! What if Tang Zong and the others follow us? "

Liancheng Yazhi shook his head. no, they're both waiting outside the operating room now. They won't see us. Besides, Xia Xuanmo lives very far from here.

Rong Yan touched her nose. " alright then. i also want to know how xia xuanmo and that little nurse are doing. "

The two of them quietly came to Xia Xuanmo's message.

Xia Xuanmo's injury had obviously improved. The doctor said that after a period of time, he would have to undergo another orthopedic surgery and he should be almost fully recovered. After all his injuries had healed, he could start to recover.

This was great news for Xia Xuanmo. He originally thought that his injury was definitely amputated and could not be improved.

However, he did not expect that after returning to the capital, after a short period of deterioration, he actually began to get better again, and the speed of recovery was very fast. Even the doctor felt that this was a miracle.

Rong Yan and Liancheng Yazhi came to the door and were not in a hurry to go in. The two of them sneaked a peek inside through the crack of the door.

Inside, the nurse was holding a bouquet of flowers in a vase and placing it on the windowsill. She asked Xia Xuanmo, " "Mr. Xia, do you think it's okay to put it here?"

Xia Xuanmo was already able to do a little bit, so he nodded with a smile, " "Yes, it's pretty good."

"mr. xia, don't you think that these flowers are beautiful too?" the nurse smiled brightly.

Chapter 2225: He did not accept her in his heart

Xia Xuanmo nodded. yes, very beautiful.

There was a hint of sweetness in the nurse's eyes. It was as if when he said the flowers were beautiful, he meant that he was beautiful.

"I cut this from home this morning. I didn't know you would like it," she said sweetly.

Xia Xuanmo smiled. yes, I do like it.

When he said that he liked her, in the nurse's ears, it seemed that he liked her. She walked to the chair in front of the bed and sat down, picked up a fruit knife, and peeled a fruit for Xia Xuanmo. "What do you want to eat today? I can cook for you. Although I'm not good at cooking, I'll try my best."

Xia Xuanmo shook his head. there's no need to trouble yourself. It's good to eat the food in the hospital.

The young nurse said, " how can I do that? the food in the hospital doesn't taste good. They don't ask for any nutrition. I'll make it for you. It doesn't take much effort anyway.

Xia Xuanmo still refused very tactfully, " "I'm sorry to trouble you every day."

“Why would you feel embarrassed? I’m very happy to be able to cook for you,” the young nurse said.

Xia Xuanmo sighed silently. then thank you. You can make whatever you want. I’m not a picky eater.

“Okay, okay. I’ll make you steamed fish today, how about that?” the nurse happily agreed. I’m pretty good at this.”

Xia Xuanmo smiled faintly and said, “alright, Zhenzhen.”

Liancheng Yazhi shook his head at Rong Yan from outside the door.

He could see that the nurse was very concerned and had not hidden the fact that she liked Xia Xuanmo, but Xia Xuanmo still did not take the initiative. Every word he said was actually a rejection, but the nurse just couldn’t hear it.

Everyone who had just met Xia Xuanmo would say that he was a very gentle, very elegant, and very gentle man. If you were very familiar with him and he didn’t think you were a bad person, he wouldn’t reject you directly when he spoke.

Only those who knew Xia Xuanmo very well and were very close to him would know that he was only a gentle and elegant person on the surface. In his bones, he was Black-bellied, overbearing, and extremely possessive.

However, until now, he had always shown the gentle and easy to get along side of him in front of the nurse. This showed that he still did not accept him in his heart and had a rejection that the other party could not see through. The nurse could not see this, but Liancheng Yazhi could.

Xia Xuanmo said that he was not a picky eater, but that was a lie. Liancheng Yazhi had known him since they were young and knew that he was very picky when eating.

He didn’t eat celery or spinach. Of all the seafood, he didn’t eat squid. He didn’t like to eat fish because fish had bones. When he was young, he was in so much pain that he was even hospitalized. From then on, he didn’t like to eat fish.

Only people who were familiar with Liancheng Yazhi knew about this. No one else knew.

However, when the little nurse said to cook steamed fish, Xia Xuanmo’s face didn’t change at all. He covered it up very well, which showed that he didn’t want the little nurse to know anything about him.

Liancheng Yazhi could not help but sigh.

sometimes, xia xuanmo’s gentle rejection would not only not help, but also cause more harm to the other party.

This would make the other party feel that your smile was not a rejection, but a response to her.

This was extremely unfair to the woman.

Chapter 2226: It would only cause her to misunderstand and fall deeper and deeper

Perhaps by the time she finally realized the truth, her heart would have already fallen beyond redemption, and the other party would still stand there without moving.

But at present, it seemed that the little nurse's heart was almost completely devoted to Xia Xuanmo, but Xia Xuanmo had never been moved by her at all.

Rong Yan sighed. Even she could see it, let alone Liancheng Yazhi.

It was easy to tell whether a man liked you or not.

Only the people who were in it couldn't see clearly.

People in love are all fools. It's not easy to get out of it.

Liancheng Yazhi raised his hand and knocked on the door, and Xia Xuanmo's voice came out. "Enter."

liancheng yazhi pushed the door open and entered. when the nurse saw them, she immediately stood up with a red face as if she had been caught in the act.

The young nurse pushed her hair behind her ears and said, "Hello, Yingluo. I'm really sorry about last time."

The little nurse's current mood was a bit like an ugly daughter-in-law meeting her in-laws. These were Xia Xuanmo's good friends, and they were the ones who sent Xia Xuanmo to this hospital. The little nurse remembered how embarrassed she was when she first saw them and suddenly felt embarrassed.

Rong Yan felt that this little girl was quite pitiful. She fell in love with an uncle, but the uncle didn't like her. She smiled. "It's alright, Yingluo."

what brings you here today? "Xia Xuanmo asked. please take a seat.

Liancheng Yazhi pulled Rong Yan and walked over. "It's a coincidence that ran ran and I came over today."

Xia Xuanmo saw that there was something wrong with the expressions of the two people and asked, "Is there something wrong?"

Liancheng Yazhi nodded and said,"a little awkward."

"Yingluo, if you guys have something to do, I'll go out first. You guys take your time to chat." the young nurse realized that it might not be easy to talk to this person, so she quickly said.

Rong Yan nodded and said,"good Zhenzhen."

In a while, they were bound to talk about Rong nuo and Tang Zong. It didn't seem good to talk about them in the way of the nurse.

The nurse left in a hurry.

what's the matter? "Xia Xuanmo asked after she left. tell me.

Liancheng Yazhi did not say anything and pointed to the vase on the windowsill. "The flowers are not bad."

you heard it? “Xia Xuanmo was stunned for a moment. you heard it all?”

Liancheng Yazhi did not answer and continued to ask, ” “What do you think?”

Xia Xuanmo, as if not understanding the hidden meaning in his words, said, ” “It’s pretty good.”

Rong Yan asked on behalf of Liancheng Yazhi, ” “Do you like it?”

Is it the flower you like? Is it the person you like?

This was what Rong Yan wanted to ask.

No. Xia Xuanmo shook his head. I’ve looked at all the flowers, and they all look the same.

liancheng yazhi asked the key question. ” “What about Rong nuo now?”

Every flower was beautiful, but there would always be one that bloomed in your heart.

Xia Xuanmo paused. I won’t forget Rong nuo’s words.

Rong Yan couldn’t help but say, “but Rong nuo is no longer yours. You have to try to accept another one. I think this girl is quite good. Even if you don’t like her, you shouldn’t always reject her. She won’t be able to feel your gentle rejection.

“If you do this, you will only make her misunderstand and fall deeper and deeper.”

“Have you tried to accept her?” Liancheng Yazhi asked.

Xia Xuanmo,”hehe.”

Suddenly, a sound came from outside the door. Everyone looked over, but they only saw the door that wasn’t closed properly shaking slightly, and the figure was already gone.

Rong Yan shrugged. Great, she heard it.

Chapter 2227: It’s just that easy to hurt someone

“See, it’s so easy to hurt someone.” Rong Yan sighed.

Xia Xuanmo retracted his gaze and said, ” “I’m trying, but Yingying’s not working well.”

Xia Xuanmo had also tried to accept another girl, just like what Liancheng Yazhi had said.

However, he found that he only liked Rong nuo’s type. As for other people, he had tried and tried, but he still had no feelings for them.

He was even repulsed by the nurse’s approach.

However, he had been taught to be a gentleman since he was young. He would not say bad things to girls, especially when this person was very good to him.

liancheng yazhi could see that xia xuanmo’s face was filled with pain when he said this. ” don’t force yourself too much. Let’s talk after you recover.

When recuperating, it was best not to think too much, as it would not be good for the healing of the wound.

Moreover, Liancheng Yazhi didn't want to force Xia Xuanmo to accept a woman he didn't like and rejected.

Even if Rong nuo was no longer in his life, he should be allowed to choose another partner according to his own will.

Xia Xuanmo nodded. en, I know. You haven't told me yet. Why did you come here? ”

Liancheng Yazhi was silent for a while. I've told you. Don't think too much.

Xia Xuanmo smiled, “what else can I think about? Could it be that my father is here?”

“Rong nuo is here, Zhenzhen, and Tang Zong are here too.” Liancheng Yazhi wanted him to “Oh.”

The smile on Xia Xuanmo's face instantly froze. “.....”

after a long time, xia xuanmo finally came back to his senses, ” “Why is Zhenzhen and the others here?”

Liancheng Yazhi said, ” it's not because of you. They don't know that you're here. It's Tang Zong's brother. Tang han is hospitalized, so they came to visit. We were afraid that they would find out about you, so we followed them.

Xia Xuanmo smiled bitterly. I see. It's fine, Yingluo. Everyone has gone their own way. Even if we meet, nothing will happen.

“We're both quite worried about you,” Rong Yan said.“We took this opportunity to come over and see how you're doing.”

Xia Xuanmo smiled. I'm very good. The doctor said that I may be able to do the second operation in half a month. You've also seen it. That nurse Qianqian takes good care of me. She's very careful and considerate. She always thinks for me.

“That's good. Yueyue, don't worry. It'll be fine if you really meet him.” Liancheng Yazhi thought for a long time and could only say this in the end.

Xia Xuanmo said, “yes, I have to thank you for your kindness. If it weren't for the medicine you kept sending me, my injury wouldn't have healed so quickly.

Since Xia Xuanmo deliberately changed the topic and did not want to mention Rong nuo again, Liancheng Yazhi and Rong Yan would of course not continue to be silly.

Liancheng Yazhi asked him,“you should be able to recover this year. Where do you plan to go after that?” he asked. are you going back?”

Xia Xuanmo shook his head. I don't know. Two days ago, people from the relevant Department came to visit me once and brought the order from the top. Maybe, after I recover, I will stay in the capital.

Rong Yan smiled. is that so? that's a good thing. Then, I have to congratulate you on returning home with honor.

When Xia Xuanmo left, many people said that Xia Xuanmo's political career was coming to an end, and that he might not be able to return to the imperial capital for the rest of his life.

She didn't expect that in less than two years, he would come back on his own.

Chapter 2228: no one can approach you

It seemed that Xia Xuanmo had made a lot of achievements during this period of time, to the point that his superiors could not ignore him.

Xia Xuanmo was a little disappointed. after going there, I actually feel that it's better to do things there. There are no restrictions and no pressure. Moreover, I like it there very much. The environment is very good, the sky is very blue, and the people are very simple.

Liancheng Yazhi patted his shoulder. don't think too much. You speak as if your heart has become pure, noble, great, and blue after you went there. It's good that you're back. When you were young, it wasn't like you didn't have time to go out.

Xia Xuanmo nodded. we'll talk about it when the time comes. I don't know when my injury will heal.

Rong Yan comforted him. you'll be fine. You see, your injury was so serious when you came, but now you look much better. Qianqian seems to be fatter than a few days ago. It seems that you've taken good care of that little nurse.

Xia Xuanmo was a little worried, perhaps because he remembered that their conversation just now had been heard by the little nurse. He hesitated for a moment and said, " "She's always been good to me."

Rong Yan said, "look, you're worried about her. This means that you're not completely indifferent to him. If possible, don't be so strict with him. If you don't let down your guard, no one can get close to you.

"I know." Xia Xuanmo's face was smiling, but his heart was a little depressed.

He didn't like to explain, nor did he like to comfort others.

The only person he was willing to comfort was Rong nuo.

However, the nurse had heard what they had said, and he couldn't just let it go when they met again. How was he going to comfort her then?

Liancheng Yazhi looked at the time. it's almost time for us to leave. If Tang Zong can't find me later, he will probably run around in case he really comes here.

At the mention of Tang Zong, Xia Xuanmo's face turned a little ugly.

The girl he liked was now standing next to another man. When he heard that the man was not in a good mood, he felt that he was in a bad mood.

lian Cheng yazhi sighed and wanted to say something, but in the end, he did not say anything else. he only said, " "Let's go."

"Alright, goodbye."

Rong Yan waved at him. goodbye. I'll come and see you next time.

“goodbye, yingluo.”

The two of them had just left the room, and before they could even catch their breath, they looked up and saw a person walking towards them. The person was only six or seven meters away from them.

The two of them immediately heaved a sigh of relief, and Rong Yan subconsciously grabbed Liancheng Yazhi's hand.

What the hell, did he have to be so unlucky? did he break his back just like that?

Liancheng Yazhi quickly calmed down. He pulled Rong Yan and quickly took two steps forward, blocking Tang Zong's way.

Liancheng Yazhi stared at Tang Zong's face. “What are you doing here?”

tang zong's expression was very normal, and it didn't seem like he had discovered xia xuanmo. if he knew that the person lying inside was xia xuanmo, he would definitely be furious. tang zong laughed and said, “Brother-in-law, big sis, of course I came to find you. I changed my name back, but I couldn't find you. I asked the nurses and they said they saw you coming this way.”

Rong Yan heaved a sigh of relief. Oh, I see, Yingluo.

Since they didn't find Xia Xuanmo, then they should quickly take him away, lest things get worse.

Liancheng Yazhi also thought the same. He reached out and grabbed Tang Zong's neck, turning him around. since that's the case, then Yueyue can go back.

Chapter 2229: almost discovered

Tang Zong did not leave. He turned around to look at the ward that was just a few feet away and asked, “Brother-in-law, who's inside? You're here to visit?”

The corner of Liancheng Yazhi's mouth twitched. Why did this kid ask this? his expression was indifferent and he said in a very normal tone, ” “Oh, an old friend of mine for many years.”

“Do I know him?” Tang Zong asked with a face full of curiosity.

“I don't,” Liancheng Yazhi replied decisively.

“In that case, can Yingluo see him? Anyway, we're already here.” Tang Zong was a curious child. He really wanted to meet Liancheng Yazhi's friend.

liancheng yazhi's hand tightened. he really wanted to slap this kid and knock him out. he cleared his throat and said, ” maybe next time. He's also very hurt. The doctor said that he can't talk for too long. We've already had enough time for the guest this time. It's not appropriate to see him again.

Tang Zong's face was full of regret. Oh, I see. That's a pity, Zhenzhen. But I'll have to come to the hospital again in the future anyway. I'll see you next time.

Rong Yan's knees went soft and she almost knelt down in front of Tang Zong.

F * ck this kid, why is he so insistent on a person he's never met?

Liancheng Yazhi raised his hand and slapped him. alright, stop looking. Let's go home. My son and daughter are waiting.

He pondered in his heart, it seems that it's time to change Xia Xuanmo to a more hidden Ward, and he also has to let the doctors and nurses keep it a secret and let them tell the public that Xia Xuanmo has been discharged.

Liancheng Yazhi secretly wiped his sweat. Damn, this Tang Zong kid is really too good at causing trouble.

Tang Zong nodded and said, "Oh, alright then, Yingluo."

"Where is Rong nuo?" Rong Yan asked.

"Oh, she's walking slowly. I told her to walk slowly behind me. I'm coming up first."
Tang Zong said.

Rong Yan panted lightly. Fortunately, the couple didn't come up together. Otherwise, it would really scare her to death.

"sister, what did you say?" tang zong turned his head and asked.

Rong Yan's heart skipped a beat. Just now, she had accidentally blurted out the words in her heart. She quickly said, " "Ah, Yingluo, did I speak? No, nothing. I say, it's good that you two didn't come up together. It's quite tiring to climb the stairs."

Tang Zong did not seem to have heard her clearly. He nodded. "yeah, i thought so too, so i didn't let her come up."

When he got downstairs, he saw Rong nuo standing in the small flower bed downstairs. There were no flowers in the flower bed, only some Holly that remained green in autumn and winter. She seemed to be thinking about something, and he could see that she was lost in thought.

"rong nuo has left," rong yan called out.

Rong nuo came back to her senses. Oh, you're here. "Yingluo, you're here.

"En, let's go."

rong yan carefully observed rong nuo for a while and found that rong nuo seemed to have something on his mind and had been distracted the whole way.

Rong Yan muttered in her heart. Did Rong nuo know about Xia Xuanmo?

That shouldn't be the case. Tang Zong didn't even know that he was upstairs. She was downstairs. It shouldn't be.

However, when they got home, they waited until it was dark outside. After dinner, Rong nuo suddenly said to Rong Yan, "Sis, let's go out for a walk."

Rong Yan was stunned for a moment. Alright, Yingluo."

She immediately perked up. Something was wrong.

Rong nuo rarely went for a walk with her in the courtyard at night.

Because Rong Yan had to walk around with Liancheng Yazhi every night, Rong nuo had always been tactful and did not disturb their time together.

But what happened today?

Chapter 2230: We're friends if we can't meet again

rong yan muttered in her heart, not understanding what was going on. tang zong also joined in the fun. "i'll go with you."

shut up! Liancheng Yazhi kicked him. go and accompany the old master to finish the game of Go you played before dinner.

Tang Zong did not notice that something was wrong, but Liancheng Yazhi had already noticed.

Rong nuo probably had something to say to Rong Yan.

Tang Zong's face was filled with reluctance. no, don't tease me. I'm definitely going to lose that game.

gu hesheng waved his hand at him. "come here and play with me. i never play half a game when i play chess with others."

Tang Zong had no choice but to sit down unwillingly.

"Wife, wait for me, I'll lose in a moment and go accompany you."

Rong nuo only threw him a few words,"play your chess well."

when she came to the courtyard, rong yan stretched her back. the temperature in late autumn was already very low. rong yan was wearing a thick cardigan, but she still felt a little cold.

She asked Rong nuo,"why did you think of coming out for a walk with me today?"

Rong nuo followed Rong Yan closely like she did when she was young."It's nothing. I just feel like I haven't talked to you in a long time."

The way she and Rong Yan got along had always been like half a parent and half a child.

When she walked with Rong Yan, unless she held her arm, she would always follow half a step behind her.

rong yan turned around and reached out to hold rong nuo's hand. " do you have something in your heart? "

rong nuo nodded. she looked at rong yan and asked, "Sister, who did you and brother-in-law go to see today?"

"You know?" Rong Yan's hand trembled as she asked.

"I just wanted to confirm it from you." Rong nuo bit her lip.

"What kind of answer do you want to hear?"

Rong nuo shook her head,"I don't know, Zhenzhen."

“actually, is this still important to you?” Rong Yan held her hand and continued to walk forward.

“I, Zhenzhen, don’t know either.” Rong nuo shook her head.

Rong Yan knew that Rong nuo would answer like this. of course, he is important to you because he has occupied a lot of your memories. He has also brought you a life and changed your character a lot. Therefore, he is important. However, whether he appears now or not, will it still affect your life now? ”

Rong nuo still shook her head.

“Actually, don’t you think that his influence on you is already very little?” Rong Yan raised her head and asked her.

“From where?” Rong nuo was puzzled.

Rong Yan said,“it’s from the moment you can still talk to me so calmly, and from the moment you found out, your emotions didn’t fluctuate much.” you see, you’ve been very calm ever since you found out about xia xuanmo’s whereabouts in the hospital. if you didn’t tell us, we wouldn’t have found out, right?”

Rong nuo was stunned. She didn’t say anything, and Rong Yan didn’t urge her either. Rong nuo needed to understand it herself.

after a while, she smiled. ” big sister, you sound like yingluo is like this. ”

rong yan patted the back of her hand. ” you might not be able to treat him as a friend when you meet him again. or if you’re a stranger when you meet him again, then why don’t you just not meet him? ” Don’t let Tang Zong meet him either. Just pretend that you don’t know anything about this matter.”

Rong nuo nodded,“yes, I understand.” &Nbsp;

“do you want to see how he looks now?” rong yan asked tentatively.

Rong nuo shook her head and said very calmly, ” there’s no need. It’s better if I don’t see him. Just like you said, if I can’t calm down when I see him, then I’ll just not see him. It’s good for me to be in a daze like this, and it’s also good for him.
