Chapter 2231: nobody owes anyone anything

Rong Yan nodded. Rong nuo's words were indeed much more mature than before. She said, "It's good that you can think this way. Life has to go on. If not seeing is better than seeing, why would there be a need to meet? There won't be any other possibilities, right?"

Rong nuo nodded and only said one word, "Yes,"

"You won't tell Tang Zong about this, will you?" Rong Yan asked Rong nuo.

Rong nuo immediately shook her head. of course not. If he knew, even if nothing happened, he would still cause trouble.

She could keep calm and not go to see Xia Xuanmo.

But Tang Zong wouldn't. This guy was more sensitive to the speed of Xia Xuanmo's words. if he knew, he would definitely cause a scene.

Rong Yan smiled and patted Rong nuo's shoulder. that's right. Let's not let him go to the hospital these days. Otherwise, he will find out.

The two sisters walked around the backyard and felt that they had said most of what they needed to say, so they went back the same way they came.

But halfway through, Rong nuo suddenly asked, "sister yueyue, are his injuries very serious?"

Rong Yan stopped and turned around to look at Rong nuo. The streetlight in the courtyard was a little dim, and Rong nuo was standing in the shadows. Rong Yan could not see her expression clearly, but she could vaguely tell that she was in a bit of a dilemma at the moment.

rong yan nodded and told him the truth. "yes, xuxu is quite serious. the doctor said that she would die if she didn't amputate her leg. however, she's fine now. the wound healed very quickly and she's more energetic. her leg is safe."

She did not intend to hide too much from Rong nuo, as it was useless to hide it.

xia xuanmo was in the hospital. if she wanted to know, she could go to see him at any time.

Moreover, Rong Yan had already guessed that Rong nuo would definitely be able to sniff out this question.

it was fine if she asked, but if she didn't, it meant that something was wrong.

Rong nuo only responded,"Oh Yingluo."

Then, he continued to walk forward.

Rong Yan held her hand and said, " you don't have to worry about him. He will have a second operation in the future to correct his mistakes and then recover. He will get better. Moreover, there is a little Secretary beside him who likes him very much. She is also a good person. I am thinking that it would be a good thing if we could match them together.

Rong nuo was stunned for a moment and smiled. this is indeed a good thing.

When she suddenly heard Rong Yan's words, she was indeed a little surprised. However, she soon realized that even if she heard it herself, Xia Xuanmo might be with another woman in the future. This made her feel relaxed.

This way, everyone would live their own lives in the future. With an ordinary life, no one would owe anyone anything.

Rong Yan saw that although Rong nuo's expression was dazed for a moment, she was still calm on the whole, so she said, en, it's a good thing. Xia Xuanmo needs someone to take care of him, and that little nurse is just right. Besides, I don't think he's completely uninterested in her.

Rong nuo smiled and reached out to hold Rong Yan's arm. "Sister, you don't have to tell me all this. I'm fine. Do I look like someone who's sad? As long as I don't see him, I'm still very normal."

Rong Yan nodded. alright, I'm overthinking it. I won't say anything more. Let's go back. If we don't go back, Tang Zong will come again.

just as he finished speaking, tang zong's voice could be heard from a distance, "Sister, nuo nuo, you two have changed back to your original form."

Rong Yan and Rong nuo looked at each other and smiled.

"You're back already, don't shout." Rong nuo shouted.

Chapter 2232-better not to see

After Rong Yan and Rong nuo confessed, she finally told them the secret in her heart. When she faced Rong nuo again, she no longer felt guilty. For the next two days, Tang Zong had to go to the hospital, and Rong Yan was no longer so worried.

At night, Rong Yan told Liancheng Yazhi, "Rong nuo already knew about that matter today, but she didn't care much about it and was very calm. I think she has indeed grown a lot more than before, and she has matured. I can rest assured now."

Liancheng Yazhi was not too surprised. He asked,"Does she think that we should tell Tang Zong about this?"

Rong Yan shook her head. she said that we don't have to tell him. She also said that if Tang Zong knew, even if he was fine, he would still cause trouble. It's better to avoid trouble. It's better that he doesn't know.

Liancheng Yazhi smiled. that's right. With Tang Zong's restless personality, it's better not to know.

Rong Yan leaned her head on Liancheng Yazhi and finally had a comfortable smile on her face. "With Rong nuo watching over us, we can be at ease now, Zhenzhen."

"yes, you can rest assured." Liancheng Yazhi sighed a little in his heart. He didn't know how Xia Xuanmo was doing.

There was indeed a problem on Xia Xuanmo's side.

The little nurse had heard their conversation and knew that Xia Xuanmo had someone he liked, but she also knew that he didn't like her.

These days, people's smiles and gentleness when talking to her were just Xia Xuanmo's character, not from his heart.

This was undoubtedly a huge blow to a girl who was deeply in love. Moreover, this was equivalent to stomping on her self-esteem.

That day, Xia Xuanmo did not see the girl again. When the Dean came to see Xia Xuanmo, he said, "Mr. Xia, I'm very sorry. The nurse who was originally arranged for you, Xiao Gao, suddenly had some health problems today and can't continue to work, so she took a leave of absence to go home and rest. Don't worry, I will find you a better one.

The expression on Xia Xuanmo's face did not change, but he sighed secretly in his heart. Rong Yan was right, it was really easy to hurt a person.

He didn't want to hurt the nurse, but he still accidentally stabbed her.

Xia Xuanmo smiled faintly. it's okay. If you're not feeling well, just rest well. Where is Huahua feeling unwell? " Is it serious?"

The director said, " Oh, it's not too serious. I think it's just a stomach problem. She's in a lot of pain. I told her that if it's serious, I'll come to the hospital for a checkup and hospitalization.

Xia Xuanmo was silent for a moment. stomach problems, ah Yingluo, should be taken care of. Let her rest well. Don't feel any pressure.

The Dean explained the situation to Xia Xuanmo and examined his injuries before leaving.

However, he came again an hour later. This time, he came with a nurse.

The director pointed at the nurse. this is the nurse who will take care of you in Gao's place. If you think Gao is not bad, you can ask her to take care of you when she's better.

Xia Xuanmo looked at the female nurse who was about 30 years old and shook her head slightly. no need. Let her recuperate. We'll talk about the rest after Zhenzhen.

If he couldn't give the nurse hope, it would be better if they didn't meet again.

After leaving, he would probably be able to walk out of it gradually.

this was better for her.

He couldn't be responsible for her, and he couldn't give her hope, so he shouldn't drag her into a deeper abyss.

Chapter 2233: A happy thing

However, what Xia Xuanmo didn't expect was that the next day, at noon, the little nurse who said she had a stomachache suddenly came again. Her eyes were red, and her face was not very good. There was also a faint blue circle under her eyes. She probably didn't sleep last night, and she looked very tired.

When she arrived, the new nurse in Xia Xuanmo's room was busy.

When Xia Xuanmo and the new nurse saw her suddenly break in, they were stunned.

Didn't you say that you'll be taking a long leave? They're here so quickly?

Xia Xuanmo quickly reacted and said with a smile, "Aren't you sick? Why don't you keep it at home? You don't look too good. You should go and rest first."

The nurse's eyes reddened. She finally understood that no matter who this man was facing, he would always be so gentle and refined. However, his gentleness was not warm at all.

The young nurse sniffled. I'm fine. I'm fine now. Secretary Zhou asked me to take good care of you and gave me such a high salary. I can't let her down.

The new nurse also knew her. When she saw this, she said, "Xiao Gao, is your body really fine?"

The nurse shook her head. no problem. Let me handle this.

alright, ran ran. You're more familiar with this place. I'll take my leave first, Mr. Xia. I have to inform the director.

xia xuanmo nodded. "okay, go ahead. thank you for taking care of me."

"No need to thank me, this is what I should do."

after she left, the nurse sniffed and tears still flowed down her face. however, she quickly wiped them away. "Do you always speak to everyone so gently?"

Xia Xuanmo didn't seem to understand the meaning of her words, but said, "my temper is like this, i can't get angry. usually, pixiu don't have much dignity."

In the past, Rong nuo had said that he rarely showed a dignified appearance and had almost no bureaucratic air. Moreover, people who met him for the first time would rarely associate him with an official.

However, Rong nuo also said that he looked gentle and harmless on the outside, but on the inside, he was so Black-bellied that he couldn't even see his fingers.

Only those who were familiar with him could understand Xia Xuanmo thoroughly.

The nurse was young after all, and she wanted to ask what she had said yesterday, but, "F * ck me f * ck me"

After a few words, he still did not say anything.

She was quite afraid, because she felt that Xia Xuanmo might not let her take care of him after she told him.

After struggling for a while, the nurse took a deep breath and said, "I'm very sorry about yesterday, Mr. Xia. I went back without telling you because Yingluo was unwell. Please don't take offense."

Xia Xuanmo didn't seem to know that she had been eavesdropping outside the door yesterday. He said, "it's fine. You don't have to apologize to me. If you're not feeling well, you should recuperate first. Don't be like me. I only realized how blissful it is to be able to walk on my own legs when I can't move my legs anymore."

xia xuanmo's words were harsh and reserved. he just wanted to tell the little nurse not to care about those people and things that she shouldn't care about. she should focus on those who really need her care.

The young nurse nodded her head randomly. okay, I got it. I'll be more careful in the future.

Xia Xuanmo saw that her expression was really bad, "I'm free now. You don't look well, so you should go and rest. I'll teach you if there's anything."

Chapter 2234: rejecting people a thousand miles away

Xia Xuanmo hesitated for a moment, then nodded and said, "Alright, I'll take note of Yingluo."

the young nurse bit her lip. it was the same again. it was always the same. no matter what she said or did, he would always be calm and collected.

She used to think that he was gentle and that he was the best person.

Only now did he realize that he was actually keeping people at arm's length.

No matter how hard she tried, she could not get close to him.

The little nurse was very sad, and she really wanted to yell at Xia Xuanmo and make a scene.

however, he was injured and the doctor had repeatedly told him to rest. she was a nurse and she couldn't do it because she was hungry.

Moreover, even so, she still wanted to stay by Xia Xuanmo's side. Even if he didn't have her in his heart, she still wanted to be close to him, to be able to see him, and to take care of him.

The young nurse stood on the spot and adjusted her mood before leaving gloomily.

Xia Xuanmo heaved a sigh of relief. If she didn't ask him, he would just pretend that he didn't know. Ran ran would just forget about this matter.

He didn't want to give his feelings. He had given his feelings to one person, and he didn't want to let the other down, so he just pretended that nothing had happened.

That day, Liancheng Yazhi arranged for the head of the hospital to change Xia Xuanmo's ward and also canceled Xia Xuanmo's hospitalization record to avoid being discovered by Tang Zong.

After that, Tang Zong did come to the hospital a few times. He even specially asked the doctor about young master ya's friend and wanted to see him.

However, she informed Tang Zong that young master ya's friend had already been discharged from the hospital.

This made Tang Shen feel disappointed.

After returning, she even said to Liancheng Yazhi, "brother-in-law, that friend of yours has been discharged from the hospital. Didn't she say that she was very hurt?"

Liancheng Yazhi quickly put on a surprised look. "Ah, Yingluo, are you discharged? I don't know. I'll ask him later. Maybe Yingluo is bored in the hospital."

This matter seemed to have disappeared without a trace, and no one mentioned Xia Xuanmo again.

Tang Zong had also quickly forgotten about this matter.

Seeing that winter was approaching, Tang Han's injuries were repeatedly recovering. Good for a while, bad for a while. In just half a month, he had lost a lot of weight.

The doctor said that if this continued, even if he recovered in the future, he might not be able to continue his military career. He would either switch to a civilian post or retire from the Army.

This was undoubtedly a huge blow to Tang han.

After Tang han found out about this, he didn't disclose it to Tang han.

Tang Han's father had never appeared again ever since Gu liunian ran away from the hospital. Some people said that he ran away with his mistress, while others said that he might have hidden himself.

However, no one cared about this.

Mrs. Tang was so scared that she almost lost her mind. Tang Zong was so annoyed by her noise that he directly threw her back to the Tang family's hometown in the South. In the end, the Tang family didn't want to have a crazy person in their family, so they sent her to the mental hospital.

Gu liunian didn't appear again, and Yongye didn't appear either. Their brief appearance seemed to be to turn the Tang family into a mess and then let them do whatever they wanted.

Originally, Tang Zong did not care about the Tang family at all.

however, tang zhen's parents couldn't be counted on, and the tang family had adopted an indifferent attitude towards him.

hence, tang zong had no choice but to take on the responsibility of taking care of his brother.

Although he was still unwilling, he couldn't just watch Tang han in the hospital without anyone caring about him, right?

Chapter 2235: You're playing this trick again

Tang Zong often went to the hospital, but he had never found Xia Xuanmo there, so the family was relieved. They didn't need to worry about this matter anymore, and MeowMeow also stopped humming that song.

These two things made Liancheng Yazhi and Rong Yan very happy. It was a good thing that MeowMeow was no longer obsessed with that song. The little guy liked new toys again and was no longer enthusiastic about the piano, so Liancheng Yazhi stopped her piano lessons.

peace was finally restored at home, and every day was peaceful and warm. liancheng yazhi also started to go to work occasionally, and the whole family began to live a normal life.

from the beginning of the year until now, his family had not had many peaceful days.

During dinner, Gu Hesheng flipped through the calendar and said, " " it'll be the gregorian year in a month's time. this year is going to be over soon. please don't let anything happen to our family. "

"it won't happen, dad. i've thought about it, and everything that can happen has already happened," rong yan said.

Liancheng Yazhi pinched her face. "why do i feel like your words don't sound right?"

"What's wrong? did i say something wrong? If it's already over, won't it be over?"

"Is that so?"

It was winter and the weather in the North was getting cold. It was past 9 p.m. And everyone in the family had gone back to their rooms to play with their phones and computers. It was almost time to sleep. Couples could even do some night exercises.

After taking a shower, Rong Yan went under the covers early. Although the temperature inside was very warm, Rong Yan still felt stunned when she heard the cold wind outside the window, so she didn't plan to come out once she got under the covers.

liancheng yazhi gritted his teeth and secretly glared at her. they had finished bathing so quickly, but they didn't even wait for her. didn't they say that they were going to take a couple's bath? he must have forgotten again.

Liancheng Yazhi entered the bathroom by himself. After a while, he called out, "Wifey Yingluo" Rong Yan was playing games on her tablet. yes, what do you want? "

"I didn't bring my pajamas, can you help me get them?" Liancheng Yazhi said.

"Oh, Yingying, okay. Wait a minute, let me finish this game." rong yan didn't even look up as her fingers quickly swiped across the screen.

Liancheng Yazhi stood under the shower with his arms crossed. He waited for a full six minutes before Rong Yan finally died.

rong yan put down her tablet and mumbled, "Aiya, I almost won. What a pity, Yingluo."

She grabbed Liancheng Yazhi's pajamas and mumbled to herself, "what a pity. she walked to the bathroom door, opened it, and handed the pajamas in. "Here, I've brought it for you,"

However, the person inside did not take the pajamas. Instead, he grabbed her hand and dragged her into the bathroom.

Rong Yan exclaimed, "Aiya, what are you doing? I'm done bathing. My pajamas are wet."

"It's wet, just in time. Take it off." Liancheng Yazhi lowered his head and kissed Rong Yan's lips as he said anxiously.

the pajamas on rong yan's body were quickly removed, and the hot bath water fell on her skin, making her feel a little hot. she trembled and couldn't avoid liancheng yazhi's attack. she quickly hugged his neck and jumped onto him. "You're playing this trick with me again. If you want to tell me, I'll satisfy your desire."

Liancheng Yazhi

Rong Yan's bold and shameless appearance made Liancheng Yazhi a little speechless, but he soon returned to normal. She had seen how shameless Rong Yan was, so what was this?

Liancheng Yazhi shook his head decisively. no, I didn't. I really forgot to take my pajamas.

Chapter 2236: everything my wife says is right

Rong Yan bit his neck. “Hmph, if I believe you, my IQ is negative.”

Her bite was a little painful. Liancheng Yazhi hissed and said, ” “Yeah, I did it on purpose, so what? You’ve forgotten what you’ve said. I’ve called you over to recall what you’ve said, alright?”

Rong Yan bit on a small piece of flesh from Liancheng Yazhi’s neck and rubbed it with Yazhi. She said with a muffled voice, ” “If you had said so earlier, Yingluo wouldn’t have bitten you.”

“yes, i was wrong, yingluo.” liancheng yazhi would not argue with her at this time. as long as he could get his way, everything else was just fleeting clouds. whatever his wife said was right.

Liancheng Yazhi touched her up and down. He had only started to eat meat recently. Previously, he had been worried that Rong Yan had just finished her confinement period. Thinking that her body should have gotten better in the past two weeks, he gradually began to open his appetite.

The hot water in the shower continued to pour down, and white steam filled the bathroom. The white light above them was very soft under the White mist, just like a Fairyland.

The two figures intertwined, blurry and beautiful, like a hazy scroll.

the charming atmosphere was rising with the temperature.

The sound of his deep breathing reverberated in the room, and it was obvious that he was being ambiguous.

Rong Yan’s slightly hoarse and lazy voice rang out, ” “Hubby, I’ve already taken a shower, I don’t want to waste time here!”

wait a little longer. I’ll go out for a walk immediately. Liancheng Yazhi’s voice was suppressed.

Suddenly, there was a rapid knock on the door.

Rong Yan patted Liancheng Yazhi’s wet back. “Someone is knocking on the door, Yingluo.”

Liancheng Yazhi frowned. Who would dare to come and court death?

he was very angry,”don’t worry, let’s continue to argue.”

The knocking continued, and it was getting more and more urgent.

“young master ya, young madam yingluo has a guest.” butler li’s voice came from outside the door.

rong yan gasped for breath and pushed liancheng yazhi’s chin. ” “something urgent must have happened at this time.”

Liancheng Yazhi really wanted to open the door and flush Butler li down the toilet. At this time, it was obvious what the young couple was doing. They actually came to knock on the door. They were forcing him to kill.

Liancheng Yazhi's face was dark as he carried Rong Yan out of the bathroom. Then, he wiped her up with a towel and put on a new set of pajamas for her before tucking her under the blanket.

Liancheng Yazhi saw that Rong Yan was snickering and reached out to pinch her. wait, I'll come back and deal with you.

Rong Yan couldn't help but laugh. don't worry, I'll be ready.

Liancheng Yazhi was at a loss for words. His body was wet, and his hair was dripping with water. He was too lazy to wipe it off, so he put on his clothes and opened the door.

"what's the matter?" he asked in an unfriendly manner.

Caretaker li swallowed her saliva. She seemed to know that she had interrupted someone's good time. She took a small step back."Young master ya, someone is looking for you outside the exoskeleton."

Just now, the door of the Liancheng family's house suddenly rang. Caretaker li had originally planned to go to bed, but when he ran out, he saw that it was a person looking for Liancheng Yazhi.

"who?" he frowned.

Caretaker Li said carefully, " young master, there's someone outside. He said he's looking for you. He also said that Yingluo has something very urgent to do. Oh, he's wearing a military uniform.

Liancheng Yazhi frowned. Someone in military uniform. Other than the incident with Kang kun, there shouldn't be anything else. He didn't know if Tang han would be able to survive.

Chapter 2237: i'd better stand

Liancheng Yazhi turned around and said to Rong Yan, " I'm going downstairs for a while and will be back soon. Don't sleep, Yueyue.

The corner of Rong Yan's mouth twitched. She thought that Liancheng Yazhi wanted to say, " go to sleep first and don't wait for me. she didn't expect this guy to hold a grudge.

rong yan waved her hand. " okay, okay, i know. you can go and put on another coat. it's quite cold outside, so dry your hair. "

Liancheng Yazhi didn't want to wear it at first, but when he heard the cold wind outside, he decided to turn around and open the closet. He took out a medium-long coat and put it on. He picked up a dry towel and wiped it as he went downstairs.

Butler li did not let that person in. Who knew if he was a good or bad person? moreover, there were rules at home that other than Liancheng Yazhi's friends, anyone else had to get Liancheng Yazhi's permission to enter.

if young master ya didn't agree to let anyone in, no one could enter.

Liancheng Yazhi sneezed as soon as he walked into the courtyard. His hair was still wet, and when the cold wind blew, he immediately felt that his head was a little numb.

Liancheng Yazhi tightened his clothes and quickly took a towel to wipe his hair.

The door opened, and under the two street lights, he saw a young man standing upright. The cold wind seemed to be unable to even move the corner of his clothes.

He was very young and should be a student soldier. There was an old Jeep parked behind him. The Jeep was quite dirty and seemed to have been driven for a long time.

after he saw Liancheng Yazhi, he immediately gave him a standard salute.

This should be the one with the lowest rank among the soldiers who came to see Liancheng Yazhi, but Liancheng Yazhi was a little interested in this person.

It was interesting to travel a long distance to find him alone in the middle of the night.

Liancheng Yazhi glanced at him and said, "Let's go," he said.

With that, he turned around and entered the house.

In the end, he didn't hear any footsteps behind him. He turned around and saw that the private was still standing there as if he didn't know what to do.

Liancheng Yazhi smiled. "you're willing to be exposed to the cold wind. i'm not."

The private hesitated for a moment before saying, "But didn't Yingluo say that outsiders are not allowed into your house?"

Liancheng Yazhi laughed. tsk. You even know this. Who told you? "

it seemed like he had dealt with this person before.

He looked at people with his eyes wide open. If he felt comfortable looking at them, he would relax his boundaries a little. If he felt uncomfortable looking at them, he would absolutely forbid them from entering.

For example, Tang Han and Mo Zhongkai.

Butler Li had followed them to open the door for Liancheng Yazhi. Seeing that the kid was still a little silly, she quickly said, "come in. It's so late. Our young master ya asked you to come in, but you were standing.

in the end, the young soldier stepped into the Lian family's house uneasily.

Along the way, he followed behind Liancheng Yazhi and did not look sideways, as if he did not care about everything around him at all.

When they reached the living room, Liancheng Yazhi threw his coat to Butler Li.

"Have a seat." He pointed to the sofa.

However, the private was still standing at attention. He looked straight ahead and did not react to the luxurious decorations in the living room. He said, "I'll just stand."

Liancheng Yazhi did not force him. This was the rule in the military camp. He had to stand when reporting to the chief.

He was probably treating Liancheng Yazhi as the Head of the Department.

Liancheng Yazhi smiled. alright, you can stand if you want to. Tell me. Who asked you to come? "What was his purpose? Where did you get it from?"

Chapter 2238: Don't worry, I won't despise you

The Private's answer was simple. reporting, Major General Kang Yi would like to see you.

"Did something happen to Kang Zhenzhen?" Liancheng Yazhi had guessed that Kang Xi had sent him here, but he didn't expect that Kang Xi would actually say that he wanted to see him.

Liancheng Yazhi immediately realized that there might be a problem.

The private took two steps forward and took out an envelope from his chest pocket. He handed it to Liancheng Yazhi with both hands."This is a letter from Major General Kang. He said that you'll go after reading it."

Liancheng Yazhi frowned. After taking it, he quickly opened it, and there was only one sentence written on it-bring Natsume here.

The words were written with great force, and each stroke of the few short words would tear the paper.

Liancheng Yazhi's heart skipped a beat. These words were obviously written out of his control.

Was there something wrong with Kang Yu's genes again? was he losing control of his power?

what? " Liancheng Yazhi suddenly stood up. did he lose control? "

"Reporting, it's ran ran." The private hesitated.

"Where is Kang Yu now?" Liancheng Yazhi suddenly closed in on him.

"Report, at the base," the private replied.

Liancheng Yazhi suddenly grabbed his clothes."Where is the base?"

reporting, " the private continued, " a base is a base. I'll Take You There.

Liancheng Yazhi shook him off. aren't you investigating his mother? Why did you go to that damn base?"

Liancheng Yazhi knew that it was useless to talk to this little private, but he was very angry now.

Natsume had said before that after his treatment, Kang Yu's condition should be fine, unless he suffered from some unknown trauma.

The private staggered a little from Liancheng Yazhi's shake, but he quickly stood up."Sir, I don't know."

Liancheng Yazhi asked,"why did they send you over for such an important matter?"

"Because that's how you won't be noticed."

"is he in a very bad condition?"

The private hesitated for a moment and said,"it's Yingluo."

Liancheng Yazhi kicked the sofa angrily. He really wanted to use the private in front of him as a target and shoot him into a sieve, but he also knew that it was useless to hit him. It was useless. He had to hurry and see Kang kun.

“How far is the distance?” he asked, waiting for the private.

“Sir, if you drive, you will need to go to the gas station for 10 hours without rest.”

Liancheng Yazhi glanced at the clock on the wall. It was already past 10 O ‘clock in the evening. He said, “We’ll leave in ten minutes.”

He immediately turned around and went upstairs.

The private looked at his back and responded loudly, ” “It’s Yingluo.”

Upstairs, Liancheng Yazhi took a deep breath before pushing open the door.

Rong Yan was already sleepy, but she was still waiting for Liancheng Yazhi. She yawned as she played games on her tablet.

The moment Liancheng Yazhi entered the door, he heard the sound of a game over.

Liancheng Yazhi walked over and reached out to take the tablet from his hands. you’re not asleep yet, Yingluo? ”

“Didn’t you ask me to wait for you?” Rong Yan pouted.

Liancheng Yazhi touched his nose. well, Wanwan’s wife. We might have to wait until tomorrow to continue with tonight’s matter.

Rong Yan’s eyes widened. d * mn, hubby, don’t tell me you’ve gone out to freeze and found that you can’t do anything without taking a bath? Don’t worry, I won’t despise you. Don’t feel embarrassed, you have to see a doctor. I’ll accompany you to see a doctor.”

Chapter 2239: leaving tonight

Liancheng Yazhi was instantly speechless.

The words that he had originally prepared were suddenly lost for words.

He frowned as he looked at Rong Yan and talked non-stop. In the end, he leaned over and kissed her lips.”Can’t you have such high hopes for your husband?”

Rong Yan was stunned for a moment. Of course not, but what if you’re in danger?”

Liancheng Yazhi pulled Rong Yan into his arms and rubbed her hair. “there’s no” what if.”that’s not what i wanted to talk to you about.”

Rong Yan raised her head and asked, ‘what’s that? don’t tell me it’s you, yingluo?”

Liancheng Yazhi was afraid that Rong Yan would say something she shouldn’t say again and quickly said, ” “Don’t say anything now, listen to me.”

Rong Yan saw that Liancheng Yazhi’s expression was very serious and nodded. “Uh, Yingluo, okay, you say, you say Yingluo.”

Liancheng Yazhi looked at the time. Half of the ten minutes had passed. He said, ” “Someone came to our house. He’s someone sent by Kang Yu. Kang Yu’s health is not good now, so he asked me to bring Natsume over.”

“Where are you going?” Rong Yan raised her head.

Liancheng Yazhi quickly patted her back to calm her down. He said he’s going to the base, but I don’t know where it is. It’s about a ten-hour drive.

Rong Yan bit her lip. is the situation very serious? ”

Liancheng Yazhi sighed. it should be serious enough. Otherwise, why would Kang Yu send someone over? it must be Natsume. It seems that no one but Natsume can control his situation.

Rong Yan grabbed Liancheng Yazhi’s sleeve. “Did you just want to tell me that you’re leaving tonight?”

Liancheng Yazhi nodded. yes, I’m leaving tonight.

but I’ll be back soon this time. It’ll only take 20 hours. I’ll just go there and check on Kang Zhen’s condition. Then, I’ll come back as soon as possible, okay? ”

rong yan was silent for a moment. she couldn’t help but remember that during the new year, he had gone out and not returned for nearly three months.

Rong Yan wanted to stop Liancheng Yazhi from going over. She also knew that if she said it, Liancheng Yazhi would listen to her and not go over.

But Rong Yan couldn’t say it. She didn’t want Liancheng Yazhi to be worried about Kang Rong. If that happened, even if he was by her side, she wouldn’t feel good.

in the end, rong yan nodded. “alright, you can go. the sooner you go, the sooner you can come back.”

Liancheng Yazhi lowered his head and kissed Rong Yan on the cheek. “Don’t worry. I’ll be back in three days at most.”

Rong Yan glared at him. Hmph, you also said that you would come back early the last time. In the end, you were gone for three months. Our son has already grown from a fertilized egg to a small bean sprout.

Liancheng Yazhi laughed and shook Rong Yan. “I promise this time I won’t, I definitely won’t fail!” then hurry up and go. If you wear thicker clothes, will you have time to dry your hair? ” Rong Yan reached out to touch Liancheng Yazhi’s cool hair.

“I won’t dry my hair.” Liancheng Yazhi shook his head.

Rong Yan sighed. it’ll take three days to go back and forth. Bring two pieces of clothes.

Liancheng Yazhi nodded.”Good, Yingluo.”

He pulled open the wardrobe, took out two sets of thick clothes from inside, and stuffed them into a handbag.

Rong Yan didn't move either. She didn't help him unpack his luggage and just lay on the bed to look at him.

After Liancheng Yazhi was done, he changed into a pair of leather shoes and walked over to give her a hug. "Wait for me, don't come down,"

Chapter 2240: Used to having someone to accompany

Rong Yan nodded. okay, I won't send you off. It's very cold outside. I'm afraid I'll catch a cold.

Liancheng Yazhi pinched her cheek. "You're so finicky. Qianqian told you not to send me, and you really didn't."

"Are you not coming back if I don't send you off?" Rong Yanye glared at him.

Rong Yan was someone who did not like to leave, so she would never show any sadness or reluctance when she left. She just wanted to let this man feel that she did not mind him leaving and would always wait for him at home.

rong yan would not add any pressure to liancheng yazhi. every time he left her, he would appear very relaxed, not giving him or himself any pressure.

he would just treat it as an ordinary trip.

Liancheng Yazhi quickly shook his head. of course not. I have a lovely wife and daughter at home. How can I bear to do that? "

"Hmph, it's good that you know." Rong Yan rolled her eyes at him.

liancheng yazhi touched her face and said,"then, ran ran, i'll leave first."

Rong Yan pretended to be impatient and waved her hand. "Let's go, let's go. Hurry up and go back. Don't dawdle on the road, Hanhan."

liancheng yazhi wailed and lay on her chest. "Honey, you're making me very sad."

Rong Yan pushed his head away. I'm still sad. I'm sleeping alone in the middle of the night under the cold blanket. Do you think I'm lonely? "

Liancheng Yazhi smiled. don't worry. I'll be back soon. I'll warm your bed.

Rong Yan pushed him. your time is up. Hurry up and go.

liancheng yazhi said,"i'll be leaving then, yingluo."

Rong Yan thought about it and still instructed, " "Okay, Wanwan, be careful on the road. Don't drive when you're tired."

"Alright, I got it."

Before he went out, he turned around and sent Rong Yan a flying kiss. rest well at home and wait for me.

Rong Yan pouted. tsk, tsk, tsk. You rushed back. I don't know if you still have the strength.

Liancheng Yazhi gritted his teeth. don't worry, your husband. He'll definitely be full of energy when dealing with you.

The door closed in the end. Rong Yan sighed and counted on her fingers. She would only arrive tomorrow morning if she went tonight. It would depend on the situation after she arrived. Even if she came back, it would probably be the day after tomorrow.

The sound of a car starting up came from outside. Rong Yan rolled twice on the bed and finally decided to jump off. She stood in front of the window and peeked out.

After the car left the Lian family, Rong Yan sighed.

fortunately, the danger this time wasn't great. otherwise, rong yan really wouldn't be able to be so calm.

Rong Yan looked at the big bed. She was used to having someone to sleep with her. Now that half of the bed was empty, she couldn't fall asleep no matter what.

After tossing and turning in bed for half an hour, Rong Yan simply put on a coat, put on slippers, and went to Miaomiao's room.

She liked to sleep with someone. If her husband was not at home, she would carry her daughter. Her son was too young and could not carry anything. It would be worse if he squashed something.

Rong Yan pushed open meowmeowmeowmeow's door and entered. There was a small orange light in the room and her daughter was sleeping soundly in bed.

rong yan walked over gently, lay down, and reached out to hug meowmeow.

After holding

rong yan immediately got out of bed and ran back to her room to find a thermometer to measure meowmeow's temperature.

The cool thermometer made MeowMeow shiver and she woke up. She opened her eyes in a daze and saw Rong Yan. mommy, Huahua.
