

Permit Me 481

Chapter 481 Mommy, where's daddy?

Rong Yan paused for a moment and said, "it's Zhenzhen."

now that it had come to this point, anything else would be in vain. it was better to tell the truth, and the rest could only leave it to fate!

The result was that Liancheng Yazhi left, but he did not get angry! there was no hysterical argument, only the back view of the person who turned and left.

Compared to the way they got along three years ago, Rong Yan didn't know if this was an improvement or a regression. Was it because both of them had matured, or was it because Wanwan was too lazy to even quarrel?

Rong Yan stood alone for a while before she slowly bent down and covered her face.

She wanted to cry, but she couldn't.

The forgotten bouquet of roses lay on the ground, all alone.

she walked over and picked up a petal that was still in good condition. she slowly clenched it!

No, this matter can not end like this.

no matter what, he had to make meowmeow stay and let liancheng yazhi find him the best doctor.

Suddenly, a furry little head stuck out from the door. When she saw Rong Yan, her face was full of joy. "Mommy, Yingluo."

When "mommy, daddy said he wanted to go to the amusement park. where's daddy?"

rong yan's heart ached for a moment. she bent down to pick up meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow and coaxed her in a low voice, "Baby, I might not be able to go today. Dad has something important to do, can you wait for a while? We'll get him to bring you there next time."

"Alright then, Yingluo."

.....

No wonder Rong Yan was so scared when she heard MeowMeow crying so loudly.

No wonder she objected to going to the amusement park.

It was all because of MeowMeow's congenital heart disease. She was not suitable for emotional fluctuations and was not suitable for excessive exercise.

Rong Yan's words rang in his ears over and over again.

After leaving the old Liancheng house, Liancheng Yazhi immediately called Secretary Zhou. contact the world's top cardiologist immediately. I want the best doctors and nurses, the best medical equipment, and the best medicine, Qianqian. If anyone dares to not come, get them for me. They must be done by today.

Why didn't rong Yan understand that she was Liancheng Yazhi's daughter? he would love her too.

how could he bear to see her in trouble? the moment he heard that

He didn't even dare to look at MeowMeow now, because he was such a bad father.

Secretary Zhou heaved a sigh of relief. I understand, I understand. Don't worry, young master Xuanji. I'll get this done without doing anything. All the preparations will be done within a day!

“Find all the medical cases related to MeowMeow and send them to me!”

“Yes, I'll sort it out immediately and send it to your email.”

Secretary Zhou still wanted to say something, but the other end hung up. He sighed. They already had a child, so they should just stop tormenting each other and live well.

Under the scorching sun, Liancheng Yazhi stood alone in the amusement park.

There were many workers in the amusement park, still decorating the place. There were colorful balloons of all shapes and sizes, pots of flowers on the side of the road, and not far away, there were many small animals and the main characters in Disney cartoons. The place was decorated so festive as if a joyous feast was about to be held.

Liancheng Yazhi slowly took out a small and exquisite velvet box from his pocket. He opened it and saw a diamond ring shining dazzlingly under the sun.

—

Chapter 482 Stay by her side for the rest of her life

After Liancheng Yazhi woke up in the middle of the night last night, he suddenly remembered that he had already decided to get married, but he had not proposed yet. While he was foolishly preparing for the wedding, it was still unknown if the bride would be willing to marry him.

So, Wanwan went out early in the morning and bought the proposal ring and roses. She ordered all the amusement park staff to work overtime and decorate the amusement park. She was just waiting to propose to Rong Yan here today. He really wanted her to be his wife and stay by her side for the rest of his life.

However, this was the first time in his life that Liancheng Yazhi had bought flowers, and he did not give them away.

This was the first time he wanted to propose to a woman, but Yingluo still didn't have him in her heart.

Liancheng Yazhi was not angry at Rong Yan for using him, but because of her disbelief. That was his daughter, his blood, his own flesh and blood. He could do anything for her to persuade him, her father, not to mention just finding a few doctors. Why did Rong Yan think that he would not save MeowMeow?

how disappointed was rong yan in him to have such an understanding?

Liancheng Yazhi suddenly felt that in addition to time, there was also a gap between him and Rong Yan in the past three years. It was even harder for them to communicate than three years ago!

But-

Even so, he didn't want to let her go.

He still wanted her

Although this woman was not good at anything, although she was cruel and decisive, although she may have never really regarded him as her man from the beginning until now, even if she had given birth to his daughter.

Liancheng Yazhi silently lowered his hand and slowly clenched the ring in his hand.

.....

At seven o'clock in the evening, sitting in the car, Liancheng Yazhi finished reading all the documents sent by Secretary Zhou on his laptop.

It started from Rong Yan's first prenatal examination after she settled down in country W. It was also the first time she found out that the fetus' heart was not in good condition. There was also information about her delivery, as well as information about how she had taken MeowMeow for physical examinations regularly over the years. This included the recent time when MeowMeow suddenly fell ill and was hospitalized for 15 days. All the doctors were helpless.

There was a photo in the information, which was probably taken by the hospital nurse when Rong Yan wasn't paying attention. Rong Yan sat by the bed and looked at MeowMeow, who was sleeping. In the photo, she was mentally exhausted and her eyes were full of pain that his body couldn't bear. Yingying also looked like she would die at any time if MeowMeow was no longer around.

This thought shocked Liancheng Yazhi, and he instantly felt a chill from head to toe.

Liancheng Yazhi suddenly understood one thing. Even he felt so heartbroken when he heard the news of meowmeowmeowmeowmeowmeow's illness, let alone Rong Yan.

rong yan had been pregnant for ten months and had brought up her child with great pain. instead of saying that she was

When MeowMeow touched a strand of hair, she felt her heart ache. She must be more afraid than anyone else when such a big thing happened. She looked so calm on the surface, but in fact, she should be more fragile than anyone else at this moment. The pressure of her daughter leaving at any time was like a huge stone pressing on her heart, torturing her all the time. He could not understand that kind of pain at all.

Liancheng Yazhi slammed the steering wheel hard. Why didn't he think of this earlier? this was great. He had hurt Rong Yan's heart again. How could he redeem himself?

Chapter 483 Laughing out loud

Liancheng Yazhi wanted to rush back right now, but he stopped when he was 200 meters away from the Liancheng family's old house. Now, the key was to go back and ease the relationship between him and Rong Yan.

Liancheng Yazhi thought for a while, but he really couldn't think of a way, so he grabbed his hair anxiously.

he accidentally turned on the radio in the car, and it was playing a talk show about relationships. when liancheng yazhi turned it on, there was a hotline. a man who spoke a little sissy asked the host

a question, saying that he had done something wrong to his girlfriend a year ago, and then his girlfriend had left. however, she had suddenly returned with a child by her side. the child was his, and he really wanted to take care of the mother and son, but his girlfriend did not agree. he didn't know if it was because he didn't like him anymore, so he didn't want him to take care of him.

when liancheng yazhi heard this, he immediately perked up his ears. why did it sound similar to his?

The emcee went on and on, Why don't we listen to the opinions of our audience friends!

very quickly, he picked up the calls from a few enthusiastic listeners.

[the first one: I'm not trying to criticize you, but you've been run over by a car. What an idiotic question. If a woman doesn't like a man, why would she be willing to bear his children?]

[second, you're a bit of an idiot. When a woman is willing to bear the immense pain of pregnancy and give birth to a man's child, what else can she do other than love?]

Third, it's also possible that you're tall, rich, and handsome, and the woman planned to give birth to a child to scam you. The mother's position is elevated because of the child, so she wants to play hard to get.

[number four: the guy who said that you're playing hard to get, this evil world doesn't suit you. also, sissy, you're so salty that your balls hurt. i want to be as lucky as you and have a woman willing to give birth to my children. i'm so happy in my dreams.]

After hearing what these people said, Liancheng Yazhi was dumbfounded. His lips trembled a little, and he rubbed his ears hard, analyzing what he had just heard word by word!

Was it really love that a woman was willing to bear a man's child? So, Rong Yan really liked him? did she really like him?

Liancheng Yazhi's mouth was wide open. After a while, he raised his hand and pushed his chin up. Then, he began to laugh. From the start of the smile, he slowly opened his mouth and revealed a mouthful of white teeth. Then, he laughed until his shoulders twitched. Then, he laughed out loud and mocked,

He kissed the computer screen hard, then turned it off with a bang. He quickly started the car and drove into the Liancheng family's old house.

He couldn't wait to see Rong Yan. He wanted to hug her and turn her around fiercely. He wanted to kiss her and hug her.

He didn't even drive the car into the garage. He stopped the car on the road and rushed into the living room. He climbed up the stairs, but when he pushed open the door, there was no one inside. The little bear was folded neatly and thrown on the bed. Rong Yan, Rong Yan, meow meow meow meow.

The room was empty, and no one responded to him. There was only the cold and lonely air.

Liancheng Yazhi started to feel uneasy. He ran to the next room and searched all the rooms on the first floor, but he couldn't find her. He didn't even see Rong Yan's suitcase.

Liancheng Yazhi's uneasiness converged into fear. He felt very bad now, and his heart started to beat faster.

Chapter 484 I've already lost it once, I can't lose it again

There was a voice in Liancheng Yazhi's heart saying, "it's over, it's over. Liancheng Yazhi must have hurt Rong Yan's heart again today and made her think that you don't want to treat meowmeow. It must have made her despair. If it was Rong Yan, if she left again, what would he do?"

Liancheng Yazhi ran downstairs in a panic. There was only one maid downstairs at the moment. He grabbed the maid's arm and said, "Have you seen Rong Yan and meowmeowmeowmeow?"

The maid shook her head subconsciously in shock. Liancheng Yazhi pushed her away and ran into the courtyard.

Liancheng Yazhi could hear his heart beating like a drum and his rapid breathing. That sound intensified the uneasiness, fear, and regret in his heart.

Liancheng Yazhi really wanted to give himself a tight slap now. He had been looking forward to this for so long and finally got her back. Why did Wanwan have to do something that deserved a slap?

Didn't you seek death three years ago? And now, he wanted to do it again?

So what if he was being used? Was it really that important?

At least you're still useful and can help the mother and daughter. If you're useless, how can you be a father? how can you be a good husband in the future? A useless man, even he himself felt that he was a burden!

What's there to be angry about? it's you who didn't give him a sense of security, so he doesn't believe you. Everything you've done has broken his heart. On what basis do you expect him to believe you without reason?

liancheng yazhi, you're a bastard. do you know how sad it is for a woman to raise a child alone outside?

Do you know how painful it is to have a child with a woman? do you know how heavy it is to bear the possibility of losing your daughter every day? you don't even know these, and you still expect her to believe you? stop dreaming.

Liancheng Yazhi shouted Rong Yan and MeowMeow's names in the courtyard. He had already lost them once, and he didn't want to lose them again!

Last time, Rong Yan alone almost made him go crazy ...

This time, there were two of them. The two most important women in his life. If they were both gone, he really wouldn't be able to take it.

The Liancheng family's courtyard was very big, and the outside was decorated like a Park. There were small flower beds, stone-paved paths, and white Street lamps. Liancheng Yazhi ran and shouted, "Rongyan Zhenzhen, rongyan Zhenzhen"

Liancheng Yazhi shouted until his throat was hoarse. He was so afraid that his clothes were drenched in sweat.

Just as he was about to fall into despair.

“I’m here.” a gentle voice came from behind Liancheng Yazhi. He paused and turned around suddenly. He saw Rong Yan standing a few steps behind him, wearing a loose lotus-colored long dress. Her hair was a little wet as if she had just taken a bath. The street lamp shone on her, making her look like a ‘jade-like beauty’. Standing there, she was the most beautiful scenery, drawing his heart all at once, and he could only see her in his eyes.

Liancheng Yazhi’s heart, which was about to burst out of his throat, finally settled down. He rushed to Rong Yan in an instant and suddenly hugged her. His strength was so strong that it could break her bones. After hugging her for a while, he lowered his head and held her face, kissing her lips hard.

With a trembling voice, she said, “Rongyan, Rongyan Xuanji, Rongyan Xuanji, you’re still here. You’re still here Xuanji! That’s great! I’m sorry, I shouldn’t have left. Yingluo, please don’t blame me, okay?”

Chapter 485 Daddy is drying mommy’s hair

Just as Liancheng Yazhi was repenting from the bottom of his heart towards Rong Yan, his leg was suddenly hugged by someone. He looked down and saw little MeowMeow, who was wearing a pink Princess dress-like pajamas, hugging his thigh and looking up at her. Her face was full of grievances, and her two big wet eyes were like stars in the sky as she looked at him and said in a baby voice, “Daddy, where did you go? Didn’t you say you were going to take me to the amusement park? You’re bad Yingluo.”

Meowmeowmeow’s sweet ‘daddy’ made Liancheng Yazhi’s heart melt. Such a wonderful little angel had descended into his world without warning, making him suddenly realize that there was another way of living in this world.

Before he had MeowMeow and Rong Yan, he had always thought that he was Living a Good Life alone. He could summon the wind and rain, command the capital, and have people following him wherever he went. He had been living a drunken life!

However, after having them, he started to want to be a good man in just two days. He wanted to be a man who was responsible for his daughter and wife.

She wanted to carry both of them on her back. This was probably the so-called sweet burden.

At this moment, Liancheng Yazhi felt that he had lived his previous life in vain.

Liancheng Yazhi picked up MeowMeow and kissed her soft little face. I’m sorry, little princess. Daddy has something to do today, so Qianqian, next time, I’ll definitely bring you along. I won’t go back on my word again. Come, let’s hook up.

After saying that, she stretched out her small and cute little finger and hooked it on Liancheng Yazhi’s finger. The sharp contrast in size made it look both loving and warm.

Liancheng Yazhi coaxed MeowMeow very quickly. After just a day of interaction, MeowMeow had a different kind of dependence on Liancheng Yazhi than she had on her mother.

sometimes, the attraction between father and daughter was really a mysterious thing.

However, Rong Yan really didn't notice this at this time. She couldn't figure out what the situation was now. What had happened just now?

Did Liancheng Yazhi really hug her and kiss me? he even apologized to her?

Was he mad with anger? Or has Yingying really gone crazy?

Rong Yan found it unbelievable that he was willing to come back and apologize for such a thing.

suddenly, her hair was touched. liancheng yazhi put his arm around her shoulder and walked forward. as they walked, he blamed her. "Why did you come out without drying your hair? What should I do if you catch a cold, ran ran?"

Her daughter was already sick, so her mother must not fall sick again!

Rong Yan was brought back to her room by Liancheng Yazhi, a little dazed.

He placed MeowMeow on the bed and placed the bear in her arms. little sweetheart, play by yourself for a while. Daddy is drying mommy's hair.

Liancheng Yazhi pulled Rong Yan to sit in front of the mirror. He took out the hairdryer, adjusted the wind and temperature, and skillfully dried Rong Yan's hair.

The warm wind blew on her hair, gradually waking Rong Yan from her shock. She looked at the man in the mirror who was drying her hair for her and called out softly, "Liancheng Yazhi!"

Chapter 486 Are you angry with me?

Liancheng Yazhi raised his head and smiled at her. "eh? how's my cooking? has it improved?"

the image in the mirror was so familiar that rong yan felt like she had returned to the past. at that time, liancheng yazhi was also like this."You're so silly!"

She didn't know what to say when he said 'you'.

At this moment, she couldn't say anything that she had originally thought about in her heart.

liancheng yazhi blew very carefully, very seriously, and his actions were very gentle. he treated every strand of her hair like a treasure. even if he didn't say anything, rong yan could still feel how much he cherished her!

Rong Yan felt like she was dreaming. She had just gotten into such a big fight with Liancheng Yazhi this morning. How could he forgive her so quickly? In the past, whenever something happened, she was always the one who coaxed him. Why was it this time?

rong yan secretly pinched herself and felt pain.

If it hurt, then it was real. The man in front of her who was drying her hair was really the once arrogant Liancheng Yazhi.

The dazed expression on Rong Yan's face gradually faded. No matter what, at this time, even if Wanwan and Liancheng Yazhi were lying to her, she was willing to do it.

"it's much better than three years ago," rong yan said with a smile.

" it's done, it's dry, zhenzhen. " liancheng yazhi put down the hairdryer, picked up a comb, and slowly combed rong yan's hair. he didn't stop until he counted to 19.

The next second, to Rong Yan's surprise, Liancheng Yazhi held her shoulder and gently kissed the top of her head.

He reached out and stroked Rong Yan's nose affectionately. "In the future, after taking a shower and drying your hair, you can go out, okay?"

"Isn't your Yueyue angry?" Rong Yan raised her head and asked him.

liancheng yazhi's fingers caressed rong yan's cheek. " "Are you angry with me?"

Rong Yan shook her head.

thank you, Yingluo. Liancheng Yazhi held her hands and kissed them.

The two adults talked for a while and suddenly remembered MeowMeow, who had been left to the side.

At this moment, MeowMeow was holding the little bear and looking at them with her little mouth open. The little guy still had some water at the corner of his mouth. He looked silly and cute.

Liancheng Yazhi took Rong Yan's hand and walked over. They sat on the bed together and he picked up MeowMeow."my little princess, what are you looking at?"

good-looking, Yingluo. MeowMeow wanted to imitate Liancheng Yazhi's kiss and rubbed her drooling little mouth on his cheek a few times.

The two adults might not know what

half an hour later, after the two of them coaxed meowmeowmeowmeow to sleep, rong yan was not sleepy. she said to liancheng yazhi, " "Let's go out for a walk."

He couldn't just pretend that nothing had happened today. He had to talk about what he had to say!

"Alright," he said. liancheng yazhi took out a thin coat from the closet and put it on rong yan. then, he held her hand and walked out.

This series of actions really made Rong Yan a little overwhelmed. Liancheng Yazhi had never been so considerate to her like this.

Liancheng Yazhi held Rong Yan's hand and walked slowly in the courtyard. He said to Rong Yan directly, " Rong Yan, take meowmeowmeow to the hospital tomorrow. I've already arranged for her to receive treatment as soon as possible. When she's a little older, we can take her to the amusement park to play and we don't have to worry about anything.

.....

Chapter 487 The three of us will live happily as a family

it's been so hard on you, but I didn't understand your pain. The three of us will live a good life together."

a family of three!

These four words instantly filled Rong Yan's eyes with tears.

After Liancheng Yazhi saw it, he immediately became flustered and quickly wiped Rong Yan's tears."Don't cry, don't cry. I don't know what to do when you cry. Did I say something wrong?"

Rong Yan rubbed her eyes hard and raised her hand to poke Liancheng Yazhi's chest, pretending to be overbearing. "I want to see your sincerity now."

Liancheng Yazhi scratched his head, feeling a little awkward. Suddenly, he turned around and picked a small handful of flowers from the roadside. Then, under Rong Yan's extreme shock, he knelt down on one knee. I originally bought flowers today, but Yingluo ruined them because of me. I'll use this to replace them, okay?!

Chapter 488 Pain on the back, sweetness in the arms

Liancheng Yazhi raised the flower with grass in his hand in front of Rong Yan. For the first time, he looked up into her eyes and said slowly, "Although this flower isn't pretty and isn't worth much, it's a good thing that Yingluo was picked by me. This is the only one in the world. I'll use this to apologize to you. My sincerity, how is it? do you feel it?"

Liancheng Yazhi's sudden action and his not-so-romantic words gave Rong Yan a great shock.

To be able to hear Liancheng Yazhi say sorry and to see him lower his head once was something that Rong Yan thought was hard to ask for in a hundred years. She never thought that one day, Liancheng Yazhi would kneel down on one knee for a woman and only ask for her forgiveness!

This kind of man could make everyone in the world submit to him, but he would only bend his back for you.

How could this not move a woman? how could she not be moved?

Liancheng Yazhi's simple 'mother of the child' touched the deepest part of Rong Yan's heart. Yes, she was MeowMeow's mother, and Liancheng Yazhi was MeowMeow's father. The relationship between the three of them was the most intimate and heartwarming one in the world. There was nothing better than this.

The smile on Rong Yan's lips became deeper and deeper, and she laughed back at Liancheng Yazhi. Although Rong Yan's laughter was getting louder and louder, tears also flowed out of her eyes as she laughed.

bastard liancheng yazhi was a bastard. why did he have to do this for no reason? it made her heart, which had been silent for several years, start to stir again.

Rong Yan stood there, crying and laughing, not moving. Liancheng Yazhi kept kneeling on one knee and didn't urge her.

the ground was paved with cobblestones. it would hurt if he knelt on it for a long time. however, his back was straight and the flower in his hand didn't move even when the night wind blew.

After she had cried and laughed enough, Rong Yan ruthlessly wiped away her tears and quickly took a few steps forward. She pounced on Liancheng Yazhi and took all the grass and flowers from his hands.

He already had a daughter, so why was he still playing this? In the past, he had never been willing to bow his head. If he had been willing to give in early on, there would not have been so many setbacks, and she would not have to run away alone!

Rong Yan's pounce just now had pushed Liancheng Yazhi, who had lost his balance, to the ground. She pressed down on him and wiped all her tears on his chest. As she wiped them, she said fiercely, " " bastard, don't think i'll forgive you so easily. the money i spent this time doesn't count. don't think you can get rid of me so easily. i'm a money-grubber, i must have the most expensive flower. "

Liancheng Yazhi was lying on his back on the ground. Because the temperature was not considered low, his clothes were very thin. Lying on the cobblestone floor, he held the woman he had been longing for day and night. There was pain on his back, and sweetness in his arms. This feeling was really like Ice and Fire rising into the sky, sweet torture!

However, if it could continue like this, Liancheng Yazhi would be willing to stay at this moment forever.

He held Rong Yan's not-so-pretty face in his hands lovingly and kissed away all the tears flowing out of her eyes, bit by bit. The salty tears entered his mouth.

liancheng yazhi's eyes gradually became as devout as a pilgrimage. in the days he didn't know, was rong yan's heart as bitter as these tears, without a hint of sweetness?

Chapter 489 This is the last time I'll make you cry

Liancheng Yazhi said to Rong Yan, " yes. A good Yingluo must be the most expensive and beautiful flower. Only then can it be worthy of our MeowMeow's mother!

one thing that liancheng yazhi absolutely could not be doubted was that he deeply believed that only the best in the world could be worthy of the mother and daughter! At this moment, a thought emerged in his heart: He had to work hard, earn money to support the family, and then watch the two of them spend money. Just thinking about it made him feel happy.

Liancheng Yazhi thought that giving Rong Yan the sword today was a last-ditch effort under no circumstances.

However, many years later, when MeowMeow was in primary school, she wrote an essay and asked her mother, " Mom, what do you think is the most romantic Thing Dad has ever done to you?

Rong Yan replied to her, "the most romantic thing?" He gave me a bunch of grass!

Liancheng Yazhi had originally planned to propose today, but he didn't take out the proposal ring in his pocket because he was a perfectionist. Now, he felt that it was okay to apologize and show his sincerity, but it was not okay to propose. So, his hand had already touched the ring just now, but he still took it back.

Liancheng Yazhi decided to give up on the proposal for the time being and look for a more suitable time.

he and Rong Yan had been separated for three years before they finally got back together. He couldn't propose hastily. He had to give Rong Yan an unforgettable proposal.

Moreover, he felt that MeowMeow had to be there when he proposed to her. She was their precious baby and couldn't be absent. Their family was the happy one and no one could be missing!

This time, Rong Yan cried on Liancheng Yazhi's body. She couldn't tell if she was aggrieved or touched, but she just wanted to cry and didn't want to stop crying!

Although Liancheng Yazhi really wanted to persuade Rong Yan not to let her cry, he still held back. Perhaps it would be good for her to cry and vent all the unhappiness in her heart.

Liancheng Yazhi held Rong Yan's face and said in all seriousness, " " this is the last time I'll make you cry. I'll let you spend every day laughing. " He paused for a moment before adding, " "Except on the bed!"

Rong Yan's crying stopped abruptly, and her face was slightly pink. She raised her hand and pinched Liancheng Yazhi's cheek ruthlessly. "I thought you've finally evolved into a human. I didn't expect your brain to be that of a beast!"

Liancheng Yazhi kissed her on the lips ruthlessly. "I did turn into a human before you came back, but when you came back, I instantly degenerated."

In the past few years, Liancheng Yazhi had really not touched a woman and lived like a monk. At that time, he thought that he had a heart that had seen through the world and had lost interest in beauty.

However, after Rong Yan returned, he had endured it for two days. At this time, Liancheng Yazhi had to admit that it was not that he was not interested in beauty, but that none of those beauties were Rong Yan!

Rong Yan gritted her teeth. "This guy ... Just now, when she said "good" to him, he instantly revealed his true colors. His skin had become thicker and thicker in the past few years."

She stretched out her finger and poked Liancheng Yazhi's chest. "I don't believe that you'll be a well-behaved person these few years,"

Liancheng Yazhi grabbed her fingers and said a little anxiously, "I'm innocent. You must believe me. Feng Nongtang and the others can testify for me."

Liancheng Yazhi was anxious now. He didn't want to fail again in this matter after finally coaxing her!

Chapter 490 In this house, you can only trust me

Rong Yan's finger hooked on Liancheng Yazhi's palm and scratched it. It was like a feather brushing against it, and it tickled Liancheng Yazhi's heart with a hint of sweetness.

"they're all jackals of the same tribe as you. I'd rather believe in Wang Xing than them. but since you've said that you're going to lead a good life as a family of three, then I'll believe you. but you have to remember that I didn't care before, but from now on, I'm not that easy to mess with. if you dare to say anything ... "

Before Rong Yan could finish, Liancheng Yazhi understood what she meant and quickly said, "there won't be anyone else between us. Nothing will happen. I'm your man now and MeowMeow's father. That's enough!"

rong yan's mood instantly brightened. she raised her hand and touched liancheng yazhi's face, as if a master was teasing a little girl, and said, be good and go back to sleep with me. Don't think about it anymore. Take MeowMeow to the hospital for a checkup tomorrow.

As long as MeowMeow's body wasn't treated, Rong Yan would always be happy.

alright, let's go back to sleep, Yingluo. Liancheng Yazhi laughed foolishly.

He let Rong Yan stand up first before he got up. However, because he had been lying on the stone for too long, Liancheng Yazhi gasped in pain the moment he moved.

It was only then that Rong Yan noticed that Liancheng Yazhi had been blocking her from the uneven rock. She quickly helped Liancheng Yazhi up and rebuked, "are you an idiot? why didn't you tell me earlier that it was painful? why did you have to lie down for so long?"

Liancheng Yazhi waited for Rong Yan to finish reprimanding her before saying, "It doesn't hurt, Yingluo. It really doesn't hurt at all." His arms could regain their beauty, and this was the happiest thing for him. What was that little bit of pain?

Just as he finished speaking, Liancheng Yazhi suddenly turned around and saw a slightly hunched back leaving in a hurry.

Rong Yan followed the direction of Liancheng Yazhi's gaze. The night was empty and she did not see anything. She asked, "Let's go, what's up?"

Liancheng Yazhi suppressed the cold light in his eyes and said to Rong Yan gently, "it's okay, there's nothing. i made a mistake just now, yueyue. let's go back quickly. otherwise, we won't be able to rest well when we wake up tomorrow."

liancheng yazhi held rong yan's slender waist and walked back slowly. as he walked, he said, "I'll arrange bodyguards for you and MeowMeow tomorrow. Remember to bring them with you when you go shopping."

Rong Yan's heart trembled as she thought of the old Butler's warning and the fact that the Liancheng family could not have illegitimate children. She said, "You're afraid?"

Liancheng Yazhi was afraid that Rong Yan would be scared if he said that, so he quickly comforted her. I'm not afraid. I'm just afraid. I can't afford to be careless with you and your daughter. It's always good to take precautions in advance. But don't worry, I'm here. I won't let anything happen to you and meowmeowmeowmeow.

The Liancheng family's Villa was right in front of her. Looking at the magnificent and tall villa that looked like a wild beast in the night, Rong Yan felt a little uneasy and scared for some reason. She grabbed Liancheng Yazhi's arm. "Yingying, why do I suddenly have a feeling that I might be in more danger after bringing MeowMeow back?"
