Chapter 551 The old man's ambition

Natsume's eyes lit up, and he immediately said with fighting spirit, "I'll definitely find a way in half a year. If I can't, I'll never leave the lab."

Liancheng Yazhi's lips curled up. This was exactly what he wanted to hear. For a medical madman like Natsume, if he showed him something he had never seen before, he would not stop until he studied it, even if you didn't urge him.

Liancheng Yazhi waved at the two of them and said to Natsume, "I'll show you another one."

The two of them took out another petri dish from the box and placed it under the microscope.

Under Natsume's fanatical and curious gaze, Liancheng Yazhi made a 'please' gesture to him. "Take a look at this."

Natsume quickly rushed over and looked at it. He quickly praised, "this jian jia, this jian jia is so explosive, so powerful jian jia"

After Natsume finished reading, Liancheng Yazhi said, "the first blood sample you're looking at is my daughter's, and the one you're looking at now is mine. Our family has inherited a very violent power in our blood. Our blood platelets are several times higher than normal people's, and newborn babies have to soak in a medicinal bath from one month to three years old to suppress this power. However, I don't know the formula yet. Even if I do, it might be useless to my daughter. So, do you understand what you're researching now?"

Natsume nodded vigorously. I understand, I understand. I understand that ran ran is trying to make your daughter's blood the same as yours. It can neutralize the uncontrollable power in her body.

No matter how crazy Natsume was, he could clearly understand the meaning behind this matter that was related to the medical field.

Liancheng Yazhi said, "alright, you can go with them now. They'll take you to the laboratory. All the equipment is ready. If you need anything else, just tell me. I'll satisfy all your needs."

"alright, I'll go now." Natsume could not wait to start his research.

He had a crazy obsession with biology, especially supernatural powers. It had been a long time since he had encountered something that made him crazy.

"alright, you can go with them, yingluo."

After Liancheng Yazhi nodded, Natsume happily left with the person. When he left, he was so excited that he even forgot to say goodbye to Jian Yi.

Natsume lost his temper and simply asked Liancheng Yazhi, "How did you know about the medicinal bath before the age of three?"

Liancheng Yazhi then told her about how the old man had called Rong Yan to threaten her to leave.

Jian Jie frowned in confusion and said, "your old man is a cunning man. I think Zhenzhen's purpose is not so simple. He wants to force Rong Yan to leave or do something to MeowMeow. His purpose is Zhenzhen."

He simply stopped and looked at Liancheng Yazhi.

Liancheng Yazhi smiled. I know. He wants to regain control of the Liancheng family. he said.

When he stepped down that year, old master Liancheng could be said to be extremely unwilling, but he was powerless and could only be exiled by his son.

how old was old master liancheng this year? He was only in his 60s and usually took good care of himself. He had been keeping a low profile all these years and had not made any moves. It was not that he had already appointed himself. He had ambitions in his heart and his desire for power was stronger than ordinary people.

It was just that he hadn't found a suitable excuse to seize power for so many years, so he didn't make any moves. This time, Rong Yan just happened to give him a reason.

Chapter 552 Welcome home, dad!

Jian Jie knew that the more a wealthy family like Liancheng Yazhi, which had lasted for a hundred years, the more indifferent the blood relationship in the family was. Money and power had eroded people's hearts. The Father was reluctant to give up power, and the Son was bent on seizing power. Thus, the personal relationship between them was like that of enemies.

However, it was good. Perhaps starting from Liancheng Yazhi's generation, there was a change.

He would love his wife and his child.

"How's your leg?" Liancheng Yazhi simply asked.

it's pretty good. It doesn't affect the reconstruction. Also, I found that after going to the border once, my legs are much more flexible than yesterday. As expected, I'm still suitable to live there.

Liancheng Yazhi pursed his lips. tsk, you're just born to suffer. Have a good rest. I'll go first.

Right now, he wished he could split himself into two. One half was busy outside, and the other half was at home with his wife and children.

When Liancheng Yazhi was about to walk out the door, he simply asked him, "liancheng, has yingluo forgiven me?"

"What do you think?" Liancheng Yazhi turned around and smiled.

.....

After a busy day in the company, Liancheng Yazhi couldn't wait to go home as soon as he got off work.

After getting into the car, Liancheng Yazhi's gloomy and tense face gradually relaxed because he was on the way home to his heaven.

Secretary Zhou saw the obvious change in Liancheng Yazhi's expression through the rear mirror and sighed in his heart. Young master ya liked to go home more and more nowadays. However, it was true that he had a wife and children at home. If it were him, he would also want to see them as soon as possible after work every day.

On the way, Liancheng Yazhi suddenly asked,"Secretary Zhou, have you found the Butler?"

secretary zhou was tongue-tied. oh no, oh no, how could he have forgotten about this!

He hurriedly said, " Yingluo hasn't, hasn't. Yingluo has been too busy recently and forgot about that matter. I'll start looking for her tomorrow.

"Forget it, Zhenzhen, don't look for it." liancheng yazhi decided to let rong yan take care of the house first and find something for her to do so that huahua wouldn't let her imagination run wild all day.

Speaking of family matters, Secretary Zhou suddenly remembered a report he had received today. He quickly said,"Young master ya, we seem to have lost a car at home. The driver is also missing. It's the car and the driver that ran ran drove miss Rong to the company yesterday."

master Liu!!!! an alarm rang in Liancheng Yazhi's mind, and Rong Yan's words from yesterday kept floating in his mind.

" that's right, it's master liu. i've already sent people to check if he was the one who stole the car. "

"wuwuwu, get to the bottom of this matter as soon as possible." Liancheng Yazhi's intuition told him that Rong Yan had lied yesterday. There was nothing wrong with master Liu's Kasaya.

Liancheng Yazhi gritted his teeth. This b * tch was biased towards him again. He would deal with him after he figured this out.

.....

The car stopped, and Liancheng Yazhi asked Secretary Zhou to go back. He stepped into the living room with a slightly gloomy mood.

however, once he entered the living room, he was dumbfounded. on the left and right sides of the door, there was a little beauty standing on one side, wearing a cute and beautiful pink princess dress. on the other side, there was a big beauty wearing the same clothes as the little beauty, just that it was a bigger version.

The two of them saw Liancheng Yazhi and greeted him with a smile.

"daddy, welcome home!"

"Daddy, welcome home!" x2

Liancheng Yazhi's legs went soft and he almost fell to the ground. What was this Wanwan trying to do?

Chapter 553 What an adorable pair of babies

"rong yan, what are you doing now?" liancheng yazhi gulped.

Two beautiful women, one big and one small, ran over. The big one hugged his arms, and the small one hugged his legs.

“Why? don’t you like it?” the older one asked. yingluo and i feel that it’s hard for you to go out and support us every day, so we just wanted to express our feelings.”

“yes, it’s been hard on you, daddy. i’m here to express my gratitude!” the younger one echoed.

“You’ll feel the warmth of home the moment you step in,” the older one added.

The little one nodded his little head,”yes, yes, the warmth of home, Yingluo.”

The mother and daughter cooperated very well, and both pairs of watery eyes looked at Liancheng Yazhi eagerly, which immediately made him feel a great sense of accomplishment.

Look, this was his woman. This was their little princess.

Such a cute pair of babies. This was his whole world.

in their soft voices, liancheng yazhi’s fatigue disappeared, leaving only joy and warmth that rose from the bottom of his heart.

For the first time, he realized that he could be so happy when he returned home. With the two of them in the house, they could fill the empty room in an instant and warm up the cold air.

Liancheng Yazhi bent down to pick up the little princess and kiss her. Then, he hugged the big baby’s waist and kissed her hard on the lips. He sighed and said, ” “No wonder I felt hot the moment I entered the house. It’s because our house is too warm, Yingluo.”

Rong Yan asked Liancheng Yazhi with a smile, ” “Are you happy?”

“Daddy, are you happy?” MeowMeow asked.

Rong Yan quickly pouted and gave MeowMeow a kiss. She quickly hugged Liancheng Yazhi’s neck and kissed him on the face.

at this moment, liancheng yazhi felt that he was very happy. what could be happier and happier than now? he rubbed his forehead against meowmeow’s little head and said softly, ” daddy is so happy. I’m so happy. Our little princess is personally welcoming you. Daddy really likes it.

Rong Yan was jealous of her daughter,”what about me, Yingluo?”

Liancheng Yazhi turned his head with a smile and then lowered his head a little. Just as he was about to kiss Rong Yan’s lips, the eldest young master suddenly said in a low voice, ” “You, stop talking nonsense. There’s no way I’ll agree to your request.”

Liancheng Yazhi was not a fool. It was useless to try to seduce him the moment he entered the door. Although he enjoyed it, he would not lose his mind.

he still didn’t understand rong yan’s thoughts. this cunning little woman didn’t give up on the idea she had yesterday at all.

Rong Yan’s face immediately turned bitter when she heard that. She leaned her face closer. I haven’t said anything yet.

Liancheng Yazhi placed a finger on Rong Yan’s forehead and pushed her gently. you didn’t say anything, but I know what you want to do.

After saying that, Liancheng Yazhi carried MeowMeow and took Rong Yan's hand to the sofa in the living room.

The maids were already preparing dinner. They didn't dare to look at what had just happened, but they all wanted to laugh but didn't dare to.

Liancheng Yazhi sat down on the sofa, and Rong Yan quickly reached out to untie his tie attentively. Then, she massaged his shoulders and said, "We're a family. We can discuss things. Even if the deal doesn't work out, we'll still be friends. Don't be so cold."

Today, Rong Yan had thought it through. She would pester him, act coquettishly, and seduce him. No matter what method she used, she had to make Liancheng Yazhi agree.

When Liancheng Yazhi heard this, he immediately reached out and hit Rong Yan's perky butt.

Chapter 554 Come, come to Daddy

"Tsk tsk tsk tsk, what kind of business can't be done, do you know how to talk?"

Liancheng Yazhi glared at Rong Yan.

rong yan twisted her waist and pouted. "why are you so fierce? look, you've scared meowmeow, yingluo."

"Are you scared?" Liancheng Yazhi looked down and saw the pink and tender little princess sitting in his arms. Her eyes were wide open and she was biting her fingers as she looked at him. She didn't look frightened and was clearly a curious baby.

However, in the next second, the little darling's two little hands were placed on his chest. He tilted his neck and buried his head into Liancheng Yazhi's chest. Anyone who saw that look would laugh until they could not straighten their backs.

Liancheng Yazhi held back his laughter and immediately turned to look at Rong Yan. He happened to see Rong Yan winking at MeowMeow. However, when she saw him turn his head, she immediately cleared her throat and put on a serious look.

At this moment, Liancheng Yazhi's mood was both funny and helpless. He had a headache and felt sweet. What could he do with this pair of Living Treasures?

Liancheng Yazhi pinched Rong Yan's face. let's go. It's time for dinner. Eat well and think about how to spend the night after dinner. Don't think about such things.

He got up and was about to get up, but he was pulled back by Rong Yan. there's really no discussion?"

Liancheng Yazhi tapped her pouted lips."Don't think too much! Be good, Yingying, it's time to eat."

What a joke, why would he agree to such a ridiculous thing? no matter whether he left for real or not, the ruler would not allow it!

Rong Yan gritted her teeth.'Hmph, you're forcing us to make a ruthless move, right?' she said."

????????????,????????????,????????....."

Rong Yan took a deep breath. She had wanted to scold MeowMeow angrily, but the moment she opened her mouth, she said very gently, "Be good, mommy won't eat it. Mommy doesn't like these."

.....

Chapter 556 Why don't you praise me?

Alright, since mom doesn't want to eat, then-

rong yan held her forehead. this little glutton.

Seeing

Rong Yan licked her lips and turned to look at Liancheng Yazhi. He was looking at her with a faint smile, as if to say, "See, I knew you wouldn't be able to hold on.

Seeing how confident Liancheng Yazhi was, Rong Yan gritted her teeth. No, she had to hold on. She couldn't let that guy see her as a joke!

Rong Yan lowered her head and rubbed MeowMeow, go over and drink some soup. Eat less meat and more vegetables tonight, okay? "

yes, MeowMeow. MeowMeow did not know that her parents were throwing a tantrum and thought that her mother really did not like it. She nodded happily and walked back to Liancheng Yazhi's side with her short legs.

She looked up at Liancheng Yazhi and said cutely, "Daddy, mommy doesn't like it."

After that, he added,"I helped her eat Yingying."

At the same time, he put on an expression that said,"look at how obedient I am, why don't you praise me?"

lian Cheng yazhi sighed. he didn't expect that his precious daughter wouldn't let rong yan come over to eat.

he picked up meowmeow and asked the maid to bring a napkin for her to wipe her hands and mouth. our Princess

lian Cheng yazhi had originally wanted to persuade rong yan himself after wiping meowmeow, but he did not expect rong yan to leave him and meowmeow behind and go upstairs by herself.

She felt that instead of being envious, she might as well go upstairs and sleep.

lian Cheng yazhi put down meowmeow and turned around to see rong yan's back as she went upstairs. he sighed helplessly. without rong yan here, how could he enjoy this meal? at the dinner table, only when the family was together could the food taste good.

However, he really had to stick to his attitude today. He had to use his attitude to tell Rong Yan not to waste her energy. He would never agree to it.

His woman and his child needed his protection.

He definitely didn't need Rong Yan to do anything, and he didn't allow her to leave his side even half a step.

She had had enough of the days when she had lost her face. Even now, he still felt afraid when he thought about those days!

This time, even if Rong Yan said it was just a fake departure, it wouldn't work. As long as the word 'leave' was involved, it wouldn't work.

"Daddy, mommy, Yingluo"

Liancheng Yazhi quickly kissed her little face and rubbed it. it's fine. Mommy is tired. I'll go upstairs and sleep for a while. Come, daddy will feed you some soup, okay? "

Liancheng Yazhi beckoned for the maid to bring the soup that was specially made for meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

The Chinese medicine prescribed by those doctors hoped to suppress the platelets in MeowMeow's body to a certain extent, or at least stop them from increasing.

However, that bowl of " soup " didn't taste good. It would take a lot of effort to make MeowMeow drink it.

when the bowl of soup was brought to "Daddy, don't! Don't! Don't!"

Chapter 557 Bad Daddy

"baby, just one bite, okay? It's very good, look, dad is drinking too!" In front of MeowMeow, Liancheng Yazhi had completely changed from his usual appearance of calling the wind and calling the rain outside to a completely ordinary good father. In order to coax his child to take medicine, he would do anything.

Under the suspicious eyes of Meow Meow, Liancheng Yazhi used a spoon to scoop up a spoonful of the reddish-brown Medicine and opened his mouth wide to drink it in one gulp. He even had to put on a blissful and delicious look on his face.

He tapped the bowl of medicine with his spoon. Yingying is really delicious. Why don't you have a taste? "

Meowmeowmeowmeowmeowmeow was deceived by Liancheng Yazhi's expression and said, "ah, yingluo."

"Here, let daddy feed you." Liancheng Yazhi quickly fed MeowMeow a spoonful.

However, after Yingying fed it the first spoonful, MeowMeow's face scrunched up and tears flowed out. She stuck out her tongue and cried while saying pitifully," wuwuwu ~~~ daddy is bad ~~~ daddy is bad ~~~~"

Liancheng Yazhi's heart ached when he saw

He quickly kissed MeowMeow's little face and said with a guilty and apologetic face,""oh, yingluo, i'm sorry, baby. daddy made a mistake. it's not this bowl of soup, it's another yingluo."

I'll take it away now. You see, it's already gone, Yingluo. Liancheng Yazhi quickly waved his hand and let the maid take it away.

However, after a while, Liancheng Yazhi asked someone to bring another bowl of 'soup'.

in fact, only the soup bowl was changed, but the soup inside was not. "come baby, look, it's not that bowl of soup anymore. this time it's going to be very, very delicious, yingluo!"

He used this method of coaxing and lying to feed MeowMeow a few spoonfuls.

liancheng yazhi used all the strength he had in his mother's womb, making meowmeow cry a few times. in the end, she pouted her little mouth and ignored him before feeding him a little.

In the end, MeowMeow was tired and laid in lianchengya's arms, sobbing softly. She said in a heavy tone, "I want mommy, Yingluo, daddy is bad Yingluo"

After feeding the medicine to meowmeowmeow, Liancheng Yazhi felt that he had almost lost all the strength in his body. This was just the beginning. He really did not know how he could continue to feed her if he fed her every day in the future.

Liancheng Yazhi's heart was extremely bitter. He held up his tired body and spirit and comforted MeowMeow in a low voice. MeowMeow, don't be angry with dad. Dad was so stupid today. Why did he always take the wrong things and make our baby eat so many awful things?????????????"

It was the first time Liancheng Yazhi realized that he was so patient.

Even though he was so tired that he didn't want to say a word and didn't want to move a single strand of hair, in front of MeowMeow and Rong Yan, he really couldn't get angry at all. He only wanted them to treat them well, or even better.

After Rong Yan came back with meowmeowmeowmeow, Liancheng Yazhi was doing better and better at coaxing children. At first, he was at a loss, but now he could do it as he pleased.

however, this time, meowmeow was really angry. that thing was really bad to drink, and she had drunk it so many times. it was simply a torture to her young heart again and again.

Chapter 558 I'm not tired, I'll go with you

meowmeow lay in liancheng yazhi's arms, refusing to speak or move. it was listless, as if it was in the hospital. it pouted and refused to smile no matter how liancheng yazhi coaxed it.

In desperation, Liancheng Yazhi decided to take MeowMeow upstairs to ask Rong Yan's mother for help.

before he went upstairs, he said to the maid,"make some more food."

After Liancheng Yazhi carried meowmeowmeowmeowmeowmeowmeow upstairs, a few maids began to clean up the table.

The few of them discussed in low voices.

I've been working here for a few years now. Young master has changed so much that he's completely different from a few years ago. Aiyo, I didn't even dare to breathe loudly when I saw young master in the past, but now I feel that young master is actually an ordinary person, aww.

“What ordinary people? young master is not an ordinary person like us. Young master, Zhenzhen, only changes in front of miss and miss Rong. He doesn’t change much in front of others. Don’t slack off in your work in the future.”

ai, ai, ai, ai. I’ve always thought that the man in our family doted on our child very much. But compared to the young master, I think he’s simply abusing the child.

“Do you guys think that young master Wanwan’s wife will be the one upstairs in the future?”

“Don’t say such useless things. Do you still need to use your brain to think? Look at how young master treats her. Do you think she can escape from the position of Madam in the future?”

in the eyes of all the maids, she was able to tie the young master to her before they got married. once they got married and had a son, no one would be able to shake their status.

.....

Upstairs, Liancheng Yazhi carried MeowMeow into the house.

As soon as she saw Rong Yan lying on the bed, MeowMeow immediately cried out in grievance, ” “Mommy, Yingluo.”

Rong Yan wanted to sleep, but she was so hungry that she couldn’t fall asleep. When she heard MeowMeow calling her, she quickly sat up.”What’s wrong?”

Liancheng Yazhi walked over tiredly and handed MeowMeow to Rong Yan. ” i fed her medicine, so ran ran, ” she said. ” you know what the reaction is after feeding the child medicine.

Rong Yan’s expression darkened a little when she heard that. Of course, she knew what Liancheng Yazhi was trying to say. It was a huge challenge to feed medicine to a child.

Moreover, it might have a serious psychological impact on MeowMeow if it was prolonged.

However, they all knew that they had to give MeowMeow the medicine.

Before finding out how to neutralize the manic power in MeowMeow’s blood, she couldn’t stop taking the medicine. Otherwise, she wouldn’t be able to hold on until then.

Rong Yan thought of the formula in old master Liancheng’s hands again. Perhaps Yingluo had that formula. Even if it couldn’t make MeowMeow recover quickly, it could at least have a temporary restraining effect to a certain extent. At least, soaking in a medicinal bath was much better than drinking Chinese medicine.

Rong Yan glanced at Liancheng Yazhi. He could not hide the fatigue on his face and his eyes were blue. He might not have slept well last night and had to get up early in the day. He had to take care of the company and Miaomiao’s Affairs, so he was under more pressure than anyone else.

Rong Yan’s heart ached a little. Compared to her, Liancheng Yazhi was more worried. Not only did he have to bear this burden, but the burden on his body was also particularly heavy.

His posture looked very uncomfortable, but he could still sleep so soundly like this. It seemed that he was really exhausted.

She glanced at the time. It was only eight o'clock. It was still early, but it seemed that Liancheng Yazhi was really exhausted.

Rong Yan wrapped a large bath towel around the naked "shush, Daddy's sleeping. MeowMeow baby, let's go to sleep and see who fell asleep first!"

mm, MeowMeow. MeowMeow's mood was better than before. Hearing Rong Yan say this, she immediately closed her eyes."I fell asleep."

Rong Yan first covered MeowMeow and Liancheng Yazhi with the blanket before lying down.

However, after lying down, Rong Yan started to complain. She was really hungry. It was only eight o'clock now. Would she starve to death the next morning?

Rong Yan turned to look at Liancheng Yazhi. He raised his hand and waved it a few times on his face. He did not dare to really hit him, so he just waved it a few times randomly. Rong Yan finally vented her anger. After that, she leaned over and kissed Liancheng Yazhi's face gently."have a good rest."

Rong Yan closed her eyes and wanted to sleep, but she was so hungry that she couldn't fall asleep at all.

In order to divert her attention, she began to think about other things.

she thought about meowmeowmeowmeow and old master liancheng.

rong yan still couldn't forget that recipe. she wanted to get it, very much.

.....

Chapter 560 Yazhi, thank you!

but what if liancheng yazhi didn't agree to act with her?

Rong Yan was frustrated. It seemed like she had to continue working hard.

As she thought about it, Rong Yan fell asleep without realizing it.

In the middle of the night, at around 11 O'clock, Liancheng Yazhi suddenly woke up and sat up. He felt that he had something very important to do.

She just woke up and felt dizzy. What hadn't she done?

After Liancheng Yazhi's mind went blank for a few seconds, he lowered his head and saw two women, one big and one small, lying beside him.

When Liancheng Yazhi saw Rong Yan, he suddenly remembered what the important thing he had been thinking about was.

Rong Yan had not eaten yet!

Liancheng Yazhi quickly got up, took a very soft cashmere blanket and wrapped it around Rong Yan. Then, he gently carried her downstairs.

Downstairs, the maids had already gone to bed. There was only a very weak light, so when he went downstairs, he wouldn't fall down because he couldn't see clearly.

Walking down the steps, Liancheng Yazhi placed Rong Yan on the sofa, turned on another light, and went into the kitchen.

The maid's newly cooked meal was still in the pot in the kitchen, and Liancheng Yazhi only needed to heat it up. However, even so, this was the first time he had stepped into the kitchen and touched the stove since he was born.

Liancheng Yazhi hurriedly heated up the food. When he came out, he saw Rong Yan sitting on the sofa with her eyes wide open, as if she did not know where she was.

liancheng yazhi walked over and touched rong yan's forehead, asking softly, "you're awake. are you hungry?"

Rong Yan subconsciously shook her head, but the next second, her stomach growled.

Liancheng Yazhi smiled, pinched Rong Yan's nose, and shook it twice. you're still not hungry? Come, baby, wake up. Let's have supper."

Rong Yan's mind sobered up a little and she soon smelled the fragrance of the food. Her stomach growled even more.

While she was still in a daze, Liancheng Yazhi pulled Rong Yan to the dining table. When the first bite of food was delivered to Rong Yan, she ate it and finally woke up completely. She looked at Liancheng Yazhi in surprise."It's the middle of the night. Why are you awake? aren't you tired?"

Looking at how tired Liancheng Yazhi was, Rong Yan thought that he would sleep all the way until dawn. She did not expect him to wake up at twelve o'clock in the evening.

Liancheng Yazhi shrugged his shoulders. sigh, I didn't want to wake up either, but I was woken up by hunger, so I had no choice but to come down.

"Didn't you eat today?" Rong Yan was puzzled.

Liancheng Yazhi grabbed her hand and groped it a few times. there's no one around, so how could I eat? I just took a few bites, and it tasted like wax.

Rong Yan's face turned red. She knew that Liancheng Yazhi was talking about her, so she pulled her hand away. Didn't you say you wanted to eat? stop talking and eat quickly.

she didn't have the time to blush even if she wanted to. she just wanted to finish up and eat quickly.

Finally, they finished their supper. Rong Yan leaned against Liancheng Yazhi, feeling a little sleepy. Yazhi, thank you.

"Thank me for what?" liancheng yazhi held rong yan back. this child's mother was really too much. she started to sleep right after eating. she was a little like a piglet, yingluo, but their piglet was the most beautiful.

Rong Yan shook her head and rubbed against Liancheng Yazhi's arm a few times. She said softly,"There's no reason. Just thank you, Wanwan."
