Chapter 561 It's not fair to miss out on such a good man

She was grateful that he was so tolerant now and that he had become so good that even Rong Yan felt that it would be unforgivable if she missed such a good man.

Liancheng Yazhi's heart softened. He touched Rong Yan's face and said softly, " go to sleep.

He carried Rong Yan up the stairs. When he put her down after entering the house, he heard her say, " Yazhi, can't our Zhenzhen give it a try? "

Liancheng Yazhi paused for a moment and quickly understood what Rong Yan was talking about. He shook his head directly. No... Okay, don't think about it anymore. I will send someone to handle this matter. You don't have to worry about it.

After that, Rong Yan didn't say anything more and fell into a deep sleep with her eyes closed.

Liancheng Yazhi was lying beside her. He was very sleepy but he didn't feel sleepy. Although he would never allow Rong Yan to leave, from the current situation, letting her leave once would be the fastest way to get the secret formula from old master Liancheng. With the formula, he might be able to buy more time for Miaomiao.

Liancheng Yazhi turned to look at MeowMeow. The little thing was very naughty when she was sleeping. Her arms and legs were always exposed. Liancheng Yazhi put her hands and feet under the blanket and then kissed her face gently. " MeowMeow, it's not that daddy doesn't love you. It's just that daddy can't leave your mommy, and you don't want her to leave either, right? " quot;

There were too many variables in this world. Who knew if Wanwan's fake departure would eventually turn into a 'real departure'? based on Liancheng Yazhi's understanding of the old man, even if Rong Yan left, he wouldn't be completely at ease. He was sure that Wanwan had a backup plan.

At that time, if anything went wrong, he would never be able to forgive his mistake.

.....

Since that night, Rong Yan had never lost her temper with Liancheng Yazhi again, even though she still hadn't given up on pretending to leave.

She did not bring MeowMeow with her to fight against Liancheng Yazhi because she was already 'disappointed' in the little fellow. This little fellow could easily trick her away with a chicken leg, so it was better for her to do this kind of thing that required a high degree of 'loyalty' and 'perseverance' alone.

hence, rong yan started to think of other ways to get liancheng yazhi to agree to her plan in a peaceful situation. however, this method was really difficult. liancheng yazhi was completely unmoved and did not relent at all.

This Saturday, Liancheng Yazhi didn't go to work and stayed at home to accompany Rong Yan and her mother. The family of three got along happily. Whether it was them or to outsiders, they were a family of three that was bursting with happiness.

In the afternoon, when it was time for afternoon tea, MeowMeow took a nap on time and lay in Liancheng Yazhi's arms like a koala. She woke up immediately when Liancheng Yazhi held her and cried the moment she opened her mouth. Hence, Liancheng Yazhi was a full-time stay-at-home dad all day.

The little guy did not hold a grudge. That day, he was tricked by Liancheng Yazhi into drinking a lot of smelly medicine soup. As a result, the next day, he continued to love his father and was even more intimate than before. Rong Yan kept shouting 'jealous' when she saw him.

meowmeow was sleeping in liancheng yazhi's arms, and rong yan was leaning on his shoulder. the two of them were like a normal couple now. when they had nothing to do, they would watch tv together, watch some brainless dramas, watch gossip and entertainment news, and then complain about the plot together. how could it be so bloody and illogical?

Chapter 562 Actually, he already wanted to marry her, right?

After watching for twenty minutes, Rong Yan really couldn't stand the brainless plot in it. She picked up the remote control and changed the channel. She pouted and said, "There's nothing much to watch on television these days!"

Rong Yan's fingers changed the channel every second. After changing more than ten channels in a row, she arrived at a channel that was broadcasting news. Coincidentally, Rong Yan's speed of changing the channel was a little slow and she heard the host saying, "famous artist lu guinong's new work 'hibernation' was auctioned at a high price of 2 million us dollars in an overseas auction house. this has set a new record for our country's contemporary artists in the international painting world."

After hearing the name "Lu guinong," Rong Yan put down the remote control and finished reading the news that had been in the news for less than two minutes.

After reading it, Rong Yan asked Liancheng Yazhi, "Lu guinong, is he still so famous in the country's painting industry?"

"I'm flattered. Let me tell you, do you know why his painting was sold at such a high price?" Liancheng Yazhi said with disdain.

Rong Yan shook her head. I don't know. Could it be that he found someone and paid for it himself? then, he went to film it?"

smart Zhenzhen. Liancheng Yazhi kissed her.

Rong Yan's eyes widened in surprise, "Oh my God, did he really make it himself?" In order to boost his own reputation, he even dared to do such a thing. Wasn't he afraid of being exposed one day?"

"For the sake of publicity and to gain a better reputation, he won't care about these things."

as she spoke of lu guinong, rong yan's eyes suddenly lit up. "ah, yingluo, i remember who that person is!"

"Who is it?" Liancheng Yazhi asked casually.

"He's the man who touched my hand in the hospital that day," Rong Yan said.

Rong Yan nodded, and the words 'I see' were written on her face. She said, no wonder. I saw that he was wearing very particular clothes. The Jade Buddha Bracelet on his hand looked quite valuable. It seems that he has a history from head to toe.

Rong Yan sighed with emotion. So this was the real invisible rich man, guarding a private cultural relic collection Hall. Anything he took out and exchanged for money could kill a group of people. rich man, he was truly rich.

"Hubby, who is richer between you and him?" Rong Yan suddenly asked Liancheng Yazhi.

Liancheng Yazhi immediately knocked on her forehead. "Nonsense, Yingluo, do you still need to ask? What, are you afraid that I can't afford you and MeowMeow?"

No matter how rich Gu Hesheng was, could he compare to the hundred years of business of the Liancheng family?

the accumulated wealth of the liancheng family had long surpassed what outsiders thought.

Rong Yan pouted. no, I was just asking. You were the one who said he was very powerful, Huahua.

liancheng yazhi immediately pulled a long face and said fiercely, " "Did I say that? I'm just saying that their house is full of things buried underground. Those are things used by the dead, so they don't mind leaving them at home."

Young master ya was very displeased that his woman said that another man was rich. His mouth was as poisonous as if he had eaten arsenic.

Rong Yan quickly comforted him,"Okay, okay, our family has money."

The words 'our family is rich' instantly appeased Liancheng Yazhi.

The two of them were still talking a moment ago, but suddenly, MeowMeow, who was lying in Liancheng Yazhi's arms, began to struggle. Her two small hands unconsciously scratched randomly, and she left several bloody marks on Liancheng Yazhi's arm.

Rong Yan realized that something was wrong and quickly turned

At this moment, MeowMeow was moaning in pain. She had difficulty breathing with her mouth open. Her face was purple and her eyes were blurry. She didn't even have time to look at her face before she passed out. The speed of her illness was so fast that it caught people off guard.

Liancheng Yazhi's heart tightened. At this moment, his heart seemed to have stopped beating as well. He shouted in panic, " "Meow meow meow meow, quick, call the doctor over, call the doctor Meow Meow!"

Rong Yan was so frightened that her face turned pale and bloodless. She grabbed MeowMeow's little hand and cried, " Meow Meow, don't scare mommy. Meow meow meow meow meow.

Liancheng Yazhi was already so flustered that he didn't know what to do, but he still endured it and showed a calm expression. He said to Rong Yan, " "it'll be fine, the doctor will be here soon, ran ran."

Very quickly, the doctor arranged by the family ran over with a first aid kit.

the doctor did a brief examination of meowmeow and quickly said, ” “Young master ya, we need to send him to the operating room immediately.”

This time, everything they had prepared at home came in handy. They quickly sent Miaomiao to the small operating room at home for immediate rescue.

Chapter 564 want to warm her

Rong Yan and Liancheng Yazhi were forbidden from going in. They were nervous and worried. If they went in, they would easily affect the doctor. In order for MeowMeow to get the fastest and most effective treatment, they had to endure their worry, fear, and anxiety and wait outside.

meowmeowmeowmeowmeow’s illness acted up very quickly, causing her to go into shock in a short period of time. this was the second time rong yan had seen this scene after her previous illness. moreover, this time, it was obviously more serious than the previous time.

Rong Yan didn’t know how to describe her current mood. She was very afraid, so afraid that her whole body was trembling, and her hands and feet were cold. She wanted to speak, but she couldn’t make a single sound from her throat.

Liancheng Yazhi hugged her tightly, wanting to give him strength, wanting to warm her up, wanting to tell her not to be afraid, that everything would be fine, and that MeowMeow would be fine.

However, at this moment, Liancheng Yazhi couldn’t say it himself. Those words sounded so pale and unconvincing to him, so how could he comfort Rong Yan?

Half an hour had passed, but the door to the operating room was still closed. They did not know how their daughter was doing.

liancheng yazhi didn’t even dare to think about it. if wanwan couldn’t make it through this time, what would happen to rong yan and him?

??????????????,??????,????????,??????????

However, Liancheng Yazhi was helpless in the face of his daughter’s illness. He was the most useless father.

Liancheng Yazhi hugged Rong Yan tightly and said in her ear, ” I’m sorry, it’s my Hanhan who didn’t protect our daughter well. I’m sorry, Hanhan.

Rong Yan’s hand was bone-chillingly cold. Liancheng Yazhi held it tightly, wanting to warm her up. However, no matter how hard he tried, he couldn’t warm her up. It was as if she had lost her soul. With her last breath, she was waiting for the doctor to come out and announce the results, Huahua.

Another half an hour passed, and there was still no movement in the operating room. Time was so quiet that it was as if the earth had died. The silence brought despair and pressure to people.

Rong Yan, who had been acting like a puppet without a soul, finally spoke. She said, ” “Yazhi, if Yingying and MeowMeow survive this, please agree to my plan.”

she slowly raised her head. her eyes were red, but there were no tears, only gray sorrow. she looked at liancheng yazhi with pleading eyes. Yazhi, Qianqian, you see, we don’t have time. MeowMeow can’t wait either. For our daughter’s sake, our Qianqian will act this one time. It’s fake, not real. Let your father believe it and then he will give us the formula. After we get the formula, we won’t be afraid anymore, and we can also buy more time for MeowMeow.

Liancheng Yazhi's throat was extremely dry, as if there was a fire burning. After a long time, he finally heard his hoarse voice.

“Good Yingluo.”

If Liancheng Yazhi still said no at this time, he had a feeling that Xuanji and Rong Yan might never forgive him again.

If he lost a chance to let MeowMeow live because of his stubbornness, he would not be able to forgive himself, let alone Rong Yan.

after liancheng yazhi agreed, the two of them fell into an endless cycle of quiet and romantic.

The door of the operating room finally opened, and the doctors and nurses walked out, exhausted.

Liancheng Yazhi and Rong Yan stood up almost at the same time and asked in unison, ” “doctor, how is it? How's my daughter?”

.....

Chapter 565 Meowmeowmeowmeow baby, daddy is here

The doctor wiped the sweat off his forehead and said, ” young master ya, miss Rong, fortunately, miss MeowMeow was saved in time. She's out of danger now. However, Yingluo's physical condition is not good, and this kind of situation may happen at any time in the future. This kind of first aid may not be effective every time. Yingluo needs to find the right medicine as soon as possible.

Rong Yan seemed to have come back to life when she heard that. She leaned on Liancheng Yazhi and her body temperature gradually returned.

Liancheng Yazhi nodded and said to the doctor, I know. Thank you. It's been hard on me. I'll have to trouble you for the next few days.

The doctor quickly bowed. we don't dare, we don't dare. We're just doing what we should do. You two can go in and take a look. Miss MeowMeow will wake up in about half an hour. You have to pay more attention to what you eat these days. Don't eat food that is too strong. Eat more light food.

“alright, we'll remember that.” After Rong Yan said that, she rushed into the operating room in a hurry.

On the snow-white bed, MeowMeow's small body was lying on it. Her face had gradually returned to normal, and her eyes were closed. She looked extremely fragile.

Rong Yan had thought that she would cry when she saw MeowMeow, but after Yingying saw it, she couldn't cry anymore.

at this time, crying or being sad was of no use. no matter what, the most important thing was to cure meowmeow's illness. tears and sadness were of no use.

liancheng yazhi walked behind rong yan, hugged her, and called out softly, ” “Rongyan Zhenzhen”

He was now very afraid that Rong Yan wouldn't be able to hold on.

Unexpectedly, Rong Yan turned around and said in an unusually calm manner, ” I'm fine, I'm fine. Let's discuss how we can hide it from your father and successfully act as ran ran.

Liancheng Yazhi quickly reached out to cover Rong Yan's mouth and whispered in her ear, " " we can't just discuss this matter between the two of us. it's not easy to lie to my old man. there's a high chance that she has spies in this house. we can't rush this matter. if we want to make sure there are no loopholes in the plan, we'll have to come up with a detailed plan. i'll arrange the place and time. let's talk outside. "

Rong Yan nodded and said,"good Zhenzhen."

Liancheng Yazhi hugged Rong Yan and kissed her on the eye. you stay here and accompany MeowMeow. I'm going out for a while. I'll arrange a place first.

An hour after Liancheng Yazhi left, he rushed back. When he returned, MeowMeow was already awake and was lying on the bed listening to Rong Yan tell her a story.

Liancheng Yazhi called out softly,"MeowMeow baby, daddy's here, Yingluo."

MeowMeow laughed happily,"daddy!"

Looking at

"You're back. How is it?" Rong Yan asked Liancheng Yazhi in a low voice.

Liancheng Yazhi kissed Rong Yan's forehead. don't worry, everything's fine. Although our family has prepared a small hospital, we don't have enough doctors. Go and pack some things. Pack the lunch boxes that MeowMeow often uses and we'll go to the hospital.

Rong Yan nodded. okay, I'll go and pack now.

Twenty minutes later, Rong Yan packed up their family of three's things, and the maids helped carry them into the car.

Before Lian left, Liancheng Yazhi called the maids at home to reprimand them. we're taking MeowMeow to the hospital and may not come back in the next two days. There's no housekeeper at home for the time being. I don't think I need to say anything more about what to do and what not to do. I only know one thing, ran ran, the lives of your entire family are in your hands.

Chapter 566 The princess in the castle

It wasn't the first day these maids worked at the Liancheng family. To be honest, although it wasn't difficult for Wanwan to find an old man's spy among them, it was best not to do anything at this time. If she did, it would be equivalent to alerting the enemy.

Therefore, Liancheng Yazhi wanted to scare them first. It would be best if they were scared and did not play any tricks. Otherwise, everything he said would become the truth when they settled the score later.

"Yes, young master." The maids quickly lowered their heads.

.....

After getting in the car, Rong Yan asked Liancheng Yazhi, " "are you really going to be hospitalized?"

She was still very worried about

Liancheng Yazhi hugged the two of them. it's true that we're hospitalized. No matter how good our family's conditions are, there's still a gap between it and the hospital. We can't bring all the doctors home. If the illness acts up again, I'm afraid we won't have such good luck again, Wanwan. However, it's also a cover. We can have more freedom in the hospital.

seeing that rong yan was still very worried, liancheng yazhi smiled and comforted her. " " don't worry, the hospital has been fully renovated. i promise that meowmeow will feel like she's in a castle. "

"Really?"

"Of course, you'll know when you see it."

After saying that, Liancheng Yazhi even said to MeowMeow, " "

??????,?????,???:"Is Yingluo like Yingluo, like snow White in the castle?"

Rong Yan often told MeowMeow fairy tales, and many of them mentioned that the princess lived in a Castle, so Huahua and MeowMeow remembered it.

Liancheng Yazhi nodded,"yes, that's the place."

meowmeow clapped her hands happily. " that's great! yingying, you can live in the castle! "

Liancheng Yazhi looked at her with a face full of love. of course you have to live in the castle. You are dad's Princess, the princess of the Liancheng family. Everything will be yours in the future.

After more than 20 minutes, MeowMeow looked at the decorations in the ward and could not help but laugh. What Liancheng Yazhi said was true. The entire floor, including the exterior, had been greatly modified. It was indeed very childish and full of fairy-tale atmosphere. The overall color tone of the room was pink, which little girls would especially like.

as soon as she came in,

Liancheng Yazhi put his arm around Rong Yan's slender waist and watched as MeowMeow played happily. the three of us will stay here for the time being. I've already asked the others to rush over and discuss what to do about this matter. Even if Yingluo wants to put on an act, we have to come up with a flawless plan.

Rong Yan knew that it was already very difficult for Liancheng Yazhi to agree to this, so she did not urge him anymore and nodded."Yes, good!"

after kang yu and the other two arrived, liancheng yazhi asked them to sit down. he didn't even have time to exchange pleasantries and directly asked the problem.

that's what happened, " Liancheng Yazhi said in the end. tell me your thoughts.

feng nongtang was the first to speak. " i don't think it's difficult to hide it from your old man. the most difficult thing is, zhenzhen, how are you going to be sure that the formula is real after you get it? " Young master ya, your old man is so cruel that he doesn't even care about his own granddaughter's life. Can you guarantee that the prescription he gave you is completely correct?"

—

Chapter 567 Cunning old man

“That’s right, the mad scientist finally said something right.” Jian Kangyu nodded at the same time. They had the same opinion as Feng nongtang on this matter. If they worked together, it was more than enough to hide it from the old man who had retired early.

The key was that the old man was too cunning. He was the only one who knew the formula, and even if he gave a fake one, no one else would know.

this matter was completely up to him, and he had the final say.

If

The most important thing now was how to distinguish between the real and the fake!

Jian Jie frowned and thought for a while. yes, your old man’s ultimate goal is not to get rid of Rong Yan. He just wants to fight with you for power and regain it. If he can be so cruel to you, let alone MeowMeow. I don’t think he will let MeowMeow go!

Kang Yu facepalmed. this isn’t an easy task!

the more rong yan listened to their conversation, the more afraid she became. the hand that liancheng yazhi had been holding on to began to gradually turn cold and tremble.

After they finished talking, Rong Yan finally knew that old master Liancheng wanted to seize power. This made her even more flustered and afraid.

Rong Yan had always thought that old master Liancheng wanted to ensure the nobility of the family’s bloodline. She thought that he didn’t like her and wanted to follow the family rules to get rid of her.

However, he didn’t expect that old master Liancheng’s ultimate goal was to snatch his son’s position as the head of the family and regain power.

It was as if you had always thought that it was an ordinary grenade, but you didn’t expect that the Kasaya was a very powerful time bomb.

The difference between the two was that the former would be fine as long as you didn’t touch it.

As for the latter, no matter what you do, you won’t be able to escape!

Liancheng Yazhi quickly took off his coat and put it on her. Then, he hugged Rong Yan tightly under everyone’s extremely mushy eyes and said very impolitely, ” I asked you guys to come here to think of a solution. Don’t be disheartened. Say something useful that can solve the real problem.

Could Feng nongtang solve the problem in reality? This Yingying was really hard to think of. He asked, ” “By the way, is there any progress in the laboratory? If the laboratory has developed an effective treatment, there’s no need to look for that troublesome old man at home.”

Liancheng Yazhi’s face became dispirited. He shook his head and said, ” no, I didn’t find anything special in the first few days.

If the lab had found something, he wouldn’t have needed to discuss it with them. He wouldn’t have to go through so much trouble.

Feng nongtang suddenly slammed the table. right, isn't there a medicine that can make people tell the truth after taking it? Just get your old man back to feed him medicine and then ask him what he wants to know.”

Kang Yu rolled his eyes at him. I don't think it's going to work. Did you forget that our experiment on Liancheng's 23rd birthday failed? don't you remember that? ”

On the night of Liancheng Yazhi's 23rd birthday, in order to prank him, his childhood friends specially got him a drug that would tell the truth after he ate it. In the end, Wanwan didn't get anything out of him and was beaten up instead.

That kind of medicine might not have much effect on people like the Liancheng family, who had abnormal blood and a strong recovery ability.

.....

Chapter 568 Don't waste my time

Feng nongtang scratched his head. it's not necessarily the Kasaya. So many years have passed. Maybe that medicine has been improved.

He didn't speak loudly, as if he was talking to himself.

However, these words reminded him of something. He quickly said, ” “isn't this place not far from the laboratory? Get Natsume out, I have something to ask him ...”

Liancheng Yazhi's eyes lit up. That's right, I forgot about Natsume. 'Simple' doesn't mean that the kid has developed a lot of strange things and might have a way.

Liancheng Yazhi quickly ordered the guards at the entrance of the laboratory to call Natsume, who had been buried in the laboratory since he arrived a few days ago and had never come out.

After a long time, there was the sound of irregular footsteps outside the door. It sounded like the footsteps of a drunk person.

After a while, the door was pushed open from the outside without even knocking.

The next second, the door opened. A man was standing at the door, staggering. Behind him were two bodyguards, but they did not look very good.

“Young master ya, we've brought her,” the two bodyguards said to Liancheng Yazhi.

The person they brought was wearing a white doctor's uniform. He had a head full of puffy hair, dark eye circles, and a circle of stubble. There were some inexplicable injuries on his face. He looked extremely Haggard and in a very sorry state, as if he had not slept since he was born.

His mental state was extremely bad, a little like a scavenger, his whole person exuding a very bleak and gloomy feeling from head to toe.

This person's appearance stunned everyone for a moment. After seeing him, they couldn't react for a while, including Rong Yan. Rong Yan only felt that he seemed a little familiar, but why couldn't she remember who he was at that moment?

the man didn't give any face to the young masters and asked in a very displeased tone, ” “What's the matter? don't waste my time. Don't come to me for nothing, Yingluo.”

That's right, the person who came was Natsume. He had been in the laboratory for the past few days and had never come out. He had not even had a full night's sleep, so there were two people who were completely different from him.

Natsume was so fanatical about the 'medical project' that he had forgotten to eat and sleep. Wasting his time now would be like killing him.

Liancheng Yazhi did not say much to him and directly said, "I know you haven't made any progress these days, right? I'll help you find some clues, do you want them?"

"What progress do you want to make with ran ran? tell me quickly." Natsume's eyes, which had almost completely lost their burn, instantly lit up.

lian Cheng yazhi looked at natsume and said, "i have one that can suppress blood circulation now. but ran ran, i'm not sure if the prescription he gave is real or fake. what way do you have to confirm his words?"

Natsume was holding his breath at first, but when he heard Liancheng Yazhi's words, the expression on his face immediately relaxed and he immediately said, "as long as we get him back, i have a way to make him spit out everything you want to know."

Rong Yan and Liancheng Yazhi were so happy that they immediately stood up."is there really a way?"

kang yu and the other two were in a much better mood after hearing natsume's words. they placed all their attention on natsume.

natsume patted his chest and said with a relaxed expression, "Of course, isn't it easy for Qianqian to get someone to tell the truth?"

"Can you let the Liancheng family speak the truth?" Rong Yan asked, worried.

Chapter 569 Rong Yan still has to leave

Natsume hesitated for a moment before he finally said, "This Yingluo is fine too, I have a way to Yingluo."

Natsume glanced at Liancheng Yazhi when he said this. He really wanted to say, 'it would be better if I could experiment on you.' But, Natsume wisely chose not to say it when he saw his expression.

Liancheng Yazhi's heart instantly relaxed when he got a positive answer from Natsume. He waved his hand at Natsume. okay, go back to the lab. I'll send him to you when he's back.

Before Natsume left, she did not forget to remind him, "Then you have to bring her here quickly. Oh, by the way, it's best if Yingluo's mental state is normal when she's brought here. She shouldn't be too emotional, and she shouldn't have a brain injury."

Rong Yan didn't understand why he was doing this and asked, "Why?"

Natsume explained to him, "the blood in your family is different from that of ordinary people. When your emotions fluctuate, the power of the blood in your body will be strengthened. Whether it's drugs or machines, they will reduce the effect. So, Hanhan needs to stabilize her emotions.

Natsume's request directly increased their difficulty.

In the beginning, Liancheng Yazhi wanted to bring her directly to him, whether it was to knock her out or to drug her. He did not expect Natsume to make such a request.

It seemed that he couldn't do what he had just thought. He had to let the old man come back as usual.

After Natsume left, Liancheng Yazhi leaned back with Rong Yan in his arms. now, we just need to get the old man back from the island. Rong Yan doesn't need to pretend to leave anymore.

To Liancheng Yazhi, Natsume's appearance was a turn of events, and it made him feel a lot better in an instant. He felt that Rong Yan did not have to pretend to leave with him anymore, so he did not have to continue to worry about it.

Feng nongtang's expression was still a little heavy. but Natsume just said that he has to bring Yingluo back in a normal state of mind. In other words, he has to come back on his own accord. Isn't this Yingluo too difficult? ”

Liancheng Yazhi smiled. you don't have to worry about this. I have my ways.

now, as long as he didn't let rong yan leave, liancheng yazhi felt that nothing was a problem and he could settle everything.

After thinking briefly, he still said everything he wanted to say.

“Liancheng, I think Xuanji and rongyan should leave for a while. Don't be angry and let me finish. Your old man is so suspicious. He has said that he wants to come back more than once over the years, but you have always rejected him. Besides, he just talked to Rong Yan on the phone, so he must be waiting for Rong Yan's action. In the end, Rong Yan didn't leave, but you asked him to come back. Even a fool would know that something must have happened here and it's not safe for him to come back.”

Feng nongtang saw that Liancheng Yazhi's face was so dark that water was about to drip out and said carefully, ” that's right. Jian Jie is right. Only when sister Rong leaves will the old master not think too much when he comes back. Otherwise, Zhenzhen will be very guarded and may not even come.

“i think so too,” kang yu nodded.

Yazhi Yazhi, ” Rong Yan whispered. She really hoped that Liancheng would agree now. Everyone's analysis just now was right. The old man was waiting for her to leave now. If she still stood in front of Liancheng Yazhi, did she still need to think about what this meant?

Chapter 570 I'll let you see me at all times

Since Liancheng Yazhi had not taken any action yet, the old man must have thought that she had told him everything about the phone call that day.

therefore, rong yan also felt that it was necessary for her to fake her departure again. no matter what, she had to deceive the old man.

Liancheng Yazhi shook his head decisively. you guys don't have to say anything more. If you really want Rong Yan to act out a scene to leave Wanwan, she can still be by my side after she leaves and let me see her 24 hours a day. Otherwise, there's no need to talk about it.

Everyone was dumbfounded. How was this possible?

Jian Jie said in a kind voice, "you know it's impossible. We'll hide Rong Yan in a secret place that only you know. Isn't that enough?" "I'll let you have the time to see him every day and never let him leave. Can't I even do that?"

He asked two 'not even like this' in a simple sentence?

however, to Liancheng Yazhi, Wanwan was really not good enough.

"No, I can't leave Rongyan." Liancheng Yazhi said directly that he had agreed to Rong Yan's fake departure before because he felt that there was no other way, and MeowMeow was in a critical situation.

But it was different now. MeowMeow's condition was stable for the time being, and Natsume had confirmed her appearance.

Since he already had a solution, he didn't want Rong Yan to leave again.

Suddenly, Rong Yan turned to look at Liancheng Yazhi, grabbed his hand, and said, "I have a way to stay in the Liancheng family's house openly after I leave, and I will definitely not be discovered.

Rong Yan looked at Liancheng Yazhi pleadingly, hoping that he would agree to her request. However, Xuxu turned his head away arrogantly and did not look at her. The meaning of his uncooperative action did not need to be stated clearly.

Everyone looked at Rong Yan in surprise, and their hearts heated up. "What do you have in mind?"

Rong Yan nodded seriously. Yes, I have a way. I can be by your side every moment after the holidays. You can see me all the time.

"Really? Do you have any ideas?" The question that Liancheng Yazhi asked was exactly what everyone wanted to ask.

Rong Yan was a weak woman. What could she have?

Rong Yan's lips curled up into a small smile. Of course, everything I said is true. When the time comes, you'll all know!

She had almost forgotten that she still had a trump card in her hands.

She looked at Liancheng Yazhi and gently scratched his palm with her finger. "Yazhi, promise me. Don't worry, don't forget how I ran out of the capital back then."
