

Chapter 691 She doesn't look like a good woman

Madam Xia hesitated for a moment and said with a worried expression, "xuan mo, it's not that i don't think miss rong is good, but a woman like yingluo isn't suitable for our xia family, do you understand? You see, you have a good career now. If you want to marry a wife, you have to marry a virtuous and virtuous daughter from a famous family who can help you and can take care of the family. It's better to forget about miss Rong's tirade."

In fact, Madam Xia couldn't be blamed for this. A woman like Rong Yan was basically The Public Enemy of all women. Older women who had become mothers disliked her even more because, in their eyes, Rong Yan was not dignified and virtuous enough. She didn't even look like a good woman.

Xia Xuanmo looked at Madam Xia speechlessly. His mother had actually thought that he and Rong Yan had that kind of relationship. This was too ridiculous. Just now, he was two steps away from her. Not to mention any intimate actions, he didn't even look at her gently. How on earth did she see this?

Xia Xuanmo reprimanded in a low voice, "mom, what are you thinking? that's young master ya's woman, and she's already his fiancée. Moreover, she's his only wife. Don't think about it in other ways. If Liancheng finds out about this, do you know what the consequences will be?"

Madam Xia was the youngest daughter in her family. She was doted on before she got married, and after she got married, father Xia loved her very much. She had lived for so long, but she was still quite naive and simple-minded, not thinking deeply about many things. Today, she saw Rong Yan 'snatching' Lu Xueli's fiancé and being 'aggressive' to her. Therefore, she disliked Rong Yan even more.

This was the first time Xia Xuanmo had said such harsh words to Madam Xia. She was so frightened that she lowered her head and whispered, "I didn't know about my Hanhan. I saw that you were quite close to her just now, so I thought I didn't do it on purpose. Besides, Hanhan, I think that miss Lu is quite good, not as good as her.

Xia Xuanmo really didn't know what to say. He scratched his head in frustration. "That's because you haven't seen how Lu Xueli looked like when she was stripped naked and hung on the door three years ago. She's a fake from head to toe, so what do you see in her? didn't she just cry a few drops of tears, and she bribed you? you're too gullible."

Madam Xia tugged at the shawl on her body, "I ran ran, I ran ran."

Xia Xuanmo sighed and helped her up. mom, you're not in good health, so don't think about other things. Just stay at home and take care of yourself. In the future, don't ask about this kind of thing.

.....

Rong Yan naturally didn't know what had happened to Xia Xuanmo. If she knew, she would definitely point at Madam Xia's nose and scold her, "No matter how frivolous I am, I won't harm your son. Who Do You Think You Are to point fingers at me?"

However, Rong Yan did not go back directly. She went to the bathroom first, but she did not expect to meet an acquaintance when she came out.

Looking at the man who stopped her, Rong Yan smiled. She had really realized that as long as he went to the bathroom in block A of the Empire, something would happen without exception.

Rong Yan raised her head and looked at the elegant middle-aged man in front of her. She asked with a smile, "Mr. Gu, what's the matter? You won't get the wrong person again this time, right?"

That's right, the person who stopped her was the man who had mistook her for someone else when she came out of the toilet in the hospital-Gu Hesheng.

It wasn't strange to run into Gu Hesheng. Putting aside the fact that he was Lu Guinong's classmate, with his status as a famous person in the capital, the old man would definitely invite him.

Gu Hesheng's gaze on Rong Yan was still as dull as ever. He asked, "You're called Rong Yan Zhenzhen."

Chapter 692 Did he get the wrong person this time?

Rong Yan felt very uncomfortable under Gu Hesheng's gaze. It should be said that she didn't like it. She hated being looked at like that. The kind of gaze that looked at others through her was especially annoying.

Rong Yan didn't want to talk to him anymore. She wanted to get rid of Gu Hesheng as soon as possible and return to Liancheng Yazhi and her daughter.

Rong Yan sneered, "that's right!" Otherwise, what do you think I should be called?"

"What's your mother's surname? where is she from?" Gu Hesheng suddenly asked.

Rong Yan suddenly smiled. Did this guy think that she looked similar to Yang Yan, so Yang Yan, who was her mother, was someone he knew before?

Rong Yan said happily, "I'm afraid my answer isn't what you want to hear. Her surname is Yang. As for where she's from, I don't know. However, I know where she is now.

"What place?" Gu Hesheng asked hurriedly.

Rong Yan looked at Gu Hesheng with a strange smile on her face and said two words, "C-prison!"

Gu Hesheng's expression changed immediately, "Yang? Can I ask one more question, why did she enter?"

Rong Yan looked at Gu Hesheng and felt that it was funny. Since he wanted to know so much, it was nothing for her to tell him. Stealing and assaulting a police officer.

Rong Yan was now wondering if she should provoke Gu Hesheng again and tell him that she was the one who sent Yang Yan to prison.

However, Gu Hesheng didn't ask any further. His face was full of disappointment, which made him look like he had experienced many vicissitudes of life.

Rong Yan smiled at Gu Hesheng. Mr. Gu, it seems like there's nothing else. I'll take my leave first. My daughter is still waiting for me.

She nodded her head and walked around Gu Hesheng to leave. She inadvertently saw that the Jade Buddha Bracelet on his left wrist had been changed to a bright yellow string of beads. The color was bright and the surface was round and smooth. It looked like a valuable item. Rong Yan couldn't help but mutter in her heart, 'after all, he's an antique enthusiast. The things he's carrying are all so high-end and luxurious, low-key and luxurious.'

Although Rong Yan did not like to be looked at by Gu Hesheng like that, she had to admit that he was a very charming man. Although he was old, he still had the charm of a mature man. He enjoyed the long-lasting fragrance of the dusty old wine. The older it was, the more delicious it was.

Gu Hesheng's melancholic yet elegant temperament, which had experienced many vicissitudes but did not age, could still charm many girls.

However, he couldn't confuse Rong Yan. Her sexual orientation was normal, and she liked young and handsome guys, not a grandfather.

After Rong Yan went back, Liancheng Yazhi immediately grabbed her and sat her down. He said unhappily, "why did you come back so late?"

Rong Yan sat down and saw that

"I met someone," Rong Yan said in a low voice.

"who is it?" Liancheng Yazhi's face immediately turned ugly.

Rong Yan smiled and secretly pinched his arm to calm him down. She told him in a low voice, "Gu Hesheng."

This time, Liancheng Yazhi's face turned even uglier. you met him again? Did he get the wrong person this time? Did he grab your hand?"

His face was extremely dark. If it wasn't for the simple breeze teasing Tang sitting opposite him, he would have been in a daze. Now that he had met Gu Hesheng, what was that old man trying to do?

Rong Yan looked at Liancheng Yazhi's dark face, which was hiding a storm. She guaranteed that if she said that Gu Hesheng had touched her hand again, he would definitely run over to beat him up.

Chapter 693 Congratulations on your engagement

Rong Yan smiled, very happy to see Liancheng Yazhi's reaction. "Hmm, we met again? But I didn't get the wrong person this time, but Yingying wants to ask if I'm related to someone he knows."

The two of them whispered to each other and whispered in each other's ears. They didn't think much of it, but to the people opposite them, they were deliberately showing off their love to make the men who hadn't been happy feel envious, jealous, and hateful.

Feng Nongtang was the first to say, "what are you two whispering about? Don't you know that you'll irritate us?"

Jian Jie rolled her eyes at Feng Nongtang. what's there to be jealous of? you're already married. Why are you jealous of someone who just got engaged? "

Feng Nongtang scratched his nose. isn't my Xuanji a marriage without love? it's a grave!

Rong Yan knew that Feng nongtang had been married for more than two years. Although she had never seen his wife, Zhenzhen felt that it was really a sin in her past life to marry a Playboy like Feng nongtang.

As a woman, it was already pitiful enough that she had to endure the fact that her husband didn't have her in his heart every day. Now, she had to watch her husband's gossip and wait for a mistress to come to her door from time to time. Rong Yan felt that she would definitely not live such a life.

Rong Yan couldn't help but say something to Feng nongtang, "A grave? If one day your wife really doesn't want to live with you anymore, you won't even have a grave. Just wait for your corpse to be exposed in the wilderness."

This sentence made Feng nongtang freeze for a moment, feeling as if his heart had been stabbed, but the feeling quickly disappeared. He laughed and said, "I can understand how Lu Xueji felt when she ran away."

Feng nongtang was talking about the feeling of being stabbed in the lungs after being attacked by Rong Yan's poisonous tongue. It made people's hearts hurt, but for Feng nongtang, it was quite good to be attacked.

Liancheng Yazhi reached out and pulled Rong Yan into his arms. He looked at Feng nongtang provocatively, as if to say, "if you have the ability, come and hit me? You should listen to whatever my wife says, and keep your opinions to yourself."

Feng nongtang raised his glass and took a sip, then looked at them sadly!

Liancheng Yazhi thought of something and asked, "by the way, your parents are here this time. Is your wife here?"

Feng nongtang scratched his head, a little embarrassed, "maybe Ran Ran didn't come, Ran Ran."

He simply patted her shoulder. Your wife is afraid that she'll be embarrassed if she comes to this kind of occasion and sees you and that small star with your arms around each other's shoulders.

Feng nongtang chuckled and didn't speak.

While they were taking turns to attack Feng nongtang, Xia Xuanmo came back with a rectangular box in his hand. It was half a meter long and 20 to 30 centimeters wide. The box was made of black sandalwood and had a very good polishing. It was as smooth as a mirror without any patterns. It looked simple, heavy, and heavy.

Xia Xuanmo directly handed the box to Liancheng Yazhi. "Congratulations on your happy ending. This is my gift to meowmeowmeowmeow. I hope she will be healthy and happy in the future."

Although Xia Xuanmo did not bring Rong Nuo over as he had asked, he had temporarily forgiven him for the sake of the gift he had given his daughter.

Liancheng Yazhi took the sandalwood box and weighed it in his hand. It seemed that the things inside were quite heavy. He waved his hand at Xia Xuanmo. "Thank you. I'll accept the gift. It's a habit for you to give my daughter gifts in the future."

.....

Chapter 694 A gift for meowmeowmeow

“Remember what I told you,” Rong Yan reminded him.

Xia Xuanmo revealed a bitter smile. how can I dare to forget what you said? in short, Qianqian congratulates you. I’m also very happy for you to be able to reach this step.

After Kang Rong left, Xia Xuanmo also left.

Feng nongtang looked at Xia Xuanmo’s back as he left, and then he mentioned the flower that he had just mentioned not long ago. why do I still feel that there’s something wrong with Xuanzi? ”

Jian Jie said thoughtfully, ” a little. His sullen look makes him more crowded.

The engagement party reached its climax when Liancheng Yazhi proposed and then gradually calmed down.

If it was such a good day in the past, Liancheng Yazhi would definitely take Rong Yan to play for a good night. But now, his daughter had fallen asleep in his arms. As her father, of course, he had to quickly take her home and let her lie on the soft bed and sleep comfortably. He could forget about the entertainment between adults.

At the end of the engagement party, Liancheng Yazhi left with MeowMeow and Rong Yan. But before he got into the car, he met Gu Hesheng again.

It should be said that Gu Hesheng had stopped them.

this time, liancheng yazhi finally had a place to put his strength to use. he handed “Mr. Gu, what’s the matter?”

When Gu Hesheng looked at Rong Yan now, his expression was no longer the same as before. Instead, his gaze stopped on MeowMeow’s face for a long time. today is your engagement, so you should give a congratulatory gift.

Liancheng Yazhi raised his eyebrows. Could it be that Gu Hesheng was going to send a congratulatory gift?

you’re too kind. Mr. Gu. It’s my fault that none of the guests knew that today was an engagement party before they came.. didn’t inform you in advance, so it has nothing to do with you. You don’t have to spend any money ...

Gu Hesheng smiled and his eyes fell on MeowMeow’s face again. His eyes were very soft. how can that be? even if I don’t give you a congratulatory gift, it’s necessary to give your daughter a meeting gift.

After he finished speaking, Gu Hesheng took off the bright yellow Buddha Bracelet on his left wrist and handed it to Liancheng Yazhi. although this is not very precious, it’s good for protecting one’s safety. It’s suitable for children.

liancheng yazhi was stunned for a moment. of course, he recognized the thing that gu hesheng handed over. the color was like honey and the light was like wax. this was the beeswax that had always been very popular.

Moreover, from the looks of it, Gu Hesheng’s was an aged beeswax, a rare and precious Tibetan beeswax that had been passed down for generations.

Old beeswax was a fossil of tree sap from hundreds of millions of years ago. It was said to be an extremely mysterious thing that had a very good calming effect. If worn for a long time, it could ward off evil, regulate yin and yang, promote blood circulation and nourish the skin. It had always been a sacred item in Buddhism that protected peace.

According to Buddhism, beeswax was a very spiritual treasure, one of the seven treasures of Buddhism. With its help, the effect of spiritual cultivation would be multiplied, and the effect of spiritual communication was very strong, so many monks used beeswax to make Buddha beads. For thousands of years, it had been liked by the upper class.

Beeswax was not expensive to Liancheng Yazhi, but it was an astronomical figure to others. Gu Hesheng's beeswax Buddha Bracelet, not to mention its appearance, looked at each grain of the same size and shape, and each was the size of his thumb. It was really the best quality, the best quality beeswax.

Chapter 695 I think it's pretty good too!

lian Cheng yazhi was depressed. why did gu hesheng have to give his daughter such a precious gift when they first met?

Liancheng Yazhi actually wanted it. It was good for the body to wear it, and most importantly, it could protect one's safety and ward off evil.

He blamed himself a little. Why didn't he think of buying beeswax for his daughter before?

"Mr. Gu, isn't this gift a little too much for a child?" On the other hand, Liancheng Yazhi's face did not show that he really wanted it. Instead, he looked like he did not care. At most, he could go back and buy it with his daughter in minutes, but it would probably be hard to find something of this quality.

Gu Hesheng laughed, "is it heavy?" To the Liancheng family, any gift is like a cheap product. You don't have to think that I have any other intentions. I just feel that miss Rong is very similar to an old friend of mine. Seeing your daughter, I feel a sense of familiarity, so I want to give her a gift."

alright, thank you, Mr. Gu. I won't stand on ceremony then. Liancheng Yazhi smiled. It did not matter what Gu Hesheng's motive was for suddenly giving MeowMeow a gift. As long as it was not too much, he would help him complete it.

Liancheng Yazhi took the beeswax Buddha Bracelet from Gu Hesheng's hands. we'll go back first. If there's anything else, you can tell us.

"alright," he said. Gu Hesheng nodded, but his eyes were still on MeowMeow, who was in Rong Yan's arms.

rong yan also nodded at gu hesheng and sat in the car.

After the car started, Liancheng Yazhi wanted to put the beeswax on MeowMeow, but because the beeswax Buddha Bracelet was too big, MeowMeow's small arm was too small. After wearing it a few times, Liancheng Yazhi decided to change the bracelet into a necklace for MeowMeow at night.

Rong Yan took the beeswax Buddha Bracelet from Liancheng Yazhi and immediately felt that it was very light. Moreover, its surface was shiny and smooth like honey, which was why it was called beeswax.

Rong Yan didn't know much about this thing. She had heard many people talk about diamonds and jewelry in the past, but she didn't know much about beeswax. She asked Liancheng Yazhi, "Is this Kasaya a gem?"

Liancheng Yazhi smiled and kissed her cheek. silly girl, this isn't a stone. It's actually a type of Amber, a fossil formed from resin hundreds of millions of years ago. It's very rare and is called beeswax. Wearing it for a long time is good for the body and it's suitable for MeowMeow. That's why I accepted his gift.

Rong Yan was very curious when she heard that and asked Liancheng Yazhi, "Really?"

Liancheng Yazhi nodded and kissed Rong Yan's face. He vowed, "of course it's true. I was wondering why I didn't think of buying wax for

Rong Yan leaned on him and laughed evilly."Sure, bring this for

.....

When they got home, Rong Yan and MeowMeow were both very tired.

He took off MeowMeow's clothes and changed her into her pajamas. During this period of time, the little guy did not wake up and was still sleeping very soundly.

Rong Yan was also very tired today. Liancheng Yazhi, who had originally wanted to have sex with her tonight, gave up on that little thought, probably because she looked exhausted.

Even when she was taking a bath, Liancheng Yazhi was the one who washed Rong Yan. This was really a sweet and willing torture for him, but he was willing to endure it.

Chapter 696 Happy and beautiful days

When he finished bathing Rong Yan, she had already fallen asleep. Liancheng Yazhi picked her up and wiped her body clean before carrying her out. He was getting more and more skilled in doing such things.

Lying on the bed, Liancheng Yazhi slept in the middle tonight.

that night was the most peaceful and sweet sleep he had had in a few days.

He didn't have to be as sneaky as he had been a few days ago, and he didn't have to worry about the old man's underhanded tricks from time to time.

Natsume and the group of medical experts had made new progress. MeowMeow's condition was gradually becoming better, and everything was developing in a good direction.

the most important thing was that he had finally completed the first major victory in his life. he was engaged!

it was as if spring had finally arrived after a long, cold, and dry winter.

what awaited them was warmth, the bright sunshine, the refreshing spring breeze, and the happy days.

Liancheng Yazhi closed his eyes and took a deep breath. The air was filled with the scent of Rong Yan and MeowMeow, which made him feel at ease, happy, and calm down.

Liancheng Yazhi kissed Rong Yan and MeowMeow on their foreheads and gently said good night before he closed his eyes and went to sleep.

.....

The next morning, after having breakfast with the mother and daughter, Liancheng Yazhi went to work.

Now that he had a family in the true sense of the word, Liancheng Yazhi had to work hard to earn money to support the family.

After saying goodbye to MeowMeow and Rong Yan, Liancheng Yazhi got into the car despite his reluctance.

on the way, secretary zhou saw the smile on liancheng yazhi's face from the rear mirror and asked, "Young master ya, did you rest well last night?"

Liancheng Yazhi nodded and said, "of course!"

she didn't need to see rong yan wearing a face that didn't belong to her every day. she could openly show off their love, so of course, she had to be in a good mood.

secretary zhou saw that liancheng yazhi was so happy that his eyebrows were about to fly up. he silently prayed in his heart. " then don't think about me giving miss meowmeow a lollipop tonight. "

Liancheng Yazhi thought of something and said to Secretary Zhou, " Find some time today to check which place in the imperial capital sells that kind of high-quality old beeswax. "

"Alright, I'll get someone to investigate today."

After a while, Secretary Zhou said to Liancheng Yazhi, young master ya, if you want to find something like old beeswax of good quality, I think it's better to ask Gu Hesheng. Think about it, how many of these treasures does he have in his private museum, and how many defective ones can he have? "

liancheng yazhi frowned. secretary zhou was right, but qianqian had just given meowmeow a string of beeswax buddha skewers yesterday. if he ran over to buy beeswax from him again, it would not feel good!

Speaking of Gu Hesheng, Liancheng Yazhi felt a little strange. Although he did not know this person, he still knew a little about him.

he was very low-key and didn't like to socialize. because of his high birth, he was a very virtuous person in the secular world, but he was also arrogant.

Such a person should be very difficult to get along with, and he would rarely take anyone seriously, let alone take the initiative to strike up a conversation with strangers.

Then, why did he suddenly take the initiative to give a gift to MeowMeow? He was so generous.

Chapter 697 Her thoughts were a mess

Could it be that he was acting this way because her face was similar to his old friend's?

Liancheng Yazhi's fingers moved slightly. How similar was his appearance to that person that Gu he, who had always had sharp eyes and was always able to identify treasures, would lose his composure again and again?

For Gu he to remember her for so long, she must have had a particularly deep impression, even to the point where it was carved deep into his bones. The other party's appearance had long been deeply engraved in his heart, and he would definitely not be mistaken.

however, he actually regarded rong yan as the one in his heart. he reckoned that yingluo could almost pass off a fake as the real one.

Liancheng Yazhi was a little curious. Who was the person who looked similar to Rong Yan? whether or not they were related, there were always a few people in this world who looked similar, but yingluo looked so similar that they were carved out of the same mold, so yingluo couldn't help but be curious.

Liancheng Yazhi asked Secretary Zhou, "Secretary Zhou, did you see the way Gu Hesheng looked at Rong Yan?" he asked.

"i saw it. he wanted to hide it, but he couldn't. it was a kind of sadness and nostalgia. he looked at miss rong and was reminiscing about another person. "

send someone to investigate who Gu Hesheng is reminiscing about and whether Lao Ai is related to Rong Yan. Liancheng Yazhi did not do this because he was suspicious of Rong Yan. He just wanted to figure out the matter. If the person Xuanji and Gu Hesheng were talking about was Rong Yan's family, it would be a good thing for her.

"Sure, I'll get it done." Secretary Zhou nodded.

He suddenly thought of someone and quickly asked, " "Young master ya, I wonder if you've been paying attention to Lu guinong."

Liancheng Yazhi patted his forehead, and his face immediately became fierce. what's wrong with him now? I would have forgotten if you didn't mention it. I was f * cking dealt with by their family."

Although the Lu family was just a chess piece pushed out by the old master in this game between Liancheng Yazhi and the old master, it was not too big of a mistake to say that they were wrong.

However, no one forced them to do so. They were the ones who wanted to become phoenixes and had a dream of not returning. The point was that Lu Xueli was too disgusting.

Even if he didn't teach them a good lesson, it was inevitable that he would teach them a lesson.

Secretary Zhou told Liancheng Yazhi, " the moment miss Rong appeared in front of the father and daughter of the Lu family, Lu guinong's face instantly turned as if he had seen a ghost. That kind of panic and uneasiness scared him silly. If someone else thought that miss Rong was dead, it would be normal to show fear when they see her again. But Qianqian, Lu guinong, shouldn't be like that. He has never seen miss Rong before.

Liancheng Yazhi frowned, his mind spinning quickly. He always felt that he was about to grasp the key point, but he was still missing a little, just a little bit.

Liancheng Yazhi thought for a long time but could not think of anything. He pinched the bridge of his nose. that's even weirder. Gu Hesheng mistook Rong Yan for her when he saw her, and Lu guinong was scared silly when he saw her. Yingluo is so confused!

The L & C group building was in front. Secretary Zhou turned into the underground parking lot.

Secretary Zhou said, " young master ya, we're here. You don't have to worry about this anymore. Anyway, we have a lot of things to investigate recently, so there's no need to worry about this. We can just let our subordinates handle it. As for the beeswax, I don't think we need to look for Gu Hesheng directly. We can just find someone else to buy it.

liancheng yazhi nodded. " alright! you arrange it! "

Chapter 698 Mother, are you unhappy?

From the underground parking lot, they directly entered the elevator. Seeing the number rising bit by bit, Secretary Zhou hesitated. He wanted to say something, but he didn't dare to.

Liancheng Yazhi rolled his eyes at him. just say it. It's just the two of us. What are you afraid of? "

Secretary Zhou chuckled. young master ya, what I wanted to say to Yueyue is, do you want to visit the old master today? I heard that the situation in the hospital is not very good!

Yesterday, the old man was so angry that he fainted again. After he was sent to the hospital, Secretary Zhou didn't receive the news until he got home after work.

The doctor at the hospital said that the old man had suffered from two serious shocks in a row for two days. His body was severely damaged, and in addition to his old age, he had most likely suffered a stroke.

After suffering a stroke at such an old age, needless to say, she would have to spend the rest of her life in bed until she died.

Liancheng Yazhi's face darkened and he sighed."We'll talk about it in the afternoon."

To be honest, when he heard this news, Liancheng Yazhi really did not feel sad. He only felt a little disappointed and frustrated. He felt that he might really not be suitable to be a filial son.

Liancheng Yazhi didn't want to see the old master because he had nothing to say.

It would probably only agitate the old man and make him think that he was there to show off. Perhaps his illness would become even more serious.

secretary zhou didn't say anything else. other people shouldn't ask about the father and son's matters. moreover, this wasn't just one reason. both parties had problems.

Secretary Zhou even thought that the old man was fine when he had a stroke. At least, Wanwan wouldn't have to think about seizing power all day and scheme against her son.

Although Liancheng Yazhi would not be very good to him, at least he would not take his life. He would let him enjoy the best treatment in the hospital, just like ... Enjoying his old age in peace.

Young master ya could also be at ease. His days were more comfortable, and his mood was better. As his subordinates, they would naturally have a better life.

.....

On the other hand, Rong Yan had been waiting for a call after having breakfast at the old house.

Yesterday, Xia Xuanmo had promised her that he would ask Rong nuo to call her today.

However, she waited until 11 O 'clock and still didn't get to see her. Rong Yan was a little down and was a little absent-minded when she was playing puzzle games with MeowMeow.

“mom, are you unhappy?”

Rong Yan hugged her and kissed her little face. no, mommy is very happy.

“But you didn't even smile.”

Meowmetouched the corner of Rong Yan's mouth.

“Ah, that's because mom was thinking about the puzzle and it was too difficult, so she forgot to smile,” Rong Yan quickly said.

??????????,”?????????.....??.....?????,?????”

“Alright, let's play something simple!”

Rong Yan perked up and played with MeowMeow for an hour. At 12:30 p.m., Liancheng Yazhi came back and the family had lunch.

Just as she sat down, the phone in the living room rang. Rong Yan immediately looked up, her eyes full of anticipation.

Butler li had already walked over and picked up the phone. Hello, this is the Liancheng family's Wanwan. Please wait a moment.

Butler li covered the receiver with his hand and said to Rong Yan, ” “Young Madam, you have a call.”

Since yesterday's engagement, the maids in the old house had started to address Rong Yan.

Rong Yan was a little unaccustomed to their sudden change in address. Blushing, she stood up and walked over to tease him.

Chapter 699 Don't let him waste you

Rong Yan took the phone and placed it by her ear. “Hello, Yingluo.”

Soon she heard Rong nuo's happy voice, ” “big sister, it's me.”

Rong Yan thought about it carefully. Her voice sounded very happy, and it didn't seem to be forced. It seemed that she had been doing well recently. Otherwise, she wouldn't be so happy.

rong nuo couldn't hear rong yan's reply and quickly asked worriedly,”what's wrong, big sister? Did something happen to you?”

rong yan's heart relaxed a lot and she replied, "Nothing happened. I just wanted to tell you that I'm engaged to Liancheng Yazhi last night."

she had just finished speaking when rong nuo immediately screamed, "Ah? Why didn't you tell me in advance that you were getting engaged? I'm so regretful that I didn't attend."

Rong Yan smiled and turned to look at Liancheng Yazhi. He was feeding

yes, I'm sorry you didn't make it to my engagement party. But I didn't expect it at all. His proposal was too sudden yesterday. I didn't know about it at all before I went. After the proposal, he even held the engagement party, so I didn't have time to inform you.

Rong nuo wailed for a long time. I didn't attend the engagement party. Just thinking about it makes me feel so regretful, so regretful. Big sister, then I must attend your wedding party later. If you don't tell me, I won't talk to you anymore.

don't worry. I won't inform anyone when I get married. I'll definitely inform you. I still want you to be my bridesmaid. Listening to Rong nuo's little girl-like coquettishness over the phone, Rong Yan was quite happy. In the past few years, she had really been afraid that Rong nuo would become someone like her.

After hearing this, Rong nuo was even more excited than Rong Yan. She was jumping and shouting on the phone, "Big sister, you said so. Of course, of course. Ah ah, I can't wait. Big sister, you've finally found a good partner. This is great."

rong yan bit her lip, her cheeks a little hot. "Yingying's life is pretty good now."

To be a wife and a mother was the greatest achievement of a woman's life. She was slowly beginning to understand this saying.

"I remember that you're about to graduate. Are you still busy?" Rong Yan asked Rong nuo.

"I'm not busy at all. There aren't many courses in the fourth year. Many people have gone for internships. I wanted to find a job for Yingluo too, but Yingluo wouldn't let me. I'm free most of the time now. At most, I'm looking for some papers and materials. I'm so free that I'm a little flustered. I really want to go see you and MeowMeow. I haven't even seen her yet."

When Rong Yan heard this, she immediately objected. don't listen to him. You should look for someone else. It's good to have work experience. There's no harm in learning more things. A woman must have some skills so that she won't be unable to live without a man. Don't let him raise you to waste your life.

Rong nuo quickly agreed. yes, big sister. I'll listen to you. I'll look it up on the internet today.

"there are some things you need to make your own decisions. don't always listen to him. by the way, how has he been treating you recently? is he better than before?"

When she saw Xia Xuanmo yesterday, Rong Yan felt that he was not well, so she was not at ease with Rong nuo.

Rong nuo thought for a moment and answered her, “he doesn’t seem to have changed much. He’s still quite good to me. It’s just that ran ran seems to be busy recently. I didn’t ask about the meeting in the province these days. He just came back very late last night.

Chapter 700 No one can control him

Rong Yan’s pupils suddenly tightened, and a cold light flashed across her eyes. Last night?

Last night, Xia Xuanmo had clearly come to attend the banquet, but Rong nuo did not know that this bastard had not even told Rong nuo where he had gone.

Rong Yan didn’t know how Rong nuo and Yingluo usually got along, but she was very clear about Yingluo. When a man didn’t look for you under the excuse of work, it meant that there was a problem.

Rong Yan didn’t know if she should tell Rong nuo. If Xia Xuanmo was really busy with work, then wouldn’t she be deliberately causing trouble for them if she told Rong nuo?

Rong Yan thought for a moment before saying, “is that so? has he ever been busy with work before and went home late?”

“oh, yingluo used to have one too, but not many. he always tries to come back as soon as possible.”

Rong Yan sighed. Rong nuo was still too naive. If it was her, she would have prepared the things and left at any time.

Rong Yan pondered for a moment before saying, “Rong nuo, then you should be more careful. Don’t be too honest. You should know what you should know about him. I’m not asking you to stick to him. I’m asking you to take the initiative if something really happens and not be overturned by a wave.

“Oh, I know, big sister. I’m fine. Even if a wave suddenly hits me, I won’t be knocked over. I can swim!”

Rong Yan held her forehead. This silly girl. She couldn’t help but raise her voice. “Of course you’ll be fine in the river, but if you’re in the ocean, I’ll see if you can swim to the shore.”

rong nuo heard that rong yan seemed to be angry and quickly said, “Hehe, big sister, I understand what you’re saying. I’m not a fool, Yingluo.”

rong yan instructed her for a while more before hanging up the phone under liancheng yazhi’s urging.

Liancheng Yazhi was unhappy. what are you talking about? it’s been so long. The food is cold.

It was such a good thing for the family to have a meal together, but a phone call from Rong nuo had ruined it.

Rong Yan reached out and poked Liancheng Yazhi’s face. I was worried, so I asked her a few more questions.

Liancheng Yazhi’s displeasure instantly dissipated and he scooped a bowl of pork rib soup for Rong Yan. how is she? How about with Xuan Zi?”

“it’s fine, she’s fine. there aren’t many classes at school, and she’s bored all day. she said she wanted to come and see me and meowmeow.”

Liancheng Yazhi stopped what he was doing and gritted his teeth.

This Xia Xuanmo had actually learned to brush him off, saying that Rong nuo was busy with his classes and did not even tell Rong nuo.

However, he couldn’t care less about their business. It was just that it looked like something was going to happen to Yingying soon.

Liancheng Yazhi was not optimistic about Xia Xuanmo and Rong nuo at all. He was someone who lived in this circle, so he naturally knew what the rules and taboos were.

xia xuanmo was different from him. he was able to marry the woman he liked smoothly because he dominated the liancheng family and no one could control him.

But Xia Xuanmo could not. There were too many taboos and scruples in his family. Not to mention, people in politics had complicated interpersonal relationships. The influence of various forces could affect the whole situation. His family would never let Xia Xuanmo marry an ordinary person’s daughter. Not to mention that the Rong family was a mess. If they were to make it clear, it would make the Xia family feel ashamed and affect their future in politics.

Liancheng Yazhi would never tell rangyan about this and let her worry. He said gently, ” “Don’t think about them. Come, let’s eat.”
