

Permit Me 771

Chapter 771 Are they really the same?

On the way, Rong Yan did not say anything and Liancheng Yazhi soon realized that she was not in a good mood. He held Rong Yan's hand with one hand as he drove and asked, "Baby, what's wrong? did that old man provoke you? you tell me, we'll turn around and go back, i'll deal with him."

Rong Yan shook her head. it's not Gu Hesheng's problem. I saw the woman who looks like me that Gu Hesheng mentioned today.

Liancheng Yazhi was surprised. what? " he asked. you met that woman? " Where did you see it?"

"It's on a painting,"

Liancheng Yazhi turned to look at her.

rong yan nodded. " yes, it's exactly the same. when i looked at that painting, it was as if yingluo was looking at me. do you think that yingluo really has two completely unrelated people in this world who can look exactly the same? "

Liancheng Yazhi comforted Rong Yan. the world is so big that there are all kinds of strange things. Even if there are two people who have nothing to do with each other, it's fine if they look exactly the same. With so many people, the DNA sequence will change. It's possible that there will be two people who look the same. This is what medical science says, and it's very scientific.

Rong Yan perked up. well, that's true. By the way, can meowmeowmeow really start her treatment today? "

Liancheng Yazhi felt that there was something wrong with Rong Yan today, but since she did not mention the painting again, he was afraid of making her unhappy, so he went along with it.

it's done. I've already asked Natsume to prepare the things and send them to our house. Even he's gone, and there are also doctors and nurses.

"That's good. When I think about treating MeowMeow, I'm both excited and nervous."

Liancheng Yazhi grabbed her hand tightly and smiled."me too, yingluo. don't be nervous, it's a good thing."

When they returned home, Rong Yan had already adjusted her condition. She met Natsume with Liancheng Yazhi and discussed with the doctors and nurses about the time for tonight before having dinner with them.

At the dinner table, MeowMeow was very curious. mommy, do you have many guests at home today? "

"

Rong Yan said to MeowMeow, "that's right. This is a guest of our house. He'll be staying at our house for a few days. MeowMeow, you have to be polite when you see your uncles and aunties. Do you understand?"

???????:"?,?????"

after dinner, Rong Yan played with MeowMeow.

Liancheng Yazhi brought Natsume and the others to prepare for the various matters.

The room for MeowMeowMeowMeowMeowMeowMeow was upstairs, a few rooms away from the bedroom.

Time passed by slowly. At around nine o'clock in the evening, MeowMeowMeowMeow lay down and fell asleep. After she fell asleep, Rong Yan took out an incense burner and threw an incense ball into it. The lit incense ball gradually produced wisps of green smoke. The smoke slowly floated out of the incense burner, and an elegant and almost invisible scent floated in the room.

Just by smelling it, it made one feel clear-headed, and all the frustration and depression of the day were released at this moment.

Rong Yan sat by the bed and looked at MeowMeow, holding her little hand.

She placed

An hour later, Rong Yan got up and extinguished the incense balls in the incense burner. She would keep the rest for tomorrow.

Chapter 772 I'm a man, how can I be the same?

"How is it?" Liancheng Yazhi entered very quickly.

yes, it's done. Shall we start now? "

Liancheng Yazhi pulled Rong Yan and made her lie down. let's wait a little longer. We'll start at midnight. Don't stay up too late. Take a nap first. There are still two hours left until midnight.

Rong Yan shook her head. "I can't. If I lie down and really fall asleep, I won't be able to wake up. I also smelled the nerve-soothing incense just now."

Liancheng Yazhi's heart ached as he held her in his arms. "I'm here, so you can sleep in peace. be good."

"you still have to work tomorrow, so you'll have to stay up all night."

Liancheng Yazhi immediately patted her chest. I'm a man. Can we be the same? "

"alright, the only man in my family, I'll accompany you."

As the two of them talked, two hours passed quickly. Liancheng Yazhi had been paying attention to the time and quickly picked up MeowMeow at 11:50 p.m. Rong Yan went to the room that was prepared for them.

As soon as she pushed the door open, Rong Yan could smell the hot air in her face. At the same time, she also smelled the pungent smell of Chinese herbs.

There were all kinds of medical equipment in the room. The most eye-catching one was a special bath barrel made of small-leaf red sandalwood. It was fixed with metal sheets around it, and the inside was the same. Circles of metal wires were wrapped around the barrel wall.

Natsume, the doctors, and the nurses had already put on their sterilized uniforms.

"It's done," Natsume said to Liancheng Yazhi.

Before taking off meowmeowmeowmeowmeowmeowmeow's clothes, Liancheng Yazhi said, "All of you, turn around."

although she was a little girl, she was still a girl. how could she let a group of men see her?

Natsume turned around speechlessly. The doctors had already turned around obediently.

Rong Yan smiled and quickly helped Miaomiao take off her clothes. However, when she put the naked little girl into the steaming hot water, Rong Yan still felt that her heart was being challenged.

She tested the temperature of the water first. To be honest, she really felt that it was hot.

Rong Yan asked worriedly, "is it really okay to be so hot?" The child's skin is so tender, what if it's scalded?"

Natsume answered with his back turned. don't worry. Your daughter can't feel the heat from the water. Besides, the temperature I've adjusted is based on the human body's heat tolerance limit. It'll be fine even for a child.

Rong Yan was still worried. She looked at the reluctance in Liancheng Yazhi's and his wife's eyes.

hurry up, " Natsume urged. it's already midnight.

In the end, the two of them hardened their hearts and decided to let it go. It was better than nothing in the future.

After putting

it's okay, it's okay, Yingluo. Liancheng Yazhi hugged Rong Yan and said these three words over and over again. He was comforting Rong Yan and himself at the same time.

Then, Natsume placed some patches that were connected to electricity on MeowMeow's body and asked the doctors to record the data of MeowMeow's body.

after soaking in the warm water at a constant temperature for half an hour, meowmeow showed no signs of waking up and was completely unaware of everything in the outside world. it could be seen that the calming incense given by gu hesheng was very effective, which made rong yan feel a little more at ease.

Natsume observed the data and added the processed herbs according to the changes in the data.

In the room, Liancheng Yazhi held Rong Yan as they stood beside the bathtub and kept MeowMeow company. Neither of them spoke. Even if they could not stand the heat from the bathtub, they did not take a step back.

Chapter 773 Listen to your husband

The room was unusually quiet. The only sounds that could be heard were Natsume ordering the doctors to add more medicine, do tests, and record the results. Other than that, no one was walking around, and there was no laughter. The atmosphere was extremely heavy in the midst of the floating smoke.

She was supposed to soak for a longer time, but Natsume was afraid that her body would not be able to take it since it was her first time in the water, so he planned to gradually extend the time in the future.

Liancheng Yazhi's heart ached as he wrapped Miaomiao in a bath towel. Natsume handed Rong Yan a can of ointment. Wash her with clean water and wipe her clean. Then, apply this medicine evenly on her body. This way, her skin won't have any problems.

Rong Yan took the ointment. Okay, thank you. Everyone has worked hard tonight. Hurry up and get some rest. In the future, I'll have to keep everyone busy at night. Thank you so much.

None of the doctors and nurses dared to let Rong Yan say thank you to them, so they all waved their hands.

Rong Yan and Liancheng Yazhi left with MeowMeow in their arms.

Natsume and the doctor tidied up the room, and then they went back to the room that Butler Li had arranged for them.

After they went back, Liancheng Yazhi let Rong Yan sleep. She refused to insist on washing MeowMeow and applying the ointment.

After Natsume opened the ointment, she smelled a refreshing minty fragrance. After applying it on MeowMeow, her red skin began to fade after about five minutes.

Liancheng Yazhi comforted her, "Look, the color is getting lighter. Natsume still has some skills. It's okay, go to sleep. Don't wake up so early tomorrow, or you don't have to go to Gu Hesheng's place in the morning.

Rong Yan covered

Liancheng Yazhi raised his hand and smacked her butt. I said no. Look at you, you're up so early tomorrow. You must have dark circles under your eyes and you look very pale. If you continue like this for a month, your body will collapse. Don't ask anymore, I'll take care of it. You'll wake up naturally tomorrow. Be good and listen to your husband.

Rong Yan twisted her body. Don't talk about me. You're the same. You have to go to work early, Yingluo.

Liancheng Yazhi puffed up his chest. I told you, I'm a man. You're different from me. Besides, I'm in good health. Staying up late is easier than eating for me. Don't worry about it. I don't plan to go to the company so early tomorrow. Anyway, Secretary Zhou will take care of the company. The company won't go bankrupt if I go late.

Rong Yan smiled and buried her head in Liancheng Yazhi's arms. "Okay, I'll sleep until 10 o'clock too."

"Sleep in peace." Liancheng Yazhi gently patted Rong Yan's shoulder.

.....

The next day, Liancheng Yazhi really slept until 10 am. When he got up, he thought proudly that it was indeed his own company and he was the boss. Even if he skipped work, no one would dare to say anything and no one would dare to fire him.

Rong Yan had woken up a little earlier than Liancheng Yazhi. When he went downstairs after washing up, he saw that Rong Yan and MeowMeow were already having breakfast.

Rong Yan smiled at him. get up and eat quickly. We're done eating. We'll be leaving first.

"Daddy, we're going to find Grandpa Gu. You can eat it yourself," MeowMeow added.

"Baby, say goodbye to daddy," she said to MeowMeow.

Chapter 774 A broken heart

"daddy, it's so white!" meowmeow quickly raised her little hand and waved.

you two ... Liancheng Yazhi had just said these three words when Rong Yan picked up her bag and walked out with MeowMeow.

However, when he reached the door, he remembered that there was still one thing he had not done, so he turned back and walked to Liancheng Yazhi's side. The mother and son each kissed him on his left and right cheeks in unison. After kissing, they quickly turned their heads.

Liancheng Yazhi raised his hands to touch both sides of his face and couldn't help but laugh out loud. His laughter grew louder and louder, and his smile was full of joy and happiness.

Although he had to eat breakfast alone, Liancheng Yazhi was not disappointed at all. Instead, he was very happy.

After breakfast, she went to the company happily.

secretary zhou had been waiting for liancheng yazhi to sign the papers, so he quickly went up to him. "Young master ya, this is a joint development project with the city government. We're waiting for your signature."

Unexpectedly, as soon as Secretary Zhou approached, Liancheng Yazhi immediately frowned. why do you smell so bad? Stand further away."

The expression on Secretary Zhou's face instantly froze, and his body turned into stone. He suddenly felt as if his heart had been severely hurt.

He really wanted to complain. If you didn't ask me to clean all the toilets in the company, would I be so smelly? Couldn't they see that his eyes were dark, his face was sallow, his voice weak, and his steps were unsteady?

Secretary Zhou's eyes were filled with tears. Boss, did anyone say that you're really a scumbag?

you've made me so tired, and now you're asking me this. you're too despicable. i really want to beat someone up. what should i do? Young master kaya, [do you dare to beat me up?=\_=] Convex spine

The sadness in Secretary Zhou's heart flowed like a river. He slowly took a step back and endured the deep heartache of being hurt. young master ya, this development case, "he said.

Liancheng Yazhi grabbed the folder in Secretary Zhou's hand and sized him up. "Secretary Zhou, why are you so unkempt today? you're such an embarrassment to me. Hurry up and go clean up."

Crack, crack, crack. Another bolt of lightning struck down.

Secretary Zhou quickly held his heart that was about to be shattered.

Unkempt?

He actually said he was sloppy?

Why was he in such a sorry state? wasn't it because he was cleaning up? he didn't go home last night, didn't take a shower, didn't change his clothes, and didn't even comb his hair. All of this was caused by the culprit in front of him, but he could still condemn him so openly.

Why did he have such a shameless boss? Why?

after silently cursing at his boss, secretary zhou lowered his head and said pitifully, "I, Hanhan, got it. I'll go and clean up Hanhan immediately."

Liancheng Yazhi entered the office.

the other staff in the secretary's office immediately looked at secretary zhou with infinite sympathy. everyone knew that secretary zhou had been taught a lesson by the boss.

Someone secretly said to Secretary Zhou, "Secretary Zhou, you have to hold on to ran ran. We can't help you with the hygiene on this floor. After work, we will go to each floor to take a walk.

secretary zhou's eyes lit up and he was overjoyed.

he sighed in his heart,"indeed, there is true love in the human world!"

Just when Secretary Zhou thought that they were going to say that each of them would help him take care of a floor's toilet ...

Unexpectedly, they said,"we'll go to every floor once so that everyone can go to the toilet as little as possible and create less garbage."

Secretary Zhou's originally excited mood instantly deflated like a popped balloon.

.....

Chapter 775 A little traitor

rong yan rushed to gu hesheng's house in a car. when she entered and saw him, she quickly said, "i'm sorry, mr. gu. i'm a little late today."

Gu Hesheng asked her to sit down and said, "it's alright, I don't have anything urgent to do. It's fine if I'm late. But you, do you have something to do?"

Before Rong Yan could speak, MeowMeow said crisply, "Mommy slept in today, Yingluo."

Gu Hesheng chuckled and touched MeowMeow's little face.

What kind of eyes did he have? experts who identified the authenticity of antiques all had a pair of sharp eyes. When Rong Yan entered, he saw that she didn't look too good. There was a shadow under her eyes. She probably didn't sleep well last night, so she woke up late today.

Rong Yan pinched

"Because the treatment started last night, I slept a little late," Rong Yan told Gu Hesheng.

Gu Hesheng immediately understood, no wonder he had dark circles under his eyes. He reproached, "you're still here even though you slept so late. You're such an honest child. You don't have to come in the morning anymore."

Rong Yan immediately shook her head. how can I do that? I've promised you.

"That's not a promise. We're just having a chat, tea, and a meal. It's not a big deal. We'll just come in the afternoon."

Rong Yan thought about it and made a decision. She said, "then, Yingluo, since you've said so, I'll only come here for half a day a day. How about we change our agreement from one month to two months? is that okay?"

Rong Yan never liked to owe others. This time, the nerve-soothing incense and incense burner that Gu Hesheng gave her had helped her a lot, and it was such a precious thing. Originally, she just wanted to chat with him for a month, and it was already considered a profit.

However, this was what they had agreed on before, so Rong Yan could accept those things with peace of mind.

However, Lao Ai now felt that she owed Gu Hesheng when Gu Hesheng said that he wanted Rong Yan to only come for half a day per day, which was originally planned. So, she took the initiative to extend the time.

Moreover, there was another reason why she had asked for a delay this time. She was hesitating about something and did not know if she should clarify it. She wanted to use this time to think it through.

Gu Hesheng was very happy after hearing this, he was in a good mood and laughed, "two months? that's great. I can't ask for more."

.....

At noon, Liancheng Yazhi came over for lunch. Rong Yan extended her stay at Gu Hesheng's place to two months and told him.

She was quite worried when she said that. She was afraid that Liancheng Yazhi would get angry on the spot and fight with Gu Hesheng.

She did not expect Liancheng Yazhi to look at her with a hidden intention after listening to her. He then smiled very politely and said to Gu Hesheng very politely, "a month or two doesn't make much of a difference. Mr. Gu, you've done us such a big favor. We should thank you properly."

Rong Yan had already promised Gu Hesheng that she would delay it by a month. No matter how unhappy Liancheng Yazhi was, he would not say anything about Rong Yan in front of Gu Hesheng. This was the most basic way to save face for the person he liked in front of outsiders.

After Rong Yan heard this, she was particularly happy and a little surprised at the same time.

She really didn't expect that Liancheng Yazhi's performance this time was so good that he wasn't angry at all.

After hearing what he said, Rong Yan's tensed heart finally relaxed.

Chapter 776 The husband who grows up quickly

However, she quickly remembered that she had been beaten up by Liancheng Yazhi two days ago, so she suddenly became nervous again and even felt that her butt was starting to hurt.

After spending the afternoon in an uneasy mood, Rong Yan was still very uneasy on the way home when Liancheng Yazhi came to pick her up.

They returned home in fear and trepidation. In the silence, the family had dinner together.

To Rong Yan's surprise, Liancheng Yazhi did not get angry even after giving the calmer he was, the more worried Rong Yan was because this was not in line with young master Liancheng's temper!

It wasn't until two o'clock in the morning, before she went to bed, that Rong Yan finally mustered up the courage to ask, "Hubby, didn't you have anything to say to me today?"

Liancheng Yazhi hugged her and closed his eyes, preparing to sleep. "Say what?"

Rong Yan hesitated and stuttered, "It's just that Hanhan went to the Gu family for a month, and Hanhan became ... Two months.

Liancheng Yazhi opened his eyes and flicked Rong Yan's forehead as quickly as he could. "You still know how to say that you've already promised Gu Hesheng. Do I have to embarrass you in front of him? Besides, you won't feel like you owe Gu Hesheng two months, right? We're not the kind of people who take advantage of others."

Liancheng Yazhi was really very angry when he heard it at Gu Hesheng's house today, but he quickly suppressed his anger.

He was like a person who had been enlightened. While getting along with Rong Yan, he gradually found a way that was suitable for the two of them, which was to give the other party the right respect when necessary, especially in front of outsiders.

After closing the door, it was their business if he wanted to spank Rong Yan's butt. But outside, he had to cooperate with her.

Rong Yan was instantly very surprised. Even Liancheng Yazhi knew how to take care of her face in front of outsiders. This improvement was like heaven and earth compared to three years ago.

"Hubby, you've improved a lot," she quickly complimented.

"Now that you know your husband is fine, can we sleep together?"

"That's enough, that's enough, Yingluo."

.....

MeowMeow's treatment was going well. She didn't even know that she had to be put in hot water every night for at least two hours.

Several days passed in a row. Suddenly, one night, Rong Yan was making dinner in the kitchen and meowed loudly. "Mommy, mommy, Yingluo!"

Then, she ran all the way to the kitchen and pounced on Rong Yan, hugging her leg with a look of panic.

Rong Yan quickly put down the knife in her hand, wiped her hands on her apron, and picked up MeowMeow. "What treasure?"

.....Am I sick?"

Rong Yan was also shocked when she saw it, because there were large patches of skin peeling off on MeowMeow's arm.

she quickly lifted up meowmeow's clothes and looked at other places. the situation was the same.

Rong Yan was so frightened that she did not even bother to turn off the fire. She carried MeowMeow and went out to look for Liancheng Yazhi. The two of them were so frightened that they quickly looked for Natsume.

Natsume examined MeowMeow and rolled his eyes at each of them. look at you two making a fuss. She's fine. It's a good thing that she's shedding. There are some unhealthy toxins in her body that are being discharged. This means that the bath is effective. It's a good thing.

Chapter 777 What if I want to beat him up?

Rong Yan and Liancheng Yazhi heaved a long sigh of relief. Thank God, thank God, Huahua.

Meowmeowmeowmeowmeow's condition had improved, which made Liancheng Yazhi very happy. Then, he immediately called Feng to ask Tang Jian to come over for dinner.

They had helped a lot with

at night, the two of them came. they knew liancheng yazhi's temper, so when they came, they brought many big and small bags of gifts, toys, and tonics for meowmeow.

liancheng yazhi saw the things they were carrying and said in an infuriating manner, " "This time, you've all grown your brains."

Feng nongtang and Jian Jie looked at each other.

The two of them were communicating in their spiritual world.

Feng nongtang,"what if I beat him up?" ()

[ simplified: you go! ](?^?)

[ Feng nongtang: you know I can't beat him. You go, I'll help. ] Convex

[ simplified: I'm still injured, and you're not embarrassed. ] (~ o ~)

after a short discussion, the two of them did not reach a consensus and glared at each other.

Feng nongtang nudged him and walked past him to the front. it's not the first time we've been here. We don't know your temper. If we were empty-handed, you would even do something like kicking us out.

liancheng yazhi was in a good mood today, and his laughter was especially loud. you're right. Before you came, I even told Rong Yan that if you didn't take anything, she wouldn't eat tonight's meal.

"Why are you so stingy now?" Feng nongtang gritted his teeth.

Rong Yan was in charge of feeding

Just like now, Feng nongtang's mind was blank and he began to gossip under the stimulation of a table full of food and wine.

let me tell you guys, yesterday, there was an employee in my nightclub on the bar Street. He worked in pairs and worked in pairs. One side was at my place, and after work, he ran across the street. That kid saw someone last night. Guess who it was? ”

Feng nongtang spoke indistinctly and simply poked him with the tip of his chopsticks. “50% of the bars on the street have the surname Feng. Who knows which one you're talking about?”

” don't bother about which family, ” liancheng yazhi said. ” just tell me who you met. ”

Feng nongtang chuckled. my men saw su Yue tonight.

The name su 'er was not a good name for Liancheng Yazhi. Every time he thought of how su' er had been there to protect MeowMeow when she was born, he had the urge to kill her.

therefore, when he suddenly heard it, his face turned cold and murderous. then, he looked at rong yan from the corner of his eye.

Rong Yan was also very surprised. She didn't expect Su Yu to still be here.

However, she had already met him, so she was very calm, as if she had not heard him at all.

Liancheng Yazhi felt a little better, but his tone was very unfriendly as he said, ” “Su 'er, that bastard also came to the capital?”

jian jie was not very clear about the grudges between liancheng yazhi and su yu, so he just listened and did not interrupt.

Feng nongtang had a little too much to drink and was a little tongue-tied when he spoke, ” “Yes, and he even met Tang han.”

This sentence made Liancheng Yazhi and the other two look up at the same time. They said in surprise in unison, ” “How did they end up together?” X3

Who would have thought that Tang han and Su Yu would be together? this was like a bird flying in the sky and a fish swimming in the water suddenly chatting together. They were people from completely different worlds, so how did they end up together?

Feng nongtang had a smug look on his face, and that expression only said, ” If you want to know, come and ask me!

Liancheng Yazhi kicked Feng nongtang under the table. “Don't keep me in suspense, tell me quickly.”

Su mo suddenly linked up with Tang han, and this made Liancheng Yazhi start to treat Tang Han's trip to Beijing seriously.

feng nongtang knocked on the table. “don't be so anxious. listen to me slowly. i was as curious as you guys when i found out, so i sent someone to investigate. i only found out after investigating that su yue's mother is the daughter of the tang family. he and tang han are cousins, so it's normal for them to drink together.”

“If he’s your cousin, why didn’t we know?” Back then, Liancheng Yazhi and Su Yu had business dealings, so he more or less knew about Su Yu’s matters. However, he did not know about this.

feng nongtang began to tell them about history, ” “Su ‘er’s mother was born in a bad time, so she was left in the countryside. Later on, the Tang family gradually recovered, and when they went to look for her, they couldn’t find her. Even though they found her, they didn’t acknowledge her. So, only the people in the Tang family know about their relationship, and outsiders don’t.”

Liancheng Yazhi revealed an evil smile. “They’re all here. This is going to be fun.”

Chapter 779 The Playboy who plays around in the human world

Those people who seemed to be completely unrelated were now all gathered in the imperial capital. It seemed that a storm was really about to happen.

Jian Jie took a sip of wine and smiled. it’s going to be lively. I was thinking of making a trip back to the border. It seems like I’ll have to join in the fun first.

“Has your leg recovered?” Feng nongtang suddenly asked.

He simply raised his hand and patted Feng nongtang’s chest, ” “Not yet, but I don’t even need my legs to take care of you.”

ahem, ahem, ahem, ahem, ahem! Tang bei almost vomited the food he had eaten that day. He glared at the table angrily as he coughed.

After the two people’s argument, the heavy atmosphere caused by ‘Tang han and su Ben’ instantly evaporated.

Rong Yan was a little worried when she first found out that Tang han and Su Yu were cousins because she didn’t know what Su Yu would do.

However, when he saw that Jian fengnongtang wasn’t worried at all, he suddenly relaxed.

She smiled. Actually, there was nothing to worry about. Even if Tang su joined forces, they didn’t have only Liancheng Yazhi on their side. Even if Kang Yu and Xia Xuanmo weren’t here, there were still these three.

Feng nongtang was a Playboy who played around most of the time.

However, he was also a capable Playboy. Otherwise, how could a serious person like his father be at ease to hand over the family business to him? moreover, he did not delay the family’s income while he was playing his life. This was his ability, a skill that Liancheng Yazhi and the others did not have.

Moreover, even though Jian Yi’s power was not in the imperial capital, his existence would undoubtedly give Liancheng Yazhi and Jian Yi a lot of psychological support. Although he did not speak much most of the time, he would always give people the most correct guidance in critical moments.

With them forming an Iron Triangle with Liancheng Yazhi, it would still be difficult for outsiders to shake them.

Moreover, su 'er probably didn't have the mood to do that to Tang han.

After Rong Yan relaxed, she suddenly remembered that there was still a pot of soup in the kitchen. She quickly stuffed MeowMeow into Liancheng Yazhi's arms. there's still the last pot of soup in the kitchen. You guys eat first. I'll go and see Huahua.

Liancheng Yazhi quickly carried MeowMeow and asked Feng nongtang, "Is there any progress with the marriage alliance with the Tang family?"

Feng nongtang was making funny faces at MeowMeow. When he heard Liancheng Yazhi's question, he stopped and said, "a little, but I'm not sure. I've locked onto three families, the Lin family, the Wang family, and the Xuanji family. The Zhao family and the Xuanji family have been in contact with them since Tang han came to the capital.

"These three? i don't think it's possible." Liancheng Yazhi thought for a while.

although the Zhao family has a strong foundation, they have been declining in recent years. They are almost unable to support themselves. There are no outstanding juniors in the family. It is useless to marry into such a family. Instead, it will only be a burden.

the Lin family seems to be a rising star. They've been on the rise for the past few years, but don't you think that they're rising too fast? their family background is very ordinary. They only started to become rich after two generations. This family is like a house without a solid foundation. If they encounter a big storm, they can be overturned in an instant.

Simple and Feng nongtang listened to Liancheng Yazhi's analysis seriously and nodded as they listened.

then, what about the Wang family? " Feng nongtang asked. the Wang family can do it, right? "

Chapter 780 Suddenly feeling very disgusted

jian jie nodded. "that's right. although the wang family didn't start off very well, they have been in business for many years. they have been steadily rising over the years, and their evaluation of the sect is not bad. although they don't fluctuate suddenly, they win in stability. their current development should be good."

Liancheng Yazhi smiled meaningfully. in terms of these conditions, the Wang family is indeed the most suitable. However, how many people do you think are suitable for Tang Ziyu to marry from the Wang family? "

Feng nongtang replied, "there is only one person who is suitable to marry Tang Ziyu. He is the youngest son of the Wang family, Wang ruojiang. What's wrong with that?" That kid's private life is quite clean. I've met him twice and even had a drink with him. I've seen him talk and do things, and he's quite responsible."

"He's the one who's not suitable at all. But Yingluo, you've actually drunk with him?"  
liancheng yazhi looked feng nongtang up and down, making him feel uncomfortable.

"Why?" Feng nongtang leaned back. What's the problem with Wang ruojiang? what's wrong with drinking?"

Liancheng Yazhi smiled at him and said, "do you think the tang family would marry their daughter to a homosexual?"

After saying that, Feng nongtang and Jian Jie's faces turned green.

Ran ran was actually a comrade?

Especially Feng nongtang, after a while, he said, "f \* ck his mother, he's actually gay. He hid it so well that I didn't even notice!

Feng nongtang immediately recalled the state of those few people when they were drinking with Wang ruojiang. He suddenly felt disgusted when he thought of how they had even put their arms around his shoulders.

It wasn't that he despised homosexuality, but because he was a standard straight man, he felt particularly disgusted when he thought of a gay man putting his arm around his shoulder and having all kinds of fantasies about him.

Feng nongtang didn't want to do anything right now. He just wanted to take a quick shower and wash himself clean.

Jian Jie didn't overreact to this. He had never seen Wang ruojiang before, so he was just a little surprised.

He asked Liancheng Yazhi, "the Wang family hid it so well. Perhaps, the Tang family doesn't know?"

lian Cheng yazhi waved his hand and said, 'can this matter be kept a secret? do you think that su yue wouldn't know if the tang family didn't? He had come to the imperial capital a few times and had a few exchanges with Wang ruojiang. Would he not check his background thoroughly? Besides, if we hide it now, the Tang family will find out sooner or later when we get married. At that time, the Tang family will hate the Wang family to death. Not only will this marriage not bring any benefits to the Wang family, but it will also lead them to the Tang family's revenge. It's not worth it. "

The three men were discussing the problem of Wang ruojiang being Gay when little MeowMeow, who was in Liancheng Yazhi's arms, suddenly asked in a baby voice, "Dad, what's homosexuality?"

Her words woke the three men up instantly. Liancheng Yazhi immediately regretted it and wanted to slap himself. How could he have forgotten about MeowMeow?

He asked such an unhealthy question in front of a child. Did he want to die? Would Rong Yan spare him if she knew about it?

Liancheng Yazhi quickly comforted MeowMeow. Well, nothing, nothing Yingluo's dad was just playing with uncle, they didn't say anything Yingluo."

Meowmeowmeowmeowmeowmeow's stubbornness was triggered. but you said you wouldn't tell me. I'll ask mommy.

Liancheng Yazhi's head hurt and he quickly carried MeowMeow back. "baby, baby, my little ancestor, don't ask your mommy. daddy will tell you, hanhan."
