

Permit Me 811

Chapter 811 A woman's emotional wounds are hard to heal

“Didn't you say that she was already on her way to the capital? Why are you looking again?” Feng nongtang said weakly.

yesterday, feng nongtang was still thinking of bringing kang yu and jian jie to liancheng yazhi's house to see rong nuo after rong nuo arrived.

“do you think i want to find her?” liancheng yazhi said angrily. After that little girl followed my men to the capital, she took a taxi and ran away while they were at the gas station.”

Feng nongtang suddenly sat up and said in surprise, “ah? he ran away? What the hell, this little girl, what is she trying to do? It can't be that ran ran wants to directly rush to the Xia family, does she want to settle scores with Xia Xuanmo, or does she want to ruin Xia Xuanmo's engagement?”

Liancheng Yazhi rubbed his forehead. it's not that bad. She's very calm. My people said that she was talking and laughing along the way and even joked about her and Xia Xuanmo. She doesn't look like someone who's hurt at all. She probably wants to do something else.

Feng nongtang slapped his thigh when he heard this, and said in a tone of someone who had been through this, ” f * ck, this is even scarier. Let me tell you, this kind of woman is even scarier. We have to find her before she does anything.

Liancheng Yazhi was even more worried. I'll send you her photo later, and you can help me look for her.

When he heard that there were photos, Feng nongtang got excited and quickly said, ” “Okay, okay, no problem. Send it over.”

liancheng yazhi naturally knew why feng nongtang was so happy, but he didn't have time to care about that now. the main thing was to find someone quickly.

Feng nongtang quickly opened the photo after receiving it. Looking at the beautiful girl in the phone, Feng nongtang's face was full of regret. tsk, tsk, what a delicate little flower, so tender that you can pinch water out of it. No wonder Xia Xuanmo, that old bull, knew how to eat it and hid it for three years. A good little girl has been ruined. What a pity, what a pity, hehe.

Feng nongtang looked at the photos for a while, patted his aching head, and got up with a sigh.

I've realized it. I'm just a laborer who works for free and can't get any money.

.....

At ten in the morning, Rong Yan woke up. As soon as she woke up, she quickly got out of bed. Liancheng Yazhi was no longer beside her. She quickly ran downstairs and saw that he had not left.

rong yan quickly ran over. she had been thinking about rong nuo, and the first thing she wanted to do when she woke up was to find liancheng yazhi and ask him where rong nuo was.

Rong Yan Ran over and threw herself into Liancheng Yazhi's arms. “Hubby, isn't rong nuo supposed to be here today? where is she now?”

Liancheng Yazhi's lips moved a few times. He really didn't want to let her down, but he couldn't hide Wanwan's matter from Rong Yan, so he had to tell her.

Liancheng Yazhi hugged Rong Yan's waist and hesitated for a while before saying, "Rong Yan, I have something to tell you."

rong yan's face was filled with anticipation and joy. "tell me!"

"rong nuo!" liancheng yazhi said with difficulty.

Rong Yan noticed that Liancheng Yazhi's expression wasn't quite right and realized that something bad might be happening. She asked carefully, "What happened to Rong nuo? Did something happen to Yingluo?"

Liancheng Yazhi steeled his heart and nodded. yes, something happened. My people have already brought her into the capital, but when they were in the city, Xuxu ran away when no one was paying attention. I'm sorry that I didn't do a good job for you.

Chapter 812 a heart's sickness still needs to be cured with heart medicine

After saying all this in one breath, Liancheng Yazhi didn't dare to look at Rong Yan's disappointed expression.

Rong Yan's expression seemed to freeze on her face. She wanted to confirm if what she heard was true."Yingluo, what do you think happened to Yingluo?"

Liancheng Yazhi could not help but repeat,"Rong nuo urged her to go to the washroom while I was at the gas station, then she left in a taxi. I haven't found her yet."

Rong Yan's body went soft and fell into Liancheng Yazhi's arms. This news made her finally happy mood disappear instantly.

Rong nuo left without a word. She must have had more than one chance to leave on the way, but she chose to leave only after entering the capital. What did she want to do?

Rong Yan closed her eyes. She thought that Rong nuo would be able to let go, but it seemed that Yingluo was not like that at all.

liancheng yazhi was worried when he saw that rong yan had suffered such a serious blow. he was afraid that rong yan would not be able to take it when she heard the news, but she seemed to be more serious than he thought.

Liancheng Yazhi hurriedly said, " Rong Yan, don't worry too much. I've already sent people to look for her. The whole city is looking for her. The madman and Kang Yu are also helping. We'll be able to find her very soon. You'll definitely be able to see her today.

Rong Yan grabbed Liancheng Yazhi's hand and shook her head gently. "Forget it, she's not willing. Even if she finds Hanhan, can we watch her for the rest of her life? If you find her, just follow her secretly. If Yingluo didn't do anything special, if she didn't do anything serious, don't stop her, okay? don't let the Xia family hurt her and let her vent her hatred."

She should have known long ago that Rong nuo would not have been completely unaffected.

Rong nuo had been with Xia Xuanmo for more than three years. Who would believe that she had no feelings for him at all?

The reason why she didn't act strange was to cover it up. She wanted to use Liancheng Yazhi's people to return to the capital. She knew that she couldn't escape the city on her own, so she could only follow Liancheng Yazhi's people.

Rong Yan laughed bitterly. She always thought that Rong nuo was still the Rong nuo of the past. However, she was still a child back then. Now, she was no longer a child.

And it was reasonable for her to be very concerned about Xia Xuanmo. It would definitely happen.

Rong Yan only hoped that Rong nuo would not do anything too extreme.

Liancheng Yazhi quickly nodded. okay, we'll listen to you. We'll do whatever you say. If Rong nuo wants to settle the score with Xia Xuanmo, let her do it. I promise you that I will never let the Xia family hurt her.

Liancheng Yazhi only hoped that nothing would happen to Rong Yan now.

Rong Yan regained some of her energy and shook Liancheng Yazhi's neck twice. hubby, go to work. Don't worry about this. We can only help Rong nuo to this extent. We can't do anything about Yingluo anymore. She's an adult, Yingluo should have thought about the consequences when she does things. Besides, this is between her and Xia Xuanmo. We can interfere, but we can't interfere with their relationship.

Rong Yan also understood that no matter how worried she was about Rong nuo, she could not control her thoughts.

Even if she forcefully brought Rong nuo back, the 'knot' in her heart had not been untied, and it was still useless. She had to figure it out herself.

"the company won't close down even if i don't go to the company. i'll stay at home with you today." At this time, Liancheng Yazhi did not dare to leave Rong Yan behind and go to the company alone.

Chapter 813 Xia Xuanmo suddenly appears

Rong Yan smiled. there's no need. Really, Qianqian, you can go. I've already understood it. I'm not that fragile. I've done what I should. It's fine as long as I don't regret it in the future.

"Are you really okay?" Liancheng Yazhi lifted her chin.

"i'm really fine." rong yan nodded.

Although he was worried, Liancheng Yazhi still went to the company under Rong Yan's urging. Because he was late, Rong Yan asked him to have lunch at the company and not come back.

This gave Liancheng Yazhi a big headache. His wife not letting him go home was really a very maddening thing.

Other people's wives should be more afraid that their husband would not come home, but their husband was too assured of him.

although rong yan didn't let him go home, liancheng yazhi still went back at noon. he got off work less than an hour after arriving at the company in the morning. he went home to have a meal with

his wife and children, sent them to Gu Hesheng's house, and then turned around to go to the company.

Liancheng Yazhi's behavior made all the employees in the secretary's office despise him in their hearts. They were all suspicious with their IQ. Young master ya, what did you do in the morning for an hour? You're showing everyone that the company is good and that you're the boss, okay? He could come and go at any time, and no one dared to control him?

.....

ever since he had received the call from Rong Nuo that morning that she had left, this day had not been a peaceful one.

At three o'clock in the afternoon, Liancheng Yazhi had just spoken to Kang Rong on the phone when suddenly, the door was pushed open with a bang.

Looking at the man who walked in, Liancheng Yazhi was not surprised at all. Instead, he smiled.

Liancheng Yazhi did not stand up. He turned his head to look at the Secretary's assistant standing at the door and said with a faint smile, "as expected, it's only useful if Secretary Zhou is here. You're all useless people. If you can't even stop a living person, what are you doing here?"

Liancheng Yazhi said this with a smile, but it was scarier and more frightening than when he was angry and scolded people.

The Secretary's assistant trembled in fear. Young master ya, I'm sorry. Our ran ran, our ran ran.

They didn't dare to stop him. He was the most popular political star on the news.

at such a young age, he was already a vice governor. In the future, his future would definitely be in the central and upper echelons. He might even be able to aim for the highest 'gold medal'.

Moreover, everyone knew that he was young master ya's good friend. They thought that young master ya wouldn't be angry even if he barged in.

However, when they saw Liancheng Yazhi's light smile, they knew that they had made a huge mistake. This time, they definitely could not keep their work. Without Secretary Zhou, the combat power of the Secretary Office was negative.

That's right, the person who suddenly broke into Liancheng Yazhi's office was Xia Xuanmo, who Liancheng Yazhi and Feng Nongtang had been looking for but could not find.

Xia Xuanmo's sudden appearance was just as Liancheng Yazhi had expected. Rong Nuo was missing. He must be anxious and would definitely come to find him.

As for why she didn't look for anyone else but Liancheng Yazhi, the reason was very simple. It was because Rong Nuo was Rong Yan's sister, and Rong Yan was the woman Liancheng Yazhi loved the most.

Xia Xuanmo knew that once the news of the engagement was released, Rong Yan would definitely hate him to the core. So, Rong Nuo's disappearance at this time must have been arranged by Rong Yan at Liancheng Yazhi's request.

Liancheng Yazhi sized Xia Xuanmo up with a smile on his face, as if he was welcoming an old friend who had not seen him for a long time.

Chapter 814 either you abuse him, or you abuse him ruthlessly!

However, his smiling eyes were like countless knives, cutting Xia Xuanmo's body and nerves over and over again.

Liancheng Yazhi realized that Xia Xuanmo had lost a lot of weight since the last time he was at his engagement party with Rong Yan. He was not in good spirits, his hair was slightly long and a little messy, there was a thin layer of sweat on his forehead, and his skin was slightly pale. Although the clothes on his body were still meticulous and neat, they were a little empty.

However, it was clear that this fellow had not been doing well recently.

Hmph, it should be bad.

If he could still live well at this time, then Liancheng Yazhi would have kicked him without mercy now.

The reason why Liancheng Yazhi could still sit in the chair without moving was that he still remembered their old relationship, so he did not use force on him or ask people to drive him out directly.

Looking at Xia Xuanmo's anxious and embarrassed appearance, Liancheng Yazhi's lips curved up. He had finally come. What if he couldn't suppress his desire to abuse people? Was it abuse? Or was it a brutal abuse?

Liancheng Yazhi leisurely spun a pen in his hand and said, "that's strange, Vice Governor Xia. You're not planning to be the groom, but you still thought of looking for me?"

Seeing Xia Xuanmo in a hurry, Liancheng Yazhi was sure of one thing. Rong nuo had not gone to find him, which made him feel relieved.

It had been a few hours since the morning. If Rong nuo had really gone to look for Xia Xuanmo, it would have been enough time, but she did not. Liancheng Yazhi guessed that she might have other purposes. Sigh, what a terrible thing.

If it weren't for the fact that she was Rong Yan's sister, Liancheng Yazhi wouldn't have bothered with such a trivial matter.

It was really troublesome, time-consuming, and laborious.

Xia Xuanmo ignored Liancheng Yazhi. I'm asking you. Where is Rong nuo?" he asked.

Liancheng Yazhi chuckled, shrugged, and played dumb with him."Tsk, I don't understand what you're saying. Why don't you say it again?"

Xia Xuanmo suddenly took a step forward and growled in a low voice, "Liancheng Yazhi, where did you take Rong nuo?"

Liancheng Yazhi's lips curved into a cold smile that was as sharp as a blade, as if he could cut Xia Xuanmo's neck at any time.

He leaned forward and approached Xia Xuanmo, smiling, "Xia Xuanmo, your question is too fresh. I should be the one asking you this. Because of you, my rongyan hasn't slept well for several nights. I haven't settled the score with you yet, so you'd better not make a fuss in front of me.

don't pretend that you don't know," Xia Xuanmo said. If there's no conclusive evidence, I won't come to you.

Who would be interested in Rong nuo, a woman with no background, who could kidnap someone under his arrangement? Besides Rong Yan, who was behind Liancheng Yazhi, Xia Xuanmo could not think of a second person.

Back then, he had helped Rong Yan leave Liancheng Yazhi.

Now that Rong Yan had taken Rong nuo away from him, Xia Xuanmo really did not know what he owed Rong Yan in his previous life.

Why was it that whenever anything involved Rong Yan, he would become very unlucky?

Liancheng Yazhi spread his hands indifferently. "Then take your evidence to the police station and sue me for illegal kidnapping or something. It's best to tell the police about your relationship with Rong nuo. I think they will be very interested."

you ... Xia Xuanmo's face changed. You're threatening me.

Liancheng Yazhi nodded in a relaxed manner. That's right. Do you think I'm joking? "I'm not a person who's used to joking."

Chapter 815 Men who use women are the most despicable

Liancheng Yazhi looked straight at Xia Xuanmo with a smile in his eyes. He looked unusually gentle, but that smile was the loudest slap and the biggest irony to Xia Xuanmo.

After staring at Liancheng Yazhi for a long time, Xia Xuanmo finally couldn't resist and was defeated.

In front of Liancheng Yazhi, Xia Xuanmo had no confidence, nor could he raise any confidence. Today, he dared to come to Liancheng Yazhi and ask for her, which was already enough courage.

First, he was the one who let Rong nuo down and let his brothers down. He knew that he was in the wrong, so he had been trying his best to hide his whereabouts and not let Liancheng Yazhi find him.

However, Rong nuo's sudden disappearance forced Xia Xuanmo to appear and stand in front of Liancheng Yazhi.

There was also one more thing. Liancheng Yazhi did have something against him. If the matter between him and Rong nuo was announced, it would be a stain that he would never be able to erase in his life.

Other people did not care if he really liked Rong nuo. Their focus would only be on the fact that the Vice Governor had kept an underage high school student as his mistress three years ago.

However, Xia Xuanmo did not want to give up on Rong nuo, but he also did not want to ruin his own future. He wanted both and wanted to hold on to both.

Xia Xuanmo took a deep breath and softened his attitude, "Liancheng, I really like Rong nuo. I won't do anything to her, just like how you like Rong Yan. I'm feeling the same way you felt when she left three years ago."

Liancheng Yazhi smiled and very gently said a lot, "That's not the same, we're not the same. Rong Yan left back then, but I didn't have any woman by my side. I'm different from you, Yingluo."

Besides, what does it have to do with me that you like Rong nuo? I'm different from you. My wife's family is average, and I have to work hard to support my family."

Liancheng Yazhi's mouth was poisonous, and she could never expect him to say anything nice.

when he said that rong yan's family was ordinary, he meant to mock xia xuanmo for having a rich and powerful wife and being able to rise up step by step without working hard. he was different. he had to rely on his own efforts to raise his wife and child.

Xia Xuanmo's face turned pale little by little. He was unable to refute Liancheng Yazhi's sarcasm.

"liancheng zhenzhen, i know that you hate me very much right now. it was my fault for not informing you in advance, but everyone has their own choice. i had no choice. i really didn't want to be engaged to the tang family. in order to deal with it and make my parents feel at ease, i could only get engaged first. however, i will solve this matter before i get married. i will not let rong nuo down."

Liancheng Yazhi was still smiling and didn't seem angry at all. He sized Xia Xuanmo up, his lips opened and closed, and said a string of cold words, " "Xia Xuan mo, why didn't I realize before that you're so f * cking disgusting?"

did she think that he didn't know anything? Feng nongtang's mother had gotten information from Madam Xia. He was very clear that Xia Xuanmo had never raised any objection from the beginning, and had even been cooperating. Maybe he really didn't like Tang Ziyu, but his intention to use this engagement to transfer back to the capital was clear.

if xia xuanmo had used tang ziyu before and then kicked her, then liancheng yazhi would despise him even more.

.....

Chapter 816 losing the person you love

Using a woman's feelings to achieve his own goals was the most shameless kind of man.

as a man, even if you have dirty thoughts, you can still be responsible if you admit it honestly in front of your friends. however, xia xuanmo actually put on a look of 'i have my own difficulties' in front of him, which really made liancheng yazhi feel disgusted to the extreme.

Xia Xuanmo's face instantly turned as pale as snow. In front of Liancheng Yazhi's strength, he looked particularly fragile at this moment.

He never thought that one day, he would be standing in such a hostile situation with Liancheng Yazhi. His self-esteem and pride did not allow him to give in to Liancheng Yazhi.

However, his heart was full of Rong nuo. If he could really clench his teeth and let go of Rong nuo, then turn around and get engaged to Tang Ziyu, he would not have exposed himself and come to Liancheng Yazhi. No matter how humiliated he was, he would have to endure it.

Xia Xuanmo: " you can hit me or scold me if you want. It's up to you. But Liancheng, I'm begging you. Where is Rong nuo? "

Liancheng Yazhi narrowed his eyes and looked at Xia Xuanmo. At this moment, he suddenly felt pity for Xia Xuanmo.

because, as a man, he knew very well what Xia Xuanmo was thinking.

On one hand, it was power, the interests and responsibilities of the entire family. On the other hand, it was the woman he loved the most. He had to choose one of the two.

But which one should he give up?

No matter which one he let go of, he would regret it for the rest of his life.

However, what Liancheng Yazhi was sure of was that Xia Xuanmo would not give up his future. In his family, among the younger generation of the Xia family, Xia Xuanmo was the most capable and had the most hope. In the future, when his father was old, Xia Xuanmo would be the well-deserved leader of the Xia family. He had been taught to take on the responsibility of the family since he was a child.

Therefore, even if Xia Xuanmo was willing to give up on himself, he could not give up on the entire Xia family. If he had to choose between Rong nuo and the Xia family, then it was understandable that Rong nuo would be the one to be given up.

Liancheng yazhi finally stood up. "It's useless to beg me. I don't know. Even if I did, do you think I would make Rong Yan sad for you?"

He raised his chin and looked down at Xia Xuanmo, "Xia Xuanmo, you've already made your decision, so don't struggle in vain. From the moment you agreed to the marriage with Tang Xia, you've already given up on Rong nuo. No one in this world can really have the best of both worlds. You can only have one.

Not to mention Xia Xuanmo, even Liancheng Yazhi could not have both.

His father was still lying in the hospital. Sigh. Liancheng Yazhi thought, should I go and see him?

Xia Xuanmo seemed to be talking to himself, "but I don't want to."

"You won't let go. You chose your path. Even if you have to do it many times, it's because you're not strong enough. You can't resist your fate. Just accept it."

After Liancheng Yazhi finished speaking, he raised his voice and said, "Send deputy governor Xia out. Our small temple can't accommodate this golden Buddha."

Soon, two security guards came in and walked to Xia Xuanmo. Vice Captain Xia, please.

When Xia Xuanmo left, his expression was extremely desolate, as if all the anger in his body had been drawn away in an instant.

Like ... The Walking Dead?

Liancheng Yazhi couldn't help but wonder if he would be like Xia Xuanmo now after Rong Yan left. But fortunately, he and Rong Yan were fine now and would be fine in the future.

Chapter 817 Terrifyingly deep thoughts

Liancheng yazhi would never allow anything like Xia Xuanmo and Rong nuo to happen to him and Rong Yan.

As soon as Xia Xuanmo left, Secretary Zhou called.

Secretary Zhou said excitedly, "young master ya, we've found miss Rong nuo. She's hiding in a very remote small hotel. However, she doesn't seem to be doing anything for the time being ..."

Liancheng Yazhi heaved a long sigh of relief. He had finally found her. I know. Follow her. Don't alarm her. Let her do whatever she wants.

He followed Rong Yan's instructions and let Rong nuo do whatever she wanted. As long as she didn't do anything to kill or set fire, he would help Rong nuo for Rong Yan's sake.

"Alright, I've already arranged for a few people to stay in the room, just next to Rong nuo. I've also arranged for people to monitor the area around the inn 24 hours a day. As soon as she makes a move, we'll know at once." Not to mention Liancheng Yazhi, even Secretary Zhou heaved a huge sigh of relief when they finally found Rong nuo.

alright, let's do that. Oh right, how's her mental state? " what lian Cheng yazhi was worried about now was that Rong nuo had been overly stimulated, causing her to be mentally unstable or something.

"Young master ya, Rong nuo is very normal, very normal. She is very calm when she talks and interacts with others. Even after she returns to her room, she is still watching TV, eating, and sleeping. Her work and rest are very normal. There is nothing wrong with her at all. To be honest, I don't really understand what Yingluo is trying to do."

secretary Zhou had been observing Rong nuo for almost an hour. during this time, Rong nuo had gone out to buy some food. after coming back, she had a chat with the owner of the small hotel. then, she went back to her room and turned on the tv to eat. the tv was playing xia xuanmo's engagement, but she ate quietly and cleanly. she threw the garbage into the trash can, exercised a little in the small room, and then lay in bed to take a nap.

If Rong nuo was pretending to be calm, then from the small details of her watching TV, eating, throwing garbage, and being afraid that she would get food accumulation after sleeping after eating, and doing exercise, she was not a person who suppressed the pain in her heart at all. If she was a woman who was hurt in love, how could she have the mood to do all this?

Therefore, the more Secretary Zhou looked, the more puzzled he became. He had been with Liancheng Yazhi for so long, so what kind of people had he not seen? He had experienced all kinds of storms, but he could not understand Rong nuo.

The more he looked at it, the more baffled he felt. Secretary Zhou could only come to one conclusion. Rong nuo was either really heartless, or Zhenzhen's thoughts were terrifyingly deep.

Liancheng Yazhi also felt that it was strange, but he did not want to care so much, so he said to Secretary Zhou, " I know. Don't let your guard down. The more you do this, the more you have to watch.

"If it's Yingluo, I'll definitely look after her." Secretary Zhou nodded. Even if Liancheng Yazhi did not instruct him, he did not dare to neglect it.

after hanging up the phone with secretary Zhou, Liancheng Yazhi stopped thinking about Rong Nuo and worked in peace. When it was almost time to get off work, he received a call from Rong Yan.

Liancheng Yazhi happily answered the call. "Baby, why did you think of calling at this time? I'll pick you up in a bit."

Rong Yan's gloominess from before was gone, and her hearty laughter traveled into Liancheng Yazhi's ears through the phone. "Hubby, you don't have to pick me up. I went home early today, so you can come back directly. Oh, by the way, remember to bring some tiramisu from Gu Youran when you come back. MeowMeow wants to eat it."

Chapter 818 Enemies meet again

Liancheng Yazhi couldn't help but be a little surprised. This wasn't right. Suddenly going back didn't match Rong Yan's temper. However, Rong Yan's voice seemed to be happy again, and she seemed to be in a good mood.

Liancheng Yazhi quickly asked, "You went back early? Is there something going on today?"

"I'm fine, but something happened to Mr. Gu. Someone seemed to have obtained an lacquer tool from the Spring and Autumn Warring States period and asked him to appraise it. He told me not to go, so I came back."

Liancheng Yazhi was relieved. "Oh, I see. That's good. You wait at home. I've already gotten off work. I'll go back at 6:30. Is there anything else you want to eat?"

"No, just come back early," Rong Yan said in a tender voice.

Liancheng Yazhi's lips involuntarily curved up. "Alright, wait for me."

After hanging up the phone, Liancheng Yazhi still had a smile on his face, which surprised the staff in his secretary's office. Today, Xia Xuanmo suddenly barged into the president's office, and the two seemed to have had a very unpleasant exchange. In the end, Vice Governor Xia was 'invited' out by the security guards. This was enough to prove that the relationship between the two brothers had changed. Because of this, shouldn't the president be in a bad mood?

Liancheng Yazhi was not affected by Xia Xuanmo's words and left the company happily.

On the way there, he asked the driver to stop at the entrance at half past six and entered the cake shop.

The store was still very quiet, and Gu Youran was alone. Her stomach was a little bigger than the last time Liancheng Yazhi saw her, but she seemed to have gotten thinner. If her stomach continued to grow, it would be easy for people to suspect whether her body could still take it.

After Gu Youran saw Liancheng Yazhi, she quickly smiled and said, "Mr. Liancheng, you're here. Is there anything you need?"

Liancheng Yazhi's expression was indifferent, and he said very politely and courteously, "MeowMeow wants to eat tiramisu."

"Alright, please wait a moment," Gu Youran said with a smile.

She quickly put the tiramisu away and packed a few puffs. There are still a few puffs left. Last time, Rong Yan said that she liked the puffs I made. You can take this back to her.

Liancheng Yazhi did not refuse and took it. "Okay, thank you."

Because Gu youran had said that as long as Rong Yan came to her shop in the future, all the cakes and desserts would be free and she wouldn't charge her. Liancheng Yazhi didn't say anything either. Anyway, even if he paid, Gu youran didn't want to go through the trouble of pushing each other around, so she might as well just take it.

Gu youran quickly waved her hand. no need to thank me. Please say hello to Rong Yan and MeowMeow for me. If they have time, they can come to the store to find me.

Liancheng Yazhi nodded. okay, goodbye, Wanwan.

Gu youran,"goodbye, Yingluo."

liancheng yazhi turned around and was about to leave, but unexpectedly, the door of the shop was pushed open and someone walked in.

Looking at the man who came in from outside, Liancheng Yazhi pursed his lips and called out in disdain. He really had fate with the Tang family recently, especially Tang han.

liancheng yazhi was disdainful when he saw tang han. when tang han saw him, he naturally did not have a good attitude. he was a person with a strong self-esteem, but in the end, he was humiliated by liancheng yazhi in the police department. this was a shame that he would remember for the rest of his life. when he saw liancheng yazhi, he could not even treat him as a stranger, let alone give him a good face.

On the other hand, Liancheng Yazhi was different from Tang han. When he hated someone, he would smile gentler, just like how he had faced Xia Xuanmo this afternoon.

Chapter 819 always first on the blacklist

liancheng yazhi smiled very politely and said, " eldest young master Tang, it's been a while since we last met. How have you been recently? Oh, Yingluo, look at my brain. I must be really good. The day after tomorrow, we're going to have a marriage alliance with the Xia family. Congratulations. "What are you doing here again?" Tang Han's face darkened.

Liancheng Yazhi laughed again.

gu youran saw that tang han and liancheng yazhi were facing each other again. she lowered her head and sneered sarcastically.

don't blame her for looking down on tang han. even if he wanted to kill liancheng yazhi now, he would have to endure it because he didn't dare to. although many people thought that the marriage between tang xia and liancheng yazhi was a foregone conclusion, it wasn't set in stone yet. he didn't have the guts to offend the tyrant of the imperial capital at this time.

However, Liancheng Yazhi and Gu youran did not expect Tang Zhen's face to turn black and say, " "Liancheng Yazhi, you have a wife and daughter."

The subtext of this sentence was to warn Liancheng Yazhi. You already have a wife and a daughter, and you're carrying the heavy responsibility of your family. Don't be unable to control your lower body, cheat on your wife, and randomly hook up with other women.

Liancheng Yazhi's face darkened, and Gu youran's face turned cold.

She walked out with a big belly and a stainless steel tray in her hand. Then, she threw it at Tang Han's face with a loud bang.

Liancheng Yazhi was shocked by this bold action.

this time, gu youran used all her strength and hit tang zhen's head until he was dizzy. his nose was in pain and he could no longer feel it. before he could figure out what was going on, gu youran pointed at his nose and changed her gentle and demure appearance. she scolded, "Tang han, do you think that just because you are filthy and shameless, everyone else is the same as you? Don't use your dirty thoughts to judge others. What right do you have to talk about others? Get out of here."

Liancheng Yazhi raised his eyebrows. It seemed like he didn't need to say anything. It was embarrassing enough for Tang han to be hit in the face by the woman he liked and scolded loudly.

tang zhen was angered by gu youran's scolding. he roared, "gu youran, do you think that he is a good person just because he helped you?"

There were many people who had a grudge against Liancheng Yazhi. Of course, in the eyes of these people, Liancheng Yazhi was a completely despicable and shameless person. He was supercilious and his methods were cruel. In short, all kinds of bad words could be used on him. Tang han was the same. He had a blacklist in his heart, and Liancheng Yazhi was always the first place. No one could snatch this throne.

Liancheng Yazhi spoke slowly. Tang han, I can Sue you for slander and false accusation with just a few words. You destroyed my relationship with my wife. I don't mind going to the police department with you again.

although liancheng yazhi was smiling on the surface, he was cursing in his heart. damn it, these were the words that liancheng yazhi wanted to say the most.

Tang Zhen, this bastard, actually dared to say that he was trying to seduce Gu youran. Damn it, he, young master Liancheng, was a very loyal person. If his baby heard these words, it would affect his position in Rong Yan's heart. How much would it affect their father's relationship? To smear his image more?

Tang Zhen had had enough of Liancheng Yazhi, especially when he saw him here again today. Moreover, he really acknowledged Liancheng Yazhi's charm in his heart. He was very afraid that Gu youran would be fascinated by Liancheng Yazhi, and under his guard and uneasiness, it would cause him to hate and hate Liancheng Yazhi even more.

.....

Chapter 820 Young master ya throws down the challenge

Tang Han's spirit energy eyes looked at Liancheng Yazhi and were filled with hostility."Are you threatening me? Do you think that everyone's legs will go soft when they see you? do you really think you have that much ability?"

Liancheng Yazhi used his smile to resist Tang Han's hostility without any pressure. "I don't know if your legs will go soft when you see me, but do you believe that I can make you kneel down?"

Liancheng Yazhi always managed to hit the soft spot in Tang Han's heart with one sentence.

The reason why Tang han gave in and compromised in the police department the last time was because his family had no power in the imperial capital and couldn't win against Liancheng Yazhi. This kid just relied on his status as a local tyrant. Now that he said such words again, it was obvious that he wanted Tang han to recall the humiliation from last time.

This time, Tang han subconsciously felt a little more confident because the marriage between the Xia and Tang families was already set in stone. So, he said to Tang han in a moment of passion, "Hmph, don't think that your Liancheng family is that powerful. Sooner or later, I'll make sure that your Liancheng family is nothing.

Liancheng Yazhi laughed disdainfully. His long legs suddenly took a step forward and walked right in front of Tang han. His body was almost touching Tang Han's. Although he was slightly shorter than Tang han, his aura was absolutely overwhelming.

Liancheng Yazhi provoked Tang han and said, "Oh, really? As long as I, Liancheng Yazhi, am here, even if your Tang Xia's marriage is successful, the Tang family can forget about having a foothold in the capital. If you want to rise again, you have to ask me if I agree."

How arrogant these words were, not to mention how the people who heard it felt at that time, even if they didn't hear it, just thinking about it would make them feel that Liancheng Yazhi was arrogant to the point of being lawless.

In the entire imperial capital, who else could say such words, and who else would dare to?

Because, when he said those words, it was equivalent to making an enemy out of both the Xia family and the Tang family.

However, from Liancheng Yazhi's mouth, it was as easy as killing an ant. He was so arrogant that there was no limit to it.

however, it was so strange that it made people feel that what he said was true.

When Gu youran heard this, she was so shocked that she covered her mouth and looked at Liancheng Yazhi in disbelief, her eyes even filled with awe.

Ever since the fall of the Gu family, Gu youran had developed a bone-deep hatred for the Tang family. However, as a woman, she was powerless and could not do anything. All she could do was accumulate that hatred little by little and let it ferment in her heart.

Now that she suddenly heard someone say such harsh words so arrogantly and arrogantly, she really felt 'satisfied' for the first time.

At the same time, he once again realized the power of the Liancheng family. If it wasn't strong enough, he believed that Liancheng Yazhi wouldn't dare to say such things.

Tang Han's face and ears turned red from Liancheng Yazhi's words and he began to worry in his heart. Everyone knew that although Liancheng Yazhi was arrogant, he had the capital. Moreover, he had a strong point, and that was that he would never make empty promises. As long as he made a decision, everything would be realized.

However, he had already said this and his entire family was already being trampled on. Even if Tang Zhen wanted to give in and compromise, it was impossible. He could only brace himself and say, Liancheng Yazhi, don't be too arrogant. Do you think you have the final say in the capital? "
