

## Permit Me 911

### Chapter 911 I just don't want him to have an easy life

However, when Rong Yan saw Tang Zong acting cute, she would only think of a Dark Demon King who was pretending to be a little rabbit and planning to eat him.

Rong Yan really wanted to slap Tang Zong's head. She rubbed her fists and wiped her palms. "you want me to beat you up?"

"Wait, I'm not done yet." Tang Zong immediately stretched out his hand.

He shrugged his shoulders. I can't help it. I'm just too bored. A few days ago, I finally found someone to play with, but he ignored me. But these boring days are too hard to bear, and every day feels like a year. I have to find something to kill time. I can only find my big brother and see his black face, go crazy, and vomit blood or something. Only then do I feel that the days are not so hard to bear, aww.

Rong Yan and Liancheng Yazhi looked at each other. Damn, what kind of mentality was this!

So this kid had been too bored all this while? That's why he's been so persistent in causing trouble for his family? [Tang Zong: no, I also find trouble with others!]

However, Tang Zong's words did give Rong Yan a chance to continue the conversation. She followed Tang Zong's words and said, tsk, your brother, why don't you go look for your cousin? you seemed to be having a good time talking to her at the engagement party that day. Did you have some past? "

Rong Yan pretended to be gossipy as she looked at Tang Zong.

Tang Zong clapped his hands. that's right, how could I have forgotten? there's still Tang Ziyu. This cousin of mine has done a lot of good things when she was young. If I were to show her all of them, it would definitely make people's eyes light up.

However, in the next second, he looked like a harmless rabbit with a smile on his face. He asked Rong Yan, " but, sister, what do you want me to do with Tang Ziyu? "

Rong Yan's hand trembled. The expression on her face did not change, but her heart was beating like a drum. Damn it, did this kid have to be so alert? he had only said a few words and had already settled her intentions so quickly.

Moreover, from Tang Zong's expression, it was obvious that he had already guessed it. Rong Yan deliberately wanted him to go to Tang Ziyu. If Rong Yan denied it, it would be a joke to him.

Since Tang Zong had already guessed it, she might as well just say it.

Rong Yan raised her eyebrows. She cut a piece of strawberry cake, put it on a plate, and placed it in front of Tang Zong, like a big Bad Wolf seducing a little rabbit."Of course I have my own ideas. Haven't you always claimed to be a professional at smearing the Tang family's reputation for thirty years? Since that's the case, I'll give you a chance. That good cousin of yours is bent on marrying Xia Xuanmo, so you just have to stop her from getting what she wants!"

“why?” tang zong asked as he ate the cake. Give me a reason! Your sister, Rong nuo, is in prison because of Xia Xuanmo. Even if Tang Ziyu breaks up with him, it’s impossible for him to be with your sister in the future, right?”

rong yan’s voice became a little angry. ” of course i have my reasons. even if xia xuanmo kneels down in front of rong nuo, i will not let them be together. that kind of bastard is not worthy of rong nuo! ”

“I’m doing this for my sister. Rong nuo was sent to prison by Xia Xuanmo’s parents to suffer, but that kid is Living a Good Life with a beauty by his side all day. Since his parents are determined to hide the news of Xia Xuanmo’s sister going to jail and want him to marry your cousin, then I’ll make their plan fail!”

Chapter 912 Don’t be too naive!

Rong Yan had deliberately told Xia Xuanmo that Rong nuo was in jail, but Xia Xuanmo did not know about it. It seemed normal, but she was actually deliberately telling Tang Zong!

rong yan smiled at tang zong. you can go and play with Tang Ziyu. You can also help me by the way!

With a smile on his face, Tang Zong looked at Rong Yan and nodded. “Oh, so that’s how it is. No problem, Yingluo. I’ve been so bored recently anyway. Don’t worry, I’ll definitely make sure they can’t get married, Yingluo.”

Tang Zong finished the cake in two to three bites and licked the cream at the corner of his mouth. With a satisfied look on his face, he said, “it’s so delicious!”

“Sister, thank you for the cake. I’m leaving!”

Tang Zong waved his hand and left without saying goodbye to Liancheng Yazhi and Gu youran.

It was a little surprising that he left so decisively.

Rong Yan originally thought that she would have to argue with him for a while. She did not expect Tang Zong to agree to it directly.

She was puzzled. Could it be that she had been wrong in the past and that Tang Zong was actually a good person? [ Tang Zong: how is that possible? sister, don’t be too naive! ]

After Tang Zong left, Gu youran hesitantly asked, ” “rong yan, do you think it’s a good idea to let tang zong help you?”

“What’s wrong?” Rong Yan was curious.

Gu youran rubbed her forehead. Tang Zong has always been a person who would never help others for no reason.

” but, he has always been at odds with the tang family. even if he went to tang ziyu, he wouldn’t be completely helping us, right? ” Rong Yan felt that the reason she had given was a win-win situation for her and Tang Zong.

“You guys don’t understand Tang Zong. In certain aspects, he can be so stingy that it makes one’s hair stand on end. I’ve known him since we were young. There were many times when I felt that his brain was different from ours. Even if we asked him to do us a small favor within his capabilities, he would not do it. With you acting like this, I think that he might ask you for interest in the future?” Gu youran still gets a headache whenever she thinks about Tang Zong’s appearance when he was young. It’s simply unbearable to recall!”

Rong Yan was a little worried and asked Liancheng Yazhi, ” “Do you think that will happen?”

Liancheng Yazhi thought for a moment and nodded.

A shameless and immoral fellow like Tang Zong, what wouldn’t he do? If he really helped out so readily, it would be like the sun rising from the West.

Rong Yan said,”then Yingluo will come to me when he collects the interest. If it’s something particularly overboard, I won’t agree.”

gu youran stood up with her hands on her waist. ” i’m afraid. he didn’t even come to you and took it away himself. he would definitely do such a thing. moreover, the kasaya he took away might be something you would never expect! ”

Gu youran made Tang Zong sound very strange, which made Rong Yan’s hair stand on end.”Ah? Unexpected? it can’t be, right?”

Gu youran patted Rong Yan’s shoulder. believe me. He will. If you know Tang Zong for a few years, you’ll know.

Rong Yan waved her hand. it’s okay, it’s okay. If he takes away something I didn’t expect without me knowing, then let him be. I don’t know anyway.

“It’s fine if you think like this, Yingluo.”

rong yan looked at gu youran’s big belly and was very worried. ” Oh right, you should close your shop and stop working. Look at you, your stomach is so big, why aren’t you hospitalized? you can’t trust your expected date of delivery. It’s better for you to be hospitalized during the safe period. I’ll get an experienced maid to take care of you.

Chapter 913 Tonight is a sleepless night

gu youran hesitated for a moment. her due date was indeed getting closer and closer, and the baby had been moving very frequently recently. however, she felt a little apologetic to always ask rong yan for help.

Rong Yan gently touched Gu youran’s stomach. “alright, stop hesitating. it’s a deal. we’ll take our leave first. we’ve disturbed you for so long. hurry and rest. don’t open any more shops tomorrow. i’ll pick you up and take you to the hospital.”

Rong Yan picked up the cake and dragged Liancheng Yazhi out of the cake shop without giving Gu youran a chance to speak.

she treated Gu Youran this way not only because she felt that they were in the same boat, but also because Yingluo was using Gu Youran sometimes, so she wanted to make it up to her.

After getting in the car, Rong Yan asked Liancheng Yazhi, "do you think I've found the wrong place? I shouldn't have looked for Tang Zong."

Finding Tang Zong would certainly achieve his goal, but it would also bring about a hidden danger.

Liancheng Yazhi drove with one hand and rubbed Rong Yan's bangs with the other, saying, "Actually, I was looking for Tang Han's Wufu."

Rong Yan's eyes widened. "You're looking for Tang Han? Could it be that your target is not Tang Zong?"

Liancheng Yazhi smiled and shook his head, "it's not Zhenzhen."

Tang Zong and Tang Han were brothers. Although Tang Han had led him to Tang Ziyu's place, it was a little south, but there would be no trouble in the future!

However, this brat, Tang Han, is a bomb that can't be controlled. You will never be able to calculate where his explosion point is.

The danger of the two was obvious when they were compared. Hence, Liancheng Yazhi rejected Tang Zong.

However, Rong Yan thought that Liancheng Yazhi was looking for Tang Zong, so she started to set a trap for him after she went in. When Liancheng Yazhi found out and wanted to stop her, it was already too late.

Rong Yan leaned against the car window with a bitter face. "What do we do now?"

Liancheng Yazhi was not worried at all. "It's fine, Tang Zong is Tang Zong, it's no big deal! Your husband isn't that easy to bully. If he wants to take something, he'll have to ask me first, right?"

"Then, what do you think Tang Zong is doing now?" Rong Yan was slightly relieved.

him? This must be the hospital! That guy left in such a hurry that it was obvious that he couldn't wait any longer.

"Ah, it's almost 10 o'clock. You're still going?"

"Ten o'clock, is it late? There's no time limit to what he can do!" Tang Zong did not have any concept in his mind. He only knew what he was willing to do and what he was unwilling to do!

"Let's wait and see, tonight is the Xia family's sleepless night!"

.....

Just as Liancheng Yazhi had said, Tang Zong was now happily running to the hospital.

After easily dealing with the doctors and nurses, he came to Xia Xuanmo's VIP Ward.

At this time, the lights inside were still on.

the door of the ward wasn't closed, and it was left ajar. the surroundings were very quiet, so the conversation inside could be heard clearly!

Xuan mo, the Apple is peeled, ” Tang Ziyu said softly. you can have a bite!

After a while, he did not hear Xia Xuanmo's voice, and then Tang Ziyu said, ” “Yingluo, do you eat bananas? There are even grapes?”

Xia Xuanmo still ignored her, but she didn't feel embarrassed and continued, ” “If you don't want to eat fruits, then Yingying, how about drinking some water? The doctor said that you should drink more water now.”

Tang Zong laughed as he listened from outside.

Chapter 914 I've never been human!

Tang Ziyu was the daughter of a rich family. In front of outsiders, she usually had a proud face. But now, she could actually lower her head in front of a man. It could be seen that they were really in love!

Tang Zong touched his chin. He naturally had his own ideas in his heart. Whether he would really do as Rong Yan said, Qianqian did not know!

Tang Zong opened his mouth and said loudly,”cousin, your cousin is here to see you, Yingluo!”

After saying that, he kicked open the door of the ward, and then he saw Tang Ziyu's dumbfounded face, and Xia Xuanmo's still pale but still in good spirits. When he saw Tang Zong, his face was also full of surprise, but at the same time, there was a deep displeasure.

Xia Xuanmo hated Tang Zong very much. The words that Tang Zong said at the engagement banquet that day had made him particularly unhappy.

However, Tang Zong did not care if they liked it or not.

He walked over and picked up the plate. The apples on the plate were peeled and cut into pieces of the same size. They were all made by Tang Ziyu.

Tang Zong didn't use the small fork at the side. He only used his hand to pick up a piece of Apple with his fingers and threw it into his mouth. He was eating very happily. As he ate, he even nodded his head.

“En, not bad. Sweet and crunchy, with a lot of juice. Very good.”

after eating several pieces in a row, tang zong felt at ease as if he was at home. after eating for a while, he finally raised his head and looked at tang ziyu. he smiled and said,”Sigh, cousin, why are you looking at me like that? do you want to eat it too? if you don't tell me, how would i know what you're thinking?”

Tang Zong very kindly handed the plate to Tang Ziyu, but she didn't move. tsk, look, I gave it to you, but you didn't eat it. I really don't know what you're thinking now. Why have you changed so much? you're not fun at all.

“What about you, my future brother-in-law? do you want some?” Tang Zong turned his head and asked.

why did you come here? ” Xia Xuanmo asked coldly.

“I heard that you’ve woken up. As a relative, I came to take a look. Otherwise, it’ll be so rude, don’t you think so?” Tang Zong boasted shamelessly.

Xia Xuanmo frowned. The word ‘polite’ should not have been used by Tang Zong.

“I’m fine. I don’t need you to come and see me. You can go now.” Xia Xuanmo was extremely repulsed by Tang Zong. The two of them were from completely different worlds, and as soon as they met, they could immediately sense a strong sense of hostility from each other.

Xuan mo, ignore him, “Tang Ziyu hurriedly said. he’s not human at all.

Every time Tang Zong appeared, nothing good would come out of it. Tang Ziyu was well aware of the truth of this matter, and she had also suffered a lot from it. When she saw Tang Zong, she would subconsciously be afraid, a fear that came from the bottom of her heart.

After not seeing him for so many years, Tang Ziyu used to think that she had a basic immunity to Tang Zong and would no longer be so afraid of him. But ten years later, when she saw him again, she realized that this person’s existence was really like a nightmare, and she could not erase it!

Tang Zong sighed. cousin, you’re right. Your cousin has always been inhumane. However, as a man, I think that it’s useless for you to pretend to be gentle and virtuous. It’s probably more useful to strip naked and seduce him or something! Didn’t you treat me like this back then? uh, although you didn’t succeed in keeping me in my embrace back then, this doesn’t mean that Yingluo’s actions will lead to your failure!”

Chapter 915 There are very Few Good Men like me

When he talked about how he could remain calm in his arms, Tang Zong proudly flipped his hair, looking especially funny! It was as if he was really a gentleman when he said that.

After he finished speaking, Tang Zong did not even look at the expressions on their faces. He sighed and said,”After all, it’s rare to see a good man like your cousin in this world!”

Of course, the hidden meaning of these words was that Xia Xuanmo was not a good man.

Tang Ziyu’s face turned pale and her body trembled. In the end, Tang Zong still told her the truth. She looked at Xia Xuanmo nervously, but he was expressionless and didn’t even look at her.

Tang Ziyu was terrified. She pointed at Tang Zong and screamed,”Tang Zong, don’t spout nonsense. Do you think that anyone will believe your nonsense?”

Tang Zong tilted his head, looking innocent, which was a huge contrast to Tang Ziyu’s expression at this moment.

He said,”why wouldn’t I believe it?” I’m just telling the truth. Although you’re not very kind, cousin, and after everyone found out, they said that I forced you, but it’s enough for me to know the truth. We’re a family anyway, so it doesn’t matter who’s right or wrong.”

tang zong waved his hand and put on a magnanimous look, as if to say: Don't worry, I won't argue with you. I'm a very magnanimous person. [ Tang Ziyu: magnanimous my ass. If you are really magnanimous, why do you have to mention this unbearable past again and again? ]

The reason why Xia Xuanmo left the Tang family ten years ago was still because of Tang Ziyu.

Tang Ziyu had eyes but couldn't see, and was deceived by Tang Zong's angelic beauty. It was always easy for girls to be aroused.

in addition, she was a rather bold and unrestrained person, so she decided to give herself to him!

However, Tang Ziyu didn't expect that in order to seduce Tang Zong, she took off her clothes and took the initiative to hit on him. Not only did she not get his favor, but she also got his disgust.

At that time, although Tang Zong was disgusted, he was also very excited. Damn, something like this had happened. How fun, how exciting, and how good it was to kill time. But, it was so boring to play alone. Hence, he instantly called everyone in the house over. It was really good to have fun together.

however, because tang zong's past misdeeds were too many, and tang ziyu's mind was quick at that time, she told her family that it was tang zong who forced her to do it, and she had no choice.

After that, the Tang family believed him. After that, Tang Zong left the country.

so, what happened that year was a scar in tang ziyu's heart. if she didn't get rid of it, she would never be at ease.

Now that this scar had been uncovered by Tang Zong, Tang Ziyu naturally panicked and feared.

Because she liked Xia Xuanmo now. She didn't want Xia Xuanmo to know about the stain of the past and the past that she couldn't look straight into.

Tang Ziyu panicked and begged Xia Xuanmo, " Xuan mo, you have to believe me. What he said is not true. He deliberately said it. Believe me, believe me, Yingluo.

Xia Xuanmo's eyes looked at her coldly, " I knew what kind of person you were even before the engagement. There are some things that you don't need to say.

What he meant was,"I know what kind of person you are, Tang Ziyu, so you don't have to put on an act in front of me. It's useless even if you put on an act. Everyone knows it, so there's no need to be so obvious!"

Tang Ziyu's body was shaking, and his face was like a ghost. He couldn't believe it. He didn't know if he couldn't believe that Xia Xuanmo knew about it, or if he actually said such a thing.

Chapter 916 Tang Zong, get lost

Xia Xuanmo was a person who paid particular attention to being watertight, and everything he did must have a purpose.

Since the Xia and Tang families had proposed a marriage alliance, the first thing he had to consider was what benefits this marriage alliance could bring him.

When it was confirmed that the marriage could be carried out, he would investigate what kind of person Tang Ziyu, who was going to be his wife, was.

It didn't mean that if Tang Ziyu's character and virtue were not good, the marriage would not be terminated.

Instead, knowing what kind of person the other party was would make it easier for him to manipulate the other party in the future.

Therefore, Xia Xuanmo knew some of Tang Ziyu's past, which was also a very wonderful story.

Tang Ziyu had studied in country A, which was the most open-minded country for several years. After graduation, he had worked there for two years. Because the people there were particularly open-minded, especially in their sex life, they were more unrestrained, so Tang Ziyu had been ridiculous for two years. He had had sex with many men, and even had one-night stands with a few roommates in country A.

However, after returning to China, he restrained himself. Later, when he met Xia Xuanmo, he began to be kind and turned back.

Because Tang Ziyu was far away, no one knew about it, and she had also asked his father to erase some of the past, but she did not expect that Xia Xuanmo knew about it!

Tang Zong clapped his hands happily. Oh, brother-in-law, you know about it? that's good. That way, after you two get married, you can still have a discussion and Exchange your experiences with men.

"You can go now!" Xia Xuanmo glanced at Tang Zong.

Tang Zong rolled his eyes. Oh, alright then. I've finished reading it anyway!

When he said that he wanted to leave, Tang Ziyu was a little surprised, because the number of attacks this time was a little low. This was not in line with Tang Zong's usual practice.

When Tang Ziyu was puzzled, Tang Zong did not let her down and said,""cousin, isn't the sister of ran ran or rong yan already in prison? don't worry, you'll definitely be able to successfully occupy xia xuanmo, marry into the xia family, and become the young mistress of the xia family. when you get married, i'll come to congratulate you again. don't worry, the next time i come, the gift i'll bring will definitely be better than the one at the engagement party."

Bye Bye (^\_^)/~~"Tang Ziyu waved his hand and left happily.

However, before she reached the door, she heard Xia Xuanmo's voice,""Stop, Zhenzhen!"

Tang Zong turned around. Oh, brother-in-law, what's wrong? Why did he look so pale? What did you call me for?"

if the secret that tang zong had revealed just now had made tang ziyu afraid and uneasy, then what he was about to say now made her feel really threatened, because it involved rong nuo.

Tang Ziyu suddenly stood up and screamed hysterically, " "Tang Zong, get lost! Get lost!!!"

tang ziyu was very afraid that xia xuanmo would find out about rong nuo, so he didn't care so much. he rushed up and tried to push tang zong out.

However, Xia Xuanmo came over and pulled Tang Ziyu away. She thought that she had used too much force, causing Tang Ziyu to stumble and fall to the ground. She twisted her foot and covered her ankle with her hand, tears flowing down her face.

However, Xia Xuanmo ignored her and looked straight at Tang Zong. “Repeat what you just said!” “What’s wrong with you, brother-in-law? You look terrible!” Tang Zong even put on a confused expression, as if to say: What’s wrong with you? did I say something wrong?

Chapter 917 You’re not a woman, I have no interest in you

Xia Xuanmo grabbed Tang Zong’s shoulder and gritted his teeth, ” “It’s not this sentence.”

Tang Zong looked at Xia Xuanmo’s hand in disgust, pinched his sleeve and pulled it open. “Hey, don’t touch me first. I hate men touching me the most. You’re not a woman, I’m not interested in you.”

Xia Xuanmo gritted his teeth tightly, and the blue veins on his forehead throbbed. “Cut the crap and answer my question.”

“Ah, I said that my cousin has no more competitors. She can rest assured and hug you!” Tang Zong said slowly.

“Tell me clearly, what happened to Rong nuo?” Xia Xuanmo once again closed in, his eyes spewing fire as he looked at Tang Zong.

tang zong shrugged his shoulders, his expression puzzled.”what’s wrong with her? why are you asking me? don’t you know?”

hurry up and tell me, ran ran. Xia Xuanmo clenched his hands tightly, his heart beating fast. He was really afraid that the next news he would hear would be unacceptable to him, but he had to know.

Tang Zong felt that Xia Xuanmo was too close to him, so he took a step back and said, ” tsk, tsk, what a hot-tempered person. She was sentenced because she pushed you down the stairs and your parents said that she intentionally hurt you, Yingluo.

Xia Xuanmo’s body swayed for a moment, and he felt the world spinning in front of him. His heart ached, and at this moment, the sound in his ears disappeared. Tang Zong’s words played in his mind over and over again. Rong nuo has been sentenced, she has been sentenced to Xuanji.

Tang Zong looked at Xia Xuanmo’s apocalyptic expression and said with a smile, ” hey, everyone knows about this kid. Don’t tell me you don’t know? ”

Tang Zong glanced at Tang Ziyu, who was crying like a baby, and showed an expression of understanding. Oh, I see. You don’t even know about relationships. Your parents are hiding it from you. Tsk tsk, Aiya, you’re really pitiful, but to you, it’s nothing. She’s just a woman anyway, and you have my cousin by your side. As for that Rong nuo, I’ve already said that I’ll cut off all ties with you, so you two won’t have anything to do with each other.”

Aiya, it’s getting late. I have to go back and sleep. Cousin, future brother-in-law, you two have a good rest. Bye (^\_^)/~~”

Tang Zong made a cute expression at Xia Xuanmo, who had been completely charred on the outside and tender on the inside by the lightning he had thrown. Then, he waved his sleeves, leaving behind a pile of trouble.

After leaving the ward, Tang Zong whistled happily. As he walked, he was thinking, how am I going to get back this interest?

However, there was a little bit of trouble in taking away the interest. However, this was fine. Tang Zong had always loved trouble!

To Tang Zong, it was truly blissful to have Trouble Every Day. He could only pass his boring time with them. He could only live a little longer with his boring life. [ Rong Yan: a perverted life doesn't need a reason! ]

Outside, Tang Zong could hear a bright red, cool, and luxurious sports car. After Tang Zong got into the car, a cold and dead-like voice came from the back seat."Young master!"

The woman in the back seat was the ghost woman who had been following Tang Zong around. She was dressed in black and her face was shockingly pale in the dark.

"Oh, you're back. Have you settled everything?" Tang Zong raised his eyebrows and smiled.

"Yes, this is the medicine you wanted!" The woman said.

Chapter 918 Don't get your blood on the car

Tang Zong took the tube of medicine that was tightly sealed in a glass test tube. The color of the medicine inside was a beautiful pink, and it glowed with a faint fluorescent light in the night. It was very beautiful, and Tang Zong liked it very much.

But after a while, Tang Zong sniffed."Yo, you're injured!"

Take note, from Tang Zong's tone, he was definitely not worried!

The woman replied,"I'm fine, it's just a small injury."

Tang Zong furrowed his brows. then be careful. Don't get your blood on the car. Washing it is very troublesome! [ Rong Yan: damn, does this guy still have any humanity? ]

"It's Yingluo."

"Has your combat power declined recently? You can get injured just by doing this little mission?" Tang Zong wasn't showing any concern. He just despised them. Yes, he despised them. He would usually kick away those who were useless and weak.

The woman lowered her head. I'm sorry. I was careless. Please punish me, young master!

"Forget it, I don't have the time to punish you now. I still have important things to do."

.....

In the early hours of the morning, as soon as MeowMeow was put into the medicine, Liancheng Yazhi received a call from the hospital.

After hanging up the phone, Liancheng Yazhi said to Rong Yan in a low voice, it's done. Tang Zong has already gone to make a scene. Now, we're just waiting for Xia Xuanmo to go to the Xia family and explode.

” children nowadays don’t necessarily have to go to kindergarten. can’t you hire some home tutors? ”

Liancheng Yazhi’s head hurt a little after hearing this. After this year, Rong Yan was prepared to send MeowMeow to kindergarten. How was this Huahua going to tell her that MeowMeow couldn’t go? If he told her, Rong Yan would definitely say that he didn’t want to give MeowMeow a name.

speaking of the name, liancheng yazhi was particularly troubled. it was really a difficult problem.

The last time at the company, he had asked his employees to name their names, but Liancheng Yazhi did not like any of the names that they handed in after work. It did not give off the high-end, Grand, and classy feeling that he wanted.

liancheng yazhi patted natsume’s shoulder. “how about this? next time, you can tell rong yan directly that meowmeow is not suitable to go to kindergarten now and should stay at home to recuperate.”

“Why?” Natsume furrowed his brows. Why did he have to tell him?

“I told you to say it. Just say it and remember.” Liancheng Yazhi glared at him. alright, it’s late. You should sleep early too. I’m going back.

When Liancheng Yazhi returned to the bedroom, Rong Yan and MeowMeow were already lying down.

He went into the bathroom and took a quick shower. Ten minutes later, he lay down and hugged Rong Yan. aren’t you tired? ”

Rong Yan nodded. maybe it’s because I’ve been sleeping quite late every night recently. My biological clock is a little reversed.

Liancheng Yazhi’s hands started to move around Rong Yan’s body. He smiled and said, ” “Then, why don’t we do something else?”

Rong Yan patted his chest. go away. Don’t let your thoughts run wild. I don’t have the strength to do anything else now.

Liancheng Yazhi felt wronged. I haven’t even said what I’m doing, and you’re already asking me to leave? ”

tsk, I don’t know what you’re thinking. Let me tell you, don’t think about it. Sleep well. You still have to go to work tomorrow.

Liancheng Yazhi was silent for a while before he complained, ” “baby, don’t you think that my life is quite hard now?”

Although he had just had a small meal a few days ago, it was not enough to fill the gaps between his teeth. At his age, when he was as energetic as a Wolf, sleeping every night was a big torture for Liancheng Yazhi.

However, he could not eat it openly.

sometimes, liancheng yazhi really wanted to say, ” meowmeow, do you know how sad your father is every day?! ”

Rong Yan opened her eyes and asked, 'did I? I see that you're quite happy every day.' Her expression changed and she grabbed Liancheng Yazhi's ear. "No, you're not telling me this because you're trying to find an excuse for cheating on me, are you?"

Using the excuse that their married life was not satisfied, then openly looking for a woman. Weren't there many people in society like this now?

Hearing this, Liancheng Yazhi quickly shook his head and immediately explained himself, "of course not. Don't accuse me. My body and heart are absolutely loyal to you. I have no other intentions.

Chapter 920 Stepping stone, good heart!

Rong Yan pouted, but she was much happier in her heart. She said, "(^), you don't dare to. Alright, go to sleep. Be good "

Rong Yan closed her eyes and touched Lian chengya's head. Then, she yawned and fell asleep.

Lian Cheng Yazhi sighed deeply. He had to cure MeowMeow's illness, and immediately cure Yueyue.

He wanted to kiss his wife every night, but he still had to take care of his daughter. It was really a torturous thing.

.....

The old house of Liancheng had fallen into silence, and the show on Xia Xuanmo's side had just begun.

Just as Liancheng Yazhi had said before, when Xia Xuanmo came back to his senses, the Xia family would start to make trouble!

Tang Ziyu endured the pain in his ankle and got up from the ground. He limped to Xia Xuanmo's side and cried, " Xuan mo, what's wrong with you? say something. Don't scare me, Yingluo.

"I've waited so long for you to wake up. Please don't let anything happen to you again. Can you talk to me?"

In the midst of Tang Ziyu's crying and screaming, Xia Xuanmo was finally pulled back to reality. He stood still and looked at Tang Ziyu with a blank expression, " "tell me the truth. is it the same as what tang zong said?"

Tang Ziyu covered her mouth and sobbed. Xuan mo, don't believe it. Really, don't believe Zhenzhen. Tang Zong is lying to you. He has never told you the truth. Don't believe him, Zhenzhen.

tell me, Zhenzhen. Xia Xuanmo grabbed Tang Ziyu's arm with his hand. The strength in his hand was so strong that the veins on the back of his hand were protruding.

Tang Ziyu's ankle was already in pain, and now her wrist was being grabbed. The strength was almost crushing her wrist, and she cried even more in pain, " Xuan mo, let go of your hand, it hurts! Xuan mo, it hurts!

speak of Lao Ai. Xia Xuanmo's eyes turned red, and his eyes were cold.

If Tang Ziyu didn't tell him, he would really break her wrist.

Tang Ziyu shivered, the pressure on her wrist was getting stronger and stronger, her bones were almost broken. She quickly said, "okay, Yingluo, okay, I'll tell you, Yingluo, I'll tell you. Calm down first, Yingluo, calm down, Yingluo."

xia xuanmo loosened her grip a little, "hurry up and tell me yingluo."

"Tang Zong ... Tang Zong ... He's telling the truth, but Rong nuo deserved it. She was the one who pushed you down, and the evidence is conclusive. In front of the law, she's a murderer, and she deserves to go to prison ..."

When Tang Ziyu mentioned Rong nuo, the anger in his heart grew bigger and bigger, and he could not control his words. She was obviously so much more beautiful than Rong nuo, and her family background and education level were much higher than Rong nuo's. But why did Xia Xuanmo always have that b \* tch in his heart? what was so good about her?

"Pa! Pa!"

A loud slap was heard, and Tang Ziyu's face was slanted. The left side of her face was numb from the pain. She covered her face in disbelief. you, you hit me! I, you hit me for that heartless woman! Do you know who took care of you when you were in a coma for so long? "It was me, not her? Xia Xuanmo, how hard is your heart? is what I've done not enough to make you forget her?"

xia xuanmo was a politician, and politicians had the coldest and hardest hearts.

He rarely hit women, but that didn't mean he didn't know how to.

He had wanted to marry Tang Ziyu before, but that did not stop him from liking Rong nuo the most.

In contrast, Tang Ziyu was just a stepping stone, and Rong nuo was his favorite.
