

Permit Me 981

Chapter 981 you're still so heartless!

"You're welcome, as long As You Like It." Su Yue enjoyed high definition and she rubbed MeowMeow's head.

Rong Yan saw him doing this, but MeowMeow didn't reject it. She sighed in her heart.

MeowMeow's body didn't reject su Yue out of instinct. Perhaps it knew that su Yue wouldn't do anything bad to her.

Su Yu looked into Rong Yan's eyes. although we met at Xia Xuanmo's engagement banquet last time, I didn't have time to say hello. How have you been? " he asked.

Rong Yan smiled. I'm doing pretty well. Do I look like I'm not living well? "

The two of them fell into silence after Rong Yan said this.

To ease the awkwardness, Rong Yan asked, " Is there any news about Seven recently? "

no, we haven't contacted each other since we left last time. Don't worry about him. He'll come back sooner or later.

"Is there anything you want to tell me?" Su Yu asked Rong Yan.

Rong Yan shook her head,"no Zhenzhen."

when facing su yu, rong yan knew that he had other plans in his heart. no matter what, she didn't want to have too much to do with such a person.

Moreover, she was already Liancheng Yazhi's wife. The first thing she had to do for her husband and marriage was loyalty. So, it was okay to say a few words to other men on the road, but it was absolutely impossible if he wanted to develop further.

"You're still as heartless as ever," su Yue laughed at herself.

No matter how well he treated her, if she didn't like him, he would definitely not show her any mercy!

Rong Yan's heart was very soft but also very hard. She was only soft to one person, but she would never show mercy to others.

Rong Yan added,"no, I'm heartless and only care about the person."

"Yes, you're heartless. You're deeply in love with Liancheng Yazhi now, but you're tired of me just by looking at me, right?" Su Yue's suppressed temper was about to explode.

rong yan took a step back. " su yu, i don't think there's any point in us talking about this. "

"I'm here to buy a little bed for MeowMeow. We're almost done picking. We'll go back first. You can take your time."

Su Yu didn't stop Rong Yan, but he asked, " "Rong Yan, let's have a cup of coffee together."

“Then keep this first. Mom will have someone make you a new pair soon, okay? two!”
Rong Yan reached out her hand.

“Alright, Yingluo, I’ll give it to you when we get home, okay?” MeowMeow looked at Rong Yan expectantly, wanting to play with her for a while longer.

“Okay, then you can play for a while more, Yingluo.”

.....

After Rong Yan and MeowMeow left, su Yue was the only one left in the mall. He stood there for a long time without moving.

In the end, he took off the sapphire ear stud on his ear and threw it on the ground, a murderous look in his eyes.

Su Yue turned around and said to a shop assistant, ” “I’m taking this Cactus sofa.”

the shop assistant said apologetically, ” I’m sorry, Sir, but this sofa has already been bought by another customer. We only have one of each design. So, if you want to buy it, I really don’t have any.

“Are you talking about the mother and daughter who just left?” Su Yu frowned.

The saleswoman shook her head. no, only the young lady wanted it, but her mother didn’t want it, so we didn’t reach an agreement. It was another customer.

Su Yu was displeased, and his face was filled with annoyance.”Who bought it?”

The sales lady pointed at the counter. he’s there. He went to swipe his card. Oh, he’s back.

Su Yue looked over and saw a man wearing a white cardigan and sweater walking over. In the cold summer, his smile was especially warm.

However, this was just a facade, and su ‘er would never be fooled.

Su Yue’s expression was extremely ugly. She looked at the person walking over and said in an unfriendly manner,”Tang Zong, what are you doing here?”

the man who was walking towards them was tang zong, who often went crazy and appeared and disappeared unpredictably!

After he disappeared for a period of time, he reappeared again. Usually, when he reappeared, nothing good would happen.

Tang Zong threw the receipt to the sales assistant and smiled kindly. deliver it to the place written on it at three in the afternoon. You have to be on time. If you don’t arrive on time, I’m going to return it.

“Don’t worry, I’ll definitely deliver it to you on time.” the sales lady said quickly.

.....

Chapter 983 Cousin, do you want a hug?

Tang Zong looked at su Yue with a smile on his face. "cousin, we haven't seen each other for a while. Do you want to hug?"

When Tang Zong called him 'cousin', it sounded a little sneaky!

Su Yue didn't want to waste any more time talking to Tang Zong. "Cut the crap. Why are you here?"

At this moment, it was no coincidence for anyone to appear here. Especially when it was someone like Tang Zong, a bastard with such destructive power.

Tang Zong laughed out loud. With a mysterious look on his face, he inched closer to su Yue. "Of course I won't tell you. I followed you here."

Just as Su Yu's face turned as black as a stinky rock, Tang Zong laughed and patted him on the shoulder. "haha, Yingluo is just joking with you. People like me don't have anything, but I have a lot of time. I'm so free every day, so I'm thinking about what to do every day."

The corner of su Yue's mouth twitched. What did Tang Zong mean by that? was there any meaning in making things worse?

Tang Zong was clearly telling Tang Zong that he was too free and bored. Hence, he had nothing to do, so he followed him here.

Oh, you're right, this young master is indeed monitoring you Yingluo

"Tang Zong, I don't remember us having any grudges!" Su Yu knew how difficult it was to deal with Tang Zong. As long as one was targeted by him, it was equivalent to being haunted by the God of bad luck. It was very difficult to change one's luck, and it was even more difficult to turn over the bad luck he brought.

Just by looking at how he had brought so many years of nightmares to the Tang family, and how the nightmares were still going on, one could see his power.

Although su PEI was not afraid of Tang Zong, this did not mean that he wanted to stand on the opposite side of Tang Zong.

su yue had never planned to pull tang zong to his side, nor did she want tang zong to be his enemy.

Tang Zong nodded his head, "that's right. We don't have any grudges between us, Zhenzhen."

tang zong's eyes lit up when he saw something. he walked around su yue and squatted down. he picked up the sapphire ear stud that su yue had thrown on the ground in a fit of anger.

Seeing Tang Zong pick up the ear studs, su Yue's face darkened, and her hands slowly clenched into fists.

Tang Zong looked on with interest for a while, then turned around and waved at su Yuyang. "It's good stuff, why would I throw it away!"

"it's just a small accessory, what's so good about it?" su yu pretended to be nonchalant.

Tang Zong gave a meaningful smile. He walked in front of su Yue, put his arms around her neck, and walked out. As they walked, he said, "hey, stop pretending. Do you really think I'm an idiot?"

there are nano-earphones in here. They're the most effective for monitoring and listening in. Tsk tsk, it's so high-tech. I'll hide it from those I'm interested in. How about we have a chat?"

Su 'er furrowed her brows and said, "You're thinking too much,"

Tang Zong nudged su Yue with his elbow and asked,"really?" I don't think so. Su Yue, that's the only bad thing about you. Although it's not a bad thing to keep it a secret, you've already exposed it. What's the point of hiding it?"

"You're wrong." Su Yue still refused to admit it.

Tang Zong pursed his lips and said, " you're still being stubborn. If you want me to open it, just do it. I'm not an idiot. Let's not beat around the bush. Let's go, find a place to sit down and have a good chat.

"i don't have anything to talk to you about," su yue replied.

Tang Zong let go of su Yue and looked at her with a cute smile."Oh, then why don't I get Rong Yan to come over too? How about the three of us sit down and have a cup of coffee?"

Chapter 984 Promise me you won't get angry at me

Su Yu clenched his teeth tightly, wishing he could bite off a piece of flesh from Tang Zong's face. He even knew what he was saying to Rong Yan. What was he planning?

su yue wasn't someone to be trifled with. she quickly smiled and said, "alright, i'll treat you to a meal today."

The word 'cousin' was a very magical word. When it came from two different people, the feeling was completely different.

The two of them, each with their own ulterior motives, instantly acted like good Brothers and left the mall together.

.....

When she returned home, Liancheng Yazhi was not back yet. Rong Yan asked MeowMeow to play with Butler li first while she called Gu Hesheng. He knew many first-class jade carving experts, and Rong Yan asked him to help find someone to carve two little bunnies.

”

” it's a small matter. i know a few people who have good skills. you don't have to worry about this. after it's done, i'll have someone send it to you. ”

“No need. Why don't I go to your house to get it? I can try your good tea there.”

Rong Yan's words were exactly what Gu Hesheng wanted. He was especially happy.”Alright, alright, I've saved them all for you.”

After hanging up the phone, Rong Yan sighed. It wasn't easy for them to be quiet for a while, but now, fan Xin's matter was back. Su Yu's sudden appearance made Rong Yan a little nervous because Su Yu obviously had a motive this time, so Rong Yan was a little worried.

Moreover, Su Yu knew her whereabouts. What Rong Yan was afraid of now was that there were Su Yu's spies in this house, or that there were people Su Yu had arranged around her hometown in Liancheng.

However, when Liancheng Yazhi came back and Rong Yan told him about the matter, he would definitely not react well. However, she could not not not tell him about this.

this was the most annoying wufu.

When Liancheng Yazhi finally came back, Rong Yan pondered for a moment. Forget it, let's eat first. I don't want him to be so angry that he can't even eat after I'm done talking.

After the meal, Liancheng Yazhi called Secretary Zhou first. I have something to do at home today, so I'll go to the company later.

After Rong Yan heard that, she felt very strange.

No way. She hadn't even said anything, and Liancheng Yazhi already knew? Wasn't this too godly?

Liancheng Yazhi pulled Rong Yan up. let's go and take a walk in the courtyard.

"Tell me, what do you want to tell me?" he asked Rong Yan when they were outside.

Rong Yan's eyes widened in surprise.

Liancheng Yazhi tapped Rong Yan's lips."of course. your face and eyes are saying, 'hubby, i've done you wrong'."

rong yan patted liancheng yazhi's hand. "I have something to tell you!"

"Okay, go ahead, I'm listening."

"You promise not to get angry at me." Rong Yan raised a finger.

Liancheng Yazhi smiled and grabbed her thin finger."Alright, I promise I won't get angry at you. Hurry up and tell me."

"what i want to say is, today i took

Liancheng Yazhi instantly realized that the person he had met might not be simple and immediately asked, "Who's scared?"

Rong Yan glanced at him and lowered her head."Su Yue," he said.

Liancheng Yazhi squinted his eyes, hiding a flash of coldness that was as cold as a knife. He reached out to hold his face and smiled."Baby, continue. And then?"

.....

Chapter 985 Tear this rabbit apart

Rong Yan looked up at Liancheng Yazhi. He was still smiling and didn't look angry. Rong Yan relaxed a little and continued, "i think there's something wrong with his eyes. oh, he also gave meowmeow a rabbit, but i didn't let meowmeow play with it. i put it away for her."

Liancheng Yazhi's expression was not too extreme. On the contrary, it was very normal. He only said sarcastically, "that's very thoughtful of you. Let's go, take me to see that rabbit."

This made Rong Yan feel a little strange. “you’re not angry?”

“of course i’m angry, but i’m only angry at him. it has nothing to do with you. do you think i’m someone who can’t tell right from wrong?”

“Hubby, you’ve really improved.” Rong Yan was very impressed by his words. Through this incident, she really felt that Liancheng Yazhi had grown too much. If this had happened three years ago, he would have taught her a lesson.

Liancheng Yazhi proudly raised his head. of course. Tell me properly. Why is there something wrong with su Yue’s gaze? and what did he say to you, Yueyue? ”

Although he seemed to be very magnanimous towards Rong Yan, she thought about it and decided to keep Su Yu’s last sentence a secret.

if she said this, it would be explosive. she just needed to let liancheng yazhi know that there was something wrong with su yue and forget about that sentence.

Rong Yan gave the little rabbit to Liancheng Yazhi without telling MeowMeow.

Liancheng Yazhi picked it up and turned it around in the sun for a while, looking at it very carefully.

Rong Yan was curious and asked,”what’s wrong? is there something wrong with this rabbit?”

maybe I’m overthinking it. But for safety’s sake, I’ll take this rabbit away first and let someone test it. Liancheng Yazhi would think deeply about what he had done to su Yue. He would not underestimate his opponent.

“Yes, you can take it. I didn’t plan to let MeowMeow play with it. Don’t let MeowMeow see it when you take it.” rong yan warned.

don’t worry, I won’t let her see me. I’ll be leaving now.

go ahead. Tell the driver to be careful on the road.

Liancheng Yazhi lowered his head and kissed Rong Yan’s lips. He then put the rabbit in his pocket and took it out of the Liancheng house.

The moment he walked out of the Liancheng old mansion, Liancheng Yazhi’s expression changed instantly.

When he arrived at the company, everyone who saw him wanted to avoid him. It was obvious that the boss was in a bad mood today. If their eyes could be photoshopped automatically, everyone would have photoshopped a black murderous aura around Liancheng Yazhi, which would simply make people feel intimidated.

When they reached the Secretary on the top floor, they walked past Secretary Zhou’s desk. Liancheng Yazhi did not stop and said, ” “Secretary Zhou, come with me.”

secretary zhou quickly stopped what she was doing and walked into the big boss’s office under the well-wishes of the employees.

“young master ya, what are your orders?”

Just as he finished speaking, Zhou zhishu saw a hidden weapon flying towards him. He subconsciously raised his hand to catch it.

When he saw clearly that the hidden weapons in his hands were all white and fat rabbits, he was stunned. White jade rabbits, suet Jade, and top-quality ruby eyes. These things were so valuable. Did the boss think that he had been doing a good job recently and was rewarding him?

Liancheng Yazhi took off his coat and threw it to Secretary Zhou. find the technical department and dismantle this rabbit for me. In the end, before Secretary Zhou could even have a little bit of a sweet dream, he was immediately shattered by reality.

Chapter 986 Young master ya, you are great

Secretary Zhou was dumbfounded on the spot. He was dismantling the Kasaya? Did he hear it right?

Secretary Zhou looked down at the cute little rabbit in his hand. Its two red eyes looked as if they were alive, and it was very beautiful. The key was that this rabbit was worth a lot of money, and it was only the rabbit that didn't seem to have offended young master ya in any way. Why did young master ya smash the medicine? Young master kaya, do I look like someone who lacks money? [no matter how valuable this rabbit is, in my opinion, it's just an annoying rabbit. Who says it didn't offend me? it has offended me greatly!]

Seeing Secretary Zhou move, Liancheng Yazhi raised his head and scolded, "Go, Yingluo."

in fact, secretary zhou also liked cute little things. he held the rabbit in his hand and was reluctant to part with it. he mustered up his courage and said, "Young master ya, this rabbit is quite cute."

the pen in liancheng yazhi's hand was thrown out with a whoosh and hit secretary zhou's shoulder. "cute? Which eye of yours saw that it was cute? I told you to go and tear it apart, so get the hell over there. I want results within half an hour."

Secretary Zhou shivered and didn't dare to say anything more. yes, yes, ran ran. I'll go and have a look now.

Secretary Zhou bent down to pick up the fountain pen and placed it in front of Liancheng Yazhi. Then, he quickly 'rolled' out.

After he left, he looked at the little rabbit with regret. "So pitiful, Yingluo."

although he pitied secretary zhou, he still had to follow liancheng yazhi's instructions and sent the little rabbit to the company's technical department.

The people in the technical department were a bunch of lunatics. Anything that fell into their hands could be broken down in such a fine way that it was perverted. They were even better than the country's professional demolition team!

After the White jade Rabbit took it, Secretary Zhou wrote, "Young master ya asked you to tear this rabbit apart."

Then, as soon as he finished speaking, his hand was empty.

Soon, he heard a group of people discussing whether to cut horizontally, vertically, behead, or dig out the eyes.

Secretary Zhou frowned and shook his head. This was too cruel. They were so cruel to a rabbit. This group of people were too heartless. young master ya: get lost. Don't give me that. Why didn't you say that you were crazy when you killed someone? ”

About ten minutes later, the technician finished his discussion and began to cut. After waiting for another ten minutes, someone suddenly said in surprise, ” “Hey, there's Yingluo.”

Secretary Zhou quickly turned around and saw a technician taking out a small electronic chip from under one of the rabbit's ruby eyes. The chip was very small, about the size of half an adult's thumb.

Secretary Zhou's eyes widened in surprise. Finally, he swallowed his saliva and felt deep admiration for Liancheng Yazhi.

Young master ya, you're indeed the wise and divine one. There's no mistake in following your guidance! You're great, your eyes are fiery, you've omitted a million words of praise.

After the chip was taken out, the other employees immediately screened it.

A few minutes later, Secretary Zhou quickly returned to the top floor with the rabbit that had been cut into several pieces and the small electronic chip.

—

Chapter 987 Don't Let Me Down

after knocking on the door of the president's office and entering, secretary zhou quickly brought the electronic chip in a small plastic bag to liancheng yazhi.

“Young master ya, I found this in the rabbit.”

“what is this?” liancheng yazhi frowned.

“It's an electronic chip, and also a surveillance device.”

Liancheng Yazhi's face immediately revealed a fierce and murderous look. “Which part was it found?”

Secretary Zhou pointed to the eye socket that was missing an eye. under this eye. After you dig out the Ruby, place it below.

Liancheng Yazhi held the small electronic chip in his hand, and a complicated look flashed in his eyes.

Secretary Zhou flattered him very seriously. young master ya, you're really amazing. You've already noticed the problem with the rabbit. I still have to learn from you!

Liancheng Yazhi glanced at him and said, “do you think I'm like you?” If you can tell, then we'll switch our positions.”

What Liancheng Yazhi said seemed to be the case, but he didn't see it before.

He had originally asked Secretary Zhou to take the rabbit to the technical department to disassemble it for two reasons.

First, he simply wanted to get angry. Who asked that bastard, su Yue, to give it to him? was this Liancheng Yazhi's style?

Secondly, Liancheng Yazhi's understanding of Su Yu made him instinctively feel that this rabbit was not that simple. Perhaps there was some secret hidden inside, or maybe there was some medicine applied on the surface. When playing in Miaomiao's house, it might bite a few times, and with this bite, the medicine applied on the surface would enter Miaomiao's body.

that was what liancheng yazhi thought, but he really didn't expect su yuhui to have set up a small listening device in the rabbit.

The word "listening device" was very sensitive.

Liancheng Yazhi's mood instantly fell to the bottom and was about to reach the freezing point.

What did su Yue mean by taking such a step? what was she trying to do? Why did he install a listening device? what did he want to teach?

These were things that Liancheng Yazhi needed to quickly consider and figure out immediately.

After Secretary Zhou heard Liancheng Yazhi's reprimand, he nodded repeatedly. " yes, you're absolutely right. so, you're the boss and i'm just your errand boy. "

Liancheng Yazhi waved his hand to let Secretary Zhou take it down. take the thing down. I understand. Let the technical department continue to study it.

"Uh, just watching and not doing anything?" Secretary Zhou found it strange.

Liancheng Yazhi would never make him do something boring for no reason. So, the moment he found the listening device in the rabbit, Secretary Zhou felt that his life was going to be tense again. He also thought that Liancheng Yazhi would definitely do something big.

However, she did not expect Liancheng Yazhi to be so calm.

Liancheng Yazhi sneered. it's not time to settle the score yet. You can take the things away.

Secretary Zhou's whole body turned cold from Liancheng Yazhi's sneer. He always felt that Liancheng Yazhi's forbearance at this moment was for a bigger explosion in the future. He nodded. "It's Yingluo."

Liancheng Yazhi thought of something else. take the chip away, but leave the rabbit.

Secretary Zhou repeatedly said yes, Yingluo.

The door closed after Secretary Zhou left. In the room, Liancheng Yazhi looked at the rabbit that had been cut into many pieces, and his eyes were murderous. su Yue, let me see what tricks you're up to. I haven't seen you for so many years. Don't Let Me Down.

Chapter 988 Liancheng, help!

Liancheng Yazhi didn't make a move this time because he wanted to cast a long line to catch a big fish. Since Su Yu dared to send this thing to Liancheng's house, he was probably 100% confident that it wouldn't be discovered. However, he was unlucky. Liancheng Yazhi had accidentally discovered it on the first day. He was really unlucky.

Liancheng Yazhi's fingers tapped on the table, and as his fingers tapped faster and faster, it also proved that it would be very soon before he made up his mind.

He was thinking about the meeting between Rong Yan and Su Yu today. Obviously, it wasn't a coincidence. Su Yu must have found out that the mother and daughter had gone to the mall and went there to wait.

So, su Yue might have planted a spy at home. But in order not to alert him, they could leave it alone for the time being. However, it was still necessary to find out the truth.

The impatience on Liancheng Yazhi's face became more and more serious. If it was in the past, he would have been full of passion when facing an opponent like Su Yu and wanted to compete with him. However, he was very annoyed now and didn't want to care about these things at all.

However, Liancheng Yazhi also knew very well that the responsibility on his shoulders was heavier now. He used to live for himself, but now he had to live for his family.

Now, he couldn't afford to lose even more.

Every step had to be taken cautiously, and he had to be confident of winning before he attacked.

In order not to let Rong Yan worry, Liancheng Yazhi decided not to tell Rong Yan about the tapping device in the rabbit. It was not easy for the family to be stable for a while, so he could not let her worry all day long.

Liancheng Yazhi planned to handle Su Yu's matter alone.

Liancheng Yazhi worked the entire afternoon with complicated feelings. When it was time to get off work, he rubbed his slightly swollen forehead and walked out of the office. He said to Secretary Zhou, "Secretary Zhou, you'll drive today."

it's Yingluo," Secretary Zhou said quickly.

Recently, Liancheng Yazhi had always let his family's driver drive. Sometimes, it was himself. He rarely let Secretary Zhou work as a driver, which made Secretary Zhou feel a little more relaxed.

However, he didn't expect that it would be his turn again today!

The two of them took the elevator to the underground parking lot. Secretary Zhou was reaching out to open the door when a man wearing a black coat, a black wool hat, and a black mask came out from behind the pillar next to them. He pounced on Liancheng Yazhi and shouted, "Liancheng Zhenzhen, save me! Zhenzhen!"

When Liancheng Yazhi saw the man who immediately rushed over, he fell to the ground with a thud. Secretary Zhou quickly blocked in front of Liancheng Yazhi and whined.

the man who fell to the ground started to wail in pain. he coughed a few times and complained, "Why are you hiding?"

Liancheng Yazhi pulled Secretary Zhou away and asked with a frown, "The wind toyed with Tang?"

The man on the ground pulled down his mask and Lu suifeng made Dunn's face twist a little from the pain."It's me, Yingluo."

Liancheng Yazhi was shocked. why are you dressed like this? did your family go bankrupt?"

Feng nongtang, who had fallen to the ground, rubbed his chest and got up, saying anxiously, "it's worse than bankruptcy. I don't have time to explain to you. Are there any vacant houses under your name that are remote and hard to find? besides, they are fully equipped with water, electricity, and furniture. If there are, give me the keys.

Liancheng Yazhi was puzzled. there is. But tell me, why don't you stay in your house? why do you have to stay in my house? "

Chapter 989 Alright, then let's break up!

Liancheng Yazhi's attitude was clearly that he would not give her the key if she did not explain herself clearly.

Feng nongtang dodged, afraid of being seen, and whispered to Liancheng Yazhi, "Aiya, I can't tell you. Just give it to me quickly, right, brother? If you're my brother, then give it to me. If you help me this time, I promise I'll thank you properly in the future."

The more he acted like this, the more curious Liancheng Yazhi became. He shook his head."No, I can't. If you don't explain clearly, we're not brothers."

Feng nongtang said angrily, "how can you do this? I'm in trouble now and I need your help. You can't not help me!

I'm like this. Are you going to say it or not? if you don't, I'm leaving, Yingluo. as he spoke, Liancheng Yazhi made a gesture of getting into the car.

Feng nongtang quickly pulled him back. Okay, okay, okay. I'll tell you. I'm really unlucky to have come to you. My ran ran.

liancheng yazhi laughed and said,"go on, yingluo."

Feng nongtang looked embarrassed. He opened his mouth a few times but couldn't say it. After saying the word "I'm sorry, I'm sorry," he glared at Secretary Zhou and said,"You stand further away."

secretary zhou felt wronged. what was he doing? he had a share in the secret. why couldn't he hear it? He only wanted to know what had made Feng nongtang so embarrassed.

secretary zhou glanced at liancheng yazhi and asked for his opinion.

in the end, his boss didn't protect him this time. instead, he waved his hand and told him to stand further away.

Secretary Zhou wanted to cry but had no tears. Boss, how could you do this? how could you ignore your subordinates for your own sake? young master kaya said, When have I ever cared about you?]

After Secretary Zhou silently retreated, Feng nongtang leaned over to Liancheng Yazhi's ear and whispered!

after he finished speaking, liancheng yazhi immediately burst into laughter. he pointed at feng nongtang and laughed."You actually have such a day."

feng nongtang's face turned red and he raised his hand to hit liancheng yazhi. " what are you laughing at? stop laughing and give me the key. Hurry up! I can't let her catch me. Hurry up and clean up!

Liancheng Yazhi's mood improved a lot after hearing Feng nongtang's words. He smiled so hard that the muscles on his face were almost sore. He patted Feng nongtang's shoulder and said, " " you can't hide like this. you'd better face it honestly. the monk can run away, but the temple can't. you'll be caught sooner or later. go back and don't run around outside! "

Feng nongtang's face turned even redder as he gritted his teeth and looked at Liancheng Yazhi. This guy was just watching the show and wanted to hit him when he was down. He was such a bastard.

"What are you saying? is there a brother like you? I'm in a life and death situation, but you don't want to save me and want me to go back and die. Will you give me the room key? if you don't, we'll break off our friendship today."

Liancheng Yazhi smiled and nodded."Alright, then let's break up, Yingluo."

Feng nongtang couldn't take it anymore and quickly grabbed Liancheng Yazhi's arm. "hey, hey, hey, don't be like this. help me just this once, yingluo."

Liancheng Yazhi hooked his arm around Feng nongtang's neck. it's no use. The longer you hide, the more unlucky you'll be. It's better to solve this kind of thing as soon as possible. Really, I'm teaching you with my experience. Listen to me, you're right!

"but i don't believe you," feng nongtang shook his head.

He scratched his head. I'm scared now. I'm scared. I don't have the courage to go back, okay? you have to give me a few days to regain my courage before going back. Hurry up. I can only count on you to live. I can't count on that kid Kang Yu at all.

Chapter 990 Wait to see his miserable end

liancheng yazhi laughed. it would be a wonder if kang xi would help feng nongtang with this kind of thing. he must be watching the fun from the side, waiting to see feng nongtang's 'miserable end'. "You've really decided to just hide like this?"

"Of course. Why else would I come to you?"

Liancheng Yazhi nodded. alright, ran ran, I'll provide you with a place. However, you can only stay for a week. If you're not willing to go back after a week, don't blame me for selling your information, ran ran.

Feng nongtang gritted his teeth, " "yingluo, you're so sinister. fine, one week then, yingluo."

"Let's go. Get in the car with me first. After Secretary Zhou sends me home, I'll ask him to take you."

At the side, Secretary Zhou was extremely curious. What could have happened to make young master ya, who usually didn't have much emotional fluctuations, laugh like that? he didn't even care about his image!

After getting in the car, Feng nongtang finally breathed a sigh of relief.

"Why did you say that you can't count on Kang Yu?" Liancheng Yazhi asked.

Tang was so angry that he almost exploded at the mention of Kang Zhaofeng, and he began to ramble, I went to look for him, but he only said,'you deserve it. I've been waiting for this day to

come. Don't beg me, it's useless even if you beg me.' How could he be so mean? young master ya, you're a good friend. I'm going to cut ties with him in the future. When he asks me for help, I'll deal with him.

Liancheng Yazhi sighed. tsk, actually, I also want to say that. You're in this state because you've brought it on yourself.

feng nongtang retorted,"why do you say that?" I don't have any."

"Hey, how did you get into trouble just like that?"

Feng nongtang did not look at Liancheng Yazhi and stuttered, " I'm f * cking drunk! I'm f * cking drunk! I'm f * cking drunk!

Liancheng Yazhi looked at him disdainfully. look at you, you're so scared. I told you before to give up early. What's the point of wasting time? it's useless. You didn't listen. Do you think it can be solved smoothly after a few days of escape? You're an uncle now, not a teenager. You're still so naive."

how am I an uncle? I'm still very young and handsome. Feng nongtang raised his chin and challenged Liancheng Yazhi.

look at your handsome face. Don't forget that my daughter calls you uncle.

Feng nongtang instantly wilted. my Yingluo isn't ready yet. I'll play Yingluo for two more years.

Liancheng Yazhi glanced at him. two more years and it'll be too late. Our son should be out by then.

Feng nongtang widened his eyes and looked at Liancheng Yazhi. "You guys have it again?"

"Not yet, but we'll be there soon. We're working hard." liancheng yazhi said very seriously.

"Don't work so hard. Why are you in such a hurry to have a child? Yingluo, you already have one. Don't be so greedy."

you're not in a hurry, but I'm. I can't wait to have a son this year. Liancheng Yazhi was already starting to get anxious. He wanted to quickly give birth to a son and quickly raise him!

Feng nongtang looked at Liancheng Yazhi resentfully, feeling that this guy had completely embarked on the path of a stay-at-home dad.

When they arrived at the Liancheng old mansion, Liancheng Yazhi said to Feng nongtang before they got out of the car, " "Gu Hesheng gave Rong Yan An antique shop. If you want to buy any antiques in the future, you can help my wife with her business."

Feng nongtang's eyes widened in surprise. wow! Why is he spending so much money? "
