

Physician 1001

Chapter 1001

Han Yun and the middle-aged man appear, instantly let the tense atmosphere condense to the freezing point.

Yang mingnai, to many geniuses, has nothing but awe.

This kind of ancient great power is able to suppress a strong side between the wave!

In recent years, there are many legends about Han Yun.

Some people say that Han Yun is crazy.

Some people say that Han Yun has long since fallen. All this is just news released by the Han family in order to maintain their status.

Some people say that Han Yun has been shut down for thousands of years, and he has long been beyond the shackles of emperor's dignity! Step on the road to the highest.

All this is to welcome the arrival of the blood spirit clan in a year and a half later.

At the moment, when people see Han Yun, they can't check their accomplishments.

It's not just the emperor's realm!

Ji Siqing and ye Chen are also staring at Han Yun tightly. Their eyes are extremely serious.

If Han Yun hands, neither of them wants to survive.

Ji Siqing said in a soft voice: "watch the change. If Han Yun really wants to fight us, can you have a card to fight against?"

Ye Chen nodded: "yes."

"Well, once the situation changes, you and I will join hands! What we need to do is not to kill others, but to live. "

"In the face of such ancient strongmen, we have no choice. The process may be a mess, but to live to the end is an opportunity. "

At the moment, Han Yun's line of sight is falling on the gate.

It was bloody and shocking.

The corners of his mouth twitched slightly. It never occurred to me that someone would dare to have such a bad luck in his closed days!

An invisible anger swept over, the fury of the breath let the middle-aged men around them all have great changes in their faces.

His heart pounded. Before he left, he clearly let these talented disciples deal with it. How could it end up that so many powerful people could not get a free practice!

Damn it!

He could feel the storm coming down!

Han Yun stepped out step by step, the old body exudes a strong strength, angry voice to: "do you waste know what it means to destroy my door!"

"All kneel down! Die

The words fell, and the sound waves of destruction and decay spread out in all directions. The terrible air waves directly hit the spirits of everyone present!

Yang Ming, Zhou Yan, and even most of the people present spat out a mouthful of blood.

Who can bear the fury of emperor Zunjing!

The key is an ancient great power!

The power of the sound wave continues.

Yang Ming and others just feel that a huge mountain is coming down!

What a pain!

"Plop!"

Those talented students who used to be extremely proud, kneel down directly.

"Master Han, be merciful

Countless figures knelt down on their knees. They just showed their weakness in the face of the strong.

At the moment, Ji Siqing's mouth is also a trace of red blood.

She gathered the array and tried to resist, but found it impossible.

In the whole field, only three people did not kneel down!

Ye Chen! Ji Siqing! Ye Luo!

Ye Chen naturally feels the terrible sound wave. If he doesn't submit, the sound wave and pressure will kill people invisibly.

He took a look at Ji Siqing and ye lu'er around him. They supported hard, but their faces were pale to the extreme.

"Damn it!"

Han Yun see there are three people do not kneel, slightly surprised, immediately heart sneer.

Humble generation, the pride in the heart really think that can cover everything?

In his eyes, ye Chen and Ji Siqing are just for the self-esteem in their hearts.

"Are you sure you don't kneel?"

Han Yun's old voice sounded.

"Although your talent and strength are good, but if you really want to resist, the consequences will be very serious, your body and spirit will dissipate between heaven and earth."

"Besides, I don't like people going against me."

Han Yun's voice is full of no doubt.

This is his capital from ancient times to the present.

Ji Siqing frowns coldly. What she dislikes most in her life is this kind of elder!

Rely on the strong and bully the weak!

"Master Han, I've heard that you participated in the ancient war. I have always admired you. Even I have been practicing hard for so many years, and have always regarded you as an idol. But now I think, I am wrong, and it's ridiculous."

What's the difference between you and the rest of the blood

As soon as this word came out, people's faces changed greatly. Nobody could have imagined Ji Siqing talking to Han Yun with such an attitude.

Han Yun's anger, is not ordinary people can bear!

Sure enough, Han Yun looked at Ji Siqing's face changed!

"How dare you compare me with those beasts, even though you are such a small generation! I think you are tired of living! "In an instant, powerful momentum rushed out of Han Yun's body.

The huge wave surges in an instant, sweeping toward Ji Siqing.

Ji Siqing holds a thin sword. His momentum climbs to the extreme and wants to stop it. However, he bursts out a mouthful of blood. The whole person falls out heavily and is extremely embarrassed.

Bang

The whole body of Ji Siqing fell to the ground, and his internal organs seemed to be smashed.

A fight!

Just a fight, Ji Siqing not only did not resist, but also suffered heavy damage and restless Qi and blood under Han Yun's counterattack!

The gap between the two is already clear.

They are not practitioners at all levels.

"Ji Siqing, it's really too much different from Han Yun!"

"Ji Siqing is dead!"

"She is crazy. Why should she be so stubborn? With her talent and practicing for decades, it will be extremely terrifying! But for now, there is no doubt of death! "

Seeing this scene, all the people present were filled with joy, helplessness and even pity.

After all, Ji Siqing is a famous beauty in Kunlun Xu.

There are also some people who have some good feelings for Ji Siqing.

In this way, it is their own future.

"Little mole ant, but so!"

"I Han Yun doesn't like to kill women, but I don't mind erasing women like you!"

Just as Ji Siqing stood up with a hard support, Han Yun gently waved his arm, which was obviously not intended to give Ji Siqing a chance to breathe.

His eyes are full of disdain and contempt.

Ji Siqing? It's not a threat at all!

Suffering before death is often the most terrible punishment for a person.

"Ji Siqing, if you have any other moves, do it! That's not all you have

Looking at Ji Siqing, who gradually stands firm, Han Yun hums coldly.

He wants Ji Siqing to collapse in despair! Enjoy the fear of death in the midst of collapse.

Han Yun wants to trample Ji Siqing's face completely, he wants to tear Ji Siqing's self-esteem to pieces!

"If you apologize to me now, I may consider giving you a good way to die, at least give you a whole body."

Ji Siqing looks at Han Yun coldly. The pride in her heart is still there. She smiles.

"Ji Siqing has been practicing all my life, believing in Tao, believing in the strong, but I don't like you!"

Chapter 1002

Women are not inferior to men!

This is Ji Siqing!

The reason why Ji Siqing helped Ye Chen when he was the most depressed and helpless was that Ji Siqing saw his own shadow from ye Chen.

He is stubborn!

He doesn't admit defeat!

Even if you are injured, you should support yourself!

She thought that no one could shake her when she practiced to this state, but she didn't expect that when she met a real strong person, her strength was still not enough!

Now she wants to step into the Empire more than anyone else!

She also understood why the master tried every means to let her crazy breakthrough!

This world, still need strength!

"Don't you agree?"

Han Yun smiles.

"The world doesn't need your ant suit. Your existence will have no effect on a year and a half later!
Today, I will let you die

The next second, the fierce pressure like a giant beast towards Ji Siqing!

In their eyes, Ji Siqing will surely die!

Han Yun will never stop this time!

Ji Siqing looked at the huge beast gathering pressure and aura, and her veil had long been torn.

Show a beautiful face.

"Am I going to die?"

Ji Siqing knew that she could not resist the blow.

The real emperor's dignity and pressure.

I don't know how much better than master.

Maybe I shouldn't be here.

I don't know what happened to Jilin.

If I had an accident, would she be ok?

And ye Chen that boy, I'm afraid without my protection, will be bullied.

No, ye Chen is no longer the trash who was bullied at the beginning. He has grown up now.

It's just that I don't see the moment when this kid gets to the top.

Ji Siqing has a tear in his eyes.

She is still a little reluctant to part with the world.

At the critical moment, a light was reflected in her tears.

She saw a figure flash by!

Then, a young man with a mask was in front of her.

Ye Shitian!

She opened her mouth subconsciously!

Ye Shitian is very strong, but if you want to say that his strength and cultivation are still under him.

He's crazy!

I should bear it for myself!

So both of them are going to die!

"Ye Shitian, what are you doing! Go away

But the figure in front of him still did not move.

It's like a mountain.

Ye Chen turned his head. Under the mask, he winked at Ji Siqing: "you helped me just now. I'm not the kind of person who doesn't know how to repay gratitude. Now, I'll help you bear it!"

"But..."

Ye Chen smiles: "the power of Han Yun is nothing in my eyes."

Ji Siqing was stunned and shook his head helplessly.

She didn't expect that ye Shitian was still in the mood to joke at the last moment.

Han Yun's strike is enough to destroy them!

And Han Yun naturally saw Ye Chen's appearance, and he shook his head: "it seems that I want to be a pair of dead mandarin ducks. In this case, I will help you!"

Language down, the endless pressure of the beast, as if in two, toward Ye Chen crazy devour and go.

But at the moment Ye Chen is the feet do not move, is to close the eyes!

"Boom

Two giant beasts hit Ye Chen's body together!

It's splashing dust!

Cover everything!

The ground is even more cracked!

The sound of rolling is heard.

People saw this scene and fell into lamentation.

I didn't expect that the two Kunlun Xu figures will fall.

One was hailed as a gifted girl, the other was hailed as a nightmare of the family.

It's a pity.

However, Yang Ming and his disciples sneered: "what a fool! You shouldn't offend master Han if you offend anyone! It's just looking for death

A few seconds later, a breeze came.

The dust dissipated and all dust fell to the ground.

Then, when the picture is clear, the eyes of people's disappointment and regret suddenly widen!

They're staring at the central place!

Because they found that the two figures still exist!

Ye Chen and Ji Siqing both stand, one in front of the other.

And the whole body of two people has a golden barrier!

Above the barrier, the ancient lines spin and absorb all the power!

"No way! It's not dead! "

"This What happened just now

The crowd exclaimed!!'m absolutely scared!

This is the most powerful blow of Han Yun! You can still survive!

Ji Siqing slightly open mouth, beautiful eyes are full of confusion, dream she did not expect such a result.

I survived.

She stares at ye Shitian's back, don't know why, very familiar.

Even for a moment, she felt a sense of security that she had never felt in her life.

For the first time in many years, the calm heart had ripples.

"Ye Shitian, you..."

Ye Chen turned his head and said with a smile, "I said that the power of Han Yun is nothing to me."

"Now you should believe it. Now we are even. If you want Taigu Xushi pill, I will give you one."

"And I saw your sister some time ago."

Ji Siqing's eyes widened and his breath was short: "do you know where my sister is?"

Ye Chen nodded: "don't worry, she is very safe, at present, what you have to do is to live well, and then go to see her."

Ji Siqing's eyes are red, her eyes are staring at the man in front of her, her lips tremble, thousands of words finally turned into two words.

"Thank you."

For the second time in her life, she said thank you.

I gave it to Ye Chen once.

The second time is ye Shitian.

Her heart sigh, perhaps she and surname ye have fate.

At the moment, Han Yun in the distance is a strange expression. He looks at the barrier around Ye Chen and frowns tightly!

"This barrier Why do you have a sense of familiarity? It seems to come from the evil blood of the demon family What's the origin of this boy? "

Han Yun's surprise is normal!

Ye Chen's strength can't resist Han Yun's attack!

But someone can!

Xiao Huang!

Fortunately, Xiao Huang wakes up in the samsara cemetery! It is to release a force to cover Ye Chen's whole body, forming this barrier!

Han Yun stepped out, his hands behind him, seriously said: "boy, who are you?"

"Tell me, I can think about not killing you!"

Ye Chen didn't say anything, but Yang Ming said: "my Lord, don't do it. Can you notice that the blood on the gate is caused by Ye Shitian! The riot just now is also the cause of Ye Shitian

"This man must be killed!"

Han Yun Mou son shrinks, look at the middle-aged man beside him: "this matter but that boy does?"

The middle-aged man hesitated for a long time, or nodded: "indeed."

Yang Ming's heart is ecstatic, he is about to die Ye Chen!

Then, his ecstasy was quickly interrupted, and an invisible force controlled his body!

Next second, pull hard!

He was instantly sucked into Han Yun's palm!

Yang Ming felt the threat of death, and his face was pale: "my Lord, are you wrong? The blood on the door has nothing to do with me. Everything is that ye Shitian. What do you want me to do?"

Han Yun's eyes were cold: "I'm Han Yun. I don't need your advice! Die

Chapter 1003

Yang Ming's eyes are wide, full of panic!

He wanted to break free, but found it impossible!

"Don't --"

before finishing his words, Han Yun's strength suddenly shrinks, "bang!" A sound, Yang Ming as a pool of blood!

The dead can't die again!

The crowd took a breath and stepped back.

The pain is unbearable.

They shut their mouths and dare not even breathe.

Then, Han Yun's eyes again fell on Ye Chen's body: "all this, but you do it?"

"So what?"

Ye Chen's attitude has not changed at all!

He is not afraid of Han Yun!

There's Xiao Huang here! And blood seven nights!

What fear does he have!

Han Yun's eyes slightly narrowed, and then he burst into laughter. With a gentle wave of his arm, a gust of wind swept through the door, and the whole gate was directly turned into powder.

"I don't like other people's blood. I have a habit of cleanliness."

"I should have killed you, but now I have a little interest in you."

"Strong interest."

"If you can answer my question, I can let bygones be bygones! Even give you a chance. "

Han Yun is very clear that ye Chen's secret is more valuable than anything else!

Ye Chen just want to say what, reincarnation cemetery blood seven night's voice unexpectedly rings out.

"Boy, Han Yun still has some things to use. He knows too much about the blood spirit clan. There are some things that we can't say about the limitation of the reincarnation cemetery, but Han Yun can."

"Tell him a word..."

A stream of information appears in Ye Chen's mind.

He wrote it down in silence.

The corner of his mouth outlined a smile, and then he said to Ji Siqing and ye luo'er: "let's go in together."

Ji Siqing was stunned: "what do you say?"

Ye Chen doesn't explain, and goes directly to Han Yun!

Obviously, it is to enter Han Yun's residence!

This is a forbidden area!

Ye Luo Er's expression is also some wrong, she is too confused in the heart, but think of the master's account, she still followed up.

Ji Siqing hesitated for a long time. Although she didn't know ye Shitian, ye Shitian didn't seem to be a rash person.

She followed.

In the full view of the public, ye Chen with the second daughter stepped into it.

Those talented disciples around dare not breathe!

In their opinion, ye Shitian is crazy!

Absolutely crazy!

Not only ignore Han Yun, but also break into other people's residence!

Not only everyone does not understand, but also Han Yun and the middle-aged men do not understand!

Soon, ye Chen and Han Yun wipe shoulder, is leisurely step into one.

After a few seconds, Han Yun is the reaction over!

Be angry!

"Boy, you really think I can't kill you! No one is qualified to enter my territory! "

Hum

Under the anger, the surrounding ancient killing array suddenly formed!

It's like a divine light.

A melodious sound wave is spreading in all directions.

Just listen to the sound wave rush into the mind, straight into the Lingtai, concussion the spirit, as if to destroy the mind God.

Not only that, but also several virtual swords appeared above the sky, as if they were about to fall from the sky!

Kill everything!

Obviously, Han Yun is going to kill Ye Chen!

Don't even care about ye Chen's secret!

And ye Chen is still moving forward!

The sword array above the sky falls down directly. It seems that the power of destroying the withered and decaying can destroy everything!

"Boy, I don't need your secret. I'll leave it for me today!"

The fierce sword array is about to fall.

Block everything.

And ye Chen's step stops suddenly, his hands are negative behind him, a magnetic voice slowly falls down.

"In the land of the way of heaven, Taoism and Buddhism are natural. They are committed to the world, and what is the road.

The sky is vast, and the earth is boundless, so it is natural to have a little more.

Heaven furnace and earth fire, in order to refine the original heart, firm it, how afraid of thorns.

The road is not expected, to laugh at it, natural law, tolerance.

In order to obtain the true dharma, diligence is the first, wisdom is the foundation, and constancy is the foundation.

Instead of seeking immortality, I just ask the ID, honing the sun and the moon, searching up and down...
"

When these words fell, the sword array suddenly hung in the air.

Stop completely.

No one noticed Han Yun's expression.

It was an expression of extreme terror.

This poem, read in Ye Chen's mouth!

It seemed to awaken his dusty memory.

The memory from ancient times! He was sure that no ordinary person could know this poem!

Just because it was created by one of the great powers!

Only those who went to that place and witnessed the ancient wars knew it!

But he couldn't think of it. It would come out of a young man's mouth!

His body trembled and his eyes were red with excitement.

Han Yun side of the middle-aged man did not notice, he sacrificed a long sword!

"Master Han, this little beast, I will kill him for his provocation again and again!"

But the middle-aged man has not yet taken a step, Han Yun is a slap in the middle-aged man's shoulder!

Middle aged man's shoulder seems to be broken!

"Master Han, you are..."

When the middle-aged man was surprised, Han Yun suddenly walked towards Ye Chen quickly!

Is in the leaf behind the three meters stop!

Trembling voice: "little brother, you Who are you? Who sent you here! "

Ye Chen has been unhappy with Han Yun, he sneered: "are you sure you have the right to know?"

"I came to you today to save your face, but you tried to kill me again and again! You know what it costs to kill me

Ye Chen's voice rocked the sky, with boundless anger!

This time, he has the initiative!

As soon as this word comes out, the middle-aged man as well as many talents outside are completely frightened!

How dare Ye kill naivete!

It's definitely a gunshot!

Some of them even look at Ye Chen. In their opinion, this time, if they don't die again! That's the hell!

In the cold eye of everyone, what shocked everyone was that it happened.

Han Yun stepped back and said, "Mr. Ye, I really don't know your identity! If I had offended you just now! I'm willing to make amends! "

Han Yun can't fix Ye Chen.

At the moment, ye Chen is too mysterious for him!

He didn't dare to offend him!

Was he not the only one who survived the ancient war?

You know, in that group of people, he Han Yun is only a small one!

If he could survive, his action today would undoubtedly be to seek death!

So at this moment, his attitude changed 360 degrees!

Han Yun's words, that is not covered up at all!

But this transformation, for others, is too weird.

Mr. Ye?

In Han Yun's identity, how could he honor a young man in his twenties?

Who has seen an old guy who has lived for thousands of years to call a young man Mr!

All the people present took a breath of cold air!

Look at Ye Chen's eyes have changed.

Even Ji Siqing beside Ye Chen is also a delicate body trembling, the beautiful eyes fall on Ye Chen's body!

Only curiosity!

This ye Shitian has no background?

She doesn't believe it!

She even vaguely felt that the background of Ye Shitian was more terrible than anyone in Kunlun Xu!

Chapter 1004

From the beginning to the end, ye Chen did not look at Han Yun.

In his eyes, Han Yun is certainly admired by countless people.

The strength is even more powerful to the extreme.

But now what he has to do is eat Han Yun.

At least in the momentum to let Han Yun fear.

Han Yun can also feel the breath that ye Chen sends out. This breath is like a deity, which should not come from a young man at all.

He is more and more in awe of Ye Chen's identity.

"Mr. Ye, I'm willing to bear all the consequences!"

This is Han Yun's attitude.

No matter what identity Ye Chen is, at present, he can only try not to offend!

Even more dare not kill!

Although such behavior has made him lose face among these young people, his great ability does not care about the opinions of these young people at all.

Things in ancient times are the key.

Ye Chen turned around, looked at ye Luo'er and Ji Siqing, and said, "my two friends are hurt because of your sound wave and pressure. How can you bear it?"

Han Yun was stunned, hesitated for a few seconds, took out two pills and handed them to ye Luo'er: "this girl, these two pills should be able to recover your injuries and even strengthen your cultivation. They should be my apology to the girl."

Ye Luo'er glanced at the pill and recognized that the pill was qiangu huati pill.

This is an out of print pill in ancient times.

It's impossible for her to refine now!

Han Yun is so generous that he flatters himself with this pill.

This pill, not to mention its efficacy, is also of great research value to her. She takes a look at Ye Chen and sees Ye Chen nodding, which is to put the pill into storage space.

"I, ye Luo'er, are not small bellied people either. Since you sincerely admit your mistake, I don't care about villains."

Ye Chen:

Middle aged man:.... "

All of you

Although Han Yun is a little unhappy in his heart, he still smiles and doesn't speak.

Later, he went to Ji Siqing's side, because Ji Siqing's injury was more serious, after all, he suffered a very strong blow from him.

Han Yun takes out a jade pendant from his arms.

The jade pendant is extremely cold and warm.

"This jade pendant should be a compensation for the girl. I don't need to say more about the value of the jade pendant. You should be able to feel it, and it is suitable for your cultivation."

Ye Chen also noticed the jade pendant in Han Yun's hand. His eyes were slightly narrowed and he was surprised!

Good stuff!

The energy contained in this jade pendant is extremely powerful. If it is crushed and used for cultivation, the effect will be extremely terrible!

What's more, the attribute of the jade pendant and the true Qi in Ji Siqing's body are extremely suitable. It is simply the existence designed for Ji Siqing!

He can feel that there are too many treasures in Han Yun!

Ji Siqing doesn't talk nonsense. When her slender fingers close, the jade pendant appears in her palm!

"OK, I'll take it."

Han Yun exhaled his breath. He did not dare to offend the two women. He could only please them with valuable things.

Then, he looked at Ye Chen: "Mr. Ye, is this satisfactory?"

Originally thought Ye Chen would talk, but he did not expect Ye Chen to shake his head: "not satisfied, have you forgotten something?"

Han Yun twisted his brow into a character of Sichuan and said curiously, "what have you forgotten? I can't think of Mr. Ye, please

Ye Chen coldly hums: "don't you need to make amends to me?"

Hearing this, Han Yun almost fainted from the corner of his mouth!

You Ya's back has more powerful than me, don't forget to blackmail me!

Although scolding his mother in the heart, Han Yun still pondered for a few seconds, and finally took out a similar flying knife from his waist.

"Mr. Ye, you are not seriously injured, so it is unnecessary to give you something to heal and cultivate. There is a spirit of ancient great power in this Throwing Knife. Once the throwing knife is used, there is no false hair. At least it can kill a strong man in the early days of emperor's dignity. This is my most sincere thing."

A knife to kill the early emperor Zun!

When people heard these words, their breath became short!

This is too precious!

The key is that Han Yun gives this kind of thing casually!

Countless way envious eyes toward Ye Chen.

Even Han Yun side of the middle-aged man is also swallowing saliva, eyes red.

"What's the name of this throwing knife?"

Ye Chen pretends to be calm, but he is happy in his heart!

He is sure that the value of this throwing knife can definitely rank in the top five of Han Yun's body!

"Bloodthirsty breaking empty sword."

"Good."

Ye Chen took over the bloodthirsty broken virtual sword, and then he was thrown into the reincarnation cemetery!

He really loves blood for seven nights! Blood seven night simple poem, unexpectedly has such wonderful effect!

That's great!

Han Yun saw everything subsided. He coughed and said, "Mr. Ye, this is not the place to talk. If you don't go to the mansion with me, we'll have a chat."

Now for Han Yun, the most important thing is to find out the identity of Ye Chen!

"Good."

Ye Chen also has too many doubts in his heart.

Han Yun may have some answers to the samsara cemetery, the blood spirit clan, and even everything in ancient times.

Han Yun leads Ye Chen into the mansion, and the array is completely closed. Those talents outside look at the closed array and feel remorseful.

These days, they try every means to enter it, but they are not qualified!

But I didn't expect ye Shitian and Ji Siqing to go in!

Had known so, they must not hesitate to stand on the side of Ye Shitian!

The key is that countless people begin to wonder what kind of identity Ye Jingtian is!

In the past, their impression of Ye Shitian was only limited to the powerful, murderous demon.

Now they find that their understanding of Ye Shitian is only the tip of the iceberg!

It's not common to let Han Yun have such an attitude!

Even the xuye family of Kunlun is not qualified!

.....

The mansion in the array.

Because the main object of the chat was Ye Chen, Han Yun arranged Ji Siqing and ye luo'er in a spiritual cultivation room.

Ji Siqing and ye luo'er have no opinion. One of them wants to study pills and the other wants to absorb the energy of jade pendant.

As for men's topics, they are not interested at all.

Han Yun leads Ye Chen to a living room, which is antique.

Han Yun is quite mysterious to open all the arrays in the living room!

Their chat will not be monitored, even if the law of heaven is not qualified.

When everything was ready, Han Yun carefully looked at Ye Chen and said, "Mr. Ye, I always have some doubts in my heart. How did you know that poem? This is very important to me."

Ye Chen took a sip of tea and said slowly, "since you want to know, I'll tell you, it's the person behind me."

Hearing Ye Chen's affirmation, Han Yun is more and more excited!

So it is!

In ancient times, he was not the only one who survived from the blood spirit clan!

There is also a great power!

Chapter 1005

At the moment, Han Yun is like a little old man who gets a baby. He rubs his hands and blushes at the equator: "that Mr. Ye, I don't know if I can ask you the name of the elder. If it's inconvenient, it's OK. "

Ye Chen Mou son tiny MI, did not immediately answer, but asked about the reincarnation cemetery blood seven nights, when got the reply, ye Chen then slowly spit out a word: "blood."

Hearing the word "blood", Han Yun seems to have fallen into a long time of meditation!

Ten seconds later, he suddenly thought of something, his eyes widened!

Shortness of breath!

Because there was only one blood in that group of strong men!

Blood seven nights!

Blood seven nights is still alive!

At that time, Han Yun looked up to this great power!

This great power can suppress a mountain and river by waving his hand. It can even be said that it is a myth of the day!

Han Yun even felt a little lucky in his heart. Fortunately, his attitude was good just now!

If you offend the youth in front of you, the whole blood spirit secret place will no longer exist!

Not only that, the Han family will disappear!

Compared with him, blood seven night is not a level at all!

It's like the sun in the Milky way and a tiny speck of dust!

Suddenly, Han Yun thought of something and stood straight: "since Mr. Ye knows his blood predecessors, Mr. ye should know what will happen after a year and a half."

Ye Chen nods and the topic returns to the main topic.

"Of course I know, but the master didn't explain it too much. I just touched the surface of the blood spirit clan."

Han Yun heard the word master, look at Ye Chen's eyes more and more wrong.

He thought that the relationship between them was just ordinary, but he didn't expect that they were masters and apprentices!

It's no wonder that ye Shitian can resist his pressure.

If you give ye Shitian some more time, you may not be his opponent.

"Mr. Ye, the affairs of the blood spirit clan are extremely complicated. One and a half years is the final bottom line. For thousands of years, the blood spirit clan has regarded us as the mole ants of the lower plane. They enjoy the pleasure of hunting and even want to occupy this land of aura."

"Our waiting is our last stubbornness. If it wasn't for the ancient battle, it would have been the world of the blood spirit clan."

Ye Chen felt what he had touched and continued to ask: "what kind of existence is the blood spirit clan?"

Han Yun thought for a moment and shook his head: "in fact, it's no different from us. It's just that their environment is more suitable for cultivation, and their martial arts are more advanced."

"Let me tell you, in Kunlun void, the threshold of cultivation is almost the realm of emperor's respect, while for the blood spirit clan, the realm of emperor's respect is just a general state."

"The strong people there are so terrible that I still often dream of that picture, which is the shadow of my life."

"On the other hand, I want to escape from the reality! I've been looking for opportunities in the dark

"But after so many years, I find that everything is in vain. It is too difficult for the strong people of Kunlun to fight against the blood spirit clan. The key is that in the long run, those so-called top sects of Kunlun Xu, or the top powerful ones, are afraid to hear of Xueling and are only willing to surrender rather than fight."

"The biggest problem now is that Kunlun lacks a leader who dares to confront the leader of Xueling clan."

Ye Chen sees Han Yun looking at himself and waves his hand: "don't put any hat on me. I'm not interested in the affairs of the blood spirit clan. I just want to live a good life and protect the people around me. The death of others in Kunlun has nothing to do with me."

Han Yun heard this sentence, some lost, but also normal.

After all, the people who fight against the blood spirit clan are dead!

He lived alone.

Who wants to die.

Ye Chen took a sip of tea and said, "go on, you have dealt with the blood spirit clan for a long time. You should understand the weakness of the strong people of the blood spirit clan."

Han Yun sat down, five fingers pinch Jue, in an instant two people in front of the formation of a picture.

In the picture, the information of six people appears.

"Mr. Ye, we build this blood spirit secret place to fight against the blood spirit clan."

"These six people are the mice that we put here on purpose, just to study these people, know ourselves and know the enemy, and we are invincible."

"But I found that things were beyond our control. These six people turned the secret place of blood spirit into their power. We want to study it again. It's extremely difficult!"

"Even in this period of time, this group of people always want to leave here, once they leave, the consequences are unimaginable! Maybe Kunlun Xu's accident will aggravate. "

"What's more, this group of people has condensed their array around their lives, almost limiting the top-level existence like me! Or I can kill them in minutes! Now it seems that I can't kill them above the rules!"

"Not to mention getting something from them." Ye Chen is lost in thought, and things are more difficult than he imagined.

Han Yun saw Ye Chen so, and said, "but Mr. Ye, you don't have to worry. It's impossible for these people to leave in a short time."

"And, after so many years of research, I've found something."

"One of the six is the leader. The old man doesn't know his name, but I know what he looks like."

Han Yun gently waved his arm to the picture, and a portrait appeared.

He was a thin old man in black.

Although the black robe, but there is a fairyland, like an immortal.

"Mr. Ye, this guy controls a very strong power. I had a fight with this man in those years, and his power almost let me fall! Never underestimate it. "

"If you really want to know everything about the blood spirit clan, you must find a way to fight against the old man of the blood spirit clan."

"By the way, Mr. Ye, there have been some changes in these six people during this period of time, and one of them has fallen for some reason."

Ye Chen heard this sentence, the corner of his mouth outlined a smile: "the fall of that man is related to me."

Han Yun is stunned, the expression is frightful, he knows Ye Chen did not lie.

It seems that master Xue Qiye has given Ye Chen a lot of opportunities.

Ye Chen stood up and came to a chess board on the table. He said curiously, "where did the blood spirit clan come from? They always emphasize that Kunlun is low and the earth is a low plane. Is there any stronger martial arts?"

Han Yun nodded: "Mr. Ye, you are right, but there are some things that I hope I can understand until you step into the realm of emperor's respect. You are now entering the realm of virtual king. Knowing what does not belong to you is not good for your martial arts

"Good."

Ye Chen does not force, he has the answer in his heart, he is not stupid, from the reincarnation cemetery's powerful mouth has guessed one or two.

"I still have a doubt in my heart. Do you know the final whereabouts of those powers? After all, you went through that war. "

Chapter 1006

When Han Yun heard this question, his eyes were desolate, and he sighed: "Mr. Ye, I never mentioned this matter to anyone. In fact, I was not as strong as everyone said. At that time, I was just a deserter, a deserter who was not qualified to go to the battlefield. Over the years, I have been committed to fighting against the blood spirit clan, just to save myself."

"As for the great powers, before I left there, I knew that a lot of them were dead, and the picture was full of blood."

"It's disgusting to have so many bodies piled up."

"However, it's just most of the people, and a small number of them, seem to have been taken away by the blood spirit clan. They were injured. I vaguely remember that these people used array and chain technique. They struggled and their eyes were filled with anger."

"I am a little bit strange, blood seven night seems to be among them, maybe I am dazzled."

Hearing this, ye Chen looks excited to the extreme!

Those who survived in Han Yun's mouth were taken away!

This should be the existence before the construction of samsara cemetery!

As for why these people's gods will enter the samsara cemetery and turn into a tombstone, there must be a reason!

Something else must have happened after the group was taken away!

Han Yun felt Ye Chen's excitement, some strange, is it that these things, blood seven night master did not tell Ye Chen?

It's not scientific.

"Mr. Ye, it's a pity that after so many people died, only about 20 people survived. I don't know how the 20 people taken away by the blood spirit clan are now and whether they are still alive."

Han Yun's casual words, but as if in the heart of Ye Chen, such as thunder!

He suddenly stood up, grabbed Han Yun's clothes and said excitedly, "what did you say just now? Only about 20 people were taken away? Are you right? "

There are 100 tombstones in the samsara cemetery. Why did the war only take away more than 20 people?

No way!

Han Yun is completely frightened by Ye Chen. He thinks about it and shakes his head: "maybe 20 people, or 30 people. I forget the specific number, but it will never exceed 30! I'm still clear about this. "

"Mr. Ye, is there something wrong with this number?"

Ye Chen did not speak, forced himself to calm down.

Luo Yuntian, Chen Qingcang, slaying Daojun, Cang Haiping, Chen Tianli, Duan leiren, immortal Lord, Lin Qingxuan, Mo Ning'er, blood for seven nights.

Now ye Chen has seen the ten people of this samsara cemetery.

These ten people are definitely from Kunlun Xu.

Assuming that thirty people from Kunlun Xu were taken away, what is the origin of the remaining tombstones?

Not Kunlun Xu?

Where did it come from?

The plane where the blood spirit clan is located, or other places?

Ye Chen's current state is to feel what he has caught, but it dissipates.

The secret of samsara cemetery is far from simple.

Everything behind the power is like a sea, and ye Chen is just a boat in the sea.

Don't know thinking for a long time, ye Chen forced his emotions to stabilize.

Now the most important thing is the remaining five members of the blood spirit clan.

How can I look at the end of the game? You know the secret place of the blood spirit, and you hate the blood spirit family in your heart. Your answer is very important to me

Han Yun took a look at Ye Chen, almost with a new look.

Blood seven night's apprentice, means to heaven, calm, talent terror, chance against the sky, this kind of person, is the only possibility to fight against the blood spirit clan.

He picked up a sunspot and landed in the middle of the game.

It's surrounded by white.

"Mr. Ye, what we need to do now is to break the situation. Only by going deep into it can we control everything."

"But it's too dangerous. I don't recommend it. The strength of these powerful members of the blood spirit clan is almost in the emperor's realm. In addition, they are in control of the array. It's very difficult to kill them. "

Ye Chen looked at the encircled chessman and said confidently: "in this case, I will be a sunspot. I want to see how strong the remaining evils of the blood spirit clan are!"

Before his holy Kingdom, he is not qualified to fight!

Now he has stepped into the realm of virtual king, two whole realms!

He is not afraid of some magic weapons!

If we can make peace with Monin, the chance will be greater!

Han Yun knew that ye Chen's mind had been decided, but he did not dissuade him: "Mr. Ye, since you have already determined, I will not say much. You must pay attention to the strength of these people. Once the breath changes, you must run. The secret method of the blood spirit clan is very strange. If you are careless, you will surely die!"

"What's more, because of the limitation of my strength, I can't step into their territory and help Mr. Ye. But the girl named Ji Siqing, if she absorbs the energy of the jade pendant, should be able to help Mr. Ye. As for the other girl, she can stay in my array mansion, which is absolutely safe."

Ye Chen shook his head and refused. Ye Luo Er's body is flowing with the blood of the blood spirit clan. Her existence is more important than anyone else!

It may even be the key to kill the strong blood spirit clan!

He has to take it!

What's more, maybe the remaining evils of the blood spirit clan may know ye Luo'er's life experience!

"No, that man is very important to me."

Ye Chen Dao.

Han Yun a Zheng, just want to say what, suddenly a startling loud ring!

"Bang!"

The whole earth seemed to shake!

Han Yun slightly felt, instantly found what: "not good, is Miss Ji Siqing's practice place!"

Ye Chen's face changed slightly, and his body turned into a shadow!

Ji Siqing is so important to him!

No matter what, it can't happen.

When ye Chen and Han Yun arrived at the source of the explosion, they found that the whole training room exploded.

A golden column of light rose from the sky, with a strong Aura!

In the light column, you can't see everything clearly.

"How could that happen?" Ye Chen Dao.

Han Yun looked at the light column and patted his forehead: "Damn it! Mr. Ye, the jade pendant I gave Miss Ji should have been absorbed bit by bit, but miss Ji Siqing absorbed it all with her blood essence! How can she bear the power of the source state? "

"I'm afraid miss Ji in the light column is extremely dangerous. The strength here is not what he can bear now!"

Chapter 1007

Ye Chen's eyes were extremely serious. He looked at the light column and said, "what are you still doing! Not to save her! "

"Good."

Han Yun is no nonsense. He is really angry. He was just about to pass through the light column, but suddenly he thought of something and retreated back.

"How did you come back?" Ye Chen is not happy.

Han Yun hesitated: "well, Mr. Ye, judging from this energy, Miss Ji may not be well dressed. I hastily enter, which is not good..."

"Why don't you try Mr. Ye in?"

Ye Chen didn't expect things to be so troublesome, but the arrow had to be sent, and he directly rushed into the beam of light.

The strong sense of tearing almost made his body ache.

Fortunately, after penetrating the light column, everything inside is clear.

A huge pit appeared in the training room.

The pit cracked.

Ji Siqing's body sits cross legged, suspended in the pit, and the energy of the light column constantly penetrates into Ji Siqing's body.

Ji Siqing's face was pale to the extreme, and there was a trace of blood in the corner of his mouth.

Ye Chen sees this scene, some heartache.

The girl should know how terrible the energy of the jade pendant is, but she forcibly absorbs it!

Just want to become more powerful!

"Why do you need it?"

Ye Chen fingers Jue, just want to help Ji Siqing, but notice that Ji Siqing's clothes are almost torn.

There's only one pink bra around the chest.

The two arrogant things almost burst out!

It's too spectacular.

The key to such a wonderful figure, coupled with that beautiful face, that man can not heart.

"Poof!"

All of a sudden, Ji Siqing couldn't bear the energy in his body and vomited out a mouthful of blood!

Incomparably bright red, shocking.

Ye Chen thought of the purpose of entering here, and no longer hesitated. He sat cross legged and sat in front of Ji Siqing. He clapped his palm on Ye Chen's abdomen.

A warm current instantly entered Ji Siqing's body.

It seems to form a bridge.

This makes Ji Siqing feel better.

"Um ~"

Ji Siqing heard a groan. She felt that the power of the jade pendant was controlled by human beings, extracting her body bit by bit.

Her accomplishments began to climb.

Suddenly, she noticed something and her eyes opened!

Four eyes on each other!

It's like freezing air!

"Ye Shitian, why are you here?"

The cold voice resounds!

Ji Siqing, however, knew that there were some rags on his body, which could not cover his figure.

And ye Shitian's appearance here is no doubt a sight!

This is defilement to her!

Although she has a good sense of Ye Shitian, she is disappointed to the extreme.

She drew out the cold sword and just wanted to chop it towards Ye Chen. However, ye Chen said: "I am saving you. You think you can bear this power by yourself. If you don't have you, you may have died long ago! It's like returning your kindness. "

"As for your figure, it's not the first time I've seen it."

Ye Chen said casually, but subconsciously closed his mouth.

Ji Si Qing Mei Mou is full of doubt and anger: "what do you mean by that sentence just now? It seems that we have met for the first time. You have seen my figure

Ye Chen coughed awkwardly: "you misunderstood me. I mean I've heard others say that your figure is very good. Well, don't talk about it. The top priority is to quickly absorb the strength in it!"

"Good."

If you don't want to waste energy, it will be wasted.

With Ye Chen's control, the endless aura flows into Ji Siqing's body like a long river.

Ji Siqing's cultivation is constantly climbing, and his breath is also leaping to the extreme.

The peak of Daoyuan realm!

She wanted to try to cross the realm of emperor's respect, but found that every time she broke through the realm of emperor's respect, she was a little bit short of heat.

For a whole hour, Ji Siqing's strength has improved a lot, but he is still only half a step away from emperor Zun.

She needs an opportunity!

As the light column dissipated, ye Chen took off his clothes and directly cleaved on Ji Siqing's body: "put it on. Although you have not stepped into the emperor's dignity realm, your strength should not be much different from the first level of emperor's dignity realm. Emperor's dignity is a huge threshold, and it's very difficult to enter."

Ji Siqing glanced at the clothes he was wearing, and his heart was full of five flavors. Finally, he nodded and said, "I know."

She stood up and her face, which had been slightly red, suddenly returned to cold as if nothing had happened.

"Ye Jingtian, you didn't see anything just now."

"What's more, it's impossible between you. Don't try to put your feelings on me." "In the end, if you tell the story of today, I will kill you."

Ye Chen has long been accustomed to Ji Siqing's attitude, and this girl is such a cold feeling to people.

I don't know what kind of expression this girl will have when she knows she is Ye Chen.

After hesitating for a long time, ye Chen intends to have a showdown with Ji Siqing. At this time, the voice of the seventh night of reincarnation cemetery blood rings again.

"Boy, if you are good for the sake of this girl, keep the secret for the time being."

"I don't know about men and women, but I know a girl's heart eager to break through the emperor's respect for heaven."

"I can feel that there are still some opportunities waiting for this girl in the blood spirit secret state. Her mood can't fluctuate a little. As for the blood spirit secret state, whether the secret continues to protect depends on you."

Ye Chen will be in the heart of the intention or shelve.

Ji Siqing returns to the room arranged by Han Yun and takes off Ye Chen's casual clothes directly.

She changed into a long dress, and her figure was almost perfect.

Looking at the clothes on the dressing table, I do not know why, Ji Siqing's face climbed up a trace of red.

For some reason, Ji Siqing held out his hand, grasped the dress, and sniffed at the tip of his nose.

Her expression became more and more strange.

"Why is the taste of Ye Shitian so familiar?"

"How can this taste be so similar to that of Ye Chen?"

It was the first thought that came to her mind.

But soon, she shook her head. "It shouldn't be possible."

"Ye Chen is certainly transformed, but the gap is still too far. His practice time is too short, even if he awakens, it is too late."

"Boys are supposed to smell like this."

"I just don't know where ye Chen is now and how is his life? Since entering danxu tower, I have lost all news. "

"Ah, the gap between him and me is still too big. It's like a game. Ye Chen's qualification can only play simple mode, and this blood spirit secret place only belongs to senior players who choose difficult mode."

"Well, for now, we'd better try to get into the emperor's realm as soon as possible."

"Only when you step into the realm of emperor's respect, can you be qualified to face the matter one and a half years later. Anyway, I can't let Jilin and that boy have another accident. "

"What's more, before long, ye Chen will face Mr. Jingshui. If I don't improve my realm, ye Chen will surely die in the battle of life and death."

"This guy is good at everything. The only certainty is that he doesn't know how to behave and declare war blindly."

Chapter 1008

.....

Half an hour later.

Han Yun mansion.

Ye Luo'er and Ji Siqing gather in the hall.

Ye Chen looked at the two men and opened the door to see the mountain and said, "next, I'm going to a place to look for the blood spirit clan in the blood spirit secret place. It may be dangerous. What's your choice?"

Ye Luo'er said without hesitation: "where Mr. Ye goes, Luo'er will go. Besides, I hate the blood spirit clan. Although I am not strong enough, I can provide the best pill and healing elixir for Mr. Ye."

"Good."

Ye Chen nodded and then looked at Ji Siqing: "what about you?"

Ji Siqing did not immediately agree, but handed the clothes in his hand to Ye Chen: "although I don't know about the blood spirit clan, I have heard a lot of news outside this period of time. As far as I know, the strong members of the blood spirit clan in the secret realm are all Emperor Zun territory. Are you sure you want to take risks?"

"Your strength is in the Xuwang realm. Even if you can cross the level, the Daoyuan realm is also your peak killing limit. Emperor Zun territory is not simple. If you enter rashly, you will only seek death."

"Now, are you sure you want to enter?"

Ji Siqing's attitude is extremely indifferent.

Ye Chen nodded. He just wanted to explain something, but Ji Siqing said again, "OK, I'll go with you."

This sudden change shocked everyone.

As if afraid of Ye Chen, Ji Siqing said: "I just want to collect the corpse for you. Don't think about it."

Ye Chen is neither laughing nor crying. He knows this girl too well.

The surface is cold, but the heart is hot.

Whether it was to repay her kindness, or anything else, no one could stop her.

Three people have been determined, ye Chen is to find Han Yun: "that group of blood spirit clan exactly where?"

Han Yun is no nonsense, a palm clap, a huge moose traction a luxury car appeared outside.

"Mr. Ye, please get in the car. I'll show you in person."

Three people get on the car, the car aura around, luxury decoration, the key moose move, speed to the extreme.

All of a sudden, ye Chen thought of something and said to Han Yun, "can you take me to a place before going to the blood spirit clan?"

For now, he needs another helper, Monin.

After the combination of Mo Ning and Mo Ning'er, Mo Ning's strength should also be above the emperor's realm.

It would have been a lot easier with Monin.

Ye Chen told Han Yun where he had fallen, and won was driving the elk to quickly plunder in one direction.

Within half an hour, ye Chen returned to the place where he had been led off the cliff by Shizun.

The ground was devastated.

The atmosphere of battle still surged.

Ye Chen jumped out of the car, looked around a circle, but found ye Lingtian and moning are missing.

Logically speaking, Mo Ning should wait for him, ye Lingtian will not leave easily, is this period of time what happened?

Han Yun also noticed something and said, "Mr. Ye, there is something strange here. I can feel that the strong people of the blood spirit clan have come here, and there are more than one. Do you think Mr. Ye has friends here?"

Ye Chen Mou son tiny MI, he pour is don't feel blood spirit clan ability what Mo Ning.

After all, moning's current strength is the emperor's realm. Although it can't be said that he has the means, he is still qualified to escape.

All of a sudden, ye Chen Yu light noticed something. His cold eyes thought of a direction to shoot. He saw a branch with red cloth.

Ye Chen is familiar with the color of the cloth.

Monin.

The cloth was stained with blood.

Ye Chen Mou son congeals, grabs the cloth, lightly sniffs.

Then he pinched the secret with his fingers and tried to use the method of finding people, but he found that the method of finding people was too weak here.

After all, this is the secret place of blood spirit.

Han Yun noticed the loss of Ye Chen's eyes and looked at the cloth in Ye Chen's hand and said, "Mr. Ye, do you want to find the owner of this cloth?"

"Yes, you have a way?"

Ye Chen looks at Han Yun. Han Yun, as the same existence as the ancient great power, is not so terrible, but it should not be underestimated.

There is no way to find their own way, does not mean that Han Yun has no way!

Han Yun reached out his hand, took the red cloth in Ye Chen's hand, and said, "Mr. Ye, things are not as complicated as you think. There is a small amount of blood in the cloth. In addition to some energy trends in the blood spirit secret place, I can still find the owner of the cloth with some arrays."

"It's just a waste of some accomplishments. After all, these guys are hiding here with arrays."

Ye Chen looked at Han Yun and arched his hand and said, "there is Lao Han senior."

Han Yun is no nonsense, five fingers open, instant force out a drop of blood essence, his mouth is constantly reciting the incantation.

All of a sudden, the finger that forces blood essence begins to pinch Jue, the speed is faster and faster, and finally it is like an illusion. Around, the wind is blowing, the whole world is dark.

Ye Chen can feel the power in the blood essence is extremely terrible.

This skill is more advanced than Daodao search!

Han Yun seems to be aware that ye Chen is interested in this technique. He pinches the formula and asks, "Mr. Ye, do you want to practice this technique?"

Ye Chen nods.

Han Yun's mouth showed a smile: "since Mr. Ye wants to learn it, I'll teach you once. This skill is called searching for God and blood spirit formula. I learned it in that place. It has a great effect on the energy of the blood spirit secret state. However, this skill may have an impact on Cultivation and blood essence..."

Han Yun said, is a point out, a ray of light into Ye Chen's eyebrows.

The powerful flow of information flows in, and ye Chen instantly understands the power of Han Yun's technique.

At the same time, Han's blood is floating in the sky.

It hit the red fabric directly.

The next second, the red cloth is covered with blood essence, and the blood essence disperses and condenses into a bloody Phoenix.

With the cloth in his mouth, the Phoenix swept away in a direction.

Mr. Ye, get in the car

"Good!"

.....

An hour later, the blood essence Phoenix slowly stopped.

There is no way to go.

There was only one wall like a mountain.

There is an old writing engraved on the wall.

Vaguely, there was a glimmer of blood.

Han Yun's face changed slightly when he saw the text: "Mr. Ye, I can only send you here. According to the skill, your friend must be in it, but this is the territory of the blood spirit clan. It's very dangerous for him to enter so rashly."

"As for the wall, it's like an isolation array. It's very difficult to break it, and I don't have many ways."

"It's up to Mr. Ye."

Finish saying, Han Yun is quickly toward the outside, as if there is something terrible to come.

Ye Chen even saw a touch of fear from Han Yun's eyes!

Deep fear!

Ji Siqing curiously came to the wall and stretched out his hand. His five fingers touched the wall.

The next second, a terrible force came!

Chapter 1009

Ji Siqing's face changed slightly and his body flew out in an instant!

Fortunately, ye Chen appeared behind her, buffering most of her strength.

"Thank you. This wall is a little strange. I have never seen the strength in it

Think of a clear eyebrow.

Then she offered a sword of ice and closed her eyes.

All over the body snow, ice bursts.

The strong sword will be displayed, and the temperature of the whole world will solidify!

The meaning of the sword in her hand was instantly transformed into ten thousand feet, and she did not hesitate to chop towards the wall.

Ye Chen sees this scene, in the heart is slightly frightened.

Is this the strongest power of Ji Siqing!

Almost as good as emperor Zunjing!

This kind of power erupts at the peak of daoyuanjing, which is definitely the strongest young generation in Kunlun.

Unfortunately, even if Ji Siqing broke out such a blow and landed on the ancient rune, there was still no wave on the wall.

Not even a single line or ripple.

It absorbed the power of Ji Siqing.

Ji Siqing shook his head, took back his sword, and sighed, "I have no way. I'm afraid it's very difficult for us to enter. I don't know why Han Yun left in a hurry. Why didn't he try?"

"Ye Shitian, let's go. If we really attract those guys out, it will be serious."

Ji Siqing is not afraid, but Han Yun's appearance of leaving is too strange.

Whether Han Yun is an enemy or a friend is uncertain.

She can feel that the change of Han Yun's attitude towards them is due to ye Shitian's identity.

Without this identity, they would be dead.

Ye Chen naturally can't leave at this point, since Mo Ning enters, he can also enter naturally.

he took out as like as two peas of nine days, and used the power of divine thunder and the power of blood dragon, but found that he was exactly the same as Ji Siqing's.

The array of the wall seems to absorb everything in the world.

Ye Chen was troubled: "what should I do? Is it really impossible to enter? "

When Han Yun and Ji Siqing were worried, ye lu'o'er's voice suddenly rang out:

"Mr. Ye, I want to try."

Ji Siqing was stunned. She had already seen that ye lu'o'er's strength was just the holy kingdom.

Ji Siqing doesn't even know how a girl with such strength enters.

However, with the protection of Ye Shitian, it's normal to live up to now.

She wants to dissuade something, but ye Chen's attitude is opposite. Ye Chen grabs ye lu'o'er's hand: "lu'o'er, do you really want to try? I have an intuition in my heart that only you can open it

Ye Luo Er smiles: "Mr. Ye, wait till I open it."

Words fall, ye Luo Er is to come to the wall in front of her, she glanced at the above text, the heart of familiarity swept, and then, he forced out a drop of blood essence.

The blood essence falls directly on the wall.

This time, no absorption!

Ten seconds of silence.

Ten seconds later, suddenly! The whole ground is shaking!

The text on the wall is even more distorted!

Even began to crack!

"This is..."

Ji Siqing's eyes widened. She never thought that the power of the Saint King's boundary girl was really useful!

What is the identity of this girl.

I saw the twisted ancient words with bursts of blood, into a towering sword meaning.

The sword idea seems to have been provoked, and the cold feeling falls directly on ye Luo'er.

Ye Luo Er's expression is ferocious, even a little uncomfortable.

"Mr. Ye, my strength can only make me achieve this step. Next, you need to destroy the sword meaning with the sword intention, otherwise the consequences will be very troublesome!"

Ye Chen nodded and condensed a sword in his hand.

Close your eyes.

It is in front of Ye Luo Er's body.

In a flash, the strong sword power of the array! Into countless shadows, full of Ye Chen's line of sight.

Sword spirit!

This is a world of swords.

I don't know how terrible it is!

Ye Chen closed his eyes, facing the sword Qi, ye Chen devoted himself to the world.

Time goes by.

Maybe it's been a day? Or maybe three days? Ten days? Or a year

Ye Chen almost ignored the existence of time.

This is a sword array. The sword spirit is vertical and horizontal, covering the sky and the earth!

In this sword array, ye Chen feels the potential!

Yes, it's momentum! Sword power!

A swordsman and a sword immortal can determine how powerful his strength is.

Sword posture is the core of a sword.

How terrifying is it that this sword power can be kept up to now? As if between, among Ye Chen's blood, spreads a trace of palpitation.

In the deepest part of the body, something seems to be awakening!

As time goes by, ye Chen seems to have turned into a stone carving, motionless.

At last, he seemed to have caught something.

Only by cultivating one's own potential, can one go further and achieve more in kendo!

No longer want to, ye Chen eyes suddenly open!

The cold light from those eyes seemed to tear the sky.

Ji Siqing saw Ye Chen's eyes, subconsciously stepped back.

At the moment, the feeling of this guy is even more terrible than the master!

How could it be!

What's more, he found that the man's eyes were so familiar!

"Ye Chen seems to have had the same situation at the beginning. Is it a coincidence or is there a huge secret under the mask?"

Ye Chen at the moment does not know.

A smile gradually appeared on the corner of his mouth.

This is a kind of confidence in the meaning of the sword.

His momentum in this moment, rising!

The wind danced and the leaves whirled around.

It's very impressive!

Every gust of wind seems like a sword.

"Break it for me!"

Suddenly, a long whistling sound came from ye Chen's mouth.

Boom

The whole earth vibrates faintly.

Ye Chen's momentum, in this moment, climbed to the extreme.

At this moment, ye Chen's momentum, compared with before, is more than a little stronger?

That momentum spread, the wind swept, where the mountains and rivers changed color, vegetation withered!

The cold wind is sweeping like a sword, with Ye Chen as the center. It's a hundred meters round and there's no grass!

Brush

The cold light in the hand flashed, and the sword idea came out of the body.

The cold light flashed by, and the sword spirit was rampant. The shadow of the sword was so fast that people could not see it clearly. Set off the gusts of wind, such as the world howling!

In an instant, it collided with the sword of that array!

Tear it on the spot!

Then, the whole wall was torn on the spot!

An open land suddenly appears in front of you!

This is where the strong members of the blood spirit clan have been living!

And the remaining five strong are among them!

Ye Chen outlines a smile at the corner of his mouth and puts away his sword!

"Go

Three figures, instantly into it.

At the same time, in an ancient stone chamber.

An old man with immortal character and blood all over his body suddenly opened his eyes!

A mouthful of purplish blood essence spits out!

Blood gradually stained on the wall, shocking!

"No, someone broke the array again!"

"Who is this time! Is that the woman in red? " Another strong member of the blood spirit clan.

The pale face, spitting blood of the old man shook his head, eyes were covered by anger!

The sound of his roar rang through in an instant!

"It's not the woman in red, it's the young man who was covered by the mist of blood!"

"He He's coming to the door

Chapter 1010

"Who are you talking about? Who killed the door? "

An old man of the blood spirit clan was surprised.

The old man obviously didn't pay attention to each other's plan, but looked at one of them with burning eyes and said excitedly, "what should I do?"

"It is very likely that the youth, who are covered in the mist of blood, will be harmful to our blood spirit clan."

"One of the six of us has already fallen. If something happens again, those adults will not see us after a year and a half!"

The old man's tone was very quick.

There was even some fear.

It's a fear of the unknown.

They have never been so afraid of a person in these years. The appearance of the key young man is too strange.

The most horrible old man stepped out and said, "since he came to our place, let's go for a meeting. No matter what the origin of this person is, it may be a danger to us."

"It's more likely to be a chance!"

"What's more, I feel that the power of opening that array this time is a bit strange. This feeling is like a power of the blood spirit clan."

When they heard this, their expressions froze.

You're kidding!

If this young man really has the power and blood of the blood spirit clan, how can he fight against them!

"Well, maybe I haven't had a good rest recently. I've been hallucinating. Now, what we have to do is nip the threat in the cradle

Hearing this, several old people looked at each other and nodded in agreement.

"The four of you are guarding four places in the southeast, northwest and northwest respectively, while I am waiting at the center of the array. Once I find the young man or the woman in red, I will kill him directly. I can't hesitate for a moment."

"Good!"

Four figures in an instant toward the southeast, northwest and four directions.

After the four figures dissipated, the old man opened the door of the stone chamber and came to another space.

The space is dark and airtight.

The old man hesitated for a few seconds, closed his eyes and drew a rune in front of him.

In a flash, the whole world was on.

The space is like the stars and the Milky way.

Bright central place, more suspended in a luminous crystal.

When the old man saw the crystal stone, he had a long beard. He opened his fingers and held the luminous crystal in his hand.

Countless lights bloom around the old man.

If ye Chen is here, he will surely find that this light is the light in the reincarnation cemetery!

"This is the only thing left for the five of us to turn over. Even if the young man and the woman in red destroyed everything, as long as I hold this thing, everything will be under my feet!"

.....

At the same time, in a cave.

The bonfire was on.

Ye Lingtian cross legs around the fire, the wound is gradually healing.

A girl in red stood at the entrance of the cave, looking out into the distance.

I don't know what I'm thinking.

Ye Lingtian opens his eyes and falls on the girl in red.

The pupil shrinks.

These days, he followed the woman in red to look for ye Chen. He was shocked.

He didn't expect that mornin was so terrible now!

Not only that, moning with him these days, his strength is advancing by leaps and bounds!

Now, it's really incredible that we have to cross from the virtual King realm to the Daoyuan realm.

Suddenly, Monin seemed to notice something and turned around.

"Recovered?"

Ye Lingtian stood up and cautiously said, "yes, Miss mo."

Monin's mouth outlined a curve, the arm gently waved, the flame directly extinguished.

"Now that you are well, come out with me."

"Still out there?"

Ye Lingtian's expression is a little afraid. After all, these days are a nightmare for him.

Who could have thought that he would face the powerful emperor of the blood spirit clan!

Many times, if it wasn't for moning, he wouldn't have seen the Lord!

He didn't say that because he was afraid of death. He had a principle.

Even if we fear death, we should fight for the Lord!

"Don't be afraid. This is the person you want to see most."

Ye Lingtian was stunned and immediately thought of something. His face was beaming: "Miss Mo, you mean the hall master? The Lord is here, isn't he? "

Monin didn't answer. With a step, he fell down from the cave.

The red dress dances like a fairy falling to the earth.

Ye Lingtian doesn't talk nonsense, and quickly follows up.

His present state, combined with moning's skills these days, can barely follow!

.....

At the same time, ye Chen, Ji Siqing and others came to it thoroughly."It's very rich aura, but there are some differences between this aura and our cultivation. Of course, we can still absorb it. Unfortunately, it's not very suitable. Is it possible that these auras are the existence of the blood spirit family?"

Ji Siqing closed his eyes and felt slightly.

Ye Chen is naturally the same, but he is not too resistant to these auras because of the samsara cemetery.

He could feel the blood dragon in his body as if he had seen some treasure and was plundering crazily.

Ye Chen thought that what he plundered in his body had been exaggerated, but soon, he noticed something, and his eyes suddenly turned to ye lu'o'er beside him.

At the moment, ye lu'o'er, with white lips and trembling body, is very weak.

Countless auras were pouring into yelol's body.

Almost crazy.

Obviously, yelor, as a member of the blood spirit clan, is extremely attracted to these auras.

But these auras are prepared for the emperor to respect the strong! Ye Luo'er is in the realm of emperor's respect. How can he bear it.

"Mr. Ye..."

Ye Luo'er held Ye Chen's arm with a soft hand, closed her eyes, and fainted.

Ye Chen no longer hesitates, pointing at Ye Luo'er's eyebrows.

This finger seems to be a bridge to communicate everything! That furious aura is instantly absorbed by the blood dragon in Ye Chen's body.

But if it goes on like this, it's not a problem.

Ye Chen can't help Ye Luo'er absorb all the time!

Ji Siqing came to the two people and frowned: "Ye Shitian, what is the origin of this little girl around you? Why does the aura here seem to be born for her? I have to doubt whether she is a member of the blood spirit clan."

The last sentence is just a joke by Ji Siqing, but Ye Chen can't help shrinking his eyes. He explains: "Maybe because Ye Luo'er has a special constitution, she doesn't like to practice, but she takes all kinds of natural materials and earth treasures from the blood spirit secret realm all the year round. Moreover, her cultivation is too low to bear the damage of these auras."

Ji Siqing nodded vaguely: "Yes, but you can't last a lifetime if you help her bear the damage like this. Otherwise, take her outside directly. Elder Han Yun should not be far away from here. Letting him take care of Ye Luo'er may be the best solution. Think for yourself."
