

## Physician 111

### Chapter 111

Chu shuran heard the four words "come to the car again", her eyes shrunk slightly.

She is really afraid of these words.

Is it hard to say that the top figures in Jiangcheng will come to support Tianzheng Group?

Who else can be more terrifying than the previous few?

She subconsciously looked at it. It was a long Lincoln.

But the license plate is South a23660, indicating that it comes from Jiangnan province!

Is it a big figure in Jiangnan province?

Tianzheng Group has affected Jiangnan province. Why!

Her body trembled.

However, lengthening Lincoln did not drive to Tianzheng Group, but stopped far away.

The driver opened the door carefully and a woman stepped out of the car.

She looks elegant and looks like a pair of black shoes!

When saw this woman, Chu shuran's eyes appeared a little surprise!

Because this woman is the real existence of Tianzheng Group!

It is also the first one to stand up against Tianzheng Group!

The four families in Jiangcheng blocked Tianzheng Group just to please this woman!

Because behind this woman stands the whole Xia family! Her attitude is that of Xia family in Jiangnan province!

In front of this powerful woman, what is the leader of Jiangcheng? What's the rudder? What's even that military district?

One side of Zhao Youcheng looked at the woman in surprise and said curiously, "Miss Chu, who is this woman? Why doesn't she go to Tianzheng Group?"

Chu shuran gave a cold smile and explained, "that woman represents the Xia family in Jiangnan province! Who do you think she is! With her appearance, even those two leaders have to weigh whether to continue to stand in the side of Tianzheng Group! There's going to be a good show. "

Zhao Youcheng suddenly realized that the original hanging heart also fell down.

Far away.

Xia Mu got out of the car and looked at the past from a distance. When she saw Maybach and the military vehicle, as well as some flower baskets visited at the door, she frowned slightly.

When she heard that someone dared to disobey her meaning and support Tianzheng Group, she couldn't help coming to have a look.

I didn't expect that the military power behind Tianzheng Group was still involved.

"Have you found out?" Xia's mother asked a middle-aged man beside him.

The middle-aged man nodded and explained: "at present, Tianzheng Group is the rudder master of Yuhao club, the two leaders of Jiangcheng, and Luo Zhengguo with military background. There are rumors that Nanjiang King stands behind the rudder master. Behind Luo Zhengguo is Bai Lixiong, commander-in-chief of the military region.

I just don't know if it's the meaning of the people behind them

Xia's mother frowned and sneered: "nanjiangwang and bailixiong both know that it is impossible for them to intervene in the opening of small Jiangcheng enterprises, and ye Chen and Shen Haihua are not qualified to contact these two people! However, Tianzheng Group has some ability to let the rudder master and Luo Zhengguo come to the stage. I underestimate Ye Chen... "

"But if you dare to disobey the meaning of my family, you have to pay some price. The rudder Lord and Luo Zhengguo are not very active, but the two leaders in Jiangcheng It's time to retire when I'm almost old You'll get in touch with them later... "

"Yes, ma'am."

"By the way, what's the matter with you?" Summer mother road.

"Ready, in the car."

Xia's mother nodded and went to Tianzheng Group: "take it with you. It's so lively that we can celebrate for Tianzheng Group."

.....

Tianzheng Group here, Xia Ruoxue's mood is like riding a roller coaster, ups and downs.

Her beautiful eyes have been staring at Ye Chen curiously.

She thought the rudder master was Ye Chen's biggest card, but she didn't expect that ye Chen could even invite the leaders of Jiangcheng and the people of the military region!

Although I don't know how this man did it, she has been greatly surprised.

Suddenly, Xia Ruoxue's face changed!

She saw her mother coming slowly towards this side. The servant behind her mother was holding a small sculpture!

It is strange that sculpture is a good (loose) money boy!

Where has the practice to send loose money boy's ah!

This is a big taboo in Fengshui. It indicates that enterprises can't gather wealth, only disperse wealth!

She was shaking with anger! How could a mother do this!

The rest of them noticed that their faces were rather ugly, but they knew the identity of the woman and did not dare to make the slightest mistake!

Ye Chen's eyes and eyes shrink slightly, and there is a funny smile in the corner of his mouth.

It seems that Xia Ruoxue's mother really hates herself. Is it because she destroyed the marriage of Xia family?

After a while, Xia's mother had already come to Ye Chen's face and told her servants to put the statue at the door. Then she came to Ye Chen, raised her head and said, "Mr. Ye is really young and promising. Today, I don't know why. After going to several flower shops, there are no flower baskets, so she just gave up my favorite good fortune boy to Mr. Ye I hope this boy can make Tianzheng Group's financial resources roll on..." "Mother! You are so mean Summer if snow really can't help, indignant way.

Xia's mother's face changed slightly. She took a look at Xia Ruo Xue and said, "do you still have Xia family in your eyes! It's even against Xia's intention to stand on the side of outsiders

Then she looked at Sun Yi and said in a cold voice, "director Sun, it's working time now. As the director of Huamei group, you actually appear here! You know what it means? Starting tomorrow, you don't have to go to Huamei group! "

Sun Yi looks pale. She knew the ending would be like this, but she didn't regret it! She's really pissed off!

She glared at Xia's mother, threw out a resignation letter from her pocket, and said seriously: "quit on resignation! I don't care for your enterprise of Xia family! "

Xia's mother saw a little girl who dared to talk to her. Just as she wanted to let the people around her do it, ye Chen blocked Sun Yi's face, and her cold voice rang out: "you dare to move her and try it! I don't mind letting you disappear completely. "

This word a, Xia mother was shaken back several steps, the heart is also plopping the fierce.

The two masters behind her dare not move!

It's not the same level at all!

"How could you..."

Summer mother just want to talk, suddenly, the crowd outside a burst of noise, completely interrupted her mind!

She turned her head and saw a Bentley luxury business car coming slowly!

She sneered, Bentley business car, a group of ignorant bumpkin.

But soon, her smile stiffened.

Because she saw the license plate!

She finally understood why there was such a stir!

The license plate is South a88888!

"This license plate..."

Summer mother mouth slightly open, eyes stare to the extreme!

Looking at Jiangnan Province, this license plate is enough to be called the top license plate!

The key is that money can't get it! This must be the top power in Jiangnan province!

The identity behind the estimate can frighten people to death!

She vaguely remembered that the Jiangnan provincial government seemed to give the license plate to a family.

As for which family it was, she couldn't remember, many years ago.

The Bentley finally stopped.

The door opened and a burly middle-aged man came down with two exquisite flower baskets in his hand!

When you see this man, ye Chen's xiaruosheton looks pale! Chest is also slightly undulating!

She knows this man!

A few years ago, a banquet, this person's anger, directly let Jiangnan province political arena earthquake!

Because he is Zhou Fulu!

Zhou Fulu, political commissar of Jiangnan province!

Chapter 112

Summer snow eyes to see ye Chen, found Ye Chen from the beginning and end of a little expression has no!

It's like a man who's okay!

Can't this guy give a little reaction!

What to say, also want to give zhoufulu some face!

Even the rudder behind him was staring out of his eyes!

Xia Ruoxue snow can no longer bear, extend show hand in Ye Chen's waist poked.

"How do you know Zhoufulu?"

Ye Chen shrugged, light way: "originally this grumpy call Zhoufulu, last time almost fight up."

Summer Ruoxue is shocked, look at Ye Chen look like a fool!

Zhoufulu is a grumpy, right!

But this guy and Zhou Fulu almost fight?

What a joke!

Who dare to do it with Zhoufulu in the whole Jiangnan province? It's not possible to find death!

In fact, Ye Chen heart at first was also some unexpected, after all, in the hospital and this week of fluo conflict.

He has learned about the other party's temper.

But how did he turn around to give him a basket today?

Is it his dad's meaning?

Ye Chen saw a smile of Summer Mother almost petrified, and knew that the identity of Zhoufulu was absolutely different!

Tianzheng Group door.

Zhou Fulu just intended to put the flower basket on both sides, and noticed the good fortune boy that Summer Mother sent out.

He suddenly had a little wrong face.

I'm going to open the business and send this thing. This is the fucking thing.

Soon, he saw a middle-aged man next to him, his eyes were a little flustered, obviously related to him.

He put the basket aside and walked straight towards the middle-aged man.

"This thing, you sent it?"

How dare the middle-aged man speak!

Lower your head, and just pretend to be unheard!

"Deaf?"

Zhou Fulu snorted coldly, and his identity was not about to start with such a person, and threatened directly: "I will give you three seconds. If you don't take it, I promise you to understand what my Zhou family means in Jiangnan province."

Zhoufulu is very clear, dare to send this thing to Tianzheng Group in front of two Jiangcheng Municipal Committee, and its identity is absolutely not low!

"One, two..."

Zhou Fulu has not said three, the middle-aged man rushed to the past, directly picked up the good fortune children, dead in the arms!

He is very clear, he is only Xia family next person, if Zhou family wants to deal with him, Xia family will certainly abandon him without hesitation!

He can only rely on himself!

"Madam..."

After all this, the middle-aged man looked to Xia Mu and asked for help.

"Put down the things, can I take back the things I sent from the summer house?"

Summer mother also from shock to slow God, the cold voice is sounded!

Although she did not know why Zhoufulu would appear here, but at present, has nothing to do with the Xia family and Tianzheng Group's enmity!

But Jiangnan Province Xia family and Zhou family's enmity!

Zhoufulu saw this to notice Xia mu, smiling: "Yo, isn't this Mrs Xia? What wind blew you? Oh, look at my brain. Yesterday it seems that Xia family was the first to stand out and kill Tianzheng Group

Xia Mu's face was a little wrong, and she said in a cold voice, "why do you wade into this muddy water, Zhoufulu! This is my grudge with Tianzheng Group. Are you sure you want to take the hand? Xia family and Zhou family have established such a friendship for many years may be destroyed by you. Do you know what the consequences are?"

Besides, others fear you Zhoufulu. I am not afraid of Xia family! "

Zhoufulu looked at Ye Chen and said to Xia mother: "Xia family is also a big family in Jiangnan province. It's ridiculous to come to such a small place to make people difficult! The faces of the big families in Jiangnan province are all lost by your woman! "

Hear this sentence, summer mother whole person angry!

She had heard of Zhou Fulu as a crazy person before, but she didn't expect to be so crazy!

"Zhoufulu, you'd better understand the seriousness of the matter! Now the position of the head of Zhou family is not you! You have no right to represent Zhou's family! And I came to Jiangcheng this time, every decision I made was the current head of Xia family, which my husband allowed himself! "

Summer mother's voice is completely cold, but also to the middle-aged man in the distance: "put things down! You are Xia family, you should listen to me! No one else is qualified to threaten you! Remember, summer is responsible for everything that happens! "

The middle-aged man really wants to collapse. When the lady talks about this, he can only make it!

He just planned to put down the good fortune boy, and a very moderate voice came from a distance:

Fu Lu has no right to represent Zhou family, so I am

Summer mother heard this voice, body trembling, eyes are filled with a bit of flustered.

"Impossible..." It seemed that a voice roared in her heart.

She turned her neck stiff and soon noticed that an old man in a mid mountain dress was walking step by step! Almost instantly, her face turned pale to the extreme!

Suddenly, the old man was just like a heavy hammer, which split her heart.

Zhou Zhengde!

Zhou clan leader!

Once the great master of the Anti Japanese War of China!

How could it be here!

And the other side's attitude is very obvious! It means that Zhou family should stand on the side of Tianzheng Group!

Why!

Who can tell her why!

Why the Zhou family would rather break up with the Xia family and stand behind a young man who was exterminated!

"Old Zhou..." Summer mother can only respectfully said.

Unless her husband is here, she has no right to show any disrespect to the old man in front of her.

She is just a woman. In front of Zhou Zhengde, who really established the foundation of Zhou family, she has no voice at all.

When Zhou Zhengde passed by Xia's mother, he stopped deliberately and said in a positive voice: "Ye Chen is my little friend. If you want to embarrass him, hum! The Zhou family doesn't mind fighting with your Xia family! I just hope that Xia Hongye behind you has the courage to make such a decision! "

Threat!

A naked threat!

"Bang!"

Xia's mother only felt a sense of pressure towards themselves!

This is Zhou Zhengde's prestige in the battlefield and political arena for decades!

Can a woman bear it!

Her face was so pale that she had no right to refute!

A few seconds later, "let's go back to the villa." Summer mother's tired voice rang out.

She won't take it!

But what can happen!

Jiangcheng municipal Party committee, rudder Lord, soldiers, she Xia family are not afraid!

Only the Zhou family! As a last resort, her husband Xia Hongye won't let the Xia family take risks!

How about the economic strength of Xia family!

Several of Zhou Zhengde's students and subordinates even work in the central government of Beijing!

How can businessmen fight against the Zhou family, who has great influence in the political arena!

Zhou Zhengde launched Weilai, which may destroy everything of Xia family!

Before Xia's mother left a few steps, she heard Zhou Zhengde's voice ring out again: "Mr. Ye..."

She almost stumbled and fell to the ground!

The key is that Zhou Zhengde's voice sounds respectful!

It's quite different from the way she spoke to her just now!

Also known as Mr. Ye!

Xia mother's heart seems like tens of thousands of waves, she turned her head, deeply looked at Ye Chen, do not know what to think!

"What is the origin of Ye Chen?"

Chapter 113

Tianzheng Group.

Ye Chen naturally heard the dialogue between Zhou Zhengde and Xia's mother.

For Zhou's standing in line, he understood the things behind.

It can only be said that Zhou Zhengde has a fierce vision. He chose the latter without hesitation between the Xia family and him.

Even so, ye Chen or arch hand, thank way: "Ye Chen thank you here."

When Zhou Zhengde heard Ye Chen's thanks, he waved his hand in a hurry and said excitedly, "Mr. Ye, you're killing me. If you hadn't pulled me back from the devil's gate last time, my Zhou family would have been exhausted. It's my Zhou family who should be grateful."

Listen to this conversation.

Xia Ruoxue is a little confused.

What is Ye Chen busy with this period of time?

How did he save Zhou Zhengde again?

What can he do to save him?

Sun Yi immediately thought of the several flamboyant banners that ye Chen put at home.

Combined with some recent events, she suddenly felt that ye Chen seemed to be a miracle doctor.

And it's an extraordinary miracle doctor.

The rudder master's turbid eyes also showed a trace of seriousness.

Before, he did not understand why the king of Nanjiang treated this young man of about 20 years old carefully. He even knelt down and called each other the Lord of the palace.

Now it seems that the young people in front of us are really extraordinary.

Without the help of Nanjiang King's power, the patriarch of Zhou family in Jiangnan province was so afraid.

Since then, no one dares to touch Tianzheng Group!

As for the two Jiangcheng municipal Party committees, No. 1 and No. 2 even kept a close eye on Ye Chen's appearance, and even thought about how to rely on Tianzheng Group in policy.

They don't ask Tianzheng Group to create political achievements for them. They just hope that the young man behind Tianzheng Group will not lose his temper in Jiangcheng!

Their little hearts can't stand it!

Of all the people, Shen Haihua knows Ye Chen's medical skills best! Naturally, I think of the origin of the relationship between Ye Chen and Zhou family.

His fist is clenched at the moment! A stream of blood seems to be boiling!

He knew he was right in the beginning!

With this man, you can definitely make great plans!

He asked Ye Chen for three conditions, one of which is to have a strong background!

As a result, ye Chen gave him several amulets in one breath!

This background involves the municipal Party committee and the rudder master! More about the military and the Zhou family in Jiangnan province! Now, looking at the whole Jiangnan Province, who dares to block the development of Tianzheng Group!

"It's ten o'clock. It's time for the fireworks." A little sister at the front desk trembled and warned.

Ye Chen nodded, and then to the people behind him: "let's go in and sit down. The group has prepared a small reception for you."

"Good, good."

Ye Chen stood in the middle of a group of big men like this, and undoubtedly became the core of the crowd.

His words directly let everyone flow into the group.

Only Shen Haihua was still standing outside, looking at the crowd.

Those reporters have left. With the intervention of those figures, the news can only be reported objectively, without any embellishment.

However, they have witnessed the historic moment of Tianzheng Group, which is not a loss.

Maybe the photos in your hand can be auctioned at a high price in the future.

Just as the reporters were about to leave, a group of soldiers came down and blocked their way. They showed a document and said directly, "according to the instructions above, every equipment must be checked and deleted. Please cooperate!"

In an instant, the crowd was noisy again.

"Why don't the news be reported?"

"What rights do you have?"

But when one of the leading soldiers took out a certificate, the group of reporters did not dare to speak.

National Security Bureau!

.....

Far away.

Chu shuran took a look at the Tianzheng building. Her eyes twinkled with anger and unwillingness, and turned to leave directly.

She knew that whether it was Tianzheng Group or Ye Chen, her Chu family might not be qualified to move again.

The Ye family waste five years ago is no longer there.

Next, people who were involved in the banquet at Yunhu villa in those years would pay a painful price.

Because ye Chen is back.

"Miss Chu, if you're gone, what can I do..." Zhao Youcheng just wants to pull Chu shuran and is pushed to the ground by Chu shuran's bodyguard.

"Go away!"

Chu shuran left mercilessly.

Zhao Youcheng sits on the ground with a blank brain.

His first reaction, it's over, it's all over.

Just then, he caught a glimpse of a dark shadow. He raised his head and found it was Shen Haihua!

He didn't care about his face. He directly held Shen Haihua's thigh in his hands and said, "Haihua, we've been fighting for so many years, you will certainly help me, right?" "Haihua, I apologize to you. All the things I did to you were ordered by the Chu family. You won't blame me! We are brothers. Isn't it? "

Zhao Youcheng is like a madman. He knows very well that only Shen Haihua can save him now!

"Haihua, you must save me, or my life will be over!"

Zhao Youcheng pleaded bitterly.

Shen Haihua trembled and his face turned red. He kicked Zhao Youcheng out. He roared with all his strength: "Zhao Youcheng! I used to treat you as a brother! what about you? Do you regard me as a brother? You're down in the hole! Despicable and shameless

All the emotions that Shen Haihua suppressed just now are released at this moment!

If ye Chen hadn't been for him, everything of Shen Haihua would have been destroyed today!

And the foot of this man will be mercilessly humiliated him!

This is the reality!

What else does Zhao Youcheng want to say? Shen Haihua doesn't give him a chance!

"From today on, I, Shen Haihua, have nothing to do with you. You can live and die for me! There will be someone to deal with you! "

With that, Shen Haihua turned and left.

Zhao Youcheng is the only one left in his place. Countless negative emotions roar in his mind!

Regret! fear!

What did he just want to say? Outside the Tianzheng Group, a hundred fireworks suddenly bloomed!

A loud sound as if the earth, opened up a new era of Jiangcheng!

Ye Chen and Tianzheng Group's Shengshi just started!

.....

At the same time, Jiangcheng International Airport.

Jiangdong Airlines sc8838 aircraft landed.

A rather strange team got off the plane and attracted crazy photos from passers-by.

It's just because there are eight people in the team, but all of them are wearing a Taoist robe and stepping on cloth shoes.

The head of a white haired old man's eyes are extremely gloomy, his hands are full of calluses, negative behind him, a master's temperament has let passers-by retreat toward both sides.

Some people even feel shortness of breath, and their faces turn red, as if the air has been mercilessly drained!

"Master Chen! Here it is

A mustache man waved outside with a pick-up card in his hand!

There are four simple words on it - Jiangcheng Chenjia!

The old man Mou son a congeals, direct toward the mustache man to walk, very quickly, several people met.

"Master Chen, you are here at last! My father set up a dinner party for you... "

He knows what the old man is like!

Jiangcheng Chen family master!

Although the Chen family has declined, it is entirely because the old man is not there!

You know, the old man was the first martial arts master in Jiangcheng! Strength to the sky!

At that time, the strength of the Chen family was far more than that of the Chu family!

Now the old man has been practicing in Wuyi Mountain for so many years, and his cultivation is bound to be more terrible!

If it was not for the destruction of the Chen family, the old man would not have broken the customs barrier ahead of time and returned to Jiangcheng!

And from today on, Jiangcheng is doomed to be bloody!

Chapter 114

Jiangcheng Wanye restaurant, VIP box.

Eight people were seated.

A good dish is served instantly.

"Master Chen, come here. I'd like to propose a toast to you. For so many years, I only serve you one!"

A gray haired man in Tang costume said respectfully.

He glanced at Chen Baoguo, the great master of that time. The killing opportunity of the other side's eyes made him feel some palpitation.

He knew very well that if Chen Baoguo did not go to Wuyi Mountain, the Chen family would have jumped out of Jiangcheng and set foot on Jiangnan province.

I don't know what kind of state Chen Baoguo has been practicing in the mountains these years.

It is estimated that Jiang Yuanli's strength is comparable to that of Jiang's family.

Even though Ji Rudong toasted, Chen Baoguo didn't sell face at all. He didn't even plan to take a cup. Instead, he directly looked at Ji Rudong and said, "what's the matter I asked you to investigate? Who killed my children and grandchildren! My Chen family is also a big family in Jiangcheng. Who has the courage to do so? "

His voice was cold as if dead.

Ji Rudong and the eight bearded man were pale.

They know that Chen Baoguo is a master's realm, but they didn't expect the realm to be so terrible!

The two glanced at the other seven, and it was obvious that each was a master.

It seems that Chen Baoguo is prepared to come this time.

Ji Rudong took a deep breath and said in a hurry: "master Chen, these days my Ji family has been investigating the matter, and even through the strength of Jiangcheng police, but I don't know why, all the things about that day were blocked for no reason! Obviously, the people who killed your children and grandchildren have a strong background... "

"Pa!" Chen Baoguo clapped his hand on the table top!

Almost instantly, the whole table cracked! Plates of delicacies fell on the ground, and there was a crackling sound.

"Ji Rudong, I don't want to listen to nonsense, I just want to know the name of the murderer!"

Chen Baoguo is standing up, eyes such as Eagle, as long as Ji Rudong does not give him a satisfactory answer, the other party will die!

Ji Rudong's legs tremble with fear!

He is an ancient warrior and a famous figure in Jiangcheng. But in front of Chen Baoguo, he has no emotion at all!

He quickly took out a picture from his arms and handed it to him carefully: "master Chen, although it is not easy for the police to investigate, I still found out some enemies made by Chen Feng and others before their death through relations. Among them, this boy has the greatest suspicion of murder, but there is no conclusive evidence..."

Chen Baoguo's double fingers moved, and the photo was directly separated from Ji Rudong's hand, and a bloodstain was drawn on his hand, and then it accurately fell into Chen Baoguo's hand.

Only this move, directly in Ji Rudong's heart set off a storm!

Chen Baoguo actually reached this level?

So terrible!

Chen Baoguo glanced at the photo on his hand, which is exactly what ye Chen looks like! He frowned and said in surprise, "the other party looks like he is only about 20 years old. How could he possibly kill my Chen family? Is this man behind the martial arts family? "

Ji Rudong shook his head again and again: "master Chen, the boy's name is Ye Chen. Before your son and grandson died, they had a conflict with this boy, and it is said that the boy's force is extremely strong The killing is decisive, but according to the latest news, it's better for master Chen not to move this boy Behind him, it seems like the Zhou family in Jiangnan Province... "

Chen Baoguo Mou son congeals, roars: "I Chen Baoguo works, also need your instruction!"

In the next second, a terrifying force will be cut off like a blade!

Ji Rufeng's head landed on the spot! Blood is directly stained on the broken table!

It's shocking.

Seeing this, the man knelt down directly: "master Chen, please stop being angry..."

Chen Baoguo snorted coldly. Just about to start, the door of the box was pushed open, and an old man with crutches came in!

It was the old Ming who was abandoned by Ye Chen!

When Chen Baoguo saw the old man, his eyes were stunned: "you didn't die?"

Old Ming lost his crutch and knelt down directly in front of Chen Baoguo: "master, I didn't protect young master!"

Chen Baoguo quickly helped the old man up. He was shocked to find that the other party was already a useless man and had no accomplishments.

"Who did all this?"

His heart was filled with anger.

The old man glanced at the photo on the table, and his eyes flashed a little panic: "master, it's Ye Chen! Ye Chen of Ye family

.....

Tianzheng building, meeting room on the 19th floor.

The storm of opening a business has been calm, and those big people who supported the show have left one after another. Naturally, it is the first meeting of Tianzheng Group.

There were five people sitting on the left and right sides, all of whom were elites at home and abroad recruited by Shen Haihua.

In addition, Xia Ruoxue and Sun Yi also stayed.

Because of Xia family's reason, two people in Huamei group's president and director's positions were removed, ye Chen promised to be responsible for them.

Jiangcheng's Tianzheng Group has just begun, but with the Zhou family's standing team, the Xia family absolutely dare not move them rashly!Ye Chen sat on the top, his eyes swept over the crowd and did not speak.

The atmosphere was extremely dignified.

We haven't recovered from the morning's fright!

They know that everything in the morning is the result of the top youth's efforts to turn things around!

So they dare not speak for fear of offending this man.

"Don't you have anything to say about the development of the group?" Ye Chen said earnestly.

When the words fell, Xia Ruoxue said: "the only thing I'm curious about now is that Tianzheng Group doesn't have the same products. What's the development?"

That's what she worries about the most.

Even if ye Chen has the Zhou family in Jiangnan Province, ye Chen can't rely on Zhou family all his life.

The speed of this kind of big family face changing is too fast!

Shen Haihua also frowned and said, "Mr. Ye, this is also my most worried problem. If you don't have a direction, we can only take investment and Internet routes. However, it is impossible to catch up with Xia's consortium in half a year."

It's a reality, and he has to say it.

When those elites heard that they had caught up with Xia's consortia for half a year, they could not help but take a breath of cold air!

Play a fart?

It can't happen at all!

They look at Ye Chen and instantly think that each other is just a rich second generation. It is nothing but the face of the family to know so many big people.

But does this rich second generation really want to develop enterprises? impossible!

The other party is obviously playing!

For a moment, the whole conference room was a bit chaotic.

Ye Chen looked at the people from a high position, her eyes twinkled with a trace of fun, and then he slapped on the table: "all give me peace!"

The next second, silence returned to the conference room.

"We Tianzheng Group does not need internet and investment, we only do industry! And it's an absolute profiteering industry! "

Shen Haihua's mouth is slightly open, just want to say something.

"Pa!" A sound, ye Chen will be a document on the table!

All the people looked at the past, and suddenly their eyes shrunk, because it said - medium standing Yan Ye!

"I promise you, this one course of treatment can make any woman as young as five years younger!"

Before the public reaction, there was another "pa" sound, and another document was left on the table.

Clotting and longevity pills!

"I promise you, it will extend the life of any old man by three years!"

At this moment, the entire box only leaves the voice of Ye Chen, as well as the sound of everyone's rapid breathing.

.....

Chapter 115

The scene was a little quiet.

After a long time, some people responded and said, "it's fake. There's no such thing in the world..."

"I graduated from Stanford University, and I haven't heard of this drug that can prolong life..."

"If there was such a thing, the top international pharmaceutical companies would have developed it long ago."

There was a question from the crowd.

At this moment, a voice of affirmation resounded throughout the conference room:

"it's true. I can take my life as my guarantee."

It was Shen Haihua who spoke.

At the moment, Shen Haihua stares at the documents of coagulation Yishou pill and intermediate Zhuyan liquid.

Could it be fake?

Of course not!

Ye Chen can even save the dead, and even gave him a pill to increase his life!

This kind of miracle doctor like existence, take out these things can only say normal!

With Shen Haihua's guarantee, everyone was confused.

They don't know ye Chen, but they know Shen Haihua.

Shen Haihua never joked about the development of such a group!

The key is that Shen Haihua is guaranteed by his life!

Almost instantly, a pair of eyes are also looking at the two documents, some blazing!

If this document is true, that day Zheng group undoubtedly has the world's top products!

Half a year, more than the Xia group, how impossible!

Xia Ruoxue and Sun Yi are naturally the most unstable. Their beautiful eyes are somewhat widened.

They know ye Chen has a magic prescription on his hand, and it is true! Great value!

But last time, it was only a junior resident. Now what ye Chen takes out is actually an intermediate standing Yan!

A higher level, the efficacy of natural more powerful!

This is not what, the key now is another clotting Yishou pill!

Three years' life span is not much for these young people.

But for those who are dying, the price of a billion will buy it!

Throughout the conference room, everyone held their breath and their hearts beat.

The things on the table are worth a lot!

Ye Chen looked around at the crowd, put his hands on the conference table, and continued: "what I should do has been done. The next thing is for you to do. I only have two requirements: first, mass production and put into use as soon as possible. Second, prescriptions must be kept strictly confidential! If anyone dares to divulge the secret, I guarantee that he will not be able to walk out of Jiangcheng alive!"

Threat!

A naked threat!

Shen Haihua directly stood up: "Mr. Ye, no problem, give me a month, I will let you see the picture of Tianzheng Group shaking the whole Jiangnan province!"

"Good." Ye Chen is very satisfied with Shen Haihua's attitude. Then he looks at Sun Yi and Xia Ruoxue and asks, "what position do you want to hold in Tianzheng Group, or the original one?"

Sun Yi thought for a moment: "I can take charge of the market."

Ye Chen thought Xia Ruoxue would like to continue to be president, but she shook her head directly: "Xia family is still my home after all. I don't know how long I can stay in Jiangnan Province, so I don't want the position. What can I do for Tianzheng Group during this period of time, I will do it. Of course, I have to calculate the salary, and the daily salary is 10000 yuan."

Ye Chen can feel the helplessness in Xia Ruoxue's words.

How did the girl suddenly become pessimistic?

Ye Chen didn't think much about it and said, "that's it! From today on, Sun Yi is the vice president of Tianzheng Group, responsible for all marketing and marketing business of Tianzheng Group, and Shen Haihua is the CEO of Tianzheng Group! As for Xia ruoshue, she has the decision-making power and one vote negative power for the development of the group in the next few days. "

"If there is no opinion, the meeting will be over!"

.....

Ten o'clock in the evening, Dadu apartment.

After three people had been busy all night, they came home, and Sun Yi went to wash first.

On the balcony of the living room, Xia Ruoxue and ye Chen are standing outside the window, blowing the wind.

Ye Chen turns to head, this is the first time to look at Xia Ruoxue so close.

Xia Ruoxue has waterfall like long hair just to the waist, and her slender thighs wear a white and blue skirt, showing her perfect figure.

In addition, with a small waist, the round, beautiful lines of double hips, towering peaks, it is really beautiful and admirable.

This girl should be the most satisfactory work of God.

However, at the moment Ye Chen can feel the mood of summer if snow seems to have some fluctuations.

"Ye Chen, I'm really curious about you." Xia Ruoxue said, "where have you been in these five years? Why have you changed so much? According to my investigation of you, you used to be nothing but a waste Well, it should be said that it is a very small existence. "

Ye Chen did not speak, quietly lit a cigarette, smoke up.

At this time, a white show hand stretched out, took off Ye Chen's cigarette, and said in a soft voice, "it's not good for your health to smoke less."Ye Chen doesn't know whether to laugh or cry. As a practitioner, how can nicotine affect him? It's just a habit.

He is not addicted to smoking. He doesn't smoke if he doesn't.

Xia Ruoxue took a glass of red wine and drank it. She was a bit drunk. She said to herself, "Ye Chen, I really like this place. It's much better than my living environment. But I may be leaving soon. Xia family, how can I hide, I still have to go back. After going back, it may be difficult to come out again, but I will always think of this time on the balcony

"You're drunk." Ye Chen doesn't understand why Xia Ruoxue is so sad. She just wants to win the wine glass, but she never thinks Xia ruoshue drinks all the red wine directly, and even pours a cup on the balcony table.

There are some tears in the corner of the eye.

"That's what happens to the children of big families. Outsiders envy us, but we envy ordinary people."

"If I can choose one day, I hope to be like Sun Yi."

Xia ruoshue said to herself in this way.

"You're really drunk. Don't drink any more..." Ye Chen advised.

Xia Ruoxue blushes, the next second, directly hugs Ye Chen, that sexy red lip directly kisses up.

Ye Chen is totally unprepared. What is the iceberg president going to make?

Throw yourself in the arms?

He couldn't help swallowing a little, but it was like sucking the tip of her tongue.

He could feel Xia Ruoxue's heavy breath and what her flexible tongue was asking for.

He subconsciously tightened his hands and hugged Xia Ruoxue's small waist and pressed her tightly to close to himself.

Xia Ruoxue's eyes are wide, and ye Chen's knees soften. She feels like waves of waves, constantly scouring his back

For a long time, a trace of movement came from the bathroom, summer if snow quickly broke free of the embrace of Ye Chen.

My eyes are a little flustered.

She didn't know why she did it.

It was her first kiss in the true sense.

Unexpectedly, he gave it to Ye Chen.

She touched her cheek and found it was very hot. She tried to recover her composure and said to Ye Chen, "this kiss is an accident. You can forget it. I may be drunk."

With that, he quickly turned to the room.

The moment the door closed, Xia Ruoxue trembled Jiao body, squatted down, cheek buried in the thigh.

She took out her mobile phone. There was only one short message from Xia Hongye.

"The marriage is fixed, in five months! If snow, you have no right to regret, you should know what consequences offend the Qin family, the first martial Taoist family in Jiangnan province! You should be lucky, because the one you are going to marry is the martial arts genius of the Qin family! "

She deleted the message and cried silently

Chapter 116

Ye Chen naturally does not know what happened to Xia Ruoxue. He directly smokes a cigarette on the balcony and hears Sun Yi urging him there.

"I'm done. Who do you wash?"

Sun Yi is wearing pajamas and her hair is a little wet. Because she doesn't wear a bra, the turbulent feeling makes Ye Chen's nose hot.

Didn't she know she had a big breast, and she came back like this?

This hot figure sways in front of me, which is really hard to control.

Sun Yi turns around in the living room and finds Xia Ruoxue in the room. She asks outside if she wants to take a bath. Xia Ruoxue's hoarse voice replies that she is uncomfortable. She will wash later. Sun Yi can only give up. She looks at Ye Chen and says with a smile, "xiaochenzi, today you are very lucky to be the second one. Go quickly. Remember to leave some hot water for ruoshue."

Ye Chen nodded and took a set of washed trousers from the room, and then went to the bathroom.

Just then, Sun Yi received a call.

To her surprise, it was Aunt Zhang from the couple's barbecue.

Last time I went to dinner with Ye Chen, I specially left a number so that they could prepare the dishes in advance if we went next time.

What does Aunt Zhang call her?

"Hello? Aunt Zhang... "

.....

One minute later.

"Bang!"

Ye Chen just took off his coat in the bathroom and found that the door was pushed open by sun Yimeng!

"Sun Yi, this is sexual harassment..." Ye Chen joked.

"What's the trouble? Something's wrong! Come on! Put on your clothes and let's get out of here Sun Yi said eagerly.

Ye Chen finds that Sun Yi has changed her clothes and is obviously ready to go out.

"What's the matter? In such a hurry. "

Chen asked as he put on his clothes.

"Don't ask, I'll tell you again in the car!"

Not long after, Sun Yi stopped a taxi and said directly to her master, "master, go to Jiangbei University! As soon as possible! "

"OK." The master stepped on the accelerator directly and the car rushed out.

Ye Chen looked at Sun Yi, frowned and said, "now you can say it."

Sun Yi's face was a little heavy and said softly, "you should remember Wang Yuheng."

"Of course I remember. Isn't it Uncle Wang and Aunt Zhang's son? When I was one year younger than us, he always called me brother Chen. When I was alienated by all the people, he contacted me. I had planned to visit him when I came back this time. I didn't have time, but he seems to be still studying in University. " Ye Chen Dao.

For Wang Yuheng, in fact, ye Chen is somewhat grateful.

When he was scolded by everyone, Wang Yuheng also stood up to reason for him. As a result, he was beaten.

Even this guy is afraid that he can't get over it. He deliberately takes him to the barbecue stand at home to eat and drink every day.

This is one of the reasons why he is familiar with Aunt Zhang and Uncle Wang.

If you want to say that these years, his friends in Jiangcheng, in addition to Sun Yi, Wang Yuheng should be the second.

"What's the matter? Wang Yuheng studies in Jiangbei university

Sun Yi held the mobile phone tightly, as if determined, and then said: "Wang Yuheng, was hit, broke a hand."

Hearing this sentence, ye Chen is stunned, immediately a nameless anger burns in the heart!

He knows Wang Yuheng, honest! Smart! Go ahead! His character, generally will not offend people!

But now, how can you be beaten?

The key is to break a hand!

Who fuckin 'move your hand, you can't find death!

Sun Yi seemed to have expected that ye Chen would be angry, and quickly advised: "the matter is not yet known why. Later, don't be impulsive."

Ye Chen forced to suppress the inner anger, he thought of what, serious way: "hand broken, not the first time should go to the hospital, how to go to school?"

Sun Yi smashed the air with her mobile phone, which was her most angry place.

"I heard from Aunt Zhang that Wang Yuheng's hand was not only interrupted, but also refused to let people take him away. There was no ambulance on the other side, and the school was blocked. Obviously, the caller had some background, which should be the reason why Aunt Zhang called us."

"What! Shit

Ye Chen can't help but burst a rude sentence! Palm pressed on the door of the taxi, there was an extremely deep depression.

.....

Jiangbei University.

Sun Yi and ye Chen got out of the car and rushed to the University.

Although it's night, the lights on the campus are very bright. What's more, there are screams coming from inside.

Six or seven security guards were standing at the gate of the school.

When they saw Ye Chen and Sun Yi coming, they even said, "show me your student ID card!"

With a smile, Sun Yi said to the security uncle, "uncle, if you don't have your student ID card, you'll be flexible. You'll close the dormitory door later and deduct credits You see, we are obviously students. "If it is normal, the school security will certainly be flexible, but today something big happened in the school, the school leaders issued an order not to let any outsiders in, they did not dare to take it lightly.

"No! If you don't have a student ID card, you can't go in. Call your counselor to prove it! "

Sun Yi is speechless now, they are not Jiangbei students at all, which has the counselor telephone!

"Go! Talk nonsense to them

Ye Chen's cold voice came.

He went straight inside without any scruples!

"Stop!"

Several security guards just want to stop Ye Chen. As soon as ye Chen steps, an invisible air wave forms on both sides. It seems that the security guards are hit by something. They step back five or six steps and almost fall to the ground.

"You boy --"

the security guards responded and drew out sticks from their waists to stop Ye Chen. The next second, they stopped one by one! The whole person is like petrified general!

Their pupils are dilated! Like hell!

See ye Chen directly came to the middle of the two iron doors, hands on the iron door!

Power explodes! The steel bar of iron gate is twisted instantly!

This is a damn iron!

Not only that, the two gates were pulled down by Ye Chen!

These are two iron doors!

It was twisted into a ball of iron bar!

Ye Chen did not stop at all, a fierce swing!

"Hiss!" A sound, as if cut through the sky! In front of a few security guards! Deep into the ground.

It's blocking the way for security!

Several security guards who were close to him were even more scared to sit on the ground.

"It's still a fuckin 'man!"

All people stare at Ye Chen with dead eyes!

Fear! fear! I'm afraid the other party will attack them!

"Do you want to stop me?"

Ye Chen's back to them, the cold voice rings out!

All of a sudden, he turned around, and his eyes swept the audience. He said, "school is a place to teach and educate people, not a place to help tyrants! If you still want to block me, I don't mind breaking your bodies! "

"Plop!"

Those security guards were scared to their knees!

What the hell is this! For a moment, he even felt that he was dying!

It's like that kid's taking all the air out of his surroundings! A pair of invisible hands on their throat!

Once you resist!

There is only one dead word left for them!

Ye Chen snorted coldly and directly grasped Sun Yi's hand: "let's go in!"

Sun Yi's brain is blank. She knows Ye Chen has been a soldier and is good at fighting, but it's against the weather.

Two steel gates are twisted directly like this!

"Hiss! What kind of monster is Ye Chen? "

Chapter 117

Jiangbei University, male dormitory, E2 floor.

The atmosphere was extremely dignified.

There were several circles of people inside and outside, most of whom were attracted by the news.

It's a completely numb face.

In the middle of the crowd.

Aunt Zhang, holding the injured Wang Yuheng, sat on the edge of the flower bed, shivering.

She is in love!

Wang Yuheng has always been her pride, from small to large, good grades, and sensible, finally admitted to the best university in Jiangcheng, but in the University was actually interrupted by a hand!

The key is that these animals are so powerful that they even collude with the school. Even the ambulance is useless!

All information is blocked!

What kind of evil is this!

Uncle Wang held a stick in his hand, so he stood in front of Wang Yuheng and his wife, protecting his mother and son with his stubborn body!

In front of him stood several people.

At the head of the group is a young man wearing a famous brand casual clothes. His eyes are full of pride, and a woman with a rather hot figure is nestled in his arms.

It looks like it should be a couple.

There are two big men standing beside the arrogant youth. Their heads are short and their muscles are bulging. They are very frightening.

In addition to these, there are several middle-aged people with big bellies after the man, who should be school leaders.

School leaders bow waist, from time to time and proud young people to say a few words, face full of smiles.

The arrogant young man's eyes were exposed on Wang Yuheng's body and sneered: "Wang Yuheng, I thought you were looking for someone else. It turns out that they are the two old things."

Wang Yuheng's eyes burst out of flames, stood up, but was pressed down by Aunt Zhang again!

"Yu Chengdong, you dare to scold my parents again!"

Obviously, the arrogant youth is called Yu Chengdong.

For Wang Yuheng, no one can insult his parents! If his parents didn't get up early and late to earn his tuition, he couldn't afford to go to college!

Although he was not born in a wealthy family, but with such parents, he is very satisfied!

Over the years, he has been studying hard and taking the entrance examination of Jiangbei University in order to get ahead!

But who could have thought that today's Jiangbei University completely let him cold heart!

The leader of the school should flatter a student with family background at all costs!

What kind of world is this!

After Yu Chengdong took a step forward, Uncle Wang became alert and waved his stick: "don't come here. I've already called the police. If you move my wife and children, I'll catch you if I die!"

"Call the police?" Yu Chengdong laughed, "it's your son who touched my girlfriend. The police are here. Maybe your son will be locked in!"

"I didn't!" Wang Yuheng almost roared.

When he was caught in the library, he was baffled when he went back to the library!

When there were more onlookers, the woman next to Yu Chengdong stood up and accused him of attacking the chest.

As a result, this group of people fought even harder.

Only when he saw Yu Chengdong appear did he understand everything!

Just three days ago, he witnessed Yu Chengdong nearly raped a girl in the school grove. He slapped Yu Chengdong with awe inspiring justice!

And all this is obviously the Revenge of Yu Chengdong's design!

He knew the identity of Yu Chengdong. His father, Yu Xingbang, was the boss of Xingbang industry. In Jiangcheng, he ate everything in black and white, and his means were connected with the sky!

How can he, a poor student, fight against such a rich second generation with background!

He turned to the school for help at the first time, but who could have thought that the vice president and the director of the Academic Affairs Office stood on the side of Yu Chengdong, accusing himself of being mean! Discredit Jiangbei University!

Yu Chengdong looked down at a family of three in front of him: "a group of old things, dare to threaten me? What can you do with the rest of Jiangcheng? "

"And you, Wang Yuheng, aren't you very capable? I'll just give you a bloody hand. What can you do to me! Poor force just, dare to learn others to meddle! I don't know who gave birth to that son of a bitch! "

Wang Yuheng can't help it any longer. He breaks free from Aunt Zhang and kicks Yu Chengdong in the past!

Yu Chengdong did not move at all. One of the men with an inch in his side directly grasped Wang Yuheng's leg and pressed it down. In an instant, a deep pain hit him.

"Ah

Later, Wang Yuheng was thrown out.

Looking at his son being bullied like this, Uncle Wang directly took out his stick and smashed it at that inch. The inch snorted coldly, took a lunge, and slapped it on Uncle Wang's chest. How did Uncle Wang beat such a professional training guy? He threw an old bone heavily on the ground.

Yu Chengdong held the woman in his arms and stepped on Wang Yuheng's chest: "aren't you very fierce? Let me have a try! If you care about my business, I will not only make you stay in Jiangbei University, but also the whole Jiangcheng city Aunt Zhang's face was pale, so she went to ask the school leader: "vice president, you can help our family Yuheng. He also won a first-class scholarship last year..."

Who expected, the vice principal directly shook hands and pushed Aunt Zhang on the ground: "you that cheap kind of you don't grow eyes, offend people who shouldn't be offended, and ask for trouble!"

After that, the vice principal came to Yu Chengdong, changed his expression and said respectfully, "Yu Shao, what should I do next? Do you want to keep this kid in for a few days? I have a relative at Jiangcheng police station... "

Yu Chengdong didn't pay attention to each other, but looked down at Wang Yuheng, and suddenly thought of something: "eh, I seem to remember something wrong. It's your right hand that touches my girlfriend What I just discarded was like your left hand... "

Wang Yuheng eyes full of anger, just want to get up, but was held down by the two inch.

"Yu Chengdong, you can't die easily. Someone will cure you!"

Yu Chengdong burst out laughing: "I can't cure Yu Chengdong even if I'm here! I'm going to waste your other hand today, so that you can't hold the pen forever! "

With that, Yu Chengdong fiercely raised his leg and stepped on Wang Yuheng's right hand!

This step, absolutely destroyed a person!

Aunt Zhang's face changed. Uncle Wang tried to get up, but he found that he had no strength!

His despair and remorse are incomparable! Why don't you work hard when you are young!

Just when Yu Chengdong's feet were about to fall, a startling roar sounded from the outside: "you move him and try it!"

The next second, the crowd seems to be torn by the hurricane a merciless opening!

Some students even felt a terrible force coming from behind, and lifted them out directly!

Through the shadows!

It is Ye Chen who comes from rage!

Ye Chen saw that the beast was about to step down. He condensed a wave of genuine Qi in his hand and directly blew it out!

Yu Chengdong only felt a black in front of his eyes and flew out!

"Touch!"

Heavy hit on the ground, back pain not only!

Chapter 118

Ye Chen took a look at the three people on the ground, and quickly helped Uncle Wang and Aunt Zhang up first. Their injuries were not too big.

Later, he helped Wang Yuheng to one side and said, "hengzi, how do you feel?"

Wang Yuheng stares at Ye Chen, suddenly discovers something, and exclaims: "you are Chen elder brother! You Why are you back? "

Ye Chen nodded, but when he noticed Wang Yuheng's other broken hand and the black and blue face on his body, he immediately rolled up a burst of bloody evil spirit!

If it is not their own time to come, the consequences are unimaginable!

Once his hands are abandoned, Wang Yuheng's efforts over the past ten years are in vain!

Wang Yuheng at the moment, he has experienced more pain than anyone else!

He never thought that it was a student who abandoned Wang Yuheng's hand!

Is the university so social now?

The most unbearable thing is that all this happened in front of the school leaders!

What qualifications does this kind of inaction leader have to teach and educate people!

Social rubbish!

Not only that, but also these indifferent people around!

From the beginning to the end, no one stopped or even called the police!

They are so indifferent to watch the three vulnerable groups being bullied.

What kind of world is this!

Is this the numb Chinese?

"Brother Chen, don't get involved in this matter. I can handle it." Wang Yuheng smiles and looks relaxed.

Ye Chen understands Wang Yuheng's character. He patted him on the shoulder and said seriously: "you have always called me brother Chen. Today, I will give you a breath!"

Wang Yuheng's face changed greatly, but he knew Ye Chen's strength. Five years ago, he was bullied by others every day. He didn't say a word. The key is that he won't fight.

Even if you can fight, things will only be more troublesome!

Yu family is very powerful in Jiangcheng!

"No, no, no Brother Chen, I beg you. "

But ye Chen has already let him go, step by step toward Yu Chengdong.

Wang Yuheng just wants to stand up and hold Ye Chen. Sun Yi has already squeezed in and pressed Wang Yuheng.

"How are you hurt, hengzi?"

When Wang Yuheng saw Sun Yi, he was stunned. He immediately reacted and said excitedly, "you You are Sister Sun Yi, why are you here? Wow, I can hardly recognize you... "

However, Chen's strength is so many

Before he finished speaking, Sun Yi interrupted: "don't worry about him. Now no one dares to move him in the whole river city."

"What? Sister Yi, are you kidding... "

.....

Now.

Yu Chengdong has been helped up by the vice president and the teaching director.

"Yu Shao, you Is there anything wrong with you? "

Yu Chengdong pushed two people away, regardless of the dust on their clothes. He glared at Ye Chen, who came by. He said angrily, "what the hell are you? Dare to move me?"

Ye Chen's eyes were cold, with a strong intention to kill: "since your parents can't teach you how to be a man, I'll teach you myself today!"

Feeling something wrong, Yu Chengdong quickly said to the two inch headed men around him: "help me break this boy's hands and feet!"

"Yes, young master!"

At the end of the speech, the two inch headed men rushed up with their right hands into claws, which was as impressive as an eagle attacking a rabbit!

It's very imposing.

Yu Chengdong's eyes narrowed slightly, showing the winner's smile.

Because he knew that both of them had ancient martial arts background. He had been with him for two or three years, and he had almost no failure.

In his opinion, the young man with short eyes was about to fall to the ground and beg for mercy.

Ye Chen looks at two strong winds coming, sneers.

"Trash like you are only allowed to be dogs! Go away

Ye Chen stretched out his hands indifferently and directly clasped their wrists!

The two cuntou's faces changed greatly, because they felt that their bodies were frozen by a force!

Can't move at all!

The next second, ye Chen suddenly force, ten fingers like a steel needle directly buckle into the wrist of two people! Blood burst out in an instant!

Those two inch head pour a breath of cool air, have not had time to scream, ye Chen hands a fold, "click!" One, the most important bone of two arms, directly broken!

The pain hit the heart, let two cuntou also can't control, scream!

But all this is not over, ye Chen hands with a strong Qi, arms suddenly contraction!

The two heads suddenly collided!

The powerful power directly makes two people's faces bloody! Mouth is spit out a mouthful of blood!

"Gu Wu didn't let you bully the weak!

"Bang!" Ye Chen flung them out fiercely! Their waists smashed into a tall pine tree! Almost twisted!

They may not die, but from then on, they are useless people, and they are no longer qualified to use martial arts!

From ye Chen's hand, to two people were thrown out like mud, the whole process, only five seconds!

Only five seconds!

The key means are extremely brutal and fierce!

At this moment, the whole world was silent.

There's no breathing.

Some of the students couldn't even respond! They know how terrible the two men around Yu Chengdong are.

Once a Taekwondo Club and a Taekwondo Club!

But such a terrible existence could not last five seconds in front of that young man?

Still beaten to death?

Wang Yuheng is muddled, brain a blank, this still he knows Chen elder brother?

The Chen elder brother who is called a waste by the whole school?

It's too good to fight. It's like a war machine rushing into the crowd!

Invincible!

He did not know why a flame was burning in his heart! Blood boils! He wants to be strong too!

Ye Chen's cold eyes fell on Yu Chengdong's body and walked step by step.

Yu Chengdong's face turned pale. Who knows the guy in front of him can fight so well.

I always thought that the strongest bodyguard was directly disabled, even did not support for five seconds!

A sudden blow, like a heavy blow on his body!

He subconsciously stepped back a few steps, but also pushed the woman in his arms to Ye Chen!

Ye Chen coldly glanced at each other, rouge vulgar powder! Even though the body is hot, but a look is the whole, and Sun Yi's real hot body can not compare!

One is the earth, the other is the sky!

"Go away!"

Ye Chen backhand a slap to throw out, directly fan the woman on the ground, the latter's mouth corner is overflowing with blood.

"You You beat a woman? "

Ye Chen sneered: "do you believe that I dare to kill a woman?"

The woman's eyes shrunk, really afraid!

And judging from the other party's behavior just now, this man is a thug, can do anything!

"I'll ask you, my friend, whether or not you have been molested! If you dare to tell a lie, I will wring your neck on the spot

Threat!

A naked threat!

The woman took a look at Yu Chengdong and found that the other side had shrunk to the back, and could not count on it at all! She didn't care about everything. She knelt down to tell the truth: "no No, it was Yu Shao who made me wrong Wang Yuheng... "

The truth is revealed!

"Pa!" Ye Chen's backhand is another slap! This slap directly slapped that woman, spitting blood from the corners of her mouth, and the whole world was spinning for her.

Ye Chen does not beat women, but this kind of cheap women are excluded!

Chapter 119

Later, ye Chen again toward the direction of Yu Chengdong.

At the moment, Yu Chengdong has hidden behind the two school leaders, and quickly dialled his father's phone!

Up to now, only father can save him!

"You two, help me stop this guy!" Yu Chengdong saw that the phone was not connected, so he ordered the two school leaders.

The two men were pale. How dare they stop the evil spirit in front of them!

However, the vice principal still said seriously: "which department are you from? Do you know it's against the law to beat people? When the time comes, the police..."

Words have not finished, ye Chen angrily rebuked: "kneel down!"

The two school leaders who were directly frightened by the powerful pressure knelt down on the ground and were soaked through!

"You are worthy of leadership and education! It's just a rich dog

"Yes, yes..."

What else can they say, they can only nod their heads again and again!

They're almost on the verge of collapse!

They thought that as long as they knelt down to make a statement, the man would not trouble them. Who could have thought that the other party raised his foot mercilessly and kicked him in the vice principal's body.

Vice principal a roll, the whole person lies on the ground, eat a ground of soil.

"You owe it to Aunt Zhang."

After all this, ye Chen's eyes finally fell on Yu Chengdong.

It's cold.

Like death.

Yu Chengdong was scared to sit on the ground, but soon, the phone went through!

"Chengdong? What are you doing calling me so late? " There was a majestic voice on the other end of the phone.

Yu Chengdong seemed to catch the last straw to save his life. He quickly and excitedly roared, "Dad! Someone is going to kill me... "

Yu Xingbang at the other end of the phone was stunned. He thought his son was joking, but his tone seemed to be wrong. He said seriously, "what happened? Who's going to kill you? Aren't you at school?"

Yu Chengdong quickly hung up the phone and sent a wechat video call directly.

Almost seconds!

"Dad, I'm at school now. You'd better send someone over, or you'd really collect the corpse for me..."

Yu Chengdong looks at Ye Chen getting closer and closer, and the whole person panics to the extreme.

Yu Xingbang through the video, found his son's pale face, completely angry!

Who dares to move Yu Xingbang's son!

"Chengdong, give him your mobile phone, I'll tell him! I want to see who dares to move my son in Jiangcheng

"Good..."

Yu Chengdong quickly raised the mobile phone, facing Ye Chen.

"Don't come here. My father wants to talk to you! My dad is... "

Words have not finished, ye Chen a lunge rushed up, a backhand slap in Yu Chengdong's face!

This palm does not have the slightest sincerity, but also is not the average person can bear!

Yu Chengdong fell two meters away! The corners of the mouth were bloody.

He clenched his cell phone and roared, "Dad, help me! When on earth will your men come? "

But when he scanned his father at the other end of the screen, he found that his father was still, his face was ugly, his mouth was shaking and his voice was saying something about ye Chen

You know, Yu Xingbang's Xingbang group is one of the enterprises that publicly banned Tianzheng Group. He witnessed the whole opening process of Tianzheng Group this morning!

Never forget!

Behind Tianzheng Group stands the municipal Party committee! Stand on the helm! Stand by the military! The key is the top families in Jiangnan province!

The rest of his family only have a little money. What can he do to fight against this kind of top power?

"Dad, what the hell are you doing?" Yu Chengdong panicked.

The next second, a startling roar came from the mobile phone: "Yu Chengdong! Are you looking for death? How did you offend the Tianzheng Group! You can die outside for me

Soon, Yu Xingbang noticed Ye Chen's figure in the picture. He changed his violent attitude and said excitedly, "Mr. Ye, I'm from Xingbang group..."

Words have not finished, ye Chen a foot stepped on the mobile phone, the screen black crack.

Yu Chengdong's only dependence is thus destroyed! The key is that he just found out that his father was flattering the man in front of him!

Even because of this man, he gave up his baby son!

How could it be!

Before he reacts, ye Chen's cold voice rings out: "do you like to interrupt other people's hands and feet? Maybe you should try that. "

Words fall, ye chenmeng step on Yu Chengdong's arm, "click!" The bone is broken!

Yu Chengdong called out crazily, trying to struggle, but found an invisible force locking him.

Then there was another "click!" Yu Chengdong's other arm is also useless!

Ye Chen doesn't like tormenting this kind of person and wasting his time. But he was too angry in his heart, because if he did not come, Wang Yuheng would be injured.

And it's going to be a more painful price.

Wang Yuheng is the only hope of Aunt Zhang and Uncle Wang. If it is destroyed, the whole family will be hit.

The whole male dormitory downstairs sounded a scream, the two school leaders beside him were full of panic.

They just felt the change of Yu Xingbang's attitude. They knew that the man in front of them was so unscrupulous and the background was absolutely terrible!

There is no such big man in Wang Yuheng's student status information!

Not only the two of them, but all the students around the scene couldn't help taking a breath. They wanted to take it out with their mobile phones, but at the thought of the man's means, they gave up again.

Even some students quietly left!

This place is not for people at all.

Yu Chengdong has passed out completely, and is no different from a disabled person.

At this time, the siren was loud, and a group of policemen rushed in.

Ye Chen did not pay any attention to, he made a phone call to Bai Li Bing, then came to Wang Yuheng's front.

Wang Yuheng still had some reaction: "Chen elder brother, you..."

Ye Chen laughed and lifted Wang Yuheng's broken arm up: "it will hurt a little, you can bear it."

The next second, ye Chen turns slightly and corrects the misplaced bone directly. At the same time, a stream of genuine Qi rushes into Wang Yuheng's arm.

The warm feeling wrapped around the injured part, and the pain was relieved a lot.

Wang Yuheng even found that his hand felt something.

"I'll give you some medicine at that time. It should be almost enough to eat for a few days. If you don't worry, you can go to the hospital to take a film."

"As for the guy and the school, I'll say hello. In the future, if you go to school here, no one dares to touch you!"

Ye Chen's words showed no doubt, but clearly fell into the ears of the two kneeling school leaders.

It's like a needle.

Five years ago, Wang Yuheng protected him with kindness.

In five years, he will pay back his own strength.

When Wang Yuheng's injury is good, ye Chen will also give him some mental skills and martial arts skills to practice if he intends to embark on a path of cultivation.

Of course, it all depends on the other party's choice.

Chapter 120

Jiangcheng Chenjia villa, bright lights.

Chen Baoguo looked at all the information of Ye Chen in his hand, frowning tightly.

"This guy is Ye Tianzheng's son? The Ye family is just a small family in Jiangcheng. How could such a person be born? "

The old man of Ming Dynasty on one side also said: "master, the Ye family has been destroyed. There is nothing to fear. Now the only trouble is the power behind the Tianzheng Group, the rudder master, the municipal Party committee, and the military area command. We can ignore it. But the Zhou family has a clear attitude, that is, to protect this son..."

"If we kill this son, there will be trouble, and the national security bureau is likely to stare at this boy."

Chen Baoguo's eyes were cold: "hum! Even the Zhou family and the National Security Bureau! This son killed my Chen family. It's natural for me to take revenge! Not only that, this boy doesn't care about the two women around him. I personally captured them and killed them in front of him! Let him feel despair

Looking at the old man's anger, the old man turned his eyes and thought of something. He quickly reminded him, "master, I have a way to kill this son in front of everyone. It can make the Chen family strong and make Guoan and the Zhou family helpless."

"What can I do?" Chen Baoguo Dao.

"Since ye Chen is an ancient warrior, you might as well use a life and death war book to force him to the martial Taoist stage! On wudaotai, there is life and death! No one can stop it! It will be easy to kill the master

Chen Baoguo's eyes brightened, but he thought of something. He said: "my strength is enough to crush this son. If he has a little brain, he will not accept wudaotai."

The old man of Ming Dynasty gave a heavy smile and said, "Ye Chen can't accept it. If the master threatens with the woman around him, does he dare not agree?"

Chen Baoguo's eyes are slightly narrowed. Although this kind of behavior is somewhat despicable, it is nothing in front of his own hatred!

At this time, a voice with dignity suddenly came: "deal with Ye Chen, count me a how?"

Hearing this, Chen Baoguo's face changed slightly!

He has stepped into the realm of a master, and has not found anyone yet!

How could it be!

A few seconds later, the gate was directly pushed open, and a middle-aged man in a robe appeared in the sight of Chen Baoguo and Ming Lao.

Look at this man, two eyes together!

Because the other side is Jiangcheng hermit Wu Dao family, Jiang family! Jiang Yuanli!

Why did Jiang Yuanli come uninvited?

Chen Baoguo was not angry at all. In terms of strength, Jiang Yuanli was not necessarily weaker than him. He arched his hand and said, "master Jiang, what brings you here?"

Jiang Yuanli went straight to the sofa. With a slight lift of his robe, he sat opposite Chen Baoguo. His eyes glanced at the picture of Ye Chen on the table.

The next second, the finger pressed on the photo, the force is extremely terrible, even through the photo, is the marble table hard to poke a hole.

Later, he just light way: "come for this son!"

Jiang Yuanli has used almost all his strength in recent days. Although all the monitoring has been maliciously erased, he still finds out the murderer behind the murder of his son, ye Chen!

Not only that, in the investigation, he was surprised to find another force is also investigating this little beast!

Chen Baoguo is the master of Chen Jiagang's return!

After some understanding, he found that Chen Baoguo was more miserable than him. Not only did he die, but also his grandson!

The forces behind Ye Chen are complicated. Even though he is a martial arts family, he still has to fear the Zhou family and the National Security Bureau.

And he's here to find allies!

Chen Baoguo took a look at the traces of the marble table, and his eyes showed a trace of light. He tried to say, "does Master Jiang have a grudge against this son?"

Jiang Yuanli snorted coldly: "the hatred of losing one's son is not the same day!"

Hearing this, Chen Baoguo was stunned and immediately slapped on the table: "good! In this case, from today on, the Xu family and the Jiang family are allies! "

Jiang Yuanli nodded. What he wanted was this result: "by the way, I heard you were going to go to war and let this son go to Wudao stage?"

"That's right. This is the only way now. Even if you want to assassinate this son, the National Security Bureau and the Zhou family will surely find that it is more interesting to kill this son in a aboveboard manner?" Chen Baoguo said gloomily.

Jiang Yuanli's eyes twinkled with a hint of murder, adding: "I have a more optimized plan. I investigate that this son lives in Dadu apartment now. There are two girls who are ambiguous with him. They should be confidants of beauty. How about sending someone to take one?"

At that time, he will certainly go to rescue himself. First of all, we can understand the real strength of this person. Second, I want this kid to be tortured! It's too cheap to kill this son in wudaotai alone! I can't swallow that breath! We, Jiang family, are willing to send three top-notch strong men! "

Chen Baoguo pondered for a few seconds, looked at the disciples behind him, and made up his mind and said, "OK! I am willing to send my four strongest disciples! I'd like to see what the boy is fighting us for.....

Ye Chen and Sun Yi came out of Jiangbei University at 12:00 p.m.

Although Ye Chen has treated Wang Yuheng's broken hand, there should be no big problem, but Aunt Zhang is still worried. She and Wang Shu take Wang Yuheng to Jiangcheng orthopedic hospital overnight.

Ye Chen also understands that the two husband and wife, after all, hurt their muscles and bones for a hundred days. What he said is so easy, how can they believe it?

Breaking a hand is no small matter. If it is not cured, it may be destroyed for a lifetime.

As for Yu Chengdong and school leaders, they were directly taken away by the police.

With the relationship of Baili ice, Jiangcheng police station even has no plan to let Ye Chen make a record.

This may be the so-called relationship society.

Because the location of Jiangbei university is relatively partial, Sun Yi has been on the Internet for a long time, and no one has received the order. She regrets that she has driven the beetle out.

If it wasn't too urgent, she wouldn't have gone downstairs without her car keys.

"Well, let's go a little way. Maybe there's a car ahead." Ye Chen Dao.

"Good." Sun Yi nodded.

The wind in the early morning is a little strong, and ye Chen takes off his coat to put on Sun Yi.

Sun Yi shudders and looks at Ye Chen without saying a word.

I don't know how long after that, she suddenly said: "Ye Chen, five years have passed, why do I feel so strange to you now. It's like you've become another person. Sometimes I can't understand your character and means. It's just like breaking the iron gate. It's incredible... "

Ye Chen stretched out a stretch and said faintly, "I have understood a truth for so many years. Man, there are only two ways to live! Either be changed by the rules, or change the rules yourself! I want to be the latter. "

Sun Yi lightly read that sentence, just want to ask what, a taxi just came.

"Master! here! Stop Sun Yi waved.

Soon, the taxi stopped in front of them.
