Chapter 121

Half an hour later, they crept back to the Dadu apartment. After a brief wash, they went back to their rooms to sleep.

Ye Chen just closed his eyes a few minutes later, he found that the door was opened, and Sun Yi sneaked in with the quilt.

"Xiaochenzi, I didn't sleep."

"Not yet. You are..."

Sun Yi spat out her tongue: "Ruoxue's sleeping appearance is a little poor. She has occupied the whole bed, and I can't sleep at all. She has to get up early tomorrow. I can't wake her up. I'll make do with you for a few hours. "

Sun Yi is almost the first of the three, so there is no need to worry about Xia Ruoxue's discovery the next day. In addition, she has slept with Ye Chen for the same time and twice. She also believes that ye Chen will not cross the thunder pool.

"All right." Ye Chen sleeps outside for a few minutes, leaving a place for Sun Yi.

After a while, Sun Yi came in wearing her pajamas.

More than ten minutes later, Sun Yi heard Ye Chen's heavy breathing, and called Ye Chen's name lightly. Seeing that the other side did not respond, she held Ye Chen from behind and held him tightly.

Because he didn't wear a bra, the soft peaks were squeezed and deformed on yechen's back, and then sun Yicai fell asleep.

She has always been like this, holding things to sleep.

In fact, ye Chen's eyes are open all the time, but his back is facing Sun Yi. The other party can't find out. He feels the incomparable softness behind him. He doesn't know whether to cry or to laugh.

Is Sun Yi encouraging him to commit a crime?

.....

The next morning, when ye Chen wakes up, she finds that Sun Yi has long been gone. From the living room comes the voice of two daughters chatting.

"Ruoshue, why are your eyes so swollen? Did you cry yesterday?" Sun Yi was surprised.

"No No, is that obvious? " Summer such as snow hurriedly went to the bathroom to take a picture, as expected, the eyes are very swollen.

Although it doesn't affect her beauty, it can't be tolerated for a strict person like her.

"Ruoshue, what happened? Someone bullied you? Or what? "

"No, I was blowing on the balcony yesterday, and my eyes were a little dry." Xia Ruoxue deals with the way.

When she saw Ye Chen come out of the room, she looked at her with interest. She ran into the room and said, "I'm not comfortable today, so I won't go to Tianzheng Group. However, ye Chen, I will list the development and operation plan of the group at home, and discuss it with Sun Yi at that time."

"Good."

Ye Chen agreed to come down.

Now the group has Sun Yi and Shen Haihua, and has excellent products, enough.

As long as the implementation is in place, the development of the group will be irresistible.

At nine o'clock in the morning, ye Chen and Sun Yi went out.

Sun Yi goes to Tianzheng Group, while ye Chen is going to see Wang Yuheng. In the morning, he also writes down the most suitable skills for ordinary people to practice in his mind, and prepares to give it to Wang Yuheng.

If he is really suitable for cultivation, this book is enough to enable him to protect himself.

After all, I can't help him all his life.

When they arrived at Jiangbei University, the security guards saw Ye Chen's face pale. The four security guards took the initiative to open the door for ye Chen. Their attitudes were quite different.

Ye Chen went directly to the bedroom and found Wang Yuheng. Since yesterday's incident, almost all the students of Jiangbei University saw that Wang Yuheng had to change his way with his head lowered for fear of offending the man.

Not much time, boys dormitory roof.

Ye Chen looked at Wang Yuheng's left hand in plaster and asked, "how does the hospital say?"

Wang Yuheng scratched his head: "I thought my hand must have been broken, but the hospital said it was just a slight sprain. My mother didn't believe it. After taking three films, the doctor was almost annoyed, and the result was the same. My mother said it was just a miracle. I went to the Bodhisattva temple this morning, but I know very well, brother Chen, this must be your reason. "

"Oh, so sure?" Ye Chen has some accidents.

"Brother Chen, I really feel that you are not the same, regardless of temperament or strength, I listen to my mother, you went to the army five years ago?" Wang Yuheng asked.

Ye Chen did not answer, but looked at Wang Yuheng and said: "do you want to be as strong as me? Like yesterday. "

Wang Yuheng was stunned, swallowed his throat and nodded fiercely: "of course I want to! If I have the strength of brother Chen, I won't bully me, and I won't watch my parents get beaten but can't return my hand! "

His other fist clenched. He knew very well that if there was no elder brother Chen last night, the consequences would be unimaginable.

Ye Chen is very satisfied with the answer. He took out the book from his hand and handed it directly to Wang Yuheng: "if you want to be stronger, this book will give you the answer."

Wang Yuheng stretched out his hand tremblingly. His eyes fell on the top of the book - "purple cloud running thunder decision"

opened slightly, and his eyes directly widened: "brother Chen, how can it be possible, is this..."

"You're right. It's that thing. If you follow the lines on the previous pages, you'll understand what's going on. ""And! You have to write down everything on it in one day, and then burn it yourself. You can't find it by anyone else, understand

"Understand!"

"Finally, I must remind you of one thing. The road of martial arts is much more dangerous than you think. Keeping the heart of Tao is the key. If you don't understand, you can ask me."

"Yes, brother Chen." Wang Yuheng said excitedly.

Ye Chen also told Wang Yuheng some things about the ancient martial world. Just half way through, his phone rang.

It's ye Lingtian.

"What's the matter?" Ye Chen presses the answer key.

"Master, something is wrong! Ling Tian is willing to be punished! " At the other end of the phone came ye Lingtian's voice.

Ye Chen Mou son instantaneous cold, question asks: "what happened in the end!"

"Miss Xia has been taken away! I protected Miss Xia's three strong men. They were all killed! "

"What!"

Ye Chen forced himself to calm down and asked, "can it be taken away by the people of the Xia family?"

If it was Xia family, Xia Ruoxue would not have anything.

"The master of the hall should not be the Xia family. The Xia family does not have such a strong master in Jiangcheng! Judging from the wounds of my men, it must have been done by the master, and more than one! " Ye Lingtian said solemnly, "Lord, it's all my fault!"

"I don't care if it's your fault, ye Lingtian! From now on, use all your strength to find Xia Ruoxue! If you can't find it, don't come to see me! Also, send a car to Jiangbei university to pick me up as soon as possible

"Hall master, I have arranged that it will be in the east gate of Jiangbei University in 30 seconds."

Ye Chen hung up the phone directly.

Wang Yuheng felt that there was something wrong with Ye Chen's breath. He just wanted to speak. Ye Chen jumped down from the top floor directly!

"Brother Chen, you..."

Before he finished speaking, Wang Yuheng was shocked to find that ye Chen had fallen on the ground, and turned into a remnant shadow in situ, like a cheetah, rapidly heading for the school gate!

"Is this still human?"

Chapter 122

Most apartments.

Ye Chen came upstairs like a madman and found the door open.

He rushed in fiercely, and found that the summer mother had already been inside!

At the moment, the eyes of summer mother are full of anger!

She put the latest life detection bracelet on Xia Ruoxue's body, which will transmit Xia Ruoxue's heart rate and body data at all times.

The data was suddenly interrupted twenty minutes ago!

As a mother, she instinctively means that things are wrong, the first time to the Dadu apartment!

Found the whole house in a mess!

Not only that, she also took most of the monitoring, found that there were three people took Xia Ruoxue!

She has used all the power of Xia family to investigate, and now, the most important thing is to find new evidence at the scene of the crime.

When seeing ye Chen's appearance, Xia's mother almost collapsed! Endless anger makes her want to kill Ye Chen!

She grabbed Ye Chen's clothes and roared, "you promised me a few days ago! You said no one can hurt Ruoshue! What about your guarantee! Now if snow is missing! You speak

Ye Chen Mou son is cold, did not speak, let summer mother start, at the same time, his fist clenched! Cold killing machine covered!

"Give me a day, and I'll bring the snow back intact."

Xia's mother just wanted to say something, ye Chen continued: "if I don't do it, you will deprive me of my life!"

With that, ye Chen came to the house and glanced around. There was no discovery, but there was a strong breath.

The other side is really a master!

Since he is an ancient warrior, the other side plundered Ruoxue, he must have come for him!

Damn it!

Ye Chen tried to calm down and broadcast three phone calls.

The first is bailibeng, let her use the power of the police station, looking for Xia Ruoxue.

The second one is Jin Lengyan. He wants to make sure that all the forces in Jiangcheng are powerful masters!

The third is Zhou Zhengde. Hope to let him use his network to find all useful information!

But five minutes later, no one gave him the answer he wanted!

At this time, ye Chen's mobile phone rang.

It's a strange number.

"Hello?"

"Ye family waste, how do you feel now? Nervous? " A deep, playful voice sounded.

Ye Chen Mou son shrinks, kill the opportunity to break out, the cold voice falls: "it is you who took away if snow. I don't know who you are, and I don't know what you want. I'll just give you one chance and let her go now. I'm not looking for you, I'm not going to trace you. That's all.

But if you don't let go, I can tell you that in these five years, I have become a nightmare for many people! Next, I'll find you! And I'll cut your neck with my own hands! No matter who is standing behind you, I will let them disappear into the world

At the other end of the phone, the script is wrong! It is not for him to threaten the other party. How can he be threatened by the other party instead?

He just wanted to say something, "doodle -" and the phone hung up directly!

Sleeping trough, what the hell!

It's not like this!

He hasn't said the address yet! No address. How can this guy come here!

The man played back, but showed that the other party's mobile phone has been turned off!

He's going crazy! Does this kid just give up the woman in front of him?

Jiangcheng Beilun port.

The man came to Jiang Yuanli and Chen Baoguo with his mobile phone.

Chen Baoguo sneered and said, "when did that kid come?"

Jiang Yuanli also said, "Jiang song, is this son in chaos?"

Jiang song's face was very embarrassed, just like eating excrement. He took a look at them and said, "that He threatened me and hung up. I didn't even say the address... "

Yeah?

"What are you talking about! Call back again

"The boy turned off his computer..."

"How could it be?" Chen Baoguo frowned. He didn't understand what ye Chen was up to.

He took a look at Xia Ruoxue, who was tied and blindfolded in the distance. They wanted to catch Sun Yi, but they didn't expect that their people brought Xia Ruoxue back.

Xia Ruoxue is the daughter of Xia family. If something happens to them, the consequences will be unimaginable.

They just want to lure Ye Chen.

But right now, this guy doesn't seem to worry at all?

"Find a way to inform him that, in any case, he must be here today!"

"Yes

.....

Jiangcheng, Dadu apartment.

Ye Chen sits cross legged and closes his eyes. There is a strange Rune in front of him.

On the rune, there is an earring of Xia ruoshue.

He's angry!He would never use this technique until he had to!

This kind of human search technique is too much loss to the body!

A little careless, the body will be more by the phage, repair stagnation!

But for the moment, he can't take care of that much.

Ye Chen fingers to strangle, mouth constantly said what: "to the end of the flow, and to create everything. The source of turbidity is the source of the clear, and the base of the static of the moving. People can always be quiet, and heaven and earth know all return... ""

This is the "road search", and the old man gave him no way to decide.

Can break the vitality, thousands of miles to find people!

With the speed of Ye Chen's voice getting faster and faster, the rune and earrings in front of him were suspended!

Next second, burn directly!

Strange things appear, the flame is blue! Even formed a strange shape.

"That's now!"

Ye Chen gnaws his finger and shoots a blood essence! When blood essence hits the fire, the fire is big!

A picture came to him.

Container, crane, sea, Beilun

Ye Chen eyes suddenly open, blood up, no longer can suppress, spit out a mouth of blood!

Even if the face is pale, the cold murderer is still overflowing, the whole house is in the dead silence.

"I am sure to uproot you all, who dare to move me in Beilun port!"

.....

Beijing time 4 p.m. Beilun port.

This is the old port of Jiangcheng. Because the government has planned a new port of Wangjiang, this side will be out of time and space temporarily.

The ground was covered with old containers.

At this moment, in a container, xiaruoshi was tied to an iron chair, and the rope had hidden on her white skin and had blood marks.

She was not nervous, but rather rather calm, and she was aware of everything around her.

From the point of view of these people, they are ancient martial arts people, and obviously through careful planning.

And, the group should know her identity, so they didn't hurt her, and even gave her water regularly.

She felt more like a bait, and a few outside seemed to be waiting for something to come.

"Should these people threaten Xia family with their own help? Looking at the whole river city and Jiangnan Province, who dare to take such a risk and offend Xia family? "

At this time, Jiang song came in, holding a bottle of water in his hand, and he said to Xia Ruxue, with no expression on his face: "drink!"

Xia Ruoxue turned to turn to turn around and refused the other party's kindness, and said coldly: "who are you? Do you know what it means to offend Xia family? "

Jiang song saw that the other side was ignorant and evil, and he threw the water out directly: "love drinking or not drinking! Damn, when did I wait for someone like this, Jiang... "

Jiang song's voice stopped suddenly, almost exposed.

"Miss Xia, don't take out your Xia family's prestige in front of me. This world is not so easy as you think. I am just a mean life. Even if you kill you, I will not live a life! And you... "

Before he finished speaking, a red light flashed on an instrument in his hand.

Seeing the red light, Jiang song's face changed slightly, and he came to him!

He naturally did not think it would be that leaf, but once they were discovered by others, the consequences were unthinkable.

He also regardless of summer Ruoxue, hurriedly walked out.

Leaving the container, Jiang song suddenly noticed that the wind started at Beilun port.

There is a strong wind.

It was like the whole Beilun port was locked by a sudden invisible gas field.

Chapter 123

The entrance of Beilun port.

"Bang!"

With a loud bang, the iron gate was kicked directly on the ground, almost split.

As the dust rose, a figure of youth appeared at the entrance.

It was Ye Chen.

Ye Chen's mouth swept around, naturally discovering several strong breaths.

Here it is.

"Since you like playing games so much, I will accompany you to the end!"

"Who are you?"

Four young people came to Ye Chen in an instant, blocking Ye Chen's way.

They are all Chen Baoguo's disciples, the strength of the master!

For convenience, Chen Baoguo directly named them Wujin, Wumu, Wuhuo and Wutu.

Over the past ten years, they have been practicing ancient martial arts and killing skills. Their strength is extremely terrible, which is one of the reasons why Chen Baoguo brought them down the mountain.

But when they saw Ye Chen's appearance, everyone was stunned!

His eyes are wide as hell!

Doesn't this guy know the address? How did you get here?

Jiang's three masters also came out of the container, see ye Chen silly eye.

All people's eyes can not help but fall on Jiang song's body, because he called.

"Jiang song, are you lying to us?"

"How can you explain that this son has come here?"

Jiang Songzhen wanted to cry without tears.

"I don't know!"

He clearly did not mention the four words of Beilun port on the phone, and the key other party did not give him a chance!

But this guy happened to appear in front of his eyes, Jiang song really felt a bit fucked!

"Well, go and explain to them yourself!" Wu Jin said coldly, "since this son has come, I will understand it! I want to see what kind of strength makes you so unscrupulous

Words fall, Wu Jin in situ into a shadow, is a fist toward Ye Chen's chest smash!

Very fast!

In the moment of approaching Ye Chen, change fist into claw!

His fingers have thick calluses, like steel bars!

Once caught, he has the confidence to crush the boy's shoulder directly! It seems that the strong vitality of the Chen!

The rest of Chen Baoguo's disciples had a victory curve.

They know Wu Jin. Once he uses the tiger king's claws, it shows that he is facing up to the young man.

And once let him face it, only blood and death!

Ye Chen did not move, as if frightened stupidly.

Jiang song is a little strange. Is it enough to deal with this boy alone? Chen Baoguo and Shifu are too high on this boy.

Even so, he still pressed the button of the remote control in his hand, and thirty cameras at Beilun port captured the picture at the same time. These cameras can transmit the picture facts to Chenjia villa more than ten kilometers away.

"Boy, you're so fucked up." Wu Jin sneered.

In order to kill him, he directly changed direction and grabbed Ye Chen's chest!

He's going to penetrate the kid's body and dig out the heart.

However.

In Ye Chen's opinion, all this is no different from that of children.

At the moment when Wu Jin's tiger king's claw is about to fall on Ye Chen's chest, ye Chen moves and smashes out directly with a fist!

This punch is simple and unadorned! But with a touch of air!

"Damn it, I want to fight my tiger with one fist..."

Words have not finished, fist and claws collided together!

Strength and true spirit constantly collide, but the result is - CRUSH!

Wu Jin's five fingers were smashed and broken directly. The powerful air current cut off his five fingers like a steel knife!

Not only that, ye Chen's fist seems to have no obstruction in general, directly smashed through the other side's chest!

Blood burst out!

Wu Jin didn't even have time to react. His body flew out, his blood splashed and he died on the spot!

One punch, one punch!

"Tiger claws? The name is good, but the strength is really rubbish

Everyone's brain is blank!

No matter how rubbish Wu Jin is, it's also a master's realm!

Can it be that the city is full of masters and rubbish?

Don't give everyone reaction time, ye Chen, moved again.

His whole body seemed to be wrapped in air waves, where the wind howled and made a low whistling sound, tearing the air and rushing away.

"No, let's go together!"

The three people no longer hesitated, but did not have time to move, he found that the body seems to be a force of imprisonment, can not move!

And ye Chen's step, the ground actually appeared a deep footprints!

His body more and more half empty, and then a fierce whip leg, horizontal sweep away! Three face flustered, eyes full of fear, can only raise their hands, block away!

But it doesn't work at all!

"Click!"

A clear sound of fracture came, and then there was a cry of heartrending.

Not only that, but also a force like a thousand pounds! Three people's bodies were lifted directly!

Hit the container on top of it!

The two containers were sunken on the spot and twisted out of shape! Those two people's bodies were constantly twitching, and they had no power of World War I!

And the most tragic martial fire, the body hit the container above the opening, the strong momentum, directly let his body break in two!

"Gollum!"

Jiang song swallowed and salivated, and his back was completely wet.

His eyes are staring at Ye Chen, and his fear is shrouded in his heart.

Although these four people have just entered the realm of master, they are also masters!

Four people join hands, unexpectedly still can't touch that boy!

The key is killed!

The whole process, ye Chen only made two moves!

A punch!

A kick!

What kind of devil is this!

Ye Chen's cold eyes fell on the three masters of the Jiang family.

Indifferent voice sounded: "if I am not wrong, Xia Ruoxue is the three of you abducted it."

The voice was very light, but it exploded in the ears of the three masters of the Jiang family!

"If you don't speak, you'll admit it. In that case, die."

Ye Chen rushes to the front two people! He hates threats! More hate others to threaten with the people around him!

The two masters of the Jiang family changed their faces, and several steel needles appeared in their hands. They shot at Ye Chen without hesitation!

They are very clear, if close combat, they are not qualified to meet the guy in front of them!

The strength of the other side completely crush the general master!

This person's strength can definitely enter the Chinese master list!

How do they fight?

Unless Chen Baoguo and Shifu do it in person, it is possible to kill this son!

When the steel needle shot out, there was a sound of breaking through the air. They thought it would make the other party afraid, but they didn't expect that when the steel needle was about to fall on each other, they stopped! The steel needle suddenly twisted and landed on the ground!

"How could it be!"

The two people's faces changed greatly, but they didn't get clear from the shock. Ye Chen split his hands and one of them hit the ground on the spot. His body almost twisted and died completely.

When ye Chen was about to kill another man, a voice of exclamation rang out: "stop! If you dare to kill him, your woman will not want to live! "

Ye Chen's violent breath suddenly stopped, and his palm fell on the head of the Jiang family master. The fierce wind directly cracked the other side's cheek and blood oozed out.

Chapter 124

Not far away, Jiang song's hand appeared a short knife, and the knife is against the white neck of Xia Ruoxue!

As long as Jiang song moves, Xia Ruoxue will die!

"Ye Chen, if you dare to move my elder martial brother, Miss Xia will surely die."

Jiang song threatened.

And at the moment of Xia Ruoxue not a bit flustered, but looking at the distance of Ye Chen some surprise.

What happened to this guy?

Is he here to save himself?

Xia Ruoxue looked around again. When she saw those miserable corpses, her eyes were full of panic.

Are these all made by Ye Chen!

Jiang song saw Ye Chen did not speak, and continued: "I know your strength is very strong, but since you appear here, you want to save this woman! You'd better not act rashly. We are nothing but a humble life. This Miss Xia is a noble princess of Xia family in Jiangnan province. You should know who is worse. "

Ye Chen did not have any expression, but sighed: "you should not move her, really should not."

Jiang song snorted coldly: "boy, don't give me nonsense, now kneel down for me! Or I want this woman to die

"Ye Chen, don't listen to her, he dare not kill me!" Summer snow road.

Jiang song saw Xia Ruoxue so uncooperative, his face was a little angry: "Stinky bitch, don't give me nonsense, or I will directly wring your neck!"

Finish saying, he is to stare at Ye Chen, command way: "still did not let my person, then kneel down! Kneel on your knees! Come on

"You make me kneel? Are you sure? "

Ye Chen faint voice sounded, as if to hear what funny joke in general.

Jiang Songgang wanted to say something, saw Ye Chen move, a hand directly in front of Jiang family master's neck, "click!" With a sound, the neck was broken on the spot.

The cold killing intention covers the whole audience!

Jiang Song Mou son shrinks, ten thousand did not expect oneself to take summer such as snow threat, the other side is still indifferent!

Is this guy not afraid of Xia Ruxue's death!

Ye Chen throws the corpse out, and then walks towards Jiang song step by step.

Although there are hostages in Jiang song's hand, he is still flustered at this moment! Ye Chen's momentum is too terrible!

He can only use a knife to hold Xia Ruoxue and step back: "you don't come here, you come here one more step, I will really kill this woman! No matter how strong you are, how fast you are! It can't be faster than the knife in my hand

"Is it?"

Ye Chen outlines a cold smile at the corner of his mouth, and then shoots out a genuine Qi from his fingertips!

What an arrow! Cut through the sky!

"Puff!" One sound! Straight through Jiang song's eyebrows.

Jiang song eyes stare big, he didn't expect Ye Chen to hand at the last moment!

"Bang!"

His body fell straight to the back, lifeless.

Ye Chen glanced at Jiang song's body and said faintly, "you should be the man who talked to me. I gave you a chance on the phone. If you had chosen the former and let Ruoxue go, you might have been another ending. Unfortunately, you would have wanted to die. "

Summer if snow beautiful eyes dead staring at Ye Chen, she found that this man gave her too much surprise.

As the Pearl of Xia family, she has seen all kinds of characters, even martial arts masters!

But no strong man has such a means as ye Chen!

She suddenly thought of the Qin family genius that her father asked her to marry. Although the other party is a strong martial arts person, ye Chen is not bad at all!

She even has some small expectations in her heart. If ye Chen's strength is far more than that genius of Qin family, will she be able to change her father's mind!

Moreover, in so many countries, she found Ye Chen more attractive than those so-called big families or talented people!

At least in this moment, let her feel the security of the explosion!

Ye Chen has come to summer if snow in front of, worried way: "have hurt?"

Summer if snow shakes his head like a rattle drum: "No."

"Well, let's go. A lot of people are worried about you." Ye Chen Dao.

After all, in order to find Xia Ruoxue, the power of the whole Jiangcheng is surging.

Moreover, when ye Chen came to Beilun port, he accidentally found several bodies outside. Obviously, some people found them here, but because of their poor strength, they were directly killed by those people. Otherwise, there would be no news of Xia Ruoxue in the whole city.

Ye Chen then sent a few short messages to let those people not to look for it, but also let the king of Nanjiang come to deal with the body.

These bodies should be able to identify who's behind the scenes.

No matter what kind of power or family, ye Chen must be uprooted!

All of a sudden, Xia Ruoxue stopped, and his cool and proud eyes were staring at Ye Chen: "are you really an ancient warrior?"

Ye Chen a Zheng, nodded: "calculate is."

In fact, he was a practitioner, but he didn't want to explain it. Both the ancient martial arts world and the cultivation world were the existence of the respect of force, and the essence was the same. "Do you know the Qin family in Jiangnan province?" Summer if snow hesitated for a long time or road.

Ye Chen frowned and shook his head: "I don't know. Did they offend you? I don't mind killing it for you. "

Xia Ruoxue heard that ye Chen was going to destroy the Qin family. She took a breath of cool air and waved her hands repeatedly: "no, I'm just asking casually."

From childhood to adulthood, Xia Ruoxue heard the word Qin family in almost every banquet or family meeting.

These two words for all the families in Jiangnan Province, like the existence of high above!

She has never been to the Qin family, nor has she met any of them.

But it did not hinder her understanding of the horror of the Qin family.

Ye Chen's attempt to wipe out the Qin family is almost impossible!

In fact, Xia Ruoxue wants to resist the engagement and strive for her own happiness. Otherwise, she will not leave Xia's family early and come to Jiangnan province.

But as time went on, she found that there was not much time left for her.

The key is that the object of their engagement is actually the Qin family.

Once they resist, not only will she have an accident, the whole Xia family may no longer exist.

"Forget it, step by step, what chance do you hope to see..."

.....

At the same time, the Chen family villa.

There was silence.

Chen Baoguo and Jiang Yuanli were staring at the big screen in front of them without saying a word.

They even feel their breath choked.

Seven masters of Huajing can't kill a young man in his twenties!

You're kidding!

Anyone who practices martial arts will not believe it.

But the naked facts appeared before their eyes, and they could not refute it.

For a long time, Chen Baoguo took the lead in breaking the silence, saying: "according to the strength of the other side, at least you can enter the master list."

Jiang Yuanli nodded: "but judging from the opponent's hand, it seems that this guy doesn't have any martial arts skills. It's just the crushing of strength. I don't know whether those people are too weak to use the boy's martial arts skills, or because he doesn't have any martial arts skills."

Chapter 125

Chen Baoguo also said: "this is my only doubt now. This son kills all kinds of moves, and his means are cruel. But we can't see his real strength from the video. But just imagine, this boy is only in his twenties, and he has only practiced martial arts for five years. Even if he is a demon, he can't be our opponent who has practiced for decades! "

"What do you mean by master Chen, do you still decide to challenge this man in wudaotai?" Jiang Yuanli said.

Chen Baoguo stares at Ye Chen on the screen and says angrily: "of course! He killed my people cruelly. If he doesn't kill him, my martial arts realm can't go any further! If you let it go on, everyone will think that my Chen family is afraid of this boy!

I had planned to kill this son, but now it seems that the strength of the other side is good, so I can only torture him slowly. "

Jiang Yuanli took a look at Ye Chen's appearance. Somehow, he had some ominous premonition in his heart. However, since Chen Baoguo had made up his mind, he naturally wanted to support him. He turned his eyes and said, "if this boy should fight, I will ask Mr. Yuan to be the judge. With the friendship between me and Mr. Yuan, even if the boy has a chance to win, I will reduce him to zero!"

In the challenge of wudaotai, there will be several strong referees to preside over justice.

When Chen Baoguo heard of Mr. Yuan, he took a cold breath and said excitedly, "is it the old Yuan who once entered the 400 list of Chinese masters?"

Jiang Yuanli nodded: "yes! I'd like to see what the boy wins

.....

Jiangcheng Dadu apartment.

Ye Chen and Xia Ruoxue have just arrived home, and the door is pushed open before the buttocks are heated.

It was Xia Mu who came in!

Xia's mother came to Xia Ruoxue and carefully inspected every part of her body: "if snow Are you all right? How could you be taken away all of a sudden? "

Xia Ruoxue frowned at her mother's impoliteness, but she still said, "Mom, there's nothing wrong with it. It's just a misunderstanding."

"Misunderstanding?" Xia's mother's voice raised a few points, and even coldly glanced at Ye Chen, then she said to Xia ruoxuedao, "what misunderstanding will make you faint! What misunderstanding, will break the door and take you away! If snow, since some people can't guarantee your safety, you go home with me now! Your father has transferred three strong men from Jiangnan province. They are enough to protect you! "

Xia Ruoxue resolutely refused: "I will not go! I'm going to stay here and not go anywhere! "

Summer mother wants to take Xia Ruoxue by force, but when she sees Ye Chen's cold eyes, she dare not do so.

At present, the boy is really a little strange. The breath on the key body is like half of the body climbing out of the corpse heap. The murder of this boy that day broke out. Although it has been so many days, she still has some lingering fear.

Suddenly, Xia's mother thought of something and said to Xia Ruoxue, "if snow, you should know that your birthday is coming soon. You can come back here at any time after your birthday with me."

Xia Ruoxue some heart, after all, mother has done the biggest step back.

And anyway, she will attend the birthday party.

"What's more, your grandmother may return to Jiangcheng today to celebrate your birthday, so you don't want to see her?"

Xia Ruoxue heard the last sentence, her chest heaved and she was quite excited: "do you say grandma is coming? She's back from abroad? "

Summer mother nodded: "I don't need to cheat you on this matter."

Xia Ruoxue bit her lip and looked at Ye Chen. She just wanted to say something. Ye Chen nodded and said, "you go back. Meet the old man. By the way, please say hello to me. Also, I'll come to your birthday and I'll pick you up to your apartment."

Ye Chen has his reasons, most apartments are not safe, Xia Ruoxue back to the villa is a good choice.

What's more, he can see how much Xia Ruoxue cares about her grandmother.

Of course, more importantly, he has to clear some things these days.

He wants to nip all threats in the cradle.

Finally, Xia Ruoxue and her mother left together. Even before she left, she handed a development planning document of Tianzheng Group to Ye Chen.

He didn't know business, but he could see the value of the document.

As the president of Huamei and even the children of the top business family in Jiangnan Province, Xia Ruoxue has higher control over the development of the enterprise than Shen Haihua.

Ye Chengang is going to take this document to Tianzheng Group. Suddenly, a little boy about ten years old comes to the door of the apartment.

"Are you Uncle Ye Chen?"

Ye Chen nods.

"Uncle Ye Chen, a grandfather asked me to give it to you."

The little boy handed the letter in his hand to Ye Chen, and then he left skipping.

Ye Chen frowned slightly and opened the letter in doubt.

Soon found the text above!

"Kill me, Chen family. You can accept it! If you don't fight, you can keep the people around you, several times! "

Signature, Chen family, Chen Baoguo!The latter sentence is obviously a threat!

Ye Chen's eyes are slightly narrowed. When they killed Chen's father and son, they threatened him with the old man of Wuyishan. Now the old man is back.

Judging from the latter sentence, Xia Ruoxue's kidnapping is also related to the old man of the Chen family!

Only the master can avoid everything and take Xia Ruoxue away!

If you don't accept it, Sun Yi and Xia Ruoxue will not be peaceful!

"If you send it to the door yourself, I won't have to go to you."

Ye Chen's mouth appeared a cold radiance.

Later, Ye Chen left Dadu apartment and prepared to go to Tianzheng Group.

As soon as he arrived downstairs, a black business car stopped in front of him in an emergency. The door opened and Jin Lengyan hurried down.

"Mr. Ye, have you received the challenge letter from Wudaotai?"

Ye Chen a Zheng, immediately raised the letter in the hand, and said: "You say is this?"

Jin Lengyan grabbed the letter and glanced at it. His face changed greatly. He murmured: "It's true. Damn it..."

"What's the matter? How do you know that?" Ye Chen is very strange. After all, he has only received a minute. Is it true that the Jin family of Wudao family has received the news? It's too fast.

Jin Lengyan quickly explained: "Mr. Ye, Wudaotai has been posted for a long time. Now the whole force in Jiangcheng knows that you and Mr. Chen fought. Jiangcheng Wudaotai is a place for settling disputes, which has not been started for five or six years! Because on the Wudaotai, a warrior must die! Chen Baoguo obviously intends to kill you on Wudaotai."

Seeing that Ye Chen had no expression, Jin Lengyan continued: "Mr. Ye, the challenge letter from Wudaotai can be rejected. You just have to ignore it. It's not called recognition, it's called judging the situation! Besides, you have the Zhou family and the military behind you. Chen Baoguo dare not move you!"

She thought her persuasion would be useful, but she didn't expect Ye Chen to smile: "Why refuse? I haven't paid attention to Chen Baoguo. Since he has come to die, I will kill him."

Jin Lengyan's face turned pale: "Mr. Ye, you don't know the strength of Chen Baoguo at all! He stepped into the realm of master more than ten years ago! It is said that he got a very strong martial arts book when he practiced in Wuyi Mountain for so many years! Afraid of being watched by others, I hid in Wuyi

Mountain! Even my father may not have the strength to deal with such a strong man, let alone you!
Only one life! Don't be impulsive

If it wasn't for the pills she had seen a few days before ye Chen, she would not have come all the way to persuade her.

She knew that ye Chen was very powerful and even killed Jiang Wenlin easily. But can Jiang Wenlin compare with Chen Baoguo?

One by one, one by one!

"Mr. Ye..."

Jin Lengyan just wanted to say something, ye Chen interrupted: "wudaotai, I have to go. One day when the tiger comes back to the mountain, I'll make half the sky stained with blood! "

Chapter 126

"It's not a confession, it's a matter of judging the situation! Besides, you have the Zhou family and the military behind you. Chen Baoguo dare not move you! "

She thought her persuasion would be useful, but she didn't expect Ye Chen to smile: "why refuse? I haven't paid attention to Chen Baoguo. Since he has come to die, I will kill him. "

Jin Lengyan's face turned pale: "Mr. Ye, you don't know the strength of Chen Baoguo at all! He stepped into the realm of master more than ten years ago! It is said that he got a very strong martial arts book when he practiced in Wuyi Mountain for so many years! Afraid of being watched by others, I hid in Wuyi Mountain! Even my father may not have the strength to deal with such a strong man, let alone you!
Only one life! Don't be impulsive

If it wasn't for the pills she had seen a few days before ye Chen, she would not have come all the way to persuade her.

She knew that ye Chen was very powerful and even killed Jiang Wenlin easily. But can Jiang Wenlin compare with Chen Baoguo?

One by one, one by one!

"Mr. Ye..."

Jin Lengyan just wanted to say something, ye Chen interrupted: "wudaotai, I must go!"

Jin Lengyan did not expect Ye Chen to be so persistent.

It's no different from dying.

Once set foot on wudaotai, ye Chen will be mercilessly crushed.

The key Ye Chen has few acquaintances in Jiangcheng's martial arts circle. If Chen Baoguo tampers with the referee at that time.

This guy doesn't even have a chance.

Jin Lengyan sighs and says goodbye to Ye Chen. He goes back to the car and dials his father's phone.

"Dad, this guy still wants to go to wudaotai. Do we have to help?"

The other end of the phone was quiet for a few seconds, then came a majestic voice: "you prepare for the funeral company, prepare a better coffin for this boy, live can't repay, dead give him scenery big funeral."

Jin Lengyan's face changed slightly: "this Dad, is it a little too much? "

"Too much? My gold family gave him opportunities again and again, and he did not cherish them once! Who is too much! Also, I advise you not to be involved in Ye Chen's affairs. Even if this son has the source of pills, this kind of young man who doesn't know how to cover up his edge can't become a climate! "

"Yes, Dad."

.....

Ye Chen came to Tianzheng Group, just ready to go upstairs, ye Lingtian's phone also called.

"Temple master, do you want to accept Chen Baoguo's challenge?"

Ye Lingtian's rapid voice came.

"Where did it all spread to you?"

"Hall master, Chen Baoguo is very strong, at least he can enter the top 600 masters list! Do you want me to send someone to kill you? "

"No, I can handle it." Ye Chen light way.

"Hall master, it is said that Chen Baoguo still has a special martial arts book in his hand, so he can't take it lightly!"

Ye Lingtian has not finished, ye Chen then hung up the phone.

Just hung up, Zhou Zhengde also called.

Obviously, it's also about wudaotai! It's just to persuade yourself not to accept Chen Baoguo's challenge!

Not only that, Bai Li Bing, Zhu Rende and ye Chen's acquaintances almost all called!

No one is optimistic about ye Chen!

Ye Chen is looking for death! Persuade him to give up the challenge of wudaotai!

This angry Ye Chen almost fell off his mobile phone, as for this group of people as long as other people's ambition to destroy their own prestige?

Fortunately, Shen Haihua and Sun Yi didn't know about it. They directly told him about the group.

At present, the group has been negotiating with several pharmaceutical factories in Jiangcheng, and the progress is faster through acquisition.

It is expected to be on the production line on the first of the next month.

"Mr. Ye, now there is a big problem in front of us. The drugs we produce are some special, so it is very difficult to record and approve there.

I can't get down at all. Even if the approval is successful, once the prescription of the drug is filed, the confidentiality will have a great impact.

In the end, those people are less likely to allow such things to exist. "

Ye Chen thought for a while and said, "I'll give you a reply in the evening."

"Yes, Mr. Ye."

Shen Haihua is very clear that without Ye Chen's connections, Tianzheng Group will not develop at all.

But now they are obviously subordinates, and it's strange to call Mr. Ye, but ye Chen is not allowed to be called Ye Zong.

Because Sun Yi had to work overtime today, ye Chen had to go back first. Just after leaving the gate, the phone rang again. It was a strange number.

Ye Chen hangs up the phone directly. Maybe it's someone who advises him not to go to wudaotai.

But after a few seconds, and ring, helpless, ye Chen then answered the phone.

A low voice came from the other end of the phone: "Ye Chen, I should be holding it. I went out of the door and went to the direction of eight o'clock. There was a white van with double flashing, and got on the bus directly."

With that, the phone hung up.

Should we? This guy said to give himself news in three days. How many days has it been?

At present, the approval of Tianzheng Group is not just in need of help? It is obviously more efficient if we directly rely on Yingqing.

Want to understand all this, ye Chen directly toward the position of Ying Qing said.

Sure enough, there was a white van at the intersection, and the key van was very shabby.

So no cards?

Not even a decent car?

Ye Chen opens the door and sits directly in. He finds Ying Qing sitting inside.

Ying Qing was slightly sorry and said, "I'm really sorry. I've been delayed these days. Now in the past, do you have time?"

Ye Chen nodded: "OK."

Yingqing made a gesture to the rearview mirror, and the man with inch head driving started the van and went to the west of Jiangcheng.

Half an hour later.

The car has been verified by many levels of checkpoints and stopped in front of a special building.

"Ye Chen, this pass card is on you." Ying Qing handed a green card to Ye Chen, and then ordered, "follow me. I'll see that person later. I hope you can be restrained a little bit, whether you are for Tianzheng Group or for yourself."

The words are even threatening.

Ye Chen did not speak, to his convergence can, if the other side too much, no wonder he.

After a while, Ying Qing took Ye Chen to a special meeting room. He knocked on the door and said outside: "report, ye Chen has arrived!"

"Let him in." A majestic voice came from the conference room.

The door opened, ye Chen walked in, and soon saw a middle-aged man in casual clothes with his back to himself, his hands behind him, looking out of the window.

Although the other side does not have any action, but ye Chen can feel that the other side is a warrior, the strength is not weak.

Even ye Chen felt a little danger.

At this time, the middle-aged man said: "Ye Chen, male, from Jiangcheng, Jiangnan province. His father, ye Tianzheng, and his mother, Jiang Peirong, died five years ago in the Yunhu villa massacre in Jiangcheng. Five years later, ye Chen died and came back to Jiangcheng. He has entered the realm of a master..."

Chapter 127

The middle-aged man said finally, turning around, the sharp eyes like an eagle seem to penetrate the heart!

"Ye Chen, your resume of this period of time alone is enough to crush others for a lifetime."

Ye Chen Mou son a congealing, the information in front is found is nothing, but he never thought, killed Jiang Wenlin, was also found by the other party.

It seems that there is no airtight wall in this world. It's easy for the real Chinese authorities to find out something!

The middle-aged man sat on the chair and poured two cups of tea. "I'm really curious about where you've been in the last five years. I've even mobilized satellites for you, but I haven't found out."

"I'm not only curious about this, but I'm more curious about your courage to accept the challenge of a master who has been in martial arts for decades!"

Words fall, the middle-aged man in the hands of the cohesion of energy, fierce in front of the tea cup pushed out!

The tea cup glides along the tabletop, the gust of strong Qi gushes, the speed is extremely fast, but the drip does not scatter again!

Ye Chen snorted coldly, stretched out his hand directly, the tea cup stopped, and the vigor was rippling!

He picked up the teacup and drank it calmly. Then he said, "you're so much nonsense!"

The middle-aged man's face changed slightly. He knew better than anyone what kind of power the teacup he had just pushed out!

Even if the master is strong, he may not be able to catch it intact!

Even if lucky catch, strong enough to tear the cup!

But ye Chen not only caught the tea cup, but also broke up his energy!

His old well not wave's heart has been greatly shaken, this son's strength he far underestimated!

Suppressing his shock, the middle-aged man said, "introduce yourself. My name is Lei Shuwei. I heard Ying Qing say that you want to cooperate with the dragon soul commando team? What kind of cooperation? Now, with the help of Zhou family, many problems will be solved easily. "

"Of course, if you choose to join the dragon soul commando, I can do many things for you. Your strength is worth it!"

Ye Chen knocked on the table with his finger: "join you? impossible! I'm used to it. "

"Now Tianzheng Group needs to produce drugs. Some procedures are too troublesome. I just want to ask you if you can give the green light on this matter. If not, I will go immediately."

Ye Chen has stood up.

Lei Shuwei pondered for a few seconds and said seriously, "I can help you with this piece, but what can we get? Win win is the best situation. "

Ye Chen snorted coldly, took out a pill from his pocket and threw it out directly: "I can give you 200 of this kind of thing. I can't bargain."

His attitude is extremely tough.

Lei Shuwei took the pill. He heard Ying Qing say that he had an excellent healing Pill on his body. When he saw the Danwen, his eyes suddenly shrunk.

Sure enough!

The effect is excellent!

This son absolutely controls a lot of pills!

For the dragon soul commando, this pill is too important.

"Five hundred." Lei Shuwei thought for a moment and bargained.

He must strive for more pills to maximize his interests.

Five hundred ye Chen certainly won't agree, but adding 100 to 200 should be no problem for him.

Ye Chen hears this number, throws the door directly and goes, the bird does not want the bird.

He gave 200 of them, which is based on the fact that the dragon soul commando team has made contributions to the country, but some people are so greedy that he can't be blamed.

Seeing ye Chen going, Lei Shuwei knew that he had made a mistake in his prediction. He even said, "stop! Two hundred, two hundred! "

Ye Chen stopped and changed his mind and said, "I've changed my mind now. If you can, you can make a deal directly. If you can't, I'll leave immediately."

Lei Shuwei was furious!

Who dares to talk to him like this in China!

I agree with the other party's conditions! The other side has shrunk by half!

He lost a lot!

He just wanted to say something, ye Chen's faint voice sounded again: "if I don't make a decision in five seconds, I may change my attention! 5、 4... "

Lei Shuwei has an inexplicable sense of suffocation in his heart. He thought he was in charge of everything, but he didn't expect that the boy changed from passive to active in an instant!

He has no choice! If it was not for the army, he would not have come to the base of Jiangcheng!

"Deal

Lei Shuwei makes a decision when ye Chen counts to two.

"In that case, make an agreement." Ye Chen Dao.

Lei Shuwei's eyes widened: "can't you think that the dragon soul commando and my identity, as for cheating you."

"It's hard to say."

"You --"

in a minute, someone prepared two agreements.

Lei Shuwei was cold all the way. He was about to sign. Ye Chen interrupted: "wait a minute! One more. "

Lei Shuwei is really going to be angry. He flushed his face and roared: "Ye Chen, don't push your luck!"Ye Chen did not pay attention to, directly said: "add another one, I personally send another 100 to the wounded soldiers for the country."

Lei Shuwei was stunned. His eyes were full of accidents and incomprehension.

In this way, he found that the young man had no imagination, and he didn't know what to do. Although his temper was violent and changeable, his emotional intelligence was extremely high.

Now he feels that he owes the other party something.

Ye Chen signed, took a document and went outside.

"Well, you ask Ying Qing to pick it up tomorrow. Call me in advance before taking it. As for the affairs of Tianzheng Group, you can find someone to connect with Shen Haihua."

When ye Chen was about to walk out of the room, Lei Shuwei thought of something and said, "wudaotai, you can refuse. As far as I know, it's not only Chen Baoguo who will deal with you this time, but also the martial arts family Jiang family! If there are their people in the referee's seat, it's definitely a dead end for you

Ye Chen stopped, hesitated for a few seconds, or disappeared in the sight of Lei Shuwei.

Not long, should Qing walked in: "chief, with Ye Chen's character certainly will go."

Lei Shuwei, with his eyes slightly narrowed, said: "prepare for the plane. I went to the Central Committee all night to ask the leader to approve the document. Take this document and hide it under the stage. If the two unknown masters kill Ye Chen, show the document directly! Protect this man

Yingqing heart set off a million waves, the head actually for ye Chen asked the capital that! Is it more important to protect this person?

As for it! The man is in charge of not only state affairs, but also ye Chen?

You're kidding!

Chief, what are you doing!

For so many years, he has never seen the chief so concerned about a person!

"Chief Is he worth it? " Should be the voice of uncertainty or ring.

Lei Shuwei's eyes seemed to flash a fine light, extremely complicated: "it's worth it or not, just see the result of wudaotai! Gold - Lin is not a thing in the pool, once the wind and cloud change dragon! I, Lei Shuwei, bet that this son will turn into a dragon

Chapter 128

.....

At night, ye Chen didn't go back to Dadu apartment and went directly to Tangchen Yipin.

He didn't have 200 pills at all, so he had to refine them before tomorrow.

Fortunately, the medicine is enough, and with the cooperation of Baicao Ding, it should not take too long.

The whole house was wrapped by the fragrance of medicine.

Ye Chen even felt that his accomplishments had been improved.

"Baicao Ding is really not a common thing. I spent hundreds of millions to buy it, and absolutely earned blood!"

At the same time, most apartments.

Sun Yi went home directly after work and found that there was no one at home.

Compared with the bustle of the past three people, the current apartment is too cold.

Ye Chen has told her during the day that Xia Ruoxue was picked up by Xia's mother. She also understands.

But she didn't understand why Ye Chen didn't come back?

Out again? Why don't you say it to yourself?

Sun Yi was watching TV while waiting in her apartment. At 11:00 p.m., she found that ye Chen had not come back.

She couldn't help calling, but no one answered.

"This guy can't have an accident..."

Sun Yi's worry is especially strong. After all, there are too many things happening these days.

There are many people who want to deal with Ye Chen and Tianzheng Group.

Sun Yi thinks more and more flustered, although she does not want to admit, but ye Chen does occupy more and more weight in her heart.

I don't know when she was used to this man.

Sun Yi paced back and forth in the living room, frowning and worried.

Suddenly, she thought of something and took out a delicate key from the room.

This is at the beginning of two people in the taxi chatting about Tangchen Yipin, ye Chen gave her.

She always thought Ye Chen was joking, but what happened later seemed to be that ye Chen really had strength.

"This guy doesn't really have a suite in Tomson Yipin..."

Tianzheng Group's current registered capital is 100 million, ye Chen 100% holding.

But the price of Tomson Yipin is far more than 100 million

The key point was that when the guy gave her the key, he seemed penniless. He even asked her to borrow 3000 yuan.

Under the devil's will, Sun Yi came to Tangchen Yipin and showed the key. Those security guards welcomed him with a smile.

Take the elevator to the top floor.

Soon she came to a gate. She shook her hands and inserted the key.

"It can't be true..."

At this moment, Sun Yi was a little flustered.

She twists a little, only to hear "click"!

The door is open!

At the moment, sun Yizheng is in the same place, like five thunder thunders!

She never thought Ye Chen would have a suite in Tomson Yipin! This is the top District in Jiangcheng!

Still on the top! River view house!

Even more upscale than villas!

How can this guy give himself such a valuable key at will?

What's more, since he has such a luxury house, why does he still live in a large apartment?

Sun Yi's nose tip slightly moved, smelled a smell of medicine, she gently opened the door, saw a pair of let her lifelong unforgettable picture!

Ye Chen sits cross legged with a golden light covering his whole body. In front of him is an ancient and simple Dan Ding!

The key seems to have a flame from ye Chen's palm!

Weird to the extreme!

"Ding."

The last batch of pills was refined, and ye Chen opened his eyes.

He found something. He clapped his palm on the ground and jumped back. Naturally, he found Sun Yi standing at the door as if he were petrified.

"Sun Yi? Why are you here... "

Sun Yi recovered from the shock for a long time, and said in a trembling voice, "Ye Chen, is this really yours?"

Ye Chen smiles and nods. Now, there is nothing to hide.

It's just a property.

Ye Chen directly pulled Sun Yi in: "don't come in and have a look?"

Sun Yi nodded, ignored the Dan Ding, went around the indoor swimming pool several times, and then came to the French window.

From this point of view to the outside, Jiangcheng has a panoramic view!

The scenery is wonderful!!

If you can live in this place, it's like a fairy!

Over the years, every time she passed through Tangchen Yipin, she would take a few envious glances. She never expected that she would one day stand on the top of Tangchen Yipin and overlook Jiangcheng.

But now, has it come true?

Sun Yi Ran to another room and jumped up to the soft big bed!

I don't want to.

The proud peaks trembled through the clothes, and the spring appeared. This is not only the decoration and location, but also the place she dreams of!

Ye Chen also saw Sun Yi's love and said with a smile, "if you like, this house will be given to you. Tomorrow I'll send someone to transfer the ownership. "

Five years ago, Sun Yi was desperate to bury the three members of the Ye family, far from being able to repay with a single house.

What's more, the house is not what ye Chen pursues at all. With his strength, he can easily refine a few pills and change into several villas. In the future, Tianzheng Group will be able to make more money, not to mention Jiangcheng. Even the houses in the core area of the first ring of the capital city can be bought one by one.

What he is pursuing now is the highest realm of martial arts.

Because only the strong can survive in the world of the weak and the strong. When China's affairs are completed, he should also go to Kunlun.

Hearing Ye Chen's words, Sun Yi shook her head in a hurry: "no, no, no, you're kidding! I don't want to transfer the ownership of the house

"I owe you more than a house." Ye Chen Dao.

Sun Yi was stunned. Naturally, she thought about what happened five years ago. She didn't want Ye Chen to be sad, so she changed the topic and said, "well, anyway, no one lives in such a big house. Unfortunately, most of the apartments are empty first. I move here! No, I have to stay here tonight! I want to fulfill a wish I made a few years ago

"If snow comes back, you won't have to squeeze a bed with her every day. With so many rooms and one sleep a day, it's not like a week!"

Sun Yi felt the spring on the trampoline directly.

The chest apparatus was undulating and magnificent.

After a while, Sun Yi went directly back to Dadu apartment and took some necessities!

She decided to stay here!

In terms of comfort and convenience, there are more than ten blocks of apartments here!

Ye Chen is casual. It's too big here. His room has a secret room close to 100 Ping. When it comes to alchemy or cultivation, it will not affect.

He had planned to explain the alchemy to Sun Yi, but the girl was completely fascinated by the decoration and style of Tangchen Yipin, and didn't want to ask.

"Forget it. I'll talk about it then."

After finishing her clothes, Sun Yi took a bath directly in the bathtub. Tangchen Yipin has four bathrooms, each of which is equipped with a bathtub as standard. Even if there are more people living there, there will be no rush to the bathroom.

Sun Yi, who was soaked in bath, wrapped a bath towel and put on a mask. What he thought of suddenly asked him, "Xiao Chen Zi, the day after tomorrow is the birthday of snow. What are you going to send snow?" To remind you, don't be naive to buy chocolate for girls It's out of date. "

Ye Chen one Zheng, facial expression some is not right, Xia Ruoxue's birthday unexpectedly in the day after tomorrow?

The challenge of wudaotai is the day after tomorrow!

Two things come together!

Chapter 129

Sun Yi finished the mask, and returned to the room quite ceremonial.

Before leaving, he even joked to Ye Chen: "the dream of our palace for so many years has finally come true, thanks to xiaochenzi."

"By the way, xiaochenzi, lonely night, spring curfew, lonely man and little girl, do you mind sleeping in this palace?"

Ye Chen pretends to stand up, and Sun Yi spits out her tongue to Ye Chen and closes the door with a song.

"My aunt is here today. Another day."

Change "day"?

Ye Chen touched his nose helplessly and went back to his room. He entered the secret room and began to practice.

Although he has the absolute confidence to defeat Chen Baoguo, but for the sake of insurance, there is nothing wrong with improving the strength.

Even if there is an accident, he still has the biggest card!

Black stone, activate the great power!

I don't know how powerful the ancient characters are?

"Forget it. Don't think about it. Practice at ease."

Now he is in the seventh level of Kaiyuan realm. Take some pills and try to break through to the eighth level tonight.

Ye Chen closed his eyes, running "nine days Xuan Yang Jue", a faint light from the body exudes.

His whole body was covered by a red light, and the powerful breath made a burst of dragon chant from the Dantian.

At this time, a black stone flew up, suspended in the top of Ye Chen!

A trace of aura shot from the stone, but also into Ye Chen's eyebrows!

All of a sudden, the red light of the whole room flickers, and ye Chen's cultivation is also rapidly climbing!

.....

The next day, ye Chen opened his eyes and exhaled a breath of turbid Qi.

After a night of practice, he successfully entered the eighth level of Kaiyuan realm.

"The speed of cultivation is too fast. In principle, the aura of China is thin, far less rich than that of that place. The speed of breakthrough should be slower, but the situation is just the opposite?"

Ye Chen's sight falls on the black stone.

"Is it because of you?"

At this time, the black stone was suspended, even more gently shaking, as if nodding.

"Sleeping trough! Can you move the stone? "

Words fall, the black stone fell into silence, as if some angry.

Ye Chen intended to continue to study stones, but Sun Yi's voice came from outside:

"xiaochenzi, breakfast! This palace is not waiting for you. "

"Coming!"

After breakfast, Sun Yi went to Tianzheng Group, and ye Chen called Ying Qing and asked him to take pills.

Ten minutes time, should Qing to come to Tangchen Yipin, ring the doorbell.

Ye Chen opens the door, Ying Qing excitedly says: "Mr. Ye, excuse me..."

After what happened yesterday, Ying Qing even changed her voice.

He knew very well how important the chief's words were! And the chief is extremely optimistic about the man in front of him!

Ye Chen took a look at the two people at the door, nodded and took the plastic bag on the table and handed it to Ying Qing.

Ying Qing thought it was breakfast, and quickly waved his hand: "Mr. Ye, you are so polite. I had breakfast in the base."

Ye Chen a Zheng, white one eye should Qing, way: "200 pills are in inside, if you don't want, that even if."

Yeah?

Pills?

Should hold out his hand subconsciously, he found that his hands are a little stiff.

How can you use this kind of plastic bag to pack such expensive pills?

You're kidding!

What if the pills are contaminated!

Should Qing reaction over, take over the plastic bag in disbelief, swept a glance, the face is instantly pale!

Lying trough, this guy actually put pills in it!

What a monster!

He looked flustered, and quickly told his companion, "come on! Bring the oxygen free protection on the car

"Captain, but the device contains blood samples from this mission..."

Ying Qing scolded: "throw it directly! Blood samples can be collected again, how to deal with the problem of pills! Go

"Yes! Captain

Ye Chen can't help laughing at the two people's great reaction, and reminds him: "the pills I refined are not so fragile. They don't need an anaerobic environment. Just pack them in plastic bags. Don't worry. If you have any problems, you can go to me directly and pay 10 for the damage."

Ying Qing hears Ye Chen's assurance and breathes a long breath. He also gives Ye Chen a standard military salute: "on behalf of the dragon soul commando team, I thank you for everything you have done!"

"Don't give me that. Don't give it to me!"

Ye Chen was just about to close the door. Ying Qing said in a hurry: "there is one more thing. The chief asked me to inform you that no matter what tricks Chen Baoguo and Jiang's family play tomorrow, we will do it when necessary."

"Thank you."

The gate closes.....

At the same time, a teahouse in Jiangcheng.

Chen Baoguo and Jiang Yuanli sat on both sides, and at the top sat an old man with a terrible breath.

The old man is one of the judges of wudaotai, Yuan Jingfu!

Once entered the top 400 of Chinese masters list!

What's the concept of the first 400!

He's only 514 Jiang Yuanli! And after so many years of practice, I can't even enter the top 500!

Yuan Jingfu has been active in Jiangnan province for the past ten years, laying a foundation in Jiangnan province.

Not only that, he is also the vice president of the martial arts association of Jiangnan province!

How many martial arts masters can't enter the Wudao association even though they have broken their heads!

It can be seen how noble yuan Jingfu's identity is.

According to the Convention, Yuan Jingfu is in charge of wudaotai in Jiangcheng. As long as wudaotai is started, he will come to judge.

At the moment, Yuan Jingfu drank Wuyishan's Dahongpao and looked at the two people in front of him with interest: "two Jiangcheng Wudao masters, please come here for tea."

Chen Baoguo quickly took a brocade box and placed it carefully in front of Yuan Jingfu: "in front of Mr. Yuan, how can we call him a master! It's just a junior. "

"This is from the younger generation

Yuan Jingfu has been used to this kind of thing for a long time. It is normal for the weak to respect the strong and seek refuge.

He opened the box and glanced at it. Suddenly, his eyes shrank and he said in surprise, "the thousand year old spirit seeking ginseng! It's a big gift. It's a bit expensive. "

This spirit seeking ginseng has a strong stabilizing effect on the breakthrough of martial arts, especially for the existence of Yuan Jingfu's realm.

The key year is over the millennium, which is extremely rare.

"It's not expensive. It's only Mr. Yuan who deserves it."

Yuan Jingfu took a deep look at Chen Baoguo and nodded: "you are very good. You can try to apply for admission to the martial arts association of Jiangnan province when your realm is further improved."

Chen Baoguo's face turned red, obviously a little excited.

After a while, he thought of the biggest purpose of coming here, and even said, "Mr. Yuan, tomorrow is the battle between the younger generation and the boy's wudaotai. What's your opinion?"

Yuan Jingfu's eyes narrowed slightly. Of course, he understood the meaning of the other party and said with a smile: "the other party is only in his twenties, and his hair has not grown up. You have no confidence?"

Chen Baoguo quickly shook his head: "no, no, no, old yuan, don't look down on that boy. I heard that the boy got a magic pill from the auction. After taking it, he can increase his strength greatly! I'm afraid it will be unfair for this son to treat me with this pill! "

"What's more, the boy has already spoken, threatening to kill me in wudaotai, even boasting that even if you are here, you can't stop it!"

This is the explanation that Chen Baoguo and Jiang Yuanli discussed yesterday, trying to discredit Ye Chen.

Yuan Jingfu listened to Ye Chen's use of this kind of forbidden pill, and even more drew himself to it. He snorted coldly and clapped his palm on the table: "he dares! With me, Yuan Jingfu, if he defeats you with forbidden pills, I will make him kneel down in front of you and apologize with death! "

Chapter 130

Chen Baoguo was overjoyed when he heard yuan Jingfu's statement!

Yuan Jingfu is the judge of wudaotai this time! Another top player!

With such a master, what room does Ye Chen have to win!

Yuan Jingfu suddenly thought of something. He looked at Chen Baoguo and said curiously, "you initiated wudaotai this time? Do you have a deep blood feud with Ye Chen

Hearing this, Chen Baoguo trembled and his eyes were full of bloodstains: "this son killed my son and grandson! Let me have no empress! Can I not avenge this

Yuan Jingfu was stunned. Just about to speak, Jiang Yuanli also said: "this son is a violent man. He kills people without blinking an eye. My youngest son, Jiang Wenlin, took a pill that day. This son had the heart of prying and killed my son cruelly! This kind of guy is the scum of ancient martial arts

"Hiss -"

yuan Jingfu took a breath of cold air. This boy called Ye Chen was too crazy. He killed the sons of two top masters in Jiangcheng one after another.

Completely reckless!

He also had a trace of anger in his heart, and assured them: "don't worry. I'll take care of the things tomorrow. Even if the heavenly king and Laozi come, don't try to save this son! This kind of evil animal should be humiliated and killed! "

Jiang Yuanli clenched his fist, then his eyes turned and clapped his hands. He said to the outside of the box: "bring people in."

A few seconds later, three women with a bumpy figure came in.

He understood yuan's preferences, and was more interested in women than in practice.

Although very old, but as an ancient warrior, that ability is better than ordinary people.

Jiang Yuanli said respectfully: "Mr. Yuan, these three are female college students of Jiangbei University. They have been admiring you all the time. They intend to go back to your room and discuss some moves with you..."

Yuan Jingfu saw the three young girls, their eyes showing a trace of * *, touched their beards and laughed: "it's easy to say, now female college students are eager to learn. As an elder, I naturally want to comfort them."

.....

Top floor of Tomson Yipin.

Ye Chen received a call from Shen Haihua.

The two products of Tianzheng Group have been put on record successfully, and the license has been obtained. Shen Haihua has been amazed by the speed at which he has been on the phone.

After all, it will take a week as soon as it can be used.

But ye Chen arranged for the people to do it in just one day.

With the license, the assembly line will be built much faster, and the time for mass production will be greatly shortened. Sun Yi has started marketing.

It's estimated that it won't be long before it's successfully launched.

Later, to yechen's surprise, Xia Ruxue sent a wechat video, complaining about her boring days in the villa.

In recent days, many young talents in Jiangnan province have come to Jiangcheng for the first time, mostly to prepare for Xia Ruoxue's birthday.

So Xia Ruoxue is not to see this, or to be dragged by her mother to see that.

The Xia family has found that the development of the family is in a weak state, so all kinds of relationships need to be maintained by the next generation.

"By the way, ye Chen, today my mother told me that you may not be able to come to my birthday? Is that really the case? "

After chatting for a long time, Xia ruoshue entered the topic, which was what she wanted to know most.

Ye Chen hesitated for a few seconds and laughed: "don't worry, I will arrive on time tomorrow."

Hearing Ye Chen's assurance, Xia Ruoxue breathed a long breath at that end. Then, her smart eyes blinked slightly: "can you disclose in advance, what is the thing sent to me tomorrow?"

Ye Chen showed a mysterious smile and said, "this gift should only belong to you."

"Ye Chen, what's the difference between what you said and what you didn't say, I protest!" Xia Ruoxue frowned and pretended to be a stranger.

Who would have thought that the once cold and proud president of iceberg would have such a small woman's side.

"The protest was invalid."

The video just hung up.

Later, ye Chen took out a tortoise shell and three copper coins from the cabinet.

With a slight toss, I pinched my fingers and began to try to calculate the bad luck of tomorrow.

However, tortoise shell did not respond in the slightest. What was more strange was that three copper coins fell down and there were no positive and negative sides. Instead, they stood on the table.

In the past five years, this has been the result.

At the beginning, ye Chen is still a little curious. After that, he is really used to and numb.

"Is it true that the old man said that my life is not even entitled to the law of heaven?"

No longer think more, ye Chen closed his eyes and entered the state of cultivation.

.....

The next day, at 10 a.m.

Ye Chen opens his eyes and suddenly shoots out a cold killing opportunity.

"It's almost time to start."

Ye Chen gets up. There is a breakfast left by Sun Yi in the living room. There is also a note on the table to remind Ye Chen that if the breakfast is cold, go to the microwave oven for a while.

Sun Yi even worried that ye Chen would not use the microwave oven, so she wrote down the specific steps on the note. "This girl, I really don't know anything?"

After eating Sun Yi's love breakfast, ye Chen goes downstairs as usual.

He was going to call a taxi, but found a black Mercedes Benz business car had stopped at the door.

Outside the car stood a rather amorous woman, it was Jin Lengyan.

Seeing ye Chen, Jin Lengyan quickly stepped up and said, "Mr. Ye, are you really going to wudaotai?"

"Otherwise?" Ye Chen shrugged.

Now Mr. Jinye will not help me to open the door

In fact, she is very clear in her heart that this may be the last layer she sent Ye Chen.

"Good."

Ye Chen light way.

On the car, ye Chen sat down and closed his eyes. Jin Lengyan asked Ye Chen several times if he had any wish that he had not finished. He swallowed it again in his mouth.

"Alas."

Her father reminded her that there was no need to contact Ye Chen again, but every time she thought of a martial arts genius, she still felt a little pity.

Half an hour later, the car stopped slowly.

"Mr. Ye, here we are."

"Good."

Ye Chen got out of the car and noticed that it was a place similar to a football field.

In the middle of the field stands a challenge arena made of a huge stone.

There are all kinds of sword marks and signs of damage around the arena, some of which are ancient.

It may be because wudaotai has not been used for a long time, and it has accumulated some dust.

Not only that, ye Chen also found that many people gathered in the stands around the challenge arena, most of them ancient martial artists.

The strength is not too strong. I must hear the news to see the good play.

Of course, there are also several Ye Chen can not see the strength of the strong.

Ye Chen's eyes suddenly swept toward several directions, but found many acquaintances.

Zhu Rende's family.

Bai Li Bing, Luo Zhengguo, Ying Qing.

Zhou Zhengde and his son Zhou Fulu.

Chu shuran.

Helmsman.

Wait.

All of a sudden, ye Chen's eyes shrank and his eyes fell on a man in black, sunglasses and cap beside the rudder Lord.

If you don't look carefully, you will think that this man is under the helmsman.

But in fact, ye Chen found that this guy is actually the king of Nanjiang!

The famous King of Nanjiang in Jiangnan province!
