### Chapter 141

The atmosphere on the field was a little solidified.

Xia mother changed her face greatly, and hurriedly said to Qin yuanqiang: "Mr. Qin, the little girl is joking, she must go to..."

"I said no, and, mom, you didn't promise me to go to the metropolis for a while?" Summer snow is very serious.

She knows that there are things to fight for herself! Once I went to Qin's house this time, it must not be a good thing!

Qin yuanqiang's face was a little wrong, and his voice was cold. The pressure was released: "my young master doesn't like to refuse, he doesn't like it very much. Once he is unhappy, the consequences are very serious..."

Just as the sword was in the open, a burst of cheerful laughter came.

Laughter fell, that Qin yuan strong prestige all broken!

Qin yuanqiang was slightly surprised, looking down the source of laughter, and saw an old man walking slowly towards them.

See the old man's appearance, Qin yuanqiang and Xia mother face greatly changed!

Wujia, wuxiangming!

Summer mother clearly remember, when she invited Wu family, she was directly rejected.

What's the matter with each other?

Wu Mingming behind but represents the Wu family.

His position in Qin family is only a dog, but Wuxiang Ming is different. He has certain power in Qin family!

By the way, wuxiangming seems to be one of the judges of wudaotai. It is obvious that wuxiangming will come to celebrate Ruoshui's birthday.

But even if it is the road to celebrate, that is also an extra surprise for Xia family!

Xia family many times want to build a good relationship with Wu family, are ruthlessly rejected, but who can think, Xia Ruoshui's birthday even wuxiangming attracted!

Xia Ruoxue is just the star of Xia family!

No longer think more, summer mother met up, the smile on her face was full of flattery: "Mr. Wu, you come far away, really let us some surprise!"

Wu Xiangming smiled: "Miss Xia's birthday party, my Wu family will still be in the audience."

"Hissing" -

hearing this, not only summer mother, but also the family brothers who have been paying attention to the situation here all take a breath of cool air.

Wu family actually gives xiaruoxue face so!

In Jiangnan Province, Wu family is famous for "closed door country"! There is no way to have too much contact with other families!

But today, I gave xiaruoxue the face! It's weird!

Summer mother smile closed mouth, hurriedly to Xia Ruoxue way: "if snow, still not thank Mr. Wu."

Xia ruoche just wanted to talk, Wu Xiang Ming smiled: "no need, they are their own people."

Who are you?

Now, everyone is more ignorant!

Xia family and Wu family have not been associated with each other. In other words, Wu family has been unable to see Xia family, when will it become their own people?

Wu Xiang Ming looked at qinyuanqiang and said to Xia Ruoshui: "Miss Xia, I heard that the river city is beautiful this season. I suggest Miss Xia stay here for a while."

"Mrs. Xia, do you mean it?"

Xia mother can only nod: "Mr. Wu said it correctly..."

Qin yuanqiang, who has been cold, is a little unhappy. He said to wumingming: "wumingming, what do you mean? You should know that Xia Ruoshui will be my Qin family after that!"

Wu Xiangming sneered: "don't say too early, who can know the future!"

Qin yuanqiang knew that wumingming came at him and said angrily: "wumingming, please make sure that your Wu family is not the Wu family thousands of years ago. Now Jiangnan province is not your Wujia. If you offend Qin family, you should know what consequences!"

Wujia?

Wu Xiang Ming sneered, now in his eyes, Wu family is what! He only surrender for one person, that is Ye Chen!

The relationship between xiaruoxue and ye Chen has been investigated. Naturally, Xia Ruoshui will not go to Qin's house!

As for the contradiction between Qin family and Wu family, then wait for later!

"Qin yuanqiang, Qin family is really stronger than Wu family, but you are only a dog of Qin family. What is it in front of me! I Wu Xiang Ming can represent Wu family. Can you represent Qin family by your dog!"

"You" -

qinyuanqiang was almost killed by Qi. The cold pressure was released, but it was easily broken by wuxiangming!

"Hum! Let's go! " Qin yuanqiang waved his sleeves and went straight to the rest area on one side!

Obviously, it's a counselling!

Seeing this scene, summer mother did not know what to do for a while.

How could the two strong men be like the explosive!

But Qin Yuanqiang is not in a high position in Qin family. Now she has Wuxiang Ming. She knows who is important.

So Xia Mu flattered: "Mr. Wu, if there is time, I, Hongye and my little girl will visit Wu's house, and ask Mr. Wu to give us more good words."

Wu Xiang Ming nodded and looked at Xiaruoshui, and said with great respect: "Miss Xia's face, Wu Mou is still to sell it. Birthday party should start soon. Wu Mou is in a hurry, but also prepared a thin ceremony. I hope Miss Xia should not abandon it..." "I don't dislike Mr. Wu is very kind..." Xia Ruoxue is a little confused.

Wu Xiangming's status is so noble that his mother should be careful to serve him. But why is he so respectful to himself?

I'm afraid of offending her.

Summer mother is also very muddled ah, in the past, others are looking at the face of the Xia family and being polite to Xia Ruoxue.

Now, it turns out that the other party seems to be looking at Xia Ruoxue's face and is polite to the Xia family.

What the hell is this?

Xia's mother racked her brain and didn't understand it. Suddenly, she thought of something, and a smile appeared on her lips: "by the way, I heard that Mr. Wu came to Jiangcheng because of the battle between Chen Baoguo and ye Chenwu. I don't know if ye Chen is still alive or not?"

Hearing this, Xia Ruoxue's face turned pale in an instant.

What wudaotai? What war?

Is something wrong with Ye Chen?

Yes, ye Chen promised that he would come early, but why did he not see his figure!

Is something really wrong?

Seeing that Wu Xiangming did not speak, Xia's mother continued: "Ye Chen is also looking for death. How dare he accept the challenge of Chen Baoguo, the top master of Jiangcheng city! too big for her skin! The mantis arm is the chariot

Xia Ruoxue's body trembled, and a bad feeling welled up in her heart. Her eyes were red, and she looked at Wu Xiangming nervously and said, "Mr. Wu, ye Chen Ye Chen Are you still alive? "

Words just fell, a cold and proud figure appeared at the gate.

Young people wear a straight suit, tall and upright physique, imitating the outline carved from the crystal clear marble, and exude the natural free and easy temperament.

Ye Chen!

Ye Chen outlined a perfect radian of mouth, staring at Xia Ruoxue, and said faintly: "I don't forget to curse me on my birthday. How much do you hate me?"

Xia Ruoxue covers his mouth and sees Ye Chen. His heart seems to have stopped half a beat.

Can't this guy not be intimidating?

Xia's mother's face is not right. The boy went to wudaotai and returned alive?

According to her, ye Chen has to face not only Chen Baoguo, but also Jiang Yuanli!

These two people actually let Ye Chen walk out of wudaotai alive?

Summer mother just want to drive away Ye Chen, Wu Xiang Ming's face changes before meeting, a momentum releases! Towards Ye Chen fiercely!

All the people wonder, didn't Ye Chen go to wudaotai and let Wu Xiang Ming's pigeon go?

It's really possible. Otherwise, how can he survive!

Wudaotai has a rule, once someone accepts the challenge, but quits halfway, the referee has reason to kill!

Now seeing Wu Xiang Ming so powerful, everyone sighs that ye Chen is going to suffer!

Wu Xiangming came to Ye Chen in front of him, "bang!" , kneel on one knee, hit the ground with knees, and clasp hands!

Great respect!

This move! It seems to be saluting!

"Wu Jia Wu Xiang Ming, have met Mr. Ye!"

This scene, let everybody's face startle!

Chapter 142

There was silence in the hall!

One by one is more like a statue of petrified!

What is Wu Xiangming's identity?

Not to mention the top 500 of the Chinese masters list, what stands behind him is the whole Wu family!

Even the Xia family would like to please at all costs, but now they have such an attitude towards a young man in his twenties!

Summer mother beautiful eyes stare big, more subconsciously cover their own mouth, afraid to cry.

No way!

How can this well-known Ye family waste be related to Wu Xiangming!

Key Wu Xiangming kneels down!

Just kneel down!

Also used Mr. Ye these three words honorific title!

He Ye Chen has what qualification! How can he de!

Wu Xiangming is crazy!

If the Wu family knew that he was kneeling in front of such a boy, he would be furious!

In Jiangcheng, wuxiangming represents the whole Wu family!

Wu Xiang Ming kneels down, no doubt the whole Wu family is obedient to Ye Chen!

Summer mother's body more and more trembling! Even the back is wet!

Once, in order to please the Wu family, she investigated everyone in the Wu family.

She knows Wu Xiang Ming very well.

This person has a clear sense of gratitude and resentment. The key is to be extremely proud of people and things. He never looks down like others!

But what the hell is it now!

If it wasn't for Wu Xiangming's momentum, she would really think that she was kneeling down in front of her eyes was another person!

What suddenly occurred to Xia's mother at this moment? Why did Wu Xiangming, who had been indifferent to the Xia family, have such an attitude towards Xia Ruoxue today!

Not because of Xia family, nor because of Xia Ruoxue's birthday!

But because ye Chen!

In other words, the relationship she has been hoping for depends on the young man she has always looked down upon!

Her eyes are staring at Ye Chen, the latter's hands behind him, full of vigor and vitality, just like xianzun.

"> it's a little pale in summer.

She didn't know Wu Xiangming very well, but from her mother's attitude and introduction, he was extremely important in Jiangnan province.

She had wondered why such a big man respected him so much. Now it seems that everything benefits from ye Chen.

But she really wondered how ye Chen did it?

After investigating Ye Chen, she knew that ye Chen was only the son of the Ye family who had been destroyed, and even a joke in the upper class circles of Jiangcheng.

But what happened recently seems to be beating everyone's face hard!

If ye Chen is a joke, the whole Jiangcheng, and even all the families in Jiangnan province are big jokes!

The Zhou family, who was in charge of power in Jiangnan Province, welcomed him with a smile, and even fought with the Xia family for ye Chen!

She thought it was fantastic enough. Now the experts of Wu family of Wudao family in Jiangnan province actually knelt down in front of Ye Chen!

She even thought, ye Chen behind the Zhou family and Wu family, does it mean that you can fight against the Qin family?

Can she strive for her own happiness!

Although the Qin family is really terrible, far more powerful than the Wu family, but ye Chen is only 20 years old!

Being so young means limitless possibilities.

If you choose between Qin Shao and ye Chen, she will not hesitate to choose Ye Chen!

At this moment, she seemed to see a light in the dark!

And under this dawn is that proud and mysterious youth - Ye Chen!

The mood of all the people around is like a roller coaster. There are many family members or high-class people in Jiangnan province. They almost exist like human spirits. They keep Ye Chen in mind!

This person, absolutely can't offend!

Not far away, Qin yuanqiang of the Qin family has been paying attention to the pictures here. His eyes gradually turn from shock to ruthlessness.

Because she saw something special in Xia Ruoxue's eyes.

Obviously it's love!

Qin Shao's woman, no one is qualified to move!

Not only that, in his opinion, Wu Xiangming just stood up against himself, obviously because of the young man surnamed Ye!

"Wu family is looking for death for such a young man! I'd like to see the origin of this young man! "

At the moment, ye Chen, as the party concerned, naturally felt countless eyes. He looked down at Wu Xiangming and shook his head helplessly.

What's the matter with this guy? As for the high profile?

Today is Xia Ruoxue's birthday, this guy's behavior directly makes him inexplicably rob Xia Ruoxue's limelight.

"Get up." Ye Chen Dao.

"Yes, Mr. Ye!"

Wu Xiang rises fiercely, the body slightly bows, extremely respectful to Ye Chen.

He knew very well that the youth in front of him had set some kind of prohibition on him, and an idea was enough to determine his life and death. Ye Chen no longer pays attention to Wu Xiangming and goes straight to Xia Ruoxue, with a smile on his mouth, and the aura of his body completely disappears.

"If snow, happy birthday, I came late, you won't blame me."

Xia Ruoxue woke up, blushed and pretended to be angry: "strange! Of course! If you don't give me a satisfactory gift today, hum, I'm very angry, and the consequences are very serious ~ "

Ye Chen patted his pocket in his hand and said confidently, "if I say, to you, the whole China is not as precious as the things in my pocket, do you believe it? "

"Hiss --"

everyone takes a breath!

This boy is too good at boasting!

What can I put in a suit pocket?

The whole Chinese treasure can't match! Thanks to what you said!

Who will come to Xia Ruoxue's birthday party? Who will be poor in status and economic strength!

Almost all of them have carefully prepared valuable gifts for Xia Ruxue!

Now the boy boasted about Haikou, and immediately made everyone a little upset. If it was not for Wu Xiangming, they would have used means to blow ye Chen out!

Xia's mother glanced at Ye Chen. Although she didn't know why Wu Xiangming respected him so much, she was still not happy with Ye Chen. She said, "young man, don't be too proud. The baby you think you can't bear mentioning in other people's eyes..."

"If snow, time is almost up, you, the birthday star, should also play."

Finish saying, summer mother then pull Xia ruoshue toward the villa central stage and go.

Summer if snow turns head, beautiful Mou looked at Ye Chen, dimple is like flower, light voice way: "I believe."

.....

Xia Ruoxue went to prepare the birthday party. It should take a few minutes to start. Ye Chen went to find Sun Yi.

Wu Xiangming followed closely.

Ye Chen glanced at Wu Xiangming and said, "don't follow me!"

"Yes, Mr. Ye."

Later, Ye Chen finally finds Sun Yi in the crowd. At the moment, Sun Yi is surrounded by several rich children, apparently chatting up.

In the whole villa, there are many beauties and even stars, but if we talk about the ranking, Sun Yi will certainly be in the top three.

The key figure of Sun Yi is really attractive.

At the moment, Sun Yi's eyebrows frown, very unhappy, this group of people like flies in general, can not drive away.

If it wasn't for Xia Ruoxue's birthday, she would have been angry.

Chapter 143

When Sun Yi was in distress, a familiar figure appeared not far from her. Sun Yimeng raised his head: "Xiaochenzi, I'm here!"

Xiaochenzi?

The rich children were stunned and subconsciously turned their heads. When they saw Ye Chen coming towards this side, their eyes suddenly shrank, their faces turned pale, and their whole bodies were frozen in place and did not dare to move!

It's the evil spirit!

Wu Xiangming knelt in front of Ye Chen just now. They witnessed it with their own eyes! That's why I went far away, but this guy came again!

When ye Chen came to Sun Yi's face, a few people responded. His face was filled with smiles. He learned from Wu Xiangming and said, "Hello, Mr. Ye, this is..."

"Go away."

Ye Chen faintly spits out a word.

"OK!"

Several people suddenly scattered, a short period of five seconds, even people can not be found.

Sun Yi did not expect that this group of people were so afraid of Ye Chen. On second thought, it was estimated that the opening of Tianzheng Group had too much influence.

"Xiaochenzi, yes, you will be my girl's shield in the future." Sun Yi patted Ye Chen on the shoulder and said with satisfaction.

Several pairs of eyes hidden in the crowd saw the scene of Sun Yi patting Ye Chen, and his body trembled with fear, and he also wrote down Sun Yi's appearance in silence.

Soon, a burst of villa music sounded, Xia ruoshue's birthday party officially began.

Xia's mother took the stage and said a few words of thanks, mentioning the Qin family, Wu family and some big families, but did not mention Ye Chen.

Then Xia Ruoxue's grandmother came on stage and said a lot of words to Xia Ruoxue, and her eyes turned red.

Ye Chen from the old man's words, can feel the old man's love for ruoshue, far more than Xia's mother.

The climax of the banquet wave after wave, to the back, China's popular actress is singing a song on the stage for Xia Ruoxue.

When the stage is quiet, Xia Ruoxue stands in the center in her evening dress, just like a lotus out of mud.

Seeing this, everyone was moved, because they came to the party for this part.

A man in a custom-made suit dress saw no one around him. He quickly stood up and came to Xia Ruoxue with a delicate box: "Miss Xia, this gift is for you. I hope Miss Xia will open it now, and you will like it."

Xia Ruoxue wanted to give the box to the servant, but since the other party asked for it, she nodded.

When the box is opened, it is an exquisite jade statue of Guanyin, but judging from the material on the jade, it is of great value.

The man took a look at the stage and said, "this is the Imperial Green I bought from Myanmar for nearly 50 million yuan. It took me two months to make jade Avalokitesvara..."

He thought that Xia Ruoxue would be very excited, but the latter just laughed and handed it to the servants.

The man was stunned, and then he walked on dim.

There was a burst of laughter from the crowd below.

Although the jade Avalokitesvara is of great value, the Xia family is the family that controls the economic lifeline of Jiangnan province!

The most important thing is money!

Isn't this imperial green for ugliness!

Sun Yi took a look at Ye Chen beside her and worried: "xiaochenzi, I feel that my things are somewhat out of hand! I'd better send it as soon as possible. The more I get to the back, the more I can't handle it. By the way, what have you prepared? "

Ye Chen blinked mysteriously and did not speak.

Xia's gift is very expensive, but it's not worth sending.

However, Sun Yi gave her a DIY apartment model, which made Xia Ruoxue excited.

The model not only restored the Dadu apartment, but also had three villains. One of them smoked on the balcony, which was obviously Ye Chen!

"Sun Yi, I like it so much! I love you

Xia Ruoxue's red lips kiss on Sun Yi's cheek, envies others!

After that, she sent some more, but there was nothing exciting Xia Ruoxue any more.

Even the summer mother beside her shook her head, because up to now, nothing has entered her eye.

In the end, only a few people left.

Wu Xiangming stood up and came to Xia Ruoxue. He took out a jade pendant and said respectfully, "Miss Xia, because she's in a hurry and has no time to prepare, I'll give this jade pendant to Miss Xia. I hope Miss Xia's wishes will come true."

Xia Ruoxue just wanted to take over the jade pendant, Xia's mother came over and looked at it nervously. She was very short of breath.

Because the back of the jade pendant is engraved with a capital word "Wu"!

Xia's mother even said, "Mr. Wu, the Wu family order is too valuable. If snow can't afford it..."

Some people in the field changed their faces when they heard this sentence!

Because what Wu Xiangming sent out was not only the jade pendant, but also the order of Wu family! If you hold the order of Wu family, you will get the protection of Wu family!

What's more, according to Wu family regulations, Wu family order can only send one person!

Who could have thought that Wu Xiangming took out such a valuable thing and gave it to Xia Ruoxue!

Even if all the things sent out on the field add up, they can't compare with a wujialing!

Countless envious, envious eyes toward Xia Ruoxue.

Xia Ruoxue quickly waved his hand: "Mr. Wu, it's too expensive. How can I be so kind..."

Although Xia's mother wanted her daughter to take it, she could only say, "Mr. Wu, why don't you take it back..."

Wu Xiangming put the jade pendant into Xia Ruoxue's hand and said with a bright smile: "precious? Compared with the relationship between you and Mr. Ye, it is not worth mentioning. "

"If I have a chance to drink the wedding wine from you and Mr. Ye in the future, I will certainly prepare a bigger gift!"

Hearing this, Xia's mother turned black!

Not only Xia's mother, but everyone's expression color is wrong!

This is Mr. Ye again!

What is the meaning of the last sentence of Wu Xiangming!

Most of them know about the marriage of Xia family and Qin family! Wu Xiangming even mentioned Xia Ruoxue and the boy in front of everyone!

This is too bold!

Summer if snow red face, accepted Wu family order, light voice way: "thank you Mr. Wu."

To everyone's surprise, such a misunderstanding, Xia Ruoxue didn't even refute it!

Sleeping trough!

What a big deal!

"Brush, brush, brush!" All eyes fell on Qin yuanqiang!

Qin yuanqiang is the representative of Qin family!

Sure enough, Qin yuanqiang's face is full of anger! Then the fierce rise, directly came to the summer if snow in front of.

"Mr. Qin, Mr. Wu was joking just now..." Xia Mu quickly explained.

Qin yuanqiang glared at Wu Xiangming and said, "Wu Xiangming, I hope you can find out your position. When the time comes, the Wu family will blame you. No one can save you."

He went back to his position.

Later, Qin yuan suppressed his anger and took out a jade pendant and handed it to Xia Ruoxue.

The jade pendant is engraved with a simple "Qin"!

"Miss Xia, what is the Wu family order? The protection of Qin family is the king's way!"

Chapter 144

Provocation!

Blatant provocation!

The key point is that Qin yuanqiang is right. In Jiangnan Province, the status and strength of the Qin family are obviously stronger than those of the Wu family!

One is the rising status of the Qin family! One is the Wu family who fell from the altar!

In comparison, the gap is obvious.

Before everyone reacted, Qin yuanqiang took out a brocade box again.

When the brocade box is opened, a simple pill lies quietly inside.

Qin yuanqiang looked down at the crowd and said, "this is a gift from the Qin family to Miss Xia. This pill is a soul quenching pill. Anyone who doesn't have a foundation of cultivation can take this pill, and his strength can reach the peak of his internal strength at least one step."

The crowd took a breath and everyone was scared!

Quench soul pill, directly hang all gifts!

"The Qin family is too generous."

"Aren't you bullshit? This is the Qin family!"

"The Qin family is one of the top three in the Wudao family of Jiangnan Province, and its details are extremely terrible."

"Alas, there are too few geniuses born in the Wu family in recent years, which makes the Wu family gradually desolate. However, the Qin family has three geniuses. The young master Qin who made an engagement with Miss Xia is a rare genius in a hundred years. In the future, the gap between the two families will only grow bigger and bigger."

"It seems that it is a wise choice for the Xia family to join the Qin family..."

The crowd talks in succession, for Xia family that is incomparably envious.

Summer mother is more careful to accept the two extremely valuable gifts, smile can not close the mouth.

"Although young master Qin didn't come, he did. I will let ruoshue visit him some other day."

"If snow, I still don't thank the Qin family."

Xia Mu ordered.

Xia nodded, but she didn't feel surprised.

She didn't like these two things, even though they were precious.

Qin yuanqiang didn't expect Xia Ruoxue to give him this reaction. His eyes flashed a little anger. Suddenly, he thought of something, and his cold eyes shot directly at a young man under the stage: "did someone praise Haikou just now and say that there is nothing precious about him in China? Now, why don't you even have the courage to come up? "

All eyes look at the youth, it is Ye Chen!

Qin yuanqiang's hatred for wuxiangming is all gathered in Ye Chen's body!

He embarrassed Ye Chen!

He wants to let this person who can't help himself understand that in front of the Qin family, he is a garbage!

Xia ruoshue is not something he can get his hands on!

All of us suddenly feel sympathy for ye Chen.

Qin family these two kinds of treasure, anyone takes out the present again, is doomed to degenerate into the foil!

Naturally, Wu Xiangming would not let others target Mr. Ye like this. He quickly stood up and said, "Wu Jialing is what Mr. Ye asked me to send. Isn't it enough?"

At this time, ye Chen stood up, tall and straight figure toward the summer if snow.

"Since you want to see it so much, I won't hide it."

Ye Chen's voice is full of confidence and indifference.

It was as if everything was floating in front of him.

Close to Xia Ruoxue, Qin yuanqiang is just in front of Ye Chen.

Ye Chen raised his head and swept Qin yuanqiang as sharp as an eagle. The latter seemed to feel that his whole body was covered by a stream of pressure!

He had wanted to insult a few words, but the words to the mouth by his hard swallow down, more subconsciously back a few steps, make way for a way.

Ye Chen took a look at Xia's mother's hands carefully holding the pills, and the pills fell directly into his hands.

Xia's mother glared at her eyes and said nervously, "Ye Chen, what are you going to do?"

Qin yuanqiang is also excited: "you dare to rob Qin Shao's gift to Miss Xia, and you want to die!"

The field is also a big shock, who can think of Ye Chen actually this bold, direct grab baby!

At the time of everyone's surprise, more strange things happened, ye Chen directly threw the pills in his hands to the ground!

Yes, it was thrown to the ground!

Then the right foot is raised, step down fiercely!

Danyao directly into a pile of powder, a blow, completely dissipated!

"Boom Everyone is confused!

Ye Chen didn't want to rob the pill, but to destroy it!

This is a psychopath! Such a precious thing, even jealousy will not destroy it!

Xia's mother's face rose red. She just wanted to say something. Ye Chen's unquestionable voice slowly fell down: "if snow, this expired pill can't be eaten, and my stomach will be uncomfortable. Come here, I'll choose the pills you like!"

The next second, ye Chen took out nearly ten pills from his pocket!

And they are all pills with Dan lines!

The strong fragrance of medicine is coming out, and everyone can smell it!

Xia's red face turned white. She looked at an old man beside her and asked, "Ah Fu, is this pill true or false?"The old man stares at the ten pills and his voice trembles: "Madam It seems to be true The pills are condensed and fragrant. The refining time should not be more than half a year. Besides, the pills given by Mr. Qin just now have some effects, but they do torture the intestines and stomach after taking them. There is no alchemist in Jiangnan Province, and there is a shortage of pills. This kind of fresh pills is extremely precious... "

The old man's words undoubtedly beat Qin yuanqiang's face!

Chinese ancient martial arts take almost all long-term problem pills! But who would have expected that the boy had ten fresh pills in his hand!

Sleeping trough!

Comparatively speaking, the thing that Qin family sends out is a pile of dog excrement!

Xia's mother looks at Ye Chen's eyes completely changed! She knows Ye Chen is an ancient warrior, and her strength is very good!

But who would have thought that the boy had this pill!

Coupled with Wu Xiangming's attitude, is it possible that this son has an extremely terrifying force on his back?

More terrible than the Qin family?

In the whole process, Xia Ruoxue's eyes are only shocked, but there is no surprise.

She was not interested in the martial arts world at all, otherwise she began to practice ancient martial arts when she was a child.

Ye Chen naturally finds the mood of Xia Ruoxue and smiles and puts the ten pills into Xia Ruoxue's hand directly.

Then, he took out a well decorated brocade box from his pocket: "in fact, pills are just gifts. What I really want to give you is this one. You can open it and have a look. If you don't like it, I'll wash the clothes of you and Sun Yi for a year!"

Gifts.

These two words are like heavy fists, which split the hearts of all people!

"Hiss..."

At this moment, ye Chen's words, that is no cover up at all!

Heard Ye Chen's words, all the people on the scene were mercilessly sucking a breath of cold air!

These extremely precious pills for martial arts are just gifts!

You're kidding!

Are the things in this brocade box more precious than pills?

For a moment, people were shocked.

Everyone looked at Xia Ruoxue and ye Chen, their eyes widened to the extreme! Surprise with fear!  
There is a little excitement in fear!

Chapter 145

On stage.

Xia Ruoxue looks at the brocade box in front of her, and her heart beats.

She did not know what was in it, but since Ye Chen said so, it must be extremely precious.

"Then I opened it?" Xia Ruoxue to Ye Chen Road.

"Yes."

The people below are so anxious that they want to know what kind of treasure is in the brocade box than Xia Ruoxue!

Even some people have stretched out their necks for fear of missing.

Summer mother and Xia Ruoxue's grandmother also curiously looked over.

The brocade box is open.

It's a blue crystal necklace. The crystal shape is peculiar, shining with the eternal charm of light and shadow. It's refreshing and glittering under the light.

From a distance, it looks like a distant star.

This is what ye Chen had quietly auctioned at the auction, just to give it to Xia Ruoxue on her birthday.

At the moment of Xia Ruoxue, Jiao's body is shaking, and tears have been condensed from the eyes.

Ticking, ticking, falling on the star.

Tears of stars.

Xia's mother's eyes were already wet.

Of course, she knew the tears of the stars, which was her father's last work, just for her daughter.

She looked at the old man who had stood up and was shaking.

The old man is slowly walking towards this side, with a trace of light in his turbid eyes.

"This is really the old man's star tears..."

The old man choked.

Xia ruoshue never thought that she could see the tears of the stars again.

After the auction, she tried every means to communicate with the organizers of the auction, but the other party just did not tell her who sold the power of the stars.

It almost became the biggest regret of her life.

Because this is the last work of her grandfather Ding Yuanchang.

Designed for her.

Whether it is the color, or the shape, and even the material is his own choice.

My grandfather wanted to finish it at the last moment of her life. She even remembered that he stretched out his thin hand on the hospital bed and polished it a little bit, which was very serious.

Now the tears of the stars come back to her hand.

Because ye Chen.

Ye Chen was the last buyer, the gentleman who did not want to be named.

Xia Ruoxue raised his head and looked at the moment with his eyes full of tenderness.

"Do you like it?" Ye Chen Dao.

"Yes, I like it very much. I like it very much! This is the best gift I've ever received in my life! No one! " Summer if snow one breath said, incomparably excited and joyful.

She felt as if she was suddenly filled with something.

The whole world became warm.

The people at the bottom are confused, because of the angle problem, most of them can't see the things in the brocade box.

But Xia ruoshue said this sentence, it is destined that the things in the brocade box are valuable!

The key is that Xia Ruoxue likes it very much!

All moved to cry!

"What on earth is it?"

"I want to know too!"

"Miss Xia will show us I'm so anxious. "

The crowd exploded.

The next second, the sound stopped suddenly, and everything returned to silence.

Everyone's eyes are wide open! Staring at the stage!

Because Xia Ruoxue in the middle of the stage even rushed to a young man, and then opened his hands to hold the youth!

My God!

What did they see!

Xia Ruoxue is one of the three golden flowers in Jiangnan province!

No matter family, appearance, figure or other aspects, almost perfect!

What's more, the Xia family and the Qin family have made an engagement!

You are the fiancée of Qin family!

But now I actually hugged a man in front of so many people!

Everyone has not yet responded from this inexplicable embrace. Xia Ruoxue's next move directly makes everyone's brain blank!

Detonate it completely!

Xia Ruoxue's red lips even kiss on the man's cheek!

Sleeping trough!

Ye Chen is also confused.

Although Xia Ruoxue he knew was sometimes different, he was absolutely cold and proud like an iceberg in front of outsiders!

It's impossible to do this in front of everyone.

But now, the iceberg goddess in the eyes of countless people has done so.

Crazy.

His remaining light aimed at Xia's mother's face, almost black, but did not stop.

Five seconds.

Red lips left Ye Chen's cheek, leaving a trace of faint fragrance of flowers.

"Thank you, sir, who would not be named." Summer if snow face slightly red, light road.Ye Chen just wanted to speak, and a roar came from behind him!

"Summer is like snow! Do you know what you're doing

It's Qin yuanqiang of the Qin family!

At the moment, his face is red, like an angry lion!

Who could have thought that Qin Shao's fiancée dared to kiss others in front of so many people!

Xia ruoshue is looking for death!

Qin Shao's outrage is not something the Xia family can bear!

Xia's mother reacted and quickly explained to Qin yuanqiang: "Mr. Qin, there is a misunderstanding about the matter. My little girl is just..."

Qin yuanqiang's strength was shocked. Xia's mother sat down on the ground directly, her face turned pale!

Later, he pointed to Xia Ruoxue and said, "Xia Ruoxue, you shameless woman..."

Flashed his words before his eyes!

Qin yuanqiang only felt a strong wind coming from his cheek. He instinctively raised his hand to stop him. A sound, the bone of his right hand is broken directly!

Not only that, "pa!" A hot palm print fell on his cheek.

The world is spinning.

Qin yuanqiang was fanned to the stage.

Qin yuanqiang had a hard time responding to it. Just as he wanted to stand up, a big foot directly stepped on his chest.

"You should be glad that today is Ruoshue's birthday, or you will be dead. I don't want your blood to stain any corner of this villa. Go away."

It was Ye Chen who spoke.

At the moment, Ye Chen's eyes are cold, and there is no longer the tenderness just now.

What he can't stand most is that others insult the people around him!

He wanted to kill Qin yuanqiang directly, but if he did, Xia Ruoxue's birthday would be ruined.

Qin yuanqiang wants to get up, but he finds an invisible pressure hanging over him!

Let him not move at all!

He stares at Ye Chen and threatens: "do you know who I am! I'm from the Qin family! Try to move me

"Qin family?" Ye Chen repeated.

"Yes, now you are afraid. If you move me, the Qin family will never let you go, unless you kneel down in front of me!"

Qin yuanqiang is gloomy and ferocious.

But the next second, ye Chen's voice sounded, his smile stiff.

"What is the Qin family? Even if the head of the Qin family comes, the result will be the same! "

All the people in the field seemed to have their hearts hanging in their throat.

Is Ye Chen crazy!

How dare you say that to the people of Qin family?

What is the Qin family?

Naturally, Qin family is not a thing. He is one of the top martial arts families in Jiangnan province!

If the Lord of the Qin family comes, the whole villa may collapse!

A burst of anger went straight to Qin yuanqiang's head. He held out his finger at Ye Chen and said, "Ye Chen, you are dead!"

"Dead?"

Ye Chen sneered and grabbed Qin yuanqiang's clothes and picked them up directly!

Qin yuanqiang's martial arts strength is not weak, but I don't know why, just can't resist.

When ye Chen was about to walk to the door, he threw it gently, and then a side kick directly kicked Qin yuanqiang away!

Kick out the door!

But it's not over.

Ye Chen looked at Wu Xiang Ming and said, "Wu Xiang Ming, the dog of Qin family is not allowed to live outside."

Chapter 146

No one on the field expected Ye Chen to order Wu Xiangming to kill Qin yuanqiang.

The four words are like a steel needle nailed to their chest.

Can't breathe.

The key Ye Chen said in front of so many people!

It was as if he had no fear.

Is this guy not afraid of Qin family's revenge?

Is the anger of the Qin family tolerable to him and the Wu family?

Everyone's eyes fell on Wu Xiangming. They thought that Wu Xiangming would not do anything if he considered the situation in Jiangnan province.

He will even persuade Ye Chen.

This is the most likely thing to happen right now.

But everyone guessed wrong. Wu Xiangming stood up with a trace of fierce light and ruthlessness in his eyes! Directly to the villa outside Qin yuanqiang and go!

"Yes, Mr. Ye!"

Wu Xiangming's cold killing machine wrapped up the whole venue, so that everyone's breath stopped!

Wu Xiangming is really going to fight! And don't even hesitate!

Is he crazy!

You want to push the Wu family behind you?

If Wu Xiangming killed Qin Yuanqiang, the Qin family would be furious, and then there would be a war between Qin and Wu!

In the end, both sides will lose!

Jiangnan province has completely changed and shuffled!

Who could have thought that the change of the weather in Jiangcheng was caused by a young man's order!

All the people looked at the young man with his hands behind him. The other side was like a God coming down to the earth and looked down upon thousands of ants.

Even Xia's mother's resentment towards Ye Chen is gone!

How does she resent it?

This kind of existence, what qualification does she have to resent!

Although the strength of the other side is not clear today, but what is the reckless!

She even thought of that half a year's appointment, at present Ye Chen's economic strength may be far inferior to Xia's.

But the other side has martial arts strength on the line!

Who will make the situation and rules of Jiangnan province? It's not the top martial arts experts!

At this moment, she suddenly felt the incomparable smallness of Xia family!

At least now she has looked up to Ye Chen!

Xia Ruoxue and ye Chen together, it is not impossible, but all this should be based on his not premature death.

Ye Chen is a genius, but can he really survive under the anger of the Qin family?

Xia's mother held a negative attitude towards this point.

At least now she only sees Wu Xiangming and Zhou family in Jiangnan province behind Ye Chen.

If the Wu family is involved in life and death, it will naturally abandon Wu Xiangming without hesitation.

How can ye Chen face the powerful Qin family in Jiangnan province by himself?

China seems peaceful on the surface, but ordinary people can't know how bloody it is behind it.

At this moment, Wu Xiangming has come to Qin yuanqiang's face, and his eyes are indifferent, like a dead man.

Qin yuanqiang stepped back and said in a trembling voice, "wuxiangming, you can't move me! If you move me, you will declare war with Qin family! This is a contradiction between the Qin family and ye Chen. It has nothing to do with you. I will not meet you before Qin Shao... "

Qin yuanqiang is really flustered. Although he has good strength, he is not qualified to start in front of Wu Xiangming, the top 500 of the master list!

It's easy for Wu Xiangming to kill him!

Now he must live!

Live to tell Qin Shao all the situation!

Survive to revenge that arrogant Ye Chen!

You can't see the Qin family's rage until you survive!

Wu Xiangming looked at Qin yuanqiang with indifference, without a trace of wavering.

All of a sudden, he said, "you shouldn't have offended Mr. Ye. Your Qin family is not qualified to offend Mr. Ye. It's just a matter of one sentence that you can't destroy the Qin family with Mr. Ye's strength."

Wu Xiangming now suddenly appears in his mind Ye Chen's Madness on wudaotai!

Step out with one foot, the wudaotai is broken!

Gather the sword spirit and kill people from thousands of miles!

How many people in China can do this!

Even if someone can do it, who can be as relaxed as ye Chen!

Qin yuanqiang heard Wu Xiangming's words, and his eyes were filled with panic.

Judging from Wu Xiangming's expression, all this is true!

Is Ye Chen qualified to destroy the Qin family?

How could it be!

His heart set off a storm, just want to say what, Wu Xiang Ming a claw has been buckled in Qin yuanqiang's body!

It's so painful!

But wuxiangming did not kill him, but took him to the distance!

"Mr. Ye said that your blood is not qualified to dirty Miss Xia's birthday party."

Ten seconds later, all the people at the party suddenly heard a scream!The sound is far away!

But it's very clear.

All people only feel creepy, who could have thought that an ordinary young man should be so decisive!

Even the Qin family didn't pay attention to it.

After a while, Wu Xiangming came back and nodded to Ye Chen.

Seeing this, they all know that Qin yuanqiang is really dead!

Crazy!

Absolutely crazy!

Of course, the birthday party will continue, but most of the links are almost over.

For fear of another accident, the Xia family omitted some links and ended early.

For Xia Ruoxue, receiving Ye Chen's gift is the biggest surprise of her birthday.

Early ending and late ending are actually the same.

The tears of the stars were already on her neck, so beautiful.

Sun Yi, sitting below, doesn't know what she's thinking. She looks at Ye Chen all the time, but doesn't speak.

"Elder sister, don't look at me like that. I doubt if you are in love with me." Ye Chen couldn't stand Sun Yi's eyes and joked.

The next second, Sun Yi's hand appeared in Ye Chen's waist and threatened: "xiaochenzi, who elder sister do you think I'm so old? Believe it or not, my hand spins 360 degrees

Ye Chen felt the strength of the waist and laughed: "good, good, I said wrong, should be a fairy."

Sun Yi quite seriously corrected: "not enough, should call me super cute little fairy Sun Yi."

Ye Chen, with a black line on her face, just wanted to continue talking with Sun Yi. Xia's mother came over and said in a soft voice, "Ye Chen, come with me."

He did not expect that Xia's mother would find him. Ye Chen thought it was Xia Ruoxue looking for him, so he followed her. However, when he arrived at a room, ye Chen did not find Xia Ruoxue, only Xia's mother.

Is this preparation for torture?

Xia's mother's attitude changed a lot. She didn't have that kind of meanness and arrogance. She even made a cup of tea for ye Chen and said, "you should know why I'm looking for you alone."

Ye Chen frowned and shook his head: "I really don't know."

Summer mother did not know whether ye Chen really did not understand or false did not understand, drink a cup of tea, spit out a few words: "because if snow."

"Ye Chen, I have to say that some things you have done recently have opened my eyes. I have to admit that I have lost my sight. I don't know where you have gone in the five years since you disappeared."

Summer mother is very clear, in Ye Chen's life trajectory, incomparably ordinary, only that five years, a blank.

Xia family uses all strength, can't find Ye Chen this five years to go where.

Chapter 147

"That's what you came to me to say?" Ye Chen light way, "if there is nothing else, I will go."

Ye Chen just ready to get up, Xia's mother continued: "if snow and Qin family have a engagement, do you know?"

Ye Chen was stunned and sat back: "engagement? Why didn't I hear it mentioned by ruoshue? "

"This is a long time ago. Although Xia family is a big family in Jiangnan Province, it only controls part of the economic lifeline of Jiangnan. If the big families in Jiangnan Province want to survive for a long time, they must rely on the strength of martial arts, which is the weakness of Xia family.

Of course, there are several masters in the Xia family, but they are not enough!

The Qin family is the only way out for the Xia family. In recent years, Xia Ruoxue's father has been seeking the marriage of the Wudao family, and there has been no result until the Qin family appeared. "

"This marriage was initiated by the Qin family, which surprised us. According to the time of the engagement, there are still several months left."

"Do you know why I said this to you?" Xia mother's eyes are burning at Ye Chen.

Ye Chen did not speak, his eyes with a trace of cold, and like the abyss.

There is no bottom.

Xia's mother sighed and said seriously, "I know you may hate me. I did do something sorry for you before, but all this is for the sake of Xia family and Ruoxue. If a girl is born in a big family, she can't choose to marry. Marriage is the only way out for a big family. It was because of the marriage that I met Xia Ruoxue's father

Ye Chen still did not speak, he is very clear, Xia mother really want to say is still behind.

Summer mother has been paying attention to Ye Chen's reaction, but ye Chen in addition to just a little bit of killing intention, the back is completely Gu Jing Bu Bo.

It's like controlling everything.

She bit her lip and said, "Ye Chen, I hope you quit Xia Ruoxue's life. If you offend the Qin family, the Qin family will surely retaliate against you crazily! Although you have wuxiangming behind you, wuxiangming can't represent Wuxiang family now! The Zhou family can't help you either. Now you are completely helpless. How can you fight against the Qin family, which has been rooted in Jiangnan province for hundreds of years? "

"I say these words for your own good. Before things get to the Qin family, you should leave Jiangcheng quickly and go to a place that no one can find. This is the only possibility for you to survive!"

Xia Mu almost roared at the back.

She is not selfish, but really for ye Chenhao.

Silence returned to the house.

Only Xia's mother gasped with excitement.

All of a sudden, ye Chen opened his mouth: "the Qin family in Jiangnan province is very powerful?"

"Yes, it is one of the top martial arts families in Jiangnan province. From now on, the Wu family is not a rival of the Qin family." Summer mother road.

"Who is better than him or the martial arts association of Jiangnan province?" Ye Chen asked.

Xia's mother was stunned. She didn't understand why Ye Chen suddenly mentioned the martial arts association of Jiangnan province.

Because Wu Daotai has not happened for a long time, she is busy with her birthday party, so she doesn't know what happened in wudaotai.

After pondering for several seconds, she still said: "the Wudao Association of Jiangnan province is quite complicated. It is a special organization, which concerns too many Wudao families' interests. Qin family and Wu family are involved in it. There is almost no comparability between them. In terms of influence, Jiangnan Wudao association is too strong..."

Ye Chen stood up and said, "I know." Then he went outside.

Xia's mother was a little confused. She didn't finish talking about it. What did this guy go for?

She thought Ye Chen was frightened by the Qin family and left in a bit of anger. She even said, "Ye Chen, when are you going to leave Jiangcheng? I can arrange a private plane for you."

Ye Chen stopped and didn't turn around. Instead, he snorted coldly and released his momentum.

"Although the heaven and earth are big, there is no force that is qualified to let Ye Chen condescend! If the Qin family dares to come and die, I don't mind uprooting him! "

The gate closed.

Only the shivering summer mother was left in the house.

She was staring at the door, not knowing what she was thinking.

.....

Top floor of Tomson Yipin.

Ye Chen and Sun Yi return home. Xia Ruoxue planned to come here today, but her grandmother is leaving tomorrow, so she plans to stay with her grandmother for another night.

After all, there will be less and less time to get along with the elderly.

In this respect, we can see that Xia Ruoxue is quite filial.

As soon as ye Chen turned on the TV in the living room, Sun Yi sat down beside Ye Chen, because she was wearing a base coat, which was very tight, and directly decorated the magnificent things on her chest perfectly.

"Xiaochenzi, be honest. If snow kisses you just now, are you very excited? Very proud? "

Sun Yi leaned over and whispered.

Although it was a joke, Sun Yi always felt something was missing. She likes Ye Chen.

I really like it.

At that age, I like it.

So when Ye Chen came back, she was happier than everyone else.

She thought Ye Chen only belonged to her, but now it seems that the stronger Ye Chen's strength and ability are, the more beautiful women around him will be.

Now she does not expect Ye Chen to love her alone, but she hopes that Ye Chen will always have her place in her heart.

"Not bad." Ye Chen light way.

"A man of duplicity Sun Yi said, "I ask you a very serious question, you must answer me."

Ye Chen is stunned, just want to speak, in front of a black shadow cover, Sun Yi's red lips directly kiss up.

Ye Chen subconsciously reaches out his hand to block, but just presses on Sun Yi's magnificent chest.

It's so soft that it's almost impossible to master with one hand.

After the red lips left, Sun Yi blushed and said seriously, "this is the question. What kind of feeling is better if I kiss you or if snow kisses you? We can't say everything is good, and we can't change the topic!"

Ye Chen really didn't expect Sun Yi to come like this. He knew that he could never say that another girl was good in front of a girl. He did not hesitate to say, "of course, it feels good to kiss me."

When Sun Yi heard this, her serious face burst into laughter.

Dimples are like flowers.

"Xiaochenzi, I like your attitude very much, so I plan to make a secret lobster for you today..."

The air is quiet.

Because two people are very close, eyes staring at each other, a hormone gradually condensed.

Ye Chen has been itching for a long time by this girl. She can't help it any more. She just wants to have some action. Sun Yi's body directly pours on her.

Press Ye Chen hard on the sofa.

The four lips are tightly pressed together.

Wet.

The tip of the tongue in each other's body mercilessly take.

Ye Chen embraces Sun Yi's wasp waist and slides down slowly until her attractive buttocks.

Chapter 148

Sun Yi's mountains pressed Ye Chen tightly, kissing his neck and every skin.

This is how the firewood and fire are ignited.

Sun Yi's underpin shirt is directly torn by Ye Chen, and a pair of snow-white rabbits bounce out like this, giving people a strong impact.

The two breathed more and more quickly, and Sun Yi was even ready to devote herself.

When the two people are ready to go further, ye Chen's mobile phone rings.

Ye Chen fingers a congealing, a true gas shot out, the mobile phone directly emitted a burst of smoke, completely scrapped.

A few seconds later, Sun Yi's mobile phone rings on the table!

In Ye Chen's heart, ten thousand grass mud horses fly by!

Who is calling at this critical moment? He was convinced!

Sun Yi wanted to get the phone, but ye Chen's deep voice rang out: "don't go."

He was just about to destroy Sun Yi's mobile phone with genuine Qi. Sun Yi said with a smile: "don't worry, I won't run. What are you worried about? We both rang. I'll answer what's important."

Ye Chen nodded and let go of her hand. Sun Yi stood up and directly took the telephone on the desk. After a look, she said to Ye Chen, "Shen Haihua called."

Then he took it up: "Mr. Shen, what's the matter?"

Three seconds later, Sun Yi's face suddenly changed. She hung up the phone, picked up a dress to put on, and said to Ye Chen, "yechen, it's not good! Tianzheng Group is in trouble! Let's go

The voice was very rapid.

Ye Chen no longer hesitated, dressed, took off the SIM card of the scrapped mobile phone and replaced it with the standby machine, and then went to the underground garage with Sun Yi.

.....

Twenty minutes later, Tianzheng Group, conference room.

The gate opened directly, and Sun Yi and ye Chen rushed in.

"Mr. Ye..."

Shen Haihua looks pale when he sees Ye Chen.

He knew that he must bear the anger of Ye Chen!

But anyway, he did.

Sun Yi sat down, while ye Chen stood in the front, looking at Shen Haihua and asking, "what happened! Give me an explanation

Shen Haihua seemed to be a few years old and explained: "Mr. Ye, at 8:00 p.m., Tianzheng Group was forcibly intruded into by a group of people. Several strong men stationed in Tianzheng Group were killed mercilessly, and our key prescription was also stolen! All the important information is gone! "

Ye Chen Mou son a congealing: "impossible."

He set up a prohibition in the safe where the prescription information is kept. It is even more anti-theft measures. Without the key and his permission, it is impossible to steal it!

There are only a few core people in the group that can be contacted.

All of a sudden, ye Chen's cold eyes shot at a vacant seat beside him.

This is Lu zewen's position!

Lu zewen is an MBA from Harvard University. He is an elite turtle. He has strong business operation and planning ability. He is also one of Shen Haihua's confidants.

He just had access to the prescription.

"Lu zewen did not attend such an emergency meeting!" Ye Chen angry voice way.

Shen Haihua turned pale and said, "Mr. Ye, according to the monitoring outside the group, it was Lu zewen who brought those people in. Without LV zewen's authority, these people would not take the prescription so easily."

Ye Chen is lost in thought.

At present, he has only two information.

First, Lu zewen betrayed! It's the inside of that group!

Second, the strength of those people is very strong, can kill him from ye Lingtian hand up to the master, absolutely some means.

"Mr. Ye, this is my negligence. Shen Haihua asks for punishment!"

Shen Haihua kneels directly in front of Ye Chen.

But his knee has not touched the ground yet. Ye Chen steps on it, and a strong genuine Qi condenses from the ground, and holds Shen Haihua up!

"A man's knee represents a man's dignity! Only parents and teachers can kneel down

"Now is not the time to pursue responsibility, the top priority is to solve the problem! Where are the bodies of those men?" Ye Chen said calmly.

The more this time, the more calm the people who control the direction.

"On the 17th floor."

"Come on, show me."

Come to the room on the 17th floor, ye Chen found ten bodies.

He opened one of the bodies, and when he saw the scar and the unyielding eyes, his heart seemed to be burning with anger.

These people were almost crushed to death!

The means are brutal!

And it seems that the perpetrators enjoy the process!

But let Ye Chen surprise is that some of the scars are not the true spirit of China and the strength of Qi.

"Did the surveillance check?"

"The monitoring in the group has been destroyed by Lu zewen's dog in advance!"

The clue is broken. Ye Chen asks: "besides these, do you still have what discovery?"

"Not yet. I've sent someone to check. Do you need to inform the police?"

Ye Chen shook his head: "it's no use to inform the police of this kind of thing. We still have to rely on ourselves. By the way, find out the families of the dead. In addition to the insurance claims purchased by the group, each family will give another 10 million yuan, and use my money to go through the process. "

Shen Haihua is stunned. Ye Chen is too willing.

The insurance money is enough for these people's families to live very well. As a result, ye Chen takes out another sum of money.

From a businessman's point of view, there is no benefit.

But from the perspective of human feelings, ye Chen is undoubtedly right to do so.

Suddenly, ye Chen Mou son shrinks, discovered what, hastily came to a corpse in front of.

The corpse was held tightly with one hand, and his pale face was unyielding.

Ye Chen opened the man's hand and found a button with a special symbol lying in his palm.

"It seems that the man knew he was going to die and left the last clue for the group at the last moment."

"Add another 10 million to his parents and children."

Ye Chen ordered.

Then, ye Chen picked up the button, the pattern on it was very strange, not like the Chinese culture, he thought about it, and directly dialed Ying Qing's phone.

"I want to check something, take a picture and send it to your email. In an hour, I want to know the result."

"Good."

The phone hung up.

Ye Chen knows that finding Yingqing is the most correct choice. The dragon soul commandos carry out tasks at home and abroad all the year round, and they have more information in their database than ordinary organizations and forces.

Ten minutes later, ye Chen's phone rang.

"Mr. Ye, I have found the news about this button. The pattern on his button is from an island state power, which is called the Wu Huang society. The leader behind the Wu Huang society is Kitano Wu. His strength is very strong, and there are 100000 believers in it! In the island state, Kitano is almost regarded as a God by the island people.

Our dragon soul commando team once had a conflict with Wu huangshe society in the South China Sea. As a result, both sides were hurt and seven members were killed. Mr. Hua Xia, how can you understand this force

Ye Chen's eyes were cold and asked, "have people from Wu Huang's society come to China recently?"

Ying Qingyi Ning had a bad feeling, but he still said, "I checked it just now. A delegation to China recently arrived in Huaxia through Jiangcheng port and stayed in a five-star hotel invested by Japanese capital."

"Give me the address."

"Good."

Shen Haihua naturally heard the content of the phone and said curiously, "Mr. Ye, what should we do with the Wu Huang society..."

Ye Chen looked at the coordinates in the mobile phone and sneered: "the country is the cornerstone of everyone's survival. If you find any forces that want to destroy the stability of China, you don't need to have any pity, kill!"

Chapter 149

Jiangcheng Gangri Hotel, 1801 presidential suite.

Two seemingly indecent islanders are sitting on the sofa smoking cigars with a sexy naked woman in their arms.

The woman slowly unbuttoned their pants and puffed out something.

The scene was quite chaotic.

Not only that, in front of them, there was a young man with glasses on his knees. Behind him stood five men with short heads with samurai swords on his waist. Their bodies were straight and their eyes were cold.

Like a soldier.

The atmosphere was extremely dignified.

The two wretched men picked up the red wine glasses on the table and dried them.

One of them had a hearty voice: "Mr. Akita, I didn't expect this kind of harvest on the first day of this visit to China. I feel that the emperor of Japan is protecting us."

Mr. Akita also laughed, touched the sensitive parts of the woman under him, and said: "shangyuanjun, you are wrong. The emperor can only protect ordinary people, and we should thank the Beiye adults for being like us!"

Shangyuan Jun heard the name behind him, and his eyes shrunk slightly: "yes, yes, Qitian Jun is right. We are all for Beiye adults. Naturally, we should thank Beiye adults."

At this time, the glasses man who has been kneeling raised his head: "two adults, this matter, I should also have some credit."

If Shen Haihua is here, he will surely find that he is Lu zewen, the missing Tianzheng Group!

The two islanders noticed the Chinese man kneeling in front of him and laughed: "that's natural. You are the most loyal slave of our Japanese Empire!"

Lu zewen was stunned. He didn't want this sentence. Seeing that neither of them mentioned the meaning, he could only remind him: "two adults, should we cash what you promised me..."

"Tianzheng Group will definitely find out that this incident is related to me, and maybe it will call the police. I can't stay any longer in Huaxia. When will you send me to your place, I have always believed in the culture of your country! I am willing to develop in your country all the time. I am an MBA from Harvard University. In terms of my ability, I will definitely contribute to the great Japanese Empire! "

At the moment, Lu zewen flatters like a dog.

In his opinion, his good life is in the hands of these two men.

Shangyuanjun looked at LV zewen and was surprised: "you said you would go to our place?"

"Yes, yes, yes."

"When did I promise you that?" Shangyuan Jun frowned.

Lu zewen was stunned, and immediately his face turned pale: "shangyuanjun, are you kidding? We didn't agree at the beginning. As long as I help you steal the prescription of Tianzheng Group, you will take me away, and add 30 million dollars."

"Thirty million dollars?" Akita Jun directly pushed aside the woman in front of him, put on his pants and kicked LV zewen's chest.

Powerful forces directly kicked Lu zewen to the ground.

"You, a slave of the great Japanese Empire, have no right to ask us for money! It should be your honor to serve our country! "

"What's more, you humble Chinese people, when our country invaded you, if it wasn't for your good luck, all the Chinese people would have become our slaves now!"

Lu zewen's face changed greatly. He was staring at the two men and was eager to bite their flesh off. But when he saw the five men behind him, he did not dare to move.

It seems that these two people will not take him away from Huaxia, and Tianzheng Group can't go. Huaxia has no place for him.

He's been ruined all his life!

Damn it!

He shouldn't trust the islanders at all!

He clenched his fist, stood up, and said without expression: "since there is no business for me here, I will leave first."

As soon as Shangyuan's eyes congealed, he made a gesture. Several soldiers of the Wu Emperor society behind him directly clasped LV zewen's shoulder and pressed him on the table!

"Humble Chinese, did I let you go?"

"Get rid of this guy!"

Lu zewen's face changed greatly. He wanted to struggle and found it impossible! The rest of his light to see a man behind him has drawn out a samurai sword, completely flustered!

"Lord shangyuanjun, I don't want anything! Why do you want to kill me! Please let me go Lu zewen begged.

Shangyuan Jun sneered: "humble Chinese people, you should die! Kill

When the soldiers of the Wu Huang society were ready to start, a cold voice suddenly sounded from behind them: "who gives you courage to insult me like this!"

The sound is cold to the bone marrow.

Everyone in the suite is stunned. There are only a few of them in the room. How can there be a sound in the back?

They look behind them fiercely!

I saw a young man leaning against the window, smoking a cigarette, looking at them faintly.

I don't know why, a cool feeling hit everyone's back. Their eyes are like hell!

The point is, they don't know when this guy appeared!

This is the 18th floor!

Like a ghost!

Of course, Lu zewen knew who the voice was. He seemed to have caught the last straw and said excitedly, "Mr. Ye, help me! Help me

Mr. Ye?

Shangyuanjun and AKIDA Jun were stunned. They were Chinese. They ordered a soldier of the Wu Emperor's society to say, "kill that Chinese boy! Bring it here

"Yes

A warrior of Emperor Wu's society drew out a samurai's sword from his waist. The air was rolling, and he stepped out one step and chopped directly at Ye Chen!

This power seems to be tearing the air, howling!

It's horrible!

Ye Chen didn't have the slightest intention of dodging. Looking at the rapidly falling samurai sword, he bent his fingers and shot out with the cigarette end of Mars like a bullet!

If you look carefully, you will find that the surface of the cigarette end is wrapped with a trace of air flow!

"Chi!" A cigarette butt actually went straight through the heart of the warrior's eyebrows! Then it hit the wall, sinking a few centimeters!

"PATA!"

The samurai's sword fell to the ground, and the warrior of Wu Huang society collapsed on the ground.

There is no trace of life.

"Gollum."

On the original Jun and Akita Jun mercilessly swallow a mouthful of saliva, and then stare at the cigarette end that falls into the wall!

Nima!

Is this really a cigarette butt!

Cigarette butts are made of cellulose! Bearing capacity and cotton almost!

But how to get to this Chinese boy's hand, just like a bullet!

How on earth did he do it!

Is this Chinese boy a devil?

Ye Chen can not give them reaction time, step by step toward the Akita Jun and the original Jun go!

"If you insult me, it's not worth dying!"

Chapter 150

Seeing ye Chen coming, they were completely flustered and hurriedly said to the remaining soldiers of Wu Huang Society: "quick! Stop him

The remaining four people have drawn out a samurai sword toward Ye Chen.

Ye Chen glanced at the four people. Judging from their strength, it was impossible to kill those strong men of Tianzheng Group.

There is obviously someone behind the people of the archipelago, but not here.

He didn't want to waste his time. He watched the Four Swords fall down, his feet were like the wind, and his right hand leaned out on one side of his body and directly clasped the wrist of one of them!

The power erupts, only "click!" One sound!

The soldier's bone of Wu Huang society was broken directly!

The man's eyes were wide and full of horror.

"Ding!" A sound, incomparably clear and crisp, the samurai sword was broken by Ye Chen, and shot into the man's chest.

Completely down.

All this happened between the electric light and the flint.

Too fast!

Fast to Akita Jun and on the original Jun reaction over, has been over.

When the two naked women saw several bodies lying in the hotel suite, blood gradually stained the carpet, they screamed! I wanted to leave, but found that the door had been locked.

They can only rush to the bathroom and lock the door!

Ye Chen would not care about the two women, and went directly to the two islanders!

Akita Jun's body trembled, shrunk to the corner, pointed to Ye Chen and said, "Huaxia boy, don't come here. I'm a visiting group, I'm your Chinese guest..."

Before he reacts, his right hand explodes!

Yes, it's a blast!

The whole arm is gone!

"Ah

He cried out in horror! The whole body flies backward!
