Chapter 1551

"Ye Chen, the thunder robbery is more powerful than we imagined."

Xiaoyao Shenjun is shocked by the thunder robbery in the samsara cemetery. This is only the second way. It has reached the level of thunder robbery in Hunyuan.

There are still seven thunder robberies in the back!

At this moment, the carefree God does not know whether Ji Lin can pass.

Ye Chen narrowed his eyes and didn't speak. Even if he was robbed by thunder, he would do anything.

After the three thunder raids fell, there was a crack in the Heaven Earth Sky Dragon array. At this moment, the artifact of combining Tao had already broken. Even the soldiers of time and space, there were some cracks.

"Ye Chen, wait a moment, take out all the magic tools and the weapons of time and space, and put them on the top of Jilin."

Originally, Xiaoyao God thought that the heaven and Earth Sky Dragon array was enough to withstand eight thunder robberies. But in the fifth thunder robbery, it was about to break.

He still underestimated the power of thunder robbery.

"Good!"

Ye Chen takes out all his magic tools and the soldiers of time and space, and throws them directly into it.

These soldiers of time and space also have the magic weapon of harmony, which can also weaken part of the power of thunder robbery.

"Ha ha ha, you little beast, you are here as expected!"

At this time, the elder of the lonely family rushed to see ye Chen, and could not help feeling excited.

This time, his lonely family, do not know how many strong fall, all because of a lower continent Ye Chen.

Elder Taishang, you can feel the terror of thunder robbery nearby, and have a look at Ji Lin in the heaven and Earth Sky Dragon array.

For a moment, the pupil is locked!

"Ye Chen, you even want to awaken a congenital demon body!"

A postnatal demon body, in the whole tianwu continent, everyone has to kill it, let alone a congenital demon body.

Once this matter is exposed, ye Chen is in the whole land of tianwu, everyone shouts and fights!

"How are you doing these two days, old man?"

Ye Chen looks at the elder of the lonely family and holds the ghost gun in his hand.

He thought that the elder had left, but he was still chasing after him.

Today, he must kill the supreme elder in front of him. Otherwise, once the innate demon body is exposed, ye Chen and Ji Lin will face the pursuit of the whole continent.

If you let others know that a warrior in the six Heaven Kingdom wants to kill the Empress Dowager of Dugu family, no one will believe it!

Because it's all self - digging!

"Little beast, I'll kill you first, and I'll kill the girl in it."

The elder Taishang stands in the sky and rushes to Ye Chen crazily.

His cultivation to the present state, never so embarrassed, for ye Chen hate, has reached the peak.

The breath of terror, as if in the whole world diffuse, a huge sense of oppression, let Ye Chen can not help but step back two steps.

"Old man, I'm sending you a present today!"

As soon as ye Chen's voice falls, the Hunyuan immortal utensils and Shenwang utensils appear in the air.

In order to prevent monsters and beasts, ye Chen specially arranged all the Hunyuan immortal utensils and Shenwang utensils around.

I never thought that the monster did not come, but the elder of the lonely family came here instead.

"Little bastard!"

Elder Taishang wants to retreat, but he has already entered the attack range. If he wants to leave, it is extremely difficult

boom!

The terrifying force of the explosion caused the ground to shake, and the ground appeared a little crack.

The clothes of the elder Taishang were broken and covered with blood. His appearance was extremely miserable.

"Master, borrow my strength!"

The power of the carefree God King rushes into Ye Chen's body, and ye Chen is promoted from the sixth heaven of Shenwang state to the Ninth Heaven of Hunyuan state.

This is completely the power of the carefree king!

Behind Ye Chen, there are five ways of God King's way: killing God's kingcraft, destroying God's kingcraft, not destroying God's kingcraft, quieting and destroying God's kingcraft, and melting God's kingcraft.

The elder of the lonely family rushes to Ye Chen regardless of his injury.

"Cold ice sword is determined!"

Ye Chen roared and took out a Hunyuan immortal sword. The body of the sword twinkled with the law of ice.

Around him, the sword Qi flowed wantonly and made a buzzing sound.

He raised his arm and clenched the Hunyuan immortal sword. At the moment when the supreme elder rushed over, he cut it out with a sword!

With this sword, ye Chen burst out with all his strength. The terrible sword Qi was flowing rapidly, and countless ice condensed on the ground.

The temperature of the surroundings drops in an instant.

As the top God King, taishangchangelao doesn't care about ye Chen's sword.

"Sky shaking palm!"

High in the air, a huge palm, a moment of cohesion.

The moment the palm condenses, suddenly falls in Ye Chen's head.

"Time and space sword!"

Ye Chen, fearless in the face of danger, raises his arm and stabs Hunyuan Xianjian into his palm.

The breath of the law of time and space flows faintly and goes down with a sword, as if the heaven and earth change color, and the devil is roaring."Boom

The two collide with each other, and ye Chen spits out a mouthful of blood.

Although Ye Chen was promoted to jiuchongtian in the Hunyuan kingdom for a short time, the gap between them was still too big when facing the Taishang elder of Dugu family!

At the moment, he had no time to think, and the figure of the supreme elder had come to him.

I saw the elder with a handle of time and space, stabbing Ye Chen's chest.

However, ye Chen did not retreat, but head-on.

When the soldier of time and space stabbed at his heart, his body tilted slightly.

Stab!

The soldiers of time and space stabbed into Ye Chen's chest, and the blood gushed out crazily. A mouthful of blood gushed out from the mouth.

Face this scene, ye Chen ferocious smile.

He wants to kill the top God King, the only chance is to exchange injury for injury!

The body of the sword stabbed from the front of Ye Chen to the back, and the tip of the sword is bloody red.

"What do you want to do?"

Elder Taishang frowns, just ready to take out the soldiers of time and space. However, ye Chen grabs his arm with his left hand.

"Idiot!"

Ye Chen's ferocious smile is like an emissary harvesting human life in hell.

Ye Chen's right hand, in an instant, raised Hunyuan fairy sword, a sword stabbed into the elder's thigh.

"Ah

Taishang elder screamed, raised his arm and clapped it on Ye Chen's chest.

"Pooh

Ye Chen's body retreats and blood spurts out from his mouth.

Elder Taishang's face was gloomy and terrible. He was injured by a king of gods.

He is the supreme elder of Dugu family. He can hurt him unless he is in the same realm.

"Dog, how are you? Be comfortable

Ye Chen wiped the blood from the corner of his mouth, and his red eyes looked like a devil.

Elder Taishang did not speak, but his breath kept pouring out.

Obviously, he was furious!

It is a shame for him to be wounded by a humble warrior.

"Son of a bitch, you want to protect the girl behind you? I'll see how you protect it. "

Taishang elder roars, does not answer Ye Chen at all, but rushes to Ji Lin.

He knew that the best way to torture Ye Chen was to let his friends die one by one.

Although Ye Chen is cruel and ruthless, he attaches great importance to love and righteousness, which is his fatal weakness.

"Old man, you want to die!"

Ye Chen's chest was full of anger, and he wanted to kill the elder of the lonely family ten thousand times.

Now that Ji Lin has reached a critical moment, no one is allowed to destroy him.

Even such a terrible strong man can't do it!

Chapter 1552

Ye Chen, holding Hunyuan immortal sword in hand, rushes to the supreme elder and cuts it out with all his strength.

This sword, startled the world, weeping ghosts and gods, ye Chen's chest anger, all released on this sword.

A sword, a flash of youth!

Elder Taishang stood up. For a moment, he felt a slight threat.

How can it be possible to feel the power that can threaten the top God King from an ant in the God kingdom?

It's incredible!

The sword Qi is surging and the extreme speed appears in front of the supreme elder.

In a hurry, the elder Taishang took out his shield and rushed to the sword. He stepped back two steps.

A mouthful of blood!

Although he was not in his heyday, he was not an existence that could be countered by a younger generation.

Don't mention the kingdom of killing God, even if he kills the realm of Tao, he is more than enough!

But at the moment, he was beaten and vomited by a king of gods!

Elder Taishang's ferocious face is like a devil. His whole body rushes into the heaven and Earth Dragon array.

Although Ye Chen's speed is fast, there is still a certain gap between Ye Chen and Taishang elder.

The whole body of the supreme elder entered the heaven and Earth Dragon array, but in this moment.

Thunder cloud deafening, originally a hundred miles of dark clouds, blink of an eye condensed into thousands of miles.

When the supreme elder enters the moment, the whole thunder rob suddenly becomes the thunder rob of the top God King.

At this time, ye Chen had no time to think about it and rushed to the heaven and Earth Dragon array.

Originally, Ji Lin's chance of surviving the thunder robbery was only one percent, but now, everything is unknown.

"Ye Chen, you can't go in. The current thunder robbery will make you die completely."

After all, this level of thunder robbery is not what ye Chen can touch.

"No, I want Ji Lin to live!"

In a word, ye Chen expresses his will!

He did not know that he would die if he touched the thunder robbery, but he was still fearless for the people he cared about.

Xiaoyao God Jun sighs, not in dissuade, this period of time, he knows Ye Chen's character.

As long as ye Chen decides, even death will not change!

"Old dog, I will kill you today!"

After ye Chen, there are five gods and kings, holding two swords, just like a demon God!

"Time and space sword."

"Ice sword."

The law of time and space, the law of ice, gushed out of Ye Chen's body crazily.

The two swords are extremely beautiful. They have the power to destroy the heaven and the earth.

Two sword lights, crazy rush to the elder Taishang, sword light mixed, blink of an eye to the elder Taishang.

Elder Taishang's whole face remained unchanged, holding the war of time and space in his hand and blocking with his backhand.

Above Ji Lin, there was originally a Thunder Dragon. At this moment, in the void, there was a vague figure.

This is the shadow of the heaven, with a devastating fighting capacity.

The emperor wanted to start with Ji Lin, but he could see the way of heaven condensing, even if he felt a fatal threat.

No accident. If you do it, it must be him.

"Since you break in, use your body to help Ji Lin resist thunder robbery."

Ye Chen roars and comes to Ji Lin. at this time, the heaven and Earth Dragon array has already broken.

Four pieces of time and space soldiers, completely scrapped!

"What do you want, son of a bitch?"

At this time, there was a bad premonition in the heart of the supreme elder.

See ye Chen suddenly Ji Lin, crazy rush to the elder.

There are still the last three ways of thunder robbery, which are equivalent to the power of the top God King. Ye Chen and Ji Lin can not bear it at all.

If you want to survive the thunder robbery, the only way is to rely on the elder of the lonely family.

After all, he has the fighting power to crush everything and can resist two thunder robberies.

"Little beast, get out of here

See ye Chen rushed over, where the elder did not understand his meaning, it is completely as a meat shield to resist thunder robbery.

A second ago, the supreme elder also wanted to kill Ye Chen. At this moment, he just wanted to avoid it.

"Old man, don't run! Since you want to help me resist the thunder robbery, why don't you say so earlier, or I will let you in. "

Ye Chen in the back of the chase, Taishang elder at the moment dumb eat Coptis, there is a bitter can not say.

I knew that he would never enter the heaven and Earth Dragon array. Otherwise, he would have killed Ye Chen.

There's no need to be in such a mess.

Above the void, blurred figure, raised the arm, a slap fell.

Elder Taishang's face changed greatly when he saw this scene. Where is the combat effectiveness of the top level Hedao state? It's totally the same as the heaven's fighting power in the realm of creation.

This slap, vaguely can see the arc flicker, the breath of annihilation, shrouds Ye Chen three people. Although the supreme elder didn't want to resist, the breath of terror had already locked him in. Even if he didn't want to, there was no way.

Elder Taishang took out a piece of space-time soldiers, and the power in his body was crazy and passed into the shield.

Ye Chen hugs Ji Lin tightly, so that she won't be hurt. Anyway, the supreme elder resists him. He just uses his strength to form a shield, just in case.

A slap suddenly fell, and the elder Taishang's time and space army could not resist the five rest time, and was instantly broken.

Elder Taishang, crazy roar, power gushing out. To resist the power of extermination.

"Pooh

Elder Taishang gushed blood and water, and his face was pale. If he had not used his original power just now, he would have been a dead man.

Above the void, the figure is not shooting, obviously brewing the eighth thunder robbery, which also gives the supreme elder a breath of time.

The elder turned his head and looked at Ye Chen. He was angry with only one eye.

Ye Chen in addition to a little aftershock, there is nothing at all, let alone injured, even a drop of blood did not flow out.

Fortunately, the elder Taishang has a profound cultivation. Otherwise, he has to faint. His mother is too angry and subdued.

But he spent the power of the source and a piece of time and space to resist, ye Chen? Just standing behind him.

The power of the source and the war of time and space make a wedding dress for others in vain.

"Elder Tai Shang, for the first time, I found out that you are really a lucky star!"

At this moment, ye Chen doesn't feel too happy. Originally, he was worried about thunder robbery. Because of the invasion of the supreme elder, he is not flustered at all.

If he can, he would like to have a drink now, thank you!

However, the supreme elder who heard Ye Chen's words was completely out of control!

He was used!

Damn it!

"Ah, ah, ah! Son of a bitch

The old-fashioned chest of Taishang was undulating, only felt that the whole lung would burst.

Since ye Chen appeared, he has been in a mess.

"You die for me!"

Taishang elder ignored, rushed to kill in the past, ye Chen saw this scene, instantly smile.

Now he would like the elder to rush over.

Ye Chen does not retreat but advances. The supreme elder takes out the last piece of space-time soldiers and cuts it with a sword.

However, the Supreme Master has just raised his hand, and the eighth thunder robbery has been completed.

The figure in the void is holding a sword in his hand.

A sword rushes to Jilin. It seems that the sky and the earth change color. The whole original mountain seems to have only one sword light left.

"Lying trough!"

Also do not know how much anger, the supreme elder burst out a rude word, he has cultivated for thousands of years of mind, in this moment, nothing.

I'm afraid Ye Chen is the only person in the whole continent who can make a top God king like this!

Elder Taishang regretted not as much as he had at the beginning. He knew that he must hold his temper and flee ye Chen as soon as possible. However, it is too late to say anything now.

Chapter 1553

Now.

In a flash, a sword light rushed to the body of the supreme elder.

When the distance between the sword and the old body is only one centimeter He ran wild.

Elder Taishang knows very well that once the sword light penetrates into his body, he will surely die!

"Ye Chen, you son of a bitch!"

When the elder saw that ye Chen had been less than one meter away from him, he almost got angry.

Don't be such a bully!

"Look at the sky!"

Ye Chen's headless words let the elder master look at him and see that the sword spirit has already rushed over crazily.

With a mouthful of blood and essence, the elder Taishang took out all his magic tools and Hunyuan immortal tools with a big hand to resist the power of the sword.

This blood essence condenses into a blood red shield.

When a mouthful of blood essence gushed out, the whole body of elder Taishang was weak.

This is a thunder robbery that nobody can shake. Even if it is him, he should be careful to deal with it.

Bang!

Boom!

Stab!

A shield of blood essence condensed only lasted for less than ten minutes, and then Hunyuan immortal tool and Hedao artifact exploded suddenly.

"Ah

The elder roared angrily and cut off the flesh and blood on his arm. The blood condensed into a thread of blood, which constantly wrapped his body.

The scarlet blood line, however, depends on the blood of his whole body, not only that, but also the blood essence as the foundation.

Boom!

The power of sword light impacts on the blood of elder Taishang and breaks in an instant. However, he also successfully resists the eighth way of thunder robbery.

The elder Taishang gasped weakly in the air. A ferocious wound on his arm was bleeding continuously.

Ye Chen had been hiding behind the elder Taishang for a long time.

"You son of a bitch, wait for me!"

The elder turned his head and looked at Ye Chen and ran away in an instant.

At this time, he didn't want to stay here for a moment. The supreme elder dare not resist the last thunder robbery. Once the ninth thunder robbery falls, he will fall completely.

"Is it too late to run now?"

There is a cold look between Ye Chen's eyebrows and Yu. It is definitely the best chance to kill the elder Taishang now.

He killed a lot of Dugu family members anyway, which is not bad!

What's more, once the supreme elder of the Dugu family is allowed to go back, Ji Lin's poison body will be made public!

At that time, not only Ji Lin is in danger, but also Ji Siqing will be implicated!

Today, no matter what the cost, he must be eradicated!

"Time and space sword!"

"Cold ice sword is determined!"

Ye Chen holds two swords in his hand, and his whole body radiates two distinct forces. Seeing this scene, the elder Taishang frowns tightly.

If it is normal, ye Chen naturally can not threaten him, but now he is seriously injured, I am afraid that the strength of his whole body can only play one tenth.

As the saying goes, when you are ill, you will die!

Two sword lights rushed to the elder Taishang crazily, a fatal danger filled his mind.

Elder Taishang bites his teeth and burns a drop of blood essence in his body.

Blood escape!

Relying on blood essence, the speed of the outbreak of terror, if not a last resort, the supreme elder will never use it.

Elder Taishang ran away very fast. Unfortunately, a sword light directly cut off one of his arms.

It has penetrated the heart of the supreme elder!

Life and death are unknown.

Ye Chen frowned, but he didn't expect that at the critical moment, the supreme elder could still perform such a skill.

I just don't know if I'm dead.

But even if he doesn't die, he has become a useless man.

If it was not because Ji Lin's thunder robbery had not passed, he would have chased and killed him.

"Buzz!"

The whole void was humming and the sky was covered with dark clouds. At this moment, no light could be seen.

Empty condensed shadow, has long been gone, the air filled with breath, pressure of Ye Chen can not breathe.

This last thunder robbery is also the most terrible one!

"Disciple, this thunder robbery..."

Xiaoyao God did not continue to say, but the meaning is self-evident.

"I understand!"

Ye Chen grinned bitterly and took a deep breath. This time, he was afraid that it was more or less ominous.

Even so, ye Chen did not step back. He knew that once he stepped back, Ji Lin would die.

"Ye Chen, is it worth your doing so?"

At this moment, Xiaoyao God speaks. In this world, morality is the most ridiculous thing.

"Worth it!"

Ye Chen murmurs at the corner of his mouth, for the people he cares about, how about paying his life? He has experienced many life and death. If he retires later, his mind will be affected in the future.

Behind Ye Chen, there are five kinds of deities: killing God, destroying God, not destroying God, silence destroying God and Duhua God.

In the void, the pressure of terror is increasing, which makes Ye Chen's legs bend slightly.

Ferocious face, endure the pain, bones are buzzing.

In the void, nine thunder dragons appear, thousands of feet of body, pulling a palace, in the palace, a man of the path of heaven, standing inside.

"Inborn poisons should not exist in the world. They should be punished!"

The man opened his mouth in anger, and the void around him exploded. With just a word, the whole void was destroyed.

A man's word represents the will of heaven!

The way of heaven controls the power of life and death. No matter who is in front of it, he is like a mole ant.

"If I let her live, no one can decide her life or death, even if the law of heaven can't do it!"

Ye Chen light open mouth, but the tone inside, a firm will.

"Presumptuous!"

Around the wind roaring, crazy rain dripping, a little bit on Ye Chen's cheek.

Pooh!

Ye Chen a mouthful of blood spurted out, the whole viscera, there are slight cracks.

Hunyuan fairy sword, inserted on the ground, ye Chen is half kneeling, eyes staring at the man above the void.

"What about the way of heaven? I want to be higher than the sky

Ye Chen whole person ferocious smile, even in the face of heaven also not afraid.

"Ridiculous!"

The man is not angry but laughs. With a wave of his big hand, a lacquer black pupil appears faintly in the void.

The pupil has not yet opened his eyes, but ye Chen can feel the power to destroy everything.

"Today represents the way of heaven, judge the congenital poison, destroy the evil pupil, open it!"

An eye, slowly opened, the power of extermination crazy gush out.

The breath of annihilation constantly cuts Ye Chen's body. In the blink of an eye, ye Chen's whole body is covered with blood and water.

Ye Chen clings to Ji Lin and does not let her suffer any harm.

"Ye Chen Go away... "

At this time, Ji Lin opened her eyes weakly. Although she was in a coma, she could feel everything outside.

Ji Lin Mou son inside is full of tears, originally he stepped into Lingwu land is looking for ye Chen, who knows to bring him so much trouble?

"Don't worry, I'm here, you are!"

Chapter 1554

At the beginning, Ji Lin's sister spared no effort to help himself, and his life was not over.

"You go Go away... "

Ji Lin grabs Ye Chen's clothes and opens his mouth in pain.

Ye Chen didn't speak and looked up at the evil pupil.

This is the judgment from heaven, and at this moment, he is very small.

At the moment when the evil pupil opens his eyes, a crisis of death covers Ye Chen.

Incomparable!

One strike, ye Chen can't live at all.

"Ye Chen, we will do our best to help you."

Xiaoyao God Jun did not speak to dissuade, this period of time, he understood Ye Chen's character.

If ye Chen abandoned Ye Chen for his own safety today, he would have misread this disciple!

However! Ye Chen stayed!

Even if you know that you are invincible, you should fight against fate!

If there is a man in the world who can rescue him from that group of people!

Only Ye Chen!

Along the way of martial arts, many people are devoid of human nature! Selfishness!

Think that only merciless can achieve the road!

Big mistake!

A real strong man should not only have a firm heart of Tao, but also a determination to attach importance to love and justice!

And now ye Chen, let them see an unparalleled heart of Tao!

This heart of Tao is bound to be invincible on this arduous road of cultivation!

At the moment, a purple light condenses. The atmosphere of purple light horror makes the primitive mountains and the monsters in the transformation feel a trace of fear.

"Today, I want to dye the sky with blood!"

A purple light of annihilation comes suddenly. Ye Chen holds the Hunyuan immortal tool and cuts it out with a sword.

This sword has a crazy, immortal will.

"Not enough is not enough, I want to be stronger!"

At the moment, the four people frantically transmit power to Ye Chen.

Ye Chen, who was originally in Shenwang state, suddenly reached the jiuchongtian of Hunyuan realm. However, all this is not over!

The world of harmony is coming!

Ye Chen's body, there are cracks, just like the porcelain pot is about to be broken.

"Disciple, we must stop, or your body will not be able to bear it."

"Master, continue!"

Ye Chen's eyes are covered with bloodstains, and there is no perfect place in the whole body.

At the same time, the rest of Dan's effect is turning crazy!

Lin Qingxuan said that the realm of life and death is actually now!

Once through, ye Chen will surely achieve the road!

"Ah

Ye Chen roars up to the sky, just like a bloody devil. He cuts out the sword crazily again to release the violent power in his body.

Boom! Boom!

A sword light, crazy cut to purple light, but the speed of purple light, there is no slightest slowdown.

Ye Chen's face did not change. Behind him, the way of killing God, the way of destroying God, the way of not destroying God, the way of quieting and destroying God, and the way of turning God into king, madly rushed to purple light.

Even if we destroy our own foundation and lose the way of God and king, we will not hesitate!

"Ye Chen!"

Ji Lin's crazy crying and sacrificing his own God and kingcraft are no different from suicide.

If you can survive in the future, you will also be a disabled person.

Pooh!

Ye Chen's white cheek, blood gushed from the inside of the mouth.

The five gods and kings finally resisted the pace of the purple light. However, in less than ten rest time, the five God King realms were suddenly broken.

Purple light rushed to Ye Chen, at this time he was unable to fight again.

The moment when the five gods and kings were broken, his realm fell madly.

Ye Chen exhausted his last strength and held Ji Lin in his arms. He wanted to use his physical strength to make his last effort.

The breath of death permeates Ye Chen's heart. He is not afraid of death, but his heart is unwilling. He has a lot of things to do.

At the moment when the purple light rushes into Ye Chen's body, the breath of annihilation fills his body.

"Are you going to die..."

Ye Chen murmured a word and suddenly closed his eyes. At the moment when he closed his eyes, a stream of energy from the reincarnation cemetery poured into Ye Chen's body

Ye Chen's blood is full of a trace of terror.

At the same time, the medicine effect of the nine death endless pill has been brought into full play!

Ye Chen's whole body seems to wrap the light of this group of stars.

The light of the stars finally converges into a pole and penetrates into Ye Chen's body.

Then, in the light, a blood red dragon shadow flickers!

The endless chant of the Dragon resounds through the whole mountain.

Then there was a wild roar.

As if against the injustice of heaven!

In the end, people knew nothing happened there.

Because it's turned into ashes. I don't know how long, a little girl climbed out of the dust.

The little girl opened her eyes and her body was covered with poisonous light,

she was at a loss.

Suddenly, she saw a young man in a coma.

Rushed over without warning!

"Ye Chen!"

.....

Three days later.

In the jungle of the primitive mountains, a pale young man in a black robe was holding the hand of a 10-year-old girl.

It seems that the young man has no accomplishments, but he has no monster to fight him.

What's more strange is that there are many ferocious wounds on young people's skin.

His pale face also had a scar like thunder and lightning.

The scars are even ancient.

It seems impossible to eliminate.

Ye Chen tried Yi Rong, but found it impossible.

The scars on the body and even the lightning lines on the face are too powerful.

Even if it changes appearance, it will recover in a short time.

The young man's resolute eyes are suffused with blood. He seems to have experienced everything without fear.

This young man, no one else, is Ye Chen.

At the end of the day, ye Chen fell into a coma. At last, if he reincarnated in the cemetery, a stream of energy entered his body to save his life.

"Ye Chen, if it wasn't for me, you wouldn't be like this."

Ji Lin's eyes are red. He can't help tears when he thinks of his experience three days ago.

Now ye Chen's body is full of wounds, and his cultivation has fallen a lot.

The key to that ferocious wound on the arm, people can't bear to look directly.

Like a devil.

"Don't worry. I'll be fine."

Ye Chen stretched out his hand and touched Ji Lin's head.

He was aware of the situation in his body, and the destructive power of the judgment of heaven had always been in his body.

Although there was no cultivation, he could use the power to destroy the world.

He roughly estimated that the exterminating force in his body could be used five times.

This power of exterminating the world can be killed by even the strong at the top of the Tao realm.

As for his cultivation and the way of God and king, he could feel that they did not disappear, but were always in his body.

It seems to be sealed by the extermination power of heaven.

This time, it was a blessing in disguise.

Ye Chen and Ji Lin come out of the original mountain and decide to go to Kunyu city.

With the help of his family, he didn't need the strength of his family to kill poison.

In a time when he was at the top of the world, he did not know how to kill the king.

He didn't dare to gamble.

Chapter 1555

If elder Taishang is still alive, he must be killed!

Only the dead can know the secret of Ji Lin's inborn poison!

The grandfather who killed Bai Du Xue Nu at the beginning had a share in the lonely family. He believed that if she had the chance, she would give the lonely family a nightmare.

.....

Three days later, ye Chen and Ji Lin walked into Kunyu city.

In Kunyu City, the city master is a strong man who can sit on a city, and his strength is not vulgar.

On the street of kunyucheng, ye Chen pulls Jilin. He wanted to find an inn to live in, but he didn't step into the inn. A voice made Ye Chen stop.

"Ugly, stop!"

Ye Chen turns to take a look and finds a young man in the Shenwang state of yichongtian. There are two Dharma protectors beside him. They are all martial arts practitioners in the double heaven of Hunyuan state.

"Ugly, I have a crush on your granddaughter. Hand it over and get out of here!"

On the street, see this scene, can't help shaking his head, looking at Ye Chen a trace of pity.

Wang Hanwen is the young master of the Hehuan sect. This sect specializes in the skill of collecting Yin and tonifying yang.

Wang Hanwen has a disgusting habit. He doesn't like young and beautiful women, but likes girls.

In the whole Kunyu City, I don't know how many girls died because of Wang Hanwen.

"Brother Ye Chen, this man is disgusting."

Ji Lin takes a look at Wang Hanwen with disgust. Since her innate poison awakens, her cultivation speed has been improved wildly.

Now she has reached the top of the Empire.

"It's just a piece of rubbish. Don't worry about it."

Although Ye Chen's voice is not big, but let the crowd around, listen clearly.

At this time, everyone had only one idea. The black robed youth was dead!

Ji Lin's opinion is ignored.

"Ugly, you dare to say that this young master is rubbish. Today, you are in agony."

In Kunyu City, in addition to the power of the city master, he needs to worry about it. Who dares to resist the Hehuan sect?

As soon as Wang Hanwen's voice falls, he rushes up with a lunge and wants to hit Ye Chen to death with a fist.

Wang Hanwen's two Dharma protectors, quietly watching in situ, is just a boy without cultivation, kneading at will.

"Go away!"

Ye Chen turned his head and said a word. Suddenly, Wang Hanwen's whole body appeared cracks, which broke in an instant, and burst out a mass of blood mist.

Although he lost his cultivation, his physical strength is still there. How can he use the power of the body to condense a word, which can be resisted by a piece of garbage from the heaven in the divine kingdom?

"Hiss!"

The onlookers took a breath and rubbed their eyes.

Did they read it right? Just say a word, kill the king of God, a strong man of heaven?

All this happened, no more than ten minutes, and even some people did not respond to it at all.

The speed of the end is too fast!

At this time, the two Dharma protectors reacted and their little master was killed by seconds.

"Ugly, dare to kill our young master, you are dead!"

The two Hunyuan warlords were very angry. The head of the clan, Lao laizi, was his favorite son, and was killed in public?

If the headmaster blames them down, both of them will be doomed.

Now the only way is to take ye Chen away, so that they can live.

The two Hunyuan States, with the power of hatred, rush to Ye Chen.

Ye Chen stood in place, did not move at all, in two rush to the moment.

Ye Chen raises two arms, hands hold two people's arms, slightly twist.

Click!

The two Hunyuan warlords screamed. The whole arm was twisted into a twist by Ye Chen, and the bones inside had already been broken.

Ye Chen a release, and then rushed two people, a kick out.

The two warriors of Hunyuan state flew directly ten meters away, their chest collapsed, their mouths overflowed with blood, and they fell on the ground. Those who died completely could not die again.

"Let's go!"

Ye Chen does not change his face. He does not know how much he has killed.

When ye Chen and Ji Lin left, all the people responded that the son of the headmaster of the Hehuan sect died, and the two Dharma protectors were also killed. This is a great event.

I'm afraid the headmaster of Huan sect will be completely angry.

In an inn, ye Chen and Ji Lin are sitting in a remote corner.

"Brother Ye Chen, killing three of them won't bring trouble?"

Now Ji Lin is afraid of bringing disaster to Ye Chen. If it wasn't for him, ye Chen would not have been like this.

"It's OK. It's just a group of ants."

Now ye Chen has the strength to fight against the Supreme God King. Why care about a sect with only Hunyuan realm.

If he wanted to, he immediately let the house of joy be destroyed. At this time, the bartender brought up the food and wine, and many martial artists were discussing the recent events.

"Have you heard that the city Lord's house has caught a poisonous girl in the same Taoist realm today. It is said that it is the postnatal poison."

"I also know that the son of the city Lord's house wanted to offend the poisonous girl, but he was completely abandoned. Later, he wanted to be wanted by the city Lord's house, but the poison girl was covered with poison, and many soldiers died. Finally, the city master seized the poison girl."

"It's a pity that such a beautiful woman will be executed today."

Ye Chen frowns when he hears the discussion of those martial arts men. If he says poison girl, he is afraid to be a hundred poison blood girl.

There are few people who practice poison skill, not to mention the acquired poison body.

Ye Chen and other Ji Lin after dinner, paid money from the restaurant inside.

"Jilin, I'll find you an inn. You can stay first. I'll pick you up then."

Although Ye Chen is not afraid of the power of the city Lord's house, Ji Lin's realm is still too low. If someone stealthily attacks her, ye Chen can't take care of her.

"Well, I'll wait for you at the inn."

Ji Lin knows that his strength is too weak to help Ye Chen.

When ye Chen deals with Ji Lin, he inquires about the execution ground in the street.

This time, the city Lord's house was under the audience of the Grand Court to attack and kill poison women, which was obviously furious.

This matter in the whole Kunyu City, has long been no secret, anyone asked to know.

Ye Chen all the way to the execution ground in the west of Kunyu city. At the moment, the execution ground has already been crowded.

These warriors come here to watch the fun.

Ye Chen looked up and found a woman standing above Xingtai.

The woman's hair is a little confused, and there are blood stains on her face. The woman is no other than liang XueYue.

After liang XueYue, a man holding a big knife is specially responsible for the execution.

"It's a pity that such a beautiful woman should offend the city Lord's house."

"It's not the son of the Lord of the city, who has committed many evils. He deserves to be abandoned now."

The crowd around Xingtai murmured.

A strong man in the realm of Taoism was executed under the audience of the Grand Court, which was totally humiliating her on the verge of death.

Chapter 1556

Ye Chen squeezed into the crowd.

"Which son of a bitch is squeezing me?"

"Why are you so ugly? What is on the face and body, can infect

"This ugly monster is very powerful. We'd better stay aside and see what's wrong with him when he's young."

Ye Chen crowded to the front, just a step forward, the bodyguard of the city Lord's house stopped him.

"Take a step forward and shoot to death!"

As soon as the guard's voice fell, his head fell instantly. Since he wanted to save Liang XueYue, he was destined to be the enemy of the city Lord's house.

"No, someone robbed the Dharma hall!"

"Where's the boy from? Break into this place and kill him!"

The bodyguards of the city Lord's house swarmed in. These guards were basically the martial arts people in the spiritual realm. As soon as they rushed over, they were killed by Ye Chen.

"The black robed boy is very strong. Please inform the Lord of the city quickly."

In a short time of less than three breaths, those who entered the spiritual realm were killed and injured more than 100 times.

These people are all killed by Ye Chen, no one dares to step forward.

The martial artists who were watching the good plays below were all in disorder in the wind!

It's not easy to kill a warrior in the divine realm as it is to kill a chicken.

Ye Chen stepped out one step and surrounded Ye Chen's guards. They could not help but step back.

Even some people with poor psychological quality have unstable knives in their hands, and their legs tremble on the ground.

This mysterious young man in black is so terrible. He looks weak and has no accomplishments. Who knows

Ye Chen came to Liang XueYue and twisted a short rope with one hand.

Now Liang XueYue's accomplishments are all confined. If you want to untie the seal, it will take a little time.

Looking at Ye Chen, Liang XueYue is full of doubts. She was originally a poisonous girl and had few friends at all. When others saw her, she wanted to hide. When did she know the black robed youth?

She saw Ye Chen's hand, slightly surprised.

And then see ye Chen's side face, lightning scar shocking.

A sense of familiarity welled up.

"You are ye..."

Before he finished speaking, he was interrupted by Ye Chen: "I am your uncle! Don't talk nonsense

Liang XueYue:

Liang XueYue was sober.

You know, ye Chen is now a taboo in the western regions!

If the identity of the black robed youth is found, they will fall here.

Just, now ye Chen for peace will become like this?

Is it for fear of being recognized?

There's no need to change your face.

What's more, ye Chen didn't have any accomplishments.

Is there a magic weapon to cover the breath?

No, she faintly saw Ye Chen's pale face!

This is hurt!

In this way, ye Chen didn't cover his breath, but he really didn't cultivate himself!

And it seems that all the strength just exerted has something to do with the body refining!

What the hell happened!

After the auction, ye Chen was hunted down to the present level?

"Let's go now."

Liang XueYue was just about to leave, but was seized by Ye Chen with one hand.

"Don't worry. We'll get rid of the people in the city Lord's house before we leave."

Liang XueYue almost a mouthful of old blood spurt out, you Ya's not to cover the identity! You didn't do it!

Why stay?

Ye Chen wants to die, and she wants to live well.

"Presumptuous, who dares to deceive my city Lord's house?"

At this time, a rage came from the void. A middle-aged man was wearing a luxurious robe and his eyes were fixed on Ye Chen.

The strength of wuchongtian, even in a medium-sized family, is an elder of one side, only one level lower than that of Taishang elder.

"The Lord of the city is coming. This black robed boy is very dangerous."

"No matter how powerful the black robed boy is, how can he be the rival of the city Lord."

"I guess the city Lord can kill the old man with one move."

.....

The onlookers were whispering, and they were not afraid to make a scene. After all, they just came to see the excitement.

Liang XueYue had a desperate look on her face. If she had run away directly just now, they still had a chance, but now

There's no chance of escaping.

He looked at Ye Chen, but found that ye Chen had no fear on his face.

Instead, step out and look directly at the high city Lord!

Then, a cold voice rang through!

"What's the name of a garbage in the five fold heaven of a harmonious world?"

Hiss!

Everyone looks at the young man in black. He is afraid that he is not a fool?

He is also a strong one.

In the black robed youth here, it is a garbage, this is how arrogant tone, regard himself as a fairy. Xiao Jing, the Lord of the city in the void, was so angry that he did not know how many years he had dared to challenge the dignity of his Lord's house.

"Ugly, since you want to die, I will help you."

Hold the hand of Xiaotianjing and hold the breath of Xiaotianjing.

This breath did not aim at the people present, but all felt that the chest was stuffy and the people could not breathe.

The God King of wuchongtian is so strong!

Xiao jingben thought Ye Chen would kneel down on the ground and could not get up. Who knows this black robed youth has nothing to do with it.

You should know that ye Chen's strength is the afterpower of the destruction of heaven!

How can the remaining power of heaven be broken by the pressure of a powerful man in the same way?

It's ridiculous!

"Looking for death!"

Xiao Jing becomes angry and takes Fang Tian Hua halberd and rushes to Ye Chen in an instant.

At this moment, Liang XueYue closed her eyes, and she was already desperate.

"It's a pity that such a tough young man in black has to provoke the city Lord."

The onlookers shake their heads and have expected the scene of Ye Chen's head splitting up.

However!

The ferocious Ye Chen under the black robe is laughing!

He slowly stretched out a finger!

Pointing to Xiao Jing in the void, a little purple light flickers on the finger.

The breath of annihilation and the way of heaven came out crazily.

A ray of purple light blinks at Xiao Jing's head.

"Bang!"

With a dull sound, Xiao Jing's head split up in an instant and completely cut off the breath in the void.

The God King of five Heaven is killed by Ye Chen!

This is the power of heaven to destroy the world!

Although only a few, but extremely precious!

Is incomparably strong!

"The young man in black should be dead."

All of them didn't take a close look at the corpse, but in one minute, the crowd reacted.

The headless corpse was Xiao Jing's, but the young man in black had nothing to do with him.

Not to mention the injury, not even a drop of blood.

Liang XueYue thought that she would die, but after a long time, she found that nothing had happened, so she opened her eyes.

When she opened her eyes, she found that ye Chen had put away the city Lord's Square heaven drawing halberd.

"This What's the situation? "

At this time, Liang XueYue felt that her brain was not enough.

The strong one of the five Heaven in the world of Taoism died like this?

This is not the state of God and the kingdom of God, but a real strong one.

When did ye Chen become so terrible!

Didn't he have no accomplishments?

Isn't he hurt?

This It's just a finger to kill the strong one!

Chapter 1557

Even xianzun is not so exaggerated.

At the moment, Liang XueYue's heart really set off a storm!

"What are you doing? Go to the treasure house of the city Lord's house."

There should be many good things in a treasure house of five times heaven.

Ye Chen just needs a combination of Taoist artifact, Hunyuan immortal instrument and healing pill to treat his injury.

When they saw the figure of the black robed youth drifting away, they all understood one thing. At the moment, Kunyu city had changed.

At the same time, everyone knows that there is a young man in black who can't be provoked! It's horrible!

An hour later, ye Chen came out of the city Lord's house with a smile on his face. This time, he got ten pieces of Hedao artifact, two pieces of Hunyuan immortal utensils, and all the pills for him to take away.

"Ye Chen, how can you become like this? Are the traces on your face and body intentional or real?"

Liang XueYue still asked.

"Really." Ye Chen only spits out these two words.

The marks on his body and the scars on his face are strange.

It should have something to do with the power of heaven.

Removal is sure to be removed.

But it should not be easy.

"Ah? And your accomplishments You don't have the breath of cultivation at all, but you can kill those who are strong in the world Why? " Liang XueYue has a wonderful way.

"It's a long story. Now the Taishang elder of the lonely family has been seriously injured. Are you interested in killing the lonely family with me?"

The Taishang elder of the lonely family knows about Ji Lin's inborn poison. Ye Chen can't let him go.

Now all the strong people in the lonely family's natural environment are not there, only a group of harmonious realms are left.

Liang XueYue took a look at Ye Chen. If someone else said that she would destroy the lonely family, she would despise him as a fool and know nothing about life or death.

But this sentence Ye Chen said, can not help but convince people, ye Chen is not only crazy, but also constantly create miracles.

"Ye Chen, what realm can you fight against now?"

Liang XueYue did not directly agree, although the lonely family had participated in the war.

If there is a chance, Liang XueYue will certainly give a fatal blow to the lonely family, but it does not mean that when she is not sure, she will die for nothing.

"I'm able to kill four times the God King at the top of the road."

Ye Chen a word, let Liang XueYue pour a breath of cool, second kill God King four times.

This is the strongest existence under the immortal.

If he didn't know ye Chen's character, he thought he was joking.

"Well, I'll go with you!"

Liang XueYue gritted her teeth and nodded in agreement. At present, the strong man of fortune is not in the lonely family. They may not have a chance to destroy the lonely family.

Even if they can't fight, as long as they can't get out of the world, they are confident to escape.

For the lonely family hatred, Liang XueYue is no less than ye Chen.

"This is half a thousand magic ginseng, specially reserved for you."

Ye Chen takes out the thousand demons ginseng, puts it on Liang XueYue's hand, and goes towards the direction of the inn.

Liang XueYue got a thousand demons ginseng, excited to the extreme!

With this thing, she can awaken the acquired poison!

One percent of the poison is equal to her blood awakening!

She would never be as embarrassed as she is today!

"Ye Chen, I have inherited this love from Liang XueYue! When I wake up, the poison will be invincible. No one dares to hurt you! "

Ye Chen heard the acquired poison, but a smile, can only nod.

Even if you don't know the appearance of Lingye in mainland, even if you don't know the appearance of Lingye, you don't think you want to know the appearance of Lingye

"I can assure you that in ten years, I will be respected by Liang XueYue! And this position has not been shaken for ten thousand years! "

"After you report my name, Lingwu mainland can walk horizontally!"

At this moment, Liang XueYue is full of vigor and vitality!

She has this confidence!

This is the power of her blood!

However, ye Chen still did not speak, he has opened the door.

Liang XueYue was really upset that her acquired poison was despised. She snorted coldly and just wanted to talk. A clear voice came from behind: "Ye Chen, you finally come back. I'm so bored that I can only practice in the house. I feel that my blood is a little different..."

This words a, Liang XueYue facial expression completely changed!

Because!

She found her blood boiling!

This is the fear from the blood!

She's afraid of her acquired poison!

And this fear comes from behind!

Unknowingly, her clothes have been soaked! Even outline a beautiful line!

She turned hard and saw a little girl!The little girl was wearing a skirt, she was very young, and even had a sugar in her mouth! Even a little unhappy on my face!

All this seems too ordinary!

However, only Liang XueYue knows that this girl is not ordinary at all!

This mother is a congenital poison!

It's a natural poison that disappeared for ten thousand years in Lingwu continent!

A hundred times stronger than her acquired poison!

There are even rumors! Born with poison, the land of Lingwu will be destroyed!

It can be seen that the people in Lingwu land are so afraid of the inborn poison body!

Liang XueYue's frightened and surprised pupil suddenly looks at Ye Chen!

She finally understood why she wanted the thousand devil ginseng!

Why don't you care about her acquired poison!

This guy has a congenital poison around her. What does she count as Liang XueYue!

Sleeping trough!

What's the origin of Ye Chen!

Isn't it from the low military world?

Now people in the low martial world are so goddamn cool!

Ye Chen naturally saw Liang XueYue's reaction.

Ordinary people can't detect Ji Lin's blood, but Liang XueYue can.

After all, it's all poison.

Even if Ji Lin doesn't release the blood force, the sense of repression between the poison bodies will still exist.

"It's a secret, understand?" Ye Chen winks at Liang XueYue.

He naturally believed that Liang XueYue would not reveal Ji Lin's secret.

Liang XueYue swallowed her mouth and forced to suppress her shock. She took a look at Ji Lin and finally nodded.

The secret is too big.

She did not dare to reveal half a point.

"Well, in that case, you have a rest and we should be on our way."

"If the Dugu family lives one more day, we will be worried for another day."

.....

This time ye Chen not only wants to destroy the lonely family, but also has to pay a price for his pursuit.

Along the way, ye Chen three people on the road, to the lonely family city.

Because ye Chen's appearance has changed, no one knows Ye Chen on the street at the moment.

If you know that the black robed youth on the street is Ye Chen, I'm afraid that many people want his life.

"Let's find an inn to stay at first, and we'll take action tonight."

Although Ye Chen has the power to kill God King in seconds, he has to prepare for many martial artists in the same way.

He needs a lot of healing pills to heal the wounds in his body. Of course, he can make pills, but there is no medicine to help.

Just go to some places to get it.

It's more considerate to grab than to take.

Chapter 1558

As night falls, ye Chen and Liang XueYue walk out of the inn, while Ji Lin stays in the inn.

"Let's go to lingtianzong first!"

At the beginning, there was lingtianzong in the western regions.

The leader of lingtianzong, with his own strength, has reached the level of triple heaven. Ye Chen and Liang XueYue are more than enough to deal with them.

The two men sneaked into lingtianzong and found that none of the disciples of the sect had a divine kingdom.

"Ye Chen, how did you do it in the first place? Kill all the gods and kings."

Liang XueYue looks at Ye Chen strangely.

About the rumors of the western regions, almost the whole continent knows that ye Chen killed millions of warriors in the western regions alone, known as the God King of blood slaughter.

A million warriors say kill, only Ye Chen.

Ye Chen gave Liang XueYue a white eye, but did not say much.

The more you describe it, the darker it gets.

Liang XueYue sends out toxins as she walks. When she breaks out in an instant, I'm afraid none of these disciples can live.

Two people walked into the palace of the patriarch, and found that the lights were bright, and strange sounds came from the palace.

Liang XueYue was a little curious. She took a look at the crack of the door, and instantly her face turned red.

Ye Chen smile, long known that will be the result, then a kick open the door.

Boom!

A foot down, the whole door split, ye Chen into a, see the heavenly spirit patriarch and several women.

The woman was scared and yelled, but ye Chen slapped him directly and fainted.

"You Who are you two? What do you want to do? "

"What? The man who will kill you naturally. "

Liang XueYue's voice fell, a black rose in her hand, enchanting but fatal.

The rose fell on the body of the heavenly spirit patriarch and burst out black powder.

In the blink of an eye, tianlingzong roared bitterly and his body was covered with dark patterns.

Ye Chen is a little shocked. The poison skill is really powerful. Just a moment ago, a strong man in the harmonious world didn't even have the chance to resist.

Liang XueYue took many pills from tianlingzong and left.

In the early morning of the next day, the news that tianlingzong had been destroyed overnight spread all over the people's ears.

However, this is not the most shocking. For five days in a row, every night, the ancestral gate was destroyed.

Some of the small clan gates opened the large protective array and hid in the door shivering for fear that death would come upon them.

The lonely family is so angry that they want to investigate the murderer thoroughly. These clans are all under their lonely family.

Losing a clan is a loss to their lonely family.

Lonely family crazy pursuit of the murderer, but there is no clue.

Every clan has been completely destroyed. If you want to find someone, you can't find them.

In the lonely family, the elder Taishang sits on the chair, but his face is slightly pale.

"You're a bunch of trash, lonely families. What's the use of you?"

In the hall, the elder Taishang scolded loudly. All the people in the lonely family bowed their heads and did not dare to say a word.

Since the failure of the supreme emperor's pursuit of Ye Chen, he returned to his family. His cultivation plummeted, and his temper was so bad that he was dying.

As long as they make a little mistake, they have to scold. If they are not in the harmonious state, they would have been beaten to death by the elder Taishang.

"Find out for me as soon as possible. Do as soon as possible."

Elder Taishang left in anger. I don't know why. Something bad will happen to him these two days.

Let his mood, inexplicably irritable.

.....

"Ye Chen, are you sure we will kill it openly tomorrow?"

In the inn, Liang XueYue looks at Ye Chen with questioning face.

She had thought Ye Chen wanted to destroy the lonely family, would secretly carry out, no matter how bad, there are any strategies, but ye Chen only told her, open and aboveboard fight.

"Don't worry, I won't do anything I'm not sure about."

Liang XueYue looked at Ye Chen with disdain. Although she wanted to believe it, she still felt unrealistic in her heart.

If ye Chen is reliable, I'm afraid there is no one in the world who is not reliable.

The next morning, ye Chen and the masked Liang XueYue stood at the door of the lonely family.

Autumn wind bleak, let two people's figure appear lonely and lonely.

Seeing ye Chen and Liang XueYue, the gatekeeper of Dugu family did not recognize them.

But they were acutely aware of something wrong.

The head of a gatekeeper yelled at Ye Chen: "people are not people, ghosts are not ghosts. What do you do with black robes! Do you know where you are standing now

"Give you two choices, or get out! Or die

"Your existence has defiled my Dugu family!"Ye Chen sneered, as expected, what kind of family, what kind of dog!

He waved it with one hand!

The power of the body breaks out completely!

"Pa!"

After this slap, the whole body of the gatekeeper was split, and the blood splashed on the door.

Ye Chen takes a look at Liang XueYue and sees that she takes out a Hunyuan immortal instrument and cuts it down on the door of the lonely family.

"Click!"

The gate broke with a bang, and the warriors who had passed by were scared to leave as soon as they saw the scene in front of them.

A young man in black and a young woman dare to fight against the lonely family. They are so stupid.

However, the news that someone started to do something about the lonely family was spread out. Some martial artists with excellent strength came to see the excitement.

"Who dares to run wild in our lonely home?"

At this time, in the lonely family, ten Hunyuan martial artists stood up and saw a young black robed youth and a young woman. Their eyebrows wrinkled and their hearts filled with anger.

This is a bully to him, no one in the family? A young man in black robes who did not have any accomplishments dared to fight against their lonely family.

"The garbage of Hunyuan District, ye dares to be wild in front of me!"

"Have you forgotten your nightmares the other day?"

Ye Chen narrowed his eyes and grinned coldly. The strength of body building suddenly broke out, and the endless waves of air shook those who were fighting in Hunyuan.

"Pa Pa Pa Pa Pa!"

A clear sound surging, these Hunyuan state, even the chance to resist.

"Brag in front of me, roll down!"

Ye Chen angrily denounces that the ten Hunyuan martial artists suspended in the air do not even have a chance to stand up.

At the moment when these Hunyuan warriors fell, ye Chen clapped them down with one hand and suppressed them mercilessly.

"Pooh

Ten Hunyuan martial artists, kill them instantly!

"Presumptuous!"

Lonely home, a strong breath, constantly gushing out.

He who is in a strong state of Tao is here!

Even in the high air, five powerful people in the four realms of the realm of harmony hold the sacred objects of the same way.

The five are in the realm of Taoism, and the breath of cohesion is daunting.

"Is there no one in the lonely family? There are only five left in the realm of Tao? "

Ye Chen sneers at the five strong people who are in the same way. The hatred between him and the lonely family has never died.

"Young man in black, you are just a body builder. Even if you are strong, you are not our opponent. As long as you kneel down and knock ten times, and serve my lonely home for thousands of years, you can spare you and advise you not to be ungrateful."

Now the strength of the lonely family is greatly reduced, otherwise, we would not want to let Ye Chen be a servant. We would have slapped him to death before.

"Ha ha ha, it's not like I said, lonely family, everyone here is spicy chicken!"

"The elder of your lonely family, you can't even catch Ye Chen of a divine Kingdom, and you are seriously injured!"

Ye Chen's voice fell, watching the martial arts, heart burst, lonely family too long old body seriously injured, true or false?

"Fart! You're so ugly that you're talking nonsense here. Die for me

A strong man in the right environment suddenly became angry, and the elder was seriously injured. This is a secret story!

How does a young man in black know?

The strong man in the same way slapped down, but then a puppet suddenly appeared to block him!

"Is this the God King?"

Tianlingzong was destroyed, but the master of tianlingzong was made into a puppet. What a pity.

"You are the culprit

At this time, the four gods understood that the man in front of him was the murderer who destroyed the clan in these two days.

The key is no cultivation, only rely on body training, so kill so many strong people???

Chapter 1559

"Yes, it's me. What can you do for me?"

Ye Chen sneers, and with a wave of his hand, six puppets from the realm of Taoism appear in front of the public.

It was during this period that the six puppets destroyed the patriarchal clan.

Jidao Shenjun!

Dragon God King!

Warrior God King!

These are well-known and powerful people in the realm of Taoism, and they are also the main force of chasing Ye Chen!

In this period of time, ye Chen even heard that in order to please the Dugu family and get the reward, they killed all those who were similar to Ye Chen's age, body shape and appearance!

I'd rather kill ten thousand by mistake than let go of one!

A corpse was put in the Dugu family!

Shocked the whole Tianjian city!

However, no one would have thought that this would happen to these people!

Now they are all made into puppets.

"Today is the time when the lonely family is destroyed!"

Ye Chen outlines a sneer at the corner of his mouth, thinking that he would not have become like this if he had not been the supreme elder of the lonely family.

However, he would like to thank the Taishang elder of Dugu family.

If there was no elder Dugu Taishang to cure Ji Lin's array Tianlei, he could not resist it!

But even so, in his eyes, there was no need for Dugu family to exist.

Lingwu land is cruel, and all threats must be strangled in its cradle.

If you are kind to the enemy, you are cruel to yourself and the people around you!

"I'm not ashamed of it!"

At this time, a figure came out of the air. It was the elder of the lonely family, lonely Rong, with the fighting power of the eight heaven in the same realm. He was the first person under the elder Taishang.

He Daojing eight heaven, the breath of terror, directly crush Ye Chen's six puppets.

A God King who is in harmony with the eight realms of Taoism can kill these six puppets in seconds.

At the moment Liang XueYue is a little flustered and subconsciously takes a look at Ye Chen.

"He Dao Jing Ba Chong Tian, it's just so!"

Ye Chen mouth corner a wipe evil smile, now he has the qualification to be arrogant.

His body contains the power of heaven!

Although it's just the residual power of heaven!

But it is not the existence that ordinary warriors can contend with!

"Looking for death!"

Lonely Rong roared, then raised his arm, a slap fell, the breath of terror suddenly, fell in front of Ye Chen.

When this slap is about to fall, ye Chen raises his finger, a finger asks the sky, emitting purple light.

The power of the remaining power of heaven!

Open up!

The breath of destroying everything makes everyone feel like falling into the ice cave and standing in the air, even if they dare not move.

Even some weak people of the Dugu family could not bear the power and knelt down directly!

The knees are crushed!

Lonesome Rong's face changed suddenly. The fatal breath made his mind tremble constantly.

It's terrible!

Incomparable!

Lonesome Rong hands crossed in the chest, murmured in his mouth, only to see his whole body emitting a golden light.

However, the breath of threat did not make him feel down. Instead, with the continuous cohesion of Ye Chen, he was more and more frightened.

Boom!

Purple light suddenly rushed to lonely Rong, this moment did not have time to hesitate, lonely Rong face a ferocious look, suddenly caught an elder, put in front of the body!

"Ah! Don't, elder

When he said this sentence, suddenly the whole chest burst, a mouthful of blood spurted out, suddenly lost breath.

One shot and second kill the road!

However, this is not over. The elder retreats madly and the purple light falls on his arm.

Click.

The whole arm is directly crushed, the smell of destruction, into the flesh and blood of lonesome glory, constantly destroying his body.

Lonely Rong took out the magic tool of the way and cut off the broken meat on his arm with a knife.

"Ah

The roar of pain, let him all collapse, if he hesitated a little.

The force of destruction will enter his body, directly smashing his internal organs.

"What power is this! Isn't this little beast without cultivation? "

"What is this power! It's terrible, too

"Is this black boy from a top family? Dragon family? The dragon family? Or more? "

At the moment, lonely Rong's forehead is cold sweat, the whole arm is useless, and there is no chance for him to grow out.

At this moment, he looked at the black robed boy and felt like a devil.

This mysterious power can kill the top God King in seconds.

"Now do you think you have the right to be presumptuous in front of me?"Hearing Ye Chen's words, lonely Rong did not speak, only felt the burning pain on his face.

Ye Chen takes out six puppets and rushes directly to the strong man of the lonely family.

Liang XueYue also did not hesitate to rush directly to the past. Seeing ye Chen's means, she was completely relieved.

In the past two days, ye Chen also has a lot of Hedao artifact and Hunyuan immortal utensil in his hand. Although he can't blow up the strong man of eight times heaven in Hedao realm, he can also hurt the other party.

As for lonesome Rong, today he wants to kill himself.

"Son of a bitch, die!"

Seeing ye Chen's means, where can lonely glory give ye Chen a chance to gather mysterious light?

Lonely Rong madly rushed to Ye Chen, the general breath burst from his face.

"Eight wasteland chop!"

Lonely Rong roared in the air, clenched the tool and cut it out with a knife.

Although the sharp knife awn has not arrived, but the intention of the knife gushes out and cuts everything.

There are even cracks around!

"Old dog, if you dare to come here today, you must pay the price of bleeding."

Ye Chen is fearless in the face of danger and has no movement in his hand.

Lonesome Rong did not feel the general atmosphere of destruction and extermination, and was not afraid at all.

Although the black robed youth in front of him is a little evil, he is only a mortal.

Ye Chen see lonely Rong to attack range, a wisp of evil smile, he is waiting for now.

At this moment, ye Chen took out all the magic tools of Hedao and Hunyuan immortal.

Lonely Rong brows a wrinkle, the heart gushes out a trace of bad premonition.

He wanted to take two steps back, but it was too late.

"A thousand soldiers explode!"

Ye Chen murmured at the corner of his mouth. In an instant, all the magic tools and Hunyuan immortal tools exploded suddenly.

Boom!

With a terrible explosion, a black mushroom cloud burst out of the void.

The self explosion of all the Hokkaido artifact and Hunyuan immortal artifact is more terrifying than the damage caused by the atomic bomb explosion.

"Ah

Lonely Rong rushed out of the explosion range, covered with blood, a sad face.

"Who the hell are you?"

Lonely rongmou son stares at the youth in front of him. He can use the tools of Hedao and Hunyuan to explode himself. He only knows that ye Chen is able to use these things.

"Want to know who I am? Satisfy your wishes before you die. "

Ye Chen's voice fell, step out, at this moment is the mortal he, in this moment completely changed!

Chapter 1560

The power in Ye Chen's body rushed out crazily. He, who was a mortal, directly stepped into the realm of emperor's respect. However, this moment is not over.

The emperor respected the heaven and nine heaven, and entered the God state one and nine heaven, and then directly stepped into the eight heaven heaven of the God Kingdom, and then stopped.

After ye Chen's death, there are six ways of God's kingcraft: killing God's kingcraft, destroying God's kingcraft, not destroying God's kingcraft, quieting and destroying God's kingcraft, Duhua's God's kingcraft, and years' God's kingcraft.

Time God King way, this period of time, ye Chen realized, destruction in rebirth, continuous reincarnation.

Time is not the same, a child paper landed in the world, to the moment of death destroyed.

Ye Chen skin above, a ferocious wound, slowly fusion.

The lightning tattoo on the face also mixed into the skin.

The recovery is the same as before.

The punishment given by heaven is not permanent!

In his understanding of the time God King way, completely disappeared!

If ye Chen can't understand the way of time God, it will be so all his life!

However, ye Chen holds so many gods and kings in his hand! He is far more than anyone in the land of Lingwu!

.....

At this time, everyone can see ye Chen's face clearly.

An extreme fear enveloped everyone!

"You are ye Chen, the blood butcher God King!"

All the martial arts in the western regions did not expect that ye Chen was the ugly eight monsters in front of them.

"Ye Chen, you dare to show up! To kill millions of our warriors in the western regions. "

Lonely Rong's words, directly let the western regions martial arts and ye Chen to the opposite.

"Have I slaughtered millions? I'm afraid your lonely family knows it best. Don't you feel ridiculous when a thief shouts to arrest a thief in front of me?"

This kind of thing, the lonely family knows it well, but it can't bear to die, otherwise the whole lonely family will be completely destroyed.

"Looking for death!"

Lonely Rong doesn't believe Ye Chen has other means, even if ye Chen means more, it is just a mole ant in the God kingdom.

Although he is still seriously wounded, he is still in a state of mind.

"Time flies!"

When lonely Rong rushes over, ye Chen points out that this finger does not have the power to exterminate the world, instead, it has a sense of seeing that the years melt away.

A light into the body of lonely glory.

Originally lonely Rong also has to guard against, can feel no harm, immediately put down the heart.

But he didn't see that his fingers, cheeks and body were aging step by step.

Ye Chen takes out a Hunyuan immortal tool and holds it in his hand, and cuts it out directly with a sword of lonely Rong.

Lonely Rong sneered ferociously. He didn't pay attention to the power of shenwangjing.

He was about to lift the knife, but he found that there was no force in his hand.

At this time, when he looked at his fingers, he found that the dry fingers did not have any blood color.

It's like an old man about to die.

"No No, how could it be like that. "

Lonely Rong touched his cheek with his hand, only to find that the wrinkles on the cheek, one after another.

"What kind of magic do you use?"

Lonely Rong this moment, completely flustered, this step by step aging, into a twilight old man.

Let him such a strong person simply can't accept.

Lonely Rong looks inside his body and finds a nameless force that keeps him aging and eroding his life.

"Can you understand the power of time?"

Ye Chen's years of understanding are so fast that we can say that there is no power, or we can say that we have terrible fighting power.

The main reason why lonesome Rong, a strong man in the eight realms of Taoism, can become like this is that he looks down upon Ye Chen too little.

If in Ye Chen's use of time flies, lonely Rong can pay attention to it, and it will not become what it is now.

You can even kill Ye Chen first!

So this technique can only be taken by surprise!

If the face of the powerful immortal, or more cautious God King! It's no use at all!

"What about the kingdom? Now I can kill you at will."

As soon as ye Chen's voice falls, his legs jump up with the help of the ground.

When jumping up, ye Chen clenched his fist with five fingers, and the power in his body flowed into the fist crazily along the meridians.

Ye Chen hits lonely Rong's cheek with a fist.

"Bang!"

A fist, straight lonely Rong, right half of the cheek bump down.

Boom! Boom!

Ye Chen frantically beat lonely Rong, one punch after another, screaming in the air.

In the dark observation of the crowd, the corners of the mouth slightly twitch, a king of God martial arts, a harmony of the eight heaven strong, fight fast, can not take care of themselves.

This is a beast!"Ah, don't fight. Don't fight again. Please save me."

Ye Chen hits lonely Rong's bones with every fist, but it doesn't make him die.

Every fist went down, it hurt him deeply.

At the moment, lonely Rong's heart is extremely regretful. If he had just attached importance to it, he would not have become like this.

He knew in his heart that his life had not much, the strength of years, in his body crazy consumption of his life.

He had only ten days left, and he was still consuming it.

Even if ye Chen doesn't do it to him, I'm afraid it doesn't take a day for lonely glory to dissipate completely in the world.

Unless lonesome Rong can come up with medicine to prolong life, but it's just a drop in the bucket.

"Ye Chen, you are too presumptuous

There was a roar from the void.

Ye Chen grabs lonely Rong's neck and looks up at the sky.

"Lonely and proud, how willing to come out of the turtle shell?"

The person who came here is the supreme elder and the strongest fighting power of the lonely family at present.

Sure enough, he didn't die!

It seems that on that day, it did not completely abolish the supreme elder of Dugu family!

This also shows how terrifying the inside story of Dugu family is!

Lonely Ao did not speak, a slap to a puppet of Ye Chen, suddenly smashed.

Liang XueYue retreats from the void. Although he is in harmony with the five Heaven realm of Taoism, he is not enough in the face of loneliness and pride.

Two of the strong members of the lonely family have fallen. If it is not for loneliness and pride, I am afraid it will not be long before the whole army will be destroyed.

Ye Chen controls the puppet to rush directly to the lonely pride, exploding beside the lonely pride.

Lonely proud back two steps, the whole person did not have any injuries, only gray head gray face.

Ye Chen did not want to use a puppet to wipe out loneliness and pride. Such a strong man is not his opponent, even if he has hundreds of martial arts in the same way.

"Let alone glory, today's things, I can think that nothing happened."

Now lonely proud see ye Chen feel inside some fear.

Since ye Chen appeared in his field of vision, there has been no good thing.

Dugu Rong sighed when he heard that the elder was willing to save him.

Then, he looked at Ye Chen and said in a cold voice, "Ye Chen, if you don't let me go, I swear, you will suffer endless pain! Life is better than death
