Chapter 1621

"Hum, Sikong Feixing didn't give all his strength, or Ye Chen would die!"

"Ye Chen didn't do his best! When ye Chen was still in the divine king's state, he killed the strong one in the same way. I always felt that he could easily kill the immortal! "

"Zi Ning, don't talk nonsense! Can't you see that the boy just hit the ball with all his strength? "

"He has the means

"Oh?" Yan Xiaoxuan teased: "you seem to be very optimistic about this ye Chen. What else can you do? What means? In bed? The boy is pretty, so you've tried it already? "

Usually, if Yan Xiaoxuan was so joking, zining would retort, but when she heard Yan Xiaoxuan's words, she didn't know why her jade face was slightly red and said angrily, "you What are you talking about? You know I'm not that kind of woman

Zining also realized that her performance was a little abnormal, and immediately changed the topic and said: "anyway, we are going to the dragon's gate grand meeting, and ye Chen should also participate in it. Since you are so unconvinced, why don't we have a bet?"

Yan Xiaoxuan was interested in the moment, and her beautiful eyes behind the mask were shining with light. She immediately forgot the performance of Zi Ning just now and repeatedly nodded: "good! How to bet? I've been thinking about that jade bracelet in your hand for a long time

"How about the ranking of Ye Chen and Sikong Feixing?" Zi Ning smiles.

"Ha ha ha ha, no matter how talented this boy can be, it's just a layer of heaven in the Hunyuan realm. Less than half a year from the dragon's gate event, where can he be promoted? Your jade bracelet is mine!"

"I have faith in him." Zi Ning looked at Yan Xiaoxuan and said, "but if you lose, you have to..."

Speaking of this, she suddenly approached Yan Xiaoxuan's ear and whispered in a whisper.

After hearing this, Yan Xiaoxuan shook her head and said, "no! This won't work! "

Zining took out a jade bracelet which was shining brilliantly and said, "Oh, after talking for a long time, are you still afraid of losing? Why is my bracelet so beautiful? Unfortunately, the attributes don't match me.

Do you want me to exchange it for a jewelry of the same rank

"Well, I'll bet!" Yan Xiaoxuan clenched her teeth.

Zining hears the speech and shows a sly smile like a fox.

.....

After ye Chen returned to the room, he took out a pill and began to heal.

He originally wanted to use the way of God and king to cure his wounds, but he found that there was a little problem with the six ways.

He tried to release six gods and kings!

However, there is no response to the six ways of God and king. If you look carefully, you will find that there is a light cover of stars.

Ye Chen suddenly thought of what!

He broke through the Shenwang realm to the Hunyuan realm in the battle.

Moreover, his sense of realm is quite different from that of the ordinary warrior in the land of Lingwu!

Perhaps because of reincarnation, his breakthrough speed is extremely slow!

But once the breakthrough, he will be able to enjoy the supreme benefits, more than the capital to kill the enemy!

This time, the breakthrough to the Hunyuan realm, there is no vision! Not even thunder robbery!

This is really incredible!

In principle, the six gods and kings should also be transformed!

But, no!

He gazed at the six gods and kings covered by the stars, and felt vaguely in his heart that they were changing!

Lack of opportunity!

At this time, the voice of the free God King came: "this matter, I have always been confused, I just studied clearly."

Ye Chen one Zheng, hurriedly to the free God King way: "in the end is which link went wrong?"

Xiaoyao God Jun deeply looked at Ye Chen, then said: "because of your reincarnation blood."

"Reincarnation blood is the most powerful blood in the world, and it is also the most difficult to transform. I only heard from the legend."

"Moreover, I also heard that the reincarnation blood vessel person, each time breaks through the big territory, will arouse the heaven and earth vision! The more complete the awakening, the greater the feedback! "

"This is also the reason why you want to join xuanyuezong and find a way to get the xuanbei of reincarnation."

"Now the problem with the way of God and king should be that you have not really entered the realm of Hunyuan!"

"You're short of the last step!"

"In the eyes of people in Lingwu mainland, you really have all the signs of Hunyuan realm! But this is aimed at the warriors of Lingwu land! But not for those of reincarnation! "

"You're one last step away! If you step out of this step, your six gods and kings will be completely transformed! What's more, it will lead to a devastating thunder disaster! "

Ye Chen was stunned. He didn't think he was so different.

He hesitated for a few seconds and said firmly, "what should I do next? What is the last step? "

Xiaoyao God Jun step out, came to Ye Chen's body, Mou son serious: "this last step, I think lies in the reincarnation xuanbei."

"Your reincarnation is too slow to awaken.""Only the reincarnation xuanbei can inspire everything! You must get close to zining as soon as possible! "

"Zining, xuanyuezong, and even the xuanbei of reincarnation, must have something to do with it!"

Ye Chen suddenly nodded.

But zining's breakthrough is still a problem.

"I will find a way to get the reincarnation xuanbei as soon as possible."

Suddenly, he thought of something and asked, "if I fight with my life, how will I win with Sikong Feixing?"

Xiaoyao God Jun pondered for a moment and said, "that boy is not simple. If I don't do it, you two, Sikong feixing-8. If you want to die with him, you will have 40% chance to replace him. If the eye of the devil hands, you ten, he zero! "

"It's a pity that the devil's eye is still sleeping."

Ye Chen eyes a sink way: "it seems that my strength is not enough."

He thought he could be invincible in the world of harmony, but he did not expect to meet his opponent so soon.

Thinking of this, ye Chen took a breath and immediately began to practice. He didn't want to waste any time. He wanted to be stronger!

But at this time, there was a knock at the door, and then, a sweet female voice said, "brother ye, how are you? Have you recovered from the injury?"

Ye Chen shook his head helplessly and went to the door.

"Apricot, I'm ok." He looked at Wu Xinger's pretty face, and saw Wu Xinger's appearance of wanting to talk but stopped. What's the matter, xing'er?

Wu Xinger hesitated for a long time, and then said, "I'm going to join zongmen and leave elder brother Ye. I want to invite elder brother ye to dinner, but..."

Ye Chen knew what Wu Xinger wanted to say and nodded: "I just happened to be OK. Let's go."

.....

They walked on the street, attracting envious eyes from others.

Lanxi City is much more prosperous than dengtian city. There are many new things that dengtian city does not have. Wu Xinger and ye Chen have a look here and there. Even ye Chen is immersed in this relaxed and comfortable atmosphere and temporarily forget the cruelty and danger of Lingwu continent.

But in reality, it seems that ye Chen doesn't want to relax for a moment

Chapter 1622

On the third floor of a restaurant, there are several young men with arrogant faces. Their breath is not weak. They are some of the top dudes in Lanxi City.

Among them, three of them are surrounded by the stars and the moon of others. All of them have extraordinary bearing. Their breath is the strongest among these young people, and they all have a light power in every move.

They are three of Lanxi's four young people, Chen Rufeng, Liu Zhenwu and Li Mingxian, and the other one in Lanxi's four young is Fang Cong.

Chen Rufeng said: "did you hear that Fang Cong was injured, and he was still badly injured."

"Yes." Liu Zhenwu now disdain, "that waste, I think if he is not relying on his father, he is not qualified to join us as one of the four little blue Xi, really lost our people."

The Lord of Lanxi City, Fangtian, is the strongest in Lanxi City. His cultivation is extremely terrible.

There are even rumors that Fangtian has already broken through secretly.

However, in Liu Zhenwu's opinion, Fang Cong's strength is not enough.

Li Mingxian shook the paper fan and said, "it's true. Fang Cong is disgraced outside. We may be looked down upon."

"But..." Chen Rufeng also said: "Fang Cong was injured, but the master of Fangcheng didn't pursue him?"

"Maybe those people have some background." Li Mingxian doesn't think so. Because of the location of Lanxi City, there will be children of great power coming from time to time. Even if it is the master of Lanxi City, there are many people who can't afford it.

Liu Zhenwu coldly hummed: "it's better to speak with strength. Those people with great power will not interfere in the affairs of younger generations. So if Fang Cong is strong enough to defeat the other party, the people behind him will not be investigated. In the end, Fang Cong is humiliated, or he is too weak."

Li Mingxian also slightly flashed his eyes and said, "it seems that we should beat Fang Cong well."

Lingwu mainland is like this. If you show weakness, you will be bullied.

At this time, Fang Congzheng, with a gloomy face, walked on a street in Lanxi City. His spirit was slightly injured and recovered after treatment.

I wanted to use the power of the city Lord's house to seek revenge on those people, but my father told them that they didn't show their identity when they entered the city, so they didn't tell him. In fact, these people are from Tianhuang sect, and they can't be provoked.

Therefore, he was also scolded by Fang Tian.

After Fang Cong recovered, he did not have the face to go back to find Ye Chen. The genius did not make friends with him. He was humiliated and injured. His reputation would be greatly affected if this incident was spread out.

At this time, he suddenly saw Ye Chen and Wu Xinger coming face to face. Fang Cong looked a little flustered. He didn't know what Ye Chen would do to him. He almost thought of Ye Chen's indifference to himself and even his sarcasm.

However, since I met him, I still forced myself to smile and say hello to Ye Chen: "brother ye, Miss Wu, so clever..."

Ye Chen said with a smile, "brother Fang, Xinger and I are going to find a place to eat. Is there a place to recommend?"

Fang Cong is stunned. Ye Chen's attitude towards himself is so good that he feels flattered.

This is how to return a trouble to Ye Chen and long Xuan after he lost such a big man. Ye Chen still treats himself like this?

Is this the demeanor of xuanyuezong's disciples?

Fang Cong felt that he was so moved that he was about to cry. He immediately felt refreshed and said: "brother ye, this is my responsibility. I will take you to a restaurant I often go to. It is said that the chef in the hotel is extremely skilled.

It's not a restaurant in a small town like Lanxi City. People with some status in Lanxi City like to eat there. I have a fixed private room on the third floor. How about taking brother ye there? "

Ye Chen took a look at Wu Xinger. Seeing that Wu Xinger was also full of curiosity about the wine and food of the Imperial City, he immediately nodded his head and said, "OK, there is Lao Fang brother. If you haven't had dinner, please join us. It's my treat."

Fang Cong quickly waved his hand and said, "I've eaten it, and I'm the host. How dare you let brother ye treat me? It's up to me. Brother ye and Miss Wu enjoy it."

Ye Chen didn't say no more and said with a smile, "thank you, brother Fang."

Fang Cong is overjoyed. Ye Chen has won his love. His previous depression has been swept away. He didn't expect that he could meet such a good thing when he went out to visit the street. He even got on a little friendship with Ye Chen and strode to Yuge restaurant.

On the third floor of Yuge restaurant, Li Mingxian and others are discussing how to beat Fang Cong. A maid dressed as a servant girl suddenly comes up and whispers a few words in Li Mingxian's ear.

Li Mingxian's eyes brightened and he said with a smile to the other two people: "Fang Cong came here with a man and a woman. Those two people are rubbish in Hunyuan district."

Liu Zhenwu said contemptuously: "Fang Cong is now reduced to this level? Mixed with garbage? "

Li Mingxian said: "that woman is a beautiful woman. Fang Cong may have her idea, so he wants to bring her here."

Chen Rufeng said with a cold smile, "are we going to help him?"

Li Mingxian sneered: "the same is blue Xi four little, must be to help."

Fang Cong and ye Chen came to the downstairs of Yuge restaurant and said with a smile:

"brother ye, this is the restaurant I mentioned."

Ye Chen glanced at it. The decoration of the restaurant is grand and magnificent. There is a noble spirit in the restaurant, and there is a faint fragrance in the restaurant.

Let Ye Chen all look forward to the food in this restaurant, which is really not comparable to other restaurants in Lanxi City.

He nodded. "It's good. It's really unique."

Fang Cong looks happy. It seems that ye Chen is satisfied with Yuge restaurant.

Several people went directly to the third floor. There were two guards at the stairway of the third floor. It was obvious that ordinary guests could not go up. However, when they saw Fang Cong, they were all smiling.

However, when he and Wu Xiaoer go to the front of the building, they are ready to walk.

It was Li Mingxian.

Fang Cong's face changed and said, "Mingxian, what can I do for you?"

Li Mingxian said with a smile, "brother Fang, can't you talk about the past if you're ok? It's said that you were beaten yesterday, and you were very miserable. As brothers, we must care about you, don't you? "

Fang Cong's face is angry. Li Mingxian mentions his injury in front of Ye Chen and others. He obviously has a bad intention and wants to disgrace himself.

Care? What the hell did you do?

However, Fang Cong did not attack, Li Mingxian's background is not worse than him, more importantly, Li Mingxian's strength is much stronger than himself!

Moreover, Chen Rufeng and Liu Zhenwu have also made clear their positions. Li Mingxian alone is far from an opponent. If the other two people really want to start, their own end will be very ugly.

Chapter 1623

Seeing Fang Cong's angry face, Liu Zhenwu said with a sneer: "brother Fang, we care about you. What's your face? You say? How can we help you if you don't tell us in detail how you were beaten and humiliated? "

Hearing this, Fang Cong's face changed again and again. Finally, he pressed down his anger and said in a deep voice: "I don't have to worry about it. I'm all right."

"Oh?"

Chen Rufeng said with a smile: "it seems that elder brother Fang doesn't regard us as friends anymore? However, even if you don't treat us as friends, we can't ignore it. After all, you are disgraced.

However, our reputation of Lanxi four little is getting worse because of your incompetence. Brother Fang, what should we do? Should we be given an account? "

Fang Cong took a deep breath. He didn't expect that the people who call themselves brothers and sisters will unite to suppress and exclude themselves just because they have been humiliated once? What else do they want to do if they have already tolerated it again and again?

However, even if he wants to go now, he can't go. He brings Ye Chen and Wu Xinger to dinner. If he turns around and leaves, it is obvious that Li Mingxian's goals will be placed on Ye Chen.

Just as Fang Cong was ready to open his mouth to apologize to several people and take ye Chen to leave first, a cool voice sounded behind him:

"good dogs do not block the way. We eat together. Why care about the barking of several dogs?"

Several people smell speech, are a Leng, incredibly look at the Ye Chen behind Fang Cong.

What's this trash talking about? How many of you said it to yourself? Did you hear me right?

Fang Cong's face changed. He looked back at Ye Chen in a hurry. At that time, when he was cured, he did not see the battle process between Ye Chen and Sikong Feixing. He did not know ye Chen's strength.

In his idea, even if ye Chen is a monster, he can defeat one of Liu Zhenwu's three people and challenge them at the same time?

Isn't that for death?

Ye Chen is a disciple of xuanyuezong. If he was taught by Li Mingxian and others because of himself, he would not even remember his own hatred when his face was completely lost. In that way, he would not have made friends with Ye Chen, but offended him.

Although a time may not have any impact on yourself, but what about the future?

Ye Chen as a large number of disciples, as long as there is no accident, strength beyond himself is inevitable, at that time, he can also bear the anger of Ye Chen?

Liu Zhenwu glanced at Ye Chen, and the other party said with a sneer: "brother Fang, even if you don't treat us as friends, you won't mix with such rubbish, right?"

You see, now this kind of garbage dares to talk like this to us Lanxi four young people? Are you too close to him, so that he has the illusion that we can insult you as easily as you do? "

At the end of the day, Liu Zhenwu's voice was icy and his chances were revealed.

"Shut up!" Fang Cong said in a hurry. Even if he insulted himself, he could bear it. If he provoked Ye Chen, he would not be able to finish.

How many people are a Leng, this Fang Cong unexpectedly is so disrespectful, this kind of circumstance still offends oneself and others for this little rubbish?

Seeing that several people's faces were more and more ugly, Fang Cong did not care about other things. He directly called out: "this brother Ye is a disciple of xuanyuezong. How can you insult me?"

As soon as he said this, Chen Rufeng, Liu Zhenwu and Li Mingxian all changed their faces, especially Liu Zhenwu.

He never thought that the boy was xuanyuezong?

How could it be?

This kind of big door can't be insulted. Even if the garbage is weak, I think of his classmates A cold sweat broke out on Liu Zhenwu's forehead.

After a moment's silence, Li Mingxian suddenly said with a smile: "brother ye, excuse me, but..."

He looked at Fang Cong: "did brother Ye's words go too far? As a friend of brother ye, you'd better... "

Li Mingxian suddenly smiles and looks at Fang Cong coldly and says, "how about you apologize to us for brother ye? Just kneel down and apologize. "

Although he didn't dare to worry about the power of Xuanzong, he didn't dare to move for the power of Xuanyuan.

However, Lan Xi Si Shao can't insult him casually. He makes Fang Cong kneel. On the one hand, he beats Fang Cong, on the other hand, he stands in front of Ye Chen

As long as you don't directly deal with Ye Chen, even ye Chenzong's peers are not good at it. As for the future of Ye Chen, several people are not worried. Their strength is much stronger than that of congqiang. They all think that they are the favored son of heaven and do not think they will lose to Ye Chen.

Fang Cong's face changed completely at this time. He was also proud of himself. Li Mingxian was really deceiving people!

Just when he was desperate to turn against Li Mingxian!

A shadow passed by!

And then!

"Pa!" The sound of!

A slap in the face is incomparably clear!

And Li Mingxian's face is a red palm print!

Even because of the storm! Sit on the ground!

The most strange thing is that in front of Li Mingxian, there is a young man standing! This youth is Ye Chen!

"I don't like to do it. But sometimes, hands-on is the easiest way to solve problems.

Come on, let's go upstairs and have a meal. We'll do it for apricot. "

Ye Chen is the only one with light clouds and gentle breeze!

Around countless people stare big eyes! There is such a madman that he doesn't want to!

Even Li Mingxian is in a state of ignorance!

Liu Zhenwu was the first to react and immediately yelled: "waste you want to die!"

With the sound, his whole body power erupted, and he punched Ye Chen with all his strength. The air hissed and the fist wind roared!

Fang Cong looks anxious and wants to resist, but it is too late.

And ye Chen, just casually raised his hand.

Bang!

With a dull sound, Liu Zhenwu's body flew upside down, and his right hand was shocked to pieces, which obviously could not be saved.

Boom!

Liu Zhenwu's body bumped into the wall of the restaurant and made a loud noise. The whole restaurant was shaking.

What's going on?

Chen Rufeng was stunned, Li Mingxian, Fang Cong, who had come to his senses.

What happened just now? Ye Chen raised his hand at will, blocked Liu Zhenwu's all-out fist, and seriously injured Liu Zhenwu?

"I didn't want to see blood today." Ye Chen's face was icy, "since you have broken my mood, you have to pay a price. You two, like to let people kneel?"

Ye Chen's eyes sweep to Li Mingxian and Chen Rufeng. Their hearts tremble and they both step back.

"Well, kneel down at the door of this restaurant until our meal is over."

.....

At the same time, there is a transmission array in Lingwu land, and the light is shining.

Then a pair of bloody and ferocious hands suddenly appeared.

Gradually, a embarrassed figure climbed up.

That is a man of incomparable vicissitudes and ferocity!

His whole body is covered with scars!

The breath on the body is extremely disordered!

His pupils are red!

Like cold blood.

The ferocious man looked around, and suddenly a gloomy smile.

And he has no magnetic voice.

"Ye Chen, you must have never thought that I was still alive."

"The blood League has transformed me. I thought I was the biggest weapon against you. I thought I would become their puppet."

"But they were wrong."

"I will never be a puppet of anyone!"

"Those damned fellows are my sacrifices!"

"But I want to thank them. If I didn't have those people, how could I be qualified to enter Lingwu land?"

"In the forbidden area of the blood League, I also found the secret of Kunlun Xu at that time! Kunlun is not so simple, ha ha! "

Suddenly, the laughter stopped.

A cold wind passed by, and a wanted portrait outside the transmission array fell down.

That's the hunting order of the soul hall.

In the portrait is a young man.

His name is Ye Chen.

Lin Jue long stares at the portrait, and his whole body is full of evil spirit!

Countless chaotic forces erupted!

There is a crack in the space transport array.

Then, Lin Juelong spat out blood!

"Ye Chen! It's you, ye Chen again

"Because of you, I've changed into a person, a ghost or a ghost!"

"This time, I will make you regret it! I will tell everyone that Lin Juelong is the best genius

After the roar, Lin Juelong dragged his heavy body to a direction.

That direction is the location of the soul hall under the portrait.

Chapter 1624

Lin Juelong's body is wobbly.

He held the hand of the portrait, and his veins burst.

Perhaps because of anger, the portrait has been shattered.

Boundless evil spirit flows in all directions.

He has a strange smell.

It's so weird that it doesn't seem like a warrior should have.

And the power in the body is extremely disorganized.

It's as if countless different forces have come together.

This is the sequel of the blood League building him.

To be exact, Lin Juelong is no longer a man, more like a machine full of hatred.

With each step he took, the past came to mind.

He is a high-ranking existence, can decide the fate of others between the wave! It is also the top talent of China!

However, he never thought that the garbage that was trampled on like worms on the ground five years ago has come back!

Is invincible, no one can defeat!

Even in wudaotai, seriously injured!

Fantastic!

He was taken away by the blood League in distress! half-dead!

Without his permission, the blood alliance forced him into an endless dark sarcophagus!

Weird array! Cold blood! Countless days and nights.

Wait for him to wake up.

The blood League is no longer there.

To his surprise, Lin Juelong found his body extremely powerful.

Even he can absorb the cultivation and power of others!

He hides in the dark place of Kunlun Xu, and he keeps getting the news of Ye Chen.

When he knew Ye Chen had become the master of Kunlun Xu, he was angry! He's ferocious!

He constantly absorbs the power of others! Even the blood essence of the monster!

He thinks this position should belong to himself!

Not that trash!

When he was strong enough, he climbed out of the darkest place, broke the Forbidden City of the spirit City, and killed anyone who had seen his face!

He found himself more and more fond of darkness!

He wants to give ye Chen a surprise!

A fatal nightmare surprise.

He came to the land of Lingwu with the help of a transmission array of Lingcheng!

He knew that the game was just beginning.

.....

Soon, Lin Juelong came to the coordinates on the map.

A huge black building.

It's a branch of the soul hall.

Similar to the soul clan that ye Chen was destroyed.

Lin Juelong's ferocious face took a look at the building. Finally, his sight fell on the four gatekeepers in front of him and said, "I want to see the most qualified person in your soul hall."

There was even a hint of arrogance.

The four gatekeepers were stunned. They felt a chill and threat from the man in front of them.

But the young man's words made them uncomfortable.

They are gatekeepers, but no one is qualified to speak to them like that!

One of the gatekeepers at the later stage of the divine Kingdom stepped out and offered his sword: "the elder is not something you want to see! This is the branch of soul hall. No admittance! The violator, kill

"If you say, I know ye Chen?"

Hearing Ye Chen's two words, the four gatekeeper's eyes slightly shrunk, a touch of panic fleeting!

Immediately, the gatekeeper who had just opened his mouth said excitedly, "what do you say! Are you sure you know ye Chen? "

Lin Juelong laughed, laughing incomparably loud: "I don't want to say my words for the second time. I want to see the people who can really speak behind you."

"What's more, you want to kill Ye Chen in the soul hall. Without me, it's impossible!"

The four people looked at each other, and finally invited Lin Juelong in.

After all, no one will be bored to cheat the soul hall!

.....

When the picture turns, ye Chen doesn't know that Lin Juelong will appear in Lingwu.

This is a threat, of course.

But the threat can't touch him right now.

The only thing he has to do is to wait for the opportunity and take away the xuanbei of reincarnation.

Wake up blood!

Ji Lin and Liang XueYue are still waiting. He has little time left.

In addition, ice sword immortal Zun once told him to go to wanjiandi palace.

He had a chance and had to go.

However, the strong man in the palace of wanjian emperor is as strong as clouds. The danger he encounters is absolutely devastating. How can he be moved by a boy who has not yet completely stepped into the Hunyuan realm?

I don't know what happened to the green sword immortal Zun who helped him in the soul clan at that time?

For now, none of this matters.

At the moment, he was staring at Chen Rufeng and Li Mingxian coldly, and continued: "my words are very clear. You like to have people kneel so much. Kneel at the door of this restaurant until the end of our meal." There was even a hint of dignity in the calm voice.

This in Chen Rufeng and Li Mingxian ears, incomparably harsh!

They look at Ye Chen with a very ugly face. Is this boy too crazy?

But Liu Zhenwu is seriously injured, dare to be so arrogant?

Liu Zhenwu is the weakest of the three of them, and ye Chen won only when Liu Zhenwu was careless and unprepared.

Chen Rufeng and Li Mingxian think that they may not be ye Chen's opponents in a single fight, but under the joint efforts, will they lose to a boy of Hunyuan realm?

"Like the wind, do it!" Li Mingxian decisively cheered, took the lead in the hands of folding fan, to Ye Chen attack.

The folding fan makes a sound of crying and howling, and the Yin wind cuts at Ye Chen like a sharp blade. This folding fan is actually a high-level weapon!

At the same time, Chen Rufeng also raised his legs and swept to Ye Chen. He did not dare to be careless. He said in his mouth, "the shadow of the mountain is broken!"

His martial arts are very powerful. They are family level martial arts, and they are very suitable for him.

His natural leg strength is amazing. Although he is young, he has cultivated this martial art to a great level.

Once displayed, the true Qi condenses on the left leg, one leg sweeps out, has surpassed the speed of sound!

Even Chen Rufeng's leg completely exceeded his own cultivation!

You should know that after the integration of Taoism, there is a great gap in each level. Chen Rufeng's leg shows his excellence!

Fang Cong was stunned. Although Li Mingxian and Chen Rufeng could resist the attack, they were extremely reluctant!

It is estimated that both of them can defeat themselves in ten moves!

Even the two of them together, enough to kill themselves!

Even though ye Chen is really strong and evil, he can seriously hurt Liu Zhenwu with one blow. However, Fang Cong also thinks that it is Liu Zhenwu's carelessness. Although he does his best, he doesn't use his martial arts skills. Because of his flaws, ye Chen has made a hole in his hand. But now, in the face of the joint efforts of the two people, where is there any room to drill?

He is almost sure that ye Chen will be seriously injured in this move!

At least it will be suppressed by death. Once suppressed, it will be sooner or later to be defeated by two people.

However, ye Chen is still indifferent. He blows out two fists at the same time. He doesn't use any martial arts skills. He is a plain two fists.

Chen Rufeng and Li Mingxian are happy in their eyes. This boy is too pretentious. How dare he even want to face Liu Zhenwu with two punches?

So, he's dead!

Boom!

Two loud noise, the air wave burst!

Chapter 1625

Fang Cong's face changed. He put out his aura in front of Wu xing'er. His face turned white. The aftershock of the attack shocked him.

Then two screams sounded, ye Chen a fist and Chen Rufeng kicked the leg hit!

With a click, Chen Rufeng seems to be able to kick off a leg of a mountain. He is vulnerable to a blow in front of Ye Chen's fist, and is instantly interrupted by Ye Chen!

On the other side, ye Chen's fist gives out a light golden light, and Li Mingxian's fan emits gray black, condensing into the essence of Yin Sha. In the golden light, it melts quickly like snow under the scorching sun!

The blow directly hit the folding fan in his hand. The folding fan had a dim aura, and there was an obvious crack. Meanwhile, Li Mingxian's hand holding the fan was instantly broken by the giant force from the fan and twisted in a strange direction.

The Qi of Geng Jin was originally the Jin Qi of the highest Yang. All the Yin evil ghost Qi was rubbish in front of Ye Chen.

Although they are not as unbearable as Liu Zhenwu, they are beaten to fly backward directly and lose consciousness, but they are more painful than Liu Zhenwu!

As if they had seen a ghost, they looked at Ye Chen in horror and kept retreating.

Ye Chen looked at their faces of fear and laughed. Although the smile was indifferent, it was cold.

"I've given you a chance. You don't know how to look. Do you want me to help you?"

Ye Chen walked slowly to the two men.

"It's not cheap for me to help."

Fang Cong is completely confused. His brain seems to stop working. He looks at Ye Chen's back foolishly. Originally, he thought that Longxuan was the most abnormal and unimaginable monster he had ever seen!

But now see ye Chen, he just know what is called abnormal! What is evil spirit!

Ye Chen has just stepped into Hunyuan! You can beat the strong one like killing an ant. Is this still human?

However, when Fang Cong was a little sober, there was ecstasy!

He has made friends with Ye Chen. The stronger Ye Chen is, the more happy he is of course!

At the same time, he is also awed by Ye Chen. This is the real dragon! In time, you will surely soar to the sky!

"No!" Chen Rufeng lame one leg, can only lie down on the ground and climb backward. He looks back at Ye Chen, who is walking slowly. He looks like a frightened child and cries: "don't get close to me!"

As he cried, he crawled on the ground quickly. Where was there a trace of blue Xi Si Shao's demeanor?

It looks like a stray dog.

Li Mingxian on one side also kept a trace of reason. He looked at Ye Chen with great fear and roared: "Rufeng, his cousin is a super genius of the big gate in Lingwu mainland. If you hurt him, his cousin will not let you go!"

"Oh? Is it? " Ye Chen has already walked to Chen Rufeng's back, he lightly swept Li Mingxian one eye, raises the foot.

With a click, Chen Rufeng's other foot is also broken!

Scream, earth shaking scream!

Chen Rufeng was rolling wildly on the ground, suffering to the extreme.

Ye Chen has always been like this. He doesn't like to make trouble.

But once someone threatens him, he will certainly let the troublemaker completely under his shadow.

Although Li Mingxian always claimed to be calm and cool, he saw Ye Chen's ruthless and ruthless appearance. He was also frightened and sweating with no trace of blood on his face.

"Now." Ye Chen showed a gentle smile to Li Mingxian, "it's your turn."

"I kneel down!" Li Mingxian suddenly screamed. He knelt down in front of Ye Chen with a thump. He who knows the current affairs is a hero. It's better to kneel down by himself than to be interrupted by Ye Chen.

This is his way of survival.

"I'm wrong. I don't know Mount Tai by Li Mingxian's dog eyes. I offended you. Please give me a hand. I'll never dare to do it again."

Kneel all kneel, still fear what.

Li Mingxian bowed his head, his eyes full of resentment, he wanted to leave Lanxi City, to crazy enhance strength.

Then, revenge Ye Chen with the most cruel means!

However, at present, the most important thing is to keep his own life, the husband can bend and stretch, leaving the green hills without worrying about firewood burning!

"Very savvy." Ye Chen said quietly.

Li Mingxian clenched his teeth. Ye Chen's words were harsh, but he felt a little relieved.

In his ears, ye Chen's meaning seems to be to let go of himself.

"But." Ye Chen's voice suddenly sounded behind Li Mingxian. "If you do something wrong, you will be punished."

With that, he raised his foot and stepped on Li Mingxian's joint.

"No Li Mingxian was on the verge of collapse with despair on his face. He cried and cried, "I beg for mercy. Why don't you let me go?"

Ye Chen seems not to hear the general, a foot to Li Mingxian.

If he is not here today, I'm afraid Fang Cong will end up like this.

He and Fang Congping meet each other, but the other side is good to him, he can make a move naturally.

What's more, they touch Ye Chen's eyebrows. Even threatened Wu Xinger.

This kind of people can't stay.

This is his attitude of Ye Chen!

However, at the moment when ye Chen's feet were about to fall, an amazing breath broke out, covering the third floor of Yuge restaurant.

A deep voice reverberates through the whole three layers!

"Who dares to hurt my brother?"

Ye Chen's foot a meal, did not immediately fall, eyes to the third floor entrance swept.

A 28-9-year-old man in a black robe, with a somber face and a thin figure, walked with his hands behind him.

His breath did not subside in the slightest, it was completely emitted.

Except ye Chen, the other people on the third floor were oppressed by the breath and could hardly breathe.

Ye Chen's eyes flash, he Dao Jing later!

His accomplishments are higher than those of Yu Shaoyuan.

When Li Mingxian saw the figure, his face showed a color of ecstasy, as if he had recovered from a desperate situation. He called out: "brother Mingren, you are back!"

"Ha ha ha, boy, you're finished. My brother is a disciple of Feiyan sect. His strength is not what you can imagine. Now you still have a chance to beg for mercy. Otherwise, no matter what xuanyue sect disciple you are, you will die miserably!"

Li Mingren is the pride of the Li family and the hope of the future rise of the Li family. Since childhood, he has been the existence of the attention of all people and can not be surpassed.

Since he was young, he has always been the best of his peers. Since the beginning of his cultivation, he has always been the best one of his peers. He has been favored by the extremely powerful feiyanzong in northern regions 13 years ago and became a disciple of his family.

From then on, it soared into the sky! Become the envy of all!

In Li Mingxian's heart, Li Mingren is a god like existence. He has always practiced in the ancestral clan. Unexpectedly, he returned to Lanxi City today!

I'm saved!

As long as Li Mingren comes back, what xuanyue Zong Ye Chen, no matter how evil you are, are going to die!

And at the moment, Li Mingren, the spirit breath is dead lock Ye Chen, as long as he has a trace of change, will burst into trouble!

Chapter 1626

"Xuanyuezhong?"

Li Mingren stared at Ye Chen with a pair of cold twinkling eyes: "now, are the disciples of xuanyuezhong so overbearing? Do you want to interrupt people's hands and feet when you move? Is it too much?

It's not a good thing for xuanyuezhong's reputation. Stop now. I can take Mingxian and leave as if nothing happened. "

"Brother?" Li Mingxian looked at Li Mingren in a daze, "do you want to let go of this boy?"

This is Li Mingren! Super domineering Li Mingren! When he was a child, he saw Li Mingren being beaten to death by Li Mingren because he was thin because of a young man's teasing!

The whole body bone has been broken, now, Li Mingren should let go of this hateful garbage?

How could that be possible?

"Shut up!" Li Mingren breaks to drink a way, the eye is bright and bright to look at Ye Chen, "how do you feel?"

He has been in feiyanzong for so many years, and his experience is far beyond the comparison of Li Mingxian, the young men in small cities. Those disciples with great influence are not easy to provoke!

Ye Chen took back his feet and said with a smile, "what you said is also reasonable."

Seeing this, Li Mingren also showed a smile on his sinister face, while Li Mingxian was unwilling to stand up.

However, at this time, ye Chen opened his mouth again.

"But there's something wrong with you."

"What?" Li Mingren was stunned at the speech, and had a bad premonition in his heart.

"It is..." Ye Chen's eyes flashed a trace of tease like look, "you are talking about people, and I..."

One foot sweep out, directly kick Li Mingxian's two legs!

"It was the dog that hit it!" Ye Chen looks indifferent. He seems to have completely ignored Li Mingren in the later stage of he Daojing.

"Ah, ah, ah, ah Before he could get up completely, Li Mingxian fell to the ground and cried, "my leg! My legs

"Asshole! Dare you Li Mingren in Ye Chen out of the foot of the moment, has been a bold hand, the figure disappeared in place!

In terms of his cultivation and age, he can be regarded as the same generation of Ye Chen, and Li Mingxian is his brother. Even if ye Chen is attacked, xuanyuezong should not be easy to investigate.

With the strong breath, Fang Cong's face changed greatly. He blocked Wu Xinger behind him. He puffed out a mouthful of blood and stepped back several steps.

Li Mingren hurt Fang Cong just by his breath!

We can see the horror!

Almost at the same time, Li Mingren appears in front of Ye Chen and blows to Ye Chen with a concise black light wrapped on his fist.

Li Mingren has been very thin since he was a child, but he has a very high talent for body building!

After joining feiyanzong, he also practiced the top-level body refining skills. His strength was far beyond the same level. He was strong enough to crush everything!

And ye Chen, motionless, a fist to meet Li Mingren's fist, or that ordinary fist!

Li Mingren was overjoyed to see this. He had been fighting by strong and powerful forces. If he met some martial artists who had cultivated strange and strange powers, he was easy to be suppressed.

However, ye Chen, not only did not retreat, but also met him with such a casual fist. He was confident that he would never lose the fist!

Boom!

A big bang!

Wind swept, space torn!

Ye Chen doesn't move. He waves his other hand at the moment of the fist, eliminating the impact on Fang Cong and Wu Xinger!

But Li Mingxian beside him was not so lucky. He was directly hit by the aftershocks and spat blood.

Li Mingren, however, took three or four steps backward at the moment of boxing!

In his pupil, it's full of shock!

Ye Chen's casual fist, which contains incomparably terrifying power, is no less than his own! Even better!

In their own incomparably confident strength, unexpectedly lost? Lost to a kid of Hunyuan kingdom?

Even for a moment, he felt that he was facing an ancient beast!

When Li Mingren's mind was greatly moved, ye Chen said with a satisfied smile: "the strength is not bad, brother Fang, take apricot down the stairs.

By the way, throw the three dogs to the door of the restaurant to let them see the look of Lan Xi Si Shao.

By the way, I don't want to smash the restaurant before I have dinner

Fang Cong looked embarrassed. After all, he was also a member of Lanxi Sishao. He decided that from now on, he would immediately withdraw from the ranks of the four little bullshit Lanxi. Anyone who calls himself that way in the future will be in a hurry!

He quickly took a pill, he would take Li Mingxian, Chen Rufeng, Liu Zhenwu's body downstairs.

Seeing ye Chen's bluster, Li Mingren was furious and glared at Fang Cong and said, "you dare!"

With that, Li Mingren's whole body was filled with black light, covering the whole body. His breath continued to climb. He had a pair of tiger fingers in his hand. The cold light in his eyes flashed. He rushed

to Ye Chen like a hungry wolf, and no longer had any hands left!"Of course he does." Ye Chen sends out a strong breath to welcome Li Mingren.

"Sirius fist!" Li Mingren is one of his strongest martial arts skills. With the strength of his physical training, he has infinite power and even threatens the top martial artists in the Hedao realm!

Moreover, his fist meaning looms, which seems to touch the threshold of martial arts artistic conception.

The two men are equal in fists and fists, but Li Mingren seems to have a slight advantage, slightly suppressing Ye Chen.

Fang Cong was surprised, but ye Chen was already a god of war in his heart, as if no opponent could defeat him.

At the moment, he did not worry about anything else. Taking advantage of Ye Chen's resistance against Li Mingren, he quickly grabbed the bodies of Chen Rufeng and others and went downstairs with Wu Xinger.

Liu Zhenwu had passed out at this time. Chen Rufeng and Li Mingxian were seriously injured, and their mood collapsed. Moreover, ye Chen's true Qi was extremely overbearing. After entering the body, the real Qi in his body could not work normally, and he had no ability to resist. Fang Cong took him downstairs easily.

Li Mingren's face is gloomy. Although Fang Cong is just an ant that he can crush to death, ye Chen can't be distracted.

In the moment Fang Cong went downstairs, they had already fought dozens of moves. Li Mingren also felt that he was suppressing Ye Chen with all his strength. He could not help but sneer.

This boy is against the heaven, and he is not his opponent. If he goes on like this, he should win in a thousand moves!

After Fang Cong went downstairs, a faint aura appeared on the walls, tables and chairs on the third floor, especially in the positions of several private rooms.

Ye Chen finally showed a smile and said to Li Mingren, "you can finally do it without scruple."

"What?" Li Mingren is shocked. What does Ye Chen say?

He did his best in the face of the cards, but he didn't do his best?

At this time, he found that ye Chen had been controlling the aftereffects of the battle without damaging the restaurant itself.

Chapter 1627

"How could that be possible?"

Li Mingren looked at Ye Chen with a faint smile in front of him: "how could you have the spare power to do such a thing?"

At this time, ye Chen still dare to be distracted. How powerful is his strength, his mind and his mind?

If you want to know that you are pushing the skill with all your strength, and you have such a powerful boxing blessing, ordinary martial arts practitioners in the same Taoist realm have to devote all their efforts to deal with them. In this way, they may not be able to stop their three punches. But what about ye Chen?

How easy it is!

So, isn't Ye Chen's strength far beyond the later period of the general Hedao realm?

He's a man of the world. Oh, my God! Isn't this a monster?

"Didn't I say I was going to eat here again?" As soon as Ye Chen's voice fell, his fist power suddenly became fierce, and he turned his disadvantage into an attack!

Li Mingren's face changed greatly. Ye Chen did not lie. In his opinion, it is not as important as eating to fight with himself?

This is this the terror of xuanyuezong's disciples?

No! Not so!

Li Mingren has not never met xuanyuezong's disciples. Although they are against the sky, they are not as terrible as Ye Chen!

Is

Li Mingren's eyes flashed a glimmer of sudden color and looked at Ye Chen in horror.

Ye Chen is a talented disciple of xuanyuezong!

Don't mention xuanyuezong. Li Mingren shivers at the thought of the strength of those talented disciples in his clan

Ye Chen is unscrupulous, and Li Mingren is immediately completely suppressed. Even if there is array protection, the aftershocks of the attack and collision between the two sides will destroy all the tables and chairs in the hall on the third floor.

Li Mingren's face has become extremely ugly. Is he a ghost?

Li Mingren has always been very confident in his own strength, and he does have proud capital. However, Rao is so, he is still suppressed by Ye Chen!

They came back and forth and swam in the spacious hall. At this time, Li Mingren was in a desperate situation. Ye Chen's fist power was too fierce!

Like an ancient fierce beast!

What's more, I don't know what kind of monster this guy is. It seems that he has already figured out the boxing path of Sirius boxing between more than ten moves. If you go on like this, you will lose if you have a few more moves!

However, Li Mingren is indeed a genius, not only in practice, but also in combat!

The more desperate he is, the more calm he is. Seeing Li Mingren's restless eyes, ye Chen suddenly calms down and shows appreciation on his face.

Good! In this way, it is worth doing his Ye Chen's opponent!

Three moves! Li Mingren had bleeding from the corner of his mouth.

Six moves! Li Mingren's breath is disordered.

Nine moves! Li Mingren has almost lost the power to resist, ye Chen as long as another move, Li Mingren will be defeated!

But at this time, Li Mingren's eyes flashed, some of his weak fists burst out in an instant, surpassing the peak of power, boxing out, like a wolf!

The roaring fist wind is like the sound of wolf howling. Li Mingren, who originally seemed to be vulnerable, turned into a giant wolf howling among the stars in Ye Chen's eyes!

"Why? Break through the artistic conception Ye Chen looks at Li Mingren's face, which is also surprised by a punch. This fist makes a faint threat to himself.

However, ye Chen didn't retreat, he still gave birth to a boxing, did not use other forces, or even use the spirit of Geng Jin, or as usual one punch!

He wants to try, this martial arts artistic conception power.

We should also try to wake up the six sleeping gods and kings by fighting.

According to the meaning of Xiaoyao God, he didn't really step into the Hunyuan realm!

He needs to break through by all means!

Samsara xuanbei is not so easy to obtain!

Boom!

Ye chendao withdrew a few steps and moved slightly. After breaking through the artistic conception, Li Mingren's own strength did not change, but his fist power increased by 50%!

If his foundation is not too strong, his body is too tough, just a punch will be enough to hurt himself.

But Li Mingren got the upper hand with a blow, but his face did not change at all. He was still cold and fierce, like a wolf ready to go!

He did not give ye Chen the slightest chance to breathe, as if he did not know the fear of the beast general, tightly bite the opponent, while winning pursuit!

Ye Chen raises his fist to greet him. For a moment, their positions are reversed. At this time, ye Chen is completely suppressed, and I'm afraid he will be defeated!

However, even so, Li's eyes did not relax at all. After breaking through the artistic conception, he seemed to have the nature of a wolf. He would never relax until his sharp teeth were inserted into the throat of the prey and completely cut off the other party's breath!

In a twinkling of an eye, two people have already passed more than 20 moves, seeing ye Chen is about to be dangerous!

At the same time, in a bamboo building outside Lanxi City, three women were sitting in the building. The jade lamps in front of them were filled with attractive nectar, emitting a very strong aura.

At this time, the three women are looking at a mirror, which shows the battle between Ye Chen and Li Mingren. One of them is very elegant and elegant. She looks like a beautiful young woman of 28-9 years old, and says with some disapproval: "is this young man the younger brother of sister purple?

It's really excellent to have such strength in Hunyuan realm. However, it's not as good as sister purple said? "

Sitting with this graceful woman are Zi Ning and Yan Xiaoxuan.

Zi Ning didn't care about the graceful woman's words, but said faintly, "why should sister Yao be anxious?"

With that, he picked up the glass on the table and took a sip, showing a look of enjoyment.

She is not that she has never seen Ye Chen make a move. She knows that if ye Chen uses all his strength, an opponent like Li Mingren's level can be defeated by one move.

Otherwise, she would not sit here drinking tea so leisurely.

Even if she is not in Lanxi City, Li Mingren can be suppressed by a single thought. As long as she is not as powerful as Sikong Feixing and has imperial spirit, she doesn't need to be present at all.

However, she is also a little strange, what does Ye Chen want? Trying martial arts with the help of others?

Yao ruoqiu hears the speech and looks at Ye Chen's figure in the mirror. Why is zining so confident about him?

At this time, in the Yuge restaurant, Li Mingren's eyes suddenly sparkle, the last move!

The last move, ye Chen is about to lose!

Ye Chen suddenly stands still in the same place, his eyes slightly closed, as if he is understanding something, and seems to give up resistance.

Li Mingren sees this, brow is locked, what does Ye Chen want?

However, his action does not have a trace of hesitation, the moment approaches Ye Chen, a punch hits!

No matter Ye Chen is bluffing, or other backhand, can not shake to the present Li Mingren!

This blow, which made the situation turn pale, has reached the peak of Li Mingren's life!

"Good fist!" Ye Chen opened his eyes and saw Li Mingren's fist like a running wolf. He didn't mean to avoid it. He raised his fist to meet him again!

However, this time, ye Chen's fist is no longer a simple one before!

Chapter 1628

This fist, golden light flashing, momentum, with the fist, virtually sounded like a wolf howl, like a tiger roar!

In the golden light, the image of a monster looms out. The monster is like a wolf like tiger. It is vicious and domineering!

This fist, actually with the intention of boxing!

It seems that the meaning of this boxing comes from Li Mingren's Sirius boxing, which is mixed with other methods. However, this fist is very strong!

Li Mingren does not understand what happened, but he has no room to back down, can only fight!

Two fists collide, as if Mars touched the earth!

The whole Lanxi City, it seems to shake!

Boom! Boom! Boom! There was a big hole on the floor in front of Ye Chen. There was a big hole in the second floor below the big hole. There was a big hole in the first floor!

"What's going on?" Yao ruoqiu is quite surprised to see a scene in the mirror. How did ye Chen's last fist meaning come from?

She can be sure that although Ye Chen's fist was also very strong, there was no trace of the intention of boxing. How could she suddenly make this entry punch?

What's more, why is it similar to Li Mingren's but much stronger than Li's?

Suddenly, she became interested in the teenager in the mirror.

"Zi Ning, am I right?" Yan Xiaoxuan was drinking tea. Her mask was a magic tool. Lingcha could flow into the mouth without any hindrance. You could see ye Chen's punch. Suddenly, she sprayed all the tea out.

Zining also looked at Ye Chen strangely and hesitated: "if we think the same, it should be right..."

"What do you see?"

Yao ruoqiu looks at the two girls with some expectation. Although they are of the same age, Yao ruoqiu is not as good as zining in terms of their accomplishments and vision.

However, only by Yao ruoqiu's identity, even if Zi Ning and Yan Xiaoxuan were born into first-class forces, they did not dare to offend.

After a moment's silence, Yan Xiaoxuan said: "if we're right, ye Chen has almost eaten the Sirius boxing in the process of fighting with Li Mingren.

In addition, he realized the essence and broke through the artistic conception. Not only that, he also integrated the Sirius boxing with his own understanding, and replaced the part of the Sirius boxing that he could not understand and display with his own martial skills, and created a stronger and more suitable martial art for himself. Finally, he successfully hit the entry-exit fist and defeated the opponent... "

In the end, Yan Xiaoxuan is a little unbelievable. She thinks that she has seen all kinds of talents in her life. Maybe, some of them are better than ye Chen's cultivation. However, it seems that no one can surpass Ye Chen's understanding. Is this the horror of stepping to the end of the road to immortality

Yao ruoqiu is shocked after listening to it. At the same time, he is more interested in Ye Chen's beautiful eyes.

Yao ruoqiu's cultivation is not so easy to move, but ye Chen's behavior is really incredible.

Zining looked at Yao ruoqiu's look, quite proud, but she chuckled and said, "sorry, sister Yao, I'll compensate for the damage to your store's items."

Yao ruoqiu also laughed: "what's wrong with this broken shop? It's what people want to do with it. This time we visit here, we can see such an interesting scene. Even if we tear down 100 million and 1 billion stores, what's the harm?"

Don't mention it again, sister, or I'll be mean. "

Zining nodded. She knew that Yao ruoqiu didn't exaggerate. Yuge restaurant, the best business in Lanxi City and loved by the powerful and powerful people in the city, was not worth mentioning in Yao ruoqiu's eyes. Even if there were a billion such restaurants in front of her, as long as she was happy, she would not frown.

On the contrary, seeing ye Chen's talent show his style is far more important than a billion Yuge restaurants in Yao ruoqiu's heart.

Yao ruoqiu suddenly said with a smile: "sister purple, I'd like to meet your younger brother, is that ok?"

Zining looks at Yao ruoqiu's charming smile. She doesn't know why she scolds the fox from the bottom of her heart. She doesn't expect Ye Chen to attract Yao ruoqiu's attention so quickly, and makes her have the idea of Ye Chen.

However, although Zi Ning was not happy, she could not really refuse Yao ruoqiu directly. She had to answer: "this Yes, of course. It's my honor to be favored by sister Yao.

However, we are leaving for xuanyuezong tomorrow. "

Yao ruoqiu looked at zining with a smile. Seeing zining very much in her heart, she began to joke: "sister purple, you don't seem to like it? Do you have some ideas about your younger brother?"

If you have, please say it. What's so embarrassing about it. Can the elder sister take love with a knife?

Ha ha ha, well, don't be in a hurry for a moment. I'll see him again when he arrives in the imperial city. "

Purple Ning smell speech pretty face slightly red, eyes with a trace of sullen look at Yao ruoqiu, argue: "sister Yao! If you want to see this kid, go! I have no opinion at all! "

"Ha ha ha." Yao ruoqiu was more happy when she looked at zining. "OK! Since sister purple doesn't mind, this evening, my sister just has no one to accompany. I'll go and see if the boy's other aspects are as amazing as his understanding. ""You..."

Zi Ning looks at Yao ruoqiu stupidly. She doesn't know what to say. She knows that this woman can't talk casually. It's really possible to do so!

She suddenly a little regret, just why let her want to see ye Chen to see it?

Yan Xiaoxuan coughed two times in one side, changed the topic and said: "Ye Chen and Li Mingren haven't finished, you see."

If we go on like this, they have to quarrel.

Zi Ning and Yao ruoqiu look into the mirror.

On the third floor of Yuge restaurant, ye Chen has just successfully applied his own boxing techniques to break through the artistic conception, but there are still some shortcomings in a hurry.

After this blow, his own Qi and blood also suffered some concussion, that is, his body and blood are strong, and he may have been injured and vomited blood.

Unfortunately, he found that there was no sign of awakening at all.

Ye Chen adjusted his breathing and did not pursue for a moment.

After a few breaths, ye Chen's true Qi has returned to normal. He takes a look at the big pit on the first floor, and then he wants to pursue him. But in the dark pit, a dark shadow suddenly pours out and attacks Ye Chen on the third floor.

Ye Chen picks his eyebrows and punches, and the force of tiger and wolf looms. With a roar, the black shadow is almost dissipated. Ye Chen takes a close look and finds that the shadow, which is very similar to Li Mingren's breath, is actually a black wolf shaped shadow.

In the pit on the first floor, while the shadow was out, a figure flashed out of the door. He grabbed the body of Li Mingxian on the ground and fled to the city!

Chapter 1629

The wolf that was hit by Ye Chen burst into a black fog and shrouded Ye Chen!

Ye Chen hands a wave, endless evil gas gushes out!

The black fog dissipated in an instant!

As soon as his eyes swept, Li Mingren's figure had disappeared in the distance. It seemed that what Li Mingren had just done was to protect his life, and what secret method he used to strengthen his speed and escape in an instant.

If ye Chen wants to chase down, he can do it, but ye Chen doesn't have this idea. He has a big fight with Li Mingren. At the beginning, he just wants to try to revive the six gods and kings.

Later, he took a fancy to Li Mingren's boxing skills and wanted to understand them in the battle. Now, he has successfully understood Sirius boxing and successfully created a set of boxing techniques suitable for him. It is meaningless to fight on.

Although Li Mingxian was mean, he didn't offend himself. He didn't intend to do anything to him. Besides, he came here to eat.

At this time, Fang Cong ran up in a hurry and said with shame, "brother ye, it's no good. I'm incompetent. Let that Li Mingxian be taken away by his brother!"

Ye Chen said with a smile, "brother Fang, why do you have to do this? We are here to eat, not to fight. Take apricot up and let the boss serve the dishes. This time is also for Apricot practice."

"Good." Fang Cong is smiling at this time. Even the legend of Li Mingren's blue Xi City has been defeated by Ye Chen. How terrible should ye Chen be?

After a while, ye Chen and Wu xing'er sit in the luxurious box on the third floor of Yuge restaurant and begin to eat.

Half an hour later, they met each other with a smile and left the restaurant.

When ye Chen arrived at the door of the restaurant, ye Chen found that many people were watching. When ye Chen and Li Mingren fought, all the guests in the restaurant had been evacuated. However, many people did not leave. Instead, they stayed at the door of the hotel to inquire about what happened. Soon, Fang Cong and Li Mingxian, who were seriously injured, came to the door of the hotel.

This time, ye Chen can be said to be famous blue Xi City.

Li Mingxian, Chen Rufeng and others were all recognized talents in Lanxi City before. Ye Chen crushed them one by one when he arrived in Lanxi City, and they were named "genius killer" by Lanxi City people.

Seeing ye Chen go downstairs, Fang Cong immediately welcomed him with admiration on his face and said with a smile, "brother ye, can the food and wine of Yuge still suit your taste?"

"Not bad!" Ye Chen said with satisfaction, and then glanced at his Chen Rufeng and Liu Zhenwu in fear: "brother Fang, can their family come?"

Liu Zhenwu and Chen Rufeng's injuries have obviously improved. It is obvious that someone has treated them. However, they still kneel on the ground. This is not because Fang Cong forced them to kneel, but because they are afraid of Ye Chen from the bottom of their hearts and dare not violate Ye Chen's orders.

For Liu Zhenwu and Chen Rufeng, it is their families who heal.

Ye Chen just finished, two middle-aged people came up.

Both of them looked very ugly, and their breath was very strong!

These two are the elders of the Lin and Liu families.

They stare at Ye Chen fiercely. The boy is so cruel that he injures Chen Rufeng and Liu Zhenwu like this. Although the injuries can be recovered, they can't guarantee whether they will leave any sequelae, which is still the second.

The most important thing is that their mood is crushed by Ye Chen. Even if they can reshape their heart, they will have a great impact on their future, and may even become their demons.

However, they did not dare to attack Ye Chen. First, Fang Cong said that ye Chen was a disciple of xuan yue zong.

For xuan yue zong, they still know a little about it. They dare not fight ye Chen with their 100000 courage.

Moreover, from the beginning of their visit to the Yuge restaurant, they feel a kind of divine power, and they lock themselves in. Just a breath of divinity makes them feel the shadow of death. Their hearts are full of horror. It must be that ye Chen's elders are nearby, and they dare not make any small moves.

"Master of the Liu family, Liu Yong."

"Lin family leader, Lin Zheng."

Two people together to Ye Chen way, although their facial expression is ugly, to Ye Chen to speak tone pour is normal.

Ye Chen light way: "two masters, what's the matter?"

Liu Zhenwu and Chen Rufeng are so domineering that they naturally have something to do with their parents. Ye Chen does not like them either.

Liu Yonghe and Lin Zheng saw that he condescended to lower the price and ye Chen, a younger generation, took the initiative to open his mouth. Is this the boy's attitude?

When does a mole ant in Hunyuan environment dare to speak to himself like this?

Ye Chen that indifferent tone, as if like a powerful hand, hard fan in their face as the master of the house!

It's maddening!

In addition to what ye Chen has done to their son, they both have blue veins in their forehead. They want to slap Ye Chen to death. When they move their killing intention, they feel cold for no reason, and their mind of locking themselves is clear at once!

Liu Yong and Lin Zheng's body trembled, and immediately gave up the idea of Ye Chen's hands. They both suffered a face, and ye Chen was really arrogant! Both of them have come, and have not let go of Chen Rufeng and Liu Zhenwu. Now if they take Chen Rufeng and Liu Zhenwu by force, they are afraid to have a greater impact on their Dao Xin!

They both hate Ye Chen, but they have nothing to do with Ye Chen. They can only take a deep breath and squeeze out a smile. One of them takes out a storage bag and hands it to Ye Chen and says:

"little friends, I have no way to discipline them. For example, Feng and Zhenwu have many offenses. I have to pay for them. This is a little bit of heart. Please accept it with a smile."

When ye Chen heard the speech, he also showed a slight smile. The two men were quite on the road. They immediately took the storage bag and swept their mind to one of them.

Inside are a few body protection and Taoism artifact as well as the best fairy stone.

Quite satisfied.

He didn't need these things, so he planned to give them to Wu Xinger, who was about to leave for other families.

Although Wu Wei runs a spirit shop, he mainly deals in attack weapons. He is also in a small town like dengtian City, so Wu Xinger doesn't have very good spirit protectors.

Ye Chen took the storage bag and said, "the two owners, such as Chen Rufeng and Liu Zhenwu, are so weak that they like to look down on others and bully others. They often die miserably.

Fortunately, I've already taught you a lesson. Although it's a little worse, it's better than death, right?

You don't have to thank me for your help. Xing'er, brother Fang, let's go. "

When they heard this, they were all shocked. Ye Chen beat Liu Zhenwu and Chen Rufeng like this. Facing the two big family owners in Lanxi City, he even gave me a look that you have to thank me. This is a real master!

Arrogant, it is too arrogant!

Chapter 1630

Hunyuan martial arts let the top martial arts in the same way suffer?

They opened their eyes today!

What's more, Liu Yonghe and Lin Zheng were silent!

Liu Yonghe and Lin Zheng are looking at Ye Chen's leaving. They are all shaking with anger, and they are trying to suppress them. They can't give up their identity and quarrel with Ye Chen, and dare not do anything to Ye Chen. Finally, they can only sigh heavily and take away their children who are not good at home.

.....

The night was deep.

Ye Chen sat cross legged and ran the magic samsara formula. He tried again to lead the six gods and kings, but still failed.

"It seems that we must find a way to get the reincarnation xuanbei."

Ye Chen sighed.

All of a sudden, a pure female voice sounded behind Ye Chen!

"Younger martial brother, what reincarnation xuanbei?"

Ye Chen one Zheng, fierce turn round! But found a sexy woman standing behind him!

I'm staring at him with interest!

This woman is not Zi Ning, who can it be!

The key is that he can't feel the lie from Zi Ning's eyes!

She didn't know the stone tablet of reincarnation?

Ye Chen forced to calm down and frowned slightly: "elder martial sister, you appear in my room at this time, not very good."

"After all, you and I are different."

Purple Ning face red, cold hum: "you don't worry, I have no interest in you."

"Come in the morning, just tell me to go on."

"Also, it seems very important to listen to your tone about what the reincarnation xuanbei is in your mouth."

Ye Chen doesn't pay attention to zining. He can feel the black stone in his pocket shaking.

This is the feeling between samsara xuanbei and samsara cemetery.

And his blood seemed to be burning slightly.

Ye Chen hesitated in his eyes!

But in the end, it turned into a touch of firmness!

He didn't want to delay any more.

The next second, ye Chen hands suspended out a key!

This key is at the end of Shengxian Avenue!

It's also the only chance to open the tombstone of samsara!

"Elder martial sister, there is one thing that is very important to me."

"I've been hesitant to tell you!"

"now, I'm not going to hide it!"

"Do you have something on you that you can open with this key?"

With these words finished, ye Chen almost held his breath.

He can be sure that zining doesn't know what the reincarnation xuanbei is!

That reincarnation xuanbei must be hidden in Zi Ning's body!

No matter what, no matter what the cost!

He's willing to trade!

Purple coagulation eyes dead staring at Ye Chen, the next second, slender five fingers a grip, that key unexpectedly flew to her hand!

She glanced at the key and her face suddenly changed!

The pupils are calm like lake water, and even seem to set off a startling wave!

"Where on earth did you get the key! Why do you have it! "

How can zining not be shocked!

Her master sealed an ancient and huge sarcophagus in her body.

The sarcophagus is completely closed!

It's full of prohibitions.

This is the secret between her and her master!

Master always regarded her as the closest person!

It has been explained countless times!

The contents of this sarcophagus are extremely important! Don't leave it in the hands of others!

Seal for generations!

It is also the treasure of xuanyue sect!

The treasure of Zhenzong has always been the secret of xuanyuezong!

Outsiders don't know!

Although she did not know why the master did this and why she chose her!

But one thing is certain, this thing is related to the future of xuanyuezong!

And now ye Chen gives her the key, unexpectedly and that sarcophagus in a mark completely coincide!

Obviously, this is to open the existence of sarcophagus!

Is the secret of xuanyuezong known by outsiders?

This ye Chen comes from the low Wu continent, but can step on the end of Shengxian Avenue strongly!

Absolutely wrong!

A second, the next cold release!

"Ye Chen, who are you?"

"If you don't give me an answer, whether you are my younger martial brother or not, I will kill you myself!"

Ye Chen, not far away, naturally feels the terrible pressure.

Now there is a point to be sure, reincarnation xuanbei is really in the body of zining.

He gazed at the sword in zining's hand and stepped out without fear: "elder martial sister Zi Ning, I can't tell you anything specific, but that thing is extremely important to me." "I'm willing to trade anything."

"Exchange? Do you know that thing is extremely important to my xuanyuezong? "

"What's more, the master has explained that anyone who knows that thing can only be dead!"

A second, a purple shadow!

A flash of cold light!

Stab Ye Chen!

However, ye Chen did not have any action.

His hands were behind him. Even if the sword light fell, his eyes would not blink.

The cold light stopped.

Zining's sword falls on Ye Chen's eyebrows.

The distance is one centimeter.

The air seemed to solidify at this moment.

Zining's eyes move, she can't kill Ye Chen.

She knows that ye Chen has a card, even in the face of himself, there is also the possibility to fight back, but ye Chen did not do it at all.

It's not like someone who wants to take the treasure of xuanyuezong.

Moreover, ye Chen is too much like a person.

"Ding!"

Zining's right hand turned, the cold sword flew out directly, and finally inserted it on the wall.

Slightly shaking, there is a clear sound.

"It seems that the stone coffin hidden in my body is called reincarnation xuanbei."

"I never opened it."

"And never mentioned it to anyone."

"Master said that if the sarcophagus was opened, xuanyuezong would have a catastrophe."

"It could even be life and death."

"You just said that you are willing to exchange everything. I ask you, with your current strength, can you block the so-called catastrophe of life and death?"

Ye Chen hears this sentence, Mou son is unusual firm.

"Elder martial sister zining, although I am not strong enough now, I am even vulnerable in your eyes."

"But I promise you, I joined xuanyuezong, even a disciple of xuanyuezong."

"Anyone dares to move xuanyuezong, even if it is the way of heaven in the land of Lingwu, ye Chen dares to kill the sky and break the sky!"

At this moment, ye Chen's body gushed out the extremely terrible breath.

This is all the strength that he came all the way!

Rolling evil Qi is like a cloak falling behind Ye Chen.

There is also the blood gas and the gas of Geng Jin, which is also around!

Ye Chen at this moment is like a demon.

Zi Ning was stunned.

The eyes are extremely complex.

She was hesitating.

Can xuanyuezhong's fate be pressed on this young man!

Can you!

One second Ten seconds!

Finally, zining wavered. She slowly opened her red lips and said seriously, "I can give you this opportunity."

"But I want to make sure that the seal in my body will not give you this chance!"

"If this seal does not resist you!"

"I'll give you a chance!"

"What's more, I want to ask the master before I give it to you! After all, I can't make the decision on this thing either! "
