Chapter 1661

Boom!

Ye Chen directly broke away from the shackles of this group of he Dao God Jun, and looked around with some infatuation in his eyes.

"The world outside is beautiful!"

He had been trapped for tens of thousands of years and had no idea what was going on outside.

"Who are you?"

Many gods and princes are wary of Ye Chen, and the sudden changes are beyond anyone's expectation.

"You don't deserve to know your name yet."

Although there are several top deities in the field, ye Chen doesn't feel a bit flustered in the eyes of Ye Chen at the moment. He even takes out a flute with Taoist immortal utensils from the reincarnation cemetery.

"No matter who you are, ye Chen or who you are, your breath is just six layers of heaven in the realm of Tao. In our eyes, it is no different from mole ants."

One of the top deities spoke directly. If he had been a real immortal, he would have run away.

What is xianzun? All ants are under the immortal statue!

The top God King directly hands, but ye Chen does not change his face. He takes two steps back and puts the flute in his hand at the corner of his mouth.

At this moment, the sound of lingering sound rings, and ye Chen's body is controlled by the spirit and falls directly on the sea.

The top God King was still on guard. You can hear ye Chen's flute sound, which has no effect. You can completely put down your heart.

"Join me and kill him."

With a word from the top God King, he Dao God King behind nodded and rushed to the sea. He took out his own housekeeping skills and hit Ye Chen's body.

The power of terror, let the calm sea, roll up waves of sea water.

However! In these attacks, about to hit Ye Chen, a head of Hunyuan sea animals suddenly come out to help Ye Chen resist.

In the eyes of these sea animals, there is no fear at all. On the contrary, they all look at death as if they were dead.

Boom! Boom!

The sound of an explosion rippled the sea.

"Do you think that if you can control several sea animals in Hunyuan, you can escape?"

The words of the top God King just finished, but he was slapped in the face in an instant.

Behind Ye Chen, countless sea animals come out.

Those sea animals have a hundred feet of body, constantly emerging from behind.

The strength of sea animals varies from emperor to deity.

This is not over. In front of Ye Chen, there are five sea animals on the water, and all of them have reached the strength of eight layers of heaven in the Hedao realm.

The sea animals, which are thousands of feet tall, make these forces of chasing Ye Chen seem very small.

"This..."

A group of people glared and almost didn't run out of their eyes.

There are at least 10000 sea animals on the sea, although their strength is not very high.

It's just consumption that can kill them!

Unless they have the strength to create the world, they will fall here sooner or later.

Watching a group of sea animals standing on the sea, like an army.

As long as ye Chen orders, these sea animals will not hesitate to kill in the past.

"Who are you, ye Chen, you can't resist the beast! Especially at this level! "

At this time, the top God spoke directly, and there was a trace of fear in his eyes.

He thought of a man!

Ten thousand years ago, there was a superior force who, for some reason, provoked a man.

Finally, the man a song of Royal beast, control millions of monsters, crazy slaughter.

The world was full of grief. I don't know how many warriors fell.

The last superior force was killed by that man.

This war, also thoroughly laid the strength of the man, so that countless strong men were afraid.

It's a pity that the man disappeared soon.

He has not been born for 20000 years. The world thinks he is dead, but he is still alive.

Ye Chen did not open his mouth. However, at this moment, more than 10000 sea animals rushed to these God kings.

Thousands of sea animals run together, the picture is too shocking, the fierce air condenses in the air.

"No, run away!"

The top God King is the first to react. He is not afraid of one or two sea animals, even a thousand sea animals.

Although he is the top God, he is not arrogant enough to solve 10000 sea animals.

Even if it can be killed, I don't know when to kill it.

When the top deities fled, they would not dare to stay, or they would not know how to die.

Originally thought Ye Chen must die, who knows a chase, but let them flee.

"Ah, ye Chen, I don't share the same fate with you!"

A strong man in Hokkaido was bitten by two sea animals because of his slow speed.

In order to be able to escape, he lost his arms to escape.

The sea animals and the God King of Hetao fight, although the sea animals continue to die, but a little bit in the dissipation of their strength."Evil palace, you must kill Ye Chen for me

A powerful man in the fierce demon palace raised his head to the sky and roared. He was besieged by four demons of hetaojing, and there were also many Hunyuan realm and Hunyuan realm monsters nearby.

He knew that he was doomed to die. He had no chance to escape and chose to blow himself up.

Bang!

The sound of explosion sounded, and the sea was filled with waves.

Originally deep blue spray, directly dyed blood red.

At the moment when the sea animal rushed past, ye Chen had already left and disappeared.

Two days later, on an island, ye Chen dragged his frail body and walked hard.

He didn't even have the power to fly at high altitude. The spirit occupied his body and nearly crushed his body.

It's so powerful.

He finally understood why the great power in the tombstone was aloof.

I have the qualification!

If at that time, the top gods did not escape, I am afraid Ye Chen would be broken in flesh.

Without the help of the top God, he will perish.

"Your song of the beast, too terrible."

Although Ye Chen allows the mind to occupy the body, he can perceive everything outside.

He still can't forget the shocking scene of 10000 sea animals rushing out of the water.

"But you are not qualified to study."

"I like to be quiet. I don't like to be disturbed."

Ye Chen:

.....

Ye Chen walked on the island for a day, during which he met some demons in the realm of God and directly slapped to death with his flesh.

After half an hour, I don't know if there is any smoke in the island.

Ye Chen sees a few demon beasts in the spirit realm, pulling goods, and a carriage is walking.

"Sister, you see there's someone there."

Above the carriage, an extraordinary looking girl was wearing a blue floral skirt.

Next to the woman, there is a woman. Although she looks ordinary, she has a sense of being knowledgeable and reasonable.

"Sister, look at that man. How pathetic. Shall we help him?"

These two days ye Chen has been walking, plus some damage to the body, looking at the appearance, gray head gray face.

"You, there are all kinds of people outside. In case of any trouble to the family, how can we account for it?"

Although the woman said so, but look at the girl in the eyes, are spoiled look.

"Sister..."

The girl grabs the woman's arm and shakes it gently. The woman has a helpless look at her sister and nods gently.

Chapter 1662

The girl laughed and came down from the carriage to Ye Chen.

She looked at Ye Chen curiously and said:

"my name is Chen Ling. How can you appear here?"

Chen Ling did not know why, she felt the power of Tao in her body to attract her.

The smell is familiar.

It's from this ugly man.

It seems like Gengjin?

Otherwise, she would not have done so for nothing.

Chen Ling suffered from a serious illness in her childhood. Her father took Gengjin as an example to continue his life.

Since then, there has been a Geng gold in her body.

And now ye Chen refined Geng Jin, Chen Ling will naturally have a good impression on him.

Ye Chen raised his head and looked at it. He didn't want to pay attention to it, but found that there was a golden light in front of the girl's body!

It's the breath of Gengjin!

Does this woman also refine the blood essence of the ancient fierce beast?

Otherwise, how could it be?

After hesitating for a long time, he still said:

"my family and I ran into a group of monsters. At last, I was the only one left to escape here."

Now ye Chen's breath is restrained. Others can't detect his accomplishments. Otherwise, Chen Ling's sister will be alert.

"Well, you and I go to the Chen family. My Chen family can give you a job. Although the status is not high, it can also make you live a stable life."

Chen Ling takes a poor look at Ye Chen. In Tianling Island, I don't know how many small families have been destroyed by monsters.

This is the most normal thing.

Ye Chen hesitated for a moment, nodded slightly, agreed.

In Tianling Island, he is not familiar with his native land. In case he meets a monster in the Hedao realm, he can't escape at all in his present state.

The secret place of demon Saint still has some time to open, and he is not too anxious.

A few days is enough time for him to recover.

On the other hand, he wanted to know that the girl in front of him had the secret of Gengjin.

If the other party has more Geng Jin, he will get it at all costs.

"Trouble!"

Ye Chen slightly clasped his fist and followed Chen Ling to the carriage. Outside the carriage, he found a place and sat down.

After driving for half a day, ye Chen saw a city. Although it was not big, it also had a certain scale.

During this period of time, ye Chen also roughly understood the situation. There are not many strong people in Tianling island.

The ruler of the whole island is just a God King who lives in the realm of Tao.

The Chen family is in Tianling Island, which can be regarded as a medium power. The head of the family is a five layer sky in Hunyuan.

Ye Chen follows Chen Ling and they walk into the city and come to Chen's house for half an hour.

"Miss two, miss three!"

At the door stood two guards, slightly speaking.

Ye Chen followed him in. At this time, a woman with heavy makeup came to Chen Ling and Chen Zhiyin.

When the woman saw Ye Chen, the whole person frowned.

"Second sister, you went there, how can you get back a waste? Is this your wild man?"

It is not other people who are talking. It is Chen Xiaoxiao, the eldest sister of the Chen family.

Although she is the eldest sister of the Chen family, she and Chen Zhiyin are of the same father and mother, and have been wrong since childhood.

Chen Zhiyin's face changed and he said in a cold voice, "elder sister, who can I bring back? It seems that you don't need to worry about it. Don't you know that a good dog doesn't stand in the way?"

The fight between the two of them had already reached the point of deep water.

"Ha ha, it doesn't matter who you bring back, but if you let the second son of the dragon family know that you bring a man back, I don't know what the consequences will be."

Chen Xiaoxiao finish saying, twist body head also don't return to leave.

The dragon family is the top family in the city. It's a strong family with a harmonious environment. It happens that the second son of the dragon family likes Chen Zhiyin.

At the thought of the dragon family, Chen Zhiyin also had a headache, but he didn't think about it any more.

The second son of the dragon family will not be jealous with a servant. After all, it is shameless.

Ye Chen doesn't care. This island, if he wants to, can become the top force in an instant.

In the early stage of he Dao state, he could not be threatened at all!

"Chen Ling, you take ye Chen to find the governor Zhou and ask him to arrange his residence." Chen Zhiyin ordered.

"Yes, sister."

Ye Chen for all this, also did not care, nod even if agreed to come down.

Zhou Guanshi arranged a place for ye Chen, which was extremely simple.

Ye Chen didn't complain too much. This time the injury was too serious. The ordinary pills were useless.

Only continuous operation of the magic samsara formula can be effective.

This period of time, dormant in the Chen family, it is a good choice.

But he won't stay long at the Chen family.

.....

For several days, ye Chen's door was closed. He was more and more deeply aware of the magic samsara formula, and his injury was almost recovered.

Chen Ling occasionally comes to Ye Chen.

One after another, ye Chen finally understands why there is Geng Jin in Chen Ling's body.

Gengjin, as the most Yang material, suppressed the Yin and evil disease in Chen Ling's body, which was a marvelous move.

Only in this way, ye Chen did not intend to have a disproportionate desire for the Chen family's Gengjin.

Once Chen Ling had no Gengjin in his body, he would surely die.

Now that the injury has recovered, ye Chen plans to bid farewell to the Chen family early tomorrow morning.

Just then, however, the door was knocked again.

Ye Chen smiles, knowing that the other party must be Chen Ling.

When the door opened, Chen Ling put her head in her head and said with a smile, "Ye Chen, you are so stuffy. What do you do in your room every day? You don't need to practice? "

In Chen Ling's eyes, ye Chen doesn't have any accomplishments. He should contact people more.

Maybe the Chen family can take care of him for the rest of his life.

Ye Chen smile slightly, touched Chen Ling's head, took out a brocade box: "this thing gives you, I just intend to say goodbye to you, tomorrow morning, I will leave."

Chen Ling a Zheng, stare big eyes: "you just stayed for a few days, the injury has not recovered, so fast to leave?"

"What if I encounter another monster?"

Ye Chen has decided: "I have an agreement with my friends. If I don't leave, I'm afraid it will be a mistake."

Chen Ling also felt Ye Chen's insistence and sighed a long time. He still said, "OK, I'll take this gift."

"I don't know when I'll see you next time."

"But since you are leaving tomorrow morning, you can stay with me a little more this evening."

"Just in the evening there's a party. Will you come with me?"

Ye Chen nodded: "good."

"By the way, you should pay attention to this party. There are many big people. Don't talk nonsense."

"It's said that the top dragon family members of the whole island will come."

"If you offend others, we Chen family will not guarantee you."

"Before you leave, I'll show you the world too. You may never see such an occasion in the future."

Chen Ling explained seriously.

Ye Chen took a look at Chen Ling, but felt funny.

He has seen more than anything.

But in the face of Chen Ling's solemn eyes, ye Chen can only smile and nod.

The so-called dragon family, he did not put it in his heart.

There is only one Hedao realm, and there are no less than a hundred of them who died in his hands.

Chapter 1663

.....

Night fell.

Ye Chen followed Chen Ling all the way to the city Lord's house.

Today's banquet was held in the city Lord's house. When Chen Ling and ye Chen walked into the hall, they found that there were indeed many families.

These people, sitting on one side of each other quietly exchange, ye Chen glanced at, unexpectedly found that Chen Xiaoxiao was also there.

"Ye Chen, let's find a remote corner."

Chen Ling took Ye Chen's hand and found a more remote place to sit down.

She doesn't want to touch Chen Xiaoxiao.

Two people sit, ye Chen directly closed his eyes, consciousness into the reincarnation cemetery.

There has been no movement since that great talent made a move.

Although he didn't know what the reason was, he should thank him.

However, just before he came to the tombstone, the noise outside brought Ye Chen back to reality.

His eyes a congealed, but it is found that a young man with luxurious clothes is staring at Chen Ling coldly.

It turned out that the soup in front of Chen Ling accidentally splashed on the luxurious youth at the next table.

It's not a big problem.

But the other side is aggressive.

"I'm sorry I didn't mean to... "

Chen Ling was shaking, but she knew the identity of the youth in front of her.

Yuan Tian, the second young master of yuan family.

He didn't like girls, but loved Lori. He came to the party and wanted to find a woman.

He thought he didn't, but he found it in this remote place.

Chen Lingjiao is small and cute, which is the type yuan Tian likes.

But Chen Ling's mistake just became yuan Tian's opportunity.

"I can wash it for you..." Chen Ling stretched out his hand timidly.

Then, Yuan Tian grabbed Chen Ling's hand and said with an evil smile, "where do you wash me? Shall we wash them together

As soon as this was said, there was a lot of laughter around.

Although Chen Ling is young, she knows something.

Her face was red, her head bowed, and she didn't know what to say.

Yuan family in the island, but the top force, with the Hunyuan eight layer sky strong.

They can't afford to offend the yuan family!

A word from Yuan's family can destroy their Chen family.

"I don't want to. I'm really sorry..."

Chen Ling's hand is shaking. She wants to take it out of Yuan Tian's hand, but she finds it impossible.

At this moment, she was helpless to the extreme.

"Don't want to wash it? No one dares to refuse me

"Do you believe that a word from me can destroy your Chen family. You have to think about the consequences."

Yuan Tian sneered. Who would they be afraid of besides offending the dragon family?

Chen Ling heard yuan Tian's words, the whole person's small face turned pale. If she brought disaster to the Chen family alone, the consequences were not for her to bear.

However, at this time, a hand so caught yuan Tian's hand, the light voice slowly fell.

"It's just a child. Why bother her?"

It is Ye Chen who speaks!

Ye Chen doesn't want to cause trouble, but now it seems that if he doesn't stand up, Chen Ling will be in danger.

I think it's the gratitude of these days.

He looked at Chen Ling and said seriously, "as long as you don't want to, no one can take you away."

"Ye Chen, I don't want to go."

This time Chen Ling weak mouth, as long as ye Chen in, do not know why, she always has a sense of security.

"A servant dares to speak up here. Do you know who you are talking to?"

Yuan Tian's face was cold, and no one dared to refuse him.

If you refuse him, you have to pay the price!

Ye Chen cold smile, five fingers force!

The next second, a clear sound of fracture resounded.

Later, Yuan Tian was pushed out mercilessly.

"I don't want to get into trouble. Now get out of here. You yuan family may still exist."

The hall was silent.

No one thought that the arrogant words would be said from a lower population!

Yuan Tian was the first to react. The whole person jumped up with the help of the ground, and then stretched out his arm. The physical strength constantly poured into the arm.

At this moment, he clenched his fist and rushed over.

"Little beast, you don't know how to write the word" death! "

He is the yuan family. He believes that ye Chen can be killed directly.

"Ye Chen, get out of the way."

Chen Ling didn't expect that Yuan Tian would make a move at the banquet.

At the moment when she opened her mouth, but it was too late, Yuan Tian's fist had already arrived.

At this moment, Chen Ling closed her eyes in despair. At the thought that she had hurt Ye Chen, she felt a burst of pain in her heart. Had known, she should not let Ye Chen follow to the party.

However, when the fist comes, ye Chen smiles at the corner of his mouth and reaches out his hand. Without any spiritual power, he just slaps him out.

"Pa!"

A clear sound!

In full view of the public, strange things happened!

Yuan Tian was taken out directly.

Bang, land on the ground!

The movement here, let the banquet public's eye seem to explode in an instant!

When he saw yuan Tian and ye Chen, who had just made a move on the ground.

In this moment, everyone felt that ye Chen was crazy!

The yuan family is a top family in the island. Now someone dares to slap yuan Tian's face.

Chen Ling widened his eyes and looked at the scene in front of him. The shock in his heart could not be restored for a long time.

Is Ye Chen really a small family destroyed by monsters? Who survived?

"Ah! I want you dead

Yuan Tian covered his hot cheek and stood up with difficulty.

When did his yuan family get slapped at a party!

Yuan family is not a overlord, but also under one person, ten thousand people above.

At the moment, Yuan Tian's heart is full of anger, and he just wants to kill Ye Chen recklessly.

If ye Chen doesn't die, he will be a disgrace for his whole life and will become his heart demon!

Yuan Tian rushes over crazily. Ye Chen's eyes grow cold. Then he raises a foot and kicks it directly.

Bang!

Yuan Tian's chest collapsed and fell to the ground, but he stood up again.

Ye Chen not only kicked his chest down, but also destroyed Yuan Tian's vitality.

If we could unravel it, Yuan Tian's internal organs would have turned into residues in his body.

"Boring."

For a moment, the whole party was silent, and everyone looked at Ye Chen in disbelief.

The second young master of Yuan family is dead! Die at the party!

This is no less than a big earthquake, shaking the entire island!

Ye Chen not only killed Yuan Tian, but also challenged the dignity of Yuan family!

Everyone, looking at Ye Chen's appearance, has a trace of fear in their eyes.

It's too savage and cruel to kick Yuan Tian to death!

For people like Ye Chen, their background has no effect at all. The other side is a complete madman.

At the banquet, someone recognized Chen Ling beside Ye Chen, but a Chen family was not a rival of Yuan's.

It could even endanger everything!

Chapter 1664

"Ye Chen, you dog slave, what are you doing?"

Chen Xiaoxiao comes out of the crowd and looks at Yuan Tian's body in fear. His angry eyes are eager to burst into flames.

The second young master of the yuan family was killed by her servants of Chen family.

In case the yuan family blames him, even if the Chen family hands over Ye Chen, it will not help.

At the thought of Ye Chen bringing disaster to the Chen family, Chen Xiaoxiao would like to kill Ye Chen with a slap.

"Elder sister, I don't blame Ye Chen for this. If yuan Tian didn't want to insult me, ye Chen would not have done it."

At this time, Chen Ling spoke in a hurry. She didn't expect that ye Chen would kick yuan Tian to death.

"You shut up. It's your honor to be favored by the yuan family. You dare to refuse yuan Tian."

In Chen Xiaoxiao's eyes, if they can tie up the big tree of yuan family, their status of Chen family will rise.

To put it bluntly, Chen Xiaoxiao is selling her sister for glory!

"Pa!"

Ye Chen really can't listen to, directly a slap flies Chen Xiaoxiao.

For the first time, I heard that someone was going to sell my sister to seek honor, which was justified.

Chen Xiaoxiao screamed in the air and fell to the ground.

The whole person's hair is scattered, with a red palm print on his cheek, and a trace of blood overflowing from the corners of his mouth.

In Ye Chen's eyes, Chen Xiaoxiao is a dispensable little role. Now he is looking for a sense of existence again and again.

"Dare you hit me? You're a dog

Like a shrew, Chen Xiaoxiao stretched out her fingers and ran to catch Ye Chen.

"Pa!"

Ye Chen raised his arm and slapped him directly.

Chen Xiaoxiao's whole figure flew backward and hit the ground heavily, almost fainting.

You know, although Ye Chen is a layer of heaven in the Hunyuan state, and it is not complete, but his physical strength is enough to crush the divine kingdom! Even Hunyuan!

"Dare to provoke me again, die!"

If it was not for the face of elder sister Chen Ling, ye Chen would have died with a slap in the face.

Hearing Ye Chen's icy voice and substantive killing intention, Chen Xiaoxiao dare not move one more step, but the look of resentment in her eyes never stops.

"It's so busy, little brother. You're good at it. Why don't you be a servant here? How about I help you with the yuan family's affairs?"

At this moment, a voice sounded.

I saw a beautiful man with a folding fan in his hand, elegant and graceful. As soon as she appeared, she was excited.

The visitor is the host of this time, the young master of the dragon family, long Tiancheng.

Long Tiancheng came out with a face of confidence. He believed ye Chen would not refuse.

After all, if you offend the yuan family, only their dragon family can protect him!

Otherwise ye Chen will die without a burial place.

Ye Chen shook his head helplessly: "do you want me to be your servant? Your dragon family is not qualified yet! "

Ye Chen a word, let long Tiancheng confident face, suddenly disappeared, the whole person frown, it seems that ye Chen will refuse.

He knew where he was in Weiyue.

Don't say long Tiancheng is unworthy. Even if his father stands in front of Ye Chen, he is still not qualified.

People present at the banquet look at Ye Chen in the same way as looking at a fool.

Although Ye Chen's strength is good, but it is only that. Is Yuan Jia a person he can fight against?

I'm afraid the elder of yuan family is coming. Ye Chen will not even know how to die.

"You know what it's like to turn me down? When the time comes, the strong men of the yuan family will give you no chance to live. "

Long Tiancheng's face was a little ugly. In public, he refused his solicitation. Was this not a blow to his face?

"It's just a yuan family. You can kill it if you want to. If you're upset, you can fight me to see if I can kill your dragon family."

As soon as ye Chen's voice fell, the whole audience was in uproar and destroyed the dragon family. He dared to say this.

The dragon family has been the overlord of this island for ten thousand years. No family can shake it.

The dragon family in this island, is the real emperor, the supreme existence.

"Well, I'll see how you can kill the dragon family!"

Long Tiancheng looks cold, he is the first time to meet such a arrogant person.

Open your mouth and shut up, you will destroy the dragon family and yuan family!

Long Tiancheng waves his hand, and an old man appears behind him. He is a strong man in the middle of Hunyuan state.

In this island, the middle of Hunyuan Kingdom has been able to create a force.

However, in the dragon family, he can only be a servant.

This is the inside story of the dragon family!

It is also the reason why no one can shake the dragon family for thousands of years.

"Mr. Zhang, give me a good lesson. I don't know the height of the earth."

Long Tiancheng decided to teach Ye Chen a lesson and let him know that there is a heaven in the sky. Old Zhang nodded slightly, a wisp of sarcastic smile at the corner of his mouth, looking at Ye Chen.

Those who dare to fight against the dragon family are already dead!

At lightning speed, Zhang comes to Ye Chen and raises his arm to slap Ye Chen.

Ye Chen sneers at the corner of his mouth. It's just Hunyuan state. It's not enough to show off in front of him!

When everyone sighs that Hunyuan is powerful, ye Chen reaches out his arm and still slaps him in the past.

"Pa!"

This sound is crisp, only hear Zhang Lao to send out a scream, the whole person directly falls on the ground, completely unconscious.

"Hiss!"

All present stare big eyes, looking at Ye Chen, the body can not help but step back.

The warrior of Hunyuan state was slapped down by Ye Chen again!

This is not true!

If not everyone can see it clearly, no one will believe that a servant can destroy Hunyuan.

After all, ye Chen has covered his breath. As long as he is not the God of heaven or the peak of he Dao, he can't see through his accomplishments!

When ye Chen made a move against Yuan Tian, he did not intend to hide it.

His injuries have basically been cured and there is no need to hide them.

Long Tiancheng's mouth twitches violently. Where in the end is this cruel person?

"Who dares to kill me, master yuan, get out of here!"

At this time, outside the city Lord's house, an old man of seven layers of Hunyuan Kingdom appeared on the hall.

On the left side of the old man, there is a middle-aged man of eight stories in Hunyuan.

The man on the left of the old man is the Lord of the city Lord's house.

"It was this man who killed yuan Tian, the elder of yuancha and the Lord of Li city. Not only that, but also he opened his mouth to exterminate the yuan family."

At this time, long Tiancheng came to Yuan Cha and pointed to Ye Chen.

He doesn't believe that ye Chen, a servant, can also be an opponent of two hunyuanjing.

Originally long Tiancheng intended to solicit, who knows Ye Chen does not know how to cherish, but also injured Zhang Lao.

Long Tiancheng decided to kill Ye Chen with the help of yuan family and the city Lord's house.

Chen Ling stands beside Ye Chen, deeply worried.

Although Ye Chen's strength is very strong, how can he be an opponent of the two strong players in the late Hunyuan state.

Ye Chen can do this step, already very against the sky!

Chapter 1665

City Master Li frowned slightly, and did not immediately start, but asked Ye Chen: "little brother, you really said this sentence?"

The people were stunned, but they didn't expect Lord Li to say so.

If ye Chen doesn't admit it, will the city Lord Li not start?

However, the next second, ye Chen's action or let everyone hold their breath.

"Yes, I said that I will destroy the yuan family today."

Ye Chen is not afraid of the two Hunyuan states.

"Little bastard, arrogant!"

Yuan Cha's face was angry. Although his yuan family was not the overlord on the island, not everyone could clamor in front of them.

The dignity of their yuan family should not be taken seriously!

Yuan Cha made a direct move, and the city Lord Li had to rush to the side.

After all, there was something wrong with the yuan family in his mansion. He wants to give an account to the yuan family.

Otherwise, it would be hard for him to be a city Lord.

Facing the two strong hands, ye Chen does not move like a mountain.

Eyes closed.

When the two forces are going to impact Ye Chen!

Ye Chen's eyes suddenly open!

Step on it!

Then a word came out: "go away!"

At this moment, the evil spirit swept through!

The air wave of crazy bully is surging rapidly!

Either yuan Cha or Li Chengzhu, he only felt his breath stagnated.

They were enveloped in a terrible threat!

And then!

They're flying upside down!

Hit the ground hard!

Without exception, they all died.

"Hiss!"

Everyone here took a breath!

A word for murder!

What kind of strength is this!

How can Chen Ling be so strong!

The whole face of Zhan Chen is as strong as Tianchen's!

Ye Chen's fighting power is a mystery in front of all people.

"Come on

Ye Chen looks cold, a word let long Tiancheng, legs uncontrollable, instantly kneel down on the ground.

"My Lord, please spare me, I will never dare again!"

Long Tiancheng kneels on the ground, kowtow, even blood on his forehead.

But in long Tiancheng's eyes, full of resentment, he vowed that as long as he could escape a robbery, he would ask his father to kill Ye Chen.

This series of things, sudden changes, so that no one has reacted.

Long Tiancheng, who had just been pianpianpian, is kneeling on the ground and constantly begging for mercy. Those Hunyuan states have fallen on the ground and do not know whether they are alive or dead.

All of these things have something to do with the servants of the Chen family.

"Don't worry, I won't kill you now. I'll let you see with your own eyes how the yuan family and the dragon family are destroyed."

Ye Chen comes to long Tiancheng and shatters his meridians.

"Ah

The roar of killing pigs sounded in the whole hall. All the onlookers couldn't help shivering. Even some people were shaking their legs.

In their eyes, ye Chen is a madman and a devil.

Ye Chen grabs long Tiancheng's collar with one hand, just like catching a dead dog.

The intense pain has made long Tiancheng completely numb. Even if he does not die, his accomplishments have been abandoned by others.

It's impossible to cure it!

"Chen Ling, are you interested in going with me?"

Ye Chen came to Chen Ling and said directly.

He has decided to leave. He must destroy the yuan family and the dragon family. Otherwise, once he leaves, the yuan family and the dragon family will vent their anger on the Chen family and Chen Ling.

Although Ye Chen doesn't care about the Chen family, Chen Ling is a friend of her.

At the moment, Chen Ling has already looked stupefied, hearing Ye Chen's body, neck stiff nodding.

The servant she had found was able to kill two Hunyuan realms one word at a time.

Even their ancestors of the Chen family could not have done this.

Chen Ling's heart can not be described by words.

Ye Chen looks at Chen Ling's appearance, also did not think much.

Holding long Tiancheng in one hand and Chen Ling in the other, he came to Yuan's house step by step.

At the moment, the yuan family is full of lights. I don't know that a god of killing has come step by step.

Boom!

Ye Chen throws long Tiancheng on the ground, holding the Hunyuan immortal tool, and cuts off the gate of Yuan's family with one sword.

"Who dares to run wild in my yuan family?"

At this moment, all of the yuan family felt a sense of killing, and the five top elders of Hunyuan Kingdom directly rose to the sky.

"It's just a boy. I want to die!"

Mr. Yuan thought that he was a strong man in the world of Taoism. However, he didn't care about it. It's just a boy in his twenties. They can be killed at will!

It's a pity that they didn't see the things in the main hall of the city Lord's house, otherwise they would not despise ye Chen so much.

Ye Chen has no words, and his whole body's Qi of Geng Jin constantly gushes out from his body.

When Chen Ling saw this scene, he finally understood what!

Ye Chen has Geng gold in his body!

Her affection for ye Chen comes from Geng Jin in her body!

At the same time, the endless cold air around also gushed out madly!

"Cold ice sword is determined!"

Ye Chen murmured in the corner of his mouth. The frightful chill made the whole yuan family freeze constantly.

The frightful cold made the five yuan family elders frown.

This cold law, let them feel a deadly threat.

"No, let's go!"

Yuan family five elders, this time only then reacts, but now only then discovered, too late!

Ye Chen raised his hand, a common Hunyuan immortal, in his hands burst out bright light, let the whole high altitude, buzzing.

It was muggy weather, but it made people feel cold!

Ye Chen goes down with a sword, in a flash of bloom!

At this moment, the sword light has not yet come to the yuan family elder, but the five of them are frozen directly.

Stand there like a live target.

With one sword, five heads fell to the ground, and more than that, the whole yuan family was cut into a crack by one sword.

Long Tiancheng is beside Ye Chen. Seeing this scene, he doesn't know what to say.

He thought he was Tianjiao, but compared with Ye Chen, he was not even a waste.

This sword Fanghua, left in the heart of long Tiancheng, a lifelong demon, can not be forgotten.

"Ah, you little bastard."

At this time, Yuan's ancestors flew into the air from the room, and his whole face was furious.

All the five elders of Hunyuan state all died, which greatly damaged the yuan family's vitality. It was impossible to restore their former style.

Ye Chen almost couldn't help laughing when he heard yuan's ancestors.

Yuan's ancestors were angry, a mouthful of blood gushed out, not talking, directly rushed to Ye Chen.

Now long Tiancheng places all his hopes on Yuan's ancestors.

After all, the yuan family's ancestor has the strength of eight layers of heaven in the Hunyuan kingdom. It's impossible to kill Ye Chen, and then he will be able to live.

Unfortunately, as soon as this idea came out, it was knocked back to its original form in an instant.

Ye Chen's sword was cut on the belly of the yuan family's ancestors, and the icy law of terror eroded yuan's ancestors.

Chapter 1666

Boom!

The law of ice poured into yuan's ancestors, freezing his internal organs directly.

In the freezing moment, the direct explosion, yuan family ancestor died without a whole body!

Looking at the side of long Tiancheng, are about to collapse, why is Ye Chen so strong?

"Next, it's your dragon family!"

Long Tiancheng does not speak. Facing Ye Chen, he has only deep fear.

Maybe Ye Chen can kill the dragon family alone.

As soon as the idea flashed, long Tiancheng put a sharp end to it. However, the dragon family had the God King of he Dao. No matter how powerful Ye Chen was, he could not be the opponent of he Dao Jing.

The long family is not far away. It can be reached in ten minutes depending on Ye Chen's speed. Because of Chen Ling's relationship, he slowed down the speed.

Half an hour later, ye Chen comes to the top of the dragon's house. Without saying a word, he holds the Hunyuan immortal tool and cuts it out with a sword.

"Boom

Night inside, a terrible explosion, do not know how many people, wake up from sleep.

"The ancestor of the dragon family, get out!"

Ye Chen roars, in the face of Hunyuan, he is too lazy to move.

The whole city, all heard Ye Chen's roar.

All people are guessing, in the end, who dare to provoke the dragon family.

"You want to die, young man!"

Wearing a Taoist robe and full of momentum, he achieved the strength of terror. It is the ancestor of the dragon family, and also the contemporary clan leader, who has the strength of a layer of heaven in the realm of Taoism.

"Father, help me quickly!"

Long Tiancheng saw his father come out and spoke in a hurry.

At this moment, he only hopes to let his father rescue, as for and ye Chen for the enemy, he even did not have the courage.

Ye Chen had already been scared to shiver.

"Little beast, let go of my son, I can leave you a whole body."

Long Xiao can see that his son has been abandoned. I'm afraid it is impossible for him to recover his strength.

"Ha ha!"

Ye Chen sneered, but did not continue to speak, but in the hands of the Hunyuan immortal, burst out of light.

"I don't like it today, so I will destroy your dragon family!"

Ye Chen holds the Hunyuan immortal sword and rushes directly to it. The momentum of his whole body bursts out and his whole body's strength surges.

In the face of the dragon's roar, ye Chen is not careless.

Kill!

Ye Chen roared and killed directly.

At this time, Long Xiao took out a double blade and put it on his arm.

"Death! They are all mole ants under the state of harmony. "

Long Xiao rushes forward. Ye Chen holds the sword in both hands and raises his arm. Hunyuan Xianjian falls directly from the top of longxiaotou.

Long Xiao's whole face does not change. At the moment, his heart is filled with rage.

He raised his arm and blocked Ye Chen's Hunyuan immortal sword with double-edged grid.

"Cold ice sword is determined!"

A sword out, frozen miles!

The power in Ye Chen's body, crazy gush out, the explosive force of terror, let the whole high altitude, vaguely tremble.

Long Xiao has a dignified look. He has found that ye Chen is a Hunyuan state.

However, he felt a bit of danger when he could do this step in a Hunyuan state.

"Blood blade cut!"

On the body of Longxiao, a bloody breath surrounds the body, and the terrible blood gas diffuses around.

Even the moon above the sky has a strange feeling.

Weng hum!

High altitude crazy surging, Long Xiao raised his arm, the blade directly cut out.

The most brilliant blood blade comes to Ye Chen in a blink of an eye.

Boom!

The two collided and there was a deafening noise.

At the end of the collision, ye Chen's figure has come to Longxiao.

At the moment when he came to Longxiao, ye Chen's whole arm was suddenly lifted up and his five fingers clenched into a fist.

A fist goes straight to the face of the dragon!

Bang!

This fist caught Long Xiao off guard.

The whole figure of Long Xiao flies out.

Ye Chen rushes past in the high altitude, comes to the lower part of the dragon, kicks to his abdomen.

"Looking for death!"

Long Xiao twisted his body and shot out with one blow.

Ye Chen holds the fist of dragon Xiao with fingers, and slaps it in the past.

"Pa!"

This slap, let the Dragon roar a short time Leng Shen.

Not only long Xiao, but even long Tiancheng was also stupid. His father, together with the God King, let a little boy slap him in the face.

Long Tiancheng only feels that the whole world has changed. When are Chen's servants so fierce?

"Little beast, I will let you die without a burial place."

Longxiao's eyes are red. This time, the power in his body can't be controlled. He is crazy. "Now that you've recovered, it's time to bring out old friends you haven't seen for a long time."

Ye Chen faintly spits out a word, then appeared in the hands of the spirit of the demon gun, toward the Dragon roar in front of a bit.

The meaning of the gun turns into reality, and the gun is intended to wind in the air.

"It's just a combination of Taoism and Taoism. Today I'll kill it!"

Ye Chen's voice fell, a shot out, in the stab out of the moment, his whole person seems to be like a gun.

This shot, with a terrifying momentum, directly destroyed the house of the dragon family.

The whole dragon family has become ruins, the overlord of ten thousand years, and in an instant it has become nothing.

"Die!"

Ye Chen, with the murderous spirit of dragon roar, stabs into the upper abdomen of dragon Xiao.

This shot, directly through the body of Long Xiao.

At this moment, the momentum of Long Xiao's body was like a balloon being punctured and burst, and it was instantly unloaded.

His body fell directly from the sky to the ground!

The dragon family, the warrior of Hunyuan Kingdom, looks at the scene in front of you. His eyes are red with blood, and their guardian beast of the dragon family has fallen down!

Even if ye Chen can be killed, their dragon family's position as the overlord of this island will disappear completely.

As for long Tiancheng, he had already been scared to death. He knew that the dragon family was finished.

Along the way, long Tiancheng knows that ye Chen is as simple as killing a chicken.

These Hunyuan areas of the dragon family are not enough for ye Chen to kill alone.

Ye Chen comes to the ground from the high air, ready to kill the Dragon directly.

"Don't Don't kill me. I'll tell you a secret about the secret place of demon saint

Long Xiao this time thoroughly recognized planting, ye Chen's strength, far beyond his imagination.

Originally Ye Chen wanted to kill Long Xiao with a shot. When he heard him say the four words of demon saint's Secret realm, he stopped.

He came here for the secret place of demon saint.

"Come on, the secret place of the demon saint."

"What I say, can you kill me?"

Ye Chen mouth slightly up, a wisp of sarcastic smile, slowly opened his mouth and said: "now you are not qualified to bargain with me."

If it was not the secret place of demon saint, ye Chen would not have kept him until now.

"I know a way to get into the secret place of demon Saint ahead of time."

Ye Chen brows a frown, can enter ahead of time?

Now the demon saint's secret place will have some time to open. If you enter ahead of time, the treasure will not be his.

It can even help Jilin get those things.

Of course, ye Chen did not lose his eyes because of the treasure.

If Long Xiao really knew why he didn't go in and could enter the secret place of demon saint, would he be the king of harmony?

Chapter 1667

When he saw Ye Chen didn't believe it, Long Xiao said in a hurry, "I didn't really cheat you, but there was a monster in the transmission array that combined with the six layers of the Taoist realm. I couldn't get in at all."

In the past, Long Xiao also wanted to go to the outside to find help. However, at the beginning of his combination with the Taoist realm, he would find a strong man with seven layers of heaven. Where is his share in the treasure?

"Tell me the location, you'll be spared your life!"

Ye Chen is interested in the six layers of heaven. Although he may not be able to kill him, he should have no problem breaking into the transmission array.

He offended too many forces in the western regions to the extent that everyone yelled at him.

If he is hidden in the western regions, he may not be found, and then he will be doomed.

In the secret realm of the demon saint, not only can you enter the realm of harmony, but even the realm of creation.

Now ye Chen is not an opponent in the face of these people. If he enters the secret place of demon saint, he will seize the opportunity in advance.

It can't be said that the secret place of demon saint is opened, and ye Chen has already been handed down.

Long Xiao a listen, ye Chen can let him go, more dare not have any reservation.

"My Lord, it's in the deepest part of the southeast island. There's a cliff in the deep."

"At the bottom of the cliff, there's a teleportation array. My Lord, I've said everything I need to say, aren't you?"

Long Xiao has a flattering look on his face. As long as he doesn't die, he is still the overlord of the island and can call on the wind and rain.

As for ye Chen, Long Xiao knows it's definitely from the outside.

The strong in the outside world don't look up to their islands at all. I'm afraid they won't take them.

"Don't worry, I'll keep my word."

As soon as ye Chen's voice falls, a blood light enters the mind of Long Xiao. Within a moment's time, Long Xiao's expression is dull and has no thought for a long time.

The only idea is to obey Ye Chen's orders unconditionally.

Ye Chen did not kill him, but in this way, Longxiao is more cruel than death.

"In the future, you just need to listen to Chen Ling and protect Chen Ling even if you are afraid of death."

At present, ye Chen, a God King in the early stage of the Dao state, can't look up to him at all and can't play any role. He might as well use it to protect Chen Ling.

"Yes, master!"

Dragon roar mechanical voice mouth, the whole eyes, no look.

At this time, Long Xiao came to Chen Ling's back and stood there motionless.

At first, Chen Ling was still a little afraid, but when he saw that long Xiao didn't move, he was completely relieved.

Ye Chen touched Chen Ling's head: "it seems that I'm going to leave ahead of time. This is the second gift for you

"Ye Chen, this gift is too big. You'd better take it back."

Although Chen Ling is not old, she is not a fool. Ye Chen does this to protect her.

"In the early days, the God of harmony has no effect on me. Take this."

Ye Chen said, can not refute Chen Ling at all.

Chen Ling didn't know how to repay Ye Chen. After hesitating for a few seconds, Chen Ling took down his own storage ring and said to Ye Chen very seriously:

"Ye Chen, this storage ring has been following me all the time. I can't break the prohibition inside, and it hasn't been opened."

"What's more, this storage ring and the Geng gold in my body are all from the same person."

"I think it will be useful to you. You must take it!"

Ye Chen nodded and did not think much.

He looked at the storage ring and was stunned. It was really forbidden.

It's just that he can't break the ban!

Ye Chen doesn't intend to go deep into it, so he throws it into the samsara cemetery.

And then leave.

However, ye Chen didn't notice at all that Chen Ling's storage ring actually released a dazzling light at the moment of entering the samsara cemetery!

In the powerful tombstone in the reincarnation cemetery, a surprised voice suddenly sounded:

"how can it be that there is that thing in the storage ring?"

"This boy's chance It's incredible. "

"It's been gone for tens of thousands of years, and finally it's in this way."

"I'm afraid the Chen family was not simple in ancient times."

With that, an invisible force surged.

The ring flows in the direction of the tombstone!

.....

This night, all the warriors in a hundred Li radius heard the sad cry.

The next day came the news that the dragon family, which had dominated for ten thousand years, was destroyed!

A man named Ye Chen destroyed the whole dragon family overnight.

Then came the news that the Chen family had the puppet of the God King of he Dao. In an instant, the status of the Chen family rose.

Island forces from all sides, with expensive treasures, want to make friends with the Chen family.

Moreover, he Daojing puppet was in the hands of Chen Ling. The Chen family leader immediately indicated that the next generation of master was Chen Ling. I don't know how many people want to see Chen Ling. After all, making good friends with Chen Ling is equivalent to making friends with a God King.

.....

Ye Chen said goodbye to the Chen family and went to the southeast alone.

Now it took him a day to get on the road.

Night falls, ye Chen alone came to the top of the cliff, here is the place where long Xiao said.

The wind howled like a ghost.

"Disciple, you should be careful yourself. I always feel that there are some evil sects below."

Xiaoyao God can feel a trace of soul shaking, I am afraid there is something shady under this cliff.

"Master, I will pay attention."

Ye Chen frowned, looked at the cliff, and jumped directly.

Hoo Hoo Hoo Hoo!

Yin wind blows through Ye Chen's ear. He sees a glimmer of light in the past.

Bang!

Ye Chen, standing on the ground, originally wanted to look around with divine consciousness, but found that it could not be used here.

There seems to be something in it that interferes with divine consciousness.

Ye Chen, relying on his own eyes, can only see a little ahead.

In front of me, the smoke is so thick that I can only see a little bit of the road.

Now that he has come down, ye Chen can't go back. He grits his teeth and walks forward.

Ye Chen is here, also do not know how much time in the past, looked at the front, found a piece of darkness.

After ye Chen took two steps, he suddenly heard the sound of rustling.

"Disciple, be careful. Something is approaching you."

Ye Chen slightly one Zheng, swept behind one eye, instantly found several evil spirit wrapped giant beast is approaching.

"The spirit of Gengjin! Get up

In a flash, ye Chen's whole body was covered with dazzling golden light!

The monsters seemed to see something terrible and fell back in an instant.

Ye Chen doesn't pay attention to it, and goes on until he sees a cave.

Not only that, but there was a slight fire in the cave.

There are many monsters here, but there is no one around the cave.

It seems that I am afraid of encountering some taboos.

Ye Chen does not hesitate, choose to rush directly.

As soon as they enter the cave, some bats fly on it, and step by step, they get close to the fire.

When I saw the old man on fire.

Ye Chen can see at a glance that there is no breath flowing on the old man. He is a mortal.

An old man appears in the cave, which makes Ye Chen confused. However, he can make the monster dare not get close to him. This old man is not as simple as the surface.

The old man did not seem to find Ye Chen at all, sitting by the fire, motionless.

When ye Chen walked past, he saw the old man's cheek.

On his cheek, there were a lot of knife marks, and his appearance was very terrible.

Ye Chen just wanted to say hello, the old man suddenly raised his head, a low voice sounded:

"you are ye Chen."

Ye Chen a Zheng, eyes stare big!

He didn't say anything. How can the old man know his identity!

Not waiting for ye Chen to open his mouth, the old man said again, "in order to wait for you, I have been here for ten thousand years..."

Chapter 1668

At the moment, ye Chen heard the old man's words, just like the ghost.

The other party not only knows his name, but also has been waiting for thousands of years?

A forerunner?

His fate can't be checked by heaven. Why can this old man know?

Is this man stronger than the eternal king?

"Since you are here, sit down!"

The old man opened his mouth in a hoarse voice, closed his eyes, and did not know what he was thinking.

Ye Chen heard the old man's words and did not hesitate to sit directly beside the fire.

He had too many doubts in his heart. After hesitating for a few seconds, he bowed his hand to the old man and said, "master, I don't know how to address him."

The old man still did not respond, but the indifferent voice still sounded:

"who am I? I don't know who I am? For too long, my name has long been forgotten. "

Ye Chen's eyes were burning at the old man, and he did not beat around the bush. He said directly: "the elder knows my name and waits for me for thousands of years. What is the reason?"

At this moment, the old man stretched out his hand, and the thin hand was close to the fire. The flame turned into a special shape.

It's like a dragon roaring.

"How is the xuye family in Kunlun?"

Ye Chen was stunned. He didn't expect that the other party knew Kunlun Xu. He suppressed his shock and replied, "everything is OK."

The old man nodded, and the fingers close to the fire suddenly closed!

The fire dragon dissipates in an instant! The light of countless sparks gradually converged into a picture!

In the picture, a huge meteorite falls to the earth!

Meteorite has colorful light, the whole world seems to be illuminated by colorful.

Dust!

Countless monsters and warriors instantly turned into powder.

And a building near the meteorite didn't respond at all!

There are a few strong and powerful characters on it!

Kunlun Ye family!

Ye Chen saw as like as two peas in this picture, he had been to the Kunlun leaf house, though it has long been down, but from architecture, it is exactly the same as in the picture.

And this meteorite, ye Chen is sure, is that ancient and shining foreign meteorite.

That's the source of the mysterious black stone in your pocket!

What did ye Chen just want to say? The picture composed of fire light began to move!

An old man with white hair came out, and his grandfather looked like him.

The white haired old man looked at the foreign meteorite in front of him, pinched his fingers, and his face changed slightly!

Looking up at the sky, he murmured: "it seems that the secret of the xuye family in Kunlun can't be hidden. We can't hide our fate any more."

"We, the Ye family, have been living for a long time, so far, no longer pay attention to the gratitude and resentment of the outside world, not to mention the glory of the past."

"I thought that everything would disappear, silence and end in Kunlun."

"But I was wrong."

"The time of reincarnation is coming, and the Ye family will eventually face it."

"The blood of Ye family must be continued and developed.

Finally, a man should stand up and fight against the power with this foreign thing! To crush the most powerful in power. "

"I never admit defeat! Even if dormant here, there will be descendants as dazzling as stars! Tremor reincarnation

"That person, if it exists, be named Ye Chen."

.....

The picture stops abruptly.

Ye Chen's body is shaking!

He knew that the old man of xuye family in ancient Kunlun was talking about himself.

The black stone in his pocket was shaking.

As if to witness the years.

"The origin of my name is that the ancestors of the Ye family wanted me to be as dazzling as the stars, trembling and reincarnation..."

Ye Chen murmured.

He seemed to touch something.

Reincarnation cemetery, his blood, chance, the Bureau set by grandfather, eternal King

These many clues are connected together, and ye Chen roughly understands some things.

Kunlun virtual is not simple, Kunlun Ye family is not simple.

Ye's family did not know where to flee to Kunlun Xu.

The Ye family is waiting for him to appear.

When he returns to that place with the glory of the Ye family and the reincarnation cemetery.

As for where is that place?

He still doesn't know.

Looking at the old man at the fire, he said seriously, "master, what has happened to my Ye family? What kind of secret is there? "

The old man shook his head and held out his hand: "come here."

"If I'm right, you're bound."

"Although you have the air of Hunyuan Kingdom, in fact, you have not experienced the catastrophe of entering the Hunyuan realm."

"There is no real transformation."

"It's not easy to get reincarnation." Ye Chen's heart shock has numb, can only keep nodding, is closer to the old man.

The old man's thin fingers, overflow a drop of blood essence, press in Ye Chen's eyebrow.

The next second, the original bondage of the God and king was restored!

You can even use it!

"Your God King's way, temporarily restored, but if you want to advance, you must wait until you experience the massive thunder disaster."

"It won't be long."

"What's more, the stone tablet of reincarnation is something in your destiny, which is not easy to get."

"But if you get it, you will benefit a lot."

"You must be very strange, why you have reincarnation blood in your body, why you get reincarnation cemetery, this is related to the Ye family's secret, I can't say now."

"The Ye family I'm talking about is not the xuye family of Kunlun, but the existence that scares the heaven and the heaven."

"There are many legends about the ten samsara steles in Lingwu land. But the real origin is that the Ye family stayed here for you. "

"When you get ten dollars and your blood is fully awakened, you are entitled to touch that secret."

"Well, my mission is done, and after one night, I will disappear in this world. You can take a rest here and do what you should do."

The old man said no more words, closed his eyes, and soon heard a slight breath.

Ye Chen wry smile, but he did not disturb the old man, after all, today's information is enough for him to digest.

And since the old man is guarding this land, it shows that the demon saint's secret place is bound to be a great opportunity for him.

.....

There was no word all night.

Ye Chen opened his eyes and found that the old man's body was covered with countless stars.

His eyes a congealed, bowed to the old man, arched his hand and said: "thank you for waiting for thousands of years, I will not let you down."

"I hope we can meet again one day!"

No matter what the origin of the old man is and what his identity is, since he has been waiting for himself for thousands of years, he should pay homage.

After ye Chen left, the old man opened his eyes.

If ye Chen is here. They will be shocked. The eyes of the old are not human eyes at all.

The old man's eyes are full of blood.

"The seal here is loose. I'm afraid it won't last long. As for the seals in other places, it's hard to support them. The disaster is coming in the troubled times."

"Stinky boy, there's someone waiting for you in there."

The old man finished this sentence and continued to close his eyes, as if all this had nothing to do with him.

However, a few seconds later.

Everything in the cave disappeared.

The old man never appeared.

Chapter 1669

.....

Ye Chen had a smooth journey. After walking for half a day, he found an extremely terrifying smell of monsters.

In front of him is a red flame demon dragon, which is close to the sixth heaven of the Taoist realm. It is a hundred Zhang tall, and the whole dragon head emits a blazing breath.

A kilometer behind him, there's a teleportation array.

Ye Chen stares at the front and sees the transmission array. There is a trace of blazing look in his eyes.

"It seems that this is the entrance of the dragon's roaring mouth. Although the magic dragon is six layers of heaven in the realm of Taoism, it is estimated that the power of the real explosion can not be countered by the immortal It's not that easy... "

But if he can get into the secret place of demon Saint ahead of time, he doesn't need to take huge risks.

"Can you control the monsters in the six heaven of hetaojing?"

Ye Chen suddenly thinks that the great power in the tombstone can control the monster.

Since the other party was willing to help himself last time, this time naturally can.

However, as soon as his words were said, a cold voice came from the tombstone: "go away."

Ye Chen touched his nose as if he didn't hear.

Helpless, ye Chen can only hold Hunyuan Xianjian and keep approaching.

But in the moment Ye Chen approaches, the breath of red flame demon dragon directly locks him in.

A huge pressure almost crushed Ye Chen's bones.

Roar!

The red flame demon dragon roared, and the huge body suddenly rushed past.

Behind the tail, sweep to Ye Chen.

With the help of the tail, you can jump on the ground with the help of your tail.

At the moment of jumping up, ye Chen clenched the Hunyuan immortal sword with both hands, and chopped the magic dragon's body with a sword.

When!

With a sword, even the skin of the red flame demon dragon has not been cut.

Ye Chen frowns tightly. The defense of the demon dragon is too strong.

As soon as the red flame demon dragon turns around, he opens his bloody mouth and wants to bite Ye Chen.

Ye Chen's face changes, and his left hand grabs the head of the red flame demon dragon. The smell of blood makes Ye Chen almost spit out.

Zheng!

Ye Chen stabs a sword into the mouth of the red flame demon dragon, and the sword goes down. Let the red flame dragon roar with pain.

When the red flame demon dragon roars, ye Chen takes the opportunity to open a distance with it.

At this time, the red flame dragon spits out a fireball from its mouth.

The fireball has a hot temperature, as if to melt around.

Boom!

There was a hole in the ground. Fortunately, ye Chen's reaction speed was fast enough, otherwise he was already a dead man.

All of a sudden, ye Chen eyebrow heart spread a strange move.

A faint blue light flashed by.

Ye Chen heart a joy, he knows, this is the devil's eye in helping him!

At the moment of the blue light, the red flame dragon, which had spiritual eyes, became dull.

Without hesitation, ye Chen rushes directly to the transmission array behind him.

Only three meters away from the teleportation array, a tail directly curls Ye Chen's body.

The huge force on the tail makes Ye Chen feel sad and has a ferocious look on his face.

I didn't expect that the red flame demon dragon could react so fast. Just a moment ago, he could enter the transmission array directly. Unfortunately, the speed was still slow.

"Jinsha, cut with a knife!"

Ye Chen offered a long sword in his hand, and the giant tiger's virtual shadow surged and chopped down with a knife!

This knife cuts to the tail of the red flame demon dragon.

Pooh!

The red flame dragon's tail did not bleed.

Its mission here is to guard the transmission array, so as not to let outsiders in.

"Evil animal!"

Ye Chen roared, and the sword idea rushed out crazily, and kept stabbing into the red flame demon dragon's flesh and blood.

Roar!

The red flame demon dragon roars wildly. Ye Chen is wrapped more and more tightly by his tail, which even makes his breathing a little difficult.

At this moment, a dragon chant resounds through!

A blood dragon virtual shadow directly from ye Chen's body rushed out!

Red flame demon dragon obviously didn't expect that there was a blood dragon in a human body!

Before it reacts, the fierce blood dragon opens its mouth as if to swallow the red flame demon dragon!

"Master, come in! Give it to me here! "

Ye Chen takes a look at the blood dragon, knowing that this is also the chance of the blood dragon. He finds the opportunity directly and rushes into the transmission array.

When the transmission array is opened at this moment, ye Chen's whole body is in a trance and disappears next to the red flame demon dragon.

When ye Chen opens his eyes again, he finds that he has come to a strange area.

Ye Chen looked around and found that all around were tall trees.

He didn't know whether it was in the secret place of demon saint, but now that he has come in, he can only take a step and have a look. Ye Chen originally wanted to fly in the sky, but who knows there is the law of gravity in it. It is impossible to fly.

All the way ye Chen just came over and walked for an hour. He didn't find anything at all, but he met some monsters. Because of his low strength, he directly let Ye Chen kill him.

In the secret place of demon saint, there was a map, but it was chased and killed by various forces. Ye Chen didn't have time to buy it.

Now come to a strange place, also let Ye Chen very headache.

"Uncle, there is a man there."

Originally Ye Chen was walking step by step, suddenly saw a girl on the right side.

The girl was riding a huge beast, on the right side of the girl, a middle-aged man, extremely tall.

Is there still a mysterious scene of human beings in this mysterious world?

He didn't know all this. If he had known it, he should have asked Liang XueYue what was the situation in the secret place of demon saint.

Now it's good. My eyes are black. I don't know anything.

Ye Chen vigilantly looks at the girl and the middle-aged man, who knows whether these two people will suddenly attack.

The middle-aged man is also aware of Ye Chen not far away, frown, their family here to recuperate, do not know how many years, or the first time an outsider came in.

Have they been exposed?

The middle-aged man has a strong desire to kill. He must seize this strange man and ask him well.

"Step back and give it to me."

As soon as the middle-aged man's voice fell, he saw that the girl stepped back two steps, and then he was completely relieved. The whole figure flashed, and he came to Ye Chen in an instant.

Come to Ye Chen in front of the moment, clench the fist, suddenly fall between, breath fury.

Ye Chen took a look and found that the strength of the middle-aged man was only nine times the sky of Hunyuan.

As long as it is not the later stage or peak of Hedao realm, relying on Ye Chen's strength, there is no need to worry at all.

When his fist fell, ye Chen did not hesitate to raise his arm and clench his fist.

One fist goes straight out.

Boom!

A fist down, the figure of the middle-aged man, suddenly fly out.

"Uncle!"

The girl saw the middle-aged man fly out, quickly came to each other's front.

In a flash, the middle-aged man knew that he was not the opponent of the man in front of him.

Chapter 1670

He stares at Ye Chen and takes out a signal bomb from his arms.

The signal bomb flew up to the sky and burst out bright light directly.

Ye Chen eyebrows a wrinkle, suddenly feel a breath, is quickly rushing over.

Take a look at the girl beside the middle-aged man, ye Chen raises her leg and rushes past in an instant.

This girl is a saint, and her status should not be low. If she catches the girl, he can still inquire about some news.

Otherwise, he has not explained, he will be killed by those who come here!

"No, saint, run quickly!"

The middle-aged man's whole face changes greatly, where can't see ye Chen's idea.

Saint daughter reaction, just ready to leave, but the speed in front of Ye Chen, simply not enough to see.

The middle-aged man wants to resist Ye Chen, but let Ye Chen kick him out directly.

He doesn't have time to waste on this middle-aged man right now.

Ye Chen holds the girl with one hand.

"Don't worry, I won't hurt you, just to avoid unnecessary trouble." Ye Chen Dao.

At the moment, however, the girl couldn't listen at all.

She looks at Ye Chen angrily, is a bite in Ye Chen's hand.

Girl strength is not high, how can bite Ye Chen's finger.

A mouth down, the pain of the girl bared her teeth, almost broken her teeth.

"Outsiders, let go of the virgin quickly. If you dare to hurt the virgin, you will die."

Ye Chen did not speak. The higher the status of the girl, the greater the chance that he could escape.

At this time, a shadow appeared in front of Ye Chen.

Seeing the strength of these people, ye Chen frowned as a whole. The strength of these people is not only a harmonious realm, but also a top God King!

What is the origin of this secret place?

"Outsiders, if you want to live, let go of the virgin."

Ye Chen didn't open his mouth. If he let go now, I'm afraid the first one will die.

"I have no intention of breaking into here, and I don't want to be enemies with you. I want to ask, is this the secret place of demon saint?"

"The secret place of demon saint? It's not here! "

The head of the top God said coldly.

When ye Chen heard that it was not the secret place of demon saint, he frowned.

Since it is not the secret place of demon saint, where is he sent?

"As for you, since you don't have a trick to live here, you'd better not stay here for one day."

Their race has lived here for 50000 years, and the outside world is not clear.

If they could, they would have left, but because of the ancestral precepts, they did not dare to step out.

"Your so-called demon holy secret place should be outside. If you want to enter it, you must pass through our clan's transmission array."

Ye Chen did not speak, who knows after loosening the girl, the top God King will suddenly hand.

Now he is surrounded by the whole person. He dare not gamble. If he loses, he will be doomed.

Silent for a long time, ye Chen looked at the girl's painful appearance in the hand, some can't bear, after all, the other side is innocent.

After a long time, he said, "yes, I hope you don't break your promise."

Ye Chen is a stranger here, so he must find a reliable family.

Moreover, since the race here has the top God King, he wants to use the transmission array to go out, but his own strength is not enough.

If the top God King breaks his word, ye Chen doesn't mind if the net is broken.

Although he can't kill the top God, it's enough to make him hurt.

After ye Chen releases the girl, the girl runs directly behind the top God Jun, and then takes a look at Ye Chen viciously.

"Outsiders, you go with me. Our temple is ahead."

The top God King took a look at Ye Chen. It was the first time that an outsider appeared here for ten thousand years.

Of course, he wanted to make a move to Ye Chen, but there was a voice in his mind, asking him to take ye Chen to the temple.

He can only do it.

Ye Chen saw the top God King did not hand, a heart also put down.

If he had known that this was not the secret place of demon saint, he should not have listened to xinlongxiao's words.

Now he can only walk and see.

Along the way, ye Chen has been following the crowd, constantly checking the surrounding situation, ye Chen also found that this place is not big, basically does not have too many resources.

These people are not human race, but demon clan. Ye Chen doesn't know what kind of demon clan they are.

The change of demon clan into human needs top blood, otherwise it will not work at all.

After walking for half an hour, ye Chen saw a dilapidated temple.

Into the inside, ye Chen found that is not very big, these demon clan and human no difference.

"We are the Linghuang clan. We have lived here for tens of thousands of years. You are the first human being." At this time, the top God King opened his mouth. From people's mouth, ye Chen knew that the top God King was Hu Yan, and he was also an elder of Linghuang family.

When ye Chen heard the Linghuang family, his face changed.

It is said that the Linghuang family had already exterminated the clan. I don't know what forces it offended at the beginning, and no one survived overnight.

In Lingwu land, Linghuang people belong to the same level as the ancient ferocious beast refining blood essence.

"If we had not been saved by a mysterious old man, we would have been extinct."

"In the end, I can only live here."

Hu Yan's words, let Ye Chen breathe a little heavy, even some shock in the heart.

It seems that the old man in the Linghuang family's mouth is the one outside.

Are these people also related to the Ye family's secret?

"You go with me to see the patriarch and see how the patriarch arranges you."

Ye Chen nodded slightly. Since he had come to the base camp of others, I'm afraid it's impossible to escape.

In Lingwu land, there was a saying before, in front of Linghuang, don't think about running away.

Their speed, fast to the extreme, no one can escape from the hands of Linghuang.

Ye Chen followed Hu Yan to a palace, and ye Chen said two words, directly retreat.

There is no guard in the whole palace. Ye Chen opens the gate and sees an old man sitting above.

Although the whole body did not reveal any breath, but let Ye Chen feel a force of terror.

If the old man wants to kill Ye Chen, he needs only one strike to solve the problem.

"I am the head of Linghuang clan. You can call me linglao. Since you are from outside, you should be Lingwu land?"

Ye Chen nods slightly. Under the cliff, there is a red flame demon dragon outside the transmission array. It can't be a coincidence. It can't be said that it was arranged by the Linghuang clan.

"The reincarnation of Wu Huang will lead us all the time."

Linglao a headless words, let Ye Chen some do not understand.

Seeing ye Chen's puzzled look, Ling Lao takes out a simple book and throws it directly on Ye Chen's hand.

Ye Chen opened the book and was shocked at the first sight.

There are no words on the first page. Instead, it is a portrait.

The person in the portrait is Ye Chen himself.
