Chapter 171

When Xia Ruoxue leaves for a long time, ye Chen and Sun Yi react.

Sun Yi stood up, took a look at the door, and then said to Ye Chen quite doubtfully, "xiaochenzi, is there something wrong with snow? She didn't even take her bag. "

Ye Chen Mou son some dignified, a period of time get along with, he also calculate to understand summer such as snow.

To make Xia Ruoxue so nervous, it must have happened extremely serious things.

Is there something wrong with Xia family in Jiangnan province?

Ye Chen comes to the balcony and dials ye Lingtian's phone.

Jiangnan province is ye Lingtian's territory. It is undoubtedly the best to ask him about it.

"Lord of the temple?"

"Help me to investigate what happened to Xia's family recently. As soon as there is news, please reply me quickly." Ye Chen Dao.

"Yes, Lord!"

The phone hung up.

Ye Chen took out a pack of cigarettes from his pocket, lit a cigarette and stuffed it in his mouth. He just took a puff and called. He simply put out the cigarette in his hand.

"Hall master, according to the investigation, Xia's wife and his wife took an old man to the first hospital of Jiangnan province. It should be Xia Ruxue's grandmother who had an accident."

Hearing ye Lingtian's words, ye Chen frowns slightly. On the day of the birthday party, she paid attention to Xia Ruoxue's grandmother. Her body is still strong, and there is no serious disease. How could something happen suddenly?

However, old age bumps and bumps are inevitable, ye Chen also did not think much.

At this time, ye Lingtian continued: "temple master, there are several things to report to you."

"Say it

"First, the Qin family in Jiangnan province has come back from Mount Emei, and the birthday party will inevitably spread to them, and then they may have difficulties with the hall master.

Second, the Yan Family in Jiangnan province was so angry that they sent some experts to Jiangcheng. This time, we must investigate Yan Jin's affairs.

Third, the situation in Jiangnan province has been somewhat turbulent recently. I feel that there are several forces hidden in the dark surging and may break out at any time. "

Ye Chen, with his hands behind him, overlooks the scenery of Jiangcheng and says, "Jiangcheng is still too small after all. I'll come to Jiangnan Province tomorrow morning."

His state is almost the same now. The tombstone in the samsara cemetery also has a trace of reaction. It is estimated that it will be triggered in the next few days.

It's time to go to Jiangnan province.

It's not a bad thing to be ahead of time.

Ye Lingtian heart in a joy, the temple master finally to come to Jiangnan province!

He controls Jiangnan province and takes the whole underground world of Jiangnan province! It's just for such a day that we've got the powerful martial arts experts in Jiangnan province!

The temple master is coming at last!

"Lord, do you want me to send a car to pick you up?"

"No, there's a car on the Dragon Spirit side. Don't expose it for the time being."

"Yes

The phone hung up and ye Chen returned to the living room.

Obviously, Sun Yi has just called.

"I'll tell you something." They said it almost in unison.

Sun Yimei blinked her eyes and said with a smile, "xiaochenzi, you should speak first."

Ye Chen nodded and said, "tomorrow I plan to go to Jiangnan province to deal with some things."

He thought Sun Yi would be lost, but he didn't expect that Sun Yi's hands were directly around Ye Chen's waist. He seemed very happy. A crisp voice rang out: "just now president Shen called to tell me that we are going to expand Tianzheng Group and set up branches. At present, the most important thing for the

group is to stabilize the market of Jiangnan province. He asked me whether I would go to Jiangnan province. After all, there is a need Someone is going to take the direction... "

"Then, I promised. In a few days, when the handover of the group is completed, I will go there. Hee hee, it seems that you can't escape my palm in this life."

Ye Chen was still thinking about Sun Yi, but now it seems that everything is done by the general trend!

Jiangcheng is too small after all. If Tianzheng Group wants to develop, it must shift its focus to Jiangnan Province, even to the capital of China. This is a road that any group must take.

Now, it is undoubtedly the first step taken by Tianzheng Group.

At the extreme of Ye Chen's thinking, a pair of slender hands extend directly to Ye Chen's thigh root.

Continue to stir up trouble.

Sun Yi blushed, blinked her big eyes, and whispered, "xiaochenzi, before you go, I'll squeeze you dry, so that you won't be in the mood to look for other women these days."

Ye Chen holds up Sun Yi's buttocks, and Sun Yi's slender thighs wrap around Ye Chen's waist.

They hugged each other and went straight to the sofa.

Sun Yi took off her coat, which was full of snow white and magnificent.

Ye Chen buried in the snow and enjoy the request.

They kiss naked.

Soon, the sound of physical collision and women's groaning came from the living room.

.....

The next day.

Sun Yi left Tangchen Yipin early because Tianzheng Group had something to do.

Anyway, they will meet soon, and there is no need to see them off. Ye Chen refined an array symbol in the room, put it on the table in the living room, and left a message for Sun Yi to take with her.

Sun Yi now has the secret protection of the dragon spirit, but in Ye Chen's view, this is far from enough.

Although this kind of array rune is one-time, it is powerful enough to kill a great master!

Can barely protect Sun Yi.

When ye Chen comes downstairs, he finds Xiao Deng waiting at the door.

"Mr. Ye, are you going now?"

"Yes."

Jiangnan province is not too far away from Jiangcheng. It takes about an hour and a half to get on the highway.

Ye Chen looks at the scenery outside the window and finds that Jiangcheng is far behind Jiangnan province.

"Mr. Ye, dragon spirit has a base in Jiangnan province. If you have time, I can show you around." Xiao Deng drives along the road.

Lei Shuwei ordered this.

Ye Chen, as the chief instructor of the dragon spirit, always wants him to have some sense of belonging.

Ye Chen refused: "no, take me directly to the address I gave you."

"Yes, Mr. Ye."

An hour and a half later, the car stopped at a small villa near the center of Jiangnan province.

It's called Mingcui villa.

From the outside, it must be valuable.

Xiao Deng also swallows pharynx saliva, the eye is some fiery.

In longhun, although the salary is not low, far more than some high wage office workers, but he can not afford to buy such a villa in his life.

He looked at Ye Chen, no envy, only convinced.

After all, during this period of time, there are various legends about ye Chen!

The power of one person overturns the whole dragon soul!

How can this kind of top strong person's residence be poor?

Ye Chen enters the fingerprint at the door, and the door opens.

He went in and took a look at the overall decoration. It was light luxury, which was not bad.

It seems that ye Lingtian has been ready for himself for his trip to Jiangnan province.

Ye Chen just wanted to call ye Lingtian when his mobile phone rang.

To his surprise, the call was from Wu Xiangming.

After Xia Ruoxue's birthday party, he asked Wu Xiangming to return to Jiangnan Province, but he did not see him for many days.

Chapter 172

"Mr. Ye." The voice on the other end of the phone was shaking.

"What's the matter?"

Wu Xiangming hesitated for a few seconds and then said, "Mr. Ye, are you in Jiangcheng now? I have something I don't know if I should tell you."

"I'm in Jiangnan province. What can I do for you?"

Ye Chen's tone is a little strong. Wu Xiangming's essence is injected into his eyebrows. He is sure that everyone in the world betrays him, and Wu Xiangming will not betray him.

The tone of the other party is obviously something wrong!

Wu Xiangming was stunned when he heard these three words in Jiangnan province. Then he said seriously, "Mr. Ye, the owner of Wu family wants to see you. You can choose not to see you. I can still hold on here."

Ye Chen is relieved.

Wu Xiangming stood on his side at the birthday party that day, and even killed the people of Qin family! This led to the escalation of the contradiction between Qin and Wu in Jiangnan province.

The Qin family is bound to be in trouble with the Wu family, and the Wu family's first accountability object is naturally Wu Xiangming!

I think this guy is under a lot of pressure these days.

Today should be really unable to withstand, just dial his phone.

He may be the last straw of uxoming.

It was because of him that he had long predicted that Wu's family would find him, so why not meet him.

He can't avoid the Wu family.

If he doesn't believe it, the Wu family dare not eat him!

"Tell me the address. I'll be here later." Ye Chen light way.

Wu Xiangming at the other end of the phone was stunned. Instead, he advised Ye Chen: "Mr. Ye, you should think more about it. My status in Wu's family is not low. They won't take me for granted, but..."

Words have not finished, ye Chen then way: "send the address to my mobile phone, so."

The phone hung up.

After a while, he sent an address on his mobile phone.

.....

Twenty minutes later, a Mercedes Benz stopped by the Bank of Jiangwu.

Xiao Deng took a look at the Chinese style villa inside, and naturally knew it was Wu family in Jiangnan province.

"Mr. Ye, you have just come to Jiangcheng and your foundation is not stable. Are you sure you want to go to Wujia?"

In the words, there are some worries.

After all, when you enter the Wu family, the power of the dragon soul can't intervene. If ye Chen has any problems, it will be in trouble.

I don't know if this is a disaster.

Ye Chen does not pay attention to small Deng, both hands bear behind him, go directly to Wu family.

Outside the gate of Wu's house stood two strong men with terrible breath. They noticed Ye Chen from their own enthusiasm. Their eyes were coagulated and said in a cold voice: "who is it?"

"Ye Chen."

Hear ye Chen spit out these two words, those two black strong person pour a breath of cool air! It's the young people in front of me!

This youth is Ye Chen!

How dare he come to Wu's house!

This period of time, the Qin family and the Wu family had to fight. If it wasn't for the Wu family, it might have been swallowed up by the Qin family!

The owner of the house is black all day because of this!

This guy is here to die!

Two people have gathered strength, obviously ready to start!

At this time, Wu Xiangming trotted out and saw Ye Chen, quite excited: "Mr. Ye."

That attitude, even the owner is not entitled to enjoy!

Wu Xiangming took a look at them and said, "Mr. Ye is a distinguished guest of the master. You two must not be rude."

"Yes

The two men breathed their breath back in an instant.

"Mr. Ye, follow me." Wuxiang Mingdao.

After a while, Wu Xiangming took Ye Chen across the courtyard and went to the Wu family hall.

, Mr. Ye, today, the Ukrainian family invited a great figure to come. After all, the contradiction between Qin Jia and Wu Jia became more and more intense. The owner wanted to adjust the contradiction from the association of Jiangnan province and Wu Dao Association. If the two families went on like this, it would be a situation of both sides.

"The big man of the martial arts association of Jiangnan province has not arrived yet, so the Wu family should not be too hard on you today. You should try to control your temper..."

Wu Xiangming explained a lot, but ye Chen didn't listen to a word.

His life doesn't need to flinch!

What did Wu family count in his eyes!

The door opened, and the hall of Wu's house was filled with people.

The atmosphere was a little dignified.

Sitting on the top is Wu Qiyuan, the head of Wu family! The other several should be important figures in Wu family. Except for a girl, the rest are old people.

Wu Xinlan, the daughter of Wu Qiyuan, is very talented. She is a rare talent of Wu family in a hundred years. She stepped into the realm of master at a young age, and even entered the list of Chinese masters!

Wu Xinlan is also the only top talent in Wu family.

When ye Chen appeared in the hall, countless cold eyes shot over!

The breath in the house is surging! Ye Chen's eyes slightly narrowed, swept a glance at the crowd, very indifferent.

Wu Xinlan is also very interesting looking at Ye Chen. Mei Mou has no hatred, but is interested in Ye Chen.

After all, this ye Chen is definitely not an ordinary thing to let Wu Xiangming stand in line with the interests of Wu family.

"You are ye Chen?"

A few seconds later, Wu Qiyuan, the head of the Wu family, spoke with a trace of dignity.

Ye Chen has no intention of answering.

Do you want to ask again about such an obvious matter? Do you have nothing to do when you're full?

An old man sitting next to him was upset. He stood up directly, stretched out his hand, pointed to Ye Chen and said, "boy, are you deaf! Didn't you hear what the owner asked you? "

The old man who spoke was Wu Cheng, the younger brother of Wu Qiyuan. He was very powerful and ranked 324 on the list of Chinese masters!

Ye Chen glanced at Wu Cheng and said with a sneer, "he asked me, I must answer?"

Chapter 173

Ye Chen came to the Wu family and did not intend to seek any understanding or negotiate with the Wu family!

But to release a signal, or to give the Wu family a chance!

Take your chance!

"Also, if you dare to point at me again, your hand, I Ye Chen wants it!"

Ye Chen's cold voice falls.

Crazy!

Incomparable madness!

Who could have thought that ye Chen came to Wu's house alone and dared to be so arrogant!

As soon as you say this, the atmosphere of the whole Wu family changes!

Wu Cheng's face was full of anger. As soon as he wanted to speak, Wu Xiangming came over and quickly pressed down Wu Cheng's hand.

"Laocheng, take it easy. Mr. Ye has this temper. In my face, don't worry about it..."

Wu had no strength to stop the attack!

How can such a strong man offend him!

This time he brought Ye Chen here, hoping that everyone could sit down and have a peaceful talk.

Who could have thought that the scene was out of control before five seconds!

Wu Cheng shook off Wu Xiangming's hand and scolded, "Wu Xiangming, are you the son of Wu family or the boy's dog! I'm so strange. You are also a master of Wu family. As for kneeling and licking a stinky boy? Return Mr. Ye, bah

Wu Xiangming took a look at Ye Chen. His face was not right. He said seriously, "Wu Cheng, I'm thinking about Wu's family! What's more, if you insult Mr. Ye again, you will be sorry! "

Hearing this sentence, Wu Cheng was like eating dynamite, and said angrily, "why don't you still want to do it! For an outsider to deal with Wu family! Good! Good! If you want to do it, I will accompany you to the end! "

The atmosphere was suppressed to the extreme. At this time, Wu Qiyuan, sitting on the top of the room, said, "everyone, shut up!"

Wu Xiangming and Wu Cheng changed their faces and stopped talking.

Then, Wu Qiyuan looked at Ye Chen and said, "Ye Chen, it's not a good thing that young people are too crazy. Maybe they will die one day."

"You also know about the Wu family and the Qin family. Although you don't know why Xiang Ming thinks highly of you so much, you can't escape the connection! You can admit it

There was a chill in his voice.

Not only that, a very strong pressure is like the waves toward Ye Chen!

He Wu Qiyuan is to serve ye Chen!

Only let this boy see the details of Wu family, he will be restrained!

All people naturally felt this terrible pressure, and a smile appeared on the corners of their mouths.

That Wu Cheng eyes is with a trace of Yin Sen, in his view, under this pressure, ye Chen must kneel down!

Only because Wu Qiyuan, the head of Wu family, ranks 192 in the list of Chinese masters! And Tang Ao only three places away!

This kind of master's power, what qualifications does the general martial arts strong person have to bear!

But let everyone unexpected things happen, ye Chen did not retreat, also did not kneel! It's a step!

Facing the overwhelming pressure like a thousand feet, take a step!

One step down, the true Qi of Ye Chen's elixir field explodes! The evil spirit of the whole body seemed to condense into a long sword, which directly cleaved to the terrible wave!

With the force of destroying the withered and decaying, we tear everything hard!

"Boom

The whole Wu family vibrates!

Countless teacups are broken!

Everyone's smile suddenly solidified!

Seven or eight eyes staring at the young people in the middle of the field!

The young man with his hands behind him and his breath cool!

That eye is like the cold star, a body of proud bone, as if has swept the world's youth!

Wu family hall, incomparably quiet, not even breathing sound!

Who could have thought that the pressure of Wu family leader was broken by this boy in one step!

Just one step!

Is this the legendary first person in Jiangcheng?

How terrible!

Wu Xinlan slightly open mouth, beautiful eyes are full of confusion, dream she did not expect to be such a result.

She is the same age as ye Chen, but if under the pressure of her father, he can only bear it in silence, how can he break through on his own initiative?

When did the strong in Jiangcheng become so terrible?

After a while, Wu Qiyuan responded and said, "Ye Chen, I admit that your strength is good. This is probably your arrogant capital. But don't forget that you are only one person. In this matter, the two top families in Jiangcheng are involved!

You can't bear it by yourself

Ye Chen looked indifferent. He glanced at Wu Qiyuan and said in a voice: "Wu Qiyuan, I came to Wu family today to tell you something. I will solve the Qin family's problems. If you are afraid of the Qin family, just take the matter to my head!"Hearing this sentence, the hearts of all the people who had just calmed up again.

How brave Ye Chen is!

How dare you call the name of Wu family leader!

How many people in Jiangnan province are qualified for this?

The key is that he is overbearing to stop all responsibilities!

He wants to solve the Qin family by himself? What a fearless man!

Wu Cheng couldn't see it anymore, and said angrily, "Ye Chen, who do you think you are? You do it yourself? What are you going to do with it! If you fight against Qin family, you will undoubtedly shake the tree! kick against the pricks!

Even if the Qin family killed you, they would still vent their anger on our Wu family in the end! "

Wu Qiyuan, who was sitting on the top of the table, was a little livid. He patted the table and said, "Ye Chen, we don't know where your confidence comes from! Even if you are the first person in Jiangcheng! Even if you killed yuan Jingfu in wudaotai! Even if you break my pressure! So what!

The place you are stepping on is not Jiangcheng, but Jiangnan province!

Don't think that the warriors all over the world are the rubbish you met in Jiangcheng!

Jiangnan province is the beginning of martial arts! And you, in front of many strong people, is only a mole ant, others can destroy you with one hand!

So, stop your arrogance! Put away your ignorance! Then take Wu Xiangming, the traitor of Wu family, and get out of my Wu family! "

After that, Wu Qiyuan's eyes shot at Wu Xiangming and said, "Wu Xiangming, this is what you have caused. You are responsible for it yourself! My family will not kill you because of your contribution for many years! But from then on, you are no longer a member of the Wu family! You should be ye Chen's dog! No

This is the decision of Wu Qiyuan, the head of Wu family!

It's also the attitude of Wu family to this matter!

Banish Wu Xiangming!

Let Wu Xiangming and ye Chen bear the anger of the Qin family!

At the moment, Wu Xiangming was pale, and he knew it would be the end.

After all, this is too big!

When the Qin family came back from Emei Mountain, their strength increased greatly. It is estimated that the situation in Jiangnan province will change completely.

And the Wu family and he get rid of the relationship, is undoubtedly self-help!

But is this really self-help?

Wu Xiangming took a look at the aloof young man in the distance and thought of the terrible picture of wudaotai.

If the Wu family missed Ye Chen, he would have missed the chance to step on the top of China!

This young man is a hidden dragon!

Breaking into Jiangnan province is bound to set off a bloody storm!

When he reaches the peak, Wu family can only look up and regret!

This is the worst move played by Wu family for so many years!

Chapter 174

Wu Xiangming raised his head, and his sight fell on Wu Qiyuan, the head of Wu family. He sighed deeply.

After a few seconds, he clenched his fist slightly, made up his mind, and said to Wu Qiyuan, "since I am no longer a member of the Wu family, I still want to say a few words."

"In fact, the biggest reason for the decline of Wu family from its prosperity at the beginning to the present lies in the owner of the family. You have not grasped countless opportunities to soar into the sky."

"Also, I may be Mr. Ye's dog now, but in the future, I'm sure that your Wu family will definitely kneel down and beg for my dog to come back!"

Wu Xiangming, of course, belittled himself with his words.

But this is the most real thought in his heart!

At the moment, his heart incomparable suffocation!

Because he was the first person in the Wu family to be expelled from the family for thousands of years!

He is destined to be a joke of martial arts and Taoism in Jiangnan province!

However, he did not regret following Ye Chen!

I don't regret leaving Wu family!

He wants to gamble with the rest of his life on Ye Chen's future!

He's going to use his time to slap these narrow-minded people in the face!

He can't lose this game!

Hearing Wu Xiangming's words, all the Wu family members laughed, laughing extremely loud.

Only Wu Xinlan did not, her beautiful eyes looked at Ye Chen seriously.

The situation has developed in this way, but she can not see any inferiority, fear, or affectation from ye Chen. On the contrary, in him, Wu Xinlan feels a kind of spirit that is superior to all things and overlooks all living beings.

This kind of spirit only appeared in her master.

Is this ye Chen really not so simple?

Wu Cheng, who was beside her, laughed the loudest and pointed to Wu Xiangming's nose and said, "Wu Xiangming, I think you are going back more and more. Even if China is destroyed, my Wu family will not ask you to come back!"

"Go away!"

Ye Chen looked at Wu Xiang Ming, but shook his head.

Then he turned and said, "let's go."

In fact, he didn't intend to be so arrogant when he came to Wu's house at the beginning. This group of people was too much.

Originally, he wanted to help the Wu family because of Wu Xiang Ming.

Now it seems that they are all in direct trouble.

However, he Ye Chen did not want the protection of Wu family.

"Yes, Mr. Ye." Wu Xiang Ming nodded and followed Ye Chen.

At this time, a burst of hearty voice came from outside: "Wu family master, there is some delay on the way, I'm really sorry!"

Hearing the sound, Wu Qiyuan's face was happy! He quickly stood up and went to the door.

The guest he invited finally arrived!

Although Wuxiang and Wuxiang are still in conflict.

At present, we need a force to come forward and make peace.

In Jiangnan Province, what forces are most qualified to lead a match?

naturally, it is the Wudao Association of Jiangnan province!

Besides, there are some people in the Qin family in the martial arts association of Jiangnan province!

President Tang Ao, with his qualifications is naturally not invited, but a vice president is still qualified to invite.

Wu family invited Vice President Ma Weiqi this time.

Although the strength is weaker than him, they have the right to speak!

In the whole Jiangnan Wudao Association, if you want to rank second, his position can definitely rank in the top six!

Soon an old man with gray hair appeared in everyone's sight.

It's marvel!

"Ha ha, Ma Lao, looking forward to the stars and the moon, you are finally here."

Wu Qiyuan smiles and reaches out his hand.

According to the script, the two people will shake hands warmly, and then go to the hall to talk.

But when Ma Weiqi appeared at the door, he was stunned.

The whole person is even more petrified.

Even Wu Qiyuan's outstretched hand was ignored.

His eyes are staring at Ye Chen who is ready to leave!

The lips trembled slightly, and there was an uneasy fear in the pupils.

Wu Qiyuan felt something wrong. He took back his hand awkwardly. Just as he wanted to speak, Ma Weiqi moved.

Three step at a time came in front of a young man!

Body slightly bow, is quite respectful spit out a few words: "Mr. Ye, how are you here?"

"Bang!"

This scene, like a hammer in the chest of all the Wu family!

Mr. Ye?

With Ma Weiqi's identity, he actually calls Ye Chen Mr. Ye?

Still so respectful!

Key Ye Chen killed Yuan Jingfu at Wudaotai in Jiangcheng. It is reasonable to say that he should have completely offended the Wudao Association of Jiangnan province!

How can someone call him Mr. Ye!

This is really weird.

At this moment, the whole Wu family fell into a dead silence. Wu Qiyuan's eyes widened, totally unbelievable.

Wu Cheng swallowed his saliva and rubbed his eyes vigorously, for fear it was an illusion.

All the people of Wu family are like sculptures, stupidly standing in place!

Even Wu Xiangming was confused.

Only Ye Chen is sober, he is only a little surprised.

In Jiangcheng before, he killed Cui Zhen and Su yuanxiu, leaving Ma Weiqi to deal with Tang Ao to delay time.

But I didn't expect to run into Marvel here.

The key to the other side's eyebrow is also shot into a drop of blood essence, how dare you disrespect yourself?

Even if Tang Ao is here, he must respectfully address him as Mr. Ye.

Because as long as he has an idea, it is enough to make Marvel disappear!

Ye Chen ignored Ma weiqi and left Wu's house directly!

It's like taking marvel as air!

Very disdainful!

How many forces in Jiangnan Province want to curry favor with Ma Lao, the martial arts association of Jiangnan Province, but this boy has such an attitude?

The key is that Ma Weiqi has never had a temper at all!

After ye Chen and his wife left for a few seconds, Ma Weiqi reacted and asked, "what did ye come to your Wu family for?"

Mr. Ye again!

If one is a slip of the tongue, the second is a firm fact.

Wu Qiyuan's face became strange and could only say, "no Nothing. "

Ma Weiqi's eyes slightly narrowed. He seemed to think of something, but he didn't break it. He walked directly to the hall.

Wu Qiyuan looked at Ma Weiqi's back and fell into meditation.

Is it difficult for ye Chen to do anything?

Mr. Ye?

In the martial arts world, there are only two kinds of people who are called "Sir". One is a top person in one aspect!

The other is strong enough to convince people!

"It seems that ye Chen's information needs to be investigated..."

Wu Qiyuan murmured.

.....

On the Mercedes Benz.

Ye Chen looked at Wu Xiangming with interest and asked, "now that you have left Wu's family, what are your plans for the future?"

"I'm free now, and I'll listen to Mr. Ye." Wu Xiangming said seriously.

"Good." Ye Chen nodded, "you will follow me after, listen to my dispatch!"

With that, ye Chen took out ten pills and a small book and handed it to Wu Xiangming.

"Since you have chosen me without hesitation, I will naturally let the Wu family not climb up to you!"

"First, if you take one of these ten pills every three days, the training speed will be at least three times faster."

"Second, this dharma resolution should be my gift to you. From now on, you will discard all the rubbish martial arts in your mind and practice this resolution!"

"Third, I promise you that within a month, the Wu family will lay down and kneel down for your protection."

Chapter 175

Wu Xiangming looks at the pills in Ye Chen's hand, and his body trembles.

This is ten pills!

Training speed is three times faster!

It's a priceless treasure when it's put on the auction floor!

But ye Chen has no scruple to give him.

His eyes slowly moved down and fell again on the little book.

There are several words like "Shenyan Jue"

on it. Although I don't know how this mental method is, ye Chen's words are very clear.

Wu family's skill is rubbish martial arts!

What's really cool is the content in that little book!

At this moment, his eyes some red, this is a sense of belonging!

He was implanted by Ye Chen into the blood essence, and he was a slave himself, and any words must be obeyed.

But ye Chen never regarded him as a servant!

Compared with Wu family, he is not like a dog around Ye Chen, but like a living person!

People with independent personality!

He took the pill and the martial arts, clenched his fist slightly, and said, "in the future, my life of Wu Xiangming is Mr. Ye's!"

Ye Chen did not speak, but closed his eyes.

He is very clear that Wu Xiangming's foundation and talent are very good, and now he also needs to cultivate several masters.

Wu Xiangming is the best candidate.

So he was given pills and Shenyan Jue.

In addition, he has already sent the Baicao Ding to Jiangnan Province, so the pills may be priceless to others, but to him it is like candy.

As for the method of Kunlun, it can't be applied to Hualun province!

Enough to make wuxiangming's strength rise!

At present, he wants Wu Xiangming to surpass Wu Qiyuan at least!

This is also a guarantee for the people around him.

Although Nanjiang king is strong and powerful, it is the power of Ye Chen in the dark.

Must be hidden.

Once exposed, it must be when he Ye Chen shakes the whole Jiangnan province!

.....

The first hospital of Jiangnan province.

VIP ward.

Xia Ruoxue looks at the grandmother whose face is pale to the extreme in front of her, and does not sleep all night.

On the day of the birthday party, grandma was still very strong.

Almost every week, there will be a general physical examination. There is no problem with the data of each index. How can it suddenly fall down?

Key doctors can not say the cause of the disease, only infusion observation.

Her eyes are very swollen, crying all night, after all, from small to large, she was brought up by grandparents.

The death of her grandfather was a big blow to her. At present, she was also in a coma, which was undoubtedly a bolt from the blue.

At this time, the summer mother came in, concerned: "if snow, you have stayed all night, first go home to rest, here I take care of it."

Her face was covered with guilt.

If the old man was not taken back to the villa, the young master of the Qin family would not be cruel.

For a moment, she didn't even want Xia Ruoxue to marry Qin Zhengyang!

This kind of insidious and cunning generation will only ruin the happiness of Xia Ruxue!

But does she have the right to choose? The Xia family could not provoke the Qin family.

Xia family is a big family in Jiangnan Province, but it is much worse than Qin family.

Sometimes she even thought, if only there was a top family standing behind Ye Chen.

In that way, we can fight against the Qin family, and she will not hesitate to give him if snow.

But things went against his wishes. Even though ye Chen was excellent, his life experience was still too humble.

Such people are not qualified to be compared with Qin Zhengyang.

Xia Ruoxue looked at her mother behind her and asked, "Mom, why did grandma suddenly become like this? The more I think about it, the more strange it is. How can the hospital not find out the cause of the disease? "

Xia's mother looked flustered and stammered: "I don't know very well. I suddenly fainted. After all, your grandmother is old

Of course, she dare not say what Qin Zhengyang started. Otherwise, with Ruoxue's stubborn character, she would definitely go to find the other party to settle accounts!

Then things will be out of control.

Xia Ruoxue looks at Xia's mother suspiciously. She knows that her mother must have something to hide from her, otherwise it won't be this attitude.

Is there another reason for grandma's coma?

After staying in the hospital for several hours, Xia Ruoxue's feeling of tiredness is coming. After all, from yesterday to now, she has not had a rest.

Grandmother can not wake up in a short time, she can only let the driver take her back to Xia's home.

After a few hours' rest, I went back to the hospital to watch my grandmother.

Xiajia villa.

Summer if snow drag tired body back home, drink a saliva, just want to go upstairs, a cold voice rings. "You're back at last."

Xia Ruoxue's body was stunned, stiff neck turned to a direction, only to see a young man in casual clothes standing not far away!

When she saw this man, her face turned pale!

Qin family three young, Qin Zhengyang!

Xia ruoshue reacts, subconsciously wants to go upstairs, but finds a strange force that binds her.

She can't move!

Qin Zhengyang came step by step. When he came to Xia Ruoxue, he stopped.

"Why do you see me running? Am I so terrible?"

Xia Ruoxue's eyes were filled with a trace of fear and shook his head: "no No

Qin Zhengyang sneered, the next second, directly stretched out his hand, pinched Xia Ruoxue's neck, slightly lifted.

Summer if snow body instantaneous suspension, a sense of suffocation.

Fortunately, Qin Zhengyang soon released his hand and put Xia Ruoxue down.

"You are my fiancée, how can I do it?"

Xia Ruoxue covered his neck and coughed a few times. His angry eyes stared at Qin Zhengyang and said, "this is Xia family. What are you going to do?"

"You are my fiancée Qin Zhengyang! I don't even have the right to look at it! If it wasn't for my cultivation, you would have been my slave for a long time! "

Xia Ruoxue was stunned and did not continue to speak.

Qin Zhengyang snorted coldly and turned his back: "Xia family? What is it in the eyes of Qin family! This time, I just want to remind you of three things. First, during this period of time, you'd better not step out of Jiangnan province. If you step one step, you and the people around you will always be separated by Yin and Yang! "

Threat!

A naked threat!

Xia Ruoxue's eyes were full of anger. Just about to speak, Qin Zhengyang continued: "second, the marriage date originally scheduled to be five months later will be invalid. I have no patience. This time I will go to Kunlun mountain to find someone. When I come back, it will be the day when you cross the door!"

"Third, the little bastard named Ye Chen in Jiangcheng has moved my Qin family. He can't live for three days!"

With that, Qin Zhengyang stepped on his feet and swept away with an extremely strong spirit, which directly knocked Xia Ruxue's delicate body against the wall.

Xia Ruoxue only feels the burning pain on the back.

"Xia Ruoxue, you'd better not play tricks on me. If I come back and find that you have done anything that I'm not satisfied with, you Xia's family will disappear from Jiangnan province!"

Chapter 176

Wait for Xia Ruoxue to react, where is the shadow of Qin Zhengyang in the living room!

Her beautiful eyes were staring at the open window, her slender fingers clenched, biting her teeth, and saying, "Qin Zhengyang, even if I die, I will not be your woman!"

.....

Ye Chen returns to Mingcui villa.

He asked Wu Xiangming to find a three bedroom house near the villa.

During this time, he asked Wu Xiangming to cultivate the skill!

And in two months strength surpasses Wu Qiyuan!

If you can't, you are not qualified to follow him.

Although Wu Xiangming felt a little unrealistic, he gritted his teeth and agreed to come down at the thought of the top-level skills and pills in his hands.

He is not qualified to stay with Ye Chen!

Ye Chen always feels that the villa is empty. It's really a bit lonely without two women.

Fortunately, Sun Yi will come to Jiangnan Province in a few days.

As for Xia Ruoxue, Jiangnan province is her territory. Naturally, it is easier for her to come.

So, he made a phone call to Xia Ruoxue, by the way, planned to ask grandma's condition.

With his medical skills, it is simple to treat Xia Ruoxue's grandmother.

But don't know why, Xia ruoshue's mobile phone has not been answered.

Ye Chen frowned and didn't think about it any more. He planned to wait for a later time to fight again. If he didn't pick up again, he would go to Xia's home in person.

Then he took out the black stone, closed his eyes and began to practice.

In the past few days, he has stridden from the first level of aerodynamic state to the second level of peak, striving to break through the third level in a single effort in the past few days.

It is estimated that by the third floor, the second stone tablet should be fully activated.

I don't know who is going to be this time.

Black stone is suspended on the top of Ye Chen's head, and the aura of terror is released!

Have poured into Ye Chen's elixir field one after another!

A strong sense of fullness swept by, ye Chen's cultivation gradually ascended!

Since the black stone deprived the power of the mysterious jade pendant, for ye Chen, the speed of cultivation is faster and faster!

Even far beyond Kunlun Xu!

After practicing for six hours, it was late at night. Suddenly, a rush of doorbell rang. Ye Chen opened his eyes and flashed a glimmer of light.

He slowly vomited a mouthful of turbid gas, then got up to open the door.

He has just moved to the villa. Now it's big night again. Why does someone ring the doorbell?

Only ye Lingtian, the king of Nanjiang River, and Deng Xiao, the dragon soul, know this place.

He has let Xiao Deng leave. Naturally, it can't be Xiao Deng.

What's more, if these two people find themselves, they will call in advance.

With doubt, ye Chen directly opened the door, a dark shadow directly rushed in, and then the door slammed shut.

Ye Chen's face changed, but there are people who dare to intrude into his residence!

Die!

He swept the real Qi in his hand and grabbed the shadow with one claw!

At the moment when the five fingers were about to buckle in the shadow, the shadow fell directly on the ground.

Yeah?

He didn't even touch it, so he fell?

Touch porcelain?

Ye Chen Mei Yu flickered a little doubt and took back his hand. He glanced at him casually. He was surprised to find that he was a woman with a mask on his face.

The key woman was also severely injured.

Ye Chen snorted coldly, grabbed the woman on the ground, opened the door, and intended to throw it out directly!

He is not a refugee camp here. Naturally, he will not take in such women who do not know their origin!

Ready to throw out the moment, the injured woman opened her eyes, a hand directly caught Ye Chen's arm.

"Please, just let me stay for a while, and the group will come soon."

Ye Chen is indifferent in the eyes and refuses: "impossible."

Then she directly threw the woman out and ordered, "if you dare to step one step further, I promise you don't even have the right to live."

It is not ye Chen's indifference. Ye Lingtian told him that the situation in Jiangnan province has been turbulent recently, and many dormant forces have been revealed.

This woman appeared in his villa in the middle of the night. Although the other side was seriously injured, there were too many doubts.

Once accepted, the trouble behind is hard to predict!

In this society, kindness is not wrong! But a lot of people die of kindness, which is true!

At the moment when ye Chen is ready to close the door, a pair of slender hands come in!

There is a pill in the palm of the key opponent's hand!

The grade is extraordinary.

"Exchange this pill with you! Just stay one night

The woman's voice rings.

She could feel the heaviness of her wound, and her consciousness was a little dim! Could faint at any time!

She has no choice!

As for the villa here, why is it that she has chosen so many villas!

Must be an ancient warrior! And the strength is not weak!

The owner of the villa must be the existence of the status of Jiangnan province!

As long as she hides in it, no one dares to search!

This is her only chance!

But who could have thought that this man was so puzzled about amorous feelings!

The key attitude is extremely tough!

Helpless, she can only take out the pills, hope that the other side in the face of the pills, take her in for a night.

No ancient warrior can resist the temptation of this pill.

Just as she vowed, a cold voice sounded: "I'm not interested in pills! And if you don't let go, you'll regret it. "

The woman's face changed, her beautiful eyes were confused!

This guy is not even interested in pills?

You're kidding!

Chapter 177

The woman looked at her back, and there were some footfalls and engine sounds. It was obvious that the group was coming!

Regardless of everything, she took out a broken sword engraved with simple lines from her waist and handed it up.

"I'll use this sword for your protection. How about it?"

Ye Chen just wants to close the door. When he sees the sword in the woman's hand, his eyes shrink slightly.

Spirit sword!

Although broken, but the product level is not low!

The key is that he has a way to repair it!

In a message left by Luo Yuntian, the boxing and Sha Zong, there is the method of recasting the broken sword!

Zhenhun stick is the only weapon he can see in China, but it is not the most suitable one!

The spirit sword in front of you is too important for ye Chen!

Even worth the risk of saving the next one!

No longer hesitating, ye Chen's true spirit swept over, and the broken sword was held in his palm. Then he grabbed the girl outside the door and threw it directly onto the sofa.

"Bang!"

The door closed and all was silent.

As if nothing had happened!

Inside the house.

The girl exhaled, her chest rising and falling.

It's temporarily safe.

Now it's up to the man to block the crowd.

Ye Chen's eyes fell on the masked woman's body, found that the other side of the body is very heavy, there are some strength on the body, and injured.

The preliminary conclusion is that the other party should have killed people and their status should not be low.

"Take off your mask and let me see your face." Ye Chen sits on the sofa, light way.

The tone is plain, but there is no doubt about it.

The woman in black snorted: "why! I've given you my sword. It's a fair deal

"Noisy!"

Ye Chen's arm gently waved, the next second, the girl's face completely disappeared, revealing a beautiful face.

The woman's long hair suddenly fell down, like black hair straight down the waist, Daimei horizontal green with a pair of thick long eyelashes Qin through the eyes, high narrow nose, with a trace of indifference.

She bit her lips, almost bloodless, and her snow like face looked pale.

There is an ethereal and aloof temperament.

I have to say that the other side is a beautiful woman. Even compared with Xia ruoshue, they have their own advantages.

What makes Ye Chen most surprised is that there is a blooming red plum mark in the other side's eyebrows!

Like a proud snow red plum, instantly let all around the dark.

In China, it should be rare for people to mark this mark on the center of their eyebrows. After all, this is the 21st century.

The woman glared at Ye Chen, apparently angry.

But she is very clear, with her current strength, there is no right to speak at all.

At this time, the villa area came to the sound of rapid footsteps, the surrounding villa doors were heavily knocked by those people.

The woman looked a little flustered. She looked around and said to Ye Chen, "where can you find a place for Tibetans? They'll come in later! Take me to hide

Ye Chen Mou son is very calm, is sipping a sip of tea, light way: "you sit on the sofa, they dare not come in."

The woman was stunned, listening to the step closer and closer, and even said: "but the strength of the group of people..."

Before he had finished speaking, there was a heavy knock on the door.

Outside, there was a voice full of anger!

"Open the door!"

"Open the door for me!"

The woman's face pale to the extreme, biting red lips, staring at Ye Chen.

As if to say, see what you do!

Ye Chen calmly put down the cup in his hand, stood up and went directly to the gate.

The gate opens and ye Chen disappears into the room.

Outside the door.

Ye Chen looks at five or six men with bad looks in front of him.

These men are full of good breath, probably in the half step of the realm, there is a master of the realm.

He glanced around, several villas were searched, almost the same breath.

It seems that the person killed by the woman in the house should be the strong one in the Wudao family, otherwise there would not be so many strong people coming to investigate.

"Boy, have you seen a woman with a mask?"

The middle-aged man in the master's realm said, his voice was very impatient.

Ye Chen shook his head: "No

"If not, get out of the way and let's go in and search for it! It won't take you much time. "

Another half step of the inch head man is also opening the way, the tone is showing strong and arrogant.

Then he reached out and decided to open the door.

But soon one hand held his wrist, even though the inch head man how to use force, he could not open!"My house, it is not you who can enter this kind of rubbish!"

Ye Chen's voice resounds through all ears, incomparably cold.

The short headed man obviously didn't expect that the other party would have such an attitude. He scolded, "what the hell are you, do you know..."

"Click!" he said With a sound, his arm was suddenly broken!

Then, ye Chen kicked out, directly kicked the other side out.

The other side flew directly to five meters away! Hit the ground heavily! Spit out a mouthful of blood!

"This is the boundary. Whoever dares to step into it will be killed at all!"

"I don't want to say that although they are the strong men of the Xu family in the south of the Yangtze River, in front of a major general, they dare not offend at all!

Behind a major general of China, there must be a military! Stand the whole Chinese armed forces!

What's more, the young man in front of him was so young that he was awarded the rank of major general!

What a terrible story behind it!

Who dares to search his villa!

It's just looking for death!

The middle-aged man set off a storm in his heart. He put away the certificate carefully and handed it to Ye Chen with both hands. He apologized and said, "this chief, I'm really sorry to disturb your rest..."

"Go away." Ye Chen only spits out one word.

"Yes, yes, yes."

The middle-aged man bowed his waist, gave everyone a wink, and then disappeared in the villa door.

Chapter 178

When everyone left, ye Chen put the certificate in his pocket and went to the house.

Originally thought that leishuwei gave him a certificate is useless, did not expect the critical moment, but can save a lot of trouble.

It seems that the state is still powerful.

Ye Chen came to the house and saw the pale woman again.

The breath of the other side is already a little weak.

I don't know how this guy got here all the way.

Although the woman is weak, but the beautiful eyes are staring at Ye Chen, full of curiosity.

She naturally heard the conversation outside.

This group of Xu family strong people so afraid of this young man, can not become this people have a history?

The key is that the young man is only in his twenties.

She has almost mastered the information and photos of all young talents in Jiangnan province and even the capital.

Only without this young man!

What has been left behind?

Just when she was wondering, ye Chen had come to the woman, and said softly, "what are your names?"

The woman was stunned, eyes had a bit of hostility, just wanted to make a random, ye Chen way: "I said is the real name."

Hesitated for a few seconds, the woman still is the old and honest way: "Lu frost."

"OK." Ye Chen nodded, and then said astonishingly, "Lu frost, you take off your clothes."

As soon as this words come out, Lu Han frost beautiful eyes flash a little angry, subconsciously draw out a short knife, with a gust of energy toward the leaf Chen!

"Find death!"

Can she be defiled by such a man!

But before the knife fell, she was caught by Ye Chen. Then ye chenmeng threw it out and shot it directly on the wall.

Then, ye Chen unquestionably sounded: "for your sword, I will not kill you. But you know that your body injury has hurt the viscera and organs. If you don't treat it again, you will die no doubt! "

"I don't want your body, and I've defiled my villa!"

Hearing such a indifferent words, Lu Han frost eyes of the killing intention convergence.

Because she can feel how much she has been hurt!

Just now at Xu's house, she dealt with ten Xu family strong people alone, even if she killed seven, but still suffered serious injury!

Not only that, her chest is down, but also a poison arrow!

If it wasn't for her to be high, the general person would have died of poison!

At this moment, a strong convulsion is intended to break out her viscera!

It was a pain.

Even if there is pills in her hand, she can't support tomorrow!

"You can really save me? You can do medicine?" Lu chilly shivered and said.

She knew that the youth in front of her was her only straw.

Ye Chen stood up and stared at Lu Hanshuang with interest, without speaking.

His strongest is not martial arts, but medicine!

Lu hanfrost saw the extremely strong self-confidence from the eyes of Ye Chen. She bit her lips and did not hesitate to directly untie the buttons of her clothes.

The white and full pride was exposed to the eyes of Ye Chen.

Then, Lu frost hand reached back again, quietly released the final bondage.

A pair of big white rabbits jumped out in a flash.

But ye Chen's eyes did not fluctuate, but stared at a certain beginning of black wound.

Lu was shy, and her sensitive parts never exposed to any man.

Somehow, at this moment, there is a different feeling in my heart.

"If you can cure me, I owe you three people love Lu Hanshuang."

Ye Chen ignored Lu frost, and took some herbal medicine and silver needles from the second floor. Then, the two fingers condensed a little bit of Qi, and directly point to the injured part of luhanfrost.

A black blood was forced out in a flash.

When black blood is forced out completely, ye Chen holds a dozen silver needles, and shoots out!

It was inserted on the acupoints of luhanshuang accurately.

The silver needle is shaking constantly, and Lu frost only feels that the body has a current swimming through the whole body.

Ye Chen crushed the herbs, forced out the juice, and dropped them on the wound of Lu frost.

Because of the sensitive position, fingers always inadvertently touch the soft chest of frost.

This made Lu frost white face climb up a red glow.

She was clenched subconsciously on her legs, and without personnel she felt a little comfortable she had never had.

"Well"

she even cried out subconsciously, and immediately covered her mouth.

Ye Chen shook his head helplessly, took out a pill, threw it over: "take her down, then rest one night, tomorrow morning, leave the villa, you and I do not owe."

Then he turned and left.

As a man, he certainly wants to look more, the chest shape of key frost is very good, but the other side of several voices, has made him have a physiological response. If you don't leave, he may be embarrassed.

In the living room, only Lu Hanshuang, who bares her upper body, starlike eyes are staring at the pill in her hand.

She finally understood, just at the door, when she first handed out the pill, why the other side's eyes would be so disdainful.

Because this man has the elixir, whether it is grade or Dan lines are far higher than himself!

What's more, this pill is fresh!

It's just been refined for a few days!

No one knows how shocked Lu Hanshuang is now!

Who is the man who lives in this villa?

The terrifying force of martial arts!

The art of living dead!

Let the Xu family in Jiangnan province fear the identity!

Plus her precious pills!

When did Jiangnan province have such figures?

.....

The next day, ye Chen opened his eyes from practice and slowly vomited out a mouthful of turbid Qi.

He came downstairs and glanced at the living room and found that there was no sign of Lu Hanshuang.

But there was a piece of paper on the table, and I glanced at the contents of the note.

"I owe you three favors, and I will pay them back."

No.

Ye Chen did not put it in his heart, but took out the broken sword.

As soon as the broken sword came out, a strong aura spread around him. He held it in the palm of his hand and waved it gently.

A sharp sword shot out!

"Bang!"

The tens of thousands of tables collapsed.

"A broken sword can be so powerful. If it is recast, it must be extremely terrifying. Yesterday's deal was not lost.

Since you are predestined, I'll ask you to chop the dragon sword! I hope it won't be long before you can kill the Dragon Lord in the capital

Ye Chen's eyes show a touch of cold.

After a few seconds, ye Chen's mobile phone rings.

He glanced at the caller ID, it was Xia Ruoxue.

He put the sword away and pressed the answer button directly.

"Ruoshue, why didn't I call you yesterday? I just arrived in Jiangnan province. Should you try your best to be a host?"

Ye Chen thought that summer if snow would readily agree to come down, but did not expect, the other party's tone instead some trembling.

It's like you're afraid of something.

"Ye Chen, you How did you come to Jiangnan province! You shouldn't have come No matter what happens, don't go out these days! Promise me not to go out, will you

Ye Chen Mou son a congealing, feel not right: "is somebody threatening you?"

"No No.... " Xia ruoshue on the other end of the phone is very wrong.

"In half an hour, I'll come to Xia's house."

Ye Chen finish saying, the telephone then hang up.

Chapter 179

Another knock on the door, he called Xiao Ye to put on his coat.

Lu Hanshuang?

This is Ye Chen's first reaction.

He opened the door and saw a man with a big cap.

"Lord of the temple."

A deep voice came from the man.

It's obviously the king of Nanjiang, ye Lingtian.

Ye Chen quickly asked ye Lingtian to come over and said in surprise, "how did you come?"

Ye Lingtian took off his hat and said respectfully, "my subordinates should have come to see the Lord yesterday, but they were delayed because of some things."

"That's not what I mean. What are you doing with me today? Is something wrong? " Ye Chen said, "you are my hidden strength in the dark, we are still rare for better, anything can be through the phone."

"Ye Lingtian continued to nod! But Jiangnan Province, after all, is the territory of Ye Lingtian. When the Lord of the temple comes, I will naturally try to be a good host. "

"Please go to Qianlong mansion with me. All brothers want to see him!"

Ye Chen suddenly realized that although he had become the master of the temple for no reason, the power and prestige of the king of Nanjiang in Jiangnan province were useful to him.

He is also very curious about ye Lingtian and the strength of the strength behind him.

According to this period of time to get along, ye Chen knows that ye Lingtian's strongest strength has not been revealed yet!

No force or family knows!

They are like dormant giant animals. Once they break out, they will certainly shake the whole Jiangnan province.

Ye Chen Mou son tiny MI, agreed: "good, I need to go to the summer home now, after finishing, I will naturally come to your Qianlong building."

Ye Ling's heart in a joy, even busy way: "thank the hall Lord to complete!"

"Well." Ye Chen nodded and suddenly thought of something. He asked, "do you have any news about the capital Dragon Lord who let you investigate?"

Ye Lingtian shook his head: "it is difficult for his subordinates to penetrate into the capital. They once sent six strong men to the capital to investigate LONGYE, but none of them came back alive."

"If your subordinates are not doing well, please punish them!"

"My subordinates are willing to go to the capital in person tomorrow to investigate the Dragon Lord!"

Ye Chen is lost in thought. It seems that the Dragon Lord and the capital city are not as simple as they imagined.

All the clues are broken.

He looked at ye Lingtian and ordered, "you can't let this matter go first. Jiangnan province can't live without you! You just need to send some people to beat around the bush. Well, you don't want to stay in my villa for fear of being suspicious

"Yes, my subordinates are waiting for the hall master in Qianlong building!"

"well."

After ye Lingtian leaves, ye Chen dials Xiao Deng's phone and asks the other party to drive to pick him up and go directly to Xia's home in Jiangnan province.

.....

At the same time, Jiangnan Province, a mysterious hall.

A girl is sitting cross legged, her body is filled with countless auras.

The aura penetrated into the girl's body one after another.

The girl's eyebrow heart has a proud red plum mark.

It's very special.

If ye Chen is here, he will surely recognize that this woman is Lu Hanshuang whom he saved yesterday.

All of a sudden, Lu Hanshuang opened her eyes, and a strong air wave was waving in all directions.

She vomited a mouthful of turbid gas and murmured, "what's the origin of that guy's pills? It's actually helpful to my cultivation."

Soon there was a knock on the door.

"Come in." Lu Hanshan Frost's voice has a trace of cold.

An old woman came in with a document in her hand.

"Do you have the whereabouts of the people I asked you to investigate?" Lu Hanshuang asked eagerly.

His father's wife, Yiye, was killed by his mother's family before the banquet. Everyone in Jiangcheng thinks that the son is dead.

But five years later, this son actually came back to life. He founded Tianzheng Group, and wudaotai killed yuan Jingfu. He was the first person in Jiangcheng

Lu has some doubts on her face.

She thought this boy was a top figure in Jiangnan Province, but after a long time, she was just the first person in Jiangcheng?

Compared with Jiangnan Province, Jiangcheng is a place, a day, and there is no comparability at all!

However, this son can kill yuan Jingfu, which means that his position in the list of Chinese masters should be around 350, or even higher.

"Do you know where he went after five years of his disappearance?" Lu Hanshuang said.

The old woman shook her head: "this is also the most strange place. This boy has evaporated completely in the past five years. There is no clue. How can a notorious waste in Jiangcheng become a martial arts

expert in just five years? There are too many doubts. "Lu Hanshuang was lost in thought. For some reason, she thought of the picture that she was exposed in front of Ye Chen. Her white face climbed up a trace of red glow: "you first step down, help me pay attention to this person, and don't disclose the news of this son to those people."

"I know."

.....

Xia family in Jiangnan province.

The Mercedes stopped slowly.

Two strong men came up and asked, "Hello, please show me your pass and invitation."

Xiao Deng shook down the window and replied, "No

The two strong eyes a coagulation, cold voice: "since there is no pass and invitation, please leave! This is Xia family in Jiangnan province! "

Sitting in the back of Ye Chen just want to speak, Xiao Deng took out a certificate from the car and handed it over.

"This is my identity. The highest authority of China allows me to enter and leave any place in China! Your Xia family is no exception! "

"If you are sure you want to stop, let Xia Hongye be responsible for all the consequences!"

The two were stunned. They stayed in Xia's home for so many years. It was the first time they saw such a strong driver!

The key is the military background!

After a while, the door opened and a strong guard said with a smile: "comrades, please, please. Just now you have offended me, but also..."

Before he finished speaking, the window was closed and the car drove directly into Xia's house.

That Xia family strong person deeply looked at the leaf Chen of the back seat, mercilessly sucked a cool breath.

The drivers are so fierce. What big people are sitting behind!

After getting off the car, ye Chen went directly to the villa. He glanced at several directions and could clearly feel several pairs of eyes staring at himself.

Very bad.

I guess it's the strong one of Xia family.

Ye Chen ignored, sent a message to Xia Ruoxue - I arrived.

Not much time, summer if snow then hurried down, open the villa door, Mou son some flustered.

In a hurry, she did not see a person around.

The gate closes.

"You come with me."

Chapter 180

Xia Ruoxue takes Ye Chen to the room on the third floor.

From the dress up and the photos on the wall, it should be Xia Ruoxue's boudoir.

Ye Chen smile: "if snow, this is my first time to your summer home, you will take me to your room, is not a bit too fast."

Xia Ruo took a look at Ye Chen and complained: "how can you really come to Xia's house? It's an extraordinary time. You come here so rashly and want to make a big deal of it!"

"Extraordinary times?" Ye Chen frowned, "if snow, I guess someone is threatening you, right? Or Wu family? Or the Qin family? "

Hearing the two words of Qin family, Xia Ruoxue's beautiful eyes shrunk slightly.

Ye Chen has the answer in his heart.

"If you believe me, please tell me the address of the Qin family, and I will get rid of all these troubles."

There is no doubt about ye Chen's voice.

No fear.

Summer if snow a Zheng, slightly open small mouth, beautiful eyes are full of confusion.

Of course, she is willing to believe Ye Chen. After all, all the people who deal with Ye Chen have fallen down.

But it was in Jiangcheng, not in Jiangnan province.

Ye Chen has just come to Jiangnan province. He may not even know the situation here. If he goes to the Qin family rashly, something will happen.

She didn't want Ye Chen to have an accident.

I really don't want to.

Do not know is from which day, summer if snow that cold heart, appeared a figure.

Gradually occupied by this figure.

She knew it was Ye Chen.

She had asked for countless times that ye Chen could be born in Jiangnan province and have the power to compete with the Qin family, or family.

In this way, she will not hesitate to choose to tear the engagement, stand behind Ye Chen!

, but all this is just a bubble.

Ye Chen has only one person. What does he face the Qin family, the top martial arts family in Jiangnan province for many years?

Even if ye Chen is strong and rebellious, it is impossible!

Facing the Qin family, there is only one way to die.

It's not about trust, it's a cold fact.

"Ye Chen, during this period, the Qin family seems to be using all its strength to look for a person in all parts of China, so they should have no time to deal with you. Otherwise, do you want to go abroad for relaxation Xia Ruoxue thought about it and said it very seriously.

The Qin family's influence was mainly in Jiangnan province. If ye Chen went abroad, it was obviously the safest.

Ye Chen shook his head helplessly.

Although he did not know how strong the Qin family was in Jiangnan Province, it was impossible for the other party to kill him.

Xia Ruoxue doesn't believe that he is normal.

After all, Xia Ruoxue doesn't know that she is the chief instructor of dragon spirit.

I don't know that the king of Nanjiang, who is afraid of countless people in Jiangnan Province, wants to call him the Lord of the palace!

I don't know he controls the reincarnation cemetery against the sky!

What's more, there are 100 ancient great powers standing behind him!

Even if he confesses with Xia Ruoxue now, the other party will not believe it.

In this case, we can only speak with strength.

He can go to the Qin family himself.

At this time, ye Chen Mou son a congealed, perceived what, then to the summer if snow way: "this matter will talk about later, you wait for me in the room for a while, I go to the car to get something."

Xia ruoshue felt something wrong, but she couldn't say it again. She nodded: "good."

The door closed.

Ye Chen sees two middle-aged men on the stairs.

Their eyes were cold and angry.

He thought these two people were from Xia family, but now it seems that they are not.

"You should be aiming at me. In this case, we go out and say, I don't want blood stained Xiajia villa, which will frighten Ruoxue."

Ye Chen's voice is very insipid, as if there is no fluctuation.

Finish saying, is to walk toward the summer home.

The two middle-aged men were stunned, looked at each other, or nodded.

Qin Shao asked them to stare at Xia Ruoxue and pay attention to anyone she contacted.

Xia Ruoxue is the future of the young grandmother, must not offend.

If you don't do it in summer, it's the best choice.

Not long, ye Chen came to the garden behind the summer home.

The environment was very quiet, and several servants of the Xia family were supported by Xiao Deng for various reasons in advance.

The two strong breath of middle-aged men stop, eyes pan a trace of cold, staring at the back of their Ye Chen.

"Who sent you to watch over ruoshue?" Ye Chen Dao.

The two middle-aged men were stunned and sneered: "boy, you should know whose woman Xia Ruoxue is?"

"I know." Ye Chen light way.

The two men nodded. It seems that the boy also knew the marriage of Qin and Xia families. Just about to talk, ye Chen turned around and continued: "if snow is my Ye Chen's woman."The air suddenly quieted down.

Those two people are completely confused! Is this boy looking for death!

Xia ruoshue is his woman!

After a few seconds, two people react, the face is full of angry meaning!

"Qin Shao's woman, you dare to move, I think you are looking for death!"

The next second, the wrist of the strong man of Qin family burst out directly!
